TODAY'S NEWS TODAY

OFFICIAL COUNTY NEWSPAPER

PRESIDENT ATTACKS DICTATORS

BRIDGE EXPERT ARRIVES; OPENS SPAN APPRAISAL

C. W. Fittin, construction engineer who has estimated and superintended the building of various bridges for the General Construction company...

The appraisal is being made for the Twin Falls Chamber of Commerce as a result of controversy that has developed over the state's proposal to take over the bridge and remove the toll charge.

3 NATIONS SIGN ACCORD ON SHIP BUILDING LIMITS

LONDON, June 30 (UP)—The United Kingdom, France and the United States signed a protocol today substituting 45,000 tons for 30,000 tons as the extreme limit of the size of capital ships...

Upon his arrival, Fittin explained that the appraisal will be covered in detail with the various cost items. After gathering all necessary data here, he will return to Chicago headquarters where all the specifications and statistics will be thoroughly analyzed by the general staff before the final appraisal is announced.

Approved Two Toll Bridges. Fittin got busy immediately and returned to company headquarters with his information as soon as possible.

Other major construction projects with which it has been identified are the San Francisco-Oakland Bay and Golden Gate bridges, the Los Angeles aqueduct, a large water system in Baltimore, the tunnel that is being built in the Bronx, New York...

It is credited with having built more than 200 toll bridges in Washington and Oregon within the past 10 years than any other contracting firm.

The appraisal being made for the purpose of examining, at the request of State Highway Director J. H. Bremner, is expected to be completed in the near future.

Sessions Friday. BOISE, Idaho, June 30 (UP)—Investigation of late affairs by the Ada county grand jury was scheduled to be resumed tomorrow when the jury again goes into session.

Combination 'Bike-Plane' Carries Boy. Cycling, to Floyd Mingo, proved through the use of a bicycle and a small airplane that he could do both at once.

STAVEN OFF DOWNFALL. LONDON, June 30 (UP)—Prime Minister Neville Chamberlain, faced a revolt in the house of commons over the summing up of the members before a military tribunal, suspended today a vote that might have meant the downfall of the government.

The End of the Trail for a Gangster

Sprawled on a stretcher made from a ladder, the lifeless body of 27-year-old Clarence Easton is shown being carried from a cornfield where he was shot down by Illinois state police...

Rate Hearing is Set July 19 in Pocatello

BOISE, Idaho, June 30 (UP)—Scheduled railroad freight rate increases in the western shipping division of the United States, resulting in an additional transport levy of \$1,300,000 in Idaho alone on potato shipments, will be contested July 19 at Pocatello, the state public utilities commission announced today.

A hearing on the rate question will be held before Commissioner Clyde B. Aitchison of the interstate commerce commission. The session is regarded as one of the most important to concern western division agriculture this year.

Other States Join. Other states in the western division became interested in the case and asked their respective legislatures to take action to increase over the present tariffs on potato crops for the majority of Idaho's entire agricultural program...

Moody, Jacobs Play for Title. WIMBLEDON, Eng., June 30 (UP)—Mrs. Helen Wills Moody and Helen Jacobs, rivals for more than a decade, played the final round of the all-England singles championship today and on Saturday will receive the most bitter feud in tennis.

Spotted Fever's Death Toll Five. BOISE, Idaho, June 30 (UP)—The state department of public health announced today that five persons had died as a result of Rocky Mountain spotted fever in 1938.

Moscow Man Will Seek State Post. MOSCOW, Idaho, June 30 (UP)—A former Idaho county legislator, Chris Hogan of Moscow, announced he will be a Republican candidate for lieutenant governor in the Idaho primary election of 1940.

Near Cloudburst Inundates Utah. FARMINGTON, Utah, June 30 (UP)—A two-hour rain that fell at intervals over the entire state today inundated parts of the Salt Lake City-Ogden highway and numerous farms in the southern end of Davis county.

Martin Takes Office as Exchange Head. NEW YORK, June 30 (UP)—William McChesney Martin, Jr., 31-year-old St. Louis, today became the first full-time post-war president of the New York stock exchange.

NEWSMAN'S WIFE REPORTED TO BE HELD FOR \$1,000

LOS ANGELES, June 30 (UP)—Abraham Pierce, employe of a newspaper, has received two letters demanding \$1,000 for the return of his wife, Marie, 41, who has been missing since June 19, police announced today.

No Answer. "Are you ready? Get the \$1,000 in \$5 and \$10 bills," Don't say nothing to nobody if you know what is right. She is o. k. unless you make a slip. Put a personal in the Daily News saying you're certain that she isn't kidnaped."

Police placed the advertisement in the newspaper pending review as requested on Tuesday, and hearing nothing, released the ransom notes to the press last night.

Accidents in City's Limits Show Decline. Automobile accidents in Twin Falls for the first six months of this year total only 50 against more than 100 for the same period in 1937.

Spotted Fever's Death Toll Five. Eight persons were killed as a result of local accidents during the first six months of this year, three of whom had died in 1937.

Moscow Man Will Seek State Post. To insure secrecy, Schlosel selected 200 numbers between one and 10,000 and took them to the Coeur d'Alene branch of the Idaho National bank.

Moscow Man Will Seek State Post. A former Idaho county legislator, Chris Hogan of Moscow, announced he will be a Republican candidate for lieutenant governor in the Idaho primary election of 1940.

Near Cloudburst Inundates Utah. A complete program, with every-bling, free, was in readiness today when the Twin Falls county July Fourth committee announced.

Martin Takes Office as Exchange Head. A two-hour rain that fell at intervals over the entire state today inundated parts of the Salt Lake City-Ogden highway and numerous farms in the southern end of Davis county.

Hits Suppression of Culture, Art By New Leaders

NEW YORK, June 30 (UP)—President Roosevelt inferentially but vigorously criticized government by dictatorship today. Addressing delegates to the convention of the National Education association, on the grounds of the 1939 world fair, he spoke out against the suppression of art and culture in such a way that he left no doubt in his listeners' minds that he was referring to events in Germany since the Nazis took power.

"The Falcon". BALT LAKE CITY, June 30 (UP)—A determined but brief reign of terror in a Salt Lake City apartment house was ended today with the arrest last night of "the Falcon"—a 12-year-old boy.

Punch Board Used to Sell Idaho Caffe. COEUR D'ALENE, Idaho, June 30 (UP)—Max Schlosel, cafe owner today offered his \$10,000 business on a punch board at a 41 chance, with the provision the winner gets \$5,000 cash if he does not want the cafe.

Spotted Fever's Death Toll Five. Eight persons were killed as a result of local accidents during the first six months of this year, three of whom had died in 1937.

Moscow Man Will Seek State Post. To insure secrecy, Schlosel selected 200 numbers between one and 10,000 and took them to the Coeur d'Alene branch of the Idaho National bank.

Pope's Speech, Fireworks will Feature Annual County July Fourth Celebration

A complete program, with every-bling, free, was in readiness today when the Twin Falls county July Fourth committee announced. The highlight of the day will be a patriotic speech by Rev. James P. Pope, but special fireworks afternoons and evening are expected to help draw a record breaking crowd to Elmer (air-stands) the affair is sponsored by the merchants of Twin Falls county for the third consecutive year.

# PROSPECTS GAIN FOR BRITISH-ITALIAN FRIENDSHIP

## REPORTS STATE FRANCO TO HALT SHIP'S BOMBINGS

(By United Press)

The prospects of a treaty of friendship between Britain and Italy, which had been menaced by the bombing of British ships, was brightened today by intimations that Gen. Francisco Franco, prompted but not ordered by Italy, had decided to stop the bombings.

The European situation was further eased with the receipt by France of a note clarifying Poland's position on Czechoslovakia. Details were not announced but it was understood France satisfied by Poland's assurance that she would not interfere with British and French efforts to keep peace in Central Europe, especially regarding any encroachment on Czechoslovakia, Poland's neighbor.

Building Plan Official

Great Britain's intention of building a canal through the 1000 tons was made an official fact today when the government prepared a statement to commence announcing the decision which it reached with the United States three months ago to invoke the escalator clause of the 1923 London naval treaty.

Britain already has made plans for two capital ships above the treaty limit, in response to reports that Japan is building bigger ships. The new British battleships were expected to be 41,000 tons.

May End War

The fall of Hankow might mean an early end of the war. It would give Japan domination of north China beyond the Yangtze. Japan would control the Yangtze river commerce and the vital Peiping-Hankow and Tientsin-Pukow railroads.

With such a rich source of trade and revenue in her possession, Far Eastern observers believe Japan would be content and make no effort to invade farther into south China.

The military situation in Spain was similar, when the nationalist threat on Valencia grew stronger. The fall of Valencia, it was believed, would lead to the capitulation of Barcelona, or at least a truce.

Strong loyalist fortifications north of Valencia weakened under the mass attack of insurgent tanks and bombing planes and the nationalist claimed that the loyalist resistance was being crushed.

Yosemite Falls is the highest of all waterfalls in the world, including all its cascades, the water drops nearly half a mile.

## Ballot in Bridge Poll

Are You in Favor of Having State Remove Tolls from Twin Falls-Jerome Inter-county Bridge?

Please vote your preference with an "X" and mail your ballot immediately.

YES

NO

Name.....

Address.....

(This ballot will be of no value unless you give your name and address)

Above is a reproduction of the ballot which has been mailed to 6,000 homes in south central Idaho, giving the people an opportunity to express themselves in the rim-to-rim bridge controversy. Those who do not receive ballots through the mails have been urged by the committee to use this reproduced ballot to voice their sentiment. The ballot should bear the name and address of the voter and should be mailed to—Twin Falls-Jerome Inter-county Bridge Committee, P. O. Box 800, Twin Falls, Idaho.

## IDAHOANS ATTEND MIDWEST SCHOOL

Students from Twin Falls who have enrolled in Northwestern university's summer course include Robert B. Haller, Mabel Edwina Porterfield and Harley Belcher Smith, according to word received here today from the university.

Haller is listed as a graduate, Miss Porterfield as a student in the education department, and Smith as a music student.

Other Idaho students who have enrolled for the vacation session include Marjorie Albertson, Blackfoot, music; Roy Edwin Hanford, medicine; and James Henry Hawley, liberal arts, both of Boise; Alex W. Miller, medicine, Lava, Hot Springs; Ella Mae Neuber, graduate, Idaho Falls; Richard Lloyd Davis, medicine, Mialid; Wilhelmina Derwin Elliott Groom, medicine, Pocatello; and Arnold Owen, commerce, Preston.

Some of the features of the eight weeks summer course for which 4,700 students are enrolled is a course in contemporary thought offered by the Merrill school of Journalism.

The course will feature such outstanding speakers as Gov. Philip La Follette of Wisconsin, Carl Sandburg, poet, M. L. Wilson, under-secretary of the department of agriculture and William E. Dodd, former United States ambassador to Germany.

HAGERMAN 4-H MEETS

HAGERMAN, June 30 (Special)—A 4-H club meeting was held at the Civic club rooms, Thursday, with Elva Tucker, president, presiding. Plans were discussed for entertaining the Jerome 4-H club members June 30. The first year baking class elected Mary Anderson vice president. The first year sewing class elected Stella Ellis secretary and Lila Rae Bell, reporter. Mary Anderson and Iona Condit demonstrated making gingerbread. Joan Blackhart received first prize for first year gingerbread.

## ROTARIANS HEAR NATIONAL REPORT

A report on the International Rotary meeting, held at San Francisco last week, was given by Stuart H. Taylor as the principal speaker at a meeting of the Twin Falls Rotary club last evening, at which members of the Rotary club were the guests.

The meeting marked the end of term as president for R. W. Carpenter, who presided, and who handed over the gavel to Mr. Taylor, who will assume office at the next meeting. Others introduced at the meeting, and who gave short speeches were Harry Barry, retiring president of the club, Stanley Webber, recently elected successor to Barry, and Lee Howard, Ruhl, secretary of the Rotary club.

The best bit of entertainment on the program was provided by Attorney Harry Benoit, who with his son Jack "died" the show, with an impersonation of Edgar Bergen and Charlie McCarthy. Charles Kyles of Buhl opened the performance with a genuine ventriloquist performance, and Dr. C. R. Scott of Twin Falls told jokes and anecdotes.

During the dinner, Chuck Helm and his Continental played, and later Helm presented his Ben Frankenstein playface act.

An eight-year-old piano-accompanied musician from Kollister, Elly Engels, played two selections and was then given an encore. During community singing, Charles Shibley of Twin Falls, and Gan Thompson, Buhl, acted as song-leaders, with Melvin Neffner, Buhl, as piano. Shibley was chairman of the program committee. Thirty-five members from each organization were in attendance at the gathering.

SUMMER CLOSING SCHEDULE

CHICAGO, June 30 (Special)—The Chicago Mercantile Exchange will inaugurate its Saturday summer closing schedule this week, providing hide, butter, egg, cheese and potato futures traders with a three-day period for observation of independence day. The short week will be in effect for the exchange markets until Labor day.

## Harmon Pool To Stay Open On July 4th

Twin Falls' municipal swimming pool will remain open over the two-day holiday period, it was announced this afternoon by Bill Powers, pool manager.

Powers pointed out that the pool is usually closed for cleaning each Monday but because Monday next week is July 4 this practice will not be followed. Rather, he said, the pool will be closed Tuesday of next week.

The pool is located in Harmon park and no admission is charged.

## CAR OVERTURNS; 5 ARE INJURED

Mrs. Tillie Soane, Brooklyn N. Y., was in the county general hospital today suffering a fractured pelvis bone and four other persons had been slightly injured as the result of an automobile accident two miles south of Berger on highway 93 yesterday near noon.

Aside from Mrs. Soane, injured included Morris Soane, driver of the machine which turned over several times; Jacob Soane, 18; Terry and Jean Soane, twin girls age 12. Mr. Soane suffered a fractured rib.

Investigating the mishap was H. L. "Doc" House, state traffic patrolman, who expressed the opinion that the driver lost control of the machine because of slippery conditions of the road. It was raining at the time of the mishap, House said.

Tire marks on the highway showed the car swayed from side to side before it left the highway and turned over several times. The travelers were on a vacation trip and were traveling in a 1928 Buick. Damage to the car was estimated at \$600.

Hospital attendants this afternoon said that Mrs. Soane, who is about 45, will not be released for possibly three weeks. She spent a painful night.

## MOTHER SEEKS CHILD'S RETURN

Charging invalidity of adoption, Mrs. Annona Orr, young Twin Falls mother, yesterday asked the county court to restore custody of a three-year-old daughter to her.

Mrs. Orr asked for Marie Jean, whom she surrendered under now-questioned adoption proceedings, in November, 1932. Mrs. Orr sued for a writ of habeas corpus, which was issued, calling upon Don Lillock and his wife, Mrs. Julius Lillock, to bring the child into court next July 8 for inquiry into the circumstances of the asserted adoption.

In her contesting action, Mrs. Orr said that she was erroneously described as a "single lady" that the consent was signed before a notary public and not before the probate court as the law requires, and that the child's father, Hamilton Orr, did not consent to the adoption.

TEACHER NAMED

HAGERMAN, June 30 (Special)—Lloyd Frandsen, Basalt, Ida., will teach social science and music in the high school next year. He was elected by the board at a meeting Wednesday and will fill the vacancy left by the resignation of Earl Tunison.

## Apple Rate Suspension Set by ICC

BOISE, Ida., June 30 (AP)—The state public utilities commission today announced that it had suspended for six months a scheduled increase in freight rates on Idaho's apple crop shipments.

The increase, raising present rates by about 15 per cent, would have become effective June 30. Representatives of growers and shippers said the action saved them about \$165,000 on this year's crop.

The suspension was made upon objections by the Idaho Shippers and Traffic association. The suspension, while for six months, awaits presentation of briefs and arguments by both transport companies and growers.

Largest saving on freight rates by the action was in Payette county, Austin Anson, secretary of the association, said. There growers will realize a freight cost saving of \$75,000, he said.

He said the suspension would enable the Idaho grower to more equitably compete with the middle west trucker who carries his own crop to market.

BUY IT FROM YOUR GROCER.

# FORESTER LISTS HOLIDAY RULES

**OGDEN, June 30 (Special)**—Leave your firecrackers in cold storage at home; chaperone your "smokers" while in the forest, and condemn your camp fires to a waxy grave; were precautions given today for "Fourth of July" week-end vacationists, by John N. Kinney of Ogden, Utah, chief of fire control operations for the Intermountain region of the Forest Service.

"While smokers and their implements are a bane to foresters all during fireseason, the firecracker pops on the scene only for a day or so around Independence day, but it causes plenty of worry to foresters, besides noise and smoke," Kinney said.

**Rest and Play**—Vacationists and forest visitors look upon their trips in terms of rest, play, and number of fish in the creek, but to foresters it is a matter of fire risk, suppression expenses, and losses in watersheds and timber. If our forest guests are not careful with fire, the forester said, "the danger in the higher country now is normal or better, the lower grassy regions are like a powder keg. The rank growth of grass and vegetation, now dry following two weeks of hot weather, represent a risk not only to the foothill forests but to farm improvements, haystacks, and live stock. The firecracker, carelessly tossed cigarette or match is a sure way to start a damaging conflagration."

"Especially critical grass fire conditions exist adjacent to the Cache, Wasatch and Uinta Forests in Utah, and Middaon, Boise, Fayette and Welser Forests in Idaho."

**No Special Order**—While no special closing order on firecrackers in the forests is planned now, the general protection regulations prohibit them and all forest patrols will stop their use. "We try to keep the forests open and free without restrictive restriction," Kinney continued, "but we hope that in this country, war against fire that we may get increasing public cooperation. That is the key to the situation."

"Twenty-four fires burned in the forests so far this season, 15 being man-caused, while 9 were started by lightning. Eighteen acres of timberlands have been damaged."

**Salesman Busy**—CLEVELAND and Frank M. Crowley, 81, has begun his 51st year as a coal salesman. He says that he feels "just dandy" and that he continues to sell coal because a "feller has to have something to do."

**Hunt Costs Thumb**—CONCORD, N. H. (UP)—While climbing a wall in pursuit of a crow, Jay Percy, 50, accidentally discharged his shotgun. He returned from the hunt minus the crow—and also minus his right thumb.

There are about 40,000 Eskimos in the entire Arctic.

# Famous Flyers to Perform at Boise Holiday Air Carnival

**BOISE, June 30 (Special)**—Airminded Idahoans and out-of-staters, too, are expected to crowd the new municipal airport on Monday, Whitney bench July 3 and 4 to see some of the biggest names in stunt flying open their bag of tricks in a big stunt flying program.

Heading the list of performers at this meet, termed the World's Championship Air show, will be Rex Rankin, the greatest stunt pilot in the world, who will fly directly to Boise from Hollywood to participate. Rankin won the title of world's champion stunt pilot at the Boise air show last year. He was also ranked as a top performer in the Cleveland Air Races last year and at the Oakland meet this spring. He has been flying for 22 years and holds the world's record of 131 consecutive outside loops.

**Barredevil Stunts**—Rankin promises to "go the limit" with his stunts at the Boise show. Included in his performance will be barrel rolls, side-slips, spirals, barrel rolls, upside-down flying and outside loops. One of his favorite tricks starts with a power dive straight toward earth in which he attains the blinding speed of 300 miles an hour. He pulls out of the dive, upside-down, only a bare 50 feet from the ground, flies along at his 300 mile an hour clip and finishes off with a breathtaking outside loop.

**Teamed with Rankin in the Boise meet** are such flying headliners as Laure Ingalls, America's foremost stunts and non-stop transcontinental record holder, George Cook, Al Lary, Dorothy Barden, Capt. Bill Royle, and others.

Cook is called the world's most

sensational parachute jumper and is scheduled to furnish a big share of the thrill both days with his famous great parachute jump. During his jumps, Cook attains the terrific speed of 165 miles an hour. He and Rankin are veterans of dozens of daredevil movie stunts. Recently they both worked with Clark Gable, Spencer Tracy and Myrna Loy in the current flying thriller, "Test Pilot."

**Aerial Maneuvers**—One of the outstanding features of the show will be a demonstration of actual flying combat tactics, showing United States army air maneuvers for attacks and for defense of planes under fire.

The fantastic July 3 and 4 spectacle, sponsored by the Boise Celebration association will mark the first visit to the new Boise airport on Whitney bench by countless Idahoans, spectators from out of state, and pilots and planes from all the northwest states and California.

The airport, which is not entirely finished, will have the longest runway of any port in America. It will accommodate the United States' largest biplane fleet, which now are passing over Boise on their daily flights because of inadequate landing space on the present airport.

## Health Camp Plans Marionette Show

**BUHL, June 30 (Special)**—The older girls of the McCluskey Memorial health camp will give a program Friday at 2 p. m. A special feature of the program will be the marionette show of "Snow White and the Seven Dwarfs," which has been directed by Miss Blanche Parent. The public is invited to attend.

Miss Faye McGrath of Twin Falls has been taking Mrs. Henry Wilson place as nurse this week while Mrs. Wilson is attending the nurses' convention at Boise. Mrs. McGrath gave a demonstration of testing a baby Wednesday morning.

Sunday evening Mrs. Margaret Rudy LaPorte gave a talk on her work as a missionary in the Philip-

# Exemptions on Mines Must be Filed July 1st

**WASHINGTON, June 30 (UP)**—The interior department today reminded thousands of holders of small mining claims in the west and in Alaska that claims for exemption for annual assessment work requirements of the mining laws must be filed by noon tomorrow.

The law requires that holders must perform \$100 worth of work annually on their claims to hold the property. During the last few years congress has suspended this provision, requiring holders to file claims for exemptions.

The assessment work moratorium was continued for another year by an act signed yesterday by President Roosevelt.

plines. She told of the customs and habits of the people there, and concluded her talk with a solo, "The Land of the Sun" in the language of the island. The camp girls gave a short program including a piano solo, vocal duet and a sacred song by the group.

The older girl's camp will close Sunday, July 3.

# BRITAIN DEBATES RIGHTS OF PARLIAMENT MEMBERS

## DISPUTE BRINGS THREAT AGAINST WAR SECRETARY

**By SIDNEY J. WILLIAMS**  
 LONDON, June 30 (AP)—A dispute over the rights of members of parliament and the proper authority of government, was thrown before the house of commons today in a full dress debate.

The cabinet had determined to state its political life on any votes taken as a result of the debate, and so angry was the general atmosphere that it was reported Leslie Hore-Belisha, war secretary and a central figure in the dispute, had been given a special Scotland Yard bodyguard because of threats made against him. In addition, a uniformed police guard was stationed outside his home.

**Sandys Debated**  
 The debate centered about the charge by Duncan Sandys, a conservative member and son-in-law of the redoubtable Winston Churchill, that he had been threatened with prosecution under the official secrets act because he disclosed secret military information in a question he submitted for answer to the House.

On the government side of the dispute there was the determination to safeguard information on the national defense. The issue from the viewpoint of private members of the Conservative party, and the combined Labor and Liberal opposition, was the rights of members of the house.

**Consider Act Strengthening**  
 Defense of these rights, and their defense, has caused definite turns in British history. Kings so bold as Henry VIII have stopped short of the limit; Charles I lost his head because he did not.

Today's debate was on the appointment of a parliamentary committee on the official secrets act to investigate whether, in view of the Sandys incident, it ought to be strengthened.

A committee to investigate the Sandys incident itself, and the government's treatment of it, already had been authorized.

**Military Court**  
 A military court of inquiry was scheduled to meet today under Gen. Edmund Ironside, commander in chief of the eastern military district, to consider the situation from the army viewpoint. The government decided to defer any military action until after the parliamentary dispute had been settled. But it was forecast that in the end there would be a court martial with the chief defendant an officer—necessarily a high one—accused of giving secret information on anti-air defense to Sandys.

## Bliss Scouts Attend Farmer Cover Court

**BLISS, June 30 (Special)**—The Bliss Boy Scouts attended the June session of the Court of Honor at the Farmer Cover, June 27. Vernon Ravenscroft of Tuttle had charge of the opening service. Rev. Charles Northrup of Gooding gave a talk on the "Rights of Boys."

Towns represented were Hagerman, Tuttle, Gooding and Bliss. It was decided that the present order of meetings the second and fourth Mondays would be maintained. The second meeting for the Board of Review and the meeting of the fourth Monday for the Court of Honor and business. The next meeting will be in October at Gooding. The boys will meet Friday to finish plans for camp.

## Texan Grows Soft

**FORT WORTH, Tex., (AP)—S. J. Adkins, 80, thinks he must be getting soft. He started his annual walk from Dallas to the home of a daughter here, a distance of 30 miles, and was forced to ride half the way on a bus when his feet began hurting. Adkins has made the journey up foot each birthday for several years.**

## Lawrin Eyes New Gold Cup

By far the most important arrival thus far at Los Angeles from the Ingwood track is Lawrin, Kentucky Derby winner in the \$50,000 Gold Cup Invitational, June 29. The gentleman giving him a critical inspection in his stall is trainer Ben Jones.

## Ex-Governor Predicts Defeat Of Idaho Democrats at Polls

**By DAVID N. JOHNSON**  
 BOISE, Ida., June 30 (AP)—Former Governor H. C. Baldridge of Idaho today predicted defeat of the Democratic party in Idaho at the November elections because of "dissension within the party's ranks."

"The situation is very tense," Baldridge said in an interview, "and the unwise handling of state business by administrative officials has made it so."

**Republican Stronger**  
 Baldridge, the Republican governor of Idaho from 1927 until 1930, the year titular control of the state passed into the hands of the Democratic party with the election of C. Ben Ross, said he believed the Republicans were becoming stronger as the campaign progressed.

"Any party in Idaho with the control the Democratic group presently has," he said, "will defeat its own interests if members of that party place in responsible positions, cannot work harmoniously."

**Points to Split**  
 He pointed his remarks at the present split among administrative officials in state government. "Liberalism here means nothing," he said. "Such actions as we have witnessed cannot any benefits to be derived from a liberal program."

"The Republican party, Baldridge said, has become more liberal, however, as the 'fight' against the Democrats' has continued.

"The way in which we make use of that liberalism," he said, "will spell the difference between success and defeat at the polls. The Repub-

licans have realized that liberalism is to be desired in governing a nation in these times but the final use of such a theory determines its success."

Baldridge said the endorsement of senator James P. Pope of Idaho by senator George Norris of Nebraska, a Republican, was "questionable" in worth.

**Norris Extreme**  
 "The principal reason for this," he said, "is that Norris has gone to the extreme of the liberal side in his general policies."

Baldridge expressed doubt that Norris could "longer be considered a member of the Republican party."

"He is a Republican who has become so liberal that he is a New Dealer and neither a Republican nor a Democrat," Baldridge said.

The former governor said that while difficulties among Idaho's Democratic ranks ostensibly had their root in local conditions, they could be considered "at least a partial offshoot" from national conditions.

## Prods Progress

**BOSTON (AP)**—Because a prisoner ripped up floorboards of an old horse-drawn police van and lowered himself to freedom, two antiquated vehicles which for years have been used to transport prisoners between Charles street Jail and the courthouse are being replaced by one motor vehicle.

READ THE TIMES WANT ADS.

## LIVES SAVED BY SAFER DRIVING

**CHICAGO, June 29 (AP)**—The National Safety Council reported today that 3,780 lives have been saved in the United States during the past seven months by more cautious motoring.

May was the seventh consecutive month in which automobile accidents showed a drop in comparison with the same month last year. May traffic deaths totaled 2,280.

The toll for the first five months of 1938 was 11,190. Lives saved from January to May this year totaled approximately 2,990.

The greater traffic safety, the council said, has been practically nationwide. Of 41 states reporting for May, 37 had fewer deaths this year than last.

Based on five-month records, Vermont showed the greatest percentage of decline—41 per cent. Pennsylvania saved the most lives—361—and ranked second in improvement with a 38 per cent drop.

The states, their percentage decrease and the number of lives saved included: Idaho 21—12; Oregon 20—24; California 15—184; Colorado 8—10; Washington 5—6.

Detroit led cities in lives saved, with 75 fewer deaths this year than last.

## Bear Deserts Cubs

**ELKLAND, N. Y. (AP)**—Her slumber disturbed by curious hikers, a hibernating bear deserted two black cubs in a cave near here as she shambled off to find a more secluded sleeping place. The cubs were taken to a game farm and are being raised on bottles.

Birds cannot see blue or violet. But they do see red and infra-red.

## SPIES WILL GET DEATH DECREES

**PARIS, June 30 (AP)**—A decree was issued today instituting the death penalty for espionage in peacetime because of the growth of spy rings in recent years.

The death penalty was instituted through a revision of the penal code which authorizes the government to designate special courts to try espionage cases.

The preamble of the decree said that France had been forced to adopt measures applied abroad, notably in Germany, Italy, Poland, Czechoslovakia and Roumania.

"Since 1923 propositions have been made in parliament for the adoption of this solution in France," the preamble said. "The results of experience since 1925 lead the government in the same direction and to propose application of the death penalty for espionage crimes in peacetime."

**FREAK TORNAO STRIKES NEW PHILADELPHIA, O. (AP)**—A miniature tornado here picked up a garage in which an automobile was parked without damaging the machine.

Taste Schlitz Today. You'll marvel at this miracle of brewing that produces a beer so smooth, so pale, so pleasingly dry. So keyed to the modern taste, with all the richness of true old-time beer character.

But no one can tell you which beer tastes best to YOU—

it's such a personal matter...

Schlitz is excitingly different! You'll agree the moment you breathe its delicate bouquet—the moment your lips melt into its creamy, snowy crest—the moment its fine old flavor arrives to delight your palate. It's a moment you'll wish could last a year! No modern refrigerator or old-fashioned ice box should be without a supply of this great beer!

THE BEER THAT MADE MILWAUKEE FAMOUS

taste SCHLITZ yourself today

... and you'll prefer Schlitz always!

# QUINTS DEMONSTRATE ICE CREAM CONE EATING TECHNIQUE

Ever find that mouthful of ice cream much too cold for your cheeks? That's Marie's trouble here.

It looks as if Cecile's going to have one of the nurses on the run with the napkin in just a minute.

Emile, too, is more eager for results than fitness when it comes to beating midsummer heat.

And Annette is being the perfect lady with that far-away manner of absent-minded pleasure.

Yvonne sets an example of decorous manners with a delicate attack which no one could criticize.

## rites held for VICTIM OF CANAL

BOISE, Ida., June 30 (UP)—While officers still sought the body of Mrs. Frank Brandt of Nampa in the swift current of New York canal, funeral services were held here today for Mrs. Ray Hunt who perished with Mrs. Brandt when their car plunged into the canal.

Mrs. Hunt was trapped in the car but Mrs. Brandt was swept from sight in the muddy flow.

Plans of Ada county authorities to drain the canal to make easier the search for the body were defeated when the board of directors for the canal corporation refused to permit such action.

Farmers along the route said their crops would suffer.

## Hints on Home CANNING

A dash of color on the vegetable plate is appealing and tempting to the appetite. One of our most colorful vegetables is beets. The good flavor of beets may be enjoyed all the year-around by canning them. They may be canned as a vegetable or prepared as pickles. From a standpoint of uniform sizes together, if made into pickles we suggest following recipe:

- 2 cups sugar
- 2 cups water
- 2 cups vinegar
- 1 thinly sliced lemon
- 1 teaspoon cinnamon
- 1 teaspoon all-spice

Make syrup of above ingredients. Cook beets until tender. Peel beets and pour syrup over them. Simmer for 15 minutes. Pack into sterilized jars and seal each jar as soon as filled. Lemon may be omitted.

Beets are very easily canned to be used as a vegetable. After sorting and washing, steam or boil for 10 to 15 minutes at long enough to loosen skins. Leave about one inch of top and all of root on beets while pre-cooking. This prevents loss of color and flavor. When skins will slip, remove from boiling water and if possible remove skins without plunging beets into cold water. This will save more color. Pack into clean jars, filling beets in jars to conserve jar space. Fill jars to within 1/4-inch of top with beets and boiling water. Place "Seal-Sealing" lid on jar with sealing composition next to glass and screw the band firmly tight. Process in pressure cooker 40 minutes at 10 pounds or in water bath 2 hours. Jars of whole beets processed in pressure cooker often lose liquid during processing. This does not interfere with keeping quality and DO NOT open jars to add additional liquid.

For fine booklet on home canning write Home-makers Institute in care Idaho Evening Times.

## Nye Defeats Langer in Dakota Senatorial Race

BIG MARSH, N. D., June 30 (UP)—Sen. Gerald P. Nye, progressive Republican and peace advocate who has supported several New Deal policies, today apparently had defeated his arch political foe, Gov. William Langer for the Republican U. S. senatorial nomination.

With only 100 of the state's 2,350 precincts unreported from Tuesday's primary, Nye held a margin of nearly 7,000 votes over Langer, the endorse of the non-partisan league which has controlled the state government for six years.

Votes from 2,151 of the state's 2,350 precincts gave Nye 87,942, and Langer, 81,778.

Nye's running mate, Lieut. Gov. T. H. H. Thorsen, however, appeared to have lost his contest with John Hagan, Langer's choice. Thorsen had held an early lead but belated rural returns showed Hagan into the lead by some 2,000 votes.

With 2,092 precincts reported, the vote gave Hagan, 71,519, and Thorsen, 69,285.

Although the total vote was described as normal, it was believed an all-time high had been established in the Republican column. Approximately 200,000 North Dakotans voted in the primary.

Political observers predicted that Nye may face Langer again in the general election this November. State law permits a defeated primary candidate to file as an independent in the general election.

In the Democratic primary, J. J. Nyeard, Jamestown, the regular party endorsee, was assured of the senatorial nomination. John Moses, Hazen, another regular Democratic choice, apparently had won the gubernatorial nomination. Alfred S. Dale, Bismarck, and Max H. Streifel, Kindred, were the Democratic congressional nominees.

The incumbents in the Republican congressional race, Usher L. Burdick, Williston, and William Lemke, Fargo, were way ahead of four other opponents. Union party candidates were unopposed.

## UTAH MAY RAISE MORMON MARKER

SALT LAKE CITY, (UP)—Future visitors to Utah will view a 250-000 monument on the spot where Brigham Young, Mormon church founder, first looked over the fertile Salt Lake valley, according to present plans of the L. D. S. church and Utah state officials.

A committee appointed by Gov. Henry H. Blood is drafting plans for the monument—to be known as the "This is the place" memorial because of the words uttered by Young when he first saw the present site of Salt Lake City.

The group is headed by Heber J. Grant, president of the Latter Day Saints (Mormon) church, with Bishop D. G. Hunt of the Salt Lake Catholic diocese as first vice chairman.

Seek Legislative Fund

John Giles, executive secretary, said that the committee will ask the next session of the Utah legislature, which meets in January, for \$250,000 to begin work on the project.

Two sculptors are now working on preliminary sketches for the memorial—Mahouri M. Young, a sculptor for the New York World's fair commission and a direct descendant of the church founder, and Avarad Fairbanks, head of the University of Michigan department

of sculpture and a member of a pioneer Utah family.

Giles explained that both Young and Fairbanks will submit preliminary drawings of the monument some time this summer. The committee will select one of the designs and engage the successful sculptor permanently to complete the design.

A site for the memorial has been selected in Emigration canyon on the outskirts of Salt Lake City, just above the United States army Fort Douglas.

Place Already Marked

A smaller memorial has been in place on the site for a few years, but plans call for this to be substituted by the larger structure.

According to church legend, Young was ill and lying in a horse-drawn sledge as his followers crossed

the Wasatch mountains on their way to the "promised land" that the church founder had seen in a vision.

As the party reached the knoll in Emigration canyon, Young ordered that the wagon train stop. He drew himself up to the edge of the sledge and peered over into the valley below.

"It is enough," he told his followers. "This is the place. Drive on into the valley and here we will build our homes."

### Meeting to Members

LORAIN, O. (UP)—When C. O. Streeter was too ill to attend an important session of the United Spanish War Veterans, the organization "took" the meeting to Streeter, and held it in his home.

"It is enough," he told his followers. "This is the place. Drive on into the valley and here we will build our homes."

U. S. GOVERNMENT DEFICIT SMALLEST IN NEW DEAL HISTORY

NATIONAL INCOME FOR YEAR HITS ALL-TIME RECORD

By G. W. STEWART, JR. WASHINGTON, June 30 (AP)—The federal government ends its fiscal year today with a deficit of approximately \$1,450,000,000, the smallest in New Deal history.

The record income was caused by the fact that, during at least half the fiscal period, individuals and corporations were paying taxes on incomes received during the most prosperous months of recent years.

The new deal's recovery program, on the other hand, contemplated expenditures of more than \$30,000,000,000 to stimulate business activity during the 1938 fiscal year.

Reduction of the public debt resulted from the treasury's determination to pay off the government's gold— a move which in itself was one of the outstanding financial actions of the year.

Debt Decline Reduction of debt through the use of a diversified gold brought a decline in the government's "ordinary" debts—the current borrowing necessary to keep the treasury's balance at safe levels.

Departmental Outgo General departmental outgo amounted to \$4,448,855,856 compared with \$4,250,878,751 in the corresponding period of the 1937 fiscal year.

Another Twin Falls building expert, Ernest White, today came forward with the estimate that there were 288,000 bricks in the old Hickey school building—4,000 more than the amount estimated yesterday by H. C. Dickerson of the Ostrander Lumber Company.

Death Comes To George J. Frank Funeral services were being completed today for George J. Frank, 68, who died yesterday at the Twin Falls county general hospital.

Local War Mothers Attend Conference Twin Falls chapter, American War Mothers, will be well represented at the conference and luncheon Saturday at Coeur d'Alene.

News in Brief

Conclude Trip Mr. Paul R. Taber and son, Paul R. Taber, Jr., have returned from a vacation trip to Los Angeles.

KANGAROO NEWSMAN'S WIFE HELD FOR \$1,000

Gene Ostrander today was being held on his last in preparation for the American Legion "Kangaroo Court" which starts here tomorrow as local citizens here today were purchasing tickets to the "Siege of the Argentine" spectacle.

Police said the husband is fearful for his wife's safety, but believes she is not in the hands of kidnappers. He expressed belief she has absented herself in the same manner as her other recent disappearances.

Of Modest Means Pierce was reported to be a commercial department employee at a Los Angeles newspaper, of modest means.

Detective Ledbetter emphasized that police are relaxing no vigilance on the chance that the notes might be genuine. Federal bureau of investigation men have not been brought into the case, however.

President Gets 'Go Ahead' Signal on Primary Contest Interventions

APPROVAL GIVEN FOR BACKING OF U.S. CANDIDATES

By LYLE C. WILSON WASHINGTON, June 30 (AP)—President Roosevelt has a senate investigating committee go-ahead today on any intervention...

But Mr. Roosevelt told the nation last week in asserting his right to intervene in behalf of liberal candidates, that mere disagreement on single issues would not make the basis for such action.

That decision removes any barrier which may have existed to New Deal intervention in at least three senatorial contests...

Cummings May Run There are reports, possibly to be confirmed, that Attorney General Homer S. Cummings may oppose Sen. Augustine Lonergan for Democratic nomination...

First New Deal action in the Iowa state primary was ineffective. Mr. Roosevelt's trans-continental journey, beginning here July 7...

Outward bound from Washington, the presidential party with 300 members in Kentucky where the New Deal is backing Sen. Alben W. Barkley...

Marland was elected governor of a New Dealer and with effective White House support, but evidently was not able to come between the President and Thomas...

It is not unlikely, also, that he will find opportunity in California before going to the state primary in the re-nomination campaign of Sen. William G. McAdoo.

Jerome Gets \$6,000

In Benefit Checks JEROME, June 30 (Special)—An additional \$6,000 in 1937 A.G.A. benefit checks was received by the county agent's office here the past week.

Applications for the 1937 sugar beet payments have been forwarded to the office for review...

Paddling along in a collapsible rubber 'tub boat,' the two Japanese scouts shown above were photographed as they took soundings in a lake...

Los Angeles Chief of Police Challenges Idahoans to Duel

SUN VALLEY, Ida., June 30 (Special)—Expert pistol shots of the Los Angeles police have no fear of the six-gun fanatics of frontier Idaho...

On July 17th each frontiersman will fire a six shooter six times at a target consisting of an ordinary ace of spades playing card. Three shots will be fired at level arm...

These men, with Davis, will be shooting in pistol competition on July 29 as preliminary program to the Fourth Annual Police Benefit show to be staged in the Los Angeles Coliseum July 22.

Chief Davis' telegram read, 'Understand you boast crack six shooter marksmen. Believe members of our police department can outshoot the winner of your championship meet...

The Frontier club answered as follows: 'The Frontier club of Idaho is happy to accept your challenge to meet the six shooter championship of Idaho who is to be selected at the Sun Valley six-gun shooting match July 17.'

DRIVERS WARNED ON JULY 4 CARE

BOISE, Ida., June 30 (AP)—The state department of law enforcement, faced with rising tolls in the state's traffic death list, warned today that 'it isn't the automobile that causes fatal accidents, but the driver.'

The department's safety division requested drivers, especially those planning to take to the highways for a fourth of July celebration, to avoid liquor, drive at a moderate speed and use 'sanity, extraordinary caution and common sense.'

Six met their death over the weekend in southern Idaho. The department's safety division requested drivers, especially those planning to take to the highways...

UNITY

Word has been received of the death of Mrs. J. W. Moore, last Saturday in a Soda Springs hospital. Mr. and Mrs. Moore lived in this community for about eight years before they moved to Bynum.

Wayne Curry and John Crane returned Saturday from a two weeks' visit to Boise.

The Boy Scouts of troop 16 attended an over-night outing near Lunch creek, Saturday.

Mrs. William Howard and children, Bob and Don, and Mr. and Mrs. Howard attended the Bowen family reunion in Logan Sunday.

KIWANIANS PLAN FARMS PROGRAM

SAN FRANCISCO, June 30 (Special)—An agricultural program for Idaho Kiwanis clubs was planned today at the 22nd annual convention of Kiwanis International being held here this week.

Run in youth in 1938-39 will be assisted financially to carry out farm projects and vocational agriculture will be promoted in high schools. Rural and urban groups will conduct cooperative study of farm problems.

Citizenship is being endangered because millions of young people are unemployed and live unsocial lives. Kiwanians were warned by Charles E. Olson, of Ogden, Utah, is chairman of the agricultural committee in the Utah-Idaho district.

TOWNSMEN DELEGATE TALKS

HAERMAN, June 30 (Special)—A regular meeting of the Haerman Township club was held at the Reorganized L.D.S. church Monday.

Six met their death over the weekend in southern Idaho. The department's safety division requested drivers, especially those planning to take to the highways...

Indigestion

CHICAGO, June 30 (AP)—Over-eating caused Steve Litvink, 25, to set 10 fires since Jan. 1, he told authorities today.

# GERMANS HOPE TO TRY SCHUSCHNIGG ON CRIMINAL CHARGE

## NAZIS DISCLOSE 3,780 POLITICAL PRISONERS HELD

VIENNA, June 30 (AP)—Joseph Buerckel, German Nazi "trustee" of Austria, said today that he hoped and believed Kurt Schuschnigg, last chancellor of independent Austria, would be tried on criminal charges.

He disclosed that 3,780 political prisoners were held in Austrian jails. Discussing a proxy controversy, the status of Schuschnigg, who has been a prisoner since the Nazi absorption of Austria, Buerckel said: "Schuschnigg is in Vienna and in my opinion should be tried on criminal charges. Therefore I hope and believe he will be tried."

Buerckel said that recent reports that Schuschnigg had married Countess Vera Fugger by proxy were untrue.

**Hapsburg Property Confiscated**

The Nazi commissioner discussed in some detail the present state of things in Austria, which have caused reports that angered Nazis.

He said that all property which belonged to the Hapsburg family headed by Archduke Otto, pretender to the throne, had been confiscated.

As for political prisoners, he said that a total of 150 persons, of whom about half were Jews, had been sent to the great concentration camp at Dachau, Germany.

Discussing the Jewish question, Buerckel said that regarding their property in Austria, foreign Jews were treated exactly like other foreigners.

He said that instructions that Jewish employes of Jewish firms must be discharged were issued by subordinate officials who already had been disciplined for their action.

**Unemployment Reduced**

Since the Nazi absorption, Buerckel said, unemployment in Austria had been reduced by approximately 50 per cent.

Before Buerckel made his statement a high Nazi party official had told the United Press that Schuschnigg had not been married.

"I am in a position to know and I can assure you that he is unmarried," this official said.

The eminent Nazi official, who should know whether any prominent Roman Catholic had been married also denied that any religious ceremony had been performed.

**Marriage Reported**

It had been reported circumstantially and in detail that Schuschnigg and the countess married by proxy about June 1. It was said that the ceremony was solemnized in the Church of the Dominican Fathers, with the countess attending and a proxy representing Schuschnigg, who is held a prisoner by the Nazis.

If Schuschnigg were tried, it was understood that criminal charges would be brought against him on the complaint that in opposing the Nazification of Austria he committed a "crime affecting 7,000,000 people."

## Woman Gives Up Idea of Camping on Man's Trail

IRVINGTON, N. Y., June 30 (AP)—Mrs. Hedl Heusser stepped out of her negligee into a beaming blue dress today, and stalked out of Rollo K. Blanchard's brick house muttering a series of plaintive remarks, all starting with "If he's a gentleman!" she said of the absent host in whose 24-room home she had staged a nine-day matrimonial sit-in strike, "he'll marry me."

"If he's a gentleman, he knows what he has to do."

"If he's a gentleman, he will make arrangements."

Mrs. Heusser, red-haired and

pretty, the divorced wife of a Swiss ski salesman, established herself in one of Blanchard's best bedrooms last June 20 and said that she would bugle until he followed up the gift of an engagement ring with marriage.

The 30-year-old manufacturer left when Hedl moved in, leaving behind four detectives to guard the house.

She was greeted by newspaper and motion picture cameramen as she left the house. Into a microphone, she said:

"I've waited long enough in this house. Now he's got to come to me."

## PAIR QUESTIONED IN EAST MURDER

SOUTH HADLEY, Mass., June 30 (AP)—John Paul Hatfield, Jr., of New York and his business associate, Alfred Christen of Lynn, Mass., were questioned by police today in connection with the murder of Charles Morris, 48-year-old race track follower, whose wire-trussed skeleton, which had been encased in a cement coffin, was found floating in the Connecticut river a week ago today.

Hatfield, 25-year-old son of a Massachusetts manufacturer, waived examination and was held on a murder charge yesterday. He came here voluntarily from his Park avenue hotel apartment in New York City when he learned that he was sought. He pleaded not guilty and was held without bail.

Christen, a manufacturer of beer-cooling equipment who has had close commercial relations with Hatfield, surrendered to police last night. He was questioned all night in the Northampton state police barracks.

## War of 1812 Widow Dies In New York

BUFFALO, N. Y., June 30 (AP)—Funeral services will be held Friday for Mrs. Carolyn Foyler King, the widow of a veteran of the war of 1812.

Mrs. King, the widow of Darius King, who fought with the New York militia at Ft. Niagara 125 years ago, died yesterday at the age of 89. She was 18 when she married, and her husband 71. He lived 22 years after their marriage, which was his second.

## GAIN NOTED FOR STORAGE WATER

Although American falls reservoir shows a slight drop in the amount of irrigation water stored, increases were noted this afternoon at Lake Walcott and Jackson Lake, the weekly report of Lynn Grandall, watermaster, shows.

At the present time water stored

at the American falls reservoir totals 1,702,000 acre feet against 1,719,170 a week ago. The total this week, however, is far above that of a year ago which was 1,371,650 acre feet.

Storage water at Jackson Lake totals 853,120 acre feet this week against 855,170 a year ago while Lake Walcott's storage totals 98,500 acre feet at the present time against 95,970 acre feet last year at the same time.

Storage at Henry's lake, the report shows, totals 31,620 acre feet against 30,550 a year ago.

Registered precipitation included

38 inches at Moran and 14 inches at Ashton.

## SALT LAKE CITY HEARING JULY 5

SALT LAKE CITY, June 30 (AP)—District Judge Herbert M. Schiller, vacationing in the Pacific northwest, today ordered Attorney Vera Thomas to return to Salt Lake City in time for the originally-scheduled hearing.

Schiller, through court officials here, explained he would be unable to return to Salt Lake City in time for the originally-scheduled hearing.

Meanwhile, attorneys for Pearce, Erwin and 10 women filed new motions asking that the indictments be quashed on the grounds the true bills were incomplete and supplemental bills of particulars did not contain sufficient information. Similar motions were denied by the court last week.

Pearce and Erwin are charged with profiting by the earnings of fallen women, while the women were indicted on charges of keeping or residing in houses of vice.

## Paul Pioneer Camp Nominates Officers

PAUL, June 30 (Special)—Paul camp of the Daughters of the Union Pioneers met at the home of Mrs. Jennie Thomas, Friday afternoon. A special business session was in charge of Captain Mathias Sanford. Florence Greenwell, Vera Fights, Vera Thomas were named on a nominating committee.

This group named officers to be presented to the county camp officers at Rupert for voting. Those chosen are: Estella Billington, captain; Ida Nelson, first vice president; Beth Bronson, second vice president; Grace Merrill, secretary; Eliza Sheen, treasurer; Jennie Thomas, registrar; Clarinda Green and Mathias Sanford, historians.

Following the business session, Mrs. Jennie Thomas read a history of Minidoka county and a history of Paul will be compiled and read at the next meeting. Mrs. Lucy Merrill, historian for Cache county, Utah, was a special guest and gave instructions on compiling histories.

## GAMBLERS USED HOYLE COLUMBUS, O. (AP)

— In a recent gambling raid police found a volume of Foster's Complete Hoyle. The book had been borrowed from the public library.

## Hagerman Schools Undergo Renovation

HAGERMAN, June 30 (Special)—Improvements and renovating at the high school are proceeding under the direction of Glenn Belts, Jr., janitor of the Hagerman schools.

This week was spent in enameling the interior walls on the high school building and sanding desks tops in all the buildings.

Other improvements include a cement walk around the high school and an entrance walk to the gymnasium.

New 2-piece living room suite \$49.50. Harry Musgrave—Adv.

## BOCK 'TURNS TURTLE'

WILLOUGHBY, O. (AP)—One of the workers signing a ditch in a real estate allotment picked up a large "rock." The "rock" snapped back, very much alive. Fellow workers estimated that the turtle was 50 years old.

## ENGINE WEEZES OUT

SANTA CRUZ, Calif. (AP)—Twenty-six years ago, the city fathers purchased "La Belle France," a fire engine without equal in the far west. It served continuously until a few days ago when it made its last run. When the fire was extinguished "La Belle France" was incapable of another more.

## ACEQUIA

H. C. Butler and son, Dale, accompanied Horace Smith and O. Christensen of Idaho Falls on a trip to Gold Mountain Utah on a vacation excursion last week.

**Minor Accident**

Mrs. Hattie King received notice on Wednesday of the serious illness of their mother at Mt. Vernon, Ill. Accompanied by Mrs. Asten's son and family Mr. and Mrs. Ray Summers, the two women left for Illinois. Notice of the mother's death was received shortly after their departure.

Edgar Pinsen and son, Paul, Oakland, Calif., are guests at the home of Mr. and Mrs. J. E. Pinsen and Mrs. Susan Pinsen.

Mrs. Harold Jensen and children, Helen, Francis, Buddy and Alice, San Francisco, Calif., are visiting at the home of her parents, Mr. and Mrs. A. J. Owicz.

Mrs. R. E. Zahl is slightly improved. It is reported she is home after a number of days spent in the Rupert hospital.

Mrs. J. B. Hurd has returned from a trip to Salt Lake City for a medical examination at the I. D. S. hospital.

Mrs. Bertha Butler and son, Glen, Shelby, Ida., spent several days here as guests of Mr. and Mrs. E. G. Butler. They were en route home from attending graduating exercises at the University of Idaho at Moscow.

A mother and daughter luncheon concluded the Acequia relief society program for the summer. The event was held Thursday with 74 present. Mrs. Mae Kent conducted the services.

In the deserts of northwest Chinese Turkestan are still to be found large herds of "kang" or wild asses, wild horses and wild camels.

## HELP KIDNEYS PASS 3 LBS. A DAY

Did you know your kidneys contain 16 inches of day tissue? This tissue is the filter that cleans and purifies your blood and keeps you healthy. Most people pass 3000 to 4000 cc. of urine a day. This is the waste material of the body. If you have kidney trouble, you will pass much less urine and your blood will become impure. This causes all the ailments of kidney disease. There are many ways to keep your kidneys healthy. One of the best is to take a course of Dr. Williams' Pink Pills for Pale People. This medicine will help you pass 3000 to 4000 cc. of urine a day and keep your blood pure. It will also help you pass 3 lbs. of waste material a day.
