ROPER RESIGNS POST IN CABINET

Pickets Throng Offices, Then Depart to Await WPA Official

Group Mills At Building; No Violence

Pressing their demands that men recently laid off by WPA be reinstated immediately, members of the Twin Falls Workers' Alliance this afternoon crowded the local WPA and department of public assistance offices and as a result normal business in the building was almost at a standstill for an hour.

Between 75 and 100 of the Alliance members and those in sympathy with the movement met at the offices at 1 p. m. today. They came for the purpose of discussing the matter, in committee, with Al Springer, head of the division of operations for the WPA, but the official failed to arrive. He was en route, however, and was expected to get here either late this afternoon or this evening.

Pickets lined the sidewalks in front of the building. The workers postponed their former plan of packing the hall in order that business would have to suspend and left in an orderly manner awaiting the arrival of the official. At that time a committee of five met with the official. The committee said "my office had nothing to do with this saying we didn't even know it was coming until it hit us." He ascertained that Springer was en route after a telephone conversation with Bob McLean.

Picketing of the offices was voted at a meeting held in the halls of the court house here last night. The crowd was so great at the meeting that it was impossible for all of them to crowd into the probable court rooms as was previously planned. Instead, the picket line was called to order in the hall.

Perry Morris, spokesman for the group, told Robert Hamilton, assistant director, and Griffiths that the demonstration would be "orderly" but that it would be carried on until a satisfactory end had been reached. He indicated that should the conference with Springer prove to be of no avail the pickets would remain in the WPA and relief offices until their demands were met.

Griffiths told them that he had received orders from the state to keep his office open. The workers indicated that the offices would be permitted to stay open but that "there was no more sense in them than that there will not be much activity."

The demonstrators were instructed to return to the offices at 1 p. m. today for the conference. The WPA official today did not result in agreement.

STORMS HOLD 18 MEN PRISONERS

JUNEAU, Alaska, Dec. 15 (UP)—Heavy winter snow kept 18 shipwrecked men imprisoned for the fourth day today on a barren shore of Cape Fairweather.

Two heavy planes and a private craft dropped emergency food rations to the men, survivors of a crew of 20 aboard the famous old trading ship, the Patterson. The Patterson was tossed ashore Monday.

The most urgent need of the men of the beach because of the danger of scurvy is a small amount of fresh fruit.

Sheldon Hinman, pilot of the private plane, said he had dropped rations to the men, survivors of the stricken ship, by means of a small plane.

Two men were washed overboard in the week but their names were not known definitely.

JOHNSTON IS HELD IN SOLITARY CONFINEMENT

BOISE, Dec. 15 (UP)—Duncan McD. Johnston, 40, former Twin Falls mayor convicted of first degree murder, was held in solitary confinement today in the Idaho penitentiary by the warden who once was his close friend and associate.

Warden Pearl C. Meredith of the Idaho penitentiary said he would keep Johnston in his cell without yard privileges for several days until he determined the attitude of other prisoners toward the convicted slayer of George L. Olson, Salt Lake City jewelry salesman.

E. P. Corbin, deputy warden, and Dan Cavanaugh, turnkey, brought Johnston here late yesterday from Twin Falls.

Johnston expressed confidence he would be exonerated and freed from his sentence of life imprisonment. He was convicted on circumstantial evidence.

"My conscience is clear and I don't expect to be here very long," Johnston said as he put on prison clothes and talked with Warden Meredith.

Meanwhile, a motion for a new trial was scheduled to be held in Twin Falls at 10 a. m. tomorrow before District Judge James W. Porter.

Conference Receives Program for Defense

LIMA, Peru, Dec. 15 (UP)—A final draft of the United States project for a united American defense front against foreign political or military invasion—revised to meet the objections of Argentina—was submitted privately today to the 21 delegations at the eighth Pan-American conference.

The revised draft, which is almost certain to represent the final declaration by the conference, disclosed changes in the original document prepared by U. S. Secretary of State Cordell Hull as a basis for discussion. The changes were designed to:

1. Meet Argentina's objection to any accord that might be interpreted as a treaty or alliance.
2. Avoid language that might be considered a direct affront to any European power.

The final draft was worked out by delegates assigned to revise the Hull suggestions and, after meeting the requirements of Argentine foreign policy, the nations began submitting it to the various delegations for final agreement.

Authorities said a few changes might be made before final adoption of the project but it was generally believed the draft would be virtually the same as the final document to be acted upon by the conference.

REBELS SUGGEST POSSIBLE PEACE IN SPAIN'S WAR

By HARRISON LAROCHE

MEDANAYE, French-Spanish Border, Dec. 15 (UP)—The Spanish insurgent radio broadcast, controlled by Generalissimo Francisco Franco, suggested for the first time today that it might be possible to end the Spanish civil war by a peace settlement.

Although the suggestion was based on a stipulation that the loyalist army would have to surrender, it was of interest in view of indications that the Franco armies have been preparing for a great offensive which so far has not been started.

The radio comment was concerned chiefly with loyalist government affairs, pointing out that there were indications that a new government might be formed in loyalist Spain with "moderate" in control. With the extremists out, it was suggested, discussion of peace would become feasible.

Laud Besteiro

The nationalists said Julian Besteiro, who has been out of the loyalist government since the beginning of the war and therefore is "not regarded" for the acts of the loyalist war regime, was a possible candidate for premier.

The San Sebastian insurgent newspaper, *Diario Vasco*, also claimed that Besteiro had consulted with loyalist President Manuel Azana on the political situation, presumably "moderate" might replace Premier Juan Negrin. The Communists, however, are attempting to prevent a moderate government from coming into power, the newspaper said.

The nationalist radio commentator praised Besteiro and suggested that his appointment would be a step toward ending the conflict. It was the first time that the insurgents had made any favorable comments about a loyalist political figure.

Loyalists Willing

The loyalist government, in the past, has indicated on several occasions that it would be willing to "make peace" on equal terms, but the insurgents had always insisted that only the complete destruction of the present loyalist leadership would be acceptable as a basis for peace discussions.

Delay in starting the scheduled insurgent offensive, aimed at Barcelona, was believed to be connected with the indirect talk of peace. Italian forces were concentrated to aid the drive.

Commerce Head Plans Return to Private Affairs

(See earlier story on Roper retirement on page 10)

WASHINGTON, Dec. 15 (UP)—The White House today announced the resignation of Secretary of Commerce Daniel C. Roper effective Dec. 23.

The announcement was made public in a brief exchange of letters between President Roosevelt and Roper. The White House announcement followed by a few hours an authoritative report of Roper's intention to retire carried by the United Press.

Roper's letter explained that he desired to return to private life to give attention to his personal affairs.

Roper's resignation left two cabinet vacancies for Mr. Roosevelt to fill—namely, "Federal Dummings" resignation, effective after Jan. 1, previously had been announced.

Roper to Blay

Secretary of Interior Ickes announced earlier today that he would not resign to run for mayor of Chicago. He said Mr. Roosevelt had asked him to stay "in harness."

Mr. Roosevelt expressed "sincere regret" at Roper's decision.

There was no indication immediately of any "Federal Dummings" resignation. Reports circulated several weeks ago that the commerce secretaryship might be taken by works progress administration leader in event of Roper's retirement.

The President's letter accepting Roper's resignation began "My Dear Dan:

"I am of course pleased to have your assurances that your retirement to private life will in no degree affect your interest in the great objectives for which we have striven."

Worked Under Wilson

"I can never forget the many years you and I worked together in the Wilson administration in the cause of liberal government. The fundamentals which we strove for have been and always will be a moral bond, and in these later years you and I have had opportunity to share some advanced views. It is good to know that your opinions are as vigorous as ever."

Roper's letter said:

"It has been a high honor and a privilege to serve under your outstanding leadership during one of the most trying times in all history. Your courage, foresight and the courageous actions in meeting the emergencies of these times will go down in history as unequalled in efforts to advance human welfare."

Quits Job

DANIEL C. ROPER

Los Angeles, Dec. 15 (UP)—Immigration authorities undertook today the unusual procedure of revoking the American citizenship granted Heyman Max Schwinn, Hamburg-born west coast leader of the German-American Bund.

The United States Attorney Benjamin Harrison said the attempt was based on a discrepancy of dates for Schwinn's naturalization, approved here six years ago.

Harrison said only a "go-ahead" from the attorney general's office in Washington remained before court proceedings are filed citing Schwinn's naturalization.

Not comment was made on the possibility of a deportation should Schwinn's naturalization be voided.

Blames Jews, Reds

Schwinn, said if any discrepancy occurred it was unintentional.

Schwinn, a lean-faced man with a small moustache, wore the brown uniform of the "friends of New Germany" before becoming western director of the bund. He is a close friend of Fritz Kuha, New York bund chief.

In congress last November Schwinn was described as a "100 per cent Nazi" by Representative Dickstein, the New York Democrat who vigorously opposes Nazis. His name was published among names in the Congressional Record as those of west coast Nazi leaders.

Schwinn came to the United States on Dec. 28, 1924. His citizenship proceedings occurred in July of 1922.

Local federal authorities said the old records of Schwinn's naturalization have been sent to Washington and refused to disclose details of them. They declined likewise to tell definitely what action may be taken, saying "it's up to the officials in Washington."

Paper Sees Attempt To Create Anti-Jew Feeling in Congress

NEW YORK, Dec. 15 (UP)—The New York Daily News gave its lead position today to a dispatch from Washington which said that New Deal circles in the capital are investigating "a bold attempt to create anti-Semitic feeling in the next congress."

The News said a yellow-covered pamphlet entitled "What Every Congressman Should Know" had been widely distributed in Washington purporting to "let the Jews in our government" and charging that the New Deal is giving undue representation to the members of the Jewish race.

Coast Brain Doctor Jests In His Will

PORTLAND, Ore., Dec. 15 (UP)—The will of Dr. Arthur J. McLean, brain specialist, filed for probate today bequeathed:

"To 25 per cent of Portland's medical practitioners and their ethics, and the whole local organized medical profession, a lusty, roasting beef."

"To Portland's thieving patients, the hospital care they will receive for their chattering lawdresses."

Leaves \$100,000

"To my name, oblivion. I specifically forbid its use or association in any prospective fund, memorial, scholarship or trust of any nature. I desire that... my cremated body's ashes be strewn by a paid employee on the waters of the straits of San Juan de Pica."

McLean died Dec. 7 in an automobile accident. His will was undated. The estate, exceeding \$100,000, went to his widow. His library was given to the University of Oregon medical school.

Considered Eccentric

Fellow surgeons regarded McLean as the most brilliant neuro surgeon in the northwest and said his reputation was nationwide. He was 44, prematurely aged, and considered eccentric by some.

He lived in an exclusive residential district but dressed plainly, drove an old car, and carried his instruments in an old leather brief case. He was known for his ability to get along on little sleep, and during one series of operations did not close his eyes for two days. Apparently he knew how the public regarded him.

Jews Make 1st "FINE" Payment

BERLIN, Dec. 15 (UP)—Tens of thousands of German Jews today handed over to the Nazi government a \$100,000,000 installment of the \$500,000,000 "Jewish bond" because of the assassination of Ernst von Rath, secretary in the German Embassy at Paris, by a 17-year-old Jew.

It was a gigantic bookkeeping operation, essentially, which gave Germany banks one-third of the \$100 million. A share of the fine was levied on those Jews whose total possessions were more than 5,000 marks (\$4,000).

The fine levied on Germany Jews was a transfer of huge amounts of Jewish deposits from ordinary banks to the Prussian State bank which was designated to receive today's installment.

There was very little direct transfer of money or stocks. Banks generally did the main work by notifying the central bank that specified sums were to be transferred to its account.

Banking experts said that Jews for several days had been instructing their banks to prepare the transfers.

The newest anti-"non-Aryan" move was made today by Heinrich Himmler, secret police chief. He ordered a ban on Jewish members to break up Gympse bands and force their members to permit as individuals, to refuse arms transfer to Gympse and to restrict their camping permits.

IDEA

WASHINGTON, Dec. 15 (UP)—The United States patent office offered a novel idea today for a Christmas present for backlist writers.

It was a patent for a "Patentation" obtained patent No. 1,824,806 on an attachment which fits any automobile and which moves any car suffering from backlist "patentation" to enforce a demand for a slower speed, or even to stop the car, by simply activating a lever.

FRANKFURT, Germany, Dec. 15 (UP)—Martha Schmidt was sentenced today to prison for ten months for a crime in Berlin.

She was charged with having stolen a car and having sold it to a "Gypsy" to enforce a demand for a slower speed, or even to stop the car, by simply activating a lever.

DR. SCOTT HEADS LOCAL RED CROSS

Dr. Charles R. Scott, who served as state chairman of the American Red Cross roll call this year, was elected chairman of the Twin Falls chapter, American Red Cross, at the annual meeting of the organization last night at the city hall.

Forrest Stewart, Boise, American Red Cross field representative for Idaho, was present at last night's session, and conferred with members of the chapter on matters pertaining to the organization.

Mrs. A. J. Peavey was named vice-chairman and Wilton Peck, treasurer. The secretary will be appointed by Dr. Scott. Mrs. Genevieve Dwyght has been secretary of the chapter for the past five years.

Mrs. D. L. Alexander, who resigned as chairman of the organization, after three years' administration, was given a vote of thanks by the chapter; she has been active in the organization's activities for the past 15 years.

In Mrs. Alexander's report to the chapter, she announced that nearly 1,000 memberships were secured in the annual membership campaign which ended Thanksgiving day.

Rev. Mark C. Cronberger, city roll call chairman, and his assistants, C. P. Bowles and Ray Beauchamp, were given a unanimous vote of thanks by the board for their work in the campaign. Appreciation was also expressed for the work of other individuals and women's organizations taking part in the drive.

Dr. Scott, whose term of office begins Jan. 1, will announce his committees at that time.

AUTO AND HORSE HIT AT JEROME

JEROME, Dec. 15 (Special)—Joe Pagosa, employee of a garage at Shoshone, escaped injury when the heavy car he was driving, struck a stray horse on the highway 100 yards north of the city limits of Jerome at 7:15 p. m. Wednesday.

The horse was so badly injured that Deputy Sheriff Paul Smith was obliged to shoot it. Ownership of the animal has not been ascertained.

The machine was damaged to the extent of approximately \$200.

Pagosa was en route to Twin Falls when the accident occurred.

Party Planned for Children of Eagles

Plans for all children of members of the Fraternal Order of Eagles occupied the main portion of the business session held by the order last evening. H. L. Owens, president, conducted the meeting.

The party will be held Dec. 22 at 8 p. m. in the Eagles' rooms above the Studebaker garage and around 100 children are expected to attend.

A complete program, candy, nuts and various treats will be provided. Al Gaines is general chairman and Bob Carder is arranging the treats.

A class in initiation was held. Plans for keeping the club rooms open each day from noon until midnight were made and Edward Lintz was named custodian.

It was announced that R. L. Carder, Oregon, department organization executive, is here helping in the membership drive.

SAN FRANCISCO, Dec. 15 (AP)—Drivers of Pacific Greyhound lines voted today on their choice of a collective bargaining representative in a national labor relations board election. Seeking sole representation rights are the Brotherhood of Railway Trainmen (Independent) and the Amalgamated Association of Street, Electric Railway and Motor Coach employes (A.F.L.).

More than 600 drivers are eligible to vote in the western states of California, Oregon, Nevada, Utah, Arizona, C. P. Bowles and Ray Beauchamp were given a unanimous vote of thanks by the board for their work in the campaign. Appreciation was also expressed for the work of other individuals and women's organizations taking part in the drive.

YOUTH, 24, KILLS MAN IN HOSPITAL

SAN FRANCISCO, Dec. 15 (AP)—A youth forced his way into San Francisco hospital today, shot and killed Morris Cornpross, 24, a patient, and critically wounded a policeman guarding the compound.

The hospital, one of the largest in the city, was plunged into an uproar.

An orderly overpowered the youth and held him and a woman companion for police.

The youth said he was a brother of Cornpross's wife. He was identified as George Daily, 21.

Police quoted him as saying: "I wanted to get even with that guy for stabbing all my family."

Cornpross was in the hospital recovering from two bullet wounds inflicted, police said, when his wife, Mrs. Sue Daily Cornpross, shot him after he knifed Mrs. Cornpross's mother, a sister and a friend last month.

He was under police guard on charges resulting from the stabbing. The policeman, Walter Salsbury, was in a critical condition. Physicians expected him to die. He was administered an emergency blood transfusion in a desperate effort to save his life.

The young woman with Daily was identified as Mrs. Cornpross.

BAIRDWIN BACKS EDEN FOR FIRMER DICTATOR STAND

BRITAIN'S LABOR PARTY WILL ASK VOTE ON POLICY

By WALLACE CARROLL
LONDON, Dec. 15 (Special)—The Baldwin government is the most influential conservative figure in Great Britain, is backing Anthony Eden's demand for a firm foreign policy, it is understood today.

Baldwin was Neville Chamberlain's predecessor as prime minister. It was he who handled the abdication of Edward VIII, and who, in a sensation when, as national leader, he announced that Great Britain's frontier honor was the German Rhine, not the English Channel.

It was Baldwin who caused the German Nazi boycott of a banquet only Tuesday night at which Chamberlain, but his influence is great throughout the country, and his own quiet pressure combined with growing open opposition to Chamberlain's "appeasement" policy among liberals, laborites and different conservatives.

Now, it is understood, Baldwin is quietly coaching Eden in the demand that the British government firm up its policy toward the dictators.

Baldwin has been careful, as a conservative personality, to avoid taking any open stand against Chamberlain. But his influence is great throughout the country, and his own quiet pressure combined with growing open opposition to Chamberlain's "appeasement" policy among liberals, laborites and different conservatives.

It was recalled also that it was Baldwin who brought Eden to the front and named him, at 38 years of age, to the key post of secretary of state for foreign affairs—a post which Eden resigned in protest against Chamberlain's policy of appeasement, and as Eden saw it, over-encouraging Adolf Hitler and Benito Mussolini.

Went With Eden
With Eden went Viscount Cranborne, parliamentary under-secretary of state for the foreign office, another of the young men in training to succeed to leadership of the country. Later went Alfred Duff Cooper, first lord of the admiralty, because he "could not stomach the Munich agreement for dismemberment of Czechoslovakia."

The demand for a firmer policy toward Hitler and Mussolini will reach another stage Monday.

The labor party will challenge then, in the house of commons, the entire conduct of Chamberlain's foreign policy. Hugh Dalton, in behalf of the labor party, is to move:

"That this house of commons has no confidence in the foreign policy of his majesty's government."

First Direct Challenge
This is the first direct challenge to Chamberlain's entire policy. Other opposition is being censured against the government have been on particular aspects of his strategy and tactics.

The motion was so worded that if it passed—it could not, conceivably, because of the conservative majority—it would force the government's resignation.

The labor party, bent on making the debate on the motion a full dress affair, named Arthur Greenwood, Albert Alexander, Sir Charles Edwards and Maj. Clement Attlee, leader of the party, as supporters of Dalton's motion.

Rupert Church Leader Turns in Resignation
RUPERT, Dec. 15 (Special)—Due to the serious illness of his wife, when physicians advise must be taken south, Sanford St. John, pastor of the local Christian church since last May, handed his resignation to the congregation Sunday, December 11. With Mrs. St. John and their sons, Ronnie and Sanford, Jr. will leave the middle of the week for Jacksonville, Fla., where Mrs. St. John's sister and other relatives live.

FAIRVIEW
Mr. and Mrs. Roy Wood returned Friday from a week's visit with relatives in Salt Lake City, and her brother and family at Provo, Utah.

The car of William Kenyon was quite badly damaged Monday morning when it was struck by a car driven by Bob Leach. No one was hurt.

The Willowdale school district is suffering an epidemic of chicken pox.

The U. I. Clark's baby son is suffering a light case of scarlet fever.

Mr. and Mrs. Wurst of Itzeron visited Sunday at the M. C. Cotter home.

Fairview Orange is to meet this Friday evening for its annual Christmas program, with trees and treats for the Orange children.

On Wednesday evening at Twin Falls, Frank Akers, noted as an installing officer of the officers for seven Orange in that area. He was accompanied by Mrs. Alfred Kramer, Mrs. Frank Akers, Duke Campbell, Ila Chamber, Geraldine and Gayle Howard, John Jensen, Ruth and Lillian With, Mrs. Campbell, and Mrs. Anton Suchan.

SUNDAY BLUE LAWS CALLED "ILLEGITIMATE"
Editor, Evening Times:
The Times of Dec. 12 contained a news story of efforts being made by merchants to bring Idaho's "blue laws" so prominently to the attention of the public that these relics of intolerance would be repealed as the result of popular demand. We are in complete harmony with these efforts and sincerely hope they will meet with success. The reasons for our stand are as follows:

1. The first day of the week has no Scriptural basis for observance as a day of rest. Search where you will, in the New or Old Testament, and you will find no text that sets it apart for religious observance. This brief letter will not permit an examination of the texts, which mention the first day of the week.

2. Man has no Scriptural basis for making or enforcing religious laws. It is true that under theocracy ancient Israel was given, and enforced, religious laws, even inflicting the death penalty. But that theocracy came to an end when Israel rejected the Son of God, declaring, "He has no king but Caesar," John 19:15.

3. The state has no Scriptural right to pass or enforce laws which infringe the death penalty. But that theocracy came to an end when Israel rejected the Son of God, declaring, "He has no king but Caesar," John 19:15.

4. The church has no right to pass or enforce civil laws. Each has its own sphere of influence, clearly defined in the world, and should plainly stated, "My kingdom is not of this world." John 18:36. While the church is in the world, it is not to be of the world, and should make no effort to enter the realm of the state. It would be just as wrong for the church, through a union with the state, to enforce the religious observance of a day which is set aside in Scripture as a day of rest, as it is to enforce the religious observance of a day which has no Scriptural authority.

Christ recognized the two distinctly separate spheres of church and state when He said, "Henceforth therefore unto Caesar the things which are Caesar's, and unto God the things which are God's." Matt. 22:21.

The only Scriptural sanction granted to the church is the persuasive power of love. The only Scriptural sanction granted to the state is that which pertains to civil matters. Many Scriptural instances could be cited to show that God approves of any violation of church rights on the part of the state. Sunday laws do invade these rights.

They are the illegitimate offspring of a union of church and state, and should be erased from the statute books of state and nation.

3. Enforcement of Sunday laws rears the ugly head of intolerance in our land of freedom, and paves the way for a return to the Dark Ages. The enforcement of such laws can be achieved only by religious persecution. This means that men and women of any particular faith, or those whose faith and

Hot Lunch Plan Well Under Way

Serving of hot lunches in the Twin Falls grade schools is well under way under auspices of the Parent-Teacher association. Supt. Homer M. Davis points out that the new quarters we have provided, Supt. Davis says, "we find that the hot lunch program is even more satisfactory than it was before."

Will Extend Program
The school chief announced that "some work" in the hot lunch plan is planned for both the junior and senior high school. This program would not be on a district basis but would be arranged through the P-T-A.

Lack of hot lunch facilities in the junior and senior high has long been recognized as a drawback by school officials, since out-of-town students and those living beyond walking distance are left without adequate facilities.

The Kiwanis club is starting its milk project in the schools again this month. Mr. Davis said. The club furnished about 10,000 bottles of milk last year to needy youngsters. Only children who are from underprivileged families and who are underweight are given this service.

Dance was Success
The superintendent's report also briefly outlined the fact that the first high school dance was a success, with halls and lavatories polished "very carefully," that messes and mumps have hit grade school attendance; that the junior high school's new curriculum is proving extremely acceptable; that the landscaping work at Lincoln school is "a real asset," and the fact that a new WPA project for building clean-up and paint-up next summer would be advisable.

C. OF I. CAPTURES DEBATE TOURNEY

CALDWELL, Dec. 15 (Special)—Twenty-six debating teams representing five colleges were guests of the College of Idaho as they competed in the annual Idaho-Oregon speech tournament held here Friday and Saturday. The question debated was: "Resolved: The United States should cease to use public funds (including credit) for the purpose of stimulating business."

Beck and Lewis, College of Idaho team, annexed the winners' silver plaque as they won the upper division, or experienced section contest, with the score of 4 wins, 1 loss and 1 tie. The victory gives the C. of I. three times winner and permanent possessor of last year's trophy, one tip up on this year's award.

Lower division champions were Ellis and McDowell, Northwest Nazarene college team, who came through an eight-round tournament undefeated. They out-gauged Smith and Stowell, Ricks college entries, winners of the semi-final contest. This is the second time the Nazarenes have garnered in lower division honors. One more victory will give them permanent possession of the lower-division trophy.

Colleges competing were: Albion Normal school; Boise Junior college;

Costume Dance Revives Glamor Of Early Times

The days of 1847-60 when the basque waist, voluminous skirts and leg-o-mutton sleeves were the vogue, and the square dance, the polka and the quadrille had not as yet been replaced by the waltz—will be revived at a novel costume dance soon after the first of the year.

Officers of the Twin Falls county company of the Daughters of the Utah Pioneers, meeting this week at the country home of Mrs. Maude Kirkman, made preliminary plans for the annual pioneer ball, the date to be announced later.

All eligible daughters of Utah pioneers, their husbands and escorts will be invited to attend, wearing costumes depicting the period of 1847 to 1860.

Typical of the times will be the entertainment, the decorations and the refreshments.

The meeting was arranged as a surprise for Mrs. Kirkman, and a pot-luck luncheon was served. Mrs. Emma L. Luke was in charge of the business session. Mrs. Lenore Carroll was presented with a gift in honor of her birthday anniversary.

SACRED SCENE
FOR CENTERPIECE
A crèche of unusual loveliness, arranged on a blue mirror base, was the appropriate centerpiece for the table at which Miss Helen Koehler seated her guests for refreshments, following an evening of contact, this week.

Talks were in the holiday motif, and Miss Elizabeth O'Malley and members of the Mon-Clon club were guests.

"Hello Girls" to Preside at Party

Twin Falls employees of the Mountain States Telephone and Telegraph company and their partners will be guests Tuesday evening, Dec. 20, of the local "hello girls," at the annual winter party.

The affair has been set for 8 o'clock in the American Legion memorial hall and 75 couples are expected to be in attendance. Miss Marjorie Meserole, general chairman announced.

Dancing and Chinese checkers will be the diversions for the informal social event. Music is to be provided by an orchestra composed of high school students.

Committee chairman assisting Miss Meserole in arranging for the evening's entertainment are: Invitations, Viola Ward; decorations, Mrs. Mary Harris; refreshments, Mrs. Carrie Perrotti; entertainment, Miss Susan Waters; serving, Miss Celia Whaley.

HOLIDAY THEME
FAVORED AT LUNCHEON
Mrs. Jean Mays presided over a charmingly arranged bridge party in the Christmas motif this afternoon.

Contract was the diversion, and refreshments were served on tables gaily appointed with holiday cloths and emblems, and noisemakers were presented as favors. The Christmas theme was featured in the tables. A lighted Christmas tree made an interesting background decoration.

Miss Jeanne Bratford, who arrived this week from the University of Southern California at Los Angeles for the holidays, was among the guests.

Others present were Mrs. Howard Tucker, Mrs. Bruce Glendon, Mrs. Ray Lincoln, Mrs. Clarence Nye, Mrs. Raymond Schwartz and Mrs. George Maxwell.

CLUB ENDORSES

Anti-Progress Trend Sweeping U.S., Executive Warns

Businessman Blasts at Governmental Theories Undermining Greatness

Sweeping across the nation "like a prairie wild fire," a new philosophy is gripping America, "a philosophy that no longer believes in progress," Carl Taylor, prominent Wisconsin businessman, financier and farmer, had warned the Twin Falls Town Hall club today.

Avoiding political implications until the final half of his talk, the 33-year-old executive secretary of the Wisconsin Building and Loan league outlined last night the factors he believes made America a great country—and then blasted at the new governmental theories which he claims are undermining those factors.

"I am afraid we are destroying the things that made America a great country," he said. "We have changed our philosophy of work to be done and progress to be made—and we have changed it deliberately."

"We are doing as little as we can," he said, "and we are constantly restricting the work we do."

He paused and then shot at his audience.

"We are in a bad way if we don't stop it now."

Bashes Crackpots

Leading his guests with even heavier aloft, he charged: "Russia has its Stalin. Italy has its Mussolini. Germany has its Hitler. Spain has its Franco. And America has its rooster or crackpots taking it in the same direction!"

Taylor declared that the philosophy of the "growing group of malcontents" has "permeated our western country more than we in the east had thought."

The Wisconsin executive asserted that "a growing proportion of the people in America have gone sour on the system we have in America. I don't think they are vicious. I think they have been misled by leaders who should be ashamed to mislead them."

Communist Banners

He cited one parade of 30,000 persons in Milwaukee, in which he had his own secretary count the banners. There were 228 Communist banners, plus four hundred with Nazi and Fascist tone.

He expressed belief—backed by investigation he said he made in 50 cases—that fomenters of discontent among relief workers "are on the payroll of some foreign power."

Offering his talk as a challenge in which he urged his hearers to formulate their own ideas, because he was asking you, not telling you, Taylor cited the three schools of thought as to what made America a great nation. With the first two he disagreed. These were: 1. Because America is a phenomenally rich country in natural resources, and 2. Because America discovered a melting pot for the cultures and abilities of the rest of the world.

Taylor asserted natural resources did not put the nation at its high standard of living because the Indians who had the same resources failed to utilize them. He said that the melting pot theory also is mistaken because "similar admixtures of cultural trends, from the past" brought deterioration, not improvement.

Treasury Spending Passes Four Billion

By LYLE C. WILSON
WASHINGTON, Dec. 15 (AP)—The treasury announced today that government spending this fiscal year has passed the \$4,000,000,000 mark.

There already was considerable speculation in the capital when the announcement was made as to whether Vice President Cawton would attempt to organize conservative Democrats into a legislative economy bloc to curb federal spending.

The vice president and Mrs. Cawton are expected to return Saturday for the forthcoming congressional session and Cawton soon thereafter will join the parade of legislative leaders to the White House for conference.

The treasury announcement placed exact expenditures between July 1 and Dec. 31 inclusive at \$4,002,400,533.

The net deficit, the treasury said was \$1,855,129,839, more than twice the sum by which the treasury went into the red in the corresponding period of the previous fiscal year.

If nightfall, the national debt will have been increased to approximately \$20,000,000,000 by the borrowing of \$740,000,000 of funds to help pay for government costs through March, 1939. Further borrowing probably will be necessary in March. Offsetting the debt and deficit bulge will

STUDENTS CHART ACTIVE PROGRAM

A week of intense social and welfare work is ahead for students at Twin Falls high school. The fanfare gets underway Monday as the senior girls of the Girls' League engage for underaged children and will be concluded Thursday afternoon with the Christmas assembly. Vacation begins immediately following last assembly and extends until Jan. 3, 1939.

Each girl is being responsible for one child from the first and second grades at the party and will provide a gift and treat. Names of underprivileged children were secured from in principals of the three grade schools. Program at the event, which will be held in the auditorium following school, is being directed by Betty McConkey. Shirley Van Hamm has been in charge of the invitations and Irene Davidson is supervising the securing of gifts and treats.

Tuesday an extensive Christmas program will be presented in the high school auditorium under the sponsorship of the Junior-Senior P. T. A. A drama and music is being arranged by junior high school pupils.

Wednesday at 8 p. m. the Community Christmas program will be held in the high school auditorium directed by Miss Fannie Exner. A program of music, readings, a one-act play, community singing of carols is being prepared by the music department of the high school. An extending an invitation to all residents of Twin Falls to attend this event, Principal Edward Vogel, stated that no fee will be charged. The program is being made for any of these programs.

Prepare Booklets

The assembly program will conclude the high school activities. Social service work in the junior and senior high schools is being prepared. Preparation of baskets for needy families and the sale of Christmas seals for the Anti-T. B. association. Senior school is preparing booklets for the Anti-T. B. association. The girls' league are directing the assembling of 20 baskets while a basket is being filled from each home room in the junior high school.

Adding to the Christmas spirit are decorations in a number of rooms at the high school and junior high school. Christmas trees in both halls and a number of rooms. Visible from Shoshone street are the decorations in the typical Christmas paintings of holly and candles in Miss Eunice Evers' room opening on Second street north.

JARBRIDGE

Last week the Thursday afternoon bridge club met at the W. C. McBride home. Mrs. Verma Irwin was hostess. Present were Mrs. B. M. Naylor, Mrs. H. H. Berry, and Mrs. D. Marquardson.

John N. Becker was taken to Salt Lake City the first night of Christmas. Elmore A. Aker to transact business for the Gray Rock Mining company. Mr. Becker returned to Twin Falls Thursday where he was met by O. Uthaler. The pair returned to Jarbridge the same day.

Mr. J. Marquardson reports the enrollment of 13 members in the annual Red Cross drive conducted here this year.

Mr. and Mrs. J. J. Beeson arrived Friday from Salt Lake City to attend business affairs relative to their mining interests. Due to the threatening weather they cut their trip short and left Saturday.

W. R. "Slim" Walsh left Friday to go to Austin, Nev., to deliver some horses for Forest Ranger Hays who is leaving soon to take up duties at Austin. Due to the bad roads Mr. Walsh was forced to stay overnight at Cedar Creek on his route.

Twenty-four friends of Mr. and Mrs. Fred M. Naylor gathered at the Marquardson home Sunday to bid them farewell with a "going east" party. The Naylor's, who have been residents of Jarbridge the past three and one-half years, left Monday to go to Salt Lake City to make their home. Mr. Naylor has been master mechanic for the Gray Rock Mining company since the advent here and before that held the same job for the Elkayo Mines Operating company.

Saturday night a large stone was deluged far up on the west mountain and rolled down behind the Baker garage, evidently jumped the grease sack north of the garage, crossed the road, went through the fence and came to rest on the W. R. Wash lawn. The stone rolled between the P. O. Charles residence and the Wash home. The fence was slightly damaged, but no one was in its path.

Jarbridge to Have Christmas Program

JARBRIDGE, Dec. 15 (Special)—Last week a meeting of patrons of the Jarbridge school was called to select committees to begin work on the Christmas treat. The meeting was held at the school house and Principal T. A. Bulcher was chairman. It was decided that the children should work in pairs to solicit for funds. This is the first year such procedure has been suggested. The children began their work on Tuesday and they have been very successful in acquiring funds.

A committee for purchasing and arranging the treat consists of Mrs. John D. McKay, Mrs. T. O. Charles and Mrs. H. N. Peck. On the decorating committee Alfred Nelson, Mrs. Carl Sprague and Robert E. Knight were chosen. All plans for the affair are well under way and every one in the community is cooperating. The Christmas program has been in practice for several weeks and is under the supervision of both teachers, Miss Marvel Alps and T. A. Bulcher.

Funds Saved as Times 'Carrier' Help Boy's Trip

With his trip made possible partly through his savings account with the Evening Times in the carrier organization of the community department, Dick York, Twin Falls youth, today for West Palm Beach, Fla. York has been a carrier and press boy along the coast of the Gulf of Mexico to Yuma, Colo., by stage from Twin Falls and will meet his aunt and uncle, Mr. and Mrs. W. K. Pfirmer and daughter, Patricia Jane. With them he will go south to Amarillo, Fort Worth, Dallas and Houston, Tex. From there the party will go along the coast of the Gulf of Mexico through New Orleans to Tallahassee, Tampa and St. Petersburg, Fla.

They will go by water from there to Miami and thence to West Palm Beach for Christmas and a week with another aunt and uncle, Mr. and Mrs. A. R. Jones and daughter, Virginia.

Following a week in Palm Beach the party will leave for home, visiting various points of interest en route back. York will arrive home about Jan. 5.

The youthful newspaper boy is also a member of the Bruin staff at the Twin Falls high school, and will inspect important newspaper offices of the south and middle west. He is son of Mr. and Mrs. Charles H. York, Twin Falls.

Community Council Forms at Murtaugh

MURTAUGH, Dec. 15 (Special)—At a meeting called Wednesday evening at the school house, a community council organization was formed with Mrs. Edith Bates as president, Mrs. May Browning, vice-president; Mrs. Mild Tru, secretary, and Mrs. Thekla Lee, treasurer.

Plans were completed to serve hot lunches in the school in the near future. Committees were chosen to canvass the community this week to get money to equip the kitchen. This organization will hold meetings every third Wednesday night in the month.

Snake Valley Outlaw Cage Loop Formed

Six Teams to Play 10-Game Schedule in Southern Idaho

A six-team Snake Valley Outlaw basketball league, composed of teams representing Murtaugh, Jerome, Gooding, Shoshone, Burley and one other town in this area, was completed last night at a meeting held in Jerome.

The new organization will play a 10-game schedule, with the first contest set for tonight when Murtaugh Savages invade Shoshone, and the final one to be held on Feb. 2. The early close of the league was made to allow all teams to participate in the various tournaments which are about to time, including the Burley and Gooding Outlaw gatherings.

The meeting last night, attended by representatives from the cities involved, elected John Savage of Murtaugh as president, and Hal Wood, sports editor of the Evening Times, as executive secretary-treasurer.

Called by Jerome Jayces The gathering was called by the Jerome Junior Chamber of Commerce and presided over by Russell Stuart Bailey (Bill) Russell, chairman of the Jerome Jayces basketball committee. The club is sponsoring the Jerome entry in the league.

It was voted that an entry fee of \$3 be charged each team in the loop to defray expenses of naming the league. Also that a reporting fee be posted with the secretary-treasurer as a possible forfeit if any of the clubs "pulls out" of the league or fails to make a scheduled appearance for a game. Both checks must be in the hands of the executive secretary by Jan. 1.

Games Start at 8 P. M. It was decided that the games would start at 8 p. m., unless otherwise announced and agreed upon by the various managers.

The schedule was drawn up with one team representing "Blank" is thought this team would be Rupert, providing the club there could make arrangements for a place to play. The competition in the league is expected to be very keen. Interest in securing the spot in the loop is said to be in touch with Secretary Wood, who will determine which team is most eligible for the spot.

Managers of the teams forecast a big season for the league, inasmuch as each team represents a town which will be evenly balanced, it is believed. Shoshone is reported to have a strong entry, with four of the five players who won the Gooding Outlaw most two years ago back in the loop. The club is managed by F. Z. Stewart.

Trophy to be Awarded It is probable that a gold trophy cup will be awarded to the team winning the championship. Among those attending the meeting were John Savage, Jerry Martin and Hal Wood, president of the Murtaugh Savages; A. B. Crouch, Rock O'Rourke, John Norby, W. V. Olds and Bill Russell of Jerome; P. L. Stewart of Shoshone; Hal Wood and F. Z. Stewart of Burley; Gooding and Gooding sent proxy voters to assure their entrance in the loop.

Wendell Cagers Win 2 Games

WENDELL, Dec. 15 (Special)—Coach Claude Shorhouse's Wendell Trojans today had a victory in their battle—a 19-17 thriller over the invading Fairfield club.

In a preliminary contest the Wendell girls turned back the Fairfield feminine team by a count of 32-26.

In the boys' contest, the lead changed hands on nearly every basket. The victory was won by Wendell, 7-8. At the half the Fairfield boys were ahead 13-11, but when the game opened the Fairfield club was ahead 16-12. A Wendell rally in the final minutes of play, however, lacked the game away.

Handicaps tallied Fairfield center, who was high point man with eight counters, while his opponent, Peterson of Wendell, was second with five points.

In the girls' game, Ivaeden Williams, sharp-shooting forward, topped the scoring with 17 points for her club, but high honors for the evening went to M. Leek of the visiting club with 18.

Joe Gordon is Chosen for 1939 Stardom

By HARRY FERGUSON (United Press Sports Editor) NEW YORK, Dec. 15 (UP)—The star that will blaze brightest across the world of sports in 1939, in the opinion of the nation's sports editors, is young Joe Gordon, second baseman of the New York Yankees.

He got more votes than anybody else, 63 per cent—the answer in the question of who will be the athlete to show the greatest improvement in the next year. Coach Wendell of the Cleveland Indians, Bobby Riggs, chief hope of the United States in the intercollegiate tennis, was called the best fireball pitcher for the Cleveland Indians. Bobby Riggs, chief hope of the United States in the intercollegiate tennis, was called the best fireball pitcher for the Cleveland Indians.

Needs Experience Gordon, playing his first year in the major leagues, hit .255 and fielded .960 in 1938. He was a streak of the lead off at the plate and in the field. The sports editors who voted for him said all had needed an experienced second baseman of such great second basemen as Lou Gehrig, Chuck Gehringer.

Coming up with eight per cent of the votes was the Chicago Cubs' slugger, Dean Cain, who has had a great year with the Chicago Cubs after his arm has rested through the winter. Ben Hogan, promising young professional golfer, also received eight per cent.

Votes Scattered The rest were scattered among: Van Lingling, Brooklyn pitcher; Bill de Corvont, the high school football sensation who will play in Northwest's football next year; Schooley Rose, Detroit pitcher who will try a comeback after a season in the minors; George Stovall, star of the University of Nebraska football team; Lou Gehrig, Yankees' first baseman; Len Eshmont, brilliant back on the Fordham football team; and a number of professional golfers; Jeff Heath, Cleveland Indians' outfielder; Joe DiMaggio, Yankees' outfielder; Joe Mauer, star of the University of Pennsylvania football team; and Dick Seibert, Philadelphia Athletics' first baseman.

Red Sox Trade Chapman to Cleveland Club

NEW YORK, Dec. 15 (UP)—Frozen trading activities in the American league were thawed out today with a deal between the Cleveland Indians and the Boston Red Sox.

After nearly four hours of haggling and verbal bartering between the two clubs, the Red Sox traded Outfielder Ben Chapman, a 340 hitter, to the Indians for Pitcher Denny Galehouse and Infielder Tommy Ivers, who should be ready to start for the Milwaukee American association club.

Other Trades, Loom This deal was expected to be the forerunner of several other American league trades, originating from a Cleveland-Detroit axis. With Chapman to play center field, the Indians are in a position to trade Earl Averill. Present rumors send him to the Tigers for Pitcher Eldon Auster and Infielder Billy Benge. If this deal can be made, or any similar, then the Tigers can swap Outfielder Pete Fox and Infielder Roy Christman for Washington for Infielder Cecil Travis.

Meanwhile, officials of both leagues were contemplating the transfer of the year's best pitcher, who in the month of his entry into the season with Commissioner K. M. Landis. The following results have been achieved:

Uniform Rules 1—A uniform baseball for both leagues. 2—Agreement on new pitching rules designed to give the pitcher more latitude in his delivery.

3—Night baseball. The American league for Cleveland and Philadelphia. The new baseball for 1939 will have the American League size of 11.500ths of an inch thinner than the National league ball and the National league ball will have 15 strands of thread in the cover, while the American league ball has 14.

Under the new pitching rule, the pitcher will be permitted to start his winding up with foot on the rubber instead of both feet on the mound as formerly.

Mostly Concerning a Rodeo Champ

We may have mentioned the subject once—or three times—before, but again we'd like to brag a little of our Twin Falls county rodeo—and the caliber of the riders who perform there. And while we're bragging, we'll do a little patting on the back for Burley's Oregon Trail Stampede, and Sun Valley's rodeo who also have most of the same topnotch riders.

A bulletin has recently been received from the Rodeo Association of America officially announcing that Burel Mulkey, the Salmon City, Idaho, boy is the champion cowboy for the 1938 season. As most of the country will remember—inasmuch as most of the county attended the rodeo—Burel performed here at the show in September.

But that's all; in the final standings, the defending champion was second, and he is Everett Bowman, well known to local rodeo followers. And it was that way all down the list. Of the first 23 riders listed, 14 appeared in Twin Falls.

The rodeo was scattered among: Van Lingling, Brooklyn pitcher; Bill de Corvont, the high school football sensation who will play in Northwest's football next year; Schooley Rose, Detroit pitcher who will try a comeback after a season in the minors; George Stovall, star of the University of Nebraska football team; Lou Gehrig, Yankees' first baseman; Len Eshmont, brilliant back on the Fordham football team; and a number of professional golfers; Jeff Heath, Cleveland Indians' outfielder; Joe DiMaggio, Yankees' outfielder; Joe Mauer, star of the University of Pennsylvania football team; and Dick Seibert, Philadelphia Athletics' first baseman.

Sam Snead Favored to Win Miami Tourney

MIAMI, Fla., Dec. 15 (UP)—Sammy Snead, who talks southern draw to a golf ball and it usually obeys, started play in the initial round of the Miami open championship today already classed by many experts as the equal of Bobby Jones 10 years ago.

Marked up on the credit side of his 1938 bank account was \$19,039, and the betting men had made him almost prohibitive favorite—at 6 to 1—to cop first money of \$2,500 in this tournament. If he does he will have set a winning-purse mark which may stand for all times—and that without having won either of the three biggest events for which he is eligible, the U. S. Open, the P. G. A. and the British open.

Fleets With Ball This White Sulphur Springs slugger, 25 and a sophomore in the pro ranks, pleads with his ball like a colored boy talks to the dirt, and it seems that no self-respecting ball can refuse him. If he is loose, it's "get, feet baby, get feet." If the shot is a little strong you'll hear "put on the brakes, hold it, hold it." He points like a bird dog after every tee shot and if it begins to slink or hook toward the rough, he cries "no, no, no." In a town reminiscent of Maxine Sullivan singing "A Ticket, a Ticket."

Snead will need close cooperation from his ball to win his tournament with a 192-man field, embracing the entire Ryder cup team and every important tournament winner of the year except one hitting for the top prize in the 10,000 prize. They are to play 18 holes today and tomorrow with the low 80 puts and the 10 low amateurs qualifying for Saturday and Sunday rounds.

Defending Champ The Miami classic, of which Snead is a defending champion, is the last big event of the year. Because of his play in practice rounds, Johnny Revolta, second only to Snead in the list of 192 money winners, was second choice at 7-1. Next came national open Champion Ralph Guldahl and Harry Cooper at 8-1. Cooper, who led the money players with \$14,300 last year, is running third with \$7,765 this year and needs a victory here to overtake Revolta, who has collected \$8,553 since Jan. 1.

Tournament play was preceded by the recently begun "older-younger" four-ball matches, and the lady under 20 captained by Horton Smith scored a 3-2 victory yesterday over Gene Sarazen's old men.

Idaho Cagers Participate in Coast Meet

MOSCOW, Dec. 15 (Special)—In California today were the University of Idaho men on their Christmas basketball barnstorming tour into California and southern Idaho. Coach Forrest Twogood and his crew plan seven games on far away courts before returning to Moscow, Dec. 29.

From Moscow the Idaho club travels directly to Los Angeles where it will meet Southern California and U. C. L. A. on Dec. 18 and 17. The Los Angeles appearance is part of the annual basketball carnival and puts Idaho on the court with the two California schools and Tulane university of New Orleans, La., though the Vandal hoopers do not meet the southerners.

Leaving Los Angeles, the Vandals travel to the San Francisco bay area for games with California on Dec. 19, Stanford Dec. 20 and San Francisco university, Dec. 22. The California game has been set for the Bear gymnasium at Berkeley. The Stanford game will be played in the Civic auditorium in San Francisco and the U. C. L. A. contest is to be staged in the F. Z. Uster stadium gymnasium.

Spending Christmas day in Boise, the Idaho team travels from California directly to Twin Falls for two games with the University of Idaho, one at the University of Idaho and one at the University of Commerce in sponsoring the athletic show in the high school gymnasium. A short workout is planned for Boise.

Teacher-Pupil Fray An interesting fact involved in the Idaho-Southern California contest is that Idaho's Coach Twogood learned his basketball from Coach Sam Barry of the Trojans when an undergraduate at the University of Iowa. The coming game is the first pupil-teacher affair between the two.

"Our club depends on the development of the sophomores," Twogood predicts for the Vandals in the coming season. "All of our first year men are coming along well, but they need more competition to put them in shape for the stiff Pacific Coast conference race. By mid-season we will be a match for the best of them."

The following men were named by the Idaho mentor to make the Idaho's Christmas game: Roy Ramey, Kendrick, Ronald Harris and Charles Atkinson, Idaho Falls; Gordon Price, Pocatello; Jerry Hopkins, Pocatello, and Bill Englist, Wallace, guards.

Rumor Says Secretary of Commerce Roper to Resign from Cabinet

INTENDS TO REST AND TRAVEL, THEN HANDLE BUSINESS

By SANDOR S. KLEIN
COURT REPORTER
WASHINGTON, Dec. 15 (AP)—Secretary of Commerce Daniel C. Roper intends to resign from cabinet in the near future, possibly soon after the first of the year, the United Press was reliably informed today.

For several months Roper has denied flatly that his resignation was impending. Today he declined comment on the subject. It was learned, however, that he has told close friends he contemplated resigning at the end of Mr. Roosevelt's first term, but that the President prevailed upon him to remain.

The death of Roper's son-in-law, David R. Coker, wealthy seed grower, about two years ago, it was said, has made Roper unwilling to reconsider his decision to quit even if asked to do so by Mr. Roosevelt. The personal responsibilities of handling Coker's numerous business enterprises are so great that Roper believes it imperative that he leave the government service.

President Aware of Decision

It was understood that his letter of resignation has not been written, but that the President is aware of his desire to be relieved of his duties as soon as possible.

Roper's resignation would create the second vacancy in the cabinet. Attorney General Cummings has resigned effective Jan. 1 and no successor has been named yet. Secretary of Interior James H. Hargis was asked to resign and run for mayor of that city. He was expected to make known his decision shortly.

Other cabinet changes have been rumored. At the time of Cummings' resignation a high administration official said that a shake-up was impending but declined to reveal in what departments.

There have been reports, however, that Secretary of War Woodring would resign and that Secretary of Navy Bruce M. Wilson would force him to relinquish his portfolio. Postmaster General Farley has been seeking a job outside government for more than a year.

Will Travel and Rest

When Roper leaves the cabinet, he intends to travel and rest. He then will return to his home in South Carolina and direct, in his daughter's behalf, the large estate left by her husband.

It is denied by Roper that he contemplated resigning came only a few weeks ago. There were rumors that Works Progress Administration Hopkins would succeed him. Although confirmation is lacking, it was reported in government circles that Roper had indicated to the White House that he would not resign if Hopkins were named his successor.

Roper is 71—the second oldest member of the cabinet. Swannick, 76. He has served in the federal government for 36 years under seven different presidents, appointments and in five departments.

15 Killed in Spanish Raid

HENDAYE French-Spanish Frontier, Dec. 15 (AP)—Fifteen persons, nine of them child patients, were killed in Madrid yesterday when insurgent artillery scored a direct hit on the hospital of the Child Jesus.

More than 300 children were in the hospital. Two hospital guards and four visitors were killed in addition to nine patients. Twenty children were wounded.

Three persons were killed and seven wounded when ten insurgent bombing planes raided Valencia.

Schools at Jerome Compete for Prize

JEROME, Dec. 15 (Special)—The pupils of the Jerome schools are competing diligently to keep the Christmas candle lit by getting every person in Jerome county to buy Christmas seals. There is a \$25 prize to be awarded to the county in each of the three classifications having the highest per capita sale of seals.

Jerome is in class number 2 and Jerome citizens may aid in winning this award and showing their thanks for health by giving to this life-saving campaign.

Hints for a Well-Groomed Yuletide

By ALICIA HART
(NEA Service)

NEW YORK—Holly-trimmed cosmetic counters are laden with Christmas gifts for every member of the family will love.

From "spicy sachet pillows for grandmother" to miniature nail brushes and manicure sets for little boys and girls, there's the right beauty gift for every person on your list—not skipping father, brother, Uncle John and your best beau.

Your best girl, whether wife, sweetheart or mother, may have a favorite brand of perfume. These and many new varieties, too, come in unbelievably stunning bottles. Three tiny flacons with graceful plum-like stoppers are packaged in an attractive box trimmed with similar plumes. A *sottily lighted Christmas tree*, with a sparkling white base, is loaded with eleven flacons of fine perfume. It comes complete with electric cord and plug for illumination and would be a gift de luxe indeed. A *lavender perfume tree* would make a nice centerpiece for a Christmas party table—with a flacon for each guest.

Two tiny bottles of fine perfume, their tops swathed in white leather, are done up in a regal looking box of simulated white leather with gold trimmings. Five tiny perfume bottles hang from the stem of a bright colored oak leaf. A crown of perfume comes in a Christmas bell. And a set of two sparkling little bells contains two perfumes from a famous manufacturer.

Cosmetics and Bath Items

Among other new items that are sure to bring Christmas delight to any woman you know are: a set of rouge, powder and lipstick, with her black dresses; giant size bath soap (1 pound) in assorted scents and flower shapes; a milkmaid's miniature basket rack of red wire with eight chubby bottles of pasteurized milk powder for the bath; a charming silk envelope for the purse with compartments for compact, lipstick, comb; six colorful swansdown puffs in a transparent box; spicy toilet water, bath salts, talcum and soap in a miniature trunk of early American design.

Also, a wooden bowl of pot-pourri to keep on the closet shelf; a good hairbrush with sawtooth back and genuine, first quality boar bristles; a hand-decorated, three-piece wood dresser set with a *stuffed flower basket motif*; a dusting powder travel box with a separate compartment for the puff; a *condiment set* including two small white shakers, one filled with perfumed oil for the bath, the other with spicy after-bath talcum powder.

Also, a jar of soap well enough to know her preferences and coloring, send a huge jar of her favorite cleansing cream or night cream or both; face powder in a *double lipstick*; glamorous eye makeup; hand lotion in a festive package; two or three bottles of fine nail polish or even a jar of *toe nail polish*, always, a ticket for a facial or a new permanent wave or a course of exercise treatments cannot be beaten.

Men's Shaving Equipment

For the leading man in your life there's a locker kit in a pigskin case containing a safety razor, comb, brush, lotion and several other necessary items. This has several extra compartments for extra safety razors he'll want to pack himself.

Also worth consideration are: shaving soap and after-shave lotion in wood containers with a *double lipstick*; a pair of handsome safetywood military brushes in a red, white and gold box; three bath-tissue cakes per second-son in waterproof box; a streamlined shaving brush in a cylindrical case which holds the brush—bristles downward—when it isn't in use; a greaseless hair tonic in a manly looking puttery jug.

Manicure Sets for Girls

To encourage your small daughter to keep herself well-groomed, there are lots of good ideas on the Christmas counters.

How about a miniature manicure set, so that her nails will be clean and neat? A small fish-shaped nail brush will be useful in this project, too. Then there are comb, brush and mirror sets in small sizes. And a variety of tiny nail-pilow, a set of which might inspire a child to keep the drawers of her dresser neat.

TURN ARCHAEOLOGISTS BELLS INDIAN AGENCY, ARIZ.

ARIZ.—Despite the belief that Indians will not probe into the "hazy hunting ground" of their ancestors, Payson Indians are digging into a cavern north of here that was an early hunting site. In a dig in a valley village will be uncovered. It is thought to date from about 1200 A. D.

For a beautiful Christmas—New beauty items include a wooden comb, brush and mirror set with stylized flower basket motif; the newest manicure sets; sachet pillows; dusting powder and a cluster of five tiny spheres of perfume attached to a colorful oak leaf. Inserted at top are two lovely compacts, one with turquoise-studded design, the other with a huge amethyst in black enamel. Between them is a bottle of oil to keep baby's skin soft.

Rupert Church Has Bible Sunday Rites

RUPERT, Dec. 15 (Special)—Universal Bible Sunday was observed in the local Christian church Sunday with a special sermon on "Great Thoughts About the Bible" by the pastor, Sanford B. John; special music by the choir under the direction of the chorister, D. L. Carlson; and a great display of Bibles.

Outstanding among the collections was an ancient, leather bound volume owned by Mrs. G. W. Doyle. It came into the possession of her grandfather, Benjamin F. Tont of Danville, Indiana, January 4, 1830; another was a large family Bible used for five generations by the maternal ancestors of Mrs. St. John. It was originally owned by his great-grandparents, Mr. and Mrs. E. J. Leiford, and has their names stamped in gold on the front cover. A *richly bound New Testament*, carried by Lynn Carpenter through the World War attracted much attention. In striking contrast to these Bibles of yesterday were two up-to-the-minute reference Bibles, one a Moffat translation, the other American Standard, owned and placed in the display by L. A. French.

Donaldson Heads Empire Grangers

RUPERT, Dec. 15 (Special)—The Empire Grange met Friday at the home of Laurence Garter with the master, Lee Kessinger, presiding at the business session.

Annual election resulted in the choice of the following officers: Charles B. Donaldson, master; I. E. Holmes, overseer; Fred Lindner, secretary; Mrs. Varn Dawley, lecturer; Elcanna Jensen, steward; Vern Dawley, assistant steward; Mrs. I. E. Holmes, chaplain; George Zolmetz, treasurer; L. J. Kessinger, gate keeper; Maude Carter, assistant gate keeper; George Zolmetz, purchasing agent.

Installation of officers will take place at the next meeting which will be held Jan. 13, 1939, at the home of Mr. and Mrs. Fred Lindner, secretary. Mrs. Vern Dawley also is part of the program of the next meeting.
