

SPANISH INSURGENTS NEAR END OF LONG EBRO CAMPAIGN

ARMY ADVANCES TO WITHIN MILE OF RIVER FRONT

By HARRISON LAROCHE
HENDAYE, French-Spanish Frontier, Nov. 3 (AP)—Spanish insurgents reported smashing advances today and claimed that the four-month campaign on the Ebro front had entered its final phase.

The nationalist headquarters advised a steady forward drive by their troops, led by airplanes which the loyalists described as German and Italian craft, had penetrated the government defenses to within a mile of the river Ebro.

Almost 400 prisoners were taken as the insurgents pushed across the rough countryside in an effort to complete the destruction of power lines thrown up by the loyalists after they captured the region last summer in a surprise counter-offensive.

Nationalist planes mowed for repeated bombing and machine gunning attacks on the battered loyalist lines, which were reported driven back from the Sierra Pandola. The entire chain formed by the Pandola, Cabala and Layall hills was reported in the hands of the insurgents after several fighting under direction of Gen. Garcia Valino.

Reported Spanish attacks against loyalist lines were reported to have been made at the cost of thousands of casualties. The dispirited loyalist positions have been taken.

The big offensive—latest in more than half a dozen costly attempts to retake the territory—was started by the nationalist armies on Sunday and gathered momentum day after day. Several severe aerial engagements were fought over the lines and the government fliers reported they had brought down one Fiat and one Messerschmidt plane yesterday.

ROBBERY CHARGE CHANGED IN CASE

Charge of robbery filed yesterday afternoon against Fredrick Patterson, 23, a transient, today was changed to that of vagrancy, court records show.

The change in charges was made after local police had conducted a thorough investigation of an accusation made by J. D. Williams, Alhambra, N. M., another man who Patterson had beaten up and then taken to the railroad yards yesterday afternoon.

Williams had claimed he bought the two men their dinners before the beating started. He said police that Patterson was the man who hit him, knocking him unconscious.

Patterson's case will be heard by Municipal Judge J. O. Humphrey this afternoon. Meanwhile he is in the city jail.

Serum Dashes Futile; Local Rancher Dies

(From Page One)
This county since typing of the disease began two years ago, had come to the Twin Falls area in 1938 from Colorado.

Funeral services have been tentatively arranged for Saturday at 2 p. m. at the Presbyterian church. Interment will be in Twin Falls cemetery under the direction of the Drake and Reynolds funeral home.

One of the best-known horticulturists in this section of Idaho, Mr. Boone's hobby was the growing of fruits and shrubs, and his arrangements raised on his ranch on Blue Lake boulevard were unusually large.

Mr. Boone was born June 15, 1874 at Taber, Neb. He came to Idaho in 1903 and worked on the Miller dam until the Twin Falls tract opened up in 1905.

He settled on a farm west of Twin Falls, and trucked off the 40 acres by hand. In 1921, the Boone family moved to the Blue Lake boulevard ranch.

Mr. Boone is survived by his wife, Mrs. Annette Boone, and three children, Owen Boone, Twin Falls; Mrs. Harry Meppen, Idaho Falls, and Mrs. William Leeds, Twin Falls.

Mr. and Mrs. Meppen have arrived, and will remain in Twin Falls until after the funeral services.

Also arriving are three brothers, Arthur Boone, Albert Boone and Henry Boone, all of Twin Falls, and a sister, Mrs. Gertrude Leveritt, Ann Arbor, Mich.

Miss Elizabeth Showell and Miss Catherine Showell, sisters of Mrs. Boone, will arrive this evening from Dillon, Mont.

News in Brief

Sister is Guest
Mrs. T. B. Gibson, Wilmette, Ill., is the house guest of her sister, Mrs. Sturgeon McCoy.

Goes to Prove
Miss Verne Richards is attending the homecoming at Brigham Young university this week. She will return to Twin Falls next Sunday.

Here from Shoohoe
Mr. and Mrs. A. L. Schureman, Shoohoe, formerly of Twin Falls, spent several hours here yesterday visiting friends.

Community Chorus
Community chorus will meet at 7:30 p. m. tomorrow in the Presbyterian church. All persons interested in singing are invited to be present.

Organizer Here
Mrs. J. A. McDonald, Pocatello, state organizer of the P.E.O. Sisterhood, is the house guest of Mrs. John W. Graham during her official visit to local chapters.

At Home
Returning from a brief motor trip, Mr. and Mrs. F. T. McAuley will be at home in the Reed Apartments after Sunday, Nov. 6.

Back from Clinic
Mr. and Mrs. Fred Klava were expected to return this afternoon from Rochester, Minn., where they both received treatment at Mayo Brothers clinic.

Attend Rally
Mrs. A. S. Marlyn, Mrs. A. D. Boiber and Miss Alice Glibbe attended the Woman's Rally of the central association at the Baptist church in Rupert today. Miss Elma Thorp, Boise, a returned missionary from Japan, accompanied them.

Speeder Fined
Lawrence V. Groves this morning entered a plea of guilty to charges of speeding within the city limits and was fined \$5 when he appeared before Municipal Judge J. O. Humphrey. Groves paid the fine and was released.

MUSIC ARRANGED FOR CONFERENCE

Special music by a chorus and a 10-piece orchestra will feature the opening service at 8:30 p. m. Sunday night in the evening evangelistic service at the First Baptist church's seventh annual convention and Bible conference here. Pastor B. M. David said today as final plans were arranged.

Dates for the annual session, which will attract ministers and church members from many parts of southern Idaho, are: Nov. 3, 4 and 5. Although the opening general service will be Sunday, Bible study hours will be held at 2 to 4 p. m. from the opening day.

The convention and conference will continue through Nov. 30, with evangelistic services each night at 7:30 p. m. except the afternoon Bible studies.

All ministers and church workers, regardless of denomination, are invited to take part in the Bible meetings, according to Pastor David. Bethel ministers and church members will attend from widely separated parts of Idaho.

The convention and conference will continue through Nov. 30, with evangelistic services each night at 7:30 p. m. except the afternoon Bible studies.

ROLL CALL MEET HERE ON FRIDAY

Plans were completed today for the annual Red Cross roll call conference tomorrow, meeting taking the form of a "pop" dinner at 6:30 p. m. at the Park hotel.

A. L. Shafer, San Francisco, manager of the roll call, is the guest of American Red Cross, which is sponsoring the gathering. Forrest Stewart, Boise, field director for Idaho, will also be present.

Principal speaker will be Dr. C. R. Scott, Twin Falls, state roll call chairman.

In a letter to Mrs. D. I. Alexander, Twin Falls chapter president, Dr. Scott says:

"Everything is favorable to an inspiring result from this 1938 roll call campaign. Idaho with 4.8 enrollment, does not compare very well with Wyoming and Nevada, each of which has more than 10 per cent enrollment."

"Are we less able than the citizens of our neighboring states? Or are we less sensitive to distress of others? The answer is 'No.'"

"It must follow, then, that we need more enthusiasm and more careful, methodical canvassing. This is a grand opportunity. We are working for everybody and against nobody. Let's go!"

The roll call will be heard over KTFM in a broadcast early tomorrow afternoon, the time to be announced later.

Students Hurt

HAILEY, Nov. 3 (AP)—Injured when their car swerved off the road one mile south of Seebach, near Hailey students were recovering today. Most seriously hurt was Kenneth Miller, football player, who received a fractured skull and a concussion. Edward Kling, driver; Rex King; and Joe Astorino were the others in the car.

The geographical center of North America is located a few miles west of Devil's Lake, Pierce county, North Dakota.

NATURAL DEATH

JURY'S VERDICT
(From Page One)
D. Pace's investigation revealed Judge Tucker and Mr. Clark had taught school together many years ago.

Others recalled that they had seen him at 11:30 p. m. Monday in a booth at the Club Cafe, and later at 1:30 a. m. Tuesday, where he was observed reading a newspaper.

Mr. Clark had at one time owned the Twin Lake Business college, now Hengener's Business college.

Surviving relatives are Mrs. Ellen Rich Clark, Salt Lake City, his wife; and the following community contributors: Mrs. Laverne Merrill, Stanley Clark and Leroy Clark, all of Salt Lake City; Vivian and Leo Clark, both of Colorado; and another daughter who resides in Utah.

CONCERT OFFICE BUSY SPOT HERE

One of the busiest spots in Twin Falls this week is the headquarters of the Twin Falls Community Concert association, in the Anderson Music company building, 117 Main avenue east.

Members are even more vigorous this afternoon, as the deadline on membership nearer. The campaign will close at 8 p. m. tomorrow.

Although Mrs. D. L. Alexander, president of the Twin Falls Community Concert association, said this morning the work was too early to predict the results of the week's efforts, she and other campaign workers considered the response "unusually favorable" considering the onerous conditions and the number of local demands.

Most of the early work was done in Twin Falls, and Miss Mary Geyer, secretary of the association, has been busy checking in membership sales.

One of the most encouraging features of the campaign has been the enthusiasm of the volunteer solicitors, of whom about 45 are canvassing the community.

Neighboring Towns Aid
Much attention has also been paid to this project by neighboring communities. Workers and Mrs. W. B. Buhl, Kimberly, Hansen, Hazelton, Burley, Piler and Albion.

With at least three concert attempts in the past, the association is offering the sponsor reports, favorable reaction to the price of season membership tickets, \$5 for adults and \$2 for children.

The concert bureau with which the local organization is cooperating is associated with more than 400 other community concert projects throughout the country, 80 of them on the Pacific coast.

Death Comes to Ex-Burley Woman

BURLEY, Nov. 3 (Special)—Mrs. Evelyn Geyer, wife of Harold Geyer, a former resident of Burley, died at 4 p. m. Tuesday at Monterey, Calif., according to word received by her sister, Mrs. W. B. Geyer, Burley, parents of her husband.

Mrs. Geyer had submitted to an operation in California. She is survived by her husband and two children, Gretchen, aged 8, and Peter, 3; her parents, Mr. and Mrs. A. O. Jacobson, and one sister, Mrs. Charis Dome, all of Oakland, Calif.

Interment was in Monterey this afternoon.

WORK STARTS ON SCHOOL PROJECT

Work was well underway here today on the school improvement program at Lincoln field and also the Lincoln school grounds, made possible through approval of a resolution passed by the school board.

The project, which represents an expenditure of \$26,000 including the school building, will result in construction of a new grandstand at the field, general improvements to the school grounds and the center of the school. The grandstand will be placed at a point approximately in the center of Third avenue north between Second and Seventh streets north, that one-block area recently being declared vacated as a public thoroughfare by action of the city council.

The grandstand will be constructed of cement and rock. Several piles of the rock are on hand at the present time and the block long section of the street is closed to traffic as the actual work gets underway.

Work on the concrete sidewalk which is being constructed along the school side of Seventh street north between Second and Third avenues north, is being installed at the present time and the center will in all probability be poured before the week has ended, those in charge say.

The old wooden grandstand, which the new cement-rock structure will replace, will not be torn down until completion of the home schedule of the high school football team.

Death Summons Charles W. Mead

Charles W. Mead, 61, died at 9 a. m. today at his home, 422 Fifth avenue north. He succumbed to bronchitis, which had been treated for some time.

Mr. Mead had been a resident of Twin Falls since 1910. He was born Feb. 15, 1877, in Wisconsin.

His body rests in the mortuary pending funeral arrangements. He is survived by three sons and one daughter, Ernest Mead, St. Paul, Minn.; G. R. Mead, Lewiston; Harry Mead, Twin Falls, and Mrs. Mary Mead, Jerome. A number of grandchildren also survive.

One-Time Capone Aide Found Shot

HAMMOND, Ind., Nov. 3 (AP)—Walter Leonard, 32, Chicago, one-time Capone gang lieutenant, died in St. Margaret's hospital today from a gunshot wound which police said apparently was inflicted on a gangland "ride."

Leonard was found dying in his automobile on the highway in the district early today. He had been shot in the jaw and the back of the head. He died without regaining consciousness.

Seen Today

Town marshal of Kimberly, and his wife, taking high prize in including their week-old adopted son to friends. . . . New side entrance going in at rear of stage depot. . . . Man exclaiming "goodness me" as he goes down one knee in supplicating attitude when his rubber heels slip on wet metal footing across downtown intersection. Health unit making ready for hard winter by installing storm door. . . . Two bursters industriously shaving themselves in their shop before customers start arriving. Very small stray kitten making itself at home in city hall as employees feed and care for it. . . . Pictures of local Idaho Power girls in company magazine, giving Bill Reed a send-off picture in ditto of Al Gilbert giving Bill a "dopey" doll, a third picture showing Merritt Showell with his own invention, the reflector to meter tester. . . . And Bachelor F. A. Denton buying "No Hunting" signs after hunters killed a 250-pound calf belonging to him.

CALL MADE FOR ARMY RECRUITS

Five specific vacancies for service with the United States army post at Fort Douglas, Utah, were listed here this afternoon by Sgt. Frank Morris, officer in charge of the recruiting station located at the city hall.

Two vacancies are noted for service with the medical detachment, applicants being required to have a high school education and qualified as clerks. One vacancy is listed for the quartermaster's corps for a man qualified as a baker and also listed are two openings for utility men, no special qualifications being required.

Vacancies also exist for duty with the 7th and 4th infantry posts, Sgt. Morris said.

Bourbon Leaders Speak in Jerome

JEROME, Nov. 3 (Special)—Three of the major Democratic candidates will feature a Bourbon rally here at 8 p. m. Friday at the high school auditorium.

They are O. Ben Ross, governor nominee; Bert H. Miller, congressman; and Gairford F. Mix, lieutenant-governor.

Jerome high school band will supply music.

CONTEST ENDS

DELL RAPIDS, S. D., Nov. 3 (AP)—The fifteenth annual national cornhusking contest ended at 3:00 p. m. today. Officials estimated at least two hours would be required to determine the winner, since the scoring is a complicated process.

HUDSON-CLARK

Twin Falls' Only Shoe Store.

TALK

Officials of the Silver Farm Equipment company, with offices in Chicago, conceived a novel method of talking to dealers and jobbers all over the United States. It was revealed here this afternoon.

The officials, speaking from Chicago Monday night, used telephone communication to put their messages over in Twin Falls, at the Mountain States Implement company store, an amplifying system was installed by telephone company workmen. This permitted jobbers and dealers from Utah and Idaho to listen to three speakers. The local outlet was the only one in the two states.

The unique program lasted approximately 30 minutes and 30 persons were present in the implement company house here to listen in.

VIENNA GATHERING REMAKES MAP OF CENTRAL EUROPE

HUNGARY GIVEN 850,000 FORMER CZECH CITIZENS

By ROBERT H. BEAT
VIENNA, Nov. 2 (AP)—The Vienna conference adjourned harmoniously today after a 75-minute session which revised the map of central Europe for the third time this autumn by granting Hungary 4,533 square miles of territory and 850,000 inhabitants of Czechoslovakia.

The conference—under the domination of Germany and Italy—had ended for the moment the Czechoslovak minority problem which a few weeks ago threatened to plunge all of Europe into war.

Hungary got most of the Czechoslovak territory that had been divided—would strip along the full length of her northern border. And although delegates from all four nations—Germany, Italy, Hungary and Czechoslovakia—were leaving here with shows of cordiality and mutual reliance, reports from Prague and Budapest indicated that the treaty they had signed was being widely denounced by Czechoslovak and Hungarian citizens.

Czech government spokesmen described the treaty as "a severe blow." Hungarians demonstrated in Budapest shouting: "We want Bratislava back; we want everything; we want a common frontier with Poland."

Only Two Demands Rejected

Only two of Hungary's demands were rejected. Czechoslovakia was allowed to retain Bratislava, capital of Slovakia province and one of the most important cities in the country. Czechoslovakia also was allowed to retain the northern part of Ruthenia province.

Czechs got the capital, Uzhorod, and all other important cities, but Czechoslovakia was left with the desolate, mountainous northern part. This Czech fragment will be economically dependent on the area that Hungary took, and it will be isolated from the rest of the country by the route connecting it to the west in the area ceded to Hungary.

Czechoslovakia is left with a corridor between Hungary and Poland, which both those countries had insisted should go to Hungary, so they could freely trade with each other.

Revised Treaty

The 75-minute session, ruled by Austrian von Ribbentrop and Count Ciano, saw foreign ministers of Germany and Italy, revised the treaty of Trianon, which George Clemenceau, David Lloyd George and Woodrow Wilson had spent months to write. But none of the three powers that wrote the treaty in 1919. Great Britain and the United States was even consulted about the revision.

The largest city awarded to Hungary was Budapest, with 700,000 population. Hungary also had claimed the city of Sopron, on the basis of a promise that was later more than fulfilled as Hungarian, but the treaty permitted Czechoslovakia to retain that city.

Second Arbitration

A spokesman for the German foreign office, commenting on the conference, said:

"The Berlin-Trieste axis has successfully arbitrated an international dispute of high importance and great complications. The axis thereby acquired its character as a factor of peace and order in European politics. The wrongs committed by past treaties of 1919 created a great center of disorders in central Europe. This situation has been ended by impartial arbitration by the German and Italian foreign ministers after careful consultations with both parties and among themselves."

Swing Has Upsetting Effect

That swing music has a very upsetting effect on some folks is demonstrated by the couple who make up the animated "X" pictured above. They are contestants in the "Fall Follies" a recent swing session in state Boston's garden, attended by 25,000 frenzied jitter bugs. Musical stimulus for the rhythmic fit thrown by the swingsters came from the orchestra of Benny Goodman and Rudy Vallee.

BUHL UNIT SCANS EYE, TEETH HELP

LOS ANGELES, Nov. 3 (AP)—The Buhl Health and Welfare organization of the city met Monday evening in the city hall and discussed at length the values that would be received if the Red Cross would sponsor a program for having the eyes and teeth of the Buhl children cared for with the proceeds from its annual drive this year.

The funds received from the drive last year were used to purchase a pulmotor for the city of Buhl.

An announcement was made regarding the luncheon which will be held at the Park hotel in Twin Falls Nov. 19 for the different Health council committees.

Chestnut trees are most commonly used for telephone poles.

Menuhin Will Play Concert

LOS ANGELES, Nov. 3 (AP)—Union laborism bowed today to art in the first conflict with expensive musical talent and permitted Yehudi Menuhin, young violin virtuoso, to give his concert.

In the tradition of the state, the Los Angeles philharmonic orchestra decided to accompany the violinist. To walk out on strike as members of the American Guild of Musical Artists whose contract specified that every artist appearing be a member, would be breaking faith with the public, Guild leaders said.

CANDIDATE SEES BIG ROSS MARGIN

BOISE, Nov. 3 (AP)—State Mine Inspector Arthur Campbell, seeking reelection on the Democratic ticket, said in an address at Emmett last night that "Ross will be elected by a majority of 25,000 votes."

Campbell shared the platform with Rep. Compton I. White, seeking reelection, and D. Worth Clark, candidate for the U. S. senate.

Elsewhere on the political front: In Kellogg, Bottolfsen told a rally that if elected, he would do his "utmost to take the game commission, the highway department, and the state superintendency of public instruction 'out of politics.'"

Mrs. Carole Smith, vice-chairman of the Republic state central committee, said in Boise that "Idaho women have awakened to the fact that things were not right in the Ross regime and their natural code of decency dictates avoidance of such practices." She said the women's vote would be mostly Republican.

At Rigby, Attorney-General J. W. Taylor, seeking the Democratic nomination, praised the Democratic party for playing clean politics. "We get along better without slinging dirt," he said.

Wags suggested that the Democratic central committee send an organizer to Boise high school to get students into line for their election.

"Every Winter Had Terrible Colds"

Nurse's Grateful Letter

"I want to thank you for the wonderful cough and cold medicine, BUCKLEY'S MIXTURE. I bought the first bottle last winter, for the first time in whom I am taking care of, for he had had terrible colds every winter. The first dose helped, and after the third dose cold was gone—it does such quick work." Mr. C. Davis.

Don't take chances for even the most stubborn, stubborn cough swiftly yield to the powerful influence of BUCKLEY'S MIXTURE. (Triple action). The largest selling medicine for coughs, colds and bronchitis in all drug stores. Get a small bottle at any drug store. Safe and satisfaction guaranteed always.

Attempt Made to Prove Bacon Wrote Plays for Shakespeare

LONDON, Nov. 3 (AP)—Heretic lights which flashed in Westminster Abbey during the night caused reports today that the tomb of Edmund Spenser, "prince of poets," had been opened in an effort to end a 170-year-old claim that Francis Bacon wrote William Shakespeare's plays.

Abbey officials denied that the tomb had been opened and intimated that the lights were due to a secret preliminary survey as part of which experts sought to place the exact spot where Spenser's bones repose.

It was remembered that Abbey authorities had agreed to open Spenser's tomb at the insistence of members of the Baconian society, formed to promote their claim that Bacon really wrote the plays which have made Shakespeare one of the great figures of world history.

The Baconians depended on a tradition that when Spenser died in 1599, fellow poets, including Shakespeare, but not Bacon, dropped original manuscripts into his tomb to honor him. Almost nothing had been preserved of Shakespeare's own handwriting. Five or six signatures, three on his will, alone survive of his penmanship.

The Baconians argued that if the manuscripts were found, and if Shakespeare's showed handwriting identical with that of Bacon, their case would be proved.

The Daily Mirror asserted that no manuscripts were found, and that therefore the argument which Herbert Lawrence first advanced in 1919 in his "The Life and Adventures of Common Sense" remained unsettled.

Cent a Mile

PASADENA, Calif. (AP)—"See America First—at One Penny a Mile." is the slogan of Clyde Carriger, school of journalism student at the University of Missouri, who has returned home after making an 8,200-mile tour of the United States at a cost of \$80. This covered food, shelter and transportation.

UTAH'S TRAFFIC DEATHS HIT 162

SALT LAKE CITY, Nov. 3 (AP)—Two persons were killed in traffic accidents, bringing the 1939 Utah highway death toll to 162. A year ago, the 1937 total was 159.

Don McKay, 33, Huntington, died of injuries received at Ogden when the motorcycle he was riding crashed into an automobile. McKay was thrown 50 feet.

Miss Lucita L. Stevens, 41, Los Angeles art teacher, died last night after the automobile in which she was riding crashed into a roadside bank and overturned near La Verkin. Her death was attributed to shock caused by heart failure. Her father, E. E. Stevens, driver of the car, and her mother were uninjured.

COACHES

Announcing the NEW FORD V-8 CARS for 1939

GREATER VALUE for every motorist has been built into the new Ford V-8 cars for 1939. They further express the forward-looking policy of the Ford Motor Company—traditional Ford dependability and economy plus progressive engineering.

Each car is distinctive in design, yet each has something of the fine streamlining of the Lincoln-Zephyr—recognized style leader for the industry. Interior appointments are in keeping with outward beauty. Every detail is styled for good taste and good service.

Both are big, roomy cars, equipped with hydraulic brakes and powered with the V-8 engine that gives you so much extra smoothness. This year the quiet performance of the

V-8 engine has been matched by the new quiet built into every part of the car.

The 1939 Ford cars bring you greater riding ease on every road. New seat construction, flexible transverse springs, and big hydraulic shock absorbers provide triple-cushioned riding comfort.

Both 1939 Ford cars are Ford-priced for greater dollar value. Both bring new meaning to the Ford phrase, "The Quality Car in the Low-price Field."

FORD FEATURES FOR 1939

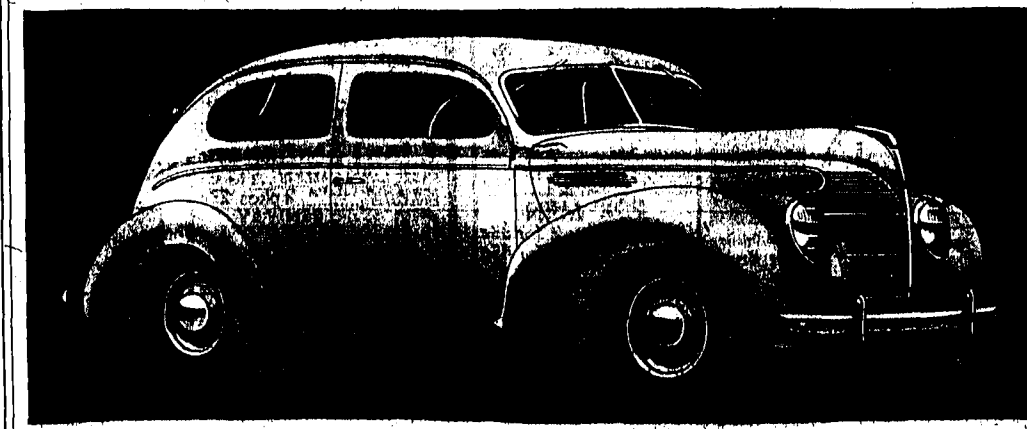

Advanced Streamlining • Newly Styled Interiors
 V-type 8-cylinder Engine • Hydraulic Brakes
 All-steel Bodies • Scientific Soundproofing
 Triple-cushioned Comfort • Lower Prices
 460 or 55 hp. in Ford, 85 hp. in De Luxe Ford

LOWER 1939 PRICES
 (For cars delivered in Detroit— taxes extra)

FORD V-8 (20-hp. engine)	(20-hp. engine)
Coupe \$624	\$624
Tourer Sedan \$624	\$664
Fordor Sedan \$669	\$709
DE LUXE FORD V-8 (20-hp. engine)	
Coupe \$684	
Tourer Sedan \$724	
Convertible Coupe \$769	
Fordor Sedan \$769	
Convertible Sedan \$899	

Both the Ford V-8 and the De Luxe Ford V-8 come equipped with bumper and bumper guards, spare tire and lock, clear lighter, fog horns, dual windshield wipers, and headlights beam indicator on instrument panel, 12-volt extra charge. De Luxe cars also have an extra tall light and sun visor, de luxe steering wheel, glove compartment, lock, clock, and Radio. Steel wheel bands, at no extra charge.

TWO FRONTS TO GET VOTING TEST

(From Page One)
In membership will exceed 70 seats. The least figure suggested is around 25. If it is worth while for Democrats to gain the governorship in California, it is vital that they stand off Republican thrusts in Ohio, New York, Michigan and Pennsylvania, where state captives now are in Democratic control.

Michigan Governorship
There is no substantial contest in Michigan. Pennington is a minor issue. Small Republican house gains at most are forecast by observers. But the New Deal is having the fight of its life there to continue Gov. Frank Murphy as governor. President Roosevelt has been in the contest last week with a blunt charge that the house committee investigating un-American activities "permitted itself to be used in a flagrantly unfair and un-American attempt to influence an election."

The government's handling of the all-down epidemic has become a major issue. Frank D. Fitzgerald is the Republican nominee for governor. Murphy beat him in 1936 by a margin of only 48,000 votes. Mr. Roosevelt has been in the contest last week with a blunt charge that the house committee investigating un-American activities "permitted itself to be used in a flagrantly unfair and un-American attempt to influence an election."

New Deal Top Issue
The New Deal is top issue in New York and Pennsylvania. Major Republican gains in either state would severely damage the Democratic organization and materially change political prospects for 1940. Gov. George H. Earle is Democratic nominee for senator and Chief Alvin Jones is running for governor. The New Deal tide will have stopped and possibly turned if they come up losers on Nov. 7.

Republican success in Pennsylvania would give the GOP a potential 1940 presidential candidate in Judge Arthur H. James, now running for governor. Sen. Davis is seeking reelection, in his Republican seat.

New York is giving the year's big political show with a contest for governor between a Republican Charles H. McNary and a Democratic Herbert H. Lehman, drafted by Democrats for a fourth term as the man most likely to be elected stop Dewey.

Victory would put Dewey in line for probable presidential nomination in 1940 and would give the Republican party—as would success in Pennsylvania or elsewhere—a nice ration of more and more New Deal is the issue in New York and Roosevelt prestige requires victory there.

That issue is refined in the Democratic reelection campaign of Senator Wagner, sponsor of the national labor relations, social security, agriculture and housing bills, and vital New Deal acts. Wagner's vote will be a standard to measure popularity of New Deal instruments, especially the labor relations board which he conceived.

U. S. EMBASSY IN MADRID WRECKED

MADRID, Nov. 3 (AP)—A six-inch shell tore a three-foot hole in the American embassy building last night, wrecking the bedroom normally occupied by the American ambassador and destroying valuable pictures and furniture.

A guard at the street door of the building was wounded in the head by shrapnel.

The American embassy building has been abandoned for many months by the ambassador, Claude G. Bowers, who maintains his headquarters at Hendaye on the French frontier. Other American diplomatic representatives make their headquarters at Barcelona, emergency capital of the loyalist government, the embassy building here is occupied by the caretaker and others.

Severe Bombing
The shells last night were fired in one of the most severe national bombings of Madrid in a long time. Many shells fell in the embassy zone, which is supposed to be neutral.

Seven persons were killed and 18 wounded when a six-inch shell smashed into the dining room of one building in the embassy district, where a large crowd was attending a private banquet. The room was wrecked. The body of an unidentified French woman was found in the wreckage.

A few hours before the bombardment started a nationalist airplane had dropped bombs on the cemetery in the occasion of All Souls' day.

15 KILLED
LONDON, Nov. 3 (AP)—The Exchange telegraph in a Madrid dispatch said today that the headquarters of the International Red Cross was struck by a nationalist shell during a severe bombardment of Madrid last night.

The Exchange dispatch said that casualties in the bombardment were listed officially as 18 killed and 24 wounded.

Eastern Stars to Make Reservations
All members of Twin Falls chapter Order of the Eastern Star, and their escorts, also adjoining Eastern Stars and their escorts, are invited to attend a dinner next Wednesday evening in honor of Mrs. Anna Hamilton, Nampa, worthy grand matron.

Those desiring to attend are requested to make reservations with Mrs. Catherine Potter at the Potter Real Estate company as soon as possible, according to officers of the local chapter.

In addition to Mrs. Hamilton, a number of distinguished worthy grand lodge officers, from various parts of the state will be present.

Jerome will Start \$90,000 Sewage Project on Nov. 10

JEROME, Nov. 3 (Special)—A \$90,000 sewage project for the city of Jerome will get underway here on Thursday, Nov. 10, it was announced this week by the city council.

Action was taken by members for leasing a part of the Burkhalter potato cellar for use as a pipe making plant for the project and equipment will be installed in that building for construction of pipe. It was decided that since the building affords adequate heating facilities during the winter months, no delay in the progress of the project would be experienced.

Chrysler in Charge
Walter S. Chrysler, former city engineer of Burley, will be in charge of the project, and surveys for the sewer have been made by L. M. Porter of Caldwell, who has been employed by the city to assist in the project. Work will be operated by Jerome as the funds will be raised through a direct tax levy and will probably be paid for within two years, councilmen announced. Since federal grants for such projects are made on the yearly basis, another grant will have to be made next year before completion of the system throughout the city.

Disposal Plant
Work will be started in the construction of a disposal plant near the fairgrounds and later the main trunk lines will be built. Many of the feeder lines will have to be completed by the city. Pipe 24 inches in the main trunk lines will be 12 inch to 16 inch while feeder lines will be made of 8 inch pipes.

The need for this new improvement has been urgent for sometime from the point of sanitation and when completed will be a great advantage to the city, officials said.

ARMY LIFE CENTRAL EUROPE MAP MADE OVER

Take it from Curtis A. Curt Floyd, former Twin Falls resident, life in the United States army is "hell."

Floyd, who enlisted a little over a month ago and was stationed at Fort Douglas, Utah, was here on leave. He is accompanied by Leonard A. Tilman who enlisted from Twin Falls in 1936.

Floyd, a blithe, who was graduated from the local high school and who was a member of the high school band for six years, will enter the Post 12 Douglas here in February, he said. He is a son of Mrs. Carl Chastain, Twin Falls. The two youths will report back at Utah for duty Sunday.

SURGEON DELAYS CORNEA GRAFTING

SAN FRANCISCO, Nov. 3 (AP)—The transplanting of corneas of a dead man's eyes to restore the sight to two blind persons was delayed today for a newly-developed sterilizing process.

The surgeon in charge, who preferred to remain anonymous, waited 24 hours to make certain that all possible toxic elements had been eliminated from the dead eyes by freezing.

They were sent here in ice, by plane, from Salt Lake City, after being taken from the body of John W. Deering, a murderer. He gave his body to science, in a gesture of atonement, before a firing squad executed him.

Those among 50 persons pleading for restored sight who may benefit from Deering's eyes are a 25-year-old man and a 65-year-old woman.

SCHOOL DISTRICT BIDS SET NOV. 14

Sealed bids for supplying approximately \$724,812.30 in fire insurance covering buildings and property of the Twin Falls school district will be received up to 5 p. m. Nov. 14, according to legal advertisement by the district.

Kind of insurance, amount and the insurance plan are all concretely explained in written specifications now available at offices of Supt. Homer M. Davis.

The bids will be opened by the board of trustees at the regular November meeting, 7:30 p. m. Nov. 15. The call for bids represents elimination of long study by the trustees in an effort to secure a coordinated insurance plan for the district's property.

CALLAHAN RECORD HIT BY ATTORNEY

Attacking the past legislative record of Donald A. Callahan, Republican nominee for United States senator, W. Orr Chapman, prominent Idaho Democrat, last night in a radio address here charged Callahan holds the belief "that the benefits of government should be bestowed upon the few at the expense of the many."

Chapman offered his bold endorsement of Rep. D. Worth Clark, the Democratic nominee for senator.

Against Pensioners
Citing Mr. Callahan's voting record in the state legislature, Chapman said that the G. O. P. candidate voted three times "against old pensioners" and voted also at various sessions against bills intended to benefit labor.

Since his retirement from the legislature, according to the local attorney, Mr. Callahan "has been the active hired lobbyist for the mine owners." He represented them at Boise in opposing the three-cent mining tax for general school purposes.

Praising D. Worth Clark, the radio speaker said Rep. Clark "has conducted a dignified campaign devoid of personalities and has discussed a definite constructive program."

Supported Social Justice
During Clark's four years of service in congress, Chapman declared "he has supported President Roosevelt's program for social justice and for the promotion of the general welfare of the American people."

The speaker listed achievements of Clark as including opposition to measures not to the best interests of the people of the country or of Idaho; initiation of legislation for federal aid in the noxious weed campaign; introduction of the resolution for the investigation of the "farm machinery trust."

Rep. Clark is in favor of old age assistance, the attorney emphasized.

During the reign of King Edward III of England the iron pots and frying pans being duty in the royal kitchen were classed as part of the crown jewels.

HARRY W. BARRY For STATE SENATOR

If elected here are a few of the things Mr. Barry will work for:

1. Development of phosphate resources in Idaho.
2. A state fish and game commission.
3. State police system under civil service including radio communication and bureau of identification.
4. Removal of toll bridge on U. S. highway No. 2.

Vote for a man who knows the legislative ropes to represent Twin Falls county. (Anti Political Ads)

Funeral Set for Mrs. Elsie Reed

BUHL, Nov. 3 (Special)—Funeral services for Mrs. Elsie Reed, wife of Fred Reed, who died Monday, will be held at 2:30 p. m. at the Evans and Johnson funeral chapel. Interment will be in the Buhl cemetery.

Palbearers will be Robert Maxwell, Maurice Currington, Charles Hart, John Ness, A. C. Stokessbury and Ed Elkstrand.

HOGS LOADED AT BUHL
Buhl and west end shippers were busy today for the loading of hogs from the Twin Falls County Livestock Marketing association pool which will be shipped from Twin Falls Friday afternoon. County Aggravator Harry S. Hein said loading will be carried out in Twin Falls Friday morning.

Not one of these men know the name, age or price of the whiskey he was trying. Yet 960 praised its smoothness, mellowness, mildness. So again, we say—Look at Old Quaker's rock-bottom price.

What This Means To You
If these 960 out of 1,000 men are right, the Old Quaker has got something you need! It's got this quality at a low price! Make this one, simple trial yourself! Convenience yours! Old Quaker is good news for every thrifty drinker!

Kiwanians Escort Daughters At Tonight's Dinner Meeting

Daughters of Kiwanians will be escorted by their fathers when they attend a 7 o'clock dinner this evening at the Park hotel. Members of the Kiwanis club who have "adopted daughters" of the evening.

Entertainment will be a blend of mysticism and music. E. K. Dillingham, whose tricks of magic never fail to bewilder and delight his audiences, will be there from Ellier with an entirely new routine of "up the sleeve" and "in the hat" tricks.

H. H. Hedstrom, president of the host club, will welcome the guests.

Dinner music will be played by an orchestra of juvenile musicians who designate themselves as the Music Makers.

Members of the orchestra is Lawrence Mosch, Ted Becker, Clinton John, Martin Sweeley, Bob Blawie and Bob Ryan. Mrs. V. W. White, wife of a former Kiwanis president, is accompanist for the piano.

Also appearing on the musical program will be Robert N. Cook, who will present a group of vocal numbers.

Harmonized songs and favors will add to the merriment of the evening, and the table prizes will feature lighted-up, Halloween napkins, pocket-books and other motifs of the season.

J. E. White has arranged the program and E. K. Hollingsworth has taken charge of other details incident to the entertainment of the young guests.

CHAMBER LUNCHEON
Mrs. Roy Walker presided at a luncheon of charming appointments this afternoon at her home, 1018 Adams street north.

Special guests were Mrs. J. J. Nelson, Twin Falls, and a member of the auxiliary during her absence in Sulley, and Mrs. L. C. Wheeler, also of Twin Falls.

Luncheon was served buffet style, the service table being covered with exquisite lace cloth and centered with an arrangement of chrysanthemums in pink and white. Guests were seated at square tables.

About the rooms were foliage bouquets and baskets of marigolds and chrysanthemums.

A scheduled program and business session followed the luncheon.

MIDNIGHT SUPPER
FOLLOWING CARD PARTY

Mrs. Martin Morehouse entertained at a bridge and Chinese checkers party last evening at her home for a group of friends. As a finale to the evening, the hostess served a buffet. Late autumn flowers were the room decorations.

Miss Vivian Anderson and Mrs. Ivan Anderson won honors at bridge. Miss Alma Fisher received the prize for Star Checkers.

Present were Mrs. Frederick Preston, Los Angeles; Mrs. George Caplan, Mrs. Ivan Gardner, Mrs. Jack Sullivan.

Miss Enid Blahodis, Miss Joanne Robinson, Miss Anderson, Miss Virginia Hayre, Miss Marie Blawie, Miss Marjorie Driscoll, Miss June Thompson, Miss Carol Smith and Miss Jo-Billy-Morehouse.

Varied Program Marks Harvest Home Dinner

Approximately 200 guests will attend the annual Harvest Home dinner of the Methodist Episcopal church tomorrow evening at 6:30 o'clock in the church parlors. Commorrows from the Ladies' Aid society of the church, augmented by leaders of the 10 divisions, have completed arrangements for the occasion, one of the most enjoyable of the entire season for congregational members and friends.

Auxiliary and Legion Observe Armistice Day

Twin Falls post, American Legion, through the command, R. V. Jones, last evening extended an invitation to members of the auxiliary to attend the Armistice day banquet Friday evening, Nov. 11, at the Park hotel. The invitation was made at a meeting of the auxiliary at Legion Memorial hall.

This is a departure from former years as the Legionnaires customarily sponsoring a noon luncheon for Legion members only in observance of the close of the World war.

Another attraction of this year's celebration will be the initial performance of the drum and bugle corps, composed of sons and daughters of American Legion and auxiliary members. They will take part in the parade.

An evening of cards, followed the dinner. Mrs. Lucille West, Buckeye, Ariz., a past president of the auxiliary there, won the prize for pinocle. Honors at contract bridge went to Mrs. W. R. Douglas and Mrs. Cecil Jones.

Mrs. A. A. Smith was chairman of the evening and the Thanksgiving theme was featured in the tables and refreshments. Hostesses of the evening were Mrs. A. O. Victor, Mrs. John C. Estwood, Mrs. Henry Benoit, Mrs. May Aaga, Mrs. A. V. Williams and Mrs. C. O. Haley.

Mrs. C. D. Pryor presided at the business session. Contributions were voted to the American Red Cross and the Community Chest.

HOSTESS PRESIDENT
AT CLEVER LUNCHEON

Mrs. F. W. McGrother presided at a luncheon of charming appointments this afternoon at her home, 708 Simpson street north.

Twelve guests, members of her bridge club, were present. Chrysanthemums in a variety of hues formed the decorative scheme.

Following luncheon, the afternoon was spent playing contract.

CLUB COMPLETES QUITS FOR CHARITY

Kimberly Road club members, meeting yesterday afternoon at the home of Mrs. Harold Fisher, made two quilts for charity. Roll call responses were current events.

Guests were Mrs. W. Fisher, Mrs. J. R. McMillan and Mrs. Lloyd Lusk.

Mrs. McMillan won the white elephant. The hostess, Mrs. W. F. Fisher, served refreshments.

The Bible contains two chapters which are nearly alike, were they. They are the 19th chapter of II Kings and the 31th chapter of Isaiah.

YOUTHFUL BLENDERS
She's young-minded as her new Marian Martin dress shows you at a glance. Fresh, debonair, flatteringly-patterned 9687 can give you a new look for housewifery and early-hour shopping! A diagrammed Sew Chart eliminates all guess work about the making—in fact, it's a joy to stitch up several frocks in this design! The youthful high-waisted panels give walking comfort, and have a narrowing effect on the figure (especially if cut bias in decorative treatment) You have choice of two gay sleeves, and the pattern suggests two ways of using bias.

Pattern 9687 may be ordered only in women's sizes 34, 36, 38, 40, 42, 44, 46, 48, 50. Size 36 requires 4 yards of inch fabric and 2 1/2 yards of bias.

Peace Outlook Meeting Theme

Banner for largest attendance went to the Presbyterian group yesterday at the semi-annual meeting of the Union Missionary society, which attracted almost 120 churchwomen to the Church of the Brethren.

Program theme for the day was "The Outlook for Peace and Thankfulness."

For the morning session, Mrs. Van B. Wright led opening devotions. Mrs. J. A. Dygert, providing her own accompaniment, offered a vocal solo.

Mrs. Mark C. Cronenberg discussed "The World Council of Churches."

A quiet hour was under supervision of Mrs. L. G. Kildeman. Business meeting then followed, with reports of society activities occupying a prominent role.

Mrs. William Baker, president of the organization, was presiding officer.

Following a no-hostess luncheon, Mrs. R. E. Raines led devotions. U. N. Terry offered a vocal solo to accompany Mrs. Dygert. Mrs. Clyde E. Carter discussed "Bible Appreciation." The L. D. B. chorale double quartet offered a selection in theme with that discussion. Benediction was pronounced by Mrs. Roy Barnett.

It was decided that the spring meeting, which will be an observance of the World Day of Prayer, will be held at the Presbyterian church.

WALTHER LEAGUE OUTLINES ACTIVITIES

Reward for the team selling the most Christmas seals in the interest of the Wheat Ridge sanitarium, will be a party sometime in January, according to plans made by the Walther league at a meeting this week.

The contest will be staged between the boys and girls groups.

Miss Hazel Gansbrugh, Miss Pauline Schaefer and Bud Rubler were accepted as new members.

Announcement was made that try-outs for the play, "The Robber-Count," would be held in the near future.

Next week a contest will be held to collect large postcards which will be sent to Walther league headquarters.

During a pleasant social hour refreshments were served by Miss Gertrude Becker, Miss Betty Rommel, Miss W. Wellhausen and Kenneth Werner.

Historic Wedding
SALINAS, Calif. (Special)—The WPA historical record survey has established that first wedding of Americans in California was in 1843 in what is known as the "Piedmont Maritime District of Alta California," the principals being Mary Peterson, 16, of Jackson county, Mo., and James W. Smith, 31, of Cape Girardeau county, Mo.

LOCAL WOMEN AMONG DENI GUESTS

Three Twin Falls women were among the guests at an attractive bridge party arranged recently by Mrs. R. J. Day at her home on Orchard avenue. They were Mrs. W. C. Thompson, Mrs. E. O. Spilberg and Mrs. Henry Mautner.

Other guests were Mrs. Howard Hall, Mrs. Walter Day, Mrs. Alvin Henderson, Mrs. Fred Stevens and Mrs. W. O. Severance, all of Meridian.

Miss John Day, Mrs. Joe Day and Mrs. Hazel Day, Eden, were also present.

Mrs. McCain assisted the hostess serving a two-course luncheon following the game.

Wall flowers were the decorations, and bridge appointments were in the Halloween motif.

Calendar
Townsend club No. 1 will have a special meeting Friday evening at the City hall.

Chippahkongwi members will meet Friday at the Camp Fire office. They are requested to bring account books and all Christmas cards not sold.

Royal Neighbors of America will meet Friday at 8 p. m. in the I. O. O. F. hall. All members are requested to be present and visiting neighbors are welcome. Plans for the 11th annual Thanksgiving dinner will be perfected at this time.

F. M. club will meet Friday at 2 p. m. at the home of Mrs. Viola Wyland, 1226 Twelfth avenue. All members are requested to be present as important business will be transacted.

Chapter A. O. P. E. O. Sisterhood will have a card session at 6:30 p. m. today at the home of Mrs. C. H. Krensel, 202 1/2 Twelfth avenue east. Dinner will be served in honor of Mrs. J. A. McDonald, state organizer.

Chapter D. P. E. O. Sisterhood will have a dinner honoring Mrs. J. A. McDonald, state organizer, at 6:30 p. m. Friday at the Rosewood hotel. A meeting will follow at the home of Mrs. R. A. Sutcliffe, 1444 Maple avenue.

HAPPY RELIEF FROM PAINFUL BACKACHE

Many of those suffering from painful backache could have relief by using the Hadley's Cinderella shoe. The shoe is made of a special material which is soft and pliable and gives the foot a natural, comfortable position. It is the only shoe that has been scientifically designed to give the foot the most perfect support and relief from backache.

Broken sizes. Black, brown, blue, white. Pumps, straps, lina.

HADLEY'S CINDERELLA

"CLASSIC FURS"
Sure to be lentiled at any gathering of fur-coated fashionables is this luxurious Molyneux outfit. Made of darkly elegant broadtail, the coat is modeled after the cotton jacket of a lowly Chinese coolie, and wadded in the same way. With loose kimono sleeves, it is super-comfortable. Under it is worn a simple dress of lightweight black-wool whose high neckline is stressed by a band of sparkling embroidery.

Twin Falls Man Weds. Buhl Girl at Jerome
JEROME, Nov. 3 (Special)—Lawrence Charles Quisley, Twin Falls, and Viola Olga Rendia, Buhl, were united in marriage Monday by Probate Judge Heber N. Polkman. Witnesses were the bride's parents, Mr. and Mrs. Adolph Rendia.

PEO Chapters Fete Organizer
Numerous luncheons and dinners have been arranged this week in honor of Mrs. J. A. McDonald, St. Anthony, state organizer of the P.E.O. Sisterhood. While in Twin Falls, Mrs. McDonald is the house guest of Mrs. John W. Graham.

Members of Chapter A1 greeted Mrs. McDonald last evening at a dinner meeting at the Park hotel. She was presented with a corsage carrying out the Sisterhood colors, yellow and white, the long banquet table was decorated with flowers in the selected colors, and illuminated by matching tapers. Following dinner, a meeting was held at the home of Mrs. T. C. Bacon.

Initial event in honor of Mrs. McDonald was the luncheon yesterday afternoon at the Park hotel, arranged by Mrs. Harry Benoit, president of Chapter A1 for officers of the group and president of the two other local chapters, Mrs. Leslie Morgan, Chapter A2, and Mrs. William Sampson, Chapter D.

This evening Chapter A2 will be the hostess of Mrs. McDonald's dinner at 6:30 o'clock at the home of Mrs. C. Krensel, 202 1/2 Twelfth avenue east. Arrangements for the event were completed at a meeting Tuesday evening at the home of Mrs. J. E. Dillinger.

Officers of Chapter A1 assembled today at a luncheon at the home of Mrs. A. C. Victor in honor of the state organizer.

Courtesies arranged by Chapter D will include a 2:30 o'clock dinner being served at the Rosewood hotel, followed by a meeting at the home of Mrs. R. A. Sutcliffe, 1444 Maple avenue. Officers will entertain at a 6 o'clock luncheon tomorrow in her honor.

Nuptials Climax Kansas Romance
GLENNIS PERRY, Nov. 3 (Special)—The home of Mr. and Mrs. Ralph Muck was the scene Tuesday evening of a pretty wedding ceremony, when Miss June Arend, Clay Center, Kan., became the bride of Maurice D. Muck, nephew of Ralph Muck of this city.

The ceremony was performed at 7 o'clock, Rev. Brooks Moore, pastor of the Methodist church, officiating. The home was beautifully decorated with autumn flowers. The bridal couple was accompanied by Mrs. and Mrs. J. J. Thompson as bridesmaid and best man. Mrs. L. B. Allison and Miss Louise Gilne sang "Love You Truly," accompanied by Mrs. Brooks Moore at the piano.

Following the ceremony, the assembling enjoyed a wedding dinner at the Koffee Kup cafe, the bridal couple leaving later for Nampa, where the bridegroom is employed in the railroad service, and where they will make their home for the present.

Mrs. Muck is a daughter of Rev. Mr. and Mrs. L. T. Arend, Clay Center, Kan. She is a graduate of the Concordia, Kan., high school and Kansas Wesleyan university, Salina.

Kan. Mr. Muck is a graduate of the high school at Clay Center, where the romance had its beginning.

DIETRICH PAIR WEDS AT PARSONAGE
Thomas F. Murphy and Miss Elizabeth Dietrich, were married yesterday at noon at the Methodist parsonage. Rev. J. G. McCallister officiated. Immediately following the ceremony Mr. and Mrs. Murphy left for Kellogg where he is engaged in the mining industry.

Still Coughing?
No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any formula less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes that so loosen and expel germs laden phlegm.

Even if other remedies have failed, don't be discouraged. Try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Elect A REAL STATESMAN for United States Senator CALLAHAN Stands for . . .

1.—Restoring the domestic market to the American farmer.
2.—Repealing NOW the Reciprocal Tariff Trade Treaty Act and immediate cancellation of all treaties made under it.
3.—A tariff that will protect American agriculture against the competition of foreign products.
4.—Removal of government interference and competition with business to encourage private capital to start the wheels of industry turning and provide jobs for the unemployed and customers for the farmers.
5.—Completion of all started irrigation projects and provision of supplemental water where needed to insure year by year crops.
6.—Protection of Idaho streams and water sources from encroachment by federal authorities (such as TVA) to the end that our water may be reserved for use of Idaho people and for irrigation purposes.
7.—Relief for the unemployed and assistance for the aged and needy, that will permit a decent standard of living and the doing away with so much relief money going to white-collar higher-ups.
8.—Restriction of the bureaucratic growth of government in Washington.
9.—Reduction of governmental costs and elimination of wasteful spending.
10.—Removal of the control, compulsory and coercive features of the Federal Farm Bill and the Sugar Control Act.

QUARTERLY MEET HELD AT JEROME

JEROME, Nov. 3 (Special)—Members of the Blaine state Y. M. M. I. A. Y. W. M. I. A. and the Relief society met at the D. S. church Saturday and Sunday for their annual convention and quarterly conference. Members were in attendance from Jerome, Redding, Wendell, Hagerman, Carey, Richfield, Dietrich, Gannett, and the Butler Bros. and filled the church to capacity.

The meetings were under the supervision of the general board from Elk Lake City, and included Joseph P. Smith, Axel A. Madson, Evangelina Beasley, Helen Larsen, and Jane Thompson.

A session was conducted by the president of the Blaine state of the Relief society under the supervision of Mrs. Thompson Saturday afternoon. In the evening meetings of all state and ward officers of the Young Men's and Young Women's organizations were held. The work of the Improvement Era was taken up under the direction of Richard Harrison, and supervised by Mrs. J. A. Larson. A department session was held under the direction of Mr. Harrison also.

SALLY RAND, ATTORNEY STAGE SHOW IN COURT

By FREDERICK C. OTTMAN
HOLLYWOOD, Nov. 3 (UP)—Sally Rand, prim in a modest blue dress, a red hat and a girlish air wears to keep her stockings up, and not for her figure-related from the witness stand here how she accused two men of sexual advances up the aisle of a theater to retrieve pictures they had taken of her from an acute angle.

She flatly denied she committed assault and battery on the late Hazel Drain and Ray Stanton—and sought to prove it by a witness who said he saw her and a girl-napping scene with her attorney, Milton Golden.

Graders Frolic, High School Set Replaces Lights

GLENN'S FERRY, Nov. 3 (Special)—Hilltop's "Hilltop" definitely over for the Glenn Ferry boys of the fifth, sixth, seventh and eighth grades, but the memory lingers on for certain members of the high school set.

While the younger children attended the motion picture party and boxing matches Monday evening at the high school, the older celebrators experimented with extinguishing street lights.

The grade school boys were the guests of the Parent-Teacher association and the school, and were shown a good time and served refreshments in exchange for promises to refrain from doing any property damage.

ACEQUIA
J. V. Fowler, superintendent of schools, moved his household goods here from Jerome over the weekend. He is occupying the new house recently completed by D. J. Comstock and son.

Miss Erna Whitte is to be married soon to Edward Rauon, Ripper, Jane and Arvilla Eskam are spending the week in Bellevue at the home of their grandparents, Mr. and Mrs. J. J. Beck.

MAROA
Mrs. S. T. Diehl entertained Wednesday for eight friends. The afternoon was spent at games, "Bub" being the main diversion. Prizes were awarded to Mrs. J. W. Williamson and Mrs. John Bliss.

IDAHO GRADUATE GETS OHIO POST

MOSCOW, Nov. 3 (Special)—Earl G. Leatham, 1936 graduate of the University of Idaho school of mines, accepted an appointment this fall as instructor in metallurgy at Case School of Applied Science, Cleveland, Ohio.

Leatham was just as good a wrestler as he was a student. He held the northwest intercollegiate 185-pound title for two years, and as a senior helped coach the Idaho team.

Third Term?
SACRAMENTO, Calif., Nov. 3 (UP)—Agitation for a third term for President Franklin Roosevelt was included today in articles of incorporation filed for the Fireade Corporation, Inc., by three Oakland, Calif., men.

The purpose of the movement is to secure the nomination of Roosevelt by the Democratic party before the next election, the papers stated. Life memberships at one dollar each will be sold. Incorporators are John C. Good, J. King Mederos and William Sinek.

The output of blood by a human heart is about four quarts a minute.

MINING COURSES GIVEN TOP RANK

MOSCOW, Nov. 3 (Special)—Academic excellence of training offered by the University of Idaho school of mines in mining engineering and metallurgy has been officially certified by the highest accrediting body in the United States.

President Harrison C. Dale was notified this week that the two curricula have been accredited by the Engineers Council for Professional Development, and now appears on its published national list.

CAREY
The following members attended the L. D. E. state conference in Jerome Sunday: W. L. Adamson and daughters, Jean and Lennox, Buford Kirkland, Evan and Curtis Pyyah, Bishop Edna Adamson, Berle Cameron, D. E. Adamson, Mrs. Rosa Dix and Mrs. Henry Farnsworth.

Mr. and Mrs. Charles Blanford arrived home Sunday evening from St. George, Utah, after taking Mr. and Mrs. T. C. Blanford there. Mr. Blanford suffered a severe illness after arriving and his son and wife and their sister, Esther, were called back after starting for home, but he was improved when they left.

Mrs. Ira Eldredge is improving after a recent illness.

The Patterson store will open officially Nov. 4, and will be with the I. G. A. store in Boise.

Mr. and Mrs. Paul Robinson, Challis, arrived Saturday for a short visit with friends and to hunt pheasants. They stopped at the Elmer Bennett home while here and returned to Challis Sunday evening.

Who Is United Motors Service?
The United Motors Service is a new service for the automobile owner. It provides a complete range of services for the car owner.

BE SOBERABLE
G&W Private Stock Blended Whiskey. A high-quality whiskey for those who appreciate fine spirits.

Among sensible people the trend is to G&W Private Stock. It is not just a drink, it's a statement.

Ask for G&W Private Stock. It's the only whiskey you need.

G&W Private Stock Blended Whiskey. Available in 50 and 75 cent bottles.

Ask for G&W Private Stock. It's the only whiskey you need.

UNITY

The rains have again stopped harvesting of boots and potatoes. There is still some clover seed to be threshed in this community.

Mr. and Mrs. Samuel Banner attended the funeral services of W. A. Bishop Sunday.

Miss Leola Glyke left Monday for an extended visit in Twin Falls.

Mrs. Eilhu Smith and children have returned to their home in Clearfield, Wash., following a visit at the home of Mr. and Mrs. Bourke Turbet.

Mr. and Mrs. Kenneth Schrader represented the Clearmont Grange at the state Grange meeting in Caldwell last week.

Olav Allen and Calvin Crane entertained a number of friends at a Halloween party.

The M. I. A. entertained at a dance in the ward hall Monday.

Mrs. Sophie Buxton was hostess to her club Friday.

The theology lesson, "The Mediterranean world at the time of the apostles," was conducted by Mrs. Nellie Pace at Relief society Tuesday.

Mrs. Ella Burnett and children spent the week-end at their former home in Lava Hot Springs.

Mr. and Mrs. Jack Church, Burley, moved into their new home, built on the Jane Robinson ranch, the fore part of the week.

DOSSETT CHOSEN SOCIAL CHAIRMAN

CALDWELL, Nov. 3 (Special)—Coel Dossett, C. of I. senator from Twin Falls who was recently appointed vice-president of the College of Idaho student body, was named chairman of the A. B. C. I. social committee by the board of directors in charge of student activities.

Assisting him will be Lora Dobbin, Caldwell senior, and freshman Paul O'Leary, also of Twin Falls.

Main duties of the social committee will be in handling the post-exam jubilee held about the first of February, Founders' day in the spring, and the recently inaugurated social recreation program sponsored weekly by the college.

A monsoon blows toward the sea when the land is colder than the water, and in the opposite direction when the reverse condition of temperature prevails.

Miss Lucy and her family moved into their new home, built on the Jane Robinson ranch, the fore part of the week.

BLISS

At the regular meeting of the Home of Mrs. John Behring the Bliss Ladies' Aid society worked on crib quilt blocks and neatly finished the quilt. The secretary read a card of thanks from the Orphanage, thanking the ladies for the large amount of canned fruit and vegetables which they had sent and asking if they would be pleased to add to their make night gowns. Accordingly the ladies voted to buy material and patterns and devote their meetings to sewing on the garments.

A. B. Post, district chairman of the Red Cross drive for funds, today announced his helpers as Mrs. P. R. Lancaster for the Hagerman valley district, Mrs. Don Daise for the Bliss village district, and Mrs. J. W. Jackson for the Clover Creek district.

Bliss faculty members including Suppl. and Mrs. Harold Foster, Mr. and Mrs. Eugene Gibbons, Mr. and Mrs. Ivan Coe, Mr. and Mrs. Egan Daise, Miss Georgia Smedley, Miss Louise Poe, Miss Peary Carriac and Walter Brown, were in attendance at home Saturday and Sunday from Twin Falls where they attended the annual Institute of the South-Central Idaho Educational association.

NOW! November Overcoat Event

Men! It's the event you've been waiting for! Here are your favorite tailored O'Coats priced way under what we bought them to sell for. Come in and see them today... you'll agree that we've done our level best to provide the utmost in style, tailoring and fabric values. We'd like to stress selection, too. You won't find freak fashion here; but all the sound, accepted models are on hand in wide variety. Name your preference—and we'll produce the coat.

TOBACCO PLANT STRIKE ENDS AS GUARDSMEN ARRIVE

MEETING VOTES TO SEND 1,000 BACK TO POSTS

MIDDLETOWN, O., Nov. 3 (AP)—The P. Lorillard tobacco Co. plant, closed since Oct. 3 by a strike, was reopened peacefully today. The strike was abandoned when national guardsmen were sent here by Governor Martin L. Davey.

Both union and non-union employees filed into the plant in orderly manner. A few national guardsmen were on duty at entrances. More than 1,000 employees reported for work.

Adjutant General Emil F. Marx, commanding officer of the 33rd Cavalry, said all troops but one company of 68 men would be removed from Middletown today.

The New Charges

The strikers, members of the Pioneer Tobacco Workers union of the committee for industrial organization, planned to charge with the national labor relations board however, in an attempt to force resumption of collective bargaining with the company. They demanded vacations with pay, seniority rights and establishment of a grievance committee.

The troops had been called out by Gov. Martin L. Davey to prevent violence as plans were announced to re-open the plant in spite of the month-old strike.

The strike was called off at midnight after about 600 workers, 450 of whom said to be non-union, voted at an emergency meeting to return to work. The vote was taken in response to an order from Paul W. Fuller, chairman of the local director. There was only one dissenting vote.

330 CIO Members

It was said that the strike had driven 1,100 employees out of work. Gov. Davey said that only 200 of them were CIO members.

Fuller sent a telegram to Sam Spangler, CIO field representative in charge of the strikers, ordering the strike abandoned and resumption of work.

"We don't intend to have our people murdered by a lame duck government," was the protest against the strike, said a No. 1 strikebreaker, Fuller said.

"Rock's Bad Boys" Go on Trial

Charged with the murder of an Alcatraz prison guard, Royal O. Cline, these two "bad men of Alcatraz" are on trial for their lives in federal court in San Francisco. James F. Lucas, left, and Rufus Franklin, right, are charged with slaying Cline when he attempted to block their way to liberty in an abortive escape attempt.

LOWER ILLINOIS TRIES FORESTRY

BENTON, Ill., (AP)—Southern Illinois, which has fallen heir to the riches of an ever-spreading oil boom, also is making to the potential wealth of its forests.

Extensive and constant cutting of trees without replanting has left only remnants of what once was a blanket of virgin hardwoods covering the southern part of the state. To restore that natural resource, the state division of forestry is at work on a permanent program of forest recovery.

Built around the major objective of re-planting, the program already has taken tangible form. It is under the direction of Paul M. Seaton, assigned by the forestry division to develop a state program for southern Illinois.

Experiment Station Built

The first step in the re-planting has been the purchase of a 27-acre tract just north of Benton for the site of a district headquarters and experiment station. The station is under construction, and the erection of two steel lookout towers for fire detection. The first of these towers, two miles north of Pinedale, is near completion. The second will be built near Cypress.

Seaton has outlined a detailed program of fire control organization. According to his plan, Southern Illinois will be divided into three fire protection districts, each supervised by a trained forester. Each district will be divided into two warden units, served by a local fire warden under the direction of a district forester. Additional local key men and lookout tower men will be called upon to insure sufficient local help to combat fires.

To Enforce Fire Laws

Seaton's goal is to reduce the present average number of fires by at least 80 per cent; to restrict all fires to areas of 10 acres or less; to permit not more than one-tenth of 1 per cent of the total acreage of Illinois to be burned in any one year; to strengthen and enforce existing state fire laws, and to confer with every resident in a fire protection district, either personally or in group meetings.

Although Seaton realizes his program will require an organization which cannot be developed within a year or two years, his fire control suggestions already have produced results. Many southern Illinois farmers are adopting such methods as fencing around fields bordering on highways, to prevent fires often started by cigarettes thrown from passing automobiles.

Hundreds of farmers have taken advantage of the offer of the state forestry division—aimed at rebuilding stands of timber—by providing seedling trees with which to start or improve a timberlot. Strip coal mine operations in some cases have planned their waste land to young trees and some farmers are reforesting land unprofitable for farming. The state's forestry nurseries at Havana and Jonesboro have been unable to fill all orders for seedlings.

FRIENDLY GERMS CREATED BY MAN

ST. LOUIS (AP)—Utilization of a newly discovered bacterial life in the blood stream as an aid in the fight against disease was described by Dr. William Wallace Young, Philadelphia, before the 54th annual meeting of the Pan-American Homeopathic congress and the Southern Homeopathic Medical association here.

Dr. Young explained that his tests revealed the existence of new bacterial life in the blood stream several years ago with the aid of an ultra-microscope and colloid chemistry. He said these micro-organisms cannot be seen with the aid of an ordinary microscope but may be studied under the ultra-microscope with its 2,000 power magnification.

Microbes Disappear

Dr. Young explained that his tests revealed that the microbes disappeared in persons suffering from infectious diseases but were prevalent in healthy persons—about 80,000,000 of them to the cubic centimeter.

It was learned that these organisms which are always in motion form a protection against disease. Through the use of chemicals and pure animal fat, Dr. Young created these "bugs" artificially.

Experiments Successful

Experiments upon dogs proved successful and Dr. Young began using the organisms on human beings through injections into the veins, the sixth, seventh and eighth graders made more than 2,000 of the freshman class made \$231.60.

At 3 p. m. today students were to see an assembly program staged by the Foxwell Magic company.

CHURCH WOMEN ENJOY LUNCHEON

RUPERT, Nov. 3 (Special)—Under the general supervision of Mrs. D. L. Carlson and Mrs. Edgar York, they and the members of their divisions entertained the entire membership of the Woman's Missionary society and the Young Matrons' auxiliary society of the local Christian church with a four-course luncheon at 1 p. m. at the W. E. Hunter home.

Covers were laid for 32 at one large and six small tables, each centered with yellow and white chrysanthemums in crystal vases.

At 2:30 the following program was given: A short business session in charge of the president, Mrs. L. A. French, at which plans for Women's day and the December meeting were announced. The devotional service was presented by Mrs. Roy Cunningham and included group singing with Mrs. Ray Williams at the piano; prayer by Mrs. N. K. Jensen; vocal solo by Mrs. Fred Schuttebach, accompanied by Mrs. William Squance; Scripture by the leader and a reading by Mrs. Lynn Carpenter.

The Lesson, "Our Church in a World in the City," the fourth of a series of six under the general theme of "The American City and the Church," was conducted by Mrs. Charles Goff. "Mission Churches in Our Negro Brotherhood" was discussed by Mrs. F. E. Baker. "The Japanese Church in America" was the topic of a talk given by Mrs. A. E. Johnson. "The Mexican Christian Home" was discussed by Mrs. G. P. Hall, and "What Can Happen in a City Church," by Mrs. M. Christen.

Hagerman Girl Wed in Rupert Nuptial

HAGERMAN, Nov. 3 (Special)—Miss Thelma Woody, daughter of Mr. and Mrs. Charles Woody of Hagerman and Harold Brown, son of Mr. and Mrs. Albin Brown, of Paul were united in marriage Saturday, October 25, at the home of Rev. Albert Parrett in Rupert, in the presence of the immediate families of the young couple. Following the ceremony a wedding dinner was served for the guests at the home of the bridegroom's parents in Paul.

Another wedding dinner was served in Hagerman, Sunday at the home of the bride's parents.

The bride was a graduate of the Hagerman high school in the class of '37. The past winter she attended the Albion state normal. The bridegroom graduated from the high school at Paul in 1931 and attended the Albion normal two years. He has taught the past four years in the junior high of Hagerman, Mr. and Mrs. Brown are at home in Hagerman.

SPUDS

CASTLEFORD, Nov. 3 (Special)—The spud picking vacation seems to have been a success in a big way.

Nearly everyone is back in school now—and here's the way things stack up:

The students saved money for the farmers; the farmers appreciate cooperation by the school; the sixth, seventh and eighth graders made more than \$200. The freshman class made \$231.60.

At 3 p. m. today students were to see an assembly program staged by the Foxwell Magic company.

RUPERT

Faces Check Charge

JEROME, Nov. 3 (Special)—While Owen, transient, was arrested this week by authorities after he is alleged to have passed a number of forged checks on a local man. Charges will probably be brought against him today.

STEEL PAY CHECKS

NEW YORK, Nov. 3 (Special)—Hourly earnings of wage-earning employees in the steel industry during the past two years have risen to 27 per cent above the average wage in all manufacturing industries, the greatest spread on record. From 1890 through 1936 steel wages were nine per cent above the average, according to data compiled by the American Iron and Steel Institute.

TAXI POLITESS DECREASED

SALINAS, Calif. (AP)—Police from Salinas drivers or revocation of license is the edict of the city council here.

TWO NEGROES TO BATTLE FOR HEAVY TITLE

John H. Lewis Gets Crack At Joe Louis

By LESLIE AVERY
NEW YORK, Nov. 3 (AP)—Joe Louis signs articles today to defend his world heavyweight championship against the light heavyweight titleholder, John Henry Lewis, "bad boy" of boxing and just about the toughest opponent Joe could have chosen for a mid-winter tuneup.

Louis and Lewis, with their managers, were to meet, Promoter Mike Jacobs in the Hippodrome moon to sign contracts for a 15-round fight in Madison Square Garden Jan. 27. It will be the first all-time heavyweight title bout ever held in the Americas and the first in the world since 1913 when Jack Johnson defended his crown against Jim Johnson in Paris.

Surprise Fight Followers
The match surprised fight followers, because Lewis and his manager, Ott Orensies, failed to fall in line with Jacobs came into promotional power. Also, Lewis has a \$100,000 damage suit pending against the New York Athletic Commission for violating his title in this state.

At first the match looked like a conspiracy between Jacobs and the commission to rid themselves of the "pest" by letting Champion Louis belt John Henry into the petunias. But upon closer inspection, it assumes the shape of a hot 2000 damage suit, rough, ring-hardened warrior who never has been knocked out, and he packs the punch to kayo the glass-walkers.

28-Pound Weight Advantage
Joe, with a 20-pound pull in the weights, undoubtedly will be a heavy favorite. However, in John Henry's meeting with an older than himself and one who is a better boxer.

Jacobs and the Louis camp regard the bout as the start of a tune-up change before a big outdoor title defense in June. But, are they foregoing a \$100,000 damage suit and a fight against the famed Max Baerling on June 22?

The issue which is that the commission might withhold approval of the match unless John Henry agrees to accept a \$100,000 damage suit and abandon the light-heavyweight crown.

Lewis might agree to the latter because he is accused after his careful title defense last Friday night that he would prefer to campaign in the heavy ranks because those have run true. USC has been pound division who could draw big money.

Former Owner Of Chicago Cubs Succumbs

CHICAGO, Nov. 3 (AP)—Funeral services will be held Saturday for H. W. Fosterman, 64, one-time owner who became known as "King of Chicago" and owner of the Chicago Cubs baseball club.

His death yesterday in a hotel where he had been stopping for a rest during a journey from Hot Springs, Ark., to his New York home, was the result of a heart ailment and did not retain consciousness.

His first job was as a waiter in a restaurant for two weeks. He saved his money, opened his own restaurant and featured quick service with the one-arm chair system. He then became an operator in a club and had expanded to theater interests. He became known as "Lucky Charley."

In 1914 he backed the Federal Baseball league which had been organized to compete with two established leagues. It collapsed and he bought the Cubs from Charles B. Taft, a brother of President Taft, for \$500,000.

He resigned as president of the club in 1918 and in 1920, faced by suits of several creditors, sold out to William Wrigley, Jr. He moved his restaurant business to Fort Worth, years ago and had operated there since then.

Cubs Register 13-0 Victory

BURLEY, Nov. 3 (Special)—The invading Twin Falls Cubs, taking a leaf from the book of their older brothers, displayed a new power here yesterday as they turned back the Burley Jayvees by a score of 13-0 in a hard-fought game.

The invaders scored twice in the second half, after the first half ended in a scoreless tie. In the third half, the Twin Falls club, after being whipped around end on a reverse and raced 60 yards for a touchdown.

The second touchdown came after officials had given Twin Falls the ball on the 20 yard line after recovery of a punt by a Cub player and a 10 yard penalty. On four plays the Cubs drove over for a touchdown, with Lawrence, a Twin Falls swimmer, kicking the extra point, backfield, scored on a quarterback sneak.

McCall, Jenks and Blagelstaf, guards, and Joe Bill Robertson, half back, stood out with their play for Twin Falls.

Cubs Register 13-0 Victory

WINS MEXICAN TITLE
MEXICO CITY, Nov. 3 (AP)—Joe Clifford, British resident representative City, held the Mexican title today by defeating the local champion, Juan de la Cruz, in a 10-round bout.

Clifford, 35, was up in the 10th round, but he was not hurt by the punches of the 25-year-old Mexican, who was a former champion of the world.

Gets Crack at Heavyweight Crown

JOHN HENRY LEWIS

USC Even Bet to Turn Back California Club

By JACK GUENTHER
LOS ANGELES, Nov. 3 (AP)—Howard Harding Jones, the absent-minded football professor who was called a genius when his Southern California team was on top and a has-been when it was on the bottom, has disproved the old saw that an old dog can't learn new tricks.

Jones learned the tricks in five weeks flat and the results are more than gratifying, even to the alumni who have been waiting for his scalp for five years. Southern California meets California here Saturday in the game that carries a virtual Rose Bowl bid, and USC will be an even-money bet to win.

When USC blew the opening game to Alabama, 19-7, the critics joined full-voiced in abuse and criticism, but for the first time in five years, Jones smiled. He told them:

"The best team USC ever had was in 1931 and if you will remember it was defeated by St. Mary's in the national championship. I'm not claiming any titles this season but, like the 1931 outfit, we seem to be awful tough from here out."

The prediction of course, met only Bronck cheers but the headman's words have rung true. USC has been lucky, yes, but has won five straight and improved every week. It furnished the big surprise of the Pacific conference last Saturday in plastering Oregon, 31-7, and they did it with Jones' new tricks—a half dozen pass plays.

Jones has reorganized his offense until USC looks more like a southern aerial circus than a coast power team. The Trojans have thrown 100 passes in the game and it is through the air they will strike at California, depending on a strong forward wall to stop the Bear running attack.

Bears Lose Favor
California lost much favor by permitting Oregon State to first down and 50 yards from scrimmage last week. California won, 13-7, but only because the Staters fumbled at critical moments. The same Oregon State team lost only 7-0 to USC, but was held to no first downs and a net gain of only 29 yards.

The rest of the conference appears out of the race. UCLA slumped Stanford, 6-0, and Journeys to Washington State this week while Stanford outlasts Washington at Palo Alto. Washington State went out of the conference to shade Gonzaga.

Bertsch and Hagler Top Pin Standings

Standings of bowlers in the City and Commercial leagues, at the close of play on Saturday, Oct. 29, showed Walker Bertsch topping the senior tour with a mark of 182, according to averages released by Fred Stone of Stone's Bowling alleys. Bertsch bowls with the Schutte team.

Topping the City League were Edmore Hagler of the Perrine hotel team and Mel Edwards of Ray's, Texaco, each with a 172 mark.

The "first ten" in each league followed:

City League: Hagler 172, Edwards 172, R. Weller 171, Harper 160, Adkins 160, J. Rogers 160, Ison 160, and Louis 163.

Commercial League: Bertsch 182, Fred Stone 182, T. Emerick 162, W. J. Johnson 161, Stone 161, and J. Ford, 179, Coleman 176 and Bob McCracken 175.

Make-or-Break Games on Grid Schedules

Intersectional Tilts for East Schools

By HENRY SUPER
NEW YORK, Nov. 3 (AP)—Eastern football goes intersectional this week with nine teams from this district taking on eleven from the mid-west, south and Pacific coast.

The two giants of the division, Pittsburgh and Dartmouth, encounter opposition from their own sector. Pittsburgh, far and away the class of the east, tackles Carnegie Tech. Dartmouth meets Dickinson in a battle before, facing Cornell and Stanford.

Our Football Selections—

Since the new style of football choices made its appearance in the Idaho Evening Times, we've been accused of evading the local issue after the announcement of our last selection, which saw us guess nine out of 10 contests correct. Just a wild guess.

So, just to show you we're not a 'friday-cat,' we'll take out a copy of this week's gridcasting contest and go on record as follows:

We'll take American Falls over Burley, Twin Falls to turn back Idaho Falls and Jerome to beat Rupert. Gooding to halt Shoshone, Oakley to trip Ferry (our upset of the week) and Glenns Ferry to drub Halley.

We think Albion will easily dispose of Raft River and Dietrich should top Richfield. Hagerman should edge the strong Fairfield club, and we expect Hazelton to get a wild guess.

In the college section, Oregon should come back on the rebound to halt Idaho's rush, but a tie wouldn't surprise us a bit; Minnesota will take it out on Iowa and Utah will get revenge for last year's Whizzer. Utah performer by teams Colorado. We like University of Southern California to down the California Bears in our collegiate upset and BYU to turn back Utah State.

Stanford will find the way of University of Washington all in one big ball and Coach Jimmy Phelan's Huskies finally win one. Alabama looks good enough to dispose of Tulane and while back east they call the Furdman-St. Mary's game a loss-up, we'll take the Rams by at least two touchdowns. Missouri and Michigan State is another loss-up and we'll take Spartans by about one point, as that is the edge with which they lost to the Santa Clara Broncos.

It'll be a good scrap between Wisconsin and Northwestern, but we'll take the former by a narrow margin. Ohio State should top Purdue, but WSC will probably receive a thumping at the hands of Kewy Washington and the UCLA club.

Syracuse can lick Colgate (we think) and Texas Christian University should stay in the unbeaten class with a victory over Coach Dana, X. Bible's hapless Texas university.

Can you pick 'em any better?

How to Get Improved Material—

We've been listening to coaches and the public in general bemoan a shortage of good football material for their many years. But few, if any, would do anything to increase the general interest in the game by high school students—especially those youngsters whom Providence hath gifted with the proverbial "million dollar frame."

But a certain prominent Twin Falls sports fan has a suggestion or two to make. He tells us:

"We've got many young fellows in the Twin Falls system—big boys weighing 175 pounds or more—who refuse to come out for football because they're afraid they would appear awkward."

"The reason is that they've never had a chance to play the game until they became sophomores and got a chance to go out for the varsity squad."

The best thing that could happen for our south central Idaho teams would be the inclusion of play for a regular junior high team, which would play a complete schedule.

"This veteran sports observer, advises start of football in the eighth grade, and that the big and gangling young-comes up to high school, he'll know enough about football so he can't turn down the plea to come out for Alma Mamma, 'because I'll look foolish!'"

This observer figures Twin Falls has been lucky in recent years to keep the varsity team in the hands of the few who are on the field, and warns us with wagging forefinger that something had better be done to start the youngsters off in eighth grade.

That sounds logical. It means in several other big Idaho school systems because it's away the larger schools that find husky material refusing to come out. The junior high here, incidentally, has some capable coaching material.

The problem of outfitting eighth and ninth grade footballers might be a problem. But youths that age wouldn't need complete outfits because they aren't hitting quite so hard. Besides, even if these youngsters were allowed to play only touch football against other schools, they would develop enough so that they wouldn't feel self-conscious when they came to the field.

That apparently would be the solution to the so-called shortage of experienced material. The same lines, we might bring up the subject of a schedule for front-month teams, such as was used this year by Burley, Twin Falls and Gooding. It is possible that some of the other schools also played these sort of tilts, but one or two games is not enough to give the youngsters a real taste of the game. There should be a schedule of at least four games—and that way the head coach could plan on some experienced material coming up every year.

Sport Squibs

(by H. J. W.)

Elks, Millers Win Contests In Pin Leagues

Elks took two out of three from the National Laundry and Twin Falls Pins Mill took three straight from Burdewer in the league bowling contests last night.

Top man for the winning jobs was Elks' Fred Stone, who won his second game of 210 as well as 200. For the losers, Louis Pugliano won a three-game total of 587 and a high trip score of 228 in the honors.

In the City League engagement, Coffey's three-game score of 537 was tops, with his second game of 160 and a high trip score of 228. South topped the losers with 504.

Lineups:

NATIONAL LAUNDRY
(Allys 3 and 4)
(Figures after name denotes handicap for last mentioned team.)
Thursday, Oct. 3—Schiltz vs. Della (24).

CITY LEAGUE
(Allys 1 and 3)
Thursday, Nov. 3—Emerick's Hotel vs. Burdewer's (17).

Friday, Nov. 4—Plyer Mill vs. Firestone (28). This is a postponed game.

Elks, Millers Win Contests In Pin Leagues

Elks took two out of three from the National Laundry and Twin Falls Pins Mill took three straight from Burdewer in the league bowling contests last night.

Top man for the winning jobs was Elks' Fred Stone, who won his second game of 210 as well as 200. For the losers, Louis Pugliano won a three-game total of 587 and a high trip score of 228 in the honors.

In the City League engagement, Coffey's three-game score of 537 was tops, with his second game of 160 and a high trip score of 228. South topped the losers with 504.

Lineups:

NATIONAL LAUNDRY
(Allys 12 12 12 30 30)
K. Pugliano 155 174 228 337
L. Stone 190 210 146 228
C. Coffey 138 181 156 490
J. Emerick 170 170 165 504
R. D. Stone 161 149 142 452
Total 602 537 701 2435

CITY LEAGUE
Elks 188 180 176 522
Plyer Mill 190 210 146 528
Tulane 184 178 153 485
Coffey 161 149 142 452
Total 602 537 701 2435

Strikes to Spare

By FREDY STONE
In a comedy of splits and errors, Elks took the odd game from the Laundry boys—but no high scores to their credit.

For Fred Stone, with 537, was head and shoulders above any of the rest, his 228 last game being top single game. Louis ended his game with six strikes in a row. Sprouts and Bill Ford were twins with 469 each. Al Pugliano was "it" with 453.

Not wasn't that as he was top for the antliored here with 528 to his credit. His 210 middle game was their best single trip game in into four splits out of five frames his last game. Orv Coleman had eight splits and three errors in his three games.

Bill Ford didn't go so hot this week. Hof and Hugh Boone were the only Elks to get above the 500 mark.

Looks like Ted Emerick will collect on his 248 single game this week.

Fleur Mill took all three games in their match with the Burdewer boys, led by Harold Coffey, who won his high single trip game (total, Harold's 188 middle game) and also Jimmie Thompson was named top pins for high single game.

Harber and Stone got a 515 total.

The other three bowlers for the millers were middle men.

Captain Miller got for three games, but with 504 checked up for him. Howard Coffey could have had a lot of spares, but didn't. Those single pins weren't where his ball went.

Joe Jones didn't go so hot and neither did Russ Wagon.

If Fred Stone and the Burdewer team didn't make anybody famous by his bowling.

Fleur Mill with 2489 takes the lead for next week's bowling.

Football, first was played in the United States in the latter part of the century. As far as can be established, there were no rules to the game and the players merely kicked the ball around for fun.

Bruins Tackle Idaho Falls In Loop Tilt

Nearing the close of another of the annual "greater" grid seasons, many a south central Idaho high school team will take part in a make-or-break game this week-end under the "make or break" order specifically with winning or losing season.

Many of the clubs performing have lost only one game all season—others two, three—and even all of them.

The Twin Falls Bruins could point to a success story if they are able to get past a band of Idaho Falls Tigers. The easterners haven't been able to break into the win column in the Big Seven yet, but they have a tie to their credit and have furnished tough opposition to all opponents.

The Bruins will probably be favored to win this one by at least two touchdowns, providing of course, the type of ball they did play against Cochrane last week. The game will be played on the Tiger field—the first away-from-home contest in the Big Seven since the other south central Idaho entrant in the Big Seven takes on a non-conference foe in the form of a certain prominent Twin Falls team.

Form points to a victory for the Dansters, as Coach Paul Taylor's Bobcats have been taking it on the chin in their last two games and other things greatly handicapping the team.

In the Big Six conference, Coach John Norby's club should be favored to win over Rupert. The Tigers were sailing along smoothly in conference competition until they met their last week and were handed their first loss. If, using Charles Plankino, their fast-passing backfield, they are in luck in condition to play, they will not doubt have an easy time of it. If he is not, then it will be just another toss-up.

Wildcats in Form

The up-and-coming Filer Wildcats should be highly favored to turn back the off-defeated Oakley Hornets. But Coach Duane Cranney has been known to turn out tricky elements and this might be just the game where some of his trick plays would function to perfection.

The Wildcats now in second position in the league will be gaining momentum with reaching distance of the Buhl Indians, undefeated and unlicked, when the two clubs meet on Nov. 18 on the Twin Falls field. The Indians are idle this week.

Gooding, after quite a severe kicking round at the hands of league opponents this season, came through with a victory over Rupert last week, and should be favored to dispose of Shoshone in the Little Four on the Senator field.

The only Little Four engagement pits Glenns Ferry at Halley and it looks like another romp for Coach Kenneth Barrett's powerful class B gridders. Halley is at the bottom and Glenns Ferry at the top of the league standings.

Hagerman Meets Fairfield
Class B play resumes again this week, after a couple of weeks lay-off due to the sport vacation. The strong Albion team tangles with Raft River and should win easily. Richfield motors to Dietrich and Coach Tom Hansen's team, after holding Shoshone to a tie last week, should go ahead to win this one handily.

The best battle of the day will be at Hagerman where the invading Fairfield Patrioten will attempt to keep clean an undefeated league record. The Hansen team, if anybody's, so slip a coin and name your own winner.

Play is closed in the northern division.

Vandals Leave for Oregon Contest

MOSCOW, Ida., Nov. 3 (AP)—University of Idaho's Vandals prepared to leave today for Eugene to meet the University of Oregon Saturday in a game Idaho's supporters consider a toss-up.

The Vandals consider they have an even chance to whip Oregon despite Idaho's defeat by UCLA, a team Oregon defeated.

Acceptance of feminine entries in auto races in the United States is not permitted by the contest board of the American Automobile association.
