Public Works Appropriation Measure Returned to Committee

EDUCATION BILL PASSED

\$150,000 Per Month Allotted To Match Federal Grants For Relief

BOISE, Ida., March 6 (UP)—Economy continued today to echo in Idaho's senate today as a bill appropriating funds for the department of public works was in committee of the whole for amendment, despite final adjournment of the legislature's 24th session being only hours away.

Working late last night, the senate jammed through the last major appropriation bills—those for state educational institutions, \$150,000 a month for social security matching and direct relief, and providing for a \$765,000 bond issue for new buildings at state schools.

The school bond proposal, however, was under notice of possible reconsideration by Erb, Nez Perce. The northern senator asked to serve notice after the measure had been run through the expedited legislative mill without having been explained.

Senators Started

Checking back to the number referred to, senators were startled to find they had approved the bill, object of much discussion during the past two weeks, without a murmur of debate either for or against.

The \$2,600,000 relief budget, largest single appropriation of the session, passed with a little difficulty but with its amount undisturbed.

Appropriations for educational institutions were approved in the senate with five per cent cuts made in the house. The budgets were sent through the upper house unchanged as part of an implied understanding that they would not be tampered with providing the house did not interfere with economy bloc budget reductions for general state departments.

Publicity Board Defeated

The house, after appointing a committee to consider changes in the senate-proposed revisions, reconsidered and concurred in the cuts without change.

An attempt to reconsider a bill defeated earlier in the day to establish a board of publicity with a \$50,000 appropriation to advertise the state, was defeated.

Working down a revised final reading calendar drawn by a newly-appointed sifting committee, the upper house passed 20 bills following defeat of the advertising bill, defeated on others.

Appropriation bills approved called for 1937-38 funds for the state traveling library, \$28,000; retirement of lava hot springs foundation bonds, \$10,000 improvements at La-

FOES OF COURT PROGRAM UNITE

Nation-Wide Campaign to Be Conducted by Opponents Of New Change

By JOE ELEX MORRIS

WASHINGTON, March 6 (UP)—Congressional foes of President Roosevelt's supreme court reorganization program united today for an immediate nation-wide campaign.

Accepting the challenge to carry the controversy to the country, they abandoned informal tactics and organized an intensive drive. It was planned at a series of conferences lasting until late last night under the immediate leadership of Senator Burton K. Wheeler, D., Mont.

First attack on the reorganization under the new strategy will come from Sen. Edward R. Burke, D., Neb. in a radio address tonight. He revised his speech to reply to the President's Thursday night defense of the plan.

Wheeler to Speak

Wheeler cancelled his railroad finance investigation for the present and devoted his entire energy to the court controversy. He drafted a speech which he will make Wednesday night in answer to Mr. Roosevelt.

Burke announced that Sen. David I. Walsh, D., Mass., previously uncommitted on the court bill, would be one of four speakers against the plan at a New York City mass meeting, next Friday. The others will be Sen. Walter P. George, D., Ga., representing the south; Sen. Royal S. Copeland, D., N. Y., from the east; and Burke, representing the midwest.

Labor to Join Campaign

Both factions of organized labor, it was learned, were preparing to join the administration campaign. Burke forecast far-reaching political effects if the President's plan should be enacted.

Burke and Wheeler agreed that, as a result of the President's appeal to the farmers, the laborers, the small businessman and the poverty-stricken, opponents of the plan would "fight fire with fire."

On Tuesday, the President will make the second of a series of radio addresses on the judiciary issue. He was expected to deal directly with his proposal for enlargement of the court in a sequel to his Thursday night speech.

MADRID BOMBED IN NIGHT RAIDS

Thirty-Four Reported Killed and 100 Wounded Along Area Front

MADRID, March 6 (UP)—Nationalist air raiders, in four smashing air raids during the night, killed 34 persons and wounded 100 in Madrid and the area along the front. The American hospital unit operating with the loyalists near Aranjuez, 25 miles south of Madrid, was in the vicinity of one raid. It was not known whether any members of the unit were wounded.

Aranjuez Bombed

Aranjuez was bombed severely over a period of five hours and it was asserted that more than 20 were killed and scores wounded there. Tarancon, reported from 6 to 8 dead and 40 wounded.

Villanueva del Pardillo, 17 miles west of the capital, also was bombed. All points bombed outside Madrid are on important highways and loyalists thought it meant an effort by the nationalists to cut off the capital in preparation for an expected mass offensive.

Loyal Troops Hills

Government troops thrust at Avila, northwest of Madrid, threatening the main supply center behind the lines of Gen. Francisco Franco's nationalist armies.

One column advanced westward nearly two miles from the direction of El Escorial carrying the battle to the immediate vicinity of Navalperal de Pinares, which is 14 miles west of El Escorial and half-way from that point to Avila, where the nationalist general headquarters has been since the siege of Madrid began.

As Detroit Waitresses Struck

Forty waitresses in a Detroit restaurant hadn't lost a bit of enthusiasm for their sildown strike when this picture was taken of them in conference with the management. The girls struck during the noon hour and those in another cafe immediately followed suit. Customers went unfed or waited on themselves. Food cooled unheeded in the kitchen. Unpaid checks were numerous. The waitresses want more pay, shorter hours.

Oakley and Buhl Move Into Finals Of Class A Play

Oakley's undefeated Hornets and the Buhl Indians this morning won their way to the championship finals of the south central Idaho Class A basketball tournament and will vie for the title tonight at 8 o'clock in Twin Falls high school gym.

The Oakley powerhouse opened the morning session by blasting out a 31 to 26 triumph over the Gooding Senators and after a thrilling clash the Buhl quintet edged the Burley Bobcats by a single point 17 to 16.

Could Hold Over

If the Hornets repeat their Friday night victory over the Indians they will automatically annex the championship of the Class A division and will play the winner of the Class B tournament at Glens Ferry for the district title and the right to enter the state meet at Moscow, March 18 and 20. On the other hand, if Buhl should spring an upset and defeat Oakley, a title playoff game would be necessitated Monday evening.

Oakley swept through to the finals in record style. Gooding went into an 8 to 2 lead in the opening minutes of the game, but by the end of the initial stanza the Hornets had forged to the front, 14 to 8. Halftime score was 20 to 14 for the Hornets and they led at the end of the third quarter, 28 to 21.

Clark, Oakley center, scored five baskets and a free throw to annex high score honors for the winners with 11 points, but Harold Hutton, Gooding guard, led the battle with 12.

Thrilling Finale

Second game of the morning was a free-for-all attraction, which closed after Pete Buhl of the Buhl quintet tanked a free throw in the last minute of play.

Buhl went into a 6 to 4 lead at the quarter and continued in front as they led 11 to 8 at the rest period. Third quarter score was 13 to 12 for the Indians. Buhl then stepped out again, but Leon Accatturi, speedy sophomore on the Bobcat squad, came through to tie the count at 16-all. Boyd's free throw won the ball game and Buhl missed a couple of gift tosses that would have increased the margin as the game ended.

Leon Accatturi led Burley with eight points while Jerry Hopkins topped Buhl with six.

The lineups and scoring:

Oakley—Gorringe (8) and Elison (2), forwards; Clark (11) (Continued on Page 2, Column 3)

CASTLEFORD FIVE DOWNS SHOSHONE

Glenns Ferry Team Battles Indians Tonight; Final Goes to Monday

GLENN'S FERRY, March 6 (Special)—Glenns Ferry plays Shoshone here tonight for the right to battle Castleford Monday night for the championship of the Class B district. The prolonged race was caused by the defeat of the Shoshone Indians this morning by the Castleford Wolves in an exciting 32-31 game.

In the day's opener Glenns Ferry had run wild to eliminate Hagerman 38-17. The Ferry boys were "hot" in the first half and ran up a 26-6 edge. Coach Ken Barrett used again topped the Hagerman scoring with six points and Bill Clinkinger dropped 14 for the visitors.

Shoshone Indians found themselves in another one of those one-point battles that they have become noted for—only this time they were on the losing end as the Castleford Wolves edged out a 33-32 win. The game was nip-and-tuck from the opening whistle and neither team ever held over a four-point advantage. Score at the half time was tied at 16-all.

Oneida again captured scoring honors for the northerners with 13 points, while Hank led Castleford with 10.

LOAD LIMITS FOR ROADS EXTENDED

Emergency Maximum Placed On South Central Idaho Oiled System

Extension of emergency load limits to all oiled roads throughout south central Idaho will become effective Monday. It was announced in Twin Falls this afternoon by Matt J. Johnston, Shoshone, district engineer.

The emergency weight limit is 300 pounds per inch width of tire. The limit had previously been applied only to the Oregon trail.

"Because of the warmer weather and thawing in the past two days, it has been found necessary to apply the load maximum to the entire oiled system in district No. 2, the 11 south central counties," Johnston said. "All foremen have been notified and signs will be put up and the order made effective by Monday."

Law Catches Up With Fugitive After Chase Lasting 25 Years

COFFEYVILLE, Kan., March 6 (UP)—When his friend, City Marshal John McInroy, was shot down in the street at Caney, Kan., 25 years ago, Deputy Sheriff Bert Ziegenfuss swore to get the man if it took the rest of his life.

The suspect was Nip Vann, who had come up from Bartlesville, Okla., for a load of liquor. Vann had tried to get in the Elks hall during a lodge meeting. He said he was an Elk but he had no card. He was ejected and when he became persistent, McInroy started him to jail. Vann was said to have pulled a gun from his boot and killed the marshal.

Ever since, Ziegenfuss has been on the trail, sending letters and telegrams to all parts of the country. Vann was often reported seen. In 1916 he was apprehended at the Richmond, Va., postoffice, but he knocked down his captor and escaped. Ten years later he was found in Mexico but disappeared before a warrant could be served.

This week Ziegenfuss got a telegram from the sheriff at Nogales, Ariz., saying Vann was held there. Extradition proceedings were under way today.

Strike Settled

DETROIT, March 6 (UP)—Settlement of the strike at the Timken-Detroit Axle company was announced today by the United Automobile Workers union. Sit downers will evacuate the plant this afternoon in a "victory parade" and operations will be resumed Monday.

ATTEMPT TO GET BRIDGE TAX BILL REVIVAL IS LOST

Correct Two-Thirds Majority Lacking as Cavanagh Re-Introduces Act

RULE CHANGE DEFEATED

Last Chance for State Buying Of Jerome Span Lost For This Year

BOISE, Ida., March 6 (UP)—Rep. Dan Cavanagh, Twin Falls, today was unable to bring a bill asking one mill a gallon additional state gasoline tax before the Idaho house of representatives, after exhausting every parliamentary weapon in his possession.

Proceeds of the tax would go to purchase toll bridges, of which there is only one in the state—across the Snake river between Twin Falls and Jerome counties.

Cavanagh first moved for suspension of rules to consider the bill. More than two thirds of the members present approved, but Speaker Troy Smith, Custer, held that two thirds of the entire house membership of 59 was required.

The Twin Falls representative repeatedly tried to regain the floor but was pounded down each time by the speaker. Finally Leavitt, Benewah, moved that the house rules be amended so that two-thirds majority would be computed on the number of legislators present at the time. His motion failed of two thirds.

Again, Cavanagh put his motion for suspension of the rules. Again the vote was slightly short.

An enabling act to permit the state, counties or highway districts to acquire toll bridges, has been approved by the legislature. A previous bill calling for a mill and a half gas tax to provide the funds, however, died in the senate after passing the house.

Sun Valley's Divorce Bill Signed by Clark

BOISE, March 6 (UP)—Governor Barzilla W. Clark today signed the legislature's so-called "Sun Valley bill" to reduce residence requirement in divorce actions from 90 days to six weeks.

During its course through the house and senate, the measure was considered part of a move to establish Sun Valley lodge, new Union Pacific winter resort as a mecca for divorce-seeking socialites.

The legislature six years ago reduced the divorce residence law from six months to 90 days over veto of Governor C. Ben Ross.

Detroit "Five-and-Ten" Girls Win Higher Pay and Shorter Hours

By United Press

Chicago taxi drivers threatened to put 3,660 cars in storage unless officials of the Yellow Cab and Checker Cab companies agreed to their demands for adjustment of working conditions. Drivers who have already struck concentrated on enlisting others in their movement.

One hundred and fifty "5-and-10" girls went back to work in two F. W. Woolworth stores in Detroit after a week-long sit-down strike which brought higher wages and a shorter work week to 1,200 employees in 40 stores in the Detroit area.

Conferees Adjourn

United Automobile Workers' conference with representatives of the Chrysler and General Motors corporations were in adjournment until Monday. Union leaders reported that the U. A. W. and Chrysler were "closer together" on the question of sole collective bargaining rights for the company's 67,000 workers.

In Saginaw, Mich., Robert Travis, union organizer, said he knew the identity of four men who tossed a tear gas bomb into a group of 200 Malleable Iron company workers at an informal meeting last night on the U. A. W.'s plan to solicit memberships among employees of Saginaw plants making products for General Motors.

C. I. O. Meet Set

The committee for industrial organization will meet in Washington Tuesday to chart a campaign which John L. Lewis, its chief, hopes will unionize several million unorganized workers.

In Pittsburgh, the company union of the Carnegie-Illinois Steel corporation studied means of counteracting the success of a C. I. O. unit which recently signed a contract with the corporation covering collective bargaining for its own members.

Idaho Assembly Set for Closing Session Tonight

Taxation Bills Discussed

By NEWTON STEARNS

BOISE, Idaho, March 6 (UP)—With all other major controversial issues disposed of, Idaho's 24th legislature today discussed taxation as the legislative mill slowly ground to a close, which—barring a serious revenue battle—will come probably late tonight.

The house after a fiery but short debate passed and sent to the senate a \$3,000,000 ad valorem tax bill.

However, a demand that the amount be increased or an auxiliary excise tax be rushed through was expected from a senate group, who present figures to show that 1937-38 revenue will be about \$1,300,000 short of meeting the \$10,900,000 appropriated during the session.

\$3,000,000 for Education

The legislature was except for a few last bills, beyond the point of cutting appropriations. Major items of expense—nearly \$3,000,000 for educational institutions, \$3,500,000 for relief and social security, \$7,500,000 for common schools—have already been approved.

Apparently set aside as reserve in the house are other of the session's taxation proposals, such as intangible and gross income measures and a gross sales tax bill defeated yesterday but which can be reconsidered if it becomes necessary.

The property tax bill was 50 per cent higher than one passed two years ago which called for \$2,000,000. Amount of the bill, however, is not necessarily the amount finally fixed. It merely limits the state board of equalization.

For instance in 1930, with a \$1,000,000 maximum, the board set only a \$750,000 ad valorem tax for state purposes.

Cavanagh, Twin Falls, took the opportunity to talk on his gasoline tax bill which would have provided funds for purchase of a toll bridge in his county. The house refused to bring up the bill earlier in the day.

Phosphate Bill Passed

The house passed a bill to appropriate \$20,000 for a state phosphate commission, but decided not to send a memorial to the state senate "respectfully requesting" that body to give the bill its utmost consideration.

The senate, marking time while it waited for the house money-raising program, dived through a number of measures, one of which a few senators later thought looked suspiciously like Governor Clark's defeated power district bill in disguise.

Passed with no debate except in its favor the measure, which has passed the house and now goes to Clark was explained by Neil, Benewah, as providing for the formation of flood control districts.

However, among powers of such districts were listed "construction of transmission lines and power plants," in addition to dams, reservoirs and other flood control works.

Another conservation measure provided for organization of forest sustained yield districts to regulate cutting of timber within the district.

BUILDING PLANS TOP DEBT LIMIT

Construction Bonds Would Go Above Maximum Set By Law

BOISE, Ida., March 6 (UP)—After it had survived a house anti-university coalition and the senate's economy bloc, a \$765,000 building program for educational institutions today rammed head-on the state's statutory debt limit.

The bill, which provides for new buildings at the University of Idaho, Pocatello southern branch and Gooding deaf and blind school, was passed last night, but reconsidered today and will be reduced to \$485,000.

Among individual reductions, \$160,000 was proposed for a new engineering building at the university, reduced from \$250,000. For completing and equipping a library wing now under construction, \$25,000 was allotted instead of \$30,000. Left unchanged was \$21,000 for equipping the institution's new infirmary.

\$310,000 For Branch

The deaf and blind school will receive \$65,000 in new construction, and the university southern branch, \$210,000. Reductions were from \$75,000 and \$300,000 respectively.

After the bill had been passed it was found that total bonds voted by the 24th legislature would put the total state bonded indebtedness over a \$2,000,000 limit provided by law.

According to figures compiled by State Treasurer Myrtle E. Enking, presently outstanding are \$1,037,000 worth of general state bonds.

Approved during the present session have been bond issues of \$270,000 for Orofino asylum; \$125,000, Nampa state school; and \$50,000 for St. Anthony industrial training school.

Bill Twice Killed

Amount possible for new issues was then only \$585,000. Mrs. Enking computed. With the \$485,000 educational issue, \$100,000 will be left under the limit for possible emergency issues.

The \$765,000 bill had been twice killed and later revived in the house. When it reached the senate it was passed late last night without the senators realizing they had considered it.

Today, Erb, Nez Perce, asked reconsideration, explaining the proposed reduction. He said the house of representatives had agreed to approve it and the measure was shown into committee of the whole for quick revision to be completed before intended adjournment tonight.

NEW SHOES HELP NEEDY CHILDREN

Thirty-Five Pairs Purchased For Children During Past Week

At least 35 new pairs of shoes were purchased for needy children in Twin Falls, unable to attend school because of lack of adequate footwear, during the past week. O. D. Lyda and Ed Hampton, in charge of distribution headquarters for the Associated Charities, said today.

Money for the purchase of the shoes was donated by the local Elks lodge after an announcement in the Evening Times disclosed over 60 children were staying at home from school in this section because they had no shoes.

Others repaired.

Aside from the new shoes purchased, over 12 children have received shoes which were entirely repaired. Previous to the fund donation by the Elks, local shoe repair shops had donated material and services for these repairs.

Teachers in the various schools ascertained those who need shoes and then gave them an order to the Charities office. The order is then approved by Loyal Perry, Charities treasurer, and the purchase is made from any one of a number of local stores. The children must be accompanied by their parents.

Cite Example.

An example of the acute need for shoes was noted here recently when a woman and her daughter walked eight miles into Twin Falls so that her daughter might have a pair of badly needed shoes.

Today officials of the Charities issued a call for additional donations of children's clothing to the movement.

SIGN-UP STARTS FOR SOIL PLANS

Sign-up of work sheets for the 1937 agricultural conservation program is underway in Twin Falls county. County Agent Harvey S. Hale announced today.

Only those farmers who did not sign in 1936 are taking part in the new sign-up. Participants in the program last year are automatically carried over and need not re-sign, Mr. Hale said.

Unconfirmed reports that only those farmers participating in the soil conservation plans will share in proposed crop insurance is expected to spur the sign-up.

CRIMINAL SLATE LISTS SIX CASES

Six cases will come before Judge J. W. Porter on the criminal calendar of the March term of district court opening Monday, according to the list drawn up today by the court clerk.

Two of the seven are juvenile hearings appealed from probate court. Two burglary cases, one grand larceny and one forgery charge round out the calendar.

THEATERS

"Maid of Salem" at Orpheum

A brilliant cast was brought together by Frank Lloyd, noted director, to make "Maid of Salem," romance of a Puritan maiden and a Virginia cavalier, which begins tomorrow at the Orpheum theater. The cast is headed by Claudette Colbert and Fred MacMurray. Others in support of these stars are Virginia Volder, Bonnie Bartlett, Louise Dresser, Edward Ellis, Harvey Stephens, Sterling Holloway, E. E. Olive and Donald Meek.

Villain to Hero

"My Man Godfrey" is a gay de-bonair modern comedy, light as a feather, madder than a million March hares mastering the multiplication table. This Universal laugh riot, starring William Powell and Carole Lombard, opens at the Roxy theater on Sunday.

The screen story relates the adventures of William Powell, portraying a butler in the delightfully dizzy Bullock family. One daughter, played by Carole Lombard, falls in love with him. Her sister tries to have him jelled. The maid falls in love with him, too. The mother likes him, but she has a parlor pet of her own.

The cast includes such excellent players as Alice Brady, Gail Patrick, Jean Dixon, Eugene Pallette, Alan Mowbray, Mischa Auer and Robert Light.

Buck Jones in "Empty Saddles" ends tonight.

Grange Banquet Held By Mountain Rock

Members of the Mountain Rock Grange held a banquet last evening at the Mountain View church. Toastmaster was Carl Boyd and the entertainment committee was headed by Mrs. C. V. Jones.

On the program was a vocal selection by Mrs. L. Billington, Mrs. Sam Gamble and Howard Manning, accompanied by Mrs. Manning. After the banquet the young people of the Christian church presented "The Lady in the Window." In the cast were Marian Lee, Frank Essinger, Wilma Essinger, Lucille Haskins, Lulu Essinger, Kenneth Rudolph, Arthur Essinger. A duet was sung by Wanda and Waldon Haskins, accompanied by Mrs. Manning.

Montanan Presents Townsend Lecture

H. Chappell, Billings, Mont., presented a lecture and picture show on the Townsend plan in the high school last evening with a large audience in attendance.

Following the lecture a program was given including numbers by Marie Dunn Heim and her dancing class, violin selections by Miss Mildred Waddell, accompanied by Miss Audrey Waddell, and violin numbers by Mr. Snodgrass, accompanied by Miss Hilda Wilcox.

Rock Creek Scene Of Skiing Survey

Oakley Forester Leads Group On Sunday Search

Local residents interested in skiing activities in this section will meet Sunday at 8 a. m. at the Chamber of Commerce offices and will participate in a survey above the head of Rock creek for the purpose of ascertaining suitable ski runs in that vicinity. Officials of the local ski club said today.

Arrangements for the trip were completed today by G. D. Van Tilberg, Roy Painter, Jack Gray and Lloyd Collier. A. K. Wogeson of Oakley, junior forester, has donated his time to lead the party in the ski run search.

Many local sports enthusiasts are expected to make the trip. Those not having transportation may secure a ride at the Chamber Sunday morning.

Enlistments Fill Quota for Hawaii

With the announcement today of the acceptance of Cecil H. Hawkins and George R. Beatty, both of Twin Falls, for service in the U. S. army infantry in Hawaii, enlistments for duty in this branch of the service are closed. Corp. J. F. Houston, in charge of the local recruiting service said today.

The two Twin Falls men will sail March 12 from San Francisco for two years' duty in the Pacific paradise.

Since Dec. 1, six men from this district have been accepted for service in the infantry at Hawaii, one for Hamilton field air corps, and 10 for Fort Douglas, Utah. There are still five vacancies left in the air corps for Hawaii and one ordinance in Hawaii, Corp. Houston said.

Wife, Car "Lost" But Found Safe

A male resident of Oakley early this morning called local police to report "my wife and car are both missing."

The man, it seems, accompanied his wife to Twin Falls Friday and in some manner they became separated.

The matter was settled later this morning, however, when the man called to inform the officers "my wife and car are both safe at home."

MAR. 16 OPENING OF REGISTRATION

Voters Have Until April 3 to Signify They Will Ballot On April 6

Registrations for the city election to be held April 6 may be made at the city hall starting the morning of Tuesday, March 16, it is announced by City Clerk W. H. Eldridge. Citizens may register any business day between 8:30 a. m. and 5 p. m., and have until Saturday, April 3 at 9 p. m., at which time registration rolls close.

Those whose registration cards are on file with the city clerk, he said today, and will be eligible to vote April 6 total 4,137. Of this number 2,065 are residents of ward one and 2,062 residents of ward two.

It is expected many new registrations will be made before the records are closed, Eldridge indicated.

If, since the last city election, a voter has moved from one ward to the other it will be necessary for that individual to receive a transfer. Wards are divided by Shoshone street.

Today Eldridge urged voters not to confuse registration for the national election with that for the city election. To vote in the city election the citizen must be registered with the city clerk.

Voters must be 21 years old or over, a resident of Twin Falls for 90 days prior to the election date and a resident of Idaho for six months. They are urged to check with the city clerk to be sure their name appears on the official list.

MYSTERY DEATH PUZZLES POLICE

Missouri Federal Relief Head Drops Dead Week After Receiving Throat

POPULAR BLUFF, Mo., March 6 (AP)—Authorities pondered today over the mysterious death of Delois F. Teed, 40, a federal relief administrator, who dropped dead in his office here the day a threatening note received a week previously said he would.

Physicians said heart trouble was the cause. Postal inspectors and department of justice agents were not so sure after reading a copy of the letter which warned Teed that "your time has come."

Asked for Gun

It was disclosed also that Teed had asked Sheriff Edgar Hammons for permission to carry a gun after receiving the letter. He retained a copy of the note, giving the original to federal officials for investigation.

Teed was in his office late yesterday talking to a relief client when he suddenly slumped over his desk. He died shortly thereafter.

"Your time has come," the letter said. "Leave town for good in seven days or it will be judgment day for you. Police cannot help you. If you stay we will get you or the boy (Teed's son) if it takes a year. There won't be no more warning. If you mix police or other people in this we will get you here or where you go. Leave and save your dirty hide or stay and we get you."

Worried Over Note

Teed's son, Jackie, is 10 years old. He also is survived by his widow. The family moved here two years ago from Springfield, Mo.

Doctors, insisting that Teed died from natural causes, expressed the theory that worry over the note may have brought on the heart attack.

Sheriff Hammons said Teed had experienced trouble with relief clients after removing many from direct relief and placing them on work relief.

PAY COMES TO SOIL WORKERS

Salaries for supervisors and others who worked on the soil conservation program for 1936 have been received at the offices of the county agents here and are ready for distribution. It was announced this afternoon.

The money is not the payment to farmers, it was emphasized. Cash for the participating farmers will come later.

FINALS IN TW TOWNSHIP SET FOR TONIGHT

Hornets Top Local Meet

Filer, Jerome, Rupert
And Twin Falls
Eliminated

There was only one undefeated team in the Class A tournament here as play was resumed this morning on the high school gym. Pacing the field was the hard-fighting, fast-passing and quick-breaking Oakley quint, now the odds-on favorite to take the meet.

In games this morning, Gooding was scheduled to tangle with the unbeaten Hornets at 10 o'clock, and Buhl was to play the surprising Burley team at 11 o'clock. The loser of the latter game will be definitely eliminated and Gooding will go out if Oakley scores another win. There are no afternoon games today—the finals being set for tonight starting at 8 o'clock unless Oakley loses, in which event the tourney carries over to Monday.

In yesterday's game-Twin Falls sent Jerome to the discard heap with a last quarter rally that netted a 22-14 win. Gooding drubbed Rupert 23-13 and Burley rallied to down Filer Wildcats 18-14. All losing were eliminated from further play. Last night Burley upset the Twin Falls Bruins 25-21 and Oakley administered the first defeat of the meet to the Buhl Indians—33-17.

Bruins Beat Jerome
Twin Falls and Jerome struggled to a 4-4 tie in the first quarter of the opening game of the day, but the Bruins went ahead at the half time 11-8. The Tigers came back to take a 13-12 advantage in the third period. Here Twin Falls rallied, and sparked by Ellis Andrews, who scored 14 points, tucked the game away.

Filer looked like a million-dollar team in its game with Burley during the first quarter as the Wildcats amassed a 9-1 lead. But the nine points scored in the first period were all they collected until late in the third period when a scoring spree ran their count up to 17. The half ended 9-6. Third period count was 14-8 for Filer. But here the Wildcats defense crumbled and the holding Filer scores. Jackson collected seven points for Filer and Sprague seven and L. Acaituri five for Gooding. Senators found little trouble with the Rupert Pirates as the clever Hutton led his teammates to victory by scoring 12 points. Third period count was 25-6.

Hornets Hot
Buhl-Oakley game was expected to be the thriller of the day, but the Hornets were hot and sank shots from all angles to gain a 15-4 lead in the first quarter. From there on things were more even, the count at the half time being 22-10 at the third period 25-15. Final score was 33-17. Smith again led the Oakley scoring with 10 points, while Pete Boyd counted the same for the losers.

Twin Falls Bruins got off on the wrong foot in their game with Burley and the Bobcats gained a 15-7 lead at the intermission. The eight points proved plenty for a margin of victory, the final count being 25-21. Ellis Andrews, star Bruin forward, was ejected from the game for the first play of the third period to handicap the locals seriously. Sprague, star Bobcat forward, also went out on fouls late in the final quarter. L. Acaituri led the Bobcat scoring with six points, while Turner and Alquist each garnered four for Twin Falls.

The lineups and summaries:
Oakley Hornets (33) — Goring (5) and Smith (10), forwards; Clark (6), center; Bell (2) and Critchfield, guards. Substitutions: Bedke (3), Boyce (1) and Ellison (4).

SPORT SQUIBS

(by H. J. W.)

Oakley, Buhl, Burley and Twin Falls rooters were out en masse last night and the only vacant spots we could see in the Twin Falls gym were the beams across the ceiling. Seating space was something you couldn't buy, and standing room was at a premium. The high school basketball tournament is an annual event, and to many people an annual celebration. And they were making the most of it last night.

Musie was a thing that wasn't lacking as three bands—Oakley, Buhl and Twin Falls—fied for a spot to display their talents. And out of all this, the radio station had a phonograph hooked up to furnish the music while the fans were being seated. First prize for class uniforms (in our humble estimation) should go to the Oakley group, resplendent in red and white outfits. Speaking of bands, we notice Tony Warner, popular Kimberly band director, present at the games—looking kind of lonesome with no Bulldog band at the tourney this year.

Having defeated Oakley in two pre-season games, Buhl fans couldn't see why it could not be done again—and a nice share of the Buhl population occupied practically all the seats on one side of the gym. But they were doomed to disappointment as the Hornets really acted like an angry swarm of bees as they fought and scrambled for the ball. It was a disappointed band of Indian followers that heard the final whistle blown with Oakley ahead 33-17.

For the second consecutive day of the tournament, Coach Jimmy O'Brien's Wildcats led a ball game from the opening whistle up to the final four minutes of play—only to have victory snatched away. This time Burley staged the comeback to win. Yesterday the Rupert Pirates did the same thing.

IDAHO BATTLERS TOP COAST MEET

Vandal Team Ties W. S. C.
For Honors as Final Day Is Reached

SACRAMENTO, Calif., March 6—Two hard-punching teams from the Pacific northwest head a field of eight colleges into semi-final and final rounds of the Pacific Coast intercollegiate boxing championships tonight with 11 points each in team scoring and four men apiece surviving initial elimination bouts.

Running true to advance predictions, the boxers from University of Idaho and Washington State college stole the jump on third place University of California, whose team rung up nine points. U. C. L. A. scored five, as did San Jose State. University of San Francisco had four. Santa Clara four, and California Aggies two.

A capacity crowd of 5,000 persons sat through 21 fights and was repaid by witnessing the most thrilling battle of the evening in the windup session between Bob Bates, Washington State's former P. C. I. and Golden Gloves champion, and Rolly Schumway, Idaho 145-pounder.

The fight was the second of the night for Bates, whose appearance in last year's tournament was marked by tragedy. One of his opponents was injured fatally when he was felled and struck his head against a ring post.

Bates was booed roundly by the fans last night when he was awarded a "close decision" over Karl Drexel of San Jose State in the evening's fourth bout. Fans cheered him lustily, however, when he recovered from a first round knockdown in his later encounter with Shumway and lost the decision to the comparatively fresh Idaho fighter by a narrow margin.

Bruce Broadwell, U. C. L. A. rider, lost the other heavyweight match to Ross Sundberg, chubby Idaho fighter, when he slipped and hurt a knee weakened by a foot-ball injury. He was unable to rise, and had to be carried from the ring. Sundberg was awarded a second-round technical victory.

Winners of tonight's final bouts will receive gold medals for their efforts and qualify for the national intercollegiate to be contested here in April. All fights are three rounds.

Leading Scorers Class A Meet
Ten leading scorers in the Class A tournament here up to this morning's games were:
Hutton, Gooding 28
Boyd, Buhl 26
Vaughn, Gooding 24
Smith, Oakley 24
Andrews, Twin Falls 22
Rush, Rupert 19
Goring, Oakley 17
Turner, Twin Falls 14

SHOSHONE AHEAD IN GLENNS FERRY

Indians Score Two One-Point Wins to Top Class B Cagers

GLENNS FERRY, March 6 (Special)—Final day of the Class B tournament opened here this morning with Shoshone Indians the only undefeated quint in the meet — by virtue of two single point victories over Glens Ferry and Hagerman.

Games this morning will see Hagerman take on Glens Ferry in an elimination tilt—in a game that will also determine the King Hill championship, as these two teams were tied after the sub-district tournament. At 11 a. m. Castleford was scheduled to take on the unbeaten Indians.

If Shoshone downs Castleford, the Indians will meet the winner of the Hagerman-Glens Ferry game to-night, but if Castleford wins, the three remaining teams (each with one defeat) will draw for a bye until Monday night.

Games Yesterday
In games played yesterday, the scores were: Castleford 37, Malta 20, Shoshone 20, Glens Ferry 19; Hagerman 39, Eden 34; Glens Ferry 41, Eden 11; Shoshone 23, Hagerman 22; Castleford 34, Gannett 25; Malta 23, Albion 20.

Eliminated from the tournament were Albion, Eden, Malta and Gannett.

Shoshone led at the half time 13-9 in the game with Hagerman, but the Bucks came back to lead 19-17 at the third quarter in a real thriller, only to lose out in the final minute of play. Watson counted 12 points for the losers while Hopper counted nine for Shoshone.

Glens Ferry made easy work of Eden as the host team chalked up a 41-11 win. The Ferrymen were ahead at the half time 24-8, and the third quarter 32-8. Morgan counted ten for the winners to lead the scoring, while Bodenhamer made eight for the losers.

Castleford Wins
Malta team bit the dust 37-20 as the Castleford Wolves went on a scoring rampage in the final quarter to count 17 points. The winners were ahead at the half time 11-4. Thompson again led the Castleford scoring with 11 points, while Spencer got eight for Malta.

Crothers sank a foul shot in the final half minute of play to break a deadlock between Shoshone and Glens Ferry to give the Indians another win in the afternoon game. Glens Ferry led at the quarter 5-4, but Shoshone was ahead at the half time 11-8 and increased the lead to 19-13 at the third period intermission. Onida counted nine for Shoshone and Crothers scored eight. Clunkbeard scored six for Glens Ferry.

Hagerman opened the afternoon session with a 39-34 victory over the Eden Grizzlies. Dennis counted 13 points and Leach 12 for the victors, while Bodenhamer again led Eden with 15.

General Meeting of Burley C. of C. Set

BURLEY, March 6 (Special)—A general meeting of the Chamber of Commerce will be held Tuesday at 8:30 p. m. in the National hotel dining room, according to George J. McConigal, president.

H. C. Howell, field advisor on social security, will speak on that subject as it affects the business man and all business and professional men are invited, both here and in adjacent towns.

There will be a musical program, and also a talk by a representative of the local committee to combat cancer, and other local speakers.

Mac's Only Chance to Land Job With St. Louis Cardinals is as Pitcher

By HENRY McLEMORE
DAYTONA BEACH, Fla., Mar. 6 (U.P.)—Worried, perhaps, by the refusal of Dizzy Dean to come to terms, Manager Frankie Frisch of the St. Louis Cardinals tried me out as a pitcher yesterday.

At the conclusion of my first performance on the mound Frisch would commit himself no further than to say:

"We still need Dizzy."
I didn't know whether to be encouraged or dismayed by the remark. Did Frisch mean that he still needed Dizzy to be sure of starting the season with TWO twenty game pitchers? or did he mean that I was in no way an able replacement for the great right arm, with human being attached, who is holding out so lustily in Bradenton?

Today Tells
Today, will tell, however, for I have been promised another chance on the firing line. I know I will do even better than on yesterday if only because of the knowledge that failure will mean the Minors for me, I having already failed at shortstop, second, behind the plate, and in the outfield.

As owner Sam Bradenton told me: "You'd better find some place you're hot soon, because after all there are only nine places on a team, and you're fast running out of positions. Unfortunately, this isn't a tug-of-war team, with fifty on a side."

Slow Ball Specialty
It is as a great pitcher that I believe I'll land a job with the Cards.

Both Lonnie Warneke and Paul Dean watched me work yesterday, and both agreed that they had never seen a slower slow ball than mine.

"That's the slowest thing I ever laid my eyes on," Warneke said as I laid one down the groove.

"Sho' is," drawled Paul. "It's a wonder the turn thing don't bounce."

"Lemme see your fast one," the veteran Jess Haines said.

So I reared back and "fogged" one through.

"Quit throwing that slow ball so much," Warneke said, as the ball landed into Mickey Owen's mitt with a deafening thud.

Didn't Know
I thought he was kidding, but when Haines said "yeah, let's have a fast one," I knew they didn't know that I had practically thrown my odd-numbered repertoire out of whack in an effort to make the ball bun in.

So I reared further back. And as I reared back I summoned every inch of me—lungs, ears, eyes, kneecaps, pancreas, pores, and thyroid—for I was hell bent and determined to throw one that Lefty Grove at his best would have been proud of.

When I left my hand carrying practically my soul on its seams, I knew I really had cut a hot one loose. I watched it scream toward the plate and when it landed past the plate I saw a spurt of smoke.

I turned for congratulations.

"How A Hot One"
"I'll be damned," Warneke said. "You got that slow ball of yours on your mind. Throw a hot one, man, a real hot one."

"Yes sir," echoed Paul Dean, "he's so proud of the slow one he won't change."

But that was yesterday. Today I'll have a fast one, and it'll have a hook on it you could hang a pair of pants on because

TRACK STARS TO BATTLE TONIGHT

Cunningham Will Take Crack At Own Record in Chicago Meet Tonight

CHICAGO, March 6 (U.P.)—Star performers of the winter track season met tonight in the revival of the historic Chicago relays for an assault on at least three world records.

Present marks in the mile, two-mile and high jump were threatened and many personal duels were predicted for each of the featured events.

Glenn Cunningham, king of the milers, will make his last attempt of the year to smash his own world record in the Bankers' mile. Archie San Romani, National A. A. U. 1500-meter champion from Emporia, Kansas Teachers, also is entered but would rather lick Cunningham than have the record.

Lash Entered
Don Lash, Indiana's record holder at two miles, withdrew from the mile to concentrate on the longer race. His Hoosier teammate—Tommy Deckard, A. A. U. steeplechase champion, and Jimmy Smith—will set the pace to give Lash a perfect set-up for a record run.

Ed Burke, scissor-legged Negro high jumper from Marquette University may be forced higher than his world mark of 6 feet 9 inches to beat Olympic Champion Cornelius Johnson of Los Angeles and Dave Albritton of Ohio State.

Three in Mile Feature
Only three—Cunningham, Sam Romani and Gene Venke of Pennsylvania—may run in the Bankers' mile which gave Cunningham his first big chance in 1932.

No nominations for the vacancies left by Lash and Luigi Beccali, Italian runner, were made at the Able Rosenkrantz of Michigan Normal and Elaine Rideout of North Texas Teachers both were anxious for a crack at the field.

PETITIONS FILED FOR 2ND TICKET

Nominating Papers Entered
For Chapin-Taber-Avant
In City Race

Petitions for Lem A. Chapin, Paul R. Taber and Leonard F. Avant were officially on file with the city clerk today, and the trio was formally in the municipal election race against Mayor Duncan McD. Johnston and Commissioners O. H. Coleman and Milton Powell.

Chapin will run for the mayoralty, while Taber and Avant will seek the posts on the council held by Coleman and Powell.

Mr. Chapin's statement follows: "We are in favor of and shall promote all worthy projects which will afford work for the laboring men of this community and shall encourage any plans or undertakings that will improve conditions in the community. We know that additional storage facilities are needed at the filter plant in order to insure an adequate supply of water to the city and favor affording the taxpayers of the city an opportunity to vote bonds to build an additional storage basin. We pledge ourselves to an economic administration of the affairs of the city commensurate with a proper maintenance of the same."

The intentions of the three in entering the race were announced yesterday by the Evening Times.

Petition Signers

Filed petitions show 48 persons signed for Chapin, 43 for Taber and 40 for Avant.

SUGAR GAINS THREE POINTS

NEW YORK, March 6 (U.P.)—Spot raw sugar advanced 3 points to 34 1/2 cents a pound duty paid this day. B. W. Dyer & company, sugar economists and brokers, said today.

Refined sugar is now quoted at 4.80 cents, less 2 per cent by all refiners.

130 PAINTINGS EXPECTED IN ART EXHIBITION AT HEYBURN

HEYBURN, March 6 (Special)—With more than 70 paintings already on hand and about 60 more to arrive over the week-end, preparations for the fourth annual Heyburn art exhibit were being rushed here today.

With expectations of an enthusiastic exhibition of probably the finest collection of paintings ever displayed in the state of Idaho, J. M. Whiting, superintendent of the Heyburn schools, sponsor of the exhibit, flatly denied reports that the exhibit this year will not be as large as in some former years. "As a matter of fact," he disclosed, "it will be virtually twice as large."

Opening Monday morning, the exhibit will be open to the public for a period of two weeks, closing Saturday evening, March 20. There will be all day and evening sessions on Mondays, Tuesdays, Wednesdays, Thursdays and Fridays with afternoon showings only on Saturdays and Sunday.

8 States Represented
Residents of eight different states attended the exhibit last year. With wider renown and a better collection this year, even more are expected to attend.

BURLEY ACCEPTS BID BY PUMP CO.

Board of Directors to Install
Equipment for Drainage
In Test Well

BURLEY, March 6 (Special)—The board of directors of the Burley Irrigation district voted to accept the bid of the Pomona pump company for a pump and motor to be installed in the test well dug for drainage in 1934 at its regular meeting held this week. The test well is located on the Axel Johnson farm, and installation of the pump there will be made as soon as possible.

It is planned to increase the capacity of the pump now installed at the view district drain located north of the Johnson farm in order to lower the water table in that locality.

Requests for the drainage of seeped lands have been received from a number of areas on the project. Investigation of these tracts will be continued and those found feasible for drainage at a reasonable cost may be listed for action when funds become available.

The board approved the appointment of William Dalton as ditch rider in district No. 2, formerly handled by the late Sol Hansen. Appointment of P. Floyd Ivis was made as ditch rider in district No. 5 to succeed Edith Powles, who has resigned to work at the sugar factory.

Full House Hears A Capella Choir

GOODING, March 6 (Special)—A full house turned out for the debut concert of the Gooding college capella choir in the college auditorium Wednesday evening. Professor B. E. Harris, head of the music department, directed the choir, which he has been rehearsing and training for several months. The 18 numbers on the program ranged from 18th compositions down to the work of the more modern composers. The director was well rewarded for his patience and work in developing the choir, by the enthusiastic response of the audience.

Dudley Carson and Ardis Winters, both of Gooding, each carried solo parts in a number. Walter Johnson and Blythe Clemons, Gooding, made up a duet, singing two numbers. Numerous appearances are now slated for the choir now that its first concert has been held. Sunday night, March 21, the same program as presented Wednesday will be given at the Gooding Methodist church. Up to the present time two trips have been arranged for the choir, a two-day trip to Twin Falls and vicinity, and a week-end tour to Nampa.

SOLONS CONSIDER MARITIME PEEVES

Heads of Rival Unions Asked
To Examine Features
Of Copeland Law

WASHINGTON, March 6 (U.P.)—The house merchant marine committee today considered two compromise proposals advanced in an effort to end the controversy between rival maritime unions over continuous discharge book features of the Copeland safety-at-sea law.

After a three-hour executive session, the committee asked attorneys of the Sailors Union of the Pacific and the International Seamen's union to examine the proposals.

The committee, considering the Shovich bill to repeal continuous discharge book provisions of the law, asked representatives of the two unions to propose compromises after they disagreed as to whether maritime workers oppose or favor use of the books.

It was reported that one proposed compromise, offered by Harry Lundberg of the sailors union of the Pacific, would provide that the government issue discharge certificates without containing a record of continuous service, but showing fingerprints, photographs and signatures of the workers.

Another proposal would be to prohibit master and ship companies from seeing or inspecting the discharge books, which would be held by the government, in order to prevent possible "blacklisting" of seamen with strike records.

Clark Gable May Get Famed Lion

ALBUQUERQUE, N. M., March 6 (U.P.)—Glenn Valentine besieged by phone calls from irate neighbors demanding that he get rid of Peaches, his 100-pound pet mountain lion cub which his wife captured for the second time last night, is hopeful that Clark Gable would take the obstreperous pet off his hands.

Valentine offered to present the young panther to the movie actor as a companion for the one which he recently took to Hollywood from Utah for a pet.

While Peaches split and snarled in the wooden cage, Valentine reluctantly admitted that he had misnamed his pet which is really a male. The owner said he would be willing to make Peaches' name changed to a more suitable one like Herman if Gable would only take her.

The mayor has already refused to take Peaches as a resident of the city zoo because the price of horse meat is too high.

Chopping and baling the hay costs about \$4 per ton. Three balers are busy in the Gooding vicinity. Shipping of the baled hay began this week.

Filer Junior Class To Present Comedy

FILER, March 6 (Special)—Rehearsal on "Through the Keyhole," Filer high school's junior class play, to be presented the latter part of this month, were begun last week. "Through the Key Hole," written by William F. Davidson, is a modern comedy sparkling with humor. Juniors in the cast are: Joyce Hilficker, Robert Baker, Mary Ellen Davis, Edith Lancaster, Elmer Hoag, Barbara Beam, Sidney Wilson, and Donald Ramseyer.

Business staff for the production includes: Martha Oliver, business manager; Helen Musgrave, assistant business manager; Shirley Clark, publicity; Chester Denton, advertising; June Vincent, property manager; Eugene Gulick, assistant property manager.

Filer P. E. O. Chapter Elects New Officers

FILER, March 6 (Special)—The following officers were elected by Chapter AH, P. E. O. Sisterhood at a meeting held at the home of Mrs. Myrtle Carlson: Mrs. W. M. Bunce, president; Mrs. E. S. LaHue, vice president; Mrs. O. J. Childs, recording secretary; Mrs. R. S. Armes, corresponding secretary; Mrs. John S. Gourley, treasurer; Mrs. Earl Ramsey, chaplain; and Mrs. Roy Shearer, guard. Mrs. Bunce and Mrs. Ramsey are delegates to the state convention in June and Mrs. LaHue and Mrs. Armes are alternates.

Certificates Given First Aid Classes

BURLEY, March 6 (Special)—Six Burley students and 16 Declo students received standard first aid certificates this week following the closing of classes offered by Harold C. Moeller, first-aid instructor.

The Burley students were Hilda Holyoke, James Holyoke, Arvil and Charles Talbot, Leland Weight and Ethel Egan.

The Declo students were Ivan H. Bort, Jack McCartney, Ray S. Borden, Calvin D. Fally, George and Alice Swinderman, Clifford Sitten, Constantine and Leonida Pappas, John Morgan, Ruby Shrenk, Ida Judd, Mildred Dalton, Alice Christensen, Faye Culley and Nelda Curtis.

An advanced first-aid course will begin at the Declo high school Monday evening, Mr. Moeller announced. A class in the standard first-aid course will begin Tuesday evening for Malta people, also. This class will be held in the Malta high school.

BURLEY INSTALLS WATER SYSTEM

BURLEY, March 6 (Special)—A low pressure water system has been completed for approximately 95 per cent of the south side of town, according to a report made before the city council meeting Monday night. The work will continue until all the homes will be supplied with low pressure irrigation water for lawns and gardens.

The council also approved the purchase of a General Motors truck chassis for the garbage department. The body of the old truck will be used on the new chassis. They also bought a new Ford truck and dump body for the street and bridge department.

It was reported that the airport project started Feb. 27 is now well underway with 80 men employed. Drainage work is being done now, and will be followed by work on the runways.

HUGE NAVY BILL PASSED IN HOUSE

Effort to Stifle Ship Building
Program Defeated in
Lower Branch

WASHINGTON, March 6 (U.P.)—The House passed the \$326,855,428 Navy appropriation bill after defeating an effort to stifle the naval building program and a proposal requesting the President to call a new international disarmament conference.

The measure, representing the first phase of the administration's proposed \$1,000,000,000 national defense program for the 1938 fiscal year, now goes to the Senate for concurrence.

A statement by majority leader Sam Rayburn, D. Tex., that the arms conference proposal did not have White House backing, was credited with defeating, by an 81 to 68 vote, the proposal by Rep. William Umstead, D. N. C., that Mr. Roosevelt be requested to call the conference.

The house also defeated a proposed amendment by Rep. James F. O'Connor, D. Mont., which would have eliminated from the bill an appropriation of \$15,176,000 for starting work on two new 35,000-ton battleships next year.

We are now selling some of our treasury stock and desire to make this statement of facts:

We hold, under lease and option, nine unpatented gold mining claims situated in the GOLD BELT, eight miles southwest of Bellevue, eighty-six miles from Twin Falls, just two hours drive. Six cars of ore have been shipped that returned \$23.00 per ton. Five samples have just returned \$55.00 per ton, one went \$154.00 per ton.

We do not owe a cent to anyone. We have a force of men blocking out ore and also running a tunnel to tap the ore body at a depth of about fifty feet below the present workings. All this takes money.

The roads are now blocked and as soon as we can drive into the mine we intend to fix the price of stock at not less than twenty-five cents per share.

We want to continue blocking out ore and extending the lower tunnel. We want to block out enough ore to justify the construction of a mill.

We are now selling treasury stock in blocks of 1000 shares for \$100.00—100 per share. Any person buying this stock now will have ten days after the Company notifies him that he can drive into and examine the property in which he may obtain the same amount of stock at the same price, no matter what the market price may be at that time. We guarantee that it will not be less than twenty-five cents.

You may doubt the wisdom of putting your money into mines. The trouble is not with the mines, but with the man who mines. You may have given your money to men whom you never saw before and some who you never saw again. The men who are handling this mine are your neighbors. You have confidence in them and have trusted them for many years.

This is no mine, no developed mine, but we do have a property that has all the ear marks of one. Some of you could have bought Mountain City Copper for 10c, but you turned it down. Now it is worth \$18.00.

Get behind these neighbors. Put your shoulders to the wheel. Some day we may all have \$18.00 stock too.

THIS CURIOUS WORLD

By William Ferguson

The maximum temperature of the day usually occurs toward the middle of the afternoon, although the supply of solar heat is greatest at noon. Then the temperature begins to drop, as the atmosphere cools, and this cooling process continues until the appearance of the morning sun checks it.

MILLER-HADDOCK NUPTIALS SOLEMNIZED

Miss Ellen M. Haddock, daughter of Mr. and Mrs. Ross B. Haddock, Shoshone, and Max B. Miller, son of Mr. and Mrs. H. S. Miller, Portland, Ore., were united in marriage last evening at the home of Mr. and Mrs. David Fox, Buchanan street. Rev. G. L. Clark, pastor of the First Presbyterian church, read the first Presbyterian church; read the ring ceremony standing before the fireplace in the living room, which was trimmed with calla lilies and snapdragons.

Miss Haddock wore a smart frock of green crepe fastened with gold links and had a corsage of tallman roses. Her accessories were brown. Attendants were Mr. and Mrs. Fox.

Following the ceremony the couple left on a brief wedding trip. They will make their home in Twin Falls where Mr. Miller is associated with the Evening Times advertising department and Mrs. Miller is with the Chamber of Commerce.

Mrs. Miller is a graduate of Shoshone high school and Mr. Miller of Jefferson high school in Portland.

OFFICERS INSTALLED BY PAST PRESIDENT'S CLUB

Yesterday's meeting of the Past President's club of Ladies of the Grand Army of the Republic held at the home of Mrs. Ida Sweet, was preceded by a buffet luncheon featuring a green and white color scheme. Corsages were presented to the incoming and outgoing officers and the birthday cake was in honor of Mrs. Laura Griggs.

The meeting was conducted by Dan McCook Circle and roll call was answered with Irish jokes. Those taking office were Mrs. Theresa Cline, Hansen, president; Mrs. Helen Bebbott, Eden, senior vice president; Mrs. Martha Smith, junior vice president; Mrs. Ida Sweet, secretary; Mrs. Maude Metcalf, treasurer, and Mrs. Bertha Griggs, reporter. The group presented Mrs. Sweet, the immediate past president, with a gift.

Guests were Mrs. Flo Harrington, Mrs. Hazel Gardner and Mrs. Ruth Snodgrass. Next month's meeting will be held April 2 at the home of Mrs. Griggs, Castleford.

SHOWER GIVEN FOR NEWLYWEDS

Mr. and Mrs. Dean Haggard, who were recently married, were guests of honor at a shower arranged last evening by Mr. and Mrs. John Kirkman at the home of Mr. and Mrs. O. C. Hall. Forty guests were present at the event.

During the evening pinocle was played with prizes going to Mrs. Saul Moore, Buhl, Jack Empey, Virgil McBride, Buhl, Jack Empey, and June Kirkman. During the evening a wagon load of gifts was presented to the bride and groom. Mrs. Haggard was formerly Miss Lucille Kirkman.

At midnight refreshments were served.

LUNCHEON SERVED BY HOSTESS

The Birthday club was entertained yesterday afternoon at luncheon by Mrs. J. W. Iron at her home. Covers for 12 members and one guest, Mrs. W. L. Doss, were marked at a single table centered with bouquets.

BRIDGE CLUB MEETS FOR GAMES

Mrs. John Soden was hostess to members of the H. N. O. Bridge club at her home last evening. Two tables of contract were at play with the prizes going to Mrs. F. C. Sheneberger and Mrs. John B. Robertson.

After the games refreshments were served at a single table trimmed with spring flowers.

YEAR'S WORK PLANNED BY CLUB

Members of the Semper Fidelis club met yesterday afternoon at the home of Mrs. Donna Shepard, president. During the session plans were made and committees appointed to care for the year's activities and Mrs. Rosanna Gilbert and Mrs. Jennie Watts were named delegates to attend the Federation meetings.

During the social hour the hostess served refreshments.

Calendar

Magical-Y club will hold its regular business at the home of Miss Elizabeth O'Malley Monday at 8 p. m. Miss Marie Bodenhamer will be co-hostess. John Milner will be guest speaker.

Mountain View P. T. A. will meet Monday evening at the school house. Mrs. I. E. Joslyn, state president, will give a talk. Ladies are asked to bring a basket for the basket social which will follow.

The men's luncheon, an annual feature of the Blue Lakes boulevard club, will be held Tuesday at 7 p. m. in the parlors of the Methodist church. Members who have not been solicited are requested to bring a vegetable dish or salad, it is announced. An attractive program is planned and a full attendance of the club members and families is desired, officers state.

PINOCCLE CLUB MEETS FOR GAMES

Members of the M. and M. club were guests Thursday evening of Mr. and Mrs. Gale Bevecombe. Prizes at pinocle went to Mrs. William King, A. V. Williams and Mr. and Mrs. Loren Miller and Mrs. A. V. Williams. After the games refreshments in the St. Patrick's motif were served by the hostess.

Members present were Mr. and Mrs. King, Mr. and Mrs. C. E. Holmes, Mr. and Mrs. Reese Glick, Mr. and Mrs. Bevercomb and Mr. and Mrs. Miller. The next meeting of the club will be a dinner party at the Park hotel on March 18.

CLUB MEMBERS ATTEND LUNCHEON

Members of the Qul Vive bridge club were guests of Mrs. U. E. Couderly at this week's meeting. A desert luncheon was served with the St. Patrick's theme used in decorations. At cards prizes were won by Mrs. Arthur Bockwitz and Mrs. Ronald Graves. The next meeting will be held March 18 at the home of Mrs. Bockwitz.

19 Years Erased As War Buddies See Each Other

A mere matter of 19 years meant nothing to Ernest Tate, Kimberly, and Pat Grimes, his former buddy in the U. S. expeditionary forces.

They hadn't seen each other since Sept. 12, 1918, at St. Mihiel, France. Both had gone "over the top," and Tate was wounded.

And after 19 years a man strolled into the Tate harness shop in Kimberly.

"Hi, Ern," said he.

Tate stared for a moment.

"Hi, Pat," he answered.

Just like that.

Senior at Jerome Wins Scholarship

JEROME, March 6 (Special)—Charles McManus, a senior in Jerome high school, was awarded the Union Pacific scholarship for Jerome county for his outstanding agriculture projects and his high school activities.

In his junior year, McManus carried out three projects, the raising of six acres of wheat, 16 acres of alfalfa hay, and 15 acres of red clover seed. All three projects showed good profit. The projects showed that he had carried out his plans almost to the letter.

He is a member of the local F. F. A. chapter, in which he has a degree of State Farmer. He has been a member of the dairy judging team, seed judging contest, F. F. A. public speaking contest, and he has been president of the local F. F. A. chapter for 1935-36.

Place Resigned by Burley Instructor

BURLEY, March 6 (Special)—The resignation of Evelyn Kilink as music instructor of the junior high school was accepted by the school board at its regular meeting held Wednesday night. Miss Kilink resigned because of illness.

The board approved the transfer of Helen Werner from the Miller school to the junior high school replacing Miss Kilink, and elected Lera Aylor for the grade school position.

Miss Aylor, who is a graduate of the Burley high school, finished her work at the Albion Normal school, this quarter.

The board also accepted the resignation of Lola Dudley, teacher at the Southwest school, but elected no one to fill her position.

Appropriate ceremonies will also mark charter presentation to the Acequia troop 53, scheduled for the L. D. S. church at Acequia Sunday, March 14.

Scoutmaster of the Acequia troop is Verne Hughes with Herbert L. Thorne and Fern S. Howell as assistants. Horace A. Buler is chairman of the troop committee with J. P. Winniford, C. A. Brewerton, M. D. Gentry and W. B. Clayton as assistants.

High School News

Students not attending the basketball tournament yesterday afternoon were entertained at an assembly by a National Assemblies program. Jack Rank, graduate of the New York Art Academy, produced the three-act play, "Vienna Express." Mr. Rank, in a demonstration of character study impersonation, took the part of all five characters, impersonating two women and three men. He carried all his own sets and changed costumes on the stage, with the aid of an assistant who lowered the costumes over his head without interrupting the flow of speech or action.

OFFICIALS QUIT ALLIANCE GROUP

Three Leave Organization to
Devote Full Time to
New Movement

Three officials of Workers Alliance local number 39 of Twin Falls, today had submitted their resignations to take effect immediately.

The three, Al Hacker and Eugene Scott, members of the board of trustees, and John Hallon, marshal, left the organization because of necessary duties in connection with the formation of the American Protective Citizens' association a home building and educational group which will start in Twin Falls within 30 days.

In the association Scott is president, Hallon vice president and Hacker, chief of the research bureau for Twin Falls county.

Thomas McDougall, state organizer of the Citizens' association, will be in Twin Falls next week to continue organization work. Hacker said today. Pocatello businessmen are said to have donated the necessary funds to complete the statewide move.
