

President Lauds Old 'Liberal' Leaders in Poughkeepsie Address

SAYS FOUNDERS OF CONSTITUTION WERE FEARLESS

BY FREDERICK A. STORM
WASHINGTON, Sept. 17 (AP)—President Roosevelt declared today that America's greatest leaders have been those who have sought to make the U. S. constitution workable in the face of new problems and changing conditions from the time of its adoption to the present day.

Mr. Roosevelt's statement was made in an address to the Poughkeepsie, N. Y., convention of the 150th anniversary of the signing of the constitution.

The president had planned to deliver his message in person to the convention at Poughkeepsie, but because of the critical situation abroad he remained in Washington and broadcast his address.

His speech was confined to discussion of constitutional problems and his only reference to troubled conditions abroad was a statement that:

Draws Parallel
"It is with deep personal disappointment that I find the affairs of the world today are not such as my neighbors in Poughkeepsie today."

Mr. Roosevelt drew a parallel between conditions at the time of adoption of the constitution and conditions today.

"It is with me to remember," he said, "that a very large minority of the inhabitants of the original thirteen states were opposed to the adoption of the constitution."

They were opposed to a real one because they believed those who were in favor of it were not to think and act in national as well as in local and individual interests.

And, believe me, the view that the nation was a collection of separate states in those days had little to do with the professional fear of 1789."

Mr. Roosevelt noted that supporters of the constitution—Washington, Hamilton and Clinton were among them—and said:

Journal for Future
"From, as now," he said, "there are men and women afraid of the future—distrustful of their own ability to meet changed conditions; afraid of the future; afraid of the manager conception of local and national needs."

"They were afraid of democracy; afraid of the new unity; afraid of the thirteen states becoming one nation."

Mr. Roosevelt noted that in spite of the opposition the new constitution was adopted by the states and the people.

"I do not know that it is necessary to elaborate on this parallel or contrast," he said, "but it is perhaps sufficient for me to say that when in almost every generation between 1789 and 1938 the American people have been faced with similar decisions, they have in the long run expressed their 'full faith and confidence' in the integrity and safety of the national concept."

Seeks Workable Classes
"Once ratified the constitution provided the people with a form of government. To become a workable instrument of government its words needed men in every succeeding generation to administer it as great as the men who wrote it."

"And the greatest of them have been the men who have sought to make the constitution workable in the face of the new problems and conditions that have faced the nation from year to year."

"Yet, the greatest of them have been those who have not said: 'It will not work; it cannot be done; it must be changed'—but rather those who have applied to the constitution of the United States the spirit of 'full faith and confidence' which has come down to us from the men who wrote it here in the summer of 1789."

FIRST REAL CLUE TELLS OF HAWAII CLIPPER CRASH

FISHERMAN SAYS BIG WHITE PLANE BURST IN FLAME

By DON DILLON

MANILA, P. I., Sept. 17 (Special) — First seemingly authentic clue to the disappearance of the Hawaii Clipper was reported today from Samar Island where a fisherman told authorities he saw a "big, white plane" burst into flames, crash and sink July 29.

The Clipper, with nine passengers and a crew of 18, disappeared from sight July 29 while en route from Oahu to Manila. In the last radioed position report, Captain Leo Teetzel, master of the ill-fated craft, said the Clipper was 81. Lat. 12.27 N. Long. 140.30 E. This is near Samar Island.

Provincial correspondents of Manila newspapers said the fisherman told them the disaster occurred off "Agaña" about ten miles off the west coast of Samar.

The "big, white plane," the fisherman said, was on a low turn and then it exploded.

An unidentified school-teacher in the village of Malinao, the fisherman lives, said he also heard the crash.

Information said the plane appeared to be "flying only with three propellers" at the time.

Several residents in the vicinity reported that "quantities of oil" washed ashore the next day.

Had Motor Trouble
Honorio Canton, Malaga municipal councilor, told reporters he had seen the same plane, "apparently having motor trouble," disappear over the horizon at a low altitude, he said, however, that he had not seen the plane crash.

Correspondents were checking unconfirmed rumors that a "can-shaped" buoy had been washed ashore and been taken by a villager.

Couple Pledges Vows At Charming Wedding

Prominent among the weddings of early autumn was the marriage this morning of Miss Bobette Lane, daughter of Mr. and Mrs. J. P. Lane, Sun Valley, formerly of Twin Falls, and Bruce William McNeil, son of Mr. and Mrs. Lawrence McNeil, Beverly Hills, Calif.

The nuptial mass was celebrated at 10 o'clock this morning at St. Edward's Catholic church by Father T. M. Dougherty, Hanley. Two hundred invitations were issued to the wedding.

Escorted by her father, the bride walked down the aisle to the strains of the "Lohengrin" wedding march by Wagner, played by Miss Sue Evans. Her bridal path was marked off with white ribbon, tied at each pew with a bouquet of chrysanthemums. Preceding the bride was Mrs. J. Bonin, Ketchum, matron of honor, and a sorority sister at Delta Gamma. She was met at the altar by the bridegroom and his best man, Wilson Albertson, Los Angeles, a fraternity brother in Kappa Alpha. The altar was banked with yellow and white chrysanthemums and illuminated by tall white cathedral tapers.

Wears Classic Model
The bride's classic wedding gown was of white chiffon, princess style, and her finger-tip veil was held in place by a diadem of pearls. She carried a shower bouquet of pink roses and lilies of the valley.

Mrs. Bonin's gown was similar in design to the bride's, and of gold chiffon, with matching pink roses and lilies of the valley. She carried a bouquet of white chrysanthemums and lilies. The bride's bridesmaids were in white, and the groom's groomsmen were in white. The wedding was a classic affair, with a reception at the home of Mrs. J. P. Lane.

Elaborate Breakfast
Charmingly appointed was the wedding breakfast for the members of the families and the bride party, served at 11:30 o'clock at the Park hotel. Covers were marked for 20 guests with bridal motifs.

The three-tiered wedding cake, decorated in yellow and white, was cut in traditional fashion by the bride. White roses in handsome silver candelabra were placed on either side. Completing the decorations were white and yellow roses, and white and yellow poinsettias. The wedding was a classic affair, with a reception at the home of Mrs. J. P. Lane.

REVIVAL OF WALTZ
NOTED BY INSTRUCTORS
Revival of the graceful measures of the waltz, in the proper three-four time, is anticipated by dancing instructors throughout the United States, as one of the most significant trends of ballroom dancing this winter. The Marie Antoinette dance, formal gown are exerting an influence even in the dance world.

This comment was made yesterday by Marie Dunn, Helm, who is opening her dance studio for the season, classes to start Tuesday, Sept. 20, with registration Monday, Sept. 19.

Also popular this winter will be the tango and the rhumba, according to Mrs. Helm. In the ballroom dancing department of her school, a special class for juveniles, principally eighth and ninth graders, will stress correct ballroom dancing and conduct.

Mrs. Helm's professional dance troupe appeared last week with exceptional success in a "Pink and Blue Revue" for the Idaho State Medical association convention at Sun Valley.

Star performers were Betty June Taylor, Jean Minshew, June Morrison, Jean Beatty, Helen Ruffill Hill and the "Jitter Bugs," Ann Hill, Allen Olsen, Clyde Jensen, Charles G. Boner, Marie Nelson, Dean Brown, Ruth Cutler, Jack Pierce and Leonore Ewert.

Teachers from the high school faculty, Victoria and Central grade schools and their records held their annual "get-together" picnic at Clear Lake. A cold supper was served with a committee in charge composed of Mrs. Ruth Brown, Mrs. Dorothy Case, Miss Lois Creed and Van Dean Musser.

The first meeting of the Bethel lodge was held in the I. O. O. F. hall on Tuesday evening.

The Mary Ann Sunday school class of the Methodist church held the girls with their charter making them officially Bethel No. 15.

Earlier, Helmer, guide, and Betty Levy, marchant, conducted the girls through the ceremony in the presence of the grand council, Mrs. Gladys Roman, grand auxiliary, and Mrs. E. H. Atkinson, assistant grand auxiliary.

At the close of the initiation, Mrs. Roman presented the charter to the girls, and the girls, in turn, presented the charter to the grand council, Mrs. Gladys Roman, grand auxiliary, and Mrs. E. H. Atkinson, assistant grand auxiliary.

Immediately after receiving the charter, Mrs. Roman, who is leaving this week to attend the University of Idaho, resigned from her position as grand council.

Mrs. Roman granted the group a special dispensation to hold election for officers for the coming year. At this meeting Mrs. Mervyn Britton was chosen honor guard; Mrs. Adelle Lusk, auxiliary; Mrs. Mildred Wilkinson, auxiliary; Mrs. Clara Bates, auxiliary; Mrs. Edith Williams, auxiliary; and Miss Ruth Snodgrass, auxiliary.

Others attending were Mrs. Nellie Personette, Mrs. Flora Bates, Mrs. Adelle Lusk, Mrs. J. E. Sweet, Mrs. Laura Whitely, Mrs. Phoebe Snodgrass, Mrs. Pearl Riley, Mrs. Ella Sandusky, Mrs. Mary Walton, Mrs. Edith Clyde, and Miss Florence Lusk.

SIX COUNTIES AT FAIR FOR FOUR-H

Exhibits and teams from 4-H clubs in six south central counties were represented at the second district club fair of the season, held at Jerome Thursday and Friday. It was announced here today by Earl R. Stansell, district club leader. The initial district fair for south central Idaho was held in connection with the Twin Falls county fair at Piler. Teams in boys' and girls' work were entered at Jerome from Cassia, Minidoka, Twin Falls, Jerome, Lincoln and Gooding counties. Mr. Stansell reported. The event was sponsored by the Jerome county commissioners and the Jerome Chamber of Commerce. It followed on the heels of the Jerome county club fair staged Tuesday and Wednesday of this week.

Boys' Division
In the boys' division, Victor Olson, Wendell, and Albert Lickley, Jerome, received A grades on beef calf exhibits. Sheep exhibitors were David Smith, Rupert, two As on Hampshire; Robert K. Kulin, and Claire Ricketts, Jerome, each an A and B on Lincoln sheep.

Jimmy Toome, Paul, rated A on Hampshire pigs; Neil Borup, Paul Hampshire pig; and Neil Borup was judged champion livestock showman. Victor Olson, second, David Smith, third.

Jorge Williams, Shoshone, scored 470 points out of a possible 500 in the home economics judging contest to win high individual honors. Three girls tied for second high score of 480—Louise Mitchell, Shoshone; Irene Henalee, Hagerman, and Geraldine Lammers, Berger.

Nine teams from five counties entered the contest by virtue of having won first or second in contests at county club fairs. High team was from the Berger club, led by Mrs. M. M. Pierce, 1,315 points out of a possible 1,500 being scored by Gertrude Kamstra, Dorothy Griff and Mrs. McCabe. This same team won at Piler.

Joyce Williams, Louise Mitchell and Lucille Innes, Shoshone, placed first with 1,265 points. Third team was from the Hagerman club, led by Mrs. Earl Allen, with 1,203 points. Donna Cady, Irene Henalee and Grace Mary Jones. Fourth was C. H. Breivick's Wendell team, with 1,200 points by Valene Olson, Mrs. Hartwell and Virginia Breivick.

In the team demonstration contest, high score was made by Donna Cady and Virginia Vance, members of a club led by Mrs. Ira Miller. Lydia Kucera and Virginia Schriebe, of a club led by Mrs. Mary Kendrick, Wendell, placed first in the wool dress class of the style revue contest; Joyce Williams of Shoshone, first in the best dress class.

These Were Officials
Louise Mitchell, Shoshone, was superintendent of the girls' division at the Jerome event, and C. L. Mink, Gooding county agent, headed the boys' division. Judges were Frances Oaklath and Marion White, district home demonstration agents, Boise, and C. W. Daigh, Minidoka county agent.

Sugar Officer Sees Hope for Big Allotment
SALT LAKE CITY, Sept. 17 (U.P.)—Fred O. Taylor, vice president and acting general manager of the Utah-Idaho Sugar company, today expressed hope that Utah and Idaho will receive increased allotments in sugar beet acreage.

Taylor said that "despite the national allotments which apparently would cut down the actual beet acreage, the United States department of agriculture should find a way to give increased acreage to Utah and Idaho."

Acreage should be based on "ability to produce" rather than past experience alone, Taylor declared.

"Should consideration be given to our new beet-growing potentialities due to development of fly-resistant strains, we should receive an allotment amounting to a substantial increase over the plantings of 1935," he said.

The agricultural adjustment administration announced that the 1938 sugar beet acreage allotments would total 1,030,000 acres. The 1938 allotment will be the first acreage limitation imposed on sugar beet planters since passage of the sugar act.

Leader Visits

AUGUST ROSQVIST

State labor organization secretary who officiated in the formation of a central labor council here last night.

COUNCIL CHARTER GIVEN TO UNIONS

Formation of a central labor council for Twin Falls had been completed here today after a charter was presented to delegates from six local unions by August Rosqvist, secretary of the Idaho Federation of Labor.

Presentation was made last night as the delegates met at the Perrine hotel. Member unions are the typographical, plumbers, electrical workers, meat cutters, pressmen and carpenters. Other unions are expected to affiliate shortly.

L. G. Cowan, member of the typographical union, was elected council president; Robert Lawson, pressman, was named vice-president and J. L. Duke, typographical union member, was named secretary-treasurer. The officers will serve for a period of one year.

Speakers at the meeting last night, aside from Mr. Rosqvist, included S. V. Lund, Pocatello, president of the Idaho Federation of Labor.

BABY KILLED IN 90-FOOT TUMBLE

LOS ANGELES, Sept. 17 (U.P.)—The body of 2-year-old Bruce Randall was found today at the bottom of a 90-foot cliff over which the boy had fallen to his death two miles from his home.

Hundreds of sheriff's deputies and citizens had searched the Palos Verdes hills all night for the boy in fear he might have been kidnapped.

At daylight the sheriff's office sent 200 volunteers into the hills to aid 150 deputies who had been searching all night.

Soon afterwards the child's crushed body was discovered at the foot of the cliff over which he had tumbled, perhaps while wandering in the darkness last night. Bruce was missed by his mother, Mrs. Mabel M. Randall, at dusk last evening.

MURTAUGH

Mrs. P. J. Fahy entertained members of the Pioneer club at her home Monday honoring Mrs. Elmer Chance, a former resident of Murtaugh, now of Oakland, Calif. Two tables were at play, prizes going to Mrs. Pat Cockrum, Mrs. A. M. Hoover, Mrs. Elmer Chance, Mrs. Emma Corman, Hazelton, also was a guest.

The Pioneer Bridge club was entertained Wednesday by Mrs. Harold James at her home. Prizes went to Mrs. John Marshall, Mrs. P. J. Fahy, Mrs. Mabel Jeffries.

Fill a real need in our city!

REGISTER TODAY and then VOTE "YES" on Tuesday, Sept. 20th for the LIBRARY BONDS

For years Twin Falls has been handicapped with insufficient library facilities... the rented quarters will allow no more expansion nor will they allow the addition of more modern furnishings. Now the people of our community have the opportunity to secure a new, modern library building for the surprisingly low sum of only \$27,500... the balance necessary to construct a beautiful \$50,000 building will be supplied by the federal government.

There can be no doubt about the need of more modern quarters for our library. Of leading cities in Idaho, Twin Falls is the only one which is without a building dedicated to library use. The maintenance of a separate building would be taken care of practically by the sum of money now expended for rent of present quarters.

The property has been purchased for years; is tax free. The opportunity awaits us—let's take advantage of it and vote Twin Falls a new library!

WHAT THE LIBRARY WILL COST YOU

From the taxpayers' standpoint, the cost is almost negligible. It is customary to levy a one mill tax to retire such bonded indebtedness. In this instance, the individual taxpayer would pay only 50c per each \$500 of assessed valuation per year—for a period of seven years, beginning in 1940. Nor would the upkeep of the proposed building prove expensive—for the upkeep would be offset by the saving of \$1500 now being spent for rent. It is estimated that \$1500 would take care of maintenance of the new building.

Thus there is little actual added expense to the taxpayer—only the small levy of one mill against each individual's assessed valuation.

FOR TRANSPORTATION CALL 32 or 38

If you desire transportation to either of the polls located at the City Hall and Lind Motor Service, just call 32 or 38, the Times-News offices, and arrangements will be made for your transportation between the hours of 2:00 and 7 P. M.

WHO MAY VOTE

If you are a taxpayer, paying on personal or real property and live within the city limits, you may vote in this important election. The wife or husband of any taxpayer may also vote. If you voted in either of the last two CITY ELECTIONS, you are properly registered—unless you have moved from one precinct to the other. (Shoshone street is the dividing street between precincts).

The following taxpayers have unconditionally endorsed the proposed bond issue and will vote for it and support it. They have gone further—and have subscribed funds for the carrying on of this campaign for the passage of the proposed bonds. Join with them—add your vote for a new library for Twin Falls!
