

CHINESE MAKE GREATEST BID TO SMASH JAPANESE LINES

NIPPON EMPEROR SENDS BROTHER TO HELP MORALE

By JOE ALEX MORRIS
(United Press Staff Correspondent)

Chinese armies today may perhaps be the greatest bid to smash the Japanese conquerors of north China.

The Chinese Communist army of the North, which has been called the "Red Napoleon," reportedly penetrated far into the Japanese-controlled north for an attack on Peiping—a climax of a series of guerrilla fighting that has sapped Japanese military might.

Gates of the ancient city, Japan's provisional capital for the area, were closed and artillery fire rattled windows in Peiping.

Locked in Battle

Far to the south, where Japanese front lines had spread for the opposing troops were locked in a battle for control of the grand canal trenches where the Japanese offensive was halted. The invaders were seeking to capture Suchow-Fu, key to the Lung-Hai railroad, by a series of encircling and flanking movements intended to find a weak spot in the Chinese lines. Fighting was reported bitter but indecisive. The seriousness of the situation from the Japanese viewpoint was indicated by reports that Emperor Hirohito sent his brother, Prince Chichibu, to China to bolster Japanese morale.

'Ergometer' Tells All at Stanford

"Ergometer" or perfect teamwork between heart, respiration, cell-chemistry and blood, plays a leading role in what makes champion athletes, believes Craig Taylor, Stanford university graduate student in physiology. He and Robert Morris, another student, have designed an "ergometer," which by dials determine the horsepower output of one pumping the bicycle-like affair. The copper helmet allows measuring intake of air for breathing and analysis of exhaled air for oxygen depletion and carbon dioxide production. Taylor is shown making heart action tests while Morris is the athlete under test.

TRIPLE AIM FOR HIGHWAY PATROL

Curbing of reckless driving, checking of speed and enforcement of the dimming law will be three of the traffic laws which will be stressed at night by Idaho's increased force of state policemen. It was announced here this afternoon by V. K. Barron and C. L. "Doc" House, state police officers in this area.

The patrolmen made the announcement after receiving word to that effect from J. L. Balderson, commissioner of the state department of law enforcement.

Fatal Hour

The traffic officers pointed out that statistics show that death is more "active" on the highways between 7 and 8 p. m. each day. On Jan. 19 at 7 p. m., three Indians were killed in a crossing accident at Fort Hall and two months later to the day and hour, four persons were killed five miles north of the scene of the Fort Hall crash. The week following, also near 7 p. m., four persons were killed five miles south of Idaho Falls. Since the first year almost all of the fatalities in Idaho have occurred between 7 p. m. and 8 p. m.

Additional word received by the officers from Boise shows that 38 persons were killed in automobile accidents in Idaho during the first four months of this year compared to 37 during the corresponding period in 1937. Twenty-two of these deaths resulted on a Saturday.

Four Month Toll

Toll by counties for the first four months of this year is as follows: Blaine, seven; Bannock, six; Bonyon, four; Canyon, three; Ada, three; Cassia, two; Shoshone, two; Jefferson, two; Blaine, one; Bonneville, one; Twin Falls, Jerome, Latah and Nez Perce, one each.

Of the persons killed 23 were male and 15 females. The ages were: 0-9 years, four; 10-19 years, four; 20-29 years, five; and over 30 years, 12. Children killed were three, four and six years of age and two boys, three and four years.

Noted Governors Settle up Football Bet with Tokens

FORT WORTH, Tex. (Up-CO) Colorado's Gov. Teller Ammons, who "lost" Pike's Pen in a bet with Gov. Alan W.iken of Texas on the outcome of the Rice-Colorado football game in Dallas last Jan. 1, is making token payments.

Allred wagered "Texas' Hot Bend park against the famous Rocky mountain peak, Colorado lost the game and several coin proposals were made for collecting the debt.

Ammons dispatched a representative to Texas with souvenir paper-weights made from Pike's Peak granite. The tokens were given to Gov. Allred, Mayor W. J. Hammond of Fort Worth and Gov. Frank Fortson of Oklahoma. It was announced that they were "allotted."

Night clubs, first known as "musical restaurants," originated in San Francisco and traveled eastward via Chicago—reaching New York in 1910.

Marital Spectacle

Mrs. Helen H. Miller, 41, of Italy, returned Thursday to her marital apocryphs without definite indications of lightning or weak-kneed romance. Her husband, Earl Miller, reviewed the march of 60,000 boys along the Via Triumphalis in Rome after having witnessed a naval demonstration at Naples yesterday.

While the two dictators debated the state of central Europe, Great Britain instructed her representatives to urge the German and Czechoslovakia governments to a peaceful solution of the European problem which the Nazis have used as a war "threat against the Czechs. The British may also approach Czechoslovakia, the Nazi leader to Czechoslovakia.

UNITED STATES—The chairman, Key Pittman, D. Nev., of the senate foreign relations committee, told the United Press in an interview that Mussolini cut a great contribution to European peace by urging Hitler to stand with the Czechs. World peace, he said, appears to revolve around the talks of the two dictators and the recently concluded British friendship pact with Italy.

Undersecretary of State Sumner Welles, meantime, declared it imperative for United States to maintain a friendly attitude toward the Americas from the threat of aggressors.

Rebel Blast Loyal Lines

SEATTLE—Rebel troops blasted through the lines of the strongest loyalist defense lines near Alcala de Calizert on the Mediterranean coast and killed 100 Spaniards again. Valencia, coincident with loyalist claims that they would yet win the war. The Spanish cabinet, however, in a note to the United States asserted confidence in ultimate victory and said a plebiscite would be held after the war to determine Spain's future social structure.

Military experts, however, viewed a rebel victory as virtually assured, although admitting that the conflict might last for months. Rains and the necessity of consolidating positions and supply lines were cited as partly responsible for the slow insurgent advance recently, although the amazing resistance of the loyalists was recognized.

PRIZE DANCE FILER on FRIDAY C'mon You Cats!

If you are DEAFENED

Why Wait

Perhaps you have hesitated to do something about your hearing because you didn't believe you really could be helped; or because you thought any "hearing aid" would make you conspicuous; or because you felt you "couldn't afford" one.

Today thousands have found that none of these reasons stand in the way of hearing happiness. The new, individually-fitted, SONOTONE Audible brings hearing of almost unbelievable clarity and naturalness—even in extremely severe cases. Men wear a SONOTONE less noticeably than glasses and women wear it completely hidden. As to price, there are very few who could afford it—because of its convenience, budget plan, too.

Won't you come in (or we'll call at your home, if you say so) and have our specialist show you this dependable inconspicuous means for better hearing really than "you could be true." A complete and effective fitting costs nothing and involves no obligation whatsoever. Offices open Thursday and Saturday only.

SWISS SEE AUSTRIA ABSORBED; START DEFENSE PLAN

POLITICAL TRUCE FIRST MOVE FOR NATIONAL UNITY

By ALFONSE THOMA
ZURICH, May 6 (AP)—The manner in which Austria was absorbed by Germany has started a country-wide movement for the strengthening of Switzerland's defenses and armaments.

Indicative of the Swiss people's belief in the need for a truce between rival political parties as the first step toward national unity over defense, was a public meeting held recently in Zurich. It was addressed by prominent delegates of the Socialist party, which a few years ago was anti-militaristic, and Commander U. Wille, army corps head. He was accused a few years ago by the Socialist press of Fascist and pro-German sympathies.

The subject of the speeches was national defense.

Army Opinion Stated
Wille said he believed Switzerland was probably called upon to improve its armed forces before the outbreak of war, arguing that the great powers were ready to take the offensive. Great Britain, in the belief of Wille, is not yet prepared to serve as France's ally.

Conferees attended by the delegates of all national parties, except the Communists and Frontists, have discussed Switzerland's military problems and it is understood that no differences have arisen, despite the fact that defense will entail additional burdens for the taxpayer. This would be in addition to the 335,000,000 (\$400,000,000) Swiss franc loan for national defense of October, 1936, which is not exhausted yet.

Plans for national defense include the extension of military service for recruits from three to six months, with the object of improving the training and having available a permanent armed force in the protection of Switzerland's frontiers, as present forces are considered inadequate against a surprise attack.

Frontiers to Be Fortified
The annual period of service is to be extended from two weeks to three. Additional work will be done as heavy artillery, anti-aircraft guns, anti-tank guns and airplanes, is included, along with the construction of new fortifications and a line of fortifications in the interior.

One question which has yet to be settled is the appointment of a supreme commander of armed forces. The Swiss army has no such commander and it was broken out unexpectedly, the federal assembly would have to meet and appoint a general to the post. It is suggested that the post should be filled at peace time and by the federal council, instead of waiting for a war.

HAGERMAN

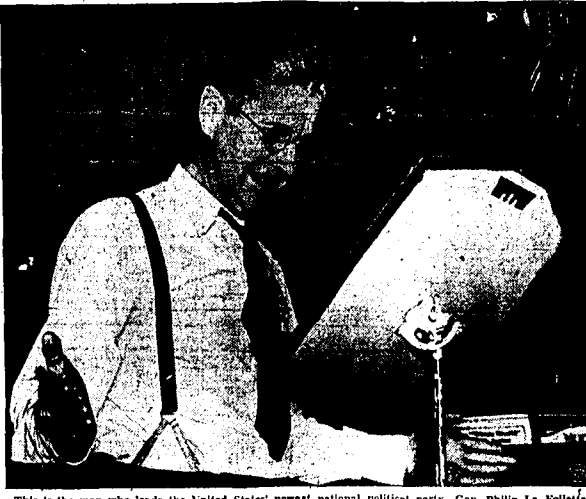

Miss Ruth Brooks entertained the lady teachers of the Hagerman schools and Mrs. Edwin Fryer at a pinocle party at the home of Mr. and Mrs. M. J. Fryer. Prizes were won by Miss Gertrude Malacek and Miss Ruth Reed. During the evening a gift was presented to Mrs. Fryer by the guests present.

Thirty-four ladies gathered at the home of Mrs. Jay Coolidge, Tuesday afternoon for a surprise shower honoring Mrs. Coolidge and Mrs. Andy Willis who are leaving Hagerman in the near future. Mrs. Coolidge will join her husband in Coeur d'Alene, and Mrs. Andy Willis will move to Salmon City, where Mr. Willis will be employed by the Cavanaugh Construction company.

The members of the high school Glee club will present the operetta, "His of Blarney" at the Legion hall this evening under the direction of their leader, Earl Thomsen. Cast includes Don Conyers, Everett Grady, Freda Woodhead, Evelyn Smith, Merle Owsley, Willie and Wilma Walker. Sixty members of the Glee club make up the chorus.

Old Woman Assists Authorities In Hunt for Dismembered Body

SEATTLE, Wash., May 6 (AP)—Mary Eleanor Smith, 73, who confessed that she had assisted her son in murder for profit, leads authorities today on a hunt for evidence that may result in her execution.

Released from the state prison five days before she had finished her sentence for grand larceny, she was brought here to lead police over the road along which, according to her confession, she and her son, Earl DeCastro Mayer, carried parts of the body of Lieut. James Eugene Bassett of the navy in September, 1928.

Unless some part of Bassett's body was found there was little likelihood that Mrs. Smith and Mayer could be prosecuted, though authorities talked of establishing the essential corpus delicti by circumstantial evidence. Mayer still is in Walla Walla penitentiary where he is serving life as a habitual criminal.

Buried Pieces
Mrs. Smith confessed that after dismembering Bassett's body she and her son carried the pieces along a road out of Seattle, burying them in different places. The teeth they had extracted beforehand and these were scattered along the road, she said.

A small, gray haired, agile for her

age, she was brought here last night by Ernest York, Seattle chief of detectives. She was taken immediately to the police station, and locked in a cell.

Mrs. Smith came into the jail wearing smoked glasses. Newspapermen and photographers met her. She was tired, she said, and didn't want to talk further. A few hours before she had confronted her son at Walla Walla and accused him of murdering four persons, including Bassett.

Searched Before
The area where Mrs. Smith said parts of Bassett's body were buried had been searched several times without success. Authorities hoped, however, that she would lead them to a spot that they missed in the dismembered hunt for Bassett 10 years ago.

The state parole board ordered Mrs. Smith released before her time was up so that she could aid the new search. Mrs. Smith and her son were convicted of having stolen Bassett's automobile and other of his personal effects.

Bassett disappeared en route to Manila on a naval assignment. A short while before he had been grad-

uated from the U. S. Naval Academy at Annapolis. Mrs. Smith said her son killed Bassett and posed as a clergyman to kill three Montana residents in the early 1920's.

"Yesterday Mayer" was confronted by his mother. Mrs. Smith was asked to repeat her confession. Mayer listened intently.

Claimed Fake
Warden J. M. McCausley questioned Mayer, who was cold. He answered questions with "yes" or "no." Asked if his mother's confession was true he said that it was not.

Authorities at Butte, Mont., believed that Mayer was the man who called himself C. C. Skidmore and was released in 1921 at his preliminary hearing after he had been charged with having edited the disappearance of Mrs. Ernest LaCasse. Mrs. LaCasse, like Bassett, disappeared mysteriously and was never seen again.

Skidmore had her fur coat jewelry and keys to her safety deposit box. He said she had given them to him. The charge was dropped on the grounds that a body had not been found, the same reason authorities said that they had not charged Mayer in the Bassett case.

KIMBERLY DANCE WILL HELP BAND

KIMBERLY, May 6 (Special)—Action to sponsor the second annual band dance, to raise funds for the Kimberly high school band, has been taken today by the Kimberly Commercial club.

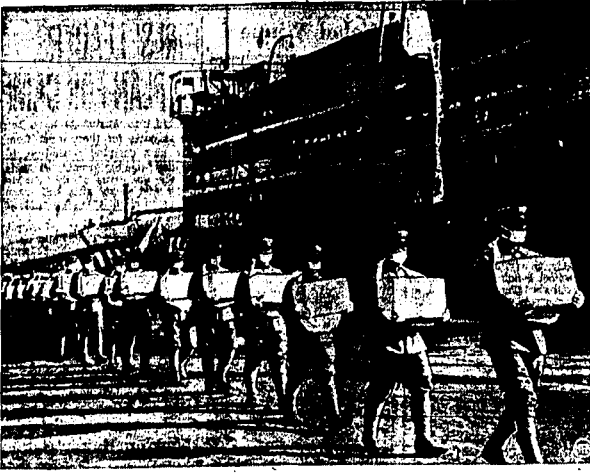

The dance will be held Friday, May 20. Proceeds will be placed in the band treasury with specific "see-meetings" but probably to purchase of new or additional uniforms.

Committees are L. A. Thomas, school superintendent, chairman; R. Denton, Harold Howe, Carl Ridgway and Walter Slaughter, Jr. Denton will be in charge of general ticket sales, and Howe will handle publicity and will aid on the sales program.

A twelve-piece band will play for the benefit dance. Committee members indicated today that the matter of a trip for the band has not been brought up for the present year. Other action taken yesterday by the Commercial club indicated that Kimberly will become the best-equipped town in Twin Falls county as far as tennis courts are concerned, and one of the best in south central Idaho. The club decided to sponsor a WPA project which will seek to secure approval for building of four tennis courts on the high school playgrounds. The community already has one asphalt court.

Tennis project committee are Mr. Denton, Mr. Ridgway and Marvin Gill.

CHILDREN'S CLINIC HELD IN JEROME

JEROME, May 6 (Special)—Thirty-six children were given attention for physical defects at the Jerome county pre-school round-up clinic, sponsored by the local P.-T. A. in cooperation with the children's rest week of the department of health, last week.

A number of immunizations were given by local physicians for both diphtheria and small pox, and suggestions were made for tonalocetry operations, and adenoids. Dental care was suggested by dentists aiding in the clinic for some of the children. Assisted in the round-up by a number of the local physicians and dentists were the Jerome county public health nurse, and two nurses from the Twin Falls health unit as well as a number of members of the P.-T. A. Each pre-school child who completed the clinic was given a slip by the examining doctor showing the medical attention needed to make him physically fit before he entered school in the fall.

Miss Harriet Russell, Jerome county public health nurse will be engaged next in meeting with a committee of the anti-T. B. association of Jerome county this week in arranging and making definite plans for a number of children in the county to attend the McCulloch health camp at Buhl which will open in June.

GLENN'S FERRY

Mr. and Mrs. Slim Collins and B. F. Smith have gone to Detroit, Mich., to attend the annual convention of railway engineers. Before returning home they will visit in Chicago and New York.

A daughter was born April 26 to Mr. and Mrs. Farrell Clouty at the Larson maternity home.

Moose lodge will hold a special meeting Tuesday in the Community hall. A number of candidates will be invited by the Dolan degree and grill lodge. Refreshments will be served after the session.

Mrs. L. F. Fingersoll will be hostess at a public card party Tuesday at 5 p. m. by the ladies of the Episcopal guild. Both bridge and 600 will be played.

Members of Chapter 2, P.E.O. Sisterhood, met Tuesday at the home of Mrs. F. E. Wilson, Hammett. Talks were given by Mrs. J. T. George on the Philippines, Mrs. E. L. Belmont on Mexico, and Mrs. Chris O. Jording on China.

Final meeting of the Glenns Ferry P.-T. A. will be held Monday at 8 p. m. at the high school for the installation of officers. Exhibits will be held in the grade and high school rooms.

Mr. and Mrs. Elwood Rinehart, Seattle, are to visit his parents, Mr. and Mrs. Ray Rinehart, married April 30, they are on their honeymoon. They will return the last of the week to Seattle where Mr. Rinehart is employed at the Boeing Aircraft company plant.

SALE OF GOODING LICENSES SOARS

GOODING, May 6 (Special)—County license sales here this week constituted a land-office business as hundreds of motorists flocked to the assessor's office to obtain their 1938 plates.

On Saturday, the final day, there were 280 plates sold, boosting the total to 13,000 for the year. 220 passenger plates, 118 farm truck, 85 private, and 13 commercial licenses.

The total, however, did not reach that of last year because 220 passenger plates were sold. Assessor Herb Love believes that if the present rush continues for a few more days the sales this year may top those of 1937.

Forest Supervisor Speaks at Jerome

JEROME, May 6 (Special)—Curtis Price, supervisor of the Minidoka forest, with headquarters at Rusty, discussed a group of three pictures, at the Jerome Civic club Tuesday. The pictures, valuable for their educational qualities, were on the habits of the beaver, his game in the forest, and how the forest service acts to preserve them.

Guests of the club included members from the Grandview, Edson, do Heights, Westfield and Appleton clubs.

A solo was given by Lenore Watkins, with Miss Cammaron accompanying at the piano, followed by a solo song by Jim Davis, which was rated second in competition at Gooding recently.

Hostesses were Mrs. William Meiser, Mrs. E. E. Connor, Mrs. Dean Ellis and Mrs. A. L. Dewhirst.

Resident of Boise Pays Jerome Fine

JEROME, May 6 (Special)—Three arrests were made this week for disturbing the peace. P. E. Stoddard of Boise was brought before Police Judge Clark T. Stanton and was fined \$5.00 and was discharged.

Two others were also fined the same amount and allowed to go to their homes.

KIMBERLY

Mr. and Mrs. Harold Howe are moving into the Ford Wilson house which has been recently remodeled. Carl Ridgway spent the past week-end in Salt Lake City on business.

Mr. Bachelor, owner of the Eugene Beauty shop in Twin Falls, has moved his family here from Boise and is occupying one of the houses owned by Helen O'Connor. Several soft ball teams are being organized in various sections of town. For this year at least they will confine their games among themselves.

The juniors will entertain the high school seniors at the annual junior-banquet and prom this evening.

Mother's Day

No greater tribute can be paid a mother than to bestow upon her a genuine admiration and tender love! To all mothers we extend the kindest and most reverent greetings.

DECLO

The theology lesson was given Tuesday at the Relief society meeting. The subject was "Christ's Second Coming" and was presented by Miss Rachel Lewis.

Mrs. Don Wilcox and daughter, Betha, left Wednesday for Idaho Falls where they will join Mr. Wilcox, who has employment there.

Abe Pile, Brigham City, shipped a carload of cattle to Odean.

Carl Day spent the past week at Lava Hot Springs taking treatment.

Mr. and Mrs. Ross Rigley went to Boise Monday to attend the graduating exercises at St. Alphonsus hospital where Miss Ruth Okeson graduated as a nurse. She is a sister of Mrs. Rigley and a graduate of Declo high school.

Miss Arlene Ward, who has spent the past month visiting friends at Layton, Utah, returned home Saturday.

William Matlock has purchased and moved to the old Park place north of Declo and V. Needles and family have purchased the farm vacated by Mr. Matlock.

FERRY STUDENTS SCORE IN MUSIC

GLENN'S FERRY, May 6 (Special)—Miss Mildred Dixon, music instructor of the high school this week received favorable criticisms of the Judges on the work done by vocal groups competing in the southwestern district music festival at Nampa April 22 and 23.

Unlike the usual procedure, ratings were not given in competition with the other schools entered in the meet. Instead, Stanley Trel, the critic for all vocal numbers, gave constructive criticism.

In the solo divisions unofficial ratings were: Soprano, very good; mezzo-soprano, very good, and baritone, excellent. The boys' quartet rated very good, and the girls' trio, good. Duets were available on the mixed quartet. The girls' glee club, the only large group to be entered from here, was rated excellent.

Ferry High School Issues Publication

GLENN'S FERRY, May 6 (Special)—A good deal of excitement was caused in the high school last week when the first high school annual, "The Trail Blazer," was delivered. The book, attractively bound in a black and sage-green cover, was received from the publishers Friday. The work was done by Graves and Potter, lithographers, of Pocatello.

The work on the annual was largely done by the editor, Pilar Dobran. She was assisted by Wynne Cline, Louis Monroy, Case and Kenneth Fromel. Mr. Werner was advisor of the publication.

Ferry Round-Up Set by P.-T. A.

GLENN'S FERRY, May 6 (Special)—The Glenns Ferry P.-T. A. will hold its annual summer round-up for pre-school children in the home economics rooms in the high school Saturday, May 14, from 10 a. m. to noon.

The purpose of the round-up is to check the health of the children. Both Doctors Davis and Snyder will be present to conduct the examinations.

The results of the examinations will be given to the child's parents so that they may be checked during the summer months before school starts again in the fall.

To Give You the Lowest Possible Rates That Will Still Permit Good Service

Eleven years of repeated reductions in your electric rates! 22 separate reductions since 1927! Taxes have increased during that time—tremendously. Our taxes now take 22 cents of every dollar we receive from our customers. Our payrolls have grown—wages have kept pace with our employees' increased living costs. But, throughout, we have maintained an unvarying policy—

To give our customers the lowest possible rates that will still permit us to maintain a high standard of service.

This policy is responsible for the \$100,000 rate reduction effective April 30—and for the 22 reductions in eleven years that now save our customers more than \$600,000 a year. It has brought about electric rates that are **AMONG THE LOWEST IN THE UNITED STATES TODAY.** And we trust that the years to come will see electric rates still lower.

McCOMB'S MARKET SATURDAY FRYERS Swift's Fed

Save-Money! Considering the cost of retail materials, the inefficiency of small scale production, plus the back-breaking labor of mixing and conveying, no modern housewife can afford to bake bread.

Save Time! Much of the time any woman spends in baking her own bread is actually wasted when you stop to consider how cheaply you can buy the much better bread scientifically produced by our baker.

Save Work! Why work needlessly in baking bread when you can employ your time to much better advantage? It's much more economical to buy your bread, and besides it's always fresh.

Instead of Baking Your Own Bread Use BUTTER-KRUST

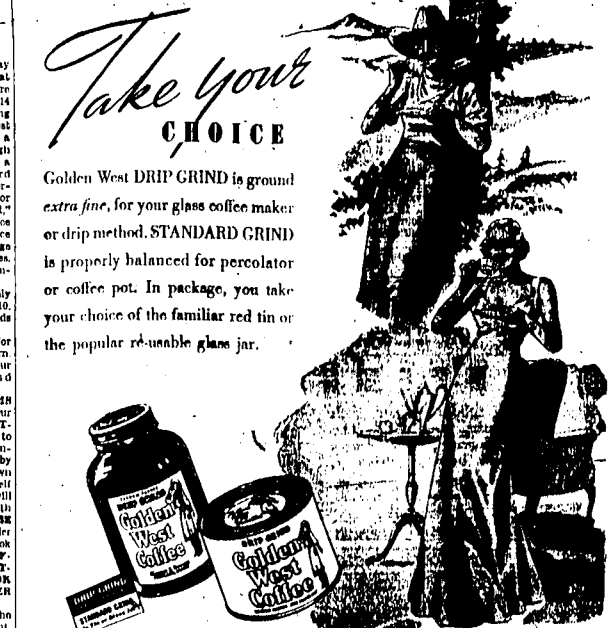

Buying and using supplies in a large wholesale manner and the advantage of modern mechanical baking equipment make it possible to cut the production cost of Butter-Krust bread 40% of what is used to cost Mother, when all the elements of home baking are taken into consideration. Not only that, Butter-Krust is better and sweeter than the bread Mother used to make. Each loaf contains just the right weight and measure of pure wholesome ingredients. Each loaf is baked at the same temperature for the same length of time in specially clean electric ovens. The logical result is perfection. Start using Butter-Krust today and judge for yourself.

By HENRY McLEMORE
LOUISVILLE, Ky., May 6 (AP)—Ten horses and 85,000 racing fans were assembled in derbytown today for the 64th running of the Kentucky classic and nearby, more conspicuous than ever, was Stagehand, the winter-long favorite who will not run.

"He's sick," said Earle Sande, Stagehand's trainer, his voice shaking, "and I love him too much to take a chance. He's out."

Mac Makes Test Race Around Kentucky Derby Track—He's Fagged Out!

By HENRY McLEMORE
LOUISVILLE, Ky., May 6 (AP)—How does it feel to run in the Kentucky derby?

Today, while the dew still was on the blue grass and the juleps on my breath, I, Henry McLeMORE (Preakness Colt, 3), by Railroad Tracks out of Georgia) ran a full mile on one quarter on the Churchill Downs track where the derby will be raced Saturday.

Ignoring the questioning glances of clerks, stable hands, guards, and jockeys, I went to the head of the chute where the derby is started, and pawed the brown earth with patient leather shoes. A guard's yell of "what the devil are you doing?" served as my starting bell and I was off.

I moved to the rail immediately, figuring I might need it before I got around, and started the run down past the grandstand.

Out of Kentucky Derby

Stagehand, the winter-long favorite, today was definitely out of the running of the annual Kentucky Derby. The news, shown here with his trainer, Earle Sande, former jockey, is receiving a fond kiss and a nibble of sugar.

Track Stars to Make Assault on Records

Some hundred south central Idaho track and field performers, including star relay teams, were resting tonight in preparation for the annual district meet, set to start at Burley tomorrow morning.

And they'll be shooting at district records that have stood against the assaults of star performers for as high as 13 years.

Four records appear to be in danger of being broken—all of them by the relay teams. They are the pole vault, discus, molly relay and possibly the high jump.

Jim Throckmorton of Rupert has been leading the discus past the 125 foot mark in early competition, which is over a foot better than the district record of 124, set by Bell of Burley in 1925.

Depostera set last year's championship Burley outfit repeating again this year, but Twin Falls, Piler, Rupert, Gooding, Jerome and Buhl are all given good chances.

The following is the set of records that the invaders will be attempting to break:

100-YARD HIGH HURDLES—Pogson, Burley, 1924, 1:12.5.

100-YARD HURDLES—Pogson, Burley, 1924, 1:12.5.

course, but nothing like the amputation of the pay-check.

Following my workout a veteran horseman who happened to see it, handed me a chart of my mile and a quarter run. It followed: Went to post 7:45 a. m. At post—quite a while.

Start—slow and ragged. McLeMORE, off in a tangle, managed to straighten himself out after going ten yards and smartly bore into the rail. He held on gamely and sensibly, but began to weaken rapidly after the 20 yard pole had been passed, and was laboring under stout punishment at the 50 yard pole. Hangover, his only rival, began to close with a rush and in the backstretch, not only caught McLeMORE, but punished him unmercifully. Mint Julep, on the inside, took the place, as McLeMORE pulled up lame.

Ducks Regain Tie for Lead

Portland Ducks defeated Hollywood, 7 to 4, last night and so climbed back with the Stars into a tie for first place in the Pacific Coast baseball league.

Bill Thomas was the winning pitcher although Whitley pitched hard to go to his rest in the ninth when Hollywood pushed across two runs.

In another night game San Diego scored a run in the last of the ninth to gain a 9 to 8 decision over Oakland. The biggest inning for the Padres was the eighth when they pitched across six runs.

Sacramento, sparked by a home run by Sparks Adams, won from Los Angeles, 8 to 4. Tony Pretas gave up 10 hits but went the route for the winners.

A two-run rally in the tenth inning gave San Francisco a win, 4 to 3, over Seattle. Sam Gibson was the winning pitcher and Dick Barrett the loser.

Champion Hit-Pin
Clash Will Be Played at Harmon

Red-White championship game of golf pin baseball will be played at Harmon park as an afternoon feature of the junior high school track and field day on May 13. Miss Margaret Ebert, coach, announced today. The White division will be represented by a team for 010 and the Reds by the winner of a game to be completed between 013 and 217.

Four games were played on Wednesday with 217 winning by 211 by 25 to 5, 214 over 212 by 1 to 0, 010 had nine runs to four tallies by 206 and 07 lost by one point to 013 by 21 to 12.

Yesterday's only three games were played as 114 won over 215 by 12 to 8, 010 downed 114 by 10 to 12, and 111 lost to 217 with the score of 22 to 6.

Breakfast Tourney Scheduled for Buhl Golf Course

BUHL, May 6 (Special)—A breakfast golf tournament, one that has been scheduled for the last two Burley days, only to be postponed each time, will be held on the Clear Lake course Sunday—weather permitting.

Captains will be elected for the two sides with losers buying breakfast for the winners. Total scores will determine the winning team.

In charge of arrangements for the tourney are Jerry Palmer, Perc Hoffinger and Fred Lutz.

World Champs Again Prove Hitting Power

By GEORGE KIRKSEY
NEW YORK, May 6 (AP)—With the hot breath of the New York Yankees on their necks, the Cleveland Indians, whose burning pace in the west swept them into the American league lead, appeared afflicted today with their old malady—eastern road jitters.

On their first stop in the east, the Indians dropped two out of three at Washington and moved into Philadelphia today with their lead trimmed to one game.

Bruin Tennis Pair Will Seek Crown

Two Twin Falls high school tennis players will invade Boise May 13-14 in search of the state interscholastic doubles title. It was announced here today that the pair, consisting of John Platt, high school instructor and member of the athletic coaching staff—Platt said today that he will enter the pair only in the doubles, keeping them out of the singles play and thereby saving their energies for a possible state title bid.

Hartruff and Waters are now working out daily each afternoon under John Platt, high school instructor and member of the athletic coaching staff—Platt said today that he will enter the pair only in the doubles, keeping them out of the singles play and thereby saving their energies for a possible state title bid.

Johnny Signe's homer with the bases loaded paced Washington's 8-5 triumph over Cleveland, and kept the Senators within one game of a half of first place. Washington slugged four Indian hurlers for 15 hits.

In the other two American league games, the Chicago White Sox beat the Athletics, 10-4, and the Detroit Tigers felled the Boston Red Sox, 7-5. Frank Gabriel, National league castoff, won his first American league start, holding the A's to seven hits in the American's best pitched game. Boze Berger and Gerald Walker, his homers. Ben Chapman, Red Sox, and Birdie Tebbets, Tigers, were banished after engaging in fist-fuffs over a strike. Rudy York hit his first homer in the White Greenback one, his fifth of the year.

YESTERDAY'S HERO
The Chicago Cubs moved league lead by beating the Phillies 2-1, while the Giants were losing to the Reds, 5-2. Phil Epperly, 19-year-old rookie, pitched a six-hit game for the Cubs, Augie Galan and Rip Collins hit homers in the Cubs' 18-hit attack. With 12 runs in the eighth, the Cubs fell only two shy of the record.

Leading Hitters
The Giants lost their first series when the Reds came from behind with a three-run rally in the eighth to win. Mel Ott and Rip Collins hit the Red's winning rally. In the other two games Pittsburgh beat Brooklyn 4-2, and the Boston Bees won from the Cardinals, 5-2.

CHIEF THUNDERBOLT WINS
NEW YORK, May 6 (AP)—Chief Thunderbolt, Concord, downed Mountain Jacobs, Los Angeles; Luigi Baccigaluppi, Italy, pinned Mike Kilian, Greece; James James, Greece, felled Victor Weber, Germany.

Industry-Labor Agreement Seen Only if Confidence is Restored

C. of C. Head Asks Repeal of NLRB Act

By SANDOR S. KLEIN
WASHINGTON, May 6.—George H. Davis, president of the United States Chamber of Commerce, said in an interview today that there was no possibility of labor and industry getting together until national confidence has been restored.

"Repeal the Wagner labor relations act, repeal the wage and hour bill, get the tax and the appropriations bill out of the way and send congress home," he said. "Then, maybe confidence will begin to return."

"There wouldn't be any point in getting around a table with labor so long as fear continues to keep employer and employee alike. What is needed first is confidence."

The proposal that labor and industry "get together" to end industrial strife and aid in restoring prosperity was made at the 26th annual meeting of the chamber which closed last night. The 2,500 delegates adopted unanimously a resolution calling upon labor "to work together without recourse to the federal government on those things of common concern." Earlier the American Federation of Labor had proposed that industry disband "all units of industrial warfare" and adopt a program with labor.

Thrill Stunt

Here's just one of the thrill features to be offered at Filer fairgrounds next Sunday, May 8, by the Death Dodgers circus. Appearing under sponsorship of Twin Falls American Legion, the Death Dodgers will present automobile and motorcycle thrills and—its winds are favorable—a balloon stunt. Shown here are Miss Ruth Michael and Skip Fordyce.

GIRL RESERVES PLAN CEREMONY

Girls Reserve of Magic Valley district will hold their annual ring ceremony at Blue lakes on Saturday. Girls from clubs throughout the district will meet in front of the Twin Falls high school at 10:30 a. m. and go from there to the head of Blue lake grade in cars. The remainder of the trip will be made on foot.

After a picnic lunch with each club providing part of the food, served by the Kimberly group the ceremony will be conducted under the direction of Lausanne Gudmundson of Burley.

Ring List

Rings will be presented to a number of girls from each town and will be:

Burley—Virginia Durk and Adele Broadhead.
 Buhl—Leona Law.
 Burley—Leola Clayton, Fay Smith, Lausanne Gudmundson, Frances Dewey, Jean Demman, LaFree King, Harriet Pixton, Della Bailey, Beth Cannon, Grace Shockey, Martha Trout, Elouise Swanson, Mary Purrott, Gene Parrott and Virginia Meacham.
 Eden—Lorraine Southwood, Louie Kelley, Dorothy McChlain, Betty Allen, Leila Hayes, Louise Cheley, Shirley Knifong, Virginia Grant, Mary Hayes, Birdie Johansen, Violet Stephens, Louise Davis, Margaret McCoy and Bertha Lettimer.

No contributions considered unless signed, but initials will be used if specifically requested. All contributions should be addressed to Editor, Idaho Evening Times and submitted through the mail.

DECLARES AMERICA SHOULD SEE THROUGH 'FARCE'

Editor, Evening Times:

I wonder how many Americans scratched their heads and ruminated a little on reading Henry Ford's statement after his interview with F. D. R.—"There is too much government interference with business and too much financial interference with government. The American people have a leader who is putting some-

Public Forum

thing over on them. They better wake up."

Financial interference with government—that's what the people need to know more about. Unfortunately most avenues through which they get this information are blocked. Most good books written by authors alive with the high intention of liberating the man in the street from the international financial ring are killed with a few years of their publication.

It didn't take America long to see thru the face making, grunting and growling of professional wrestling—why can't we see thru the New Deal's farcical struggle with depression? New Deal goes thru all sorts of fake maneuvers with finance in his corner egging him on to more spectacular crowd pleasing tactics, as for example trust busting, while mightily-thewed New Deal ought to be hitting the everlasting daylight out of his "second" and stepping on his neck for good measure. Perhaps

Public Forum

when the crowd starts booing "fake" New Deal will.

Other countries have broken with international finance as witness Germany and Italy. Both Hitler and Mussolini were astute enough to realize that a country freed from international money changers, would not be periodically shaken down through inflation and deflation and therefore would not be such a tough nut to ride.

Well why can't America do the same, without the benefit of a dictator? The answer is, a snoring American populace, content to look at the biggest pork barrel in creation, as a sure sign that the government's for 'em and agin the plukes.

Very truly yours,
 PATRICK FINN
 Buhl, May 4.

To increase the popularity of air travel in Turkey, civil air lines are offering "one free night" for every five paid for, says a dispatch from Istanbul.

DEATH DODGERS BOOKED SUNDAY

Ready with at least 12 Death dodgers including drivers leaving through flames, plate glass and brick, the Death Dodgers circus will perform at Filer fairgrounds Sunday, May 8, from 3 to 5 p. m. The circus was postponed last Sunday because of the death of the father of S. A. "Skip" Fordyce, manager.

All events originally scheduled will be presented on the Sunday program, Fordyce said today. The big balloon ascension will be held providing prevailing winds do not make the event too hazardous, to the performers and to spectators.

The circus is booked for the area in front of the main grandstand at the fairgrounds. It is sponsored by the Twin Falls American Legion.

The Yukon district was almost annihilated before the discovery of gold in 1866.
