JAPANESE TROOPS BLOWN TO BITS IN RIVER \$132,648 GRANT WOULD HELP COUNTY ROAD WIDENING

WPA ASSISTANCE OFFERED TO AID TRAIL REBUILDING

Whitening of the Old Oregon Trail the length of Twin Falls county was seen as a possibility this afternoon after Senator James P. Pope announced President Roosevelt's approval of a WPA project for such improvement in the amount of \$132,648.

Four agencies in addition to WPA would participate in the work. They include the Twin Falls, Buhl and Piler highway districts and the Idaho department of public works.

The amount provided by the federal government (\$132,648) would go for labor and some materials. Aside from widening the road the county would also provide for drainage, grading and oiling the 27-mile long stretch from Hansen to Buhl.

Senator Pope expressed the opinion that the Twin Falls section, within the next few years, will see great growth financially and in population.

It seems appropriate, therefore, that we should look to the future and direct our attention to developing our highways to keep pace with progress, Pope said.

Heavily Traveled The Old Oregon Trail across Twin Falls county, one of the heaviest traveled roads in Idaho, follows closely the route taken by early pioneers and is said by engineers to be a "natural" highway location.

Improvement of the road would, in all probability, increase its popularity.

At the time these plans are under way for a joint meeting of various groups to consider the proposed improvement. Attending the meeting would be members of the Twin Falls, Buhl, Piler, Kimberly and Hansen Chambers of Commerce and a number of the three highway district boards.

Sumner that Duncan McD. Johnson, being held to answer to obstruct justice in connection with a charge of first degree murder, would seek petition for appointment of an attorney by the court was current in Twin Falls this afternoon.

Johnson's original attorney, James Bushnell, dropped the case after he appeared for Johnson at the preliminary hearing and also at the arraignment. He said that personal business in connection with the Twin Falls coal company made the move necessary.

The rumors were to the effect that Johnson would ask the court to appoint an attorney to defend him. The opinion was expressed that appointment of an attorney could be made until just previous to the trial.

In the county jail and also being held on the murder charge is William LaVonde, former employee of Johnson. LaVonde is represented by William Dunn. Both Johnson and LaVonde were held to answer to obstruct justice in connection with a charge of first degree murder, would seek petition for appointment of an attorney by the court was current in Twin Falls this afternoon.

FLOOD CONTROL APPROVED BY SENATE President Roosevelt today approved with substantial the river and harbor flood control bill which provides for the construction of projects but provides no appropriation for carrying them out.

Seeking Lost Son

White expert mountain climbers scaled the wild Sandias mountains of New Mexico, looking for missing Medill McCormick, Chicago publishing son, his mother, Mrs. Ruth Hanna McCormick Simms, as pictured above, stood helplessly by scanning the sheer cliffs with field-glasses, for some trace of her boy. Gov. Clyde Tingley, of New Mexico, organized the search, it being sitting with one sock and shoe removed to ease a search-weary foot.

Man Seen Wandering In Thicket; Revives Hope for McCormick

ALBUQUERQUE, N. M., June 29 (AP)—Hope that Medill McCormick, Albuquerque youth who vanished a week ago after attempting to scale steep Sandia peak, still might be alive was quickened today by reports that a man had been seen wandering in a rugged canyon which slices the northern slope of the Manzanos Range.

Two policemen, one from Albuquerque and another from Bernadillo, and Deputy Sheriff Eddie Martinez of Sandoval hurried to the canyon near the village of Huerfano to make a thorough search for the man.

At the same time, two cowboys from the Los Poblanos ranch of McCormick mother and step-father, Mr. and Mrs. Albert Simms, took five horses in a truck at the Sandoval fairgrounds in the same area, to assist in the search.

See Wanderer Sheriff Fernando Sandoval of Sandoval county said Outrigger William Murphy of Albuquerque said that a man was seen wandering in the thickets in the canyon north of the town of Huerfano. He called to them but they could not hear what he said. They were unable to reach him because they were separated by the canyon.

All-State Swimming Meet Scheduled Here

With the annual all-state swimming meet scheduled for Twin Falls during August, plans were made today to sponsor the meet and will extend invitations to swimmers over the state to participate. Exact dates will be announced later.

Local residents Sunday evening will get their first chance to see the local team in action as an exhibition is staged at the Hottel pool starting at 7 p. m. It was announced this afternoon by H. W. Tolson, team coach.

SHERIFF'S TRAP FAILS TO CATCH COAST PLOTTER

CHICO, Calif., June 29 (AP)—A sheriff's posse returned here early today after failing to trap an extortionist who demanded \$15,000 on threat of blowing up the home of Roy Miller, prominent grocer.

The posse had laid a trap for the extortionist at the spot on the lonely Humboldt road two miles east of here where he had directed the money be dropped by a speeding motorist without a white flag planted near the road.

Blockade Road Sheriff Herbert Taylor of Butte county had stationed himself alone beside the white flag and his signal—a gunshot—his deputies were to blockade the road above and below the spot.

Miller, his wife and their four-year-old daughter, all of whom were threatened in the extortion note, were under police guard today and the house was being searched for explosives.

The note, which Miller found slipped under the front door of his grocery store, ordered him to obtain \$15,000 in \$5 and \$10 bills and drive or send a messenger on the Humboldt road until he saw a flag by the road. Miller reported at once to police.

Racer Employed Keith McQuade, racing motorcyclist, was employed to carry the dummy package out the road. He left Chico at midnight in obedience to the instructions in the note and headed up into the isolated canyon.

He passed the white flag and dropped the package without stopping. The sheriff and his men waited nearly two hours before giving up and returning to Chico.

The extortion note, written in a crude, disguised hand but phrased in excellent English, first outlined the method of paying the money and closed with these words: "If you fail, your home will be blown up within the next six months. If you fail, your wife and daughter are in it. It will be blown up any time within the next 30 days, but just because it is not blown up then, it does not mean for you to believe it will not be blown up within the next six months."

REPORT STATES PARSONS TO QUIT

BOISE, Idaho, June 29 (AP)—A reliable source said today that Harry Parsons, state auditor, would resign from public life at the conclusion of his present term in office.

Parsons himself could not be reached for comment. He was on a vacation trip.

The state auditor recently took out 43 nonpartisan petitions, the number requisite for qualifying candidates for any of the elective state offices.

It was said at one time that he intended to run for governor.

As you can see, Mr. McNew objected to the picture taking.

Only \$1,000 Bridge Bonds in Southern Idaho, Report Shows

J. A. Cederquist, president of the Twin Falls Chamber of Commerce, today issued a statement denying rumors which he said are being circulated in Jerome county to the effect that a group of Twin Falls business men have purchased a block of bonds against the Twin Falls-Jerome inter-county bridge for the purpose of "ensnaring" it should the state go through with its proposal to buy the bridge and make it toll free.

"This same rumor was circulated during the last session of the legislature when the bridge issue was up for consideration," Cederquist said, "but a legislative investigation revealed the rumor as being entirely false."

Now the same sort of rumor is again being circulated for the obvious purpose of encouraging opposition to the bridge transaction, and we have again gone to the trouble of discussing such matters in connection with the bridge issue.

Nonholders Listed Yesterday the chamber of commerce wired Bruce C. Hoots, president of the bridge company, at Boise, asking for a record of the nonholders in south central Idaho. The following reply was received this morning:

The bridge company has \$47,500 in bonds outstanding, of which only \$27,500 are held by Idaho residents as follows: Chas. J. Davis, \$10,000; Carlisle, \$10,000; in Marley, \$4,200; Meeker, \$2,500; Grosvenor, \$2,000; Jerome, \$1,000; Haulton, \$500; Gibbs, \$500; and Headquarters, \$500.

Company also has outstanding \$141,000 in debentures, of which only \$3,000 are held by Idaho residents as follows: Four of Adams, \$1,000; Murray, \$1,000; and Wallace, \$1,000. "BRUCE C. HOOTS"

In a statement he had laid yesterday, Cederquist also took issue with the assumption made in Boise Monday by State Highway Director J. H. Stearns.

Difficult to Understand "The crew of what has taken place during the negotiations for the bridge," he said, "it will be difficult for the people to fully understand the record of Adams, Mr. Hoots, as expressed in his recent statement to the public at large, will include Carpenter, Goodrich, Bontner, Powers, Peat, Beck, Gable, Don Anderson, Gene White, Gordon Gardner, Alex Gubaev, Jim Jans, David, Leo Olson, John Hayden, Janet Shuman, F. V. Behner and Tina Gosholt."

The local team posted at the pool each morning from 11 a. m. to 12 noon.

Landing Parties Are Wiped Out by Chinese Bombers

By ROBERT BELLAIRE SHANGHAI, June 29 (AP)—Japanese landing parties were blown out of the river and Japanese warships damaged today in a battle for possession of the battered mudwall forts at Matang, first line of China's naval defense below Hankow on the Yangtze river.

Shells from big Chinese guns scored direct hits on landing Japanese units of 50 men each were blown into the air. Other launches blew up when they struck mines.

The Chinese said that furious fighting was in progress along a 35-mile stretch of the north bank of the Yangtze as far as Matang. They said Chinese "suicide units" were holding out in the forts despite the crumbling walls.

Warships Shell Area More than 50 Japanese warships shelled the area back of the river in an effort to cover additional landings of reinforcements for Japanese troops battling the Chinese at Matang.

The Chinese replied with heavy artillery barges which scored hits and damaged the Japanese fleet, they claimed.

Matang Island was covered with a heavy fog. Numerous Chinese and Japanese guns were disabled and abandoned.

Booms in Way Authorities said the booms between Matang and Hankow, through which the Japanese must smash their way, included ships owned by the William Hunt company, an American concern.

Japanese land and naval guns shelled the area back of the river to level its mud walls and compel the Chinese to fall back to second lines of the capital's defenses near Hukow.

Capone Refuses "They got the idea in 1934 shortly after Charles F. Capone, secretary of interior, connected by two Alcatraz prison lifers, was dropped because Al Capone refused to come in on it, Roy Gardner, the one-time train robber who recently was released, said today.

Gardner said Albert Bates, who kidnaped Charles F. Urechel, the Oklahoma oil millionaire, and Tom Underwood, a South Dakota desperado, planned the kidnaping. It was their idea that he be held until President Roosevelt ordered their release from Alcatraz.

Gardner said Capone thought the plan was crazy and refused to have anything to do with it.

Try Second Time "They tried him a second time, however, and Al got them off," Gardner said. "He told them President Roosevelt wouldn't free anyone if his whole family was matched. Capone is a nut but he was smart there. It would have gone hand in hand with the hell gotten worse if it had been dealt. As it was they did out because Bates and Underwood didn't have a chance of raising the money when Capone wouldn't connect with the deal."

Gardner said Capone's impetuosity at Alcatraz started with his refusal to help in the plan. Gardner, who arrested Gardner five weeks ago, will work as a motion picture salesman here. He was employed by Louis Bonney, a former partner who arrested Gardner in 1922 after he had escaped from prison and robbed a train.

EX-FELON TELLS KIDNAP PLOT ON SECRETARY ICKES

By ROBERT BELLAIRE SAN FRANCISCO, June 29 (AP)—A plot to kidnap Harold Ickes, secretary of interior, conceived by two Alcatraz prison lifers, was dropped because Al Capone refused to come in on it, Roy Gardner, the one-time train robber who recently was released, said today.

Gardner said Albert Bates, who kidnaped Charles F. Urechel, the Oklahoma oil millionaire, and Tom Underwood, a South Dakota desperado, planned the kidnaping. It was their idea that he be held until President Roosevelt ordered their release from Alcatraz.

BUDGE REACHES ENGLISH FINALS

WIMBLEDON, Eng., June 29 (AP)—Donald Budge of Oakland, Calif., gained the final round of the all-England singles tennis championship today and will meet Henry W. Austin, Austin of England, in the title fight.

Budge, gangling, red-headed who is defending champion, moved into the finals with a straight set triumph over Franjo Punzic of Yugoslavia. Budge won 6-2, 6-1, 6-4 to reach the championship bracket.

Austin, England's top-ranking player who will retire after this tournament, gained the finals for the first time by defeating Heiner Henkel, German Davis cup star, 6-2, 6-4, 6-0.

Budge's clean sweep today moved him into the final round of a set since he swung into action last week.

Last year Budge lost one set to Frankie Parker of Stirling, Lake, N. J., in the semi-finals. He is an overwhelming favorite to defeat Austin this year, perhaps in straight sets.

The current 1938 final will be the first since the outbreak of the depression to go through Wimbledon in such fashion.

Farley Coming Through Idaho

BOISE, Idaho, June 29 (AP)—Senator James A. Farley, postmaster general, would be in Boise about July 14.

Smallest Deficit is Seen for Fiscal Year

By LYLE C. WILSON WASHINGTON, June 29 (AP)—Treasury statisticians prepared today to close the books for the 1938 fiscal year which began with a few weeks of recovery and slumped into almost 11 months of accelerating depression.

The treasury will report the smallest net deficit of the New Deal and the greatest federal revenue since President Roosevelt took office in 1933.

But back of those figures are facts which reveal the real picture. The department estimates to believe that the 1938 fiscal year will turn up with the net deficit of \$1,000,000,000.

Mr. Roosevelt, however, feels that treasury prospects are much more hopeful than those who believe a whopping deficit next year will head the national debt well over \$4,000,000,000.

"You may get all kinds of impressions," Mr. Roosevelt said on April 14 in a broadcast that outlining his leading-spiriting plan, "in regard to the total cost of this new program, or in regard to the amount that will be added to the national debt."

Civil War Veterans Gather at Gettysburg

Aged Soldiers Come Back to Battle Scene

By JOE ALEX MORRIS
GETTYSBURG, June 29 (UP)—The little town of Gettysburg today is an invincible invading army of veterans from the north and south.
Four after hour the main force of the Grand Army of the Republic and of gray-coated Confederate troops filtered back to this famous city where in 1863 the greatest battle of the Civil War raged through yellow wheat fields and among the peach trees a rifle shot away.
They came back in friendship and peace, with the rattle of old drums die in their ears but with acute knowledge that this will be the final reunion of the blue and the gray.

SOUTHERN IDAHO SPAN BONDS FEW

(From Page One)
the state could take over the bridge.
Mr. Stemmer made it clear that he had no objection to the price being asked, his only objection being a down payment of \$100,000 in one sum. On several occasions following that date, he again expressed himself as being opposed only to the initial payment. He indicated further that if the \$100,000 payment could be extended over a period of time, he would have no objection to the proposed transaction which included an option to buy for an additional \$457,000.
Feared Price Too High
" If Stemmer believed the price was too high, why didn't he say so in the first place? Why did he permit the negotiations to continue if he knew at the time he would raise a price issue at the last minute?
Not until the state board of examiners went into session was it revealed that Mr. Stemmer considered the price too high. According to two members of that board, it was Stemmer and State Bridge Engineer J. J. Byer who told them the bridge is now worth only \$408,000.
The figure naturally led many people to believe that the state would have paid way more than the bridge is worth, had it gone through with the sale.
"Such apparent misrepresentation, together with false rumors that are being circulated naturally confuses the people, and we hope they will consider these discrepancies now that they have been explained."

JAYCEES SEEKING NEW W. P. A. AID

Members of the Twin Falls Junior Chamber of Commerce approved last night a proposal to secure a WPA project to aid in the development of the new addition to Harmon park, which is being constructed by the city.
John H. Griffiths, WPA project engineer for the south central Idaho district, said it would take about 90 days to get the project approved. He said it would have to be procured through the Twin Falls city council.
Sufficient materials, in addition to bricks, will be salvaged from the old brick school, which is being wrecked, to construct a good gymnasium on the Harmon park addition, reported Griffiths. Materials would be used as "matching funds" for a federal grant to aid in the construction of the gymnasium, he said.
The old brick school was completely razed by Aug. 6, deadline for the project, reported Mark Henninger, foreman.
The meeting voted that each member of the Jaycee organization sell 10 tickets on the Bleket brick pool. E. W. McRoberts, chairman of the Jaycees, said that Twin Falls ticket holders may share \$100 in prizes to be awarded persons guessing closest to the number of salvaged bricks in the old building.
Alton Young, delegate to the national Jaycee convention at Oakland, Calif., reported on the event.

BRITISH MAKE DESPERATE EFFORT TO END SHIP BOMBINGS

MUSSOLINI'S AID WILL BE SOUGHT TO HALT RAIDING

(By United Press)

The British government, headed by its opposition and even by certain members within its own ranks, made a desperate effort to stop the bombing of British ships in the Spanish civil war today by appealing to Premier Benito Mussolini.

Mussolini was asked to put pressure on the Spanish nationalist, his allies, to stop the bombings.

If Mussolini accedes, the threatened British-Italian concord might be saved. However, it was predicted in Rome that if Mussolini agreed, he would exact terms. Mussolini, it was said, would demand either that the nationalists be recognized as belligerents, with such rights under international law, or that Britain would promise to restrain its ships from any but non-military traffic with loyalist Spain.

To Ask "Safety Ports"

Mussolini also was expected to support the nationalist suggestion that "safety ports" be designated to which British ships might go in safety, under supervision of neutral observers.

In addition to its Spanish troubles, the British government was harassed by two other major troubles. A storm brewed in common over parliamentary privileges of members. Duncanson, Conservative, complained that he had been threatened with prosecution under the official secrets act because he refused to reveal his source of information about deficiencies in the air force.

Falaise Unrest

Sandy revealed the threat in a question from the floor. Prime Minister Neville Chamberlain announced a parliamentary committee would be named to investigate Sandy's complaint.

The government also was con-

JUNE

SAN FRANCISCO, June 29 (UP)—Personal Director L. M. Reed of Transcontinental and Western Air, Inc., today reflected gloomily that the end of June would find more than half of his air hostesses married.

There were 32 marriages before June came along and took 10 more out of the 70 hostesses with the airline. What makes it worse is the difficulty of finding good air hostesses, who must be registered nurses, 21 to 29 years of age, five-two to five-three in height, weigh 100 to 118 pounds, and have "personality and charm."

cerned over Jewish unrest in Palestine, where martial law was declared because of demonstrations against the hanging of Solomon Ben Joseph, young Jew.

Joseph was executed for firing on an Arab bus. The British ordered the hanging despite the fact that today was a religious feast day. The Jews attached religious significance to the event, linking the name "Ben Joseph" to the tradition of a new Messiah.

Jewish sources claimed it was the first execution of a Jew in Palestine since the fall of the temple, A. D. 70.

KIWANIANS MAP WELFARE PLANS

SAN FRANCISCO, June 29 (Special)—Idaho Kiwanians attending the 22nd annual convention of the widely International being held here planned today 1938-39 welfare program for underprivileged children.

Physically handicapped children, suffering from infantile paralysis and other deficiencies, are to benefit from health work, which includes clinics, hospitalization, preventorium, camps and the supplying of clothing, food, medical and dental service. Orthopedic and hygiene clinics are also to be included in beneficial programs. Cooperation will be sought from all churches, homes and schools in the coming year's activity.

George S. Balliff, of Provo, Utah, is chairman of the underprivileged child committee in the Utah-Idaho district.

"In the United States and Canada there are 1,588 communities now receiving Kiwanis child welfare aid," G. P. Davish, of Twin Falls, Idaho, district governor, stated.

"The convention also advocated vocational guidance and direct help for young people interested in the business and professional pursuits of Kiwanians. Find yourself campaigns, aptitude tests and the operation of employment bureaus will be enlisted to help find suitable jobs for young people. George S. Balliff is also chairman of the vocational guidance committee and will direct the work in the Utah-Idaho district.

Nearer and Nearer a Showdown

Among those who have opposed the transaction by which the state would have leased the Twin Falls-Jerome Intercounty bridge for one year at \$100,000...

The price issue has been emphasized largely because of a valuation arrived at some how or other during the meeting of the state board of examiners...

That valuation—\$408,407.96—was explained by the board as having come from Director of Highway J. H. Stemmer and State Bridge Engineer J. J. Byer.

No doubt many favor a free bridge who would nevertheless disapprove of the state paying the difference between \$408,407.96 and \$647,000 to remove the tolls.

Mr. Stemmer has just issued a statement that will set both sides in the controversy to thinking.

Instead of there being a \$250,000 differential as the public was led to believe through apparent misrepresentation and continued reticence on the part of those from whom the \$408,000 figure emanated, Mr. Stemmer, in his belated announcement, now contends that the price is at least \$150,000 more than the bridge is worth.

And Mr. Byer refuses to be quoted on the question as to whether he ever placed the present total value of the bridge at \$408,000.

In view of all the discrepancies that have come to light and the politics that has been in evidence, the public will no doubt welcome the two appraisals that will be made to clarify the whole issue.

By comparing the itemized appraisals, the people will be able to formulate their own ideas as to the actual value of the bridge.

Three reasons: 1—State Highway Director Stemmer has admitted that the toll should be removed from the bridge.

2—Several Chambers of Commerce have gone on record as favoring removal of the toll as soon as the bridge can be purchased at a fair price.

3—The bridge company has offered to sell the bridge at any figure reached by a competent and impartial appraisal.

Once a fair figure is determined, removal of the toll is sure to become a reality with all this support.

Get Acquainted

It has been said often about democracy that its greatest peril is the apathy of its citizens. Responsible for not a little of that apathy is sheer ignorance.

There is probably more talk of the perils to the democratic structure today than there has been in generations. The times are particularly in need of a public acquainted with its government.

For varying periods of time during the summer sessions not unlike "summer camps" are held, but with the express purpose of acquainting young men in their teens with the structure of American government.

More power to them.

BEHIND THE SCENES in Washington by RODNEY DUTCHER

Idaho Evening Times Washington Correspondent WASHINGTON, June 29—Optimistic statements by President Roosevelt and Secretary of Commerce Roper, suggesting an early upturn in business, are not fully shared by the more conservative economists in government.

These gentlemen, however, do believe that business will have started on a long upward pull by the end of the year. They concede that there may be something of a boom this summer or early fall which might boost the federal reserve board's industrial production index from its present level of 75 as high as 80 points.

Obstacles and big ones to immediate recovery include a large volume of consumer goods and many inventories—totals of both had run up to 1929 levels by the beginning of the present depression.

HODDIP HONEYMOON by EDWIN RUTT Copyright 1938, NEA Service Inc.

This was a mistake because, Joseph knew, the girls were fighting over which one was to have lunch with him.

JOSEPH HERENDEN SANDHAM was at the top of the ladder on the afterdeck of his trim white yacht and extended his hand languidly for the aperitif that, smilingly, his valet and body-servant, was about to give him.

There wasn't any yacht. There wasn't any Smithers. There wasn't any of the things that he had been told there was. There was, however, a shaft of sunlight that hit him directly in the face; a feeling as of the Ford standing close to him, was a feeling somewhat familiar and the spirit-like he'd wobbled in shadowy fashion just out of reach of Joseph.

JOSEPH made a hasty survey of his surroundings. In a vague way he perceived that he was in a bed in a large well-furnished room. The bed had a headboard and the foot of the bed. He did not recognize the bed, the room or the girl.

The red-headed girl spoke. "Well, Rip van Winkle," she said, "I'm afraid you'd find things a bit changed."

JOSEPH made a hasty survey of his surroundings. In a vague way he perceived that he was in a bed in a large well-furnished room. The bed had a headboard and the foot of the bed.

Local Girl Marries at Nuptial Mass in Utah

Mr. and Mrs. W. L. O'Malley, Twin Falls, announce the marriage of their daughter, Miss Marion O'Malley, to Joseph Henry Miller, Salt Lake City, Monday morning at 8:45 o'clock at the Cathedral of the Madeleine in Salt Lake City.

Rev. Francis R. Lamotte officiated, and the ceremony was witnessed by the immediate families only. The bride was fitted in marriage by her father. Attending the nuptials from Twin Falls were Mr. and Mrs. O'Malley, Miss Elizabeth O'Malley, Mrs. O'Malley and Robert Thub.

Mr. and Mrs. Robert Miller, brother of the bridegroom, also of Salt Lake City. Mrs. Ethel Hogan Hansen, president of the organ, played Wagner's wedding march from 'Lohengrin' as the bride approached the altar to be met by the bridegroom.

After a wedding trip to northern Idaho, Mr. and Mrs. Miller will return to their friends at 585 Eleventh avenue, Salt Lake City. Mrs. Miller was graduated from the University of the West, Salt Lake City, and the University of Utah. She is a member of Alpha Delta Phi sorority.

Woman Stages Matrimonial Stay-In in Eastern Mansion

IRVINGTON, N. Y., June 29 (AP)—Mrs. Heuser today turned down all proposals, including one of her own; that she abandon her matrimonial stay-in at the mansion of wealthy Belle K. Blanchard.

The only proposal that interested her, the red-haired divorcee said, would be one of marriage from the man whose ring she wears—Blanchard.

After a fruitless week in one of Blanchard's best bedrooms, Mrs. Heuser telephoned her attorney last night and said she was ready to go home. By the time he arrived she had changed her mind.

Today Samuel J. Burger, promoter of state attractions, attempted to interest her in a career behind the footlights, but Mrs. Heuser found the proposal more amusing than attractive.

While Burger stood outside in the rain and pleaded, Mrs. Heuser stood inside and laughed. Private detectives, stationed at the house by Blanchard's attorneys to keep callers out, saw Mrs. Heuser, former wife of a Swiss ski salesman, had refused all offers from the man whose ring she started her strike a week ago yesterday.

Mrs. Heuser told reporters on the ground below her mansion that Blanchard, divorced father of two children, had given her a wedding ring and had promised to marry her. She said she would stay in the house, from which he had fled, until he made good.

WALTER MEER AND ALLEN KILGER VICTORIES

Harper Prepares to Defend Title in Idaho Amateur Golf Tourney

WALTER MEER and ALLEN KILGER, 17, Pocatello, youngest of Idaho golf champions, shot a round at the 18-hole Plantation course today in preparation for defense of his amateur title won last year at Idaho Falls.

The course was thrown open to tournament contestants today so the might become familiar with the recently added nine holes. The course is the only 18-hole layout in the state.

Contestants unable to arrive until Friday may play a full round before going into the qualifications. Match play will begin Saturday and continue through Sunday.

C. R. Critchell, secretary of the Idaho State Amateur Golf association, said that golfers from eight southern Idaho cities had wanted to enter the meet.

The group includes six from Twin Falls, led by Fred Stone, Jim Wintertocher, Jim Sinclair and Mel Coe; seven from Buhl; 15 from Nampa, led by Don Lindsey, last year's runner-up; 13 from Idaho Falls; three from Rupert, four from Burley and three from Arden.

Entries include four former champions — Ray Critchell, Mountain Home (1923-1924-1925); Ben Peterson, Pocatello (1924); Gerald Miller, Boise (1926) and Harper.

Local Shotmakers Planning to Enter Championship Match

Three Americans in Quarter-Final Round

WIMBLEDON, England, June 29 (U.P.)—Led by Mrs. Helen Wills Moody who is in quest of her eighth title, three Californians advanced today to the semi-finals of the all-England tennis championship and a fourth United States contestant was defeated.

Althea Marble and former champion Helen Jacobs were the other Californians to reach the round of four. The leading American was Mrs. Sarah Pauline Fabry of Brookline, Mass.

Mrs. Moody scored a decisive 6-1 victory over Kay Stammers, left-handed English player. Even more impressive was the 6-2, 6-3 victory scored by Miss Jacobs over Jadwiga Jedzejowska of Poland.

In the fourth quarter final match Mrs. Fabry bowed out, 4-6, 6-4, 6-4. Mrs. Hilde Spring of Denmark. In the semi-finals Mrs. Moody will play Mrs. Spirling, who conquered her in the quarter-finals.

The tournament will be open to men and women, and will be placed on the contestants. All matches will be played on the courts of the Twin Falls Tennis club, an affiliate of the United States Lawn Tennis association, and sponsoring organization.

Angels Trim Solons in Last Inning

Los Angeles trimmed the league-leading Sacramento Solons Tuesday night to move into sole possession of second place in the Pacific Coast league.

In a loose game marred by eight errors, the Angels opened the scoring in the first inning. The fifth, Salvo and Sacramento, five hits while Freitas gave Los Angeles nine.

Portland ran away to an 8-0 lead over San Diego, but the Padres nearly raked the game out of the fire before Portland won 11-10.

The Beavers started up three runs in the first off Jim Chappin and three more in the third. Jeffries' homer in the fourth over the left field fence with man on base made the score 8-0.

In the sixth inning the Padres landed on Leroy Darrow with two men on base and the walk of a Beaver, sent Darrow to the showers. San Diego scored six runs in the inning to get back in the ball game with runs in the

But Portland came back with three more runs in their half of the sixth, and the Padres were out.

Harve, who had replaced Darrow for Portland, went off the mound in the seventh when San Diego got two more runs and a Laska over double of the lead. He got in trouble again in the ninth but retired the side with two more runs.

Legion Nines Set for 2nd Title of Series

Twin Falls and Buhl American Legion Junior baseball teams were set for another battle at Buhl Thursday, following a surprising finish in the "Elimination Series" last night, which the Twin Falls youngsters won, 9-8.

The two teams will start on their second game at 8 p. m. on the Buhl field. In a series that will put the winner of two games against the champion of the Burley-Tupper district in the area. The district that game will be entitled to enter the state tournament.

Last night's battle saw the lead score throughout the game, with the underdog Twin Falls team coming back to knot the count several times, and then put on a thrilling comeback in the eighth inning that brought their victory.

It was a tough game for Harmon, invading pitcher, to lose, because he pitched well and he allowed only three hits. But he weakened in the final frame to cause his own defeat. Buhl opened the scoring in the first frame when they scored a run on two hits. A litte Buhl club allowed four runs on two safeties in the second to give Twin Falls a 4-0 lead.

But the visitors came back to knot the count in the third inning when they scored three runs on four hits. Twin Falls led 4-3.

Harmon pitched well in the first two frames, but the pinch-hitter Vern Hopkins singled with the bases loaded to score two runs. It looked as though the invaders and the game would be over.

Starns Ruled But Fajen singled to start Twin Falls off in their half of the ninth. Starns fanned and the Nines struck out three batters to fill the bases. Toolson then singled to send in a run, and Bill Moon came to the plate and doubled over the right fielder's head to tie the score when two runs crossed home plate.

The game ended when Davidson struck out first on an infield ball, with the winning run crossing the plate on the play.

Southpaw Takes Ninth in Row To Tie for Lead

NEW YORK, June 29 (U.P.)—Two Johnnies from Ohio today were the toast of the baseball world when Vander Meer, Cincinnati's modest southpaw who skyrocketed to fame with two straight no-hitter, no-run games last month, and Johnny Allen, Cleveland's army high-lander who fights harder to win than perhaps any pitcher in baseball.

Vander Meer next the route yesterday to triumph over Pittsburgh, 5-2, for his ninth straight victory and a tie with Mace Brown, Pittsburgh's right-hander, for the Pirates' route, for the National League pitching lead. Vander Meer has won 10 games and lost two. Brown has the same percentage and Kilger has won 5, lost one.

Allen Believed He would not be pulled out of the game. He pitched six innings, and the Indians defeated Detroit, 5-4. The victory strengthened his lead among the American league pitchers.

Allen's triumph was his 25th in the last 27 games he's pitched. He won 15 straight last season before losing the season's final to Detroit. Then he dropped the first (come this year) to the St. Louis Browns before he started his present winning streak.

Cleveland's triumph enabled the Indians to increase their American league lead to 4 1/2 games over the idle New York Yankees. Hal Trosky's homer with two on and Ken Keltner's lead off single featured the Indians' four-run rally in the second.

After a shaky start Vander Meer pitched a gem. He pitched six innings, and the Pirates scored two runs in the second but Vander Meer permitted only two hits in the ninth. He pitched six innings, and the Browns pounded Russ Burrows and Mace Brown for 14 hits. By winning the Reds shaved the idle Giants' lead to a game.

Fajen Ruled In last year's National League game the St. Louis Cardinals slugged the Chicago Cubs for a 9-3 victory. Fajen let down his former teammate with seven hits. The Cards batted around in the third, knocking out Tex Carleton, Harp and Fajen, and ending with the bases loaded and Cooper Marlin hit a homer with two on.

The Chicago White Sox put on a four-run ninth-inning rally to nose out the St. Louis Browns, 10-9. Flip Radcliff hit a homer with two on in the first inning and Joe Kubel hit one with the sixth. The Browns outted the White Sox, 10 to 11.

Seeks Title

CHICAGO, June 29 (U.P.)—A Chicago Cub's physician said today that the team's shoulder in Dizzy Dean's shoulder are almost healed and that the great one may begin pitching "in a few more days."

Dean's Shoulder Reported to be In Good Condition

The physician reported his findings to Manager Charlie Grimm who said he would make no plans until the injury is healed completely.

Title Holder Overweight

PAISLEY, Scotland, June 29 (U.P.)—Benny Lynch of Scotland, 6'5" pounds overweight when examined for tonight's scheduled world's flyweight title defense against Jack Jurich of San Jose, Calif., was given an hour to make the 112-pound weight limit or forfeit his title.

When examined at 2 p. m. British summer time, Lynch weighed 185 pounds, while Jurich weighed 110 lb. The British board of boxing control which conducted the weighing, told Lynch that unless he made weight by 3 p. m., his title would be declared vacant. In such an eventuality, Jurich's manager, Jack Rogers, would claim the title for his man. There was little betting on the fight. Lynch was a 2-1 favorite.

Race to End Argument

HOLLYWOOD PARK, INGLEWOOD, Calif., June 29 (U.P.)—A two-month-old argument will be settled today when Lawrin and Dauber start down the brown loam strip at this handsome racetrack, part of a \$500,000 addition with a community to an abbreviated version of the Kentucky derby.

The dispute is whether Lawrin, winner of the Derby, or Dauber, victor in the Preakness, is the better horse. The test, to determine the argument is the American three-year-old championship stakes, to be run under derby conditions of a mile and a quarter and 129 pounds. Aside from the two famous Preliminary stakes, there are only two non-derby stakes in the world.

Cleveland Preakness winner Lawrin and Mrs. E. Vosnon's Rommy, winner of the Kentucky Derby, will be the contestants in the betting on an entry.

Lawrin, owned by Herbert Wolf of Kansas City, is a solid favorite to repeat the length he won the Dauber Churchill Downs.

CCC Fights Grass Fires

HAGERMAN, June 29 (Special)—During the past two weeks, the Hagerman CCC camp employees have succeeded in five raids to put out grass and brush fires. An estimated total of 12,000 acres has been burned by these fires. Investigation of the origin of these fires indicates that one resulted from burning rubbish on a city dump ground; one from lightning; another from a careless smoker on the highway; and the cause of the other two has not been determined definitely, but it is believed that they were of human origin.

One of the five fires put out by the Hagerman CCC camp recently, the one located near Oldman Ferry, two near Gooding and one opposite Hagerman, on the west side of the Snake River. Two hundred and thirty-eight enrollees have been required to get these fires under control.

IDAHO TOPS LIST FOR ONION YIELD

Although ranked eleventh in the United States in 1937 on acreage, Idaho onion growers ranked first in yields per acre, according to a report of the department of agriculture which has been issued by Richard C. Roza, state agricultural statistician.

New York state led the list with a total of 13,680 acres of onions cultivated in 1937, while the Idaho acreage totaled 2,539 acres.

Idaho's yield for the 1937 crop was 250 hundred pound sacks to the acre, while the next nearest ranking state, Washington and Oregon, produced only 200 hundred-pound sacks per acre, according to the report. Idaho's 1937 average of 34 sacks per acre from 1927 to 1937 is 54 sacks above the record of Utah, second highest for the 10-year period.

A reduction of about 200 acres planted in onions is reported this season. Nevada and California are other western states also reporting declines in onion yields, while slight increases over last year's figure is reported for Colorado, Utah, Washington and Oregon, offsetting the decreases.

Because of unfavorable growing seasons, it is reported that onion production in intermediate states is better than ever had anyone guaranteed. See them. SODEN ELECTRIC Elk's Bldg.

VACATION CAMP STARTS AUG. 15

Women from south central Idaho counties will participate in a vacation camp to be conducted at Hays Hot Springs from Aug. 15-17, announced Marian Hepworth, state demonstration leader, today. Hepworth said the camp will be educational, educational and inspirational, said Miss Hepworth, who is conducting the vacation camp. She expected that about 250 women will attend from Twin Falls, Blaine, Jerome, Cassia, Lincoln, Blainville and Idaho counties.

Program for the camp which will be the last of seven similar events to be conducted in Idaho, will include singing, hiking, bonfires, community singing and speakers, according to Margaret Hill, district vacation camp agent, who will attend the camp.

Speakers who will appear include Harrison C. Dale, president of the University of Idaho, and J. W. Condit, state superintendent of public instruction; Dean E. J. Idings, head of the college of education, University of Idaho; Anne Hayes, national vice president of P. T. A.; Dr. Vio Mae Powell, dramatics director at Idaho southern high school; Vivian Minyard, state clothing specialist; and Marlan Featherstone, art instructor in the school of the department, the University of Idaho.

Interment was held in the Hagerman country. Survivors are the following children and relatives: Andy, Robby, Bonnie and Jennie. Mrs. Irl Thompson, Mrs. Grace Thompson, all of Bliss; Mrs. Elna Blodgett of Moscow; Mrs. Laura McAnulty of Glenns Ferry; Mrs. Helen Hundy of Collierville; Mrs. Courtney of Twin Falls; Mrs. Iva Bray, Mrs. Lary O'Hara.

Creek Water Has Typhoid Bacteria

HAGERMAN, June 29 (Special)—Mrs. Mattie Curran, Hagerman Health Council secretary, has announced that the water in Hagerman creek and its tributaries has been found to contain typhoid bacteria.

Report was made on a sample of water from the creek, sent by Mrs. Curran to the state laboratory for testing. The test revealed the presence of typhoid bacteria.

Ruth Unhurt In Accident

NEW YORK, June 29 (AP)—Babe Ruth will be on the Brooklyn Dodgers' coaching line tonight, thankful he emerged from an automobile accident without a scratch.

Returning last night from a visit with friends in New Jersey, Ruth's car was sideswiped by a car driven by Miss Rose Beck.

Ruth's car was hit in the front, witnesses said, ran off the pavement, banged into a stone wall and a tree, and then turned over on its side. Babe crawled out unharmed, walked shakily to Miss Beck's car. "Do you see that down there?" he groaned, pointing to the wrecked car. "Well, you were responsible for that."

Miss Beck apologized. Ruth reported the accident had his coupe towed to a garage and bumped a ride to his New York home. No arrests were made.

Lightweight Title Fight Postponed Until July 26

NEW YORK, June 29 (AP)—The lightweight title fight between Champion Lou Ambers of Haverhill, N. Y., and challenger Henry Armstrong of Los Angeles was postponed today until August 10 to give Ambers' right hand a chance to heal.

The fight was scheduled for July 26.

Promoter Mike Jacobs announced the 15-round bout would be held at the Polo grounds, Ambers, who has had four tune-up bouts since May 4, bruised his hand against Jimmy Vaughan in the last one on June 21 at Los Angeles.

Armstrong holds the welterweight and featherweight titles. Neither will be at stake against Ambers.

Republican Keynoter Praises FDR

Bruce Barton Tells Indiana Of Vast Faith

INDIANAPOLIS, Ind., June 29 (AP)—The Republican party should appropriate the motto of the people, "vast loyalty and faith" in President Roosevelt, Bruce Barton, New York congressman and advertising executive, declared today in the keynote speech to the Indiana Republican state convention.

To accomplish that, he said, the Republicans and business must make the people understand "that they are first in our thinking" and must present a sound program that will create real jobs instead of the New Deal's despair and wasteful bureaucracy.

"No man can possibly over-estimate what it will mean to America to have the country administered again by a Republican party cleared, chastened, rededicated to service," he said.

Barton said the secret of Mr. Roosevelt's success is that men and women who have been neglected in American life believe rightly or wrongly that "they have found a friend"—that he "is trying to do something about it."

"I am one of those who was thrilled by his finger tips by the inaugural address of March 4, 1933," he said. "That single sentence is like the lamp of hope for millions and revived our faith in the capacity of the American people to rise above their fears. For that great message for many needed reforms, and for what I believe is his sincere interest in the welfare of the common man, I praise the President."

Odd Fellows Invade Sinking Canyon

Like so many ants on a hill, members of the I. O. O. F. lodges from over this section of Idaho gathered recently at the famous "Sinking Canyon" near Buhl for initiation ceremonies with a class of over 100 present. More than 1,000 lodge members attended, entering the canyon by a specially constructed trail. In the above photo part of those attending are shown as they prepared for the actual ceremony. Pictures were not permitted during the initiation. (Evening Times Staff Photo).

Army Plans Huge Troop Gathering

WASHINGTON, June 29 (AP)—The war department today announced plans for the largest concentration of troops for summer maneuvers ever ordered in peace time.

The third army, commanded by Maj. Gen. George Van Horn Moseley, will take the field early in August on maneuvers involving regular army, national guard and reserve officers.

Altogether, some 65,523 officers and men of the third army will receive field training in the series of related maneuvers extending from July 1 to Sept. 1.

Burley Telephone Man Given Vail Medal for His Heroism

BURLEY, June 29 (Special)—R. C. Pollard, combination man for the local office of the Mountain States Telephone company, received a Vail medal last week for noteworthy public service. The bronze medal, three of which were given in the mountain states, was provided from a fund created in memory of Theodore N. Vail, who at the time of his death in 1920 was chairman of the board of directors of the American Telephone and Telegraph company.

The medals are given to commensurate acts on the part of telephone employees in the United States that illustrate Mr. Vail's ideals of public service.

Pollard was rewarded for initiative and proficiency in the application of artificial respiration under an unusual circumstance which resulted in the saving of a human life.

SCOUTS PLAN FOR CAMP JULY 10-17

MURTAUGH, June 29 (Special)—Preparations for the summer camp July 10-17, were discussed by the Murtaugh Scouts and their parents last week at a covered dish supper at Artesian. Thirty Boy Scouts and Scouters are planning to make the trip.

The program included a camp demonstration by the raccoon patrol; typical camp set-up, cougar patrol; stunts, Boy Scouts; talks by some of the younger and older Scouts; court of honor conducted by R. J. Metcalf, Kimberly.

Herbert Rees passed his swimming test during the session.

The board of review will meet at Hansen Wednesday evening, June 29.

Utes Test Set

Pollard then hurriedly climbed a pile, and, using his test set, called for a doctor and an ambulance. Returning to Harris, he found that breathing had again ceased and he was forced to continue the artificial respiration for 45 minutes before the doctor arrived. Stimulants were administered and the patient was taken to a hospital where he later fully recovered.

J. D. Gillespie, state plant superintendent, presented the medal to Pollard.

Utes Test Set

Harris was unconscious, apparently overcome by carbon monoxide fumes, and his breathing was suspended. Pollard placed him on a car seat in the snow and, in spite of a bad blizzard, began application of artificial respiration which continued for 15 minutes before breathing was restored.
