COMPROMISE LEGISLATIVE PROGRAM PUSHED

Proposed Bickel School, Part of Plan to Relieve Overcrowding

Planned as part of the Twin Falls move to relieve school congestion and to give Twin Falls children adequate facilities, the proposed new Bickel school (above) forms the largest unit in the bond issue program before the taxpayer-voters May 25. Designed by Eurlon E. Morse and associates, the structure would cost \$1,319,410 and would replace the old Bickel building, termed a "serious fire trap."

"Fire Trap" at Old School

Here is the most serious fire menace in the Twin Falls school system as it now exists—the open central stairway at the 20-year-old Bickel building. Authorities declare the open stairway would act as a dangerous fire in case of fire, and would permit flames to sweep upward through the building in a few moments, with the danger of trapping hundreds of youngsters. The new Bickel Building under the proposed school bond issue would replace the present structure and remove the fire hazard.

COMPROMISE SEEN AS STRATEGY TO SAVE COURT PROGRAM

DOZEN SENATORS WILL BE POLLED FOR VOTE PLAN

President Roosevelt Stands Pat Against Relenting; Leaders Weaken

By LYLE C. WILSON
 WASHINGTON, May 20 (AP)—New administration strategy designed to save, probably by compromise, at least part of President Roosevelt's judiciary program today lined up a poll of sentiment of a dozen uncommitted senators.

The poll was expected to reveal whether an administration compromise—likely to be evolved from the substitute court plans of Sen. M. M. Logan, D., Ky.—was advisable in event senate defeat of the original court program.

President Stands Pat
 Although President Roosevelt stood pat against compromise, some congressional leaders admitted privately the fate of the court program hung in the balance as a result of retirement of Justice Willis Van Devanter and the adverse vote of the senate judiciary committee.

Senate Majority Leader Joseph T. Robinson, D., Ark., who has been mentioned as a possible successor to Van Devanter, said he had no statement now.

Refuse to Concede
 Other administration leaders, refusing to concede the court bill was dead, admitted developments may make compromise more likely.

Many of these leaders frankly fear that insistence by Mr. Roosevelt on a showdown fight on his original plan may split party lines so widely as to threaten future Democratic unity.

"They point to the embarrassment which would follow rejection by the overwhelming Democratic senate of the plan proposed by the judicial leader and not significantly that the main fight has developed on purely intra-party lines with Republicans taking a secondary part in opposition."

Nevertheless no indication of compromise has been publicly given by the White House. Congressional leaders have favored a change of front, the only official word from the White House has been no compromise.

Few Votes Short
 Impartial reflections of the uncommitted senators indicated that both sides were a few votes short of victory as far as definitely pledged votes are concerned. Among those not publicly or privately committed, the administration appeared to have an even chance of gathering enough to get at least a tie vote in the senate if the broadbill bill should finally come to a showdown.

Opposition leaders, including Sens. Burton K. Wheeler, D., Mont., and Edward R. Burke, D., Neb., insisted that the original bill for addition of six justices to the court was dead and that they had sufficient strength in the senate to defeat any compromise proposal.

Paul Graduates Hold Baccalaureate Rites

PAUL, May 20 (Special)—Baccalaureate services for the 1937 seniors were held last Sunday morning at the high school auditorium. The room was decorated with a profusion of flowers and draped in the rages colors of blue and gold. Mrs. Walter Bishlager played the procession.

Following the invocation by Bishop Davis Green and musical numbers by the girls' sextet and an instrumental trio, Rev. J. S. Nelson, Burley, gave the baccalaureate sermon, "Challenging Pleasures." The program was completed with numbers by the glee club with the benediction pronounced by Bishop Green.

THEATERS

"Silent Barriers" at Orpheum

All the pulsating drama, and roaring color of America in the rugged pioneering days when a coast to coast railroad was being built against almost insurmountable odds, will come to the screen with the impact of authenticity in the new production, "Silent Barriers," starring Richard Arlen, opening at the Orpheum tomorrow.

Co-Starred

Roscoe Karns and Marjia Hunt are co-starred in "Murder Goes to College," with Lynne Overman, Astrid Allyn, Harvey Stephens and Larry Crabbe, which begins tomorrow at the Idaho theater. The program is completed with "Dick Tracy," No. 4, cartoon and news showing for the last times today at the Idaho theater in "Big Broadway" with Jack Benny, Burns and Allen, Martha Raye, Bob Burns, Ray Millard and Shirley Ross.

Shop Prize Goes To Alfred Hieb

First prize of \$4 for the best shop work done in the junior high school industrial department was awarded yesterday afternoon to Alfred Hieb. The Idaho department stores every year gives prizes in merchandise to the boys who, according to their instructor, do the best work. The other prizes as announced by Earl B. Peck, industrial arts teacher, were: \$3 in merchandise to Kenneth Lathan as second prize. Two boys, Lloyd Hansmann and Joe Bill Robertson were tied for third place and each received a \$2 prize.

Boys receiving honorable mention for the year are Earl Jacobs, Leon Meech, Albert Benoit, Donald Rose and Bob Jones.

STUDENTS GIVEN JUNIOR HI HONOR

Outstanding Pupils of Each Department Got Laurels At Assembly

Recognition was given during junior high school assembly yesterday afternoon not only to those who were entitled to letter awards, but to the outstanding students in each department.

Following the presentation of letter awards by the principal, Mrs. Vera C. O'Leary, and the school secretary, Bobbie Blandford, the assembly program followed the evening plan: Patricia Smith and Helen Bagley each presented a vocal solo and the chorus and opera recitations were read by Joe Bill Robertson; Gene Hill read music festival recognition; Harley B. Smith, music instructor, read recognition of the boys' quartet.

Mrs. O'Leary was presented with a corsage by Betty Jane Nelson as a token of regard expressed by the student body.

Other departments accorded recognition by the reading of the names were: Tens in mathematics, James Powell; Cub News, M. R. Williams; Thurston Hall, Frank M. Thomas; Harry Jans, Hattie McDaniels; Lucille Ball, Harry Tyler and William Demarest. It is distinctly raised by their portraits.

The successful Broadway play, "Once Over Lightly," by George Holland was adapted as "Don't Tell the Wife" for the screen by Nat Perrin. It was produced by Robert Sisk and directed by Christy Cahane.

Buck Jones in "Sandflow," opens at the Roxy tomorrow.

DUKE TO HAVE BLESSING OF CHURCH IN MARRIAGE

RELIGIOUS RITES TO FOLLOW CIVIL FRENCH WEDDING

Anglican Clergyman Will Officiate at One of Ceremonies

MONTE, France, May 20 (Special)—The duke of Windsor and Mrs. Wallis Warfield will have the blessing of the Church of England on their marriage. Herman J. Rogers, spokesman for the duke, revealed today.

Despite the bitter opposition of the archbishop of Canterbury, primate of all England, to the former king's marriage to the divorced American Rogers told the press that there would be a religious as well as a civil ceremony. An Anglican clergyman will officiate, he said.

At Chateau The religious ceremony presumably would follow the civil one, to be performed at the Chateau de Candé on June 3. The early part of the honeymoon, before the royal couple goes to the castle which has been leased at Wasserleonburg, lower Austria, will be spent on a yacht in the Mediterranean, the United Press learned.

Questioned about the Mediterranean cruise, Rogers was evasive and said it was a "possibility" and would enable the honeymooners to enjoy real relaxation.

Will Rehearse Ceremony The duke and Mrs. Warfield will rehearse their marriage ceremony, Rogers indicated, explaining that Meyer Merler is most anxious that the couple understand the ritual which will be in French with responses in French required.

Rogers said the wedding rings would be of gold. He said they were being made in London and sent to the couple from the only gold mine in Wales.

Gifts Arrive Wedding presents began to arrive at the Chateau de Candé today. A room was set aside for them. So far there was none from any member of the royal family. Gifts ranged from expensive silver to the home made offerings of peasants from the countryside.

Acceptances are being received for the wedding June 3, included among the acceptors, it is understood, are the British minister to Austria, Sir Walford Selby and Lady Selby and Hugh Lloyd Thomas, minister in the British embassy at Paris, and his wife.

Murtaugh Seniors Hear Rupert Man

MURTAUGH, May 20 (Special)—The "Measure of Youth" was the topic of the baccalaureate sermon delivered Sunday evening by Rev. George Roseberry, at the school house. The services were attended by a large number. The program was played by John Carlberg, invocation by Loyd Davis and benediction by David G. Moyes. Music included a number by a quartet including Frank Egbert, Grant Bates, James Clawson and Elvin Blackburn; a duet by Mrs. Edith Corless and Miss Inez Tolman; a selection by Chitt Basler, Glenn Basler, Harold Menger and John Irwin and a hymn by the congregation led by Miss Tolman. Scripture was read by David G. Moyes.

"WAS AMAZED AT VAN-TAGE!"

Gas Indigestion; Sluggish Kidneys; Northwestern Lady Feels Fine!

"I never would have believed there was such a medicine!" People over this entire section are saying that about Van-Tage, the Amazing New Medicine which is being sold in large quantities here in Twin Falls. Recently Mrs. A. M. Kenzie, of 501 Third Ave., N. W., Great Falls, Mont., endorsed it.

Mrs. McKenzie: "For a long time I was in perfectly awful condition," says Mrs. McKenzie. "My stomach was terribly upset from gaseous indigestion and my kidneys were very sluggish because my stomach was upset. I suffered agonizing pains and had the benefit of every mouthful of food I ate. I became drooping with all this pain and suffering, and when I heard how Van-Tage was relieving others I decided to try it. I WAS AMAZED at the results and the quickness of the action of Van-Tage. I now feel fine, and can truthfully say it was due entirely to the way Van-Tage helped to cleanse impurities from my system. It has worked wonders for me!"

VAN-TAGE contains 21 Great Herbs and nearly a dozen other splendid ingredients which bring forth gas from stomach and invigorate kidney action so that people say they feel different IN TWENTY-FOUR HOURS! Van-Tage is reasonable in price, so don't hesitate. Get it TODAY at The Schwann-Johnson Drug Store, 110 N. Main St., and Kingberry's Drug Store, 110 Main Ave., So.

LAMB STATUS IS VARIED FOR U. S.

Development of Early Crop Reflects Weather and Feed Conditions

BOISE, May 20. (Special)—Weather and feed conditions in the important early lambing areas during April were rather varied and the development of the early lambs in the different areas reflected these conditions, according to the bureau of agricultural economics.

In California, feed conditions ranged from very good in the south to poor in the central and northern areas; in the Pacific northwest unseasonably low temperatures held back the growth of pastures and ranges despite favorable moisture conditions; in the southeastern states, feed supplies were generally ample and the weather favorable; in Texas feed and weather conditions continued good.

Markings of early lambs from southern California, Arizona and Texas in April were fairly large but shipments from other areas were small. There was also a near record April movement of short yearlings and wethers from Texas. The eastern movement of California lambs to May 1 was only about two-thirds as large as a year earlier, and much the smallest since 1930.

Markings of spring lambs in May and June are expected to be below the average of recent years. The

lamb remaining in California are in poor condition and a considerable proportion will not develop into slaughter lambs. While the January and February lambs in the southern states have developed well, the number of these is relatively small, because of the unusually large proportion of ewes that lambed in March and April.

Shipments from the Pacific northwest and Idaho in May will be small and in June shipments may be below average. In Texas however, the heavy marketing of yearlings and wethers, with a relatively large movement of spring lambs, is expected to continue through May and June. This heavy Texas movement will probably more than offset the decreased supplies from other areas.

Fairfield Seniors Attend Services

FAIRFIELD, May 20 (Special)—Baccalaureate services were held Sunday morning for the 137 members of the graduating class of the high school at the auditorium which was trimmed in the class colors, blue and white. The address was given by Russell DeLoria, president of the Northwest Nazarene college, Nampa. His topic was "Carrying the Ball."

Invocation and benediction were by Bishop Pond. The orchestra played the program and a song was presented by Ruth Carman, Clara Rae Jones, Ellen McCarter and Gayle Neely.

VAN SWERINGENS CHOSE ODD ART

Famed Millionaire Brothers Had Dickens Room in Huge Mansion

CLEVELAND (UP)—The eccentric tastes of two "old-school" millionaires, the Van Sweringens brothers, were brought to light in the inventory of their personal estate. Probate court clerks said it was the oddest document in civil court files.

The list of furnishings in the Van Sweringens' 40-room mansion in Shiloh valley, a suburb, read like the inventory of a museum. Hundreds of gewgaws and bric-a-brac, the most trifles, appeared to be more highly prized by the brothers than their millions and their railroads.

Dickens Room.

The library room, named the Dickens room, ran to history and antique editions by authors both famed and obscure. For no obvious reason, this library contained such items as "Love Letters of Blumhardt," "Madame Bovary," "Divine and Spiritual Songs (1800)" side by side. Also included were volumes of almost every historical work on American railroads, such as "Life of E. H. Harriman," and "The Art of Making Money Plainly."

On the walls of the home were hung seven paintings depicting the "Battle of Lake Erie," and 11 likenesses of George Washington.

In the list were two pipe organs, a table tennis table, a player-piano and a leather backgammon set.

A life-sized electrical clown—origin, use and value unknown—sat on a stool in the cedar room above the basement swimming pool, and there were stone images of various animals.

Altogether there were some 8000 items listed ranging in variety from an elephant's foot umbrella stand to "The Treatise of Agitations of Food and Culinary Poisons."

Besides the thousands of knick-knacks, the Van Sweringens' list included many securities and much valuable property.

POPPLES TO BE SOLD.

HAGERMAN, May 20 (Special)—Popples for remembrance for the World War dead will be distributed throughout Hagerman on Saturday, May 20, by a large corps of women and girls who have volunteered to give their services for the day. The auxiliary workers hope to give everyone an opportunity to wear a poppy in honor of the war dead and make a contribution for the welfare of the disabled veterans and the needy families of veterans.

VIOLIN MAKERS WOO LADY LUCK

Indiana Men Work at Making of Instruments as a Hobby

VINCENNES, Ind. (UP)—Disputing a popular fancy that age alone makes a first-class violin, Sam and Charlie Hatton, who pursue the manufacture of musical instruments as a hobby, explain superior instruments are the result of fine material and workmanship and "are often a matter of luck."

The elderly Hatton brothers, have engaged in making musical instruments of unusual design and pattern for many years in their little shop here.

Among the instruments turned out by the brothers is a violin, the front and side of which are composed of 750 pieces of linn and

black walnut, inlaid in an attractive and intricate pattern.

Luck Plays Part

"Superior instruments, especially violins, are often the result of luck," both have decided after many years of tinkering with the delicate articles. They asserted.

"At the best, a violin is as temperamental as the weather. Some are of good tone on three strings and in one or more positions, and may be decidedly inferior in other respects."

"Generally however, good violins are obtained through superior workmanship and material. An inferior violin is none the better for age."

"The brothers have shared many interesting experiences as result of their hobby."

Old Violins Pentiful

"There are many old violins about Vincennes," Sam said. "Some

of them have been in the same family for more than 100 years.

"I once repaired a violin for a fellow who later refused to pay for the work. 'Will the violin cover the bill,' he asked. I told him that it would. 'Then keep it,' he said. I later sold that instrument for \$192."

"Recently I repaired a violin for which the customer said he had paid \$1. The instrument was easily worth \$300."

"Persons often come to us with models of Stradivarius, Amati and Stainer violins, which they think are the originals. In most cases it is useless to tell them that the label has been faked and in all probability the instrument was sold for about \$2.50 wholesale."

The first Christmas seals in America were designed by Emily P. Bissell in 1907, and first sales netted \$3000.

My way to make good with you on a big thing like oil mileage—and saving your car—is to Oil-Plate your engine. That's why I've got Conoco Germ Processed oil here for you. It's patented... the only oil that can Oil-Plate your engine. Every cylinder, bearing and shaft acts sort of like a magnet, hanging on for good to a regular sheet or Plating of Germ Processed oil. You'd say the lubrication is really "all in one piece" with every working part. Then there can't be a chance of your engine even making one revolution without any oil. And shooting along on the hottest day, Oil-Plating doesn't thin down to nothing or get all burned away. You will know this from the indicator staying near "cool," and the oil level hardly changing. A long time from now your Oil-Plated engine will still be smooth and economical, and you will still be one of my customers for Conoco Germ Processed oil.

FINES AND SUSPENSIONS LOOM FOR RIOTERS

Cards and Giants Engage in Battle Royal as Hubbell Wins

Dizzy Dean, Outpitched, Attempts to Use 'Bean Ball' on New York Batters

NEW YORK, May 20 (UP)—President Ford C. Frick of the National League today fined Jerome "Dizzy" Dean, St. Louis Cardinal pitcher and Jimmy Ripple, New York Giants' outfielder, \$50 each for their part in yesterday's fight during the Giants-Cardinals game.

By GEORGE KIRKBY
NEW YORK, May 20 (UP)—Fines and suspensions for the players who engaged in the Giant-Cardinal ninth inning riot at Sportsman's park, St. Louis, were scheduled for today by Ford Frick, National league president.

"I won't take any action until I receive the complete reports of the umpires who handled the game," Frick said. "I expect them by noon. I talked to Umpires Barr and Stark and Managers Frisch and Terry on the long distance phone last night and it's hard to find out just exactly what happened because it came so suddenly and so many players were involved."

Outstanding Facts
 Out of the battle, in which almost every player of both teams was swinging, these facts stood out:
 1. Carl Hubbell won his third straight game and was named man of the park during the strife. He stayed out of the fighting and tended strictly to his pitching chores.
 2. Dizzy Dean was soundly outpitched by Hubbell and lost control of himself when a balk was called on him.
 3. Dean obviously was throwing his "high, hard one" at the Giants' heads.
 4. The usually docile Giants proved as tough as the Gas House gang, giving punch for punch and carrying off a moral victory by outgaming the Cards.

Giants Win
 The Giants won the ball game 4-1, before 22,694 persons. Hubbell breezed on to his sixth straight triumph this season, and his 22nd since his last defeat July 12, 1936. Hubbell permitted only six hits, walked none and fanned seven. Joe Medwick's homer in the second was the only run scored off Dean. Dean was nipped for seven hits, walked two, hit another and fanned five.

The battling was the result of a balk decision called by Umpire George Barr on Dean in the fifth when the Cards led, 1-0. Whitehead Brogdon went to second off a sacrifice. Bartell fielded left by Barr. Bartell that Dean failed to come to the necessary stop in his pitching motion after looking at the runner on second. Bartell came back and batted again. This time he lined to Pepper Martin, who dropped the ball. Whitehead scoring the tying run.

Dean tossed his glove in the air when the umpire called the balk. He gave every indication of wanting to quit the game. Then with the second and 1-1 situation, Ripple and Joe Moore scored two more runs. The Giants added another in the ninth after the rolling stop.

After the fifth inning Dean started throwing at the Giants' heads. They were going up and down like duck pins. Finally Ripple bunched down the first base line, but second baseman Frank fielded the ball. Mike covering first, Dean got in the play anyway, and Ripple mis-acted in a head-on collision with Ripple. In a second Dean and Ripple were swinging.

Fists Swing
 The players of both teams raced to the scene and soon at least half a dozen fights were in progress. Chicago swung at Dean, but players say his left hook clipped Don Ostridge. Gus Mancuso and Mickey Owen were banished. Police helped the umpire locate in the line and secured the Giants off the field after the game.

In the other National league games the Chicago Cubs won from Brooklyn, 3-1; the Phillies stopped the fast-slipping Pirates, 5-4; and the Boston Bees won a night game from Cincinnati, 3-1.

Tommy Bridges held the Athletics to five hits in pitching Detroit to a 2-0 victory over Philadelphia. Cleveland Walker hit in his 23rd straight game. Hank Greenberg hit two doubles, driving in three runs, in the only other American league game Washington no-hit the St. Louis Browns, 9-8. Ben Chapman and Al Simmons each made four hits in five times at bat. The Senators laid down an 18-hit attack.

Mac Has Tough Day Reading Letters, Viewing Two-Handed Tennis Players

By HENRY McEMORE
 NEW YORK, May 20 (UP)—My brain, which is so underused as a fisherman would throw it back, will not stand another such day as I had yesterday. The setting sun found it doing a steady sawtooth, and those nearest and dearest to me feared I would be taken away and made a ward of the state, and my name changed to Henry T. New York.

When I read this and knew someone was crazy, and that it was either the Garden, or Mike Jacobs, who is promoting Brad- dock and Joe Louis in Chicago, or myself. I called the Garden and a spokesman said everything was sane over there. I called Jacobs and he said he had all his buttons. I didn't call myself for fear I would get myself, but opened another letter.

A few lines of it and my mind broke into a Virginia reel. Because this letter informed me that Enzo Fiermonte had purchased Brad- dock's automobile and would race in the second annual Vanderbilt cup race at Roosevelt speedway from July 3 to 1937. You must remember, is the prizefighter with a soft smile and a chin to go to Forest Hills, and a lady named Mrs. Madeline Astor Dick and become the stepfather of John Jacob Astor, Jr. I couldn't believe it, but I thought that I could Schelling's belief that he is actually going to fight. Automobile racing is dangerous, and I have seen Fier- monte in the ring and know that he doesn't like danger, with or without mustard, on white, eye and nose.

Two members of the Australian Davis cup team playing as I had never seen tennis players play before. One of the gentlemen named McGrath, held his racket in both hands like a baseball bat for the other backhand shots. The other was John Bromwich, swung with both hands on the forehand side, and on backward shots.

Two home runs featured the Wiley-Chief game, Johnny Welsh slugging the ball over the far-way left field fence for one round-tripper, while Curt Floyd made a homer inside the park.

FOREST LEADER TO BE SPEAKER

R. H. Rutledge to Talk at Southern Idaho Meeting in Shoshone

SHOSHONE, Idaho, May 20 (Special)—The Frontier club organized by leading sportsmen of Idaho at a convales in Haley May 9, will hold its first annual meeting and election of officers Monday, May 24, in Shoshone at 8 p. m. R. H. Rutledge, regional forester of Ogden, Utah, has accepted the club's invitation to deliver the key address at this gathering, according to an announcement made by Ed M. Worland, president.

Two hundred fifty operations for the Monday affair have already reached the club's headquarters, to rapidly increase when the group in the last ten days from the original group of 20 organizers.

Dutch Supper concluded with a Dutch supper for all attendees. Arrangements are being handled by the executive committee consisting of E. W. Worley, Boise; Fred Reed, Jerome; Emmett Kelley, Shoshone; John Baumgardner, Shoshone; and Harry Barry, Buhl.

The purpose of the Frontier club is to preserve the remaining wilderness on its wild life in Idaho to its present natural frontier state. R. H. Rutledge, the head of the U. S. forest service for the entire Ogden district was invited to speak because he is undoubtedly the northwest's most outstanding authority on its wilderness terrain. In addition to his knowledge of fish, game, forest and natural conditions within the back country, he is exceptionally well informed on the economic values of such areas, both as industrial and recreational.

Board of Directors
 The Frontier club is a regional organization, governed by a board of directors elected from each district represented in the membership body. Headquarters of the club have been established at Shoshone. The board consists of the following members: R. H. Rutledge, Chairman; J. O. Smith, Secretary; C. W. Taylor, Treasurer; E. M. Worland, Editor; J. O. Smith, Secretary.

At this meeting, also, Neil Snyder of Haley was named chairman of the fish committee. The first project to receive this committee's attention will be the Hayapur hatchery, near Osnath.

Even though the by-laws of the Frontier club provide that no members may come into the body except by invitation, and each application must be sponsored by a member in good standing, the movement has spread rapidly. There is a pronounced feeling on the part of sportsmen of south central Idaho that effective, coordinated effort is needed in fish, game and outdoor activities, and that the Frontier club provides the practical means of exercising this effort.

Reservations for next Monday's meeting have come in from Twin Falls, Burley, Rupert, Blaine, Glenn, Perry, Hazelton, Wendell, Jerome, Gooding, Arco, Bellevue, Oronogo, Selmon, Oly, Halley, Ketchum, Payson, Blaine, Challis, Richfield and Shoshone.

Buhl Team Wins Over Consolidated Freight
 BULL, May 20 (Special)—The Buhl Spuds and Sprouts softball team won over Consolidated Freight of Twin Falls in a fast game today here last night by the score of 4-2.

Both teams played "air-light" defense, but the Spuds had more power. The game was tied 1-1 after the fourth, spelled ruin for the invaders.

Twin Falls' Ben Buhl's heavy-hitting ball came to right hit, while Twin Falls collected only six off the offerings of Henning.

The score by innings:
 Con. Freight 001 010 0-2 6 8
 Spuds & Sprouts 210 100-8 8 1
 Adams and Kramer, Henning and My.

Mrs. Moody, Back Hurt, Withdraws From Meet
 HENNING, Calif., May 20 (UP)—Mrs. H. M. Moody, one of the outstanding women tennis players of the California tennis tournament today because of the back ailment that has interfered for many years with her career.

She withdrew from a defense of the state mixed doubles championship, which she had just won, but she did not plan to retire from the game she once ruled as queen. The first may last several weeks.

The same journey, four years ago, caused Mrs. Moody to default to Helen Jacobs in the national championships at Forest Hills.

Leviston Team Sets Record—But Doesn't Tell World About It

Record—But Doesn't Tell World About It

LEVISTON, Idaho, May 20 (UP)—The Leviston Indians of the Western International Baseball league have established a world's record but they aren't doing any boasting about it. The record was that of losing 21 successive games. They are the only title-holding losers were held by the Philadelphia and Boston major league teams. Each lost 20 consecutive games.

U. S. NET STARS FIGHT FOR BERTHS

Grant and Parker Battle For No. 2 Spot on Davis Cup Squad

FOREST HILLS, N. Y., May 20 (UP)—The battle between Bryan Grant of Atlanta and Frankie Parker of Springfield, N. Y., for the No. 2 singles berth on the U. S. Davis cup team begins today on the courts of the West Side Tennis club. Both were named with Don Budge and Gene Mako of California to carry Uncle Sam's banner into the North American zone finals against Australia over the Decoration day week-end. Budge was a certain choice for the No. 1 singles spot.

Budge and Mako were just as sure to pair in the doubles. A week of practice remains before non-playing Capt. Walter Pate is required to name the actual playing members of the team.

For Grant and Parker, everything depends upon how they look during the week. Grant is favored at the moment because of his international match experience. Parker, however, is playing the best tennis of his career and a whirlwind of trials in training may earn the coveted berth for him.

Clifford Sproule, manager of the Australian team, named the four players he has in this country—Jack Crawford, Adrian Quist, John Bromwich and Vician McGrath. Quist recently has lost his 1-1 singles place clinched and he probably will team with Crawford in the doubles.

CHAMP TURNS TO HEAVY PUNCHING

Braddock Will Be "Killer" in Ring With Joe Louis, Gould Predicts

GRAND BEACH, Mich., May 20 (UP)—They're going to make Jim Braddock into a killer for his heavy-weight title bout with Joe Louis June 22.

His manager, Joe Gould, insisted the fight will end in a knockout with Jim the victor. Braddock, himself, talked about ending it quickly and set out to prove it to the crowd at the formal opening of his training camp by working over two sparring partners.

He was scheduled to box at least six rounds in his first public drill. In heavy training for the first time since his defeat with Max Baer for the championship in 1935, Braddock was frisky yesterday.

It took him less than a round to take the backside out of young Henry Cooper of Brooklyn and twice Braddock sent him wobbling into the ropes. Bill Irbry of Butts, Ala., worked two easy rounds with Braddock as he ended his day.

Buhl Relief Society Arrange Luncheon

BUHL, May 20 (Special)—The Relief Society of the L. D. S. church held an "afternoon luncheon" at the church parlors Tuesday. The hall was beautiful with lilacs, this and other spring flowers and each quarter table held a bud vase of tulips. Covers were laid for 100.

Mrs. J. C. Vetter arranged for and announced the following program: Community singing led by Mrs. Pearl Altenbach, address of welcome by Mrs. Charles Stallings, president of the Buhl Relief society; prayer by Mrs. Breen; Mrs. Mary Johnson and Mrs. Maude Hutchinson, duet; Miss Florin Hunt, accordion solo; reading by Barbara Prichard; duet by Mrs. Orpha Peterson and Mrs. William Peterson; Mrs. Pearl Altenbach, violin solo; Helen Watkins; reading by Mrs. Roy Wood; and a question and answer session.

Mrs. Kirkman, president of the Twin Falls stake Relief society; vocal trio by Mrs. Harry Johnson, Mrs. Maude Hutchinson and Mrs. Viola Carlson.

The concluding number on the program was an old-fashioned reading by Mrs. Opelia Cox.

Speaker Addresses Fairview Graduates

FAIRVIEW, May 20 (Special)—Supt. M. M. Van Patten of Buhl was speaker at graduation exercises held Tuesday at the school for members of the eighth grade Fairview. Mrs. Dial and Mrs. Hobson, the teachers, presented the graduates with class pins and each wore a corsage of yellow rosebuds.

The following program was presented: Mixed quartet number by Wood Allen, Barbara Gibb, Edith Jones and Vern Baragar; salutatory, Katherine Brooks; vocal solo, Marie Ford; valedictory, Ruth Lett; class will by Dale King; class prophecy, Emerson Adams; reading, Mary Adams; class history, Earl Wagner; address, Mr. M. M. Van Patten; presentation of diplomas to Ruth Lett, Dale King, Mary Adams, Katherine Brooks, Emerson Adams and Earl Wagner; by Emil Hahn, chairman of the school board, and a song by the class.

Following the exercises a basket dinner was enjoyed by parents and pupils and a ball game in the afternoon concluded the school activities for this year. Mr. and Mrs. Bernard Albertson are to be the teachers at the school next year.

FAIRVIEW

Willowdale school closed last Friday with the presentation of the report cards. A last day school picnic at the school was held Thursday.

Fairview Grange has been postponed a week on account of commencement exercises in Buhl. The meeting will be on May 28.

The Fred Carson suffered quite a late Friday when fire started in their hay stack, spread to the barn and potato cellar. The Buhl fire department was called and saved the hay and potatoes. The hay and potatoes were stored in the cellar and about 40 tons of hay were in the stack.

On Tuesday evening of this week Mrs. Roy Wood presented a pageant of her own composition, at Twin Falls.

The eighth grade graduates of the school this year are Pauline Stokesberry, Arlene Bodenbaugh, Edith May McNeely, Norma Green, Annie Lou Radeels, Merle Parker and Dolores Martin.

Mr. and Mrs. Day of Burley have been hired to teach the school next year. Mrs. Parker and Mrs. Gertrude Ring, teachers this year, have not announced their plans for next year.

There's two sides to a TRAFFIC SIGN!

Buick believes in Both!

SPEND five minutes behind the wheel of a Buick and you'll know why we stress this great car's phenomenal ability to get up and go.

There's no more thrilling traveler anywhere on the American highway, but that doesn't mean the whole story of Buick is told in its power.

We've matched the ablest straight-eight engine in the world—the Buick valve-in-head straight-eight engine—with top hydraulic brakes that are soft as velvet in their action and certain-sure.

We've given this staunch car a backbone that's like a feel of steel—there's a close-to-earth feel to it that spells safety in any man's language.

You ride in a body that puts steel all around you—steel roof, steel panels, steel doors, steel floor—all welded into one stout unit of beautiful protection.
