ECONOMIES SEEN IN ROOSEVELT'S BUDGET MESSAGE

White House Declines to Say Amount Relief Will Be Out in 1937-38

WASHINGTON, April 19 (U.P.)—The White House said today that it is a safe assumption that President Roosevelt's special budget-relief message to congress this week will present definite economies in government spending for the 1937-38 fiscal year.

DEATH ASKED IN G-MAN SLAYING

W. W. Barker, 27-Year-Old Agent, Dies From Shooting

TOPEKA, Kan., April 19 (U.P.)—The government today demanded the lives of two gunmen who killed a department of justice agent.

The men are held for slaying Wimberly W. Barker, 27-year-old federal agent, in shooting their way out of a trap set for them in the Topeka postoffice last week.

30,000 Fans Watch Start of Baseball Season at Capital

BOSTON, April 19 (U.P.)—The Philadelphia Phillies opened the 1937 baseball season in victory, Morris Aronovitch's home run in the 11th inning giving the Quakers a 2 to 1 triumph over the Boston Bees.

By FREDERICK C. OTHMAN GRIFFITH STADIUM WASHINGTON, April 19 (U.P.)—While more than 30,000 fans watch breathlessly and 18 players look out for danger from above, the best presidential pitcher in many a long year opens the 1937 big league baseball season today.

NINE DEAD AFTER DYNAMITE BLAST SCATTERS HOME

All Members of One Family Except Father Killed In Explosion

MOTHER, 8 CHILDREN DIE

Fifty Sticks of Government-Made Explosives Blow House in Air

MUSKEGO, Wis., April 19 (U.P.)—Investigators raked an acre of wreckage today for the body of three-year-old Raymond Waszak, hoping its discovery would give the first clue to the cause of the dynamite explosion which killed his mother, three brothers and four sisters.

Nine, including Raymond, were dead. The only survivor was the father, John, who was about to enter the 10-room house last night when the 50 sticks of dynamite stored in its cellar exploded.

The father was incoherent with grief, and sheriff's deputies believed it unlikely he would be able to explain the explosion even when he recovered his composure.

Position of the bodies indicated the family had gathered in one of the front rooms of the two and one-half story house. Just below them, in a half-cellar, were 50 sticks of government-manufactured dynamite used for blasting stumps.

When the dynamite exploded it lifted the front half of the house (Continued on Page 2, Column 7)

MODERN RUSTLER LODGED IN JAIL

Police Hold James Brown; Have Warrant for Arrest Of Another Suspect

Much like the range policemen in the pioneer days, local and county police wasted little time in picking up and lodging in the county jail a "cattle rustler" who, with a companion is asserted to have made away with seven young cattle late Saturday night from the Hollenbeck sale grounds.

The man, James Brown, 42, Twin Falls, was to be charged with grand larceny this afternoon. His companion was still at large but officers expected an arrest momentarily and have sworn out a warrant.

The two men, police say, waited near the sale grounds until William O'Donnell, Bush farmer, had left with one load of cattle he had purchased during the day. At about 9 p. m. they backed a truck they were driving, according to the report, to the pen holding seven of the young cattle for which O'Donnell was to have returned.

Landing the cattle on the road they are alleged to have taken them from the city, then returned through the city and parked the truck on a road south of town.

The loss was reported to police at 10:14 p. m. and a general alarm was sounded. Brown was arrested early Sunday morning.

Pope Assures Help in Spud Price Battle

BOISE, April 19 (U.P.)—Governor Barzilla W. Clark was assured today by Senator James P. Pope that the senator would do "all he could" to assure adequate prices for Idaho potatoes on the Chicago markets.

Martin Says Manufacturer Violates Act

Case Will Be Brought Before National Labor Board

WASHINGTON, April 19 (U.P.)—Homer Martin, president of the United Automobile Workers union, said today the union would file charges with the national labor relations board charging Henry Ford with alleged violation of the Wagner labor act "within a few days."

Martin said the union would charge "unfair labor practices, discriminatory discharges of union workers, and violation of the whole act."

He added that the charges "will be filed in a few days if they have not already been filed."

They will be sent to the Detroit office of the NLRB, he said. Martin came to Washington to attend a meeting at the union's international executive board in the office of John L. Lewis.

He said that the union would not ask the labor board to supervise an election to select collective bargaining representatives. However, he said "several collective bargaining conferences with managers of Ford plants have already been held."

Martin's announcement came as the executive council of the American Federation of Labor assembled here to consider calling a federation convention to expel the committee for industrial organization unions of which the auto union is one.

John P. Frey, president of the metal trades department of the federation returned from Houston, Texas, where he has been leading a counter-organizing drive to that of the C. I. O. in the oil fields. He said he planned to attend the meeting although he is not a council member.

CALIFORNIA MAN KILLS STEP-SON

Major Boggs Shoots Youth In Wife's Bedroom By Mistake

SANTA CRUZ, Calif., April 19 (U.P.)—Mrs. Sally Boggs, 37-year-old wife of a retired army officer, died today of bullet wounds assertedly inflicted by her husband, Major Allen D. Boggs, Saturday.

An attorney argued the unwritten law today for Major Allen D. Boggs, retired army officer, who shot his wife when he mistook his step-son for a man in his wife's bedroom.

Mrs. Sally Boggs, 37, lay near death today, slowly sinking in spite of blood transfusions. She was wounded twice.

The shooting occurred at the home of a friend, Mrs. James A. Harris, Jr., where Mrs. Boggs had gone to spend the night with her 12-year-old son by a former marriage, Danny Renner.

Major Boggs followed them, entered the bedroom and found his wife in one of twin beds. The other bed was rumpled, evidently hastily abandoned. Danny had run into the bathroom when he heard his step-father approach. Major Boggs said he thought it was another man who had fled out the window.

Oddities

FUMIGATION

NEW YORK, April 19 (U.P.)—Francis E. Fridly, a taxicab driver, and his two passengers were bewildered when two police cars, with sirens screaming, converged upon the cab and forced it to the curb. Fridly and his cab were sent to Willard Parker hospital for fumigation.

It seems that he had taken a scarlet fever victim to the hospital earlier and a physician, fearing that the cab might become a source of infection to later occupants, had caused a city-wide alarm to be broadcast.

Officers Search For Two Escaped Idaho Convicts

BOISE, April 19 (U.P.)—Idaho and Oregon police continued their search today for two Idaho state prison farm inmates who escaped early Sunday morning from the Eagle Island prison farm where they were serving as trustees.

The men who escaped were Luther Ferguson, 30, convicted of a statutory charge, and Jack Labeef, 26, sent up for grand larceny.

Labeef's application for release from the penitentiary had been continued until another meeting of the pardon board at its last session.

Mr. Roosevelt's automobile takes him directly to his box. Bucky Harris, the manager of the Washington Senators, hands him the historic ball, while the team members, poor devils, stand below.

They're the lads who're supposed to catch the presidential pitch. That's tough, because Mr. Roosevelt has plenty of speed, precious little control.

One year later, Hoover tossed the ball toward the home plate and the dogged pellet went the other way!

It stopped—with a loud clank—against the head of a newspaper photographer. He pushed out cold, Hoover blushed, and the whole episode was mighty embarrassing for everybody concerned.

MEDIATION TRIO MEETS TUESDAY

Attempt Will Be Made to Iron Out Difficulties In Rail Strike

SAN FRANCISCO, April 19 (U.P.)—Members of the emergency mediation board, appointed by President Franklin D. Roosevelt in an attempt to settle the dispute between two railway brotherhoods and the Southern Pacific railway, and to avert a threatened strike in the Pacific division of that railroad, will meet here tomorrow.

The first meeting, it was announced, will be for the purpose of organization and preliminary informal discussion. On the following day officials of the railway and the unions involved will be asked to appear before the board.

The unions had set a strike deadline for April 19 but called it off at the last minute when it was agreed to submit disputed issues to the emergency board.

The dispute, it was reported, concerned the question of jurisdiction of the unions and did not involve salaries or working conditions.

# Demand Mounts in U. S. Congress for Census of Unemployed Workers

## SOLOM BELIEVES OVERESTIMATE IN FEDERAL FIGURES

Vandenberg Says Officials May Be Wrong as Much As 5,000,000

By RUSSELL TURNER  
WASHINGTON, April 19 (U.P.)—Congressional demand mounted today for a government census of the nation's unemployed.

Sen. Arthur H. Vandenberg, R., Mich., joined advocates of such a survey with a suggestion that present government figures may overestimate unemployment by as much as 5,000,000 persons.

Pointing out that labor department figures differ sharply with statistics gathered by private organizations, he asserted that definite facts must be obtained before "we can make rational plans to deal with our responsibility."

Secretary of Labor Frances Perkins answered Vandenberg's charges in a statement in which she said that there apparently is "some misunderstanding" of what labor department figures purported to show.

"Neither the bureau of labor statistics nor any other bureau of the department of labor," said Miss Perkins, "has ever issued any estimates of unemployed in the United States. The only estimates made by the bureau of labor statistics cover actual employment."

Vandenberg's demand started congressional circles discussing three pending proposals to provide detailed information on the nation's unemployed. Sen. James J. Davis, R., Pa., is supporting a bill to conduct an actual census. Sens. Carl D. Hatch, D., N. M., and James E. Murray, D., Mont., have introduced measures providing for a national "survey" of the unemployment problem.

## HOME BUILDERS PLAN FOR MEET

Public Gathering Called For Wednesday Evening at High School

Extensive organization of the American Citizens' Protective association in Twin Falls county will get underway this week with meetings to be held at Twin Falls, Buhl, Piler and Kimberly, it was announced this afternoon by Al Hacker, chief of the research bureau of the organization in this county.

The first meeting will be held at the Twin Falls high school at 8 p. m. Wednesday and the public is invited to attend. At that time an outline of the work to be started on home construction will be made and county organization will be discussed.

Meetings in the other county towns will be announced as soon as arrangements are made, Mr. Hacker said.

The association is organized to aid those of the low income brackets in securing and building homes of their own. Operations have been underway in Bannock county for some time and homes are also underway in Bonneville county.

year is \$2,956,157,000 of which \$782,000,000 was appropriated during this session of congress.

Unseen Expenses  
Unforeseen flood relief expenditures upset Mr. Roosevelt's calculations this year just as unforeseen droughts and other floods upset his calculations in previous years, and it appears now that the entire \$782,000,000 will have been consumed by June 30, if not before.

The treasury is understood to have proposed informally that taxes be increased and some influential New Deal spokesmen in congress made a counter proposal that relief costs be reduced to balance the budget. The alternative to new taxes or decreased federal expenditures would be expansion of the deficit and the national debt by further government borrowing.

While here Maj. Eberhart is discussing with Adj. Ethel Ellis and others the matter of obtaining a permanent building for the local corps work.

## MOTOR BOATERS ESCAPE DISASTER

(Continued From Page One)  
hours to complete and the two first aid kits carried found much use as numerous cuts and bruises were incurred as members of the party struggled up the stream.

Used Life Belts  
Life-belts for everyone were provided by Lud A. Drexler, president of the Southern Idaho Boating club and local Evinrude motor dealer who mapped the trip and served as the leader.

Today Drexler looked back over the hazardous undertaking and remarked: "We said we would make it and we did, though I admit that sometimes I wasn't so sure."

The heavy boats, ranging in weight from 150 to 350 pounds, and the heavy motors taxed the strength of all as they were half carried, half dragged over Pillar Falls. Approximately a quarter of a mile was covered by portage at that point and the men, wading in the shallowest water to be found but still waist deep, proved the river could be conquered.

Drexler was high in his praise of the boatmen whose nerves and skillful handling counted much toward the success of the trip. The drivers, beside Drexler, were E. O. Havens, William Burt, Floyd Pinnell and Art Mingo.

Through Deep Canyon  
All members of the party gained a feeling of obscurity as they moved up the river which, in places, led through the canyon whose lava walls towered over 1,000 feet above. Flocks of ducks, cranes and other birds, disturbed by the pioneers, rose from the water and circled the party as if to ascertain who was invading their haunts.

One member of the party was Miss Berenice Ditter who is gathering material about Idaho's out-of-the-way places for a radio dramatization.

Scouters making the trip, aside from Painter and Colbert, were Lawrence Lundin, Scoutmaster of troop 65 who was leader of the Scout group; Chauncey Abbott, Scoutmaster of the L. D. S. troop; Walter Williams, Scoutmaster of troop 66.

"Much credit for the success of the trip is due these Scouters," Drexler said. "Without them the trip could not have been made."

Drexler also thanked the Idaho Power company whose assistance permitted the trip's completion. Others making the hazardous journey were Ray Shelanowski, Wayne Burt, Miss Anne Homstein and O. A. Kelker.

Ill With Pneumonia  
Condition of W. B. Wall who is ill at the hospital with pneumonia was reported today to be slightly improved.

## Autoist Fined on Reckless Driving

John Maxwell of Twin Falls today was fined \$50 and costs of \$6.80 as he appeared before Justice H. M. Holler on charges of reckless driving.

Maxwell was arrested Sunday by state traffic officers near Kimberly, the report shows. He was turned over to the sheriff's office after his appearance before the justice and was scheduled to pay the fine this afternoon.

Dr. R. E. Boldt, Muskegon, said all were killed by the explosion itself, although the falling rear wall might have killed any who had survived. Six died instantly, Eleanor, Louise and Lottie died later in the Waukeasha hospital.

Coroner Martin E. Fromm said Wazask told him the dynamite had been left on the farm by the preceding owner. Wazask has owned the farm six years.

Wazask said he knew of no way the dynamite could have been set off. Only possibility appeared that Raymond might have wandered into the cellar when his mother and older brothers and sisters were not looking. The home was not serviced with electricity, and the child may have carried a lantern.

PARIS, April 19 (U.P.)—A temporary bridge across the Seine alongside the Pont des Invalides, not far from the Eiffel tower, collapsed today. One person was injured. The collapsing steel framework narrowly missed two buses filled with passengers.

## Hansen Angler Fined \$25, Costs

Sportsman Arrested After Cottonwood Jaunt

Floyd McMaster of Hansen today pleaded guilty to charges of fishing without a license as he appeared before Probate Judge Guy L. Kinney and was fined \$25 and costs.

William and Richard Homan of Kimberly, who pleaded guilty to the same charge before the judge, was placed on probation. The group, the records show, was fishing Sunday in Cottonwood creek south of Twin Falls in the Mindoka National forest.

## RESERVATION

Answering a call at 11:30 a. m. Sunday that a "big bully" was "beating up" on a small newboy in front of the post office, local police made short work of the affair, it is indicated today on the local police blotter. "Follow on the warpath," the police report reads. "Removed his paint and feathers and sent him back to the reservation."

ALL HONOR TO A GREAT ATHLETE LARRUPING LOU GEHRIG OF THE WORLD'S CHAMPION NEW YORK YANKEES

THIRTEEN YEARS in the big league. "Rookie" Gehrig signed with the Yankees in 1923. By 1927 he was the American League's MOST VALUABLE PLAYER. And won the same honor again in 1931, 1934, and 1936.

A GREAT FIRST BASEMAN. Lou's prowess as a slugger is matched by his brilliant play at first base. His record last year was only 6/1000ths short of PERFECT.

LOU HOLDS MORE RECORDS than any other man in the game today. Here are a few for any four-game World Series: most runs batted in (9); most home-runs (4); most bases on balls (6). He has scored 100 or more runs for 11 consecutive seasons—batted in 100 or more.

HERE'S LOU'S FAVORITE BAT and his favorite first baseman's mitt. His bat is especially made. It weighs 37 ounces—is 35 inches long. He wears out two mitts a season.

UM-AM-AM! HERE'S THE BEST PART OF EATING

BASEBALL'S "IRON-MAN"! When Lou steps out on the field—he'll be playing his 1,809th consecutive game. Injuries never stopped "Iron-Man" Gehrig. Once he chipped a bone in his foot—yet knocked out a homer, two doubles, and a single next day. Another time, he was knocked out by a "bean ball," yet next day, walloped 3 triples in 3 innings. Gehrig's record is proof of his splendid physical condition. As Lou says: "All the years I've been playing, I've been careful about my physical condition. Smoke? I smoke and enjoy it. My cigarette is Camel."

CLEAN-UP MAN for the most sensational slugging aggregation ever known. Pity the pitcher who faces the Yankees' starting lineup. Three heavy hitters to face—then Gehrig steps up to the plate! Lou holds the American League record for runs batted in. He's walked more than any other player today.

# 27 NATIONS TO START SPANISH BLOCKADE TONIGHT

## WARSHIPS OF 4 COUNTRIES TAKE WATCHING POSTS

Attempt to Be Made to Keep Out All Outside Aid in Civil Conflict

By FREDERICK KUH  
LONDON, April 19 (AP)—Warships of Great Britain, France, Germany and Italy and official observers of many nations took up posts today off the coasts of war-torn Spain and on the Spanish frontiers of France and Portugal.

At midnight Greenwich mean time (5 p. m. MST) they will start in the name of 27 European nations the first effort ever made to confine a war by physical means within the limits of the territory in which it is being fought.

The ships and men are to be a living wall intended to shut in the combatants of the Spanish civil war and keep what is called "the little world war" from becoming a big world war.

Nations Plan  
By the plan worked out by the international non-intervention committee here, British and French ships will patrol coasts controlled by the nationalists and German and Italian ships will patrol coasts controlled by the loyalists.

Ships of all 27 nations signatory to the non-intervention agreement must report at these control points on their way to Spain and take aboard observers who will accompany them to Spanish ports and supervise the disembarkation of passengers and goods.

The powers hope to shut off nearly all, if not all, of the volunteers and war munitions which have reached Spain in past months.

The maritime observers when they board ships will fly special flags—two black balls on a white background.

Power to Question  
The warships have power to question ships of the 27 nations. They cannot actually stop any ships but those of their own flag. They can not challenge ships of the United States or other non-European nations.

It is admitted that there are big gaps in the plan. No non-European, no Spanish ship is subject to control. There are long frontiers and few observers. For the present, there will be no control at such Spanish possessions as the Canary Islands, Iml, Rio de Oro, Rio Muni and Fernando Po. But Morocco and the Balearic Islands are included in the plan.

Even before the plan becomes effective, leaders in non-intervention were working today to make non-interference more completely effective by compelling the withdrawal of foreign volunteers now in Spain. It is estimated here that there are 120,000 in all, with the foreigners on the nationalist side outnumbering four to one those on the loyalist side.

## Filer Graduating Class Announced

## WAR DECLARED ON UNSAFE TIRES!

**HEAT CAUSES BLOW-OUTS. PREVENT THEM. BLOW-OUTS WITH THIS HEAT-RESISTING GOLDEN PLY.**

Goodrich has mobilized an army of 36,000 Goodrich dealers whose main objective is to replace unsafe, tread-worn tires with new, safe, full-treaded tires—tires that provide motorists with real protection against high-speed blow-outs.

Their ammunition is the Goodrich Safety Silvertown—the only tire built with the Life-Saver Golden Ply. This is a layer of special rubber and full-floating cords, scientifically treated to resist the terrific blow-out-causing heat generated inside all tires by today's high speeds. By resisting this heat, the Golden Ply prevents the great, unseen cause of high-speed blow-outs.

Keep off the 1937 casualty list. Join the "safety first" army by starting to ride on Goodrich Golden Ply Silvertowns today. Remember, these life-saving tires that also give you months of extra trouble-free mileage actually cost much less than other super-quality tires. Come in today.

## Faith... in Idaho

● The Idaho Power was founded on faith in the future of our state—by a few men who realized that this territory must have dependable electric service in order to progress. It was this faith that, 21 years ago, gave them the courage to take the disorganized electric service of that time and start to build it into a single system. Their courage never wavered through the lean, discouraging years of our company's early existence. They had faith in Idaho! Today, we have the results of that faith, in a dependable, interconnected electric system, as modern as any in the United States—and serving our customers at rates that are among the lowest in the nation.

# BIG LEAGUE BASEBALL SEASON OPENS TODAY

## Senators Play Athletics, Boston Takes on Phillies

By GEORGE KIRKSEY  
NEW YORK, April 19 (UP)—The 1937 baseball season opens today. Only four clubs will play. It will be official because President Roosevelt will toss out the first ball in Washington, starting the game between the Washington Senators and the Philadelphia Athletics. In Boston the Bees and the Phillies will start the National league race on its way with a double-header in celebration of Patriot's day.

The grand opening takes place tomorrow, with seven games, only the Phillies and Bees remaining idle. The outlook may be summed up as follows:

1. A big upswing in attendance.
2. A year filled with surprises.
3. A new name in baseball—Bob Feller, 18-year-old Iowa farm boy who promises to make pitching history.
4. A keen struggle to dethrone New York's two champions, the Yankees and Giants.

All indications point to a boom year at the box-office. The Giants played to their largest exhibition crowd in history yesterday when Bob Feller and Carl Hubbell engaged in a mound duel before 31,486 persons at the Polo grounds. The Yankees and Dodgers played to 17,000 at Ebbets field in Brooklyn. Nearly 210,000 were expected for tomorrow's opener, with the Yanks-Senators game at Yankee stadium likely to draw 50,000.

**Odds Established**  
Betting odds have established the Yanks and Cardinals favorites.

There may be trouble ahead for both favorites. Red Ruffing, who led the Yanks last year with 20 victories, is a bitter holdout. Joe DiMaggio, sparkplug of last year's champions, is abed following a tonsil and adenoid operation. He may not play for three weeks. Lou Gehrig has a mysterious ailment on his left hand, and hasn't played for three days. He'll probably play tomorrow to protect his consecutive game record at 1,808 games, but his hand needs more rest.

The Cardinals may be highly over-rated. Their infield is a problem. Paul Dean's comeback is a big question mark, the catching staff is uncertain and the team lacks power.

**Yank Rivals**  
The Yanks' leading rivals seem to be Detroit, with Hank Greenberg and Mickey Cochran back in the lineup; Cleveland, with its wagon hitched to Feller's star, and Washington, the team Vice President Garner says to watch.

The National league looks like a five-club race, with the Cards, Giants, Cubs, Pirates and Reds in knock-down-and-drag-out battle. The Giants, considered lucky to win last year, apparently have a better club. The Cubs have fine balance between pitching and power. The Pirates have youth and hustle.

**Players Ill**  
Many players will miss the opening game because of illness or injuries. Besides DiMaggio and Gehrig, the casualty list includes: Cecil Travis, Washington, spiked leg; Tex Carleton, Cubs, chipped elbow bone; Joe Stripp, Brooklyn, teeth extracted; Johnny Hudson, Brooklyn, influenza; Curt Davis, Cubs, sore arm; Melo Alameda, Red Sox, recovering from concussion resulting from "bean ball"; Jimmy Foxx, sinus trouble.

Only three holdouts remain. Besides Ruffing, they are Dolf Camilli, Phil's first baseman who may be traded, and Outfielder Babe Herman, Reds, who threatens to quit because of a slash from \$12,000 to \$5,000.

**SAN DIEGO HOLDS TO FIRST PLACE**  
Padres Win Double Header Over Oakland in Sunday Contests

By United Press  
San Diego's Padres, buoyed by the first-class hurling of Jim Chaplin and Wally Hebert, a pair of major league veterans, set the pace in the Pacific coast league race today as the circuit faced the third full week of its 1937 season.

The Padres advanced from third to first during the second week of play, which saw them defeating Oakland 4-3, in the series ended Sunday.

Three other clubs also improved their positions during the week. Los Angeles moved from fifth to a tie for third in beating Portland, 5 to 2, in their series. Sacramento jumped a peg from fourth to a third place tie by trimming the San Francisco Seals, 5 to 2, Oakland, although losing to San Diego, moved up to sixth from seventh. Portland dropped from sixth to seventh, and the Seals fell from first to fifth.

**Seattle in Second**  
Seattle, which defeated the Missions, 4-3, in their series, held on to the second place berth they occupied a week ago and the Missions remained in possession of the cellar.

Chaplin and Hebert hurled San Diego to a double win over Oakland Sunday. Chaplin gave only six hits in beating the Oaks, 2-1, in a duel with Marvin Brewer in the opener. A five-run rally in the sixth, offsetting Oakland's four-run uprising in the seventh, gave Hebert and the Padres an 8-5 win in the windup.

Seattle also took a pair from the Reds, beating them 15-3 behind Hal Turpin's seven-hit pitching in the first game and taking the second, 4-3, in an eight-inning battle be-

They used to call a circus the "greatest show on earth," but if everything went according to Hoyle at the present time, wrestling would top anything we ever saw in a circus, as far as a "show" goes.

Dean Detton, recognized in western states as the world's heavyweight wrestling champion, put on his "greatest show" here Saturday night to a crowd of personal friends, and a show it was. He had relatives in the front row of seats, and old hay-pitching pals in the second row—and the further back you went, the more distant the pal of the former Kimberly and Hansen boy.

Dean, of course, was by far the most colorful performer to appear here this season. He is something of the "meanie-man" which the customers have come to love, plus a nice amount of science, the best physique in the business and a winning smile that he knows exactly when to use. He also is probably the most powerful man in the wrestling game today.

With all that "personality" to work on the crowd, things were very nice for the spectator. But just to pep up the proceedings a little, one of Dean's "pals" decided to have a little "fun" with the champ from a front row seat, and hurled a chair into the ring. That called for action and the big wrestler calmly retaliated by tossing his opponent, 195-pound Wally Thompson, back at the relative.

This kept on until most of the seats in the front row on that side of the ring were vacated. Of course sometimes Mr. Thompson had to help himself to get over the ropes and into the laps of the crowd, but anyway it looked spectacular.

In fact it was so effective that when Mr. Detton applied the airplane spin to Thompson a few minutes later, seats on all four sides were hastily vacated as spectators were unable to tell in which direction Dean was going to toss Thompson. But Detton just grinned and calmly set Wally on his back in the middle of the ring—the spectators laughed nervously, and the major portion of the bout was over without a fatality.

**DO YOU REMEMBER?**  
One Year Ago Today—Schoolboy Rowe shut out the White Sox, 5 to 0, giving them five hits.  
Five Years Ago Today—Benny Leonard, ex-lightweight champion, easily outpointed Mike Sarco in six rounds at New York.

**Ten Years Ago Today**—Johnny Risko of Cleveland received Judges' decision over Romero Rojas of South America in a 10-round bout at Wilkes-Barre, Pa.

**Fines Himself**  
HATTIESBURG, Miss. (UP)—Police Judge Lester Clark sentenced on bench and fined himself \$1 for over-parking. Judge Lester read out the case "City of Hattiesburg versus Lester Clark." The prosecuting attorney interposed to say that the defendant had a right to make a statement.

**SPOONERS CRACK LIGHT BULBS**  
HONOLULU (UP)—The city council has decided that broken electric light bulbs about the city are due principally to "spooners" who prefer the Hawaiian moonlight to any artificial lighting. As a consequence, it has decided to approve a bill for \$800 for broken lights and make no inquiries.

**Los Angeles Wins**  
Supported by a flock of home runs, Los Angeles was a third double winner, beating Portland, 11-4 and 7-4. Bill Postedel and Bill Radomits, Portland ace, felt the sting of the slugging Angels as Howell hit two homers and Hurst, Carlyle and Stutz each slapped one in the double bill.

Sacramento and the Seals divided. The Solons won the opener, 7-4, on home runs by Honey Vergez and Frasier. The Seals came back to grab the second, 5-4.

Seattle lost a game and Oakland gained one Saturday when League President W. O. Tuttle ordered a Seattle victory over the Oaks struck from the records until the game is completed. The disputed game was called during the eighth inning because of rain. Tuttle ruled the game could have continued, so the teams will take up where they left off and finish.

## Texas Collegian Breaks American Javelin Record

### U. OF WASHINGTON WINS REGATTA IN ANNUAL CONFLICT

#### San Romani Defeats Glenn Cunningham in Week-End Sports Features

By JAMES A. SULLIVAN  
University of Washington, with a clean sweep of its annual regatta with California crews, Seabiscuit winning the \$10,000 Marchbank handicap at Tanforan, and Alton Terry, Texas collegian, in setting a new American collegiate javelin record provided major thrills of a busy sports week-end.

Ranking close to these results in the world of sports were dual meet victories for the San Francisco Olympic club and University of Michigan in track and field and defeats of Helen Jacobs of Berkeley and Betsy Grant of Atlanta in the world of tennis.

**Week-end sports included:**  
**Breaks Record**  
Track and field—Outstanding performance of the week-end was the 226 foot 2 1/2 inch javelin toss by Alton Terry of Hardin-Simmons, breaking his American college record at the Kansas relays. Archie San Romani defeated Glenn Cunningham in a special mile during the program. San Francisco Olympic club defeated U. S. C. 77-34 with the Trojans taking only four firsts. Michigan avenged a 1935 defeat by overwhelming a crippled California team, 81-49. Scores of other dual meets included: Chico 71, Nevada 59; U. C. L. A. 74, San Diego State 57; Fresno State 85, San Mateo J. C. 46; Brigham Young 85 1-3, Utah State 54 2-3.

**Horse racing**—Charles Howard Seabiscuit won the \$10,000 Marchbank handicap in closing the Tanforan spring season. Hall Price Headley, eastern owner, scored two handicap victories when his Whipper won the \$7,500 Philadelphia handicap at Havre de Gras, Md. and his Preeminent captured the \$2,500 Phoenix stakes at Lexington, Ky. Mars Shield from Milky Way farms stables won the \$15,000 Texas derby at Arlington-Downs. Inhale won the Youthful stakes at Jamaica.

**Tennis**—Madame Simone Mathieu of France defeated Helen Jacobs of the United States to win the Mediterranean women's singles at Athens, 9-7, 6-0. Madame Mathieu and Billie Yorke of England teamed to defeat Miss Jacobs and Marie Horn, Germany, for the doubles title, 7-2, 6-2. Wayne Sabin of Portland and Hollywood defeated Betsy Grant, 6-0, 6-0, 7-5 in the belated singles of the Atlanta invitation tournament, Saturday. J. Gilbert Hall defeated Sabin to take the north-south singles title.

**Crew**—University of Washington won all three races from University of California in their annual regatta, with the Washington freshmen and junior varsity crews setting new marks for the Oakland estuary course.

**Swimming**—Stanford won the southern division swimming championship at Los Angeles with 52 points. Miami Beach Swimming club won the women's senior A. A. U. title at Chicago with 25 points, beating defending champions Lakeshore A. C. which had 23 and Washington A. C. of Seattle with 22.

**POSTAL HEADS FINALLY FIND KANSAS TOWN**  
PECK, Kan. (UP)—The postal guide from Washington finally has caught up with its office here.

The directory had listed the post-office as located in Sedgwick county, although since 1933 it has been in Sumner. The February guide made certain there would be no mistake again by noting "Peck, new in Sumner county, not Sedgwick county."

The difficulty arises from the fact the main street of Peck divides the two counties. Location of the office has been changed frequently from one side of the street to the other, although it always has remained within a 300-foot radius of the center of the town.

Permission of Washington officials has to be obtained before the shifts are made, but they apparently were late in notifying the guide.

### McLemore Visits Boston, Picks Washington, Pittsburgh to Win

By HENRY McLEMORE  
BOSTON, April 19 (UP)—Picking that all work and no plagiarism would make Jack (that's the name of the fellow who does most of my work for me) a dull boy, I told him not to try and figure out how the major league baseball teams would finish this year, but to steal his information from the country's some 10,000 experts.

That was a month or so ago, when the high-powered critics started writing those analytical articles which always read about like this:

"We'll be up there challenging for the flag," Manager Butch Barker of the Beldington Terriers said today, "if-if-if-if-if!" The "ifs" always included the possibility of four rookie pitchers winning 85 games between them, a recruit outfielder finding major league pitching simple and hitting 50 points better than he did in the bushes, and the regular shortstop getting permission from Lands to use a fish net in place of a glove.

**Invitation Accepted**  
Jack eagerly accepted my suggestion of plagiarism and began clipping out articles at a mad pace. Yesterday he wired me, saying he had learned exclusively that the major leagues were to start play today, and I had better come at once and start assembling the material.

To come to Boston today suited me fine, because of two reasons. In the first place, it's Patriot's day and my family has probably led the league in patriotism since it came here from Tibet a generation back. In the second place, I welcomed a visit to Boston because they run a marathon here as part of the Patriots day celebration, and if there is one thing in the world that I have a passion for it's a marathon race.

**Dean Detton Retains Title in Battle Here With Thompson**  
Dean Detton the former Kimberly and Hansen boy, easily defended his world's wrestling championship here on Saturday night as he showed his wares to home town fans against Wally Thompson, the Pueblo, Colo. grappler who is recognized in his own state as the champion.

Detton made easy work of the lighter Thompson and put on a show for the largest crowd of the season that packed into American Legion Memorial hall.

Best bout of the evening was that between Del Kunkel, Salt Lake City, and the vicious Indian, Ike Gazzell, the former Olympic wrestler, in which Kunkel won two straight falls, but only after absorbing a considerable amount of punishment.

**Call in Draw**  
In the preliminary, Clarence Call and Ken Mayne, Calgary, Canada, wrestled 20 minutes to a draw. Mayne substituted for Hy Sharmar, the "meanie" man, who was unable to appear.

Detton took his bout with Thompson in two straight falls, the first in 18 minutes and 31 seconds after much stalling around and as Dean showed the customers just what a really first class wrestler could do. He stood squarely in the middle of the ring, hands on knees, and made

Thompson appear foolish as the latter attempted to move him. He cuffed the Coloradoan across the mouth, and drew boos from the crowd, and then he took Thompson and heaved him out of the ring at a loud-mouthed spectator three times.

Dean finally took the fall with an airplane spin, the first one displayed here this year.

**Kunkel Wins**  
The second fall lasted only four minutes and 52 seconds as Detton went to work, grinning and breaking every hold that he allowed Thompson to make. The fall was with a step-over toe hold, a favorite of Del Kunkel.

As usual, Del played the goody-goody against the villain in his bout with Gazzell, and the pair probably staged the funnest show of the year. It appeared that the two were going to wrestle the full hour without a fall before Kunkel took the first round in 34 minutes with his old favorite, the step-over toe hold.

The second fall took only 2 minutes and 21 seconds, as Kunkel went over the toe hold.

Ken Mayne and Clarence Call put up a fine battle in their 20 minute draw, but were unable to get any lasting holds.

### TWIN FALLS PIN ACES RANK HIGH

#### Stone Takes Singles Crown At Boise; Jones Third In All-Events

Fred Stone of Twin Falls took first place in the singles, the five-man Idaho Mutual Benefit team of Twin Falls won fourth in team bowling. Twin Falls took third to seventh places in the all-events and local bowlers were well up in doubles as a result of the pin tourney staged in Boise over the week-end under sponsorship of Boise Elks' lodge.

Rolly Jones topped Twin Falls entries in the all-events with 1,650, taking third place. Stone was next with 1,623; Art Wood had 1,598; Walt Riggert 1,557 and N. O. Johnson 1,550.

Stone annexed the singles crown with 571. N. O. Johnson ranked fifth with 544, Jones eighth with 517 and Riggert 10th with 488.

Caldwell Elks took the team championship, with Idaho Power of Boise second. Caldwell rolled 2,725 and the Boise crew had 2,720. C. B. Ollers, Nampa, was third with 2,683.

Doubles victors were J. O. Malvin, Boise, and Dr. Faylor, Nampa, with 1,180. Highest ranking of the Twin Falls doubles entries was Art Wood, who teamed with Fred Heuck, Boise, for 1,163 and third place.

Stone's leadership in singles was chalked up with three teams yet to play later last night.

### Jerome Merchants Discuss Association

JEROME, April 16 (Special)—The matter of establishing a credit association in Jerome was discussed at the meeting of the merchants' bureau of the Chamber of Commerce last week. The association would enable Jerome merchants to determine whether or not a person who applied for credit was worthy of trust by compiling records of each individual who had accounts with Jerome business establishments.

To consult with merchants and to investigate the possibility of such an association, a committee composed of Tom Gamble, R. G. Freeman and A. W. Tingwall was appointed by Gilbert White, chairman.

According to statistics, younger sons of families are better equipped with brains than older brothers. Caesar and Lincoln are examples.

## STUDENTS OFFER MUSICAL COMEDY

**Chorus Classes Present First Matinee Offering of "The Gypsy Rover"**

Chorus classes of Twin Falls high school staged the first matinee performance this afternoon of "The Gypsy Rover," musical comedy production, at the high school auditorium at 3 p. m.

Second matinee is to be given at 1:30 p. m. Tuesday for grade school pupils of the city.

Evening performances for the public will be offered Wednesday and Thursday at 8 p. m. in the auditorium.

**Colorful Story**  
With a colorful story set in a background of gypsies and modern gypsy costumes, the production offers musical attraction ranging from solos to impressive choral singing, according to Lloyd E. Thompson, music supervisor of Twin Falls schools. Mr. Thompson was general advisory head of preparations for the opera, but the major share of the project, including active coaching of performers, was carried out by students.

Tickets are on sale at Majestic pharmacy and the high school office, it was announced.

**The Performers**  
Performers include: Rob-Don Petzoldt and Harry Smith. Lady Constance—Jeanne Robinson and Anita Woodhead. Marto—Ellis Gardner. Meg—Ethel Anlauf and Margaret Woods. Sinfio—Glen Boren and Lee O'Malley.

Zara—Enriqueta Vasquez, Rachael Ballenger and Marie Lockhart. Capt. Jerome—Alan Duvall. Nina—Evelyn Brassfield, Lee Rue Holman. Sir George Martendal—Maurice Logsdon, Kay Jordan. Minor roles—Garth Price, Charlet Hawkins, Marjorie Spencer, Edward Priest, Herbert Phelps, Lorin Orchard, Fred Hills, Roland Orindorf, Edyth Mae Lyda, Helen Stevens, Edna Spencer, Evelyn Hills.

## Silky Leopard

Spectacularly exciting is Marcel Rochas' creation that combines an off-purple coat and a leopard print crepe frock. The coat is lined with the same print, which forms also the scarf tie at the waistline. Note the loose draping of the bodice and the high neckline.

## AIMEE RECEIVES AID FROM FLOCK

**Famed Evangelist Gets Funds From Angelus Temple Members**

LOS ANGELES, April 19 (UP)—Aimee Semple McPherson was fortified today with a generous defense fund from her flock to combat a \$1,080,000 suit for slander.

The Angelus temple preacher will be called to account, probably this week, for allegedly calling Mrs. Rhea Crawford Spiliva a "governor's mistress," and other things.

The two women are cross-town evangelistic rivals. Formerly, Mrs. Spiliva was associated with Sister Aimee's temple but she left, purportedly refusing \$20 a day to appear on the platform with Mrs. McPherson "because there's only room for one star at a time."

Patrons of Angelus temple rallied last night to Sister Aimee's defense. They trooped up the aisle four abreast, to empty their purses, strip off their jewelry and pluck out their gold teeth to throw them into the big bronze pot on the rostrum, while Giles Knight, the evangelist's business manager, urged them on.

Ushers passed out envelopes among the more than 5,000 worshippers. Envelopes bore the suggestions: "We will defend our pastor with our cash, chains, gold watches, gold coins," platinum, silver, diamond rings, gold rings, wedding rings, bracelets, gold teeth, pins."

## Lodges Schedule District Session

Twin Falls, Filer and Buhl Rebekah lodges will attend the district meeting of the organization to be held here Tuesday opening with registration at 11 a. m. at Odd Fellows hall.

In attendance will be Mrs. Lucy Klusmeyer, Melba, state president, and Mrs. Frances Crosson, Boise, state secretary.

First session will follow a luncheon served at noon by Primrose Rebekah lodge, Twin Falls, and will be called at 1 p. m. A 7 p. m. banquet is scheduled at the Methodist church and initiatory ceremonies will be conducted in the evening by Twin Falls officers and degree staff.

On the committee on arrangements are Mrs. W. E. Chase, chairman; Mrs. Clyde Denning, Mrs. V. C. Ballentyne and Mrs. W. J. Holtenbeck.

Ushers passed out envelopes among the more than 5,000 worshippers. Envelopes bore the suggestions: "We will defend our pastor with our cash, chains, gold watches, gold coins," platinum, silver, diamond rings, gold rings, wedding rings, bracelets, gold teeth, pins."

## Golf Addicts Swarm Country Club Course

With the first real golfing weather of the season Sunday, 60 fans from south-central Idaho moved on the Twin Falls Country club golf course yesterday as play for the season really got under way.

The fairways and greens are in the best shape of the year, according to Jim Edwards, course pro, who states that the driving and putting contests, scheduled to have been held last Sunday, have been indefinitely postponed.

RUPERT SOCIETY MEETS  
RUPERT, April 19 (Special)—Mrs. Walter Poindexter, Mrs. Jo Rasmussen, and Miss Ora Jo Hanks entertained their "capsule friends" of the Missionary society at the Poindexter home Wednesday. Prize winners at games were Mrs. Angelo French, Mrs. Fred Scheubach and Mrs. R. S. Whitley. Miss Maryanna McPike was a guest of the society.

RUPERT COUPLE WEDS  
RUPERT, April 19 (Special)—Clarence H. Nicholas and Frances Slack were married Thursday in Wells, Nev. They will make their home here where the bridegroom is in business with his father, in the Rupert Junk and Metal company.

## SPEECH FESTIVAL GROUPS GO HOME

**Participants Return to Home Towns After Successful Twin Falls Event**

High school orators and dramatic performers had returned today to 40 schools following conclusion of the annual southern Idaho speech festival in Twin Falls.

The festival was concluded here Saturday night with winning of the Class B one-act championship by Parma high school, whose cast presented "The Tea-Pot on a Rock."

**Hansen Next**  
Hansen and Thomas were next in ranking with good rating, and Ina and Moreland received fair. Hansen staged "The Playgoers."

In Parma's winning cast were Edwyna Stringfield, Dale Olsen, Frances Drost, Vauman Berties, Mary Aten and Eugene Richins.

Callber of the contests made the contest "outstanding in all departments," officials said.

**Extemporaneous**  
In extemporaneous speaking, final declamation division of the last day, all four of the entrants were rated as good. They were Paul Leighton, Twin Falls; Dale Coughlin, Rigby; Thelma Terry, Blackfoot; Leslie Summers, Caldwell. Judge was Prof. Halbert Greaves, Utah State Agricultural college who also judged the one-act comedies.

Herman Huettig, Eden, won superior ranking in Class B extemporaneous, as did Glenn Farr, Arimo. Phillip Banfield, Kuna, was given fair grading. Mrs. Roy Painter, Twin Falls, judged the Class B participants.

Final plans for the event were made yesterday at a meeting of the club held at the home of Charles Larsen, president. E. V. Larson, sponsor, attended the meeting.

## WHEAT GAINS ON CHICAGO MARKET

**CHICAGO**, April 19 (UP)—Sky-rocketing foreign markets, following the announcement by the Argentine government that exportable surplus of wheat in that country amounted to 34,000,000 bushels, induced heavy buying today in the wheat pit. Prices made substantial net gains in the face of profit-taking sales.  
 At the close wheat was 1 1/2 to 2 cents higher, old corn 2 1/2 to 3 cents higher and oats 1/2 to 1 cent lower to 1 1/2 cent higher.  
 Prices at Buenos Aires and Liverpool soared about as fast as they declined last Friday.  
 Prices in Chicago opened with net gains averaging 2 cents but ran into profit-taking selling that caused a moderate reaction. Buying continued in the last half of the day, however, and the May delivery finished with a net profit of about 3 cents while smaller gains were shown by the new crop deliveries.  
 Corn finished the day with gains of better than a cent a bushel. Fractional gains were recorded in oats. Rye advanced 1/2c.

# GERMANS DECIDE TO ALTER FOUR-YEAR ECONOMIC PLAN

## COUNTRY NEEDS OUTSIDE FOODS, LEADER STATES

Colonies Seen as Only Way For Whole Independence, Schacht Says

By FREDERICK C. OEFISNER. BERLIN, April 19 (U.P.)—German Nazi leaders have agreed on a fundamental alteration of their drastic four-year plan to make the country self-sufficient in event of war, it was indicated today.

The alteration, striking at the center of the plan, involves modification of the restrictions imposed on import of foreign raw materials, and a compensating intensification of the demand for restoration of colonies.

Rudolf Hess, deputy leader of the Nazi party, announced that the long ban on admission of new members to the party would end May 1.

A concise official news agency report of a speech at Munich last night by Dr. Hjalmar Schacht, president of the Reichsbank and minister of economics, disclosed the decision to alter the four year plan.

Addressing the Bavarian merchants' organization, Schacht said that he had taken certain decisions which assured the easing of the situation as regards raw materials.

These decisions, he said, were taken in "complete agreement with Col.-Gen. Hermann Goering as head of the four year plan."

"The raw material restrictions have not surpassed their peak," Schacht said. "Our food situation has shown that we can not become independent of foreign imports within a calculable time."

"This is one of the reasons why I am raising the colonial issue again and again. Colonies under German administration, with German currency, could bring extraordinary alleviations."

Nazis themselves often have expressed belief that the party risked becoming isolated from the nation as a whole if the membership ban was maintained.

But still it was regarded as not to the Nazi's advantage to make party membership too easy because the distinction of membership would be lessened.

It is estimated privately that there are now between 3,000,000 and 4,000,000 party members. Most of these were members before the great purge of June, 1934. Since then admission to the party has been difficult for all, and impossible for most.

Contrasting conditions in Germany with those in democratic countries, Hess said: "No factories are occupied in this country. Production is not daily interrupted by strikes. Police and workers do not shoot at each other."

## CONTRACT BRIDGE

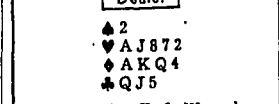

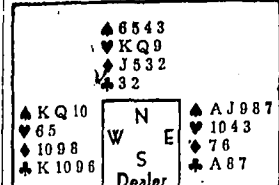

By William E. McKenney

### HOLDS UP TRUMP PLAY

By Wm. E. McKENNEY. Secretary, American Bridge League. When Alex Cameron of New York saw the dummy on today's hand, the making of his contract of four hearts did not appear particularly difficult, but he realized that he should take every precaution possible in the play of his combined 26 cards.

Actually, the hand presents a very pretty problem in the play of dummy, and offers a situation which is much more likely to be played badly by a good player than one involving a difficult squeeze or a spectacular throw-in play.

Cameron sat South. West continued with a second round of spades, which Cameron ruffed. There were several ways to play the hand, but the one chosen by South was undoubtedly the best, taking into consideration the various possible distributions.

He had lost one spade, and must lose two clubs and perhaps three, if forced to play the suit at the

### Lodge Officers at Rupert Installed

RUPERT, April 19 (Special)—Installation of officers Rupert lodge No. 1338, Loyal Order of Moose, took place Thursday at the Moose hall. Following are the officers installed: George W. Cole, dictator; H. D. Greco, vice director; W. H. Brown, prelate; Ernest Ralls, secretary; and James Genovese, treasurer.

Trustees who were installed are Pete Gheml, three-year term; J. Frank Bell, two-year term; D. J. Morgarts, one-year term.

### Today's Contract Problem

North is playing the contract at six clubs. After East has undered the ace of diamonds, and the trick is won by West's jack, does the obvious fact that East has made an unusual lead suggest that West should make an unusual return?

end with the trumps in dummy gone.

Cameron led the queen of clubs to the third trick. This simple play assured him his contract, regardless of the return made by either opponent and regardless of which one captured the trick. He had gained a time unit and control of every crucial situation that could arise.

The immediate club play assured him of the opportunity to ruff one losing club in dummy and still draw trumps, thus giving him his 10 tricks.

### GOODING

Construction of a large turkey shed having dimensions of 60 by 120 feet is being built by Joe Arkoosh, one of the largest turkey growers in Gooding county, on his ranch northeast of Gooding.

Remodeling work in the Lincoln cafe is being carried forward by A. J. Anderson, proprietor, who recently purchased the business from Mrs. Edith Lyman. Considerable painting and decorating has been done so far. Booths, a built-in bar, and mirrors are now being installed, as well as facilities added in the kitchen.

An assembly program will be given April 22 at 1:30 p. m. at the local high school by the Albion glee club and the master tap team.

Debaters who earned letters at the high school this year are Lucille Knight, Junior Schild, Celesta Handorf, Geraldine Gillespie and Dick Ryan. Robert Fulton, debate coach.

W. A. Petty, who came here from Glenns Ferry, is now working in the Nester barber shop. He took the position formerly held by Ben Gray, who is at Halley.

## PLANS DIM FOR NEW CAGE LOOP

### South Idaho Coaches Against Idea Proposed at Meeting Here Saturday

Prospects for the formation of a Southern Idaho basketball conference to operate along the lines of the present Big 10 football circuit, were considerably dimmed today after a meeting held here on Saturday by coaches from the various schools of southern Idaho.

Leading the fight to form the loop were Coaches "Rip" Gledhill of Pocatello and "Red" Jacoby of Idaho Falls, but they were outnumbered by the members of the Class A loop in this district, headed by Coach R. V. Jones of Twin Falls, put up a vigorous battle to retain the present set-up that pits the schools of the territory surrounding Twin Falls against each other in annual competition.

The plan suggested by the proponents was presented by Coach Jacoby and would have 16 teams playing for the conference championship on a percentage basis, the six leading teams at the close of the season to engage in a tournament with two teams from the northern section of the state.

Talks against the plan were given by Coaches Floyd Luft, Buhl; Jimmy O'Brien, Filer; George Hjort, Burley; L. W. Williams, Caldwell; R. D. Armstrong, Rupert; Bill Gillam, Nampa, and Supl. Jared Mercer of Oakley, whose team represented this district at the state meet last year.

To Investigate Proposal To settle the matter, George F. Donnan, Burley superintendent, and state athletic association official, moved that Ray Berry, Idaho Falls school head, and president of the Big Ten, appoint a committee to investigate the proposal to submit the plan to southern Idaho Class A schools. The motion was carried, but not unanimously.

Turning to the drawing up of the football schedule, the coaches voted to abolish spring football practices. They also went on record as favoring adoption of the 39-inch high hurdle and the 200-yard low hurdle race for high school competition.

### Ceremony at Boise Weds Rupert Pair

RUPERT, April 19 (Special)—Mardene Manning, daughter of Mr. and Mrs. Henry Manning, and Dennis Linzy, son of Mr. and Mrs. William Linzy, were married April 12 in Boise, at the courthouse.

The young people are staying at the Linzy home, where they are building a home. Mr. Linzy is engaged in farming with his father.

## Funeral Held for Salt Lake Child

Funeral services were held yesterday at Salt Lake City for Kerma White, six-year-old daughter of Mr. and Mrs. Charles Verne White, former residents of Twin Falls. Interment was in Provo.

The child's death was the result of injuries received when she was struck by a car on last Tuesday. She died on Thursday.

### RUSSELL LANE

The Russell Lane Harmony club met Wednesday at the home of Mrs. Lee Harris. During the business meeting the student loan was given out and it was decided to purchase a bed for the McCluskey health camp. Following the business meeting a program was presented by Mrs. Charles Teater and a shower was given for Mrs. Everett Utt. At the close of the afternoon refreshments were served by the hostess, assisted by Mrs. E. D. Utt.

Mr. and Mrs. E. C. Montgomery entertained the Contract club and members' husbands at a buffet supper Friday after which six tables of bridge were in play. Prizes for high score were won by Mrs. Pat Day and E. M. Patterson, the traveling prizes were won by Mrs. P. A. Teater and E. M. Patterson, and the all-out prizes were awarded to Mr. and Mrs. P. A. Teater.

The baseball team gave a benefit dance at the Russell Lane school Friday night. A large crowd attended and the music was furnished by the Rhythm Rascals.

## LEGION SPONSORS "DEATH DODGERS"

### Thrill Circus Will Come to Fairgrounds With Stunts Next Sunday

Stunt specialists who have provided motion picture studios with some of movieland's most thrilling episodes will perform for south Idaho next Sunday.

Under sponsorship of the Twin Falls American Legion, the "Death Dodgers" circus will appear in person at the fairgrounds. It was announced today.

In connection with an aerial circus they will recast in flesh and blood some of the most daring crash scenes ever staged.

### Balloon Feature

A feature of the aerial circus will be an old-fashioned balloon ascension, with kerosene smoke instead of gas as the lifting power.

Legion officials were enthusiastic over signing the contract with the stunt group.

"We have signed a contract with the Death Dodgers; it was announced, because we know they will furnish all the thrills their name implies."

### TAKES RUPERT POSITION

RUPERT, April 19 (Special)—Price D. Sears has been named deputy auditor to fill the vacancy created by the resignation of Wayne Hollenbeck, who is now affiliated with the Burson Auto company.

## PAUL

A daughter was born Thursday to Mr. & Mrs. E. Coleman. Mr. and Mrs. Glenn Lyons and baby daughter expect to go to Elko, Nev., for the summer.

The Ladies Aid society of the Community church held its regular monthly meeting recently in Legion hall opening with a no-hostess dinner. It was voted to give \$10 to the American Legion for the use of the hall. Rev. George Roseberry, Rupert, had charge of the devotional part of the program. Hostesses for the May meeting will be Mrs. Ray E. Clark and Mrs. C. H. Francisco. The meeting will be held at the Clark home.

### 5,880 Beet Acreage Planted in Minidoka

RUPERT, April 19 (Special)—The Amalgamated Sugar company announces that up to this time 5,880 acres of beets have been contracted in Minidoka county, of which about 4,000 acres have been planted. Growers in Minidoka county received \$34,228 last week on last year's production. Two more payments are to be made on the 1936 crop.

## D. A. R. DELEGATES MEET IN CAPITAL

### 5,000 Members of Group Are in Washington for 46th Continental Congress

WASHINGTON, April 19 (U.P.)—More than 5,000 delegates and members of the Daughters of the American Revolution assembled today at the 46th continental congress to discuss Americanism, aid for youth, and education in citizenship.

Many delegates anticipated broadening of the discussions to include consideration of the president's court reorganization plan. Speakers on the opening session program tonight include: Mrs. William A. Becker, president general, Sen. A. Harry Moore, D-N.J., the keynote, and Assistant Secretary of State Sumner Welles.

An interesting feature of the opening program will be the presentation of the D. A. R. good citizenship pilgrimage winners from 47 states.

NEW 1937 NORGE PLUS-VALUE HOME APPLIANCES

### SAVE MORE THAN THEY COST

NORGE ROLLATOR REFRIGERATOR  
New efficiency in the Rollator (the Norge 3-moving-parts cold-making mechanism) and new Flexible Interior Arrangements make the new Norge Rollator Refrigerator more economical to use than ever. Interiors can be arranged in nine different ways to meet changing storage requirements.

The Rollator's Compressor... smooth, easy, rolling power instead of the usual hurried back-and-forth action. Result—more cold for the current used and a mechanism that is almost everlasting.

NORGE CONCENTRATOR RANGE  
Norge leads with a thrilling new line of ranges... models, colors and available extras provide wide choice in style and equipment. And every one is a sound investment in savings in time, work, actual dollars and cents. Before you buy a range, be sure to see what Norge has to offer.

NORGE AUTOBUILT WASHER  
In addition to the famous Autobuilt transmission, new models have Pressure-Indicator Wringer—a new development exclusively Norge. Many other convenience, time and money saving features.

NORGE DUOTROL IRONER  
Makes ironing a pleasure. Heat, pressure and speed under finger-tip control. Easy to learn to use—fast and efficient. Pays for itself many times over during its long, useful life.
