Vote on Farm Measure Put Off Until Monday; Debate to Be Limited

Democrats and Midwestern Disbenturites Staffed United in Support of Measure; Only Thirty-five Men Expected to Vote Negatively on Monday

WASHINGTON, May 10 (UPI)—Administration forces in the Senate are turning against the farm bill because it includes the disputed debenture provision and they propose to vote against the measure when it comes to a final vote Monday.

On the other hand the Democrats, solid almost to a man, together with the midwestern disbenturites who Senator Frost called "Pseudo-Republicans," intend to support the bill. They will be joined by five or six Republicans who voted against the debenture provision, but who do not wish to jeopardize the legislation.

The two opposing spectacles—the situation the white of both factions agreed in their bills today that the measure would not be voted on unless the debenture plan included. They figure there will be about 35 votes against it.

Switch in Lineup.—The appearance of a dozen or more amendments led to a switch in the Senate, and the measure before nightfall. Chairman McNary of the Senate agriculture committee, introduced in the morning, was taken for 60. There was vigor in his hand clasp and gleam in his eyes, but he was not smiling. Playing his hand, and fully aware of the situation, he reached for a senator. The agreement will bring a vote late Monday.

Debate on the tariff bill was continued in the house, with little of national interest developing. The bill, after the House had voted 215 to 19, the day after the Republican caucus failed, will be voted on at 1 P.M. today.

Both the Senate and the House have been given an interview with the United Press. Mooney said it was "going home." Although clemency has not yet been granted, No. 1321, who lost his life in the San Francisco fire of 1907, the aftermath of the San Francisco preparedness parade shambles, is confident of liberty.

Mooney, who has been in jail for years here, gave an interview with the United Press. Mooney said he was "going home."

He was held in the house during every watching hour of the time, which was assigned to prison duty, and he was not allowed to receive any visitors. He was not permitted to write to his wife, and documents which are now in the hands of Gov. Young. A three thousand word petition, written by himself, and signed by 10,000 persons, has been presented to him.

"For several years he has failed to get out. But the time for action has come. He has been held in a definite status which has been maintained or purged. Public sentiment has reached its highest point, and the public is so moved for my pardon command widespread respect."

WALTER HAGEN WINS BRITISH GOLF TOURNEY

Open Championship Goes to Well-known Veteran of American Links

FOURTH TIME HAGEN HAS CAPTURED TITLE.

Second Place Shared by Farrell, Open Champion of United States

MUTHFIELD, Scotland, May 10 (UPI)—Walter Hagen won the British open golf championship for the fourth time here today.

With a drive over the course, the four leaders went to please, the champion played two steady rounds to gain an aggregate of 223, which left him far out in front of the field.

The other contestants seemed to have lost heart in the face of the devastating 87 tossed at them by "Sir" Walter's day before, and he won by 10 strokes over Leo Diegel.

Johnnie Farrell, open champion of the United States, followed up his win by capturing the British open title.

The other contestants seemed to have lost heart in the face of the devastating 87 tossed at them by "Sir" Walter's day before, and he won by 10 strokes over Leo Diegel.

Diegel, who had held his third round advantage, was unable to find his feet again.

Hagen was the champion with rounds of 75-67-76-75, total 287, 12 strokes behind the estimated par of 285.

Fourth Time for Hagen.

This championship is the fourth British open for Walter. He was born at Sandwick in 1922, at Hoylake, England, and again in Sandwick last year.

Johnny Farrell, open champion of the United States, won second money, "thoroughly satisfied" with his performance, and the aggregate of 223.

Farrell added second place with four rounds of 72-76-76-75, cumulative total 290.

Diegel, B. G., and Canadian open champion, finished in third place with 293. He started two strokes ahead of Hagen, but faded badly today, shooting a 92 and a 97.

RAILROAD MAY BE BUILT BETWEEN POINTS IN OREGON AND CALIFORNIA

SALT LAKE CITY, Utah, May 10 (UPI)—The Western Pacific, which operates in the northern territory of California, has reached the line of the Great Northern railroad in favor of the proposed 200-mile railroad line between Klamath Falls, Ore., and Redding, Calif., by means of the building of the proposed 200-mile railroad line between Klamath Falls, Ore., and Redding, Calif., by means of the present terminus at Klamath Falls to Lookout, Calif., where it would be joined by the Western Pacific, running north from its main line.

The application filed with the Interstate Commerce Commission asking permission to construct this line is being hotly opposed by the

Governor Addresses Hazelton Students

JAZELTON, May 10 (Special).—Fortunately for all the students of Hazelton, the governor was present at the Park hotel Monday evening and kindly consented to address the group of Hazelton pupils who had gathered together to have a dinner dance given in the basement room of the Park hotel by Mr. and Mrs. Roy G. Hawley, Mr. and Mrs. George Buckley, Mr. W. S. Dunn, for the seniors.

Governor Baldwin gave an interesting talk stressing the fact that the world is not yet fit for them, and that in any occupation one will not go far in this age without an education.

The hall was beautiful, with bouquets of soap dragons, the smaller appointments carrying out the classic colors of lavender and cream. The decorations were clever pen and ink sketches made by Mrs. Hopper.

An orchestra of four pieces furnished the music.

The class next attests considered themselves fortunate indeed to have the privilege of hearing Governor Baldwin at this 1929 senior ball.

The entire senior class of Hazelton was present, including the following members: Edna, Mrs. Max L. Little, Helen, Francis Cyrus, Pauline Powers, Opal Fleck, Geraldine Fine, Mary Keeley, Verda West, Anna Ogle, Ruth Yeaman, the four ideal mothers from Hazelton, the four lead participants; a solo by Miss Margaret Walker; a solo by Bert Barlow; "Glen Dunn"; and Mrs. Hawley. TENNIS QUEEN PRESENTED TO BRITISH COURT

Helen Wills, Center of Attention at Buckingham Palace; Scene Very Brilliant.

LONDON, May 10 (UPI)—Queen Mary of England held royal court in Buckingham Palace last night, and Miss Helen Wills of California, who had her own unoffical court in the west, was there.

Out and inside the splendid old palace of England's kings, Miss Wills was easily the most outstanding figure, and the most colorful, and most colorful scene which shall remember as long as I live," said the Queen, "was the ease with which she cleared the way for the American tennis star. Immediately as I moved slowly up the mall of the great palace, people, both old and young, many from the states of the east end, pressed their noses against the enormous windows, to glimpse Miss Wills."

"I've never seen such a crowd around any debutante," one police guard said.

Miss Wills was twenty-four in June. She was accompanied by Miss Harriet Walker, of Piedmont, Calif., and by a

handsome young man whose name was not given. The tennis star wore a gown of rich satin without trimming.
