CHINESE PLANES

Their General, Too, Died at Dawn

Multiple death raked the Nanyuan Road in North China when a hidden Japanese machine gun sprayed into eternity, an entire truckload of Chinese troops attempting to escort their safety.

SPANISH LOYALS NEAR SARAGOSSA

Largest Government Attack Of War Smashes Through Insurgent Lines

HERNANDEZ, Franco-Spanish Front, Aug. 30 (U.P.)—Loyalist troops, waging the largest government offensive of the war, smashed through nationalist defense lines today and were within striking distance of Saragossa, backbone of the insurgent eastern front.

Government reports to the front said loyalists made steady progress toward Saragossa on three sides, despite the arrival of nationalist reinforcements and a vicious counter attack.

Fighting raged along the Aragon front while loyalist planes bombed Saragossa's front line fortifications and airdrome.

Attack Broken
The nationalists reported that the force of the loyalist offensive had been broken and that government losses in the past five days at "from 15,000 to 20,000."

The loyalists have thrown 20,000 troops into action on the Aragon front in an effort to cut off Franco's intended drive to the sea aimed at cutting off Valencia from Barcelona and preventing a final assault on Madrid. Franco has been reported planning this drive before winter rains in so that he can besiege Madrid while it is cut off from its chief source of supplies.

Active in North
On the Santander front in the north the nationalists pushed west and were reported within 12 miles of the border of Asturias province, last, loyalist stronghold in the northwest. They encountered some government resistance but were said to be beating off all attacks without serious losses.

In Madrid the government repulsed a new loyalist offensive in Andalusia province in southwestern Spain, occupying many villages. A communiqué said the insurgents suffered "important losses" because they had not expected the government drive.

License Plate Work Asked for Prisoners

BOULDER, Colo., Aug. 30 (U.P.)—Mrs. H. M. Maters, Idaho secretary of state, said today she thought the state should manufacture its own license plates with convict labor.

Speaking after visiting the Utah state penitentiary, Maters said she thought the state could eventually save money and give its convicts something to do if such a procedure were adopted.

He said a machine to punch the plates would cost about \$20,000 but would employ 80 men on a two-shift basis.

The state at present pays approximately \$1000 for a year's license plate contract.

Purge of Communist Youth Party Ordered

MOONSOON, Aug. 30 (U.P.)—A purge of the Communist Youth society was ordered today after discovery of a "band of Trotskyists and Bukharinists" among its members and leaders.

Buhl Canyon Slip Duplicating Earlier Drop, Geologist Says

What is happening at the present time in the area comprising the nationally famous "sinking canyon" near Buhl is an exact duplication of a similar occurrence in pre-historic times.

This is the opinion of Dr. F. B. Laney, professor of geology at the University of Idaho, who today completed a study of the area both from the rim adjoining the ranch of H. A. Robertson, the McFarlin ranch and also the canyon floor.

There is still some movement in the bottom of the old Salmon river canyon, Dr. Laney pointed out, although it is not as extensive as it

has been during the past several weeks.

"It is fairly quiet down there now," Dr. Laney said, "much like a man who has been running hard and then sits down to rest. No one but the man knows whether he will get up and run again and in this case the man is the canyon so all we can do is wait and see."

Ample Evidence
"However, there is ample evidence down there of a great amount of movement. And, as I have said before, there is also ample evidence that the same thing happened in pre-historic times and that the entire canyon floor in that section was once a level plain, much like the surrounding ground at the present time," Dr. Laney said.

Dr. Laney pointed out that one line of "important slippage" runs from 20 to 25 degrees magnetic east

of north while another runs 25 to 35 degrees magnetic west of north.

"When I speak of slippage," Dr. Laney said, "I do not mean any specific kind such as a landslide. I speak of a slip as any kind of movement without any reference to the cause of it. Such a slip might move at any angle or straight down."

He also pointed out the entire area is nothing "uncommon," Dr. Laney said, in his opinion, it was "unusual."

"What is happening at Buhl is unique so far as I am concerned," he said, "and presents much material for study."

Further investigation on the east rim of the canyon (that part of

Oddities

HORSES

SHERIDAN, Wyo., Aug. 30 (U.P.)—An epidemic of sleeping sickness among Wyoming horses has caused abandonment of races planned here Thursday, Dr. H. D. Port, state veterinarian, suggested that the meeting be called off, racing fans speculated as to whether some of their betting clinics had not been afflicted with the malady lately.

PUNCH

DENVER, Aug. 30 (U.P.)—Thomas L. Ryan, aspiring young pugilist was in a serious condition from loss of blood today after striking his fist through a plate glass window. He told police that he had been shadow boxing and had "merely thrown a wild punch."

FLIGHT

SAN FRANCISCO, Aug. 30 (U.P.)—The automobile of Allen Olive McDonald, "look off" in airplane fashion when it struck a high curbing, hurling a hundred feet through the air. The car skidded off top of two trees in Golden Gate park before gravely quickly brought it to rest, with Mrs. McDonald sustaining fractures of both arms and legs.

BEANS

KANSAS CITY, Mo., Aug. 30 (U.P.)—Baked beans, a little less were served today at a three-truck fire alarm. Mrs. E. T. Matthey put the pot on a stove in the basement and left the house momentarily. When she returned she found that neighbors had called fire apparatus to investigate smoke pouring from basement windows. The Matthey's dined in a restaurant.

Texas Dock Workers Call Sitdown Strike

HOUSTON, Tex., Aug. 30 (U.P.)—The National Maritime union called a sitdown strike on every cargo ship in port today in protest against arrival of a freighter manned by agents of the new maritime division of the International Longshoremen's association.

EX-OFFICER HELD FOR SON'S DEATH

Conflicting Stories Related
In Shooting Accident;
Says Father

BERKELEY, Calif., Aug. 30 (U.P.)—Donald William Page, 53, a retired army captain, was held by police today for questioning in connection with the fatal shooting of his son, Donald Edmund Page, 16, high school student, in his home late yesterday.

The former army officer told police, they said, that his son was shot in the abdomen accidentally when he was showing him the mechanism of a .45 caliber army automatic.

Police said, however, that conflicting stories were told concerning the shooting and that the boy, while on duty to the hospital here in the car, said he had quarreled with his father because Page gave a medal, originally belonging to his mother, to some children.

Invalid Woman Dies Professing Love for Dog that Mangled Her

OAKLAND, Calif., Aug. 30 (U.P.)—Mrs. Charlotte Parker, 65-year-old invalid, died in a hospital still professing her love for the pet chow dog which had mangled her.

An amputation of her right arm failed to save the elderly spinster, who had lived alone with her two pets, the chow and a bull dog.

The attack came as she had prepared to take the two dogs for a walk. Mrs. Parker told police who came to her rescue, that she had lived alone in the home in a friendly tone, and could give no reason for the action of the chow. The police

Barrymore Yacht On Auction Block

HOLLYWOOD, Aug. 30 (U.P.)—The bankruptcy auctioneer is going to sell John Barrymore's yacht Infanta, on which he wonced earlier.

The trim little vessel is appraised at \$25,000 but it is thought to fetch a \$45,000 mortgage. Barrymore asked federal court last February for an extension of time to meet his obligations. Infanta, he authorized the sale of Infanta.

The auction will be next Friday morning, in Hollywood. Barrymore's wife, Dolores Costello Barrymore, and subsequently to marry the New York co-ed.

HIGH CARDINAL DIES

ROME, Aug. 30 (U.P.)—Cardinal Albini, 81-year-old cardinal, died of pneumonia after a long illness. He was a member of the Italian parliament and had been a member of the Italian parliament.

The pope was informed at once and said prayer in his private chapel for the repose of the cardinal's soul.

PRODUCERS SEE CHANGE OF SPUD PLAN APPROVAL

Proposal For Shift in No. 2
Grade Believed Focus of
Acceptance

A "chance" for the approval of a marketing agreement for Idaho potatoes was seen by Twin Falls district producers today after E. N. Pettigrove, Hansen grower, suggested that the minimum standard for No. 2 grade be raised to two inches in diameter, then the No. 2s be included in the "eligible" list for shipment in interstate commerce.

More than 200 producers and handlers attended the hearing called by department of agriculture officials here Saturday, beginning at 9:30 o'clock in the morning and continuing until almost 6 o'clock in the afternoon, with an hour out for lunch. They took up the proposed marketing agreement item by item and discussed it thoroughly.

Focus Point

Unless Mr. Pettigrove's suggestion is met, however, there appeared to be little likelihood that Idaho producers would warm up to the agreement at all. Another definite stipulation by the local growers was that all other large producing sections be included in the agreement also.

Because the estimated production of 400,000 bushels of potatoes is some 75,000 bushels greater than the "estimated demand," this year, growers realize the danger of prices for their products, and called on the department of agriculture for some kind of help. The proposed agreement is the result of a

"If we raise the minimum for No. 2 potatoes to two inches, or even to 1 1/2 inches, we will have a surplus of potatoes," said Mr. Pettigrove, "that will grade out of the market, and still allow us to ship a large percentage of our No. 2s, which represent about half the total crop in this state."

"We do not feel that this would give us an unfair advantage over other sections, because frequently our No. 2s are larger than the No. 1s, and, incidentally, they are more numerous," he said.

TROPICAL STORM LASHES FLORIDA

Wind Velocity of 50 Miles
An Hour Reported Off
Daytona Beach

MIAMI, Fla., Aug. 30 (U.P.)—A tropical storm swung inland from the Atlantic coast today, lashing the Florida coastline with winds as high as 50 miles an hour and sending small craft scurrying to shelter.

The center of the storm passed over Ormond Beach, Fla., at midnight, the federal hurricane warning system reported, and was believed to have moved inland at that point.

Damage appeared to be relatively slight. A few houses were damaged at Daytona Beach and New Smyrna. Residents of the area had been advised of the storm's approach in advance, and had been urged to prepare for the blow. No injuries were reported.

The temporary White House headquarters announced yesterday that the President had signed 16 measures and vetoed 20. Most important of these was a bill authorizing \$24,777,000 to build a flood wall to protect the city of New Orleans from the Gulf of Mexico.

The bill authorized \$24,777,000 to build a flood wall to protect the city of New Orleans from the Gulf of Mexico.

IDAHO'S DOCTORS OPEN GATHERING

BOISE, Idaho, Aug. 30 (U.P.)—The Idaho State Medical association opened a four-day conference here today by listening to an address by Dr. H. E. Robertson, pathology professor at the University of Minnesota.

Other doctors who spoke today were Dr. J. H. Beck of the University of Minnesota, and Dr. W. P. Baker, professor of obstetrics at the University of Minnesota.

Mispronounced These Look Easy But They Top the List

WASHINGTON, Aug. 30 (U.P.)—The office of education today helped compile the following list of the dozen most often mispronounced words in the order of their frequency of use.

1. On.
2. Again.
3. Toward.
4. Interesting.
5. Accept.
6. Address.
7. Preferable.
8. Drowned.
9. Perform.
10. Automobile.
11. Attacked.
12. Perished.

SENATOR CHARTS WAR AVOIDANCE

Four-Point Peace Program
Introduced at Veterans'
Meeting

BUFFALO, N. Y., Aug. 30 (U.P.)—Sen. Arthur H. Vandenberg, Michigan Republican, today outlined a four-point program designed to keep this country out of foreign wars and called upon all Americans to unite in law enforcement to safeguard "against war from within."

In a keynote address before 4,500 delegates to the annual convention of the Veterans of Foreign Wars, Vandenberg emphasized importance of the convention slogan "peace for America" but said the first objective is to secure domestic peace.

"According to information I have received," he said, "the unfortunate accident was due to a mistake on the part of a German airplane pilot."

"He mistook the Hoover for an enemy transport."

"Avoiding all entangling alliances, direct or indirect, which would tie us morally or otherwise to foreign destinies and rob us of any degree of our completely independent right to decide which for ourselves, when, where and how, if ever, we shall go to war."

"Neutrality which means what it says when other nations are at war."

"Legislation now which takes the profit out of any future war."

INDIAN SCHOOL'S BILL IS VETOED

President Says Number to Be
Benefited by Institution
In Idaho Not Enough

HYDIE PARK, N. Y., Aug. 30 (U.P.)—President Roosevelt turned his attention today to additional letters he had signed in the closing days of Congress after a brief holiday of relaxation in his ancestral country.

The temporary White House headquarters announced yesterday that the President had signed 16 measures and vetoed 20. Most important of these was a bill authorizing \$24,777,000 to build a flood wall to protect the city of New Orleans from the Gulf of Mexico.

The bill authorized \$24,777,000 to build a flood wall to protect the city of New Orleans from the Gulf of Mexico.

BEERY EXTORTION SUSPECT HUNTED

HOLLYWOOD, Aug. 30 (U.P.)—Federal agents today hunted an extortionist who threatened to kidnap the six-year-old daughter of the actor Wallace Beery unless \$10,000 was paid.

Private guards patrolled the Beery home, Beery, who has not been home since postal inspectors intercepted the letter last Thursday, remained over the week-end at Kanab, Utah, where he is making a picture.

"I've left everything in the hands of the G-men," he said. "I feel confident that they can take care of it."

Frequently he called his wife by telephone to reassure himself that everything was well at home.

The child, Carol Ann, remained at home with Mrs. Beery, the servants and guards. The investigation was handled by postal inspectors and department of justice agents. Local police were not notified officially.

Japanese Await Hour of Attack

Shells Menace Foreigners in International Sector of City

By H. B. EKLIN
(Copyright, 1937, United Press)

SHANGHAI, Aug. 30 (U.P.)—Four Chinese airplanes bombed the crack American liner President Hoover today off the Shanghai coast.

Seven crew members of the Dollar line flagship were wounded, two seriously, the liner reported, and at least three passengers were stunned by the concussion of the bombs.

So gravely was the incident regarded that Admiral Harry E. Yarnell, American fleet commander, at once cancelled all navy shore leave.

It was established definitely that the planes were Chinese ones, seeking to sink a Japanese troop transport.

About the same time Chinese and Japanese warships and land guns began exchanging a terrible bombardment in Shanghai and on the river. Shells fell perilously near foreign warships in the river and across over the helpless civilians in the international settlement.

Attack Tuesday

Outside the city, Japan massed 48 warships, scores of thousands of troops and a formidable air fleet for the zero hour—dawn tomorrow—of a final crashing drive on Shanghai.

It was only by the merest chance that the President Hoover escaped destruction.

A German from the British cruiser Cumberland boarded the President Hoover and performed two emergency operations, each lasting half an hour. The United States destroyers Parrott and Edsall turned back when the President Hoover refused to allow them to further assistance.

The liner carried 263 passengers.

Chinese officials, not denying that it was a Chinese plane which did the bombing, said they were ready to assume full responsibility.

Orient War At a Glance

By United Press
SHANGHAI—Chinese warplanes bombed American liner, President Hoover, wounding seven members of crew and slaying three passengers. Two United States destroyers and British cruiser stand by. Japanese warships and Chinese artillery spread destruction through Shanghai area.

TOKYO—Japan disturbed by Russian-Chinese non-aggression pact; conciliatory reply expected to British note on protest on shooting of ambassador.

LONDON—Britain to follow up note to Japan with ultimatum for prompt satisfaction.

TIENTSIN—Americans and other foreigners menaced as Japanese army is ordered to sweep through Shanghai province.

TSINGTAO—All American consuls ordered to evacuate to be ready to concentrate on waterfront for evacuation on United States warships.

U.S. PROTESTS SHIP'S BOMBING

TOKYO, Aug. 30 (U.P.)—The Domei news agency reported from Shanghai today that Nelson T. Johnson, United States ambassador to China, had protested to the Japanese government against the bombing of the President Hoover.

WASHINGTON, Aug. 30 (U.P.)—Secretary of State Cordell Hull today ordered American Ambassador Nelson T. Johnson to lodge a vigorous protest with the Chinese government at Peking against the bombing of the American Dollar liner President Hoover by a Chinese warplane near Shanghai.

Hull said the order had been transmitted to Johnson but that the state department had not been advised whether the protest had been delivered.

Hull said his instructions to Johnson directed the ambassador to give his attention to every phase of the situation resulting from the bombing.

Premier's Children Face Kidnap Threat

ST. THOMAS, Ont., Aug. 30 (U.P.)—Special constables today patrolled Premier Mitchell P. Hepburn's farm near here and Ontario provincial police officers are on threat to kidnap the prime minister's two adopted children and to "get" him.

Hepburn told police he had been offered to "take care of Hepburn."

Hepburn's political organizers here were advised from Detroit yesterday that some committee for industrial organization members were antagonized by Hepburn's attacks on the organization that they had offered to "take care of Hepburn."

JAPANESE CLAIM RUSSIA'S ARM CHINA UNDER NEW PACT

NON-AGGRESSION
TREATY WORRIES
TOKYO LEADERSAgreement Between Nations
Will Free China of
Russian Fear

By JOHN R. MORRIS

BEIJING, Aug. 30 (U.P.)—China's new treaty with Russia contains several clauses which provide, among other things, that Russia shall arm China for its war with Japan, a Japanese embassy spokesman asserted today.

The spokesman alleged also that Russia had been fighting on the Chinese front for two weeks.

The spokesman denounced the Chinese-Russian "non-aggression" treaty as "a definite handshaking with Communism."

He intimated that the treaty was of military nature and he charged specifically that under the Russian would furnish arms for the Chinese.

As this charge was made, Yui Ming, chief of the Shanghai office of the Chinese foreign ministry, announced that China would not offer any assistance to the Japanese.

Yui charged that Japan secretly would like to make a pact with Russia to that her hands would be free to attack China.

China Not Notified

Discussing Japan's new blockade of the China coast, Yui disclosed that China had not been notified of the pact, and he suggested, for that reason, that the blockade really was imposed so that Japan could keep the Japanese navy in the area and see how far she could go in flouting them and their interests.

China's treaty with Russia was announced at Nanking, the national capital, yesterday.

As announced, the treaty provides:—That both parties condemn aggression to be the cause of a third party.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

—That both parties agree to signatory, or the other pledges it, not to aid the aggressor.

Robertson's farm disclosed a crack in the earth a distance of 185 feet from the present "sinking canyon." This opened the possibility that more of Robertson's land is doomed to become useless so far as farming is concerned.

Dr. Laney said the area of the disturbance was roughly one and one-half miles in length and half a mile in width.

Professor Here
With Dr. Laney was Prof. O. M. Brewster who teaches organic chemistry at Washington State.

Brewster said, "I made no investigation." Prof. Brewster said, "I made no investigation." Prof. Brewster said, "I made no investigation."

He took many photographs which will aid Dr. Laney in his more detailed study of the area.

The two left this afternoon after a course was interested in it.

75TH CONGRESS IS TERMED GREAT BY BORAH

FAILURE TO ACT ON COURT PLAN PLEASES SOLON

Idaho Senator Compares Last Session With Defeat of Wilson's League

By JOE ALEX MORRIS
WASHINGTON, Aug. 30 (UP)—Sen. William E. Borah, sitting behind a cluttered desk in the almost deserted senate office building, looks back on the just-concluded session of congress as one of the most important during his 30 years in congress.

"History will look upon the first session of the 75th congress as one of great importance—not because of what it did but because of what it did not do," Borah remarks, in reference to defeat of President Roosevelt's judiciary reorganization program.

"One other session of similar importance comes to mind. That was when President Wilson's League of Nations plan was defeated, another instance when the importance of the session lay in omission rather than commission."

The Idaho Republican, whose name has frequently been better known abroad than that of any other American because of his attention to foreign affairs, pushed a pile of heavy law books forward on his desk, leaned back in his chair and gazed reminiscently out of the open windows at the sun-washed city.

Remains at Work
Following his custom of remaining in the capital long after most congressmen have dashed for home or on foreign junkets, Borah had been at work all morning. His coat was draped across the back of a chair. His desk was crowded with papers, memoranda and open volumes on one of which he tossed his glasses as he talked.

His interest in these days centers on the war in China. Off the record, he talked of foreign policy and affairs of diplomacy in like abrupt phrases punctuated by the sudden little gestures that mean he is on a subject that interests him. But there is a more leisurely, contented attitude that marks his discussion of things that are past and he glances frequently toward the little park across the street where he exercises almost every day.

HEARTS TESTED BY RADIO
MOSCOW (UP)—The central laboratory of aviation medicine has designed an instrument which by means of radio makes it possible to listen to and record on a film the activity of a pilot's heart during flight.

Thieves Continue Local Activities

Further activities among sneak thieves in Twin Falls was noted here today after Don Stilling, 309 Fifth avenue west, told police several articles had been stolen from his automobile sometime early Sunday morning.

Listed as missing by Stilling were a black fiber suitcase containing several articles, a pair of trousers, a shaving set, a pair of brown leather shoes and a hunting case watch.

Police were investigating this afternoon.

TEACHERS WILL MEET SATURDAY

Common School Instructors To Hold Session at High School

Twin Falls county's 58 common school teachers will meet for general instructions and distribution of supplies at the high school building here Saturday afternoon at 2 o'clock.

Arrangements for the educational exhibit at the county fair at the high school will be completed at the teachers' meeting here, Mrs. Stradley said.

She also announced that the opening of Washington school, district No. 11, Filer, had been postponed from today until next Monday to allow completion of repairs on the building.

Mother Dies
Mrs. Bert Kessler, who was called to Ft. Collins, Colo. last week by the serious illness of her mother, Mrs. William Heim, has notified friends here of the death of Mrs. Heim before her arrival.

Help Kidneys

Don't Take Drastic Drugs
Your kidneys contain 9 million tiny tubes or filters which may be endangered by neglect or drastic irritating drugs. Be careful! If functional kidney or bladder disorder make you suffer from getting up nights, Nervousness, loss of sex, Leg Pains, Rheumatic Pains, Headaches, Cries Under Eyes, Neuritis, Acidic Burning, Smarting or Itching, you don't need to take chances. All druggists have the most modern advanced treatment for those troubles—a doctor's prescription called Cystex (Blue Box). Works safely and sure. In 48 hours it will bring new vitality and is guaranteed to make you feel years younger in one week or money back on return of empty package. Cystex costs only 30¢ a package. Druggists and the guarantee protects you.

IOWA RESIDENTS ATTEND SESSION

Group of 200 Hears Program At Annual Picnic Held In Buhl

Approximately 200 former Iowa residents heard Rev. John E. Spencer, pastor of the Buhl Presbyterian church, give the principal address at the annual Iowa picnic held yesterday afternoon at the Buhl park.

Officers elected during the business session were O. W. Witham, president; Mrs. Genevieve Dwight, both of Twin Falls, vice president and Frank DeKloze, Filer, treasurer. The secretary of the association is to be appointed by the president at a later date.

Out-going officers in charge of the event were Mrs. C. R. Overbaugh, president; Mrs. Eleanor Van Houten, vice president, and Mrs. C. W. Aldrich, secretary, all of Buhl. Mr. DeKloze has served as treasurer for a number of years.

The program was opened with group singing of "America" and an invocation by Mr. Spencer. "Iowa, My Iowa" and "The More We Get Together" was sung by the group. A humorous reading was given by Paul Kites, Buhl, and a trombone solo by Billy Overbaugh, Buhl.

A male quartet presented numbers and Rev. Mr. Bartlett spoke on the topic, "Do You Remember?" Miriam Cunningham, Buhl, played a piano solo and the group sang "Iowa Corn Song," "Put On Your Old Gray Bonnet" and "Springtime in the Rockies," led by Mrs. Quire and G. W. Aldrich.

A social hour followed the program.

Father Asks for Custody of Girl

OAKLAND, Calif., Aug. 30 (UP)—George MacDonald, a 30-year-old drug store clerk who said he was the father of an illegitimate baby girl, sought today by court proceedings to take custody of the child from a family to whom the unwed mother gave her.

"All I want to do," he said, "is shoulder my responsibility as the father."

He never married the baby's mother, he said, and he is now engaged to marry another girl. He said that his fiancée approved his suit and would be willing to help him care for the child of another woman.

BRIDGE WASHED OUT BY STORMS

MYTON, Utah, Aug. 30 (UP)—S. Highway No. 40 was blocked near here today as a result of a series of cloudbursts which swept away a bridge over Antelope creek yesterday.

Water in usually insignificant Antelope creek rose to a depth of five feet and washed out the new concrete structure.

Highway engineers said they expected to have the highway opened late today.

"Rockies," led by Mrs. Quire and G. W. Aldrich.

A social hour followed the program.

UNION MEET FOR GAS MEN TODAY

Service Station Workers Eye Organization at Parley Here Tonight

First move toward union organization of service station attendants will be taken in Twin Falls tonight, it was announced this afternoon by H. H. Fredholm, organizer for the American Federation of Labor.

The service station men will meet at Union hall, 314½ Second avenue east, probably speaker, still tentative this afternoon, will be an out-of-town union worker.

Next group on the organization program here will be the machinists. Fredholm said. Call for that group will be issued probably next week.

Twin Falls labor units and sympathizers will form a delegation to go to Pocatello on Labor day to hear Sen. James P. Pope speak at the labor rally in City park there, the organizer also announced today. There will be no parade at Pocatello.

Appointment of delegates for the state labor convention in Pocatello Aug. 29 to 31 will be carried out soon by locals here.

Has 1825 Patent

LAMAR, Colo. (UP)—E. J. Inyes of this city has a patent to some property in the estate of his family, owned by the U. S. government in 1825 and signed by President John Quincy Adams. The property is located in Howard county, Mo.

Al Arp Assigned Character Role In New Movie

Actor Who Left Twin Falls Recently Gets Part in Northern Tale

Al Arp, who recently left Twin Falls to resume his picture career in Hollywood, has been awarded one of the character parts in "Northern Wilderness," according to information received today by the Idaho Evening Times.

Arp will join the remainder of the cast on a location trip into the Canadian wilderness sometime this month, where the major portion of the script under the direction of Robert Lee is being filmed.

"Northern Wilderness" was prepared from the book "Trappers Wilderness" and is being produced by Wayne Keslar to be released through Paramount Pictures, Inc.

Players other than Al Arp are: Fred Kager, the noted Canadian trapper, and his Eskimo dogs, Mary Kent, Tricie Dunbar, and Bobby Squire. Other character actors are Lew Hunt, Specter O'Dallorf and Doris Bowman.

Arp was seen last week in two pictures which played in Twin Falls, "The Road Back" and a return hit "Sling, Baby, Sling."

Following the completion of his current 16-week contract Al plans to attend the Pasadena playhouse to aid him further in his preparation for a successful career.

OREGON WOMAN RECEIVES INJURY

Mrs. Constance Allen Taken To Salt Lake City After Aid at Gooding

GOODING, Aug. 30 (Special)—Mrs. Constance Allen, 47, Portland, Ore., is in a "very serious" condition at the Holy Cross hospital, Salt Lake City, fifth a fractured cervical vertebra following an automobile accident in Hagerman valley on Saturday, physicians in Gooding reported today.

The car in which Mrs. Allen was riding was headed east and overturned when it failed to negotiate a curve a mile north of the Malad bridge on highway 30 in Hagerman valley. It was said to have been traveling at an excessive rate of speed. The car overturned.

Mrs. Allen was brought to the hospital here and a cast applied by local physicians. From there she was taken yesterday by ambulance to Salt Lake City where she has relatives.

In the car at the time of the accident were F. P. Rilla, Portland, rougher for the Natural Process, Ltd., who was driving and J. Kuhn, Salt Lake City. They received minor bruises.

Reduces Suicides

VIENNA (UP)—This city's anti-suicide bureau announces it has saved on an average of five persons a week and has succeeded in transforming them into normal persons.

DRAWINGS MADE IN ELK HUNTING

South Idaho Sportsmen Eye
Results of Selections
At Boise

Eyes of hundreds of south Idaho's sportsmen today are turned to the state game department, under the direction of State Game Warden W. R. McIntyre, as the process of drawing for 1,500 permits, giving the holder of each the right to shoot or kill one elk of either sex in the Selway game preserve sometime during Sept. 1 and Nov. 30.

The hunt in the Selway area is one of at least three which will be held in Idaho during the fall months. Additional "emergency" hunts will be held in the Cache and Minidoka forests at a later date.

Mr. McIntyre will visit Twin Falls in the near future to confer with local sportsmen regarding these two hunts and the number of animals which should be taken in them. He will also ask local sportsmen to assist him in setting the date of the Minidoka hunt as well as the length of time it should last.

The Selway game preserve was established 20 years ago and through the protection given to elk by this preserve, and the enforcement of shorter hunting seasons and lower bag limits, a large population of elk has been built up in the Selway country," McIntyre pointed out in an exclusive communication to the Evening Times.

Range Depleted
"This population is so large that the winter range has become seriously depleted and elk are in danger of starvation during severe winters. There is ample summer feed on some 2,000,000 acres of high mountain range, and during spring, summer and fall the elk grow fat in these mountain areas. The heavy snows crowd the elk down to the lower elevations and into the wind-swept side hills of the Lochsa and Selway canyons.

"The total winter range in this area is only about 100,000 acres and during the critical period of severe winters there is only about 60,000 acres that is actually usable, even these hardy game animals. In order to maintain this range in a productive condition and prevent the ultimate starvation of game animals, regulation hunting in this area is desirable.

Game studies by the forest service show a total elk population of approximately 11,000 head in this area. During the hunt starting Tuesday it is expected 1,500 of these animals will be taken," McIntyre said.

After today, permits to hunt elk in that area will be available at designated checking stations. Although 1,500 permits will be drawn today it is expected that only 1,000 of these will be assigned immediately. The balance will be available at the checking stations.

Full details regarding the hunt can be obtained from the state game department at Boise.

Jerome Bureau to Protect Residents

JEROME, Aug. 30 (Special)—The Jerome Chamber of Commerce has organized a service which will operate under the name of the Better Business Bureau, the chamber has announced. The bureau's purpose is to protect Jerome business men from solicitations of an unworthy nature. Toward this end the Better Business Bureau will investigate the solicitation being made and if it is not objectionable will issue a permit to that effect.

Unless such a permit is presented, no member of the Chamber of Commerce, 1, to consider any subscription, donation or purchase of group advertising. Applications for such permits are to be made at the office of the secretary of the Chamber of Commerce located on the second floor of the post office building.

This system is not aimed at any solicitation which is worthy but is aimed at the racket type of solicitation made by professional solicitors prevalent in this country today, members state.

Speaks to Medical Association

Included among distinguished guest speakers at the annual meeting of the Idaho State Medical Association now in session at Boise is Dr. F. W. Cooper Cole of the University of Chicago. He will talk Tuesday, Dr. Cole is professor and chairman of the department of anthropology at the University of Chicago; was graduated from Northwestern university in 1903, studied at the University of Chicago and the University of Berlin; received his doctor's degree from Columbia in 1914. He has served as assistant curator of Malayan ethnology at the Field Museum of Natural History, conductor of several expeditions to Malayan peninsula, and is special investigator for the Philippine bureau of science. He is a fellow of A. A. A. S., former president of the anthropological association, former chairman of the anthropology and psychology for the National Geographic society for Malayan research. He has written eight books, and is also noted as a lecturer.

BODY OF WOMAN FOUND AT TRACK

LOS ANGELES, Aug. 30 (UP)—A woman's arm was found beside the Union Pacific railroad tracks early today and a short time later her

mangled body was discovered nearby. The woman was struck and carried 75 feet apparently by a west-bound train. The accident or suicide occurred 15 miles east of here. A freight locomotive passing that point at about 10:15 p. m. last night showed evidences of having been the one that hit her. She was not immediately identified.

March 15th to the middle of April is "marble season."

JAPAN MAY CALL OFF 1940 GAMES

War Costs May Prevent the
Olympics; Parliament
To Vote

By RAY MARSHALL
(Copyright, 1937, United Press)
TOKYO, Aug. 30 (UP)—Japan, foreseeing a long, costly war with China and alarmed over foreign complications, may decide not to be host for the 1940 Olympic games. It was learned today.

Prince Fumimaro Konoye, the premier, and Count Michimasa Sogima, Japanese Olympics leader, have agreed that the diet or parliament should vote whether to give up the games. It was understood.

Shows Anxiety
This told more plainly than anything else the extent of the anxiety of the government—the war itself, the angry British note demanding "the fullest measure of redress" for a Japanese aviator's attack on the British ambassador to China, and finally the new Chinese-Russian non-aggression treaty.

Publicly the view is taken that it is to be regretted that China has signed a treaty calculated—in Japanese minds—to make China an "undesired" of Russia. The hand of the Communist Internationale, regarded as a disturber of world peace, also is seen. The hope is expressed that China will think better of her course and join Japan in an effort to establish peace in east Asia.

Note Secondary
Because of preoccupation in all circles with the Chinese-Russian complication, the British note of "emphatic protest," still as it was, received secondary consideration.

A careful check of local newspapers showed that the note was fully published, despite its blunt wording.

600 Sign Petition For Phone Line

MOUNTAIN HOME, Idaho, Aug. 30 (UP)—A petition signed by 600 persons and urging construction of a telephone line from Bureau to Rildito today has been presented to the Mountain States Telephone company. Such construction would complete service from Mountain Home to Mountain City, Nev., mining center.

Infantile Paralysis Claims Third Victim

SALT LAKE CITY, Aug. 30 (UP)—Salt Lake City's third victim of infantile paralysis this month, Charles Quigley, Jr., 10, died in general hospital last night while the boy's father worked vainly to construct a home-made respirator to save his son's life.

Two hours after the child had died, the father, Charles Quigley, Sr., Garfield, Utah, and friends completed the respirator, which they constructed following directions received from a factory in Boston.

EASIEST CREDIT

Make Your Own Terms

No matter how much you earn, our liberal credit plan will fit your pocketbook. Just select new Goodrich Tires, a new, powerful battery—and pay on long, liberal terms to suit your income. No red tape. No delay. This is the credit plan that thousands of motorists say is the easiest and friendliest.

THOUSANDS of motorists are killed or injured—thousands of dollars are spent for repairs, doctor and hospital bills every year when blow-outs throw cars out of control.

Keep your name out of the accident column. Many of the blow-outs you hear and read about altogether too often are due to the heat generated inside of tires by today's high speed driving. This terrific heat may cause rubber and fabric to separate. And, if it does, an invisible blister forms. Bigger and BIGGER it grows until, sooner or later, BANG! You have a blow-out.

That's why Goodrich engineers invented the Life-Saver Golden Ply found only in Silvertown tires. This amazing Goodrich invention is a layer of special rubber and full-floating cords, scientifically treated to resist internal tire heat. By relating this heat the Golden Ply protects you against these dangerous high-speed blow-outs.

Don't Gamble

The safe thing to do is to come in right now. Equip your car with Golden Ply Silvertown Tires all 'round. You pay no price premium for these life-saving tires and they'll give you months of extra trouble-free mileage.

NEW RAIN MENACES LOUIS-FARR BOUT

Promoters Will Go Ahead Unless Downpour Comes

NEW YORK, Aug. 30 (AP)—Possibility of a second postponement of the Joe Louis-Tom Farr heavyweight championship boxing bout, scheduled for tonight at Yankee Stadium, arose today when a brisk rain began to fall at 9 a. m. It was the second rain of the day.

Promoters of the fight indicated that the bout would go on, however, unless heavy rains fall late in the day or in the early evening.

NEW YORK, Aug. 30 (AP)—The delayed fight for the heavyweight title between Champion Joe Louis and Challenger Tommy Farr of Wales will be held tonight in Yankee stadium.

Weight in Today
Louis and Farr will motor in from their New Jersey training camps and weigh in at the boxing commission offices shortly after noon.

That Postponement Didn't Bother Farr or Joe Much

BY HENRY McLEMORE
NEW YORK, Aug. 30 (AP)—One of the unwritten laws which governs sports columnists says that whenever a world heavyweight championship fight is postponed, a columnist must be written describing the effect of the delay on the rival gladiators.

Never one to break rules, I am going to write a dispatch today in which I will describe how the Messrs. Louis and Farr reacted when their fight for the world's highest prize, originally scheduled for last Thursday, was advanced until today because of rain.

Awful Strain
Joe Louis, as high strung as a banana crate, practically went berserk when he was told he would have to wait four days before slaughtering the Welshman. I was there when he was told of the postponement and therefore can give you his exact and exciting words:

"What isn't no fight tonight? Let's get up a poker game. In those 11 words—in those 11 breathless words—he told me the world's heavyweight title was back in his camp. In the meantime, Louis vented his nervousness on food and sleep. Six times he tore into his food, and he was eating like a reckless man who betrayed his nervousness and bad table manners."

Farr was even more affected by the postponement than Louis. He reminded one of a condemned man who, just when he was getting his pants fixed by the warden, was handed a message from the governor saying he had been reprieved.

Nickel Drink
Farr was so touched, in fact, so moved, that he invited three of his training camp friends to go into a drugstore and have a nickel drink on him. Those who know Farr couldn't quite believe their ears when Tommy made this announcement. Because in the six short weeks he had been here, Tommy has established a tremendous reputation as a miser.

His training camp is more economically conducted than any in history. His food is awful, his living quarters are in a creaky, gloomy place. He lives in a year-old flat. He has a day, and he hasn't changed his mind since he was a touching farewell to the loved ones at Southampton.

Giants Get Chance for League Leadership Today

After Omaha Veteran Won U. S. Amateur Golf Crown

Johnny Goodman, Omaha, a veteran amateur golf champion, at 27, Saturday at Alderwood Country club, Portland, Ore., fulfilled his life-long ambition to become national amateur golf champion of the United States by defeating Ray Billows, Poughkeepsie, N. Y. (left), 2 up after 36 gruelling holes in the final of the 41st annual championship.

Goodman Takes Amateur Title

PORTLAND, Ore., Aug. 30 (AP)—The champion amateur golfer of the country today was Johnny Goodman, who won the final round of the national amateur tournament from Ray-Billows of Poughkeepsie, N. Y., at Alderwood Country club.

Golf writers agreed that the stocky, 27-year-old Omaha insurance salesman had well earned his 21-victory Saturday. It also was evident that in Goodman, Billows and Marvin (Bud) Ward of Tacoma, Wash., the nation had a nucleus for the Walker cup team that will invade England next year.

Goodman said his match with Ward was his most difficult of the tournament and that he considered Ward and Billows most likely to win his title.

He was in San Francisco today visiting with friends, and will go to Los Angeles to play in the 1938 Invitational tournament. Crosby, along with Richard Arlen and Humphrey Bogart, also of the films, was among the gallery of about 5,000 spectators who saw the final match.

Goodman said he will not turn professional. He said in winning the amateur crown he had accomplished his third major ambition.

"I won the national open. I was a member of the Walker cup team. Now, I have won the national amateur. It is the happiest moment of my life."

The \$12,500 gold Huguette trophy, emblematic of the country's golf, was presented to Goodman by John Jackson, president of the United States Golf Association. Billows was given a medal.

SEALS CLIMB IN WEEK'S BATTLES

San Francisco Team Within 5 1-2 Games of First; Seals Win Three

By United Press
The San Francisco Seals, renewing the ancient threat they exhibited early in the season, made the greatest gains of any club in the Pacific Coast league during the week ended Saturday by climbing to within five games of second place and five and one-half games of the top.

The Seals picked up three games in the second place San Diego and two on first-place Sacramento by taking six out of seven games from Seattle during the week.

Frank O'Dell's men also put a margin of two games between themselves and Los Angeles, with whom they had been tied for third.

Strong pitching by Win Ballou, veteran right-hander, has been a principal factor in the Seals' new advance. He aided in the opener of the Sunday double bill, Bill Posedel gave the Padres four hits. Bongy's homer gave Portland two runs in the second. In the windup, Mennie Salvo let Portland down with two hits for a 10-1 win. The Padres had 15 hits including Thompson's homer.

Sacramento kept its half-game margin over San Diego by breaking even with the Missions and by taking the series, four to three. John Beahm hurtled the Reds to a 5-0 victory in the opener. Sacramento took the second, 4-3, beating Walter Beck. Adams of the Solons and Barash of the Reds had homers.

Oakland took a four-three series from Los Angeles by winning both ends of the Sunday program. Ernie Bonham, the league's strike-out king, and Jack Larocca, young fastball ace, produced the winning pitching, beating the Angels 5-2 and 4-2.

San Diego and Los Angeles were the losing moundsmen. The Seals' climb also will be the scene of a battle between the two foremost women pairs. It will be an All-American struggle between defending champion Mrs. John von Fyn, Austin, Tex., and Gertrude Bebeck of Los Angeles and the second ranking but favored twosome of Mrs. Sarah Palfrey Payson of Boston and Alice Marble of Los Angeles for the women's national crown.

The Budge-Makon and von Cramm-Hinkel battle is the much anticipated American encore to the recent Davis cup inter-zone finals struggle between the senior pairs.

Both teams advanced to the final bracket yesterday. Budge and Makon hammered out a 6-4, 6-3, 7-5 win over Wayne Sablin of Los Angeles and Brian (Billy) Grant of Austin, Tex., and the German couple triumphed in a marathon with the veteran Johnny Van Ryn of Austin, Texas, and 18-year-old Julie Hunt of Los Angeles 6-4, 6-8, 11-12, 6-4.

Club Puts Hopes on Rookie Cliff Melton

NEW YORK, Aug. 30 (AP)—Rookie Cliff Melton goes gunning for his 14th victory of the season today against Cincinnati at the Polo Grounds, and he bags it, the New York Giants will lead the National league.

Since August 12, Memphis Bill Terry's gang has won 12 out of 15 games and gained six games on the Chicago Cubs who held the top perch today by .022 percentage points.

By dropping five out of their last six starts, both the St. Louis Cardinals and the Pittsburgh Pirates appear to be out of the race. The Cards are 4 1/2 games behind the Cubs, and the Bucs are 10 games from the top.

New York held the lead for a couple of hours yesterday after they had beaten the Cincinnati Reds, 7-2, while the Cubs dropped the first end of a double-header to the Philadelphia Phillies, 10-3. But the Cubs came back to win the second, 2-1, and thus moved back in front by a half game.

Scatters Hits
Harry Gumpert scattered eight hits to win for the Giants, while the New Yorkers collected 11. Mulcahy scattered eight sacrifices to beat the Cubs in the third inning, while Larry French distributed a half-dozen to win the nightcap. Frank Demaree's homer, with a mate aboard gave Chicago its winning margin.

A double by Roy Henson, a three-bagger by Gene Moore, and Ray Mueller's single for two runs in the ninth gave the Boston Bees the first game against St. Louis, 3-2. Ray Henson missed the hall of fame when he blanked the Bees 3-0 in the second. Mueller's single in the sixth was the only hit.

Brooklyn climbed out of the cellar—above Cincinnati—by handing Pittsburgh a double defeat. Waite Roy scattered 11 hits to take the opener, 9-3, and Luke Hamlin distributed 10 for a 6-3 decision in the windup.

The Yankees increased their American league lead to 12 1/2 games. Red Ruffing chalked up his 17th victory of the year, 7-4, against the Detroit Tigers.

All the other clubs divided double-headers. Philadelphia wallowed Chicago 10-0, in the opener. It scored 12 runs in the first inning, for a new high in the initial frame of any American league championship game. Bob Johnson batted in six runs with a homer and a single, to tie the major league record Fred Merkle set with the New York Giants May 13, 1911.

Johnson's batting orgy did not stop there. He smacked a double in the fifth, another homer in the seventh and a single in the ninth for five hits in six trips. The White Sox came back to the win the nightcap 5-3.

Boston blanked the St. Louis Browns 2-0 behind the four hit-burling ex-Brownsie Buck Newcom, then succumbed 6-2 in the final. The Cleveland Indians sunk Washington 11-4, but the Senators came back to beat Bob Feller 6-2 in the windup.

Budge, Mako Duel Against German Aces

"World War" of Tennis Is Set For Today

CHESTNUT HILL, Mass., Aug. 30 (AP)—The world war of tennis will be fought today when the two greatest legends of their ilk clash at the Longwood Cricket club for the national doubles title.

It will be Davis cup and defending champion Don Budge and Mako of America against Germany's Baron Gottfried von Cramm and Henner Henkel—the world's No. 1 team against the No. 2.

Women Aces Play
The club's courts also will be the scene of a battle between the two foremost women pairs. It will be an All-American struggle between defending champion Mrs. John von Fyn, Austin, Tex., and Gertrude Bebeck of Los Angeles and the second ranking but favored twosome of Mrs. Sarah Palfrey Payson of Boston and Alice Marble of Los Angeles for the women's national crown.

The Budge-Makon and von Cramm-Hinkel battle is the much anticipated American encore to the recent Davis cup inter-zone finals struggle between the senior pairs.

Both teams advanced to the final bracket yesterday. Budge and Makon hammered out a 6-4, 6-3, 7-5 win over Wayne Sablin of Los Angeles and Brian (Billy) Grant of Austin, Tex., and the German couple triumphed in a marathon with the veteran Johnny Van Ryn of Austin, Texas, and 18-year-old Julie Hunt of Los Angeles 6-4, 6-8, 11-12, 6-4.

Goodman Takes Amateur Title

PORTLAND, Ore., Aug. 30 (AP)—The champion amateur golfer of the country today was Johnny Goodman, who won the final round of the national amateur tournament from Ray-Billows of Poughkeepsie, N. Y., at Alderwood Country club.

Golf writers agreed that the stocky, 27-year-old Omaha insurance salesman had well earned his 21-victory Saturday. It also was evident that in Goodman, Billows and Marvin (Bud) Ward of Tacoma, Wash., the nation had a nucleus for the Walker cup team that will invade England next year.

Goodman said his match with Ward was his most difficult of the tournament and that he considered Ward and Billows most likely to win his title.

He was in San Francisco today visiting with friends, and will go to Los Angeles to play in the 1938 Invitational tournament. Crosby, along with Richard Arlen and Humphrey Bogart, also of the films, was among the gallery of about 5,000 spectators who saw the final match.

Goodman said he will not turn professional. He said in winning the amateur crown he had accomplished his third major ambition.

"I won the national open. I was a member of the Walker cup team. Now, I have won the national amateur. It is the happiest moment of my life."

The \$12,500 gold Huguette trophy, emblematic of the country's golf, was presented to Goodman by John Jackson, president of the United States Golf Association. Billows was given a medal.

Many tournament entrants, including Medalist Roger Kelly of Los Angeles, were in Los Angeles for the start of the western amateur championship Tuesday. Kelly hoped to win the tournament in expectation of making the Walker cup team.

Budge, Mako Duel Against German Aces

"World War" of Tennis Is Set For Today

CHESTNUT HILL, Mass., Aug. 30 (AP)—The world war of tennis will be fought today when the two greatest legends of their ilk clash at the Longwood Cricket club for the national doubles title.

It will be Davis cup and defending champion Don Budge and Mako of America against Germany's Baron Gottfried von Cramm and Henner Henkel—the world's No. 1 team against the No. 2.

Women Aces Play
The club's courts also will be the scene of a battle between the two foremost women pairs. CHIEFS WIN OUT IN TIGHT BATTLE

Conquer Boyles in Pocatello Encounter; Machinists Annex Title

Sparting to score 13 runs in the final two innings, Utah Chiefs softball battlers, champions of Twin Falls and the south central district, noosed out the Boyles of Pocatello 16-15 in a special 31 Sunday at the Pocatello district softball tournament.

The game was an exhibition chess booked to round out the tournament program.

The Chiefs will return to Pocatello next week-end along with Brunswick of Twin Falls for the state softball tournament at the City Labor day, Sept. 6.

Strong Grid Team Looms at Gooding

GOODING, Idaho, Aug. 30 (AP)—Coach Glenn Parberry today said that Gooding college would have the strongest football team in its history this year. Among the players he has mapped for the Gooding eleven are battles with University of Idaho, Eastern Oregon Normal and Pacific colleges.

BUHL NINE DROPS PITCHERS' DUEL
BUHL, Aug. 30 (Special)—Buhl dropped a close baseball game to Burley here yesterday afternoon 2 to 3 in what turned out to be a battle between pitchers.

Lacey for Buhl struck out 10 opposing batters while trait and Husack who pitched for the visitors, set back 14 batters between them. Buhl caught for Buhl and Tule for Burley.

Bury scored only three hits off the delivery of Lacey while Buhl players gathered four. Buhl made six errors and struck three for the Burley players.

Legless Man Swims 6 Days

Completes Marathon to N. Y. and Loses 30 Pounds

NEW YORK, Aug. 30 (AP)—Charles Zimny, 46-year-old legless swimmer, rested today in Harlem hospital after completing a six-day endurance swim from Albany.

Zimny arrived under the George Washington bridge about 9 o'clock last night. That was his goal when he jumped off a dock in Albany at 6:10 p. m. last Monday.

Just before 10 p. m. he was pulled out of the water at 98th street after the 145-mile swim. A waiting ambulance took him for a long rest in a dry bed.

Zimny appeared to have suffered little from his 147 hours in the water. He said he had lost about 30 of the 175 pounds he weighed at the start.

Zimny ate, slept and smoked large cigars while floating with the tide, frequently seeking refuge in protected coves when the tide was against him.

His physical disability on land gave him an advantage in the water. Where other swimmers would have found it difficult to sleep without sinking, Zimny found it easy to float and sleep because of the increased buoyancy of his legless body.

ALCOHOL TESTER USED IN COURTS

"Drunkometer" Admitted as Trial Evidence in Indianapolis

INDIANAPOLIS, Ind. (U.P.)—Call it a "balloon test," "drunkometer," or breath tester, but results obtained from the device were admitted in evidence in Municipal Court here recently, despite vigorous protests.

The device, said by Dr. Rollo N. Harger, state toxicologist, to determine accurately the amount of alcohol in the body, was used to test the breath of two persons following an automobile accident in which both were injured and charged with driving while intoxicated.

It was the first time the invention had been used here, although it is understood to have been admitted in evidence in many other countries.

Dr. Harger testified that the breath of each was blown into a separate toy balloon. Then it was expelled into the "drunkometer," which contained a purple fluid. The fluid turned blue, which, the toxicologist said, was evidence that they had been drinking.

Attorney Takes Test.
Lawrence Shaw, attorney for the accused, asserted the device was nothing more than a "balloon test," that the medical word does not recognize it as a competent test of intoxication.

Dr. Harger countered that it had the approval of a committee of members of the American Medical Association, that his research in several thousand tests had shown the apparatus to be accurate.

The doctor then offered to test Shaw, who readily accepted.

The attorney blew into the balloon, his breath was expelled into the "drunkometer," and the purple fluid remained the same. Shaw smiled and told Judge Floyd R. Mann that he had three drinks of cognac and a glass of beer for lunch.

Dr. Harger said that may have been true but that a person's body burns two ounces of alcohol every three hours and the test thus was negative.

In Use.
Nine "drunkometers" are in use in Indiana, according to Dr. Harger. He said he has received requests to supply them to authorities outside the state. One of the breath testers was sent to the chief of police at Berkeley, Calif.

All patients on the device have been assigned to the Indiana University Foundation, he said.

Dr. Harger, recommends that where the "drunkometer" shows that the person tested has one and one-half parts per 1,000 of alcohol or from 5 to 7 ounces of the liquid in his system, the person should be charged with drunkenness.

AMSTERDAM
Mrs. Charles Johnson and baby, en route from Lewiston to Chicago to join her husband, left here Thursday after spending the 10 days with her grandparents, Mr. and Mrs. C. L. Kunkel, and her brother, Anthony Hardman.

John Lovejoy, who served as ditch rider on the Amsterdam, rode the past season, completed his work recently. Mr. Lovejoy came from Nebraska this last spring and is looking for a location on the Twin Falls tract. Mrs. Lovejoy has joined her husband here.

Mrs. Ed Pastoor entertained the Rogerson Ladies' Aid society at her home on Thursday.

Mr. and Mrs. L. P. Hardman and Mrs. R. D. Hardman and son, Ralph, Kansas City, have returned to their home after spending a week at the home of Mr. and Mrs. C. L. Kunkel.

DISEASE TAKES MANY LIBERIANS

Hundreds of Natives' Deaths Caused By "Sleeping Sickness"

MONROVIA, Liberia (U.P.)—An epidemic of virulent sleeping sickness is reported to be taking many lives among the native tribes living in the hinterland of Liberia near the French boundary.

The disease has been limited chiefly to natives in past months, but has now spread to some of the white inhabitants. Dr. George Harter, who was in charge of the Methodist mission hospital at Ganta, in the heart of the affected area, was one of the first serious cases among white persons.

He was carried by hammock to Monrovia, from where he sailed to America for treatment. He said he had been treating hundreds of cases of the disease, but declined to discuss the epidemic further, saying that statistics would have to be obtained from the public health authorities. The authorities have released no information on the epidemic.

There is no medical aid in the stricken district other than the Methodist mission hospital, which was closed when the doctor in charge left to cure himself.

The tsetse fly, carrier of the disease, is abundant in the region.

Bride-Elect's Mother Announces Betrothal

Mrs. Pearl Lindsay Brown today announced the engagement of her daughter, Ruth Elizabeth, and Peter B. Johnson. The wedding is to take place in the autumn and the couple plans to make its home in Twin Falls.

Miss Brown is a graduate of Twin Falls high school, during her course at San Mateo junior college she was active in dramatics and was editor of a college publication. She was also a graduate of the local high school and attended the University of Utah.

EVENTS HONOR

WEDNESDAY BRIDE

Mrs. Vernetta Anderson and Alfred A. Appleby, Dubuque, Ia. who are to be married on Wednesday, were guests at dinner last evening at the home of Mr. and Mrs. Robert Herlihy. Miss Appleby and white attire were used as decorations. Members of the group spent the evening at cards. Another out-of-town guest was Miss Clara Koch, Cleveland, O., and Rev. H. E. Heitman, who will officiate at the marriage rites, was also present.

Last week Miss Myrtle Anderson, aunt of the bride-elect, entertained at dinner for Miss Anderson and her fiancé, and their guests. Garages occupied the evening.

MUSICAL PROGRAM

GIVEN BY STUDENTS

Mrs. J. L. Hodges presented seven of her students in recital Saturday afternoon to an appreciative audience at her studio on Third avenue north. For the event the rooms were trimmed with garden flowers. The musical compositions were presented by Marian Murphy, LaDonna Murphy, Marilyn White, Joyce White and Beth Shively and selections from the guitar were played by Bert Havens, Hamilton, and Vivian Vinyard.

Following the numbers refreshments were served.

PARTY HONORS

COLLEGE STUDENT

Miss Frances Wilson, who is to leave soon to attend the University of Idaho, was guest of honor at a party given over the weekend by Miss Virginia Haines and Miss Gwen Snyder. A handkerchief shower and guest favor were received by Miss Wilson.

The evening was spent at bridge with four tables at play and high scores were recorded by Miss Florence White. The rooms were trimmed with pink and white blooms and the same color scheme was observed in the menu. Refreshments were served at the close of the evening.

BUEL BRASSON

HELPS BY NORSK CLUB

Fourteen members of the Norsk club held their regular session at the end of last week at the home of Mrs. Theodore Ragen, Buhl. The afternoon was spent at games and coffee and members gave reasons for being proud of their Norse ancestry. Following the meeting refreshments were served with members seated at three tables covered with hand embroidered linen cloths. Plans were announced for a picnic to be held Sept. 19 at Harmon Park for members and their families and for a meeting on Sept. 17 at the home of Mrs. Lewis Newman.

LOCAL RESIDENT

WEDS IN CALIFORNIA

Miss Lena Roush, Twin Falls, daughter of Mrs. A. Roush, was married Aug. 28 at Long Beach, Calif., according to word received here, to Irvin Henry Hanson, Long Beach. The wedding was attended by parents of the groom, Mr. and Mrs. W. H. Hanson and intimate friends. Mrs. Hanson chose black velvet for her wedding frock and with it wore a corsage of orchids and gardenias.

She attended the local high school and was a resident of this city for a number of years before going to Long Beach four months ago to make her home.

Mr. Hanson is associated with the Standard Printing company at Long Beach.

LENO-BLOOM

NUPTIAL PERFORMED

The marriage of Miss La Rena Bloom, ward of Mr. and Mrs. Stanley Lowdermilk, and Benjamin Leno, son of Mr. and Mrs. Leno, Piler, was solemnized Saturday afternoon at the First Baptist church in Piler.

The bride, who was attended by Miss Mabel Norris, wore a short length dress in black and white. Her maid was Wilbur Fox. The ceremony was witnessed by a number of relatives and friends of the couple.

Following the rites the couple was entertained at a wedding dinner by Mrs. Lee Logan at her home in Twin Falls on Sixth avenue north. The bridesmaids were Miss Alda Logan and Miss Dorothy Holmes.

Following a brief wedding trip Mr. and Mrs. Leno will make their home here where Mr. Leno is connected with the Electric bakery.

Marriage Rites Wed

Hollister Teachers

AMSTERDAM, Aug. 30 (Special).—Miss Elizabeth Kunkel and Homer H. Roberts were united in marriage Tuesday at the home of the bride's parents, Mr. and Mrs. Lewis Kunkel, Rev. G. L. Clark, Twin Falls, officiated using the rite ceremony. Mr. and Mrs. Glenn Roberts, Pocatello, attended the ceremony.

Following a wedding dinner Mr. and Mrs. Roberts left for a short honeymoon and to reside in the city where Mr. Roberts is on the high school staff. Both Mr. and Mrs. Roberts taught in the Hollister school last year.

OLMSTEAD WEDS AT U. S. CAPITAL

Twin Falls Youth Marries Miss Jeanne Charrier Of Boise

WASHINGTON, Aug. 30 (UP)—The marriage of Miss Jeanne Charrier of Boise, Ida., to Ralph W. Olmstead of Twin Falls, Ida., was announced here today.

The ceremony was conducted at the home of Mr. and Mrs. J. R. Bell, aunt and uncle of the bride. John L. Lewis, committee for industrial organization leader, and Mrs. Lewis, also uncle and aunt of the bride, attended the ceremony. Olmstead is secretary to Sen. James P. Pope, D. Idaho. Mrs. Olmstead's parents are Dr. and Mrs. Charles P. Charrier of Boise.

Rites Conducted For Filer Child

Services were held yesterday afternoon at the Filer Methodist church for Juanita Wilson, five-year-old daughter of Mr. and Mrs. Earl Wilson, who died last week by drowning on Thursday at St. Anthony. Rev. L. Jack Fox, pastor of the Twin Falls Church of the United Brethren, officiated and music was provided by a trio. Pallbearers were Eleanor Lanning, Zada Hatch, Helen Hays, Nellie Rich, Lucille Beem and Lois Brummet. Flower girls included Florice Smith, Josephine Jones, Katherine Hendrich and Shirley Ann Moreland. Interment was in Filer cemetery under the direction of the Drake mortuary.

Eden System Makes Ready for Opening

EDEN, Aug. 30 (Special).—Preparations are being made for the opening of school on Sept. 6 in both the grade and high schools. The work of drilling a new cess pool and installing two large septic tanks at the grade school has been completed.

Teachers for the grade school are Willard Lettmer, principal, who will teach the eighth grade; Leo Wright, Isabelle Lettmer, Velma Arrington, Leona Thorstad and Dorothy Seely. Van Myers, janitor, Ralph McCauley, bus driver.

The teachers for the high school are, A. E. Glah, superintendent; Geraldine House, Gwendolyn Gazer, Elmer Thorsen, Genevieve Gardner, E. W. Little will be the janitor and Gordon Newbury will again drive the bus.

The election of two trustees on the high school board will be held at the high school, September 1, with the polls open from 1 to 6 p. m. The two terms expire at this time are Frank Fulton and G. A. Bremer. Their names have been filed for reelection and as yet no other nominations have been made.

Marian Martin Pattern

President's Mother Says He Does Not Want a Third Term

(Copyright 1937, United Press) PARIS, Aug. 30 (UP)—President Roosevelt does not want a third term, his mother, Mrs. Sarah Delano Roosevelt, said today.

"I am sure my son does not want to run for a third term as President," Mrs. Roosevelt said in an exclusive interview with the United Press.

"He feels that when he has completed the next three years, he will have done what was expected of him and will be ready to let someone take his place. Surely there are other able men in the country competent for the presidency."

Regarding rumors that the President might be planning to accept a third party, Mrs. Roosevelt said she had never heard him mention such a possibility.

FAIR, FINANCIAL SUCCESS, CLOSES

Burst of Fireworks Marks End of Idaho State Event Sunday

BOISE, Idaho, Aug. 30 (UP)—With sweet music of the "Financial Success" theme, closing the Idaho state fair closed here Sunday night.

A burst of fireworks signified end of the exhibition which drew more than 50,000 people during the week. Blue-ribbon stock, escorted by five high school bands from Nampa, Meridian, Emmett, Jerome, and Wendell, filed past the grandstand and made their final appearance.

Gene Blum, a financial success of the exhibition, won the Jersey calf presented annually for having shown the best improvement in calling the projects.

Livestock was being shipped home today, and exhibitors began tearing down booths.

William Hendrix of Meridian, fair manager, assured participants that the "fair" was a financial success and that the management was pleased at the interest shown.

Eugene Perrine to Open Piano Studio

Eugene Perrine will open a piano studio at 312 Seventh avenue north, September 1, it was announced today.

Graduate of the University of Idaho at Moscow, he has also taken advanced work in music at the New England conservatory in Boston. He prescribes a recital for a master's degree at Moscow.

Persons wishing to take lessons may call him at his studio between 9 a. m. and noon.

Flower Show Date Named at Wendell

WENDELL, Aug. 30 (Special).—Annual community flower show sponsored by the Wendell Civic club will be held Saturday afternoon at the club rooms. A silver tea will also be held and donations will be turned over to the flower show fund for next year.

Those serving on the committee in charge of the flower show are Mrs. Fred Eaton, Mrs. F. W. Hastings and Mrs. M. B. McCoy and on the tea committee are Mrs. Walter Wilcox, Mrs. C. E. Fienor and Mrs. Fred Barrett.

ed because the President had anything against any members of the court but rather because he is far-sighted and interested in the country's future.

DOINGS AT IDAHO ROCKY MOUNTAIN CLUB

By WILMA KEEL

IDAHO ROCKY MOUNTAIN CLUB, STANLEY, Aug. 30 (Special).—The past week has been a hectic one for Manager Claude Gillespie and the cowboys. It seems that he has on part of the ranch property needs cutting about this time of year, and as all the cowboys aren't busy all of the time wrangling

back to the bunk house to change into their cowboy togs and take a party out horseback riding till noon. After lunch they would have to change back to levis for another season in the hay field, only to have to dress again to resume the role of dude wrangler for the rest of the afternoon.

It was amusing to note the increased number of all-day picnics lately, instigated and organized by the cowboys. Manager Gillespie has also found it slightly difficult to be at the club when needed, and to do his part in the field, and has had to keep the trail hot between the two places.

Horse Killed
Dust on the highway caused a horse to be struck and killed by the club's pick-up the other night. Bill Ketcham, accompanied by Nigel Bobs and Ralph Hatch, started slowly down the highway in the pick-up to meet a car from Redfish lake, which was bringing some of our mail that had gone astray. As the dust, caused by a passing car was clearing, several horses appeared before the headlights, galloping toward them, and although Bill averted and applied his brakes, a collision was unavoidable. One of the horses was struck and thrown into the air, landing on the radiator and left fender of the pick-up.

Nigel was thrown against the instrument board and received minor bruises. The other two escaped injury. Next day, what was left of the pick-up was traded in on a new one.

Mr. and Mrs. Ralph B. Fiegin, and children Betty Jane and Ralph, Houston, Tex., and Winston Paul went on an all-day picnic and fishing trip on horseback to Casino lake Wednesday.

All-Day Picnic
Thursday a number of the guests went on an all-day picnic to Ed Fischer's base camp for pack trips, located on May's creek at the foot of the trail leading to Hell Roaring lake. They made the trip on horseback.

Mr. and Mrs. John J. Gardner and son, Toledo, O., and Miss Ellen Jeffers, Omaha, Neb., daughter of William Jeffers, president-elect of the United States, motored over from Sun Valley Thursday for luncheon at the club.

E. E. McKee, supervisor of the

ILERS CAPTURE SEMI-PRO CROWN

Oklahomans Found Out Win Against Georgians For U. S. Title

WICHITA, Kan., Aug. 30 (UP)—The Eason Oilers of Enid, Okla., today held the national semi-pro baseball championship, the reward of their triumph in last night's finals game with the Buford, Ga., Buns-A-Allens, 7 to 4.

Victory, which carried a \$5,000 prize, came after two weeks of competition at Lawrence stadium, in a survival over 32 entries from every section of the country.

Undeclared in seven starts, the Oilers won their final game with a fusillade of batting power, which repelled three hurriers for the Georgia team. Enid collected 12 hits. But, the winning pitcher, allowed only four safeties.

The crowd of 15,000 was the largest ever to witness a baseball game in Kansas.

Officials estimated that more than 100,000 fans had attended the tournament games. In addition to the first prize, \$7,000 was divided among the next nine high placing clubs.

MORMON METEOR TO BEGIN GRIND

BONNEVILLE SALT FLATS, Utah, Aug. 30 (UP)—Ab Jenkins, Utah's ace automobile racing driver, was scheduled to start his attempt to lower the 40-hour speed record tomorrow.

His Mormon Meteor reached 160 and 171 miles an hour in test runs yesterday over a wet course. Fair weather and sunshine was expected to put the track in good condition for his run tomorrow.

After completion of the Meteor run, Jenkins plans to attempt to establish a new stock car speed record.

RAND IN BOISE

JEROME, Aug. 30 (Special).—Approximately 40 members of the Jerome school and accompanied by Prof. and Mrs. Gustav Fleischer left Saturday morning for Boise where they had accepted an invitation to play for the parade and the rodeo on Sunday. The group had all expenses paid.

Challis National forest, and M. G. Markle, assistant supervisor, were luncheon guests at the club Friday.

CONTINUED PROGRESS

for Idaho Mutual Benefit Association

THE NORTHWEST'S LARGEST, STRONGEST PROTECTIVE ASSOCIATION

A Message from D. J. BORUP, President

IDAHO MUTUAL BENEFIT ASSOCIATION was founded in the year 1930. July 17th was the actual date of incorporation, under the laws of the State of Idaho. The association was formed as a strictly non-profit organization, for the express purpose of offering dependable, generous life protection to members at the lowest possible cost.

Now Idaho Mutual has enjoyed seven years of uninterrupted progress and, for all but the first few months, has been under one continuous management. This period of progress has seen an increase from three members in 1930 to more than 18,000 in July of this year. The association provides employment for seventy-five people, either as agents or office workers. Our agency network touches practically every city, town, and village in Idaho. Our happy members are scattered throughout the United States and Canada. Idaho Mutual Benefit Association STANDS ALONE, as the leading protective association in all the Northwest, and is not connected with any other association.

Idaho Mutual is justly proud of its progress. Our financial strength today is by far the greatest in the history of the association, with more than \$27,600,000 of protection in force.

It costs little to carry an Idaho Mutual policy. The highest sum reached for any one year was \$9.50, for \$1000 of protection; \$17.00 for \$2000 and \$24.50 for \$3000. The cost during all other years has been much less. I ask you to compare these amounts with what you pay for similar amounts of any protection or insurance you may be carrying.

We attribute much of the success of Idaho Mutual Benefit Association to the following facts: Our promptness in the settlement of claims; our economical management; foresightedness in purchasing equipment that will serve for the future, as well as for the present; our careful selection of representatives in the field; our efficient office force, and their interest in the advancement of the association.
