

ROAD DISTRICTS DEFEND ACTION

Although the attorney general has ruled representatives of the Idaho Association of Highway and Good Roads should participate in the social security program, representatives from about 20 districts meeting at the Chamber of Commerce office Tuesday revealed only about 10 per cent are submitting security funds to the federal government.

Representatives at the meeting said they would not accede to the attorney general's ruling at the present time. If their action results in a court test case, highway districts would cooperate to defend the action, as highway and government had ruled no other tax collecting agency need come under the ruling, it was decided.

A resolution was unanimously passed denouncing the proposed flat \$5 registration fee for motor vehicles, and the proposed 20 per cent diversion of state highway gasoline tax funds to counties and highway districts.

Oppose Rate Cut
Delegates to the meeting warned the public that if the flat \$5 registration fee were adopted, a personal property tax would undoubtedly be levied immediately upon motor vehicles, thereby extending the present license fee and giving no relief to owners of automobiles.

W. O. Thornton, state representative from Gooding, appeared before the meeting in defense of the \$5 registration fee of which he is author. John H. Fairchild, Oakley, speaking in direct opposition to Thornton's plan was applauded by representatives at the meeting which was called for the express purpose of "protecting counties and highway districts against loss of important revenue for road building and maintenance work."

\$2,000,000 Loss
A resolution stating that "loss of federal aid road funds together with the loss from gasoline tax and license fees would result in a loss of more than two million dollars to our state highway system," was passed at the meeting to enumerate reasons why the bill calling for diversion of 20 per cent of the gasoline tax to counties and highway districts should not be enacted.

The Twin Falls highway district was host to the meeting. Tom Freney, Lewiston, president of the association presided. Members of the resolutions committee were Ben Dasher, St. Helens, chairman; Julius Schmitt, Gooding; J. D. Sinema, Twin Falls; C. D. Schmidgall, Hillsdale; and H. V. Creason, Rupert.

The association will hold its annual state meeting at Burley in September.

INQUEST SET IN DEATH OF THREE

BOISE, Ida., June 15 (U.P.)—Ada county officials planned an inquest today on the murderous automobile crash yesterday which took three lives and left five persons injured.

John Reed, 23, Nampa, driver of one of the cars involved, died late yesterday to raise the toll to three. Geraldine Sumner, 22, Nampa, was instantly killed and Patricia McGill, 18, Boise, died en route to hospital.

A coroner's jury was impaneled, viewed the bodies of the dead, and recessed subject to call by Coroner J. T. McCain.

Of the five injured, condition of William Troeschler, 24, Idaho Falls, was considered the most serious. He is suffering from a fractured skull and jaw, multiple fractures of the pelvis, and back injuries.

The two cars met at the center line of a four-lane "super" highway west of Boise early yesterday. From an officer's diagram of the accident, it appeared that one of the cars was swerving across the line, that the car on the wrong side of the line turned in the same direction at the same time.

"The impact was terrific. Both cars were knocked approximately 60 feet from the point of collision."

County Assessor Files Candidacy

Candidates who have filed in Twin Falls county for nomination to offices had reached six today when James D. Barnhart, Twin Falls county assessor for six years, filed his formal declaration at the county recorder's office.

He seeks the Democratic nomination for the office of county assessor in the state primary election Aug. 9.

Signers of his petition are E. A. Janson, W. A. Munk and Robert J. Haller, Twin Falls; Gou I. Thompson and P. T. Quire, Bluff; Oscar Carlson, D. H. Davis, Piler; A. J. Wilson, Kimberly; F. W. Wachob, Mittlestadt; John Penny, Hansen.

BEHIND THE SCENES in Washington By RODNEY DUTCHER. Evening Times Washington 15—A nice eight-party program for the Republican party appears to be one of the current needs of the G. O. P.

WEALTH CONSCRIPTION. It would be very nice indeed if one could go along wholeheartedly with the Military Affairs committee of the U. S. senate in its pious hope that the recently reported "wealth conscription bill" will be a strong force for peace.

FOR ONE THING, it assumes that we go to war because the forces of big business propagandize us into it, and while there was some highly unsavory, expertly-financed propaganda floating around just prior to April 6, 1917, it is nevertheless true that the way we got into a war admits of no such simple explanation as that.

HATCHETS ON THE HORIZON. These are trying days for people who find their faith in the mental capacities of their fellowmen easily shattered. It's to be hoped that some of our gaudier public characters don't put the faith to the test again when they learn about some of the cherry trees in Washington.

HOW TO BEHAVE. Considerable publicity has been given a code of etiquette drawn up for college boys by an eastern dean of women. Introductions, dress, table manners, attitude toward women, removal of the hat, and general behavior on the street are the main points of the code.

CHAPTER IX. THERE was a loneliness, loneliness, imminent and near, none less. This game, this little world of make-believe, could not go on and on. It must arrive somewhere and Joe was troubled to devise a destination. Joe thought of the road, the cities and towns of a nation.

CHAPTER X. "No, you won't do that, Joe?" she said, grabbing at him and holding on to him. "You won't go away and leave me!" "I don't mean to leave you exactly, honey," he said with some compunction.

POLITICS IN MINNESOTA. The administration now expects to set up a motion picture production agency under the auspices of an emergency council, co-ordinating the more ambitious plans of various New Deal agencies which have undertaken to produce films.

15 YEARS AGO. June 15, 1923. G. K. Hunt returned yesterday from a trip through Utah and as he returns to Twin Falls he states that the Utah Valley is not so fertile with the Twin Falls country. We have them beat in many ways and there is just one lesson we can learn from the Utah farmers and that is the intensive farming plan.

JEROME. The ladies' aid of the Presbyterian church entertained at a garden party for 40 guests Saturday. Guests were Mrs. H. H. Hadden, Mrs. Ricketts, Mrs. James Keel, Mrs. Gordon Laird, Mrs. C. Thompson, Mrs. A. L. Dewhart and Mrs. J. T. Ricketts. A program was enjoyed which included the playing of songs by Miss Jean Ricketts, and a reading by Mrs. C. Thompson. Royalties in charge was Mrs. Roy Ricketts. Mrs. W. F. Wills and Mrs. J. T. Ricketts.

CHAPTER XI. "That's what she had always been a baby. But now he wasn't so sure. He dropped the whole subject, because it suddenly looked a little too big to handle."

CHAPTER XII. "I don't mention it, but you could almost see her hugging it to her bosom when she let it go. Her fear of losing him, her insistence that she loved him, her going 'on fire' when he kissed her. She did not mention it, but she could read always there. She was such a complicated creature, artless and artful till you couldn't tell the difference between innocence and guilt."

CHAPTER XIII. "What does it do to you?" "What did it do to you..." He was silent, turning it over in his mind. Was she kidding him, kidding herself, or just what? What could she possibly know about it? He had never made love to her, had never made him-

CHAPTER XIV. The normal child is born, he has the organs necessary to speak. However, he must still learn how to speak. This is an educational matter. In order to aid the production of speech, it is important for the adults to realize what is necessary in the speech mechanism. This child makes gestures indicating his wants even before he learns how to speak. If the parents do not definitely plan to teach the child to speak, he will learn a great deal by imitation.

CHAPTER XV. The first words spoken by children are usually either single syllables or duplicated syllables as in "papa" or "mama". These combinations of nouns and verbs such as, for example, "baby eat" or "baby walk" which many children say between the ages of 18 and 24 months, are not really the first words. It is important for parents to realize this order of speech development in the child because it will enable them to know whether or not the child needs special help in speech and whether or not his speech is developing normally.

CRASH VICTIMS' BURIAL AWAITED. FRESNO, Calif., June 15 (AP)—The bodies of the persons killed March 13 in the crash of an airliner on Buena Vista crest were held here awaiting burial today and a special department of transportation board assembled to conduct an investigation.

BELEVUE. Mrs. Catherine Collins and Ed McClure returned Saturday from a two week visit in Denver, Colo., with Mrs. J. O. F. Hasler. Mrs. H. O. Crutchley of Dodge City, Kan., arrived Sunday for a visit with her son, Harold F. Crutchley, who is in the U. S. Army.

MURTAUGH. Mrs. and Mrs. Glaren Ebert of Salt Lake City are here to visit their mother, Mrs. D. K. Ebert, who is ill at the Twin Falls hospital. Another daughter, Mrs. Charles Ebert and Mrs. Ebert, Williams, Calif., returned home last week.

MURTAUGH, JUNE 15 (Special). Miss Eva Fuller and Miss Margaret Lindsay gave a Camp Fire party at the home of Mrs. A. J. Hill on Wednesday night. Thirty-five people were present to enjoy the games and refreshments.

STAR IN '92 FLOOD' BACK IN '12. A romantic leading man of silent films, Richard Dix still holds the same high spot in talking pictures... He was born in 1892 in a small town in Indiana. He was a member of the United States Army and served in the Philippines. He was a member of the United States Navy and served in the World War.

Mexican Travel Talk Highlights Luncheon

Guest day, observed by the Mentor club this afternoon at the country home of Mrs. Ed Tolbert, was one of the outstanding events of the week in club circles. Mrs. M. O. Kuykendall gave a gracious welcome to the 60 members and guests, who enjoyed the dessert luncheon and the program of unusual interest which followed.

Mrs. Gale Bevercombe, guest speaker, gave a travel talk on her recent trip to Mexico City, and other romantic points along the Pan-American highway which leads into the interior of Mexico. She described vividly the tropical jungle, and also the Cathedral of Mexico in Mexico City.

Illustrating her discussion of Mexican handicraft, Mrs. Bevercombe displayed Oaxaca hand-loomed table linens, hats and pottery which she had purchased on the trip. She was introduced by Mrs. Thomas C. Bucklin, program chair.

Mrs. Emma Stone presented Mrs. George Earhart, Flier, who contributed a group of whistling soons, and Mrs. Raymond, who sang a group of duets. They were accompanied by Mrs. E. A. Beam.

The dessert luncheon was served tray style, and rosebud corsages were the favors. The Tolbert home presented a garden setting with quantities of delphiniums, snapdragons and peonies gracefully arranged in baskets.

Mrs. Bucklin was assisted by Mrs. O. F. Brann, Mrs. Marie Beckley and Mrs. R. E. Joalin in arranging the program. Mrs. Walter B. Johnson, Mrs. John Parham, Mrs. R. H. Elin and Mrs. John Wallace were the members of the menu committee.

PARTIES CONTINUE FOR BRIDE-OF-WEEK
Miss Owen Snyder, who has been the inspiration for numerous nuptial courtesies, will be the guest of honor at a kitchen shower to-morrow afternoon at the home of Mrs. Frances Wilson, 260 Eighth avenue east.

Miss Wilson has arranged bridge as the afternoon's diversion, which will be attended by 12 intimate friends of the honoree. Early summer flowers will complete the decorated table. The hostesses will be assisted in serving by her sister, Miss Joan Wilson, and by Miss Ann Perry.

Miss Snyder and her attendants, Miss Frances Wilson, maid of honor; Miss Wanda Kimes, Miss Mable Morehead and Miss Doris Ann Sherwood, who will serve as bridesmaids, will be at the shower. The honoree, Mrs. George Frazier, at a luncheon of smart appointments Monday afternoon at the home of Mrs. Frazier, mother of the bride.

Miss Snyder has asked Zoe Ann Wenberg and Sara Lee Wenberg attractive twin daughters of Mr. and Mrs. George Wenberg, to complete her wedding party. Zoe Ann will be flower girl and Sara Lee will be ring bearer.

A handsome hand-embroidered cloth from the trousseau lines of Mrs. Frazier, a wedding gift from her mother, covered the luncheon table. Pink sweetpeas and pink gypsophylls centered the table and small corsages of the same flowers were at each cover.

Summer bouquets in baskets on either side of the doorway, marked the entrance to the dining room.

DELIGHTFUL EVENT TO HONOR MISS SLACK
Clever among the many courtesies arranged for Miss Helen Slack, whose marriage to Charles Albert will take place early in July, will be the 6:30 o'clock dinner and miscellaneous shower at which Miss Florian Hunt will preside at the Mitchell W. Hunt country home to-morrow evening.

Miss Hunt is employing a rustic summer theme of decoration for the rooms and a bridal motif for the table appointments. She will be assisted by her mother.

Invited guests include Miss Babey Deigas, Gooding, and Mrs. Guy Purvis, Mrs. George Gappel, Mrs. Cori Heineck, Miss Marjorie Kingsbury, Miss Marjorie Johnston, Miss Wanda Kimes, Miss Marjorie Driscoll, Miss Margaret Washers, Miss Vivian Anderson, Miss Martha Morhouse and the honoree.

Miss Slack, Christian church pianist for a number of years, was guest of honor at a lawn party recently at the home of Mr. and Mrs. Fred Rudolph, members of the club, their wives and husbands arranging the event. Games and stunts were enjoyed in the garden. At the close of the evening, Miss Slack was given a puzzle to assemble, disclosing the location of the gift the club presented to her.

Officers Named At Flag Day Tea

The United Patriotic Order of Women, at the annual Flag day tea yesterday afternoon in Legion Memorial hall, elected Mrs. B. C. Van Audiveld of the Disabled American Veterans as president, succeeding Mrs. L. E. Whitzel, a member of the Spanish War Veterans. Maxwell Binnis, guests attended the event, arranged by committees from seven women's patriotic organizations, and presided over by Mrs. E. J. Seedy.

Other officers named were Mrs. Mabel Johnson, Ladies of the Grand Army of the Republic, vice president, succeeding Mrs. Jessie Jennings of the D. A. V. Auxiliary; Mrs. H. C. Jepperson of the Daughters of the American Revolution, secretary, succeeding Mrs. Johnson; Mrs. Anna M. Wise of the American War Mothers, treasurer, succeeding Mrs. Lucien Voorhees of the D. A. V.

Mrs. W. F. Salmon of the American Legion Auxiliary, succeeded Mrs. Arthur J. Regua of the War Mothers; Mrs. Wanda Elliot of the Veterans of Foreign Wars Auxiliary, succeeded Mrs. John Harvey of the Legion Auxiliary; Mrs. Marjorie of the D. A. V. Auxiliary, succeeded Mrs. M. C. Kuykendall yesterday afternoon at the home of Mrs. Dorine Goertzen. Other parties in the series will be planned when the club meets this evening at the home of Mrs. Daisy Johnson on Elizabeth boulevard.

Mrs. E. A. Gates and Mrs. Helen Minnick won the prizes at cards. Pink and red roses were the room trim, and refreshments were served.

FLOREAL THEME PREVAILS AT LUNCHEON
When Mrs. G. W. Frazier entertained members of the Sun-B-S-Set club yesterday afternoon at luncheon, she served at two tables attractively arranged with jazz bouquets of poppies, snapdragons and irises. The flowers were selected for room decorations.

Mrs. E. C. Sjoberg and Mrs. Henry Minnick won the prizes at bridge, following luncheon.

TRIO HONORED AT CLASS LUNCHEON
Twenty members of the Mary- Martha class, meeting at the home of Mrs. M. C. Kuykendall yesterday afternoon, celebrated the birthdays of Mrs. J. B. Drake, Mrs. Roy Barnett and Mrs. P. S. Munro.

Mrs. M. C. Kuykendall presided and spoke on the flag. A "kitch and chatter" session was announced for the next meeting, to be held at the home of Mrs. E. J. Seedy. Mrs. E. J. Seedy, a Civil War veteran, was an honored guest.

Roses and snapdragons decorated the table at which a no-host luncheon was served.

PARTY HONORS CHILD
In celebration of the ninth birthday of her daughter, Jennie Ann, Mrs. Bud Perket entertained at a party recently. Nineteen children enjoyed the games and contests which were arranged preceding the refreshments. The honoree received a number of gifts.

Local Firms Aid In Parties Here
Local firms today were cooperating to make the two "Bowl of Rice" parties planned for Twin Falls a success. It was announced this afternoon by H. H. Friedheim, chairman in charge of the event to aid in raising funds for Chinese non-combatants in the East who are suffering from the famine.

The local parties will be held Friday at 2:30 and 8:30 p. m. at the Changan and Wing's Chinese restaurant. A bowl of rice and a cup of soup will be served to each person attending.

Chairs to surround the special tables will be set up in the cafe will be furnished by the Twin Falls mortuary while the Perine Hotel will donate the table. Keltin Hunter, local artist, will donate a table cloth which will designate the table for the "Bowl of Rice" parties.

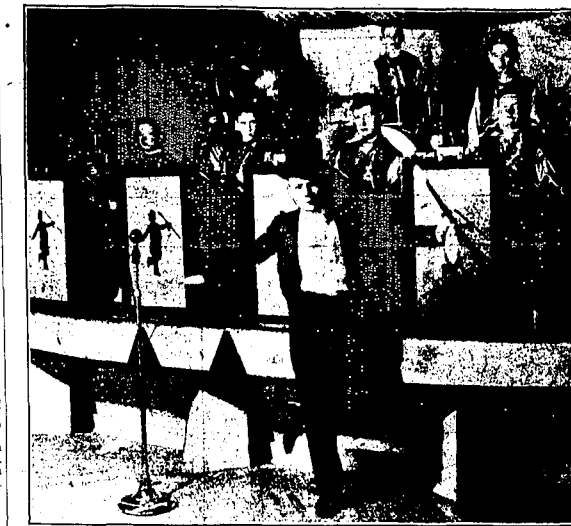

Paper was made by the ancient Egyptians, the Greeks after Alexander, and later the Romans, by overlapping thin strips of the stem of the papyrus plant. The Chinese, eight years ago, began producing and drying followed.

The eight artists in the new orchestra feature the latest dance tunes and specialty numbers. They will also be featured with Betty June Tarr in the spotlight. In the above picture, shown on the Radioland stage, are Dick Lawrence, trumpet; Paul Bowman, bass; Elda Stetler, tenor sax and clarinet; Gene Hull, drums; Earl Janyis, piano; Virgil Peronette, first sax; Wardell Wilcox, sax. In the foreground of the picture is Ray Jennings, leader who also plays the violin, sings and does tap dancing.

Sunday Nuptials For Jerome Girl

JEROME, June 15 (Special)—Miss Grace Horton became the bride of Daniel Dieter in a ceremony performed at the home of the bride at four o'clock Sunday afternoon.

Preceding the ceremony Miss Frances Pat Overfield sang, "Oh, Promise Me," and "Ah, Sweet Mystery of Life." Accompaniments were played by Miss Peggy Eyle who also played the Mendelssohn wedding march.

The bride was accompanied to the altar by her father and Miss Esther Overfield as honor bridesmaid. Rev. Albert Martin read the single ring ceremony before an altar fashioned of flowers. The groom was attended by Orville Horton of Spokane.

The bride was gowned in a white net dress and wore a floor-length veil. The bridal bouquet was of tea roses. The bride's attendants were spring formals.

For her going away costume Mrs. Dieter wore white linen and had yellow accessories. After a short wedding trip the couple plans to be at home in Pullman, Wash.

Out of town guests present at the wedding were Mr. and Mrs. Orville Horton and son, Leon of Spokane, and Mrs. Maude Ellis of Wisconsin.

RESIDENT SCHOOL PROVING POPULAR

Twenty-eight girls and 17 boys from Twin Falls, Jerome, Cassia, Gooding, Minidoka and Lincoln counties are now attending the federal resident school at Weiser under the NYA program. It was announced this afternoon by W. Folsom, district field representative with headquarters here.

The entire student body at the school at the present time, according to NYA records, totals 125. Seventy-five of this number are boys and the balance girls. In practically all cases the students are high school graduates.

Boys are studying vocational agriculture, Folsom points out, and at the present time are farming 20 acres as well as raising sheep, beef cattle, dairy cattle, poultry and pigs. The course will continue for the entire school year.

In the case of the girl students, who are attending summer school, subjects include home economics, nursing school training, sewing, cooking, art and dramatics as well as elocution.

The school is conducted the same as any university and courses are arranged to promote vocational training which will make the students more employable after they complete their studies. A competent staff of teachers, under the direction of Loren Basler, supervises activities.

In addition to regular studies, a Pullman course is also provided for both among the boys and the girls.

Miners Rescued After 45 Hours In Deep Shaft
ASHLAND, Pa., June 15 (UP)—Two coal miners who were trapped nearly 300 feet underground for 45 hours were rescued today. A crew of workers broke through to them and they walked from the mine unaided.
The men, identified as Peter Shinkowsky, 48, and his 18-year-old son, Peter, Jr., were taken to Ashland state hospital.
Mr. P. L. Duffy, who went into the mine after rescue workers borrowed a shaft to the men, said the shaft was in a weakened condition, but that the miners appeared none the worse for his experience.
"I am glad we're out of here," was the elder Shinkowsky's only comment when they emerged. More than 200 persons, including 165 miners, including Shinkowsky, daughter and sister of the trapped men, awaited them.

CONGRESS SETS MONOPOLY PROBE
WASHINGTON, June 15 (UP)—Sixty-one members of the House voted today to a resolution and the appointment of 12 committee members were named today before a joint congressional and departmental committee begins an investigation of monopolies.
The House completed congressional action last night on a resolution which establishes a body to recommend new anti-trust legislation for enactment by the next congress. Congress appropriated \$500,000 for the work.
Three senators and three representatives, appointed respectively by the presiding officers of the two houses, are one representative from each of the justice, labor, commerce and treasury departments, and the securities and exchange and federal trade commissions will comprise the committee.
Before adopting, 237 to 33, the senate-approved monopoly measure, introduced by Sen. Joseph O'Mahoney, D., Wyo., the house rejected, 234 to 101, a resolution that would have created a separate house committee to investigate alleged monopoly in the three big radio broadcasting chains.

THIS CURIOUS WORLD By William Ferguson

COLOR BLIND PERSONS CAN SEE BETTER IN THE DARK THAN THOSE WITH NORMAL SIGHT. THE BAMBOO CRAB MAKES ITS HOME IN PIECES OF WATERLOGGED BAMBOO THAT HAVE SUNK TO THE BOTTOM OF THE SEA. ASPIC JELLY GETS ITS NAME FROM A SNAKE... THE "ASP" BECAUSE IT IS COLD TO THE TOUCH.

Down deep in the Andaman Sea, at a depth of 400 fathoms, there lives the curious bamboo crab. So long has this creature kept itself tucked back into hollow stalks of bamboo that its hind portions are imperfectly developed. But any enemy that tries to invade the sacred domain is met with a pair of bristling claws at the open end of the bamboo stalk.

British Women Faint at War Talks

Many Haunted By Visions of Plane Attacks

By WEBB MILLER
(Copyright 1938, United Press)

LONDON, June 15 (UP)—William James Gray, 59-year-old war veteran, haanged himself in his bathroom the other day.

Gray had been gassed in the World war. Daily he heard friends talk of air raid precautions and preparations. He became depressed and had dreams of airplanes shrewing gas and explosives over London. According to testimony at the inquest that was why he killed himself.

Friends of mine who have enlisted as air raid wardens tell me that invariably some one faints at the daily nation-wide lectures when the effects of gas and explosives are vividly described and necessary defense precautions explained. Undoubtedly millions are haunted and oppressed by the same fears which drove William James Gray to take his life.

Women Faint

Women fainted in the streets during the recent air raid test in Marylebone in London. Thomas Spencer, a volunteer air warden, pulled from a strain after he had entered a test gas chamber in a mask and emerged unharmed.

One cannot escape encountering intensive preparations for air warfare in London. Upon moving to my new house at Walton on Thames the other day my car bill payable in advance, including .125 pence in the pound (approximately 1 cent on \$20) for air raid precautions. The district tax for public health service is .115 in the pound, less than the air raid tax.

Booklet Instructions

With your electric gas or water bill you receive a 12-page booklet of instructions on what to do in an air raid, including detailed specifications for the construction of a gas proof room in your home.

The most significant item in the booklet issued by my borough includes this warning:

"Air raid warning will mean a raid may occur within a few minutes, perhaps even ten." Other authorities predict that the warning might be less than five minutes ahead of the raid.

Safe from Raids

You often see in the newspaper advertisements which read:

"Safe from air raids, old light-house modernized four-room burnham-on-sea, 120 pound sterling" or "air raid shelter suitable for garden cheap."

In the news reels you see "John Smith constructing a bomb proof shelter in a garden which is used as a playhouse for his children" or "Frank Jones demonstrating the construction of a decorative 100 pound sterling shelter with flowers."

Another shows how to make a bomb proof shelter resemble a rock garden.

There is a daily course of lessons on air raid precautions in the Daily Express, which has the world's greatest circulation. The Express appointed its star reporter to specialize in air raid precaution.

The insurance policy on my new house carries the notation that insurance against war and air raid risks are heretofore withdrawn.

DAIRYMEN START PRODUCTS DRIVE

A concerted drive to take care of the tremendous quantity of dairy products accumulating at Twin Falls at the present time will be launched this week as part of a nation-wide program to increase consumption of dairy products, announced Otto Koster, local chairman in charge of the event.

Retailers, social and civic clubs and Chambers of Commerce will be asked to join in the campaign to boost prices by consumption of the surplus. Although dairymen are operating at a loss at the present time the Idaho dairy industry has a value of \$10,000,000 a year when prices are normal, Koster said.

Local and national advertising store posters, bill boards, movie-theater ads and radio broadcasts will be used in the drive. A national coast-to-coast radio program advertising the campaign will be broadcast over the NBO blue network at 9:15 a. m. Thursday.

Members of Koster's committee are W. D. Fales, Gooding; A. L. Kireher, Buhl; Ray D. Smith, Jerome; C. W. Ross, Burley; R. P. Hyde, Rupert; L. J. Tenchuck, Twin Falls, and George F. Beldel, Pocatello. Members were selected by the committee whether or not they were connected with the Idaho State Dairymen's association, sponsors of the program, Koster said.

Parties Aid Chinese

Gov. Barilla W. Clark today asked Idaho citizens to aid "innocent and suffering" non-combatant Chinese women and children, such as those shown above, by attending "Bow of Hope" parties which will be held over Idaho and the United States next Friday. Two such parties will be held in Twin Falls. Both will be at the Shanghai Gardens cafe, the first starting at 2:30 p. m. and the second at 8:30 p. m. Those attending donate what they see fit for a bowl of rice and a cup of tea.

CHILD INSTANTLY KILLED BY TRAIN

BURLEY, June 15 (Special)—Funeral services for Richard J. Bywater, 2, who was instantly killed when struck by a train Tuesday afternoon, will be conducted at 1 p. m. Thursday at the Starbuck Ferry L. D. S. church with Bishop A. L. Hanks officiating. Interment is tentatively set for Friday at Brigham City, Utah.

The child, son of Mr. and Mrs. Glen D. Bywater, was struck by an eastbound Union Pacific passenger train Tuesday at 2:30 p. m. as he sat on his tricycle in the middle of the tracks near his home seven miles west of Burley.

"The train said they did not see the child on the tracks until it was too late to stop the train in time to avoid the accident."

Both parents said they heard the locomotive's warning whistle and ran toward the tracks, the father from the field where he was irrigating, and the mother from the street.

The locomotive hurled the child's mangled body 124 feet from the point of impact, reported Coroner Joseph F. Payne and Deputy Sheriff George Bray, who investigated. Charlie Lewis, Union Pacific agent, a passenger on the train, remained on the scene and aided officers in their investigation. Following an examination of the body, Coroner Payne reported the child had died of a compound fracture of the skull.

The investigation revealed that the child had followed his father to the field where he was irrigating, and then had wandered away to the tracks where the accident occurred. Frank Meredith, Pocatello, was engineer on the train, and M. Burns, Pocatello, was conductor.

The child is survived by his mother and father, and a sister, Marilyn, eight months old.

Annual Ram Sale Slated August 10

Some of Idaho's best rams will be offered for sale at the county fairgrounds at Piler August 10 when the annual ram sale is conducted. Those who will include Hanoverhires, Suffolks and Suffolk-Hampshires.

More than 30 of Idaho's most prominent purebred breeders will have contingents at the sale. The event is known as one of the outstanding blackface sheep shows of the west.

Boys Given Parole Following Sentence

JEMOLI, June 15 (Special)—Pleading guilty to a misdemeanor charge before Probate Judge Homer N. Folkner, Hugh Donald Box and George Gray were placed under parole for an indefinite length of time. The fines of \$25 each were suspended by the judge.

The boys admitted taking an automobile belonging to Murray O'Rourke and going for a ride. The authorities and owner spent several hours looking for the car.

The 1937 yield of small grain in the United States was valued at nearly \$1,000,000,000.

APPROVAL GIVEN TO LOCAL PILOT

Approval on application for a solo pilot's license today had been granted O. A. Keker of the Idaho Evening Times. It was announced by E. E. Hughes, United States aeronautical inspector.

Hughes approved Keker's application for a pilot's license during the official's visit here yesterday afternoon. The license permits the United States and to land at all airports including air terminals.

"The rating is the second to be issued among local fliers. The first was recently awarded to Craig Coleman, also of Twin Falls. Issuance of the rating to Keker brings to six the local pilots having ratings higher than student fliers."

Increase Set in Price of Liquor

BOISE, Id., June 15 (UP)—It will cost you Idahoans more to take that summer "snifter" after July 1.

The state liquor control commission will put down an increase on hard liquor and wines after that date. The increase became necessary, according to the commission, because of higher freight rates and increased federal taxes.
