OAKLAND DOCTOR COMMITS SUICIDE

Physician Takes Own Life On Day Before Trial For Illegal Operations

OAKLAND, Calif., Oct. 28 (AP).—Dr. Gordon McCallan, 46, committed suicide today by slaying his throat with a butcher knife, four hours before he was scheduled to go on trial on a charge of performing illegal operations, police reported.

His wife, Anabel, co-defendant with her husband, tried to save his life by applying forceps and clamps. But he was dead when an ambulance crew arrived.

A farewell note said: "Dearest Anabel: I know you'll always do your best to take care of the girls. They must be cared for and at the same time yourself. I have made many errors but I could always remember the happy days we had together. My love to you, Dorothy and Evelyn, Denny."

GROUPS ARRANGE PLAN ON BRIDGE

Highway Districts and Canal Units Map Structure Over South Side Waterway

MILNER, Oct. 28 (Special) — Members of the Murtaugh, Hillsdale, and Burley highway district boards, the South Side Canal company board of directors, and the Twin Falls Canal company board of directors met with District Highway Engineer J. May Johnson here Tuesday to devise a plan for the construction of a new bridge over the South Side canal to replace the one which has long since served its purpose and in its present condition presents a dangerous public hazard.

Rep. H. E. Powers, of Kimberly, was elected chairman of the meeting and after explaining its purpose requested Mr. Johnson, of the state highway department, to present the tentative estimate prepared by the engineers from the office of the director of highways, at Boise.

These figures were discussed briefly when, in response to a motion by Hyrum Pickett, of the Murtaugh highway district, each unit was asked to hold a brief caucus to discuss its part in the program. A few minutes were taken for this purpose after which a joint session was held, and all units agreed on a tentative plan which is to be approved by the commissioner of public works.

Sen. Lee A. Wright and Rep. Hyrum Lewis, of Cassia county, were present to look after the Burley highway district interests and to offer their full cooperation with the program.

The new structure will meet the requirements, as to type and dimensions, for the new farm-to-market road program in the event this section is made a connecting link between highways 30 and 25.

TWO CASTLEFORD GIRLS EARN A'S

WARNS STRIKERS

SALT LAKE CITY, Oct. 28 (UP)—Police Chief Harry Finch today warned strikers and "loyal" employees involved in Salt Lake City labor troubles that no violence would be countenanced by his department. The announcement closely followed filing of an assault and battery complaint against Mrs. Alice Jensen, strike sympathizer, by a non-striking employe of a local bakery, who charged Mrs. Jensen struck her as she returned home from work. Mrs. Jensen will be arraigned in city court today.

FEDERAL RESERVE BOARD REVISES MARKET REGULATIONS

CHANGE SEEN AS BOON TO BUYING ON N. Y. EXCHANGE

Wall Street Brokers and Operators Blamed by Announcement

By LYLE C. WILSON
WASHINGTON, Oct. 28 (UP)—The federal reserve board raised a supporting pillar under the shaky stock market today to encourage speculative buyers of securities and to impose unprecedented restrictions upon short selling traders.

The capital heard that the board's action revising market trading regulations was made without consulting President Roosevelt, who is in Hyde Park, N. Y., but it recalled that day before yesterday William O. Douglas, chairman of the securities exchange commission, which works in close cooperation with the board in regulating trading, and Joseph P. Kennedy, the commission's first chairman, had called on the chief executive.

May Be Further Aid
The reserve board's action gave some ground for belief that there would be further Washington developments if the market does not respond to this "shot in the arm" treatment. Political Washington looked immediately for indications of official moves to revive business confidence and activity. Interest centered on possible revision of the tax laws, including modification of the tax on capital gains and on corporation reserve funds. A house sub-committee meets Nov. 1 to consider tax law "inequities."

Wall street brokers and operators were flayed by the news. It was felt that the revised margin requirements still would be too high to attract the general public, but that reduction would be taken to indicate that the New Deal was heeding the advice of bankers and market men, which has been for less stringency market regulation.

Follows Good Reports
The news came on the heels of a good quarterly report from General Motors corporation and an optimistic statement from its board chairman, Alfred P. Sloan, Jr., and 24 hours behind United States State's declaration of a five percent common stock dividend in years.

The federal reserve board reduced the margin, or cash ante, which speculative security buyers must provide, from 55 to 40 per cent of the market value of the stock purchased.

A 50 per cent margin was imposed on short sellers who hitherto had been unrestricted by reserve board margin requirements, though it was required to put a 10-point margin by the stock market itself.

The revised margin requirements are effective as of Nov. 1.

Rupert Owners to Start Dress Shop

RUPERT, Oct. 28 (Special)—Mrs. Anna B. McPike and daughter, Miss Maryanna McPike, expect to open their new ready-to-wear shop Saturday. The new store, known as Anna's shop, located in the Cathedral block, in the building formerly occupied by Scholer's, will carry a complete, up-to-date line of women's apparel.

Mrs. McPike has been a resident of Rupert for over 20 years and most of that time she has been engaged in the sale of merchandise in the local stores.

Armstrong Favored Over Pety Sarron

NEW YORK, Oct. 28 (UP)—Champion Pety Sarron of Brigham, Ala., and Henry Armstrong of Los Angeles, scheduled light Wembley boxing exercises today in preparation for their 15-round featherweight title bout tomorrow night in Madison Square Garden.

Young Cast Wins Praise for Swaggering Dash in "Shrew"

By MURIEL SCOTT
Approval last evening was given the first performance of "The Taming of the Shrew," presented as the all-school play by a selected cast of Twin Falls high school students. Fluency of action and whole-hearted portrayal of character by each member of the cast did much to overcome the "hesitations" that lie in wait for your dramatists in Shakespeare's Elizabethan mode.

While many considered the comedy too difficult for presentation by a high school group, commendation for the feat accomplished by the young Thespians was heard on every side.

Swaggering Dash
The difficulty of the Shakespearean language was overcome by the swaggering dash of the young actors and actresses and the impressive costumes. The fact that the characters were so well portrayed was due to the fine directing of the dramatic teacher, Miss Florence M. Ross.

Asher Wilson as Petruchio, the fiery lover taming the Shrew, succeeded in portraying all the fine nuances of the part and was easily the outstanding personality on the stage at all times. Miss Jeanne Robinson as Katherine displayed fine ability as she progressed through the famous Shrew character to the loving and obedient wife.

Ed Bert as the foolish servant, Grumio, drew many a laugh and provided a great part of the comedy although at times he was a bit overboard.

Jo Billie Morehouse as Bianca, the sweet and loving sister, and her train of lovers, Paulighton as Hortensio, Merle Orchard as Lucentio, Cecil Jones as the aged but wealthy suitor, Gremio, and Theron Knight as the learned and dignified doctor in the portraits of the various roles doing much to complete the plot.

Filialties "Standard"
For a play of this type, the production was easily outstanding with the filialties of the men of the story-book world. Her clear enunciation added much to the enjoyment of her role.

The comedy situations were masterfully aided by the help of the servants and background characters played by Dean Brown, Alice Irish, Bob Wilson, Gordon Garlock, Gerald McElroy, Lee O'Malley, Bob Stanley, Tim Friebe, Ernest Cook, Harry Benoit, Art Frantz, Marilyn Brizee, Jean Schwendiman, Loreita Lopez, and Edna Sallabury.

Music between the scenes and acts was provided by the high school orchestra.

Business Staff
The business staff for the all-school play is:

Business manager, Bert Tolbert; costumes, Harriette Stansbury; wardrobe, Ernest Ostrom; stage management, Bill Warner and Don McGarvey; electricity, Eugene Henshead and Willis Hamilton; properties, Barbara Minnick and Lavinia Barnette.

Officers for the production are:

Thora Belle Burns, Bette Painter, Frances Lang, Martha Asbury, Virginia Ann Chase, Eugenia Rider, Ann Pettie, Jean Jones, Wilton Howards, Allen Edwards, Harley Barnhart, and Alma Brinkerhoff.

The three leading parts in tonight's presentation will be carried by Bert Sweet, Virginia Kerlin and Armond Anderson. The presentation goes on again at 8 p. m.

Services Held for Unity District Girl

UNITY, Oct. 28 (Special)—Funeral services were held Sunday for Jean Peagan, daughter of Mr. and Mrs. James Peagan, 14 E. Harris. J. Fred Adams and Bishop Gee were the speakers.

Musical numbers were furnished by the "Singing Mothers." Six Boy Scouts were pallbearers and interment was in Burley cemetery.

BOX MAKER IS SWIFT
SYDNEY (UP)—John Rose, who works a nail-driving machine in a cooperative factory at Byron Bay, claims both the speed and the endurance records for box-making. He has made 5,000,000 boxes in 30 years. And three times, for a bet, he has made 50 boxes in an hour.

3 MINE DISASTER BODIES MISSING

Eleven Recovered Following Blast 70 Miles North Of Anchorage

ANCHORAGE, Alaska, Oct. 28 (UP)—Rescue workers today sought the bodies of three men still missing to the explosion which wrecked the Evans Jones Coal company, 70 miles north of here, late Tuesday.

Eleven bodies were brought to the surface yesterday and mine officials said there was no hope that the missing three men were alive.

Only five of the men in the mine at the time of the explosion made their way to safety and one of those suffered a broken leg and severe burns.

Explosion of an electric motor was blamed for the disaster. The engineer of the locomotive was blown to pieces.

Company officials estimated damage at \$100,000. The mine supplied soft coal to the Alaska railroad at Anchorage. It was located 30 miles north of Palmer and the Matanuska colony.

UNDERGOES OPERATION
OAKLEY, Oct. 28 (Special)—Operation of Mrs. John A. Clark is reported to be fairly good. She underwent a major operation at the Cottage hospital, Burley, on Monday.

In some states, nightawks are called "goat suckers," from an old belief that they actually milk goats.

Farmer Facts Outlined for F. F. A. Boys

To acquaint members of the agriculture classes with the problems of being a farmer and the use of the new score cards for judging, notebooks containing charts on "Do We Want to be a Farmer," and all points for judging are being compiled by agriculture students in Twin Falls high school under the instruction of J. V. Briggs.

Points considered on the advantages and disadvantages of being a farmer as taken from all available records such as insurance companies are:

The Statistics
A farmer's income is smaller but so are his living costs, food for a farmer and family averages about \$300 and for other occupations \$350, farmer's clothing \$212, other \$225, farmer's shelter \$172, other \$497. Days for vacation available to a farmer, if he arranges his work correctly, are about 18 to 24 days, other receive about 10 to 14 days vacation. A farmer's life is given as being five years longer, with a farmer living 54 to 59 years average and men in other occupations from 50 to 57.

A farmer's income will average from \$1,552 to \$1,540 against \$1,404 to \$1,553. Accumulation of wealth to a farmer averages about 40 per cent of his assets in other walks of life about 10 per cent.

Disadvantages
Disadvantages given for a farmer's life are: Rural home inconveniences, undesirable working hours and conditions, limitation of rural social activities.

On the judging card charts prepared for the books are the history of weeds, noxious and non-noxious, classification of potatoes, characteristics of hogs, sheep, and cattle as to breeds, breed, and other individual points. The remodeled score card was used at the national convention at Kansas City and will be used in all Idaho judging events, Mr. Briggs stated.

The remodeled score card was used at the national convention at Kansas City and will be used in all Idaho judging events, Mr. Briggs stated.

Hull Defends Trade Treaty

WASHINGTON, Oct. 28 (UP)—Defending the administration's re-organizing trade treaty program as a boon to the farmer, Secretary of State Cordell Hull today assailed the proposed plan of Sen. Arthur Capper, R., Kan., to conduct a "grass roots" campaign against it.

In a 3,000-word letter to Capper, a member of the senate's agriculture committee, Hull said that the "notion that farmers have been 'sold down the river' by this administration either through its tariff policies or otherwise," was fantastic.

Trade treaties negotiated thus far have brought real benefits to the farmer and "the program deserves the ardent support of agriculture," Hull said.

He said that the federal power commission's proposed plan of utility rates today is "a week within a week their transactions should justify the belief that the 'death sentence' passed on the holding companies act."

WASHINGTON, Oct. 28 (UP)—Federal power commission's proposed plan of utility rates today is "a week within a week their transactions should justify the belief that the 'death sentence' passed on the holding companies act."

Montague to Be Left Out of Crosby Film

Will Hays Censorship Offices Prevail on Producer Not to Use "Wonder Man"

HOLLYWOOD, Oct. 28 (U.P.)—Paramount studio officials admitted today that after a conference with the Will Hays office they decided against using John Montague, golf "wonder man" just acquitted of robbery charges in the east, in "Big Crosby's" latest picture.

the role in "The Badge of Policeman O'Roan." "But there are rules and rules," shrugged the crooner. "We didn't plan anything important for him, anyway."

Former Paul Man Honored at Rites

PAUL, Oct. 28 (Special)—Funeral services for John Knudson, former Paul resident, were held Monday and burial was in the Paul cemetery.

FILER'S JUNIORS PRESENT COMEDY

FILER, Oct. 28 (Special)—"The Patsy," a three-act comedy, will be presented under the direction of Miss Winifred Fryer by the Junior class at the high school auditorium this evening.

The plot centers around Patricia Harrington, played by Marie Jones, and Mr. Harrington, by Alvin Eber-sole. Elinore Jamerson plays the part of Mrs. Harrington, who is so interested in society that she fails to realize that she is making her family unhappy.

Service Planned For Jerome Man

JEROME, Oct. 28 (Special)—Kenneth Annett, 45, victim of a hunting accident on Tuesday, will be paid final honors at services held Friday at 4 p. m. at the Jerome funeral chapel.

Lanning. Her two suitors are Tony Anderson, Junior Thomas, and Billy Caldwell, Clark Allison.

BURLEY RESIDENT TAKEN BY DEATH

BURLEY, Oct. 28 (Special)—Funeral services are being arranged for Mrs. Catherine McKinney Rose, 69, who died yesterday at 4 p. m. A resident of Burley for a long period.

of years, she was born Nov. 4, 1866, in Belfast, Ireland. During her residence here she had been an active member of the Catholic church.

PORK CHOPS IN LEAD AS COSTS FALL FROM TOP

Eastern and Far West Cities Still Pay Top Money; Middle States Low

By T. W. KIRKLEN (Copyright 1937, United Press) CHICAGO, Oct. 28 (U.P.)—Meat prices, particularly pork chops, ham and sirloin and porthouse steaks, are dropping gradually throughout the nation.

Reports from 29 cities showed a general recession from the highest levels of a month ago. East and west coast cities benefited less than others, but butchers predicted they would see a real price drop in prices on all grades of meat by Jan. 1.

A drop in wholesale commodity prices and consequent reduction of packing house costs was believed responsible for the drop. William Whitefield Woods, president of the Wholesale Meat Packers Association, Chicago, said that the packers reported wholesale prices five to 11 per cent below those of mid-September. Packers passed the savings on to butchers and between-passes of meat to consumers.

Reductions evident in Chicago contained were evident, particularly during the last two weeks.

Beef tenderloin, choicest of the cuts, was slow to respond to the general trend. Beef tenderloin prices dropped in Nashville and Memphis. Turkeys, Chicago suburbs, Columbus, O., and Atlanta, Ga. But in New York, Detroit, Pittsburgh, Boston, and Philadelphia, they held firm, especially on the same high levels of a month ago.

The highest prices for pork chops were in Albany, N. Y., and New York City. Butchers charged as high as 40 cents a pound and in Los Angeles, 32 cents. In Philadelphia, 30 cents, and in Seattle, 28 cents.

Some of the lowest prices were in San Francisco, where packers paid only 10 cents a pound for the choicest cuts. In Birmingham, Ala., Chicago, Salt Lake City, Nashville, Columbus, O., Kansas City, Mo., and St. Louis, prices ranged from 28 to 30 cents a pound. A drop of two cents was reported in St. Louis, where packers paid 28 cents a pound for the choicest cuts.

Some of the lowest prices were in San Francisco, where packers paid only 10 cents a pound for the choicest cuts. In Birmingham, Ala., Chicago, Salt Lake City, Nashville, Columbus, O., Kansas City, Mo., and St. Louis, prices ranged from 28 to 30 cents a pound.

Japanese Goodwill Mission Faced by Screaming Crowd

SAN FRANCISCO, Oct. 28 (U.P.)—Japan's goodwill mission, sent to explain to the world about the war in China, proceeded without incident today after facing a screaming boisterous crowd at the San Francisco waterfront.

The two hours last night the two Japanese scholars, industrialists, public and dignitaries, were besieged aboard the ship while the crowd rushed at the police lines. Police grappled with the attackers, among them, and arrested six suspected ringleaders.

SAUL USHER FINDS FOUNTAIN OF YOUTH (Italy-U.P.)—Absent-minded customers have made Antonio Varrella, a Turin bank usher, a wealthy man. Two years ago he found the first stroke of luck when he found an envelope containing \$100,000. It was never claimed.

JEROME, OAKLEY MEET IN RACE FOR TITLE

California Campus Jittery at Thought of Rose Bowl Selection

Burley Invades Buhl as Bruins Go to Caldwell

The field in the race for the Class A football championship is expected to narrow down to two this week-end as Jerome and Oakley, undefeated and untied in their own class, engage in what promises to be a spectacular battle on the Horne's own field as the 1937 season passes the half-way mark. Winner of this game will be bracketed along with Gooding in the race for the Class A title.

Bobcats and Hornets Will Attempt to Keep Perfect Record in League Tilt

The feature Big Ten game in south Idaho will pit undefeated Burley today against the Buhl Indians, who have yet to win a game. Twin Falls journeys to Caldwell, while Rupert and Piner have open dates this week-end.

SPORTS QUIBS

(By E. J. W.)

Looks like another week of head-scratching for those who've seen the hood clubs due to take a fall out of our official standings. But we can take it, so here go our south Idaho selections for the week-end.

Twin Falls over Caldwell, 13-7.
Burley to defeat Buhl, 12-6.
Fairfield to down Fairfield, 30-12.
Jerome to outpoint Oakley, 15-6.
Kimberly to win over Declo, 12-6.

Now, hold everything, you folks down Oakley way. We don't want any blame for picking that Tiger-Hornet score. As far as we are concerned, the game is a toss-up. That's just exactly how we figured it out. We tossed a coin and it came down in favor of the Tigers. So here we are again—behind the eight ball. You would think we should have learned our lesson before this—picking Oakley to lose. But this our guess. We've only missed three high school games all season, and two of them have been games in which Declo Crumney crew have played. So we call it a swing.

The Twin Falls-Caldwell game should be another close one. We give the Bruins the edge on the fact that Buhl rode through the Caldwell team to score at will, while Powers' club looked every bit as good as the Braves, despite their loss in the game played here. Twin Falls played one of its poorest games of the season last week, but they barely needed out Buhl, but we look to the local youngsters to just about hit their peak against the Bruins. It's a toss-up, but we're a bit surprised to see more scoring than we have listed above.

Wendell, a good club playing stiff opposition, is favored to take a win over Fairfield, while Coach Louis Denton's Kimberly Bulldogs are pointed for their first win of the season as they take on the invading Declo club.

It's a long way from fighting Joe Louis for the heavyweight championship to a battle with Harry Truman of Chicago—but that's the present line-up for Max Schmeling, generally conceded about the best man in the fist game today, and the only man to hold a knock-out over the present champion.

You'll have to give Schmeling credit, though. He is being surely lags 10-in more ways than one. After losing the world title to Jack Sharkey, the Nat himself was defeated in a number of other bouts before he started on his present campaign. He is the only man in history to regain the title. He made good, too, to the point where he became the leading challenger after his knockout of Louie. But there his challenge stopped as he took sick-stage punch, and it appears as probable that Louie will fight just about anybody except the Toulon.

Schmeling has been doubting-doubted out of the ring so much that one would think he would get a little suspicious of the other fellow's word. But he comes out for more and now it seems that he's on another come-back trail.

Schmeling won't win the title, but he'll be the man who will rule at the top of the fist game. He won't give him a chance at it until he is too old. That's all that's been worked in Chicago, and back and remember Harry W. They didn't even give him a chance to become the leading challenger because he was so old he needed help to get into the ring.

EYSTON DELAYS SPEED ATTEMPT

British Officer Waits For Better Weather at Salt Beds in Utah

BONNEVILLE SALT FLATS, Utah, Oct. 28 (AP)—Capt. George E. T. Eyston attempted to exceed the world's measured mile auto record of 201.5 miles per hour, was delayed today while the British officer gave the salt track more time to dry out.

Eyston rushed preparations for his assault on Sir Malcolm Campbell's mark, however, for fear that sudden storm weather might force him to cancel his run for the season.

The 15-mile course was smoothed and ready for Eyston anytime he gave the signal. At the first threat of a sudden storm he will make his record attempt, Eyston said.

Under his direction, road crews worked feverishly yesterday smoothing the straightaway course, one end of which was covered with water for a distance of one and one-half miles.

Although he is delayed by the loss of this distance, Eyston said he would probably use five and one-half miles to attain speed, one mile for timing, and five miles in which to stop.

Telephones crews rigged a telephone line from one end of the 15-mile track to the other for instant communication to crews stationed at each end.

Strikes to Spare

By FRED STONE

Records rarely tumbled in a big way last night.

Bureau Auto set a new three-quarter mile total of 2,824, beating their old record of 2,720, and their one-quarter of 578, also beat the National Laundry score of 545.

Wisconsin's Coach Explains Black Eye

Walt Riggert, Oregon back, leaps high in the air to hit down one of Jim Gray's passes in the Oregon-Oregon State "Big Game" at Eugene, Gray, star of the contest, passed and ran his way to a 14-0 victory over the Oregon eleven.

Buhl Papooses Win Over Cubs

Records rarely tumbled in a big way last night.

Dick Raines Wins Portland Race

ST. LOUIS, Oct. 28 (AP)—Today, for the first time since I left New York, I felt that I really must abandon my journey toward the west and return home. It was not nostalgia for the "Big City" that I felt, but an atmosphere of rest and automobile exhaust fumes, but a little bit of peace in the Star-Times of this city. It reminds me of the "New York-Max Schmeling" today accepted terms for a Decca record in Chicago, and will sail for the United States within a week to start conditioning.

How familiar were those words?—Schmeling will sail within a week. For ever since I can remember Schmeling has been sailing for the United States. He crosses the ocean from Bremerhaven to New York as casually as you and I move from the living room to the kitchen.

And I have always met him. And as I read of his latest plans I felt as if I must go back to New York and greet him again.

Max's History

In a way my life can be traced to the arrival of Max Schmeling. I remember his first

MAC REGRETS IT, BUT HE WON'T BE THERE TO GREET SCHMELING

RIGGERT CRACKS BOWLING RECORD

Sets Season's High and Gets Second Best in History; Team Marks Fall

Walt Riggert had climbed into the bowling stratosphere today to achieve the second highest all-time total tournament score ever recorded on the Twin Falls alley.

Riggert amassed a surprising 718 total last night to set a season record and to place a record-breaking 2-1 victory over Pella in the Commercial league. With Walt as the spark, the Bernard outfit shattered the season's high single game by rolling 978 and then cracked the high three-game mark with 2,824.

Coastal "Wonder Team" Fears Gridiron Upset

BERKELEY, Calif., Oct. 28 (AP)—The experts here lean as one man to pick University of California's "wonder team" as an inevitable Rose Bowl representative, but this jittery campus—jittery because it believes the bigger they are the harder they fall—series "Don't talk Rose Bowl to us. Yes, I'll be in Pasadena on New Year's day," said Coach Stub Allison, whose California supermen have vanquished six foes on five consecutive Saturday afternoons.

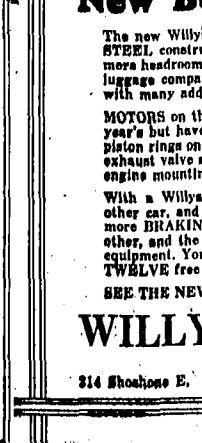

Lazzari Confers With Cub Owner

CHICAGO, Oct. 28 (AP)—Tony Lazzari, who retired from the New York Yankees with a splash in the recent world series, conferred today with owner Paul Power of the Chicago Cubs about a position with the Cubs in 1938.

WILLYS for 1938

WILLYS for 1938

"Save Half Your Gas"

New Beauty—More Economy

The new Willys has many improved body features such as lighter ALL-STEEL construction—insulation against heat, cold, noise, and dust—more headroom in the rear seat—form fitting cushions—and a spacious luggage compartment. In fact the whole body is of heavier construction with many added body features.

MOTORS on the 1938 Willys are of the same sturdy construction as last year's but have a new type carburetor. Engine advantages include FOUR piston rings on each piston—only TWO pistons between main bearings—exhaust valve seat INSUREX—fewer working parts—and LIVE rubber engine mountings to reduce vibration.

With a Willys you can enjoy every worthwhile feature found in any other car, and yet save on first cost and upkeep. Ride safely, too, with more BRAKING SURFACE per hundred pounds of car weight than any other, and the rigid K-A type frame. BLATEX-PROOF main floor pan.

Your Willys dealer is anxious to have you satisfied and offers TWELVE free garage jobs and inspections with each new Willys.

Visiting Teachers to Be Guests at Dance

Several hundred teachers from southern Idaho here to attend the Teachers institute, which will begin its two-day session tomorrow, are expected to attend the dance sponsored by the two Chambers of Commerce tomorrow evening as one of the outstanding events of the session.

SHOWER EVENT IS GIVEN FOR OCTOBER BRIDE

Miss Marian Kloppeburg was guest of honor last evening at a bridal shower given by her mother, Mrs. W. L. Kloppeburg, at her home at 1215 N. Main street.

CLUB MEMBERS MAKE PARTY PLANS

Members of the Good Will club will hold a Halloween party at the home of Mrs. W. L. Kloppeburg at 1215 N. Main street, according to final plans made yesterday by the group at the home of Mrs. Lawson Lockhart.

BRIDGE LUNCHEON GIVEN BY ROBERTS

Mrs. Mary Roberts entertained yesterday afternoon at luncheon for a group of her friends. Covers were laid for the guests at a single table and a fall motif was used in decorations.

BRIDGE CLUB MEETS FOR GAMES

Members of the Twin Falls bridge club and three guests, Mrs. D. R. Johnson, Mrs. Galsler and Mrs. Howard Tucker, were entertained at luncheon yesterday afternoon by Mrs. Morgan Shumate, Mrs. C. O. Hall and Mrs. F. H. Galsler.

DINNER EVENT GIVEN BY CLUB

The home of Mr. and Mrs. William Briley was the scene of a dinner party given by the Thalia club members for their husbands. Guests were seated at five tables.

KNAPS-OLSON NUPITALS PERFORMED

Miss Viola Olson and Clifford Guy Knaps were united in marriage yesterday afternoon at a ceremony performed by Rev. E. L. White, Methodist minister, at his home. Attendants were Mr. and Mrs. A. T. Jones.

Survey of Other Idaho Areas Stresses South Central Lure

By BLAINE HOWARD
Buhl, Oct. 23 (Special)—The surprising good fall weather, or Indian summer, extends at least to the south fork of the Salmon many miles beyond the usual season. Crops are well harvested or in the half of the plowing period.

Beyond Warm lake, down the south fork of the Salmon, the COO has constructed a very good mountain road to the ranger's station, and beyond. Formerly this was only little better than a pack trail, but now loaded trucks can negotiate this hitherto inaccessible, wild rugged land. Some of the timber in this forest seems to have a yellow laundried blight. Scores of tall stately pines have turned a bright saffron in color, cause and effect to this writer unknown.

After a tour of this above described country, however good it may be, one only gets a deeper rooted conviction that the fertile Twin Falls tract and surrounding areas are extremely hard to beat.

Latest Modern Hospital Ready For Dogs, Cats

Dogs and cats in need of hospital care had ultra-modern facilities here today.

The new animal hospital completed by Dr. M. Grootes, local veterinarian, is "one of the most modern west of Denver," it was pointed out by Harry Roberts, field representative for a national dog magazine.

Eight rooms, complete surgical equipment, air conditioning, an isolation ward for animals with contagious ailments and a room for slipping and bathing are included in the new hospital. Unusual feature of the operating table is the fact that it is adjustable.

The building is situated next to the older building used by Dr. Grootes on Shoshone street west near Fourth avenue.

And as for a Caesarean operation performed by the veterinarian yesterday on a pedigreed bull terrier, Dr. Grootes said today that "mother and babies are doing well." The litter of pups was being nursed by a nondescript mongrel mother while the actual mother convalesces.

Calendar

Members and friends of the Semper Fidelis club will be entertained at cards of Friday at 8 p. m. at the home of Mrs. Ailyn Dingle.

JOURNAL URGES NEW DRUG LAWS

CHICAGO, Oct. 23 (Special)—New legislation is needed to replace "woefully inefficient" laws which permitted distribution of the sulfanilamide elixir responsible for 84 deaths in the United States, the Journal of the American Medical Association said editorially today.

The sulfanilamide elixir incident was "the most unfortunate" in the pharmaceutical industry in the last 10 years, the journal said. It termed diethylene glycol, used in compounding the elixir and believed responsible for the deaths, "an undaunted, non-official product, not recommended or recognized for internal use."

The glycol compound has its proper place in industry, and apparently is not harmful as an ingredient in manufacture of cigarettes, but it is not to be taken in any considerable dosage internally, the Journal said.

Spooks Reign as Students Enjoy Hallowe'en Fun

Spooks, goblins, witches on brooms, ghosts, pumpkins and all the trappings of Hallowe'en held sway at the junior high school today as the students held parties in the various home-rooms during the home room periods.

Teachers expected spilled cider, doughnut crumbs, and perhaps even some cream from the pumpkin pies to be found in various places about the junior high school building as the festivities were concluded.

Slipping on the pumpkin pies to be found in various places about the building prepared by students from Miss Wilma Howarth's room.

Against a busy background lit up by a yellow harvest moon the witch on her broom floats through the sky as pumpkin jack-o'-lanterns, ghosts, witches, bats and goblins inhabit the autumnal scenery.

The surface temperature of the sun has been estimated at 6000 degrees Centigrade.

Program Presented By Hagerman Group

HAGERMAN, Oct. 23 (Special)—Forty persons were present at the Re-Organized L.D.S. church Monday evening for a program and social meeting of the Townsend club.

A talk on the Townsend plan was given by Sen. W. C. Cramer and a talk by Miss Ruth Reed on her trip through the southern and eastern states and Canada.

Other numbers on the program included a reading by Junior Huffman, a reading by Mrs. Mary Northrup and a vocal solo by Mrs. Jacobson.

WHEAT GAINS IN UNEVEN TRADING

CHICAGO, Oct. 28 (U.P.)—The wheat market developed a case of "hitters" on the Chicago board of trade today after starting strongly on the news of a decrease in market requirements for "long" traders in the stock market.

At the close, wheat was 1/4 to 1/2 cent higher, corn 1/4 cent lower and wheat prices started backward. Buying on the break was good and prices came back, but there was not enough power to regain the highs.

AUTO SHOW OPEN

Department of Cars and Trucks to be Placed on Exhibition

NEW YORK, Oct. 21 (AP) — The annual automobile show opened in a glitzy Grand Central palace Wednesday with 22 different makes of passenger cars, seven of trucks and all of trailers on display.

The interior of the palace was "redecorated" for the show and featured modernistic paintings representing everything from "putting the world on wheels" to the show's slogan, to maximum service after purchase.

Colorful displays of copper and illuminated, transparent bricks divided the various sections.

The car show also represented advances in technological processes, engineering improvements and new and more beautiful design.

Automatic shifting devices and other featured gear shifted by a vacuum device which is controlled by the old hand lever and adds to the roominess and comfort of the front compartment.

Interior designs have been improved to appeal to feminine tastes in comfort, line and color. The various models featured air-conditioned bodies, radio-ventilators, heaters or greater "elbow and leg room."

The radiator grille, cast in non-rusting steel alloy, was plated with chrome.

Decorative chroming was a feature of virtually all of the models.

Trailer Department

The greatest improvements were noted in the trailer department. The set of interior decorations has been applied to trailers with the result that they have the inside appearance of small homes.

New features include bathroom in-liners, electric automatic refrigerators, electric pumps, window space, electric lighting, electric driven pumps for lighting, telephone, electric power, television and cupboards.

TERMS TENANTS ASK FARM LOANS

Farm Mortgage Administration Reports Many Requests On North Side

BOZEMAN, Oct. 21 (Special)—About 250 requests for farm loans were received here, the Farm Mortgage Administration reports, covering being arranged for the north side of the state.

The reports show that the number of requests for farm loans has increased in the past year. The reports also show that the number of requests for farm loans has increased in the past year.

Local Men Find Deer and Large On Middle Fork

Hunters Return With Three Bucks Averaging 240 Pounds Each

Three local men "did" themselves proud and today had returned to Twin Falls, bringing in three of the largest buck deer to be reported here to date.

The bucks shot by W. A. Ziegler, Bill McDonald and Henry Mahzken were taken after the party had packed into Steamboat on the middle fork of the Salmon river. Two of the deer had six points and one was a four-pointer.

But the weight is what makes them "real deer." The three tipped the scales at an average of 240 pounds each.

Ziegler, McDonald and Mahzken believe their meat situation is well taken care of this winter.

Willie Kamm Released As Mission's Manager

SAN FRANCISCO, Oct. 21 (AP)—Willie Kamm, manager of the Coast League Mission club for the past two seasons, has been released, it was announced here today by Joe Bear, president of the club.

Kamm was in line with new plans for the club now that it has been established definitely that it will make its home in Hollywood instead of here next year.

5 LOYOLA GRID PLAYERS FIRED

Four First String Members Dismissed From School For Rule Infractions

LOS ANGELES, Oct. 21 (AP)—Five Loyola university football players, including four from the first team, have been dismissed from school for staying away from their campus quarters all night, it was reported today.

The faculty board of disciplinary regulation annulled the dismissals which deprived the football team of both first string ends and tackles. A substitute tackle was the only player involved.

Rev. Charles A. MacQuillan, S. J., president of the university, refused to discuss the nature of the infractions, but he said they were sufficient cause for dismissal. The unofficial cause was that the five youths left the Del Rey campus, where they were resident students, and spent the night at the home of one of the party.

Students may leave the campus overnight only on written request of their parents.

The five dismissed were: Bela Andora, Lorain, O.; Carl Hoveland, Minneapolis; Bill McGee, San Juan, Calif.; John Polch, Hillsdale, Minn.; and Robert Zwanck, Madison, Wis.

The word cat is not mentioned in the Bible, although cats dwell along the Nile 3000 years ago.

Rites Pay Honor To Mrs. S. Bos

Relatives and friends paid final tribute yesterday afternoon to Mrs. Estellen Bos, 78, at rites held at the Twin Falls mortuary chapel. Rev. R. E. Davis, Presbyterian pastor of Hollister, officiated.

Musical included "City Fourquare" and "In the Sweet By and By" sung by Mrs. A. E. Kunkle. Pallbearers were Gerrit L. Peters, Amsterdam; Dan Engels, Hollister; John L. Peters, Twin Falls; John Lanting, Rogerson, and O. J. Deviser and A. W. Deviser, Viter.

Interment was in Twin Falls cemetery. Mrs. Bos died on Monday.
