Nine-Point Program Drafted At Meeting Concluded In Washington

STRIKE CURB SOUGHT

Recommendations Will Be Submitted to Congress Spokesmen

WASHINGTON, April 30 (UP)—The board of directors of the United States Chamber of Commerce today prepared to draft a nine-point labor relations program calling for amendment of the Wagner act to 500,000 employers.

They were voted authority to write a specific plan by representatives of the chamber's 1,600 member organizations at the close of their twenty-fifth anniversary meeting yesterday.

Curbs on Strikes

- 1. A curb on sit-down strikes. 2. Prohibition of political contributions by employer organizations. 3. Outlawing of "intimidation" by unions and "protection of personal rights."

New President

Definition under the Wagner act of "labor practices which are unlawful."

Establishment of the responsibility of labor organization for their acts.

The chamber program closely parallels that of the national association of manufacturers.

There were about 20 of the secret service men around the chateau. Some were on guard duty, questioning visitors. Others were hiding in hedges; some toured the countryside on bicycles.

Secret service men visited hotels in a 20-mile radius around the chateau, seeking suspicious persons.

As the day of the duke's expected arrival neared, traffic increased on the roads in the neighborhood.

KING SEEKING TO KILL COURT ACT

Utah Senator Will Not Let Judiciary Bill Reach Congress Floor

WASHINGTON, April 30 (UP)—Sen. William H. King, D. Utah, today said he would lead a move to kill President Roosevelt's court reorganization program in the senate judiciary committee.

King broke with other opponents of the judiciary bill in advocating an attempt to prevent the measure from reaching the senate floor.

The proposal for six new justices on the supreme court is definitely defeated and I will do everything in my power to bury the bill in committee," he said.

"I don't want the committee to make any kind of a report either favorable or unfavorable — on the bill."

OFFICIAL WARNS STATE FOR LACK OF HEALTH FUND

U.S. Bureau Head From Coast Says Idaho Will Get No Federal Help

WELFARE IS IN DANGER

Failure of Legislature to Pass Bill Cuts Off U. S. Grant

BOISE, Idaho, April 30 (UP)—Dr. Edith P. Sappington, U. S. children's bureau official, today warned Idaho public health officials that the state's maternal and child health program is in serious danger because of lack of funds.

Dr. Sappington, here from regional offices in San Francisco, said the state faced a shortage of more than \$48,000 in child health work because of the legislature's failure to pass a \$25,000 appropriation for matching purposes.

She said when the present fiscal year expired July 1, the state would be without funds to administer prenatal care for mothers or to aid young children.

The state previously had approximately \$75,000 to carry on the work. This sum was made up of a state emergency appropriation of \$25,000 which was matched by a federal fund of \$47,500.

Additional requests furnished another \$2,000.

The next fiscal year, however, will find the state without an appropriation.

Attorney For Unions in Coast Rail Controversy Says Company Intervenes

SAN FRANCISCO, April 30 (UP)—A three-man emergency mediation board, appointed by President Franklin D. Roosevelt to investigate the dispute between trainmen and the Southern Pacific railway, had under consideration today charges that the company was promoting its own union in violation of the national railway labor act.

These charges were made by Donald Richberg, former head of the NRA, and now counsel for two railroad brotherhoods.

Richberg said the company was attempting to "coerce" engineers to join two older brotherhoods rather than the brotherhoods of trainmen and firemen and engine-men.

These latter unions previously voted almost unanimously to go on strike to enforce demands involving recognition and jurisdictional authority.

C. E. Weisell, attorney for two senior brotherhoods, terms Richberg's charges "nonsense" and said the entire dispute involved efforts of the new unions to "horn in" on the older brotherhoods.

CHAMBER PLANS FOR NEW OFFICE

Move Into Remodelled Rooms Of Bank Basement Slated For Early June

Final arrangements were completed this afternoon by the Chamber of Commerce board of directors in regular weekly meeting for the removal of the offices from the present site to the basement of the Twin Falls Bank and Trust company building.

The basement is to be entirely remodelled. It is expected that the Chamber's move into its new home will be made in the early part of June.

Suitable racks for the display of tourist literature will be a feature of the new offices. Directors pointed out that the new, spacious quarters will be centrally located and will provide much needed additional space.

The basement is now occupied by the Bank Billiard parlor. Remodeling will start as soon as the present occupants vacate, directors said.

During today's meeting F. G. Thompson, secretary-manager, discussed progress being made in connection with condemnation proceedings against the Twin Falls Jerome inter-county bridge.

Announcement was also made that all businessmen and the general public are invited to attend a child health day observance meeting which will be held at 8 p. m. in the chamber offices. Dr. Alan L. Hart, Seattle X-ray specialist, will be chief speaker.

Pope Will Leave On Rest Vacation VATICAN CITY, April 30 (UP)—Pope Pius cancelled all scheduled audiences today and prepared to leave for Castel Gandolfo tomorrow on vacation, Vatican cables reported.

CLEAN-UP, PAINT-UP CAMPAIGN OPENING SET FOR MAY 5

Tinker Directs Intensive Drive

Intensive clean-up and paint-up campaign will get under way in Twin Falls May 5, the Twin Falls Chamber of Commerce announced this afternoon.

E. M. Tinker was named general chairman of the campaign.

The drive will continue through several weeks with all householders and business men asked to take an active part in making the city spick and span. Continued efforts to maintain the results achieved by the campaign will be urged by the chamber throughout the summer.

Committee chairmen announced today by Mr. Tinker include: Earl Baughman—publicity. R. S. Tofflemire—speakers. Dr. J. W. Hawkins—health. Leonard Avant—streets. Fred Perry—fire prevention and police.

Voy Hudson—merchants. Cecil Jones—real estate and housing. Roy Painter—schools and scouts.

The individual chairmen will meet with Mr. Tinker Monday noon at Chamber of Commerce headquarters to complete final plans for the campaign. The chairmen will announce assistants at that time.

House-to-house and store-to-store canvass will be made as a part of the campaign, with "pledge cards" distributed on which residents may indicate the type of clean-up and paint-up they will perform in dressing up their premises as well as the city at large.

The canvass Mr. Tinker said, will be made through cooperation of Boy Scouts and school children of Twin Falls.

Two Phases The clean-up portion of the drive, he explained, will be divided into two phases. During the first week all residents and merchants will be asked to make a thorough cleaning of attics, basements, store-rooms and similar "hideouts" for debris. They will be asked to gather up all rubbish and place it in suitable containers, segregating the non-burnable material.

Starting May 10 the city will be divided into sections and municipal trucks, loaned by the city administration, will pick up rubbish in each zone on specific days.

At the end of the campaign a huge bon fire will be touched off, with all inflammable rubbish being burned under supervision of the fire department.

Paint-up activities of the campaign, according to the chairman, will start as soon as cooperating householders and merchants can arrange the work. This will run concurrently with the clean-up efforts.

Canvass Cards Canvass cards which will be distributed by the Boy Scouts and school children are classified by divisions to allow full report. These list cleaning, painting and decorating, painting and miscellaneous work.

"Purposes of the clean-up and paint-up drive," Chairman Tinker said this afternoon, "is to achieve 10 distinct benefits for Twin Falls. The campaign develops community spirit, makes clean streets, reduces fire losses, improves vacant grounds, removes public and business buildings, makes a more healthful city, beautifies homes, improves morale and efficiency in workers in business and warehouse districts, advertises the city and very distinctly helps business in many lines."

Residents desiring part-time workers to assist in cleaning up can secure these through the U. S. employment service, Mr. Tinker said.

F. D. R. is in favor The drive here is in line with the nation-wide clean-up and paint-up campaign which has been given hearty endorsement by President Roosevelt, Chamber of Commerce officials pointed out this afternoon. They quoted copies of a letter sent by Mr. Roosevelt to R. W. Emerson, of New York City, executive secretary of the national clean-up and paint-up campaign bureau. The President said:

"I am glad to express my personal appreciation to all those throughout the nation who are devoting their time and energy to a national clean-up and paint-up campaign."

"It is truly in the Public Service" when civic-minded men and women in all parts of the country, in cooperation with interested national business groups, unite for the accomplishment of greater health and beauty in our homes and communities. It is a further expression of what we in America can do through united effort to improve living conditions and solidify our fundamental institutions.

"After all, there is nothing that can replace that pride which comes from a clean and well-kept home and a well-developed and beautified community in which to live."

Very sincerely (Signed) "Franklin D. Roosevelt."

Lions See Safety Film At Meeting

Report Shows \$100 Raised to Aid Eye Corrections

Carl Anderson, owner of the Twin Falls Coca-Cola Bottling company, this noon displayed a safe driving film to members of the Lions club as a feature of today's program. Carl Glib reported on the recent dance which the organization sponsored to obtain funds for the purchase of glasses among needy children requiring eye corrections, and said a return of approximately \$100 would be realized.

Plans were also discussed for the meeting next Friday which will probably be in the form of a night banquet and at which 12 members of the Boise club will be guests.

Colorado Alimony Sit-Downer Unmoved by National Anthem

LONGMONT, Colo., April 30 (U.P.)—Unmoved by the national anthem or an evangelist's pleas, Mrs. Genevieve Johnson held resolutely to her rocking chair today on the sixth day of a sit-down strike for alimony.

She is sitting on the lawn at the home of Mr. and Mrs. Guy Johnson, the parents of her estranged husband Ralph. She says a court awarded her \$670 weekly support money from Ralph and he has not been paying it. Ralph is living with his parents.

Her sit-down strike has become a community enterprise. Several barber shops have started selling tickets in pools, the luck numbers being the ones that correspond with the number of days her strike lasts. Several horn-blowers (Genevieve said if they had been able to play

the tune a little better she might have considered it her duty to rise) came out late Thursday. The players had a new theory to end all sit-down strikes. They began struggling with "The Star Spangled Banner." Genevieve drew a blanket more tightly around her legs.

A lady evangelist appeared on the lawn next and exhorted Mrs. Johnson to abandon her strike and accept Christianity.

"I have no quarrel with Christianity but I have with my husband. I'm going to stay right here until he freezes over if I don't get my \$670," Mrs. Johnson said.

The evangelist fled. Townspeople brought Mrs. Johnson books, food, candy and magazines. Yesterday she distributed five pounds of candy to school children who came to look at her.

Democratic Plans to Collect \$10,500,000 Fund Bogs Down

By LYLE C. WILSON

WASHINGTON, April 30 (U.P.)—Democratic plans to raise \$10,500,000 for political purposes during the four years of President Roosevelt's second term have bogged down somewhere within the national committee organization.

The fund-raising program was adopted here Jan. 21 at a national committee meeting. Committee officials said that so far the plan has not raised a penny nor have any of the proposed 48 state money collectors been named.

Movement Will Start Committee officials said, however, that some movement toward a trial test of the fund raising program probably would be made within the next fortnight. The program will be considerably more modest—at least at the outset—than was outlined last January. But the committee expects to finance the 1938

congressional campaign from proceeds of the program. It is supposed to provide \$5,000,000 for the 1940 presidential campaign.

The approved plan, submitted by the late W. Forbes Morgan before he resigned as party treasurer, fixed definite quotas for each of the four years. They were: 1937, \$1,000,000; 1938, \$2,000,000; 1939, \$2,500,000; 1940, \$5,000,000.

Consolidation Plan "All democratic fund raising, the plan provided, would be consolidated in each state under a fund director to be paid either on a salary or commission basis.

When Morgan reported to the committee last January he said the committee deficit was \$450,000. The United Press was informed this deficit had been reduced to approximately \$300,000 with proceeds of the victory dinners which were held throughout the country in March.

MEETING HEARS ALBION TEACHER

Session Includes Numbers By Physical Education Students

"Youth" was the topic of the address of Dr. John C. Werner, Albion State Normal school instructor, presented last evening as the feature of the Junior-Senior Parent-Teacher association program at its last meeting of the year.

His talk stressed his point that every child is entitled to a high school education and that while youth needs older people, older people also need youth and should appreciate and share the problems of young people.

A brief discussion of the suggestions made by Dr. Thomas R. Cole on the housing of the two schools was presented by E. F. Stettler, clerk of the school board. Group singing was led by Mrs. John E. Hays, program chairman, and she introduced Miss Margaret Egbert, physical education instructor, who spoke on the value of physical education and rhythmic dancing. She announced the demonstration by her department to be given May 16 at the high school assembly.

Dances Given The seventh grade group of her students presented "Little Man in a Fix" and a "Schottische." Eighth graders performed Slavic folk dances. Two vocal selections were sung by Miss Marjorie Wurster accompanied by Miss Eunice Ever.

Newly-elected officers were installed by Mrs. Hayes during the business session and included Mrs. Roy J. Evans, president; Mrs. R. J. Reed, vice president; Miss Dorothy Call, second vice president; Garth Reed, secretary; Mrs. Ray Shephard, treasurer.

Chairmen Announced New committee chairmen announced by Mrs. Evans were: Program, Gerald Wallace and Mrs. Hayes; publicity, Mrs. O. G. Merrill; record book, Mrs. R. V. Jones; welfare, Mrs. R. A. Suttell; physical education, Mrs. W. P. Henry; hospitality, Mrs. H. L. Hogsett. Other members of the hospitality committee were also named. Mrs. W. A. Van Engelen, Mrs. James Harvey and Mrs. Roy Painter, The legislation chairman is Mrs. A. S. Martin, and membership committee, Mrs. W. L. Goodman and Mrs. J. R. Nielsen.

Mrs. Reed, chairman, presented a comprehensive report of welfare work of the school year showing distribution of numerous articles of clothing, a total of 1,836 baths, 673 shampoos, 109 hair trims, 35 pints of milk daily, necessary vitamin food for several children, eye and dental attention, assistance with the tuberculin test and three children furnished with hot lunches throughout the term by interested persons.

Mr. Morgan sang "Jesus Took My Burden and Left Me With a Song." Rev. L. D. Smith, pastor, announced that services will continue each evening of this week and next at 8 p. m. daily except Saturday with services at 11 a. m. and 8 p. m. on Sunday.

COMMENT WASHINGTON, April 30 (U.P.)—Asked for some comment on the return of his 67th birthday anniversary today Attorney General Homer S. Cummings said:

"Time pays no attention when I say 'whoa'."

Hearing was set for May 20 today by Probate Judge Guy L. Kinney on the petition of Clara J. Pribble, Twin Falls, for appointment as administrator of the estate of her mother, the late Mrs. Mary Shore, who died here Dec. 3, 1935.

The estate includes property in the Orcharala subdivision of Twin Falls. It is estimated at \$1,500. The petitioner is named as sole heir and executrix under a will filed today and executed Oct. 20, 1934. E. M. Sweeley is her attorney.

OFFICIAL SCORES LACK OF MONEY

U.S. Bureau Head From Coast Says Idaho Will Get No Federal Help

(Continued From Page One) tion to match the two-to-one federal grant. Dr. Sappington said without an appropriation, there was no way in which federal aid could be secured.

She said the state must show evidence of need by an appropriation before governmental offices would consider giving aid in the child health program.

Confers With Dunshee Dr. Sappington was conferring with Dr. J. D. Dunshee, state director of public health, and Gov. Barzilla W. Clark, ex-officio chairman of the board of public welfare, in an attempt to work out a plan whereby some appropriation might be diverted from the state's general relief set-up.

She said it would apparently be a difficult task to find the money. Idaho's general health budget was cut \$40,000 for the next fiscal year. Dr. Sappington pointed out that would have been sufficient to have insured federal aid to the state.

Care for Mothers Duties of the maternal and child health department consist of prenatal care, some obstetrical treatment, care of rural mothers, nursing aid and child help.

She said the department was a vital factor as concerned with aid for crippled children, because it was largely through efforts of her department that the number of children crippled because of poor prenatal care or congenital injury, was lessened.

Her office has charge of the 11 western states, Alaska and Hawaii.

Districts Report Trustee Choices

Excelsior school district electors named Roy Scott to the board of trustees, replacing W. W. Lowery, according to late returns which had been filed today at offices of Mrs. Doris Stradley, county superintendent of schools.

Don Stafford was reelected in the Shamrock district.

Both men will serve three-year terms.

Returns from several other districts in the rural common school district voting are still to be reported, the superintendent's office said.

Titles Quieted

Two decrees quieting title on disputed property were ordered today by Judge J. W. Porter in district court. The orders approved suits filed by William and Tillie Hoops against W. B. REBELS RECEIVE SEVERE BLOW BY LOSS OF VESSEL

Craft Sinks Hour After Hit By Explosive From Air Squadron

(Copyright, 1937, United Press) BILBAO, Spain, April 30 (U.P.)—The battleship Espana, chief unit of the nationalist fleet, was bombed and sunk today by loyalist airplanes, the loyalist government announced.

With the destroyer Venasco, the 15,450-ton Espana was steaming off the coast at Cabo Mayor, at the entrance to Santander bay, 50 miles west of Bilbao.

A little British freighter approached, believed to be the 1,024-ton Brora, of Glasgow.

Both nationalist warships steamed for the Brora and ordered it to halt, the loyalist reports said. Instead the freighter made for the safety of Santander.

The Venasco fired 12 shots at the freighter as the little ship raced for shelter, its wireless flashing appeals for help.

The message was heard at Santander. A loyalist fleet of 32 planes took to the air.

Three miles off Cabo Mayor, the airplanes sighted the Espana. The loyalist planes circled over the Espana and the Venasco and bombs began dropping.

Aboard the Espana were some 840 officers and men, and the Espana had to meet the plane's attack with its old pre-war deck anti-aircraft guns and smaller guns.

The coast guard men reported that they saw a tremendous bomb strike the after end of the battleship and explode. The Espana began to list and settle in the water, they reported, and sank one hour after the bomb struck.

The Venasco, nearby, steamed to the ship's aid and, according to reports, took off officers. Unofficial reports, not confirmed here, were that the officers were believed to include German and Italian.

It was expected that the old Espana, once the Alfonso XIII, would enter history as the first battleship to be sunk by an airplane. Its loss is a severe blow to the nationalists, their only battleship.

BUILDING NEARS AT SUB-DIVISION

Home Erection Project Means Expenditure of \$33,000 On Eight Houses

With preliminary surveys nearing an end, final construction will start soon on a \$33,000 project which will see the erection of eight modern homes in an area at the northern city limits which will be known as the Lincoln Terrace sub-division, it was announced today by E. W. McRoberts and Al Smith.

The area to be developed is located at the ends of Buchanan and Lincoln streets and will face Heyburn avenue into which a private street, fifty feet in width with a "turn around" at the northernmost end, will enter.

Latest Type The houses, according to Mr. Smith who is supervising the venture, will be of the latest type and were selected after an exhaustive survey conducted by building experts.

They will be complete in every detail, with hardwood floors, furnaces, full concrete basements, private garages and a complete sewerage and water system.

Another feature of the houses will be their complete insulation to assure warmth in the winter and coolness in the summer. Ample closet space will be provided.

Street Curbing Other improvements which will be made before the houses are tenanted will be the curbing of the private street and cementing of private driveways.

General contractor for the work will be A. B. Christensen of Twin Falls, Mr. Roberts and Mr. Smith announce.

Local School Needs As Seen by Expert

Here Are the Things Dr. Thomas R. Cole Believes Twin Falls Should Do

(Editor's note: Following is the concluding article in a series giving the verbatim report on survey of the Twin Falls school buildings and a proposed building program submitted to the school board by Dr. Thomas R. Cole, professor of school administration, University of Washington, and school consultant for the state of Washington.)

By DR. THOMAS R. COLE

Changes in Junior-Senior High School

The following changes and alterations are recommended in the junior-senior high school building. Rooms for these changes have been checked with your superintendent.

1. The physical education program is entirely inadequate. One gymnasium is used by a small number of students. Practically no attempt is made to use the poor bathing facilities available.

Remove the present bleachers in the gymnasium and substitute collapsible ones which can be put up and taken down quickly. Install a partition curtain so that boys and girls classes can be conducted at the same time. This arrangement would enable all students to take physical education two periods weekly, grades 7 to 12 inclusive. The showers and toilet room facilities should be increased for both boys and girls. I know of nothing that will tone up the general character of a school more than an efficient health program.

2. Manual arts, boys. You have at present but one shop used by two classes at the same time. Three shops are needed for your junior and senior high school enrollment. The present shop should be made into a general shop with a part of it partitioned off for a finishing room. Two other shops should be provided, one of them giving attention to farm shop problems for the classes in agriculture. Such an arrangement would permit all eighth and ninth grade pupils to take manual training work with room for advanced students to elect additional work if they chose to do so.

3. Home economics, girls. Adequate rooms, three in all, are now available for home economics work. A few adjustments in equipment will need to be made. All girls in the eighth and ninth years and those in the upper grades will be able to take the home economics work.

4. Lunch room. One of the greatest needs in the high school is a lunch room. Hundreds of students have no well defined place to eat at noon. Many of the pupils bring a part of their lunch from home and should have an opportunity to supplement it with soup or something warm to drink. After the lunch equipment is installed there is no longer any expense to the district as the receipts will cover operation and replacement expense. The lunch room space can be used for a junior high school activity room, which is greatly needed.

5. Science rooms. An additional science room should be equipped for biology, as the election of this subject will increase.

6. Hall lockers. Adequate hall lockers are very much needed and should be installed in the corridors throughout the building.

7. Lavatories and toilets. The lavatory and toilet facilities for both boys and girls should be increased at least fifty per cent.

8. Art room. Appropriate equipment is needed in the art room. The ordinary school desks are not satisfactory for this work.

9. Mechanical drawing. There is no adequate place for mechanical drawing. In fact, this subject is scarcely offered at all. One room properly equipped should be set aside for this important subject.

10. Typewriting. There is but one typewriting room at present. An additional room is needed, equipped with typewriters and office practice.

TWO GIRLS LEAD JUNIOR HIGH LIST

Both Get All A's For Second Period; Four Get All 1's In Citizenship

Two girls led junior high school students in scholarship with all A's for the second period of the second semester. It was revealed today with announcement of honor rolls by Mrs. Vera C. O'Leary, principal.

The pair was Margie Robertson and Grace Wegener.

One boy and three girls topped the citizenship honor roll for the same period, each achieving all 1's. They were Frederick Blenz, Ruby Kawai, Verna Sinema and Patricia Smith.

One hundred and twenty-seven pupils are listed on the combined scholarship-citizenship honor roll; 22 on the scholarship roll and 72 on the citizenship roll.

Old Oregon-Idaho Landmark Is Burned

Ontario, April 30 (U.P.)—The Crystal ballroom, originally designed in 1900 as this city's opera house, today was a pile of smoldering ruins following a disastrous fire Wednesday. The blaze, which threatened the entire business district, destroyed the building during height of a windstorm. Firemen patrolled the business district, putting out small blazes as they started. The building was a landmark of the Oregon-Idaho strip.

By Emotions, or by Logic?

A problem that continues to puzzle newspaper publishers is the value of an editorial page. A few of the largest metropolitan dailies have come to the conclusion that newspaper readers as a whole are not much interested in editorials.

Although it is impossible to determine definitely the waning interest in editorials, it is foregone that this feature of journalism no longer plays the part it did in the newspapers of yesteryear.

There are numerous reasons for this change in reader attitude. Things are moving faster now than in times gone by, and people do not care to devote as much of their leisure time to analytical reading.

In this connection Henry L. Mencken, founder of the American Mercury magazine, and now with the Baltimore Sun has some interesting things to say. Not everyone will agree with Mencken and his hard-hitting style of writing.

The editorial page, he argues, is a vestigial organ that wastes a lot of excellent brain-power, and costs a lot more than it is worth, either to the paper or to the common good.

The great masses, Mr. Mencken reasons, are shy of logic, and can be reached only by appeals to their feelings—an appeal "that can never be made by intellectual devices."

"The primary object of public argumentation is not to show off the arguer's elegance," he emphasizes. "It is to set the customer to panting, sweating and beating his breast!"

All of which puts the editorial writer in a peculiar situation. On one hand he can imagine his readers yawning over his efforts; on the other he fears that any attempt to arouse the emotions might be overdone with the result that some poor reader might overtax himself in the "panting, sweating and beating" process.

We'd like to know just how many of our readers will agree with Mr. Mencken. How many would admit that they are more easily influenced by emotional appeals than by logic?

That, perhaps, is the solution to the editorial page problem. Can it be that big type, pictures and rowdy-dowdy writing are the only way out?

Self-Reform

People who remember the abuses of the brewing business in the years before prohibition—abuses that were in very large part responsible for the adoption of the 18th amendment—might be glad to learn that the brewers themselves have profited by lessons of the past.

Col. Jacob Ruppert, chairman of the the foundation, remarked at its first meeting:

"Every American brewer knows that in the events leading up to prohibition there were many evils which which he abhorred and which he does not want to have repeated. He knows that for an industry to survive and develop, it must function in the public as well as in the private interest."

If the brewing industry can bear that in mind, and shape its policies accordingly, we may be spared a repetition of the old abuses which led the country to welcome prohibition.

Members of a Detroit cult who mutilate their faces with knives, can save themselves the trouble by criticizing Mussolini while being shaved.

Stronger and stronger grew the feeling at the capital that a change would be made in Blackfoot's administration. The governor has told friends that there is a marked contrast between the patients at Orofino, and patients at Blackfoot.

MARATHA wanted to cry for joy at the familiar, jocular tone. But when Betty turned to her she saw in the blond girl's eyes the unmistakable effects of days of fear and weariness.

Betty nodded. "Sure, I'm all right. Handsome Mr. Ciznik has been a little unpleasant once or twice, but I've managed him so far. Have you met Mr. Ciznik, by any chance?"

Betty nodded. "You heard a revenue cutter firing a warning to stop. After a—" She stopped suddenly as the stateroom plunged into darkness. "There go the lights! Ciznik will run without lights, and keep away from their searchlight beam if he can."

BETTY smiled ruefully. "Oh, no! Little Orphan Annie was, not in the closed rumber seat—and Mr. Speddon's gun was pointed down between the cushions of the front seat with one hand while he handed the dumb officer his license with the other."

PAUL MALLON'S NEWS BEHIND THE NEWS. An Exclusive Evening Times Daily Report on the Fast-moving Events in the Nation's Capital by an Expert Interpreter and Commentator.

WHERE? WASHINGTON, April 30—Industry is continuing to swell its output even beyond 1929 bounds. You may have noticed the federal reserve board officially announced the other day that industrial production had reached 119 per cent in March, as compared with the 1929 average of 118. Now, it is being estimated unofficially but authoritatively here that April will be up 3 points more to about 121 per cent, which is 2 points above 1929. This makes the question of where we are going a matter of acute immediate concern to the powers-that-be.

Bigwigs in the stock market generally know about changing trends before outsiders. At least that is their business. From the manner in which the market has been acting lately, it is evident that they sense a recession.

This guess is sanctioned by nearly every economist in the government, but only in private, of course. The economists seem to agree unanimously that a period of readjustment is in prospect, that it probably will not be extensive or serious. They disagree about when it will come; some say now, some say in the fall.

A rather significant hint apparently lies in the fact that prices, which have been going up steadily since last summer, reached a peak four weeks ago and have been ebbing downward since that time.

UN-JACKING? This may mean that expanding production has reached a temporary price ceiling, but authorities who value their record for accuracy will wait a few weeks before saying so in print.

For one thing, the reversal of the price trend started in a peculiar way. Immediately after President Roosevelt announced that heavy goods' prices were too high, some of the heavy goods' values started easing off. At the same time weakness was noted in foreign markets.

Down since April 3 are copper, rubber, cotton, wool, silk, lead, rubber, rye. Copper is off 2 1/2 cents from 17 to 14 1/2; cotton off 1-1 3/4 cents; rubber off from 4 to 27.

But commodity prices generally failed to follow this trend. The index of all commodities, except farm products and foods, kept going right up from 84.4 on February 27, to 85.8 on March 27 and to 86.5 on April 25. Also going up are textiles, metals, building materials.

Until these still-increasing prices decide what they are going to do, the general trend will be in doubt. But there are indisputable indications that the sensitive speculators have lost some of their enthusiasm.

Not of course, few of these price decreases have reached the consumer yet. All cited are wholesale prices.

CHART The business chart, which follows, shows employment and wages in the factories are still going up beyond the recently announced official figures. It shows the wage earner is in relatively a better position than 1929, with his wages at 102.5 and his prices around 87.4.

Frank Peshak, 24, Boise Man, Is Uninformed of Remains' Disposal

By DAVID N. JOHNSON (Copyright, 1937, United Press) BOISE, Idaho, April 30 (UP)—Frank Peshak, 24, son of Mrs. Edith Rapp Peshak whose body disappeared under mysterious circumstances two months ago from the home of her cult, 14 miles north of Monticello, Utah, today said he did not know what happened to his mother's remains and that his father, cult member, would not tell him.

Peshak said his father, Elmer Peshak, 61, was under the "strange influence" of Marie Ogden, leader of the cult, and would not act in any matter, business or otherwise, unless Mrs. Ogden first received an "occult" message and instructed him thereby.

He said Mrs. Ogden, virtual dictator of the dozy-odd followers of her cult, believed herself to be the "reincarnation of the Virgin Mary," and that she received messages and instructions from Jesus Christ, her son.

Young Peshak Powerless
Young Peshak said he was powerless to penetrate the veil of silence with which cult members have surrounded themselves, and that because of financial difficulties, could not make a personal investigation.

He has responded with his father, and has asked questions concerning disposition of his mother's body, but has been unable to get a direct answer.

Peshak said it was in the spring of 1934 when his mother, suffering from cancer, first became acquainted with Marie Ogden and listened to her teachings. Subsequently, she and her husband became converts and went to the home, in San Juan county.

Not Informed of Death
On Feb. 11, 1935, Peshak's mother died. He was not informed of his mother's death until June, 1935. He said no hint of her demise had been given him in correspondence passing between himself and his father.

He learned of her death only when he asked questions concerning his mother's health.

Peshak immediately went to the home of truth, and was permitted to see his mother's body, claimed by cult members to be in a natural state of preservation, awaiting "resurrection."

He said the body was in a mummified state, and did not have a natural color. It was a sort of blue-black, he said. "There was no sign of decomposition. Cult members bathed it twice daily and anointed it with oil."

Asked to Bury Mother
He asked permission to bury his mother, but was refused by Mrs. Ogden and his father.

"Mrs. Ogden wielded a wicked influence over that group," he said. "She imposed a censorship and they wrote or told only what she permitted. In a sense, she has them all hypnotized."

Two months ago, he learned of the disappearance of his mother's body through newspaper reports. He had no word of this occurrence from his father. He said his father's letters were evasive where the state of his mother's body was concerned.

No Information
Concerning the rumor his mother's body had been cremated, Peshak said he had no information beyond that furnished by Tom Robertson, former member of the cult who recently left the group's jurisdiction and brought out word the body had been "burned."

"My father writes to me every few days," said Peshak, "but he won't tell me anything about mother's body."

Peshak said he did not believe in the cult, and was never a member.

Two Passengers Killed In Eastern Plane Fall
FRANKFORT, Ky., April 30 (UP)—Pilot G. Pack, Cynthiana, Ky., was in critical condition today with injuries suffered in an airplane crash in which Forest D. Stivers, 25, and Charles H. Carter, 26, his passengers, were killed.

Pack had made 15 flights with sightseers, and had started a last flight at dusk yesterday when his ship went into a "tailspin." It crashed on a makeshift landing field at North Pleasureville, about 30 miles north of here.

Twelve Guests and a Kitchenette

By MRS. GAYNOR MADDOX (NEA Service)

Want to have a grand announcement party even though you have only a tiny kitchen and work during the day? Here's one worked out for 12 guests. It's luscious, easy to prepare, sure to be good, and has no ingredient preparation problem. You can put it together after a day in the office and have it hot and tempting when the guests arrive.

Hors d'Oeuvres
Celery stuffed with cream cheese and nut meats, olives, gherkins spiked on toothpicks stuck in a big red apple surrounded by one package butter crackers and one package whole wheat crisp.

Pineapple and Tomato Juice Cocktail
(for 12)
Seven- and one-half cups pineapple juice (3 No. 2 cans), 5 cups tomato juice, 3 cups water frozen into ice cubes.
Chill cans of juices, combine and add ice cubes.

Chicken a la King
(12 servings)
Five cups canned chicken, a la king, 6 hard boiled eggs, 1 1/2 cups milk, seasoning to taste.
Add milk and eggs to canned chicken. Pour into heat resistant glass casserole. Bake covered in hot oven (400 degrees F.) for about 20 minutes. Serve over hot biscuits.

Biscuits
(30 biscuits)
One and one-half cups milk, 4 cups prepared biscuit flour, 4 tablespoons butter.
Stir milk into prepared flour, beat dough for 30 seconds. Turn out on well floured board. Roll out lightly with rolling pin to about 1/4 inch thickness. Cut in about 1 1/2 inch rounds. Dip each round with a bit of butter between them. Arrange snugly in a glass baking dish 12 by 8 by 2 inches and bake in a hot oven (400 degrees F.) about 15 or 20 minutes. Break biscuits open and cover with chicken a la king. Leave remaining biscuits in dish to keep hot for second helping.

Buttered Beans and Mushrooms
(12 servings)
One No. 1 can mushrooms, 3 tablespoons butter, 2 No. 2 cans green string beans, 2 tablespoons butter.
Slice mushrooms thin. Fry slowly in butter until browned. Add drained beans and cook together slowly until well heated. Turn into well heated serving dish and dot generously with butter and season to taste.

Strawberry Sundae
(12 servings)
One quart fresh strawberries, 1 1/2 cups sugar, 2 quarts vanilla ice cream.
Wash berries, pick out 12 best looking ones. Crush remaining berries add sugar and stand until sugar is melted. Pour crushed berries over vanilla ice cream and top each serving with a perfect berry. Then comes coffee and congratulations.

Seattle Consultant Addresses Kiwanis
Discussion of the ravages of tuberculosis by Dr. Alan J. Hart, Seattle, consultant for the Idaho Anti-Tuberculosis association here to aid local physicians and study X-ray plates taken of tuberculosis reactors, featured the program heard at yesterday's meeting of the Kiwanis club.

Lewiston Loses In Western Baseball Game
LEWISTON, Idaho, April 30 (UP)—The Spokane Hawks defeated the Lewiston Indians 10-0 yesterday in a Western International professional league baseball game here.

ELK RITES WILL HONOR MOTHERS

Public Observance Planned By Twin Falls Lodge On May 9

Mother's day observance open to the public will be conducted by Twin Falls Elks at the lodge rooms at 2:30 p. m. Sunday, May 9. It had been announced today following the April birthday dinner attended by 146 Elks last night.

W. Orr Chapman, Twin Falls attorney, will give the principal address at the observance. It was announced by Newell K. Ricks, chairman of the committee on arrangements.

The girls' chorus of Twin Falls high school will offer vocal numbers, and the high school orchestra is to provide music. Mr. Ricks reported to the lodge meeting that followed the dinner.

One feature of the program will be exemplification of the Mother's day ritual of the Elks lodge.

Committee members with Mr. Ricks are Judge O. P. Duvall and Ray McKean.

Entertainment provided the keynote of last night's April birthday dinner. Wilton Peck presented vocal selections, J. E. Hill and Ivan Hood performed piano and violin numbers, the Crockett family, radio and theatrical, troupe from the Roxy theater, offered instrumental selections.

Birthday dinner committee was Harry Slakin, John Ford and William Reed.

College President To Give Address

CASTLEFORD, April 30 (Special)—W. F. Shaw, president of Gooding college, will deliver the commencement address for the high school graduation exercises to be held May 20. Baccalaureate services will be held in the auditorium on the evening of May 18 and class day exercises will be May 19 at 2 p. m.

Only Five Days of ABC Tourney Left

NEW YORK, April 30 (UP)—Only five days and four nights remain in the 1937 American Bowling Congress tournament today as eastern teams started their final assault upon present scores.

On the remaining schedule there are 247 five man teams, 496 doubles teams and 1,002 individuals. Their scores will determine whether the present leaders will be the 1937 champions. Those in the top position today were the Krakows of Detroit in the five-man event; Virgil Gibbs of Kansas City and Nelson Burton of Dallas in the two-man event; Gene Gagliardi of Mount Vernon, N. Y., in the singles; and Max Stein of Belleville, Ill.

SERIOUS INJURIES RECEIVED BY BOY

Paul Youth, Hurt in Crash, Regains Consciousness At Hospital

RUPERT, April 30 (Special)—Consciousness had come at intervals today to Floyd Peterson, 12-year-old son of Mr. and Mrs. Andrew Peterson of Paul. He is at the hospital here after receiving serious injuries when his bicycle was struck by a pickup truck driven by C. W. Platts, Paul, Wednesday night on the highway near Paul.

"The boy received a brain concussion, according to attending physicians, but his condition was not regarded as critical.

Report of the accident was made by Deputy Sheriff Claude Craig, who reported the boy was taken to the hospital immediately.

Officers state there will be no charge against Platts as the child was riding his bicycle without lights and was in poor Platts is driver of the mail stage to Malta.

Eagle Reserve Asked For Birds in Idaho

BOISE, Idaho, April 30 (UP)—Instead of knocking eagles' heads off with rifles state officials were asked today to establish an eagle reserve as an attraction for tourists.

The asking was done in a letter by Hudson P. Rose, New York real estate broker. In it he suggested the eagles be fed sheep and chickens, like in a zoo.

ACHING HEADS AND SPOTTY EYES

Don't let constipation ruin your health. Read Mr. Davidson's message of cheer: "Kellogg's ALL-BRAN has sure been a godsend to me. This is the first relief I have ever had. Believe me, I will be a booster for Kellogg's ALL-BRAN as long as I live!"—C. T. Davidson, 722 N. St., Sacramento, Calif.

Common constipation may lead to many diseases. Unpleasant breath, blotchy complexion, spots before the eyes—are only forerunners of worse to come.

Conquer constipation with a delicious, ready-to-eat cereal—Kellogg's ALL-BRAN. Simply eat two tablespoons daily—in chronic cases with every meal. Serve it with milk or fruit. Cook into appetizing muffins, breads, etc.

You'll prefer this delightful, natural way instead of the artificial action of pills and drugs. Buy Kellogg's ALL-BRAN at your grocer's. Made and guaranteed by Kellogg in Battle Creek.

The students paid the necessary fee for joining and will receive a Delta Psi Omega pin, key, or ring, according to their choice.

Fire At Castleford Farm Causes Loss

CASTLEFORD, April 30 (Special)—A disastrous fire occurred at the J. M. Thomas ranch early Sunday morning. The fire was discovered by Thomas' hired man, who, with his wife, upon returning from the garage before awaiting Mr. and Mrs. Thomas, who were asleep in the house, found the fire. The man removed the Thomas car from the garage before awaiting Mr. and Mrs. Thomas, who were asleep in the house. The fire department was summoned and part of the sheep shed and the barn were saved. All the poultry was burned to death, together with an ewe and her lamb that were in the sheep shed. The loss is only partly covered by insurance.

Church At Hollister Holds All-Day Meet

HOLLISTER, April 30 (Special)—All-day meeting of the Hollister Rogerson and Berger groups at the church in Hollister last Sunday was well attended. After the session of the Rogerson group, Rev. Walter Meyer, Eugene, Ore., gave an address. This was followed by a social time with the faculty at an outdoor picnic supper.

GRIMES APPEARS TO BE GOING WAY OF ALL BROOKLYN DODGER MANAGERS

By HENRY McLEMORE
NEW YORK, April 30 (UP)—My mind, which has been in hibernation since the first snowfall of last winter, finally awoke today and its first bit of business was to decide that Burleigh Grimes is fast going the way of all Brooklyn Dodger managers.

ROGERSON COPS TRACK TOURNEY

Berger Annexes Second and Hollister Third in District Meet

HOLLISTER, April 30 (Special)—Rogerston school annexed top honors at the track and field meet held here last week-end by scoring 181 1/2 points. Second place went to Berger with 120 1/2, third to Hollister with 88 and fourth to House Creek with 9.

Only a Preliminary Boy

Wally Thompson, the Pueblo, Colo., wrestler, who met Dean DeLeon in the main event here two weeks ago, and who a week before that had thrown Phil "Hands" Olsen, is only good enough for the preliminary bout on the card set for the American Legion hall tomorrow night and featuring Vincent Lopez, Al Baba, Phil "Hands" Olsen, and Del Kunkel. Thompson will tangle with Indian Ike Cassell, whom Kunkel tossed on the last card here.

Grimes Appears to Be Going Way of All Brooklyn Dodger Managers

That is, Burleigh is keeping busy 24 hours a day making his personality, his actions, more important than the personality and actions of his ball club. In doing this he is only following the paved way of precedent. Wilbert Robinson—"Uncle Robbie"—did it with his kindly, loveable eccentricities. Casey Stengel did it with his rubber face and Jimmy Durrant-ish subtleties. And now Grimes is doing it with his Don Quixote rushes into the windmills that are the umpires.

A tough guy as a player, a tougher guy as a minor league manager, he apparently wants to establish himself as the toughest guy in the majors. The baseball season is not yet two weeks old and the Dodgers have played only seven games, but already Grimes has been chased from the park on two occasions. And only yesterday he was halted on the red carpet before President Ford Frick of the National League for a violation of the Abner Doubleday code.

The umpires, it appears, don't suit him. His is the only true eye, his judgment the only sound judgment so he has made the sanctuaries of the peanut and the hot dog resound with his belows of rage; thrashed the bright clear air with his paws; and juted his blue chin to the last jut.

Play Starts for Davis Cup

U.S. TEAM MEETS JAPANESE SQUAD

American Group Admittedly Not Ready for Serious Competition

SAN FRANCISCO, April 30 (UP)—A United States team that admittedly was not quite ready for serious competition, and an earnest trio of Japanese began competition for the Davis cup, here today.

The winner of the three-day series between the United States and Japan will meet the winner of the Australia-Mexico tie, being played simultaneously in Mexico City, for the right to meet the European zone champion.

Don Budge, No. 1 man of the American team, and Fumituru Nakano, Japan's No. 2 player, will begin their series at 2 p. m. (MST). After this singles match Jiro Yamagishi, top Japanese player, will take on Frankie Parker, Lawrenceville, N. J., American's No. 2.

Saturday, Budge and Gene Mako of southern California, will meet Yamagishi and Hideo Nishimura in doubles. Sunday, Budge meets Yamagishi and Parker meets either Nishimura or Nakano.

Edward (Bud) Chandler, non-playing captain of the American team, expects to win four out of five matches. He is ready to concede that Yamagishi will beat Parker. He has his fingers crossed on the possibility of Yamagishi's taking Budge, who is not yet on the game which has made him the most feared singles player in the world.

Vandals Will Play Utah State at Boise in Clash Slated for Oct. 16

MOSCOW, April 30 (Special)—Idaho will play Utah State college football at Boise Oct. 16. Graduate Manager George E. Horton has announced. The arrangements for the two schools to meet in the capital city were completed this week upon the advice of Utah officials that playing in Boise was satisfactory.

Idaho defeated Utah in Boise in 1932 by a 32-0 score, but fell before the Utahans in Ogden last fall 10-0. The signing of the Boise game completes the Idaho schedule of eight games which is as follows:

Sept. 25—Oregon State at Moscow (homecoming and stadium dedication).
Oct. 2—Washington State at Pullman.
Oct. 9—University of Utah at Salt Lake City.
Oct. 16—Utah State at Boise.
Oct. 23—St. Mary's at San Francisco.
Oct. 30—University of Washington at Seattle.
Nov. 13—Gonzaga university at Moscow.
Nov. 20—University of Montana at Missoula.

Sir Malcolm Campbell Turns to Boat Racing
LONDON (UP)—Sir Malcolm Campbell, who has decided not to make any further attempts to break his world's land speed record of 304 miles an hour, is turning his attention to high speed motorboating, and hopes to test a new craft on Loch Lomond in June.

NEW YORK, April 30 (UP)—Dreams of Col Matt Winn, patriarch of Churchill Downs, for a record Kentucky derby field this year, appeared doomed today when a survey indicated that not more than 180 of the 103 nominees would parade to the post May 8 for the 63rd running of the classic.

Only three weeks ago Winn predicted at least 25 horses in the race. Only 26 horses now working out are considered derby lumber, and when the owners begin dropping names of starters into the box accompanied by a check for \$500 next Friday, several are sure to be eliminated.

SEATTLE, SOLONS MOVE UP NOTCH

Sacramento Ball Club Takes Second Place in Pacific Coast League

(By United Press)
Sacramento and Seattle moved up in Pacific Coast league standings today.

The teams from the state capital climbed into second place with an 8-6 victory yesterday over the tall-end Mission Reds. It was the Solons' third straight win over the Missions.

The Reds showed some signs of improvement, however, for they slammed in five runs in the ninth to spoil an otherwise splendid pitching performance by Sacramento's Henry Pappas.

Seattle Gains
Seattle switched places with Los Angeles and moved into fourth by beating the Angeles last night, 3-2, in an 11-inning battle.

Hal Turpin outpitched Dutch Lieber and Wack Salverson. He gave seven hits.

San Diego lost ground by suffering an 8-4 defeat at the hands of Frisco Bonham and the Oakland Oaks. The defeat cut the Padres' lead over Sacramento to one game. It was Oakland's first win of the series.

Seals Lose
The San Francisco Seals dropped to third with a 7-3 setback at the hands of seventh place Portland. After the second, when the Seals coasted three times, Bill Paschel pitched shutout ball for the 1936 champion, while his mates slammed Flowers, Ballou and Sheehan of the Seals for runs in the fourth, fifth and seventh.

Zu Zim Club Host at Gala Yachting Party

Over a hundred couples participated in the gala annual spring yachting party held last evening at Shadowland by the Zu Zim club, one of the outstanding events on the social calendar for the younger set.

Special guests for the affair were alumni of the club, members of the Red Knight and Sigma Delta Psi clubs and sponsors of the five clubs, Mr. and Mrs. Alvin Casey, Zu Zim; Mr. and Mrs. E. V. Larson, Red Knight; Mr. and Mrs. Bert A. Sweet, Sigma Delta Psi; Mr. and Mrs. R. L. Roberts, Mr. and Mrs. Harry Benoit, Tri-C; Mr. and Mrs. W. I. McFarland and Mr. and Mrs. Orr Chapman, MeT.

Opened by March The dance opened with a grand march led by Dulle Driscoll, president of the host club, and Miss Shirley Smith; Art Trimmer, vice president, and Miss Nellie McBride; Don Harder, secretary, and Miss Anne Perrine; Charles Larsen, president of the Red Knight club, and Miss Gloria Mae West; Jack Hutchings, president of the Sigma Delta Psi club, and Miss Clarice Zable. Music was provided by Chuck Helm and his Continentals.

Feature of the intermission period was a floor show presented by students of Herman Bates and Marie Dunn Heim and following the nautical theme of the party. Numbers were "Convict," song and dance by Glen Boren and Frank Bates; a dance by Mr. Bates and Miss Agnes Davis; "Old Sailor Ideas," including "Anchors Aweigh," Lenore Stewart; "We Saw the Sea," by the sailorettes, Betty Joan Beasley and Nola Jeanne Minchew; "Blue Hawaii," an acrobatic duo, Lenore Stewart; "We Saw the Sea," Benson; "Hey Babe!" by two gobs, Maida Jean Hutchinson and Billy Logan; the finale, "Sailor, Sweethearts," Nadene Carlson, Mary Virginia Benson, Betty Johnson, Mary Lou Gibb, Lenore Stewart and Jo Billy Morehouse. Students of Jo Heim were all costumed in blue and silver sailor uniforms.

Punch girls were Leona Rae Hughes and Melba Holmes and Loreen Fuller. Nautical Theme For the event the hall was gaily trimmed in the keeping with the sea-going theme with a pair of sailor boys and life savers prominent before the orchestra pit. Life savers were suspended over the door and on either side of the Zu Zim shield at the end of the pavilion. Shields of the other clubs were grouped around that of the host club. Purple and white streamers carried out the club colors.

Committees in charge of the party were: Bud Booth and Tom McDevitt, decorations; Bud Booth, program, and Wilton Hovorka, refreshments.

NOVEL REVIEWED AT SESSION OF CLUB Twenty-one members of the Shamrock club were guests of Mrs. Robert Stevens yesterday afternoon. Following the regular business session Mrs. Fannie McGinnis, in charge of the program, presented Mrs. E. M. Sweeley, who reviewed "Gone with the Wind," by Margaret Mitchell.

During the social hour refreshments were served by the hostesses. Guests were Mrs. Sweeley, Mrs. Harold Filmore, Mrs. O. R. Neely, Mrs. Ethel Hempleman and Mrs. Hitt. Mrs. A. Skilman and Mrs. R. Bush will entertain the club in two weeks at the home of the former. A Mother's day program will be given and each member was asked to bring her mother or someone's mother.

COUPLE HONORED ON WEDDING ANNIVERSARY Miss Carrie Leighton and Verne Personette entertained last evening for Mr. and Mrs. Denny Morgan in honor of their wedding anniversary. The honorees were presented with a gift and a wedding cake served as the attraction of the refreshment hour.

Pinochle formed the diversion of the evening with prizes going to Bill Ruppelys, Mrs. Morgan, Jim McCormick, Lynn Knight, and Miss Evelyn Guest.

Other guests were Miss Earline Maddy, Miss Helenita Smith and Mr. and Mrs. Ralph Funke.

Appointments carried out a color scheme of blue and white. Miss Leighton was assisted by her mother, Mrs. Ralph Leighton, in serving refreshments at a late hour.

WEDDING ANNIVERSARY OBSERVED AT GATHERING Mr. and Mrs. Sam Gamble celebrated their 25th wedding anniversary this week at their home with a number of relatives present. A pot luck dinner was served.

Those present were Mr. and Mrs. M. S. Gamble, Mr. and Mrs. A. D. Stafford, Mr. and Mrs. Herbert Glandon, Mr. and Mrs. Ralph Albee, Mr. and Mrs. Kloth Evans, Mrs. Anna Ratcliffe, Mr. and Mrs. Leonard Albee and family, Mr. and Mrs. John Gamble and family, Mr. and Mrs. Ted Scott and family, Mr. and Mrs. Don Stafford and family and Mr. and Mrs. Leonard Billington and family.

SPONSOR FETED AT FAREWELL PARTY Mrs. Len Simpson, sponsor of the Sigma Delta Psi club, was guest of honor at a farewell party arranged Wednesday evening at the home of Marjorie Hansen. Mrs. Simpson is leaving soon to make her home in Salt Lake City.

The group spent the evening at games and at the close of the evening a tray luncheon was served. Members of the club presented Mrs. Simpson with a gift.

Model Ships Hold Student Interest

Classes of Lincoln Boys Hold Three Meets a Week

Eight model ships are being constructed at the Lincoln school by boys from the fourth and fifth grades and one has been completed. It was announced this afternoon by E. D. Breedlove, junior supervisor of recreation.

The model construction project was started this week at the school under Mr. Breedlove's direction and at the present time 12 are enrolled in the class which meets after school three times each week for an hour's session.

Treasurer of the group is Jonnie Dick with George Giklu as secretary. Classes will not be held next week as Mr. Breedlove will attend a vocational training course which will be held in Boise. They will be resumed upon his return.

Bliss C. E. Social Financial Success

BLISS, April 30 (Special)—With \$67.10 net profit, the Christian Endeavor basket social proved a big success Friday evening with a good crowd attending. The evening's program opened with several numbers by the Christian Endeavor band and a one act comedy play entitled "And the Winner Will Be" which kept the audience in a hilarious mood. Those taking part in the play were Burt Hamilton, Orville Miller, Virginia Chapman, Bonnie Colvin, Lewis Post, Lee Butler, Millicent Post and Mary Ellen Chapman.

A clever doll dance was presented with Ona Lanchester, Kathleen Kelley, Daisy Rice and Eloise Graves acting as the dolls.

The evening's entertainment was completed with the auctioning of the boxes with Francis Root acting as auctioneer.

Mrs. Ralph Osborn coached the play and Superintendent E. H. Foster directed the band.

The money taken in is to be used to repair the Bliss Sunday school.

GEN. MACARTHUR MARRIED IN N. Y.

NEW YORK, April 30 (AP)—Gen. Douglas MacArthur, former chief of staff, U. S. army, and military adviser to the Philippine Commonwealth, was married at the municipal building today to Miss Joan Faircloth, of Murfreesboro, Tenn.

Like any other of the couples who through the municipal chapel every day, the famous soldier and his bride stood first before Deputy City Clerk Philip A. Hines. The only two witnesses were Maj. Howard J. Huller and Capt. C. J. Davis of the general's staff.

General MacArthur wore a brown business suit and Miss Faircloth a brown ensemble. They expect to leave within a few days for the west coast and then for Manila May 10 on the President Coolidge.

Mrs. Hoover To Visit Girl Scouts in Boise

BOISE, Idaho, April 30 (AP)—Mrs. Herbert Hoover, former "first lady," will arrive in Boise June 1 to inspect the local contingent of Girl Scouts. It was announced today National headquarters of Girl Scouts informed Mrs. W. D. Whitehead, local supervisor, of the visit.

U. S. Contribution

The strict British labor laws and the ban under which Americans fell as a result of their closeness to abdicated King Edward VIII is keeping at home many entertainers who had expected to cash in on coronation festivities. Officers Approve Boy Scout Awards

Wendell and Gooding Youths Granted Badges

Harold Brevik, Wendell, member of Boy Scout troop No. 75, this afternoon had applications for second and first class Scout rankings approved by area officials in Twin Falls as well as four merit badges. Merit badges which were approved and will be awarded to young Brevik at an early Gooding court of honor included automobiling, farm mechanics, first aid and scholarship.

R. L. Williamson is Scoutmaster of the Wendell troop. Bob Redfern, Gooding, member of Boy Scout troop No. 32, had applications for three merit badges approved by area Scout officials of Twin Falls. Badges approved were for animal industry, chemistry, and first aid to animals.

D. L. Keller is troop scoutmaster.

Filer Classes Have Students' Banquet

FILER, April 30 (Special)—The junior-senior banquet was held Monday evening at the Park hotel in Twin Falls with 65 students attending. The program was in the nature of a carnival and included the following numbers: Ringmaster, Elmer Haag; calliope, sextet; "Here Comes the Band-Wagon," Lois Pond; "Into the Ring," Stanley Ehler, aerial artist, Nan Musser; "Laugh Clown Laugh," Paul Brown; merry-go-round, Opal Barton; freak show, Art Harshbarger.

The banquet tables were decorated with miniature merry-go-rounds and favors were animal crackers in tinny packages.

Following the banquet the prom was held at the Elks' hall with Chuck Helm and his Continentals furnishing the music. The hall was elaborately decorated with crepe paper streamers of varying colors, and confetti and serpentine was sold by two freshman girls dressed in costumes.

Murtaugh Teachers Named For 1937-38

MURTAUGH, April 30 (Special)—Oliver Johnson, school board chairman, has announced the following teachers for the coming year: Ruth Heidel, Castleford, first grade; Leona Peterson, Declo, second grade; Roberta Jordan, Idaho Falls, third and fourth grades; Mildred Cochran, Rupert, fifth grade; Earl Carlson, Murtaugh, sixth grade; Herbert Thorne, Acquia, seventh grade; Clark Kleinopf, Hollister, eighth grade and grade principal.

High school teachers are: Albert V. Corless, Paul; John B. Darling, Montana, Elizabeth R. William, DuBois; Harold Brodhead, Kimberly; Lawrence E. Turner, Dubois, superintendent, and Roy Christofferson, Janitor.

As indicated on a Fahrenheit thermometer the range of temperature is from absolute zero, or minus 450 degrees, to about 12,000 degree, which is the estimated temperature of the sun.

Health Programs Held Here Today

Students Take Active Part in Child Observance

Each of the five grades at the Lincoln school today, presented health programs at various times in observance of National Child Health day which will be observed Saturday.

The fifth grade of the Lincoln gave their program at the Washington school with two Lincoln student rooms housed in that building.

During the past week similar programs have been held in the various city schools. Some were progressing during the week while others were presented this morning and afternoon.

Health posters have been made by students of some schools, including the Lincoln, and poems on health were read by the students and teachers.

PONTIAC

AMERICA'S FINEST LOW PRICED CAR!

"15¢ A DAY"

MORE TO BUY... EASIER ON GAS AND OIL THAN ANY CAR I'VE EVER OWNED

H. R. MILLER, Detroit, Mich.

What's more, MY PONTIAC HAS BEAUTY, PERFORMANCE, COMFORT AND SAFETY that a low-priced car just can't match

Like a wise buyer, this motorist got the real facts about comparative prices. And here they are: based on 18 months term in 168 representative cities the average difference in monthly payments between a Pontiac DeLuxe six 2-door sedan and the same model of the next lower-priced car is only 15 cents a day. Naturally, that small extra sum was paid with pleasure, and the result is more satisfaction than a motor car ever brought before. America's finest low-priced car will suit you better, too. Prove it with a ride.

EXTRA inches of seat width, providing elbow room for all. EXTRA inches of leg room, to let you relax in comfort. EXTRA trunk space for 30% more luggage. EXTRA miles per gallon, to give you peak economy. EXTRA Knee-Action seat as you ride.

WOOL
BOSTON—Business was very slow in the wool market today, the U. S. agriculture department reported.

Quotations on spot domestic wools are being firmly maintained by most house, although occasional odd lots were offered at slight concessions to close out accounts.

The ancients believed that a small artery ran directly to the heart from the fourth finger of the left hand; the custom of placing the wedding ring on that finger grew from this belief.

COVERING BOOSTS PRICE OF WHEAT

CHICAGO, April 30 (UP)—Short covering prompted by strength abroad boosted wheat prices more than a cent a bushel today on the Chicago board of trade in moderate trading.

At the close wheat was 3 1/2 to 3 3/4 cents higher, new corn 1/4 to 1 1/4 cents higher, old corn was 1/4 to 1 cent higher and oats up 1/4 to 1 cent higher.

There were 'small dips from the opening highs but each break brought out speculative buying and prices worked higher.

Local buying, and some short-covering shared responsibility for an upturn in corn prices. Some selling on the bulges depressed the May delivery, but distant months finished steady to fractionally higher for the day.

Other grains shared the stronger tendencies of wheat and corn.

500,000 LESS FORECAST ON WPA ROLLS DURING 1938

HOPKINS EXPECTS APPROBATION OF F. D. R. PROPOSALS

Budget Figures Would Make Room For 1,700,000 on Relief Rolls

By REED S. DUNHAM
WASHINGTON, April 30 (U.P.)—Works Progress Administrator Harry L. Hopkins today planned a 1938 fiscal year program with 500,000 fewer persons on work relief than the average for this fiscal year.

He predicted that states and cities will bear an increasing share of the relief burden.

He said he believed congress will appropriate for work relief that \$1,500,000,000 recommended by President Roosevelt—an amount which would give to an average of about 1,700,000 persons. The average for this fiscal year has been about 2,200,000.

Hopkins Warns

Hopkins warned that an appropriation less than \$1,500,000,000 would work hardship on needy persons, and added his usual assurance: "We don't intend to drop anyone from the rolls who needs relief."

That was interpreted to mean that WPA would go ahead at any pace believed by the administration to be justified, whatever congress may authorize, and rely as in the past on deficiency appropriations or transferred funds. An additional appropriation for the current fiscal year probably will not be necessary, Hopkins said.

Spring Reduction

The spring reduction rate in WPA jobs was set by Hopkins at about 15,000 a week, confirming the private opinions of other WPA officials that the program to reduce the rolls to 1,600,000 by July 1 has been abandoned.

Instead, it appears from Hopkins' remarks, only 150,000 will be dropped between now and July 1, beginning of the 1938 fiscal year. WPA employment then would stand at about 1,325,000 compared to 2,250,000 at work last July 1.

WPA is expected to spend about \$1,900,000,000 this fiscal year.

Maroa Club Hears Address by Guest

MAROA, April 30 (Special)—Members of the Maroa Women's club heard E. R. Bennett, state extension horticulturist, speak on flower culture at their meeting yesterday afternoon at the school house.

Twenty-five members answered roll call with the names of favorite authors and the session opened with group singing of "Juanita." The white elephant was won by Mrs. Ora Creed and Mrs. Jennie Hill. It was announced that the club will hold a Mother's day-guest session in two weeks.

The hostesses, Mrs. Erma Fenwick and Mrs. Lucille Jamerson, served refreshments. Guests were Mrs. Lee Ennis, Mrs. O. C. Johnston, Miss Margaret Hill, district home demonstration agent, and Mr. Bennett.

Officers Re-Elected By Missionary Group

BUHL, April 30 (Special)—All officers were re-elected at a southern Idaho zone rally at the Women's Missionary society of the Church of the Nazarene held at Buhl yesterday afternoon. The following women were chosen to serve again: Mrs. Kate Barnett, Buhl, president; Mrs. J. W. Smith, Twin Falls, secretary; and Mrs. Gan Thompson, Buhl, chairman of program committee.

The Morgan-Chaffee Trio, Seattle, took part in the rally which included representatives from the churches at Jerome, Gooding, Kimberly, Twin Falls, Buhl and Glenns Ferry. According to reports submitted during the rally, progress is being made in all departments of the missionary work.

PLANS MADE FOR CAMPING SESSION

Arrangements For 3rd Girls' Summer Outing Discussed By Guardians

Definite arrangements for the third summer camp session of the Camp Fire girls of the county were made at yesterday's all-day session held at the Baptist bungalow and attended by guardians, assistant guardians, members of the camp committee and other group representatives.

The camp will be held in August at Easley hot springs in the Sawtooth mountains. New crafts are to be offered this year, it was disclosed at the meeting and distinctly different programs are to be arranged for younger and older girls.

The girls attending will be allowed to pick their "Buddies" and the groups will then be intermingled in order that more outside contacts may be made. Negotiations are going forward to secure a trained Camp Fire director recommended by the national organization.

To Name Counselor

Counselors are to be chosen on their qualifications to carry out the program and each town will propose names in proportion to the number of girls to attend the camp. Final selections will be made by the camp committee. Music director will be Miss Eunice Ewer.

Expenses for each of the 150 girls expected to attend the session will be \$5.50, it was stated. Each town is to provide transportation. Registration of girls by the guardians is to be completed by Aug. 1 with the understanding that a full refund will be made for any one who is unable to attend.

Arrangements will be made by the board of sponsors and camp committee to enable any girl who wishes to attend the camp to do so.

Talk Twin

During the luncheon hour a short inspirational talk was presented by Rev. Roy E. Barnett and Mrs. Russell Potter led community singing.

Attending yesterday's meeting were the following: Miss Elizabeth Coffin and Mrs. Hansen, Shoshone; Mrs. Gilbert Smith, Mrs. Norma Crowl, and Mrs. Beem, Filer; Mrs. Martin Miller, and Mrs. H. E. Cully, Castleford; Mrs. Faye Cantion, Mrs. L. H. Van Riper, Mrs. S. C. Orr, and Mrs. E. L. Berry, Buhl; Mrs. J. W. Barr, Mrs. Clyde Urban and Mrs. Anna Bowyer, Kimberly; Mrs. Milton L. Powell, Mrs. C. S. Lee, Mrs. Earl Baughman, Mrs. Morgan, Miss Eunice Ewer, Mrs. Floyd Campbell, Mrs. I. P. Taylor, Mrs. R. L. Reed, Mrs. E. P. Durbin, Miss Esther Requa, Mrs. J. E. Warner, Miss Elizabeth O'Malley, Mrs. Mabel Taylor, Mrs. R. A. Sutcliff, and Mrs. W. A. Van Engelen, Twin Falls. Mrs. Orr and Mrs. Sutcliff are members of the camp committee.

Fingerprint Campaign Aims at 3,000 Pupils

By the time school closes in Twin Falls an estimated 3,000 students of grade, junior and senior high schools will have had their fingerprints taken for identification purposes, it was announced today by Paul Gilman, chairman of the Junior Chamber of Commerce committee which is sponsoring the program.

The program was originally started among adults and headquarters for the work were established at the Chamber of Commerce offices. With temporary completion of that undertaking, during which time scores of townspeople had fingerprints taken, it was then moved into the schools.

School Work Starts

Starting the school project last Wednesday, the four young girls of the National Youth administration are still working among students of the Lincoln grade school.

Records show that approximately 60 students are fingerprinted during the four hours each school day the project is maintained. The NYA girls are Thelma Moss, Lora Hampton, Irma Jean Almsworth, and Emma Jean Almsworth. Two are present from 10 a. m. to 12 noon each school day and the other two from 1 p. m. to 3 p. m. each school day.

It is expected that work at Lincoln school will be completed the latter part of next week. Mr. Gilman said, and after that they will start at the Bickel grade school. Following completion there the junior and senior high school students will be next in line and then students at the Washington grade school will be visited to complete the program.

Permission Asked

Through each student, notes telling the fingerprinting is being done are sent the parents and guardians. They are asked to approve or disapprove the fingerprinting of their children. To date 92 per cent of the parents and guardians have given their permission.

The slip carried home by the students explains that the fingerprints will be filed in the personal identification files of the department of justice in Washington, D. C., and that they will prove of utmost value in case of accidental death, where identification would be difficult, and in case of kidnaping.

For the young students, Mr. Gilman said today, the experience is one which they all seem to enjoy. Very little talking is done by the students, he said, but "a lot of watching."

Gilman was high in his praise for the cooperation given the project both by the parents and by the school teachers, principals and other officials.

OPERA ATTRACTS REPEAT REQUEST

Appreciative Audience Hears Effective Production By L. D. S. Group

Many requests for a second performance of the opera "Martha," which was presented last evening in the L. D. S. recreational hall by members of the Twin Falls stake, have been received by those in charge, it was announced today.

An appreciative and responsive audience found that all characters were adequately portrayed and the singing and dramatic presentations were highly effective last evening as they viewed the only opera produced by an adult group that has been presented in Twin Falls in the past 17 years.

Highly Acclaimed

The solo leads of Martha played by Mrs. Mary Johnson, Buhl, and Lionel taken by Ray H. Hyde, Buhl, were highly acclaimed especially for the songs, "The Last Rose of Summer," "In My Heart," and "May the Lord Forgive Thy Doing."

Talmadge Simmons as Plunket ably put zest and feeling in his solo, "Why Is Old England Queen of the Ocean?" Mrs. Edith Corless, Murtaugh, took the part of Nancy, the lady in waiting to Martha, and did exceptional work.

Comic situations were provided by Jack Thomas as the sheriff and Leland Newy as Sir Tristram.

Other parts were ably handled by Miss Brenna Rappleye, Mrs. Myrtle Rodgers, Bill Lee and Karl Freeman as maids and farmers.

The opera was directed by members of the stake from the various church centers. Mr. and Mrs. C. L. Luke, Filer, had charge of the music; Mrs. Lloyd E. Cook, Twin Falls, did the dramatic directing; Mr. and Mrs. O. Vern Yates, Twin Falls, directed the dancing; Mrs. Archie Wilson supervised the costumes and Miss Maurine Luke, Filer, acted as accompanist.

Dramatic speaking parts were carried by Mary Johnson, Edith Corless, Ray Hyde, Talmadge Simmons, Leland Newy, Jack Thomas, Brenna Rappleye, Myrtle Rogers, Carl Freeman, Bill Lee, Archie Wilson and Karl Ostler.

Chorus Members

Those singing in the chorus were Bill Lee, Brenna Rappleye, Karl Freeman, Jim Holman, Myrtle Rogers, Ila May Dutton, Mrs. Leland Newy, Karl Ostler and Archie Wilson, all of Twin Falls; Bill Clawson, Roland Bates, Roger Bates, Howard Peck, Betty Perkins, Lova Tolman, Inez Tolman, Afton Adamson, June Peck, Ora Egbert and Berthine Stewart, all of Murtaugh; David Phillips, Tony Francis, Eunice Wood, Kenneth Johnson and Ross Johnson, all of Buhl.

Orchestra personnel included the following: Ruth Luke, flute; Eugene Gulick, clarinet; and Bill Luke, saxophone, all of Filer; John Bennett, cornet; Raymond Sudweeks, trombone; Nelda Thomas, oboe; Ida Sudweeks, violin; and Dorothy Staley, violin, all of Kimberly; Mrs. A. G. Erickson and Mrs. A. Jensen, violins, of Twin Falls, and Saldorina Busby and Edward Navin, bass violins, and Harold Conner, cello, members of the Twin Falls high school orchestra, directed by J. T. Bainbridge.
