

SPUD VOTE MIX-UP SMOOTHED OUT IN TWIN FALLS COUNTY

HALE STEPS OUT OF DETAILS FOR FARM BALLOTTING

Danger of ballot confusion which might have made many votes invalid in the potato marketing referendum in Twin Falls county had been smoothed out today.

County Agent Harvey S. Hale, who had been voting arrangements with which the Twin Falls County Agricultural Conservation association had agreed, announced today that he has withdrawn from connection with the referendum balloting.

The balloting, under the arrangements made by the conservation association, will be held on Tuesday and Wednesday.

The national referendum, being held in all counties and precincts, must secure a two-thirds majority of the farmers voting if it is to become effective.

Mr. Hale cancelled plans to have a series of three educational meetings he had called. The plans had been branded as unauthorized by the spud program county committee.

Original voting plans on the spud marketing agreement were issued by his office under instructions from Mrs. T. Benson, extension economist and Warren Barber, district agent.

The county agent cited voting hour provisions in the secretary's pamphlet as differing from those set by the county committee here.

Mr. Hale said that his only purpose has been to assist in conducting the referendum and to facilitate the voting.

In addition to Hale's three meetings, the county committee also has arranged for two educational meetings to outline provisions of the marketing agreement.

Time for the third and final broadcast concerning the proposed potato marketing agreement has been changed to 7 p. m. Monday, Aug. 22.

Details of the 1938 agreement and the changes made in it will be broadcast in the district agricultural conservation association here.

Mr. Hale will speak at the other three.

LONE CHANGE IN UTILITIES VALUES

Sole change in utility or railroad valuations in Twin Falls county this year is a substantial boost of Idaho Power company's assessed value because of new improvements on the firm's property within the county.

County Assessor J. D. Bartlett said today after returning from the state board of equalization meeting in Boise.

The board of equalization sets the levy on utilities and has the power to adjust assessed valuations.

For the state as a whole, Idaho Power's assessed value was increased about \$1,500,000. Mr. Bartlett said.

The Oregon Short Line railroad valuation was not changed in this and other south Idaho counties, its only boost in the state was a slight increase of about \$5,000.

Other utilities in this county remained at their previous valuation levels.

FILER GRID COACHES SIGNS WITH POCATELLO GREENBERG REGAINS EYE, BLASTS OUT THREE HOMERS

Jim O'Brien Goes To Gem City as Price Successor

By HAL WOOD
Evening Times Sports Editor

Jimmy O'Brien, coach at the Filer high school for the past three years, today had signed a contract to coach Pocateello high school football team, it was revealed here today.

O'Brien takes over the duties of Walt Price, who recently resigned to go to the University of Idaho where he will serve as freshman coach.

Supt. Earl Ramsey of the Filer schools could not be reached to confirm a release from the Filer post, but it was reliably reported that O'Brien had met with the board there yesterday and that they will grant him his freedom to accept the job in the bigger school.

During his three years at Filer, O'Brien has had varying success with his grid squads. His first year there wasn't able to win a big twelve game. With the smallest enrollment in the now defunct Big Twelve from the University of Idaho, he put together a formidable machine in 1937, losing only to Buhl and Twin Falls—both in upsets after his club had been pointed out as one of the strongest in the state.

Injuries hit Squad

Last year his squad was badly handicapped by a series of injuries that kept Gentry and Harding, his two backfield stars out most of the season. They were able to get together, however, in the final game to rout a powerful Buhl eleven in a Thanksgiving day game. It was the season's success for the Wildcat followers. O'Brien also coached basketball and football at the Filer institution, and aided in the development of Wayne Gentry as one of the greatest all-around athletes in the central Idaho.

Jimmie was an all-around athlete himself in college, spinning letters in track, football and basketball at the University of Idaho, and before that starring on his high school teams at Lewiston high school.

Coached at Kellogg

After graduation from college, he coached at Kellogg, in the mine country for several years with success—without bringing in any state titles because of the fact that Kellogg was without the loss of a game and then trimmed East High of Salk Lake City, 7-0, in a post-season affair.

His success there led him to the Big Twelve and a post at Filer, where he was reported to be drawing down the highest salary of any grid coach in south central Idaho.

No mention of a successor to O'Brien has been definitely made at Filer.

Jerome, Aug. 20 (Special)—The annual Rod and Gun club picnic will be held at the Federal hatchery in Hagerman, this morning, and hundreds of south central Idahoans are expected to participate in this big event, it was reported here today.

With the picnic open to everyone, contests will be staged, with outdoor sports, such as target casting, rifle, pistol and shotgun shooting and other tests of the sportsman's skill.

All who attend are asked to bring their own picnic baskets and watermelon, feed lots and lemonade will be furnished free by the Jerome Rod and Gun club.

Government Funds Approved for Buhl

Buhl, Aug. 20 (Special)—Word of the approval of a \$40,000 WPA project to improve Buhl's municipal water system has been received here from the office of Senator James P. Pope.

The federal grant covers repairs to the present reservoir, and construction of auto elevators.

Work on said and will travel for the week ended at the time of the meeting Tuesday night and the contract was awarded to Don Hutton. It is planned to start work on the project immediately.

Annual Snake Valley Golf Tourney Set

Announcement was made today for the annual Snake River valley golf tournament, staged by the Twin Falls Country Club, and open to all golfers. The tournament rounds will start on Sept. 4, according to Fred Stone, tournament manager, and will continue up to and including Sept. 11, with 18 holes being played to qualify.

The low 16 men in the meet will be in the morning, and the 18 and flights of 16 each will be arranged from there on down. Every player who qualifies will play at least 18 holes after his qualification round. The entrance fee is \$1.

The first round of match play, according to Stone, must be completed by Sept. 12, the second by Sept. 23, the third by Oct. 2, and the final of all flights by Oct. 9.

Qualification matches take place in threesomes or foursomes.

Cups for the winner are now on display at the Roberts' Jewelry store. Awarded to the second, third, fourth and runner-up in each flight and a trophy will go to the low qualifier.

The tournament will be played under the rules of the United States Golf Association, Mr. Stone states, except that the final in each flight will be for 36 holes. Local rules will be observed in all tournament play.

To avoid any confusion all play must be according to the customary or by agreement with both players and the tournament manager.

Leaders Get Test in SCI League Tilts

The badly scrambled standings of the two divisions of the SCI league will be further tested on Sunday when the six teams tee off in the second-to-last games of the season.

In the western division Tuttle meets Appleton, Orchard Valley goes to Gooding and Wendell travels to Hagerman. The latter battle will be the most interesting, as Tuttle leads in a tilt that should definitely entitle for an outstanding contender for the play-off games, set to be staged on Sunday, Sept. 4.

Protest Denied

The disputed Tuttle-Hagerman game of last week goes in the score book as a 9-0 forfeit by the Tuttle team, it was announced here today. Regardless of the situation involved, which the umpire has not yet reported, Tuttle was declared the loser, Hal Wood, executive secretary of the loop, states.

"Tuttle wanted to dispute the decision," Mr. Wood said, "the proper procedure would have been to lodge a protest with the umpire, and then fight out the game under protest." The dispute arose over whether a man on the Hagerman team should have been ejected for white flagging to follow the baseline to first base after a strike out.

Ruling Given

The rules state that it is necessary for the base runner to follow the last half of the distance inside the baselines when running to the base. The umpire in the case had still not reported the situation.

In the eastern division of the loop Shoshone will tee at Eden in a game which will be the first in the SCI league. Last week the Eden crew knocked the props from under the Kimberly team in the local field by a score of 15-12 in a slug-fest affair.

If they can down Shoshone, they will be tied for the lead. An Eden win over Shoshone and a Kimberly victory over the local field will put the three former teams in a tie for first place. On the final Sunday of league play Eden goes to Jerome and Shoshone to Kimberly.

Pace-Setters Lose in Coast League

(By United Press)

Pace-setters in the Pacific Coast league beat headlines last night from the San Francisco Giants, who defeated the San Diego Padres, 7-3, stopping a three-game streak by the latter.

Portland and San Francisco split the fourth game San Diego a lead which was never again threatened. Burt and Bush allowed the Padres 10 hits while Humphreys won giving 11.

Seattle moved up as a threat to the three major league straight win over Sacramento, 2-0. Turpin blanked the Solons with eight hits while Walker gave Seattle only six.

In the nightcap, Portland came back with a 2-1 victory although Shores held the Beavers to three straight.

Hollywood made it four straight from Oakland, winning 4-1 over the Athletics.

Girls Set for Outlaw Meet

Twin Falls girls' softball team will leave in the morning for the first annual Outlaw softball tournament, scheduled for Jerome to start at 9:30 a. m. The local misses will tangle with Hagerman at 10 a. m. in their first game of the meet.

Last evening the Twin Falls team lined up with a victory over the Filer squad in the local field by a score of 15-12 in a slug-fest affair.

Margaret Gre, on the mound for Twin Falls, hit two home runs for the winners to lead the attack. In the pitching department she struck out six batters when she allowed eight hits, she scored four runs.

Other leading hitters for the game were Betty Bringer and Gladys Smith of the Filer club. Betty Bringer, and H. H. and C. Canby of Filer, each with a double. Nellie Hill, pitching for the visitors, allowed 10 hits, walked five and struck out two.

H. S. Revision of Grades Won't Handicap Teams

Revision of the Twin Falls junior high and high school academic record to put three grades in the former school system will not affect H.S. athletic teams, school officials revealed today.

Although the senior high curriculum will now include the 11th and 12th grades, with ninth grades (therefore the freshman class) housed in junior high, "fresh" grades in the senior high will be likely enough material. That's the rule throughout south central Idaho school systems.

The junior high here will have its own athletic and physical education instructors and the rank and grade of coaches when they step up to senior high, should be just as good potential athletic material as under the former system of four grades in the senior high.

Coaches who might already be of H.S. caliber will have the same rank and grade as the variety squad as in the past.

Regarding a Baseball Ruling—

Regarding the argument between Hagerman and Tuttle in that baseball game last Sunday, we happened to run across an article in the Sporting News, official baseball paper, that just about takes care of the situation, we think.

The play, of course, was an odd one—that happens very seldom (probably once in a lifetime) in any league. Anyway, this is reported as the first time in the big leagues. The game was between the Cleveland Indians and the Chicago White Sox, and here is how it played out in the Windy City:

"In the first game of that double attraction, there came a play that probably never was seen on a big league field. With the bases filled and the out, John Whitehead, famous right-hander, dropped the third strike. Instead of throwing to first base, he rolled the ball out toward the mound and the entire Cleveland team retired to its dugout, the exception being Bruce Campbell.

Meanwhile, Whitehead had sauntered toward the bench to pick up his glove. Reddy, who was on third, had gone into left field. Suddenly everybody started running one place or another. Whitehead sprinted toward first. Radcliff came dashing in from left field to get ahead of Kreevich, who had been on second. The two of them tore for the plate with not more than two feet separating them. When they were about half way home, Campbell, who had come from right field, reached the mound, picked up the ball and started to throw it. However, nobody was at the plate. Campbell tried to run with it much too late, but he, at least, was picked before the Indians could climb out of their dugout.

The Indians caught Umpire Quinn, who was behind the plate. They claimed that Radcliff and Kreevich had scored in the wrong order and that the runner should be out. Quinn thought they were right and ruled the inning had ended before the two runs had scored. This brought out the Sox and the umpire became so confused that he figured he had best consult his pals. The umpires agreed that the runner should be out. The Indians announced he would file a protest, if he lost. The protest wasn't filed because the Indians, after getting nine runs in the first inning off Knott and Whitehead, were kept safely in front by Bob Peiler's pitching."

Junior Swimmers Open State Aquatic Meet

Idaho's best amateur swimmers this afternoon started their quest of individual and team honors as the all-Idaho amateur swimming meet got underway at the Harmon park pool at 3 p. m. with junior division trial heats being run off.

This evening, starting at 7 p. m., junior finals in all events will be staged and the finals will then be cleared for tomorrow's activity, starting at 1:30 p. m., which will see the best swimmers of the senior division start their quest of titles. Following the trial heats, finals in the senior division will be run off under the lights starting promptly at 6:30 p. m.

Idaho's best swimmers participating in both senior and junior events include Twin Falls, Idaho Falls, Boise, Pocatello, Nampa and Caldwell. Headquarters during the meet will be the Rogers hotel. The meet is sponsored by the Twin Falls Junior Chamber of Commerce.

Official Marks

All records made during the meet will be recognized as official Idaho marks, this being the first time any state meet has been held in a pool with a 50-yard straightaway course. Diving events are being staged from the three major hotels.

No admission is being charged and city officials have made provisions for seating about 1,000 persons around the pool.

Dressing tents for contestants were furnished through courtesy of the Thomas Top and Body Works while the Public address system is through courtesy of the Powell Radio shop and Detweiler Bros. Local merchants donated trophies and medals.

Approximately 90 swimmers will have participated before the two-day meet is completed.

Aussies Look Forward to Davis Cup Challenge

By HENRY McLEMORE
BOSTON, Aug. 20 (U.P.)—Victory over Germany in what surely must have been the greatest international final in the 28 years of Davis cup play, Australia's two-man expeditionary force today looked forward to the challenge from the United States.

Yeh, not only looked forward to the challenge, but they were because the Australians consider they have much more than a fighting chance to regain the cup from the "Yankees" under" for the first time since 1919.

Oddly enough this optimism is not based on their crushing victory over Germany. There is time when the rout of the Nazi cup team without the loss of even one set would have been something to brag about.

International Dresser

But that was when Baron Gottfried von Cramm was taking his revenge on the United States and not in a prison court yard. George von Metaxa, who replaced the jailed Baron, is an international dress-up only. There is dozens of American players who could defeat him with ease. Hener Henkel, the other half of the German duo, was handicapped not only by Metaxa but by a badly injured right elbow as well. As a result Adrian Quist and Jack Bromwich, Australian players, won as they pleased.

Germany's collapse was very disappointing to the American fans on counts of their own. They were sure to see the United States force to scout the Aussies. Wearing their Sunday pants and all their importance, the committee members of the United States by the courts and tried to study themselves out of a deep lof. Even Bobby Riggs, who will share the American singles title with Don Budge, was here to examine the weakness and strength of Quist and Bromwich. The committee and Budge who is in a formal suit. The Germans didn't play well enough to uncover the defects of the Australians or make them show their true potential.

Remember Last Winter

The opinion of the Australian is based on (1) what happened to Budge and Quist who lost the 1937 Australian last winter, and (2) their belief that Riggs may be beaten in both his singles matches.

In Australia, Budge and Mako proved they could be beaten both

Cooper Picked To Retain Canadian Title

TORONTO, Ont., Aug. 20 (U.P.)—The Canadian Open Golf championship, which no Canadian has won since before the World war, appeared headed for the United States again today.

The man favored to return it there was Harry Cooper, defending champion from Chicopee, Mass. Most consistent of contemporary golfers but never winner of a major American crown, he was a stroke off the lead as the 65 who survived the opening 36 holes of medal play began battling over the final two rounds of the 72-hole tournament.

Leading the field by a stroke were the long and short of professional golf—Sluggin' Sammy Sneed of West Virginia and Little Paul Runyan of White Plains, N. Y., American P.G.A. champion.

Sneed and Runyan had 67 1/2, five under par, yesterday, for 36 hole aggregates of 138. Cooper, who had a 71 on his opening round Thursday, was leading over the final two rounds of the 72-hole tournament.

The pros all feared Cooper because when he's hot—and he usually is hot during the stretch in this tournament—he's not stopping him. He won in 1932 as well as last year.

Canadian hopes of a victory were slim. The closest home pro to the leaders were Bobby Alston of Ottawa and R. T. Gray, Jr., of Toronto with 142. The low Canadian gets \$500; the winner \$1,000.

Tiger Ace Moves Ahead Of Ruth's 1927 Record Breaking Pace

By GEORGE KIRKSEY

CHICAGO, Aug. 20 (U.P.)—Hank Greenberg's home run bat is not again and Babe Ruth's record of 60 homers in one season one of the greatest marks on the books—today it is once more in jeopardy.

Greenberg hit three circuit clouts yesterday in a double-header against the St. Louis Browns to raise his season's total to 41.

Only a few days ago when Hank was in Chicago with the Tigers he was disconsolate over his home run slump and had about given up on his chances of breaking Ruth's record. He smashed 15 homers during July and at one time was 18 days ahead of the Babe's 1927 record schedule. But he went into a slump and until he banged out three yesterday he had connected for only one homer this month.

"I can't explain my slump," Greenberg said at that time. "When I try to pull the ball to the left I don't get a good piece of it. Most of my power seems to prevail when I hit to center and right and that handicaps my chances of breaking Ruth's home run record. I guess I'll just have to be content with single's."

Tremendous Wrist Power

Greenberg is a right-handed hitter with long arms. He has tremendous wrist power. There has been considerable discussion about whether he guesses with the pitcher. Once the experts credited Del Baker, now Detroit manager who is adept at sighting signals, with much of Greenberg's success by flashing him what pitches were coming. Greenberg laughs at these assertions and points out that some of the greatest days he ever had at bat were when Baker was absent from the team because of illness.

Greenberg drove in eight runs with his three homers. He hit his first with three men on in the third, his second with the bases empty in Detroit and his third with two men on in the first inning of the nightcap. The Tigers won both games from the Browns, 8-7 and 7-4.

In 41 in 109 Games

In getting his 41 homers Greenberg has been in 109 games. Ruth took 120 games to get his 60 in 1927. Hank has 49 games in which to hit the 20 necessary to smash the Bambino's mark.

CHINESE CLAIM USE OF GAS IN JAPANESE OFFENSIVE

DEFENDERS SAY NIPPONS DRIVE ALMOST STALLED

By Joe Alex Morris
United Press Staff Correspondent

Chinese officials charged today that poison gas had been used by Japanese troops in a desperate effort to bolster their offensive up the Yangtze river toward Hankow.

A counter-attack by Chinese forces in the Yangtze sector, where Japan's great military machine has been stalled for almost a month, failed only when the gas was used, according to an official communique from Chungking.

Floods, mosquito, cholera and other diseases are said to have hampered the climactic phase of Japan's conquest of the most difficult military operation yet undertaken by Tokyo.

Soviet Russia has been reported supplying the Chinese with war materials, particularly airplanes, and Communist leaders in China have attacked the Generalissimo Chiang Kai-Shek flight to a finish before Hankow.

The book store will be open August 20 to Sept. 3, and the superintendent tented to arrange for books before the opening of school.

An innovation this year will be the maintenance of a separate book team to compete with other teams of class B sub-districts.

The faculty for this year will be: E. Turner, superintendent; history and music; John B. Darling, English, Spanish, art and band; Miss Elizabeth Williams, commercial, chemistry; William D. Fowser, biology, science and athletics; Robert Miller, Smith-Hughes; Herbert Thorne and Miss Mona Baskin, Junior high grades; Mrs. E. C. Klenkoff, principal of the new grade school, fifth grade; Miss Roberta Jordan, fourth grade; Miss Kaye Whitford, second and third grades; Miss Leona Peterson, first grade.

DEMOS ENDORSE F. D. R. AND ROSS

Vigorous endorsement of President Roosevelt's efforts to reorganize government departments for greater efficiency, commendation of Ben Ross for the governorship and approval of the highway audit had been voted today by the Twin Falls county Democratic central committee.

Passage of the resolutions was voted at Friday's reorganization meeting of precinct committees held in district court rooms here. As announced in the Evening Times Friday, the committee members were: B. Lawrence as state central committeeman after five ballots; elected C. R. Wilson, Kimberly, as county chairman; elected L. A. Kinney, Piles, vice chairman; and authorized Mr. Wilson to appoint a vice-chairman on recommendation of the Twin Falls county Democratic women's organization.

The Bourbons named Mrs. E. D. Logan, Castelford, as state central committeewoman.

Thomas M. Robertson, Jr., was elected secretary of the county committee.

PARTY PLATFORM SLATES ALIGNED

Twin Falls county representatives to the platform conventions of both political parties were aligned today.

The Lawrence, Twin Falls state committeeman after five ballots; elected C. R. Wilson, Kimberly, as county chairman; elected L. A. Kinney, Piles, vice chairman; and authorized Mr. Wilson to appoint a vice-chairman on recommendation of the Twin Falls county Democratic women's organization.

The Bourbons named Mrs. E. D. Logan, Castelford, as state central committeewoman.

Thomas M. Robertson, Jr., was elected secretary of the county committee.

G. O. P. RELECTS OFFICERS' SLATE

Carl E. Ritchey of Twin Falls today had re-elected county chairman of the Republican central committee after members of that group had met at the American Legion hall last night at 8 p. m.

After from election of officers, the precinct committeemen present also outlined plans for an aggressive campaign. During the meeting the Republican candidates were introduced.

Others Re-elected
Re-elected: G. O. Ritchey, were E. M. Rayborn, Piler, state committeeman; Miss Isletta McCoy, Twin Falls, state committeewoman; John C. Harvey, secretary; Roy Felt, Piler, secretary; James H. Shields, Jr., Piler, was elected vice chairman. Executive and finance committees will be named at a meeting of the committee which will follow the Republican state platform convention at Boise next Thursday. Campaign headquarters will also be selected at that time.

To fill vacancies, three men were elected to the committee last night. They are Howard Galt, Deep Creek; Iren Crisp, Lucerne, and Paul Schnell, Rogerson. H. L. Clark was certified as the Democratic committeeman after the race in the primary had resulted in a tie vote with Kopp, secretary.

Candidates introduced
Candidates who were introduced included F. W. Neale, Knuff, for county chairman; E. M. Rayborn, and Ralph E. Leighton, Twin Falls, for state representatives; Milton Lierman, Clover, for sheriff; George A. Childs, Bull, for assessor; Mrs. Alice G. Weeps Bring Woe And Fine of \$70

GOODING, Aug. 20 (Special)—William Huffman, 53-year-old floater, was fined \$70 by Police Judge E. L. Shilton Monday for privacy of learning the effects of tear gas. Huffman found out about the gas last Wednesday when Day told him A. B. Blain had come to pick him up on a drunkenness charge.

Huffman resisted and reached for a knife in his hip pocket. A gas cartridge discharged in his face brought him to tears and took the light from him immediately. Twenty dollars of the fine was for drunkenness and the other \$50 was for resisting an officer.

GOODING COUNTY POTATO VOTE SET

GOODING, Aug. 20 (Special)—Potato growers in Gooding county will have a chance to ballot on potato marketing agreement in a referendum which opened Friday, Aug. 19, and will extend to 5 p. m. Wednesday, Aug. 24. The marketing agreement, in its revised form, will be explained in two meetings to be held next week.

The first of these meetings will be held in the Orange hall in Wendell at 8 p. m. Monday, Aug. 22, and the final meeting will be held in Gooding in the county court room at 8 p. m. Tuesday, Aug. 23. A ballot box will be provided at both meetings. Those who do not attend that side of the office of C. L. Link, county agent.

All producers who have been engaged in the production of potatoes for market between July 1, 1937, and July 1, 1938, are eligible to vote in the referendum. Each voter must be prepared to register the number of bushels produced during that period.

Legion Delegates Go to Convention

GOODING, Aug. 20 (Special)—Gooding delegates to the Idaho convention of the American Legion meeting in Pocatello, Aug. 21 to 23, are: Roy Devoe, Piler, and Harold Lucke, representing Perry Bay Park No. 30. Mrs. Florence Craig and Mrs. Leura Lucke will also represent Gooding as representatives of the Women's Auxiliary.

In addition to the regular Legion business, the convention will elect state officers for the coming year. Harold Lucke is the commander of the local post.

GOODING SCOUTS PAN CARNIVAL

Boy Scouts and leaders of the Gooding district Tuesday will participate in a carnival and swimming meet which will be staged at Babyp's natatorium. It was announced here this afternoon by officials of the Gooding district council with headquarters in Twin Falls.

Arrangements for the day's outing, which will start at 10 a. m., are in the hands of Gordon Gray, chairman of the review committee. Swimming merit badge tests will be held at 11 a. m. and the pool is "taken over" by the Scouts, officials said.

The swimming meet will be divided into two classes. Class one will include boys between the ages of 12 and 17, both inclusive, while class two will include boys between the ages of 12 and 17, both inclusive.

Events follow:
10 yard free style for both classes; leading water with hands above surface; medley relay; free style relay and 300 yard free style relay.

WESLEYAN POST OFFICE WILL END

GOODING, Aug. 20 (Special)—Since the official closing of Gooding college, the post office at Wesleyan will be discontinued Aug. 31.

The Wesleyan post office, college officials announce.

The post office has been maintained for 13 years at the college.

The Wesleyan post office was established in March, 1925, partly as a convenience to students attending the college and to publicize the inclusion of the college in the postmark. No one else was served by it.

Mrs. Dorothy Britton, the present postmistress, is the fifth to be appointed in charge of the office.

Others who have served in this capacity were O. W. Tenney, Mrs. C. W. Tenney, Dr. O. A. Rodgers, and Dr. W. F. Shaw, none in the order of their appointments.

Freight Rate Boost Denied

BOISE, Aug. 20 (Special)—The state public utilities commission today denied a petition of class one and other railroads operating in Idaho for a general freight rate increase on interstate traffic.

The requested increase would have placed five per cent additional tariff on agricultural products and 10 per cent additional on all other products.

Public utilities officials estimated that the increase would amount to at least \$135,000 annually for that farmers would have to pay in freight rates.

In no other application, railroad representatives estimated the increase on agricultural shipments would have approximated but \$65,000.

Hollywood Man Shoots Woman

(From Page One)
His wife was the victim of a shooting which he begged her not to interfere with. Mrs. McDonald recently sued for divorce and McDonald filed a complaint accusing her of undue friendliness with another woman, alleging that this unnamed woman "had been in the habit of being in his home and in the vicinity of his home which is in conflict with the plaintiff's obligations as a wife toward this defendant."

There was a hearing at which the court ordered McDonald to pay his wife \$20 a week pending trial of her suit. She also was ordered to pay \$20 a month to her 16-year-old daughter, Kania, named for Mrs. Krueger. It was Mrs. McDonald's testimony at the hearing to which McDonald referred.

Hollywood boulevard was crowded with its usually late afternoon throng yesterday. Witnesses saw woman walk rapidly across the street, then stop and turn to face the man with whom she had been talking. He snatched a pistol from his pocket and fired. One bullet struck her in the chest, another in the arm, and she fell to the ground and he jumped into a car waiting at the curb and sped away.

Witnesses wrote down the license number. Police went to McDonald's home to arrest him. He wasn't there, but a boy named Alvin William Bronstein, who had acted for McDonald in his divorce suit, telephoned that his client wished to surrender.

'HORN DRIVER' BLAMED FOR BIKE MISHAP

Key Alnoworth, 12, Twin Falls, was slightly injured this morning when the wheel he was riding checked and he was thrown from the curb on Main avenue, a police report shows this afternoon.

The cause of the mishap was placed by police on the driver of an Ada county car. Officers termed this operator a "horn driver" who honked just as the Alnoworths neared the backing machine. As the youth turned to see who was honking he ran into the Twin Falls machine.

This afternoon the police had obtained the license numbers of the car involved, and are looking for the drivers, neither one of whom stopped to aid the youth who was thrown to the ground by the impact.

Legion Men to Attend Meeting

Eleven members of the local American Legion post this afternoon indicated their intentions of attending the Idaho state Legion convention which gets underway Sunday in Pocatello with executive sessions.

Most of the local group, headed by W. W. Noble, post commander and W. V. J. Shiner, vice commander, will leave here Sunday morning, arriving in Pocatello in the afternoon to attend the convention. The group which will start Sunday at 2 p. m. Others will leave Sunday night or Monday morning.

Other local members to make the trip will include John Day, W. W. Franz, Herb Smith, Harry Bennet, Edward Lambert, W. Clyde Williams, and W. P. Parry, though none of Edward Warner.

The Twin Falls district Boy Scout drum and bugle corps will leave for the gate city Tuesday morning at 8 a. m. after meeting in the city park here promptly at that hour. Transportation will be furnished. The drum unit will be in the parade which will feature the convention on that day.

Evangelist Tells Revival Schedule

Rev. Val Cloud, American evangelist, conducting revival services at the white tent, corner Addison and Second avenue north, will preach 8 p. m. today on "The Flag Heralds the Book of Revelations"; tomorrow at 8 p. m. on "Twentieth Century Crucifixion of Christ"; and Monday at the same hour on "The Battle of Armageddon."

The Church of the Nazarene will conduct Sunday school at the tent tomorrow at 9:45 a. m. and Rev. L. D. Smith will preach at the 11 a. m. service also at the tent. At 3 p. m. T. H. Rosler, Spokane, associated in the meetings with Rev. Cloud, will discuss "Practical Christianity for Today."

Japanese Refuse Yarnell Request

SHANGHAI, Aug. 20 (AP)—Japanese naval authorities today refused formally the request of Admiral Harry E. Yarnell, U.S. Navy commander-in-chief in the Far East, for the United States gunboat Oahu to relieve the United States gunboat Monterey, Kiungking, on the Yangtze river.

Admiral Yarnell made the request about 10 days ago. He pointed out that there was a shortage of food and fuel at Kiungking, where the Japanese are fighting their way up the river.

Officials Gather Evidence Against Film Talent Firm

HOLLYWOOD, Aug. 20 (AP)—Police today questioned the parents of several dozen children in gathering evidence against a film talent corporation which brought the youngsters to Hollywood to prepare them for movie careers.

Officers reported the children had come from virtually every state on assurance they would be assisted in obtaining film acting jobs.
