ARMSTRONG WINS SARRON'S CROWN

Coast Negro Scores K. O. in Sixth to Capture World Featherweight Title

NEW YORK, Oct. 30 (AP)—Henry Armstrong, 25-year-old Negro from Los Angeles, ruled the world featherweight, ranks today as the first undisputed champion in eight years.

Both Claimed Title

Both men had claimed the title, Sarron boasting N. B. A. and foreign recognition while Armstrong based only California and Illinois.

Covers in Sixth

The Californian had his opponent vainly trying to cover up with ropes and shows in the sixth.

Sarron came back only feebly and Armstrong pulled up a left hook which knocked Sarron down.

JEROME MAN FINED

JEROME, Oct. 30 (Special)—Eduard Jerome, 40, was fined \$10 and costs by Police Judge John L. Reid on Wednesday for operating a truck after dark without lights.

The Puffin, a little bird with a big bill and awkward flight, is netted from the air by Eskimos, as one would net fish from the sea.

Jerome Gets \$2.11 From Liquor Sales

JEROME, Oct. 30 (Special)—Charlotte Robertson, county auditor of Jerome county has received from the Idaho liquor control commission a warrant in the amount of \$2,113.23.

McClemore Can't See Just Where Montague Will Make a Million

By HENRY MCLEMORE

MANHATTAN, Mo., Oct. 20 (AP)—Being a man who never has had more than a million dollars in his pocket at one time, it is strange that he should be so anxious to hear anyone speak so lightly of a million dollars as did John Montague the other day at Elizabethtown when the jury came in with the good news.

Monty, freshly acquitted from a serious charge, rolled the words "million dollars" off his tongue when asked about a contract he had signed with his big agent, the Crosby boy who can't sing.

Red Grange Mixed

Red Grange was another. With his flying legs he made the number "7" familiar to every citizen in this country.

Must Win Title

I hope Monty makes his million this fall. I tell him right now that it isn't going to be a breeze, a stroll-in. He'll never do it off record, and he'll never do it on the record.

Bruins Win Over Cadwell Outfit

Hank Powers' Gridders Outplay West Club to Gain 7-0 Victory

CALDWELL, Ida., Oct. 30 (AP)—After being repeatedly held on downs when within scoring territory, the Twin Falls Bruins pushed over a touchdown in the third quarter of their game here Friday with Caldwell high school, and won 7-0.

Ken Sherrill, fullback for Twin Falls, lunged across the goal line with the ball. His squad threatened with the 10-yard strip several times before the score, but were held on downs by the strong Caldwell line.

A passing attack which was to have been loosed by Caldwell failed to materialize in the second half and groundouts displayed was not sufficient to offset the Twin Falls scoring machine.

The game was a "football tea" for the 1200 fans who were tilters bringing their lunches and supplementing the meal with sandwiches sold in the stadium.

Two Teachers Called Back

The invading Brujos crossed the goal line on two other occasions, but were called back both times for penalties.

Unbeaten Clubs Meet in West Coast Games

Vandals Play Huskies As USB Takes on Montana Mines

SAN FRANCISCO, Oct. 30 (AP)—Four fast-paced basketball games were played today in clashes with major opponents.

Universities of California's unbeaten and untied elite engaged their "Westwood cousins," the U. C. L. A. Bruins, in the big game of the day at Los Angeles; unbeaten, untied Montana had a buck battle in its own backyard at Butte with Montana State; unbeaten, untied Santa Clara clashed with Stanford in the second game; and the Grizzlies of Idaho met the Vandals of Washington State in the fourth game.

Each of the unbeaten teams was a favorite to extend its record, but surprises were considered possible.

While the four teams with spottier records were trying to keep their feet on the ground, the Bruins had a defeat or two on their records, met in important games.

One of the features of the schedule was the Oregon Normal-Pullman clash at Pullman, with second place in the Pacific Coast conference at stake.

Two of the nation's most famous coaches sat on opposite sides of the field at Stockton as St. Mary's Gaels, coached by Bill Madigan, did battle with Ames Altonzo Slagg's College of the Pacific team.

USB Plays Northerners

Other games on the program for today and tonight included: Northwest-Oregon Normal vs. Southern Oregon Normal; College of Idaho vs. Whitman; Central Washington vs. Eastern Washington; Idaho Southern vs. Montana Mines; Washington Fresh vs. Oregon Fresh; Portland and Linfield.

California-California Prohl vs. Sacramento J. C.; San Francisco Occidental vs. San Francisco State vs. California Poly.

Rockies and border-Utah Anglers vs. Colorado Anglers; Tempe Teachers vs. New Mexico University; Arizona vs. New Mexico Anglers; Nevada vs. California Anglers; Brigham Young vs. Western State.

SENATORS DOWN BOISE ACADEMY

'Ap' Berg's Club Takes to Air in Final Period To Score Win

GOODING, Oct. 30 (Special)—Coach Ap Berg's Senators today held a 13-0 victory over the Invading St. Joseph's Academy club of Boise. The game was played last night under the floodlights at Rodeo field.

The Invading Senators found the ground, so took to the air in the fourth period and counted two touchdowns. The two clubs had played three scorching quarters.

A pass, Vaughn to Bird, put the ball on the two-yard line where the Senators got near by.

Gooding found the going easy during the first three stanzas until they got near by.

Gooding so far this season has rolled up a total of 74 points to six for their opponents—the six being the score that beat them at Twin Falls.

Fordham Journeys to South for Encounter With North Carolina

California Risks Unbeaten Record Against UCLA in West Coast's Stand-Out Tilt

NEW YORK, Oct. 30 (AP)—The second half of the football campaign gets under way today with Yale-Dartmouth, two undefeated, untied eleven, meeting in feature game.

More than 60,000 persons, biggest Yale bowl crowd since 1929, were expected to witness the only meeting between perfect record teams in the country.

Yale was a slight favorite.

The Minnesota-Notre Dame tilt heads the middle-western schedule, and the big game in Dixie sends Fordham's Rams against North Carolina at Chapel Hill.

Yale's perfect record against Texas Christian in the southwest, while on the Pacific coast, California puts its clean slate on the line against the University of California at Los Angeles.

BEHIND THE SCENES IN WASHINGTON

By Rodney Ditcher

Death in Quest of Health

Announcement by the American Medical association that 50 deaths have been caused by the use of a new remedy, despite previous warnings against the dangers of the drug, directs attention again to the responsibility of the American public in matters of medicine.

In the face of clear pronouncements that the full properties of the preparation were as yet unknown, patients readily subscribed to its use—with tragic results.

A companion case is that of a reducing compound which produces artificial fever, and which added another life to its toll at the same time the other fatalities were disclosed.

A-DICE DEED BY A VERY TENDRIOUS GARDNER!

Al Westergren is sitting down tenderly today.

A nice, friendly fellow he has been as he was leaving a farm yard.

All rows that in spite of the fact that the bill was in the pocket he was NOT retreating at the time. He was leaving the yard, minding his own business, when the same accident happened to the dog.

The pants have been returned to the home for aged and decrepit creeps.

Pot Shots: "Of echoes from the dance for the teachers.

The wives of Claude Deweller and Doc Harwood show wouldn't let their husbands to the dance.

And Pot Shots wasn't there, either, so the inference is that Mrs. Pot Shots had a thing on the spot.

HELL TAKE TROUT!

Pot Shots: "I rather hunt pheasant, deer or duck?

Now, I'd rather "hunt" trout. But if you're going to be fish rancher, you'd better not take duck. I like to eat 'em better and I get more kick when a flock of 'em go sailing over my head. I get more kick than any of the pheasants would give me. I don't see any fun in tracking deer that during off-season are so tame they're almost human.

LEGAL ADVANTAGE

That's an all-time, catch-as-catch-can affair which has led to much bickering on the line of "That fellow gets in and we don't get out."

It was done in a court yesterday afternoon at the home of his son, Sara Boyce. He had lived here for the past six months.

He was born Oct. 12, 1846, in Haddam, Conn. His wife died in 1918. Surviving are a daughter, Mrs. Anne Harrington, Rigby, and three sons, Harry, Alvin, and Boyce, San Francisco, and Henry Boyce, Oakley.

The body rests at the Evans and Johnson mortuary.

Implicable is the tendency of Americans to try out new medicines, with their own bodies as test tubes, disregarding truly scientific knowledge. Many of these preparations are produced under semi-secret formulas, compounded with pseudo-scientific ingredients, manufactured not for improvement of health but for sale alone.

Equally inexplicable is the refusal of the purchasing public to accept the factual findings of acknowledged experts such as the corps of analysts employed by the American Medical association, solely for the enlightenment and protection of the public.

Before any drug or medical preparation is accepted by the association it is subjected to most exhaustive tests and analyses. Only after all tests are complete and results correlated in the drug accepted and given to members of the association for use. All preparations found unfit are so branded, and physicians are warned against their use.

VITAL FACTS DEPT.

In case you're interested, Pot Shots has discovered for your edification that Twin Falls county to date has an "investment" of \$2,000,000 in diamonds. \$2,000,000 in one Douglas Van Vlack, of whom you may have heard. (Reference—Chairman Jim Barwood's speech at the banquet.) Furthermore, the state also has quite a chunk of cash invested in the gem from Toosman.

THE LAST OF ALAN'S PICTURES HAD BEEN BOXED.

He had paid cash for a three dollar picture. He would have liked quarters. A location which was very different from the rooms he was leaving.

It was not that dignified and good taste. Even the most fastidious of visitors would not be able to find fault with its atmosphere.

During the next two minutes, Alan was a little more than one functioned calmly, rationally for practical purposes. The other was filled with dreams. With tender phrases, he was talking to one mind he drove a shrewd financial bargain about the lease. With the other, he was writing a note to his mother.

Why doesn't Uncle Sam supply fish to bear out all the local folks about the ones that are big?

BUSY-BODY

It seems to tell the solemn truth. One might well thus begin it— "A town seems incomplete without a busy-body in it."

The busy-body, most abhorred of God's all-wise creatures, is the man with prying eyes, and ears alert.

Superior Creatures

Gratifying indeed to mankind is the announcement of Dr. Philip H. Dubois, New Mexico university psychologist, that practically without exception "men are smarter than white rats."

But Dr. Dubois continues, there are undoubtedly some apes that can learn more than some men," providing the apes are fairly bright and the men fairly dull.

Man prides himself on his superior intelligence and men makes studied effort to conceal it. No big game hunter has reported seeing a wild ape intoxicate himself on loco weed and then go swinging down tree trunks endangering his own life and that of his fellows.

HE THINKS PRETTY WELL OF ONE OF THEM!

Dear Mr. Cunaoh: Anytime there's one thing we Americans won't have to ask Eddie, the juke of Windsor, when he gets over in these parts.

And that's "What do you think of America?"

Inefficient Democracy

Proponents of various European dictatorial systems say that democracy is too inefficient to give a man beings a good government; and we who defend democracy might as well understand that democracy's inefficiency is an essential part of freedom—that it is, in fact, a reason for preferring democracy rather than for rejecting it.

THE SECRETARY OF THE FARMERS UNION

Produce and Supply companies are making a collection for all the farmers on the tract, the meeting to be held in Union hall on Saturday. At this meeting the important matter of marketing the enormous hay crop will receive attention and will be discussed with the end in view of securing the best possible market. A conservative estimate is that there will be between 10,000 and 15,000 tons of alfalfa over and above the needs of this county. There must be a solution to this question and every farmer is urged to come out and hear the discussion.

Chancellor Harry Woodburn Chase of New York University touched on this point in an address at the centennial of Franklin and Marshall college last day.

"Democracy will be a better thing," he said, "if we have intelligence and the wisdom to remember that women cannot be dragged and regimented into democracy. Democracy is a growth which is nourished by intelligent co-operation of free men. It is not force and violence, but by education and enlightenment."

Teachers Entertained As Guests at Dance

Outstanding social event of the South Central Idaho Education association in session here yesterday and today was the dance given last evening at the Elk club by the merchants bureau of the Junior Chamber of Commerce with Junior Chamber members as hosts.

The affair was attended by several hundred teachers from the eight counties of the district and members of the visitors.

Music for the evening's dancing was provided by Ben Vanhan and his Ben Valley orchestra. The affair was found to be so successful that by popular request it was continued for an hour after its scheduled conclusion.

The committee in charge included W. A. Van Engelen, chairman of the merchants' bureau, chairman; Stanton Hale, John Robertson, Paul Gilman, Rulon Dunn and A. J. Beckwith.

COSTUME PARTY GIVEN BY GROUP
The annual Halloween costume party of the Good Will club will close last evening at Legion Memorial hall auxiliary room for husbands of the members. The room was decorated with pumpkins and cacti, witches and other Halloween symbols.

Prizes for the best costume were awarded by Mrs. M. J. Bush, Mrs. C. D. Thompson, Mrs. Harry Stephens and Mrs. James Feronette. Judges were Mrs. Bertha Wood, part of the entertainment was a contest between two parts of the group, the orange and black teams with the following results:

Two songs and tap dance routines were presented by Maurine Boren and an orchestra dance by Valeria Gates. Accompaniments were played by Glen Boren. The remainder of the evening was spent at dancing.

FORMER RESIDENT MARRIES IN CALIFORNIA
Miss Virginia Carlson, Los Angeles, formerly of Twin Falls, was married Wednesday to John W. Prudhomme, Sacramento, at St. Clements Episcopal church in Berkeley, according to word received by friends here.

The bride was given in marriage by her mother, Mrs. Gladys G. Carlson, Los Angeles.

The wedding was attended by Miss Nancy Chamberlain, Boise, maid of honor, and Miss June Ehrlich, Los Angeles. The bride wore a gown of heavy white tulle and carried a shower bouquet of lilies of the valley and baby roses. The attendants were in more dresses in old rose and turquoise.

Their wedding trip took Mr. and Mrs. Prudhomme to Yosemite national park and on their return will live at 1025 Euclid avenue in Berkeley. Both are graduates of the University of California and Mr. Prudhomme is with the Shell development company.

DINNER GIVEN BY P. E. O. CHAPTER
Mrs. Lola J. Moberly, Pocatello, state organizer for the P. E. O. Chapter, was guest of honor last evening at dinner arranged by Chapter AI at the Orange Lantern in Kimberly. Covers were laid at a single table centered with chrysanthemums in shades of yellow and lighted by orange tapers in crystal holders.

A business session followed at the home of Mrs. F. F. McAtee on Seventh avenue north. Mrs. Moberly addressed the group.

MEETING HELD BY ROOM MOTHERS
At yesterday's meeting of the room mothers of Lincoln school held at the home of Mrs. Halph E. Smith plans were made for increasing membership in the Parents Teachers association. The group made arrangements to take care of small children whose parents wish to attend meetings and it was decided that parents should be invited to visit school during November. A prize is to be given the room having the largest number of visitors.

During the social Mrs. Smith, assisted by Mrs. Earl Johnson, served refreshments.

The next meeting will be held Nov. 23 at the home of Mrs. N. O. Johnson. She will be assisted by Mrs. M. E. Kline and Mrs. Kenneth Hemphill. The program will be presented by Mrs. Paul Oehlert and Mrs. H. H. Soper.

STUDENT ACTORS ARRANGE BANQUET
The final performance of "The Tempest of the Shores" was followed by a banquet at Wray's cafe with a program by the student actors. The group made arrangements to take care of small children whose parents wish to attend meetings and it was decided that parents should be invited to visit school during November. A prize is to be given the room having the largest number of visitors.

During the social Mrs. Smith, assisted by Mrs. Earl Johnson, served refreshments.

The next meeting will be held Nov. 23 at the home of Mrs. N. O. Johnson. She will be assisted by Mrs. M. E. Kline and Mrs. Kenneth Hemphill. The program will be presented by Mrs. Paul Oehlert and Mrs. H. H. Soper.

CARDS FOLLOW HOBBES' DINNER
Mrs. Mabel H. Hoobes was hostess last evening at her home at a dinner arranged for eight. Places were marked at a card table in the recreation room and chrysanthemums trimmed the room.

The evening was spent at contract and bridge. The card game was won by Mrs. Loyal Campbell and Miss Jean Sprague.

HOBBES GIVES LUNCHEON FOR 11
A luncheon was given yesterday afternoon by Mrs. Mabel Hoobes with a number of the guests from the Gooding state school. Twelve were served and fall flowers were used as decorations.

The group spent the afternoon at bridge and socially.

SPONSORS NOTE LIBRARY'S LACK

Need of New Building Cited; Figures Show Growth Beyond Facilities

Although Twin Falls ranks third among the major cities of Idaho in point of library circulation and number of books it is the only city of that classification without a central library building. The Twin Falls Central library sponsors of a new building here, announced today.

A number of smaller cities or towns have erected a library for the use of the community, the club pointed out.

Need Better Lights
Further indictment of the present facilities points out that modern lighting, heating and ventilation are lacking and the stairs deter many patrons.

Referring to the taxpayers is noted in the fact that nearly every child in the public school system has a library card and the schools depend on the library for books for special reading and for reference work.

If the work was not available in this manner the books necessary for the children would have to be supplied through the schools by tax funds.

Room provided by the present facilities is also considered very inadequate as over 100 volumes have been handled by the staff in a single day.

No Future Space
Space for future growth is entirely lacking. A large book stack holding 1,000 books was added to the equipment this year taking the last available space in the present quarters. Books are needed to supply the needs of the patrons. In the past three years nearly 3,000 volumes have been added to the shelves.

The average circulation for the year ending May 1, 1937, was 132,536 volumes which averages 10 books for every person in the district. During the bond issue will come before the taxpayers on Tuesday, Nov. 9.

RITES PAY HONOR TO JEROME MAN

JEROME, Oct. 30 (Special)—Kathleen Annett, 46, prominent sportsman of this section and produce buyer, was paid final tribute yesterday afternoon at services conducted from the Jerome funeral chapel, the capacity of which was taxed by the large number of sorrowing relatives and friends.

Mrs. Earl Kennedy, reader for the Christian Science church, was in charge. Wilton Peck, Twin Falls, sang a group of songs. During the rites all local business houses were closed.

Funeral services were E. J. Slap-Ken, officiating. A large number of flowers were placed in the casket. The casket was borne to the Jerome funeral chapel, the capacity of which was taxed by the large number of sorrowing relatives and friends.

Mrs. Annett, who had made his home here for 30 years, was killed Tuesday in a hunting accident.

Funeral Service Honors Matron

Mrs. Mary Hill, 63, was paid last honors at services held yesterday afternoon at the Church of the Nazarene. Rev. L. D. Smith and Rev. J. O. Helms, Kimberly, conducted the rites.

Music included "In the Sweet By and By," "In the Garden," and "God Is With You Till We Meet Again." Pallbearers were Mrs. Hill's sons, H. A. Hill, Fred A. Hill, and Charles H. Hill. The casket was borne to the Jerome funeral chapel, the capacity of which was taxed by the large number of sorrowing relatives and friends.

Mrs. Annett, who had made his home here for 30 years, was killed Tuesday in a hunting accident.

Mrs. Hill was assisted by Mrs. L. D. Smith. The guest of honor received gifts and cards during the service.

Guests were Mrs. Bowen, Mrs. C. A. Enos, Mrs. E. W. Watkins, Mrs. George Hill, Mrs. Estelle Wright, Mrs. Harry Mainken and Mrs. W. L. Hollenbeck.

Announcing...

The Continuation of Our Annual Sale

ON RAY AND GLOW BOY CIRCULATORS AND ON GLOW MAID RANGES FROM NOV. 1st to NOV 16th.

Our Sale up to the present time has been very satisfactory, and it has been necessary to replenish our stocks the second time in order to fill our orders. This is not strange, for when you see the Globe Line of Ray and Glow Boys you will, like so many other ladies, say "We have never seen such a beautiful line of stoves and ranges." They are just as practical and economical as they are good looking.

You will appreciate the premiums given in connection with our Annual Sale now on at the Mountain States Implement Co. STORES IN TWIN FALLS AND BUHL

WHY IRON FIREMAN COAL HEATING OFFERS THE GREATEST VALUE IN AMERICA

The Coal Fire model shown above feeds direct from bin to fire. Regular boiler models also available if desired.

Abundant Heat... Cleanliness... Convenience

Low Cost...

Matching the best of other automatic heating at every point, Iron Fireman is the outstanding leader in two important ways.

steadily, continuous flow. You get away from the "pop-on, pop-off" features of the more volatile automatic fuels.

per dollar than you can buy in any other fuel. So you save money on fuel—a lot of money—costs are 15 to 30 per cent lower!

SECOND—Iron Fireman fuel cost is far lower. Coal is America's permanent fuel supply. It is sold competitively. There are several kinds of good coal in every locality which make satisfactory Iron Fireman fuel.

THIS CURIOUS WORLD By William Ferguson

IN ENGLAND A GRAPEVINE PLANTED IN 1763 AT HAMPTON COURT, WHERE CROMWELL LIVED, STILL BEARS FRUIT.

BEAUTIFUL COME-LIKE CARVINGS ARE MADE ON THE DARK GREEN THICK-SHELLED EGGS OF THE EMU. ADAMS CENTER, NEW YORK, HAD 334 INCHES OF SNOW IN ONE YEAR.

The Australian emu is second in size to the ostrich, and lays eggs of a comparable size. Most peculiar about the emu is the dark green shagreen-like surface. By cutting away the outer surface, a lighter shade is encountered, and this combination makes it possible to execute beautiful carvings thereon, much as a cameo is carved.
