Beauty Slain

Whitlow was the explanation of John S. Whitlow, husband of her best friend for the death of Ocie Lee Turner, above, Lynchburg, Va., factory beauty, in a tourist cabin he had rented at Appomattox. "Murder" was the police explanation of her shooting. Whitlow said he rented the cabin so Miss Turner could recuperate from the effects of a party they had attended.

WARDEN KILLERS

FACE EXECUTION

Held as a material witness in the slaying of 8-year-old Nancy Glenn, Mrs. Marie Phillips, star Olympic gymnast, shown above, her eyes downward, before she was released by Philadelphia police on a \$500 bond she signed herself. The homebound girl athlete declared, authorities said, that her friend, Mary Keenan O'Connor, college student, had confessed that she had shot and fatally injured the child. Mrs. Phillips failed to report the slaying, she told police. Morgan, who died in the wreckage, died as a result to a hospital.

TEACHERS MOVE TO GET PENSIONS FOR RETIRED WORKERS

IDAHO ONE OF 11 STATES WITHOUT SPECIAL BENEFIT

Delegates to State Meeting - Hope to Take Politics Out of Elections

BOISE, Ida., Nov. 27 (AP)—Idaho's teachers moved today to secure adequate provisions for pensioning retired educational workers after passing resolutions to study laws in other states and present a pension bill to the 1939 state legislature.

Idaho is one of the 11 states in the nation which does not have retirement benefits for instructors in the public schools. Delegates to the educational association here voted to assess each teacher in the state 25 cents for the purpose of raising a fund to finance collection of material and retaining legal help to draft a law providing for pension after retirement.

Off Political Ballot Steps to take elective educational officers off the political ballot were taken when the delegates voted to favor selection of state and county officers by appointive method. A non-partisan ballot to be voted on at regular election. Division of the state's school districts into larger areas to prepare for a more equal school fund distribution and to lessen the costs of education per capita was also approved in its constitution.

Need Straight Thinkers In a speech, Dr. Raymond Leach, president of the College of Idaho, said that colleges failed in their purpose by appointing out-party officials. Dr. Leach said a college, to fulfill its purpose, should give the world straight thinkers, both liberal and conservative, as well as good scholars. The assembly adjourned today at noon.

BOY SURVEY TO START AT MEET

Development of Youth-Slated For Discussion During Monday Session

A survey of eight counties with reference to the potential possibilities of Scouting will be one of the aims undertaken in Twin Falls next Monday night at the Park hotel in the "Mobilization for Boyhood" meeting. It was announced Tuesday afternoon by R. H. Snyder, council organization chairman and president of Albion Normal school. The meeting will be held at the hotel starting at 7:30 p. m. and invited to attend are representatives of religious organizations, service clubs, fraternal orders, scholastic organizations and individuals interested in boyhood.

Eight Counties This survey will include the counties of Blaine, Cassia, Camas, Gooding, Jerome, Lincoln, Minidoka and Twin Falls and will be for the purpose of finding potential possibilities for Scouting and boyhood development, Mr. Snyder said. "In the Snake river area council there are, it is estimated over 6,000 boys in the age of 12 and 18 years. All of these are eligible for Scout membership. On Nov. 1 we had 893 Scouts enrolled. Aside from boys of this age there are also 2,000 at the ages of 10, 11 and 12 who are eligible for Cubbing activities. "Sixty-five per cent of our youth population live in communities of 1,000 population or less. This makes ours essentially a rural problem.

Plan New Groups "We intend to add these boys who want to have something constructive to do by making available to them more units. We want to uncover new organizations willing to sponsor troops and to put new life in those which have been lax in their duty toward the boys. "We owe it to the boys to give a little of our time and money to help them help their program," Mr. Snyder said.

Blood Donors Respond To Appeal by Canadians

WINDSOR, Ont., Nov. 27 (AP)—Blood donors, responding to appeals broadcast throughout America and abroad, bequeathed Grace hospital today with offers to help save the life of Weston W. Congress Huffs, Garner Puffs

Vice President John Nance Garner is known as the most serene man in American politics, and he certainly looks just that in the photo above, taken on his 68th birthday. While congress squabbles and fuses over legislation, Garner sits back calmly, puffing out great clouds of cigar smoke which almost hide his sandy hair and smiling white brows. He is in perfect health, his most serious recent ailment being a toothache, which coincided with one of President Roosevelt's and caused Garner to say "See, we still feel alike."

FATHER RELATES TRAGEDY'S STORY

Buhl Rancher Gives Personal Statement on Death of His Daughter

BUHL, Nov. 27 (Special)—Personal statement issued here by J. S. Crawford, father of Miss Ellen Crawford, Gooding college student killed by a motor car near Gooding last week, describes the tragedy as follows: Ellen Crawford, daughter of Mr. and Mrs. J. R. Crawford, who live southwest of Buhl, was instantly killed Wednesday, Nov. 19, while walking along the highway north of Gooding college. Ellen was accompanied by Miss Rosella Barnett of Twin Falls, and Mr. Barnett states that they stepped off the pavement to the left to allow a car driven by Fred Harms to pass, Ellen saying as they did so, "Look out for a splash."

The Harms car was going 16 miles per hour, a speed it had maintained since leaving the college. The night was dark and pavement slick. Both Mr. and Mrs. Harms saw the girls ahead and as it was raining, Mr. Harms pulled far to the right to avoid splashing the girls and to leave more room for a car, which was rapidly approaching from the rear. To pass as the Harms passed the girls whom they plainly saw on the side of the road, Mr. Harms asked, "Shall we give the girls a ride?"

Just then, and before he had time to apply his brake or attempt to stop he heard the crash and immediately brought his car to a stop, being struck half a mile away. The car which was a half-ton or three car lengths ahead of his car. The driver of the death car, James Eaton of Wendell, claimed to have been traveling "only" 40 miles per hour and to have been blinded by the lights from the city of Gooding some half a mile away. The car which by Eaton was the property of Leo Rice of Wendell, prominent garage man of the north side.

No formal investigation was made and Dr. Manzel, coroner, termed the accident unavoidable. No measurements were taken and the cars were removed and taken to the city. The car was removed before Traffic Officer Williams of Jerome arrived. No report was available to the insurance office until the car was greatly mangled. Measurements taken Sunday afternoon and information received from eye witnesses indicate that the Eaton car was greatly in excess speed and that Harms had left at least a 12-foot lane for the death car to pass. From the physical features near the wreck it appears that the victim was struck a glancing blow with the left bumper of the car, hurling the body against the upper left corner of the car body and the end of the windshield, making a considerable dent in the metal body and shattering the left end of the windshield.

Hurted 90 Feet Ellen's body was hurled 90 feet approximately and into the borrow pit, and the Eaton car was stopped only 150 feet from where it struck its victim. Mr. Eaton was not available Sunday for questioning by the parents who were seeking information as to the probable cause of the wreck. No official report of the accident was made to the Crawfords, who learned of the accident from friends of the dead girl. Miss Barnett was hurled to the borrow pit from impact of Ellen's body and though greatly shocked, Mrs. Eaton was only slightly bruised, and a resting and recuperating at her home near Twin Falls.

No charges have been preferred against Eaton, and neither he nor Rice, the owner of the car, has communicated with the Crawfords. The greatest fingerprint file in America is that at Washington, D. C. started in 1924 by J. Edgar Hoover. It had as its nuclei and germinants taken from federal prisons.

PROTECTION FOR CHILDREN URGED

Health Unit Head Asks More Immunizations During Pre-School Age

South Idaho parents with pre-school age children this afternoon were urged by Dr. Robert Stump, director of the district health unit with headquarters in Twin Falls, to take advantage of the opportunity presented for immunization among youngsters in this group. Immunizations were described as being "much more important" among children of this age group. Any disease for which the child could be immunized, Dr. Stump pointed out, is much more harmful to that child if contracted at an early age.

Call Private Doctor "This is true in the case of diphtheria," Dr. Stump said, "and is also true in smallpox and whooping cough. In all cases, when possible, a private physician should be contacted but such treatment and protection should not be put off.

"Also I want to stress the point that parents shouldn't get the idea that children can be protected against only smallpox and diphtheria, but should talk it over with the family physician regarding available protection against other diseases," Dr. Stump said. He pointed out that smallpox vaccination can be given at any age, starting soon after birth. Diphtheria immunizations can be given when the baby reaches about nine months and whooping cough protection can be administered at about one year of age. This is also the order in which it is considered best to take such protection, he said.

Pre-School Immunization The present immunization program being carried on by the health unit under Dr. Stump's direction today was termed "successful" from all angles but that of pre-school age treatment. "Work done among pre-school children should show a sharp in-

When the shoulders and the cost collar are covered with white, shiny scales, anybody can recognize the scalp infection known as dandruff.

Dandruff is uncommon among children but rather frequent among older people. It was not seen often in former times when the hair was cut short and washed and cleaned and combed, dandruff is likely to increase.

There are certain scalp conditions which are not so common as dandruff but which represent much more serious disturbances. In general, dandruff is not responsible for falling hair but it is a factor in falling of the hair. It is serious to mistake ringworm of the scalp, or pediculosis for ordinary dandruff.

HISTORY Of Twin Falls City & County

As Gleaned from Files of The Times

15 YEARS AGO

Nov. 27, 1922. That a joint discussion of the issues involved in the Americanization of the Twin Falls matter was an early feature of the campaign which will be held Jan. 16.

Probably the most interesting question to come before the meeting was that of the status of the Idaho Power company contract which the district court had annulled and the dam constructed.

27 YEARS AGO

Nov. 27, 1910. P. B. Johnston, living one mile south of the city, returned Thursday from a trip through the mines here.

Effects of the committee appointed some ago to canvass for the necessary funds for the improvement of the road from here to Jarbridge have proven successful. The committee has \$400 among the business men alone.

You May Not Know That

BEHIND THE SCENES IN WASHINGTON

By Rodney Dutcher

Evening Times Washington correspondent. WASHINGTON, Dec. 27.—The people who are administering the social security act insist that the principle of the old age reserve account under the 35,000,000 pension now have "insurance policies" with the government, is both honest and sound.

"If you have confidence in your government, its future solvency and honesty, they say, you shouldn't worry about old-age benefits and the method being used to finance them. But if there is to be no such confidence, anyone might as well call it a day and throw the scheme overboard."

The 36,000,000 employees now pay one per cent of their incomes up to the first \$3000 and their employers pay a like sum. The result is a fund which is collected by the treasury. This will be graduated to an eventual combined tax of six per cent.

GRAVE CHARGES MADE. Lately from many directions have come charges. 1. That the government is spending social security tax money as fast as it gets it to finance deficits. 2. That the scheme is really a income tax and corporate tax.

The Machine Actually a Friend. What we are getting into right now may be another depression, a flare-back of the old one or just a mild "seasonal recession."

And since that is true, it is worth while to have a look at the other side of the picture. That may help us to understand that our salvation lies in exploiting the machine to the very utmost rather than in any fruitless attempt to turn the clock-back.

Now there are not exceptional cases. The same sort of thing is true all along the line. The machine age has made the things we use cheaper, better and more plentiful than they were a generation ago.

"Sky High" Thrift. The federal Maritime Commission recently pointed to a brand new reason why America should not build any of the luxurious super-liners with which competition for the de luxe ocean passenger trade is now being waged.

FACTS, FANTASY—FASCISM. We do a good deal of talking in this country about the danger of Fascism, and it is a good thing that we do. It keeps us alert. But the danger in America is not so remote, almost academic, as in Europe, however.

## DeBoard-Lahue Bridal Solemnized at Church

Miss Ilene Gertrude Lahue, Twin Falls, became the bride of Wayne DeBoard Wednesday evening at an attractive church ceremony. It was announced today.

## YEARLY SPORTS DANCE HELD BY CLUB MEMBERS

Seventy high school couples attended the annual interschool dance given last evening by the Elks hall as a sports event. Music was provided by Will Wright and his orchestra.

The bride entered the church with her father, DeWitt Lahue, to the wedding march "A Midsummer Night's Dream" played by Miss Maxine Smith. She wore an aqua blue satin formal gown and had pink roses in her hair. Her flowers were a bouquet of pink asters.

The groom was attended by Burton Newby, Glenn Perry and others. Mrs. Lawrence Lancaster and Mrs. Doreen Smith, both of Twin Falls, were bridesmaids.

The bride wore a gown of pink tulle and the dimmed lights were pink. The bride and groom were married by Rev. W. A. Phillips, pastor of the Nazarene church, reading the first ceremony.

The bride wore blue tulle and had a corsage of sweet peas, rose buds and hellebore. After the ceremony a wedding supper was served.

## GEORGE TO VISIT EDWARD'S DUCHY

Plans Trip Near First of December to Inspect Holdings

LONDON (AP)—King George is expected to tour the duchy of Cornwall, upon the apple of King Edward's eye as a model layout, now owned by the Crown.

According to present plans, the King will make a two-day visit to Cornwall, Nov. 29 and Dec. 1, and will not be accompanied by Queen Elizabeth.

The duchy estates, totaling more than 120,000 acres, extend into Cornwall, Devon and Somerset, and the King will visit all three counties. He will see the home farm, at Stoke Climando, from which the famous herds of Devon cattle once won prizes for Edward.

How George will get on with the Cornish folk is doubtful, for all through Cornwallmen boast of their loyalty to the King, they have recognized the present Duke of Windsor as their "ruler" ever since his birth.

For Edward was born Duke of Cornwall, a title handed down from royal father to eldest son, while he did not become Prince of Wales until he was 17 1/2 years.

When he abdicated, the Duchy, one of the wealthiest districts with its oyster beds and cattle industry, in the kingdom, became vested in the King since George's eldest child is Prince Elizabeth and she could not be held by a girl.

To denote the change in ownership, there is a new heraldic device. The blue flag with the gold "bezants" or balls, now is surmounted by a royal crown instead of a coronet.

OLYMPIAN, Nov. 27 (AP)—Officials of the Greyhound Bus Lines announced today they would file a federal court eight civil actions against the Brotherhood of Railroad Trainmen, sponsors of a strike of Greyhound drivers.

### Smaller Schools Plan to Form Separate League in State; Meet December 11

### 7 Big Teams Set Round Robin Schedule for 1938

BOISE, Ida., Nov. 27 (UP)—Southern Idaho's Big 10 high school football conference was abandoned today because of officials of the conference said, it was too hard to finance and too difficult in operation to permit proper scheduling of games.

The conference dissolution was immediately followed by the formation of a new group to be known as the Southern Idaho conference, consisting of the seven major schools of the Big 10.

The former conference, which actually consisted of 12 schools, was in operation in the southern part of the state for eight years before its final abandonment. The action was not unexpected. Coaches and officials had frequently criticized the conference formation.

**Plan Meeting**

The five smaller schools which had a part in the conference at once signified their intention of forming an independent conference, and meetings will be held Dec. 11 at Boise to put the plan into operation before February 1.

These five schools are American Falls, Piler, Rupert, Bull, and Blackfoot.

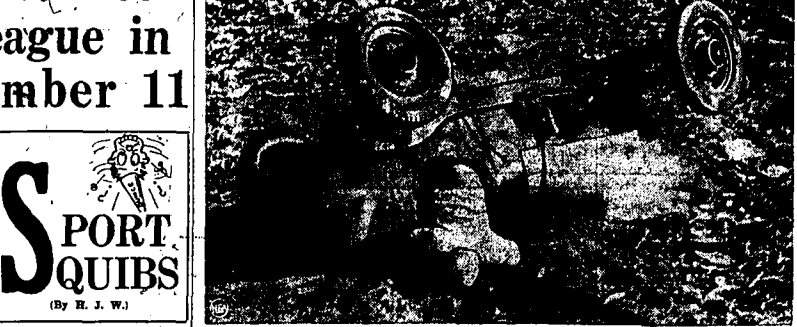

Before dissolving at its annual meeting here the conference awarded the 1937 Big 10 title to Boise High school.

The new conference, officials said, will try to form a round-robin schedule, consisting of Boise, American Falls, Idaho Falls, Pocatello, Caldwell, and Nampa, will play each other.

**Schedule Feb. 1**

Under the Big 10 formation, home and away, or regional games, were not possible, and the season ended with one or two of the members not having played all other members of the conference.

### Death on the Speedway

Leading by three laps with the winner's flag only four laps away, Leonard Powell, Negro driver, took the death turn of the New Hammond track today in a skidding slide turned over, and as thousands of horrified spectators gasped, plunged through a concrete retaining wall to the ground below. Rescuers found him pinned face downward beneath the wreckage, unconscious. He died on the way to the hospital.

### White Worries Over Rhodes Scholarship

#### Colorado's Whizzer Refuses to Comment On Any Talk of Turning Pro

By HAROLD NIKKEL  
DENVER, Nov. 27 (UP)—Byron (Whizzer) White, a Pihl Beta Kappa student who is the national leading football scholar, would rather be a Rhodes scholar than an All-American hero and it was not unlikely today that he would be both.

He finished his collegiate football career Thanksgiving day with the finest individual performance in the history of the Rocky Mountain conference by defeating Denver University, 34 to 7, almost single-handedly. Today he was concerned with the real triumph toward which he had aimed his collegiate career—a Rhodes scholarship.

Leaves No Marks

Colorado's Whizzer, a member of the national university undefeated and untied season apparently had left no mark on the serious 180-pound youth of 26, who wants to become a lawyer.

He was asked today at his home in Wellington, a town of 533 persons in north central Colorado.

### White Worries Over Rhodes Scholarship

#### Colorado's Whizzer Refuses to Comment On Any Talk of Turning Pro

whether he had any intentions of playing professional football.

"No," he said. "I don't know anything about it and don't care to discuss it."

His main ambition, he said, was the scholarship. It appeared certain that he would receive several lucrative offers to play professional football.

Scored 22 Points

Against Denver University Thanksgiving day. While scored 22 points, three touchdowns on jaunts of 42, 45 and 19 yards and four conversions, passed for two touchdowns after carrying the ball to scoring position once with a 45-yard run, returned a kickoff 78 yards, punned superbly and ran the team perfectly.

White's national scoring lead was compiled on touchdowns, 23 conversion points and the only field goal he attempted. His yardage record showed more than nine yards every time he carried the ball. His punting average bettered 45 yards and he averaged about 35 per cent completions on his passes.

### Army-Navy Battle to Draw Biggest Crowd; Pitt to Tackle Duke

### Fordham Risks Undefeated Record Against NYU; Columbia Meets Stanford Invasion

By HENRY SUPER  
NEW YORK, Nov. 27 (UP)—The 1937 football season comes to a virtual close today with the east and south sharing national attention, leaving only a few scattered games through December and the usual "bowl" clashes on New Year's day.

From a national standpoint the two most important games are N. Y. U.-Fordham at New York and Duke-Pittsburgh at Durham, N. C. However, the largest crowd of the season, 102,281 persons, will fill Philadelphia's municipal stadium for the Army-Navy game, a traditional battle which sells itself on color alone because both eleven have had dismal seasons.

A fourth banner game will be played at South Bend, Ind., with Notre Dame concluding its season against the Trojans of Southern California. Once upon a time this one was the determining national title but this Saturday it is just another football game. Stanford, defeated twice by Columbia by a score of 1-0 in the 1936 season game, and last season—meets Columbia at New York in another attempt to gain revenge for past upset defeats.

Favorites Listed

Favorites in these five games are Pittsburgh, Fordham, Army, Stanford and Notre Dame.

If Pittsburgh and Fordham win—and both are heavily favored—they will have completed the season with 10-0 records. The Trojans and Stanford will attempt to complete perfect seasons over the week-end. Santa Clara, hoping for another invitation to the Sugar Bowl, meets Gonzaga tomorrow and Villanova meets Loyola of Los Angeles. Holy Cross concludes today against Boston College.

Three hot games are scheduled in the southwest. Southern Methodist battles Texas Christian, and Rice the conference leader, meets Baylor in conference games. Outside, Oklahoma tackles Oklahoma A&C, Penn State virtually clinches the Big 10 by defeating Iowa in its second place. If it loses, the outcome may depend on next week's Rice-Texas game, a two-victories, no-defeat and a tie.

In the south, three southeastern conference games are scheduled—Auburn-Florida, Georgia-Tech and Louisiana State-Tulane. Alabama won the title outright but the race for second place still is wide open.

A couple of intersectional games feature the Pacific Coast program. Missouri plays U. C. L. A. in Los Angeles. The Sun Francisco enters into Michigan State.

### State Track, Field Meet is Abolished

BOISE, Ida., Nov. 27 (UP)—This state's annual state high school track and field meet also abolished today by the Idaho Athletic association.

In its place, the association put three district meets to be conducted May 14, 1938. The meets will probably be held at Moscow, Pocatello and Boise.

The association said it would recognize as state records any outstanding performances made at any of these district competitions.

Reason for the change, said the association, was to encourage greater participation in field events by Idaho's students.

A "head pin tournament" is in progress at Fred Stone's bowling alley today and Sunday, with cash prizes offered to the winners.

The score of the game is compiled from points accumulated only if the bowler hits the head pin, according to Mr. Stone. Perfect score is 120; a good score is 100 or over. The meet is open to everybody.

Entry fee is 65 cents, which includes 45 cents for bowling, the remaining 20 cents goes toward prizes. First prize will be 50 per cent of the loss, second is 30 per cent, and third is 20 per cent.

### Colorado Gets Offer to Play Charity Game

BOULDER, Colo., Nov. 27 (UP)—Colorado university's athletic board has approved an offer from Villanova for a charity game in Yankee stadium Dec. 11, it was learned today.

The offer, received yesterday, was one of four invitations extended to the undefeated, untied Buffalo who ended its season Thanksgiving by defeating Denver university, 34 to 7.

The other offers which were rejected by the school's athletic board, came from Dallas, Tex., for a Christmas day game; El Paso, Tex., for a New Year's day Sun Bowl game; and a Los Angeles game seeking the Rocky Mountain conference champions for another Christmas day contest.

The Buffs, led by Byron (Whizzer) White, the nation's leading scholar, will meet Sunday to make their decision.

### Strikes to Spare

#### By FRED STONE

The mighty have fallen! The Twin Falls Flour Mill took the Post Office boys for one of three, the only team able to do that so far this season.

But at that, Archie Anderson of the P. O. was high man for the match with 526 for top total. A little late for Thanksgiving but Arch got a turkey his first game.

Edwards got four. In a row his last game but six errors previously certainly ruined those strikes.

Sogn and Prehly really had an awful time. No doubts. No nothing.

Glyde Ross went them one better—he did get himself one doubt.

His spare ball failed him.

For the victors, Chet Clark had the high honors both total and high strike. He got 482 and a last game of 292. Double and turkey his last.

Garnard started his second with 100 in a row and his last with two in a row. But errors hurt his total.

Fisher and Bailey got doubles in both their first and second games, and a turkey got in his third game.

In fact, the whole team for the Millers was hitting that pocket. They had to beat the Post Office gang.

On the other alleys, which also saw City league bowlers in action, the Electric Motor boys took everything from the Brookfield boys. That is, they got all three games. Harper got 346 and a last game of 242. Double and turkey his first game with 246.

He finished his first game with six strikes in a row for 203 to tie for his second game.

Paul Strain showed the boys how to make a strike on their first game. He improved, however, as was demonstrated when he got that double his last game.

Wells, Dec. 1—Schills vs. Bernard Auto. Thru. Dec. 2—Zip-Way Market vs. National Laundry.

### Apes Pumpkin

BLK CITY, Okla., (UP)—The motif of the "Apes" pumpkin was clear in the millions of the trophy day game. Blabie boys took the big black horse would run away from the War Admiral and Sea-Biscuit. Handicappers write of his tremendous speed and power.

Senior Horacio A. Luro did nothing to quiet these reports. In fact, the good Senior faucet in the flames every time he spoke. He said Amor Brjuo was the best horse in the world and that having cleaned up the South American race, he had been brought north to show the country. He freely predicted that the "low wind" would handout points and all through out in the luck Santa Anita handicap.

### Mann Pounds Out Decision Over Pastor

NEW YORK, Nov. 27 (UP)—National Mann, New Haven, Conn., heavyweight and Tommy Farron, British challenger who stayed 15 rounds against Joe Louis, will fight a 10-round match at Madison Square Garden Jan. 31, Promoter Mike Jacobs announced today.

Mann earned the shot by beating Bob Pastor, the former New York university football player, in an interesting 10-round affair booked by 5,000 fans in the Garden last night.

The Connecticut club is to make a fight of it all the way, but he was handstopped by Pastor's combination boxing and back-pedaling, the same tactics he used in staying 16 rounds with Louis early this year.

Mann weighed 184½, Pastor 167.

### BLACK HORSE FROM SOUTH AMERICA EXCITES INTEREST IN FOLLOWERS OF COAST RACING

By HENRY McLEMORE  
BAKERSFIELD, Calif., Nov. 27 (UP)—Not since Luis Pupo came out of South America to the magnificent winners and undefeated champion in the any Pampa product excited as much interest as Amor Brjuo, the "low wind" who is the champion of the equator—the Thanksgiving day handicap at Turfway—but that was enough to start him as a champion and a serious menace to the \$100,000 race that goes with the Santa Anita handicap.

A crowd of more than 15,000 watched the South American champion try with his opponent in his first North American start and it left the track convinced that the thousand and one rumors about the "Apes" horse were true. I heard all these rumors when I was at Turfway early this week. Clockers talked clear to the millions of the trophy day game. Blabie boys took the big black horse would run away from the War Admiral and Sea-Biscuit. Handicappers write of his tremendous speed and power.

Senior Horacio A. Luro did nothing to quiet these reports. In fact, the good Senior faucet in the flames every time he spoke. He said Amor Brjuo was the best horse in the world and that having cleaned up the South American race, he had been brought north to show the country. He freely predicted that the "low wind" would handout points and all through out in the luck Santa Anita handicap.

Asked several weeks ago when he planned to start his mighty steed, Senior Horacio A. Luro said, "When he's dead fit. Not one day before." The Senior made it clear that the millions of the trophy day game. Blabie boys took the big black horse would run away from the War Admiral and Sea-Biscuit. Handicappers write of his tremendous speed and power.

The track was soggy and deep through the mud. The "Apes" horse, Amor Brjuo, black as the arc of space and stepping high. So mighty were the tales that had been told about the "Apes" horse that one San Francisco turf expert wrote that the crowd was a trifle disappointed when Amor Brjuo did not come out prancing on six legs, with wings on his back, snorting fire and lightning.

But the Argentine beauty didn't disappoint in the race. Breaking slowly, he loafed until the backstretch when he turned out. He then, momentarily and picked up the front runners in a bounce, making up more than 10 lengths in one sixteenth of a mile. Once in front jockey Freyria Maeschuk put the wraps off, and coasted the rest of the mile in 20 seconds.

Ludolph had a low carried run average of 245 while Shorns averaged 247.

Jim Thurn, big right hander of the championship San Diego Padres, was third with 23 victories and 16 losses for an average of .593. His low part lay in the Los Angeles, non-111 (41), Mullins, 136, Chicago, delonated Paul Lee, 135, Indianapolis (101) Franklin, 134, and Los Angeles, 133. The Connecticut club is to make a fight of it all the way, but he was handstopped by Pastor's combination boxing and back-pedaling, the same tactics he used in staying 16 rounds with Louis early this year.

Mann weighed 184½, Pastor 167.

### Ludolph and Shores Lead Mound Aces

SAN FRANCISCO, Nov. 27 (UP)—Ben Willie Ludolph, Oakland's "Bunt pitcher," and Bill Shores of the San Francisco Giants led the Pacific Coast baseball league pitching last season, according to official records. Ludolph, who led the league in 1936, won and lost 4 while Shores won 16 games and lost 8. Each had a percentage of 66.7.

Ludolph had a low carried run average of 245 while Shorns averaged 247.

Jim Thurn, big right hander of the championship San Diego Padres, was third with 23 victories and 16 losses for an average of .593. His low part lay in the Los Angeles, non-111 (41), Mullins, 136, Chicago, delonated Paul Lee, 135, Indianapolis (101) Franklin, 134, and Los Angeles, 133. SO 'VA WONT TALK, EH? WELL I DUNNO BUT GUT IT'S A GOOD IDEA I SPOSE TH' LESS SAID ABOUT TH' PLACE, TH' BETTER.

LOOK, CLOWN! I HOPE YOU HAVE SOME DOUGH. BELLY UP! TELL YOU RIGHT NOW, YOU ARENT GOING TO GET OUT OF HERE TILL YOU PAY.

LISTEN, I KNOW YOU'RE LONESOME, BUT YOU'LL HANE TO THINK UP A BETTER SCHEME, THIN THAT TO KEEP ME HERE.

TILL I PAY! HUH, THAT'S A LAUGH!!! PAY FOR WHAT? FOR A CHANGE.

MYRA NORTH, SPECIAL NURSE

HOW DID YOU GET IN HERE? I DIDN'T BRING FOR MY PRIVATE SECRETARY—WHO ARE YOU!

I'M AN OLD, OLD FRIEND OF YOURS, WILLIE—DON'T YOU REMEMBER? YOU USED TO LIKE ME BEFORE YOU BECAME SUCH A GREAT AND WEALTHY MAN!

I KNOW YOU'RE LITTLE BALLY... I USED TO PULL YOUR PIG-TAILS... YOU RAN HOME CRYING.

YES, BUT I DON'T CRY—COME ALONG, NOW—I'LL TAKE YOU TO BREAKFAST.

LIT' PIG-TAILED SALLY—WHAT FUN WE HAD!

MY STARS! DO MY EYES DECEIVE ME?

FRECKLES AND HIS FRIENDS

ARE YOU ALL RIGHT, JUNE? GEE, I WAS WORRIED ABOUT YOU... AND THAT NEEDED SOME PERSUADING TO GIVE YOU UP!

YOU SHOULDN'T HAVE CARRIED ME UP HERE, FRECKLES! YOUR ANKLE IS ALL PUFFER UP!

AND YOUR CHEST SHOULD BE, TOO, AFTER WINNING THE GAME, ARE YOU DID!

IT WAS KIND OF A HOLLOW VICTORY, JUNE!

YOU WON FAIRLY AND SQUARELY, BUT WHAT'S HOLLOW ABOUT HIM THAT?

BUT YOUR DAD WANTED TO WIN THAT GAME ABOVE ALL OTHERS... IT WAS IMPORTANT TO HIM... AND I CHEATED HIM OUT OF VICTORY!

FRECKLES, I COULD KISS YOU FOR FEELING LIKE THAT!!

AND WITH MY BAD ANKLE, I'M JUST WEAK ENOUGH TO LIET YOU!
