

# GIANTS REDUCE BROOKLYN LEAD OVER CHICAGO

New York Founds Out Victory Over Robins; Philadelphia Athletics Are 3 Games Ahead of Senators.

By United Press

With the second place Chicago Cubs swinging back into action today after an open date, the final game of the Brooklyn-New York series at Ebbets Field was on the order of business in the National league pennant race.

The Giants assumed the lead in the crucial series, two games to one, by winning yesterday, 4 to 0, and reducing the Robins' lead over the Cubs to 2½ games.

The third-place Giants are 3 games behind the leaders.

The Giants will be the last home game for Brooklyn, barring a Sunday game with the Pirates on August 17, until they return from the west August 21. The Giants also face a long road-trip, playing 16 single games in 10 days, starting with a western club, before they return to the Polo Grounds, August 27.

The other National league contender, the Cubs, face a long home stay, playing the rest of their game this month at Wrigley Field after completing their 3-game series against the St. Louis Cardinals.

Brooklyn's home runs helped the Giants win from Brooklyn yesterday; Allen Lindstrom and Terry Liska hit homers.

Lindstrom's single and Terry's double accounted for the other New York runs.

The Philadelphia Athletics increased their American league lead to 3 games by winning from Boston yesterday, 3 to 4. Al Simmons hit his 10th homer and a pair of triples; Letty Grove hit a homer, with two others.

Washington, idle yesterday because of the tarpaulin, got back into contention with a double-header game from the Chicago White Sox, 3 to 2, Vic Sorell outpitching Ted Lyons.

Cleveland scored three runs in the ninth to beat the St. Louis Browns, 5 to 2.

Following statistics, compiled by United Press, include games of August 4.

The Daily Worker

With much pleasure, I can

tell the clue why the Philadelphia

National League ball team cannot

win ball games? This has become

to me the awful mystery of this

baseball age.

It is a secret of mystery, I say,

but it is known to all.

Both of whom the average of

\$400 is lost, a whole lot of fun,

the club leads the league in the

department of pitcher punishment.

When I looked at the team batt-

ing record, it was

obvious that at no time was either

pitcher threatened by a knuck-

le down, it was a fast bout with

lots of action.

The titleholder started out from

the round of the game with a

mark of .328, and was well in the lead for the

first four rounds. Dix took two

hard in the sixth. The seventh

was a draw, with the last three

going to the champion.

Not the secret, he claims, is in

his .2000 Phillips as a team,

but not fielders. In recent tabula-

tions they were fourth in the

league in fly-catching and ground-

stabbing. There are some nifty in-

fielders in the Philadelphia team.

Whom is it a good ball hand?

There are Thome, Harst, Frey-

man, Thompson, Jack Starck and

the efficient Barney Frithen, the

lucky number.

The players!

Shut off! Phil Collins has won

a topheavy percentage of his

games, a recent average was 10

.600 and 1 lost 1.

## CLUB SUGGESTS WOMAN FOR POST

**Business Women's Club Rec-**  
ommends Grace Abbott As  
Successor To J. J. Davis

Recommendation that Miss  
Grace Abbott, Twin Falls business  
woman, be chosen to succeed James J. Davis  
as Postmaster was made at the  
annual meeting of the club Monday evening.  
Copies of the resolution will  
be sent to President Hoover and  
to the members of Congress.

Cardinal John M. O'Boyle attended  
the club's meeting.

John H. Stever, the club's president,  
spoke about conditions in the Silver  
City home. A wealth of  
white trees on the picnic terrace  
through which runs a swift-flowing  
creek, made it an especially  
delightful spot for the  
session.

Mrs Alice Peavy, daughter of  
Mr. and Mrs. A. J. Peavy, gave  
a charming interpretative Ital-  
ian dance which she learned  
while residing in Honolulu last  
year. Weather was the chief topic  
of the meeting.

Nicholas Roosevelt of New York,  
newly-appointed Vice Governor of  
the Philippine Islands, and his  
wife, Weston, the elected  
representatives of the American  
Chamber of Commerce, were  
also present.

Roy Palter spoke for the business  
men of Burley, in behalf of  
the Chamber of Commerce. P. E.  
Fleming, in an address, welcomed  
the visitors to the club.

Governor-General Davis in ad-  
dressing the affairs of the Philip-  
pine Islands.

Crossland and Mrs. G. Washington Powell were appointed by

Miss Isotta McCoy to write a his-  
tory of the Twin Falls organization  
of each labor union, and a special  
party to be held in two weeks.  
It is made public later.

**Korean Counting Rods**  
Hundreds of tools were used in  
the Korean peasant school to  
achieve education as late as the end of the  
nineteenth century.

Government Stands Ready to  
Aid Local Authorities As

Apples Ripe on the Trees.

**Washington, Aug. 5 (UPI)—**No stone will be left unturned by  
the federal government to render  
assistance to local authorities  
in their efforts to attack the ex-  
tended drought, President Hoover  
announced today.

Already an investigation has  
been undertaken by the agricultur-  
al department to determine the  
severity of the situation and a re-  
port will be made public next

Monday, the President said.

**Citizens Join in  
Pastor's Welcome**

**BURLEY, Aug. 5 (Special)—**Friday evening a reception was  
held in the social room of the  
Methodist church for Rev. Charles  
L. Clegg, pastor of the First  
Lutheran church, Indianapolis, Indiana. The program  
was conducted by Mrs. Roy Painter in charge  
of music and talks of welcome  
from the various business,  
civic and church groups.  
George Seelye voiced a welcome  
on behalf of the church council and  
also as a representative from the  
Presbyterian church.

Roy Palter spoke for the busi-  
ness men of Burley, in behalf of  
the Chamber of Commerce. P. E.  
Fleming, in an address, welcomed  
the visitors to the club.

The various church organizations  
of the Methodist church were rep-  
resented by Mr. and Mrs. A. Smith,  
the Sunday school; Mrs. M. A. Geyer,  
the Ladies Aid; Mrs. Lawrence Dunn, the Mission-  
ary society. Musical numbers were  
given by Mrs. Gilbert Hogue, Mary Ves-  
tine, Mrs. M. W. Crouch, Mrs. Stevenson, Mrs. Bailey and  
Mr. Chapman. Rev. Clegg responded  
gratefully to the welcome tendered them, saying "Since  
leaving Liberty, Indiana, we have  
traveled 2700 miles and have  
not been slightly fatigued along the way,  
but have no place to go as the one tonight," voicing a rare  
appreciation to the various groups  
who had cordially welcomed him  
in his new work.

**Bean Association**

**Provides for Buhl  
Storing Facilities**

**MOSCOW, Aug. 5 (Special)—**The  
Generalized Illinois Bean Council has  
entered upon a contract with the  
Idaho Bean Growers' association  
whereby the company will handle  
and store all the association beans in  
this locality. Due to the acreage  
of the company in building a  
new facility, stores, modernly  
equipped with cleaning, grading  
a concrete floor and ample storage  
room for about 50 carloads of  
beans. The building will be 60  
feet by 120 feet and will cost  
about \$100,000 when completed, in-  
cluding the installation of the  
machinery.

There will also be an open  
warehouse to handle what beans  
and seed that may come in.
