BATTLE LOOMS OVER DEMO PARTY CONTROL

United States Points Toward New, Strong World Foreign Policy

President Expected To Announce Course In Congress Speech

By JOE ALEX MORRIS
(Copyright by United Press)

The United States is pointing toward a new "home grown" foreign policy which may make its role in international affairs more important than at any time since the World War.

This new policy, which President Roosevelt is expected to announce in a forthcoming message to congress, rests, in a large degree, on the moral leadership established at the eighth Pan-American conference which ends at Lima, Peru, today.

The strength of that foundation remains to be determined—regardless of the controversy over whether U. S. Secretary of State Cordell Hull achieved his main objective or suffered a diplomatic rebuff at Lima. The outcome of tests already initiated will go far toward establishing the formula for America's future foreign policy.

Defense Consolidation
Main purpose of the course now developing at Washington apparently is the consolidation of peace, friendship and defenses of the two Americas which would strengthen the voice of the western world in world councils.

This, coincident with the hardening of its attitude toward Nazi Germany and totalitarian Japan, the United States has sought to bolster the home front by the following moves:

Establishment at the Lima conference of a moral atmosphere of unity in friendship based on the previously acknowledged status that the 21 American republics are free and equal states in the full program—equal.

Permanent Atlantic Squadron
Establishment of a permanent Atlantic naval squadron which the emphasis on equality at Lima made possible.

Extension of 1939 naval maneuvers to the northwestern corner of South America, with emphasis on defense of the Panama canal.

Elevation of U. S. legations in Venezuela and Colombia to embassy status and exchange of military, air and naval attaches as part of a proposed exchange of defense experts throughout the Americas.

Strategic Points
Reception at Washington of Col. Fulbright and his "strong man" whose country is important in American defense strategy, and proposals for a similar visit by President Grau.

Sumoza of Nicaragua, which is similarly important and which would be the site of any new canal connecting the Atlantic and Pacific.

Increase of United States trade with Latin-America in competition with the government-subsidized British systems of trade of the totalitarian powers.

These isolated moves assume their proper focus only against the background of the cooperation of the nations success of failure at the Lima conference, a success or failure which cannot be finally assessed until tested by the stress of world affairs.

BLIZZARD RAGES EASTWARD OVER CENTRAL STATES

By United Press

A Canadian blizzard swept eastward across the north central states today and sent temperatures tumbling to sub-zero levels.

The storm centered in a great mass of cold air extending from the arctic regions of the Gulf of Mexico and from the Rocky mountains to the Gulf of Mexico.

The storm centered in a great mass of cold air extending from the arctic regions of the Gulf of Mexico and from the Rocky mountains to the Gulf of Mexico.

A 40-mile-an-hour gale swept heavy snows across the Dakotas, Minnesota and northern Wisconsin and piled 10-foot drifts on highways.

At Chicago, officials of major airlines reported they had ordered all planes grounded. East bound mail was canceled.

The mass of cold air forming a high barometric pressure. By Monday it had brought the temperature down to 54 below zero at Mayo, Yukon territory.

Coldest Spot
Snow-fell last night over Illinois, southern Wisconsin, Michigan and Indiana.

The coldest spots in the country were in the Dakotas and Minnesota. The mercury dropped to 13 degrees below zero at Jamestown, D. S., and 8 below at Bismarck, N. D.

The coldest spot recorded on the continent was Winnipeg, Can., where the mercury dropped to 15 below.

Generalissimo Franco directed Moroccan cavalry, Italian blackshirt legionnaires and Spaniards in a triangular operation from the northern and southern points of a 40-mile front in western Catalonia.

He reported he had 30,000 men in the field at the start of the movement last Friday.

The insurgent dispatched, dispatched by report from Barcelona, claimed success. In the rear end of the front the insurgents claimed to have occupied Villanova de Meyu, south of Tremp, initiating a thrust toward the front lines.

The Paris newspaper Le Journal said the insurgents, took Boulogne and continued their advance inland, but an official nationalist communiqué did not confirm this.

Loyalist authorities, admitting reverses in some sectors, planned to force the civil populations of cities and towns behind the front lines to evacuate so the troops could concentrate into forts.

From the reports of both sides, it appeared the Catalonia defense was more successful in holding off the insurgents in the northern end of the front in the more rugged mountains around Montserrat peak along the Segre river.

Grand Jury Trial of J. H. Stemmer Opens

BOISE, Dec. 27 (U.P.)—The trial of State Highway Bureau Director J. H. Stemmer and District Highway Engineer Richard Pearson of Coeur d'Alene on a joint grand jury indictment charging false certification of a voucher opened today in district court before Judge Doran H. Sutphen of Gooding.

Both defendants entered pleas of not guilty. Preliminary work was completed by the state, and attorneys proceeded immediately to examination of the prospective jurors.

Questions Venemans
Ada County Attorney Willis Moffat began by questioning the venemans on whether they had ever worked for the state, had ever placed claims against the state, had ever known the defendants, or had knowledge of the case or discussed it.

Attorney General J. W. Taylor and two assistants were present to aid Moffat in presentation of the case.

Stemmer and Pearson are accused jointly in three indictments of certifying illegally to salary claims of J. J. McCready, former highway bureau district engineer at Coeur d'Alene after McCready's resignation.

The charges grew out of an appeal highway bureau audit that resulted in an Ada county grand jury indictment and indictment against several prominent state officials.

FDR Message to Highlight Start Of 76th Congress

WASHINGTON, Dec. 27 (U.P.)—The 76th congress, elected last month in the first major New Deal political reverse, meets one week from today for a prolonged contest over control of the Democratic party.

The administration Democrats are maneuvering to divert the New Deal to less experimental paths leading directly to the nomination of a conservative presidential candidate in 1940. None is yet certain whether President Roosevelt will compromise or fight. Neither is it established that conservative Democrats will go through with their plan to regain a controlling voice in party affairs. That each desires party control is undisputed.

Wayne and Roberta, who have been acclaimed by eastern dance enthusiasts, won "home town" plaudits when they presented scintillating dance routines last evening at a party at the Yule Christmas ball at the Elk ballroom. More than 100 couples were present at the event which inaugurated the brilliant Christmas week of dancing parties.

It was the first local appearance of the pair since they became professional dancers on their way to San Francisco, following a successful tour in the east and south. Bigby Jane, Betty Jones, Tarr, Lois Jean Minton, Helen Ruth, and June Morrison, students of Marie Dunn Helm, were other performers on the floor which highlighted the entertainments of the evening.

Friends Attend Event to Honor Former Teacher

Charming among the events of Christmas week, was the "open house" at which Mrs. A. B. Widener and Mrs. Albert Putzier entertained this afternoon at the home of the former, 811 Main avenue east, in honor of Mr. and Mrs. L. A. Washington, Omaha, Neb.

Guests will also be received between 7 and 10 o'clock this evening. Mrs. Washington was Miss Alma Ludwig before her marriage. She was formerly an instructor at Lincoln and Bickel schools.

Numbered among the many friends who assembled at the widener home to greet the honor guests, were a number of former pupils of Mrs. Washington.

Mrs. Lena Johnston, Anoka, Minn., sister of Mrs. Putzier, and Miss Kathryn Bryson presided at the refreshment tables during the afternoon reception hours from 2 to 5 o'clock.

Madonnas Form Program Topic

Especially appropriate to the Christmas season, was the address on "Famous Madonnas," by Mrs. James R. Bothwell this afternoon at a meeting of the Fine Arts department of the Twentieth Century club at the auxiliary room of American Legion Memorial hall.

Because of its excellence, Mrs. Bothwell has been requested to give this paper on the famous religious paintings before a number of local groups.

She illustrated her talk with several fine copies of the madonnas, and the exhibit also included other appropriate material. Mrs. Lloyd E. Oaks, department chairman, presided, and conducted a short business session following the program.

RECORD

A record of some sort or another was established in Twin Falls Sunday by Mrs. Freda Kempston, Alton, Bismarck, N. D., who is the wife of Chief of Police Howard Gillette. She said not one person was incarcerated Christmas day.

A growing polio epidemic centered the beautifully appointed tea table, which was covered with a lace cloth and taper-illuminated.

June Wedding Heralded At Announcement Party

Luncheon guests at the R. W. Carpenter home, 214 Ninth avenue north, yesterday afternoon were apprised of the engagement of Miss Dorothy Carpenter to Thomas Peavey. The marriage of Miss Carpenter, daughter of Mr. and Mrs. Carpenter, and Mr. Peavey, son of Mr. and Mrs. A. J. Peavey, will take place in June.

Revealing the interesting news were tiny slips of papers, placed in the shells of gilded walnuts, and bearing the missive. "Here comes the bride!" will be the tune. The date will be some time next June. Dorothy Carpenter no longer will be, but Mrs. Thomas Peavey for eternity.

Red roses and fern in low crystal bowls, flanked by double crystal holders containing crimson tapers, centered the two long tables at which the guests were seated. Sprigs of holly unfurled the central arrangements. The hostess theme was repeated in the place cards and menu.

Engagement rings, frozen into the ice-cubes in the water goblets, were an additional betrothal touch. Five tables were arranged for the contract games, Miss Janet Felt, Mrs. Ralph Bacon and Mrs. Earl Felt winning the prizes.

Present from out-of-town were Mrs. William Hardwick, Mrs. Dixie Thomas, Mrs. Roxanne Phoenix, all of Jerome; Mrs. Harold Hartley, American Falls, and Miss Edith Slater, Hazelton.

GAY HOLIDAY DINNER ARRANGED Mr. and Mrs. L. M. Whitehead entertained Sunday at a 5 o'clock Christmas dinner of elaborate appointments for members of their family, later in the evening, other friends and relatives joined the group for games and Christmas treats.

Dinner was served at two tables the adults being seated at one and the children at the other. Cellophane flowers in red and green, mounted high with foam illuminated by tapers, formed the centerpiece. Favors were miniature candles in gumdrop holders. An Irish linen cloth, treasured heirloom of Mrs. Whitehead, was the cover for one table. Blue cellophane flowers, made by Mrs. Whitehead and her daughter, formed the room trim.

Guests were Mr. and Mrs. R. K. Whitehead and Barbara Jean; Mr. and Mrs. M. L. Whitehead and Winona Joyce, Lee and Clark; Mr. and Mrs. L. R. Whitehead and Wayne and Richard; Mr. and Mrs. M. L. Bond and Yvonne and Albert E. K. Whitehead, Miss Altha Wells and John Kempton.

FALLACIOUS REASONING In the same way it is said if the government puts out money on its bonds, it is as if it were the earning power of the country, then the money thus spent should be considered investment and not expenditure.

Boom Days for Demagogs It seemed as if the calendar had slipped back a decade or so the other day, when the papers announced that the original "Big Bill" — William Hale Thompson of Chicago — was going to run for mayor once more.

GOOD WILL My name is Maggie the Mouse I've been in one of the best houses in town. Christmas morning I sneaked into the parlor and watched the Mister and the Missus.

"DADDY," she spoke to her father, after dinner that evening, looking up at him through his hair. "I've been thinking of the garden that had become a sort of ritual with them. This was the time each day they shared their life for him, and they were very close to each other."

JEROME Miss Annabell Zug, daughter of Mr. and Mrs. J. G. Zug, arrived last week from Berkeley, Calif., where she is employed to spend the holidays with her parents.

But this decade is different. Neither the country nor any individual city is rich enough any longer to be able to afford a funny man in high office. So Big Bill's return to the wars looks anachronistic... until you stop to reflect on one of the queer, little-noticed laws of politics.

Like all other big cities, Chicago today faces tremendous problems — problems which demand the most concentrated kind of thinking on the part of electorate and public officials alike. All political campaigns under such circumstances ought to be exercises in public education.

There seem to be two setups under which the tub-thumping demagog can be elected to high office. One is an era of happy-go-lucky prosperity, in which the voters may be willing to forget about serious things and elect the man who puts on the best show.

But suppose such a campaign is made to hinge on an entirely extraneous issue? Big Bill announces, for instance, that he will campaign on a no-foreign-entitlements issue. That certainly is an issue worthy of debate — but it has no conceivable place in a municipal election.

Fast-Passing Idaho Cagers Chalk Up 35-27 Victory In Opening Game of Series

Harris, Belko Star for Winning Club

By HAL WOOD
Evening Sports Editor
A long-shooting, fast-breaking band of Utah Redskins will attempt to get revenge tonight for a 35-27 defeat handed them last night by Coach Forrest Twogood's powerful University of Idaho Vandals. The game will be the second of two games to be played at the Twin Falls high school gymnasium and is expected to attract another capacity crowd.

In the preliminary contest, Coach Wes Shurtliff's cagers will attempt to chalk up a two-game sweep which last night edged the Burley Bobcats, 31-17, in a game that was mostly a comedy of errors, due to a slipper floor.

Uthman Benfielder
Last night, the Vandals, on the last leg of a four up and down the Pacific coast, flashed a passing game that left the Utah club very much bewildered during the first half — and about two-thirds of the second half. But after that the Redskins came back and closed the score to within at least a striking range. The work displayed in the final six minutes of play led observers to believe that tonight's rematch would be much closer and in all probability a much faster tilt, with higher scoring, than the one that evening.

Coach Twogood of the Vandals started a lineup composed of Harris, Price, Barrett, Belko and Smith and they proceeded to play the entire afternoon in hand, with Harris and Barrett being especially hot on the basket. Each made three field goals in the first 20 minutes of play and Harris picked up three fifti shots. He added three more counters from the floor in the second half for a total of 15 points — high for the game.

Belko, Smith Star
But what kept them out of the scoring department was the fine work of Belko and Smith in the guarding department that caught the eyes of the spectators. Belko, one of the finest ball-handlers in the Pacific Coast conference, gave a display that left the local basketball-wise eyes wide open.

The Idaho club moved ahead from the opening gun, usually holding a four to six-point lead. Just before the half closed, they ran the count to 23-15.

They continued the pace, with Harris leading the way. In the second half and with eight minutes to go had a 32-20 advantage. But here the Utah stars went up. Then Harris and Belko went out on a run and the game ended with the Redskins closing fast.

Alquist Beat
The rummy Alquist looked to be the best of the Utah and he led his club in scoring with nine counters. Coach Vadal Peterson's team failed to show near his ability in the Idaho game, but they have played only four games this year — 13 for the Vandals. The loss last night, however, may be the first of the season for the co-champions of the Rocky Mountain conference. In 1938 they tied with Colorado for the case title.

SPORTS QUIBS

By HAL WOOD
We had a lengthy chat with Coach Forrest Twogood of Idaho's sporting Vandals, and for those of you who attended the college game here last night and wondered just how good a game was being played, we offer the following advice:
Fifty good!

For we have it on the authority of Mr. Twogood himself that the Vandals probably played their best game they've ever played during that first half of the tilt with the Redskins. And that drive was the factor that appeared to make the Utes considerably disgruntled.

We queried Coach Twogood on the power of the Pacific coast conference this year, a subject on which he should be well qualified to talk after a tour through that section and he had the following to offer:
"They're pretty strong. USC has a powerhouse and the way they were hitting the basket when they played us, they would give us a hard time in the country game run." (This statement was born out with the arrival of basketball results from the east, where the Trojans edged the Bruins in their championship game, 46-38.)

"Stanford has a strong club, but we should have beaten them. They finally poked us out, but only after the officials had taken four baskets away from us."

"We edged around then to the northern division of the Pacific Coast conference. Who were the tough teams?
"Well, there you guess are as good as mine. Of course, you will have to give Oregon the No. 1 rating, inasmuch as they have a bunch of veterans and are the defending champion. Then University of Washington, Oregon State, Washington State and Idaho are in that order. However, the point to win a few ball games before the season is over."

And that statement was made with all the veterans and observers think the Vandals will be right in there fighting for the title. The Idahoans finished in third place.

Regarding last night's game, we suggested that possibly the removal of Steve Belko from the lineup in the first half was a mistake. I had had something to do with the strong surge of the Redskins in the final minutes of play.

"I might add," Coach Twogood went on, "that our club is what you call a 'hot' club. It's a defensive club. On our very best days, our club's hope to make over 40 points. But if we make that many, we expect to be the best team in the West." The Vandals coach, considered by many followers of the case game as the outstanding young major in the country, told us that he had not had a much more balanced aggregation this year. From an offensive standpoint, that last season.

How is tonight's game going to come out?
"I wish I wouldn't be a bit surprised to see the game to be a much longer and faster one than last night. The Utes are a good ball club and Alquist is an outstanding performer."

FINALLY FAILED
NEW HEAVEN, Dec. 27.—(UPI)—One of three matches that will be played here tonight was a football game to an opponent captured by Greasy Nests, Ducky Pond's assistant.

Bruins Edge Burley Club By 21-17 Score

Coach R. V. Jones presented the 108 edition of his Twin Falls case team in a preview last night with Burley and escaped with a narrow 21-17 win over Coach Pete Taylor's club.

The game failed to display much from either team, due to the slippery condition of the floor. Oil had been used on the court, but it had not yet been absorbed by the wood and as a result the game—at least for the first half—was pretty much a reduced effort with the players sitting down nearly as often as they were standing up. However, after an application of exercise the floor dried up and everything returned to normal.

Accidental Lost
The Burley team—playing without Lou Accurti, severely injured earlier in the day when he fell off an auto running-board while chasing rabbits in the desert, and was run over by the car—displayed a surprise.

While the S. R. O. sign was hung out for last night's Utah-Vandals cage game, there will all probably be no such trouble tonight, states W. G. (Jeff) Swin, promoter of the game for the Twin Falls Junior Chamber of Commerce.

For there will be an additional 300 seats added to the bleachers and the stands are expected to take care of any overflow.

Last night's game was witnessed by close to 2,000 fans and about the same size crowd is expected for tonight's contest.

prizing brand of ball. The Bobcats outplayed the Bruins for the entire first half, and held a 6-0 lead at the intermission.
But the third quarter saw the Bruins open up and they held a 12-6 advantage when the fourth period opened.

Ira Carney monopolized the scoring honors for the Twin Falls team in the first half, scoring six points. He added two more in the final half to top scoring honors for the evening.

But starting Hartnett, while picking up six points the second half, played a whole of a game for the Bruins and was the outstanding man on the floor.

Hartnett Covered
For the Bobcats, Carole took high scoring honors with five points, while a youngster named Wheeler scored exceptionally fast and loomed as a potential star.

The Burley club kept two men on Hartnett most of the evening, thus cutting down his effectiveness under the basket to a great extent, but he slipped away three times in the last half to sink spines alike. All that the Bruins took 31 open shots at the basket and 11 of these were by Hartnett.

Tonight the Twin Falls club is expected to find its hands full when it tackles the Rupert Pirates in the preliminary to the Vandal-Idaho game. Their high school contest is set to start at 7:30 p. m.

HELEN HILL JACOBS' UNFORGETTABLE FOOT ACTION IN WIMBLEDON FINAL THREE DAYS CUP. TENNIS PROS.

Red Head Wins Four Crowns In Grand Slam
(Another of a series of sports reviews featuring the more dramatic high spots of eventful 1938.)
By HARRY GRAYSON
NEA Service Sports Editor
NEW YORK, Dec. 27.—Don Budge completed his campaign unparalleled achievement on three continents.
No one before has held at the same time the American, British, French and Australian men's singles championships. The Oakland redhead's grand slam invites comparison with Robert Tyne Jones' accomplishment in golf in 1930.

Yet it was trim Helen Willis Moody who furnished the more dramatic moments of the tennis season at 32 and after two years of tournament inactivity.
Helen Hill Jacobs' unfortunate injury took the edge from the climax of a "woman's Wimbledon," but made Mrs. Moody's comeback and eighth victory in the All-English title a record... none the less remarkable.

Mrs. Moody wisely and methodically played herself into condition in preliminary tournaments. The renewal of her historic rivalry with Miss Jacobs was made possible by the narrow margin which she repelled Mrs. Hill's Krabwinkel Spelling of Denmark, 12-10, 6-4.

After overcoming the handicap of a shoulder injury earlier in the tournament, Miss Jacobs pulled a tendon in an already injured right leg in the ninth game of the opening set of the final... hobbled through the next seven pathetic games... and was beaten, 6-4, 6-0.

A few days earlier, Mrs. Moody finished with a spectacular burst to repulse left-handed Jack Stamp, 6-2, 6-5, 6-5 to clinch America's eighth consecutive triumph in Wimbledon cup competition.
Budge's victory march started Jan. 29, when he defeated Jack Bromwich at Adelaide for the Australian crown, 6-4, 6-2, 6-1.

He captured the French title, June 11, with the gigantic Frenchman, 6-3, 6-2, 6-4.
The victory 6-2, 6-4 was no match for

him in the British final, July 1, 6-1, 6-0, 6-2.
Eddie Drouot found himself as a singles player to such an extent that he opposed Budge, his doubles partner, in the American final, in which he was trounced, 6-4, 6-0, 6-2, 6-1.

Nor was that all for the active Budge. He cleared up in men's doubles with Mako and in mixed doubles with Alice Marble.
Miss Marble, by the way, beat Nancy Wynne of Australia, 6-0, 6-3, in the shortest national women's final on record.

The United States successfully defended the Davis cup against Australia on poorly conditioned courts of the Germantown Cricket club, three matches to two.

Berkeley, Calif., Dec. 27.—(UPI)—The football season was officially over today with California victor over Georgia Tech, 13-0.
The team, which tied with the Southern California team for the coast title after losing to them, beat Tech before 40,000 yesterday afternoon in a 65-yard drive that punched 16 way 60 yards early in the fourth quarter for the first touchdown, with Bottari taking it over on four straight drives from the eight-yard line. A minute later, California scored on another drive with the same pair accounting for four straight first downs. Smith took the ball over for a score from the eight-yard line.

The Lord Mayor of London ranks second only to the king, and takes precedence over all other members of the royal family, within the city area.

NEW SEATS

While the S. R. O. sign was hung out for last night's Utah-Vandals cage game, there will all probably be no such trouble tonight, states W. G. (Jeff) Swin, promoter of the game for the Twin Falls Junior Chamber of Commerce.

For there will be an additional 300 seats added to the bleachers and the stands are expected to take care of any overflow.

Last night's game was witnessed by close to 2,000 fans and about the same size crowd is expected for tonight's contest.

prizing brand of ball. The Bobcats outplayed the Bruins for the entire first half, and held a 6-0 lead at the intermission.
But the third quarter saw the Bruins open up and they held a 12-6 advantage when the fourth period opened.

Ira Carney monopolized the scoring honors for the Twin Falls team in the first half, scoring six points. He added two more in the final half to top scoring honors for the evening.

But starting Hartnett, while picking up six points the second half, played a whole of a game for the Bruins and was the outstanding man on the floor.

Hartnett Covered
For the Bobcats, Carole took high scoring honors with five points, while a youngster named Wheeler scored exceptionally fast and loomed as a potential star.

The Burley club kept two men on Hartnett most of the evening, thus cutting down his effectiveness under the basket to a great extent, but he slipped away three times in the last half to sink spines alike. All that the Bruins took 31 open shots at the basket and 11 of these were by Hartnett.

Tonight the Twin Falls club is expected to find its hands full when it tackles the Rupert Pirates in the preliminary to the Vandal-Idaho game. Their high school contest is set to start at 7:30 p. m.

Nova Rated as Leading 'Heavy' Challenger

NEW YORK, Dec. 27 (U.P.)—Lou Nova, young Alameda, Calif., heavyweight, today was rated the world's No. 1 heavyweight challenger in "The Ring" magazine's annual ranking of boxers.

His impressive victories over Clarence Bardsley and Tommy Farr gained him that coveted rating. Editor Nat Fleischer explained in his copyrighted annual story in the February issue.

Champion Joe Louis, ranked as "the boxer of the year," was placed all alone in group No. 1, topping all heavyweights. Nova heads group No. 2 which includes Maxie Rosenbloom and John Henry Lewis in that order.

Nova was given third place in the boxer of the year rating, behind Henry Armstrong, who won his second and third titles in 1938, adding the lightweight and welterweight titles to the featherweight laurels he won in 1937.

Fleischer considered Louis' feat in knocking out Max Schmeling in the first round a more notable achievement than Armstrong's becoming the ring's first "triple champion."

Surprise Rating
The magazine gave surprise rating to K. O. Morgan of Detroit above Champion Sixto Escobar in the bantam class.

Recognizing no middleweight champion, the magazine named Fred Apolloni of San Francisco, recognized as a contender in New York and California, alone in group No. 1, while Solly Kruger of New York, the National Boxing association's champion, was put at the head of group No. 2.

No Champ Recognized
Similarly in the featherweight division no champion was recognized by the rankings but Leo Haddock of Chicago and Dewey Fiedor of New York were rated 1 and 2 in group 1, Joe Archibald of Providence, R. I., was ranked third in group No. 2, and Dave Galloosh of Montreal and Freddie Miller of Cincinnati despite the fact that Archibald is recognized as champion in New York.

John Henry Lewis of Phoenix, Arizona, ranked ahead among the heavyweight challengers, is recognized as light-heavyweight king.

Chandler against Tietje in the sixth inning of a game at St. Louis on June 20.
Franklin playing third base for Boston, broke Tietje's record of 11 consecutive hits by getting 12.

It was the same against Philadelphia on Sept. 17, Mervin Connor, rookie first baseman of the Chicago White Sox, hit home runs in three consecutive times at bat.

actly what they were up against in the Trojans of Southern Cal. "I was sure to beat them 10-0," Wade said, "and here a team that Southern California beat handily took me out much more soundly than we did. It all looks very bad."
It interrupted to say that Coach Bill Alexander of Tech had told him Duke could have beaten his Engineers more thoroughly had the Blue Devils had to "beat" Dave Galloosh on Alex's "past," Wade announced. "We had an awful time beating Tech. Didn't score until the second half, and might not have scored at all if Alex's boys hadn't fumbled."

Duke Blue Devils Open Secret Practices for Bowl Tilt

By HENRY McLEMORE
SANDWICH, Calif., Dec. 27.—Duke's mixture ends today.
Come sundown, and the Blue Devils of Durham will have made their final appearance before the public until they run out on the ice bowl turf on Jan. 2. Because tomorrow is Duke's Blue Devils' secret practices for the bowl game, and they will be as private as the thoughts of a clam, or a leopard's snub.

No pictures. No poses. No reports. No notebooks. Guards have been assigned to all gates and given orders to bounce anyone with even an ounce of Peeping

Tom or caves-dropper blood in his veins.

Before the workouts begin Wade personally will beat the bushes and trees that shut Brooklake park from the outside world, and his assistants will strafe any air planes, balloons, or gliders that swoop too low.

"I have been to the those bowl four times," he told me, "and I know that only a 'no' name' can hope to put a winning team on the field. Day a 'no' name' means you will do it with power to run the thousand and one situations that a winning team re-

secret workouts will be along the same lines of the practices we had in Durham, but we like peace and quiet. I wouldn't want a small and orderly group watching our practice, wouldn't even mind Howard Jones watching it, because he would stand on the sidelines, out of our way. As for him, I'm sure about our play—we'll be the already known pretty much what to expect.

Wade wasn't happy about his team's condition. The practice at yesterday's Durham, he said, and we've had a few more, and the score from Berkeley, where California's George Tost, took a job of touchdowns, had allowed them ex-

Bears Conquer Georgia Tech In Grid Finale

BERKELEY, Calif., Dec. 27.—(UPI)—The football season was officially over today with California victor over Georgia Tech, 13-0.
The team, which tied with the Southern California team for the coast title after losing to them, beat Tech before 40,000 yesterday afternoon in a 65-yard drive that punched 16 way 60 yards early in the fourth quarter for the first touchdown, with Bottari taking it over on four straight drives from the eight-yard line. A minute later, California scored on another drive with the same pair accounting for four straight first downs. Smith took the ball over for a score from the eight-yard line.

Illness Hits New Mexico Gridiron Team

ALBUQUERQUE, N. M., Dec. 27.—Four regulars of the University of New Mexico football team, among them Bill Dwyer, star half-back, were said to be "hit" with "acute appendicitis" today as the squad topped off workouts for the first time yesterday since a knee injury late in the regular season displaced a limp in Dwyer, observers said would keep him on the sidelines in the New Year's classic.
Dwyer, who entered acrimony for the first time yesterday since a knee injury late in the regular season, displaced a limp in Dwyer, observers said would keep him on the sidelines in the New Year's classic.
Dwyer kept three other regulars out of scrimmages. Jack Rushing, tackle, and Steve Reynolds and Jack Hensley, wide, were said by Coach Tom Shipley to be recovering but not ready to play.

HANSEN AUTOIST TO FACE CHARGE

JEROME, Dec. 27 (Special)—J. F. Goodwill, 66, Hansen resident, will be arraigned in court Tuesday at 11 a. m. before Justice of the Peace John E. Williams on charges of driving while under the influence of intoxicating liquor.

Goodwill was arrested by State Trooper Fred Williams on Christmas eve after he allegedly swerved his machine into one being driven by Mrs. Bessie Teater on a turn in the road. The charge was brought by Edna at the Joe Day court. Mrs. Teater, headed east, had stopped her car at the stop sign and was waiting for the Goodwill car, coming from the opposite direction to pass and, failing to negotiate the turn, Goodwill swerved his car into the left side of the Teater machine.

Goodwill's grandson, Mack Carl, 10, an occupant of his car, sustained a gash on his head and on his chin. Goodwill suffered cuts and bruises on his head and nose. Mrs. Teater was uninjured. First aid for the children and her grandson was given by Williams.

Both cars were considerably damaged by the crash.

Boston Ice Club Loses Again But Keeps Lead

Leadership of the National Hockey league remained unchanged today after a hectic holiday week-end but the leading Boston Bruins had slipped.

The most notable event was the snapping of Boston's winning streak at seven straight by the New York Rangers who licked the Bruins 1-0 Sunday. That left the Rangers only 12 points behind and had almost lost an opportunity to go into a tie by dropping a 2-0 decision to the Toronto Maple Leafs.

The victory lifted the Leafs into a tie with Chicago for fourth place. The Americans took over sole possession of third with a 5-1 victory Sunday over Chicago while Detroit climbed out of the cellar with a 4-1 victory over the last-place Montreal Canadiens.

GRAIN REGISTERS STRONG ADVANCE

CHICAGO, Dec. 27 (UP)—Wheat prices advanced fractionally, but fell off on the Chicago board of trade today following stimulation by the threat of crop damage from the severe cold in the grain belt. Corn failed firm. Scattered sales in the final hour reduced earlier gains in wheat, and the close was up 1/4 to 1/2 cent, and oats were 1/4 to 1/2 cent higher.

World wheat shipments last week were placed at 2,244,000 bushels. North America shipped 2,067,000 bushels. The U. S. available supply of wheat, which decreased 1,024,000 bushels.

Corn prices advanced fractionally, reflecting the tone in wheat and local buying stimulated by the cold weather.

ITALIAN TROOP MOVEMENT IN AFRICA ALARMS FRANCE

THOUSANDS FACE FEW SOMALILAND AFRICA SOLDIERS

PARIS, Dec. 27 (AP)—Heavy troop movements from Italian East Africa towards French Somaliland were reported today in two Paris newspapers.

Parisian writing in L'Ordre, and Mme. Genevieve Tabouis, writing in L'Ouvre, asserted that contingents of Ascaris, the native soldiers of Italian East Africa, had been moved up to support a force of between 600 and 700 Italians who six months ago occupied six frontier posts which France claims to be on its side of the border.

Report Huge Movement

Both writers, who enjoy international reputations as commentators on foreign affairs, said recent reports indicated the Italians had 91,000 Italian troops, 150,000 native troops and 130,000 "working soldiers" in East Africa, against only a small force in French Somaliland.

Wide asphalt military roads had been built from Italian Eritrea to the French Somaliland border, it was asserted.

Won't Concede

As these reports were published Premier Edouard Daladier completed his diplomatic program by telling Prime Minister Neville Chamberlain and Viscount Halifax, foreign secretary of Great Britain, to stop here on their way to Rome in mid-January.

It was understood Daladier and Foreign Minister Georges Bonnet wanted to emphasize they were not prepared to concede any French territory to Italy and they did not agree to any Italian effort to get Adolf Hitler of Germany and Chamberlain to "mediate."

Castleford Seal Sales Complete

Castleford was the first to report complete returns from the Christmas seal sale, according to Mrs. Orr Chapman, secretary of the Twin Falls county Anti-Tuberculosis association.

The sale totaled \$43.50. Mrs. Earl Chapman, Castleford, reported when she checked in the proceeds last week-end.

The campaign was handled entirely through the grade and high school, under the supervision of D. G. Gibbs, superintendent of schools, Mrs. Chapman said.

Brethren Church Observes Holiday

Church of the Brethren Sunday school Christmas observance, held Sunday evening, included children's program of solos, trios, quartets, recitations and accordion and violin selections.

Mrs. L. L. Magiffin was master of ceremonies. Treats were distributed at the close of the evening. A manger scene and a lighted Christmas tree were effective background motifs for the devotions. The auditorium was filled to capacity.

Mrs. Wanda Hankins presented a reading during the morning service, and special music was furnished by the choir. The orchestra played the music at the evening program.

Surprise Honors Former Officer

Mrs. Mae Price, a past president of the Twin Falls state Primary board, was presented with a beautiful quilt when she was surprised recently by state board members.

The event took place at the home of the honoree, 600 Third avenue west. The time was spent singing carols. Mrs. Price has been an invalid for more than three years.

Refreshments in keeping with the Yule season were served by Mrs. Nevelia Whitehead, Mrs. Edna Hull, Mrs. Olive Hutchinson, Mrs. Clorne Bell, Mrs. Helen Watson, Mrs. Ruby Henderson and Mrs. Ethel Bingham.

JEROME, Dec. 25 (Special)—Clifford Arthur Manning, Rupert, and Miss Ethel Viola Davis, Jerome, were united in marriage, Dec. 23, by Probate Judge Heber N. Fulkman. Witnesses were Fred O. Conant and G. Paul Smith.

Blaze Wrecks Storage Shed

The "sudden run" of minor blazes which local firemen have been called upon to extinguish during the Christmas holidays continued this morning when sparks from a newly started fire completely destroyed a storage shed located at 352 Sixth avenue north.

The alarm was sounded at 5:05 a. m. records show, and the shed was on the back of the lot and behind a house occupied by A. L. Bowen, who had started the early morning fire in a stove. Sparks ignited the shed and also the house proper, although the roof of the house was only slightly damaged before the blaze was extinguished.

At 1:30 p. m. Monday firemen extinguished a blaze at 128 Fourth avenue east, also caused from chimney sparks. A hole was burned in the roof. The address is the location of the F. L. Cogswell apartments.

The fire early this morning brought to five the number answered over a three-day period, a total which in some instances has not been equaled in Twin Falls during an entire month.

COURAGE

OCEAN PARK, Calif., Dec. 27 (AP)—Sylvester Kirby, 36, who struck his right fist inside a lion's mouth to prove his courage, was minus that hand and arm today. The lion clamped its jaws tight.

Kirby is a spliler on the Ocean Park amusement pier. He boasted to other employees outside the lion taming concession, he was not afraid to place his hand inside a lion's mouth "because they won't bite me."

To prove it, he stuck his fist through the bars and into a three-year-old male lion's mouth. The lion clamped its jaws on his wrist and clawed his arm so badly it had to be amputated below the elbow. Kirby is in critical condition.

EXPERT RAPS AT "SPIRITS" STORY

NEW YORK, Dec. 27 (AP) John Mulholland, prestidigitator and author, said today after such a "super-bouncing Bertha" by Bert of St. Charles, Va., was hoodwinking anyone who believed spirits were shaking her bed.

It was noteworthy, he said, that whenever such reports of supernatural manifestations cropped out, the mediums were in nearly all cases young girls.

Another parallel, Mulholland said, was that the "spirits" usually worked at the girls' bedsides.

"Every instance on record of children being bewitched or surrounded by ghosts has been discovered to be upon scientific investigation, the work of a child," he said. "Enough instances of childish trickery have been disclosed in the past to discredit all indications of bedside ghosts."

Two University of Tennessee professors, Alex Brett and George Halserud, who observed the nine-year-old Virginia girl's bed-shaking, reported last week it was caused by the child's voluntary muscular action, and not by ghosts or witches.

The child's parents and neighbors in the little coal mining town have scattered nightly since Nov. 10, trying to dispel the "ghosts" with hymns, "hoe-down" music and prayers, but the "ghosts" ignored them and continued to shake Bertha's wooden bed.

NEW YORK, Dec. 27 (AP)—More than 20 men, women and children were scattered nightly since Nov. 10, trying to dispel the "ghosts" with hymns, "hoe-down" music and prayers, but the "ghosts" ignored them and continued to shake Bertha's wooden bed.

\$1,000-PER-SEAT CUSTOMERS GET ADDED THRILLS AT CARROLL SHOW

By FREDERICK C. OTTMAN

HOLLYWOOD, Dec. 27 (AP)—Eck Carroll placed an ice pack on his pallid brow today and hoped for the best after such a super-premiere as even his \$1,000-per-seat cabaret customers never expected.

He promised henceforth the prima donna wouldn't disappear through the floor while singing her aria in his new theater restaurant; that no waiter would stumble with a tray of ice cream in the midst of a classical dance; that the microphones wouldn't go dead at the wrong moments, and the curtains wouldn't open any more by mistake.

The trouble, as Carroll explained, seemed to be too much machinery and too many machinists in the depths below his club, which is the most spectacular on the west coast. So many things happened that weren't on the program that even the \$1,000 customers got their money's worth.

Hollywood Tailored

Carroll, whose exploits as theatrical manager, beauty contest judge, and champagne bath impresario have made headlines, built a new kind of cabaret, tailored especially for Hollywood.

It consisted of a tremendous, modernistic building, with black patent leather ceiling from which dangled 1,000 neon lamps, almost an acre of floor covered with burgundy carpet an inch and a half thick, two stages revolving inside each other.

In the main room the common folks sat at \$10 per head, cocktails 50 cents extra, dinner free. Next door, behind an elaborately sound-proofed wall sat the \$1,000 customers in "the inner circle." These included Darryl Zanuck, Walter Wanger, Harold Lloyd, Walt Disney, Cecil B. de Mille, Bing Crosby, Leo Carillo and a couple of hundred others who felt the privacy in a night club was worth \$1,000. They

can come back for the rest of their lives, without paying more. The \$1,000 check each handed Carroll served as a life-time cover charge.

The show, scheduled to begin at 9:15 p. m., started at 10:35. Susan Miller, pretty show girl, was singing a ditty about little old New York, when the platform on which she stood started to sink. Miss Miller kept on singing, while such guests as Myrna Loy, Edgar Bergen, Joan Bennett, howled. Miss Miller finally disappeared and finished her number.

Then came Mr. Reginald Craig, who was non-plussed when the enormous curtains parted behind him and the two revolving stages started revolving in opposite directions. The electrician began throwing switches and everything calmed down.

30 More Numbers

There followed 30 more numbers, and the customers saw so much entertainment in such a hurry that their roast beef got cold. The food was excellent and so was the show, after the most beautiful girls in the world got used to the machinery.

GERMANS CLAIM U.S. LIMA DEFEAT

BERLIN, Dec. 27 (AP)—The controlled Nazi press today announced in blaring headlines the "victories" of the United States front to achieve a united American front at the eighth Pan-American conference at Lima.

"The dollar ruled in vain," the Nacht Ausgabe said of the Lima conference as the press suddenly dropped its campaign against "steroid diets" of the United States front to emphasize the Pan-American situation.

"Mr. Roosevelt had had luck at Lima. South America does not permit itself to be harnessed to the United States aims," the editorial said. Mr. Roosevelt sided "with the Jews in an attempted imperialistic conquest of South America."

It is expected that the budget to be offered for 1939 will include \$180,000,000 for the air corps.
