ATHLETICS BEAT BROWNS 9-7 IN ELEVEN INNINGS

Washington Sports to Detroit 8-4; White Sox Split Even With Yankees; Brooklyn-Team Hands Bats to Pirates.

By UNITED PRESS Eastern American league clubs are encountering unexpectedly stiff competition during their current invasion of the west and although all four of the western clubs are definitely out of the pennant race, it is apparent that they will have considerable to say in the final disposition of the race.

Detroit's fifth place Tigers have upset the Washington Senators in three of four matches, the defeats dropping the Senators to third place. While the luckless Chicago White Sox have taken two out of three from the Yankees.

The Philadelphia Athletics are the last eastern club which has met with the expected success in the west.

Philadelphia had trouble beating the St. Louis team yesterday but came out a 2 to 1 victory after 11 innings. The Browns came from behind to tie the score in the eighth inning and again in the tenth but were stopped by Lefty Grove in the eleventh.

MANDELL PICKED TO RETAIN TITLE IN SINGER MATCH

Boxing circles believe the Champion Will Defeat All Singer Thursday Evening; Some Claim Fight Framed.

NEW YORK, July 16 (UP)—Although reports that Thursday's 15-round world lightweight championship bout between the champion Mandell and challenger Singer are being favored, boxing circles are almost unanimously in picking Mandell to retain his title.

Singer's record shows little to qualify him as a title contender and only the influence of the powerful clique financially interested in his career enabled him to get the Mandell bout without first proving his right by meeting the two leading contenders, Jack (Kid) Berz and Tony Cosentino.

Investigation showed no evidence of dishonesty in connection with the deal and some believe the "wise money" farmer Singer solely because of the gambler's conviction that the Chicago controlling the match has no chances in matching their protest.

Singer has been carefully "built up" by meeting second rate opponents in numerous nameless "under-the-table" fights.
