Clever Event Given For Bride of August

Miss Marjorie Robinson, daughter of Mr. and Mrs. W. A. Robinson, was guest of honor at a dessert luncheon and linen shower of charming appointments this afternoon. Sixty friends of the bride-elect from Piler, Knully and Twin Falls assembled at 1:30 o'clock at the Community church for the event.

Miss Robinson, a supervisor of surgery at the Latter Day Saints hospital, Salt Lake City, will become the bride of Paul Joffitt, West Mansfield, Ohio, on July 28. The wedding will probably take place in Twin Falls.

Guests found their places at long tables trimmed with attractive arrangements of pink and white carnations, gypsophila and ferns. A color motif of pink and white prevailed in other decorative details, including the floral baskets placed about the auditorium, and was also detailed in the menu.

Mrs. Robinson, hostess of the afternoon, was assisted by Mrs. C. V. Jones, Mrs. C. F. Boyd, Mrs. W. M. Fisher and Mrs. Earl O'Harrow. Miss Robinson, who has been the week-end guest of her parents, will return this evening to Salt Lake City.

GROUP ATTENDS LUNCHEON AT PARK

Prominent among the outings yesterday at the City park, was the no-host luncheon attended by a group of Twin Falls and Piler friends. A special guest was Miss Mary Agatha Hughes, here from Denver on a vacation visit. She is taking courses in training at St. Anthony's hospital there.

The group included Mr. and Mrs. J. J. Hughes, Miss Hughes and William Hughes, Mr. and Mrs. Howard McKay and son and daughter, Wilbur and Juanita, Mr. and Mrs. Ted Gocchner and family, all of Twin Falls, and Mr. and Mrs. George Harhardt and daughter, Georgianna, Piler.

CLUB ARRANGES LUNCHEON ON LAWN

Among the delightful outings of Sunday was the picnic at the country home of Mrs. Beatrice Estep, attended by members of the Lend-a-Hand club, their families and a number of guests.

Mr. and Mrs. Reed and children, Hazelton, were present from out-of-town. The serving table was arranged beneath the shade of a large tree on the lawn, and guests were seated at card tables for the alfresco luncheon.

For the juvenile guests, a program of games was the afternoon's diversion. The adults spent the time socially.

FORMER RESIDENTS AMONG CLASS PICKERS

Mr. and Mrs. J. H. Koehn, former residents of Twin Falls, and their three children were special guests of the Piler's Progressive class at a picnic yesterday at the City park.

The alfresco luncheon was served after church, and was attended by 50 members, their families and friends.

VOTE SOUGHT ON SPUD MARKETING

Jerome, July 23 (Special)—Potato growers of Jerome county will have an opportunity within a few weeks to cast ballots on the proposed potato marketing agreement, according to a statement here today by Eugene W. Whitman, Jerome county extension agent.

Information concerning this program has been received here at the office from P. R. Wilson, chief of the division of marketing and marketing agreements, who states that the referendum will be held during the week of July 25 to 30 or during the week of Aug. 1 to 6.

Consensus will be held to explain the final drafts of the marketing agreements which are to be announced later for growers of the potato crop.

It has been suggested that at these meetings, representatives be selected who will act as a county nominating committee and the committee will meet and nominate persons to represent the county, who in turn will act on a district nominating committee. The district nominating committee will make nominations for the state control committee to be presented to the secretary of agriculture.

Arrangement of date when these community meetings will be held will be sent to growers through the mails from the office here.

The local office is awaiting final drafts of the marketing agreement before making final arrangements for these community meetings, announces Eugene Whitman.

Alton Barnora, a planter who has grown and graded many a fine crop, says this about Camella: "Year after year the choicest lots of my tobacco have gone to the Camell buyers. Naturally, we growers select the best tobacco for our own smoking. So we choose Camella."

"I know from experience that Camell buys choice tobaccos," says Mr. Geil Claybourne, veteran planter. "Most of the time they've paid more to get my finest lots of tobacco. Yes, most of us planters smoke Camella. We sure find a difference in their fine tobaccos."

CABBY LEADS CUBS TO 3RD WIN OVER GIANTS

Baseball Leaders Arrive Here for Class C Organization

Chicago, Pirates Score 15-Inning Wins; Yanks Split

By GEORGE KIRKSEY

CHICAGO, July 25 (AP)—Gabby Hartnett's clenched fist above head is the new symbol of the Chicago Cubs, who moved into the east today to carry on their blazing comeback campaign.

Hartnett's flaming spirit, typified when he throws his clenched fist into the air and yells, "Fight 'em, gang," has spread like wildfire through the Cubs who in four days have blossomed forth as genuine pennant contenders.

Hartnett succeeded Charlie Grimm as manager of the Cubs Wednesday night. The next day they split a double-header with Brooklyn, and then the champion Giants came to Chicago to play the Cubs. Hartnett and the Cubs captured the Giants three times in a row, and moved within a game-and-a-half of second place.

The way the Cubs triumphed over the Giants Sunday before last at Wrigley field indicated that P. K. Wright's sudden shift in position to give the Bruins a "line in the arm" had the desired result. The Cubs batted their way to victory to conquer the Giants, 4-3, and beat Carl Hubbell, who had come into the game as a relief pitcher in the seventh.

Trailing by one run with two out in the ninth the Cubs tied the score when Stan Hack crossed the plate on a single by Earl Browdie. Browdie again saved the game in the 14th when he ranced back against the center field wall and pulled down a home run by Hank Leiber. The winning run was scored on Billy Jurges' single and Hack's double. Detroit, who beat the Cubs on Saturday, scored hit 13th victory in a relief role. The defeat dropped the Giants to four games behind the Pirates and the Cubs, and made it one of the most disastrous western trips during which they won four games and lost nine.

Pirates Keep Pace

Pittsburgh kept up its swift pace by defeating the Boston Bees twice, 5-1 and 4-0, in the 13th and 14th innings, the nightcap being halted by the Sunday blue law. The Pirates won a run out of their last 27 games.

Cincinnati divided a double-header with the Phillies, winning the first, 5-4, and losing the second, 4-2. Johnny Vander Meer was wild in the second game, and had to be taken out after he had worked four men in a row with two out in the third.

After losing out to the Dodgers, 5-4, in the first game, the Cardinals dropped the second game, 3-2, and then won the nightcap, 4-2. Durocher's single won the opener, Stainback's walk and Durocher's single accounted for Brooklyn's winning tally in the nightcap.

Yankees Split

The New York Yankees split with the Chicago White Sox, beating them 7-5 in the 13th and 4-2 in the second game, 8-3. Thornton Lee held the Yanks to two hits but couldn't get a run in the eighth.

Detroit broke its seven-game losing streak with a double victory over the Athletics, 7-5 and 7-3. Fred Greenberg hit home run 75 with the bases loaded in the opener.

Washington closed the St. Louis Browns, 11-1, after losing the opener, 4-2. Oral Hildebrand gave up only eight hits. George McQuinn had a perfect day, getting "4 for 4."

The Red Sox and Indians were rained out in two games.

ANN STREIFUS WINS TENNIS TITLE

Chiefs, Power Clubs Take Sunday Tilts

Utah Chiefs trimmed Gooding 10-4 and Idaho Power downed Flier All-Stars 6-1 in a pair of exhibition softball games at Lincoln field yesterday.

With Walt Rigger hurling another fine game, the Chiefs batted out 11 hits of the offerings of E. Robertson to clinch their game. Rigger allowed only one hit in the six innings he pitched, a single by Webb after two were down on base; the third was replaced with Fred who came down in the sixth by Ray Frey who walked the first two men to face him and then struck out the next two. Rigger struck out 11.

Gibson hit a home run, John Wells a triple, and Adkins, Frey, and Hayes each got two-batters in the Chief assault.

Idaho Power scored three runs on a pair of hits by Vogt's and the game was decided to victory over the Flier All-Stars. Max Croft, routhpaw hurler, allowed only a pair of hits in the second inning, including a home run in the fourth by "Lewie." He struck out 17 batters. Frey hit the only extra-base hit for the winners, a triple in the first inning.

In tonight's regular league games, Utah Chiefs played Vogt's and the Power club consisted of the game-winner who play behind-the-scenes roles in pennant campaigns of major league clubs.

"According to Fred Harris, Lewiston club owner, and president of the loop, there will be representatives arrive in town today from Reno, Chicago, Cleveland, Boston, Cincinnati, Brooklyn and possibly other big league cities—not to mention several Coast League representatives.

"It appears more and more that the big leaguers are interested in getting hold of the local franchise, but we have been informed that there are more big league and coast league clubs bidding for spots in the loop than there are clubs. It is expected that to stay 'private' club, according to owner Harris, and it is possible that several of the other clubs in the loop may shy away from competitors.

With the building up of farm systems, the style at the present time is to buy up the best talent available in the area to build a scramble for berths in the new Class C organization.

When it comes to this league before???

Short shots: A WPA grant from Washington will provide the necessary equipment to add 7,000 seats at the Badger stadium.

Kimberly Takes Close Game from Shoshone

Takes 6-3, 6-1 Victory over Mrs. Molony

KIMBERLY, July 25 (Special)—Kimberly's slugging baseball crew maintained its unbeaten record in the SCI league today—but only by pushing across a pair of scores in the 11th inning Sunday to nose out Shoshone, 15-12.

Shoshone, coming back from an 11-7 deficit, deadlocked the score in the ninth inning and added one more for a 12-11 lead in the first half of the 11th frame. But Kimberly placed two men on the sacks in that stanza by way of walk, and then Mon Shepard clouted out a single to score both runners and clinch the victory.

Score First

Before the ninth, Shoshone held the lead on four runs. The visitors scored three in the first, frame on two hits and a Jack of Kimberly errors. Kimberly reversed that in the second by clearing the bases on a flurry of hits, walks and bases hit by the pitcher. The home crew added three more in the fourth, but made the count 4-3 and the ran out the set in the next game.

Mrs. Molony captured the opener in the second frame, but Miss Streifus increased the power of her service to sweep six in a row for the championship. The final game was the only love-score in the set. Three of the others went to deuce and advantage several times as both girls battled stubbornly.

Fast Service

The new champion's fast service was an effective weapon throughout. It was among the best in Idaho's tennis ranks and Miss Streifus scored several times at crucial spots.

A good-sized gallery watched the tournament finale at the Twin Falls Tennis club court.

Miss Streifus will receive the championship trophy and Mrs. Molony will be given the runner-up award. These will be awarded when similar trophies are given to the men's singles champion, Bob Barker; the men's doubles, Hal Dibble and Packard; the men's runner-up in singles, Al Westergren; and the doubles runner-up, Dr. Harry Alban and Westergren.

The trophies—bronze tennis figures for winners and bronze medals for runners—were given by the Intermountain Tennis association. They will be presented this evening at a gathering in the George Sprague home.

Representatives from Big Leagues to Take Part in Tuesday Meet

Helen Martin, Walt Gooding Win Titles

Baseball representatives from big league and Coast League cities and from inter-mountain towns poured into Twin Falls this afternoon as plans were being laid for the organization of the new Class C baseball league tomorrow. The meeting is scheduled to start at 10 a. m. in the Chamber of Commerce rooms.

Presiding will be Loyd C. Harris, temporary president of the league, from Lewiston, Idaho. Robertson of Twin Falls is temporary vice president and Al Warden of Ogden, temporary secretary.

League Make-Up

Rumors fly thick and fast as to the possible size and make-up for the league, but contrary to a belief issued in some quarters, it is nearly certain that the loop will have eight teams. It is expected that representatives will be present from Lewiston, Boise, Idaho Falls, Pocatello and Twin Falls in Idaho; Baker and La Grande in Oregon; Butte and Pasco in Washington; Montana; and Ogden, Salt Lake City and Provo in Utah. Big league teams expected to be represented in this region will be Salt Lake City, Chicago, Boston Red Sox, St. Louis Cardinals, New York Yankees, Pittsburgh Pirates and possibly several others.

Present plans call for a Class C organization. Requirements in organization of a Class C league may include Cincinnati area—at least not this year. Player limits for Class C are 20 players up to 20 days after the opening of the season; after that 15 up to Aug. 25. This includes a manager. Salary limit for a Class C club is \$1,600 per month, which does not include the manager's pay.

Talk today pointed to the possibility of hook-ups between Cincinnati Reds and Ogden St. Louis Cardinals with either Pocatello or Twin Falls; Cleveland with Pocatello; Pittsburgh in Boise; and San Diego of the Coast League with Salt Lake City.

'BIG SHOTS' COMING

Southern Idaho baseball fans who attend meetings of the Intermountain league here on Tuesday will get a chance to talk to some of the real "big shots" of the game-winner who play behind-the-scenes roles in pennant campaigns of major league clubs.

"According to Fred Harris, Lewiston club owner, and president of the loop, there will be representatives arrive in town today from Reno, Chicago, Cleveland, Boston, Cincinnati, Brooklyn and possibly other big league cities—not to mention several Coast League representatives.

"It appears more and more that the big leaguers are interested in getting hold of the local franchise, but we have been informed that there are more big league and coast league clubs bidding for spots in the loop than there are clubs. It is expected that to stay 'private' club, according to owner Harris, and it is possible that several of the other clubs in the loop may shy away from competitors.

With the building up of farm systems, the style at the present time is to buy up the best talent available in the area to build a scramble for berths in the new Class C organization.

Seals, Seattle Win Two Each

(By United Press)

San Francisco and Seattle swept their double-headers in the Pacific Coast League Sunday when other teams were dividing twin bills.

San Francisco took two straight from San Diego and Seattle knocked over the league-leading Los Angeles team twice, pulling the Angels back to just a single game over the Seattle Mariners. The Seattle split with Sacramento and Portland squared with Oakland.

The Seals took San Diego 9-7 and 4-0. North's home run features the six-run rally by San Francisco in the sixth inning of the first game.

Seattle took the two games from Los Angeles, 5-2 and 7-3. Fred Hilt, champion of Seattle won the opener, scattering eight Angels hits.

Hollywood won the first game, 10-7, in spite of Johnny Verger's two home runs in the eighth. Barton and Conzart homered for Hollywood in the eighth.

Verger got his third home run of the day in Sacramento's three-run rally in the sixth inning which won the game 3-2.

Portland started off by beating Oakland, 7-3. Oakland replied by winning the final game, 4-1, with Eric spreading six Beaver hits thinly over the seven-inning tangle.

Net Team to Play at Sun Valley

Twin Falls tennis players of both sexes will invade Sun Valley on Sunday, July 31, for a match against a combined Sun Valley and Hettley team. It was announced today by officials of the Twin Falls Tennis club.

The match will be played on the two courts at Sun Valley. The match will include men's singles and doubles and perhaps mixed doubles. Play will begin on both courts at 10 a. m.

Hettley's net ranks will provide four of the five singles and Sun Valley will fill the remainder of the line-up.

Tentative list of the Twin Falls squad members includes for the men: Dr. Harry Alban, Al Westergren, Fred Greenberg, Henry Graham, Hal Dibble, Wayne Munkit, L. E. Joslyn and Jimmy Hullen. Female players are Margaret Johnson, Helen Martin, Ann Streifus and Mrs. Edna Molony.

N. American Zone Play to Open for Cup

(By United Press)

Germany and Yugoslavia meet in the European Davis cup final next week and simultaneously with opening of the North American zone play at Hollywood, Calif., Tuesday.

Germany won its way into the final with a 2-2 victory over France. Yugoslavia, however, has a 3-0 victory over Belgium in its semifinal test.

The final winner will come to the United States to play the North American zone winner.

North American zone play begins Friday when Australia and Mexico clash at Kansas City, Mo., and Japan and China meet in Montreal. Winners of these two matches meet in the zone final at Montreal Aug. 4, 5 and 6, with the victor leading the European winner in the later zone final. Winner of the inter-zone then will challenge the United States for the cup.

Garrity Takes Junior Title

NAMPA, Idaho, July 25 (AP)—Walter Garrity, 15-year-old Nampa proffer, has 180 trophies and a title of Idaho junior golf champion today as a result of his victory yesterday in the tournament finals here.

Clearly, pegged as a tournament favorite on the strength of early performance, Garrity took the title of Nampa, 4 and 3 to earn the title.

The trophies he received were given by American Legion and the Idaho Free Press. Nampa newspaper.

Members of the President's club were won by Jim Biletski of Nampa, one up from Fred Taylor of Nampa.

CALL TRUCK OPERATORS:

It has never been so important as it is today for you not to choose new equipment of any size or type until you see your Ford Dealer. Here are some reasons:

HUNDREDS of thousands of actual users have now proved that the V-8 engine as built by Ford is the ideal power plant for modern hauling needs.

The economy of this engine, both in running costs and upkeep costs, is as strikingly proved by actual job records as in its performance.

The Ford V-8 truck engine built itself to your job in size. You have your choice of 85 H.P. for heavy duty or 60 H.P. to give extra economy at lighter work.

The variety of Ford truck equipment, ranging from 5 wheelbases, makes the right unit for better than 99% of all types of hauling.

Two new types in the Ford Truck line this year are rousing unusual interest. One is the "One-Tonner." The other is the new Cab-Over-Engine unit.

In hauling more than four million Ford trucks, Ford truck engineers have developed many important features found in no other units today.

Your Ford Dealer offers to let you judge for yourself what this truck would do for you. Borrow one to test on your own job, with your own driver.

THIS CURIOUS WORLD By William Ferguson

SEA LEVELS
ARE RISING AT THE RATE OF ONE FOOT EVERY TWELVE YEARS ... DUE TO MELTING OF THE POLAR ICE.

MANY OF THE SMALLER PACIFIC ISLANDS WILL DISAPPEAR ENTIRELY AS THE WATER RISES.

SKUNKS
EAT HAIRY CATERpillars, BUT THEY ROLL THEM ON THE GROUND FIRST IN ORDER TO BREAK OFF THE HAIRS.

OUR BOARDING HOUSE with Major Hoople

OH, GERALD! YOU WERE WONDERFUL! WHY, YOU TOOK YOUR LIFE IN YOUR HANDS!

AW, SHUCKS, I DIDN'T DO NOTHIN' BUT JEST REACH DOWN AN' PICK HIM UP AFTER HE BUMPED INTA ME!

YA CAPTURED ONE OF THE MOST DESPERATE CRIMINALS AT LIBERTY. THERE'S A \$500 REWARD OUT ON THIS GUY AN' YOU SURE EARNED IT!

EVERYTHING THAT GUY TOUCHES TURNS TO GOLD—EVEN A YEGG!

It is estimated that when all the Arctic and Antarctic ice has melted, sea levels will be about 100 feet higher than they are now. This will be sufficient to submerge completely many of the islands that now exist and destroy shipping harbors.

BOMB TAKES TOLL IN JERUSALEM IN ANTI-ARAB OUTBREAK

REPORT SAYS 35 KILLED WITH 60 HURT BY BLAST

JERUSALEM, July 25 (AP)—A bomb of terrific power exploded in an Arab crowd at the vegetable market at Haifa today and exacted a toll of casualties expected to surpass that in any of the long series of outbreaks between Jews and Arabs.

The Exchange Telegraph of London reported 35 Arabs killed and 60 wounded.

Public and private hospitals were overtaxed and British authorities opened a field hospital in a school to take care of the overflow of casualties.

Police, soldiers and marines from the British mandate of Palestine were sent in emergency duty in the disaster area and British troops were called in from other parts of Palestine as riotous Arabs who had seen Jews, sweethearts, fathers and sons torn to pieces began setting fire to Jewish shops.

Jews closing their shops and other businesses voluntarily, but British authorities, fearing an explosion of racial hatred that would get beyond all bounds, imposed a day time curfew to keep crowds from congregating.

This was the third, and most serious incident of the sort this month, and the second at Haifa. On July 6 a bomb was thrown into a packed crowd of Arabs and Jews at the Haifa vegetable market.

Arabs from nearby villages, men, women and children, gathered at the Haifa vegetable market this morning for the early trading.

There was a frightful explosion. It was believed that a lime bomb must have exploded in the market during the night.

In a moment, the colorful market, was changed into a sickening scene of slaughter. Human limbs, heads and torsos were mingled with the melons and vegetables from the market stalls and the bodies of dummies and camels.

Police found the situation at the market more than they could deal with. They called British soldiers. The soldiers were insufficient and emergency call was sent for marines from the Repulse.

Set Fire to Blows Arab men and boys began setting fire to Jewish shops. It was then that the authorities called for troop reinforcements and imposed the day time curfew.

As the police, soldiers and marines were trying to clear up the debris of human and animal bodies, and vegetables and fruit, at the market, news was received of a clash in which one Jew was killed and six were wounded near Mt. Carmel when a bus proceeding to Haifa, was halted by a road blockade and fired upon by men in ambush.

Plans Revised for New Court House JEROME, July 25 (Special)—C. A. Sundberg, architect from Idaho Falls, met with the Jerome county commissioners Thursday morning in regard to the latest plans of the new court house.

It was necessary to revise the plans somewhat after the location of the structure had to be changed. The commissioners are now advertising for bids for excavation.

Here From Oakland Miss Maxine Cress, Oakland, is the spouse of Mrs. Edith Rich. She is a former resident of Twin Falls.

1,000 See Colorful Battle in Fireworks

Twin Falls had returned to normal routine this afternoon following completion Saturday night of the "Idaho on Parade" celebration which was climaxed by presentation of the spectacular "Siege of the Argonne" pyrotechnic display at Lincoln field and the crowning of Miss Virginia Lawrence as "Miss Victory" at the Marid Gas grounds.

Slate traffic officers estimated more than 10,000 persons witnessed the siege with nearly 6,000 of this number being seated within the enclosures of Lincoln field.

But it was a surprise gesture on the part of Verne Newcombe, producer, which caused the thousands present to applaud for several minutes.

Fireworks spelled out the words "off with the top bridge," and cheers resounded from the crowd.

And I hope the toll goes," Mr. Newcombe commented after the show was completed.

The coming of Miss Lawrence at the Marid Gas grounds attracted hundreds of spectators as Lt. Gov. Charles Gossett congratulated her and placed the crown on her head. She was attended by other contest winners.

Work of staking out the main runway at the local airport, as part of the development program, was underway this afternoon under the direction of Plez B. Wilson, city engineer.

The new runway will, when completed, be nearly a mile in length and approximately 300 feet wide. It will be the longest runway in the state and will run diagonally across the acreage.

The runway will cross a small valley near the local airport, and it is necessary to fill this in with rock and dirt before the runway can be completed across this section.

Principal item of expenditure on the field this year will be the funds used for purchase of the land.

Edna A. Dean, local transport pilot and chairman of the airport committee of the Chamber of Commerce, conferred with Mr. Wilson this afternoon regarding the new runway.

JEROME COLLECTS \$336,069 TAXES

JEROME, July 25 (Special)—Earl F. Kennedy, Jerome county treasurer, in an announcement made this week stated that the total taxes for the year 1937, the total collection for the year amounted to \$336,069.30 with the \$114,202.69 of this amount being collected during June, 1937. This leaves a total delinquency for the year of \$88,825.10.

Kennedy announces that tax delinquency proceedings will begin next month on delinquencies for the years 1932-33, and 1935. The 1934 tax will not be up for tax delinquency next year.

All accumulated interest prior to January 1935, has been cancelled and taxes for the years 1930 and 1932 inclusive, draw six per cent from January 1, 1935 and 1936 and 1937 draw ten per cent interest from the first of January of the following year.

Returns to Coast Mrs. M. C. Deweller has returned to San Francisco following a vacation visit with relatives.

HUGE ARMY SHIP VISITS AIRPORT

A United States army bomber, powered with two 850 horsepower Wright Cyclone motors, visited the Twin Falls airport Sunday for several hours and attracted scores of persons to the field after it had landed here.

The bomber, from Spokane, arrived here shortly after noon and left after the officers and crew had lunch in a downtown cafe.

Another visitor to the local field Sunday was Jack McConnell, Pocatello transport pilot who flew his Reconrwin sportster here.

McConnell said he is growing with a large class of students taking flight training here and will improve the equipment of the Twin Falls airport. It is planned to permit students to fly from Pocatello here in order that they may take the cross-country flying requirements.

JEROME TO OPEN BIDS ON AUG. 19

PORTLAND, July 25 (Special)—Bids on the contract for excavation for the new courthouse to be erected at Jerome in Jerome county, Idaho, will be opened Aug. 19 at 2 p. m. at the office of the board of commissioners in Jerome. It was announced at the office of the PWA regional director, G. C. Hockley.

An allotment of \$25,000 to aid in financing the project was approved recently by the public works administration. The total cost of the courthouse is estimated at \$80,000.

Plans call for a two-story fireproof building to be constructed of reinforced concrete. The building will contain hall quarters and a basement, in addition to courtroom and office space.

Sundberg and Sandberg of Idaho Falls are the architects.

Fishing at Peak

YELLOWSTONE PARK, Wyo., July 25 (Special)—Fishing in Yellowstone national park is rapidly approaching the season's peak.

Water levels in lakes and streams have receded to seasonal normals and rivers are flowing more slowly.

Anglers are reporting the most luck in Yellowstone lake and the Yellowstone river where cutthroat or native trout abound.

Of the streams near the highways, the Madison and Firehole rivers are considered the best.

Other officers, recently named, are Edgar D. Vincent, vice commander, Don Spencer, adjutant, V. C. Boyd, sergeant-at-arms, R. K. Dillingham, chaplain, and Nancy Shirk, historian.

Delegates to the state convention in August at Pocatello are Earl V. Johnson and Don Spencer.

LEGISLATURE TO DISCUSS HOUSING

Legislation calling for Idaho's participation in the United States housing program will be introduced at the next session of the state legislature. It was announced here this afternoon by Thomas McDougall, low cost housing administrator for this state.

McDougall said completion of a state-wide committee of prominent persons, elected in the immediate future, would result in a revision of contemplated laws and that these in turn would result in new legislation being introduced.

Passage of this legislation, he said, would result in more than \$1,000,000 being available for low cost housing construction in Idaho. Full particulars regarding the proposed legislation will be announced after members of the committee have reached a decision, he said.

Last week McDougall, at request of Gov. Harold W. Clark, spoke before a special class on low cost housing in connection with the summer school at Albion State normal.

Hippodrome's Program Will Offer Variety

Varied exhibits from the "largest and tallest match cow in the world" to a stein circus will await Twin Falls and south central Idaho residents when the Mammoth Hippodrome shows here next Thursday and Friday, July 23 and 24. The show, housed on its own special railway cars, will be located on the Union Pacific tracks opposite the passenger depot.

The Hippodrome will show from noon until 10 p. m. both days. Among its attractions are these: Imported Scotch Highland long-haired steer, with eight to 12-inch orange-colored hair all over its body and six foot one inch horn spread; a baby elephant; the world's only black and white colored mule; the largest horse in the world; a fine specimen of western plains buffalo; a Texas longhorn steer; a flock of pink penguins from the Galapagos islands.

Featured attraction is "Serpentina," advertised by the Hippodrome as "the living answer to 'Do mermaids really exist?'" Capt. Alexander's London flea circus is billed as the best of its kind now touring the nation.

YOUTH DROWNS

EMMETT, Idaho, July 25 (AP)—Loren Molgahan, 19, drowned last night when he went beyond his depth in a rock crusher pond.

He could not swim. When he sank from sight, two smaller boys swimming with Molgahan ran for help. The body was recovered an hour later.

FLYING SERVICE PURCHASES SHIP

Purchase of a Cub "sportster" airplane, formerly the property of the now defunct Idaho Flyers association, a flying school organized here earlier this spring, was announced this afternoon by officials of the Magic City Flying service.

Purchase of the plane, only three months old, gives the Magic City service two Cub planes for use in student instruction. Both ships will be based at the local field.

Visit in Denver E. H. Olmstead and family are spending the week visiting in Denver and vicinity.

IT'S A PRIVILEGE TO LIVE IN IDAHO Our Sheep bring us WEALTH and... ELECTRICITY for Farmers and Ranchers is 33% CHEAPER than the National Average

★ Wool, lambs, mutton—they all help diversify our farm income, keep us from depending too much upon only one source of wealth. We're told that other states raise fine sheep. No doubt—but their farmers can well envy us something, and that's Cheap Electric Service. The farms and ranches served by the Idaho Power Company pay ONE THIRD LESS than the average for the farms and ranches of all the United States. And Idaho Power's farm customers make full use of a good bargain by using nearly twice as much electric service as the farmers of the nation as a whole. It's a privilege to live in Idaho—where ELECTRICITY IS CHEAP!
