Stemmer Attorneys Present Motions for Acquittal or Dismissal

STATE RESTS IN FRAUD TRIAL OF HIGHWAY LEADER

BOISE, Dec. 29 (UP)—Attorneys for Highway Director J. H. Stemmer and Richard Pearson, district engineer, today presented to District Judge D. H. Sutphen motions for acquittal or dismissals of indictments charging criminal fraud.

The three motions came swiftly as the trial in Ada county district court, outgrowth of a sensational fraud jury investigation of state engineers, drew to a close. The state rested abruptly after examining one witness today.

Raps Testimony
The two highway officials are charged with false certification of a \$265 salary voucher of J. J. McCree, former Corcoran district engineer, to the state.

The testimony and evidence does not warrant an indictment or charge of crime against the defendants. A third motion, for dismissal of indictments, asserted that any crime was committed in Kootenai county, not Ada county, and should properly be tried there.

The defense lost a plea to exclude testimony given by Pearson before State Auditor Harry C. Parsons in July, 1927. Judge Sutphen held that presentation of the testimony would violate Pearson's constitutional rights and James Munro, chief of a special highway audit, testified as to Pearson's speech at the hearing.

Munro testified that Pearson told him he was in complete charge of the Corcoran office and that McCree didn't actually perform duties during the period, but was consulted.

The case hinges on whether McCree actually worked during the month in question.

WHITE RECEIVES FILER CONTRACT

Ernest White, Twin Falls builder, received the general contract for construction of the \$35,000 addition to the rural high school building announced here last afternoon after the Pler board, headed by Chairman E. E. Hang, opened bids last night.

Mr. White started work today. The winning bid was \$34,708 on the general contract.

James Plumbing and Heating company, Twin Falls, won the plumbing-heating contract with a total of \$8,775.

Other low bidders for the general work were Kleopfer and Cahoon, Boise, \$33,750, and A. D. Bobber, Twin Falls, \$33,200. M. J. Jindra, Hobbs, was second low on plumbing and heating with \$5,344 and T. V. Strunk, Shoshone, was third with \$4,570.

Bids were opened by Andrew McQuaker, member of the architects' firm of Morse, McQuaker and Lamb, which is handling the Pler plans.

J. M. Fauda, local PWA engineer, telephoned to Portland regional office to notify the national organization during last night's meeting, and authority was given to make plans.

The building will have an auditorium, gymnasium, manual training, agricultural classrooms and shops. Previous bids two weeks ago were turned in light and new bids were called for opening last night.

The Pler rural high school district bond issue will provide \$20,150 of the \$33,000 cost and PWA provides \$23,850. Completion is scheduled 210 days after start of work today.

Cabinet-maker and Product

Although advance reports indicate senate confirmation of Harry L. Hopkins, right, as secretary of commerce may not be smooth sailing, the rumored storm clouds do not chill the warmth of President Roosevelt's congratulations to the new cabinet appointee.

New Cold Wave Rolls Eastward from Arctic

A new cold-wave from the Arctic regions pulsed eastward across the western and central plains today, bringing additional hardships to areas already weary from four days of blizzards, gales and zero temperatures.

U. S. Forecaster J. R. Lloyd at Chicago said the new wave, following one which had swept toward the Atlantic, would have spent itself by the time it reached the Mississippi valley. He said it already had advanced into Montana and the Dakotas.

Temperatures Drop
As the first wave moved onto the eastern seaboard, temperatures dropped to a minimum of 20 below along the Maine coast and 22 at Boston. Temperatures were slightly higher throughout the Mississippi and Ohio river valleys.

Lloyd predicted the new wave would extend to Kansas and Missouri by tonight with temperatures ranging to 10 degrees above zero. Snow flurries were expected.

Snow Falls
Snow fell yesterday in northern New York, mountain sections of New England, Michigan, Wisconsin, North Dakota, Minnesota and northern Illinois. Lloyd said additional snow would fall today in most of the north central states and in Michigan tomorrow.

Eastern Canada was hit by a severe snowstorm and bitter cold. Five persons were reported dead in Ontario as a direct result of the storm and a sixth was reported missing.

Edmonton, Alta., reported a temperature of 44 below zero. Sub-freezing temperatures were promised today in northern Florida.

Two 15-Year-Old Boys Crack 'Impregnable' U. S. Mint—Just to See if It Could be Done

IAN FRANCHINO, Dec. 29 (UP)—Two 15-year-old kids broke into San Francisco's supposedly impregnable new \$1,000,000 U. S. mint, took a copper plate as a "souvenir," then broke out again without detection and telephoned police to "come get a copper," the boys related today after untraced authorities took them into custody.

FRAN reported captured inside the mint, Paul Francis and William Gallagher, convicted (disbarred) burglars, they not only entered the heavily guarded structure, but actually got out again with their "souvenir" and could have easily escaped if they had not telephonically called officers to get them.

The boys somehow climbed up a drain pipe to a ledge on the second floor, got past a guard standing in a newspaper, and entered through a

partially open window. "We took a copper plate as proof that we'd been here," they told reporters. "Then someone went to get a copper plate. They thought we were kidding them. We finally convinced them."

The young rascals, just an ordinary looking pair of school kids, were delighted with the publicity they created by snatching into the mint's vaults a four-day treasury repository.

Schedule Arranged For Ceremonies at Bott's Inauguration

BOISE, Dec. 29 (UP)—Chief Justice-elect James F. Ailshie of the Idaho supreme court today set the program for the inauguration of the state's new governor, C. A. Bottolfsen, elective state officers and legislators, to be held Jan. 2 in the house of representatives.

Adjutant General M. G. McConnell will preside as master of ceremonies. Ailshie will administer the oaths of office. It will be the third time he has presided as chief justice and the first time he has sworn in state officers. The first was in 1927.

The new governor and elective officers will gather in the governor's office at 11:45 a. m. They will proceed to the house chambers where Ailshie will swear them in. Gov. Barzilla Clark will present Gov.-elect Bottolfsen.

Order of Oaths
The order for administering the oath will be: Gov. Bottolfsen; Lieut. Gov. D. S. Whitehead; Justices of the supreme court, William M. Adams, Edwin H. Hedges, and Attorney General J. W. Taylor; Superintendent of Public Instruction John W. Condit; State Mines Inspector Arthur Campbell.

This will be followed by roll call and swearing in of the senate and house respectively. All officers will then retire to their quarters and take over their new duties.

19 Gun Salute
A 19 gun salute will be fired for the new governor immediately after he swears into office.

A reception in the rotunda will be held at 7:30 p. m. with state officers in the receiving line and a governor's ball at the Elk temple at 9:30 p. m.

SWEETLEY NAMES AGEE AS DEPUTY

Ray D. Agee, local attorney-at-law who has practiced in Twin Falls since 1926, this afternoon accepted the appointment as deputy county attorney under Everett M. Sweetley, presiding attorney-elect.

Announcement of the appointment was made by Mr. Sweetley, successful Republican candidate for the office of county clerk on Monday, Jan. 9. He succeeds Edward Hakebeck while Agee will succeed George M. Paulson.

Mr. Agee also announced he would retain Mrs. Marian Dunn as county stenographer. In addition to serving during Hakebeck's term, Mrs. Dunn had previously held the position during several administrations.

Agee, who graduated from the law school of the University of Idaho in 1920, has engaged in private practice here during the past 12 years. Prior to that he had practiced at Oakley.

After his graduation, Mr. Agee accepted the position of clerk in the office of Justice James A. Coeur d'Alene. Ailshie is now a member of the Idaho supreme court.

Twin Falls Youth Held in Burglary

SALT LAKE CITY, Dec. 29 (UP)—Hearings for Monday, Dec. 21, Twin Falls, and Francis Richard Theobald, alias Herbert Clark, 36, Detroit, both facing a third degree burglary charge, were held today in Salt Lake City. Theobald has been set for Jan. 6 by City Judge M. J. Brown.

Theil was fixed at \$1,000 for both.

Two persons lost their lives during 1938 as the result of automobile accidents, the records show. In the first, a 21-year-old man was killed during the year when Joseph Ebbens Williams, 49, who drove his machine off the back creek ledge and crashed to his death on grounds owned by the Occure Fish hatchery. The mishap occurred late the night of July 3 but the cause was not discovered until the morning of July 4. Williams evidently died instantly.

During 1937 two persons also lost their lives, records show. Wayne Hiltelmeid, 12, was killed in November of that year when a machine struck the bicyclist he was riding on, in December. Mrs. Julia E. Mills, 63, a resident of Garden Valley, was struck and killed by a machine again last winter on the highway.

The production of "Death Takes a Holiday" was an event to a relative home in Twin Falls.

"I could see all the guards through a window on the first floor. So they I tipped back, took a copper plate and threw it out the window. They were just looking at me and I came down again. We went to a garage at Dulooce and Clutch near the judge and phoned the police. I just asked the operator for a policeman. I said: 'They copper, come on up and get some copper outside the mint.' The cops thought we were kidding, so we hung up and went back to the mint."

"Then this guard came up with a gun and asked us to get the shirt. They were getting nervous running over the place. They took us inside and kept us about half an hour."

Reporters asked the youngsters how the mint could be made "so nobody could get inside."

"Off with Relations," is Plea

Famous Hollywood actors sign a petition asking President Roosevelt and congress to sever economic relations with Nazi Germany. Holding the petition is Melvyn Douglas and on his right is Myrna Loy. Back row, center, is James Cagney.

The order for administering the oath will be: Gov. Bottolfsen; Lieut. Gov. D. S. Whitehead; Justices of the supreme court, William M. Adams, Edwin H. Hedges, and Attorney General J. W. Taylor; Superintendent of Public Instruction John W. Condit; State Mines Inspector Arthur Campbell.

Auto Crashes Slump Near One-Half Here

Efforts of the local police department and the cooperation given by citizens of Twin Falls during 1938 resulted in a reduction of nearly 50 per cent in the number of automobile crashes recorded within the city limits during the period, according to latest reports.

Total number of mishaps recorded in Twin Falls during the 12 months of 1938 came to 135, against the 225 which were noted during 1937, the report shows. Property damage (to machines involved in the various wrecks) amounted to between \$8,000 and \$12,000 during 1938 against nearly \$20,000 in 1937.

The records show, in this respect, that the world's statistics for automobile accidents which were involved in accidents here during the last year had been completely demoralized, the loss would have approximated \$36,000.

A substantial reduction in the number of persons injured in the mishaps of 1938 against those in 1937 was also noted. The report shows that 25 were injured this year against 79 during 1937.

"All they might do," William announced, "is lock the windows."

SURVEY REVEALS BUSINESS MAKES RAPID ADVANCES

WASHINGTON, Dec. 29 (UP)—The government's chief economists forecast a prosperous New Year for the nation today in a year-end survey of business conditions.

The bureau of agricultural economics, which conducts reports on industry as well as agricultural production and consumption, said prospects were good for continued recovery. The survey reported that industrial production and consumer demand recovered more than half of the ground lost in the 1937-38 recession. Its survey said:

"Consumer purchasing power increased materially in recent months," the bureau said, "and some additional improvement is in prospect. However, seasonally rapid advance should be expected in the near future."

REBEL BOMBARDMENTS GAIN

FURY OF BATTLE REACHES PEAK IN SPAIN CIVIL WAR

HENDAYE, French-Spanish frontiers, Dec. 29 (AP)—Spanish nationalists, using the heaviest concentration of artillery since the beginning of the civil war, smashed into the loyalists in the Balaguer sector of the Catalan front today to open the second phase of their mass offensive.

Nationalist dispatches said the great army gathered for the offensive was now in full momentum. Guns in the Balaguer sector opened on the loyalists this morning. It was said, and smashed six lines of barbed wire and four lines of trenches. Then Aragonese infantry advancing under the protection of tanks, reportedly cleaned up machine gun nests until they reached the fourth trench line.

Hundreds surrendered. According to the nationalists, white flags then began to flutter from the loyalist lines and hundreds surrendered.

Nationalist dispatches said loyalists had urgently demanded reinforcements and tanks to protect their new positions.

According to the dispatches, the insurgents a little farther north turned the loyalist flank in the Montsec area.

The nationalists said they had repulsed with terrific losses Italian attacks along the lower Segre river, though the attacks were supported by enormous numbers of tanks. The nationalists admitted the loss of two hills in the Tremp sector, above Montsec.

Lines Holding. However, they said that their lines generally were holding and they had started counter-attacks at several places where fighting continued through last night.

Loyalists claimed the victory in the first phase of the offensive, which ended its first week today. The nationalists had made substantial gains. But it was apparent they had not broken through the loyalist front to a demonstration among any loyalist units. The great victory which the nationalists hoped for—to impress British Prime Minister Neville Chamberlain before the visit to Benito Mussolini Jan. 11, it was reported—was still to come.

ATTORNEY FIRM DISSOLVES HERE

Dissolution of a Twin Falls legal firm, with the former partners continuing practice in different offices, was announced today by the two attorneys involved.

The firm is Witham and Walker, in which O. W. Witham and Earl E. Walker have been associated since April of 1937. Mr. Witham said that he will move his headquarters Friday to offices above the City bank store on Main avenue west. Mr. Walker, who said the dissolution became effective as of Dec. 1, will retain the present location above the Idaho Department store.

Witham indicated he will announce a new partnership after the first of the year. Both attorneys have been residents of this section for about 20 years. Witham, educated at Drake university, Des Moines, Ia., and graduated from the law school of the University of Nebraska, is a practitioner for Twin Falls county for three terms and was assistant to the United States internal revenue collector at Boise. For many years he was associated with J. W. Porter, now district judge, in general law practice.

Mr. Walker, a graduate of Bull high school, attended University of Idaho Southern and studied law at the University of Nebraska, Lincoln, Colorado. He practiced in Nebraska, for a short time at Bull and then came to Twin Falls. He announced that he will continue the commercial department in conjunction with general practice.

John T. Flynn Says

Lost French Colony a Reminder We talk so much about rapid communications in our modern world that we often forget about the lonely, isolated spots where men live completely cut off from their fellows...

So this little story about the lost French colony on St. Paul's Island, which sounds like something from the old sailing-ship days, is a good reminder that we have not yet either conquered nature nor annihilated space.

That seems to be what happened to these French fishermen. They did have one of the modern world's space-killing gadgets—a radio; so they were able to send back word of their plight, and a ship sailed to their rescue at once.

For this world is not quite as safely regimented and controlled a place as we usually assume. In our urban society we may never come in contact with the elemental perils of danger, hunger and cold; but we are just lucky, and it is dangerous for us to forget that human life exists on this planet on the same terms it always did.

This earth would go spinning on through space quite as serenely if it had no freight of human life at all. It spins that way for some scores of millions of years, if the scientists are to be believed, and it may do so again.

And that is why the present tendency toward war, destruction and general conflict between races, nations and groups is such an ominous thing. This tendency may very easily destroy the great fabric of our civilization; and we do that only at our dire peril.

Twin Falls to Greet 1939 with Fanfare

The New Year will be given a royal salute in Twin Falls this week-end. Prominent among the festivities heralding 1939, will be the elaborate dinner-dance Saturday evening at the Park hotel, a no-host affair, arranged annually by a number of local residents. Eighty guests will attend this year's event, the 15th annual New Year's eve celebration, for the group.

Guests will assemble at the hotel at 7:30 o'clock, and following dinner will enjoy dancing in the banquet room until 11:30, when the entire party will go on to the Elks dance.

Marked by a cascade of balloons at midnight, and the distribution of horns, serpentine and carnival favors, the Elks ballroom will be a scene of revelry when the Elks entertain at 11:30. The Elks entertain at 11:30, when the entire party will go on to the Elks dance.

The event, which will be semi-formal, is being arranged by the committee, headed by Carl Hollenbeck. His assistants are George Hof, James Binkler, Hugh Faulkner and John Larson.

Approximately 150 couples are expected to attend, and Chuck Heim and his companions will play the piano. Music will begin at 10:30 o'clock and will continue "until dawn if necessary," according to the committee. A buffet lunch will be served during intermission.

The Prazier party house will be the scene of a smartly appointed party Saturday evening, with Mrs. Ella M. White presiding as hostess. Dinner will be served at 7 o'clock.

Guests will motor to the home of the hostess later to "watch the New Year in," and Chinese citizens will be the diversion. Gay among the watch night parties will be the one scheduled by the Lend-a-Hand club members for their husbands, and to begin at 7:30 o'clock. The women are requested to bring box suppers.

HOLIDAY TEA ARRANGED FOR CHILDREN
Honoring children of members of Dan McCook circle, Ladies of the Grand Army of the Republic, Mrs. Ida Sogrt will entertain at a prettily appointed Christmas tea from 2 to 4 o'clock tomorrow afternoon at her home on Washington street north.

The shades will be drawn for the occasion, and the home will be illumined by lights from the Christmas tree, and Christmas tapers. A gift exchange for the children will be a feature of the afternoon. The adults will be entertained at pinchies; the older children at Chinese checkers, and the younger children at Chinese checkers.

Mrs. Mabel Johnson, retiring president, and Mrs. Hazel Gardner, incoming president, will preside at the tea. Refreshments will be served from a table covered with a lace cloth and centered with a miniature Christmas tree.

Invited guests in addition to circle members and their children include Mrs. Maxine Gammark, Mrs. C. E. Sweet, Mrs. Ed Linerly and Miss Ruth Snodgrass.

DINNER PARTY
Highlighting the social events of the year for the Scribblers club was the holiday dinner, a no-host affair, at which members entertained for their husbands and guests last evening at the attractive new home of Mrs. Robert Benson, 143 Pierce street.

Twenty-eight guests were present, enjoying the program and games following dinner, which was served at small tables centered with red tapers. The menu was attractively decorated, and a lighted Christmas tree was a feature of the room trim.

Among the prize winners at pinchies and Chinese checkers were Mrs. E. Chalmers and Mrs. Harry Leveke, both of Bulli, Mrs. Ethel Gray, Miss Kathryn Bryson and Mrs. Mabel Johnson. Miss Laura Robinson, the latter two being guests.

Mrs. Ruth Johnson gave several readings and Miss Frances Henschel played accordion and vocal numbers.

Mrs. Naomi Martin, Mrs. Alice Snook, Mrs. Chalmers and Mrs. Bryson assisted the hostess in serving.

HOLIDAY SUPPER FOLLOWED BY CARDS
Mr. and Mrs. Dean Millon entertained at a smartly appointed 7 o'clock supper Tuesday evening at their home on Lincoln street.

Guests were seated at a single table covered with a lace cloth, and decorative details favored the Yuletide theme.

Alumni Respond At R. K. Party

Praising the "red and gold" alumni of the Red Knights club spoke briefly at the stag dinner last evening at the Park hotel, preceding the annual Christmas alumni dance at Radiojag ballroom.

Dean Brown, president, introduced the following alumni: Leonard Johnston, Jim Keel, Cecil Smith, Leonard Saitay, Chuck Larsen, Armour Anderson, Les Voorhees, Tomce Williams, Norris Stettler, Tom Peavey, Frank McAtee, Jim Boshwell, Donlan Butzer, Zane Larson, Pete Lane, Bob Suteff, Bill Neale.

Granville Haight, Dick Reynolds, Bill Wright, Bob Stephens, Jim Sinclair, Harry Taber, Carl Lowe, Bill Bates, Bert Larson, Woody Reed, Ralph Powell, Ed Benoit, Asher Williams, Hubert Peck, Roy Puzler, Curtis Eaton, John Miller, John Breckenridge, Grove Wiley, Dick Hepler, Ernie Laubenstein, Ray Mills and Bob Mills.

Roster of the host organization includes: Officers: Dean Brown, president; Herbert Larson, vice-president; Val Toole, secretary-treasurer; Fred P. Bates, sponsor.

Members: Harry Benoit, Albert Benoit, Ira Cartney, Allen Duvall, George Davison, Bruce Evans, Bill Folsom, Clayton Gardner, Bob Hampton, Gene Harrington, James Hawley, Bob Jenkins, James Kinney, Dick Lawrence, John Mills, Fred Moore, Jack Peck, Bob Saitay, Ellis Stettler, Jack Threlkeld, John Toole, Duane Toler and Gaylord Toole.

Punch in red and green was served by Joan McClair, Celestine Salmon and Barbara Price.

INFORMAL TEA HONORS FRIENDS
Miss Patsy Warner, who entertains annually during the Christmas holidays, entertained this week especially in honor of her friends who are home from colleges and universities for the holidays.

Dancing, games and reminiscing were the diversions of the afternoon. The guests called between 2 and 5 o'clock.

Miss Warner presided at the attractively appointed tea table during the refreshment hour.

The Warner home, 1336 Fourth avenue east, was ornate with a number of miniature illuminated trees and evergreen boughs for the occasion.

CLASSMATES HOLD BENEFIT
Miss Gladys Smith was hostess last evening to a group of former schoolmates at the home of her parents, Mr. and Mrs. Glynis B. Smith, where she is a holiday visitor.

Miss Smith will leave Friday to return to her teaching duties at Lewiston.

The evening was spent socially and playing Chinese checkers by: Mrs. James Rude, Mrs. Arthur Peterson, Mrs. and Mrs. Alex W. McMillan, Mrs. Howard Tucker, Mr. and Mrs. Melbourne Jensen, Mr. and Mrs. Wilbourn Potter, Mr. and Mrs. Ernest Sims, Mr. and Mrs. Alfred Ryckendall and Mr. and Mrs. Bill Rude.

Miss Smith was assisted in serving refreshments by Mrs. Potter. A Christmas meal predominated in the appointments.

COUPLE PRESIDES AT HOUSE PARTY
Mr. and Mrs. W. O. Watts are entertaining their regular home at Ketchum for the New Year holidays. Accompanied by their son, Bill, they left yesterday afternoon for Ketchum to have "The Shack" in readiness upon the arrival of their guests.

Members of the party will be Mr. and Mrs. Henry Senger, Mr. and Mrs. Robert Sessions and Miss Marguerite Higgs, all of Boise, and Mr. and Mrs. M. A. Newman, Twin Falls.

Scheduled activities of the week-end will include the winter sports offered by that area, and a dinner New Year's day at Sun Valley lodge.

PRIZES AWARDED AT PINCHOLE PARTY
A five-course dinner will be served. The principal item on the bill of fare will be a whole-roasted pig which will be carved by the oldest member present.

Betas Plan Holiday Feast for Neophytes

Members and pledges of Beta Theta Pi, national Greek letter fraternity, will gather around the banquet table in the private dining room of the New Rogerson hotel Friday evening at 7:30, for a feast, songfest, and talk-around.

The occasion will be in honor of the following Twin Falls youths pledged to Gamma Gamma, University of Idaho chapter of the fraternity, last September: Armour Anderson, Ed Benoit, Leonard Johnston, Richard Reynolds and Robert Suteff.

The meeting will also afford Twin Falls alumni an opportunity to get acquainted with the pledges, who will be initiated at Moscow in January.

A five-course dinner will be served. The principal item on the bill of fare will be a whole-roasted pig which will be carved by the oldest member present.

Frank Beatty, Twin Falls, student at the University of Southern California, and formerly a member of the Gamma Zeta Choral group at Whitman college, will direct the singing of college and fraternity songs.

Norris Stettler, Dick Hepler and Mirland Severin comprise the committee on invitations and arrangements.

About 40 members of the fraternity living in Twin Falls, Bulli, Rupert, Burley and Kimberly are expected to be present.

Calendar
Primrose Rebekah lodge will hold a special business session Friday at 2:30 p. m. at the Odd Fellows hall. Important business will be transacted and members are urged to attend.

Lend-a-Hand club members will entertain their husbands at a watch night party Saturday evening at the Idaho Power company auditorium, beginning at 7:30 o'clock. All women are asked to bring box suppers.

The Tarheel club will entertain Friday evening at a pot-luck dinner at the Odd Fellows hall, to be followed by dancing, cards and Chinese checkers. All former North Carolinians and their friends are invited to attend.

The Odd Fellows will entertain at a program and social evening at 8:30 p. m. today in the Odd Fellows hall for all Odd Fellows, Rebekahs and their families and friends. All who have been Odd Fellows and all visiting members are invited.

Plans are afoot to equip all South Wales tramp steamers with powerful radio receiving sets for use of crews.

A Good Policy for 33 and THE YEARS TO COME

Yes, Mister, you will plan well if you plan for an Idaho Mutual life policy in 1939.

It is a GOOD policy in every respect. GOOD in that it supplies the kind of protection that you and your family are most apt to need. (A single policy will protect one or as many of your family as desired, and, besides proven life protection, offers old age and accident benefits. Amounts of protection available are from \$250 to \$2,000 for each member.)

GOOD because the cost is so low. It has never cost more than \$26 a year to maintain a \$3,000 policy. (Costs only \$10 to place such a policy in force.)

GOOD because the association is absolutely dependable, judged by Dunne's Insurance Report of 1938 as A-Plus (EXCELLENT) and strongly recommended to the public. Yes, an Idaho Mutual policy, will be a GOOD POLICY FOR YOU!

SEABISCUIT TERMED NO. 1 HORSE OF YEAR

Howard Steed Wins Match With Admiral

Another in a series of sports reviews from the Twin Falls, Idaho, sports of 1938.

By MAX RIDDLE
(NEA Service Staff Writer)
NEW YORK, Dec. 29.—George Woolf began beating a tattoo on the rump and ribs of Seabiscuit at the starter's bell.

The son of Hard Tack took the lead from War Admiral at Pimlico, Nov. 1, in one of the most astounding races ever run.

Charles Kurstinger, on War Admiral, was surprised, but this was a match race with no other horse to fear. Kurstinger let Seabiscuit set the pace, confident it would kill off the Charles S. Howard thoroughbred in the stretch.

In the back stretch Kurstinger let War Admiral out. The little brown son of Man o' War, 100 pounds short of top racing weight, moved up for half a mile they ran as one horse.

Seabiscuit on inside Seabiscuit had the lead, and as the far turn was reached, he carried War Admiral a little wide.

But they raced neck and head. But the outside route had been strenuous, and Seabiscuit was turning in the fastest race ever run on a Maryland track. The son of the stretch it was War Admiral which began to weaken.

Seabiscuit went on to establish a new record for a mile and an eighth in winning the great and long-delayed match race. Each carried a purse of \$100,000.

Seabiscuit proved himself champion of the turf in a \$20,000 race, after they had been matched to race for a \$100,000 purse at Belmont park on Memorial day. The Seabiscuit had to withdraw from that one because of lameness.

War Admiral's string was first broken when Manow ran away from him in the mud of the Massachusetts Handicap at Suffolk Downs, where Augustus D. Biddle's splendid annual ran out of the money.

Derry Winner

It is each May and the sun is shining on Churchill Downs. The biggest crowd in the history of the old track is there for the Kentucky Derby, Stagshead, winner of the Santa Anita Derby and handicap \$140,000 on successive Saturdays, has been withdrawn, costing his winter book backers hundreds of thousands of dollars.

Into the far turn go the horses, and the crowd roars. Seabiscuit, Bill Lee and Manow, prizes of Kentucky, and others hot in a hopeless struggle.

Suddenly out of the pack comes Lawrin, the Florida winter crack, son of an unknown sire and dam... bred and trained in Kentucky.

Out on top goes the big son of Tocco-Margaret Lawrence... with Seabiscuit on his bumper... there he stays, although Dan... the hunder, was eating up ground at the finish.

It is each later, The Pimlico strip is a quagmire from days of rain. From the last two places in the back stretch come Dauber and Cravat.

The mud holds back other stars. These two run as though the track was flat.

That take all the mud that is thrown in their faces, and ask for more.

They go through and around the others until they are far in front. Dauber wins by so many lengths that he positively appears lonesome. Cravat is second.

BattleShip Wins

Pasteurized, a dejected outsider, whirled Dauber and Cravat in the Belmont Stakes.

Thanksgiving lagged the Travers, breaking and staying in front of a field.

All of which left the three-year-old championship more disputable than ever.

Expos, Marica, giant mares, prevailed as great mare should.

Italic, unbeaten winner of seven straight in a meeting of representatives of tenna Jan. 4. Derrington entered for this season's play are seven teams, Watkins Motor of Brigham City, Losaukitt of Logan, Magna-Gartfield, Gemmill club of Brigham, Provo, Utah, and Knights of Columbus and Kober, founders, both of Salt Lake. An Oaden side, independent five and Sparkie Inn of Lehi have applied for admission. Play in the resumed league will start about Jan. 11.

Friday night a special match game will be played between the best teams of the two leagues: Schiltz of the Commercial league and Eudweiser of the CWS, with the Schiltz club handicapping, according to averages.

In the first make-up tilt of the holiday season last night, Pin League took two out of three from Emmert's. Scores were low on both teams, with Saunders of the winners getting high honors with a 492. He also had a high single game of 177.

Senators Rally To Defeat Shoshone Five

SHOSHONE, Dec. 29 (Special).—Coach Ap-Berg's vastly-improved Gooding Senators staged a last-quarter rally to run away from the Shoshone Indians in a holiday game played here last night. The final score was 20-18, although the game was much closer than the score indicates.

After the Shoshone club had played an even game with the invaders for the first three quarters of the game, the Solons started to click and pushed through 11 points in the final frame to tuck the game away. The first half was strictly a defensive tilt and mid-way in the third period the count was 11-10 in favor of Gooding. It was here that the Gooding team started to click.

Leading scoring honors for the evening went to Alexander, Gooding forward, who collected 12 points. Betta was tops for Gooding with five.

Gooding frosh-soph won over the Shoshone frosh-soph team by the score of 16-12 in the preliminary contest.

On Friday, Dec. 30, the local boys' and girls' teams will tangle with invading Fairfeld teams in a double-header.

The New York Giants sent out contracts to 20 players today, without a salary cut in any of them. Full contracts were sent to Carl Hubbell, Hal Schumacher and infielder Burgess Whitehead, all on one injured list. Hubbell once great arm is the big question mark of the coming season. It was believed the ultimate result of his arm operation won't be known until well along in spring training.

Coach Slip Madigan of St. Mary's football team protested that Texas Tech squad had no right to view motion pictures of his team in action. He said such a method of scouting placed the coach at a disadvantage for the Cotton bowl game between the teams at Dallas Jan. 2. Lefty Scores Again

LEFTY GROVE

Lefty Grove Leads American Loop Hurlers

NEW YORK, Dec. 29 (UP).—Robert Moses (Lefty) Grove, who was throwing his smoke ball when many of us still were learning the alphabet, today was acclaimed the American league's leading pitcher of 1938.

Final official averages showed the "Ol' Man Mose" of the Boston Red Sox, despite his 38 years and a sore arm that forced him out of action late.

He had the lowest earned run average, 3.07, making his eighth year as leader in this department, and the high won and lost percentage of .718, for the fifth time as leader in this department. He pitched 14 victories and four defeats.

The Yankees registered the best club pitching with an earned run average of 3.91.

Iron horse of the circuit was Buck Newson of the St. Louis Browns who pitched the most complete games, 31. He started 40 times and was credited for 20 victories and 16 defeats for a .556 average with a seventh-place club. Newson tied the American league record on May 15 when he struck out six of the Yanks in succession while Bob Feller of Cleveland duplicated the mark against Detroit on Oct. 2. Newson was the most batters during the campaign, 1,261.

PORT DUBQUIS

In our mail today was the first batch of publicity for the 1940 Olympic games—officially called the XII Olympiad.

The most interesting matter in this first letter—and some rather significant facts that are left out by the canny Finns.

The first thing noticeable is that while the Finland Olympic committee states it had bid for the games at the 1938 meet in Oer-nah (and had been knocked down) it was now given the games with only a year in which to prepare for them. But no mention is made of the fact that Japan was given the games, and then after accepting for nearly three years, announced that it could not stage them due to the present "conflicts abroad."

It was interesting to note that the city was pronounced and spelled Helsinki in English, it is known and spelled as Helsinki in Finland, and that it has a population of only about 275,000.

A little research on American cities revealed that this is about the size of Birmingham, Oakland, Denver, Atlanta, St. Paul, Akron, Columbus, Toledo, Houston, Providence, Dallas, Portland or San Antonio.

The total population of Finland is less than 4,000,000—about the aggregate of Chicago—and much less than that of the United States.

However, Finlanders aren't letting a little thing like a lack of population on the side get in their way. They are going steadily ahead, and despite the lack of time—something very important in such a short campaign—they plan on staging games that will be on a par with any others ever staged.

The city will accommodate its country with a stadium for 30,000 but they are enlarging it to seat 60,000 spectators—which will compare with a seating capacity of 100,000 for the 1932 games, which were held at Los Angeles.

There is one thing that the Finns have a pretty good chance of outdoing Los Angeles on: the weather—believe it or not. At least according to the city publicity.

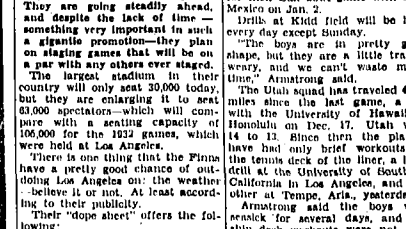

Their "dope sheet" offers the following:

"Careful investigations carried out over several years have proven that July is the warmest month in Helsinki, July 16, also the month of slight rainfall and long days. Before the middle of the month darkness does not come at all, and even in the early part of August there are 16 hours of daylight out of 24. Apart from this, darkness does not come abruptly with the sinking of the sun; the rays gently fade into twilight and complete darkness does not come until well over an hour after sunset."

No there, California, take a page from THAT book.

Because the four leading railway companies in England showed a decline of 25 million dollars in gross revenue for 43 weeks this year the nation may only get relief in regard to labor costs.

Husky Brothers

Jack, Dick, and Bob Voelker, from top to bottom, form one of the more unusual brother acts in college basketball.

Forward Pass, Penalties Get Attention

CHICAGO, Dec. 29 (UP).—As far as the coaches are concerned, football can remain basically unchanged next year, although they recommended today the adoption of six minor rule changes by the National Football League association.

The coaches urged the changes be made at the N. C. A. A. meeting at Colorado Springs, Colo., Jan. 2. They are part of the annual gathering, they went into a joint session with the N. C. A. A., which hasn't seen eye to eye with them in the past.

The recommended changes are:

Pass Ruling

1. In case of a forward pass, all ineligible offensive players remain on the line of scrimmage until the pass is touched or completed. Under the present rule, ineligible receivers may go down the field but not beyond the eligible receivers. Violation would mean loss of a down and a 15-yard penalty.

2. A 15-yard penalty from the spot of the previous down plus loss of a down when a forward pass is touched by an ineligible receiver or behind the line of scrimmage. Present rules call for loss of the ball at the spot of the down.

3. An exception to the penalty in the case of a foul by a player of the punting team while the ball is in the air and in the field of play. A modification of the penalty in the case of a foul by a player of the punting team while the ball is in the air and in the field of play. A modification of the penalty in the case of a foul by a player of the punting team while the ball is in the air and in the field of play.

4. A study of equipment in the interest of safety to players and that all equipment, including the ball, rigidly comply with specifications set forth in the official N. C. A. A. rule.

Duke and USC Continue Secret Work

PASADENA, Calif., Dec. 29 (UP).—Like a pair of foxes for disguise, Duke and Southern California cloaked their movements today as they neared the end of training for Monday's football battle.

Reports trickling through the censors' lines indicated, however, all was well with Southern California in their effort to win the game, while injuries might prove costly to the Blue Devils.

One report said Duke quarterback Ken Bragg definitely would not play because of injuries. Another was that center Dan Hill, who pulled a back muscle on Tuesday, was in action but swathed in bandages.

And a third said Wallace Wade, Duke coach, was preparing to surprise the enemy by using halfback George McAfee, who has been out most of the season.

The U. S. C. players went through their off-season routine a month, spectators were barred.

Utah Gridders Resume Drill

EL PASO, Tex., Dec. 29 (UP).—Thirty members of the University of Utah football squad today had arrived here, and Coach Ke Armstrong ordered immediate practice for their Sun bowl game with New Mexico on Saturday.

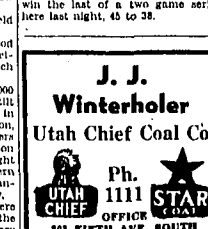

Drills at Kidd field will be held every day except Sunday.

"The boys are in pretty good shape, but they are a little travel-weary, and we can't wait much time," Armstrong said.

The Utah squad has traveled 4,000 miles since the last game, a tilt with the University of Hawaii in Honolulu on Dec. 17. Utah won, 14 to 13. Since then the players have had only brief workouts on the tennis deck of the liner, a light drill at the University of Southern California in Los Angeles, and another at Tempe, Ariz., yesterday.

Armstrong said the boys were "not too fat" for several days, and the ship deck workouts were not very successful.

Horses are Here to Stay; Mac Finds Movie Men Nearly All Own Stables

By HENRY MCELMORE
(Copyright by United Press)

HOLLYWOOD, Calif., Dec. 29 (UP).—The movie industry finally has decided the horse is here to stay.

For years the film folk looked on the horse as just something that was used in the western picture, but now they are coming to realize that the horse is here to stay.

MacFadden, a horse racing has taken a hold in California, the movie studios have placed their approval on the noble beast and now they are coming to realize that the horse is here to stay.

Among the more prominent thoroughbreds are Furlong, an American bred horse who won four stakes in England; Magic

Hour, Lawrence Realization winning; Chick Devil, Main Man, Orashaw, Haave, Parlor, Brooklyn, Mack and Wig, and Flying Bounty.

Harry M. Warner, president of Warner Brothers; Harry Olin, president of Columbia, and William LeBaron, Paramount's production head, are other executives with competent stables.

Among the actors and directors, owners' leaders are almost as common as driver's licenses. Barbara Hanway is mistress of Marwick and her partner is Orlan Marx. Joe E. Brown is another who will bid high for a horse he likes. His biggest hope is Casabelli, a South American winner that cost him \$40,000.

Al Jolson drops to the knees in supplication, not song, every time his Totem Pole goes to the

post, and Mae West backs a stable in the name of her brother, Jack. Bing Crosby is sole owner of one stable, and part owner of two others, and has such horses as Ligarot, second choice for the \$100,000 handicap, and High Strike, favorite for the rich Calumet steeplechase championship. Among the directors, Raoul Walsh, Dave Butler, and John Cromwell are the most prominent owners.

Among the other movie folk who own horses are Morry LeRoy, Myron Selinsky, F. O. D'Orsay, Oliver Hardy, Walter Connolly, Howard Hawks, Frank Lloyd, John Considine, Spencer Tracy and Robert Taylor.

It won't be long before they'll have to pony race at Santa Anita so the younger stars can't lose their skills.

Churches and Schools Have Gala Programs

HAGERMAN, Dec. 29 (Special) — Christmas was observed in the various churches with Christmas programs, trees and treats.

The L. D. S. Primary department had charge of a program, tree, and treat Friday evening.

The Re-organized L. D. S. church presented a program to approximately 150 people Christmas night. The program included special Christmas music, readings and a Christmas cantata, directed by Thomas Ullman, Shoshone. Treats by Santa followed the program.

The program at the Methodist church Christmas night was given by the Sunday school department with Mrs. J. Townsend and Mrs. O. Rilder in charge. A large crowd was present. The program included special Christmas music, readings and plays by various members of the Sunday school. A tree and treat followed the program.

The members of the Epworth League and the Re-organized L. D. S. Young Peoples' department gathered together after the programs at their churches. Christmas night and went Christmas caroling.

Santa Claus distributed treats furnished by the people of the community following the program presented by the children of the schools at the Legion hall Friday. The seating capacity of the hall was filled.

The program included Christmas carols by the high school girls' sextet; Christmas songs by the sixth grade, the fifth grade, and a solo by Jimmy Carlson; a Christmas cantata by the fifth and sixth grade; Christmas skits by the third grade; Christmas pantomime, first grade; Christmas program, second and fourth grade; tap dance, Wynarda Woodhead and Delores Pope.

French Send Supplies to Somaliland

2 SHIPS LOADED WITH CARGO FOR AFRICAN COLONY

PARIS, Dec. 29 (AP)—Two big French freighters were loaded speedily at special military docks at Marseilles today as the government sped its plans to reinforce its garrison in French Somaliland.

Slevedores were ordered to work day and night so the ships, the 11,375-ton Sphinx and the 9,985-ton Chantilly, could sail Saturday and arrive at Djibouti, French Somaliland, next week.

It was reported artillery and munitions would be loaded on the ships at night. All civilian cargo had been held up.

Benignace Riflemen

In addition to its other cargo, the ships will carry Benignace Riflemen who are to join French troops in Somaliland. The destroyer Epervier and the dispatch boat D'Iberville already were under orders to reinforce navy units there.

The government was understood to be satisfied the measures it had taken were sufficient to deal with any situation which might arise in connection with the Italian drive for concessions from France.

Diplomatically the Italian situation seemed to be clearing up.

It was reported Andre Francois-Popet, ambassador to Rome, would come to Paris within the next week or so to report and receive instructions in anticipation of the visit of Prime Minister Neville Chamberlain to Rome Jan. 11.

Went See Chamberlain

A confidential source of Premier Edouard Daladier and Foreign Minister Georges Bonnet would not try to see Chamberlain on his way to Rome because the French and British governments had been in continuous consultation all along.

The newspaper Ceuvre said that Sir Eric Phipps, British ambassador, had given assurances to Foreign Minister Bonnet that Chamberlain would not attempt to settle French-Italian differences at Rome.

Look, Mr. Hitler!

KIWANIANS HOLD TRI-CITY EVENT

FILED, Dec. 29 (Special)—Staging a tri-city meet at which officers of three clubs were installed, Kiwanis members of Buhl, Piler and Twin Falls attended ceremonies at the Methodist church basement here last night.

Dinner was served by the Methodist Ladies' Aid society. Installing officers were O. P. DuVall, Twin Falls, retiring district governor, and Olin Smith, Buhl, who is leaving office as Twin Falls lieutenant governor for Kiwanis.

Entertainment

Entertainment program consisted of a number by each of the participating clubs. Bob Kircher, Buhl, who won honors on the Colorado talent program broadcast over station KOA, presented a vocal number as the Buhl offering. He was accompanied by his sister, Marian Kircher.

Piler presentation was Nan Myster's vocal selections, "Kerry Dance" and "Hindu Slumber Song." Barbara Egan accompanied her on the piano.

James C. Reynolds, singing "Look Down, Dear Eyes" and "Wing Tee Wee" provided the Twin Falls share of the musical program. Mrs. Kenneth Hendren played accompaniment.

Community singing was led by Elburn Pierce, band director at Piler rural high school.

Tri-Admitted

Twin Falls Kiwanians admitted to membership Charles Colner, Orin Boone and John Krier.

The list of officers installed was: Piler—E. O. Walter, president; Dr. J. W. Creed, vice president; Dean Mueser, secretary; Earl S. LaDue, treasurer; R. K. Dillingham, Earl Ramsey, G. W. Anthony, N. V. Sharp, E. M. Rayborn, W. C. Nuzman and Thomas Parks, directors.

Buhl—Dr. T. A. Kiliusk, president; Elroy Byrge, vice president; Walter C. Senten, secretary-treasurer; Frank Squires, Dr. W. E. Haggis, directors; William Gray, Bernard Albertson and Jack Winkler, directors.

Twin Falls—Willbur S. Hill, president; A. E. Gilbert, vice president; Cecil Jones, treasurer; U. N. Terry, secretary; Kenneth Beach, Alvin Casey, Stanley Coakley, J. E. White, Frank Dege, Roy Washburn and Harry Elcock, directors.

CALLER

SAN JOSE, Calif., Dec. 29 (AP)—San Jose's "Jack of Spades" burglar struck three times again in one night, robbing three houses and leaving his usual calling cards—the jack of spades taken from decks of playing cards.

He varied the procedure once in the newest forays. He stole \$25 and two bottles of whisky from one home and left a joker.

Community Event Held at Jarbidge

JARBIDGE, Nev., Dec. 29 (Special)—All members of Jarbidge community were entertained Friday evening at the annual Christmas program with numbers furnished by the pupils.

Christmas readings were given by Louise Stokes, Patsy Dougherty, Miss Price, Dorothy Nelson and Barbara Standfield.

The school as a group presented a play, "The Toys Who Waited." David C. Lee impersonated Santa Claus and passed out stockings and gifts to all present.

Those on the committee in charge of purchasing and arranging were Mrs. John D. McKay, Mrs. H. N. Peck and Mrs. T. A. Charles. The Commercial club was decorated by a committee of Alfred Nason, Mrs. Carl Sprague and Robert E. Knight. Miss Marvel Alpis and T. A. Butcher directed the arrangement of the program.

CHURCHES SEEK LIQUOR CHANGES

BOISE, Dec. 29 (AP)—A quickly mobilized church and dry bloc that planned to demand revision of Idaho's liquor control laws organized its forces today for a drive in the 25th legislature to convene Jan. 2.

The group planned to propose abolition of the three-man liquor control commission and placing administration of the law in the hands of the department of law enforcement. They pledged a fight against any proposal that might tend to increase consumption or bring the return of saloons.

Harry B. Kessler, Boise attorney, acted as spokesman for the group, headed by Dr. Thomas Acheson of the First Methodist church. They presented their views to Gov. E. C. A. Bottelmann and other Republican leaders.

DIXON CONTRACT TO JEROME MAN

With a Jerome bidder holding the construction contract, work will start on the new Dixon school, near Hazelton as soon as formal approval of the contract is received by regional PWA headquarters at Portland, according to Holmes Leah, member of the Twin Falls firm of architects which is handling the project.

H. A. Messenger, Jerome, was awarded the school job on his low bid of \$17,485. The general contract in this case includes all work in connection with the building. The Dixon school board had \$20,000 available. The PWA is furnishing \$9,000.

FILER ROAD UNIT SEEKING REFUND

Request that Piler highway district be credited with \$3,072.11 from license funds of three other districts because of errors in apportionment has been filed with the board of county commissioners by Edwin A. Wilson, Twin Falls accountant acting on behalf of the Piler unit.

The errors arose because of confusion as to which highway district's boundaries include the residences of auto license purchasers living near the border lines.

Wilson's certificate to the commissioners showed that his audit covered a five-year period of motor vehicle license sales to residents of the Piler highway district. Error in apportionment, he said, gave some funds to the Twin Falls highway district and some to the Buhl and Murtaugh districts.

The certificate asked the commissioners to credit the Piler unit with \$3,072.11 and to debit \$2,340.62 from the Buhl highway district, \$708.70 from the Twin Falls district and \$2,270 from the Murtaugh district.

Masters Plans on Vacation Journey

BOISE, Dec. 29 (AP)—Secretary of State Ira H. Masters said today he planned to sail for Honolulu with his wife on or about February 1. He said he also planned to visit the Dixon canal, New Orleans, Havana, Florida, Washington, D. C. and New York City.

SYPHILIS CASES REGISTER CLIMB

BOISE, Dec. 29 (AP)—A state public health department survey indicated today that 912 cases of syphilis were reported in Idaho during the current year compared to 183 reported during 1937. Director H. L. Madarinn said today.

Extensive national and state anti-syphilis campaigns caused the increase in detection of the disease. Madarinn said. There were 63,000 syphilis examinations made in 1938 compared to 38,000 in 1937, he said. A corresponding increase in detection of gonorrhea was made with 728 cases detected out of 8,943 examinations compared to 476 cases out of 4,462 examined in 1937.

Hagerman Masons Install Officials

HAGERMAN, Dec. 29 (Special)—Hagerman Masonic lodge recently installed the following officers: Charles Carey, worshipful master; Elbert Oregas, senior warden; F. A. Kennicot, secretary; Glenn Bell, marshal; H. O. Frazer, treasurer; Jess Rutledge, chaplain; Fred Roberts, senior deacon; W. L. Chapman, junior deacon; Elson Basom, senior steward; Rex Barlogi, junior steward; Frank Vander, Tyler.

3 ESCAPE HURTS AS AUTOS CRASH

Three persons escaped injury shortly after 7 p. m. last night when the two machines in which they were riding crashed at the intersection of Silhouette street and Sixth avenue east.

Drivers of the two cars were Stanley Johnson, Twin Falls, and Loren Reynolds, Gooding. Riding with Reynolds was Orion Johnson of Gooding. Reynolds was attempting to make a left hand turn when he

drove in front of the other car, according to a police report of the mishap.

The cars were badly damaged, estimate of such being placed at \$350.

HITS "LOAN SHARKS"

BOISE, Dec. 29 (AP)—A bill to prevent "loan sharks" from charging more than eight per cent interest on small loans and preying on the small afflicted workman will be presented to the legislature to convene Jan. 2, State Finance Commissioner George W. Wedgwood said today.

As many as 1300 bulls have been killed annually at bull fights in Spain.

2ND AUTO THEFT CHARGED TO BOY

A local youth, who recently confessed two burglaries and a car theft but who was paroled to his mother on a promise of good behavior, today had been arrested for the second time by local police, charged with stealing a second machine.

The machine was the property of Walter F. O'Graham, employe of the local WFA office, and was taken about 1:30 p. m. Wednesday from a

parking place near the county office building.

After checking to be sure no other member of O'Graham's family had the car, John Griffiths, WFA manager, informed police. The car was "spotted" within a few minutes and although the youth tried to escape on foot he was captured and turned over to Probation Officer J. M. Shank.

Mrs. Shank said today that hearing has not yet been held.

Police said the boy was the same youth who stole the automobile of G. C. Madson on Dec. 21. It was recovered two days later. The youth also admitted the burglaries at that time.
