Limitation on Strikes Claimed Illegal

CONGRESS GIVEN REPORT OF NLRB

No Ourb on Rights Imposed, Board Says in Hitting Any Amendment

By G. L. SULTZBERGER
WASHINGTON, Jan. 6 (AP)—The national labor relations board informed congress in its annual report today that legal limitations on the right to strike would be unconstitutional. The statement was made in the face of a reviving drive to amend the Wagner act, under which the board operates, and to take steps to increase trades unions' responsibility.

The board said, in a discussion of the Wagner law, that it opposes no curb on strike rights. Such "limitations . . . would no doubt be unconstitutional." It explained the statute was "designed to eliminate the causes of the large proportion of strikes . . . and for the peaceful adjustment of controversies."

Mounting criticism of the law, as it now stands, was touched off by speculation that President Roosevelt, in his message to congress, desired amendment to the act. Sen. Charles L. McNary, R., Ore., interpreted the address in this fashion. The President said later he desired further responsibility on the part of unions but that steps would not be taken to insure this unless labor failed to clean its own house.

Two Youngsters Recover Cannon Stolen in City

Park Piece Found 'Resting' Deep in Rock Creek Canyon Cave

Missing since early November from its point of vantage in city park, a 300-pound cannon today had been recovered by local workmen after two youths, Jack Gibbs and Raymond Blair, had found the weapon partially obscured in a cave near the Rock creek bridge.

Those who stole the relic from the park had made an attempt to obscure it by placing stones over and around it. The sharp eyes of the two youths, however, saw the shining metal and informed police.

It took four men and S. Claud Stewart, city park superintendent, to get the cannon from its resting place in the side of the rocky canyon.

But today the cannon had been recovered and one of the mysteries of 1937 had been "solved" with the exception of finding out who took the time to take the cannon that far.

BEAN MEN SEEK AID FROM IDAHO

Committee Urges Clark to Designate Week to Give State Emphasis

Gov. Barzilla W. Clark today had been asked by H. G. Luterbach, chairman of the Idaho Bean Growers Stabilization Committee to give Idaho beans a "break" by proclaiming the week of Jan. 17 to 22 as "Bean Health and Economy week."

The request was contained in a letter which Mr. Luterbach sent to the governor. He explained that the national association of food chains and stabilization committee groups have agreed to launch an intensive bean sales campaign on that date.

"A proclamation from you, designating the week of Jan. 17 as Bean Health and Economy week," Luterbach wrote, "would not only acquaint Idahoans with the purpose of the campaign, but awaken them to the economic threat to the entire state of the current surplus problem."

Luterbach explained that the market "must be relieved of this surplus" or more than 5,000 Idaho bean farmers will suffer a serious economic setback.

He also expressed optimism over the forthcoming sales campaign. Partly legislation and governmental purchases of beans are also contemplated as a part of the surplus-reduction program, he said.

ALLIANCE BLASTS AT INTERFERENCE

Circular Warns WPA Officials Workers Can Organize; Seeks Pay Boost

Militantly informing relief workers that national regulations forbid WPA officials to oust any worker for organizing, the Twin Falls unit in the Workers' Alliance of America has served warning on WPA leaders to "keep hands off" such activities.

The warning was contained in a circular issued to workers on projects in this area.

It also sounded a call for the active part of a vigorous battle to raise the basic WPA wage scale of \$44 monthly by at least \$6 more.

Pointing to WPA general letter No. 30 from Washington, and orders of Harry Hopkins, WPA administrator, the Alliance message points out that relief workers have the right to organize, and that no WPA official can be dismissed because of activities in connection with such organizing.

After citing the orders, the circular charges: "Nearly every provision in the DOES BLADDER IRREGULARITY WAKE YOU UP? IT'S NOT NORMAL. It's nature's danger signal. Do 2 things. 1. Alkalinize excess kidney acids. 2. Gently flush waste from kidneys. This helps nature relieve the irritation that wakes you up. Get 25¢ worth of Juniper oil, buchu leaves, etc. made into green tablets. Just say Buleks, the kidney evacuant, to any druggist and get a good night's sleep. Locally at Majestic Pharmacy."

order has been violated by the local administration of WPA and by the Department of Public Assistance. . . The Alliance publishes this letter as fair warning to all WPA supervisors and to all WPA foremen, time keepers and other officials that the Workers' Alliance is preparing to organize these WPA jobs and fight for a \$6 per month raise in wages. No interference will be tolerated by the Alliance. . . All officials are warned to not interfere in any way with the passing of hand bills on the WPA projects or to interfere with the free discussion of union activity by the workers. The Alliance is prepared to telegraph Washington, D. C., and file a complaint against he who does interfere and you will be off WPA for a long, long time to come."

Legislative Program Outlined by Speaker

Harry Benoit, national American Legion executive committee member of Idaho, was guest speaker at last evening's meeting of the American Legion auxiliary at Legion Memorial hall and discussed the organization's legislative program.

Topics he considered were the proposed universal service act, legislative preference for government civil service and the widows' and orphans' bill and adequate national defense.

Benoit was introduced by Mrs. Pauline Agee, president, and the program also included a vocal solo, "Only a Rose," by Miss Mickey Humphrey, accompanied by Mrs. Nellie Ostrom. New members were initiated. They included Mrs. C. H. Hennefer, Mrs. George Clapper, Mrs. Hazel Hesser, Mrs. Leah Beck, Mrs. E. H. Weststrom, Mrs. James Coleman, Mrs. Warren B. Parker, Mrs. W. C. Trevey, Miss Mary Helen Clapper, Miss Gail Ann Ott and Miss Bobbie Jean Douglas.

During the business meeting Mrs. Grace Turner, welfare chairman, gave an extensive report on the group's welfare work.

The meeting was arranged to honor Gold Star mothers and those present were Mrs. George E. Clark, Mrs. Elizabeth Jones and Mrs. Agnes Fields, who were presented with aprons of red roses.

Refreshments were served from a lace-covered table especially attractive with a gold star in the center surrounded by five blue tapers. The hosts committee included Mrs. H. A. Smith, Mrs. J. E. Warner, Mrs. Alice Koster and Mrs. J. E. Warner.

Gooding Girl Weds Shoshone Attorney

SHOSHONE, Jan. 6 (Special)—One of the week-end weddings of interest was the union of Charles C. Shaw of Shoshone and Miss Myra James of Gooding on New Year's day.
The ceremony was performed at the Gooding home of the bride's parents, and the father and brother of the bride stood up with her. It presented a pretty picture of a formal wedding, half a dozen bridesmaids attending the bride. Rev. E. G. McMillen of the Methodist church at Twin Falls was the officiating clergyman. The ceremony was under an arch of evergreens and poinsettias.
The bride is a daughter of Attorney A. J. James of Gooding and the groom is a young attorney recently moved here from Pocatello, where he is prominently known. The newlyweds spent a short honeymoon at Salt Lake City, for which point they left immediately following the wedding.

BUSIEST YEAR IN HISTORY LOOMS IN BOXING

Steele to Meet Apostoli in Friday Match

Heavyweight Division Leads in Number of Title Battles

NEW YORK, Jan. 6 (UP)—One of the busiest boxing seasons in years—it may be the greatest of all time—gets off to a flying start tomorrow night when Freddie Steele, the middleweight champion, meets the No. 1 challenger, Fred Apostoli of San Francisco, in a non-title fight at Madison Square Garden.

If all plans now being made materialize, there might be at least six championship fights before 1938 is half over.

The greatest activity of 1938 will be among the heavyweights—action certain to stimulate most of the other weight divisions. The only divisions likely to be inactive are the flyweight and featherweight.

In two classes—lightweight and featherweight—the reigning champions may go out of their classes in search of additional titles.

Here's how the various divisions stack up:

Heavyweight—Champion Joe Louis risks his title Feb. 23 in New York against Nathan Mann of New Haven in the first of the so-called tune-up fights in preparation for his defense against Max Schmeling in June, Louis' other two warm-ups probably will be in Cleveland, Detroit, Chicago or California. Whenever Joe steps into the ring his title will be at stake because there can be no non-title fight in the heavyweight division.

Schmeling Meets Foerd
Schmeling takes on Ben Foerd of South Africa in Germany on Jan. 15 and then returns to his country for another tune-up probably in March. On Jan. 23 in New York, former champion Jimmy Braddock risks his title against the winner of a fight between Max Baer and Max Baer Jr. in New York.

Middleweight—Promises to be the most active in the middleweight division is the heavyweight Steele's fight at odds of 8 to 1. Regardless of the outcome, it is certain this will be matched for a summer title fight. Crowding into the challenging spot are Glen Lee, Solly Krieger and Ben Brown.

Lightweight—Lou Ambers, the champion, is the keyman in bargaining with many promoters in title fights involving the lightweight, featherweight and flyweight divisions. Ambers is talking about fighting for the title with either Walter Berg or the champion, Walter Berg.

Welterweight—Barney Ross is the reigning champion and is clamoring for work. His outstanding challenger is Federico Garcia of Manila and Barney outlined last summer in a close bout.

Bantamweight—Champion Harry Jeffra risks his title Feb. 20 in Puerto Rico against former champion Sixto Escobar. This pair might be matched for a third round in the summer fight—probably on Mike Jacobs' "carnival of champions" late in the season.

Featherweight—Dukelet of divisions Champion Benny Lynch of Scotland will win the title abroad. Little chance of his invading the United States because of his lack of challenge as well as interest in the division.

Sam Snead, Cooper Named Favorites in Golf Meet
LOS ANGELES, Jan. 6 (UP)—A year ago today one Sam Snead was looked upon by the golfing fraternity as little more than a hill-billy freak. It was generally believed that Samuel and his partner, the driver, were in the last and that he soon would go back into the wilderness of his West Virginia hills with a pack of wild animals.

"Bask-o-Lites" Will Feature Opening Court Contest

Basket Calls the Shot

When Twin Falls basketball fans pour into the Bruna gymnasium here Friday night they are going to see something new in the court game.

It won't be that Coach R. V. Jones has developed anything spectacularly new in the line of play.

It won't be a new set of bleacher seats.

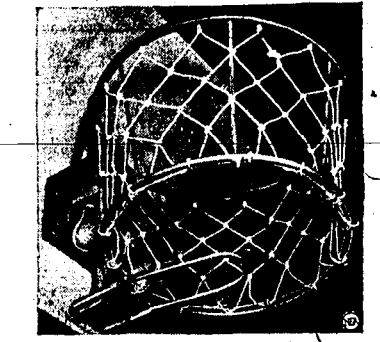

And it probably won't even be a new set of officials.

It will be "bask-o-lite." Which, unless you've been reading a few of the eastern papers, doesn't mean a thing.

"Bask-o-lite" is not a game, a trick, or even a district.

It is a new method of scoring—designed especially for the convenience of the spectators.

As shown in the accompanying picture, a steel basket a foot deep is used with a tongue reaching across the bottom. Every time the ball drops through the hoop, onto the tongue, red lights flash on one directly under the top hoop, the other two above the backboard, for the benefit of the spectators seated at the end of the gymnasium. And also for the near-sighted ladies and gentlemen on the sidelines who are in doubt as to whether the ball actually has hit the basket.

Here is a close-up view of the "bask-o-lite," showing the construction of the net, the tongue at the bottom of the second hoop, and under the top hoop support, the light, which flashes on when a ball trips the tongue. The "bask-o-lite" is being used this winter in Twin Falls and Shoshone gyms, among the first high schools in the nation to adopt the new scoring system.

Jeffers to Donate Cup To Ski Meet Winner

By J. P. GALLAGHER
SUN VALLEY, Idaho, Jan. 6 (Special)—William M. Jeffers, president of the Sun Valley Ski Club, will donate the cup trophy to be presented to the winner of the tri-state ski meet scheduled in conjunction with the Sun Valley Midwinter Carnival Jan. 15 and 16. It was announced here today by officials of the Sun Valley Ski Club.

Owens Asks Return of Amateur Status

CHANCE NEGRO MAY GET STANDING REVIEWED
BY STEVE SNIDER
CHICAGO, Jan. 6 (UP)—Jesse Owens had his fingers crossed. Happiest man in town over a chance for reinstatement by the Amateur Athletic Union.

WON THREE TITLES
The former Ohio State star, who became the most athletic figure in the 1936 Olympics by winning three individual titles and contributing to a fourth U. S. victory in the sprint relay, was suspended for refusing to compete in a post-Olympic exhibition in Sweden.

Murtaugh Tops Rupert Club

LOS ANGELES, Jan. 6 (Special)—Murtaugh and his team won the first of the two events in the annual winter sports of the state ski club.

THE INVADERS STRENGTHENED BY THE addition of Dale Green of Twin Falls, led from the start in the middle quarter. Count at the end of the first quarter was 8-7 for the invaders, and at the half, 14-12. The invaders were held across the finish line at the 21-12.

Captainball Games Won by Close 2 to 0 Scores

TWO GAMES, one in each division, marked the opening second round in the Twin Falls junior high school captainball tournament now in progress.

THE INVADERS STRENGTHENED BY THE addition of Dale Green of Twin Falls, led from the start in the middle quarter. Count at the end of the first quarter was 8-7 for the invaders, and at the half, 14-12. The invaders were held across the finish line at the 21-12.

Galento Scores Knock-Out Over Massera

ORANGE, N. J., Jan. 6 (UP)—Business boomed in Tony Galento's lion today, his Orange admirers crowding the mahogany bar to hear all about "The Tony" Tony's third round knock-out over Pittsburgh's Charley Massera.

High Scores in Do-Nut Loop

Basketers, Twisters and Eagles rang up victories in yesterday's do-nut league contests—all by top-sided scores.

THE EAGLES sunk the Holy Ghosts 25-8 as Wells scored 17 points to lead his team. Pledger was high for the losers with four.

IN THE TWISTERS, where Mary the Twisters defeated Polkots 28-8, with Homer Dunn collecting 21 points. V. Smith collected six to top the losing team.

THE JOLLY ROGERS were snowed under by the basketers 24-7. Robertson topped the scoring with 20 points for the winners.

Jerome Downs Shoshone Five

SHOSHONE, Jan. 6 (Special)—Jerome Jayces were in a three-way tie for first place in the Snake River Basketball league today after they hung up a 33-20 victory over the Shoshone Redskins.

THE FIRST half was close, but the invaders, led by John Norby, pulled away in the third and fourth periods. County at the half time was 15-13. Norby collected 17 points to top the scoring for the evening. Walter Berichico led the losers with seven.

Gooding Legion Club Loses to Burley

GOODING, Jan. 6 (Special)—The invading Burley Elks were in a tie with Murtaugh and Jerome for the lead in the Snake River Basketball league after defeating the Gooding Legion club here last night 33-18. Score at the half time was 21-13 for the invaders.

● Your biggest bargain is your electric service—rates are lower in southern Idaho and eastern Oregon than almost anywhere else in the United States.

But the thing to remember is—that for each additional amount of electricity you use, your rates go down. The last part you use comes at the cheapest rate of all.

So—if you skimp on the use of an electric appliance in the hope of saving money, you're actually sacrificing the best part of your bargain.

That's why we say—"Save, but save Wisely." Saving a few pennies a day may forego comforts that are worth far more to you than they cost, and turn out to be a poor bargain in the end.

After You've "Stepped Down" Your Electric Rate DON'T STEP BACK

Your electric rate becomes cheaper as you use more electric service.

IDAHO POWER

A rare whiskey has been put away for you in Hiram Walker's PRIVATE CELLAR

People who have looked into Hiram Walker's PRIVATE CELLAR say they can understand why it's making so many new friends. Just as some people naturally get along better together, so do the component parts of this whiskey. Try it tonight and see for yourself!

Hiram Walker's PRIVATE CELLAR BLENDED WHISKEY

Even before actual "pushing" of bean sales in chain stores throughout the United States gets underway, advance publicity on the selling efforts to come have tended to strengthen bean prices generally. H. D. Lauterbach, Treasurer, chairman of the Idaho Bean Growers' Stabilization committee, said yesterday afternoon at a meeting here.

The meeting was called to discuss plans concerning the nationwide bean sale drive which gets underway the week of Jan. 17. Chain stores and independent merchants will join in the campaign to move a 3,000,000 bag bean campaign.

Opinion regarding the drive was expressed by Lauterbach as he told committee members of the annual strengthening in price at the present.

"Without a doubt this campaign will result in the salvation of the bean price grower by removing the ever increasing burden," he said.

Beans were also discussed and put in operation whereby each committee member would contact five groups in each county with a view to having them aid in the work during national bean week.

Gov. Harold Clark is expected to designate the week in Idaho to coincide with national operations.

Bliss Group Plans Independent Church

MILWAUKEE, Jan. 6 (Special)—Bliss Sunday school and church will be officially organized as an independent, non-denominational church, in which memberships may be placed at the regular session on Jan. 8. Communion is to be held and the entire community is asked to attend and help in organizing the church.

At the meeting service of the Christian Endeavor society from Gooding is to present the play, "What Would Jesus Do?" in the gymnasium at the school.
