Chinese Troops Halt Japanese General Offensive

Nippon Invaders Meet Resistance In Newest Drive

EXPERT DEFENSE ARTILLERY PUTS END TO ARMY ADVANCE

SHANGHAI, Oct. 5 (AP)—Chinese troops stopped the Japanese general offensive short today and countered with a rain of big gun shells on Japanese key points. The Chinese lines cracked yesterday. But when the Japanese went over the top again at dawn today they met with a stone wall defense.

Chinese troops with machine guns and hand grenades were dotted thickly in the open marshy fields north of the city. It was the same in the dual alleys of the Chapei-North railroad station sector of Shanghai. Expert Chinese artillerymen scored direct hits on the Japanese navy headquarters area of the Hongkew section, which is the Japanese controlled section of the international settlement, and their anti-aircraft guns brought down a Japanese bombing plane near Tazung. Japanese artillery and naval guns centered their fire on the Chapei area and Fongtsing across the Whangpo river from the international settlement.

Silent on Black

CONFERENCE TO STUDY CRISIS IN FAR EAST FIGHT

Signatories of Nine-Power Treaty Would Attend Special Meet

By WALLACE CARROLL
GENEVA, Oct. 5 (AP)—A drafting committee on the league advisory committee on Chinese-Japanese relations approved in principle today a proposal to convene an emergency conference on the Chinese-Japanese war. It was proposed that signatories of the nine-power treaty guaranteeing China's integrity and other powers interested in the Far East, would attend. The United States is one of the treaty signatories. The full league of nations advisory committee was expected to approve the resolution later today and the world assembly of the league was expected to approve it tomorrow. As one feature of the report submitted today by the drafting committee—Great Britain, France, Russia, Australia, Latvia and China—was the League of Nations not to take any measures which might weaken China's power of resistance. This was designed to remove the possibility that measures such as the arms embargo which Britain and other league nations applied against China, Japan in 1935 might be imposed against China this time. It would prevent any credit embargo against China likewise.

War Plane Becomes Wreckage

A few minutes make a big difference in aerial values. Shortly before this picture was taken, this modern plane was part of the Chinese army's air force, over Shanghai, China, was taken after it had been brought down by Japanese at the Shanghai race track. Its landing gear is damaged, and a wing is off.

SEN. BORAH SAYS CHINA'S MOST 'PEACE LOVING'

Idaho Bolon Backs President In Speech Asking For War Avoidance

BOISE, Oct. 5 (AP)—Sen. William E. Borah, R., Ida., commenting on Mr. Roosevelt's speech in which he voiced a desire to cooperate with "peace loving" nations, today raised the question of China as a peace loving nation and of all nations the most so. She needs cooperation at this time with all other peace loving nations. "But, she does not get it. No Cooperation. It is impossible to cooperate in this instance except to go to war, so we come back to the only sound doctrine. Borah said the "only sound doctrine" was the following statement by Mr. Roosevelt: "It is my determination to pursue a policy of peace and to adopt every practical measure to avoid involvement in the present Chinese-Japanese war. Sen. Borah said, "every American will support the President in carrying out that policy."

NLRB Member Hits Prejudice Charges

U. S. Chairman Strikes Back at Accusations Made at Federation Convention

By JOE ALEX MORRIS
DENVER, Oct. 5 (AP)—Chairman J. Warren Madden of the national labor relations board today struck back at American Federation of Labor charges of "prejudice" toward the rebel C. I. O. unions. Addressing many hostile labor leaders at the federation's 57th annual convention, the labor board chairman declared that the rivalry between the A. F. of L. and insurgents led by John L. Lewis would not be permitted to sway the board from his efforts to administer the labor act impartially.

LIQUOR HEARINGS START ON OCT. 18

Preliminaries Set for Quartet Taken in Raids; Injunction Plea Drawn Up

Hearings against four Twin Falls, Buhl and Kimberly men facing public nuisance charges after raids on assorted liquor establishments will be started here next Wednesday, Oct. 13, under the Peace Code. The quartet is W. A. Aracada and W. R. Cameron, Twin Falls; Henry Thomsen, Buhl; and Bob Prout, Kimberly. They were arrested late Saturday night after raids had been made on instructions from Eugene Babcock, county attorney, in cooperation with the Idaho liquor control commission. "Pleas drafted" for Thomsen will follow in order, the judge's pocket allows. Complaints seeking district court injunctions in abatement of nuisances were being drawn up this afternoon against the four establishments and their owners by Mr. Babcock. He said several other cases might be filed by filing by tomorrow. The injunction actions will be (Continued on Page 2, Column 4)

Duke Plans On Comeback, Report Hints

American Aviator Goes Before National Military Tribunal in Spanish War Today

HALAMAHICA, Spain, Oct. 5 (AP)—Harold E. Dahl, Champaign, Ill., goes before a nationalist military tribunal today charged with rebellion. He was convicted that he will be executed and sentenced to death before a firing squad.

Dahl's beautiful young wife of six months, who gave up a promising career as a singer with Rudy Vallee's orchestra to join him in his Spain's adventure, wept impotently in Cannes, France.

The handsome young American was captured by the nationalists last July 12 when he was shot down over the Madrid front while flying for the republics.

Legal and military authorities said they were confident the nationalist provisions would demand his death since Dahl is charged with rebellion. Many believed that after his photograph and identification by Franco would pardon him. Franco spared his life once before after Mrs. Dahl sent him her photograph and identification by Franco would pardon him. Franco spared his life once before after Mrs. Dahl sent him her photograph and identification by Franco would pardon him.

Madden spoke to men who had repeatedly criticized the action of the labor board in disputes between C. I. O. and A. F. of L. unions. A resolution has been introduced in the convention calling upon the President to disband the present board and appoint another that would "honestly" carry out the intent of the law.

The board chairman made no effort to pull his punches although he vigorously defended the action of his agency and pointed out that both the C. I. O. and the Federation had criticized its decisions.

have ever known." Franco was touched by the letter which appealed to his Latin love of youthful romance. Mrs. Dahl is exceptionally attractive. Dressed in new clothes for his trial, Dahl was convinced he would be shot. Dahl said his nights were nightmares of dreams of life as a South Sea island with his beautiful wife, interrupted by a firing squad's bullets.

CANNON, France, Oct. 5 (AP)—Mrs. Harold E. Dahl was in tears today as reports received here stated that her husband, an American aviator with the loyalist air force, had been brought before a military court martial on a charge of rebellion.

Warns That U.S. May Be Attacked In Near Future

Germany, Italy, Japan Targets of New Thrust

By LYLE C. WILSON
CHICAGO, Oct. 5 (AP)—Warning that the United States may be attacked if developing "international anarchy" is unchecked, President Roosevelt today deliberately aimed a blistering speech at nations involved in Spain and China and proposed a "coerced" effort by peace-loving peoples to maintain justice in the world.

Mr. Roosevelt's targets scarcely could be mistaken and they seemed to be Germany, Italy and Japan. He suggested a "quarantine" of offending nations, raising instant conjecture whether the administration would join in any method of sanctions against aggressor nations.

Asserting that "the epidemic of world lawlessness is spreading," Mr. Roosevelt said: "When an epidemic of physical disease starts to spread, the community approves and joins in a quarantine of the patients in order to protect the health of the community against the spread of the disease."

Highlights of FDR Speech

CHICAGO, Oct. 5 (AP)—Highlights of the President's foreign affairs address here: "The people of the United States under modern conditions must, for their own future, give thought to the rest of the world."

"The high aspirations expressed in the Briand-Kellogg peace pact and the hopes for peace thus raised have of late given way to a haunting fear of calamity."

"Without a declaration of war and without warning or justification of any kind, civilians, including women and children, are being ruthlessly murdered with bombs from the air."

"There must be a return to a belief in the pledged word, in the value of a signed treaty. There must be a conservation of our national morality as vital as private morality."

"International anarchy destroys every foundation for peace."

"The overwhelming majority of the peoples and nations of the world today want to live in peace."

"No nation ever loses its dignity or god standing by conciliating its differences and exercising great patience with, and consideration for, the rights of other nations."

"America hates war. America hopes for peace. Therefore, America actively engages in the search for peace."

Planes Duel Over Nanking

NANKING, China, Oct. 5 (AP)—Two Japanese planes appeared over Nanking today in the first air raid in ten days. Six Chinese planes took off and engaged two Japanese pursuit planes in combat, while four Japanese bombers flew off without dropping bombs in the city itself. At least three bombs were heard in the distance. Other Chinese aircraft joined the original six and the sky seemed filled with them, indicating that the Chinese air force had been greatly increased by shipments of planes from abroad.

WARRING NATIONS DAPPED BY FDR

Warns That U. S. May Be Attacked if Anarchy Continues

(From Page One) Justice, Mr. Roosevelt said this "reign of terror and lawlessness" began a few years ago.

"America hates war, America hates war, America hates war," he said, "but she actively engages in the search for peace."

The President spoke at the dedication of the outbreak bridge, a \$5,714,000 project built with aid of \$1,972,358 of public works funds.

Mr. Roosevelt congratulated the city and the nation that "we can solve our problems by using our brains and our common sense."

Then in solemn language he warned that isolation is not protection.

"It is because the people of the United States under modern conditions are so free to express their own views, that I am so confident of the future of the world."

"I am confident that the people of the United States will continue to stand for the principles of democracy and justice."

Turning from his nameless audience, Mr. Roosevelt continued in his own words:

"If those things come to pass in other parts of the world, let no one be lulled into a false sense of security."

Of those days are not to come to pass in our world in which we can breathe freely and live in amity without fear.

Bank Records Fade in Blaze At City Dump

Receiver Disposes of Defunct Twin Falls National's Books Here

The city dumps today contain records which it took years to gather, and about 12 hours to burn.

In an effort to save defunct Twin Falls National's books no more, not even in records.

Books and records of the bank were disposed of yesterday by the receiver, H. H. Haase, bank receiver. And today the uncalled for dividend checks were sent back to Washington, D. C.

Mr. Haase said that the bank records were secured by writing the comptroller of currency, division of defunct national banks.

Mr. Haase is a peculiar authority regarding these checks. Haase said this afternoon. "All these people filed claims against the bank in question and were failed to call for their money. In many cases we delivered them in person but many we could not locate. And so they go back to Washington."

Announcement was also made by Mr. Haase of sale of the remaining books and records of the defunct bank of Twin Falls. The sale, he said, will be held at the Twin Falls county court house here at 10 a. m.

After completion of work connected with the "finishing up" of the Twin Falls National, the receiver's office in Twin Falls will be closed, he said.

No Demands to be Imposed on China, Says Japanese Naval Head

EXPLANATION FOR UNDECLARED WAR GIVEN BY LEADER

Violation of Solemn Treaties Cited as Reason For Invasion

(Editor: An outline of Japan's justification for her present undeclared war with China and the basis on which she is prepared to end it is given by Vice-Admiral Mitsumasa Yonai, imperial navy minister, in the following exclusive interview given to the United Press correspondent, who has reached Tokyo after two months of covering the Chinese-Japanese struggle on the Yangtze valley front.)

By H. R. EKINS
(World Copyright, 1937, United Press)

TOKYO, Oct. 5 (Special)—Japan has absolutely no intention of imposing severe demands on China when her present undeclared war with that country is terminated. Vice Admiral Mitsumasa Yonai, imperial navy minister, told the United Press today in an exclusive interview.

Admiral Yonai explained Japan's justification for the war and outlined the general terms upon which she is prepared to end it. His statement may be taken as carrying authority since the Japanese and the army have been vested with preponderant power in the present crisis. The minister made these points: Japan is not seeking to crush the Chinese people but to crush the anti-Japanese movement in China. No interference with the trading rights or the other vested interests of the powers in China. Her blockade of the Chinese coast will be lifted as soon as it is militarily safe to do so. Her justification for the war is that she considered to be a series of Chinese violations of solemn agreements with Japan, murders of Japanese citizens by Chinese nationalists, repeated attacks upon Japanese and their property by mobs of Chinese, the adoption by the Chinese government of an anti-Japanese movement as an instrument of national policy, and her desire to make China into a "good neighbor."

Her general terms for settlement will be a cessation of the things to which she objects by a Chinese government willing and able to carry out a policy of friendship for Japan. In clipped, forthright sentences, Admiral Yonai emphatically stressed the Japanese terms for lifting her blockade of the Chinese coast as soon as possible. He intimated that Japan has no desire to disrupt foreign trade and commerce with China.

Blockade Necessary While in Shanghai, I heard American, British and other business men accuse Japan of adopting a dog-in-the-manger attitude, meaning that while she kept the door to business in China occidental business will be crippled as much as possible. Admiral Yonai bluntly denied the charges that Japan is taking advantage of the military situation to crowd occidental traders out of the Chinese market.

"The blockade is due entirely to the exigencies of the military situation," he said, "and it will be lifted as soon as the military necessity which dictates it is ended."

"What are the prospects of early resumption of normal shipping and commerce activities at Shanghai and other ports so that business men

CAVANAGH SUED BY AUTO DRIVER

Named in \$10,724 Suit With Bingham County as Joint Defendant

BOISE, Oct. 5 (Special)—Damages of \$10,724 had been asked in federal court today against Dan Cavanagh, Twin Falls contractor and state representative, and against Bingham county.

Claimant is Charles Minster, Pennsylvania man who claims he was hurt when his car went off the edge of a bluff from which a bridge had been removed. He claimed Cavanagh was negligent because he did not erect any warning signs after moving the bridge for the county.

The accident happened Sept. 10, according to the complaint.

Parking Petition Held By Council

Citizens Urge Extension of 2-Hour Limit Zone

Petition of four property owners in the 300 block on Shoshone street north for extension of the 2-hour parking area to include that block today had been tabled by members of the city council after it was presented for their approval last night. The petition asserted that "various persons" used the block for parking purposes, the entire day, making it necessary for customers to double park while loading and unloading.

Motion was put aside, councilmen said, because of the possibility of extending the present zone. It was indicated, however, that even extension of the zone probably will not include the block for which the petition was filed.

Signers of the petition included Mrs. J. W. Cook, H. M. Bean, Edward Vance and R. A. Drake, M. D.

PLANS MADE FOR LIBRARY COURSE

Session at Idaho Southern to Depend on Interest Shown, NYA Head Says

Possibility that a three months' special course in library work will be held at the Idaho Southern university at Pocatello was seen here this afternoon with announcement by J. W. Folsom, National Youth Administration field representative, that NYA as well as regular librarians will be contacted to learn whether or not they would attend such a course.

The course will deal with library training, if held, and will be open to regular librarians as well as the NYA youths now employed on library projects. In the case of NYA youths they will be given \$25 for each of the three months spent in study at Pocatello. Of this amount \$20 will go for board and room with the remaining \$5 for spending money or personal needs.

The course will be given under the federal vocational program and no registration fee will be charged if held, Folsom said.

"Whether or not the course will be offered depends on the number who signify they are interested," Folsom said. "If a good number enroll, then the course will get underway Jan. 1 and continue through March 31."

Interested and eligible parties should contact in person or write Mr. Folsom for additional information. New NYA offices are located at 260 Second street east above the district health unit office.

Assessed Fines Prove Boom To City Treasury

Municipal Court Record Set, Report For September Shows Locally

Twin Falls' present drive against traffic violators, especially drunken and reckless drivers, is not only "yielding fruit" so far as ridding local streets of such law-breakers is concerned, but is also resulting to a steady flow of funds into the city treasury, records showed today.

A new high for a month's "contributions" to city funds had been scored after the report of Municipal Judge J. O. Pumphrey was accepted by the city council last night.

Total traffic fines assessed and collected amounted to \$256, the report shows, while total fines, bonds and costs assessed and collected among other sources came to \$389.50, making a grand total of \$645.50 "turned in" by the judge for the month of September.

Jerome Officers Recover Papers

JEROME, Oct. 5 (Special)—Valuable papers taken two weeks ago and belonging to Charles M. Stone, manager of the Eden elevator, have been recovered by county officers. It was learned today.

The papers, some Idaho Power stock and numerous life insurance policies, were discovered about a mile from Eden along the highway. Sheriff Davis was called to the scene and all the papers were found intact.

From all indications, the thieves did not make a very big haul since they discarded the papers and only five pennies were in the strong box which they took.

BUILDING REMODELED

JEROME, Oct. 5 (Special)—The Spacht Chevrolet Motor company here has done extensive remodeling in the front part of the building. More floor space is now available for the show room and more space has been added for the parts department. A mezzanine floor has also been built above the show room and part of it will be used for the private office.

Horrible Pains From Bloating

Stomach Full of Gas; Van-Tage Brought Her Amazing Relief.

Mrs. R. Pharaoh, of 746 Adams St., Phoenix, Ariz., is publicly endorsing Van-Tage, which is the "A" in a fine Mixture of Nature's Roots and Herbs and Other Splendid Ingredients, now being introduced in this city at the Schramm Johnson Drug Store, 102 North Main street.

"I could hardly eat anything for my food would lie in my stomach and create the most awful gas. This gas would cause horrible pains. It is impossible to describe the suffering I went through. I was just miserable all the time and life hardly seemed worth while. I just didn't seem to be able to get much help. I began reading about Van-Tage and I decided to try it. I began taking Van-Tage and now I am able to eat what I want and my food does not come out of my stomach. The gas swelling has gone down so much that people ask me if I am getting thinner, although I have not lost any weight. I have taken three bottles. I am feeling better than I have for years. Van-Tage is a Wonderful Medicine!"

VAN-TAGE helps invigorate bowels, stomach and kidney action. Its 21 Great Herbs and Other Splendid Medicinal Agents cover 30 ingredients in all have a surprising effect on suffering people. Due to the immense volume in which it sells, Van-Tage is NOT expensive, so get it TODAY at the Schramm Johnson Drug Store, 102 No. Main.

BEHIND THE SCENES IN WASHINGTON
By Rodney Dutocher
Evening Times Washington Correspondent
WASHINGTON, Oct. 8.—Predictions affecting labor, based on the judgment of shrewd observers as well as information and belief, are that the latter more harm than good.

Shifting Trends Vex Business Men
Just as if we didn't have enough other things to worry about these days, we are now invited to view with alarm the fact that mother doesn't begin to bustle around in the kitchen the way she used to.

WELL NOT OUST UNIONS
C. F. L. Lewis would like to see John Lewis and his pals, who with their unions are now only under suspension, if they thought it would do the latter more harm than good.

The good old days of man-sized breakfasts, says Mr. Beckjord, seem to be gone forever. No longer does the sturdy citizen sit down to a table full of bacon and eggs, cornbread, potatoes and fried cornmeal mush, as in the good old days.

WELL NOT OUST UNIONS
C. F. L. Lewis would like to see John Lewis and his pals, who with their unions are now only under suspension, if they thought it would do the latter more harm than good.

Now all of this probably strikes the ordinary citizen as mildly amusing. Yet it is far from amusing to the gas companies, which find an unlooked-for shift in popular habits cutting into their business; and it is just a sample of the unpredictable hazards that all kinds of business face these days.

You could go on citing such examples all day, and when you got through you would begin to understand why business executives so often get gray hair. Ordinary competition a business man expects. He can meet that; it's part of the game.

Mussolini's Democracy
If you can make your own definitions, you can make any statement in the world and get away with it. So when Mussolini declares in Germany that Italy and Germany are "the soundest democracies that exist," it is necessary to look at his definition of the word democracy.

If you accept that statement, and accept the corollary that Hitler and Mussolini really embody, in all unselfishness, the hidden will of the masses, you may be able to accept the statement. Most Americans, however, will continue to define democracy, and to practice it in the traditional manner.

Fall Party Arranged By Elks for Oct. 14

Opening fall party of the Elks club has been arranged by the members for Oct. 14 at the hall and is planned for 150 or 200 couples, it was announced this afternoon by Carl Gibb, chairman of arrangements.

The affair will include cards for the ladies while members hold meeting and initiate new members. Gifts will be awarded winners and a grand prize will be given by the organization.

Dancing is to begin at 10 o'clock to music by Chuck Helm and his Continentals. Each lady will receive a door prize at the event. Refreshments will be served at the close of the evening.

Those serving on the card committee are Mrs. Harry Bennett, Mrs. Truman Greenhich, Mrs. O. P. Duval, Mrs. Leslie Cowan and Mrs. Joe Deiss.

TEACHERS FETED BY B. P. W. CLUB

Business and Professional Women's club entertained last evening at the Park hotel honoring the teachers of the Twin Falls school system. Mrs. Crystal Van Aulstein, president, heading the receiving line of officers, greeted the guests. Eighty-five were present.

Principal speaker was Mrs. Genevieve Dwight, who discussed the organization's aims and objectives. She quoted a member of the United States Chamber of Commerce as saying that the membership of 7000 was one of the greatest influences for world peace.

Mrs. Etile Hinton and Miss Josephine Turckmorton, program chairmen, presented two solos, "When Song Is Sweet," Sans-Souci, and "Makin' It," Lomaxville, by William Smith, accompanied by Miss Turckmorton; a piano selection, "The Venetian Boatman," Franz List, by Murray North, and two vocal duets, "Oh, That We Two Were Maying," Nevin, and "Bonnie Doone," an old Scotch air. Mrs. Russell Foster and Mrs. U. B. Terry.

An outline of the "Taming of the Shrew," the next high school play to be presented, was given by Miss Florence Rees, instructor, and an excerpt was staged by Miss Virginia Kerlin as Katherine and Asher B. Wilson as Petruchio.

Refreshments were served.

DAUGHTER'S TROTH REVEALED BY PARENTS

Mr. and Mrs. M. H. King have announced the engagement of their daughter, Ardeth, to John Pemberton Thatcher, Reno, Nev. The wedding date has been set for Oct. 15.

Calendar

American Legion auxiliary will meet Wednesday at 8 p. m. at the Legion Memorial hall for the installation of officers and yearly reports from committee chairmen.

Kimberly Road club will entertain at a desert luncheon Wednesday at 2 p. m. at the home of Mrs. Leonard Ellis, 1515 Kimberly Road, for the presidents of the Rural Federation.

Executive committee of the Bickett Parent-Teacher association will hold a meeting Wednesday at 2:30 p. m. at the home of Mrs. H. H. Burkhardt, 527 Fourth avenue east. All committee chairmen are asked to be present. It is announced.

FIRE MAKERS' DINNER ARRANGED

The first fire makers' dinner of the Waykuin Camp Fire group was held recently at the home of Lillian White where four tables were arranged on the lawn. They were centered with Indian tapes and plaques were marked with the Camp Fire symbol of crossed logs.

The group sang Camp Fire songs during the evening. Guests were Mrs. A. B. White and Ruthann Hayes.

LANGHAM-BEASLEY MARRIAGE ANNOUNCED

Miss Lillian Beasley, daughter of Mrs. Wynne Smith, Twin Falls, and Harold Langham, were united in marriage on Sept. 22 in Chicago, according to word received here.

Mrs. Langham graduated from Twin Falls high school in 1926 and in June from the Cook County nurses' training school. Mr. Langham is an accountant in the Chicago Western Electric company's business methods department.

EVENING SESSIONS STARTED BY LOCAL CLUB

Cards were the diversion of the first of a series of evening meetings held Sunday by the Sunshine Valley club at the home of Mr. and Mrs. O. Herrick. Husbands of members were special guests and other guests were Miss Jerry Herrick, Edson Petzold and Herman Fogdall.

Five tables of pinocle were at play with prizes awarded to Mrs. Freike Douglas, Norma Webb, Leslie McInturf and Herman Petzold. The prosperity gift went to Mrs. Ida Swanson.

Following the games refreshments were served by the hostess, assisted by Mrs. Bess Herrick and Miss Herrick.

"Hard times" party will be held on Oct. 23 at the home of Mr. and Mrs. McInturf.

PLANS COMPLETED BY BOARD FOR BALL

At a meeting of the M. A. state boards last evening final plans were completed for the fourth annual improvement Era ball to be held Thursday at Radio City convention, having been located to all the nearby states and the general public is invited. It was announced. Music is to be furnished by the Nite Hawk orchestra.

The quota of Era subscription for the Twin Falls state is 211 and each of the five wards expects to make its quota by Thursday, it was stated at the meeting.

C. Vern Yates is chairman of the ball; Mrs. Alice Richtus and Clifford Barrow, ticket subscriptions; E. Archie Wilson, finance; A. T. Ward, door committee, and Mrs. Norma Wicken, publicity.

BRIDGE CLUB

Mrs. Artell Kelly was hostess last evening to members of the Mon Club bridge club at her home. The evening was spent at contract and tables were at play. High score was received by Mrs. Jack Carlson.

As the close of the games refreshments were served by the hostess at the quartet tables which were lighted by orange tapers. A Hallows on motif was carried out in other decorations.

Guests were Mrs. Walter Dow and Miss Ina Sierver.

Service Held for Infant at Jerome

Opening prayer was said by Harry Bingham, followed by the speaker, Richard Hansen, Mrs. Lydia and Mrs. Pearl Othman sang "One Fleeting Hour" and "Unanswered Yet." Accompaniment was by Mary Thompson. Mrs. Jensen read the closing prayer. Dedication of the infant was in the Jerome cemetery under the direction of the Wiley Funeral Home.

BULL MOOSE MEET

BULL, Oct. 5 (Special) - Bull Moose, at the next regular meeting Thursday night, are to bring all candidates. Special entertainment will be provided, and a feature of the evening will be presentation of the new neon sign, according to D. M. Cheney, secretary.

Girl Reserves Magic Valley District

Freshmen-sophomore cabinet of the Bull (G) Reserve club met in executive session yesterday noon to plan for this afternoon's general club meeting.

Play leaders, high school football coach, was guest speaker at today's meeting talking on "How to Watch a Football Game and Enjoy It." This topic was selected for the benefit of many of the freshmen girls, who professed a lack of understanding of the game.

First membership party of this group was announced for Saturday, Oct. 16.

Arrangements for the kid party to be held on Thursday were completed at a meeting of the Youmans council of the senior class Girl Reserves at Bull held yesterday afternoon.

Miss Roberta Hancock, social chairman, is in charge of all details for the party which will be held in the Girl Reserve room at the high school.

Miss Ruth McManline, Magic valley district secretary, left today for Burley where she will hold a meeting with council members there this evening. Plans and details for the fall conference on Nov. 6 will be completed.

READING AWARDS GIVEN STUDENTS

Awards for completion of vacation reading projects have been made to 343 grade school children and to pupils of St. Edwards school, the library reports. Those participating during the past summer showed a marked increase over those receiving the prescribed number of books, either four or five, is given on the students report card and first and second grade pupils receive a blue pin saying, "I Read Library Books." Certificates on yellow paper, with a drawing of a shelf of books with the titles of the books described on it, were awarded to third and fourth and fifth grade students after they had completed a written report.

Those attending Lincoln school ranked above other pupils with 23 per cent of the enrollment completing the necessary vacation reading requirements. Washington was next with 22 per cent and Bickett school ranked third with 19 per cent.

Among the odd wits probed last year, one was tattooed on a human back and another was written on an egg.

WPA COOPERATES ON BELL-RINGING

Teachers Will Join in Plans For Anti-Tuberculosis 1937 Campaign

WPA directors, teachers and leaders will join with public school teachers and pupils in promoting the novel bell-ringing project which is part of the Christmas seal sale school program of the Idaho Anti-Tuberculosis association, it was announced here this afternoon by Mrs. W. Orr Chapman, chairman of the association.

Announcement of the cooperation was received from John W. Condie, state superintendent of schools, and F. P. Baird, state director of the education division of WPA.

"Bell-ringing" is the theme of the Christmas seal program because the 1937 Christmas seal has on it the twin cruter of old, with his bell and lantern. The school project includes the development of unusual musical programs using flower pots, water glasses and other common objects to produce the music. These programs will be presented before service clubs, Granges and other groups at Thanksgiving, to usher in the 1937 Christmas seal sale.

Supt. Condie recommends it as

GIANT BACKERS SEE LUCK BRINGING TITLE

Dope Says Yanks, But Fortune May Be Aid to Terry

Writer Believes Southpaws Might Hold McCarthy's Powerhouse in Check

By GEORGE KIRKSEY
NEW YORK, Oct. 5 (AP)—The dope says the Yankees but lady luck says "this is the Giants' year."

Lady luck picked the Giants early in August and rode down the National league stretch with the Terrymen while they overcame the Cubs' 7-game lead. Misfortunes, accident and injuries all turned out to be blessings in disguise for the Giants.

Counting lady luck as the tenth player on the side of the National league champions, this observer selects the Giants to win the world championship in a seven game series. It will be a bitterly-fought series in which the Giants' outpawh pitching and stout defense will smother the Yanks' vaunted power.

The Giants have a considerably better ball club than they had last year when the Yanks triumphed four games to two. And don't forget how close the Giants came to capturing the championship in a seven game series. It will be a bitterly-fought series in which the Giants' outpawh pitching and stout defense will smother the Yanks' vaunted power.

Luck played a big part in forming the Giants' winning combination. The pitcher was bearded by Bob Feller in the spring which led indirectly to the acquisition of Wally Berger. Berger won several games and then Crosetti's roll bounced off Fitzsimmons' glove and rolled dead behind the box while the winning run scored over the plate, enabling the Yanks to win four hits, 2-1.

It is the Giants had won that they might have won the series. Last year the Yanks were feeble. Bill Terry had to have his legs massaged for hours and he was managed to permit him to play first base. The Yanks' pitcher, who had his career at third on uncertain underpinnings.

Comparison of the two clubs on their season averages is misleading. The Giants didn't find their winning combination until August. Bating averages dropped in early season. The Yanks' season averages during the Giants-August-September days.

Power Loss
The Yanks haven't the all-round power they had a year ago. Crosetti, Rolfe, Powell and Lambert, closing out his career in this series, all have slumped off their 1936 pace. The Yanks' big three are DiMaggio, Selkirk and Leiber. They carry the brunt of the Yanks' attack.

The Giants stopped DiKie last year, holding him to three hits and one run. The Giants' infield was hand-picked by Dickey again (and Manucco hit him for Bill's blind spot last year), the Giants will be well wadded for their way to the world's title.

Summing up, the Yanks aren't as good as last year, having lost some of their batting power. The Giants have a better balanced attack and a sounder team than in 1936.

Lady Luck is riding with the Giants, whispering in their ears: "You can't lose."

SPORT QUIBS

After viewing our major league "weekly standings" as published in this column last spring, we doubt if we are all qualified to suggest a winner for the world series.

We did do all right in the American chase, but the National turned out to be rather a nightmare. In the junior circuit we named the Yanks to finish in front with the Tigers second—which is the way it turned out. In the National—well, that is a different story. We placed our money on the Pittsburgh Pirates and had high hopes for the first couple of months. But after that everything went topsy-turvy. We were even so foolish as to name the champion—Giants in fourth place.

That wasn't so bad, either—considering the pick we had for the Yankees. We were even so foolish as to name the champion—Giants in fourth place.

Our pick and the final standings were as follows:
NATIONAL LEAGUE
We Picked 1937 Finish
1—St. Louis 2—Pittsburgh
1—Cincinnati 3—Pittsburgh
2—Chicago 4—St. Louis
3—Boston 5—Boston
4—Brooklyn 6—Brooklyn
5—Philadelphia 7—Philadelphia
6—Cincinnati 8—Cincinnati

There is an old saying that pitching is 60 per cent of a team in a short series. But of course, that's a rule by which the Giants-August-September days.

On Track of Fame

Nominated as a future world champion, the winner of the richest juvenile horse race, two-year-old Menow, is led by owner H. P. Headley, from the Belmont Park N. Y. track after the colt's world record victory in the \$75,000 Futurity in 1934.

Attendance, Receipts Record Expoted to Fall in Gotham Battle
NEW YORK, Oct. 5 (AP)—From the box office angle, the 1937 world series between the Yankees and Giants, opening tomorrow at Yankee stadium, promises to be the greatest in history, in spite of the fact that it's nothing new to New York teams to be in the classic.

Attendance and gate receipts records will go crashing regardless of how many gamblers played. The new stadium will seat 71,303 persons, largest seating capacity in history for a world series game. The Polo grounds can accommodate 56,687 persons. Thus the combined seating capacity of the two parks will be 127,970, biggest ever.

A nickel won't buy a hot dog or a bag of peanuts once you get into the park.

And getting in the park involves an outlay that can't be figured in nickels and dimes. Box seats are \$2.00 and reserved seats \$3.50. These had to be purchased in blocks of three per game. That is, if a fan wants to see every game he must put up \$3 in advance for tickets to the first six games. Tickets for the seventh game, if necessary, won't be sold until the day of the game.

Besides the \$3 outlay for six game series, subway fare (the only nickel item in the budget), programs (they're a dime), hot dogs, peanuts, soda pop, beer and cushions run the total world series expenses for one fan close to \$40.

There are several high priced \$3-\$30 and bleacher seats at \$10, but these are placed on sale the day of the game, and involve long waits in line. The Giants, who are expected to be the main attraction, which may attend a world series game are:
Seven New Records Likely
DiMaggio's batting average will be wiped out when Crosetti's batting average is broken.

Walker Serrach got a nice \$50 total. His second game was his best. Two doubles that time; a double in both his first and third.

McCracken got a neat series, also with \$24. He had 199 in his best game—a turkey and a double in it. Fargo went over the 500 mark with \$20 to be exact. His middle game was also his best, 181. No doubles in it.

John Ford didn't get to going in the one game he rolled. Vern Jennings filled in John's second and third games and got 204 his last game by striking out.

Bill Towan collected two doubles. Bob Logan had one. Grant Kunkle got a turkey his second game and one double his last.

High school suffered a setback; Hugh Boone collected what was wrong.

Post Office has yet to lose a game in City league, having won six in row, taking all three to Brooklyn.

SALTZGAVER OF YANKEES HAS SOFTEST JOB MAC CAN FIND

By HENRY McLEMORE
NEW YORK, Oct. 5 (AP)—Men long have been at variance over the question of what constitutes the softest job in the world.

For every one who argues that the station car on a trans-Atlantic liner has the softest snap, there is one who advances a claim for (1) dentist, (2) the man who compiles a list of football players whose characters were built by coaches and (3) the man whose duty it is to draw up a code of ethics for the wrestling trust.

Now what has Saltzgaiver done to this sticky stupor? Well, to use a British rolling phrase, let's turn to the record. Saltzgaiver here it is.

He has played in 16 games. That's not very many. The Yanks, through today, have played 148 games.

His must be a happy, contented life because of the team in baseball the Yankees are the richest and live and travel in the finest style. And Saltzgaiver is a man who likes to play and enjoying the best trains, the finest steaks, the most comfortable life.

The Yankee stadium is the best playing field in the major leagues and has a beautifully applied dugout. Saltzgaiver suffers no discomforts sitting on the bench. The seats in the Yankee dugout are very nice, the shade is cool, and an elegant fountain spraysiced water 24 hours a day.

Manager Joe McCarthy is a kind and considerate manager, and the stadium transportation is so good that it is a pleasure for Saltzgaiver to travel to and from his home.

Anna Pabst Wins Girls' Net Title
Anna Laura Pabst today is White tennis champion of the junior high school and is automatically girls' school champion as no girls in the Red group turned out. Miss Pabst won the title by defeating Ruthann Hayes 6-3, as they met in a game played Saturday.

Glenn Gibby won the championship for the boys in the White division. He downed Melverne Hubert 6-3. School champion for the boys will be elected in the Junior high school assembly when Wallace Brown from the Reds and Glenn Gibby will fight it out.

Net Stars Move To San Francisco

Don Budge Defeats Riggs for Coast Championship
SAN FRANCISCO, Oct. 5 (AP)—International tennis stars moved to San Francisco today for a championship match and a series of exhibitions following the close of the Pacific Coast championships at Berkeley.

The championship match was the men's doubles contest between Don Budge and Wayne Sabin, American pair, and Baron Gottfried von Palm and Henner Henkel, Germany's Davis cup team.

Budge won the Pacific Coast title for the third straight year in beating Margot Lusk of England, 6-2, 6-2 to win the women's title.

Antia Lissana, Ohio, the American champion, took only 20 minutes to defeat Margot Lusk of England, 6-2, 6-2 to win the women's title.

Bill Towan collected two doubles. Bob Logan had one. Grant Kunkle got a turkey his second game and one double his last.

High school suffered a setback; Hugh Boone collected what was wrong.

Strikes to Spare

By FRED STONE
Bernard Aris took all three games from the Elks, with Wall Riggs pacing the winners with \$25 for high ball and \$26 for high single for the victors. Wait got a turkey and a double his second game, four strikes in a row to slant his act. Not too good his first.

Walker Serrach got a nice \$50 total. His second game was his best. Two doubles that time; a double in both his first and third.

McCracken got a neat series, also with \$24. He had 199 in his best game—a turkey and a double in it. Fargo went over the 500 mark with \$20 to be exact. His middle game was also his best, 181. No doubles in it.

3 CLUBS IN TIE FOR PROS' LEAD

Pittsburgh, New York and Washington in Deadlock For East Division
(By United Press
Three teams — Pittsburgh, New York and Washington—were deadlocked for the eastern division in the National Professional Football league today while the Chicago Bears held a slim margin in the western division.

New York defeated Philadelphia 16-7 yesterday and Washington beat Brooklyn 17-7 to move into a tie with the Pittsburgh Pirates who were idle. Each has won two and lost one.

In the western division, the idle Bears remained out in front with one victory and no defeats when they defeated Los Angeles 17-0 in their first defeat, 26-6 from the Green Bay Packers, league champions. The Lions dropped back to third with two victories and one defeat, as the Chicago Cardinals halted the Cleveland Rams 6-0 to move into second with three victories and one loss.

The Los Angeles Bulldogs defeated the Rochester Tigers 20-9 in their first victory, 26-6 from the Green Bay Packers, league champions. The Lions dropped back to third with two victories and one defeat, as the Chicago Cardinals halted the Cleveland Rams 6-0 to move into second with three victories and one loss.

SALE OF SEASON TICKETS GROWS

Final Total to Be Computed on Thursday; Juniors and Seniors Lead
Season ticket sales at the senior high school exceeded that of the past year, Dale Wacker, supervisor of ticket sales, reported today. Final sales will be completed at the close of the campaign on Thursday, before the Bruin games on Friday with the high school football squad, he said.

Laura Heltzer from the junior class is high for the individual salemen. She collected \$400 for the Bruin team. Her second from the senior runs a close second as she has disposed of 38 tickets. Her third runner third as he has sold 30 tickets to the Freshman while Ruth Chastain is fourth with 25 tickets for the sophomores.

THIS CURIOUS WORLD

By William Ferguson

A PHOTOMETER, RECENTLY INSTALLED IN THE STEWART OBSERVATORY, AT TUCSON, ARIZONA, IS CAPABLE OF DETECTING LIGHT FROM A 100-WATT ELECTRIC LIGHT BULB, PLACED AS FAR AWAY AS NEW YORK CITY.

WHISKEY WAS THE FIRST NATIONAL FLAVOR! SCOTLAND ADOPTED IT DURING THE REIGN OF KING JAMES II.

COBWEBS WERE USED AT ONE TIME AS A CURE FOR ASTHMA.

The photometer at the University of Arizona is used for measuring the light from distant stars. Equipped with photographic plates, the instrument could record the light of a 100-watt bulb placed in New Zealand, if only it were possible to see around the curve of the earth.

RENO RACKETEERS BACK FROM TOUR

Western Orchestra Finishes
6-Months' Barnstorming
Trip to Coast

Completing a western road tour of more than six months, the Reno Racketeers had returned to Twin Falls today for local and south central engagements expected to last until spring.

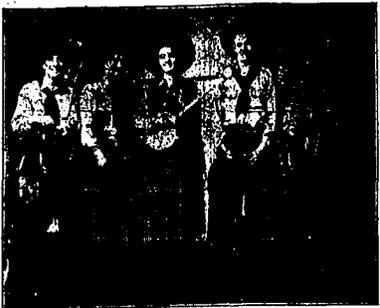

The orchestra, specializing in cowboy and western melodies, will play at a dance in Emmett Wednesday night and will open at Radium here at 9 p. m. Friday, it was announced by Cliff Goddard, director.

Since leaving Twin Falls last March 25, the orchestra has appeared in northern Nevada cities, Reno, northern California, the Red Bluff rodeo at Red Bluff, Calif., Oregon, Washington and northern Idaho. It appeared at the Ellensburg rodeo and at a show and dance at the Grand Coulee dam. Final engagements on the tour were in the Mercy string of theaters at Yakima, Pasco, Toppenish and Walla Walla.

"We have a number of offers to return on our next tour," Goddard said.

The group traveled in motor cars

Return from Long Road Trip

South central Idaho's showboy orchestra is back after a long western road trip, bringing two new members on the roster. The new performers are Gilbert Polier (fourth from left), and Bill Bennett, at extreme right. Favorites from last season are Jack Thorne, at extreme left; Cliff Goddard and Velma Thorne.

and trailers it brought back two new members, and is now seeking a promoter to round out the membership to six.

Those on the Racketeer roster at present include Goddard, who uses the nickname of Cliff; Jack Thorne, Happy Jack; Velma Thorne, But-

termilk Boss; Gilbert Polier, Yavapai Pole, and Bill Bennett, Yakima Bill. The latter two are new.

The United States paid Panama \$10,000,000 for the Canal Zone rights, but this does not include an annual rental of \$250,000.

CRANE NAMED AS STREET OFFICIAL

Council Okehs Appointment;
Hawkins Chosen as New
Foreman in Unit

A. O. Crane, for the past several weeks acting superintendent of streets and water for Twin Falls, today had been appointed by Commissioner Leonard Avant and confirmed by the city council as permanent head of the department.

Crane succeeds Hamer Adams who recently resigned the position, claiming lack of support in departmental duties. Crane, who has been with the city for several years, was formerly foreman, a position which will now be filled by Carl Hawkins, also appointed by Avant and confirmed by the council last night.

JEROME GUILD MEETS
JEROME, Oct. 4 (Special)—Calvary Episcopal Guild met with Mrs. Nina B. Stuart Friday evening. Rev. and Mrs. Rolls of Rupert were guests. Mr. Rolls spoke on the Convocation held at Boise last week. A social hour followed and refreshments were served at the close of the meeting.

It's No Soft Job to Clean Water Plant Filter Beds But City Workmen Push Ahead With First Sand Renewal for Six Years

It's a two-month job, this replenishing of the filter beds at the city water plant, and it's anything but the best of jobs during the present "cool" snap. But five city workmen, with their task half done, pressed on today to complete the work before really cold weather sets in.

An Evening Times reporter, accompanied by A. C. Crane, city superintendent of streets and water and L. C. Satterlee, filter plant superintendent, this morning inspected the work being done at the plant.

Taken from 'e' In each case, when the filter is cleaned, it must be taken from use during the period required to do the work. Workmen, via the shovel method, remove the gravel and sand and, via the same method, put new material into the beds.

The sand, known as silica because of its purity, comes from Wisconsin, which is one of the very few points in the United States where this necessary type of filter sand is obtainable. Thirty tons of sand and 25 tons of gravel make up each

filter. The base is made of large gravel. Over this is put a layer of smaller gravel, then another layer of large "pea" gravel then still another layer of fine "pea" and grit gravel. Over all this gravel goes the sand.

It has been six years since the filter beds were replenished and the work can be done now only because of the low demand for water for domestic purposes. In the summer months, with the plant running high above capacity, the work is impossible.

Also being cleaned today is the 1,000,000 gallon settling basin, a job which is necessary about every three weeks.

CENTER URGED BY P.-T. A. LEADER

Mrs. William Klotzer Speaks
At Meeting of Local
Council Audit

A central recreation center for Twin Falls children was urged by Mrs. William Klotzer, Portland, vice president of the National Congress of Parents and Teachers, at last evening's meeting of the Twin Falls P.-T. A. council.

The importance of the center was stressed by Mrs. Klotzer in connection with the national project of raising the home standards. She complimented the local council on having both the state chairman and national first vice president from Twin Falls.

Announces Broadcast
Mrs. John E. Hayes, first vice president of the national congress, announced the national P.-T. A. broadcast on each Wednesday at 2:30 p. m. beginning Oct. 12 and continuing through April 12. The programs, on "Youth in the Modern Community," are to be heard over the blue NBC system. She will speak on Oct. 27 from Denver.

During the session, held at the home of Mrs. William Volter with Mrs. W. B. Lawrence, chairman, presiding, special committee re-

WINTER

Marcel Urestil of Mackay is facing a long, cold winter. That is, unless local police are successful in locating his bed-roll which was stolen last night from a local pool hall.

In the roll, Urestil told officers when he reported his loss about 10 p. m., are two miners' lamps, one large and one small size hob-nail boots, one pair of pants with a brown belt, a dark colored jacket, a dark cap, one pair of work shoes, a red pull-over sweater, two double blankets, three quilts and one pillow.

ports were made. Mrs. R. L. Reed, welfare chairman announces the beginning of the bath program on Monday and requested that anyone having clothing for school children send it to the Junior high school or call her. The garments are to be marked showing the district they came from and the age of the child to wear them.

Discusses Library
Mrs. Hayes urged all P.-T. A. members and parents to study the need of a new library and to aid the passing of the proposed bond issue. Mrs. I. E. Joslyn, state chairman, reported the recent intermountain district session of executives she attended in St. Paul and announced the fourth district meeting of Idaho to be held Oct. 26 at Gooding. She said the quota of members at 1,000 for the year.
