

BRUINS RALLY TO CONQUER BUHL'S ELEVEN 20 TO 2

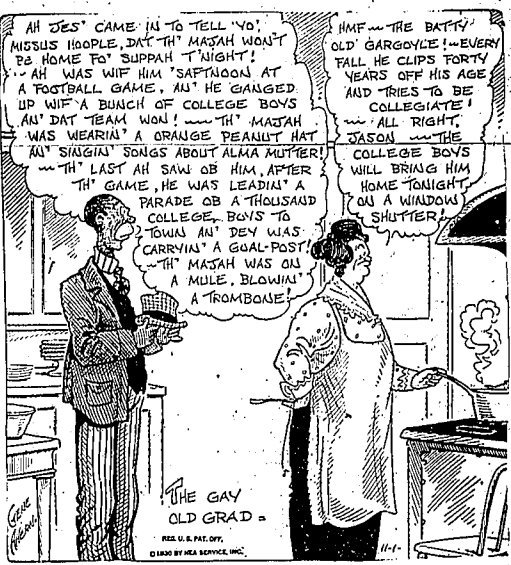

Fumbles Play a Prominent Part in Friday's Game On Lincoln Field, Visitors Score Early in the Contest

After battling an even tempo through three quarters, the Twin Falls Bruins rallied in the final period of the contest played with Buhr's on Lincoln field here Friday afternoon, and scored the touchdown which clinched victory by raising a one-point lead to a two-point margin.

Although before the contest, as a "set up" for the Bruins, the Bulldogs fought their way to a touchdown early in the first quarter, when after recovering a fumble Buhr's punter plunged across the goal from the four yard line. The Bruins retaliated with the second quarter, when they scored on the thirty yard line, and in a series of short runs, Buhr's drove over the goal. Tries for points failed after both touchdowns. The half ended with the score 6-0.

At the third period, Buhr's again recovered a fumble on the thirty yard line, and a series of drives, aided by a few yard gains, took the Bruins to the twenty yard line. Buhr's drove over the goal. Tries for points failed after both touchdowns. The half ended with the score 6-0.

Hostess Provides Thrills A-Plenty for Pinochle Party

Created by witches who appeared suddenly from behind trees, members of the Solstice Pinner club Friday evening were entertained through a supernatural horror-chamber where all manner of "spooky" objects and weird noises confronted them at every turn, and then directed to the card rooms at the home of Mrs. Elmer Willis.

The card games were interrupted by a brilliantly executed ballroom dance, a quartet of the club, was then presented with high score award and presented to Mrs. Mrs. Elmer Willis.

A supper in keeping with the Halloween season was served at the close of the evening, and the club members and guests, Mrs. Willis and Mrs. Davis, declared it one of the gayest and most thrilling Halloween party they had ever attended.

Progressive Club Has Lively Party

Members of the Women's Progressive club, their husbands and a few guests assembled at the home of Mrs. and Mrs. V. W. Wilson for a gay Halloween party Friday evening, most of them in costume. The decorations adorned the home.

Mrs. Livingston and Mrs. Perschotte gave the "Dark Town Strutters" ball, accompanied at the piano by Mrs. T. Emerick and Mrs. Livingston. Mrs. Perschotte and Mrs. Havens then sang "Think Lady," and "The Women Who Lived in a Stone." Mrs. Wilson, wearing the romantic garb of a witch, told fortunes. Humorous skits provided much amusement.

At the supper, hour the men were presented with hats of beads and as an appetizer, the women bidding was lively and this proved a novel way of securing supper partners. Each woman had prepared a basket lunch for the occasion. Mrs. E. Havens was auctioneer and Mrs. Frank Kruger served as clerk.

Dancing music completed the evening's festivities.

Mrs. Charlotte Roberson

Democratic Candidate for Clerk of the district court of Jerome County has made an, enviable record during the past four years for her careful attention to the business of the county.

The next four years will see this record continued, if the voters of Jerome County are united to continue an economy program and choose her for another term.

Please Reason This Out—

WHY a four year term for the CLERK OF THE DISTRICT COURT, Auditor, and Recorder, when all other offices in State and County, except DISTRICT JUDGE are but two years?

BECAUSE HIGHLY SPECIALIZED TRAINING is required for this position on account of its purely technical nature, and from two to three years time spent in the office is absolutely necessary to acquire this training.

YOUR PRESENT CLERK offers you his services for a second term. You have paid for his training, why not collect your dividend by returning him to the office.

HIS INTIMATE KNOWLEDGE of the office and his clear vision of its present and future needs has enabled him to inaugurate many improvements which decrease the cost of operation more and more as years go by, and greatly enhance the value of the county records.

CONTINUE THIS MARCH OF PROGRESS by casting your vote for HARRY C. PARSONS for a second term.

How to play Bridge AUCTION or CONTRACT
by Wynne Ferguson
Author of "PRACTICAL AUBURN BRIDGE"

Copyright, 1930, by Hefle, Jr.

ARTICLE No. 1

Beginning with this article, all examples will include Contract, as well as Auction bidding, so that our readers can compare the bid and thus get a good idea of Contract bidding as compared to Auction. To enable our readers to follow Contract bidding, the following summary of the main differences between Contract and Auction is given: Contract, as the name implies, allows the player to score towards game only the number of tricks he has bid. For example, if a player bids two hearts and makes four, he can only score two, the number bid, and the remaining two tricks are scored in his honor contract at 50 per trick. This rule makes it necessary for players to bid for game on every hand, whether their opponents overbid or not, provided, of course, their cards warrant a try for game.

As a result, there are no "dead" hands in Contract, whereas in Auction, a player who bids one heart and stops, as occurs very frequently at Auction, when one side holds all the cards, where it is bound to be plenty of action whether opponents bid or not. The lucky side must bid for game if they want it and once they feel sure of game, they have the still greater incentive of trying for "slam." At Contract a little slam, big bid and made, scores 500 points (300 for the bid and 200 for the bonus), while in Auction, a big slam and made scores 1000 points, so they are well worth while. As a result of these large prizes, big bids, even if bid and made, often offer one of the exciting features of Contract.

Under the regular game of Auction you may take a chance now and then with a weak bid. It costs very little, but in Auction, in Contract you bid one or two tricks, and if you are wrong, no trumps. What will happen? If second hand passes, your partner may have good cards, no trumps. Your partner will be caught bid up; he may be jumping in bidding three no trumps. The penalties are very heavy, so bid more soundly at Contract than you ever did at Auction. Very different from Auction and changes the point values of tricks and games, as follows:

Clubs	20 points
Diamonds	20 points
Hearts	30 points
Spades	30 points
No Trump	30 points
Game	100 points

From the foregoing table it will be evident that the number of tricks required to score game are exactly the same under the Contract game as in regular Auction. In other words the relative position of the minor and major suits and no trump is the same. There is one striking difference, however, and that is in the definition of the diamond suit as a possible game scorer from an advanced score. For example, at Auction if you score three diamonds (21 points), you are in a position to score game.

Dr. F. S. Bell is sixty years old; a native of Iowa, from an old and prominent pioneer family of that State and is the son of a Union Soldier. He graduated from Law Department of the Drake University in the State of Iowa and was admitted to practice Law before the Supreme Court of Iowa on the ninth day of May, 1894. He passed a rigid examination and took high rank, there being fifty-two applicants—the largest class that ever appeared before the Court up to that date. The following Law Schools were represented: Yale, Harvard, Ann Arbor, Iowa State, and a number from his own state. In his oral and written examination he stood second in the class, after being declared a failure.

Mr. Bell was a member of the Henry County, Iowa bar for sixteen years, which bar was said to be one of the very ablest bars in the State during that period. During this time he practiced Law in the State of Iowa, and in the State of Idaho on June 4th, 1920. For over twenty years Mr. Bell has resided at 304 Seventh Avenue East, in Twin Falls. He has never held a public office except first county settlement when he was mayor of the town of Shelm, Iowa, in the late 1800s.

Mr. Bell is a man of extended experience in business as well as a lawyer; he is a man of solid integrity and is particularly well qualified to fill the office of Probate Judge. The voters' attention is called to the following list:
