ITALY, FRANCE SEND FLEETS TO SEA U. S. OPENS BARTER CAMPAIGN FOR WAR PRODUCTS

Nation will Trade Wheat, Cotton for Defense Materials

WASHINGTON, April 11 (U.P.)—State department officials set out today to barter for strategic war materials in international trade. The deals will enable the United States and Great Britain to fortify themselves with reserves of supplies badly needed in war-time.

Heretofore, the chief proponents of barter trade have been the totalitarian nations. Secretary of State Cordell Hull and his aides approved a proposal by Sen. James F. Byrnes, D. S. C., to trade surplus wheat and cotton to Great Britain, Holland and Belgium for their surplus rubber, tin and other strategic war materials.

State department officials will soon initiate preliminary conversations with diplomatic representatives of those countries to arrange the proposed deals. This country would urgently need reserve supplies of rubber, tin and nickel in event of war. The European countries would need reserve supplies of cotton, which is a war material, and wheat, for food.

Because the totalitarian powers lack the commodities which the United States requires, they automatically are excluded from the proposed barter arrangement. Observers saw the possibility of an extension of the principle into those countries where German barter deals have seriously curtailed American exports.

No Legislation
The plan requires no legislation, the authorities coming from the reciprocal trade treaty act, but any trade would have to be sanctioned by the senate.

It would require little or no cash outlay. It would, however, require legislation to transfer title of loan stocks of cotton and wheat from growers to the government. The government has made loans on approximately 100,000,000 bushels of the wheat loan of 200,000,000 bushels and 15,000,000 bales of cotton surplus of 14,500,000 bales.

Negotiate for Prices
The prices at which the commodities were traded would be arranged by the state department. Hull, Byrnes and others connected with the plan emphatically denied it would effect the reciprocal trade treaty program. Hull said it was entirely outside the normal channels of commerce, inasmuch as it contemplates deals directly between governments, and for materials intended for reserves in national defense. The reciprocal trade treaty specifically affected private corporations engaged in international trade.

Draft Dodger Visited U. S.

Mother Says

BROOMFIELD, Pa., April 11 (U.P.)—The mother of a draft dodger, Cleveland Bergdoll, said today that he had visited Germany during the World War, disclosed today that he had visited the United States secretly in 1935 when his fifth child, Vera, was born. Bergdoll, 38, said he was a member of the German army and was serving in Germany when he was captured by the British. He was released and returned to the United States in 1919. He was later sentenced to prison for draft evasion. His mother, Mrs. Vera Bergdoll, said she was sure he was innocent.

2 Nations Ready To Meet Italians In Mediterranean

LONDON, April 11 (U.P.)—Great Britain and France sent war fleets into the Mediterranean today to back up Italian diplomatic demands for an end to Italian expansion in the Balkans and the withdrawal of Fascist soldiers from Spain.

Under secret orders to dominate strategic points in the Mediterranean, the warships of the democratic powers were reported massing off the entrance to the Adriatic sea as Prime Minister Neville Chamberlain sought a pledge that Italy would avoid endangering the independence of Greece.

Developments in the Balkans and Turkey frontiers on Thursday unless negotiations with Premier Benito Mussolini take place.

Foreign Secretary Viscount Halifax conferred with Soviet Ambassador Ivan Maisky on the Russian attitude toward latest developments.

Uncertain Factor
Four Soviet warships were in the Mediterranean waters but Moscow remained an uncertain factor in the anti-aggression line-up. Lord Halifax has been attempting to bring Russia definitely into the so-called peace front and British sources expect of Soviet support in event of an emergency.

3. The firm attitude taken by Britain and France appeared to be influencing the smaller European nations which the French fleet to join the British in the Mediterranean as the cabinet met to study developments, especially in Spain.

4. A high British source said arrangements were complete under which Turkey would accept the aid of Italy should invade Rumania or Greece.

5. France's cabinet, estimated to have called up 400,000 men in addition to her normal 650,000 armed forces, ordered the French fleet to join the British in the Mediterranean as the cabinet met to study developments, especially in Spain.

6. The British-French naval precautions put teeth into Britain's decision to give guarantees to Turkey and Greece if necessary, some question sources expressed fear that further attempt to deal with Mussolini would merely give the Italian premier time to make another lightning move against the Balkans. Persistent reports, including those from British and French intelligence agencies, have been that Italy envisages a thrust through Greece to Salonika.

It was believed that an agreement with Mussolini proved impossible. Chamberlain would announce in the house of commons Thursday that he had decided to make another lightning move against the Balkans. Persistent reports, including those from British and French intelligence agencies, have been that Italy envisages a thrust through Greece to Salonika.

Further, it was forecast the government would announce that the British-Italian friendship agreement which provided for maintenance of the status quo in the Mediterranean.

SMUGGLER, WIFE OF JUSTICE GET TERM IN PRISON

NEW YORK, April 11 (U.P.)—The government today completed its prosecution of smuggling operations by persons prominent in the social and entertainment worlds with the sentencing of a master smuggler and a New York state supreme court justice.

Federal Judge Murray Hulbert imposed a five years and three days sentence and a \$5,000 fine upon Albert N. Chaperau, confessed master smuggler whose clients included the radio comedians, Jack Benny and George Burns.

Earlier in the courtroom of Federal Judge Vincent Leibel, Mrs. Emma Lauer, 58-year-old wife of Justice Edgar N. Lauer, was sentenced to three months imprisonment as a second offender after smuggling large quantities of goods for one year, and fined \$2,500.

Benny and Burns, who pleaded guilty to smuggling by means of Chaperau, were given suspended sentences of one year and a day each, placed on probation for that period and paid heavy fines.

Chaperau, self-styled commercial attaché of the Nicaraguan consulate here, had claimed diplomatic immunity from prosecution. His sentence had been deferred pending disposition of the Lauer, Burns and Benny cases.

He had been named in five indictments on 19 counts. When his attorney protested the severity of the sentence in view of the aid he had given the government's case, it was pointed out that Chaperau had faced a possible maximum of 40 years in prison and a \$100,000 fine.

The indictments against Chaperau involved six different transactions in which he smuggled a total of \$100,000 worth of merchandise for Mrs. Lauer, Benny and Burns.

He had evaded yesterday in a telephone bluff and had been rushed to the hospital in the commotion attendant of Campbell President, Newbold Morris, with his wife, Mrs. Morris, in court acting as interne.

Former Mayor James J. Walker, named in the indictment, was in the hospital after his back.

MAIN FRENCH FLEET PREPARES TO SAIL FOR AFRICA

DALADIER CALLS ADDED RESERVES TO AID DEFENSE

PARIS, April 11 (Special)—Naval specialists were called up and all leaves were cancelled today as the main French Mediterranean fleet at Toulon prepared to sail for the North African and eastern Mediterranean coasts.

Joining Great Britain in naval operations, the government also cancelled all Easter leaves for the army throughout France. It was reported that approximately 400,000 reservists had been called up since dictatorial powers were granted to Premier Edouard Daladier in mid-March.

France's normal peace-time armed forces total about 650,000.

Acting in strict secrecy and warning the press not to dwell on alarmist developments, both military and naval authorities are pushing new precautions in view of the tense situation created in the Mediterranean by Italian expansion maneuvers.

French defensive strength is well above the peace time level as a result of strengthening of fortifications, coastal artillery and air force centers, but no definite official figures have been made available regarding the number of reinforcements called.

Since Sunday night, however, a new spirit in the rate of calls was noted as supplementary orders went out, apparently to call back officers and men from leave. The colonial defense organization also has been put on a special footing.

COUNCIL PASSES TAXI CODE HERE

Effective May 10, all taxicabs operating in Twin Falls will be governed by law so far as procurement of insurance and operating licenses are concerned.

Action against this line was taken last night as members of the city council, during regular session, passed on third reading ordinance number 583 which governs the cab.

The ordinance had the approval of all local operators and a clause in the law makes it effective 30 days from date of passage. It was drawn by City Attorney Harry Bennett on instruction from the council.

Provisions of the ordinance include the following:
The license fee shall be \$20 for each cab.

Cab operators must carry property damage insurance of not less than \$5,000. They must also carry public liability insurance for one of not less than \$5,000 and for two of not less than \$10,000.

Violation of any terms of the ordinance will be punishable by a fine not to exceed \$100.

License to operate will be suspended for any violation of the provisions.

Councilmen last night also approved installation of a street light between Locust and Elm on Eleventh avenue east.

Building permits approved by the council included one for C. J. Canyon, calling for the remodeling of a home in the 1300 block on Maple street at an estimated cost of \$3,000.

SHOSHONE VOTE LURES INTEREST

SHOSHONE, April 11 (Special)—The regular biennial election will occur in Shoshone on Tuesday, April 25, and some interest is being aroused in the contest for their trustees to be chosen. The expired terms are those of Charles V. Peck, resigned; Barlow Hickman and Thomas H. Goodrich. It has been stated that two of these will not be candidates for reelection, and it is possible none of them will run again.

One candidate for trustee, William Daniels, has already filed his candidacy, and it is stated that various bodies of friends have imported Frank W. Dice, Ward Wilson, Ed Hahn and several other well known citizens to make the race.

The board of trustees consists of five members, the judges being Ben Darrah, present mayor, and Jack Christensen. The mayor is chosen by the board after election. The village clerk is Charles U. Allis.

POWERFUL SCOUT BASEBALL LEAGUE FORMED

Play Opens May 7 In New Loop; Officers Elected

Eight of the best baseball towns in south central Idaho today were set for a season of play in the old South Central Idaho league—a loop that has sponsored some of the better diamond campaigns in this region of the state.

The members of the loop this year, apparently set up on a much sounder basis than in previous seasons, will be Kimberly, Eden, Hagerman, Shoshone, Burley, Teton, Gooding, Wendell and Buhl. It is possible that Jerome players may figure in the Eden lineup.

That loop is expected to present the strongest eight-team league in many a year in this section and will see the fastest strictly amateur teams in the state in action.

Play Starts May 7

League play is scheduled to get under way on May 7 and continue for 14 Sundays. Final loop contest will be on Aug. 12, with July 2 set as an open date. The same game will be played each week.

At the meeting last night, attended by 35 baseball followers from 12 south central Idaho towns, Hal Wood, Idaho Evening Times sports editor, was elected president; Norval Rutherford, owner, vice-president; and Bob Werner, Twin Falls, secretary-treasurer.

It was voted that each team in the league put up \$25 fee and before May 1 to become eligible to play. Of this amount, \$15 is a forfeit that will go to the opposing team if a club fails to show for the contest. The other \$10 will go into a league pool that will be divided among the four teams finishing at the top of the standings.

Split Season

A split season will be played, with seven games in each half. If one team fails to win both halves, then a play-off series will be inaugurated with a three-game set scheduled to decide the champion. First play-off is scheduled for Aug. 20, second for Aug. 27 and the third, if necessary, on Sept. 3.

The first half of the season may be the selection of an all-star team to compete against the Twin Falls Cowboys of the Pioneer league. A basketball centennial game on June 12 at the Twin Falls park under floodlights.

The game was broached by Business Manager Hugh Pace of the Cowboys, who could not guarantee the date, however. The assembly voted unanimously to participate in the baseball celebration.

The members present voted that each club should have four players—but that one of four major brands be used. Four firms' games were named to select from—Spokane, Wilson, Goldsmith and Reisch—and the ball must be the No. 1 product.

Admission Price

Prices of admission for all league contests was set at 25 cents for adults and 10 cents for children. Home teams take all home gate.

The schedule will be drawn up by President Wood and will be announced in the next week before the season opens.

Jerome, a member of the loop in previous seasons, dropped out last night when it was announced that due to reconstruction work, the team would have no place to play.

Officials and representatives present at the meeting were:

Gooding, L. J. Ballinger; Buhl, Maurer Dunlap; Wendell, Bob Barrett; Teton, J. J. Ballinger; Eden, Ray Henry; Jerome, Ben Croucher; Hagerman, Tommy Hunsaker; Burley, Harold Phillips; Shoshone, E. W. McKelvey; Kimberly, Carlos Livingston.

Shoshone Set For Loop Play

SHOSHONE, April 11 (Special)—It is expected by W. M. Edwards, manager for the Shoshone Indians baseball nine, that he has one of the best combinations in sight for the South Central Idaho Baseball league.

The local boys have been practicing field work and diamond play for several days and have plenty of what it takes to send a ball team to town, have all sorts of speed on the ball and are well known throughout the district for their teamwork. As they closed the first half of the schedule last season in second place, and the last half in third place.

It appears under the reconstruction plan that the present ball park will be overhauled and ample improvements made and local fans are asking that the city sponsor the proposition. The community is again baseball mad and the aggregation of players is about the fastest that Shoshone has produced in many years.

Of the 1938 squad who will again be on the team are Tommy Bell, William Thompson, Robert Haddock, Les Mettler, Leroy Carothers, Joe Broyles, Norval Rutherford, Clayton Stewart, Joe Padgett, Elmer Kerley and Charles Martin.

Riggs Ranked at Top in Net Meet

CHATTANOOGA, Tenn., April 11 (AP)—Top-ranked Bobby Riggs of Chicago and other seeded names today expected to have little trouble in joining Wayne Sabin of Portland, Ore., in the second round of the Tennessee valley invitation tennis tournament.

Biggs, seeded second, defeated Fred of Chattanooga, 6-1, 7-6, 6-4, yesterday.

George Wright, shortstop and brother of the Red Stockings manager, was the highest paid player of the day. He received \$1400 for the season.

The Red Stockings were undefeated and tied only once in the 59 games that comprised their first professional campaign. They beat the best in the east and Midwest and traveled to the Pacific coast.

BOATERS SET FOR ANNUAL REGATTA MAY 14

Cowboys Back At Spokane Training Camp

With the COWBOYS at Spokane

Dear Hal old Pal:

Mr. Eddie said to the pitchers to curve them and they did and I hit fine until our practice game started and Mr. Eddie said you are in shape? I said yes I am but the training camp, fair of spuds and pie and milk I am not used to as last year all I had was beans and buns and he said don't worry as you might get it this summer again.

In one instance, I will admit that I did not do right. I coached 3rd base and they must have got my signals as De Carlo, Anderson and Hiller all slid into 2nd base at once.

I tried to change my pitching stretch to day and Mr. Eddie said what I throw and I said a screwball and he said you cannot only throw one, you are also one. I don't get it. Will rise again Hal old Pal.

Your friend,

DICKORY.

Zip-Way Upsets Studebaker In Pin Race

Studebaker, up in the thick of battle for a money-spot in the Commercial league bowling standards, dropped two out of the three to the second-division Zip-Way quintet.

The winners were led by Al Westergren who had a 583 total for three hits. High single game went to Ted Emerick of the losers with a 213.

In the City League, Emerick's two out of three from Budger as Filmore set the pace with a 524 count.

Grove Hurls for Red Sox Today

PETERSBURG, Va., April 11 (AP)—The Boston Red Sox sent Lefty Grove to the mound against the Cincinnati Reds today. Boston won 4-3 in 10 innings yesterday when Johnny Fox broke up the game with a home run.

Meer, in his first start of the season for the Reds, gave up two runs in the four innings he worked.

First Professional Club

The Cincinnati Red Stockings renounced amateurism and became the first professional team in 1869. They were managed by Harry Wright.

The fact that the current Cincinnati Reds have the longest-used name of any baseball club is attributed to the manner in which the Red Stockings' uniforms carried the public eye. The players wore short pants, red socks and peaked caps.

NOVA STARS TRAINING

NOT SPRING, Ark., April 11 (AP)—Hot Flava, the country heavy-weight who meets Max Baer June 1 in the first of the summer outdoor fights, began a two-week preliminary training period here today.

LaMaster Rests After Operation

ST. LOUIS, April 11 (AP)—Wayne LaMaster, Brooklyn Dodger pitcher, was resting comfortably today from his elbow operation. Dr. Robert J. Hyland, who has performed similar operations on other hurlers, reviewed the case of LaMaster, who left elbow joint yesterday. He said LaMaster would be on the sidelines for six weeks.

Billiard Tourney Nearly Ended

NEW YORK, April 11 (AP)—The world three-cushion billiard tournament, nearing its end today, with only five matches left to be played.

Otto Reichel, Philadelphia, closed his campaign last night, breaking even on his home table with Arthur Thurnblad, Kenosha, Wis. The split gave him fifth place in the standings.

Johnny Layton, Hartford, Conn., fourth in the standings, won two from Clarence Jackson, Detroit.

Breezing Along on Record-Breaking Spree

S. Mortimer Auerbach leaves a horseshoe of silver spray in his wake as he sweeps around a curve in his Emancipator VII at Miami, Fla., where he broke five international speed records in one day. Auerbach, 24 miles and one hour in the unlimited class.

Poffenberger Should Fit Nicely With Daffy Dodgers, Thinks Mac

WINSTON-SALEM, N. C., April 11 (AP)—When Cletus Ellwood Poffenberger was named Cletus Ellwood Poffenberger his fate was sealed.

When his parents gave him that name 24 years ago they might not have had a clue as to what his chubby wrist marked. "Destined for the Brooklyn Dodgers."

Now, after many years of unhappy association with other ball-club teams, Cletus Ellwood Poffenberger is with the Dodgers, having been purchased from the Detroit Tigers during the coming summer he will do his pitching near the banks of the Gowanus canal, the laughing stream, which, in keeping with the Brooklyn players, wanders meaningless around Edgett field.

I want to say when Cletus signed his Brooklyn papers but I imagine those that were could find the faces slapping him on either.

JACOBS NEWS SELL-OUT
LOS ANGELES, Va., April 11 (AP)—Mike Jacobs, co-promoter of next Monday's Joe Louis-Jack Dempsey heavyweight championship fight, predicted a gate of \$150,000 Monday night. He was so cheered by a heavy advance sale that he promised to stage a heavyweight championship bout here every year if this one is a sellout.

High Baseball Officials See A's Down Duke

DURHAM, N. C., April 11 (AP)—High baseball officials were in the stands here when the Philadelphia Athletics downed the Duke university nine, 19-2, in a game celebrating the 100th anniversary of the founding of the southern institution, formerly known as Trinity college.

Jack Coombs, former A's stellar moundman and now coach of the Blue Devils, introduced manager Connie Mack and Baseball Commissioner Kenesaw Mountain Landis to the crowd.

Coastal Nines In New Series

Los Angeles was off to a flying start in the Pacific Coast league season here today as the eight teams prepared for a new week's series.

The league-leading Angels opened against Portland tomorrow at Los Angeles; San Francisco opens in San Diego; Seattle meets Oakland at Oakland; and Sacramento hopes to break its 10-game losing streak while playing host to Hollywood.

Clayton Kistner, pitcher, left Beverly manager-first baseman of the Portland Beavers, leading the league at 42. Others in the first five were Joe Judge, Hollywood; English, Los Angeles; Rip Collins, Los Angeles; and Archie, Seattle.

South America To Support Detroit In Olympic Bid

DETROIT, April 11 (AP)—South American countries will support Detroit's bid for the 1944 Olympic games, according to Frederick C. Olcott, chairman of the Detroit Olympic committee, who recently toured South America, China and the Philippine Islands also have pledged support.

London is campaigning against Detroit.

Buhl Jaycees Prepare for Water Races

BUHL, April 11 (Special)—Boaters from over this entire section of Idaho, including Twin Falls, Pocatello, Nampa and Boise, today started to get their equipment into shape for the second annual speed boat regatta and water carnival which will be held at Thousand Springs, 14 miles west of here on highway 30, Sunday, May 14.

The event, which will attract Idaho's speediest boats and most experienced operators, will be sponsored by the Buhl Junior Chamber Commerce and Charles Wing, owner of Thousand Springs park. Also cooperating will be members of the Southern Idaho Boating club, under the direction of Dexter, Twin Falls, president.

All Events Open

All events this year will be open and entries are expected from over this entire section of the state. The racing course is some three miles long and several hundred feet wide. Improvements in the equipment of piers and provisions for "warm up" racks for the powerful motors have been added since last year's events, which attracted 38 craft.

Advance publicity for the races includes a motor caravan which members of the local Jaycees will participate. The caravan will cover southern Idaho.

Parade Through Buhl

One of the boats through Buhl at 10 a. m. on the 14th will officially start the meet. Ample space for picnic grounds is available at Thousand Springs and the 3,000 crowd of last year is expected to be topped next month.

One of the entries in the races is expected to be J. C. Stuart, Nampa, who set an American record of 52.55 miles per hour for F class boats at Lake Elmore, Calif., a year ago.

List of entries and also a generous prize list will be announced later, those in charge said.

Shoshone Pushes Chamber's Drive

SHOSHONE, April 11 (Special)—The new membership drive by the Chamber of Commerce is under way and with a portion of the village covered a preliminary report by the committee on the material gain, and considerable activity is planned for the year ahead.

The chamber has been taking an active interest in the promotion of good roads leading to Shoshone and has the assurance that operations of the village will develop as some projects are officially cleared and awards have been made on bids submitted to the state highway department.

GALAN TO HOSPITAL

CHICAGO, April 11 (AP)—Angie Galan, sparkling of the Chicago Cubs outfield since 1935, was ordered to a hospital today by the club manager, Fred Hunter, after he was injured in a game.

Angie Galan, number one of 1938, and James Christensen, rangy player from Idaho Falls.

Skunk

SHAWNEE, Okla., April 11 (AP)—Not all skunks have white stripes down their backs. There is a species known as "little spotted skunk," and that is why Fred Chief W. W. Wicker, and about 200 of his "Rock" Cannon ride the rear of the fire truck these days.

**BLOOM EXPECTS
LINDY TESTIMONY**

WASHINGTON, April 11 (UP)—
Rep. John Bloom, N. Y., told the
house foreign affairs committee
today he expects Col. Charles A.
Lindbergh to testify before it on
neutrality legislation.

Bloom is acting chairman of the
committee. On Sunday he wire-
teamed an invitation to Lindbergh,
who is en route to the United States
on the Aquitania. Lindbergh re-
plied today he would "communicate
with you directly on arrival."

"I take it we will have the honor
of having Col. Lindbergh before the
committee and arrangements will
be made accordingly," Bloom said
after reading the colonel's message.

He made the announcement shortly
after the house committee opened
hearing on more than a dozen bills
proposing changes in the neutrality
act.

DAM RITES OPEN RUPERT'S EASTER

RUPERT, April 11 (Special)—Easter opened in Rupert with a 9:30 sunrise prayer meeting at Minidoka dam. This service was sponsored by the young people's organizations of the various churches of the town and consisted of the following program announced by Fred Rols, of the Trinity Episcopal church: Group singing, led by Rev. J. A. Johnson, pastor of the Pentecostal church; Scripture lesson, Miss Cleo Madden; prayer, Rev. E. Leslie Rols, pastor of the Episcopal church; a reading, Miss Mavis Schuebach; vocal number by a double quartet from the Pentecostal church; sermon, Rev. O. L. Johnson, pastor of the local Baptist church; benediction by Rev. Albert B. Barrett, pastor of the Methodist Episcopal church.

Following the early prayer service the attendants were breakfasted guests at the Methodist, Baptist and Christian churches.

Other outstanding church services of the day were 11 o'clock choral communion at the Trinity Episcopal church; baptismal services at the E. church for Diana Kall, from Lewis Krivanec, Mr. and Mrs. David Schorzman, and family, Christina, Adele, Vera, Ella, William, Viola and Cora Schorzman; Donald Blaney; Leroy Trenballe; Mr. and Mrs. M. Graham; Harold Vanderwart; Eller Watson; and Mexican Emma; and the Episcopal church to a training class in church membership and Christian living of the following boys and girls: Keith Smith, Alice Ann Barrett, Kenneth Tyler, Bobby Culbertson, Ross Franklin Lutz, Elsie June Cameron, Gladys Craig Cox, who will be admitted into full membership May 7.

Music and Reading
Special program of music and reading was presented at the Christian church by Mr. and Mrs. Stanley O. Morelock and Mrs. Wesley O. Shurtliff and sermon by Walter Harrison of Jerome.

The day closed with a sacred cantata, "The Resurrection and the Life," at the E. church presented by the choir of the Methodist and Christian churches under the direction of D. L. Carlson with Mrs. Floyd Britt at the piano. A special Easter reading by Mrs. W. O. Shurtliff.

RUPERT

Under the general supervision of the president, D. L. Carlson, the Rupert Lions' club entertained in honor of their companions with 7 o'clock dinner Thursday at the Fred's club cafe. Following the banquet entertainment was provided with a musical program given by Mr. and Mrs. Stanley O. Morelock and group of their pupils. The evening concluded with Chinese checkers and cards.

Mr. and Mrs. Robert Carlson entertained at their home Thursday with dinner and bridge for the members of the E. M. club and two guests, Mr. and Mrs. A. C. DeMay. The Easter motif was carried out in floral decorations for room and table and in favors and score cards. Prizes for high score were awarded to Mrs. Glen Hansen and C. W. Dahl.

Roy Cunningham, Jr., arrived from Boise and was guest of his parents, Mr. and Mrs. Roy Cunningham, until after Easter.

Mr. and Mrs. Joe Dolan were local and hostess at their home Thursday evening to members of the Thursday club with dinner and bridge. Honors in cards went to Mr. and Mrs. Reed Hansen.

Mr. and Mrs. T. O. Davis, former pioneer residents of Rupert, accompanied by their granddaughter, Maxine Miller, arrived Wednesday from Boise where they now live and are guests of their daughter, Mrs. Gordon Goff, and family.

Word received here told of the arrival of a daughter, Ruelle Anne, in Gooding to Mr. and Mrs. Ralph Donaldson who formerly lived here. Mrs. Donaldson was Miss Anna Mae Dunn.

Mrs. Ida Wheeler entertained the members of the Bachelors' club and two guests, Mrs. J. W. McAllister of Arco and Mrs. Hortense Wainall, at her home Thursday afternoon. House and table decorations, favors and tally cards featured the Easter idea. Honors in bridge went to Mrs. Clarence Phillips and Mrs. Virginia Funk.

"The House That Thins Thins" was the title of a paper presented Thursday by Mrs. H. M. Carter to the Rupert Women's club. The session, presided over by the president, Mrs. Alan Goodman, was held in the city room of the hotel building. In her talk, Mrs. Carter featured the newest and most up-to-date electrical equipment and appliances for the modern home. Other program numbers were two vocal songs, "Olm As the Night" and "Shoutin' Thins" by Leila Lee, accompanied at the piano by Mrs. Homer Bell.

The Hollister Art class met Friday at the home of Mrs. Ella Abbott, Mrs. H. E. Davis was in charge.

Mr. and Mrs. Joe Abbott have been at Mackin Hot Springs the past two weeks.

Hollister chapter O.E.B. will meet April 13 at 8 p. m. in the Masonic hall. There will be initiation.

Thirty thousand dollars' worth of new gasoline pumps were sold in the United States in 1937.

LINCOLN'S ROADS TO BE SURFACED

SHOSHONE, April 11 (Special)—The local district office of the state highway department announces that surfacing work will shortly be under way in various parts of this area, states C. A. Kelly, district engineer. Weather conditions and dampness of the roadways has generally retarded work and operations have been confined to patching. Crews were started at patching a both the north and south sides of Snake river out of Twin Falls, and actual paving will start in May.

Along with other contracts let during the past week by the highway department it was figured that work would be authorized on the Grand View canyon road within the next few days as bids were to be opened Friday.

While some preliminary work on repaving 93, north of Shoshone, has been going on, it was stated that paving operations will be in full swing within a short time.

Engineer Kelly stated that the highway was open over Galena summit and to Challis, but that it is very icy most of the way to Salmon. They took up Warm Springs canyon from Kelchum, it is understood, will shortly be opened for the forestry department, as it is not a state road. Mining operations in the Shoshone district will greatly advance the opening of the highway.

MURTAUGH

Mr. and Mrs. Roy Christofferson were honored at a wedding shower at the L.D.S. recreation hall last week. The program included a luncheon by Joyce Browning and readings by Elizabeth Moats and Margaret Lindau. Music for the dancing was furnished by John B. Deline and Alvin Schurle. The honorees received many beautiful and useful gifts.

Mrs. Alma Wright was hostess to the Glendale Ladies' Aid society Thursday, assisted by Mrs. E. E. Wright, and Mrs. E. E. Hufford. Mrs. Wright was in charge of the program which included a reading by Mrs. A. M. Hoover. Devotions were led by Mrs. Georgia. The Murtaugh group met at the home of Mrs. Oliver Johnson with Mrs. Charles Johnson acting as assistant hostess. Devotions were led by Mrs. Betty Hill. Mrs. Roy Jackson, Twin Falls, and a former member of Aid society, was present.

Mr. and Mrs. Loy Davis gave a supper Friday for 22 relatives, who came to visit Mrs. N. R. Davis, who is ill at her son's home.

Mrs. Alvin Koenig gave a bridge party at her home Thursday. Mrs. Rex James and Mrs. Alton Hall won honors. The group formed a club which will be called "The Koenigs."

Mrs. Mary Jane Johnson, Lewiston, Ida., was a guest.

Mr. and Mrs. Alvin Puckett accompanied by Mrs. W. G. Hardy, Burley, and Mrs. Wesley Pugh, Twin Falls, have gone to San Jose, Calif., where they were called by the illness of their step-mother, Mrs. N. Puckett. They expect to visit the fair at San Francisco before their return. Mrs. Frank Love accompanied them as far as Portland.

Don Slanker left for Salt Lake Wednesday morning where he will take medical treatment from a specialist.

Mr. and Mrs. Max Applebaum of California are visiting their parents, Mr. and Mrs. Harry Applebaum.

Mrs. Mabel Langford, Seneca, Mo., is visiting her sister, Mrs. George, and also Glenn Briggs, her cousin.

Wagner Defends His National Labor Act

NEW YORK SOLON TERMS MEASURE EMINENTLY FAIR

By RONALD G. VAN TINE
WASHINGTON, April 11 (U.P.)—Sen. Robert F. Wagner, D. N. Y., today defended the basic principle of the national labor relations act as "eminently fair," but said he would support "with appropriate amendments" a change that would give employers "caught between the competition of rival groups" the right to petition for collective bargaining elections.

Wagner said he thought the national labor relations board could institute such a change under its rule-making power.

"But it is not," he continued, "that should be legislative work that should be left to the board. It is a matter of principle, which I do not now see why such a change would impair the objective of the act."

First Witness
Wagner, who sponsored the labor act of 1935, was the first witness at the hearing before the Senate education and labor committee which is considering changes in the act proposed by the American Federation of Labor and by various business and industrial groups.

Charges by the Congress of Industrial Organizations, which opposes any change, that the AFL, the U. S. Chamber of Commerce and the National Association of Manufacturers had entered a "conspiracy" against "fair employers, against labor and against the welfare of the general public" were a prelude to today's hearings. AFL President William Green replied that the charges of "conspiracy" were "untrue and without foundation."

Last Viewpoints
Wagner concluded his testimony with the following summary of his viewpoint:

- "1. The labor act has been an effective instrument for economic peace and industrial justice.
- "2. A powerful minority is trying to destroy rather than perfect the act.
- "3. Amendments proposed by labor groups and labor's friends deserve most careful consideration.
- "4. Amendments attempting to make the act 'fair' by placing new restraints on labor would result in a return to its earlier status of economic underling.
- "5. Amendments proposing drastic administrative changes would weaken the traditional type of informal tribunal where average man has better chance to be heard.
- "6. Within a comparatively narrow field, there may be changes which these hearings will reveal to be sound in principle and practical in operation.

Wagner testified that the labor act promoted "economic peace and industrial justice," and appealed to all believers of economic democracy to make sure that "whatever may be done to the act is done in furtherance of its noble objectives."

TEN PRISONERS GIVEN CLEMENCY

BOISE, April 11 (U.P.)—Clemency was granted to 10 inmates of the Idaho penitentiary by the state board of pardons and paroles at an eight-hour session yesterday, at which more than 130 cases were considered.

Those pardoned included Calvin Newland, Blaine county and Mendocino Davis, Ada county, cattle rustler; Harry Yurkin, forger, Twin Falls; A. M. Winn, Ada county, embezzler; Riley Oshorn, Payette county, statutory crime; Tom Sims, Blaine county, forger; Clarence Jones, forger, Jerome; Wayne Cox, Valley county, burglary; Alvin Clark, jailbreaking, Blaine county; Frank White, forger, Canyon county.

In HOLLYWOOD Today

Motion pictures designed principally for areas outside a war-torn continental Europe will be the goal of the film industry in the future, according to President Barney Balaban of Paramount studios.

With settlement of Stan Laurel's lawsuit against the studio, plans were announced for the anticipated comedies to co-star with Oliver Hardy in a picture to be produced by Boris Morros.

Buck Jones, cowboy actor, held judgment for \$24,000 against Universal studios, following a ruling in his favor by a superior court judge. The western star had sued for that amount, which he charged the company withheld from his share of the profits in a series of pictures he made several years ago.

Film producer Clarence H. Rogers changed the name of his recently signed starlet, Jacqueline Oako, to the name of her home town, Denver, and the nine-year-old girl will appear in Bing Crosby's next picture.

Bott Aims Sarcasm at Curtis on Veto Affair

By GOV. C. A. BOTTOLFO
BOISE, April 11 (Special).—This week to the governor's office, legislative measures which to all appearances have been properly vetted but which imposed upon the state George Curtis intends to have incorporated in the session laws.

Curtis sent the bills to the printer after receiving from Atty. Gen. J. W. Taylor an opinion which put forth two conceptions of the matter.

Taylor ruled that although the legislature had actually not finished its work until the early morning of March third, the legislature's resolution to adjourn at 10:45 p. m. on March 2 set the time of adjournment.

But, he added, since the journals of both houses showed the actual time of adjournment in addition to the desired time of adjournment, the legislature's resolution to adjourn at 10:45 p. m. on March 2 set the time of adjournment.

His ruling left the matter just as it was. The vetoed bills had been sent back to the houses of legislation by the governor's office for retransmission to the legislature's office within 10 days after the legislature's transmission to the secretary of state.

Through an error they were not, and the bills reached the secretary of state on March 15.

Plenty of Time
They reached the secretary of state in plenty of time, nevertheless, since the legislature actually did not adjourn until March third, which, not counting Sundays as the day of "collusion," was "untrue and without foundation."

Last Viewpoints
Wagner concluded his testimony with the following summary of his viewpoint:

- "1. The labor act has been an effective instrument for economic peace and industrial justice.
- "2. A powerful minority is trying to destroy rather than perfect the act.

ORCHESTRA POST FILED BY BOARD

Handling of orchestra at Twin Falls high school and Junior high will be taken over next year by the school board, said the board today.

Smith, son of a Methodist minister at Neche, N. D., was approved unanimously for the orchestra post on recommendation of Supt. Homer M. Davis. He will handle the musical in addition to part-time instructional duties in academic subjects.

North Dakota Graduate
The new instructor is now completing his third year on the Kimberly faculty, where his orchestra has uniformly rated high ranking.

He attended Jamestown college at Jamestown, N. D., and was graduated from the University of North Dakota. He taught music and other subjects at Neche before coming to Kimberly.

Selection of a band instructor, who will also teach part-time in academic subjects, will be made soon. Chas. R. Smith, principal, said band teachers termed the best in the state.

Since both orchestra and band instructors will also be teaching during their time in academic work, filling vacancies which will occur, the move to college for music actually will cost no more than one full-time music salary.

Hurley B. Smith, present leader of the high school pep band, was in line for the orchestra or band positions but decided instead to return to college for work on a master's degree.

Securities Committee
Chairman George J. Ward last night selected a two-man committee for the regular inspection of bank securities, backing the district's deposits. Ralph Pink and John Soden were appointed.

At query from Mr. Pink, Supt. Davis announced that some type of exercise will be held for junior high school students to enter into high school at the end of the present school term. The exercises, however, will not be a formal "graduation" since the youths will have three years to go to high school.

BOARDS DISCUSS CONSOLIDATIONS

OAKLEY, April 11 (Special).—First of a series of school board meetings to discuss proposed consolidation was held last week in the seminary building.

Members of the Oakley, North Oakley, Marion, Bash, Warm creek, Island and South Oakley school boards were present to talk over, under direction of Supt. Florence D. Haight, the consolidation suggested for those districts.

Other meetings will be held in the near future to consider the same topic.

Inter-School Banquet will Be Held Here

At a student council meeting at Twin Falls high school yesterday arrangements were started for an inter-school council banquet, tentatively set for May 4.

Two representatives from the student councils of the following schools, Burley, Blaine, Jerome and Piler will be invited by the Twin Falls group.

General chairman is Bruce Evans. In charge of arrangements is Mac Johnston. Reception committee is Jean Schwendeman and C. F. Winters.

Last year the first of these banquets was held by Twin Falls, with Burley and Blaine invited.

4 YOUTHS ENTER PLEAS OF GUILTY

DENVER, April 11 (U.P.)—Four Utah young men who embarked on a crime tour to "get tough to make a play for fame," pleaded guilty to charges of aggravated robbery late yesterday and were given a week to meditate before receiving sentence.

The youths, who admitted robbing three Denver drug stores the night of March 27, were Fritz Decker, 17, Milton Condie, 20, Eugene Nedeker, 17, and William Burton, 19.

All were former inmates of a Utah reformatory. District Judge Robert W. Steele was told, and planned an extensive crime tour while confined in the institution.

Judge Steele said he would sentence the youths next Monday. Conviction on charges of aggravated robbery carries possible sentence of two years to life imprisonment.

The boys committed more than 30 robberies in 20 days in cities from Los Angeles to Denver, Condie testified.

NEGROES BURN TO DEATH

CHICAGO, April 11 (U.P.)—Six Negroes were burned to death or suffocated and eight others were injured early today in a rooming house fire which William Warren, a 21-year-old Negro janitor, confessed he had set for "revenge" against the owner.

SLAYER EXECUTED
COLUMBIA, S. C., April 11 (U.P.)—Edward L. Humphrey, 52-year-old farmer, was executed in the South Carolina electric chair today for slaying his wife with a poker.

There's a Good Reason You're Constipated!

When there's something wrong with you, the first rule is, get it fixed. If you are constipated, don't fiddle around with makeshift remedies. Find out what's giving you the trouble!

Chances are it's simple if you eat only what most people eat: meat, bread, potatoes. It's likely you don't get enough "bulk" — and "bulk" doesn't mean "bulky." It's a kind of food that isn't consumed by the body but passes through it and helps a bowel movement.

If that fits you, your ticket is a crisp, crunchy breakfast cereal — Kellogg's All-Bran. It contains the "bulk" you need plus the great intestinal tonic, vitamin B₁.

Eat All-Bran every day, drink plenty of water, and just watch the old world grow brighter! Made by Kellogg in Battle Creek.
