JAPANESE ARMY, NAVY TAKE OVER CITY OF HANKOW

By F. M. FISHER. HANKOW, China, Oct. 26 (AP)—Japanese army and navy officers effected a smooth formal occupation of Hankow today. The advance units of the army, which arrived yesterday, were engaged in the suburbs awaiting a ceremonial victory parade through the city. This morning Japanese army officers took command of the city in cooperation with leaders of the foreign colony...

Demos Await Result of President Roosevelt's Slap at Dies Committee

Murphy Gets FDR Support On Criticism. By JOHN R. BEAL. WASHINGTON, Oct. 26 (AP)—Democratic party leaders waited today a fortnight before the national action to President Roosevelt's charge that a Democratic committee set up by the Democratic house of representatives had permitted itself to be used in an attempt to influence "a vitally important gubernatorial election."

SEN. BORAH RAPS JEW PROTEST ON ENGLISH POLICY

By FRANK MONTAGNON. WASHINGTON, Oct. 26 (AP)—Sen. Borah, D. Ind., ranking minority member of the senate foreign relations committee, warned Jewish leaders today that mass meetings protesting British policies in Palestine would harm rather than help the Jewish cause. He said that such tactics might precipitate foreign entanglements for the United States.

GERMANS REFUSE OFFERS FOR BITS OF AFRICAN LAND

(By United Press) Europe's plans for peace encountered new difficulties today in approaching the problem of returning Germany's pre-war colonies. While the British cabinet was believed to have decided to put the friendship treaty with Italy into effect in November as a move toward stabilizing peace, the German colonial demands appeared likely to provide a much more thorny question.

Tots Saved from Blazing Death

Seattle authorities hailed the heroism of a young mother, Mrs. Merrill Stewart, who saved her two children, Merrill, 5, and Allen, 3, from a blazing death when they were trapped aboard a yacht by a Lake Union waterfront fire. Mrs. Stewart leapt aboard with the two children in her arms and swam to a pier plugging them as she clung with the tots until rescued.

BODY OF WOMAN FOUND IN RIVER

BURLEY, Oct. 26 (Special)—Apparently the victim of a suicide leap, the body of Mrs. John Robinson, 36, was found this morning in the shallow waters of Snake river beneath the Overland avenue bridge. The object of an all-night search, she was located at 7:30 p. m. by W. Williams, chief of police, and Kenneth Riggs, of the police force. Her clothing had caught on wire confining the body in the shallow water.

State, County Tax Slashed for 1938

Tax funds for 1938 which Twin Falls county taxpayers will raise for the state and for the county show a combined reduction of approximately \$137,000, it was revealed today with completion of the four real property rolls and the personal property roll. County assessed valuation shows an increase of almost \$1,000,000.

MURDER HINTED IN CO-ED'S FALL

PHILADELPHIA, Oct. 26 (AP)—Detectives, searching the classrooms of Temple university, found two clues suggesting that Betty Bonner Fell, 21-year-old co-ed, might have been murdered in a lavatory and her body flung to the street to starve to death. They found a man's hat, unclaimed, in a classroom near the lavatory that should have been discarded at the time of her plunge. The lavatory window from which she fell was so nearly closed that it would have been difficult if not impossible for her to have emerged through it. This suggested that someone had partly closed the window after her fall.

GRANGE SHIES FROM POLITICS AT CONVENTION

CALDWELL, Oct. 26 (AP)—Grange discussion of the Idaho political situation was notable for its absence today at the organization's annual convention here. The Grange, most powerful political voice for farmers in the state, apparently was determined to keep general election discussion out of its sessions. Proposed resolutions may treat bitterly with the political scene.

CAFE COOK DYING FROM OWN SHOT

Ernest Rambo, about 27, a cook employed in Jack's cafe on Main avenue south, was believed dying at the county general hospital this afternoon after he had sent the charge from a 12 gauge shotgun riddled through his body. The young man, according to Chief of Police Howard Gillette, had apparently leaned over the gun, which he had only one shot in it, and had then pulled the trigger. He fell to the floor, bleeding profusely but still conscious.

Comedian Says Battle with Wife Led to His Wild Ride

HOLLYWOOD, Oct. 26 (AP)—A municipal court jury today took the case of Alan (Frying Pan) Holton, 31, charged with driving hell-for-leather, drink and half-naked down a boulevard. Laurel said it was not liquor but domestic trouble that made him appear befuddled to two patrolmen who arrested him at 55 miles an hour. Laurel said in his defense that...

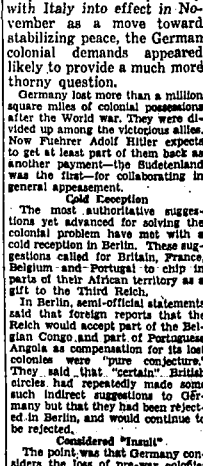

Chinese Will Continue with Resist Policy

CHUNGKING, China, Oct. 26 (AP)—China would not want peace and Generalissimo Chiang Kai-shek is not going to resign his leadership of the nation, it was announced today. The statement was issued in view of reports that Great Britain and the United States were trying to persuade Chiang to negotiate China's war against Japan.

PRESIDENT ASKS PEACE GOOD WILL

WASHINGTON, Oct. 26 (AP)—President Hoover today made a special plea for peace and good will among nations of the world today in a proclamation calling for observance of Armistice day Nov. 11, 1938. His proclamation said: "Whereas it is especially fitting at this time of world unrest that Nov. 11, 1938, the twentieth anniversary of the armistice, should be observed with suitable ceremonies manifesting our belief that peace can be attained only by non-violence and can be made enduring only by respect for the rights of others and good will among the nations of the world...

Bourbons Here

The most authoritative suggestion yet advanced for solving the colonial problem of returning Germany's pre-war colonies was that of colonial possession after the World War. They were divided up among the victorious allies. Now Finance Adolphe Billot expects to get at least part of them back as another payment—the Sudetenland was the first—for collaborating in general appeasement.

Opportunity for Straight Thinking The world is governed more and more by emotion, and less and less by thought.

Let's take a laboratory example, the latest Lindbergh affair. Chances are that one either considers Lindbergh a nasty Fascist spy who intrigued against the Soviet Union, or a wise observer who served peace and the world by telling the truth about the Russian air force, in quarters where that knowledge was badly needed.

Now the third accusation: that Lindbergh was a paid spy for Fascism, and made such a report on Russian aviation purely to influence Britain against opposing Hitler. That is a nasty accusation. It ought not to have been made without the strongest evidence.

WHY FALSE TEETH WEARERS HAVE Bad Breath

You can't notice any odor from your false teeth or bridge—**but others can!** Dentists call this odor "denture breath" and it's serious. It comes from a mucous film that collects on plates and bridges. This film is almost invisible—but it can make your breath so bad that friends shudder. It can breed decay-bacteria that infect your other teeth, actually hurt your health and spoil your pleasure.

Ordinary false teeth and bridges cannot get this mucous film off plates or bridges—can't protect you against "denture breath." But just try **Polident!** Polident not only cleans—it actually purifies plates and bridges without brushing. It gets every bit of gum, tar, stain and odor—dissolves it away and leaves your false teeth and an air new.

Your breath will be fresher, your mouth feel cleaner—and your plate last longer and look better. Polident is approved by dental authorities. Good Housekeeping and tens of thousands of users. Long-lasting can cost only 50¢ at any drug store.

POLIDENT Cleans, Purifies Like Magic

Put plate or bridge in glass of water. Add Polident. Let stand 10-15 min. Rinse in 10-15 min. Clean—plate—and film—gone—ready to use!

Annual Meeting Of Methodists Opens Tonight

Mrs. J. R. Wilkinson, Bellingham, Wash., will be the principal speaker at the opening session of the 18th annual meeting of the Women's Home Missionary society of the Idaho conference at the Twin Falls Methodist Episcopal church this evening. The event will begin at 8 o'clock.

Mrs. Wilkinson, returning from Indianapolis, where she attended the national conference of the society, will present the highlights of the sessions to the 100 delegates expected to assemble for the two-day meeting.

Registration began at 6 o'clock this afternoon, with women from all sections of southern Idaho and eastern Oregon signing in.

Mrs. R. P. Tyler, LaGrande, Ore., president of the conference organization, will preside.

Mrs. F. E. Sanders, president of the local Missionary society, and chairman of the hospitality committee, will extend greetings.

A complimentary luncheon will be served at noon tomorrow. Thursday morning's session will begin at 9 o'clock and the afternoon session at 1:30 o'clock, following the luncheon.

There are 158 persons in Bulgaria who claim to be more than 100 years old.

Calendar

Tri-C and MeT Clubs Preside At Pledge Fete

Attending their first dance as members of the MeT and Tri-C clubs, pledges of the two groups were presented at intermission last evening at Radioland. The event honoring the new members began at 8:30 o'clock, in the pavilion which was decorated with the shields of the two clubs.

The event was informal and was attended by approximately 80 couples. Miss Margaret Bacon, Tri-C president, and Miss Jeanne Schwendman, MeT president, introduced the new members, who spoke briefly.

Patrons and patronesses of the evening were Dr. and Mrs. Charles B. Beymer and Mr. and Mrs. Harry Benoit, Tri-C club, and Mr. and Mrs. A. S. Gilbert and Mr. and Mrs. Lionel Campbell.

Punch was served in Radioland buffet during the evening by Virginia McBride, Norma Jean Drown and Marjorie Robertson.

Joint committees in charge of the arrangements were: Miss Hazel Terry, general chairman; Miss Imogene Davis, Miss Gladys Zabel, and Miss Frances Leonard, music; Miss Eliza Smith, intermission numbers; Miss Betty Victor, Miss Betty Lynne, Miss Mary Frances Bales, and Miss Frances Thompson, program; Miss Betty Painter, Miss Madeline Bracken, Miss Joyce Miller and Miss Jane Douglas, punch.

New members of the Tri-C club are Miss Charlotte Monahan, Miss Adda Mae Bracken, Miss Helen Thomas, Miss June Jones, Miss Judy Jones, Miss Melba Holmes, Miss Loreen Fuller, Miss Verna Simpson, Miss Lillian Laubenstein, Miss Betty Babcock, Miss Verna Lois Bowman, Miss Marjorie Lash, Miss Margaret Vasquez, Miss Mary Lou Duffenbarger, Miss Patricia Smith, Miss Virginia Allen and Miss Mary Jean Shipman.

The New LINCOLN ZEPHYR

1938

STYLE LEADER FOR 1939

THIS "TWELVE" . . . THE ONLY CAR OF ITS KIND

Three years ago the Lincoln Motor Company announced a car new in idea, appearance and performance—the 12-cylinder Lincoln-Zephyr. The public had not seen an automobile like it before. . . The Lincoln-Zephyr for 1939 is still a new car. It is improved and refined. But the fundamental design which ushered in a new era of styling remained ever before. Radiator grille, set low, now sweep back vertically. Louvers are concealed. The sloping rear deck, keynote of Lincoln-Zephyr design, seems handsomer than ever. Here is the truly modern car!

But style alone does not make a motor car. What underlies the Lincoln-Zephyr's streamlined beauty? Many other distinctive features establish this decisively as a car apart. . . the brilliant performance, the trusted construction, the economy of operation.

For beneath this outward beauty, in all closed types, is a framework of steel trusses—the famous "arch-bridge" construction. Body and frame are a rigid unit combining lightness and great strength.

A 12-cylinder engine in any medium-price car is unusual. The Lincoln-Zephyr V-type 12-cylinder engine has established its own standards of power, smoothness, flexibility. Its amazing record of 14 to 18 miles per gallon will still be causing comment when 1939 is over!

This year, the Lincoln-Zephyr has hydraulic brakes. They offer smooth, gentle stops under all conditions. . . New this year, too, is the complete rubber-insulation of springs, axle assemblies and engine from the body-frame. Even greater quietness results in a car already quiet. . . Interiors have been redesigned. Many new refinements are in evidence. Seats, again, have chair-height comfort.

Today more than 60,000 enthusiastic people own the Lincoln-Zephyr. The car for 1939 will continue to bring new joy—to give value beyond its medium price. Six body types, including two convertibles, Sedan and Coupe.

PIONEER LEAGUE MEET SET NOV. 12 AND 13

Pocatello Approves Park Bonds to Assure Entrance

The next meeting of the Pioneer Baseball League will definitely be held on Nov. 12 and 13, according to word received here today from Jack Halliwell, Pocatello, president of the newest proposed league in professional baseball.

The convocation, which had tentatively been set for this week-end, will be held in Boise, and representatives of every team in the league, plus several big league and Class AA clubs, are expected to be present.

The new date was set by Halliwell following the vote of Pocatello taxpayers earlier this week approving a bond issue insuring construction of a \$300,000 ball park. Pocatello gave a more than three to one majority in favor of a bond issue of \$200,000 which will be added federal funds permitting the Pocatello club to take a place in the league.

The newly proposed Pocatello park would have a playing area of approximately 380 by 390 feet and a seating capacity of 2,000.

With the assurance that the Gate City will have a park, it was certain also that Twin Falls, Salt Lake City, Idaho Falls and Lewiston would have adequate playing facilities.

The local park project has been approved by the city council and work under the WPA accepted plans. Work under direction of the Junior Chamber of Commerce, is expected to get under way soon on the new project, to be located adjacent to Harrison park.

All the fields in the league will be lighted for night baseball, believed to be one of the solutions for success in the intermountain area where afternoon games do not draw crowds sufficiently large to assure operation of clubs on a sound financial basis. The league will install the lighting system in the local park.

No definite tie-up with a major league club has been made for the Twin Falls franchise, but Hal Wood has been negotiating with Early Eddy, manager of the Los Angeles team who represents the Boston Red Sox on the west coast, and a conference is expected to be held in the near future in connection with the Seattle club has been dropped.

Cards at Pocatello for the St. Louis Cardinals are now definitely committed to Pocatello, and it is certain that the Cardinals will settle in Ogden, Utah, and the Los Angeles Angels, the Salt Lake City franchise has been up in the air, but it is expected there will be no difficulty locating a franchise in the largest city of the league.

London is going to remain definitely one of all circumstances, while Boise is negotiating with several clubs to aid in the sponsoring of a team there.

Studebaker Edges Sego

Studebaker bowlers last night edged Sego Milk crew two games to one in the Commercial league pin contest—the only one of the evening. Led by Sego, who rolled a 234 game in his third contest of the night, the visitors were just able to squeak out the wins.

Studebaker won the first one by four pins, lost the second by five and then breezed in in the final contest by 25. Sego had a three-game total of 591. Van Ripper topped the losers with 524.

Michigan Backfield Ace Termed Nation's Best Soph Griddler

CHICAGO, Oct. 26 (UP)—Less than a month ago, football coaches at the University of Michigan pondered a starting lineup for the opening game of the season. They studied the name "Harmon" carefully, then shook their heads and decided: "Too much pressure for a green kid."

So Tommy Harmon hugged the bench as his teammates raced out on the field for the kickoff against Michigan State. But that was the last time Tommy was omitted from the starting lineup, because he finally got his chance against Michigan State and proved that his coaches had him figured all wrong.

And if you follow your football carefully, you know what happened. You know, for instance, that Tommy started the very next game against Chicago and ran 59 yards to a touchdown. You know that he started the 90-yard touchdown drive that nearly netted an upset victory over Minnesota. You know that Tommy enabled the shot in the arm that enabled Michigan to come from behind and beat Yale last Saturday.

Outstanding Sophomore If you know this, then you must know that Tommy today is the outstanding sophomore halfback in the country.

The story of Tommy Harmon, the Michigan football star, is the story of an 18-year-old young man who had to overcome the effects of the fall of 1937, which was proclaimed by the "grand old man" of Michigan football—Fielding H. Yost—"the greatest high school athlete of the year."

The fame that preceded Tommy at Michigan was achieved at Horace Mann high school in his native city. There he was twice was all-state quarterback and in 1936 scored seven touchdowns in one game. He was captain of the basketball team and an all-conference guard. He was state champion in the 100-yard dash and still holds the record for the hundred yards in 17.5 seconds. He was a three-time winner in baseball and in the summer of 1937 pitched three no-hit, no-run games.

Kid Mercury Himself Despite his 194 pounds, Tommy is Kid Mercury himself. In track clothes, he can do the 100 in 19.9 seconds. But it wasn't his speed that caught the eyes of the coaches when he finally got his chance in that Michigan State game. It was Tommy's blocking, blocking, blocking workmanlike and effective as his running.

There's very little Tommy can't do on football field. Besides being top-flight blocker and runner, he's a vicious tapper and a sharp-shooter. He runs with a sure-footed change of pace and a drive that have enabled him to gain 242 yards in 37 times he has carried the ball so far this year.

In Mississippi, highways have a raised center stripe, three-rights-of-an-inch high and four inches wide as a gentle reminder to careless drivers.

Eastern Games Top Week's Grid Contests

NEW YORK, Oct. 25 (UP)—Eastern football, forced to take a back seat most of the season, commands national attention this week with a quarter of games that have more angles than a geometry textbook.

For Saturday the east offers: Army-Navy game at New York, featuring color, tradition and hard football.

May Spill Records After the smoke of these battles has cleared away the east, which now has three undefeated, united eleven and one undefeated but did not have a perfect record week-end left.

Pittsburgh-Fordham at Pittsburgh, a game with a betting on the national title.

Harvard-Princeton at Cambridge, first of the "big three" meetings of the year.

And Yale-Dartmouth at New Haven in one of those "anything can happen" affairs.

May Spill Records After the smoke of these battles has cleared away the east, which now has three undefeated, united eleven and one undefeated but did not have a perfect record week-end left.

Pittsburgh-Fordham haven't scored on each other for the last three years and don't be surprised if they put on another "double O" battle.

The Panthers have soundly thrashed every opponent so far but Fordham, with 10 feet backs, might have the stuff to tie again or even win. Pittsburgh is unbeaten; Fordham undefeated but tied.

Dartmouth, which has licked Yale only once in the great bowl, will go to Army-Navy game and the latter carried a similar record into last year's game and went home with a 9-9 tie.

Unbeaten Irish Villanova, the east's only other perfect record eleven, plays South Carolina Friday night.

Army-Navy game also features an unbeaten team, the Irish Army, trimmed by Columbia, hasn't won over Notre Dame since 1931 and its best recent effort was a tie in 1935.

Harvard and Princeton meet for the 34th time at Cambridge and the dope says that this is Harvard's year. Princeton has won 13; Harvard 10 and four were ties.

No Point After Touchdown in Gridiron Contest

DETROIT, Oct. 26 (UP)—The point-after-touchdown, one of the most controversial subjects in college football, will be eliminated from a game between the University of Detroit and Santa Clara at Sacramento, Calif., Nov. 27, Coach Gus Dorais of Detroit said today.

Long an advocate of eliminating the extra point which often costs a superior team a victory against a weak one, Dorais' all season has advocated a rule change. He thinks the extra point should be eliminated, and that in case of a tie the team gaining the most yards should be declared the victor.

But Coach Santa Clara coach had advised him, Dorais said that he was willing to try the stunt in next month's game.

The task of pumping out the sea water in reclaimed land in Holland now is done by modern electric and steam engines, instead of the picturesque old windmills.

Unbeaten Indians Risk Record; Filer to Take on Jerome Club

Another big schedule of gridiron games will be offered John Q. Public this week-end—many of them being staged a day earlier due to the annual teachers' conference in Twin Falls on Friday and Saturday.

Headlining the bill will be top-ranking engagements that pit Caldwell at Twin Falls, Buhl at Burley, Gooding at Rupert and Filer at Jerome.

Two of the most evenly matched teams in the Big Seven are expected to do battle Friday when the Cougars of Caldwell invade the lair of Coach Hank Powers' Bruins—both teams arising under stingling defeat handed them last week-end. The Twin Falls club lost to Pocatello, and the Caldwell club was handed Burg's loss of the season by Boise high school, by a one-touchdown margin.

Injury List The Bruins are still handicapped by an injury list, and as a result the invaders will probably enter the game slight favorites.

The unbeaten Buhl team will get its toughest test of the season—to date—when it takes on a good Burley eleven that hasn't had too much success. So far this season the Indians have won over Glenn Ferry and Oakley by close scores, and crushed Gooding and Rupert. The latter three teams being members of the Big Six. Buhl holds wins over Oakley and Filer and has lost to Gooding and Rupert.

Two teams in the second division of the Big Six will tangle when Gooding travels to Rupert. In conference play Rupert has one win, one loss and a tie, while Gooding has three straight losses. Coach Art Hagerman of the south central Idaho Class A league last year, is finding the going tough this season. Rupert, on the other hand, has been up and down. The Flatheads lost to American Falls and Buhl, defeated Oakley and Ueda Filer. This game will probably be another close-up, with the Flatheads given a slight edge.

League Contest The only league contest in the Little Four will pit Glenn Ferry against Wendell, with Coach Kenneth Barrett's outfit a near cliché to romp against the Flatheads. The Flatheads, holding a 20-0 victory over Halley, last week were drubbed by the Hagerman Class B club by a score of 25-0. At the same time Glenn Ferry was handling Mountain Home a severe lacing.

Comparative scores would give Hagerman a big margin of victory over Halley. As listed above, the Rams carry a 48-point advantage, but if they win it will probably not be by over two touchdowns. Shoshone, the other Big Four team, should win over Dietrich.

Class B Games In Class B league engagements, Declo is scheduled to play the Burley Jayvees, and the Twin Falls Cubs invade Gooding, where the youngsters of the northside will attempt to avenge an early season beating by the Bruin babies.

Southern division Six-Man league play of the same loop pits unbeaten Kimberly against Castleford, Murtaugh against Eden and Hammett against Aequia. Due to spud vacations, some of these games may be cancelled.

The northern division of the same loop is undecided, with King Hill scheduled to meet Hammett again and Brunau talking on Grandview for the third time. These games are tentative, however.

VANDALS GROOMED MOSCOW, Ida., Oct. 26 (UP)—Mac Beall and Earl Acuff were being groomed as candidates today for the fullback position on Idaho's football team. George Charpe, first stringer, was dismissed from the squad for breaking training. Coach Ted Bank said.

991 SAVED AS FIRE SUBSIDES IN GERMAN STEAMER

THREE VESSELS RACE TO RESCUE BUT NOT NEEDED

NEW YORK, Oct. 26 (AP)—Three vessels raced through heavy seas to the side of the burning German steamer early today to find the fire under control and the ship returning her voyage to New York.

The 390 men of the crew of the 21,000-ton liner succeeded after a heroic six-hour fight in extinguishing the flames raging in her No. 2 hold, thus eliminating danger to her 601 passengers—men, women and children—the majority of them Americans.

Her master, Capt. Karl Steineke, radioed her owners in Hamburg, Germany, that the fire had been extinguished entirely with her own fire fighting appliances.

He reported that no one had been injured and that his passengers had been utterly calm while the crew fought to extinguish the fire. He commended his crew highly.

The United States liner American Traveler reached her side 200 miles off Cape Race, Newfoundland, shortly before 3 a. m., having raced at forced draft 16 miles. The steamer had informed her captives that the fire was under control and her services were no longer needed.

While still en route, the American France line freighter, Colamer, and the Norwegian freighter, Europe, arrived. They were informed of the situation as briefly as had been the American Traveler. The four vessels rolled, within a quarter of a mile of one another, the heavy sea, kicked up by the gale which had raged through the night, for almost an hour. Then, with the dawn, all proceeded on their voyages.

Having dismissed her rescue vessels, the Deutschland's radio became silent, her operator refusing to answer queries from other ships for additional information. She would not accept telephone calls from shore.

Proceeds to New York

But her radio was working to Europe and shortly before 8 a. m. (EST) her master, Capt. Karl Steineke, had informed her owners, the Hapag-Lloyd line, in Berlin, that she was proceeding to New York, that the fire was under control, and that her passengers had gone to bed, having been assured that danger no longer existed.

He told the line's headquarters that the fire had not spread to the engine-room and that her engines had not been affected. He said the arrival in New York would be delayed by 12 hours. He had been due here Friday morning, having left Hamburg last Thursday.

Two lugs, one equipped with fire-fighting apparatus, which put out upon Elizabeth, N. Y. Bonds, last night to answer the Deutschland's appeal, put back.

A large proportion of the Deutschland's passengers were Americans returning home from European vacations.

Preparations Made

At the height of the fire Captain Steineke had been prepared to transfer his passengers to the first res-

HALLOWEEN PLEDGE

The following pledge, if filled out in good faith by a boy or girl 15 years of age or younger, will admit him or her free to the special show at the Idaho theater, Saturday, Oct. 29, at 10:30 a. m. This pledge must be taken in person to the police station and a free ticket will be issued there.

To: **Howard Gillette, Chief of Police:**

I hereby pledge my support in protecting our city on Halloween. I will not move or damage any property in the city, and will use my influence in keeping others from doing it.

Kids Rush to Bring Pledges And Get Free Show Tickets

The big rush is on! Twin Falls children today continued to crowd the local police station during time out from school, and had but one idea in mind—that being to turn in their Halloween pledge and receive a free ticket to the Idaho theater for Saturday morning starting at 10:30 a. m. sharp.

The big show is sponsored by the Twin Falls police and the Idaho Evening Times. Twin Falls News and the Idaho theater. Every boy or girl in Twin Falls, 15 years old or younger, is eligible to attend the show free of charge.

Just Sign Pledge

All that is necessary is that they sign a pledge "on their honor" that they will not "move or damage any property in the city, and will use my influence to keep others from doing it" during the Halloween season. The pledge must then be taken to

the police station and the free ticket will be issued.

And according to records kept by Municipal Judge J. O. Humphrey, two junior high school students were the first to bring in the signed pledges and receive their free tickets.

The first boy, the records show, was James Hales, 64 Third avenue west, while the first girl was Helen House, 486 Washington street.

Plenty of Room

Fact that there was plenty of room for all the children in Twin Falls to see the free show was revealed this afternoon by the theater manager who said that if the "Idaho can't hold them all we will come on the Orpheum at the same time."

The coupon pledge which must be signed is found in the Evening Times today. Sign it and take it to the police station for the free ticket.

lices of the Hamburg America line in 1907 when he was 21. In 1912 he had risen to the grade of second officer. He was a lieutenant for the Germany navy during the World war and, in 1919, returned to his line to become second officer of the Thuringia and later of the Hansa. In 1920 he was promoted to first officer of the New York and in 1924 became master of the Preussen. Soon afterwards, he took command of the Saateny which operates on German ports to the far east, and last January was promoted to the command of the Deutschland.

991 ABOARD

BERLIN, Oct. 26 (AP)—The Hapag-Lloyd line made public today the passenger list of the liner Deutschland showing that she carried 79 first class passengers, 169 in tourist class, and 353 in third class.

This totaled 601. Her crew numbered 390 which meant that 991 lives depended on the sailors who successfully fought the fire in her No. 2 hold last night.

Most of the passengers boarded her at Hamburg, but some were picked up at Cherbourg, France, and Southampton, England, when she called at those ports. It contained no prominent names. Only a comparative few of the names were non-German, but, as the ship gave no home cities, it was impossible to distinguish the German-Americans.

LEGION ACHIEVES LEAD FOR STATE

With a total of 119 new members added to the rolls of the local American Legion post since the membership drive got underway Oct. 20, Twin Falls now leads all cities in the state in ex-service men signed, according to announcement this afternoon by John Day, chairman of the membership committee of the post here.

The margin by which the Twin Falls post leads the other posts throughout Idaho is very wide," Day said. "Our quota for the drive, which will end on Armistice day, Nov. 11 has been set at 230 and it is expected that this number will be reached or exceeded by the end of the month.

Records received by Day from other posts show that the closest to Twin Falls in the present drive is Bonanza Ferry with a total of 45 new members. Next in line is Caldwell with 31 new signers and then comes Boise with 30. Quota for the entire state has been set at 581.

The closing date of the campaign, Nov. 11, is the date selected by the national headquarters for awarding of special citations to the various posts which head the campaign and make the greatest per cent of their quota.

Aside from Mr. Day, others on the membership committee include Herb Smith, Otto Koster, R. V. Jones, W. M. Franz, Edward Leibert and W. W. Noble.

IF MUFF ERA PRECEDES WAR, TWIN FALLS DECREES PEACE

By JEAN DINKELACKER

Do muffs on your mitts mean that there's Mars to pay?

When maddy dips her finger-lips into fluffy fur, feathers, or velvet, which, no matter what the shape or size, are designated muffs, it means that her good she is on the verge of picking up firearms and taking herself off to war.

Or so it's life's thesis. In discussing the return of the muffs cited in last week's issue of the newspaper magazine are the following examples from history:

FROM HANDS TO ARMS

"Muffs run in epochs and over the last century and a half a muff epoch has preceded every major war. Flat pillow-shaped muffs flourished before the French revolution. The same big muffs came back to herald the War of 1812. Small cylinder muffs preceded the Civil war and even smaller ones, the Spanish-American. Huge cushioned affairs were forerunners of the World war. Flat, pillow-shaped muffs of all sizes reappear on the fashion scene."

If this be so, haven't the ladies of the world—and the fashion commentators—been a bit tardy in heeding the difficulties of Ethiopia, China and Spain?

But no war is imminent in the immediate future, if the Twin Falls muffs on the muffs-subject has anything to do with it.

Sounding out the popularity of this accessory in local ready-to-wear, it was learned that few are at present available.

No, Yes, Maybe

Some stores were emphatically "no" when asked if they would stock them; others indicated that when "colder weather comes—if it does—we will carry them," and still others were uncertain whether they would order them or not, depending on their popularity elsewhere.

One muff, an attractively-shaped affair, that matches the fur on a coat, and is part of the ensemble, was located.

It isn't a matter of being superstitious of this dire omen, so much as weather suitability that's controlling the muff situation locally, however.

JEROME STARTS ABSENTEE VOTES

JEROME, Oct. 26 (Special)—Persons in Jerome county may vote absentee ballots at the office of Charlotte Robertson, county auditor, from now until Saturday, Nov. 5 at 5 p. m. Mrs. Robertson announced, Persons leaving town before election day, Nov. 8, may vote any day between 9 a. m. and 5 p. m. at the office of the county clerk.

Nov. 5 is the last day of registration, and if electors did not vote at the last general election or at the present primary election, they are advised to check up on registration. Mrs. Robertson states, and if they have moved from some other state and have been in the county or will have been in the county six months by Nov. 8, they may register and vote at the coming election. If they have moved from one precinct to another in the county, they may get a transfer and register in the precinct in which they now live.

The registrars for the county are as follows—Southwest Jerome, Mrs. John Stickle, who will be in town on the last two Saturdays; at Butte can furniture store, Southeast Jerome, Mrs. Opal Box, who will be at Robert's hardware store on the last two Saturdays; Northwest Jerome, Mrs. Nellie Jenkins, who will be at home the first door east of North park, Northwest, Mrs. Nellie Johnson, who will be in town the last two Saturdays, probably at the Idaho Power, Falls City, Mrs. C. O. Minor; Grandview, Mrs. Frances Deahl; Canyonville, Mrs. Gladys Patterson; Eden, Mrs. Maude McCall; Hazelton, H. Thoreson.

Tiny Locomotive Arouses Stares

SHOSHONE, Oct. 26 (Special)—Who's in that all about? asked an inquiring bystander of a conductor the other day when he observed something he had not seen over the hard rails in 30 years.

"It was a diminutive engine from the Pin road—or that little branch of the Union Pacific which operates from Welter up to Council and beyond the Pacific and Idaho Northern. In a word, around which has been written much Idaho rail history. It was called a "D" engine," and an operator facetiously queried if the present broad gauge rails were not "too small" to handle the equipment. It is the first time in years an engine of the early type has made this station.

Full men worked their memories back several years to visualize the great problem of transportation, and the 102 engine was pulling it in long gone days, still in dragging it on the old Pin road, where the Springs bloom and the natives like to unload for fishing and outdoor sports.

Hagerman Motorist Given 30 Day Term

SHOSHONE, Oct. 26 (Special)—Gilbert Stedden of Hagerman was fined by Police Officer Ben E. Weeks for drunken driving. His hearing before Probate Judge Howard Adkins resulted in a sentence of 30 days in jail, and forfeiture of his driver's license for one year.

Kingsbury's Drug Store Offers FREE Sample of DRUGLESS Aid for High Blood Pressure Relief

High blood pressure sufferers in Twin Falls are urged to go to Kingsbury's Drug Store and receive a free sample of ALLMIN Essence of Garlic Parsley Tablets, valuable for the relief of distressing symptoms of high blood pressure. These are the tablets, created by an eminent physician of New York City which he reduced blood pressure and relieved dizziness and headaches by using DRUGLESS Aid. Get interesting booklet along with your free sample of ALLMIN today and try these DRUGLESS tablets for yourself.

LINCOLN COUNTY GOP MAP DRIVE

SHOSHONE, Oct. 26 (Special)—Republicans of Lincoln county held a caucus at the court house here and outlined further plans for the county, including a speakers' itinerary. The meeting was well attended with Chairman A. I. McMahon presiding.

Several meetings are scheduled over the county during the days preceding election, and about the first definitely arranged is that of Donald A. Galahan, Republican candidate for United States senator, who will present problems of interest to the voters of Dietrich precinct in this county. It is possible that Henry Dworshak will speak about the same time.

SCOUTING HEADS ANNOUNCE MEET

Scoutmasters of the Twin Falls district will meet at the Chamber of Commerce rooms Friday at 8 p. m. in the first round table discussion to be held since Gordon Day, Scout executive for the Snake River Area council, took over that position.

Aside from a discussion of important matters concerning the Scoutmasters and their duties it will provide a means for the new executive to meet all leaders of troops in this district.

In announcing the meeting, council officials said it was important that all Scoutmasters plan to be present.

BIRD CLUB MEETS

Bird club met at the Junior high school yesterday afternoon, 10 minutes of reading from the book, "How to See Birds," featuring the program. Discussion on birds seen the past week was led by Walter Hafer and on how to make feeders, George Goff told of bird banding.

Doomsday was a fizzle

"The world will end in the year One Thousand." So said the prophets. But nothing happened.

America, too, has its gloomy prophets. Has had them always. A railroad to the Pacific was a silly day dream... the telegraph a plaything... the horseless carriage a toy for fools. But all their clamor could not stem the wheels of progress... wheels kept moving by the eagerness and vision of our pioneers. Today the spinning wheels of progress run more smoothly and travel everywhere... singing a song of cheer heard 'round the world... a promise of ample rewards to Americans with faith in themselves.

MUSICAL COMEDY WILL OFFER FUN

Rehearsals by the all-local cast indicate that "Coast to Coast," musical comedy sponsored by the V. F. W. post No. 2138, will be a hilarious production of amusement for Twin Falls audiences. Director Dixie Bexten of Kansas City said today that this production is scheduled for 7:47 p. m. Thursday evening at the L. D. S. recreation hall. It will be presented again at the same time Friday evening.

Funds for Bike Club
Funds received from sale of the moderately priced admission tickets will be used to organize a bicycle safety club. V. F. W. officials said. Such clubs are now backed as a nationwide policy of the national V. F. W.

The cast of characters under Director Bexten consists of these: Maham Hyeena, Vernis Richards, Don Palmer, Wendell Brown, Pete Perkins, Brice Walton, Sampson, Jr., Frank, Jean Bosworth, Betty Haase, Travis Pennington, Mrs. Johnson, Trisla Tremble, Kathryn Goff, Jack Skinner, Zeke Larson, Louis Dicker, Ed Bertie, Fercival Sells, Roland Hutchinson, Lizzie Kullerlittle, Rhoda Purdy, Colonel Rowe, Charles Jerab.

Snapppy chorus numbers, including a farolette dance routine, will enliven the production. Girls in the choruses will be these: Chorus Members
Lola Olson, Ellen Peterson, Gail Ann Ott, Ruby Matson, Betty Lee Bjorknell, Shirley Mae Wilson, Maxine Smith, Warren, Jerdine, Gertrude Gasser, Doris McKee, Delores Wilson, Shirley Beckley, Frances Lang, Vera Balmor, Mary Johnson, Meri Lane, Edith Dale, Velda Prunty, Bethal Balmor, Jeannette Smith, Lois Wagdell, Francine Hunt, Hutchinson, and Gilly Wells. Elizabeth Saulcy will be accompanist for the choruses.

Amateur specialties will include instrumental numbers, vocal solos and dance offerings.

WENDELL'S BONDS WIN HIGH MARGIN

WENDELL, Oct. 26 (Special)—Overwhelming approval was granted here yesterday by Wendell taxpayers for a five-phase bond issue program totaling \$300,000, savings of the current tax today.

Taxpayers voted in favor by a margin of five to one.
With 125 ballots cast, the election ranked as the largest in village history as the taxpayers registered approval for plans to refund bonds and issue to the extent of \$100,000, and to spend \$100,000 for fire engines, street lighting and extending a water main.

Five Fire Engines
\$42,500 for five engines and equipment, 100 yds., 20 no.
\$42,500 for extending water main to give additional fire protection in the warehouse district, 100 yds., 21 no.
\$40,000 for refunding bond issue of May 1, 1927, which bear six per cent interest, 100 yds., 14 no.
\$40,000 for refunding bond issue of Jan. 1, 1926, which bear six per cent interest, 100 yds., 15 no.

STORES HELP IN H. S. COLOR WEEK

Observance of blue and white color week at the Twin Falls high school and by townspeople continued with cooperation of all merchants secured and each store decorating one window in blue and white featuring a special slogan regarding the school.

In addition to the cooler caps secured by the students at the beginning of the week small white pennants adorned with a "T" made their appearance yesterday.

Pompoms for the game with Caldwell Friday afternoon have been ordered and will be used in demonstrations during the game.

Sophomore girls arranged a blue and white bulletin board and most of the teachers and students are wearing blue and white clothes.

Color week is being sponsored by the Boost club with Bill Moon as president.

Since 1933 there has been only one airline company in France. It was formed by the combination of all existing companies.

JEROME MAN HITS C. OF C. AND MERCHANTS FOR

Editor, Evening Times:
After a careful survey, it seems our progressive citizens and Jerome Chamber of Commerce are trying to force the citizens of the north side to trade at home by keeping a barrier in the form of a toll bridge better in our own pursives and Twin Falls. It matters not to them if it takes lies and subterfuge to do the trick. The whole secret is their stocks of merchandise are very incomplete as to size, color, styles, etc., and by keeping the toll in effect they hope to force us to buy what they offer, regardless of whether we are suited or not.

Many are doing just that, because they can't afford to pay the \$120 toll.
We are ashamed to admit it, but that seems to be the caliber of our public spirited merchants. They yell their heads off about loyalty to our home town dealers, which is all very well, except for one thing, and that is, every progressive move for the good of the community is opposed at every turn by these selfsame merchants unless it puts the cash directly in their own pockets.

Example: Our Jerome county courthouse, which has been in litigation for several months. Why? Because two of our very prominent business men who are heavy stockholders and directors in a third institution, think the citizens of Jerome county should pay tribute to them.
We citizens have declared ourselves very forcibly about dictators in Europe for the past several years, but we sit idly by and let a few penny-ante dictators tell us what we can and cannot do here at home.

If the public would trade only with merchants who are for progress and not against it, I think Jerome would wake up and be a progressive community.

Just a little suggestion to Twin Falls merchants: Let them offer to pay the toll for each north side buying \$20 or fifteen dollars worth of merchandise, and see how quick the Jerome opposition to a free bridge would be.
Yours for a free bridge,
R. THOMAS.

UP-TO-DATE NAVY DECLARED VITAL

In the light of the tremendous progress along the lines of technical developments in engineering in the last 30 years, modernization of navies is extremely necessary, W. H. McDonald, chairman in charge of arrangements for the Navy day observance in Twin Falls, said today afternoon. The observance is planned Thursday.

"A modern steamship, whether built for trade or war, is the embodiment of all the knowledge and skill that has been developed by the sciences and art of our modern world. The most profound investigations of mathematicians, physicists and chemists, the most refined methods of metal workers, the latest developments of engineering and electricity and the best skill of a score of trades have contributed to her design and construction," McDonald said.

After a lapse of 20 years, McDonald pointed out, this country is once more engaged in the building of battleships, and these vessels are our main line of defense. They are the talking point, and are made as nearly unattackable as it is possible to construct a vessel of war.

During the past season of congressional additional naval vessels were authorized and funds were made available to proceed with construction of four battleships, four cruisers, eight destroyers, six submarines, two minesweepers, one submarine tender, three fleet tugs, three oil tankers, one destroyer tender and one large seaplane tender.

In Twin Falls the feature of Navy day will be a radio address over KFTT, Thursday evening.
