

THOUSANDS PAY TRIBUTE TO GERMAN SLAIN BY FRENCH JEW

HITLER ATTENDS; REMAINS SILENT DURING SERVICE

BY RICHARD SCHMIDT
DUESSELDORF, Germany, Nov. 17 (AP)—Adolf Hitler, high party official and tens of thousands of rank and file Nazis paid final tribute today to the slain French Jew, Buhl, who died in a gas chamber last week's anti-Semitic rioting.

The Jew who killed Buhl said he wanted to hit Germany. We must admit he succeeded. Jews forget that every blow makes national socialism stronger.

Thousands lined the streets to see the body of Buhl as it was carried from Berlin and the hall as he rode slowly between lines of storm troopers.

Hitler followed by Joachim von Ribbentrop, foreign minister who said: "The Jew who killed Buhl was a murderer. All of his crimes are known to the world."

"I repeat Buhl's words at Gustave's funeral. We understand the challenge Buhl was making. He was united in Germany's future."

Hitler clasped hands with von Ribbentrop and his brothers. Then he saluted and left the hall.

The fact that Hitler did not speak was a surprise. This did not immediately ease the fear many feel that new drastic measures against them would be taken.

Buhl's Meteor Seems "Lost"; Got Any Clue?

Lost: One meteorite. The janitor of a Buhl school reported today that he saw the small meteorite flashing across the sky above the west end city, but survey this afternoon showed that apparently no one else had caught a glimpse of the sky apparition.

One of no one in south central Idaho reported having found any trace of where the meteorite may have landed.

D. O. Brannen, janitor at Lincoln school in Buhl, is the man who reported having seen the "round, red ball of fire." He said it "seemed about the size of a large plate," and after it disappeared a bluish meteoric light about six inches wide, hung in the air like gas burning.

Brannen said he saw the sky fire about 7 p. m. apparently falling in the general direction of the McCallum addition. He was at the school working at the time. He figured the meteorite might have fallen as far away as Nevada.

The report from Buhl followed dispatches from Salt Lake City and Los Angeles that a much larger meteor threw a glare over at least three states last night and was glimpsed by airplane pilots as it descended toward California.

Perhaps the "lost" Buhl meteor was just a "falling star," but Mr. Brannen didn't think so.

Falling Meteor Cast Light Over 3 States

LOS ANGELES, Nov. 17 (AP)—A meteor streaked across three states last night, lighting up residents and deluged police and airport offices with telephone calls.

The meteor streaked from California to New Mexico by airline pilots as it fell eastward.

MOTHER FILES IN M'CLURE ESTATE

The mother of a 28-year-old Twin Falls youth who drowned while duck hunting Nov. 6, filed action in probate court today for administrative decree in his estate.

The petition was offered by Mrs. Cora McClure, Twin Falls, mother of Robert William McClure, victim of the Snake river after a canvass had overturned about three miles above Milner. The youth left no will and the mother is the only heir to law, the petition says.

Estate is valued at \$1,760, including corporation stocks, motor car and personal effects.

Judge Guy L. Kinney set hearings for Nov. 23, Thomas M. Robertson, Jr., is attorney for Mrs. McClure.

HAGERMAN, Nov. 17 (Special)—Funeral services for Mrs. Jack Graham were held at the L. D. S. church at 2 p. m. Tuesday. Bishop Emerson Pughman officiated by James Allen, conducted the services. Pallbearers were Eben Carlton, Ellsworth Moore, Jack Atwood, Ted Bell, William Christensen, all of Hagerman; Gilbert Farnsworth, Gooding. Interment was in the I. O. O. F. cemetery, Hagerman.

Yvra Penfold Graham was born July 22, 1908, at Driggs, Ida. She moved with her parents to Hagerman in her early childhood where she attended elementary and high school, graduating with the class of 1928. She attended the southern branch of the University at Pocatello for three years and taught school for three years. She was married to Jack Graham, Jan. 28, 1933. She lived with her husband until about a year ago when she moved to Kellogg, Ida., where death occurred Nov. 11.

Her husband, two sons, Larry Kent, age 16 months, and Vernon Jack, age 10 days; her father, Farley Penfold; one brother, Stanley Penfold, Hagerman; three sisters, Lila Hurley of Moscow, Eva Torrey of Salt Lake City and Ellen Foster of Hagerman.

BURLEY SCHOOLS' VACATIONS FIXED

BURLEY, Nov. 17 (Special)—The school board set the dates for Thanksgiving on Nov. 24 and 25 and the regular session until about evening. Schools will close at 4 p. m., Dec. 23 for Christmas vacation and reopen on Jan. 2.

Hans Gorenson was appointed an attendance officer for the remainder of the year. He will work with the probate court to check thoroughly the Burley district transient families since many of the children are not attending school at all.

Under law, all children under 18 years of age must be in the eighth grade, and all under 16 years must attend school regardless of how far they have advanced.

The board also approved a plan to light artificially the libraries of both junior and senior high schools.

Coupe Loses Duel With Spud Truck

Hagerman is a passenger car but only minor personal bruises marked a crack-up between a coupe and a loaded potato truck at 8 p. m. Wednesday state police reported.

Miss Pauline J. Pollard, 16, Kimberly, rammed her machine into the spud truck on the highway three-quarters of a mile south of Kimberley, investigating officers said. The truck, driven by Roscoe G. DeBoard, 24, was being parked off the highway by Officer V. K. Barron said.

MISTAKE

SHOSHONE, Nov. 17 (Special)—Don Forbes loaned his car to a young man the other day and thought nothing further of the incident until an officer notified him that he was charged with being a hit and run driver.

It was later learned that the officer had checked on the car-licensing number, and the extent of the accident nor the identity of the young man was not learned at the time, as the car was reported picked up somewhere in Gooding.

Barrel Plugged, Gun Sends Shot Close to Hunter

BLISS, Nov. 17 (Special)—Blasting a charge of shot through the side of the barrel, a gun in the hands of a Twin Falls sportsman narrowly missed another member of the party and gave the entire group a good scare.

The gun belonged to Leslie Morgan, Twin Falls, and the accident occurred after the men had been creeping up on some birds through a muddy creek bottom last Sunday. The party, hunting in the Clover creek region north of Bliss, was in company with E. H. Foster, Bliss school superintendent and former Twin Falls high school teacher, whose car was the one uncomfortably close to the accidental shot.

It is thought that Mr. Morgan accidentally rammed the barrel in some mud. Foster shot at a bird and Morgan then shot. Foster noticed that the shot seemed to come very close to his ear and remarked as much to Morgan. Investigation revealed that the shot had gone out through a jagged slit in the barrel.

Wives of the members of the party followed their husbands to Bliss in time for luncheon at the "Post" home and bridge in the afternoon. The entire group enjoyed a "pot-luck" supper after the hunters came in.

Those who made the trip from Twin Falls were: Mr. and Mrs. Leslie Morgan; Mr. and Mrs. Don Young; Mr. and Mrs. Clarence Wagner; Mr. and Mrs. Loyal Perry and Mr. and Mrs. George Werberg.

POT SHOTS

The Gentleman in the Third Row

Yesterday's election arrived and soon after the ship came out, some of the candidates were heard to say: "I don't know how it will go, but I don't think it will be with me!"

Is Your Home IN PERIL?

Try These Signals for Contract Bridge!

Dear Pots:
What with the winter contract bridge season now full swing, and so many happy marriages in danger because husband or wife gives the wrong answer bid, the Home as the basis of America is tottering perilously. Someone must dash to the rescue of Matrimonial Bliss. So I have devised a set of Contract Bridge Bidding and playing signals for husbands and wives.

Dancing in the Public Schools

Dancing in the public schools has been a controversial issue for years, not only in Twin Falls, but the country over. Slowly, however, the people have become more tolerant, objections have grown less emphatic, and entertainment of this kind for high school students has gained favor.

No Problem for America

A speculative gentleman inclined to venture his money on international politics might very well lay a little something on the line right now to say that Germany will presently be in possession again of her old pre-war colonies.

JOYS OF DUCK-HUNTING

Dear Pot Shots:
I don't know whether it was the thrill of being alone in the smoking canyon or the thrill of being duck hunting again after all these years, but Jim Nell returned to town at last.

CHAPTER V

SHE got into her car, and drove to the Coronado Hotel. She asked at the desk for Miss Hastings, and was told that her suite was on the fifth floor.

CHAPTER VI

IT HADN'T been a matter of national emergency that night the Empire State Building was struck by lightning. Just a routine flight. But Bill Bell had gone, and Diane had not whimpered. Judy's fingers closed up, and she gasped for duty. They were ordered to see to one who has the choice of staying, don't you see?

CHAPTER VII

THE door was swung open. Marv's gold satin pajamas, their red hair a fiery glow of curls, stood there. Her face was cold, unkindly. Behind her, Judy saw a white raid floating a black cloud of full. Marv said, "You're coming to an open steamer trunk, with a drawer pulled out, and clothes on the hangers."

CHAPTER VIII

DWIGHT telephoned me, Judy said, walking to a soft chair and sitting down. Marv moved across the room, took the bench before the vanity table. Her reflection in the mirror made two handsome, cold-faced girls whom Judy had to face. Judy went on steadily. "He asked me to come to the dance with him. I was accustomed to the Navy's disconcerting habit of ordering people off to sea. He simply had to go. Duty. There was no way out. The skipper's name was Lane—telephone me tonight. She said she couldn't come tonight, and told me probably no one else would come."

CHAPTER IX

Mrs. Albertus, mother of Mrs. H. C. Gettier, has returned to her home in the States, after a short stay as far as Minneapolis by her daughter.

Church Educator Visits at C. of I.

GALDWELL, Nov. 17 (Special).
Dr. C. W. Caldwell, director of courses, university work and theological seminaries of the Presbyterian church of the United States of America spent three days on the campus of the College of Idaho visiting the institution. He met with the board of trustees on Monday afternoon, interpreting to them the ideals of the church-related college and the opportunity of the Presbyterian college of Idaho in the pioneer institution of higher learning in this state.

Behind the Scenes In Washington

BY RODNEY DUTCHER
Evening Times Washington Correspondent

WASHINGTON, Nov. 17—Secretary of Agriculture Henry A. Wallace aloofly doggedly to his assumption of a "two-price" system for agricultural products with which he and his associates are inadequately supplied. He talks mostly about cotton mattresses, but his mind concentrates on "two-price" milk.

DEFINITION TROUBLE

Seeking to define "professional" employees, as required under the wage-hour law, lawyers of the wages and hours division argued the term was "impossible of definition." Nevertheless, he said the law and it was further agreed that if no definition were made the commission would be equivalent to saying there was no such thing as a "professional."

OFFICERS GUARD GERMAN CONSUL

NEW YORK, Nov. 17 (UP)—Police guarded the German consulate, the home of the German consul and German ships today at the request of the state department, while demonstrations and protests continued against Germany's anti-Semitic campaign.

A crowd of 5,000 anti-Nazi picketed the docks when the north German Lloyd liner Bremen sailed yesterday.

Dorothy Thompson, newspaper columnist, announced that as a result of a radio speech she made Monday night defending Herschel Grynszpan, the young Polish Jew who assassinated the German ambassador in Paris, she had been deluged with 3,000 telegrams and thousands of letters, many with contributions. She said she had formed the Journalists' Defense fund, with Gen. Hugh S. Johnson, Heywood Brown, Leland Snow, Raymond Gram Swing, William Allen White, Hamilton Fish Armstrong and John Gumbler, to handle the contributions and use them to get Grynszpan "the best lawyer in France."

The Catholic University of America sponsored a radio program to protest over the Columbia Broadcasting system at 9 o'clock last night. The theme of the speeches was "Catholic protest against Nazi religious policies." The speakers included Alfred E. Smith and Archbishop John J. Mitty of San Francisco.

Inner Alaska Great Place, Miner Thinks

It's a wonderful country, is the interior of Alaska, where tourists never get and where gold mining is a major industry. That's the opinion of H. B. Wallace, Twin Falls man who is now back home for the winter but who expects to return to the Slate creek mine, some 250 miles from Valdez and deep in the interior of Alaska.

Hydraulic Mining
Mr. Wallace was at the mine during the past summer and early fall season, and can spin impressive tales of the big-scale hydraulic and dredge mining methods which bring out the gold. For instance, the water used in the hydraulic operations at the Slate creek site comes out from under an Alaskan glacier. It's picked up in pipes as it leaves the glacier, and is carried three and a half miles.

Mining is good all through Alaska," Mr. Wallace said. "Wages are good, but plenty of labor to be had there. We had seven natives and 22 whites." It's about 2,500 miles from Idaho to the mine site in interior Alaska at the headwaters of several rivers. To get there you really take a journey: Railroad to Seattle, boat to Valdez, stage to Gulkana, airplane or dog team from there. The air service doesn't operate at night, but Mr. Wallace remarked that aerial transportation "is good all over Alaska."

Postoffice Far Away
The nearest postoffice to the Twin Falls man was 100 miles away.

How's hunting in the more inaccessible parts of Alaska? "It's good in the timber sections," Wallace said. "Two of our boys each shot two big brown bears; another two caribou; another a fine cross fox. There are lots of fine furs taken there, and also moose, caribou and bear. Deer abound on the islands and the coast."

He strikes a cheerful economic note when he tells you that "the coast towns are all doing well on account of the mining and the fishing—the pack of fish was very heavy this year."

Mr. Sara Krauel Paid Last Tribute

BUHL, Nov. 17 (Special)—Last rites for Mrs. Sara Krauel, 80-year-old resident of Buhl were held Tuesday at the Evans and Johnson funeral chapel.

Rev. E. R. Berg, pastor of the Baptist church, read the service and music was furnished by Mrs. W. L. Kyle and Mrs. Berg singing "Some Time We'll Understand." Mrs. Berg sang a solo number, "Does Jesus Care." Mrs. Ivan Bonas played the piano accompaniment.

Funerals were held at Buhl, Tennessee Howard, J. A. Brown, Louis Wegener, Cleo Clinton and W. H. Hatfield.

Corrigan Doesn't Like Films; Can't See Future in Pictures

By PAUL HARRISON (NEA Service)

HOLLYWOOD—Douglas Corrigan, the little guy with the big grin, is going at Hollywood the wrong way. Of course the approach satisfies Corrigan, but it's still very unorthodox. He has no manager or agent. He hopes he won't have to make more than one picture. He doesn't give a whoop about the money. He isn't meeting any critics, and he won't stand for any personal romance in the story.

"I'm not that I've got anything against the movie business," the flyer said. "But there just isn't any future in it." Until lately, RKO has been having a few squawks about its promise to pay Corrigan \$25,000 for his story and \$75,000 for his acting. For the first test, they prettified him up and put him into a new suit of clothes, and in front of the camera he squirmed and fidgeted like a kid in church.

Then somebody was smart enough to give him back his old leather jacket. Corrigan then stepped out and played a scene with Paul Kelly. The last two of five takes was good enough for anybody's money. Corrigan doesn't act, he simply exudes that shy, ingratiating personality.

"I haven't seen the tests," he said. "I won't see the picture, either. Until I do, I couldn't bear to know how good I am." "The story won't be quite the true story of my life. They had to put in some dramatic stuff," he said. "Several of the people in my real story have been combined into one character called 'Butch.' Paul Kelly will play Butch, but not my first name, but not my last. I've only seen about half the script, but I guess they've got it straight now. I don't like no-romance business. I figure the best you can do in Hollywood is put up a kick at first and hope they don't go haywire on you."

He has an office and dressing room on the RKO lot, but he doesn't do much dressing. A new leather jacket is his sole concession to Hollywood elegance. His favorite pants and shoes look like items of character wardrobe. He still cuts only one meal a day, a habit acquired during the lean years. And he gets around.

Jury Refuses Indictment on Indian Widow

LOS ANGELES, Nov. 17 (UP)—A federal grand jury today had refused to return an indictment against Mrs. Anna Laura Barnett and her daughter, Maxine Sturgis, charging them with resisting federal officers who evicted them from the luxurious Barnett home.

Mrs. Barnett, who lived with Jackson Barnett, eccentric Indian millionaire for 18 years until his death, was ordered from the mansion after the courts ruled her marriage to the aged Oklahoman Greek was invalid.

A commissioner's complaint charged Mrs. Barnett with tossing a hatchet at a deputy United States marshal at the time of her eviction but the federal jury declined to return indictments against her and Miss Sturgis after two hours deliberation.

Mrs. Barnett also will get back her hatchet which she demanded from Marshal Robert P. Clark who kept it as an exhibit pending possible grand jury action.

Rev. E. R. Berg, pastor of the Baptist church, read the service and music was furnished by Mrs. W. L. Kyle and Mrs. Berg singing "Some Time We'll Understand."

Mrs. Berg sang a solo number, "Does Jesus Care." Mrs. Ivan Bonas played the piano accompaniment.

Funerals were held at Buhl, Tennessee Howard, J. A. Brown, Louis Wegener, Cleo Clinton and W. H. Hatfield.

LOCAL GIRL HAS ROLE IN DRAMA

CALDWELL, Nov. 17 (Special)—Three one-act plays sponsored by Scarlet Masque duet Alpha Psi Omega, dramatic fraternities on the C. of I. campus, will be presented this evening at Bunchley Little Theater.

The club is reversing the usual order of production by giving three one-act plays in full at this presentation instead of producing several one-act plays at different times during the year.

"Do Not Pick the Flowers" presents a youth and sympathetic old age. Katherine Kessler, of Boise; Cecil Shurtleff, of Payette, and Mary Ellen Greive, of Twin Falls, will play the leading roles.

"Ship Ahoey" portrays the dreams of old age by the distinct characterizations of Irene Exley, of Wendell; Iva Frang, of Wilder; Rosemary Smith and Perry Johnson, of Nampa.

"With the Help of Pierrette" is a vehicle for several famous old Italian characters: Walter Foreman, of Orcadia; Walter Puchinello; Bayard Springs of Mars; takes the part of Haricquin; Carrie Parkisher, of Caldwell, portrays Columbine; while Joanne Finley, of Nampa, will characterize Pierrette.

Spaniel Costs and Costs Omaha, Neb. (UP)—Twas an ill omen when E. C. Bruun, a hunting springer named, two hours after he had leashed the spaniel at home, a neighbor bulldog made his entrance on the Bruun premises. The spaniel's doctor bill was \$25.

Filer Artist Puts Works On Display

Oils and water colorists by one of Idaho's foremost artists are on display this week at the Bixbee studio. The work of Mrs. T. B. Nicholson, Filer, the extensive display will be open today, Friday and Saturday.

All the work shows natural scene of Idaho, Oregon and Utah, and has been arranged to acquaint the public with her work, art in general and appreciation of art work in observance of art week.

Mrs. Nicholson is listed as one of the leading Idaho artists in the Idaho Atlas and Encyclopedia and was one of 10 artists selected to make a tour of the southwest with the Brigham Young university art department.

Mrs. Nicholson shows work each year in Heyburn's annual art exhibit and has taught art for the past 20 years. Most of the paintings on exhibition at Bixbee's have won prizes or exceptional mention at various art shows.

GAINS NOTED IN STORAGE WATERS

All three principal reservoirs serving this irrigated region are storing, at the present time, a quantity of water far above that stored at the same date last year and two of the three reservoirs are ahead of storage totals observed last week, a report by Lynn Crandall, watermaster, shows.

At the present time, the report shows, Jackson lake is impounding 455,780 acre feet against 252,340 a year ago and 420,450 a week ago. At the American Falls reservoir the reading now is 1,550,220 acre feet against 528,280 a year ago and 886,060 a week ago.

Lake Walcott, now impounding 67,100 acre feet of water, shows a drop below the figure of 70,070 a week ago but a substantial gain over the 62,710 acre feet recorded a year ago.

At the present time, the report continues, six inches of snow is on the ground at Moran and 16 inches at Snake river. Precipitation during the past week totaled .15 of an inch at Moran and .13 of an inch at Idaho Falls. Precipitation was general over the Magic Valley with snow being recorded in many instances.

President will Stress Continental Defense in Speech to Congress

OTHER COUNTRIES GIVE ASSURANCES OF COOPERATION

By FREDERICK A. STORM
WASHINGTON, Nov. 17 (AP)—President Roosevelt, it was learned today, will stress continental defense as the keynote of the 79th congress when it convenes here in January.

Although a definite legislative program has yet to be drawn up it is expected that the President's defense recommendations will be the most far-reaching of any of his proposals to congress.

Mr. Roosevelt has left no doubt that he considers that issue paramount.

Renewed Assurances

Coming on the heels of his announcement that the question of defense had become a continental matter that included Canada, Central and South America as well as the United States, was the indication in sources close to the White House that the administration already had received renewed assurances of support from some of the countries affected.

The President was reported spending considerable time on the program but there remained much work to be done before it will be in final shape.

Financial Problem

One of the most important of the considerations it was understood was the problem of financing a widely expanded program that among other things calls for a greatly increased federal role in the rearing of government and private production units to meet unusual demands without upsetting normal schedules.

Whether new taxes will be required or whether the work can be carried out through utilization of regular revenues has been reported as subjects of discussion on which no final decision has yet been reached.

This Meat Haul Not So Good for "Smart" Thieves

JEROME, Nov. 17 (Special)—"Who steals my purse, steals trash." And who steals some quarters of beef from a farmer may not be as brilliant as he thinks.

That's what one Jerome farmer could tell you today after a thief stole the quarters of beef which had been hung up as livestock feed.

The rancher is L. O. Lee. A cow belonging to him had been taken from meat and he had left the animal type until Sunday, when he returned to find hung it up near his house.

Some time last night a person or persons unknown snatched the quarters, thinking they were making a good haul.

Mr. Lee informed sheriff's authorities, who are on the lookout for a meat thief who probably isn't feeling too cheerful now about his loot.

CLOVER

William Dierker motored to Maggot Hill Springs Friday, taking Vernice Dierker, Miss Lydia Meyer and Mrs. John Meyer who plan to spend a week at the springs.

Walther League Bible class met Wednesday evening. A business meeting was conducted after the Bible study. Plans and preparations were made for the next social evening when the neighboring Walther League will be entertained. The society also recently purchased material for new curtains in the Clover school house. Members of the aid society sewed the curtains and put them up.

The Sixth Annual Laymen's conference of the Lutheran congregation of Southern Idaho is being held at Nampa this week. Several members of the Clover congregation, also Rev. W. F. Dannenfeldt are in attendance, having left Wednesday morning.

Special Thanksgiving day services, Nov. 24 will be held at Trinity church beginning at 10:30 a. m.

The following notes for the Red Cross in the Clover district will receive contributions: Mrs. Otto Hahn, Mrs. Martin Mathiesen and Mrs. A. Martens.

It is reported that Mrs. Fred Oster was able to be discharged from the Twin Falls hospital Sunday. She had been a surgical patient.

Walter Klunder is again improved after suffering blood poisoning in his arm which started from a small scratch. Visitors to see him Sunday evening were Mr. and Mrs. Klunder and Mrs. Theo. Klunder.

John O. Jagers recently purchased the Mrs. Nellie Bee ranch, located a mile north and a mile west of the Clover bridge. The purchase price was \$20,000 for the well improved property.

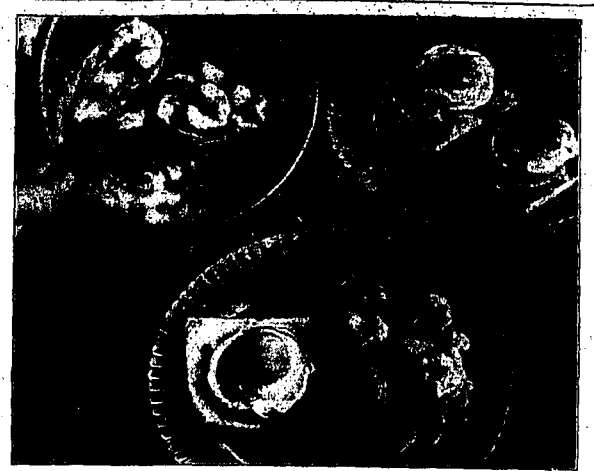

Alfred Boshke celebrated his twelfth birthday Tuesday. A number of boys arrived after school to join the festivities. A wicker roast was a special treat at the close of the afternoon's celebration.

David Luis, six-year-old son of Fred Luis, painfully injured his upper lip Sunday while playing on a pole. He fell striking his face. First aid was required to close the wound.

Mrs. R. E. Hilliker, Mrs. J. G. Spauld and the Jasper brothers arrived ward Wednesday of the death of their son, Chester Kaiser, 78, at Coeur d'Alene. He had been long time sufferer of sleeping paralysis. Mrs. Kaiser has visited here on several occasions.

Mr. and Mrs. Furu, ten-coops are located on the flat roofs of the low buildings. The chickens are protected by wire and grow fat for market.

Sauce Makes the Dish—and Here's One Way to Dress up Poached Eggs

A shrimp and celery sauce dresses up simple poached eggs until you wouldn't know them.

By THE FOOD EDITOR

Of course, we all think relatives have odd ways (they return the compliment which makes it all even). Mine, for instance, love to drop in unexpectedly for meals. One day recently two rather formidable cousins turned up, hungry giants in eye, to catch me with nothing much in the refrigerator but eggs. So I served eggs . . . but all dressed up with a new sauce that gave those simple poached eggs all theumph in the world.

I whisked from the pantry shelf a can of shrimp and one of celery soup, put them together this way and served the sauce hot over the eggs.

Shrimp and Celery Sauce

1 tablespoon butter
1 cup shrimps
1 can condensed celery soup
1/2 cup milk or cream
1 teaspoon chopped parsley (optional)

Melt the butter and saute the shrimps. Then add one can celery soup with milk or cream and heat. If you wish, add a bit of chopped parsley just before serving.

I whisked up by hand and large, we have never seen a zillion of these mayers. They were too difficult and time consuming to make. But the new quick sauce, served with condensed soup change the whole picture. Modern sauces contain exotic seasonings skillfully blended by French chefs. Why not use these sauces in all their variety as a base for sauces? Well, I do . . . to the glory of my reputation as a cook.

Next time you are serving chicken croquettes, hot chicken loaf, baked tomatoes stuffed with chicken and rice, glorify them with this sauce:

Chicken and Mushroom Sauce

1 can condensed cream of mushroom soup
1/2 can condensed chicken soup
1/2 cup cream gravy (heavy)
2 tablespoons chopped pimiento
1 teaspoon chopped parsley

Combine the condensed cream of mushroom and condensed chicken soup. Then add the cream and heat the sauce mixture. The chopped pimiento and parsley should be added at the last.

NATIONAL SCOUT LEADER TO TALK

Plans had been completed this afternoon for the visit here Friday and Saturday of E. I. Vredenburg, Los Angeles, assistant director, health and safety service, Boy Scouts of America, it was announced by Gordon Day, Snake River area council executive.

Vredenburg will arrive in Twin Falls Friday morning, according to Day. At noon he will be guest speaker at the regular weekly meeting of members of the Lions club. During the afternoon he will meet with members of the junior high school safety patrol in order to discuss their problems with them—Friday evening at 7 p. m. he will address members of the Snake River council executive board at a special session at the Park hotel.

Saturday he will talk before Scoutmasters, troop committeemen and other interested Scouters during a meeting which will be held at the Chamber of Commerce rooms starting promptly at 8 p. m. During this meeting the national leader will present a demonstration of health and safety.

Vredenburg has been actively engaged in Scouting since 1926. The official now promotes the health and safety program in Texas, Oklahoma, New Mexico, Idaho, Oregon, Washington, Alaska, California, Arizona, Utah and Nevada.

ASSIST OFFICERS, FBI AGENT SAYS

Active cooperation and support for law enforcement officers will assist materially in crime prevention, more than 210 Rotarians from south central Idaho were told here last night by W. C. Bannister, Butte, Mont., special agent in charge of the federal bureau of investigation for this area.

Bannister's talk featured the interesting session of Rotary clubs from eight south central communities. The Twin Falls club was host at American Legion hall. Bert Williams, Salt Lake City, district governor of Idaho-Bank Rotarians, addressed the group briefly, and Dr. Charles R. Scott, Twin Falls, Idaho chairman of the Red Cross roll call, also made brief remarks.

Absorbing Analysis
Bannister offered an absorbing analysis of the G-men's work in combating crime. Among other things, he pointed out:
That bank robberies have been cut down 72.2 per cent since the FBI stepped into such cases.
That only two out of 129 reported kidnappings turned over to G-men have not been solved.
That bank insurance rates against hold-up have dropped 20 per cent.
That the FBI investigates hundreds of cases that do not receive newspaper mention. Among these are the probes of anti-trust cases.

Criminal Records
That 5,000,000 criminals are on record in the FBI fingerprint department.
That 2,033 boys and girls, all under 15, were fingerprinted for major crimes in the first six-month period of this year.

That this juvenile fingerprint total is 31,298 when the age is extended to 18, and that 161 of that number were indicted for murder.

That the FBI scientific crime laboratory will do something which other agencies give it, no matter what kind of clue it may be.

That the FBI actually returns \$164 for each dollar Congress puts into its operation.
Although Bannister's statistics showed that crime does not pay, he said: "Most criminals are in the racket of law-breaking because they still think they can get away with it. Support and encourage your local law enforcement officers. They're doing your share toward prevention of crime."

C. H. Krenzel, Twin Falls, chairman of the meeting, presided as toastmaster.

Even Pre-School Kiddies Provided For at Library

Even the Tiny Tims and Tillies, "the littlest ones of all" are remembered by the Twin Falls public library.
Miss Edith Dygert, children's librarian, called attention today to a few of the newer books for pre-school children, which are on display at the library during Book week.

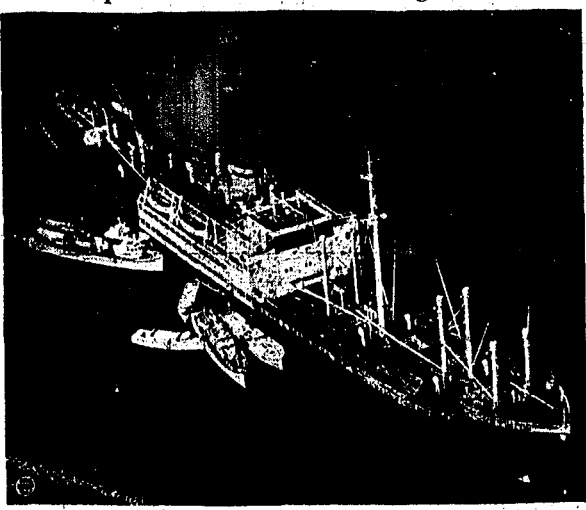

These and many others may be found in the mothers' case at the library, and are available to mothers for home use.

"Johnny Crow's Garden," Brooke; "Pardnerland," Leaf; "Once Upon a Time," Milhous; "Nobody's Mouse," Brock; "Bumblebuzz," Fry; "Little Black Hobbit," Baerman; "Kangaroo Twins," Hogan; "Little Orphan Willie Mouse," Chadwick; "Chicotee and Her Kittens," Carroll; "Down, Down the Mountain," Credle; "Joan Lives Here," Wratton; "Noodle," Leaf; "Gunnivolt," Harper; "Tales of Wolf and Foolish Animals," Garrick.

Ex-Resident Weds Velma May Canada

JEROME, Nov. 17 (Special) — A marriage license was issued here Nov. 14 to Jerome Lohman, a former Jerome and Twin Falls resident now of Sacramento, Calif., and Miss Velma May Canada, former Jerome resident now of Twin Falls.
The couple was united in marriage on Monday afternoon at Rupert by the Rev. O. L. Johnson, former Jerome Baptist minister. Witnesses were the bride's parents, Mr. and Mrs. M. G. Canada, Jerome. The couple plans to make his home in Sacramento.

Explosion Sends German Liner Aground

Following a terrific explosion which observers said came from the vicinity of the engine room but which the captain said "came from outside the ship," the German freighter Vancouver struck a sharp list, settled on the bottom at Oakland, Calif., yesterday. Several crew members were injured. Here's an airview of the stricken vessel, with coast guard boats standing by to render assistance.

Girl Spiritualist Does Strange Things With Tables, Pianos in Louisiana Town

BY TED H. MALOY
JONESVILLE, La., Nov. 17 (AP) — Strange things are happening in this town in the Black river bottoms — things which some people call miraculous, some call spiritual, and some call hokey.

They originate from a 13-year-old girl with light brown wavy hair and grey-blue eyes—Alice Bell Kirby, the seventh child in farmer Leon Kirby's family of eight girls.

There are fancy names for them—automatic movements, telekinesis, levitation—but Alice Bell hasn't heard of those names. For the fun of it the tables move by holding her hands on them, or makes them move without touching them. Sometimes she has them float in the air.

Most times she performs these feats in pitch darkness in which witnesses may feel but not see, but there are witnesses who say they've seen her do them in broad daylight.

5,000 Visit Farm
Among the some 5,000 persons who have visited the 425-acre Kirby farm four miles south of here during the past 10 months, have been business men, plantation owners, appellate court justices, educators, and many just plain curious and skeptical folk from near and distant places.

Some of the people of Jonesville speak of Alice Bell's "power" in a casual way and some of them merely call it "spooks."

Alice Bell is possessed of unusual poise and patience, but otherwise she is much like the other children of the Jonesville block school.

Probably most skeptical was Dr. H. W. Wright, who has been superintendent of Catholic parish schools 21 years. Alice Bell visited his home early this year to play with his daughter, and asked him what he thought of her "power."

"Alice Bell," he said, "I wouldn't believe it even if I saw it."
But since then he has observed the "miracles" many times and he talks about them willingly and at length, but with no effort to explain them.

"Miraculous Thing"
"It's just the most miraculous thing I've ever seen," he said.
Wright, Charles F. Kirkus, parish supervisor of education, Principal A. L. Brooks of the elementary school at St. Peter's, and Principal P. H. Bluff of Alice Bell's school, have all been witnesses to Alice Bell's performances and all professed themselves to be utterly mystified.

Wright told of occasions both in the dark and in the light when tables moved at Alice Bell's com-

mand, when an upright piano slid across the floor and shook violently, when a pencil in her hand wrote answers to questions while she was blindfolded, and of tables rising in the air, apparently of themselves, with Alice Bell sitting on them.

She told of seeing piano keys playing without hands touching them, of a piano stool throwing Alice Bell to the floor while he was holding her down tightly, and a man weighing 200 pounds sat on the floor holding it down. He said he saw a table tip and move about a lighted room at the child's command and then rise 10 inches off the floor.

No Explanation
"Not just one time did I see all this, but many times," Shel said. "I can't offer any explanation, I simply don't know."

Superintendent Wright told of similar things having happened in lighted and darkened rooms. On one occasion, he said, he, three others, and Alice Bell stood in a circle around a small table in a lighted room.

Alice Bell said to the table: "Go to Mr. Wright."
"It slid across the floor, probably 24 inches, and bumped me just above the knees," Wright said. "Then when I told it to go back to Alice Bell it slid over and bumped her. After that the table did the bidding of anyone in the circle."

He said that once after a long exhibition in the Kirby parlor, Alice Bell asked the table if it was tired and the table tapped once for "Yes." On this occasion, the room was dark.

"Well, turn over and lie down on the floor," Alice said.
"I felt the table turn easily on its side, then on its top and I felt the table legs sticking in the air with my own hands," he said. "Then she told the table to turn back upon its legs and it did."

Having been told these stories by the most reputable citizens of the community, I was somewhat eager to experience them for myself, Alice Bell, her eldest sister who is a school teacher, several other persons and I sat in the darkest Kirby parlor and Alice Bell commanded and capied the table at length, but to no avail. Nothing whatsoever happened. Alice Bell even told the

VANDALS ON WAY TO OGDEN GAME

BOISE, Ida., Nov. 17 (AP) — University of Idaho's Vandals, en route to Utah for games with Utah State and University of Utah, went through a light work-out and signal drill on public school field here today.

The 33-man squad left Moscow last night and stopped over in Boise to rest on the brink of travel. The Vandals will meet University of Utah on Thanksgiving day in Salt Lake City, ending their season.

Drill featured a pass defense and easy work against Utah State formations. Idaho's scouts reported the Aggies to be a formidable team and to have shown great improvement since last year.

Injury Riddled Team
Coach Ted Bank, with the grief customary to coaches, said his outfit was "riddled with injuries." Tony Knapp, veteran left end, took a bruising in the Oregon game and was unable to play against Washington State. His appearance Saturday is problematical.

Dick "Truck" Truskowski and Ray Smith tackle and end, were knocked around in the game with Washington State and are on the "ouch" list. Earl Acuff, reserve fullback, is confined to the Moscow infirmary because of a slight brain concussion.

WSC Game Disappointing
Bank, speaking of his defeat by Washington State in Idaho's homecoming game, said he was "more disappointed" about that loss than any game he ever coached.

The Vandals will leave for Logan tonight and will perform another light drill there Friday afternoon. The boys will not return to Moscow until after their Thanksgiving game with Utah U.

Bank said he would try to wind up the season with victories. Scores in last year's games with the Aggies and the University of Utah were a scoreless tie with the Staters and a 9-7 win over the university.

FRANCO RESUMES VALENCIA DRIVE

HENDAYE, Franco-Spanish Frontiers, Nov. 17 (AP) — With the 400 square-mile pocket along the west bank of the Ebro cleared of all loyalists, Generalissimo Francisco Franco was expected today to resume his drive on Valencia.

Further north the loyalists continued to hold a narrow strip, barely a mile wide on the west bank of the Rio Segre between Fraga and Lerida despite severe national attacks. The nationalists also claimed the capture of quantities of war material.

WHEN HOCKEY WAS PLAYED ON ROLLER SKATES

I was getting started in the whiskey business

"OLD ON ROLLER SKATES"... It was called in 1888. Old steel engraving from Leslie's Weekly shows Jersey City trouncing New York 3 to 0.

I've actually put 60 years' experience into my Private Blend!

Long before this hockey game was played in '88... I had discovered what kind of whiskey most men like... mild-tasting whiskey... easy to swallow. I've been at it ever since, making and selling more whiskey than any other living man... I'm proud to say my Private Blend is the best whiskey I've ever made. Try a pint—I'm sure you'll find it very mild-tasting and smooth-as-silk on your throat.

AID SOCIETY MARKS BAZAAR PLANS
Completion of plans for the annual bazaar tomorrow evening, characterized by the meeting of the Community church Ladies Aid society yesterday afternoon. Both assignments were made. Twenty members attended the meeting, and the pot-luck luncheon served at noon. Miss Vera Booth was a guest of the group.

University Women will Greet Northwest Officer at Dinner

Echoes from the national board meeting of the American Association of University Women, held recently at Washington, D. C., will be heard by a number of southern Idaho members of A. A. U. W. this evening at the Rogerson hotel. Mrs. L. T. Merwin, Northwest regional director, who is returning to her home in Portland from the board meeting, will be the guest speaker.

Arrangements for the visit of Mrs. Merwin have been made by the Twin Falls chapter, A. A. U. W., with Mrs. B. R. Tillery as chairman of the committee.

A large representation from the Tri-City American Association of University Women, comprised of residents of Albion, Rupert and Burley, will join the local chapter in greeting the distinguished visitor. Mrs. H. A. Ball, president of the Twin Falls unit, will introduce the honoree to the group. She will present her with a corsage.

Mrs. Harold Wood will play two piano solos, "The Prælude to the First Modern Suite" by Alcindor, and "Circles de Lame" by Debussy.

An informal arrangement of late autumn flowers will deck the tables and form a background for the event.

INFORMAL TEA
EXILES ENLIGHTENERS
Mrs. and Mrs. Fred Shipley were entertained informally at tea one afternoon this week by Mrs. George Rossman, 704 Third avenue west.

Mrs. and Mrs. Shipley, who have been making an extended visit to the United States, will leave the first of December for their home in Stoke-on-Trent, England.

They left for Jerome last evening to spend several days with Mrs. and Mrs. Joseph Shirley, after a visit with Mr. and Mrs. Charles Shirley.

FLORAL MOTIF
MARKS LUNCHEON
Small pink and white chrysanthemums graced the single table at which Mrs. H. E. Bailey seated her guests yesterday for a prettily appointed dessert luncheon.

Mrs. J. T. Taylor, Mrs. W. H. Wrayburn, Springfield, Ore., mother of Mrs. E. T. Blake, and members of the E. and T. club were guests of Mrs. H. E. Bailey at the luncheon. "Midnight on the Desert" was continued during the afternoon.

TRIO WINS PRIZES AT PINOCHLE
Pinochle was the diversion of the group assembling for a pleasant afternoon yesterday at the home of Mrs. Roy Weller.

It was played by C. E. Modin, Mrs. Leah Hall and Mrs. J. G. Wildman. Mrs. Modin was the winner.

The hosts served refreshments at tables decked with garden chrysanthemums in a variety of shades. The same flowers were also room trim.

Mrs. Wildman will be hostess to the group at the next meeting.

KENNINGTON OCCUPIES WAYSIDE
Wayside club members attended an all-day quilting Tuesday at the home of Mrs. Carrie Jones. An all-day session was held, and a no-hostess luncheon was served at noon.

Mrs. Anna Quast and Mrs. Ralph Smith were guests. Twelve members were present. Announcement was made that the quilts would be given away at the December 6 meeting. All members are requested to be present.

CHRISTIAN CHURCH STUDY GROUP CONTINUES STUDY
Study class covered by the Christian church Missionary society met Tuesday afternoon to continue the lesson series. Mrs. Mark C. Orenberger, leader of the discussion was hostess to the group. "The American City and Its Church" was the subject, and about 10 were present. The final meeting will take place Friday.

WOODCRAFT GROUP HAS SESSION
The entire evening devoted to woodcraft lodge members met Tuesday evening. Mrs. Julia Jones was hostess at her home, 602 Second avenue east.

Buhl Pays Honor To O.E.S. Leader

BUHL, Nov. 17 (Special)—Of social interest in Buhl Monday evening was the banquet of the Order of Eastern Star in honor of Mrs. Anna Hamilton, Nampa, worthy grand matron of the Grand Chapter of Idaho. Mrs. Hamilton paid her annual official visit to the Buhl Chapter No. 38 of which Mrs. Vaughn Shiriver is the worthy matron.

The banquet was served at 6:30 in the Methodist dining hall at tables arranged in the shape of a star. Each point of the star was decorated with flowers of its special color. Places for the 60 members and guests were marked with corsages.

Plantist in Charge
Mrs. C. R. Overbaugh, Buhl chapter plantist was in charge of the program. The happy days portrayed by Audrey Hustad, Charlotte, Van Ripper, Imogene Love, Cheryl Butler, Irene Meeks and Jean Overbaugh, all daughters of the plantist.

A toast to the "First Lover's Quarrel" by Phillis Pickrel and Barbara Butler capped the part.

Mrs. Clark and Mrs. Pickrel sang a duet "Seeing Nellie Home" as a toast to "The Bowersy Kid." Harrifield Holmes was dressed for the part and played a clarinet solo. "Small Fry" by Phillis Pickrel, Mary Stichter and Barbara Butler gave a tap dance number. Mrs. Overbaugh gave a final toast to the Starlets, who had a part in the evening's entertainment.

More Toasts
The "First Declaration of Love" was given by Miss Mabel Mulliken reading "Sis Hopkins and Her Beau." A toast to the "Modern Era" by Phillis Pickrel, Mary Stichter and Barbara Butler gave a tap dance number. Mrs. Overbaugh gave a final toast to the Starlets, who had a part in the evening's entertainment.

REPRESENTATIONS
Mrs. Harold Fisher conducted the devotions. Mrs. George Erwin was devoted to a new number.

TRAVELING PROVERBS
OVERSEAS TO CLUB
Mrs. W. A. Poe told entertainingly of her trip last summer, when she appeared on a program of the Menorah club at the Episcopal church, home of Mrs. R. H. Fittm.

Mrs. Herman Giese, program chairman, introduced Mrs. Poe. Mrs. M. O. Kuykendall, president, conducted the meeting. Refreshments were served.

All of the dances will have adult supervision. The Lambeth Walk and the Yam will be among the new dance steps learned, and the club is sponsored by Chuck Helm and his Continental.

DINNER ARRANGED FOR MEDICAL AUXILIARY
Twenty members of the South Side Medical association auxiliary assembled Tuesday evening at the Park hotel for a delightfully arranged dinner.

Covers were marked at a table attractive with yellow and white chrysanthemums.

The entire evening was spent socially at the home of Mrs. Lloyd E. Oaks, 228 Eighth avenue north.

ELFWORTH LEAGUE DELEGATES LEAVING
Headed by Rev. H. O. McCallister, dean of the institute; Harold Fisher, M. O. Kuykendall, president; Joseph Throckmorton, local auxiliary, a large delegation of local Elfworth Leaguers will leave tomorrow afternoon for Burley to attend the midwinter institute.

Local representatives will include Miss Enriqueta Vasquez, Miss Joan Ankeny, Miss Marguerite Ankeny, Miss Nelda Mary Lawson, Miss Virginia Jean Knight, Miss Virginia Ann Chubb, Miss Marie Hansen, Donald Moore, and Bob Kenzie.

Local Lions, Wives Attend Dinner Dance

Mr. and Mrs. Alton Young, Mr. and Mrs. Keith Hunter, Mr. and Mrs. H. G. Hayes and Gerald O'Neal represented the Twin Falls club at the Lions International inter-city dinner dance last evening at Pocatello.

Lions clubs throughout Idaho were in attendance, and the elaborate affair took place at the Hotel Whitman at 7:30 o'clock.

Rulon Dunn, Preston, district governor, presided at the district governor's advisory meeting in the afternoon for all presidents and secretaries of Idaho; the three deputy district governors and zone chairmen, Young, president, and Hunter, secretary of the local club, were present at the session.

Featured speaker at the banquet was Murray Allen, blind leader and member of the Lions club of Salt Lake City.

Party Harrison, Pocatello, was toastmaster. E. J. Gorman, president of the Pocatello club, host at the meeting, introduced the toastmaster.

Bowls of candy were presented as favors for the women guests.

J. U. OBSERVES THANKSGIVING EARLY
A pre-holiday dinner of delightful arrangements was served at the country home of Mrs. Dorothy Butler yesterday, more than 30 guests attending. The event in celebration of Thanksgiving was arranged by members of the J. U. club of the Royal Neighbors.

The buffet table was centered with the piece de resistance of the meal, a huge turkey. Flowers decorated the several quartet tables at which the guests were seated.

Mrs. Dorian Pitzer, Mrs. H. P. Berger, Mrs. M. O. Couvour, Mrs. W. S. Klumneyer and Mrs. Lena Johnson, Anoka, Minn., were guests of the hostess club.

Names of children in the Bole Children's home were drawn, and each will receive a Christmas gift. Mrs. Barger won the white elephant.

PARTY HOUSE SCENE OF LUNCHEON
The Spyl Furniture party house was the scene of a charmingly arranged luncheon yesterday afternoon. Bronze and white chrysanthemums and tapers in pottery holders centered the single table, which was appointed in bright-hued pottery.

Contracted bridge was the diversion of the afternoon for the Initial Bridge club members. Prizes went to Mrs. Frank Grier and Mrs. O. C. Hall. The group will be entertained by Mrs. Parker Richards at the next luncheon.

BON TON CLUB MEETS FOR LUNCHEON
Mrs. Howard Wiseman entertained at a dessert luncheon Tuesday afternoon for members of the Bon Ton club and several guests, Mrs. J. G. Link, Mrs. Herbert Lydum, Mrs. Virginia Kepler, Miss Mary Baker and Miss Irma Link.

A Thanksgiving theme was featured in the tables and other appointments, and chrysanthemums were the floral decorations.

Honors went to Mrs. Lydum, Mrs. Bill Salles and Mrs. Babe Jones.

ONE-PLATE MEAL FINE FOR PARTY

Speaking of the streamlined cooking school today, Friday afternoon and Friday night, here's a thought to remember:

For that luncheon party there's nothing to equal the one-plate meal. First, it looks lovely and second it saves the hostess a lot of waiting on table. In the three luncheon suggestions given here there is just one change of service - to remove the luncheon plate and bring on the simple dessert and coffee.

*Chicken a la King
 1 can condensed cream of mushroom soup
 1/2 cup milk
 1 cup diced cooked chicken
 1/2 cup pimiento (cut in strips)
 1 egg yolk

Empty can of cream of mushroom soup into saucepan, stir well. Add 1/2 cup cold top milk gradually, stirring constantly. Heat to boiling, add diced chicken and pimiento. Then add beaten egg yolk diluted with some of hot sauce. Serve on toast or in patty shells.

Rupert Church Men Start Lay Movement

RUPERT, Nov. 17 (Special)—The men of the Christian church met in a dinner session at the church annex Monday evening to perfect the organization of a Laymen's movement similar to those being formed throughout the brotherhood for more efficient service.

Under the direction of L. A. Carlson, district president of the movement, the following program was given during and after the dinner.

Group singing led by D. B. Carlsson with Mrs. Floyd Britt at the piano; Invocation, L. A. French; two violin solos, C. B. Morelock accompanied by Mrs. Morelock; a vocal selection, "Glory to the Mighty One" by a male quartet composed of Lynn Carpenter, D. L. Carlson, A. E. Johnson and Angelo French, accompanied by Mrs. Floyd Britt; a group of piano numbers by Mrs. Britt; talks, "The Value of Men in the Local Church" by the Rev. Albert B. Barrett, pastor of the local Methodist Episcopal church and guest speaker for the evening; "The Challenge of the Church to Men," N. K. Jensen; "The Value of Men's Fellowship in the Church," W. T. Newcomb; "The Organization Plan," Dr. A. E. Johnson, general discussion, including the selection of a name, "The Laymen's League," and election of officers for the organization.

Officers chosen at Monday's meeting include Dr. A. E. Johnson, president; Lynn V. Carpenter, vice-president; Basil Truitt, secretary-treasurer. Heads of various departments will be chosen at an early date. The session was in a benediction by Paul French.

IDAHOAN CHOSEN FOREST ENGINEER

OGDEN, Nov. 17 (Special)—The appointment of Arvid Anderson as chief of the division of engineering in the intermountain region of the forest service was announced today by acting regional forester C. N. Woods. Mr. Anderson recently succeeded J. P. Martin who transferred from the intermountain region to the federal power commission with headquarters in Washington, D. C.

Anderson is a native of Idaho, receiving a degree in engineering from the University of Idaho. He entered the forest service as surveyor-transectman in 1920.

The letter A has always stood at the head of the alphabet.

NAUGHTY

SAN DIEGO, Calif., Nov. 17 (UP)—A naughty wave that broke her shoulder strap and washed off her swim-suit was blamed by pretty Loring Bond Nolan today for a 30-day jail sentence given her by Justice of the Peace O. P. Cochran on a charge of nude bathing.

Miss Nolan, 22, was arrested after shocked citizens complained she was cavorting in the surf clad only in her smooth pink skin.

RECIPES For the Streamlined Cooking School

NEW ENGLAND BOILED DINNER

4 pounds corned beef
 1 small cabbage
 1 large carrot
 2 small turnips

6 small onions
 6 small parsnips
 6 small potatoes

Wash meat to cold water. If very salty, soak half an hour in cold water or let come to a boil and drain. Place meat in kettle with boiling water to cover. Allow to simmer 3 to 4 hours or until tender. One hour before serving add all the vegetables. Serve on a large platter with the meat in the center and the vegetables around it.

MOLASSES PUDDING

1 egg beaten
 1/2 cup molasses
 2 tablespoons sugar
 2 tablespoons melted butter
 1/2 cup chopped dates

1/4 cup cake flour
 1/2 cup boiling water
 1 teaspoon soda
 1/2 cup chopped nuts

Beat egg and add molasses, sugar and melted butter. Add boiling water and soda. Add nuts and dates and flour. Pour into greased mold and steam with meat in cooker or alone. Time 2 1/2 hours.

BOILED PORTERHOUSE STEAK

Have Porterhouse steak cut 1 to 1 1/2 inches thick. Place steak on center of broiling pan and place pan in oven about 1 to 1 1/2 inches from heat. Leave oven door partly open. When steak is nicely browned on one side, remove with tongs and sear the other side. When second side is browned the steak will be done. Season second side and serve immediately. Before placing steak in oven, turn on top element until it glows a cherry red, also set control up to 500 so that heat regulator will not turn off.

CHANTILLY POTATOES

Prepare well seasoned mashed potatoes and mound on a hot platter. Beat 1/2 cup of cream until stiff, add one teaspoon of melted butter, one-half cup of grated cheese and salt. Pipe this on top of the mashed potatoes and brown in a hot oven. Serve at once.

NUT SPONGE CAKE

4 eggs
 1/2 cup sugar
 1/2 cup soft flour

1 teaspoon vanilla
 1/2 teaspoon salt
 1/2 teaspoon salt

Beat egg whites until frothy and add half of the sugar. Then beat egg yolks until thick and lemon colored and add the other half of the sugar. Combine the two egg mixtures and beat for 10 minutes. Fold in flour and salt. Bake in a shallow pan 20 to 25 minutes at 375 deg. F. Turn switch to bake.

MAPLE CREAM SAUCE

1 cup maple syrup
 1 cup cream whipped

Cook syrup until it spouts a short thread. Chill. Fold into cream whipped stiff and spread on cake.

MAPLE SYRUP

Pour cup of boiling water over 2 cups of white sugar. Boil two minutes without stirring. Remove from unit and add one-half teaspoon maple flavoring.

VEGETABLE SALAD

1 lettuce
 1 cup cold cauliflower
 1 cup cold string beans
 1 egg yolk

1 cup cold water
 1/2 cup oil
 1/2 cup vinegar
 1/2 cup salt
 1/2 cup paprika

Arrange crisp lettuce to cover platter. Fill little heaps of the vegetables in any arrangement that appeals to you. Garnish with radishes. Serve with the following dressing:

FRENCH DRESSING

2 tablespoons catsup
 1/2 cup cold water
 1/2 cup oil
 1/2 cup vinegar
 1/2 cup salt
 1/2 cup paprika

Mix thoroughly. Leave the garlic buds in until the flavor is obtained.

SPLIT PEA SOUP

1 cup dried peas
 1 quart cold water
 1 stalk celery or
 1 small onion

2 tablespoons flour
 1/2 cup milk
 1/2 pound ham bones
 1/2 teaspoon onion
 1/2 teaspoon pepper

Have the crown prepared at the market. Wrap rib ends with salt pork to prevent burning; if a dressing is not desired, wrapping the bones with salt pork will not be necessary. Trim off the fat from the crown. As the fat melts in cooking, it will drip down and keep the bones from becoming charred. Fill the crown with a stuffing made from the bread crumbs, shortening and seasoning. Place the crown on a rack in an open roasting pan and put into a 300 deg. F. oven and roast for one hour and ten minutes. Remove the crown from the oven and let it stand for two hours. Remove the pork from the crown and let it stand for two hours. The cauliflower, which has been boiled whole, is placed on top of the dressing in the center of the crown. Garnish the platter attractively.

PEAR AND RUSSIAN CHEESE SALAD

2 cups cottage cheese
 2 tablespoons minced green pepper
 2 tablespoons minced olives
 1 tablespoon celery seed

2 tablespoons minced pimiento
 1 tablespoon minced sweet pickle
 1 teaspoon salt

Force cottage cheese through a fine sieve; add other ingredients. Mix thoroughly, and chill in electric refrigerator. Fill pear halves with the Russian cheese and serve on crisp lettuce.

COCO COLA FLUFF

1/2 cup whipping cream
 2 bottles Coca-Cola
 1 cup whipped cream

Pour the boiling water over the grains; stir until dissolved; cool slightly; add the Coca-Cola, and stir until thoroughly mixed. Cool and place in the refrigerator. When the grains start to congeal, beat with an egg beater until foamy; then fold in the whipped cream and chill. Recipe makes four servings.

TRY THIS MENU ON THANKSGIVING

It's "streamlined cooking school" time in Twin Falls and before long it will be Thanksgiving dinner time.

Some of up-to-date recipes are being offered at the cooking school, but here's a Thanksgiving dinner suggestion you can clip and add to your list:

First, to sharpen appetites and get our Thanksgiving dinner off to a safe start, pass glasses of tomato juice with lemon in the living room before going to table. With the tomato juice offer snappy cheese balls. They're elegant! You make them this way:

Cheese Balls

1/2 cup butter
 1/2 cup sharp cheese
 1/2 cup dry bread crumbs
 1/2 cup egg yolks

Combine butter and cheese and mix until creamy. Then add bread crumbs and egg yolks. Form into balls about the size of a small marble. Roll in crumbs and fry in hot fat.

The Dinner Itself

Mock Turtle Soup
 Roast Turkey
 Mashed Potatoes - Green Peas
 Creamed Onions
 Cranberry Jelly - Celery - Olives
 Hot Rolls
 Festivity Pudding with Foamy Orange Sauce
 Coffee

Festivity Pudding with Foamy Orange Sauce

4 tablespoons shortening
 1 cup sugar
 1 egg, beaten
 1 cup condensed tomato soup
 2 cups flour, sifted
 1 teaspoon cinnamon
 1/2 teaspoon nutmeg
 2 teaspoon baking powder
 1/2 teaspoon baking soda
 1 1/2 cups chopped figs

Sift flour, then measure, add spices, baking powder and baking soda and sift again. Wash the figs and dry thoroughly, then chop and combine with two tablespoons of the flour mixture. Cream the shortening, and add sugar gradually and cream together well. Add beaten egg and mix thoroughly. Then add the flour alternately with the tomato soup. Stir until the mixture is smooth. Then fold in the figs. Put in a greased mold and steam for two hours. Use melon mold, empty coffee can or shortening can and fill to within two inches of the top. Serves 8-10.

Foamy Sauce

1/2 cup butter
 1/2 cup confectioner's sugar
 1 teaspoon orange rind, grated
 1 egg, separated
 2 tablespoons orange juice

Beat the orange rind and add it to the orange juice. Cream the butter thoroughly. Add the confectioner's sugar and mix. Stir in the egg yolk, then the orange juice. Fold in the beaten egg white. Serve one spoonful on each piece of pudding.

Dworshak, Barlow On Speakers' List

BURLEY, Nov. 17 (Special)—Armistice day was celebrated by many members of Burley post, No. 1, American Legion, and visiting Legionnaires at a banquet at the National hotel Friday.

E. E. Harris acted as toastmaster, introducing the local post officers and calling on each man present to tell where he was on Nov. 11, 1918.

L. G. Parsons gave an address on membership, and short talks were given by Henry Dworshak, United States congressman-elect from this district, and K. O. Barlow, state senator-elect from Cozala county.

During the evening, professional singers and dancers from Salt Lake City put on an entertainment.

Jams and Jellies

How about something new for this year's Thanksgiving dinner? Cranberry conserve, made with bottled fruit pulp, is an extra-special relish for formal affairs... and the beauty of making it now is having it ready far ahead of turkey time.

A useful relish for football weather is ginger marmalade. Hum-drum meals don't know themselves when something as exciting as this appears on the table, and it's ever so easy to make with a short-boil recipe.

Bridge party hostesses find that homemade jellies and jams are the perfect prizes—and, after all, who wouldn't try extra hard for a grand slam if the reward were a half-dozen individual glasses, each in a different flavor? All kinds of dainty little glasses are to be found in the dining store, and by following a short-boil recipe you can fill them in practically no time with delectable spreads made of dried and citrus fruits.

Lots of people on your Christmas gift list are hoping you'll send homemade jelly this year... and certainly there's no more sweetly appropriate greeting. Make a few glasses each week, and behold—the bulk of your shopping is painlessly done. Everybody knows that modern product look all the guestwork out of jelly-making and put extra flavor into it!

Homemade jellies and jams are very effective Christmas greetings. Cover the glasses with five-inch circles of cellophane or festive holiday wrapping paper, tie a red ribbon around their necks, and you have a gift pretty and delicious enough for anybody. Every jar looks about 10 times its modest cost, and modern short-boil recipes save money and time galore for the thoughtful giver of such welcome gifts.

PIONEER LEAGUE MEETINGS SET HERE NOV. 27

Halliwell Sees Franchise for Twin Falls

The next meeting of the Pioneer baseball league will be held in Twin Falls on Sunday, Nov. 27, it had been announced today by Jack Halliwell, Pocatello, president of the baby professional loop that hopes to embark on its first season next spring.

The meeting was called to iron out final problems throughout the league and possibly to aid in getting Twin Falls backing for the franchise here.

Since an announcement of a week ago that the Twin Falls Junior Chamber of Commerce had given up on its plan to put in a club here, Bert Colwell, veteran local sports writer, has been "feeling out" local business men and concerns with an eye to getting the franchise to stay here and according to a report given to President Halliwell, "there is still a strong possibility that a team will play in Twin Falls when the season opens."

Assured of Twin Falls "There's every reason to feel assured that Twin Falls will be named among the Pioneer league members," Halliwell was quoted as saying in Pocatello.

The other five clubs in the new circuit, Coeur d'Alene, Lewiston and Salt Lake City, are reported ready to go, but the Salt Lake franchise has not been definitely made. There was no trouble anticipated there, however.

There are several ways the local park could be erected, believes Mr. Colwell. If the Junior Chamber could (and would) pay off its mortgage on the Jayces park, then deed a small bit of it to the city for ball park, the city would be eligible to take it and the WPA could go ahead with its landscaping.

Could Levy Taxes The city commission could also levy a tax on tickets to aid in paying for construction of the bleachers and the lighting system. It is known if Twin Falls will furnish a park, there will be no trouble getting a man, or another company, to back a team here—install players and run the club.

Colwell was busy today working plans for a definite way to get the franchise established here and is reported to have the backing of veteran local sports writer Bert Colwell who has stated they will be glad to help in any way in which they can.

Who Want, and need baseball in Twin Falls, Colwell stated, "and if there's any possible way out at all we're not going to sit back and see this opportunity slip through our fingers. We've contacted many business men and they are all for it—they'll give backing, morally and financially, so all we need is to get a set up that will go ahead with the plan."

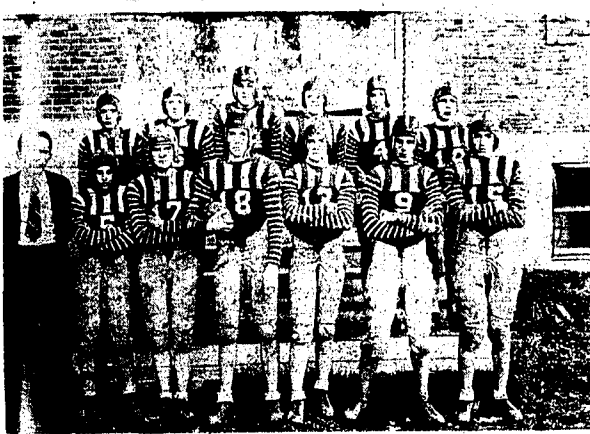

Play Opens in Golf Tourney FISHBURT, N. C., Nov. 17 (AP)—Play started today in the mid-south 36-hole open individual tournament with more than 100 top-flight professional golfers participating.

The mid-south professional baseball tournament ended yesterday with two teams tied for first prize, \$175 each. The leaders were Henry Picard who dropped a 20-foot putt on the home green to put him and Jack Groat of Chicago in the same bracket with Tommy Arnold and Bobby Crutcher.

Picard's 20-footer gave him and Groat a 36-hole score of 87-65-132. Arnold and Crutcher scored a 86 each day to collect 132.

Buhl Meets Filer and King Hill Plays Kimberly in Championship Battles

Kimberly's Unbeaten 6-Man Grid Team

Undeclared in six-man competition, this Kimberly high school football team takes the field here Friday against King Hill in a play-off game for the championship of south central Idaho. Left to right (back row) Coach Louis Denton, Eddie Quenell, Leland Gough, Ferris Freeston, Clark McDrummond, Bob Emerson, Jack Barick.

Undeclared Clubs Tangle For Six-Man League Title

Two Teams Expected to Draw Record Crowd Here

The two most powerful and tricky six-man football teams in south central Idaho—and possibly in the state—will tangle on the Lincoln field gridiron Friday afternoon for the Six-Man league championship. The two teams will be representing Kimberly and King Hill and the game is set to commence at 3:20 p. m.

The six-man contest will be the first of its type ever played in the city of Twin Falls and is expected to attract a record-breaking crowd—many regular rooters for the two clubs, and many others anxious to see this new type of the pigskin game that is sweeping the smaller schools of the nation.

Adding color to the game will be bands representing the King Hill and Kimberly schools, the latter a 50-piece group that is recognized as one of the better organizations of the state and three-time winner of the marching championship.

Kimberly Coach Guiding the destinies of the Kimberly Bulldogs will be Coach Louis Denton, former Pacific coast intercollegiate wrestler, boxing champion and a high school basketball star. He was on all-south central Idaho third team in 1937 while playing with the club that failed to play.

Star of the Bulldog team is Ferris Freeston, all-around athlete, who does most of the ball carrying and has been a consistent ground gatherer in every game played—both with losing and winning teams. In his playing the last year with the Kimberly team and the chances are he will turn in a super-performance in this high school gridiron contest. He was on all-south central Idaho third team in 1937 while playing with the club that failed to play.

Starting lineup Other members in the Bulldog starting lineup will be Eddie Quenell, Leland Gough, Clark McDrummond, Bob Emerson, and Jack Barick.

Coach B. A. Mettler of the King Hill club has brought along a group of youngsters that were very much inexperienced at the start of the season, to a well-developed outfit that is considered one of the cleverer teams playing the six-man game. The Hilltoppers are reputed to have one of the best passing clubs in the state and will be at least even odds to win over the Kimberly team.

Like the Bulldogs, Mettler's club was undefeated in its own league this year. After narrow escapes at the start of the season, the Hilltoppers captured momentum and in the game against Brunson for the league championship at the last of the season, drubbed the powerful Brunson club in easy fashion.

Middleweight Crown Fight Draws Poorly

NEW YORK, Nov. 17 (AP)—Will New York state's approval of the Fred Apostol-John Corbett III fight as for the world middleweight title be a decisive boomers at Madison Square Garden tomorrow night?

This was the question asked today along punch promoters as advance ticket sales for the fight reportedly were under expectations.

Two reasons were advanced for the indifference of customers: 1. The advance in ticket prices; 2. The affront to a local title claimant, Solly Krieger of Brooklyn.

Promoter Mike Jacobs, hoping to gain control of the 160-pound corner, and feeling the added prestige would increase the gate, secured the New York commission's approval to advertise the bout as for the world championship. Previously prices for ring-side seats had been announced as \$7. But with a "title" stake Jacobs felt a boost was warranted. He raised the apt to \$11.50.

The commission's decision was a slap in the face to Krieger, who is the National Boxing association's champion. This slap at a member of their race apparently was resented by New York's large Jewish population. The boxing fans among them were not jammung the garden ticket booth.

Cubs Lose to Raft River

Coach John Platt today was turning his attention toward the 1938 basketball season with the frosh-soph team as his Cub gridder yesterday ended their season by dropping a 12-6 defeat to the Raft River Class D eleven on Lincoln field.

After both teams played excellent ball the first half, the Cubs broke loose for the first score in the third period when Ted Smith, young half-back, raced 40 yards for a touchdown on a reverse. Mattler led the score at six-all a few minutes later on an off-lackie smash after a 40-yard pass and an end run tied up the play.

Late in the fourth quarter the Cubs fumbled on their own 20-yard line and the Raft River players pushed across the center of the game with only one minute left to go.

Two touchdowns were scored out of the game called back because of offside penalties.

Wildcats Duel Indians For Crown in Big Six

Championship of the toughest football league in south central Idaho will be at stake when teams representing Buhl and Filer line up for the opening kick-off at Buhl Friday afternoon. The game will be the highlight of the season for the Big Six and tops the 11-man shows for the day.

Other 11-man game will pit Idaho Falls against Burley in a "cellar championship" contest of the Big Seven. A lone six-man contest, aside from the top-notch Kimberly-King Hill championship affair, will pit Acquia and Eden on the same field.

Coaches List Season's Big Grid Upsets

BY GEORGE KIRKSEY NEW YORK, Nov. 17 (AP)—Football upsets—what causes them? Jimmy Crowley of Fordham says the biggest single factor in concocting an upset is mental attitude. "Sometimes it's overconfidence," says Crowley. "When a team begins to think it's good and then clinches that opinion by beating a top opponent, nature sets in for a licking. The mental attitude of a team can cause a drop of 50 per cent in its strength."

"Sometimes it's overconfidence," says Crowley. "When a team begins to think it's good and then clinches that opinion by beating a top opponent, nature sets in for a licking. The mental attitude of a team can cause a drop of 50 per cent in its strength."

Headed for a Fall Dutch Meyer, coach of Texas Christian's unbeaten, untied team, says there's no such thing as a team that can't lose in football. "Any time you get to thinking you're so good the other fellow hasn't a chance, well, you're heading for a fall," Meyer says.

In a discussion among a group of football writers and coaches on the season's biggest upset, Syracuse's "It victory over Cornell ranked as the east's biggest surprise. In the big ten the biggest upsets were regarded as Purdue's 12-0 victory over Louisiana State, Wisconsin's 20-13 victory over Northwestern. Down south the biggest surprises were considered Auburn's 28-6 victory over Louisiana State, Clemson's 7-0 win over Tulane; Tennessee's 13-0 triumph over Alabama; and Georgia Tech's 14-14 tie with Alabama.

Husky Victory an Upset Washington's 7-6 victory over southern California was classed as the far west's biggest surprise. Oklahoma's 7-6 victory over Rice in the opening game was considered the most surprising southwestern result because the Owls were touted as likely to win the national championship.

Georgia Tech's 20-10 triumph over Pittsburgh was regarded among the coaches and writers as a big shock because it was generally expected that the Panthers would pit a game with Fordham had taken its toll.

Several writers labeled Rutgers' 28-6 defeat of Princeton as the most surprising result in any section because they were teams from different strata.

Pitched Battle Follows Grid Game in South

MEMPHIS, Tenn., Nov. 17 (AP)—The Mississippi Rebels defeated Arkansas 20 to 14 yesterday in a football game which led to a general fight between members of the two teams.

The fight broke out after the game ended. Hundreds of spectators crowded on the field and several joined in the slugging.

Roti Roth, 175-pound Missouri player, was knocked out during the fight by an unidentified Kansas player. Several on both squads suffered minor cuts and black eyes.

Zack Smith, Arkansas end, was knocked unconscious by a vicious tackle in the fourth period and carried from the field on a stretcher. X-rays at a hospital showed no serious injury.

It is estimated that during 1938 there were three cuts for every 1000 fumbles in the United States. During 1937, there were 450 cuts for every 1000 fumbles and during 1936, every 1000 cuts in the world are awarded in the United States.

Schlitz Team Turns Back Studebaker

The Schlitz bowling team continued to make a walk-away of the Commercial league last night by taking two out of three from Studebaker as five different members on the two clubs rolled games over the 200 mark.

High single game honor went to Lee McCracken with a 229, but Ted Studebaker, veteran Studebaker bowler, had high three game total with 599.

While the Commercial loop race was not even close, the City League got down to a dog fight as three teams fought for first place, with only a game and a half separating the clubs. Last night's games saw Perrine Hotel take two out of three from Ray's Texaco.

Elmore Hagler led the scoring for the evening by rolling a 227 single and 578 three-game total for the evening.

Cage Practice Opens at C. of I.

CALDWELL, Nov. 17 (Special)—With four of last year's basketball lettermen returning to the college this year and with good prospects among the Gooding transfers and the freshman class, the pre-season view of basketball at C. of I. presents a favorable outlook for the Coyote ball-players. Doug Anderson, head coach, will probably do his usual creditable job of filling the center post while Bill Thomason and Johnny De Geus take over guard positions. Ace Coulter, titan-haired star of last season, will work forward with Leon Gifford, new recruit who shows considerable promise.

Coach Barbary began practice Monday night at the Caldwell high school gym with 15 men reporting for the workout. At the end of the

By FRED STONE

Some very good bowling and some not so good between the Studebaker team and Schlitz.

Ted Emerk with 196, led both teams. Fred had two very good games—204 and 218. He slipped a little his last game. Lee McCracken, with 229, led both teams for single game. Lee's 559 also topped the Schlitz team for three-game total. Vern Jennings got a 526 total and a 22 last game. Fargo got a 215 first game for his best single. Bob McCracken got himself a 204 first game.

And with all these 200 or better scores, Ken Kircher's 230 still holds good for the high single for the week.

A very close race is now underway for the lead in the City League, with one and one-half games separating the first, second and third teams, due to the Perrine Hotel taking two out of three from Ray's Texaco team.

Hagler, with 227 single score and a 578 total, led both teams with plenty of pins to spare. Hagler went out with five strikes in a row to get his big score.

Clyde Rosa, with 521, led his team for high three games and his 181 first game was best single for the night.

The gang really put Frenchy in the dog house, but they took advantage of Frenchy's loss by bowling with a bum foot. Now, don't get me wrong—Frenchy bowled with his hand, but his bum foot handicapped him.

Hagler's 227 takes over the lead in the City League for high single for the week and Vern Jennings' 2,400 takes the top position for next week's free bowling.

Saturday morning the Schlitz bowling team will go to Salt Lake City to bowl the Schlitz team of Salt Lake on the new Riz alley. The bowling will take place Saturday night.

Through the courtesy of Carl Anderson, sponsor of the Schlitz team, they will stop at Oden and see the Idaho vs. Utah state football game.

The team (and bowling position) made up of Fred M. Stone, Vern Jennings, Lee McCracken (captain), Ray Ferris and Walker Berchman.

Football season more will be added to the number of bowlers. The complete schedule of conference games will not be announced until after the meeting of the conference coaches to be held at Portland the fore part of December.

TICKET SALES

Ticket sales for the Kimberly-King Hill championship six-man football contest were being steadily forward today in Twin Falls and Kimberly, with street sales showing a mounting interest in the game.

Tickets in Twin Falls may be purchased at Dell's, Stone's, Bowling Alley, H. & M., Brunson and Spawell's Sport Shop. A store-to-store selling campaign is going on under the direction of the Twin Falls Junior Chamber of Commerce, organization handling the ticket sales for the Kimberly club.

In Kimberly tickets may be bought at Dodd's Cigar Store or the high school.

The smartly-uniformed Kimberly high school band will parade through the downtown business section of Twin Falls prior to the game at Lincoln field.

W-I League Will Retain Same Cities for 1939

SEATTLE, Nov. 17 (AP)—The Western International Baseball league will continue next year with the same six cities—Spokane, Bellingham, Yakima, Tacoma, Wenatchee and Vancouver, B. C.

There had been reports the Vancouver, B. C., Maple Leafs would be replaced by a team from Lewiston, Ida., but the directors, at a meeting yesterday, decided Vancouver was potentially a better baseball city.

It Won't be Long Until Christmas— So Make Cakes Early and Avoid Rush

By MRS. GAYLOB MADDOX
NEA Service

Latest wire reports from the north pole state that Santa Claus and his wife have begun making their Christmas fruit cakes. Wise fruit-cakers invariably have well in advance. They know that Christmas cakes, like friendships, grow better with aging.

For many years, Lucy Malby of and better recipe for me to pass on to readers. And every year, readers write saying Mrs. Malby certainly knows her fruit cake. Now it is time for Christmas baking again and our old friend Lucy is ready for us.

Casserole Fruit Cake
(Makes two Fruit Cakes, 2 1/2 pounds each. Each cake fits a 1 1/2 quart casserole.)

One and one-half cups seedless raisins, 1/4 cup seeded raisins, 1/4 cup cut preserved orange peel, 1/4 cup cut preserved lemon peel, 1/4 cup sliced candied cherries, 1 cup sliced citron, 1 cup broken walnut meats, 2 teaspoons cinnamon, 1/2 teaspoon cloves, 2 teaspoon nutmeg, 1/2 teaspoon black pepper, 1 cup butter, 1 cup granulated sugar, 4 eggs, 1/2 cup light molasses, 1/4 cup fruit juice, 2 teaspoons vanilla extract or almond flavoring, 3/4 cups sifted all-purpose flour, 2 teaspoons baking powder, 1/2 teaspoon salt.

Made from a country recipe, this fruit cake will mellow in the glass dish it is baked in. On Christmas Day, both cake and casserole dish will make the perfect "personal" gift.

Duke Demands Equality For U. S.-Born Duchess

PARIS, Nov. 17 (AP)—The duke of Windsor has refused to go to England for Christmas or at any time unless his American-born duchess is recognized as royalty, persons in the Windsor entourage said today.

The duke and duchess, it was declared, will spend Christmas in Paris or on the French Riviera.

From the same source it was learned that the duke and duchess had been asked by the duke of Gloucester on the latter's recent visit here to go to Sandringham for Christmas at the request of Queen Mary.

The duke replied that he would not return to England until the duchess was recognized as the royal highness, the same as the wives of his brothers.

The duke and duchess accepted an invitation today to have Thanksgiving dinner with the American Legion in Paris.

The post commander, Bernard Ragner of McKeesport, Pa., has arranged for Edwin C. Wilson, United States charge d'affaires, to preside, with the duke on Wilson's right and the duchess on Ragner's left.

"I notice quite a few farmers are taking advantage of the Times and News free sale bill offer, and all of them are getting extra good crowds at their sales too. It's sure a good deal to get your sale bill delivered to 15,000 homes through the newspaper ad and then have bills to distribute to strategic points besides all that at the regular advertising rate. If you are going to have a sale you'd better find out about it."

CHURCHES, AUTHORS, STUDENTS PROTEST JEW ATTACKS

GOTHAM APPEAL BRINGS \$100,000 TO AID REFUGEES

NEW YORK, Nov. 17 (AP)—Protests against persecution of Jews in Germany were renewed today by church leaders, sportsmen, theatrical stars, authors and students. Liberal organizations demanded severance of trade relations with Germany, and boycotts on German goods.

The United Palestine appeal raised almost \$100,000 for Jewish refugees at its annual "Night of Stars" program at Madison Square Garden, that continued long after midnight today, featuring such stars as Irving Berlin, Cab Calloway, Eddie Cantor, Joe Penney, Louie Lichtenstein, Harry Hershfield, Beatrice Lillie, Sinclair Lewis, Raymond Massey, Victor Moore and Bill Robinson.

Mayor F. H. LaGuardia selected a "Nazi guard squad" composed entirely of Jewish policemen, to protect the German consular building, German ships and all other German property here, as well as visiting German nobles. The squad was commanded by Capt. Max E. Klein, Lieut. Jacob Lickers and Sgt. Isaac Goldstein.

Denounce Aitronics
Prominent Catholics denounced "Nazi Aitronics" in a national radio broadcast last night. Most of them emphasized the persecution of Jews rather than of Catholics, and our singular indifference as a neighboring people. Thank God that at least a careless world has waked up and knowing what is going on across the waters, denounces persecution of race or religion everywhere with one vast united voice that rings the earth.

Land Roverists
Magr. Joseph Corrigan, rector of Catholic university, speaking from Washington, approved President Roosevelt's well considered words on the persecutions and said: "The world should not forget nor cease to protest with earnest sincerity and growing vigor until it is clear that the poisonous cancer even now gnawing at the vitals of organized society and just government."

Grand Demonstration
An anti-Nazi crowd of 5,000 demonstrated in Columbus circle last night.

Thousands of Columbia university students and many faculty members signed a letter to President Roosevelt.

At New York university, 500 students rallied in the auditorium and speakers called on the government to find a haven for Jewish refugees.

FILMS, LECTURE FOR TOWN HALL

In addition to expert analysis of current events in the far east, Twin Falls Town Hall audience tonight will also see colored movies of scenes in many countries. It was announced today.

Capt. Stanley Osborne, Australian adventurer and explorer, will deliver the lecture and show the motion pictures. He is to discuss Australia, the Dutch East Indies and other matters for 40 minutes, and then will give a 10-minute illustrated lecture. He is the third speaker in the Town Hall series. He appears at 7 p. m. at the high school auditorium. Captain Osborne was selected to show his films before the Twin Falls junior high school earlier today if he arrived in time. He has his own color-movie attachment and will use the high school's projector.

The United States Army has perfected a bomb that is used for aerial photography at night. The light given off is so intense that it approximates daylight for a fraction of a second, and makes night aerial photography possible to a degree of detail almost impossible in actual daylight.

EDEN GIRL WINS U-P SCHOLARSHIP

JEROME, Nov. 17 (Special)—Miss Dora Huettig of Eden has been chosen as Jerome county Four-H club Union Pacific scholarship winner for 1938.

Having completed five years of Four-H club work, Miss Huettig has also carried 13 different club projects including those of: cleaning, baking, room improvement, nutrition, and crops. She is a senior in the Eden high school. The committee which reviewed the appointment in the county includes Mrs. Nellie Roberts, county superintendent of schools, E. R. Blanton, district Four-H club agent, and Eugene W. Whitman, Jerome county extension agent.

Miss Lois Rolke, also of Eden, was chosen as alternate by the committee. The scholarship consists of \$100, provided by the Union Pacific, which is to be used in either the college of agriculture, or in the division of home economics in the University of Idaho, and Miss Huettig must be used immediately following graduation from high school.

The award by the committee is subject to review by officials of the Union Pacific before final determination is completed. Both Miss Huettig and Miss Rolke have not only carried 13 different club projects, but have acted as club leaders and have both received several awards in county and district competition. Awards were based on the volume and quality of club work, leadership, scholastic record and high school activity.

Record Audience Hears of Health Fundamentals

Fundamentals of good health were discussed by Dr. Dean H. Affleck at a meeting of St. Edward's Parent-Teacher association at the town hall Tuesday evening. Attendance surpassed previous records, according to the officers of the association.

William Malberg opened the meeting with prayer. Misses Dorothy Violet and Josephine Thomsen sang "The Recess" and two readings, "Let Brotherly Love Continue" and "Alone, Where Art Thou?" were read by Miss Helen Gee, accompanied by Mrs. Frank Kleffner, Jr., sang "Change Partners."

The third and fourth grade room won the prize for the largest representation of parents present. Announcement was made that the district club, under the leadership of Mrs. A. C. Carter, would be held Monday at 2:30 p. m.

Mothers of the third and fourth grades associated at the home of Mrs. Kinder as hostesses, served refreshments.

HALF WPA WORK BUILDS SCHOOLS

PORTLAND, Ore., Nov. 17 (AP)—Nearly 50 per cent of WPA projects in Idaho are school projects, the regional WPA director disclosed here today. Out of 67 WPA projects in the state, 33 are for building schools. School grants totaled \$232,183, which represents a savings over a program of about \$1,842,277. This was three times the number of allotments approved for any other type of project in Idaho.

Other public works which will be built in the state with WPA aid include 11 municipal building projects, eight water systems, six highway projects, three sewage systems, three hospitals, one bridge and two street improvement projects.

The 67 projects represent a \$4,000,000 building program, the director said, providing 144,000 man-months of direct employment.

Rupert Teachers Honored at Party

RUPERT, Nov. 17 (Special)—The teachers of the Rupert schools and their companions were honor guests at a card party given in the large dining room of the new hotel Monday evening. Under the general supervision of the president, Mrs. Alan Goodman, and the social committee, Mrs. J. P. Thomsen, Mrs. O. P. Stenlund and Mrs. Arthur Tyrer, the Rupert Women's club was hostess.

A decorative scheme, in which autumn colors and the Thanksgiving motif predominated, was carried out in room decoration, refreshment table appointments and score cards.

Tables were placed for bridge and rummy, with high score prizes at bridge going to Mrs. Edith Stone and Kenneth Kall. High score prize at rummy was awarded Mrs. Ora Joe Hanks and second high to Mrs. Gwendolyn Moore, principal of Lincoln school.

4-H Canning Wins

Betty L. Kilpatrick, 16, of Welser will be one of the Idaho delegates to the 17th National 4-H Club congress in Chicago opening Nov. 23. Awarded by State Club Leader J. H. Bearden to the state's most worthy 4-H'er in canning projects, the trip climaxes a seven-year record. She will compete with other state winners in the western extension section for a \$100 college scholarship. A national winner, chosen from the four sectional champions, will receive an additional \$200, provided with trips and county awards.

Lillian Russell of Idaho Falls was named alternate state winner and receives a 25-quart canner record.

CLEANING PLANT OPENS SATURDAY

Offering expert dry cleaning service through aid of modern machinery, opening date for Twin Falls' latest dry cleaning plant, the "Clothing Clinic," today was set for next Saturday, according to announcement by F. A. Babel, pioneer local tailor and owner of the plant.

The new cleaning establishment is located at 124 Third street south and will be open for inspection by the general public throughout Saturday. Babel said. The plant, representing an expenditure of \$10,000, will be managed by Roy Babel, a son of the owner.

The son has completed five years of study in chemistry and is a graduate of the National Association of Dyeing and Cleaning located at Washington, D. C. At this school he learned through study and practical experience the complete science and latest methods in dry cleaning. This training plus former practical experience in large plants of Salt Lake City make him capable of managing a plant such as has been constructed here, according to the owner.

Citing the fact that completion of the \$10,000 plant has come "because of the increasing demands among friends and customers that I enter the dry cleaning field and offer such work along with my tailoring service," Mr. Babel said.

"The name 'Clothing Clinic' has been adopted because we are doctors and specialists for taking care of clothes—from making a suit, repairing, altering, cleaning and dyeing it."

The senior Babel has been in the tailoring business in Twin Falls for the past 20 years.

1,157 FIND JOBS THROUGH AGENCY

During the month of October the Idaho state employment service office located in Twin Falls secured employment for 1,157 men and women, a report compiled and released today by W. Clyde Williams, manager, shows.

Of the number of positions filled during the month, the report shows 687 were for farm employment (including jobs under this classification for 289 local residents), 18 were for public jobs such as highway and PWA projects, 83 were for private industry.

One interesting section of the report reveals that on every working day during the month more than 200 persons were in and out of the office for various reasons.

Following are the number and classifications of those finding employment through the service in private industry:

Domestic, 45; hotels and restaurants, 13; beverage distributor, 1; warehouse employees, 5; cleaning and pressing, 1; grain elevator workers, 2; photograph studio, 1; building construction (private), 5; plumbing and heating, 1; insurance, 1; hospital, 1; transfer company worker, 2; governmental employment, 1; auto salesman, 1; food manufacturer, 1; theater work, 1.

The service is available to both employe and employer without charge. Offices in Twin Falls are located at 122 Second avenue east in the new addition to the Hogerson hotel.
