YOU ADVOCATE MORE SLAPS AND LESS KISSES?

Listen, Moe: The trouble with the world in this 20th century is that you can't depend on anybody's word. I was sitting in a booth at a focal restaurant about 2 a. m. Sunday, when I heard an argument in the next booth. It seems a gent was suggesting that he kiss his lady friend. "If you do," says she, "I'll slap you." "I heard the sound of a kiss, all right. I waited for the slap. You didn't come." "Yes, that's the trouble with this world—nobody keeps a promise. Keep your 'imagine' what mama would have done to papa back in 1917? Or are all the stories made up about the strict old days just a lot of eye-wash in which case my last thud is ruined."

CAPT OF CHARACTER

was a little bit of engaging, knowing smartness with a stiff red and blue leather.

Dwight shouted, "Marvel" and ran toward her. Judy stood still, waiting for them to have their greetings. The hostess who had come out of the plane smiled. A couple of descending passengers grinned, and a young man with wavy hair kissed her since they met in the air liner's cabin called, "Goodby, Miss Hartings. Happy Landings, isn't it?"

SATURDAY MORNING

Judy awoke with a heavy sense that she had done something wrong. And then she remembered. Today was the day she was going with Dwight to meet his fiancée.

DAWIGHT

came for her at a quarter of ten. He was radiant, and his gladness was an added asset. But she tried hard to act glad. Too high, sitting beside him on the way to Lindbergh Field, she couldn't help remembering the dates, the way they had kissed, too late, the way they had kissed.

DAWIGHT

thought of her one evening when, which she was over and over, Marvel probably had ten.

"I've decided I want to stay at a hotel until—until," Marvel said, when they were in the car. They were squeezed very tightly. Dwight under the wheel and she sat beside him. Her fingers jammed against the door handle.

THE EARLIEST STAGES

of the condition it becomes possible to bring about considerable improvement by the use of various devices which aid the circulation of blood through the limbs. The use of these devices, however, is prescribed by a physician after he has made a thorough study of the patient's condition and made a definite prescription as to the length of each treatment.

IN THIS CONNECTION

also it is important to bear in mind that the best care of the feet is of the utmost importance. Disturbances of the circulation and the nature of the blood in the foot can be possible repeated infections and associated therewith gangrene and even destruction of the tissue. Eventually amputation of the foot may be required. In view of the nature of the disease that is present, such a surgical operation is even more hazardous than normally.

EXPERTS IN THE CLINIC

of the University of Illinois developed specifically to such conditions, directions of the feet which are given to all patients suffering with either of these diseases. These instructions are as follows:

1. Wash feet each night with neutral (soap) soap and warm water.

2. Dry feet with soft lint or soft toweling, rub the feet.

3. Apply rubbing alcohol (70 per cent) and allow the feet to dry thoroughly. Then apply the amount of vasoline or toilet lanolin and gently massage the skin of the feet.

4. Always keep your feet WARM. Wear woolen socks or wool-lined shoes in the winter and white cotton socks in warm weather. Wear a clean pair of socks each day.

Behind the Scenes In Washington

BY RODNEY DUTCHER
Evening Times Washington Correspondent

WASHINGTON, Nov. 16.—Some of the "newspaper" boys so completely forgotten their traditional role in an election campaign that some people on both sides of the political fence to join in any loud clamor against the New Deal.

As to the significance of this, the best advice is to wait and see. Certain New Jersey Democrats have been trying to "build a bridge" between industry and government.

HELL IN NEW JERSEY

Somewhat belatedly after the scare caused by the invasion from Mars, which turned out to be a dramatized radio broadcast, the following story was reported from a Washington gasoline station operator who was awakened at 4 a. m. by a motorist in a car bearing the license plates of New Jersey.

"Give me some gas," the driver demanded. "I'm bound for Florida and in a hurry. All hell has broken loose in Jersey!"

DETAILS COMPLETED FOR U. S.-BRITISH TRADE PACT

CEREMONIES FOR SIGNING ARE SET FOR TOMORROW

WASHINGTON, Nov. 16 (Special)—The state department announced today that the long-awaited Anglo-American reciprocal trade agreement will be signed in the east room of the White House at 4 p. m. tomorrow.

The Anglo-American trade treaty includes reciprocal trade arrangements with the Dominion of Canada, the United Kingdom, northern Ireland, and the colonial empire.

It was announced that further details of the agreements will be released after the treaty is signed.

Secretary of State Hull will sign the treaty in behalf of this country.

Would Increase Trade

Drafts of the treaties—designed to increase trade and the economic and political ties of the largest groups of English speaking peoples of the world—were understood to be practically ready for official signatures by officials of the three governments will participate in the significant ceremonies at the state department.

The signing of the British agreement will culminate four years of effort by Secretary of State Hull to link the principal commercial nations in an effective plan for economic and trade disarmament.

But its completion will not have been reached without considerable difficulty. Until early this week there were reports that the negotiations had struck a snag; that completion of the agreement would be delayed, or, maybe, never signed.

Some observers, however, believed that these rumors of obstacles to an agreement were only part of the bargaining tactics of such negotiations.

Strengthened Ties

Reports that agreement was reached and that the signing was imminent came from London Monday. Hull revealed that he anticipated completion of the Canadian treaty this week. Because of the interlocking nature of the two treaties, it was assumed that the British agreement was near completion too.

Whatever difficulties were encountered, it was believed that the desire of both governments to strengthen ties between the world's two major democracies was instrumental in facilitating agreement. Signing of the treaty now would be of particular significance in view of troubled world conditions in Europe and Asia.

Negotiators have guarded closely the details of both treaties. Thousands of commodities and articles of commerce, tariff listings and rates have been examined.

JAYCEES' TOURIST STICKERS ENDORSED BY LAW DIVISION

GOODING, Nov. 16 (Special)—The members of the state Junior Chamber of Commerce board of directors were the guests of the Gooding Junior Chamber of Commerce Sunday for their quarterly board meeting. Business sessions began Tuesday morning, lasting throughout the day except for a dinner arranged at 1:30 p. m. at the Lincoln cafe.

President Frank Rettig, Jerome, reported the selection of a sticker to be used for non-resident registration and printed on the back of it a pledge from state and local Jaycee organizations to help out-of-state visitors enjoy their stay here. The sticker also contains some safety suggestions.

The sticker has been accepted by J. L. Baderston, head of the law enforcement department, and work will start immediately on production of the new sticker. Earle Williams was named head of a committee to complete the job.

INDUSTRY HEALTH SERVICE RAPPED

BOISE, Nov. 16 (UPI)—The state department of public health, in a survey of the occupational disease situation in Idaho, reported today that health services in Idaho industries "are far from adequate when viewed in the light of present day standards."

The survey was undertaken by authorization of the last legislature in an attempt to determine best standard practices for the prevention of occupational diseases and for provision of a report upon which legislation could be based to include occupational diseases in workmen's compensation.

Of 162,223 workers employed in Idaho's industries, the department found that 87,300 were exposed to materials and dusts which might be termed injurious.

Samples taken of 44,399 exposures showed that only 6.4 per cent of exposed workers were provided with local exhaust ventilation, 4.3 per cent with wet methods in dust exposure, while 6.4 per cent had the use of respirators.

DEMURRERS SET IN JURY'S PROBE

BOISE, Nov. 16 (UPI)—Demurrers and motions to dismiss will be heard Thursday at 4:30 p. m. in seven Ada county grand jury indictments involving the state department of public works.

Judges Guy W. Stephens of Blackfoot and Doren L. Stephens of Gooding will hear arguments in the cases of Max J. Kunev, Spokane contractor, accused of false certification of a voucher and perjury; J. H. Stiemmer, director of highways; E. L. Johnson, resident engineer; Fayne McAtee, contractor; Richard Pearson, district engineer, all accused of false certification; and G. E. McKelvey, former commissioner of public works, accused of presenting a fraudulent voucher.

Stephens and Suptin were called in after third district Judge Charles Koelsch and C. E. Winstead deemed themselves disqualified.

GMC "Advances" will Give 150,000 Men Steady Income

DETROIT, Nov. 16 (UPI)—Alfred P. Sloan, Jr., chairman of the board of directors of General Motors corporation, said today that the company's plan for advancing money to laid-off employees, which goes into effect Jan. 1, would guarantee 150,000 workers a steady, minimum income throughout the year.

While technically, it will not be an annual wage program, which many labor and government leaders have recommended, it would enable every eligible employee to make his personal arrangements for a year in advance, knowing that in no week would his income fall below the amount he is qualified to borrow, Sloan said.

The program is divided into two sections, one affecting workers with five years' service in the company; the other for workers of more than two but less than five years' service.

When idle in slack production periods, five-year workers will be able to borrow from a fund, set aside by the company, an amount equal to 60 per cent of their standard weekly wage. The standard week is 40 hours, with time and a half for overtime.

They will repay the money from their wages when they return to work. The rate of repayment will be half the amount earned in excess of 60 per cent of the standard wage.

Here's How

Thus, a worker earning \$1 an hour, would have a standard wage of \$40 weekly. If laid off, he would borrow 60 per cent, or \$24 a week. Returning to work, he would repay \$8 weekly, provided he worked full time.

The company would take the risk of the worker dying or failing to return to work. The company would carry no insurance on the fund.

Those with two years' service could borrow 40 per cent of their standard wage, but the total amount loaned them would not exceed 72

hours' earnings at their average rate of pay.

Sloan estimated that all but 50,000 of the company's 200,000 employees would benefit from the two plans.

Another plan is to be announced soon to care for the 37,000 salaried workers, Sloan said.

MONDAY CLUB MEETS

Rebekahs Give Varied Prizes At Card Party

Pinochle, bridge and bridge keeno were played at the delightfully arranged benefit card party which followed the business session of Primrose Rebekah lodge last evening at the Odd Fellows hall.

Mrs. Gladys Shaw and Leonard Ellis were high score holders at pinochle. Honors at bridge went to Mrs. Jennie Rinehart. Bridge keeno prize was won by Mrs. Harriet Cook. Door prize was awarded to E. I. Shaw.

Arrangements committee included Mrs. Maude Seal, Mrs. Goldie Chapman, Mrs. Clara Anderson and Miss Iza Driskell.

Mrs. Hattie Ellis was in charge of the pinochle. Mrs. Edna Carr, bridge, and Mrs. Viola Raines, bridge keeno.

In charge of the prizes were Mrs. Clara Parson and Mrs. Ella Chase.

Class Arranges Farewell Party

Delightful among the farewells courtesies which have honored Mrs. May I. Mickelwait since it became known that she was leaving for California to make her home, was the dessert luncheon yesterday afternoon.

The event was arranged by the Women's Friendship class of the Methodist Episcopal church, of which she is a member.

The group presented Mrs. Mickelwait with an attractive gift. Stuntis and a program centered the group during the afternoon.

Mrs. R. A. Stulliff, department chairman, presided at the charmingly arranged party during the refreshment hour. The table was attractive with a crystal bowl of chrysanthemums, and the place markers also favored a chrysanthemum theme.

Mrs. P. J. Costello and Mrs. O. H. Dwight honored at the party.

Program Set At Toy Show On Saturday

Attica, playrooms, storage spaces and what have you were being ransacked today as local youngsters brought their toys to the toy show which will be held at the Orpheum theater Saturday at 10:30 a. m.

Program for the big show was announced this afternoon by the show manager. Feature length picture to be shown will be "Land Beyond the Law" featuring Dick Foran, the singing cowboy.

Helps Needy Kids The toy show is being sponsored by the Junior Chamber of Commerce for the purpose of collecting toys which can be repaired by local craftsmen and distributed to needy children of Twin Falls on Christmas eve.

Any kind of a toy will admit one youngster. The toy, however, should be repairable and, if it does not need repairing, so much the better because Fire Chief Fred Perry opines "Santa's helpers" will have plenty to do.

Bob D. Werner, chairman in charge, said this afternoon the show was being held from the Idaho to the Orpheum "because the Orpheum has room for more youngsters and we want everyone to have a seat."

And if any adult has toys which are not being used, they too can come to the show or, better yet, can arrange to give such toys to youngsters who will not otherwise get to see the program.

F. F. A. CONTESTS SET IN JANUARY

Setting January as the time for two of their major contests, Future Farmer of America chapters staged their district convention last evening at Filer high school with 39 students and advisers present from eight schools.

A dinner was served by the Filer home economics department and a short program presented. Elburn Pierce, music instructor, sang vocal solos as did Lee Williams, Miss Barbara Beem played a piano solo.

The district seed, weed and crop control judging contest was set for Jan. 14 at Rupert and the public speaking contest for the latter part of January at Heyburn. The next district convention will be held in conjunction with the speaking meet.

Other business included discussion of the F. F. A. annual basketball tournament.

H. T. Schodde is adviser to the host group. Schools sending delegates from their South-Idaho departments were Jerome, Rupert, Heyburn, Murrough, Kimberly, Twin Falls, Buhl and Filer.

Twin Falls delegates accompanying the adviser, J. V. Briggs, to the season were: Irvin Ehlers, district vice president; Byron Loughmiller, Dutch Stanley, Glen Ward, Bill Marshall and Gerald McBride.

BEAN MEN WILL ACT ON LEADERS

Action to retain present members or to pick new choices for the Idaho Nutrition committee will be formed one of the steps to be taken at the south central Idaho meeting of bean growers at 1. O. O. F. hall here at 2 p. m. Thursday in Twin Falls, committee officials announced today.

Primary purpose of the session will be to formulate plans for boosting the price of beans. It is expected that the Grange resolution for federal bean campaign will be brought up for approval, and it was regarded as virtually certain that bean producers will take action toward seeking a sales campaign by national chain store and independent store associations.

Success Last Season A similar one-week booster drive last season is termed a primary factor in sending the U. S. bean consumption 2,000,000 bags above the recent yearly average.

John S. Feldhusen, Kimberly rancher and manager of the Bean Growers association, will preside at Thursday's meeting in absence of H. G. Lauterbach, Hansen, who was called east by the death of his mother.

Feldhusen said that all bean growers in the south central counties are urged to attend. Efforts are being made to have a government expert speak at the meeting.

The present members of the Idaho bean stabilization committee are: Lauterbach, chairman; Frank L. Atkins, Buhl; L. E. Pool, Harleton; E. C. Amussen, Wendell; Sam Richardson, Declo; W. R. Gerish, Burley; C. E. Bouse, Rupert; J. C. Knott, Eden; H. S. Stockton, Jerome; H. S. Feldhusen, secretary, Twin Falls; Julius Schmitt, Gooding; Fritz Hansen, Elsie; E. P. Browning, Murrough; Harland Canfield, Kimberly; Carl D. Irwin, Kimberly; Fred Lutz, Filer; Walter Rees, Castelford; and J. E. Pohlman, Hollister.

According to a report by the committee on population problems, the southeast bears 13 per cent of the children, but receives only two per cent of the national income.

F. F. A. Committees Report on Banquet Twin Falls chapter of the Future Farmers of America was to meet this afternoon to conclude plans for the father-son banquet set for Friday evening. Time and place is to be announced by the committee. Committee working on the annual dinner affair are: Entertainment, Gerald McBride; Byron Loughmiller, and Donald Nelson; refreshments, Dean Banner, Darrel Van Tilburg and Glen Ward; invitations, Herbert Rank, Dick Hanson, and Darrel Van Tilburg. Officers of the chapter headed by Irvin Ehlers, president, are in charge of general arrangements.

APPETIZERS ARE INTRIGUING IDEA

Not that folk's appetites need perking up at all—what with football, holidays and the "nippiness" of the season in the air.

But it's a nice little prelude to any meal—even the simplest—if a plate of intriguing little appetizers appear along with the tray of chilled, tomato or pineapple juice, or the hot spiced grapefruit or fruit tarts.

They're never a bother if one has on hand little jars of spreads, all made up, alert in the refrigerator or cooler. And a large box of crisp golden brown squares — Premium Flake crackers. There's no trimming of crusts and cutting into fancy shapes, no extra toasting, no spreading with or browning in butter.

If you're lazy, set out a tray of spreads one sort and another — along with butter-spreaders and a big bowl of those crackers and let each one spread his own. It's a game idea when the spreads are — or should be — and especially good for buffet meals.

But if you'd be a bit fancy, dress up your spreads in the refrigerator or cooler. And a large box of crisp golden brown squares — Premium Flake crackers. There's no trimming of crusts and cutting into fancy shapes, no extra toasting, no spreading with or browning in butter.

- Toppings for Appetizers
1. Tuna Bites—Drain 8 oz. can tuna. Mash fine. Add two teaspoons mayonnaise, 1/2 teaspoon salt, four tablespoons mayonnaise, chopped celery and India relish, if desired. Mix well.
 2. Chicken Salad—Combine one medium sized can deviled ham with 1/2 cup pimento cheese spread, two tablespoons chopped sweet pickles, and one tablespoon mayonnaise.
 3. Midnight Delight—Blend together three parts Roquefort cheese with one part cream cheese, adding coarsely chopped mushrooms.
 4. Here's How—Add to creamed butter 1/2 as much of chopped green olives. After spreading Premium Flake crackers top with a rolled anchovy fillet.
 5. Anchovy Toppers—Spread with anchovy paste, garnish with chopped egg, or spread with curried butter, one tablespoon curried powder to 1/2 pound softened butter and top with egg or crab and mayonnaise.

- Hot Bites
- Beacon-Nut Bites: Spread with peanut butter. Cover with a bacon strip cut to fit. Broil. Serve hot.
- Hot Turkey Bites: Combine with the peanut butter.
- Minced Clam Orisels: Cream together 2 packages cream cheese, 1 scant teaspoon salt, 1/2 cup mayonnaise, a dash of cayenne, another of salt, 1 can of minced clams, drained of their liquid. Heap on crackers.
- Hot Turkey Bites: Spread with the peanut butter.

STATE SUIT AIMS AT LOCAL FIRM

Charging that a Twin Falls trailer body maker has not taken out employees' compensation insurance with the industrial accident board, the state of Idaho today had requested the district court to issue an injunction against him.

The state action names Howard Douglas, Twin Falls, 71 charges that he has been making trailer bodies since last March 28 but is in default under the accident insurance provisions. The suit asks temporary injunction until Douglas takes his final injunction to halt Douglas' business as long as default continues.

In addition, the state asks judgment of \$1 per day since March 28 for each employee.

A similar suit against a different concern was dismissed when the company complied with the law. J. W. Taylor, attorney-general, and four assistant attorneys-general signed the current action.

He'll be Carved Here Friday!

Martyr to the holiday table, Mr. Turkey Gobbler poses here mournfully. Maybe it won't be this one that will be carved at Friday night's "streamlined" school session, but the idea is the same.

DID YOU SAY CRANBERRIES? YES MADAM, THEY'RE VITAL

You might do without mince pie, you might do without pumpkin, you even might (if you're favoring the budget) do without turkey at Thanksgiving or at Santa Claus is of Christmas.

That glistening, ruby, tart cranberry flavor is as much a part of Thanksgiving as Santa Claus is of Christmas.

If you're a stickler for tradition, you'll probably serve the cranberry sauce in a large old-fashioned bowl, or if you're using the canned product, so many of us are these days, you'll serve plump round slices on a glistening platter.

But if you're decidedly modern and want to serve cranberry sauce in a new way, the recipes given below are intended just for you. They keep the cranberry flavor in your Thanksgiving meal, but do it in a way that has all the individuality and good taste of modern meal planning.

Cranberry Relish in Orange Caps: Cut oranges in half, and either squeeze out juice or remove entire centers. Scrape out clean, and notch edges with sharp knife. Fill with relish made in this way:

Chop two tablespoons candied ginger and two tablespoons orange rind. Mash one can cranberry sauce with fork and combine with ginger and orange.

Serve on a large green leaf, or on a lace doily in individual serving dishes.

Cranberry Turkeys: Cut canned cranberry sauce in 1/2-inch slices. From each slice cut a turkey with the aid of a tin, turkey-shaped cutter.

Cranberry Sauce served in this way is especially appealing to children.

Cranberry Sherbet: Crush one can cranberry sauce. Add grated rind and juice of one lemon and one orange. Freeze partially. Fold in stiffly beaten whites

SCOUT CHAIRMAN NAMED AT MEET

Roy Palmer, local banker, today had been elected chairman of the Twin Falls Boy Scout district, succeeding I. E. Joslyn who held the position for the past year. Palmer will officially take office at the December executive board meeting, slated for Dec. 5.

Other officers of the district, announced after the elections held at the Park hotel Monday night at which 22 district officials were present, include R. D. Ward, vice-chairman; W. W. Frantz, commissioner, and Lewis P. Jones, recruited secretary-treasurer. Nominations were announced at the meeting by F. L. Rudolph, chairman of that committee.

At the meeting Mr. Joslyn read a comprehensive report of activities during his leadership, paying particular attention to the fact that more Scouts are registered in the district at the present time than ever before. Formation of the drum and bugle corps was a "step forward" in Scouting; the council Scout-O-Rama, staged last May, was a landmark of progress.

Other reports were read by Clarence Nye, camping; Mr. Frantz, advancement; and Mr. Jones, financial. Mr. Frantz substituted for W. E. Nixon, advancement chairman, who is in ill health.

After attending the meeting, and speaking briefly was Gordon Day, council executive.

Frank Libby Rites Held at Heyburn

HEYBURN, Nov. 16 (Special)—Funeral services for Frank Libby were held Saturday at the Heyburn ward chapel under the direction of Bishop Elmer Heiler.

Three numbers were sung by the choir. Invocation was pronounced by Joseph J. Benedictus, given by W. B. Christensen. Speakers were J. B. Harper, Malta; Mrs. J. B. Fairchild and Bishop Heiler.

Bishop Byington and D. Fern Rupert, accompanied by Mrs. Byington, sang a duet.

Study Amendments

Study of the amendments to the constitution was continued at the meeting of the Twin Falls high school student council yesterday afternoon.

The number of amendments is being passed after an intensive study of each one.

If you're a stickler for tradition, you'll probably serve the cranberry sauce in a large old-fashioned bowl, or if you're using the canned product, so many of us are these days, you'll serve plump round slices on a glistening platter.

WOUNDED BOY, 15, LEAVES HOSPITAL

Shot in the foot when a 12-gauge shotgun accidentally discharged, Leo Stanger, 15, Hansen, was to be discharged from the Twin Falls county hospital today.

The youth, son of Mr. and Mrs. W. B. Stanger, was wounded when a gun in the hands of Dale Farnsworth, 16, discharged as the pair was getting ready to leave the Farnsworth home for a pleasant hunt. The mishap occurred last Friday afternoon.

The shot hit the boy in front of the instep, neighbors said. One of the neighbors, Jim Pennington, brought the youth to the hospital.

The wormwood in absinthe acts upon the nerve centers and causes delirium, hallucinations, and in some cases idiosy.

Fancy Chicken Salad (Serves 6)

Two cups cooked chicken (white meat), 1 cup celery, 2 tablespoons pimiento, 2 tablespoons green pepper, 1/2 teaspoon pepper, 1/2 cup mayonnaise, stuffed olives, 2 medium grapefruit sections, lettuce.

Disc chicken, celery, pimiento and green pepper and add salt, pepper and mayonnaise. Arrange lettuce in salad bowl with salad mixture in center. Garnish with ring of stuffed olives and grapefruit sections radiating like spokes of a wheel.

Oyster-Gumbo Stuffing 5 cups grated bread 1 cup chopped finely 2 cans condensed chicken-gumbo soup 2 tablespoons butter

Crake or chop 3-5 day old bread. Chop yours very fine and mix with the oyster. Then add 2 cans condensed chicken-gumbo soup and the melted butter.

A delicate mousse on this order is a truly-gala dish for a buffet supper:

Holiday Mousse 2 cans condensed chicken soup 2 eggs, separated 1 1/2 tablespoons gelatine (softened in 1/4 cup water) 1 1/2 cups turkey 1/2 cup whipping cream 2 tablespoons lemon juice 1 cup cooked carrots, diced 1 cup cooked green peas 1 cup celery, diced.

ROMANCE FLEES CLEVELAND CLEVELAND, O. (U.P.)—Frank Zieselman, marriage license clerk, can't understand what is wrong with Dan Cupid. "I don't know what it could be," he said. "Only 11 licenses were day, whereas in June our average was 30 a day. It might be the weather, or else cupid is on a sit-down strike."

5 POWERS TO DISCUSS GERMAN JEWISH RELIEF

By WALLACE CARROL LONDON, Nov. 16 (U.P.)—A five-power conference probably will be called to meet in London within a few days to discuss relief for Jews from Germany, it was indicated today.

The call for the meeting would be sent out by Lord Winterston, chairman of the committee, if the other four powers agree. In view of President Roosevelt's condemnation of the Nazi outbreak and the recent activity of Ambassador Joseph P. Kennedy on behalf of refugees, it was believed the United States would welcome the suggestion in the hope of helping Germany's 700,000 Jews.

WATERMELON INVADES JAIL EL RENO, Okla. (U.P.)—Because one part of the county jail basement was dark and seldom frequented, a watermelon ripened in vain. A part of a watermelon vine in a flower bed at the jail trailed through a sidewalk ventilator and far down into the basement. There in the darkness a watermelon ripened.

Honeymoon Over for Young Couple Snowbound 4 Days

CEDAR CITY, Utah, Nov. 16 (U.P.)—A newlywed couple from Bakersfield, Calif., recovering from the effects of being snowbound for four days in the Dixie national forest near here, reacted frozen feet today and told of their experiences.

NEW YORK TIMES EDITOR RETIRES NEW YORK, Nov. 16 (U.P.)—The New York Times announced today that Charles Mery has been appointed its editor, succeeding Dr. John H. Finley, who becomes editor emeritus at the age of 75.

THREE FORECASTS WINTER PITTSBURGH, Calif. (U.P.)—Peter Portias told the police he knows now how to tell when cold weather is near. He said he had a sack of coal beside his house all summer. Then there was a sudden turn in the weather and the sack of coal disappeared.

WORLD POLOISTS INVITED SAN FRANCISCO (U.P.)—Invitations have been sent by the Golden Gate International Exposition committee to 200 of the leading polo clubs of the United States, Hawaii, England, Argentina and Mexico to participate in the international polo contest that will be held here during 1939.

They spent all the first night, Thursday, in their unheated automobile, Radford said. When the snow failed to abate Friday morning the couple began to retrace their route eastward, away from the road camp. They walked all day, and at nightfall still were nowhere.

Telephone Dead The telephones were dead temporarily, but the next day they called Supervisor Elaine Betenson of the Dixie national forest.

WORLD POLOISTS INVITED SAN FRANCISCO (U.P.)—Invitations have been sent by the Golden Gate International Exposition committee to 200 of the leading polo clubs of the United States, Hawaii, England, Argentina and Mexico to participate in the international polo contest that will be held here during 1939.

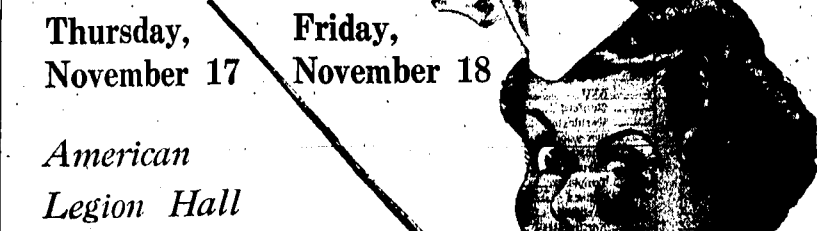

"IN CHICKEN COOP" RICHMOND, Calif. (U.P.)—John F. Voelz alleged grounds for divorce were rather unusual. He complained to the court that his wife attended Communistic meetings and that she made him sleep in the chicken coop. He also mentioned that she called him "a yellow dog."

VANDAL STAR CHOSEN ON ALL-PACIFIC TEAM

Tony Knap, Idaho End, Honored; USC Places Three

By CLIFF HARRISON (NEA Service) SAN FRANCISCO, Nov. 16.—Picking an all-coast football team for 1938 isn't the easiest thing in the world, but after sounding out coaches and other schooled observers the task begins to unravel itself.

Selecting an all-star backfield this season doesn't present as much difficulty as might be expected. There were plenty of good backs on the coast but four in particular stood out all season.

Greenville Lansdell of Southern California has the quarterback job all to himself. The Trojans' 15-pound star is a fast runner, a smart signal caller, a great ball carrier, an exceptional passer, and a good kicker.

Without Hoffman, Southern California would not click, despite Lansdell's triple threat. He is a 60-minute performer. Dave Anderson of California isn't a Heber or a Joesting, nor did he do much beside carry the ball and block, but his performance for two seasons has stamped him as one of the finest fullbacks on the coast.

Press for honors for quarterback honors went to Debrah of Oregon and Bill Paulman of Stanford, both able performers hampered by run-mine clubs.

Joe Kinsburgh of Oregon State and Merrit of Pomona could do a good job of fullbacking for anybody's ball team.

Pressing ends of all was naming the ends. The coast was fairly cluttered up with good flankers. But there are only two ends on a football team so the choice finally narrowed down to Tony Knap of Idaho and Bill Telesmanic of San Francisco.

ELDERLY HANSEN WOMAN PASSES

Funeral services for Mrs. Malvina Laney McLeay, 86, Hansen resident for 12 years, will be held Thursday at 2 p. m. in the White mortuary chapel, Rev. E. L. White, Methodist minister, will officiate.

Mrs. McLeay died Tuesday at 8:50 p. m. at the home of her son, Warren McLeay, after an illness of nine days. She was born April 12, 1852, at Mt. Pleasant, Ohio.

Her husband, Reuben F. McLeay, whom she married in Missouri in 1881, died in 1923. The following year she came to Hansen from Bethany, Mo., with her son, and has made her home here since that time.

She is survived by 10 grandchildren, four great-grandchildren, and one great-great-grandchild, in addition to her son. A step-daughter also survives.

CLUBS WILL HEAR AREA G-MAN HEAD

The Federal G-man chief for this district and the district governor of Utah-Idaho Rotarians will be featured speakers here tonight as Rotary club members from south central Idaho gather at Legion hall for an inter-city meeting of impressive proportions.

More than 200 are expected to attend, according to Chairman C. H. Krenzel. Mr. Krenzel will be hostmaster at the banquet meeting.

Speakers will be W. O. Bannister, Butte, Mont., special agent in charge of the FBI for this area, and Bert Williams, Salt Lake City, district governor of Rotary.

Clubs which will send substantial delegations, many of them sending full membership, are Buhl, Burley, Jerome, Gooding, Rupert, Halley, Shoshone and Twin Falls.

Community songs and other musical numbers are listed on the entertainment program.

The inter-city meet will start at 7 p. m., Chairman Krenzel said.

ARMY RECRUITER WILL VISIT HERE

Col. B. E. Gray, district recruiting officer for the Salt Lake City district, of which this section of Idaho is a part, will visit this area Nov. 18 and 19. It was announced this afternoon by Sgt. Frank Morris, officer in charge of the local recruiting station located in the city hall.

Col. Gray was scheduled to visit here at an earlier date but his last minute arrangements were cancelled.

Sgt. Morris will meet the colonel at Burley the morning of Nov. 18 and, after visiting there, will drive to Twin Falls where the recruiting headquarters are located the following morning, Nov. 19, the day of hours will visit Buhl and Jerome after which Col. Gray will continue to Boise.

Purpose of the visit is to accept enlistments for the regular army reserves and to inspect recruiting activities.

MAN INJURED AS TRUCKS COLLIDE

RUPERT, Nov. 16 (Special) — A. A. Winton, who suffered three broken ribs and numerous cuts and bruises Tuesday at 2 p. m. in a highway collision, was satisfactorily recovering today at the Rupert general hospital, according to Deputy Sheriff Clyde Craig.

Winton, coming toward Rupert on the cased highway two miles south of town, was injured when a beet truck driven by August Hondo, 16, came into collision with his light pick-up.

The Hondo machine entered the highway from a side road.

Frank Fritberger picked up Winton and arranged an ambulance which brought the injured man to Rupert.

Sales Planned

Two sales were planned by two Camp Fire groups as they met yesterday and Monday. Welmachick members will hold a candy sale Saturday, they voted at the session held at the home of Marie Tarr.

Wacankiya members have decided to sell articles remaining from a recent rummage sale at the sale ground. They also voted to make Christmas rag dolls. The meeting was held at the home of Marjorie Olson.

Here's 'Plot' of Cooking School's Style Showings

Returning from a dancing party, a trio of smartly gowned women step into the modern electric kitchen of today, and without so much as ruffling a single curl, prepare a midnight snack.

Such is the "plot in miniature" designed by Mrs. Amy Villa as a feature of the style show to be presented Friday evening at the American Legion Memorial hall as a feature of the "streamlined" cooking school under the sponsorship of the Idaho Evening Times and Twin Falls News.

Gowned in the brilliantly gay dance dresses of this season, which "has gone formal" in a fashion most enticing to the feminine heart and mind, Mrs. Marjorie Lucas and Miss Janet Cole, representing the "Macys" shop, and Miss Betty McCleary, the Cinderella shop, will appear in the clever skit.

Modeling of afternoon gowns in the more customary promenade manner will mark the afternoon style shows Thursday and Friday. The same models will appear in the afternoon style showings.

Coffure-styling is presented through the courtesy of the Artistic Beauty salon, whose experts will arrange the hair of the models.

Relatives to Visit

E. J. Klass, son of Mr. and Mrs. Fred Klass, and Frank Klass, brother of Fred Klass, are expected to arrive today from Los Angeles for an extended visit.

Well, now that we've got the election taken care of—there's a lot of Democrats—Minnie (the monkey) has had a boy which we christened "Buck"—pups up in price—eggs 40¢ a dozen—everyone feeling better (or worse) I am riding out on my rooster again to tell "you all" that we are having a lot of fun down here at 406 Main Ave., supplying customers with a thousand different things and at prices that save them a lot of money. If you need a good used cook stove, heating stove or circulator, we have a good assortment in all sizes and prices. Also brand new stoves ranging in price from \$14.50 to \$42.00. If you are in the market for an oil burning circulator be sure and see us before you buy.

For this week only you can buy (for cash and no trade) a beautiful four-piece bedroom suite (vanity, bench, chest and four poster bed) finished in "two-tone" walnut for only \$29.95. This is an extra special and we have only three suites to go at this low price. In addition to our regular line of new and used furniture we have for sale a ladies' diamond ring, man's 17-jewel Hamilton watch, Shurtz's diamond set plus Gibson Tenor banjo, 1935 V-8 truck radiator, Maytag electric washer with aluminum tub, used studio couch, 2-pc. velour overcoat suit, masculine cut, single cut, good tent, toy automobile with pneumatic tires, baby buggy, high chairs, trash burner, 25 tank heater, 25 caliber automatic pistol, .32 caliber, ten shot, long barrel pistol and scabbard, 12 ga. Winchester pump gun, etc., etc.

Now here is a list of things that we would like to buy: Electric drill, wardrobe, old fashioned dish cupboard, large kitchen cabinet, small heating stove, cook stove and circulators, day bed, studio couch, chairs, dressers and beds.

Not to change the subject, but if you still enjoy a good chicken dinner call us up for a couple of those Super Delux, Mike Peck's famous battery broilers that are just now tipping the scale at 2 lbs. If you don't agree that they are the best chicken you ever ate "bring 'em back and get your money." Or, if you prefer a good fat hen instead, we have them. Order Friday morning if they are to be dressed. If undressed—anytime.
