YOUTH HELD FOR MURDERING GIRL IN SUICIDE PACT

NEW YORK, March 25 (UP)—Donald Carroll, Jr., handsome, 16-year-old high school student and son of a retired army officer, brooded in jail today over the tragedy that ended his two-year romance with pretty Charlotte Mathiesen, 18.

He faced a first-degree murder charge for having shot her in a suicide pact yesterday. He didn't carry out his part of the bargain, he said, because at the last minute Charlotte said:

"Donald, I want you to kill me, but don't kill yourself. I want you to live."

The boy and girl had been in love, and had succeeded in hiding it from their parents, formal deacons and Mrs. Donald F. Carroll and Mr. and Mrs. Fred Mathiesen. The Carroll's and Mathiesens' neighbors had looked upon the romance as "mummy love," and had thought nothing of it.

Couldn't marry

About two months ago, Charlotte discovered that she was pregnant. She and Donald discussed it often, and always arrived at the same conclusion: "They couldn't marry for they had no money, and they couldn't tell their parents. So they decided upon suicide, and met at Donald's house last night for the night to write a note to their parents. They signed it as they had hoped to be known:

"Donald, I want you to kill me, but don't kill yourself. I want you to live."

"Dearest mother and daddy—I love you both and I am sorry for this. But I love him more—Charlotte."

Bought Corsage

Yesterday, Donald bought her a corsage of lilacs—the very white she pinned over her heart. Arms in arm, they went to the Carroll home. (Continued on Page 2, Column 1)

MIDWEST KEEPS ENGLISH MENUS

CHICAGO (UP)—A baked potato remains just a baked potato or becomes a pomme de terre on robe en chambre?

For breakfast this morning it will be fried eggs or des oeufs sur le plat? For dinner, loaf of beef with string beans or un filet de boeuf au haricots verts? And for cocktails, do you prefer ordering champagne or verre ciqueot dry, 1928?

That's what the Greater Chicago Hotel association wanted to know. So it asked hotel and restaurant men throughout the middle west whether they and their patrons prefer menus in English or French.

The verdict was unanimously in favor of the English. The replies indicated that the restaurant patron may have become accustomed to hors d'oeuvres and crepe suzettes, but calling a baked potato an "apple of the earth" with its skin on, is too much. Likewise, gigot d'agneau for the leg of lamb, and buves un verre d'eau instead of a glass of water, are out of the question.

Main objections to French menus, declared Frank W. Bering, chairman of the Midwest Hotel and Restaurant Association, were expressed by two diners who said:

"When I want to eat I don't like to point men pray it will be something like."

"It embarrasses me when a waiter lifts an eyebrow at my stumbling."

Apparently, said Bering, rather than have to choose between such exotisms as "quail en cocotte," "chicken sautee a la vindigienne" and "coupe frou-frou," the midwestern diner would rather be "au pain et de la viande."

That means no bread and water.

Skill Plus New Skillet Hits Heights of Tasty Tenderness

By MRS. GAYNOR MADDOX
(NEA Service)

Within the breast of veal lies hidden tenderness. But there is nothing like a modern skillet to bring it out.

Breast of Veal with French Dressing
(Serves 4 to 6)

One small breast of veal, 3 pounds, 1 cup cooked chopped prunes, 2 cups soft bread crumbs, 3 tablespoons melted shortening, 1/2 teaspoon salt, dash pepper, 1 tablespoon lemon juice, 1 tablespoon butter, 2 tablespoons vegetable shortening, 4 medium sliced sweet potatoes.

Have the butcher skin the veal breast to form a pocket. Wipe the meat with a clean cloth. Season well with salt and pepper. Mix the ingredients for the dressing and pack loosely into the cavity. Sew pack loosely into the cavity with the fat over medium heat (350 degrees F.). When butter begins to brown add meat and brown thoroughly on all sides. While meat is browning peel the potatoes and cut in halves. When meat is browned, potatoes are around meat, cover, and leave on medium heat until cover is too hot to touch and vapors begin to escape from under cover. Reduce heat to low (300 degrees F.) and cook until tender—about 1 1/2 hours.

Budget Dinner
(Serves 4 to 6)

One pound lean beef, ground, 1 leek, onion, salt, dash pepper, 1/2 small onion, chopped, 2 tablespoons vegetable shortening, 1 tablespoon butter, 1 tablespoon flour, 2 cups hot water, 1 cup canned tomato soup, 1 tablespoon chili sauce.

Breast of veal, prunes and sweet potatoes cooked together on top of the stove in a new hard sheet aluminum skillet not only saves down fuel, shrinkage and costs of meat, but enhances the flavor.

Pocatellan Speaks

At Rupert Rotary
RUPERT, March 25 (Special)—R. H. Wells of Pocatello, chairman of the International committee of the Pocatello Rotary, was the guest speaker at the regular luncheon meeting of the Rupert Rotary club Wednesday. INFLUENZA AND THE COMMON COLD ARE RESPONSIBLE FOR NEARLY HALF THE TIME LOST TO INDUSTRY THROUGH ILLNESS

INFLUENZA and the common cold are responsible for nearly half the time lost to industry through illness, according to a report by the U. S. Bureau of Labor Statistics.

The report states that in 1936, 44.5 percent of the time lost to industry through illness was due to influenza and the common cold. This compares with 43.5 percent in 1935 and 44.5 percent in 1934.

The report also shows that the average number of days lost to industry through illness in 1936 was 11.5 days per worker, compared with 11.2 days in 1935 and 11.2 days in 1934.

The report further states that the cost of influenza and the common cold to industry in 1936 was \$1,000,000,000, compared with \$900,000,000 in 1935 and \$900,000,000 in 1934.

INFANT BOY OF 2 LEADS BLIND MAN

JACKSON, O., (UP)—Two-year-old Ronald Earl Rhea has taken over the job of being the "seeing eye" of Clarence C. Shaffer, 55, blind friend of the Rhea family.

"Ronnie" is the fifth child of Mr. and Mrs. Harry Rhea to serve the blind man. Clarence lives on the streets of this little southern Ohio village.

Although Ronnie's vocabulary is limited and sometimes not quite understandable, the few words he knows are sufficient to get Shaffer to his destinations. Clarence says, "The child says 'listen' when the pair comes to a crossing and an automobile is approaching, and the blind man halts."

When the "seeing eye" thinks it is safe to continue, he says "go."

When it is necessary for Shaffer to stop over, as when waiting for an automobile, the youngster says "duck," and Shaffer does just that.

Shaffer, who resides with his mother, Mrs. George Shaffer, has been blind for 21 years. For 18 years after losing his sight he manufactured and sold brooms. Recently his physician advised him to give up the work.

As he did with the other Rhea children, Dale, Kathleen, and Jackie Dean, Ronnie's predecessors in the "seeing eye" work, Shaffer started the little boy's training when he was 4 months old. He then carried the baby in his arms on his daily walks.

Hollywood Stars Got First Jobs From Britisher

HOLLYWOOD (UP)—A tall, distinguished man walked across the movie set with all the poise that comes from years of acting. Although famous in England, few in Hollywood knew that many of filmdom's biggest stars received their first jobs from him.

His name is Miles Mander, and he started life as an English gentleman, became a millionaire of fortune, and eventually gravitated to motion pictures.

His first job was as a director of British films he gave their first roles to Freddie Bartholomew, Madeleine Carroll, Merle Oberon, Mary Maguire and John Loder.

"I was making a picture in London called 'Fascination' when I first saw Freddie," Mander recalled on the set where "Kidnapped," film version of the Robert Louis Stevenson novel, is being made.

"I needed a blond boy and I was interviewing applicants when along came Freddie with hair and all, with his Aunt Clara. She had been trying to get a break for the youngster for two years but with little success.

Although impressed with Freddie's manners and charm, still I needed a blond child. I told them I would see if I could rewrite the script to fit him."

"I led to Freddie," Mander did cast Freddie in his first picture, which eventually led to "David Copperfield" when along came Freddie's dark hair and all, with his Aunt Clara. She had been trying to get a break for the youngster for two years but with little success.

While making "Fascination," Mander continued, "I then came across a girl with lustrous black hair, Mrs. E. M. Black, who had personally written all over her, I needed a girl like that for a scene she shot the job. She is Marie O'Brien."

RICHFIELD

Mrs. E. M. Black, who has been critically ill at the Gooding hospital, was reported to be somewhat improved on Tuesday.

Mrs. Laura Abbott has been ill with the flu at the home of Mrs. Mary Burton, Richfield.

Methodist church will have father-son banquet in the church basement Friday at 7 p. m.

The Gooding college capella choir gave a concert Sunday at the city hall. The Methodist and L. D. S. churches attended the concert instead of Dale, Kathleen, and Jackie Dean.

Mr. and Mrs. Gale Canner are the parents of a daughter Monday at the home of her mother, Mrs. Ruth Simpson.

Melvin Pope and Clifford Crist, who had been taking the short route to the Y.P.F.U. at Prgvo, Utah, returned home Saturday.

V. F. W. SELECTS POPPY CHAIRMAN

Paul Bistler has been named as Poppy chairman for the annual V.F.W. sale of poppies here in May. It was announced this afternoon.

Mr. Bistler was selected at the meeting of the post this week, according to Commander Art Peters. The chairman will select his aides later.

Peters was authorized by the post to meet with American Legion and Disabled Veterans' committees to work out plans for summer carnival to show in Twin Falls.

Date Set for Grazing Start

The advisory board of Idaho grazing district No. 2, meeting at Burley, recommended that the opening date of the federal range under the Taylor Grazing Act be set as of March 20, 1938, in all areas in district No. 2, with the exception of the Bannock unit and that the opening date in the Bannock unit be set as April 1, it was announced here today.

The Bannock unit embraces Bannock and Oneida counties and that part of Power county in District No. 2.

The board also recommended that all ranges be closed on Dec. 1, 1938 and those stockmen desiring winter use will be required to file a supplemental winter use application which will be passed on by the board at a meeting to be held sometime in the fall of 1938.

Notice of time for receiving winter applications will be published later.

"TROOPS ON CLOUDS" WOULD PROTECT RUSSIA IN WAR

PARACHUTE ARMY TERMED BIGGEST AID TO DEFENSE

(Editor's note: Soviet Russia, with the greatest reserves of manpower of Europe, is being equipped with the formidable army and air force, Norman D. DeWitt, Moscow bureau manager of the United Press, writes the following dispatch: Her "parachute troops" represent the most startling development in military tactics since the World War.)

By NORMAN D. DEWITT (Copyright, 1938, United Press)

MOSCOW, March 25 (Special)—Whoever fights Soviet Russia in the next war must defend himself against an army marching on clouds. The parachute troops who will drop out of the skies carrying machine guns, cannon and tanks. Russia's military development since the World War, there are at least 2,500 of them, and there may be thousands more. The Soviet, forced to guard the longest frontier in Europe, does not encourage curiosity about her army and air force.

A parachute army—designed to strike a favorable terrain is picked and suddenly hundreds of planes fill the sky. Before the enemy can organize, the air is crowded with men—as many as 1,200 have been dropped in one manner—descending to the end of parachutes. Wearing special clothing, the parachute trooper also carries part of a machine gun or automatic rifle. Pieces of tanks also float to earth.

Assemble Guns

On the ground, the troops assemble machine guns, put their tanks together and take up battle position. Then come big transport trucks, carrying as many as the 5,000. They land, disassemble and the lines of the parachute troops, discharge their soldiers and go back for more. In an incredibly brief time 10,000 men are ready for battle.

No European nation could match the size of the army Russia could bring to the field, but she is handicapped by the fact that she has to divide her forces between the far eastern and western front. Nothing links these two front lines except a double-track trans-Siberian railroad, and transportation still is the weak factor in her defense system. The nation could muster 11,000,000 men but whether she could equip them is uncertain. The vast distances of Russia, which defeated Napoleon after he had won all the battles, also would handicap mobilization at home. Russia has been trying to correct this for two years. A road has been built from Vladivostok to Khabarovsk. Military highways leading from Moscow to Minsk and Kiev are nearly completed.

Russia's Answer

Development of the airplane is Russia's answer to her vast distances and neutral observers are high in their praise of the Soviet air force. It has 50,000 men and the planes that have been developed are good. One of them, in particular, has proved its merit in Spain—the multi-engine 1-10 which is a copy of the American Boeing fighter. It can do between 250 and 260 miles an hour and the Russian pilots in Spain apparently have handled it well.

There seems to be an impression abroad that the Soviet Army is an untidy, leaderless mass now that Marshal Tukhachevsky and seven of his most brilliant subordinates have been executed for political offenses. Such is not the case, for the Red Army never subscribed to the theory of decapitating a few "Napoleons." Instead, it has concentrated on efficient organization and a wealth of military brains is graduated yearly from the war schools.

Race Enthusiasm

Foreigners, in general, seem inclined to overestimate the bad effect on popular morale of the fir-

Shooting of Horse Brings \$100 Fine

WENDLE, March 23 (Special)—John Walbrecht was to pay a fine of \$100 with costs assessed by Judge R. B. Fiegenbaum, for shooting a horse.

R. M. Ryan brought the complaint which resulted in the trial and W. Wendle was attorney for the defendant.

Russia keeps constantly in mind the danger of attack from the east. Newspapers have published reports of a "magnat line" on the border of Manchukuo and there is little doubt that thousands of pill boxes and other fortifications have been built there. To man that line of defense Russia has a far eastern army of between 300,000 and 400,000 on the eastern frontier. Between 800 and 1,000 planes are stationed there. To support that big military establishment the Soviet has settled thousands of former soldiers and their families on collective farms.

Navy Inconsequential

Russia's navy is inconsequential when compared with those of other European nations, but she is planning to build up her floating power.

More than any other European country, Russia is self-sufficient when it comes to food and war materials. Almost every kind of mineral needed to equip an army and navy lies buried somewhere beneath her soil, although much of it is undeveloped. She grows no rubber but contends that she now is manufacturing synthetic rubber and that it is being widely used. One of the great grain-growing nations of the world, Russia had a good harvest in 1937 and undoubtedly could feed herself if she went to war.

Air raid precautions have been taken in all large cities, but they seem to consist chiefly of propaganda and inefficient gas mask stunts rather than a serious attempt to provide shelters and mask protection for civilians.

Practical Home Gardening

By DONALD GRAY
Idaho Evening Times Gardening Columnist

No. 1 in a Series

All plants are prey of some insect or disease. Do not let these pests take the joy out of gardening. Take their eradication as a matter of course.

There is no one insecticide spray that can be put on plants that will kill every insect and disease. It is necessary to keep a close watch on growing plants and when the plant shows signs of being eaten, or is wilting or drooping, or has curling leaves, then investigate and apply a remedy.

Wherever leaves have been eaten the culprit is a chewing insect and he should be destroyed. If he is not sprayed over the entire plant. As the insect continues to eat it will also eat the pollen-wad die.

When a leaf curls and shows a sticky color it is usually caused by plant lice called aphids. These insects have longed mouths that suck the juice from the plant. The remedy is to cover the insect's body with an oil emulsion or a mixture of kerosene and alcohol.

If there is no sign of worms then the plant may have the wilt disease. There is no remedy except to destroy the plant to keep the disease from spreading. Wherever possible buy will resistant seeds.

Seeds, unless very numerous, do not kill plants. They only retard their growth. Before the leaves come out in the spring it is a good

ANTS

"The ground where I intend to plant my garden seems to be infested with ants. How can I eliminate them?"

Answer: Ants on plants do no damage. When they have honeycombed nests in the ground it is best to eliminate them. Use one ounce of carbon disulphide in the opening. This chemical is a liquid but when it comes in contact with the soil forms a gas that penetrates downward. Be sure to cover the opening with mud and place a wet blanket or burlap over the entire top of the nest.

SHOSHONE GETS FOOT OF SNOW

SHOSHONE, March 25 (Special)—During the past two days more than a foot of new snow has covered this section, and while the storm extended over a considerable territory, the snow did not long remain on the ground and by Friday afternoon had practically disappeared, rain and a cold wind having brought about the removal.

The thermometer materially dropped during the period of the storm and hampered farm activities to a large extent. Stockmen were likewise handicapped, as the conditions were anything but favorable to the sheep. Grazing was halted for the time, and very little grass was up, and most of the sheep were kept under fence. The herds, while unimpaired to large degree of dry snow have no liking of extremely wet weather and do not thrive. Streets are slushy everywhere and highways exceptionally slippery.

Cassia Gets \$7,831 In Public Assistance

BURLEY, March 25 (Special)—A total of \$7,831 was paid to Cassia county residents by the local office of the department of public assistance during the month of March. Of this amount, 199 old age pensioners received \$4,378, six blind cases drew \$480 and 72 families of dependent children received \$1,860.

The total social security payments amounted to \$3,344, of which the federal government paid \$2,858.60 and the state \$485.40. Cassia county's share was \$1,370.66.

Direct relief families drew \$1,487.

LIONS GOVERNOR COMPLETES TOUR

Bulon Dunn, deputy district governor for the Lions, today had completed a statewide tour during which time he attended five zone meetings, contacting the 21 clubs in the Idaho section of this district.

Dunn was accompanied on the tour by Win Clina, Boise, district governor. Purpose of the tour, Dunn said, was to promote a more friendly attitude between the various clubs and also to arouse interest in the Utah-Idaho district convention which will be held in Cedar City, Utah, in June and the international conference which will be staged in Oakland, Calif., in July.

Representatives to the district and also to the international convention from Twin Falls will include, aside from Mr. Dunn, William Reed, president of the local club; Glenn Duerig, Harry Balsch, Keith Hunter, Ronald Graves and possibly others.

Senator William E. Borah was first elected U. S. senator in 1907.

'On the Spot'

Currently sitting on Europe's hottest seat is President Antanas Smetona of Lithuania, whose government capitulated to an ultimatum from Poland demanding restoration of diplomatic relations. As a result of popular resentment over accession to "enemy" demands, two cabinet ministers turned in resignations and others were expected to follow, perhaps even that of Smetona himself.

DEATH SUMMONS MRS. A. BLACK

GOODING, March 25 (Special)—Mrs. Alice Rhodes Black, 20, wife of William Black, Richfield, succumbed yesterday at the Gooding hospital where she had received treatment.

She is survived by her husband and three children. The body rests at the Gooding mortuary.

NEW FALLS SEND SNOW DEPTH UP

Snow totals reversed the trend of recent weeks and climbed higher in the Sawtooth resort country for the week ending last Monday, according to the report of F. S. Moore, supervisor of the Sawtooth national forest.

Ketchum showed 41 inches Monday. Mr. Moore found. Unofficial reports coming in today from Sun Valley reported that now the depth is almost 60 inches, offering probably the best skiing blanket of the year.

Other snow depth figures in the Wood river drainage area: Halley 20 inches; Graham's ranch 27; Galena 50; Old Baldy stations, from 60 to 100 inches.

On the Salmon river watershed, Williams ranch showed 40 inches, a gain of fully 17 inches in a week. Stanley had 20 inches Monday, for a seven-inch advance.

Fairfield, on the Malad watershed, had only 10 inches a decline of two. Cumulative snowfall in the Halley region since last Oct. 7 is well ahead of the average and is still in advance of last year. The figure as of Monday was 108.75 inches and last year on March 25 was 101.94 inches.

Idaho has four state parks—Hayden, Spalding, Packer John Cabin and Shoshone Falls.

Burley Boy Scouts Presented Badges

BURLEY, March 25 (Special)—The largest class of Boy Scouts to come up for advancement before a local board of review received badges from Judge Henry W. Tucker last week.

Candidates for advancement included Richard and Robert Unander, Don and Loren Nelson, Richard Hanks, Clive Martell, Nolan Burnett, Deal Jolley, Ilna Yeaman, Harold Seids, Jay Campbell, Wendell Hurst, Bob Day, E. Collins, Marion Judd, Ralph Gibson, Jack Anderson, Bill Hillbourne, Forrest Hall, Pherry Fife, Hugh Clark, Lee Dudley, Lyle Thompson, Dean Yeaman, Junior Allen, Lynn Gibson and Lynn Slight. Explorer Scouts, district candidates, were Clarence Randall, district scout chairman.

The spring, Idaho state flower, has four petals and its white flowers grow on short leafy branches.

LOTTERIES URGED TO COLLECT TAX

By WENDELL BURCH HONOLULU (UP)—"Take a chance and pay no taxes" may be governmental advice in Hawaii if the territorial legislature accepts the idea advanced by Harry Edward Lauder, Hill resident.

When he started working on the idea he was in Bravely, Calif. He describes himself as "a wanderer and sinner of fortune."

Plan Failed in U. S. He had submitted a plan that he could see his lottery and sweepstakes plan adopted in the United States as a national health benefit.

When he returned to Hawaii he turned over the treasury of the territory. It would then be distributed for use where it was needed most.

STAR HITS MAN, LIKES THE WORK

By ALEXANDER KAHN HOLLYWOOD (UP)—Olivia de Havilland, grinning implicitly as she sat in a big chair, said without any advance warning that she slapped a star.

"Yes, I slapped a man. It was such fun. I want to do it often." She said she was regarded as the personification of gentleness, the remark sounded unbelievable.

GAY SUM AREA WILL BE BRAZED

NEW ORLEANS (UP)—The famed Irish Channel of New Orleans, birthplace of politicians, priests and poets, is marked for obliteration by modern Federal slum clearance project.

In its heyday, from the gay '90s to the advent of prohibition, the Channel was the bulwark of Irish social life. Being "born in the Channel" stamped a man as his able to back up his words with his fists.

But from those shanties, cottages and antiquated houses surrounded by high, wooden, unpainted picket fences, men who shaped the civic and marked the social life of New Orleans. The other landmarks are gone.

Society

Good Will Members Observe Anniversary

Celebrating the fifth anniversary of the Good Will club, a banquet was arranged last evening at the Park hotel for 25 members and their husbands.

Devotions were led by Mrs. J. R. Neilsen and the group sang the Doxology.

In the center of the table, covered with a lace cloth and lighted by blue tapers in crystal holders to observe the club colors, was placed a birthday cake made by Mrs. C. E. Conpton.

The candle-lighting ceremony was conducted by Mrs. Helen Wilson, president; Mrs. Mabel Wilson, Mrs. Personette, Mrs. Laura Whitney and Mrs. Clara Johnson, past presidents, who brought a message for each year of the club as five members testified. Mrs. Mary Gilley sang "One Meeting Hour," accompanied by Mrs. Beulah Connor. The cake was presented to Mrs. Wilson as president.

The remainder of the evening was under the supervision of the program chairman, Mrs. Gilley, and was spent at pinocle and bridge games. There were refreshments and Mrs. N. O. Johnson, Mr. and Mrs. Lawson Lockhart, Mrs. Harry Wilson, Mrs. John Rodman and Alfred Woodie.

The committee on arrangements included Mrs. Personette, Mrs. Neilsen and Mrs. Connor.

Calendar

Mrs. C. H. Kregel will speak on the federal reorganization bill at the meeting of the Twin Falls county League of Republican Women Monday at 1:30 p. m. in the banquet room of the Park hotel to which the public is invited.

PLANS DISCUSSED

Pinball Sisters met last evening at Legion hall in regular temple session and made arrangements for the district convention to be held here April 26. Mrs. Helen Munkie was elected delegate and Mrs. Deacon Morrison, alternate.

The reception committee will include Mrs. Sina Laird, Mrs. Victoria Anderson and Mrs. Eunice Gates; entertainment, Mrs. Dorothy Pultzer, Mrs. Morrison, Mrs. Anna Winn and Mrs. Clementine Eldred.

Delegates to grand lodge are to be Mrs. Lena Kunkle and Mrs. Angie Iron, alternate.

The committee on the group was entertained at the home of Mrs. Anderson and refreshments were served. The hostess was assisted by Mrs. Harvey Cook.

MASONS GIVE MASQUE DANCE

The annual Masque dance for Twin Falls Masons and Eastern Stars and members of the groups from surrounding towns was staged last evening and was brilliant with costumes of all descriptions.

Music for dancing was provided by the Troubadours and guests were welcomed by J. H. Glandon and later by George Warberg, both of whom were masked.

High point in the evening was the awarding of prizes for the costumes. Winners were announced as Mrs. Robert Baker, Mrs. Ray Guyter, Harry Wilson, Buhl, and Kenneth Henderson, Pler. They were judged by Mr. and Mrs. Harry Dinkelder, Mr. and Mrs. Max Buckentin and Mr. and Mrs. Fred Farish, Buhl.

Miss Loren Pulver and Miss Melba Holmes served punch through the evening. The pavilion was decorated with illuminated crests of the order.

The committee in charge of the ball included Dr. O. A. Fuller, chairman; Mr. W. Rogers, Ronald Graves and Harry O. Smith.

MEMBERS OF DIVISION HONORED

Two members of Division No. 2, Methodist Ladies' Aid society, were given a shower of canned fruit yesterday at the meeting held at the home of Mrs. Charles Jones. The honoree's home was recently destroyed by fire.

Refreshments were served after the business session conducted by Mrs. Roy Evans, leader.

RELIEF SOCIETY HEARS LESSON

Mrs. Pete Johnson led the social service yesterday afternoon at the meeting of the L. D. S. second ward Relief society. Mrs. Roy Jenkins presided at the session.

Next week's session will feature the literary lesson.

INSTRUCTORS HONOR RECENT BRIDE

A group of Lincoln school instructors arranged a shower recently for Mrs. Dorothy Brann, who was Miss Warner before her recent marriage.

Dinner was served at the Orange Lantern, Kimberly, with covers marked for 20 guests and yellow and green decorations were used. The evening was spent at games at the home of Miss Beulah Way.

FINOCHLE OLUM MEETS FOR GAMES

This week's meeting of the Finochle club was held at the home of Mrs. Elsie Sharkey and prizes at the games were won by Mrs. Louise Wallace and Miss Inara Fulton.

Afterwards refreshments were served by the hostess.

Mrs. Wallace, Mrs. Mary Wallace, Mrs. Abbie Klingenberg, Mrs. Aline Dudley, Miss Fulton and Miss Jewel Lundin were guests.

CATHOLIC LEAGUE PRESENTS PROGRAM

Residents of the county farm were entertained yesterday afternoon with a program arranged by the Catholic Women's league after a business session held at the parish hall and conducted by Mrs. Frank Kieffner, Jr.

The program included two songs and dance selections by Muriel Fugiano, dances by Maria Quarry, accompanied by Glen Boren; two readings by Barbara Johnson; vocal selections by Joe Seidel, accompanied by his mother, and vocal numbers by Miss Frances Henschel with accordion accompaniment.

Refreshments were served afterwards.

SHOWER FOR MOTHER, DAUGHTER
Mrs. Amelia Prothro, Mrs. Saul Moore and Mrs. Thomas Hodder entertained Wednesday evening at the home of the former at a shower for Mrs. Katherine Shumway and her daughter, Miss Blanche Shumway, who is to be married soon. Both are leaving shortly for St. Paul, Minn., to make their home. Four tables of pinocle were at play and prizes were received by Mrs. W. F. Salmon, Mrs. Delmer Shumway and Miss Shumway. After the game a refreshment was served. Devotions were sweet peas which were used in the rooms and on the tables.

STYLEWISE FROCK

Here's a smart new frock with a simulated bolero that is very popular with girls who like to play. And it's ever so easy to make this whole frock from Pattern 9320. Make the style dress on a bolero by making the sleeves and side panels in a plain lay and show in the small view. If you use dressy fabric, like wash silk or lawn, trim the bodice with tiny pearl buttons, but if you want it to play and every day, you'll find the slide fastener closing both smart and convenient. Every detail of this dress from the demure round skirt to the inverted pleat in the collar is unquestionably smart and up-to-date and really fun to make. England Agrees To U. S. Proposal To Aid Refugees

LONDON, March 25 (UP)—Great Britain will agree to the United States proposal for setting up a special international committee to facilitate the emigration of political refugees from Austria and Germany, authoritative sources said today.

It was understood that a reply to the invitation of United States Secretary of State Cordell Hull asking Britain's participation would be forwarded soon. Hull invited twelve European governments, including Britain, Italy, France, the Scandinavian countries, Belgium, the Netherlands and Switzerland, to participate in the movement. Invitations also were sent to Latin American governments.

Government officials were understood to have begun immediate, sympathetic consideration of Hull's invitation which was relayed yesterday through Ambassador Joseph P. Kennedy.

CLASS C BASEBALL LOOP TERMED CERTAINTY

FOUR TEAMS IN SEMI-FINALS OF STATE 'B' TOURNEY

Twin Falls, Ogden, Salt Lake and Lewiston 'Cinches'

Organization of a Class C baseball loop for this year in the intermountain area appeared to be a cinch today, following a visit here yesterday by Herb Sanders, Lewiston, commissioned by the National Association of Professional Baseball leagues to band a group of teams together.

"We're going to have organized baseball in this region—just as how many teams will be in it I don't know," Sanders told us as he stopped here en route to Salt Lake City where a meeting of those interested in the league will be held.

And Twin Falls was included in one of the "sure" places in his estimation. Salt Lake City, Ogden and Lewiston were the others all set to go. Clinging a late start, and an unexpected setback in an attempt to line up Boise for the loop, present biggest obstacle in completing organization, Sanders was enthusiastic about the Twin Falls side.

Best Spot
"Why, this is one of the best spots on the loop. You have a big territory to draw your customers. The ticket admission for the Class C circuit is only 40 cents and 25 cents, and only 10 cents, and Sanders said, "We didn't have a baseball town at Lewiston before last season, either. But we have a paid attendance here of 10,000 for the year and the owners made money. You ought to attract nearly 100,000 in this spot this summer."

Showing the difference between the present day baseball as a drawing card, and then mentioned "In the old days," he expressed, "all these were in the afternoon or were 'twilight' games. Now-days everybody is home from work and ready to go to a ball game by 7 o'clock in the evening."

And then the expenses are no where near as high as they were 10 years ago. He pointed out that a bus and does all its traveling in that it is conservatively estimated that the present traveling expense is but about one percent of what they did in the days when travel by train was necessary.

It has been mentioned that Salt Lake City is the center of the circuit, for a club to travel, and expensive. But a survey conducted by the Idaho Power company, and backed with a large check, the expense of a trip from Salt Lake to Lewiston is only \$10—which includes depreciation on the truck. There's some difference from the old days.

After talking things over at Boise, Sanders was accompanied here by Lloyd Harris, part owner of the Lewiston franchise, and very instrumental in formation of the loop, said he was just about given up any attempt to sign the Idaho capital city in the league.

"And the worst part of that," Sanders said, "is the fact that the Cincinnati Reds were all set to back a club there."

G. W. Scouting, of the Sunning Trust Building, who has a branch here, is insistent upon getting a league club at LaGrande, Ore., where he has extensive business interests. He would like to see the loop include his city—which is 300 miles north and some miles west of Boise.

Five Team Loop
That would make a five-team loop a cinch. Now they are trying to include Pocatello. If Pocatello returns, there is a chance that Idaho Falls will be offered a franchise. Lack of baseball park facilities is apparent in Pocatello, the biggest obstacle.

With such large cities as Salt Lake City and Ogden in the circuit, Twin Falls would be the "little" town in the loop. In the Salt Lake City would be the mecca for clubs looking money on home games as the agreement calls for the road club to get 25 percent of the gross receipts at either a minimum of \$75 per day.

Pepper Martin's Mudcat Band Steals Show at Premiere for Lou Gehrig

By HENRY McEMORE
ST. PETERSBURG, Fla., March 25 (UP)—Not since the woman's national horsehoe pitching championship ended in riotous hallooing several years ago, has St. Petersburg's artistic, social and sporting circles been so stirred as they were last night when Lou Gehrig's picture, "The Babe," and "Rahwidie," which was his world premiere.

"Today the artistic group buzzed with appreciation of the manner in which Pepper Martin, outstanding maestro of the St. Louis Cardinals, conducted his "mud cat" band in the picture, which accompanied the picture. For the overture, Pepper chose that difficult Arkansas classic, "Willie, My Toe Are Sores," and to many he handled the trying score with an ease that his fellow conductor, Arturo Toscanini, would have had difficulty matching.

The social set could not say enough for the brilliance of the program that preceded the premiere. Not in many a day has St. Petersburg or any other city, for that matter, seen so many celebrated persons, radiant in wind-breakers and polo shirts, roll through the streets in sleek and hired limousines.

And the sport lovers—well, they could talk of nothing else but the complete lack of the children. "For myself I will remember the premiere as long as I live, if only for that breathless moment in this close, when the crowd was in a room by a band of crooked cow-boys, subdued them with billiard balls. One by one they fall, their

Gabby Hartnett Strikes Out In Romantic Radio Skit

By JACK GUENTHER
HOLLYWOOD, March 25 (UP)—Gabby (Gabby) Hartnett, 250 baseball fan, was the star in a radio skit last night. He was so much quivering flesh in front of a microphone, went back to work with the Chicago Cubs today, dating anyone to call him Romeo.

Gabby made his first—and probably his last—attempt to become a radio artist last night. He was to play opposite Miss Fanny Brice in a skit scheduled for release by the national broadcasting company. But four minutes before the show-whisper, "I will kiss you a thousand times," Hartnett struck out.

"I've no use, fellows. I can't go through with it," he said. "I'm not laughing and laughing all of the laughs he had been trying unavailingly to elicit through two days of promoting, after the usual round of the annual B. S. all-church tournament, last evening."

Cowley, who, last remaining out-of-the-middle, was downed, Hired, Salt Lake City, 37 to 35 with a desperate last minute rally in the hardest fought game of the tournament. Marjorie's part in the title holder from Provo, Utah, turned back a strong North Ogden team 34-20. Logan 4th ward took a one-sided 20-7 triumph over Oakley, Idaho. The Eighteenth ward of Salt Lake City eliminated Huntington Park, Calif., 24-7.

Glenns Ferry, Hailey Lose 1st Day Tilts

BURLEY, March 25 (Special)—Semi-finals in the first annual Class B tournament were set to be staged here this afternoon and this evening following a day of play yesterday that saw four teams enter into the discard, including south central Idaho's two entries, Hailey and Glenns Ferry.

This afternoon at 2:30 p. m. Grangeville and Middleton clashed in the first round of the consolation bracket and at 3:30 Rathdrum and Iona met in the semi-finals of the championship fight.

Tonight at 8 p. m. Hailey and Glenns Ferry met in another consolation game and at 9:30 Notus and Downey met in the second semi-final tilt.

Yesterday's results were as follows:
Rathdrum 49, Grangeville 45.
Iona 37, Middleton 19.
Notus 37, Hailey 24.
Downey 34, Glenns Ferry 13.

Glenns Ferry Outted
Glenns Ferry, conceded to be one of the darkhorses of the meet, took a thumping in the closing games yesterday from the powerful Downey cast, but installed as the tournament favorite, by the 33-15 count. The two clubs battled on even terms the first half, with the Downey team holding a 10-3 advantage at the half time. But the third quarter saw the Bulldogs really get under way and they piled up an 18-11 advantage in the three-quarter mark.

A last quarter rally by Notus eliminated the other south central Idaho team in the first game of the evening, the home club being Coach Bill Briggs' Hailey quintet. The Wolverines had trailed all the way the first half, the count at the end of the inter being 7-3 for Notus and at the shift time 11-3. But a powerful rally brought the Hailey club into the running as they ran the count up to 13-7 at 17:15 and 20-17. But the Notus crew stiffened and got back into the game.

Goodman, star Hailey player, was injured and had to be removed from the game in the third stanza. Nip and Tuck
Notus went into the lead at 23-21, but Hailey came back to knot the count at 24-21, and then with five runs left to catch Coffey, who did nearly all the Notus scoring, dropped in the winning counter. Robertson of Hailey tossed in a free throw as the final gun sounded, making the count 27-26.

In the opening game of the meet the Rathdrum and Grangeville players staged a tight contest before the District 1 champs came out on top. The Grangeville team took an early lead and held it 1-0 at the end of the first quarter, but Rathdrum came to life in the second stanza to annex a 20-19 lead at the half. The inter was a dead end of the game, although the score stayed close.

The speedy Iona club, highly touted champion of the District 12, easily drubbed Middleton, runner-up of District three, by a score of 37-19. The winners ran up a 14-2 advantage at the end of the first quarter and were in front at the half time 21-3. They were never threatened all through the game.

BRINE DUSEK WINS
PHILADELPHIA, March 25 (UP)—Bryce Dusek, 23, won the national junior league, Texas; Joe Dusek, Omaha, defeated Len Macaulay, Hamilton, N. Y.; Orestes Carillo, Quebec, Canada, defeated Joe Starnard, Texas; Ed Meale, Ohio, drew with Ed White, Alabama.

Dr. McAtee Named as Head Of Twin Falls Ski Club

Dr. Frank J. McAtee today had been elected president of the Twin Falls Ski Club and a team of three had been selected to represent this city in the amateur meet which will be staged on Reud mountain at Sun Valley Sunday starting at 11 a. m.

Amateur skiers named on the local team are Chuck Heim, Frank Carpenter and Jerry Price. Alternates include Mac Johnston, Miranda Severin, Paul Hardesty, Kenneth Self and John Weaver. Tom Heaver will accept the coach of the local team while judges for the meet will be Roy Painter, Lynn Stewart, Robert McClure and Dr. McAtee.

Other club officers elected were Kenneth Given, vice president, and Jerry Price, secretary-treasurer. At the present time three-men teams from Buhl, Shoshone, Ketchum, Hailey, Gooding and Burley have also qualified tentatively for entering the meet which is sponsored by the Ketchum Ski Runners with Joe Gallagher in charge of arrangements. Headquarters will be the Ketchum postoffice.

The meet will be limited to the alpsium, with two heats being run. Transportation from the Sun Valley entrance to the race site will be furnished at all purchasing single lift tickets to Reud mountain. A refreshment stand will be provided at the base of the mountain, and grandstand seats for spectators will be provided at no extra cost.

Trophies Offered
Trophies for the three best skiers enter will be awarded that evening during a special program which is now being arranged. At the club organization meeting here last night Jack Gray, Roy Painter and Sherman Osgood were named members of a committee to draw up a set of by-laws which the club will accept. Mr. Osgood is chairman of the group.

Aside from officers, team members and committee members, those who attended the club last night include F. C. Thompson, Betty Painter, Dick Dill, Warden Mills, Elmer Fisk, Jr., Arline Gipson, Kimberly, Mary Dakin, Helen Given, Gene Shirley, Jack Long, Frank Drake, Don Harder, Dick Harder, Lynn Knight, Duncan McD. Johnson, Clifford Thompson, Alan Hyde, Frank McLeary and Mrs. Frank McLeary.

Gang Busters Take Title
Led by Sloan and Goodnight, the Gang Busters yesterday captured the (no-nut) league basketball championship of the high-school by a score of 18-8 over the Bakersketeers of the Class B division. The Gang Busters had previously won the Class A title.

Sloan chalked up eight points for his winning team, and Goodnight got seven to account for all of the scoring for the victors. Score at the half time was 7-3 for the Gang Busters.
Lineups:
Gang Busters (13)—Sloan, Gutierrez, Goodnight, Mills, Fullerton, Bakersketeers (8)—Hull, Robertson, Stetler, Personette, Holste, Joest, Sep, Blanford.

Steeplechase Won by U. S. Horse

AINTREE, Eng., March 25 (UP)—Battleship, tiny son of Man 'O' War won the 100th running of the grand national steeplechase today, becoming the first American-bred horse ever to win an Irish horse owned by H. O. McNally.

Speedy Finish
As the placed trio came down the home stretch the crowd stood up and cheered for Royal Danell when it looked as though the Irish horse had the race sewed up. Battleship's speed in the final eighth of the straightaway was too much, however, for Royal Danell and Bruce Hobbs, riding Battleship, whipped the American horse home in a matter of inches in a finish which the result was crowd mad.

40-1 Shot
The result was determined only by the official scoreboard. Many thought Royal Danell had won. Battleship was a 40-1 shot in the betting. Royal Danell was booked at 15-1 and Workman at 25-1. Battleship is owned by Mrs. Marion Scott. Workman was a bad thing.

Rock Lad, owned by H. R. Bain, fell and was injured so severely that he was destroyed.

Finals Tonight In Coast Fight Matches

SACRAMENTO, March 25 (UP)—Finals will be fought tonight in the 1938 Pacific coast intercollegiate team and individual boxing championships. Boxers from eight western colleges and universities are entered.

Boxmen from the University of Idaho went into an early lead in last night's opening engagements, running up a team total of nine points. California was close behind with eight points, and San Jose State was third with seven.

Washington State college, last year's team champion, trailed badly at the end of the first-round hostilities, being with U. C. L. A. for fifth place with four points. The Cougars were pre-tournament favorites.

California's Aggies closed fourth with the start of tonight's program with five points. University of Santa Clara and University of San Francisco were in the cellar with two points each.

POLISH MATMAN WINS
NEW YORK, March 25 (UP)—Wladek Zywako, Polish, downed Jack Paterson, New York; Jesse James, California, threw Tony Martinelli, Italy.

As Bucking Bronc Busts the Bronc-Busters

Worked with dramatic action, the picture above was snapped at a rodeo when one of the bucking broncs ran wild and scattered cowboys like chaff. The man trying to subdue the bronc three times, but by some miracle escaped injury. On the fence 11 busy cowboys are pictured as they made tracks skyward. Note the one in the black shirt on the left, scaling one companion's back and grasping another by the head. The latter, frozen with terror, clings to the arm of the man to the right, who is a little late starting. The rider of the bronco was thrown just one jump after the picture was taken. This photo has been termed one of the best action pictures ever taken at a rodeo.

Body of Unidentified Man Found in Box Car
GREAT FALLS, Mont., March 25 (UP)—Firemen found the body of an unidentified man, burned beyond recognition, in a box car in the Great Northern railroad yards today when they extinguished a fire.

The fire department was summoned when the box car was reported on fire. Tin plate holders found in the pockets of the man's scorched clothing indicated he might have been a peddler.

AMSTERDAM
Mr. and Mrs. A. E. Kunkel drove to Pocatello Sunday to visit their son, Mr. and Mrs. Glenn Kunkel and children.

Miss Janet Pastoor and John Pastoor, students at the College of Agriculture, Logan, spent their spring vacation here. John remained at home to assist his father in the farm work and will not attend the spring term.

Mrs. Vernon Roberts, who spent 10 days visiting her parents, Mr. and Mrs. A. E. Kunkel, returned to her home at Sugar on Sunday.

Teachers Defended
CLEVELAND, O.—Don't trade in the old teachers too soon, warns 68-year-old James O. Gordon, who will retire in June after 27 years in the Cleveland public schools. Gordon protested against the tendency of lower retirement ages for teachers from 70 to 65. He said he found the average teacher was valuable until he reached 70.

The strain on the steering mechanism is greatest when driving slow.

MR. FARMER
WHY do CALIFORNIA GROWERS, who produce three bags of BEANNS to one, prefer a NEGOTIABLE WAREHOUSE RECEIPT MARKET to a FREE BAG MARKET?
WHY can we, a small concern, pay you more on NEGOTIABLE WAREHOUSE RECEIPTS than the present FREE BAG MARKET?
The word "FREE" is usually a danger signal in any kind of business.
We are in the market for GREAT NORTHERNS and are interested in growing contracts for RED, WHITE and PINK BEANS.

THIS CURIOUS WORLD By William Ferguson

THE MIGRATIONS OF TOADS, LIKE THOSE OF BIRDS, ARE BEING STUDIED BY THE BANDING METHOD. NOT MANY YEARS AGO, PEOPLE BELIEVED THAT TOADS PRODUCED WARTS, CARRIED JEWELS IN THEIR HEADS, POISONED INFANTS WITH THEIR BREATH, HAD MEDICINAL VIRTUES, CAUSED RAIN IF STEPPED UPON, AND, IF KILLED, AFFECTED THE QUALITY OF COW'S MILK.

The ancients believed that a toad brought good fortune to the house in whose new male child it took up its abode. Today we know that the toad does bring good fortune to the owner of the land it occupies, for experiments have shown that the toad has an enormous appetite, and insects are his specialty.

Levy Elimination Approval Seen

CUT IN PROFITS TAX IS EXPECTED TO BE ACCEPTED

WASHINGTON, March 25 (AP)—Chairman Pat Harrison, D. Miss., of the senate finance committee, predicted today that the senate would override administration opposition and approve eliminating the undistributed profits tax from the general tax revision bill.

"I have no reason to believe that the senate will not adopt the recommendations of the finance committee," he said. "I am sure that the senate will follow the lead of a committee as fair and impartial as the finance committee."

Although Majority Leader Alben W. Barkley, D. Ky., voted in committee against eliminating the tax and was expected to lead the administration's fight to keep it, Harrison on the senate floor, another administration supporter admitted privately that there is little chance the senate overruling its tax committee.

"Aid to Business"

Committee members described their move to eliminate the profits tax and modify "restrictive" provisions of the capital gains tax as fulfillment of its "aid-to-business" pledge but Chairman Robert L. Doughton, D. N. C., of the house ways and means committee, who directed passage of the bill in the lower chamber, disagreed.

"It looks to me like putting a heavy tax on business," he said. "I thought they wanted relief."

Substitutes Tax

He referred to the substitute for the profits tax—a flat 18 per cent tax on net corporate income of \$20,000 or more and to predictions by Harrison that the new plan would yield more than \$60,000,000 over the estimates for the profits tax on 1938 returns and that the new provisions of the capital gains tax would bring in \$48,000,000 in the 1939 fiscal year.

The substitute for the profits tax would provide special treatment for corporations earning less than \$5,000 a year. The tax on such firms would be 10 per cent of the difference between actual income and \$25,000. If the net income is \$10,000, for example, the credit would be 10 per cent of \$15,000, or \$1,500. The \$1,500 may be deducted from net income of \$10,000, leaving a taxable income of \$8,500 subject to the 18 per cent flat rate.

RECREATION UNIT NAMES OFFICIALS

Rev. James S. Butler again headed the Twin Falls Recreation association today as chairman after members of the recently elected board of directors met in organization meeting last night at the Chamber of Commerce.

Aside from Butler, other officers named last night include: Eulon Dunn, vice chairman; Mrs. Milton Powell who was again named secretary, and Charles Shibley, re-elected treasurer.

Members of two committees were also named. They included the building committee with Mr. Dunn and Ralph Pink as members and the finance committee with Mr. Shirley and W. E. Taylor. The building committee will continue efforts to secure the two portable buildings at the Bikelock park for recreation use while the finance group will work with city and other officials in order to arrive at an estimated budget for summer activities.

A general membership meeting, to which the public is invited, will be held in the near future.

Rotary Program On Wildlife Week

BURLEY, March 25 (Special)—Rotarians observed National Wildlife Federation Week Tuesday with a program in charge of A. M. Solomon, county federation chairman. Guest speakers were Lawrence H. Smith of the forest service, George Rettig of Boise, United States game agent for the biological survey, and Orange Olson, assistant regional forester from the Ogden office.

Guests of Rotary were 19 National Honor society members from the high school who were presented with pins by the club. The pins, which are usually presented at commencement services, are an annual gift of Rotarians.

Students who received pins were: Clara Mai, Susie Baugh, Tom Toolson, Wilbur Popp, Mildred Robertson, Anna Perle, Rex Sohn, Marvin Bailey, Jeanette Redfield, Bello Morris, Kenneth Barry, Leola Clayton, Theda Willehead, Carol Harpster, Rex Hall, Frances Dewey, Kathleen Coleman, Elwood Rich and Gordon Ritter.

Two students from the Utah State Agricultural college at Logan entertained the club with a reading and a tap dance routine, and Doris Unander played a violin solo.

A delegation of Rotarians will attend the charter presentation at American Falls Monday.
