NAZIS QUIZ NATION ON 'FEAR OF ATTACK'

California Farmers Fight Grasshopper Hordes

Fighting against their pest control men from federal, state and county agencies are trying to eradicate grasshopper hordes in the San Joaquin valley of California before their wings develop and they destroy crops of dollars in crops. Left, farmers mix poison in a bean mash to spread in paths of the pests. Right, young 'hoppers swarm over a bush.

STATE'S WATER LEADERS GATHER HERE ON MAY 3

Steering to at least eight the total of state conventions to be held here this spring and summer, the Idaho State Reclamation association, today selected Twin Falls for the site of its one-day conference May 13.

Announcement that Twin Falls was chosen was made by William E. Welsh, Boise, secretary of the reclamation group.

Major speaker on a list that will include experts along water and conservation lines will be R. F. Walters, chief engineer for the U. S. bureau of reclamation, Denver. He will speak at the noon luncheon session. Mr. Walters informed the Chamber of Commerce.

Waters will also show motion pictures of reclamation projects.

C. A. Batteford, of the U. S. bureau of reclamation, Denver, is invited as one of the convention speakers, according to Welsh, but his appearance is doubtful since he is expected to be in the north before the conference.

N. V. Sharp, director, is state chairman of the Idaho reclamation unit. He also is director for the Lower Snake river area. Ben Darrah, Shoshone, is director for the Big and Little Wood rivers.

Six in May
Addition of the reclamation convention brings to at least six the number of state parties in Twin Falls during May. Disabled American Veterans of the World war will convene May 5 and 6. Idaho Master Plumbers' association gathers here May 6. Idaho postal workers convene May 8; the reclamation group gathers May 12; the Idaho Industrial and Professional Women's clubs will meet May 21-23, and the Idaho Horse and Cattle Growers' association convenes May 24-26.

The order of Eastern Star convention comes here June 13-15 and the state of Idaho Legion invades Twin Falls in August.

Rev. Joe Jeffers, reputed Nazi crusader, and Max C. Jeffers (above), are on trial in Twin Falls (above) for the murder of a woman.

CANADIANS FEAR BOMBING PLOTS

NIAGARA FALLS, Ont., April 22 (AP)—Drastic precautions to guard vital industries were in effect along the Canadian Niagara frontier today.

Thirty-three Canadian war veterans were employed by the Ontario hydro-electric power commission to supplement regular guards around power stations near here. In addition, 125 other veterans pledged their services for emergency required.

Adm. Douglas Thorne, commander of the Canadian-Niagara Power company, a subsidiary of the Ontario Electric power commission, said it was "probable" the volunteers would be in guarding public utilities, industrial centers, bridges and other vital points.

A committee of veterans will survey surrounding territory to list places which might be attacked by saboteurs, Thorne said.

The fear of sabotage arose after approximately 100 sticks of dynamite were found in the area.

BRITAIN TO TAKE CONTROL OF HUGE BROADCAST CHAIN

LONDON, April 22 (AP)—The government is preparing to take over the British Broadcasting company, which enjoys a radio broadcast monopoly in Great Britain, and utilize it as a powerful propaganda weapon in its "peace front" fight.

The Daily Mail, asserting that the government would assume direct control June 7, said the network would become a government news service and that all stations would constitute a potential, and to some extent, actual propaganda machine for the government.

Strict Supervision
It was added that all broadcast news bulletins would be strictly supervised, that talks made on the BBC network on important topics would become official ones, and that radio facilities would be used to broadcast recruiting and similar appeals.

At present the BBC is neither a commercial company nor a governmental department. It was created by royal charter on a similar basis to that of the Bank of England, its controlling board of governors, chairman and vice-chairman, are appointed by the crown.

Entertainment Continues
A clause in the charter authorizes the government to take over the company "if and whenever in the opinion of the postmaster general an emergency shall have arisen in which it is expedient for the public service that the company's government shall have control over the transmission of messages."

Under government control the reports materialized, entertainment programs over the BBC network would be continued as at present, but the government would have direct and active control and all facilities would be available at all times for official use.

GERMANS SEEK REPLIES FROM 31 COUNTRIES

LONDON, April 22 (AP)—Rumania, in an astonishingly frank reply to a questionnaire from Germany on whether she considers herself menaced by Germany, said today that Germany "is in a better position than Rumania to know her own intentions."

The Rumanian reply, transmitted in diplomatic circles to a small group, was obtained from British sources. It denied Rumania was aware in advance of President Roosevelt's peace message.

The reply admitted that Rumania has certain apprehensions because of world conditions as they affect European security and peace. It said that Rumania, having no direct frontier with Germany, cannot see any direct possibility of a German attack, and concluded with the reminder that Germany must know her own plans.

By GEORGE KIDD
BERLIN, April 22 (AP)—Germany has "discussed" the question broached in President Roosevelt's peace message, with the nations mentioned by the President in his appeal to Adolf Hitler and Benito Mussolini for an anti-aggression pledge, it was made known today.

Information was made available to the foreign press that Germany had sounded out the 31 nations concerned. It was admitted that communications had been received from some of the nations but it was denied that the semi-official source had knowledge of the contents of the replies.

It had been reported abroad that Germany had questioned a number of powers as to whether: (1) they feared aggression by Germany and (2) they had advance knowledge of the President's appeal or, by implication, had asked him to aid them.

Reply is "No"
Lithuania, Hungary and Jugoslavia were reported abroad to have replied "No" to both questions. Holland was reported to have said it did not think it was menaced but could not be sure that it present sense of security would endure. It was announced at Berlin that the Swiss federal council had replied that it placed confidence in Switzerland's neutrality, defended by its own military power and expressly recognized by Germany.

Switzerland, however, announced that Finland, like Lithuania, Hungary, Jugoslavia, had given negative answers to the inquiry.

The information made available here indicated Hitler had questioned every nation mentioned by the President.

The President asked Hitler and Mussolini to give a 10-year pledge and if possible a 25-year one, that they would not attack any of the following nations:

These Nations
Finland, Estonia, Latvia, Lithuania, Sweden, Denmark, Norway, The Netherlands, Belgium, Great Britain and Ireland, France, Portugal, Spain, Switzerland, Czechoslovakia, Poland, Hungary, Rumania, Yugoslavia, Russia, Bulgaria, Greece, Turkey, Iran, the United States, Syria, Palestine, Egypt and Iraq.

Such peace pledge would have covered Europe and the Near East, on condition that Germany and Japan would not attack any of the nations mentioned in the list.

16 Regional School Bands Perform at Buhl Festival

MUSICIANS PASS TRIO OF JUDGES IN GIANT REVIEW

Buhl, April 22 (Special)—Clad in dapper uniforms reflecting the colors of their schools, 16 high school bands competed in the band marching contest, from 11:30 to 2 p. m. today, their object one of three silver cups to be presented at the clinic concert this evening at Buhl high school auditorium, bringing to a brilliant finale the two-day south central Idaho district music festival.

With music completely cleared of all cuts during the marching contest, the throngs lined the sidewalks between Ninth and 11th, and cars were parked for blocks on all adjacent streets. State Officer C. L. "Doc" House, and a corps of uniformed men from the state patrol were on duty to make the performance one of perfect order.

Pass in Review
The bands passed in review before the judges, Maj. W. C. Beall, Buhl; P. C. Conn, director of music from the University of Southern California; and Archie N. Jones, director of music at the University of Idaho.

Col. Roy Hopkins, Buhl instructor, from a vantage point on top of the new Buhl tower, announced over an amplifying system the names of the bands and the leaders as each band took its turn in playing and executing intricate marching formations.

Band participating, together with the names of their directors and colors of their uniforms, were as follows:

Richfield, Red (Chapman), blue and red with white trim, 4 pieces; Hiley, John L. Kelly, green and white; 42; Wendell, David E. Thompson, blue and red, 30; Twin Falls, (continued on Page 2, Column 4)

Twin Falls Daffy Diet Shifts to Ink Quaffing

The "daffy diet" derry switched in Twin Falls today from anguishes to ink.

Bob Stridley, high school senior, was 11 richer after drinking the contents of a bottle of ink—just for a time he thought he was poisoned.

Goofy Gastronomies
The ink poisoning gave a new twist to the Twin Falls angle of America's current goofy gastronomies, which on April 12 saw Verne Rynn and Howard Puhly, seniors, gulp down five anguishes each. As far as anybody knows, Twin Falls seems thus far to be the only Idaho community equating to the food.

Stridley downed his ink Friday just before a history class, Clayton Taylor and Ryan each had ink 30 cents he couldn't drink the writing fluid, Merle Gamm, standing nearby, witnessed the feat.

No Stridley drank it, by small swallows. He left the room after

each swallow but his fellow-bettors went right after him to make sure the ink stayed down.

Instructor Gerald Wallace, noting later that Stridley's mouth was white, said he was sure the ink was in his stomach.

The doctor's reply:
"Tell him to swallow a goldfish. He's not poisoned. Caster oil and a jaw exerciser would hurt him any."

The ink-wallower was feeling pretty today, judging the extra dollar in his pocket.

The latest daffy diet feat, incidentally, recalled to minds of several students that the Nazi school-wide gulping exercise probably originated in Twin Falls. A year and a half ago, they say, young Mike Ryan downed a swartopper sandwich on a 50-cent bet.

Woman in Red Got FBI Fund For Dillinger

LOS ANGELES, April 22 (AP)—The federal bureau of investigation was revealed today to have paid \$5,000 to a woman in red for turning John Dillinger into a death trap outside a Chicago hotel.

Joseph P. Dunn, formerly head of the FBI office in Los Angeles, said he was assigned to pay her the money.

Dillinger was killed by a blast of waiting G-men's bullets when he walked into a trap at the theater district hotel where he was hiding.

The suit in which Dunn is a co-defendant with several prominent Democratic leaders was filed by Col. William E. French, former law partner of former Sen. William C. McAdoo.

Lindy Makes Initial Inspection Visit at Wright Field, Ohio

DAYTON, O., April 22 (AP)—Col. Charles A. Lindbergh, beginning his study of the U. S. army air corps, arrived at Wright field today.

Colonel Lindbergh made the trip from Washington in his new Curtiss single-seater pursuit plane, in about two hours and a half.

He was the guest of Brig. Gen. George H. Brett, chief of the army air corps material division at Wright field.

Col. Lindbergh is expected to leave Dayton for an unannounced destination tomorrow afternoon or Monday, according to official conditions.

Lindbergh was recalled to active duty to study American aviation to search technical and make recommendations for improving them. This was deemed vital in connection with the extensive program to build the army corps up to a level of line-fighting planes, with the aerial power of other major nations.

All Important Centers
The famous flight man is expected to be in line of important aviation centers.

Lindbergh, it was learned, has brought to this country information on the latest reports that Germany is building the United States in developing fast-flying military planes.

Lindbergh personally has visited some of the aeronautical laboratories built by the Nazis, associates of the German aviation industry.

The traitor of the advantage German aviation has provided for Nazi military aviation, a civilian official in an aviation division office said.

The U. S. army recently ordered bombing planes that it was announcing to obtain speed in excess of 400 miles an hour.

NO BREAK LOOMS IN COAST DROUTH

PORTLAND, Ore., April 22 (AP)—The U. S. weather bureau today could see no real immediate break in the Pacific northwest's critical 30-day drouth and said scattered showers expected would hardly ease the fire in parched farm lands and fire-battered forests of Washington and Oregon.

Oregon, already fighting a triple-plague drouth from fires, flies and locusts, today saw a growing hoard of caterpillars under the fruit belt in the rich Willamette river valley.

Eastern Oregon plagues wheat and alfalfa crops. Forest fires in a burning sun flames crackled through thousands of acres of forest lands in Oregon and Washington.

Thin County Agent Phoebe C. Mulholland said the drouth had been the worst ever known around Albany. The "drouth" was being fought over a 100 square mile area in Warren county, where wheat production has fallen.

GOVERNMENT REORGANIZATION WILL START TODAY

FIRST OF SERIES GOES TO SENATE EARLY IN WEEK

By Lyle C. Wilson

WASHINGTON, April 22 (UPI)—Government reorganization, retarded by years of dispute between Republican and Democratic presidents and congresses, was about to begin today.

The first of a series of reorganization orders probably will go to congress next week. It will become effective within 60 days unless a majority of each house rejects it. Congress specifically prohibited 21 more or less independent government agencies from presidential reorganization. These include most of the major commissions, administrations and boards. Cabinet departments were protected against abolition although various functions of any may be shifted around.

"Rearrange Flowers"
A typical Republican comment on the government reorganization bill passed at this session was that of Rep. Everett Dirksen, R., Ill.: "It is an authorization to rearrange the flowers in the governmental vase, but no flowers shall be removed, even though a bit drooping."

There was opposition protest that reorganization would not obtain any significant economy. New Dealers were dissatisfied because the bill as enacted was hardly more than a shadow of the unlimited reorganization powers sought by the President in his first request in January, 1937. The original proposal aroused protests against so-called "dictatorship" in April, 1938. The house defeated even a modified version of it.

New Bill Sponsored

But a further modified program was adopted without great difficulty this year. A further reorganization plan is proposed in a bill sponsored by Sen. James P. McNary, D., S. C., to consolidate the war progress administration, public works administration, civilian conservation corps and the public buildings branch of the procurement division into an independent public works agency. Something of the sort appears also to be in Mr. Roosevelt's mind.

Other important agencies of sub-siding rank eligible for reorganization under the first of a series of orders due next week are:

Eligible to Reorganize

Federal housing administration, aeronautical board, committee of national defense, national advisory committee for aeronautics, inland waterways corporation, reconstruction finance corporation, federal home loan bank organization, Tennessee valley authority, electric home and farm authority, rural electrification administration, farm credit administration, national youth administration, national military control board, commodity credit corporation, foreign trade zones board, export-import bank of Washington, war finance corporation, social security board, civil aeronautics authority, maritime law board, federal national mortgage association and the RFC mortgage company.

Important in any shift of these agencies would be questions of top personnel. It is reported, for instance, that the RFC may be attached to the commerce department under Secretary Harry L. Hopkins. That would be a blow to RFC Chairman Jesse H. Jones.

Dorothy Lamour, the one-time Chicago department store elevator girl whose voice and arranged figure made her one of Hollywood's "glamor girls," has been sued for divorce by her orchestra-leader husband, Herbie Kay, who gave her a divorce radio star her first singing job seven years ago, charged description.

Chas. Edwards, famous old-time vaudeville and musical comedy producer, was en route for Rochester, Minn., to enter the Mayo clinic for treatment following a physical breakdown.

Headed by Barbara Stanwyck and Joel McCrea, a party of film stars will leave Sunday for Oahu to take part in the world premiere there of the railroad picture, "Union Pacific." They will ride in the electric trolley 1000 train used in the picture, hitched behind a modern electric-turbine locomotive and modern passenger cars. The train will stop at Ogden and Salt Lake City.

Pauline Goddard, actress reputed to be the wife of Charlie Chaplin, was back at work after three days of treatment for an eye ailment. A \$12,000,000 "studio of tomorrow" will be erected by Paramount Pictures soon. The plant will be on a 120-acre tract and will have 24 sound stages, and a water tank big enough to float a steamship for ocean scenes.

FOR 10 YEARS

The Union Pacific Railroad has led, still leads and will always lead in dependable superior and complete transportation service...

There's a dramatic story behind today's fast, convenient, community-building railroad service for freight and passengers

The historic driving of the Golden Spike at Promontory Point, Utah, May 10, 1869, marked the beginning of the commercial, industrial and agricultural destiny of Utah and Idaho. Since that day, the Union Pacific Railroad has extended its lines to serve all the west.

The Union Pacific handles your high-class shipments as well as bulky freight—by the carload or less-than-carload lot—through clear or stormy weather. The railroad doesn't select just the "cream" of the freight business. The railroad has no limitations as to destinations—it delivers your shipments to Portland, Oregon, or to Portland, Maine.

An example of the complete job continually being done by the Union Pacific Railroad is its recent expansion of fast "Merchandise Special" service for less-than-carload freight. This service shortens delivery

time by many hours between Utah, Idaho, California and Pacific Northwest cities.

Part and Parcel of Idaho and Utah's Welfare

10,366 Union Pacific employees in Utah and Idaho have an annual earning, and spending, capacity of \$16,630,000, a vital factor in the business and economic life of those states.

In 1938 the Union Pacific paid a total of \$3,200,000 in state, county and municipal taxes in Utah and Idaho. Annual Union Pacific expenditures for Utah and Idaho products, materials and supplies approximate \$2,500,000.

All these constant factors for complete, dependable, convenient service and community-building activities constitute operations of the Union Pacific—safe, certain, economical and complete transportation service.

Royal Neighbors of America, meeting last evening at the Odd Fellows hall, made plans for the district convention to be held at Burley in May.

THIRTY MEMBERS PARTICIPATED IN

the charades and statue-posing games, following the business session.

RETIREMENTS WERE SERVED BY Mrs. Rebecca Knapp, Mrs. Lydia Strong and Mrs. Viola Jones.

O. A. O. SCHEDULES LAST DANCE OF SEASON

Highlight of the coming week will be the final dance of the season for the O. A. O. Dancing club.

An informal half-hour from 8 to 9 o'clock, during which city election returns will be announced, will precede the dancing, beginning at 9:30, to music by Will Wright's orchestra.

The event will take place at the Pike ballroom and a buffet lunch will be served from 11:30 to 12 o'clock.

Bride-Elect Honored At Pre-Nuptial Party

Miss O. F. Braun and Miss Mayne Swan were co-hostesses at a smartly appointed pre-nuptial party at the home of the latter for Miss Helen Warner, home from Boise for the week-end.

The honoree is the fiancée of Mark Swan, brother of Miss Swan. Miss Braun is the sister of Miss Warner. The marriage will take place in June.

The event took the form of a luncheon. Miss Warner was presented with a number of lovely gifts.

Central trans. for the tables were: Miss Warner, mother, daughter, and sister. Refreshments will be served at the Eastern Star.

MITES HELD FOR TOM W. WARD, 78

GOODING, April 22 (Special)—Tom W. Ward, 78, resident of Gooding since 1935, died at the Gooding hospital late Wednesday afternoon. The funeral was held Friday at 2:30 p. m. at the Nazarene church here.

He is survived by his wife, two sons and one grandson in Colorado, and two step-daughters in Gooding. Mrs. Edna Mills and Mrs. W. H. Packer are step-daughters.

Mr. Ward was born Nov. 27, 1859, in Ireland. After migrating to the states, he married Edna Mills in 1879 in Missouri. After the death of his wife he was married to Mrs. Edna Mills in Kansas in 1928. The family came to Gooding in September, 1935, where they have made their home since.

Interment was at the Gooding cemetery with Thompson as casket bearer.

PAST MATRONS MEET IN BUELL

BUELL, April 22 (Special)—The Past Matrons' association of Southern Idaho was holding its semi-annual meeting in the American Legion building of Buell today with approximately 100 matrons of the O. E. S. in attendance.

The district meeting was to open with a luncheon which will be served by the women of the Legion Auxiliary. At the business meeting following the luncheon Mrs. Nellie Lawson of Twin Falls will preside and conduct the annual election of new officers for the coming year.

Mrs. Viola Dinkler of Buell is the association's secretary and treasurer, and Mrs. Fred Pearsall of Buell is acting as the general chairman in handling arrangements for the Saturday meeting.

COLONIAL CLERGY NOISE, SHY

BOSTON (AP)—Colonial clergymen treasured tranquility. The firing of cannon in observation of Thanksgiving day here in 1793 brought a storm of protest from local clergymen according to records unearthed by WPA historical records survey researchers.

CHURCH PONDERS PASTOR CHOICES

BUELL, April 22 (Special)—For the purpose of calling a minister to fill the vacancy left by Dr. J. E. Spencer, who recently resigned as pastor of the First Presbyterian church of Buell, a special meeting of the elders and trustees of the church met Tuesday evening at the home of Mr. and Mrs. C. D. Boring.

Letters were read and answered from applicants and one candidate is expected to visit this church and deliver a sermon soon.

Stetley Constant was elected clerk of the session for the ensuing year, and Mrs. A. L. Kierker was elected chairman of the music committee and M. S. Boring chairman of the treasury committee for this year.

Sunday, April 23, Rev. S. O. Orr,

retired former pastor of the church, will fill the pulpit.

DAIRYMEN PLAN NATIONAL DRIVE
The Idaho State Dairymen's association will take an active part in a nationwide drive to promote sale of all dairy products which will run during the entire month of May. Officially designated Dairy month it was announced here today by Otto Koster, chairman in charge of campaign arrangements for the Idaho south central district.

Milk butter cheese and ice cream will be spotlighted in the campaign to reduce surplus stocks of dairy products during the season of production. Koster said there will be no assessment upon the dairy industry to finance the campaign.

Sponsors of Dairy month are numerous dairy men who are receiving cooperation from individual dairy and retail and wholesale merchants.

In a letter received today from H. G. Myers, president of the Idaho association, Mr. Koster was informed that last year this state received very high praise for the manner in which it cooperated on two national milk drives.

In fact the National Cooperative Milk Producers' federation gave us credit for putting on two of the best, if not the best, campaigns of any state in the union," Mr. Myers wrote.

Colorful community showman, ship, limited point-of-sale displays and advertising tie-ins of all kinds will be used to make the nation conscious of the advantages of buying more dairy products. Koster said.

HOOVER HOSTESS PASSES AT BUHL

BUHL, April 22 (Special).—Mrs. Louise Wendell Hazard, 40, member of a prominent Milwaukee, Wis. family, who came to Buhl as a teacher in 1914, died early this morning at the Twin Falls County general hospital.

Her husband, the late William E. Hazard, had the first power filing on the Hazard family power file. They made their home at the Hazard ranch until after his death four years ago, when Mrs. Hazard moved to Buhl. Her husband, William E. Hazard, was their house guest during a visit to Idaho a few years ago.

Mrs. Hazard was taken to the hospital from her home, 201 North avenue north, at 11:30 p. m. yesterday, when she became critically ill.

The body rests at the Althea funeral home.

ITALY MOVES TO SWING JUGOSLAVIA INTO 'AXIS' LINE

LEADERS OF TWO NATIONS CONFER ON BALKAN BLOC

VENICE, April 22 (AP)—Italy is moving to swing Jugoslavia into the Balkan bloc, according to reports from the Italian and Yugoslav foreign ministers, who met here for a two-day conference.

Jugoslav reports said the conference was held to discuss the possibility of a Balkan bloc, which would include Italy, Yugoslavia, Hungary, Rumania, Greece, Bulgaria and Turkey. The conference was held in Venice, Italy, and was attended by Benito Mussolini, Italian premier, and Ante Pavelic, Yugoslav premier.

Non-Aggression Treaty

Count T. T. T. and Count Stephen C. C. of Hungary, premier and foreign minister, had returned to Budapest after conferences with Mussolini and Ciano, the Italian foreign minister, and the Italian-Yugoslav conference started here.

Italy was said to be negotiating with Yugoslavia and Hungary, trying to arrange a non-aggression treaty between them. Disputes from Budapest over the Italian-Yugoslav conference, however, were said to be the Italian-Yugoslav conference.

Wound Collapse Entered

The importance of the Italian negotiations was emphasized in dispatches from Bucharest, which said that there was great interest in the Italian-Yugoslav conference.

Italian success in lining up Yugoslavia and Hungary would mean the collapse of the Balkan coalition, which includes Rumania, Greece, Yugoslavia and Turkey. It would also mean the collapse of the Balkan coalition, which includes Rumania, Greece, Yugoslavia and Turkey.

MINING MAN ASKS AUTO'S RECOVERY

Suit asking recovery of a 1937 motor car plus \$100 damages had been filed in district court here today by J. L. Halley, mining man, who says he lost the car on Feb. 10, 1938, while working on a highway.

The suit was filed by J. L. Halley against F. C. Greer, Donald Greer and the Home Acceptance corporation.

Mercer charges that on Feb. 10, 1938, the motor car was taken away from him by the auto financing firm, took away his Chevrolet machine at Halley. He says he refused to return it to him. He wants the car or the \$500 he claims is its equivalent value, and also asks \$100 damages for loss of use.

Mercer, held at Salt Lake City for a time by immigration authorities for deportation to Canada, was freed when officials were told that a family Bible would show when produced that Mercer's father was born in America and not in Canada. The Halley man at once sent an uncle to ask search for the Bible.

PRESIDENT VISITS TWO NAMESAKES

CHARLOTTESVILLE, Va., April 22 (AP)—President Roosevelt planned a leisurely motor trip back to the capital today after an overnight stay with two other Franklin D. Roosevelts, his son, Franklin, Jr., and his grandson, Franklin, III.

The president saw his son for only a few hours. Franklin, Jr., left by plane last night for Boston to attend the funeral of his cousin, Daniel Roosevelt, who was killed in a plane accident in Mexico last week.

CAPONE WILL BE KEPT IN PRISON

LOS ANGELES, April 22 (AP)—Al Capone received the bad news in a letter today that he would not be released on a writ of habeas corpus, but would remain in prison.

Capone's attorney, who had been fighting for his release, said that he would appeal the decision.

The court held that it was Capone's own fault that he delayed serving the sentence, and that he was not a fit and proper person to be released.

NEW TIMES SET ON AIRMAIL LIST

A completely revised airmail schedule out of Twin Falls, made necessary by change of the Pacific Airline service time, had been announced today by local post office officials.

The change out of Twin Falls is picked up by plane either at Boise, Pocatello or Salt Lake City depending on the destination and the time needed. Two times when the airmail leaves Twin Falls are listed on the new schedule. Those times are 2:10 p. m. and 6:10 p. m. daily.

DEAD

LOS ANGELES, April 22 (AP)—Police found a six-year-old child sitting in a chair staring at the bed in which her mother lay dead.

"Mommy is dead," she said. "She's been dead for four days. Then why didn't you call someone?"

"Mommy was dead. I couldn't leave Mommy."

HEART

Did you ever hear a heart beat? Physical education students at the junior high school held it yesterday by means of a sound movie, "Heart and Circulation," shown to each physical education class. The sound system permitted hearing the heart beating in normal rhythm and at the pace to which it "steps up" after varied types of exertion.

Year-Old Baby Tangles Army, Navy, Red Cross and Airline

JOHNET, IN April 22 (AP)—A one-year-old baby tangled up the U. S. army, navy, American Red Cross and a commercial air line today in a conflict extending from the Philippine Islands to Illinois.

The baby is Josephine Amelia Jacobs, daughter of Jacob Jacobs, an enlisted man in the navy. Her mother died in December at Manila and Jacobs asked the Red Cross to find a family to care for her. Mr. and Mrs. Leo Hakoski, Joliet, distant cousins of Jacobs, agreed to take the baby and army Sgt. Charles Warner and his wife, en route to the United States for a new assignment, offered to bring her to San Francisco.

COAST RANCHERS BATTLE 'HOPPERS'

COALINGA, Calif., April 22 (AP)—All available manpower was concentrated on a 50-mile battlefront today in a desperate effort to halt southward movement of grasshoppers moving toward 20,000 acres of valuable farmland in Pleasant valley.

Already the hoppers had infested nearly 4,000 acres of cotton, grain and alfalfa which they devoured ravenously. Heading for the same fields, vast herds of additional insects crawled and hopped over a strip of semi-desert foothill and valley land 120 miles long.

LIGHTS

BOISE, April 22 (AP)—Gray red and blue electric lights may bedeck the eagle atop Idaho's state-house dome for the sale of Idaho birdmen. Ed Ryan, state ornithologist director ordered today.

The lights, replaced recently by plain white bulbs, must be returned to mark the highest point in the city to visitors and make Boise easily recognizable.

Southern Idaho Grazing Land in Poor Condition

BOISE, April 22 (AP)—Southern Idaho grazing lands are becoming poorer by the dry spring in 30 years, the federal weather bureau reported today.

Some depths on mountain grazing lands are less than normal and growth will not be as great as usual, the bureau said. Stockmen will be allowed to run stock on the forest lands much earlier than usual this year.
