Sixteen Major League Clubs Await Big Opening

WARRIORS REST ON EVE OF BIG GAMES TUESDAY

Herbert Hoover Will Throw
Baseball to Walter Johnson
to Open Washington Game

NEW YORK, April 15 (UPI)—Like warriors resting under their arms on the eve of battle, most of the sixteen major league clubs are taking their last end-of-their-practice day before opening of the 1928 baseball season tomorrow.

After weeks of strenuous training, the completed the best of them; others, like Johnson, purr like cats about to pounce.

The customary predictions for a prospering season are made by the heads of organized baseball, but that remains is to raise the glass and, as old "Tim" used to growl, "Here's to you, Weather Beaufiful!"

While the season is scheduled to open tomorrow, here is what the stars say in Washington about it:

NATIONAL LEAGUE

Brooklyn at Boston—shower

New York at Philadelphia—probable rain

Pittsburgh at Chicago—probable rain

American League

Boston at New York—shower

Detroit at Cleveland—cloudy

Philadelphia at Washington—showers

Chicago at St. Louis—cloudy

Altogether, the outlook for the opening day is not encouraging. The start of an even start—the barrier to spring is remote.

There will be some new names, many new faces and a few new rules for this season's game.

Hoover Throws Ball

President Hoover is to lay out the first ball of the season, with Walter Johnson, the new manager, but old favorite of the Washington Senators, on the receiving end.

He will be joined by those present will be George McRury,

who managed the District Circuit's official appearance in the button-down season and new senatorial candidate, Harry F. Byrd, for a number of seasons.

The old Senator, will lead his new club, the Tigers, into action.

Herbert Owens Is Hurt at University

UNIVERSITY OF IDAHO, Moscow, April 16 (UPI)—A broken ankle, suffered by Herbert Owens of Twin Falls, Idaho, last night, is the first casualty of any consequence since spring football practice was started at the University.

Football practice is being done in spite of bad weather. Coach Leo Colland reports headway in shaping his team.

Owens made a name for himself

fast last as the "inlet" fast packer

when he could not be stopped

by opposing linemen.

He has been working at the quarter-

back position and showed more

promise than the other men.

Coach Colland, under the

system of football coached by Cal-

land, the quarterback is probably

the key position and does well.

Colland is a good coach. Under

his system, the interference is espe-

cially strong and

Owens did well in this respect.

He will be seen in action, howev-

er, for the season this fall.

Ogden Red Devils Win Bowling Title

SALT LAKE CITY, Utah, April 16 (UPI)—The Red Devils of Ogden, Utah, won the state bowling championship last night with a score of 284. The Nephi Plasterers, with 276, were second and "Honolulu," third, with 273.

Ed Stowell of Ogden won the

singles title with a score of 615.

John H. Stowell and John

of Ogden, were second and third,

respectively, in the doubles.

Jerome—Five new bridges will

be constructed on State highway

between here and rim-to-rim bridge.

STANDARD ETHYL

A NEW GASOLINE

To motorists of the Pacific West:—We are happy to announce that Standard Oil Company, in deciding to produce a new motor fuel of premium quality, in addition to the justly famous Red Crown, has specified ETHYL Brand of Anti-knock Compound as a part of this new gasoline:—STANDARD ETHYL.

In Standard Ethyl, you will find protection against knocking for all motors, especially those of high compression, added to a new gasoline manufactured especially to meet today's demand for a superior, premium gasoline—a splendid combination for ALL cars, new and old—of every make.

Standard Ethyl is the product of 50 years of Standard Oil refining experience—a truly superior gasoline. You can tell the difference—regardless of compression ratio—no matter what car you drive. Your car will be a better car—and you will notice it when you drive with Standard Ethyl—a 3-cent premium gasoline and worth it.

Local News in Brief

Farmers Hard at Work
Farmers in Twin Falls county are literally working day and night in many cases in their efforts to get their work done according to H. E. Grossard, county agent. On an average the seasonal work is between 10 days and two weeks behind normal schedule, except a part of Idaho, county agent says. "There is usually all activity by the first of April, but this year there is still some. What will be done depends upon the weather being during every day now." The growth of grass and plants is very slow. The presence of many tractors on farms has been a great help in making an early start in raising the crops due to the fact that farmers are able to work the machines double shift. There is still much plowing remaining to be done.

Boys of Idaho Meet

Central Idaho Legion No. 61, including representatives of the various lodges in the state, including Glenna, Perry, Jerome and Rupert, and members of the Wop's auxiliaries of these places, plus a hundred Legion and Trotter Club members, and Trotter Club, Chapter of Jerome, presiding. The next session of the order will be held in Rupert. The meeting was opened with a march of 100 young men, followed by the singing of the lodges' song, following which a banquet was served by the Glenna, Perry Women's Auxiliary. The program included a short presentation of Grand Highies, Glenna, Perry, and included songs by G. B. Reuben, Reuben, and addresses by J. W. McElwain and Roy Cahn, W. F. Palmer.

Motor Car Remained

Two cars that had started in the city Saturday night were later found and recovered for the owners by the police, according to reports of the Standard Examiner.

Individually guarded, one was stolen from his garage which was locked. The P. H. Detweller Club sedan, 125 Main, was recovered Sunday morning and was found on Third north in the 500 block.

Elizabeth Schmid Dies

Elizabeth Schmid, 49, wife of Henry Schmid, died one and a half miles south west of Twin Falls Saturday morning after a long illness from a sudden heart attack. She is survived by her husband and four sons and three daughters. Funeral services will be held Tuesday afternoon at 2:30 o'clock from the Drake funeral parlor, the Rev. Mr. Zazel in charge, interment will be in Twin Falls cemetery.

Opens April 25

The new Mortuary will open Sunday, April 25, which will allow more time for the making of extensive improvements in the place. Plans have been made to have the building completed by June 1st.

The back room of the pool is to be concreted to make nice walks and about 20 more women's dressing rooms, to be no added, but

and

the front room will be used for

improvements.

IDaho's Winter Wheat Does Well

Federal Department of Agriculture Reports Condition as 90 Per Cent of Normal

Winter wheat in Idaho had a condition of 90 per cent of normal on April 1, according to the federal department's report. On the same date it was 39 per cent in 1928; 92 per cent in 1927; and 92 per cent the ten year average. The condition of winter wheat samples all during the winter in the three main areas—northern, eastern and southeastern counties, indicated that the wheat in eastern counties were still snow blanketed April first. In northern counties fields were generally bare or last year's stubble. Some damage is reported from alternate thawing and freezing of the soil. This condition was not general.

The first report on damage from winter killing will be issued on May 1, and will indicate the acreage remaining for harvest. There were 1,000,000 acres of winter wheat in Idaho last fall. The crop went into the winter with a condition of 90 per cent. Under weather conditions, it is expected that the abandoned acreage should be very small. At the fall of 1927, 480,000 acres were planted, of which only 100,000 were harvested for harvest in the fall of 1927.

The United States winter wheat crop had a condition of 82.7 per cent on April first. In comparison, the 1928 condition was 84.5 per cent two years ago and 81.0 per cent ten years ago. There were 14,229,000 acres planted in winter wheat in 1927, less than was planted in the fall of 1927. Last December the nation's winter wheat crop was estimated at 13,000,000 acres. It indicates that there was a loss of nearly six points in condition since the winter.

Home Culture Club Annual Guest Day

BUHL, April 15 (Special)—Members of the Home Culture Club met Friday afternoon at the home of Mrs. George Schleter in McCallum, after a short recess from the annual guest day. Mrs. C. C. Boehmer was assistant hostess and Mrs. George Abigail was the guest of honor. Each member had invited a guest, many of whom were members and officers of other clubs. Sixteen guests and 18 members were present.

Promptly at 2:30 o'clock the president, Mrs. M. J. Jarlum, called the meeting to order. Miss Anna Kuever, club historian, gave a brief history of the club. After a short business meeting the members voted on the slate of officers for the year. The slate was as follows: President, Mrs. Joe Kuever; Vice President, Mrs. Anna Kuever; Corresponding Secretary, Mrs. Anna Kuever; Recording Secretary, Mrs. W. V. Burke, local district secretary.

Entertainment fund of the State Federation of Women's clubs. The hostesses served refreshments at the close of the afternoon session. Other speakers present for the annual guest day, in addition to special guests were Mrs. C. H. Schreider, Filer, first district representative; Mrs. Anna Kuever, McCallum; Mrs. Anna Kuever, and Mrs. W. V. Burke, local district secretary.

By Junius

His Skill Baffled Him.

"You're the only girl I ever
kissed."

He lied with manner gallant:

"Your art," she answered, "must
be divine."

Of wondrous natural talent?

"You're the first man I ever kill-

ed."

Stifled (lest) the little sinner,

said he, "that tantalizing twist

Never worked for a beginner."

The best spring tonic one can

take is a forty foot garden and a

five foot pole.

"This is a pretty-sunny sort,"

remarked the Twin Falls baby as

he was put into his rubber pants.

We just happened to wonder if

there ever was a fatted cat kill-

er than the Twin Falls boy. This

answer seems to be No.

Flappers.

We should a plowboy was a

short story.

Sigh your own yard and run

away.

Draw his shadow was shifty.

Shift your ears boy, your ideas

have to detect!

Listen fraction, you're no flapper!

What's the time? There comes

Clope your mouth—here comes

a newer inspector!

"I hear your son is at college?"

"Yes."

"How is he going?"

"Pretty good I guess, he's tak-

ing three courses, I've just paid

ten dollars for Latin, ten dollars for Greek and a hundred dollars for French."

He said, "I have just one
kiss."

"Sorry, but I don't care for the recall trade," everything

else you know, anything else."

He left without saying a word.

What would it mean the name of

the fellow who is going to be

over there?"

He replied, "I don't know."

Sheriff Charles, you don

any more?" On our honeymoon

we had a long talk, everything

was agreed upon."

"Sommer or later we set what we deserve?"

So we suppose the promulgator

must have been fond of pic, too.

"You're the first man I ever kill-

ed."

Stifled (lest) the little sinner,

said he, "that tantalizing twist

Never worked for a beginner."
