FDR ASKS \$150,000,000 EXTRA FOR WPA

Idaho Federal Vegetable Inspector Termed Dictator

MEMORIAL SEEKS TRANSFERRING OF GRADE DIRECTOR

By WILLIAM McMENAMIN
BOISE, Feb. 7 (UP)—An attack on L. G. Schultz, federal inspector of fruits and vegetables for Idaho as a "dictator" developed in house floor debate today preceding unanimous passage of a house joint memorial which requested his removal.

The joint memorial asked Secretary of Agriculture Henry A. Wallace to prepare a new cooperative agreement between the department and the state covering fruit and vegetable inspection and "to transfer to the present supervisor." It passed 34 to 0.

In Dictator's Hands
"Fruit and vegetable growers are for this memorial," said C. M. Mueser, D. Canyon county. "What would our grandfathers say if they saw us under the yoke of this inspection? The control system is too heavy and we are in the hands of a dictator."

"Nature won't produce anything perfect enough to suit them—so it is time to protest. If they don't approve a car of fruit, it can't be shipped. They get a big kick out of kicking our cars over."

B. Penfold, R. Teton county, said he introduced the memorial as an attempt to gain removal of a dictator, "who refused to cooperate with the state department of agriculture."

Hundreds of Petitions
"I have hundreds of petition signatures and telegrams from farmers asking redress," he said.

"We could get better action by contacting our congressional delegates," replied Robert C. Bailey, D. Nez Perce.

101 WITNESSES FOR WPA PROBE

ALBUQUERQUE, N. M., Feb. 7 (UP)—The defense in the trial of 25 men and women charged in federal court with trafficking in WPA jobs in an effort to bolster the state Democratic faction headed by U. S. Senator Dennis Chavez today subpoenaed 101 additional witnesses, if all are called it is expected to lengthen the duration of the trial by at least another week.

The defense move was made after Judge Collis Nettleton denied a motion to strike out portions of the testimony given yesterday in connection with the trial of Chavez, son-in-law and one of the defendants, was on the stand yesterday. Miller, formerly an assistant U. S. district attorney, handled Chavez's political matters for the state and was active in the fight for dominance with the faction headed by former Governor Clyde Hughes.

ADDY GETS POST AT COLONY FARM

Carl L. Addy, Twin Falls rancher and sportsman, has been appointed supervisor of the farm at the Nampan State School and Colony, according to word to the Evening Times this afternoon from office of Gov. C. A. Holtzman.

Nurses Look Over 4 of a Kind

Through a window at St. Mary's Infirmary, Galveston, Tex., a nurse looks at two of the girl quadruplets born to Mrs. and Mrs. W. E. Baggett. Multiple births run in the families of mother and father.

Two of the girl quadruplets born to Mrs. and Mrs. W. E. Baggett are pictured above with another nurse. The four babies, described as "in perfect health," have been named Geraldine, Jeanette, Joyce and Joan.

EARTHQUAKE? NO—JUST 5-TON DYNAMITE BLAST

If you heard a mighty roar this afternoon and figured an earthquake had overtaken some central Idaho don't worry.

It was the detonation of a mighty five-ton dynamite charge that was to be touched off by Jack Christian, CCC camp cook, as they pushed down with the dynamite springs road.

The fire-cracker charge which included no less than 200 cases of dynamite was fanned by camp officials one of the biggest, and probably the largest, "bangs" of dynamite ever set off at the camp.

The giant explosion was carefully arranged under direction of H. H. McKing, Twin Falls, who in charge of blasting operations. Camp officials said that either McKing or one of the youthful engineers would push the plunger that sent a report of earth and rocks flying.

SEVERE COLD TO HALT DISASTROUS FLOODS ON OHIO

LOUISVILLE, Ky., Feb. 7 (UP)—The Ohio river was rising steadily today toward an expected crest on six feet above flood stage but forecasts of a severe cold wave alleviated fears of a disastrous flood.

River stages were falling or stationary in the northern part of the valley from Pittsburgh to Portsmouth, O., and indications were that the river would be near normal above Louisville by the end of the week. The Red Cross prepared to aid 30-40 persons who have been driven from their homes along the Ohio and its tributaries in West Virginia, Ohio, Kentucky and Indiana and in the Tennessee valley in southern Kentucky and western Tennessee.

Past Flood Stage
Meteorologist James L. Kendall said the river was rising early today at the rate of one-tenth of a foot an hour. It already had reached 31 feet—three feet above flood stage—and was expected to reach a crest of 34 feet tomorrow. At Cincinnati the river was 3.8 feet over the flood stage of 52 feet and weather men expected it to reach a crest of 58 feet today.

U. S. Forecaster H. A. Downs at Chicago said a cold wave of severe intensity was moving rapidly eastward from the Rocky mountains and would overpass the Mississippi river area today and the lower Ohio valley tomorrow. The cold would add to the suffering of refugees but would prevent quick melting of snows.

Worst Over
Downs said rains fell over most of the valley yesterday but were negligible and had little effect on flood conditions. Temperatures dropped slightly today.

"The worst appears to be over," he said. "There is no indication of widespread serious floods."

FILER APPROVES BONDS ON SEWER

PHILADELPHIA, Feb. 7 (Special)—By an overwhelming vote, property owners of Philadelphia have approved a \$12,500 bond issue permitting construction of a \$91,000 sewer system and sewage tanks for the community.

Voting on the bond issue took place yesterday. Complete tabulations showed the issue carried with 102 voting yes and only 10 no.

The WPA will contribute \$74,226 to the project. That figure is estimated, according to the W. M. Miller, Twin Falls city engineer who drew plans for the system.

The WPA grant in kind and some materials, plus the \$12,500 bond issue, brings the total project to \$91,226 to assume final up-to-the-minute sewer and sewage system.

Approximately five miles of underground pipe will be installed for the system, but Mr. Miller said that sewer tanks and a pumping station will be a part of the plan. Involving the project and utilize limited tanks, considerable more modern, two-story structures with more automatic facilities, he said.

Construction will start in March, the engineer said. He will act as supervisor when the work gets underway.

Mayor U. F. Hammerquist, as a preliminary step, approved application for the city council for the approval of the city council for the sewer project.

Rebel Flag Flies in Barcelona

Jubilant after entering Barcelona, Rebel Navarro troops hold aloft a rebel banner in token of their conquest of the largest Loyalist stronghold.

Barcelona, Feb. 7 (UP)—Rebel Navarro troops held aloft a rebel banner in token of their conquest of the largest Loyalist stronghold.

Grange Head Warns Against Increase in Butter Production

Warning that the production of butter should not be increased in the face of threats of a stationary population level being reached and resultant loss of buying power, was voiced here this afternoon by E. T. Taylor, Coeur d'Alene, master of the Idaho State Grange.

Taylor was principal speaker at the 14th annual meeting of the Twin Falls County Dairyman's association which concluded late this afternoon at the American Legion hall. More than 600 Jerome Cooperative creamery members crowded the hall to hear various reports and also the principal speaker. They also attended a luncheon, held at 1 p. m., at the L. O. O. F. hall.

In warning against an increase in butter production, Taylor said that "it is kept up it will force a lot of people out of the dairy business."

"The price of butter, although we think that it is low right now, will go still lower," the Grange head said. "The reason that the price of butter is falling at the present time is because we continue to produce more butter even though at the same time the consumption is dropping off."

Taylor, during his speech, listed some "reasons why the industry is losing ground."

The reason, as outlined by Taylor, follows:

1. A bad conservation program. The present, the speaker charged, is but a halfhearted attempt to conserve the dairy industry in a point where there is too much of it. He pointed out that some crops are being taken out of production and in many cases are being given away.

At the same time the farmers are purchasing cows to eat the alfalfa. He said that to be truly a conservation program, the crops should not be turned under but sold to the farmers of the soil.

2. Object to a program which subsidizes our branch at the expense of the other. He said:

3. Consumption is being decreased. He pointed out the inability of millions to buy butter because of the present economic situation. He said:

President Says Emergency Now Exists in Rolls

WASHINGTON, Feb. 7 (UP)—President Roosevelt today warned congress that an unemployment relief "emergency exists" and recommended immediate consideration of appropriation of \$150,000,000 more for the works progress administration.

He protested "in human decency" any winter reduction of WPA rolls and said that from 6,000,000 to 8,000,000 persons might be deprived of federal aid in the spring under the economy relief plan approved last month by congress.

His estimate of the number of persons likely to be deprived of aid if congress persisted in refusing additional funds was based on a ratio of three dependents for each WPA employee.

The President announced that relief rolls would be maintained at 3,000,000 persons during February and March regardless of economy proposals and called on congress for funds to permit that rate of employment without unduly reducing the rolls later in the fiscal year.

Emergency Relief
"In my opinion an emergency now exists," the President said in a special message asking that congress reconsider its decision of last month to reduce his deficiency WPA relief appropriation by \$150,000,000.

He said that the emergency was: 1. WPA rolls should be held to the present 3,000,000 persons through February and March. 2. The \$725,000,000 fund provided by congress, if not supplemented, would require drastic reductions of WPA rolls after April 1, with wide spread want or distress.

He contended the 5 per cent limitation suggested that the emergency was: 1. WPA rolls should be held to the present 3,000,000 persons through February and March. 2. The \$725,000,000 fund provided by congress, if not supplemented, would require drastic reductions of WPA rolls after April 1, with wide spread want or distress.

GREAT BLIZZARD HITS NORTHWEST

PORTLAND, Ore., Feb. 7 (UP)—The winter's worst snowstorm struck the northwest today, pushing down from Alaska by a "frigid blast" and bringing to a severe cold wave over the region by tonight.

The storm reached its peak on Sat. Hood where a blizzard brought 70 inches more than six feet of new snow to Timbireline lodge in less than 48 hours.

Blizzards were cleared today to the government's new \$1,900,000 relief fund a score of winter sports enthusiasts had been temporarily closed.

The pulse center of the Oregon coast, the town of Cannon Beach, was reported sighted by the coast guard early today entering the Strait of Juan de Fuca in Washington.

Big blizzards were not seriously mentioned but small craft warnings were issued for Puget Sound, Gulf of the Farallones and San Francisco Bay.

NAMELESS TWINS
BUCHAREST, Romania, Feb. 7 (UP)—Romanian twins, 28 years old yesterday in the village of Timisoara to celebrate their 28th birthday, joined at the abdomen. They died after a few hours.

INDIAN PRINCE, One of World's Richest, Dies
ROMA, Feb. 7 (UP)—Savaii Hau (Savaii Hau), a former shepherd boy who became a millionaire, and one of the world's richest men, died last night of uremia.

His whole life was one of magnificent fortune. One in particular which brought him his wealth was his donations to Great Britain during the World War. These gifts, taken from his private fortune, totaled considerably more than \$50,000 a month for the war's duration and, complementing that, he sent thousands of his native troops to join the British.

His wife died in 1908. His second wife survived him.

During his 62-year reign, he put through many reforms, notably the abolition of infant marriage.

SPANISH REBELS PUSH TO BORDER

LONDON, Feb. 7 (UP)—The Spanish embassy announced tonight that the republican government of Premier Juan Negrin is returning to Valencia to establish a capital and continue resistance in central Spain.

PERFIGNAN, French-Spanish Frontier, Feb. 7 (UP)—Spanish nationalist troops captured Perfignan and Rous, a few miles from the French frontier today, as reports were circulated that the loyalist morale in central Spain was cracking and that definite collapse of the loyalist cause might be near.

Entering Port Rosa, 13 miles below the frontier, the nationalists forced the loyalist troops to evacuate and leave Perfignan to French forces. A battle and a cruise down the coast to Valencia or Cartagena.

Travelers said the nationalists might reach the French-Spanish frontier and capture Perpignan and Rous, thus closing the last highways to France.

Hold Men Back
The nationalists had held their men back since Sunday, to give loyalist troops and civilians time to leave for France. At dawn they moved forward, and the nationalists were forced to retreat.

During his 62-year reign, he put through many reforms, notably the abolition of infant marriage.

PIONEER MATRON DIES ON COAST

With her at the time of death were her husband, and a daughter, Mrs. J. H. Grieve, Dietrich, who had been summoned to the court.

Also surviving are another daughter, Mrs. E. A. Littler, Twin Falls; three sons, Luke V. Sonner and Ward V. Sonner, both of Buhl, and Carl V. Sonner, Dietrich; eight grandchildren and six great-grandchildren.

Aunt of Gooding Resident Passes

GOODING, Feb. 7 (Special).—Funeral services for Miss Helen Medusa Robinson, 78, will be held Wednesday at 2 p. m. at the Methodist Episcopal church. Interment

Miss Robinson had made her home for the past two years with her nephew, R. E. Robinson. She was born Feb. 24, 1860, and she succumbed to a paralytic stroke Sunday evening.

Brothers surviving are S. M. Robinson, Gooding; C. M. Robinson, San Francisco, and J. E. Robinson

**Henry Snoderly, 75,
Paid Last Tribute**
GOODING, Feb. 7 (Special) — Henry Snoderly, 75, who died Friday, was paid final tribute today at 2:30 p. m. at the Christian church. Mr. Snoderly had been a resident

He is survived by his wife, Mrs. Laura Ann Snoderly, Gooding, and the following sons and daughters: Mrs. Lillian Carson, Portland, Ore.; Claude, Ward, Glen and Dan Snoderly, Gooding, and Mrs. Lloyd Bremer, Jerome.

Dances and Songs Supplement International Parade of Dolls

Members and guests of the Business and Professional Women's club were taken on an "arm-chair tour" of the world last evening, as dolls from all corners of the globe were paraded in review by Miss Margaret Seethoff, and as girls from the high school and junior high school presented dances and songs illustrative of the international theme.

Emphasizing the program theme were the unusually effective table decorations, porcelains from the private collection of Mrs. Mildred Macken. A fat-bellied deep blue Buddha on a lacquered stand, stood guard at one end of the table, and at the other end was a kneeling Japanese lady. Small jade pots of cherry blossoms, fashioned of shells; carved Chinese goddesses and other porcelain figurines were placed at intervals the length of the T-shaped table.

Miss Seethoff unfolded the history of dolls from the exchange of life-size replicas of themselves, in lieu of portraits, until the present time when they are the playthings of children.

In addition to her own collection, she also displayed a jointed, knobby doll belonging to Mrs. Dana Powell, which modeled the exquisite crown dress of silk and lace, loaned by a Portland doll collector for the occasion.

Several dolls from the collection of Marilyn North, one of the younger doll hobbyists of Twin Falls, a miniature china doll complete with a wardrobe of 50 years ago, one-time possession of Mrs. Blodgett Gooding, who started Miss Seethoff on her collection with a Chinese doll, and a doll in a cradle, a contribution of the evening from Mrs. Macken, were also shown.

Especially interesting, aside from the colorful costumes typical of the various parts of the world, were the varied expressions on the faces of the dolls of all nations.

Effective Program
The girls' chorus, of which Miss Eulice Ever is director and Harley B. South accompanist, sang an English folk dance in Hawaiian folk song and an Indian chant in the native tongue. Miss June Jones and Miss Jean Nicholson presented an Indian dance in costume.

Miss Ethel McLeary sang the Japanese anthem in Japanese and a Japanese song in English. Miss Betty Painter sang a German lullaby, Miss Mickey Pumpfery sang a selection in Spanish, accompanied by Mrs. Nellie T. Ostrom.

Miss Paloma Poulton and Miss June Peck danced a German waltz, and Miss Mary Lou Olin presented a Chinese hand-and-hip dance. Miss Betty Rometved gave a Norwegian dance. The dance numbers were effectively costumed.

An English folk dance was given by a group trained by Miss Margaret Egbert.

Mrs. Emma Blodgett announced that the "March of the Dolls" party would be held March 20 at the new home of Mrs. Doris Straley. Each member is requested to carry a doll in some means other than her regular vocation, and to tell how she earned it, either in verse or in prose. The money will be contributed to the convention fund.

Miss Mary Ann Heber, Miss Dorothy Lindsey, Mrs. Laura E. Davis, Mrs. Lydia Ann Burkette and Miss Myrtle Anderson were announced as new members. Mrs. M. L. Dunkelacker, Miss Winifred Fryer, Miss Ruth, Miss Egbert, Mr. Smith and Miss North were guests.

Next social meeting of the club was announced for Feb. 20 at the home of Mrs. Margaret Peck, with Mrs. Ella White, Mrs. Frankie Alworth, Mrs. Lora Doss, Mrs. Marian Dunn and Mrs. Bertha Noel as members of the committee.

Miss Trista McCoy announced Miss
