

GERMANY TO SEND 40 SHIPS TO SPAIN ON SPRING CRUISE

BERLIN DISTRICT ARMY ROLL CALL OPENS CAMPAIGN

By EDWARD W. BEATTIE, Jr.
BERLIN, April 14 (AP)—Announcement of a roll call for the army district of Berlin today and a "spring cruise" of an estimated 40 warships to Spanish ports came today as Adolf Hitler stated his reply to recent "element" plans of Great Britain and France.

Newsday advised reversals of all classes of the armed forces that a roll call for the Berlin area would be held next month and that all recruits must attend.

Details would be announced on public bill boards April 25. Such roll calls were traditional in pre-war Germany. Hitler reviewed them several years ago.

Old Tradition
The propaganda ministry announced the spring cruise as a replacement of the old tradition of the German navy, broken off by the Spanish civil war.

Some neutral observers are inclined to connect the cruise announcement with a Mediterranean situation, and to suggest that it was a move to strengthen the strategic position of the "axis" powers at sea. It was broken out, the German squadron could either cooperate as a unit in the Atlantic or the Mediterranean or could disperse and fight as guerrilla raiders on commerce ships.

News of the roll call, providing a check on all men liable for army service, and the cruise, came as Hitler studied his policy at his mountain villa in Bavaria.

Blow at Encirclement
Another German blow at "encirclement" plans seemed indicated by the rising bitterness of the invective press against Great Britain. Articles were such as to remind observers of the war time "Gott with England" campaign.

It was uncertain what move Hitler would make. But it was believed the action he might take would be aimed primarily against Britain, with the possibility that Poland, also, might receive a token of his displeasure.

It was forecast that any action would be diplomatic. Speculation centered on the possibility Hitler might denounce the British-German naval limitation treaty and the German-Polish non-aggression treaty.

COUPLE HURT AS AUTO OVERTURNS

GOODING, April 14 (Special)—Injured when their motor car hit a "soft" shoulder on U. S. 30 and overturned half a mile west of Bliss, a Twin Falls man and wife were recuperating today.

Mrs. W. C. Skinner was in Gooding hospital but was reported in good condition. Her husband, head representative in a Twin Falls seed concern was released Thursday. The accident occurred at 3 p. m. Wednesday.

Mrs. Skinner suffered severe injuries to her back. Mr. Skinner was injured and suffered shock. State police who investigated said that the car, a 1932 machine, was heavily overloaded and had its top crushed in.

Jerome Gets Ten Tons of Hopper Bait

JEROME, April 14 (Special)—Ten tons of federal government bait to be delivered in Jerome within the next few days. It was announced today by Eugene W. Whelan, Jerome county agent. The bait will be used in the process of exterminating the most pestiferous and the most numerous of the trout-eating basses in the lake.

Only localized areas were infected last year. Mr. Whelan said, but according to the latest number of eggs which were laid last year the pests are greater in number and will increase larger areas.

John Zickel, Boise state game-hopper control leader conferred with the local county agent Thursday on the problem of a baiting station where bait, washed and assayed will be prepared and mixed into proper consistency will be set up here to deliver for the farmers' use.

Some question has arisen as to the danger to game birds and chickens in eating this bait or eating the poisoned hoppers, but it has been proved after a thorough careful experimentation in Wisconsin and in Oklahoma, that there is no danger to birds in eating the bait or the poisoned hoppers.

However, Mr. Whelan states it is dangerous to handle arsenic and it is not enough to wear a mask and avoid where birds or animals may have access to it, there is the possibility that some may receive sufficient amounts to cause death.

Nevada Marriage Told to Friends
JEROME, April 14 (Special)—Announcing the marriage of Miss Ann Andrews and Cecil W. Wray, which took place Feb. 10, at Winnemucca, Nev., Miss Dean Clark was hostess of a charmingly arranged party at her home this week.

The aping theme was carried out in the table decorations and four cakes of confectioner's sugar were placed on a desert supper. Honors for cake were received by Miss Lillian Hunt and Miss. Brown Jones.

Trying to Gang Up on Me, Huh?

IDAHO LIVESTOCK CONDITION GOOD

BOISE, April 14 (AP)—Idaho cattle are in excellent condition with light losses during the winter, the bureau of agricultural economics reported today.

The Idaho farmer looks forward to the favorable prospect of good weather, favorable growth of early spring grasses, abundance of cheap feed and a brisk demand for cattle with but few sales.

The large carcasses of hay and grain tend to encourage an increase in the numbers but grazing restrictions will probably prohibit much expansion.

Sheep were reported in the best condition in several years. March weather was favorable for lambing and losses were light with a better than average lamb crop percentage expected.

GROUP APPROVES CANAL BUILDING
WASHINGTON, April 14 (AP)—The house rivers and harbors committee on a vote of 10 to 7 today reported favorably a bill by Chairman Joseph E. Manly, D. Tex., authorizing construction of the \$200,000,000 Snake River canal.

President Roosevelt recently asked the committee to authorize construction of the canal, which would be started several years ago with regular funds but halted when congress refused to appropriate additional funds. Mr. Roosevelt, in asking resumption of construction, said the project would be commercially valuable and vital to national defense in the Caribbean-Gulf of Mexico area.

He estimated that tolls from the canal would eventually amortize the cost.

Estimates of the cost have varied widely. From \$100,000,000 by Sen. John D. Bailey, chief of army engineers, to \$200,000,000 by the board of army engineers.

SOFT COAL FIGHT STILL UNSETTLED
NEW YORK, April 14 (AP)—Court regulations for the Appalachian coal industry continued today, with the industry claiming that the new regulations are unconstitutional and that the industry is being treated with bitterness and distrust.

While reports of coal shortages piled up and supplies dwindled, representatives of 33,000 United Mine Workers and 2,000 operators in the east-coast area resounded in a double lock which, if not broken, threatens to force suspension of coal mining throughout the nation.

At the conclusion of yesterday's fruitless sessions the negotiations for the third time this week, announced reports to the conference room and in their presence blamed each other for the stalemate.

Crown for Hitler?

Bishop Van Stylen-Nah, abbot, former president-procurator of the Holy See, long in exile in the U. S., predicted in Boston newspapermen that Adolf Hitler would be crowned "emperor of a new Holy Roman empire" possibly on next Christmas.

Sister Named to Close Estate of Air Crash Victim
The sister of Harry Trimble West, Jr., Kinloch, a pilot who died in crash-up of a biplane at Gooding, Idaho, on March 18 at Alder Wash, was nominated today as administratrix of his estate.

She is Mr. Margaret Evans, Kinloch. In a petition filed in probate court the widow of the pilot, Mrs. Harold A. West, Beattie, requested appointment of Mrs. Evans.

Value of \$100,000, the estate consists of a third interest in about 200 acres of land, land part of the land was involved in estate of the air victim's father, Harry T. West, a first class, captain-rear admiral and piloter. Mrs. Evans is a rancher.

Her husband in the petition filed in probate court Thursday afternoon, said she was the widow and two daughters, Mrs. Mary M. West and Mrs. Carol M. West, are attorneys in the probate action.

Antitrust report that there are 22 automobiles for every mile of highways in the United States.

CURTAINS CLEANED
It can now be done without the use of jets or hoses in drying. The small cost is hard to believe.

IDAHO'S WINTER WHEAT CROP LOW

BOISE, April 14 (AP)—The Idaho winter wheat crop will hit 12,578,000 bushels compared to a 1938 crop of 17,500,000 bushels, giving the farmer a return to an average-sized crop. Richard C. Ross, federal agricultural statistician, reported today.

Spring conditions have not been favorable for planting winter wheat. The combined stocks of wheat, oats and corn on farms April 1 was more than double the quantities held at this time last year. Wheat stocks are particularly heavy, amounting to 9,850,000 bushels. Farm stocks of oats were about 1,769,000 bushels and corn about 367,000 bushels.

Minor frost damages in scattered areas failed to mar the general good condition of Idaho orchards, Ross added.

Maroon Students Get High Grades

MARION, April 14 (Special)—Honors roll for the fifth six-week period, as compiled by Ernest Haggard, principal of Marion School, includes the following students:

First grade: Helen Ruth Hill, Ruth Reed, Louise Drexler, Harold Reimlin, Roger Doyle, Wendenberg.

Second grade: William Kintner, Guy Benn, Mildred Winkler.

Third grade: Geraldine Brown, Tammie Burkh, Leona Lamm, Robert Puck, Kathleen T. Lamm, Patti Grace, Albert Fred, Ann Klau.

Fifth grade: Duane Hays, Charles Hays, Charles Hays, Lawrence Shedd.

Sixth grade: Charles Hays, Shirley Spraker, Gracie Hays.

Eighth grade: John Mogen, Walter Cochran, Harold Ruth, Neddy Syll, Spencer.

MUSIC ENTRANTS SELECTED HERE

Solo and group singers who will represent Twin Falls high school at the state festival at Boise April 21 and 22 have been selected. Miss Frances Eber, manager of today.

Solo Performers
Solo performers will be: Mickey Humphrey, soprano; Lilian Lundberg, mezzo-soprano; Helen Gies, alto; Allen Duval, tenor; Jack Thomas, baritone; and Fern Sweet, bass.

Members of the quartet are: Bill Sommer, first tenor; Kenneth Rudolph, second tenor; Marc Peas, baritone; and Fern Sweet, bass.

The double mixed quartet will include: Phoebe Jane Frey and Wilma Parker, sopranos; Lucille Hays and Edna Frey, altos; Fred Hamblin and Homer Hays, tenors; and Mable Pearson and Ted Lake, basses.

In the girls' solo are: Jean Pierce and Betty Palmer, first sopranos; Joyce Pierce and Frances Graham, second sopranos; and Lark Tyler and Betty Hays, tenors.

Chorus
Selected for the special chorus are: Archie Jones of the University of Idaho; and 21 Twin Falls students. Girls are: Jean Pierce, Mary Hays, and Mrs. Arthur Swisher, were laid at six tables each centered with pastel color petals in a crystal ball vase.

A toast to the honorees was given by Mr. Ray Hays and a poem, dedicated to them, was read by Mrs. C. J. Hays and each soloist presented with a gift from the club. Chorus checkers provided entertainment for the afternoon with Mrs. Hays singing a high score and Mr. A. A. Biehl and Mr. Herman Hays tied for second place.

Outer-entire birds actually do force open oyster shells with their bills.

Departing Couple Honored by Club
RUPERT, April 14 (Special)—Mrs. Luke Williams and her daughter, Miss Mildred Williams, who were seen to make their home in Boise, were honor guests at a luncheon given Wednesday by the Pansy club at the home of Mrs. Carl Lipp.

Covers for 21 club members and five guests, Mrs. Mary Ross, Mrs. Frank Ballard, Mrs. Laura Randall, Mrs. Mary Hays and Mrs. Arthur Swisher, were laid at six tables each centered with pastel color petals in a crystal ball vase.

A toast to the honorees was given by Mr. Ray Hays and a poem, dedicated to them, was read by Mrs. C. J. Hays and each soloist presented with a gift from the club. Chorus checkers provided entertainment for the afternoon with Mrs. Hays singing a high score and Mr. A. A. Biehl and Mr. Herman Hays tied for second place.

Outer-entire birds actually do force open oyster shells with their bills.

Hay Stack Burns
MARION, April 14 (Special)—A large stack of hay was consumed by the hot west wind which carried the smoke away from farm buildings that were near by but partly smothering the stack burning.

It is reported that sparks from a tractor started the fire.

MOVIE SCRAPBOOK

Decorating a divan in lazy but comfortable fashion, Walt Disney takes it plenty easy while he works. A Movie Scrapbook cameraman caught him thus in Philadelphia where he and Maestro Leopold Stokowski were doing the musical score for "Fantasia," a new animated cartoon.

BOWERS CHOSEN BUHL PRINCIPAL

BUHL, April 14 (Special)—Progressive action to increase the already high efficiency of the Buhl school system was taken this week by the school board with selection of a high school principal to give Supt. George Likens, more time for administrative duties.

Food buyers received a contract as principal. He will continue teaching duties but will relinquish his football coaching task when a successor is employed.

Lois Jane Rudy was named as deputy of Mrs. S. S. Rudy, who will continue teaching duties.

The trustees re-employed all principals. These include Gus Newman, principal; Mrs. Myrtle Gault, Lincoln; Mrs. Edna Van Houten, F. H. Buhl school.

Contracts are now in hand all teachers at the Lincoln and F. H. Buhl schools.

Trustees kept the system's salary schedule unchanged, paying maximum at \$150 in high school and \$100 per month in the grades. Teachers still not at the maximum received the usual rate of \$5 per month.

But call was made for installation of six units in the home-making department, raising the home-ec. kitchen capacity to 90 girls daily.

"Stop that man!"

1. Was my face red in my hurry to catch my train, I picked up the wrong bag! I'm sure everybody in the station thought I was a thief when the real owner came yelling after me.

2. Fortunately he was taking the same train, and proved to be a regular fellow. "Look, the bags are twins, but I've something in mine that has no match!" he says, pulling out a bottle of TEN HIGH.

3. This strange meeting resulted in a grand trip. For we doubled our enjoyment with the swell whiskey with "No Rough Edges" that I saw keep my eye on my bag now that I carry my own TEN HIGH!

WORLD'S COPPER STOCKS ADVANCE

NEW YORK, April 14 (AP)—World copper stocks rose 5,879 tons in March. The Copper Institute reported today.

By March 31, stocks rose 12,777 tons to 566,937 tons compared with 492,114 tons in February, but blister stocks declined 7,047 tons, resulting in a net gain in all copper stocks of 549,890 tons for the month.

Domestic stock of refined copper rose 11,338 tons in March to 420,446 tons, while domestic blister stock declined 1,817 tons, a net domestic gain of 6,521 tons.

Foreign refined copper stocks were 18,495 tons on March 31, a gain of 1,789 tons over February, while foreign blister stock advanced 2,550 tons, for a net increase of 831 tons.

World production rose 7,407 tons to 171,861 tons in March, compared with 146,936 tons in February. Domestic production amounted to 66,246 tons compared with 59,175 while foreign output was 105,615 tons, compared with 87,761 tons in February.

World deliveries amounted to 140,661 tons in March, compared with 146,936 tons in February. Domestic deliveries were 50,446 tons to local consumers and 4,722 tons abroad, compared with 48,062 and 3,310 tons, respectively, in February. Foreign deliveries amounted to 103,255 tons, compared with 98,221 tons in February.

AUTO PARTS—TIRES
 Tire Recapping
 Offers Economy to Tire Users and Adds Safety in Travel.

Of recent years probably no other invention has brought greater economy and given as effective and ready means of insuring safety against accidents because of faulty tires, as has the process of recapping of worn casings.

Last year more than 4,000,000 used tires were recapped throughout the nation. The Federal government is the largest user of recapped tires. Fleet owners are the next group; they are also alerted. Buses and have found real value awaiting them by recapping their tires. Every tire user has the same opportunity to cut operating costs drastically by using the recapping process.

Cost is nominal and savings are more than 50%. Many auto owners have utilized the facilities we offer. We welcome your investigation. Machinery of the same type as ours has been used in all major metropolitan centers, a tried and proven process which at great savings gives you the mileage at the lowest possible cost.

Our Recapped Tires Merit Your Use. Being Worthy of Trial because of Assured Savings and Added Miles of Safety.

BURLEY STARTING ON \$12,000 SHOP

BURLEY, April 14 (Special)—Construction of the new \$12,000 manual training shop for the high school began Wednesday, following a meeting of the school board Tuesday evening. Ten men are working in two shifts under the direction of Tom Lyons, foreman.

The building will be a concrete structure 30 by 32 feet in size and will replace the old frame building now being used. The new structure will be several feet back from where the present one stands and give more room for the loading and unloading of school buses.

Included As Room
 Estimates show that at least 218 cubic feet of cement will be required to complete the building. One room will be used for shop and the other two rooms for manual training classes. Plans were drawn by Tom Stephenson.

The board members opened bids for supplies for the new building and placed orders. They agreed that a policy building committee should have full charge of the purchasing of supplies for the new shop.

Plans were discussed for landscaping the grounds to the south of the new school. The matter of accidents to school children while playing on school grounds was considered, and it was decided to ask for legal advice.

Red Cross Funds
 Payment of \$150 to the Cassia county Red Cross was approved for nursing services provided by the national and local chapters in Burley for the last four months.

The board also approved substitutes for principals to permit them to attend the progressive education meeting in Pocatello Friday and Saturday.

The employment of a recreation director for the summer months, with the same plan as for the last two years, was approved by the school board, which cooperates in that matter with the city of Burley.

PAUL CCC HOSTS TO ROTARY CLUB
 BURLEY, April 14 (Special)—The regular Tuesday meeting of the Rotary club was held at the Paul CCC camp, with dinner preceding the meeting.

An excellent program of songs and instrumental music was presented. The program was in charge of Curtis Price and the chief speaker was Lieutenant Markler who has charge of the camp. The lieutenant told the building of the CCC boys in the building of the camp which was begun last July and the buildings completed in October, enrolling doing all the work.

Present meeting was the first of the Paul CCC boys in the building of the camp which was begun last July and the buildings completed in October, enrolling doing all the work.

DOCTOR OUTLINES FIGHT ON CANCER

The program was presented in connection with the nationwide educational campaign on cancer control, and it was pointed out that while public attention is being concentrated on cancer during April, the campaign goes on throughout the year. Free literature may be obtained from units of the American Society for the Control of Cancer in

An educational film, "The Cancer Crusade," was shown as a preface to Dr. Coughlin's address. Jack Thomas sang two solos, "Give a Man a Horse He Can Ride" and "Without a Song," accompanied by his mother, Mrs. W. W. Thomas. Mrs. Edith Jacklin played two accordion numbers, "Salute to the Colors" and "La Espagnola."

The league then conducted the semi-monthly business session in the parish hall, and the Parent-Teacher association adjourned to the sequester, following the program.

Approximately 30 Twin Falls women will attend the deansery meeting and luncheon Thursday, April 29, at Challenger Inn, Sun Valley, it was determined.

The Parent-Teacher association

Prison Guards Get

Prison Guards Get \$10 Boost in Pay
- BOISE, April 14 (UP) - A \$10-per-month pay increase today had been granted to guards of the Idaho state penitentiary.
The boost was voted yesterday afternoon by the state prison board.

\$10 Boost in Pay

BOISE, April 14 (UP)—A \$10-per-month pay increase today had been granted to guards of the Idaho state penitentiary.

The boost was voted yesterday afternoon by the state prison board and will bring the monthly pay from \$75 to \$85.

There are 28 guards at the institution and the pay will be the highest ever paid, according to P. C. Meredith, warden. The hours for the guards remained at 12 daily.

There are 28 guards at the institution and the pay will be the highest ever paid, according to P. C. Meredith, warden. The hours for the guards remained at 12 daily.

BLAST CHAMBERLAIN
BERLIN, April 14 (AP)—Newspapers, in their editorials on the declarations of policy made yesterday by Prime Minister Neville Chamberlain and Premier Edouard Daladier used such terms as "panics," "war threatening," "impertinence," "body slapping" to describe British policy.

LONDON MOVIES TRY TELEVISION

LONDON (AP)—Cinema television has come to stay.

The success which attended the television broadcast in three London cinemas of the fight between Eric Boon and Arthur Danahar for the lightweight championship of Britain is prompting rapid development of this form of entertainment.

Cinema British and Baird Television officials have decided to go ahead with the production of television apparatus to be installed in 300 cinemas.

More than 17,000 square feet of floor space is being added at the Baird factory at Sydenham, Kent, to facilitate the speed of production.

The television broadcast in the three London cinemas was the first occasion the cinema paying public has had to see a great sporting event as it happened. At one the Scophony system and at the other two the Baird system of cinema screen projection were used.

In an interview, Sydney Oliver, chairman of the Gaumont-British said that he was arranging through a Gaumont-British official now in New York for top-line artists and sporting personalities to visit Britain and appear on the cinema television screen. Thus the television service would combine with the cinema interests and provide the solution to the high cost of artists' fees for public viewing.

The best race between the famous Oxford and Cambridge crews and the cup final are two forthcoming sporting events likely to be televised to cinema audiences.

Law Says She's Dead; Seeks Her Life Again

(By NEA Service)

NEW ALBANY, Ind. — To save a legally "dead" woman from the electric chair, this Ohio girl has raised \$700 in a drive toward a \$1,000 goal.

She is 34-year-old Mrs. Lucille Anderson, first woman to be given the death penalty, in the state of Arkansas, scheduled for execution in the slaying of a Hot Springs chain-store official.

She is also the late Lucetta McMonigle, New Albany girl, who vanished in October 1935, at the age of 20, and was declared dead in circuit court three years ago.

Mysterious disappearance

For years police followed every lead in a search for Lucetta. An orphan, she had been reared in the home of the Graybrooks in New Albany, sent to school, made a member of a church. There seemed to be no logical reason for her disappearance.

Some said that she might have committed suicide, as her father had. Others believed she had been kidnapped and slain. But every clue led to a blind alley.

Finally, in 1938, Irene Graybrook, daughter of the woman with whom Lucetta had lived, filed a petition to have the missing girl declared legally dead in order to dispose of the \$250 worth of personal property she had left. The petition was granted by the circuit court.

The story begins again with a holdup of a grocery executive in Hot Springs, Ark., in September, 1938. Eldon Cooley, the 25-year-old victim, was murdered by Lucetta.

Arrested in the case were Joseph B. "Smoky Joe" Anderson, 38, his wife and two children. They all received the death penalty.

Then New Albany learned what had become of Lucetta McMonigle. As an effort to save herself from the chair, Mrs. Anderson admitted her identity.

Legally "dead," but Mrs. Lucille Anderson, pictured in prison at Hot Springs, Ark., waits for her friends to save her from execution.

relatives, Mrs. Gail Rind, left Wednesday for her home in Potomac, Md.

Marilyn Pierce, daughter of Mrs. Shirley Pierce of Jerome, is with relatives at the home of the convicted parents, Mr. and Mrs. O. L. Johnson.

Twin Falls Group Has Program Roles

HOLLISTER, April 13 (Special)—Hollister Township club was host to a large delegation of Twin Falls Townsiders Tuesday evening at the Hollister Grange hall. Beryl Runkel presided at the business session.

R. E. Huber and Huber Rees were the principal speakers. Other numbers on the program included:

Tap dance, Billy and Betty Joan Engel; songs, "Among My Souvenirs," "Little Ole Echo," "Little Ole Lady" and "Singing Whores" by Miss Frances Hensfield, accompanied herself on the accordion; Mrs. Albert Putzler, two readings, "Charlie McFadden" and "The Farmer and His Wife"; Mrs. C. H. Purkin, a reading; selections on accordion and mouth harp, "Shanana" and "Home on the Range" by Billy Engel.

The next meeting of the Hollister Township club will be held May 9 at the home of Mrs. E. W. Saffell. Other entertainment features were a musical quartet, Mrs. Anna Engel, Mrs. Clyde Denton with Mrs. Burt Taylor playing the accompaniment, and two readings by Mrs. Anna Engel.

Rev. O. L. Johnson, pastor of the local Baptist church, accompanied by Mr. and Mrs. Perry Gordon and Mrs. William Collins, is in California to attend the two-day session of the south central Idaho Baptist association.

Mr. and Mrs. Victor Jones arrived Thursday from Pasadena. After spending the day with their cousin, W. L. Hughes and family, they were accompanied home by their son, Byron Jones, who spent several days in a guest in the Hughes home.

Mrs. Fred Mott was hostess at her home Tuesday to members of the Women's Guild of the Trinity Episcopal church. At the business session, presided over by the president, Mrs. H. V. Ciesion, plans were made for a dinner which will be given in the auditor hall Friday, April 21. Tuesday's meeting concluded with a social hour and refreshments served by the ladies.

Mr. and Mrs. J. W. Murphy entertained the members of the O. U. R. club Wednesday evening with dinner at the Gallopian hotel and bridge at the Murphy home. Combined high score prize was awarded to Mr. and Mrs. H. B. Turner.

Mrs. Marie Lambert and her family, who spent Easter vacation here with her father, Charles A. Lambert, left Sunday.

Mrs. H. M. Oster was hostess at her home Wednesday to members of the N. C. club and two guests, Mrs. Fred Fiske and Mrs. Ed Brill. In contract bridge high score prize was earned by Mrs. W. G. Hansen and second by Mrs. Arthur W. Tyler.

Mrs. Floyd Pratt entertained the members of the H. O. B. club and her son, Mr. Fred Oster, Wednesday. Hanna in bridge went to Mrs. C. W. Dulah and Mrs. Fiske. The members of the H. T. M. club and three guests, Mrs. Fildes Collins, Mrs. Hancie Nelson and Mrs. Andrew Beck, were entertained Wednesday afternoon by Mrs. William Bell at her home. High score club prize was awarded to Mrs. Ward Woodford and high score guest prize to Mrs. Collins.

Honey Taylor, herbman, called Tuesday general hospital Tuesday and received a blood transfusion Wednesday morning.

Mrs. H. H. Fastman of New York City is a guest of her parents, Mr. and Mrs. Ed Schenck.

A daughter was born Tuesday to M. and Mrs. Lowell Meador at her home.

After a brief visit here with her grandfather, A. Stowell, and other

Home Town to Rescue

Two Hot Springs ministers became interested in her case and journeyed to New Albany in February to a large delegation of Twin Falls Townsiders Tuesday evening at the Hollister Grange hall. Beryl Runkel presided at the business session.

Several days later, Miss Graybrook received a letter from Anderson, written before his death. The letter stated that the Andersons were planning the crime and expressed hope that friends would come to her aid.

The trial is scheduled for April 17. New Albany, according to a wind-up house-to-house canvass to reach the financial goal before the deadline.

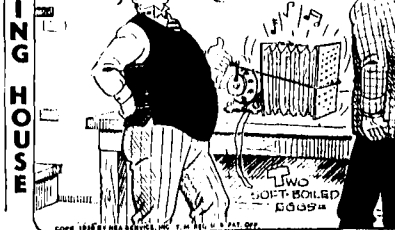

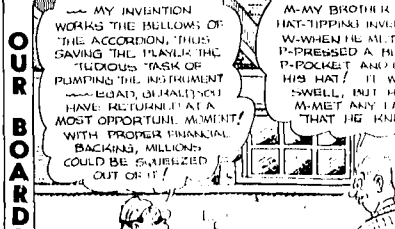

And leading the drive for life is the very woman who had Lucetta McMonigle declared "dead."

It is possible for a plane to fly lower than a submarine has ever done. By flying across the Dead Sea, 1,312 feet below sea level, a plane can go lower than the limit of a dive of a submarine, which is about 300 feet below sea level.

OUR BOARDING HOUSE

WORKS THE BELLWORKS OF THE ACCORDION, THUS SAVING THE PLAYERS THE TROUBLESOME TASK OF PUMPING THE INSTRUMENT

MY INVENTION WORKS THE BELLWORKS OF THE ACCORDION, THUS SAVING THE PLAYERS THE TROUBLESOME TASK OF PUMPING THE INSTRUMENT

MY BROTHER INVENTED A HAT-TIPPING MACHINERY WHICH WHEN HE PUT A LADY HIS P-POCKET AND IT TIPPED HIS HAT! IT WAS WONDERFUL! BUT HE NEVER MET ANY LADIES THAT HE KNEW!

WELL, I SEE THE OLD HULL OF THE WOOD? HAY, GONE IN FER HORSEMANSHIP! WILL YOU TELL ME WHY THESE OL' BOYS WHO SPEND THE FIRST HALF OF THEIR LIVES MAKING A SUCCESS OF IT, SPEND THE OTHER HALF MAKING A MESS OF IT?

WE'RE ALL DOWN THERE LIKE THAT—WE SPEND SO MUCH TIME GETTING IN FINANCIAL SHAPE TO DO IT THAT WE TAKE PHYSICAL SHAPE—WHY, YOU KNOW YOU'LL NEVER BE ABLE TO PACK A MOOSE HAD A GOOD BURN BY THE TIME YOU CAN AFFORD IT!
