CLARK SPEAKS AS IDAHO POLICE OPEN CONVENTION

ANNUAL MEETING DRAWS OVER 100 STATE OFFICERS

Gov. Barzilla W. Clark was the principal speaker this morning at the annual meeting of the Idaho Peace Officers Association annual convention at the Idaho State Hotel.

Opening on the state of Idaho, Governor Clark said the finances of the state were the best of any state in the union. "During the past few years, the debt of the state has been cut from eight millions to approximately one and a half million at the present time," said the governor.

He commended peace officers for their work in the state, and said he would give all possible assistance from the governor's office, according to Robert M. Pugmire, secretary-treasurer of the association.

Nearly 100 Register

Nearly a hundred officers had registered for the two-day convention at noon today, with additional delegates expected this afternoon and tomorrow, said Pugmire.

Officers were welcomed this morning by Lem Chapin, mayor of Twin Falls, J. L. Balderston, president of the Idaho Peace Officers Association, and Harold Meyers, president. Officers present included Meyers and Pugmire, Alma Marley, George Henderson, vice president; Ben Brown, J. L. Balderston, D. W. Bliss, Fred B. Davis, board of directors.

Work before the convention this morning included appointment of committees, addresses, and business of the association.

Officers for the coming year will be elected tomorrow morning, said the secretary. Pugmire said Nampa was making a strong bid to be chosen conventional city for 1939, and would probably be selected.

Chiefs Attending

Chiefs of police who are attending the convention include Edward Gillette, Twin Falls; A. T. Merrill, Preston; R. M. Pugmire, Pocatello; William Harris, Nampa; E. E. Wood, Shoshone; Mike Roche, Coeur d'Alene, and J. A. Clark, Rexburg.

Officers who are present include E. F. Falk of Blackfoot, Blingham county; George Hendrick of Mountain Home, Blaine county; Harold Meyer of Caldwell, Blaine county; Jack Tucker, Idaho City, Boise county; V. H. Gibbs, Rexburg, Madison county; G. V. Clark, Bl. County, Fremont county; E. E. Adams, Jerome, Jerome county; P. D. Pace, Burley, Cassia county; F. F. Prater, Twin Falls, Twin Falls county; and J. Josephson, Malad, Owyhee county.

100 UNEMPLOYED TO CAMP ON VICTORIA PARLIAMENT STEPS

50 HURT DURING FIGHT AS POLICE BATTLE STRIKERS

VANCOUVER, B. C., June 20 (AP)—Twenty-four hours of rioting between mobs of jobless men and Royal Canadian mounted police ended here today when a delegation of 100 unemployed called for Victoria with instructions to "camp on the steps of the parliament building until a federal relief program is achieved."

Expected opposition to the sailing of the delegation through police enforcement of the statute for unlawful assemblage or refusal of the steamship company to sell tickets did not develop.

The delegates, accompanied by an estimated crowd of 5,000 supporters marched to the ship and cheered from the mainland as it pulled out for the provincial government headquarters at Victoria on Vancouver island.

Postoffice Stormed
The decision to take their case direct to Victoria, followed the storming of the federal postoffice late yesterday at which time stones were hurled through the windows at the police and "mounties" stationed inside.

Storming of the federal building climaxed a day and night of rioting between the jobless men and mounties and police, causing an estimated damage of \$250,000 to downtown buildings, injuring 50 men and sending 22 to jail charged with inciting a riot.

It was reported that Premier T. D. Pattullo would arrive from Victoria today to discuss the tense situation. Pattullo, before leaving Victoria said:

New Public Jobs
"I had hoped that good sense would prevail and those occupying the building would disperse. They did not do so notwithstanding the fact that in the interval announcements have been made of public works not only in Vancouver but elsewhere in the province."

The jobless, who had held the postoffice and the city art museum for a month while their leaders directed the jobless men and mounties were driven into the open with tear gas and then clubbed when they tried to fight the police.

More than 50 jobless were hospitalized. Three officers were taken to a hospital, one with a broken leg.

There were 400 men in the postoffice, where they had slept and eaten for a month.

George Hogshire Dies at Wendell

JEROME, June 20 (Special)—Funeral arrangements are being planned for George Biley Hogshire, 69, of Jerome and Portland who succumbed after a brief illness at the Wendell hospital. He died at 8:45 p. m. after an operation, Saturday.

Besides his wife, Mrs. Jean Hogshire, he is survived by two daughters, Joan Felten, Seattle, and Catherine Hogshire, New York City, and one son, Lieut. George Biley Hogshire, Jr., U. S. N., stationed on the S. S. Smith in San Diego. One brother and two sisters also survive, and are J. Allen Hogshire, Indianapolis and Lebanon, Ind.; Mrs. Alice Coons of Lebanon, and Mrs. Catherine Mary Watts of Los Angeles.

Mr. Hogshire was a pioneer of the north side tract and came here to break the first sagebrush for his homestead in 1908. He had made his home in later years in Portland but spent six and seven months out of the year in Jerome.

The body rests at the Jerome funeral chapel.

DEATH SUMMONS WENDELL WOMAN

JEROME, June 20 (Special)—Funeral services are being arranged for Mrs. Flora Gibson Loving, 49, and a resident of Wendell for the past 20 years.

Mrs. Loving succumbed after a brief illness at the Wendell hospital Sunday at 6:30 p. m. She was born in Spring Garden, Ala., and came here to settle with her family in 1918. She leaves her husband, two children, Patty Ann and Jimmie Loving, of Wendell; one brother, John Gibson, and two sisters, Mrs. Lizzie Kines and Jimmie Gibson, all of Alabama.

Pending funeral arrangements the body rests at the Jerome funeral chapel.

ACEQUIA

Miss Bertha Nutting, county superintendent of schools, is transacting business in Moscow in connection with the schools. She attended commencement exercises at the University of Idaho, as did her mother, Mrs. Serena Nutting, and her sister, Mrs. Melba Huruz, her brother, Jasper Nutting, received his teaching certificate and has been appointed to the Acequia high school next fall.

Loren Jolley and sons, Arnold and Glenn, have taken their sheep shearing equipment to Dillon and Lyona, Mont., where they have contracts to shear several large bands of sheep.

Mrs. J. J. Jensen and daughter, Neva, and Mrs. Loren Ricks and daughter, Marilyn, Salt Lake City, are guests of Mr. and Mrs. Henry Jensen.

June Bateman, a student in the B. Y. university at Provo, was a recent guest of her parents.

Mr. and Mrs. O. J. Bateman left Sunday for the University of Idaho to attend the summer session. Mrs. Bateman is majoring in home economics.

Mr. and Mrs. A. D. Falls and sons, Reed and Robert, attended commencement exercises at the University of Idaho. Their son, Wesley Fall, received a degree in electrical engineering.

Norma Butler, Fanny Wagner, Vilate Allen, Letia Radnall, Ophelia Hansen, Elmire Ousterhout, Erma Whittle, James Hansen and Earl Cotnam, Acequia, were among the group of singers going to Salt Lake from the Mindolosa stake to participate in the recent broadcast and conference of the L. D. S. church. Mr. and Mrs. Henry Whittle and Mr. and Mrs. Will Hansen accompanied them.

Wesley Butler, who has been attending the University of Idaho, Southern Branch, Pocatello, has returned home.

Sailing for Australia
Miss Martha Farrar will sail Wednesday on the S. S. Montevideo from Los Angeles harbor for a summer in Australia. Friends here have learned, Miss Farrar, a former public speaking instructor in Twin Falls, has been teaching in California for the past year.

JARBIDGE

Mr. and Mrs. Fred Mackay and daughter, who were formerly of Jarbidge, but now residing at Fallon, Nev., were guests of friends here this week.

Charlie Boss and Bill Holsby of Rogerson and the Misses Pastour of Hollister were visitors at Murphy's Hot Springs and Jarbidge on Sunday.

Mr. and Mrs. Walter Hartman arrived here to spend the week-end visiting Mrs. Hartman's brothers, H. O. and Victor Cannon. The Hartmans are residents of Seattle, Wash.

Howard Hooper and Mack Tilley, better known as "Cougar Bill" both former Jarbidge residents but more recently residing at Rio Tinto, Nev., arrived Thursday at Murphy's Hot Springs. They have been on a tour of Oregon, Washington and Idaho.

Mrs. J. J. Irvin attended business in Twin Falls and purchased supplies for her boarding house the first of the week. She was accompanied on the trip by Gordon Gentry.

Mrs. F. M. Naylor drove to Twin Falls Tuesday to attend business. She was accompanied by Mr. and Mrs. W. E. Cordell. The trio will spend two or three days there.

Mr. and Mrs. Ray L. French and son, Douglas, were visitors to central and southern Idaho last week where they were guests of relatives. Douglas remained to spend the summer with an uncle, Mr. and Mrs. French returned home last week-end.

Mr. and Mrs. Carl Sprague of Mountain City, Nev., are guests of Mrs. Sprague's mother, Mrs. Lena Dougherty. Also visiting here with

the Spragues are Mr. and Mrs. Ralph Fletcher, also of Mountain City. Mr. Fletcher is a former Jarbidge resident.

Mrs. J. H. Berry returned home Monday after an extensive visit with friends and relatives in the east.

Friends of little Darrell Griffith, who resided in Jarbidge with his parents last year, have learned that he has been receiving treatment at the Shriners hospital ward in the St. Marks hospital in Salt Lake City and his condition is very much improved. Darrell had a bone infection that had rendered his left knee useless. Since the treatment the past six months his leg has been strengthened and is only a fraction of an inch shorter than the other and it is thought

he will be able to realize full use of the leg without an operation.

A. C. Maple, C. D. Maple and son Richard, Mrs. Dajay E. Dilts and her nephew, Buddy Lynn, all day. A. C. and C. D. Maple returned to Whittier, Monday. Mrs. Dilts and the two boys will spend the summer vacationing here.

BEHIND THE SCENES in Washington by RODNEY DUTCHER Idaho Evening Times Washington Correspondent

WASHINGTON, July 20 — You may expect an immediate drive in some of the 45-cent-an-hour minimum fixed in the wage-hour law.

SHADES OF THE BLUE EAGLE Although the hourly wage minimum is below the scale in most industries and depression curtailments make the hour maximum below the point...

BILL REALLY HAS TEETH Considering the fact that wage-hour legislation was thought to have been killed for this session of congress...

The wage-hour board which the original administration plan and the senate bill contemplated would be a committee of representatives of the labor department with power to approve or disapprove recommendations of industries...

TOUGH FOR VIOLATORS Pending possible but unexpected inviolation by the ill-fated present law, the new bill will be hard to beat.

POLITICAL IMPLICATIONS The law will have certain, but incalculable political effects, since it will begin to have affected industries around the middle of October...

This Man, Joe Murray

BY WILLIAM CORCORAN Copyright, 1938, by William Corcoran; NEA Service, Inc. APOLGORIZED profusely and avowed intentions of his disinterested father peered inquiringly forth. Joe looked at him with a moment with set face...

HE walked to the corner where Papke's drug store was and looked into the store. A couple of young men lounging outside the door gave him a casual greeting in which there was the merest touch of deference.

Joe looked at him with a moment with set face. "That's all right," he said. "I'll be back." He kissed her. He kissed her tenderly, so that she knew it was nothing she had done. Yet he was hard. She could not detest him, and he went out.

There was a pause. Then the old woman said in a tone of intense, polite interest. "Ah Another of Theresa's lies!" (To Be Continued)

HISTORY Of Twin Falls City & County

By DR. MORRIS FISHER Editor, Journal of the American Medical Association. "The Health Magazine" About 70 per cent of the human body is water. An average six man, therefore, contains about 42 pounds of water. Much of the water is in the blood and in the lymph. Some of it is in the space between the cells of the body, and the rest of it is actually in the cells.

Coping With the Perverts

The Illinois house of representatives the other day passed a new statute designed to fill in some of the gaps in our legal defense against the so-called sex offender.

This statute, if it finally becomes law, will make it possible for the authorities to lock up a person of criminal sex propensities before any criminal charge has been filed against him.

Time and again this sort of story has been told. A man will be arrested for a sex crime of the foulest sort, and the officers will examine his past.

In ordinary criminal law, of course, it would be monstrously unjust to imprison a man because he might some time in the future commit a crime.

Scratch what appears to be a warrior for human rights and you find instead a warrior against Candidate Joe Douks, Officeholder Fred Jones, or one of the two leading political parties.

Thus, when a group appears which bears unusual ear-marks of a natural inability to agree on a common ulterior motive, that's news. The chances are that such a body means what it says.

Consider the personnel: The director is a poet, Hermann Hagedorn. Discovered among others on the committee are Owen D. Young, Dan Beard, William Allen White, Mary E. Woolley, Herbert Hoover, Alf M. Landon and Norman Thomas.

The exact effects of this new factor in the national economy are not yet known. But it is clear that as the years pass it will be a greater and greater factor.

REDS MOVE INTO SECOND IN NATIONAL RACE

Greatest "Come-Back" Battle in History Looms for Heavy Title

Vander Meer Chalks Up 14-1 Win; Cleveland Gains in American League

By LESLIE AVERY
 NEW YORK, June 20 (U.P.)—As Johnny Vander Meer goes, so goes the Cincinnati Reds.
 The Reds were in second place in the National league today, and they owed their climb to 22-year-old Vander Meer, who only last week became the first man in baseball history to pitch two consecutive no-hits, no run games.

After turning the Boston Bees back hitless on June 11 and repeating the performance against Brooklyn on the 15th, this young southpaw had his delivery solved yesterday, but it was still deceiving enough for the Reds to score a 14-1 victory over the Bees. Johnny started off as if he were going to have no-hit no-run day in a row, but with one man out in the fourth he came slapping a single to center. That hit ended Vander Meer's consecutive no-run innings at 21 2-3, just short of Cy Young's record of 22 in 1904.

Real Pennant Threat
 There seemed to be little doubt in baseball circles that the Reds would be a real pennant contender right down to the finish line if Vander Meer continues his sensational pitching. And Cincinnati is in the lead in the first time in modern baseball history for a club that has finished last the previous season.

In recording his seventh straight victory and his eighth in 10 starts this year, Vander Meer allowed but four singles. Boston's only run came in the seventh when Johnny walked pinch-hitter Earl Maggert with the bases loaded. It ended his string of seven innings as he had done in Walter Johnson's record 16 in 1913.

The second game of the scheduled Red-Bees double-header was rained out in the last hour of the fifth. Cincinnati was leading 1-0 at the time.

Climb Above Reds
 The single victory adds to the Reds nine percentage points above Chicago and three games below the pace-setting New York Giants, who dropped a double-header at St. Louis in the Cardinals. Lou Stipp's single with the bases loaded in the 12th gave the Cards the 6-2, and Roy Henshaw distinguished seventh-inning to win the nine-inning 4-2.

The Cubs divided a double-header with the Brooklyn Dodgers. With Babe Ruth on the coaching line for inspiration, the Dodgers gratified a crowd of 28,018 by winning the first 6-2 behind Pressnell's nine-hit pitching. Clay Bryant limited Brooklyn to five safeties to win the second for Chicago 4-3 after finally halting the Dodgers' three-run rally in the ninth.

Pirates to Fourth
 Pittsburgh climbed into fourth place above Boston by walloping the Phillies in both ends of a twin bill, 14-0 and 10-2. The Bucs rapped out 24 safeties, including three home runs by Risso.

In the American league, the Cleveland Indians increased their lead to two games when they noosed the Philadelphia Athletics 8-4. Both teams scored all their runs in the third inning. The A's four-run burst was topped by Moses' homer, and the Indians came back with five, including Campbell's four-bagger.

The second place New York Yankees were beaten 10-9 by the St. Louis Browns, and their second game ended in a 7-7 tie which had to be called at the end of the eighth because of darkness. It will be the only game played in the league today.

The Washington Senators climbed back into fourth place by beating Detroit 10-6, and Boston's Red Sox came back to win the second game of a doubleheader 6-1 from the Chicago White Sox after Chicago had ended a nine-game losing streak by winning the opener 3-2.

Kimberly retained its grip on first place in the SCI league yesterday by scoring an easy 12-3 victory over the invading Wendell aggregation.

In other games around the circuit, Gooding turned back Hagerman 15-5, Shoshone stopped Tuttle 10-8 and Eden rallied to trim Jerome 6-4.

Kimberly and Wendell staged an even duel for five and one-half innings, until the independents unceremoniously broke the score four runs in their half of the fifth and added five more in the last of the eighth. Moon Shepherd pitched a no-hitter for the winners.

Best game of the day was played at Eden, where the biggest crowd of the season turned out to witness the Jerome-Wendell tilt. The contest, for the University of Idaho hunting star, was touched for 11 hits by the winners, but turned in a nice game on the mound anyway, and Wendell's pitchers combined to hold the invaders to four hits, but nine Eden errors resulted in making the game a 1-0 tie.

A tussle engaged in another slugfest, but couldn't quite keep up with the pace with the new-found power of Shoshone, and went down to defeat as the Redskins doubled the score.

Gooding staged big innings in the seventh and eighth frames to end the day with a 13-5 score.

Big hitters of the day were Craig and Lettiner, who hit long home runs, and Patterson and Moore of Gooding, who each collected three safeties in five trips to the plate, including Patterson's triple with the bases loaded in the seventh inning.

Chiefs Win 3 Road Games
 Walt Riggert, stellar moundsman for the Twin Falls Utah Chiefs softball team, established some kind of a record over the week-end when he pitched four games, striking out 52 batters, during a barnstorming tour on which the team played 17 games, winning 13, 1937 state softball champions, and Blackfoot, St. Anthony and Idaho Falls all-star teams.

Twin Falls Golfers Win Quadrangle Meet

Twin Falls shotmakers easily won the quadrangle golf meet here Sunday afternoon against Pocatello, Idaho Falls and Buhl. The local golfers scored 19 points to outdistance the field. Buhl team took second with 20 1/2, Idaho Falls third with 21 1/2 and Pocatello fourth with 23.

The largest crowd of the season gathered the course and kept from three to four foursomes waiting on nearly every hole in the nine-hole layout. One hundred and twenty-five players toured the course and an estimated 3,000 holes of golf were shot.

Best scores of the day in the tournament were turned in by Jimmie Winterholler who shot a 38-36-75; Jimmie Sinclair with a 35-40-75; Grant Fadget 38-37-75; and Fred Stone, 38-40-78.

Burley Loses To Blackfoot In Yellowstone

BLAKEFOOT, June 20 (Special)—The Blackfoot Black Sox today held the first-half championship of the Yellowstone league following their 7-5 victory over the Burley Elks before a record-breaking crowd here.

Burley got off to an early lead by pointing over two runs in the initial inning. But the score was tied by the home team when two walks and an error scored a pair of Blackfoot runs. In the second frame, Blackfoot went into the lead when the local sluggers scored five times on five hits. In the third inning, Burley scored three times on a pair of doubles, and from then on the counting was nil.

Halbert of Blackfoot was the leading hitter of the day with a double and single in four trips to the plate. Massey, Blackfoot hurler, was credited with his fifth straight win of the year. Detmers, Burley pitcher, was knocked from the box in the big second inning.

Score by innings:
 Burley..... 203 000 000-3 7
 Blackfoot..... 250 000 000-7 8

Mac Sees Babe Ruth as Menace to Burleigh Grimes' Brooklyn Job

By HENRY McLEMORE
 NEW YORK, June 20 (U.P.)—For a man who doesn't like to rise in any form, the Brooklyn Dodgers baseball club certainly served an appetizing dish in its announcement that Babe Ruth had been signed as coach, and that there were no plans to make him manager.

Wonder how many baseball fans who have reached the age of reason believe that no mention was made of Ruth succeeding Burleigh Grimes when the official signed him to a contract that calls for \$15,000 for the remainder of the season? My guess is that there aren't enough fans to hold a fireman's net without it sagging. If I'm right, and I believe I am, then why doesn't Larry McPhail come out and tell us the truth?

In discussing the deal, club officials went so far as to say that it was Grimes himself who suggested that Ruth be taken on as one of his assistants; that no one had thought of Ruth as a coaching possibility until Grimes suddenly hit upon the idea and readily worked out the bargain. You might as well try to tell me, and tens of thousands of others, that the last man to be gullible was in France based on the privilege of dropping the name Babe Ruth who was down on his back.

A mile when it's STOP-and-GO

More turns of your engine for each turn of your wheels —and costs go up!

A MILE OF STOP-AND-GO DRIVING may be two miles or more to your engine. In "low" gear, your engine makes about 12 turns for each turn of your wheels. In "second," about 8 . . . in "high," only about 4.

You drive a mile, but how far your engine runs depends on how many times you stop and start—how much of the mile is in low and second gears.

Shell engineers found that getting away from a traffic stop can waste enough "undigested" gasoline to carry you 1/2 of a mile.

To cut this waste and its high cost, they found a way to rearrange the chemical structure of gasoline, which makes every drop of fuel usable to your motor under all driving conditions.

You can save on the cost of your stop-and-go driving by the regular use of Super-Shell. There's a Shell dealer near you.

GREATEST HEAVY FIGHT FORECAST

(Continued from page 6)
concentrated on sharpening up his left hand, never a good weapon. That is because Louis will carry his guard high to protect his face. Then Schmeling hopes his left hand will come in handy for bringing Louis' guard down to protect his stomach and thus open up his face to a right-hand attack.

Kept Busy Fighting
In January, 1937, he knocked out Stanley Ketchik and was held to a 10-round decision by Bob Foster. Schmeling, meanwhile, had gone back to Germany, confident he would return to the United States to fight the heavyweight title in June. But Louis, after he knocked out Nate Brown, had the chance to make a real bid for the title.

GREAT BRITAIN INTENSIFIES STRUGGLE TO BRING PEACE

LONDON LEADERS SEEK MEANS TO END SPAIN WAR

By JOE ALEX MORRIS
(United Press Staff Correspondent)

Great Britain today intensified her struggle to break through a maze of diplomatic and military conflict barring the way to consolidation of Europe's peace.

Although the Spanish civil war and other factors provide the immediate problem, the major aim of the campaign directed by Prime Minister Neville Chamberlain is to avert the danger created by expansion of Nazi Germany against the weakened post-war political and economic structure.

Chamberlain makes or fails to make may be traced directly or indirectly to that goal; in preparation for negotiations with Hitler in an effort to fix a price for Nazi cooperation in a revised peace.

Route to Goal Slow

Chamberlain's route to the goal has been slow, roundabout and difficult. The war in Spain provides the immediate obstacle, not because of the immediate danger to the rebels is a threat to Britain's power (Chamberlain has chosen to ignore that danger) but because it is preventing inauguration of the new Anglo-Italian friendship treaty.

Thus in London today authoritative sources put up the latest of several trial balloons in search for a means of putting the pact into operation despite the fact that it calls for withdrawal of Italian volunteers from Spain and that Italy does not intend to withdraw its troops until the insurgents win the war. Faced with prolonged delay in the general European agreement program because the friendship pact is inoperative, Chamberlain and Fascist Premier Benito Mussolini previously had considered ignoring the question of withdrawal of troops. But that proposal met hostile British public opinion.

Latest Plans

The latest plan was for Mussolini to use his influence with rebel Generalissimo Francisco Franco to secure an early armistice in the Spanish conflict. Such action, if successful, would put the treaty into effect, clear the way by resumption of negotiations for a similar pact with France and point to the admittedly difficult task of appeasing the Nazis and bringing them into the general program.

Main trouble with the new trial balloon is that neither faction in Spain is likely to be interested in less pain under tremendous pressure or faced with a sudden change in the present warfare. The problem, however, has become so pressing that it generally was believed intense British and Italian diplomatic activity indicated some move soon would be made to reach a solution.

Negro Porter Called Hero of Great Montana Train Wreck

MILES CITY, Mont., June 20 (UP)—Lewis Williams, Negro porter, emerged from the wreck of the Chicago, Milwaukee & St. Paul passenger train a hero. Passengers lauded his efforts which saved the lives of others at the risk of his own.

Miss Evelyn Bratrud of Minneapolis, Minn.; M. V. Coquist, New York City, and J. R. Knight, Chicago, praised Williams.

Miss Bratrud, who was sleeping when the trestle collapsed, said the porter's first thought was for his passengers. "He came running through the car," she said. "He was asking if everyone was all right. It was then we learned what had happened."

Coquist, who took candid camera pictures of the wreck, praised the entire crew. "The train crew was dandy—our porter got us out and I had my clothes on and just grabbed my bag and camera."

Knight, whose vacation was interrupted by the wreck, saw Williams bravely aid a passenger to escape from a car second before dropping through the trestle into the creek.

"I saw what I believe was the only person to escape from car B (still submerged in the creek with probably 27 trapped in it). He broke a window and our porter helped him to the bridge abutment on our side."

C. S. Franke, 44, St. Louis, president of the American Furriers company, was sleeping in a lower berth. He said "the most remarkable thing about the catastrophe was the reaction of those involved."

"The passengers displayed coolness and showed no signs of hysteria."

"The trainmen were splendid. They circulated about the groups of passengers and took fine care of everyone."

BUHL

The Philanthropic class met Thursday with Mrs. Elmer Phillips. The assisting hostesses were Mrs. Lulu Phillips and Mrs. Josephine Owen. Eighteen members were present and one guest, Mrs. Henry Hatfield. The hostesses talked on the customs and habits of the people of Holland, Norway and Mexico. They served food which is popular in each country, at small tables with the country's respective decorations.

The Catholic Ladies' league met Thursday with Mrs. Charles Hardisty, with Mrs. Earl McCraw and Mrs. Bickelhaupt assisting. It was the last meeting until September.

Honoring Mrs. Orval S. Luke of Berkeley, Calif., a former resident of Buhl, Mrs. Albert Lewis entertained with a luncheon Thursday. Early in the afternoon Mrs. Luke left for her home, and Mrs. Beecher Grentzenauer, another guest, left to make her home in Nysa, Ore.

Miss Elaine Kinyon and Miss Frances Grew left Buhl this week for Salt Lake City, where they plan to attend the University of Utah, summer session.

Mr. and Mrs. W. A. Barstow of Winslow, Ariz., are here to visit their son, Jack Barstow, and family.

The Misses Margaret and Edna Ningler have returned home from the Washington university to spend their vacation with their parents, Mr. and Mrs. Joe Ningler.

Mr. and Mrs. E. H. Kroll have returned to their home at Kellogg, after a visit with Mrs. Kroll's parents, Mr. and Mrs. P. F. Alquist.

The Buhl Boy Scout troop No. 5 held a Father and Son night Friday at the Sheldon ranch. The boys and their fathers met at the L.D.S. church at 7:30 p. m. and went with Scoutmaster M. B. Skeem to the Sheldon ranch.

Mrs. Lloyd Hayes was hostess Friday to members of the Hi-way Kensington. Contests were conducted by Mrs. Arthur Koch, with Mrs. Rachel Kreigh and Mrs. Fritz Kaster winning prizes.

Insurance Group Holds Discussion

Delegates to the Idaho State Underwriters association meeting in Twin Falls Saturday discussed proposed legislation for the protection of legal reserve insurance. About 20 attended from Idaho Falls, Focattello, Boise and Twin Falls.

Jama J. Roan of Boise was elected president, and Kent Tallock of Twin Falls was re-elected vice president of the state group. Roan succeeds Scott Tugart of Idaho Falls. I. W. Stoddard of Boise was named secretary.

At a meeting of the Southern Idaho Life association, which preceded the luncheon for the state organization, Horace Holt of Burley was named president; William Baker of Twin Falls, vice president; W. C. McGavin, Twin Falls, secretary; and Lloyd Gilmore of Twin Falls, national committeeman.

Twin Falls

An Appeal without apology

This week a dozen earnest believers in the Twin Falls Chamber of Commerce will take the field to renew memberships and to enlist new recruits in this organization, which has for its sole purpose the promotion of the city's business and commercial welfare. They are not going out on a charitable campaign, nor for the solicitation of funds for the promotion of the interest of any one group, no matter how worthy; their purpose is one dedicated to the advancement of the city's prosperity—the prosperity of every man and woman earning his or her livelihood in this city.

They have no apologies to make—their approach to the person who is not a member of the Chamber of Commerce and who should be, is in the nature of presenting an offer to assist in a worthy undertaking—an endeavor which yields a return to every individual earning his livelihood in Twin Falls.

As evidenced by recent developments, the Twin Falls Chamber of Commerce is concentrating every effort toward obtaining immediate and direct results; not only with the aim of protecting our present position but with the view of furthering our business welfare. Such actions have made the Twin Falls Chamber of Commerce an effective institution.

Every added bit of man power, every additional dollar of support will add to increased effectiveness. Financial support of the Chamber of Commerce is not a donation. It is an investment in business insurance that pays dividends.

I not only take this opportunity to thank those loyal workers and believers in the Chamber of Commerce, who this week will give of their time to strengthen the organization, but urge that those whose interest may have been passive, study the activities of the Chamber, acquaint themselves with its functions, and learn of its accomplishments.

IT'S A PRIVILEGE TO LIVE IN IDAHO

OUR LAND IS RICH AND FERTILE—

and... Our ELECTRICITY is 33% CHEAPER than the National Average

★ It's truly "a privilege to live in Idaho" where our land produces great crops, year after year, and its fertility is the envy of the farmers of the nation.

We enjoy another privilege, also. Our electric service is cheap. For example, the average electric rate paid by all farm domestic and residential customers served by the Idaho Power Company is ONE-THIRD LESS than the average rate paid by the farms and homes of the United States as a whole. And our customers take full advantage of the bargain, by using nearly twice as much electricity by the national average. It's a privilege to live in Idaho—where ELECTRICITY IS CHEAP.

IDAHO POWER
Electricity. Does So MUCH—Costs So LITTLE!
