Visitor From Montana Is Breakfast Hostess

Mrs. Richard Setterstrom, who is visiting here from Butte, Mont., was hostess at a charmingly arranged breakfast this morning. The affair took place at the home of her parents, Mr. and Mrs. Reese M. Williams, 1440 Eleventh avenue east. Guests were seated at a single table which was centered with an arrangement of lilies and sweet peas. Contract following breakfast.

Present from out-of-town were Mrs. Lamond Shurtliff, Huntington Park, Calif., and Miss Williams, Lindsay, Calif. Mrs. Shurtliff is here for an extended visit with her parents, Mr. and Mrs. C. C. Patton. Mrs. Williams, sister of the hostess, returned Sunday from California with Mr. and Mrs. Williams and her daughter, Jean, who attended the Golden Gate International exposition.

Accompanying the party to California was Reese Williams, Jr., who enrolled for a summer course at Stanford university, Palo Alto. Other guests at this morning's breakfast were Mrs. Emma Jones, Mrs. A. P. Senior, Mrs. H. C. Dickerson, Mrs. Patton and Mrs. Williams.

FAREWELL FETES
MARY-MARTHA MEMBER.
Members of the Mary-Marttha class of the Baptist Sunday school entertained at a delightful bon voyage party last evening for Mrs. Z. C. Boyd, who will leave about July 1 for Raleigh, N.C., to make her home. Locals of the party was the Baptist bungalow.

An informal program was presented and refreshments were served under the direction of Mrs. R. O. Kuykendall. Miss Mary Strain and her sister, and Miss LaVonne Barnett served refreshments from a lace-covered table. Members of the class presented Mrs. Boyd with a gift and Mrs. Pearl Boyd, revealed as her "secret sister," also gave her a present. Mrs. Boyd presented her "secret sister," Mrs. Hattie Fields, with a token of remembrance.

The program included piano selections by Carl Boyd, son of Mrs. Boyd; a reading, Miss Strain; xylophone selection, Mrs. Strain; and Frank Wells, accompanied by Mrs. Robert Miller; a reading, Mrs. M. O. Kuykendall; a solo, Miss N. Perry, accompanied by Miss Lorraine Frazier. Chinese checkers formed the diversion for the remainder of the evening.

TOWNSEND NATIONAL
MEET REPORTS SCHEDULED
Mr. and Mrs. D. B. Moorman, delegates to the Townsend national convention last week at Indianapolis, will give reports of the convention at a special entertainment Friday evening, June 30, at the Odd Fellows hall.

The meeting is sponsored by Townsend club No. 1 and is open to all persons interested in the Townsend plan. No admission charge will be made and doughnuts and coffee will be served by the women. Each member is requested to bring doughnuts.

Final plans for the meeting were completed last evening at the city hall. The program will include a play by six women, readings, songs, tap dancing, violin selections and Hawaiian music supervised by Mel Carter.

Sun Valley Slates Special July 4 Program in Sports

SUN VALLEY, June 28 (Special).—As special observance of July 4, Sun Valley will present a sports program in the rodeo stadium from 3 to 5 p. m. and an evening ice carnival on the new outdoor ice plaza at Sun Valley lodge, followed by an elaborate fireworks exhibition to be viewed from the lodge dining terrace and balcony.

The afternoon stadium show, directed by Robert J. Miller who also produced the annual Sun Valley rodeo, will feature flat saddle horse races over quarter and three-eighths mile tracks and a children's bucking calf riding and goat roping contest. As a grand climax furnished by a half-mile race (twice around the track) will be held for model T Ford autos, piloted by amateur drivers, each of whom is required to hold a swimming license and will take place on the recently opened ice rink, 60 by 120 feet, one of the few outdoor summer ice skating rinks in the nation and the only one in the northwest. Special lighting effects and continuing will make the ice carnival one of the most unique Fourth of July entertainments ever staged.

The evening ice carnival will be under the direction of Harry Dones, professional skating instructor at Sun Valley, who has secured both solo and ensemble talent from the Spokane figure skating club and other ice organizations of the Pacific coast. Idaho Artists Boost Famous Idaho Resort

"U. P. Joe" and "Pu" are the latest characters to join in the parade of advertisements for Idaho's wonder spot, Sun Valley. The souvenirs are the combined efforts of Victor C. Goertzen, Twin Falls, and Gene Aherb, Boise. These two southern Idaho artists have created the characters of U. P. Joe, a provincial westerner, and Pu, his trusty steed. The original drawing for the souvenirs, both ash trays and plaques, was designed by Goertzen. U. P. Joe is pictured wearing a huge 10-gallon Stetson; flame-red shirt and chaps. His horse, Pu, is huge engaged devotion to the contents of the peach can strapped across his neck. On the back of each novelty is a brief description of some of the many scenic spots around Sun Valley, including "Old Sol" on Boulder mountain, a rock formation larger than the Sphinx or the faces at Mt. Rushmore.

Schubel Will Pitch; Ogden Wins 20 to 7

Bill Schubel will lay down the covering barrage from the mound and Junior McNamee will probably cover up behind the plate as the Cowboys try to enter the win column again after two straight losses. * * *

Trailing
Last night's defeat set the Cow-boys trailing three and a half games in the wake of the league-leading Pocatello Cardinals. Lewiston's Indians joined Pocatello on the victory list last night when they lifted another scalp to come to within one and a half games of the second-place Cowhogs.

The Ogdenites, a 11400 doubt in the minds of fans as to just how long the Reds would be holding down their squatter's rights on the basement spot in the league. Fans will be back to get a look at Joe Lawson out on the hill for the Reds to-night after watching Bob Costello, lanky Oklahoman, strike out 10 men last night.

Not Surprised
And even after drubbing the Cowboys 20 to 7 the Reds didn't appear to be particularly surprised at their feat, but acted like they knew they could do it all along but just didn't

Hostak Slugs Way Back to Title He Lost

By GEORGE E. JONES
SEATTLE, June 28 (UP)—Two three-year-old Al Hostak of Seattle has accomplished today what no other middleweight fighter except Stanley Ketchell had done—regained the title from the man who beat him.
Hostak pounded Solly Krieger of Brooklyn into helplessness last night after 46 seconds of fighting, the fourth round. Former heavyweight Champion Jimmy Braddock

reference, awarded Hostak a technical knockout when Krieger went down for the second time in fourth round.

Won It Nov. 1
Krieger, recognized by the National Boxing association as champion, won the crown from Hostak under the same blazing arc light last Nov. 1.

The Brooklyn ring veteran staggered from corner to corner under a barrage of blows. He took counts of nine and seven in the first rounds. The bell perhaps saved him on the second count. He was down for another count of nine in the fourth, regaining his feet only

"Out" Twice

George Farrell, regular third s

from an illness on the return
from Lewiston Sunday, and did
play with Twin Falls last night.

Farrell became sick on the bus route from Lewiston to Twin Falls and his teammates, and lost consciousness twice. They said he may have received a touch of carbon monoxide gas in the stuffy vehicle.

It was not known this morning whether Farrell would be held down his corner tonight in the game with the Ogden Reds.

Buhl Ex-Leader Taken By Death

BUEL, June 28 (Special).—Everett Buhl, 57, one of the founders of the American market, large packing plant at Buhl, died Tuesday at his home in Buhl, Vernon, Wash. He introduced the first storage locker in Buhl in 1911, a few years ago.

Mr. and Mrs. Irvin Wright, interested in the American market, and J. C. Hamilton, president of the Farmers' National bank, of which Mr. Buhl was a former director, left yesterday for Mount Vernon to attend funeral services.

It is believed that interment will be in Forest Grove cemetery, Portland, Ore., beside the bodies of his parents and sister.

Death Attributed To Sudden Heart Attack

Death was attributed to a sudden heart attack. Mr. and Mrs. Les Roobing, Buhl, who visited Mr. and Mrs. Hall the middle of this month, said he was apparently in excellent health at that time.

Mr. Hall came to Buhl 28 years ago from Tillamook, Ore., where he was employed by Andy Stangle in the meat industry for two years. He left Buhl, returned to Oregon in 1915, again being employed by Stangle.

In 1917 he established the American market with Thomas Brunk as an active partner and Frank Hartwell as a silent partner. Later the Hartwell interest was bought by Mr. Roobing, and when Mr. Brunk left for California, Hall obtained two-thirds interest. Hall and Roobing then incorporated, with Mrs. Hall as secretary.

Mr. Hall maintained an active interest in all civic affairs of Buhl and was appointed Aug. 5, 1938, to serve on the city council by Mayor L. O. Johnson. He served until 1935 when his wife's health made it obligatory for the Halls to seek another location.

They visited the east and south, seeking a location for an ice refrigeration plant, and finally located in Mount Vernon.

Episcopal and Mason

Mr. Hall was a member of the Episcopal church in Twin Falls, and of the Masonic lodge in Buhl.

He is survived by his wife, Mrs. Gladys Hall, and two children, a son, Max Hall, who assists in the operation of the cold-storage plant, and a daughter, Miss Veda Hall, who this spring completed her first year at the University of Washington.

Rancher At Paul Called By Death

PAUL, June 28 (Special).—Gale Reed, 57, resident of Paul since 1915, and operator of a farm four miles west of the Washington school, died at 7:15 a. m. today at the Cottage hospital in Burley.

He had been ill for several months. He at first received medical treatment at the Soda Springs hospital, and was taken last Saturday morning to the Cottage hospital.

He was born Nov. 18, 1881, at Bedford, Ia., and lived there until coming to Idaho. He was married to Miss Mabel Tillman June 22, 1921, at Pocatello.

Surviving are his wife; two sons, Miss Alice Reed, in charge of the music department in the Cheyenne, Wyo., schools, and Miss Roxa Reed, Bedford, and a brother, Frank Reed, also of Bedford.

National Scout Heads To Speak

A special broadcast from the Boy Scout camp at the New York World's fair will be staged Thursday between 11:30 a. m. and 12 p. m. (MST) through facilities of the NBO, it was announced here today by Gordon Day, executive of the Snake river area council.

Speakers during the half-hour program will include Owen J. Roberts, justice of the U. S. supreme court; James E. West, national Scout executive; W. W. Head, president of the national council; Dan C. Beard, national Scout commissioner; and Orover Whalen, manager of the fair.

DEATH

Because his mother died in Wisconsin Sunday, a Minneapolis man was being sought in this area today so that he may halt his trip and return east.

The man is M. M. Kennedy, Minneapolis. His mother died at Ashland, Wis., Sunday afternoon, according to a telegram received here by the Continental Oil company. The firm instructed all its stations to keep a lookout for Kennedy and to notify him that his mother died.

No Fireworks in National Forest

BOISE, June 28 (UP).—Anyone caught shooting off fireworks in Idaho's national forest areas over July 4 will be penalized severely, state and national forestry department officers warned today.

The forested areas of the state are extremely dry from lack of precipitation and the fire hazard is extreme, State Forester Franklin Glard warned.

SUBMARINE RAMMED

CRISTOBAL, Canal Zone, June 28 (UP).—The United States submarine Seal was rammed by the small French coastal steamship Trollet as it left the Gatun locks of the Panama canal yesterday. Neither ship suffered serious damage, and both proceeded to Balboa.

POLICE SEEKING HAMMER SLAYER

HOLLYWOOD, June 28 (UP).—Police today sought a man described as a sex maniac for the hammer slaying of Margaret Campbell, 56-year-old former actress.

Mrs. Campbell, whose body was found in a Hollywood boarding house, appeared to have been beaten with a carpenter's claw hammer. Her night clothes were torn and her body bruised.

Mrs. Campbell, not to be confused with the famous British actress of the same name, apparently had been dead about 48 hours before her body was discovered by the landlady, Mrs. Mary Du Pre.

Driver Is Killed In Bus Accident

PHOENIX, Ariz., June 28 (UP).—The crash of an eastbound Greyhound bus in the rear of another passenger-crowded bus 16 miles west of here yesterday claimed one life today as 24 other persons were recovering from injuries.

William M. Phoenix, Ariz., driver of the bus that rammed into the first vehicle which had stopped to pick up four passengers, died after doctors amputated his leg. He suffered internal injuries.

DILL QUILTS POST AS STATE SOLON

BOISE, June 28 (UP).—Resignation of State Rep. C. W. Dill, Jr., of Lincoln county, had been submitted today to Gov. C. A. Bottolfsen.

The 86th-year-old man, who runs a gravel pit, dropped his legislative post to avoid criticism since the state requires gravel from his pit. Statutory provision restricts business between the state and any state official.

DAM ASSURED

CAREY, June 28 (Special).—The R.F.C. has agreed to buy the canal bonds of the Little Wood river district, officials said today.

This will enable the Little Wood river dam to be completed, it is believed, in about 80 days under the WPA, which has let the project out to contractors.

There are more than 2,000 units in the average automobile, made up of more than 10,000 pieces.

POLES FIRE AT NAZI SEAPLANE

BERLIN, June 28 (UP).—An authoritative source said today that Polish coastal batteries fired at a German seaplane flew along the Polish coast yesterday, but did not hit it. It was not known whether the shots were fired at the plane.

The statement was believed here to clear up reports from Warsaw that a German plane had been shot down after it failed to heed warning salvos to keep away from the Polish forts in the Hel peninsula region.

It is the new "Woman's Recipe" bread

Housewives themselves developed it — a new loaf that "eats" better, every slice

A MESSAGE FROM

Head of one of the world's largest Home Economics Bureaus

SCIENCE COOPERATES IN SEEKING NEW-TYPE BREAD
All that laboratory men know was welcomed in this feminine search. But women went a full step further. Their final selection was made on taste (the way women have always judged foods!)

WOMEN FIND ORDINARY BAKER'S BREADS MUCH ALIKE
Not unpleasant to taste—simply uninteresting. Flat. These breads, women think, must be baked to men's ideas. To chemical formulas so standardized there's nothing exciting about them

A WOMAN'S RECIPE MAKES A WORLD OF DIFFERENCE
Yes, this new bread is amazingly tender and delicate, far more flavorful!—thanks to the hundreds of wives and mothers who helped perfect it. It's a woman's idea of good bread

GUARANTEE

Buy a loaf of Julia Lee Wright's today. If you do not agree it tastes better your grocer will refund all your money!

Look for Date Band

Right at the bakery a Freshness Date Band goes on these fragrant loaves as they leave the oven.

This Date Band tells you the day this delightful "woman's recipe" bread is at its peak of freshness!

You'll find this Julia Lee Wright's Bread at your grocer's today. Buy a loaf. Prove for yourself—it "eats" better, every slice. Your whole family will agree!

Many hundred critical women helped to create it — a bread really different from "baker's bread."

For months housewives compared recipes—judged thousands of loaves. Then they told us the kind of bread they hoped to find in stores.

And the result? A change in bread making. A loaf women agree "eats" better than any bread ever before offered for sale here (and a bread that makes far more delicious toast!)

A woman's—not a chemist's—idea of good bread

Men bakery experts think differently about bread than do housewives.

Men make technical tests. But women—wise in pleasing family appetites—decide almost solely on how bread tastes.

So this "woman's recipe" bread naturally turned out to be more exciting to taste... more delicate, tender.

We discovered, also, that women consistently preferred the freshest loaf.

That set us working on a special plan

GIVE YOUR FAMILY A TASTE SURPRISE
Serve this new "woman's recipe" bread today. (Toast some, as a special surprise!) Let all your family discover quickly that bread need be just a "habit" food—Julia Lee Wright's Bread is thrilling to taste

STOCKS FALL TO NEW LOW LEVELS

NEW LOW LEVELS

NEW YORK, June 23 (UP)—The stock market declined to a new low level since May 23 today with volume light. A majority of bonds also declined. Wheat lost fractionally and cotton futures were down a few cents.

Although the Tintain situation showed signs of betterment, traders were nervous over talk of an impending German coup in Dantz. Operations were routine. Prices softened on lack of demand more than on selling pressure.

Silver prices fell to a new low since October 24, 1933, in New York at 83 1/2¢.

higher prices for domestic silver, lost part of yesterday's 2-point rise on profit-taking. Other mining shares were quiet, but exhibited a lower trend.

Mineral industrial stocks lost a point or more, most on declines in base metals. Aluminum shares were off 1/2 point, but fractionally. Oils, mercantile shares and building trades lost small amounts. Douglas Aircraft was down more than a point.

Steel shares ignored reports of a firmness in price tendency. U. S. Steel and Bethlehem Steel lost a point or more.

Chemical shares included Allied Chemical and Eastman Kodak, Westinghouse Electric and American Smelting.

wishes to entertain a large group of friends than her dining room can comfortably accommodate, the fashion of serving buffet meals solves a problem. The food can be attractively arranged on a long table, then carried to small tables set up where most convenient, possibly in the living room or, in summer time, on the porch. The hostess can be prepared well ahead of time, and the guests do part of the serving themselves. Both of these features are an aid to the homemaker who does much entertaining.

A buffet service can be very pretty. Linens, silver, china, flowers, candles, all contribute their beauty

to the occasion. The food itself, of course should be as attractive as lovingly selected.

Remember that the appetites of guests should be kept from flagging and that the food must be as tasty as it is decorative. See to it that the menu is well balanced. Have all the food ready to be served. You also serve food that will really satisfy as well as tempt. This is especially true if there are men in your party.

A platter of assorted cold meats and one hot dish, such as a creamed corn and pea soup, will be sufficient for your buffet menu. See that this hot dish does not contain too much milk. Escalloped potatoes or corn pudding will be a good accompaniment. You will want to serve a tempting potato salad. A gelatin salad of vege-

table and fruit rich in will, also, and a cold vegetable salad. The beverage service will complete the feast. With the cold meat, you may serve a cold soup, such as the gushey soup. You may also serve a cold chicken or ham sandwich, or a cold meatloaf. Blices of cold roast meat and meatloaf, cooked at home, may be used. You may also serve a cold vegetable salad, cold meats and various sausages. These you will give your guests a wide choice and also you will be able to serve a variety of plates. By alternating light and dark meats, and arranging the colors of the vegetables in a pleasing, crisp, colorful arrangement of radishes, celery curls, olives, sprigs of parsley, or other tempting and attractive garnishes, you can make this your buffet "spread."

MEETING ALIGNS WHEAT FIGURES

Tentative establishment of county wheat allotments highlighted the agricultural conservation conference at Boise over the week-end. Walter Reese, Castleford, chairman of the Twin Falls county association, said this afternoon.

The meeting was attended by Mr. Reese; J. E. Fohlman, Hollister, and I. T. Creed, Piler, as members of the county committee. They commented that the session "resulted in better understanding between counties" in regard to agricultural adjustment problems.

"Our county committee worked with the state AAA committee in setting the 1940 wheat acreage allotment at the meeting," Reese announced.

As soon as the figures are established and reviewed and approved, the allotment will be established definitely. Then the county committee will proceed immediately with the work of setting 1940 wheat allotments on individual farms.

Members of the Twin Falls county committee who attended the conference participated in discussions of the present adjustment programs as they apply to agricultural problems in counties over the state.

Discussions also were held on the farm program for the coming year, and informal round-table meetings dealt with range, crop insurance, wheat loan and other problems.

EARLY MOVE ON DANZIG IS SEEN

PARIS, June 23 (AP)—A series of official reports circulated in French, British and foreign diplomatic offices today that a showdown was likely soon on return of Danzig to Germany.

Premier Edouard Daladier called a parliamentary group into secret consultation this morning and told them flatly that the general staff had received "confirmation" of German infiltration into Danzig and foresaw the possibility of action during the coming week-end.

The information received in both Paris and London appeared to have been responsible for extensive precautions taken by both the French and British governments to be ready for any possible emergency in July or August.

On London, an Exchange Telegraph dispatch from Warsaw reported that in the last 24 hours about 4,000 German officers and men had entered Danzig from East Prussia in connection with formation of a "free corps" for which 1,000 horses were requisitioned. The corps drilled today at Siedlitz with light machine guns, the dispatch said.

The infiltration of Germans into Danzig—denied this morning in Berlin—had been reported for some weeks.

FEDERAL ACTIONS HIT IN BUSINESS

TWIN FALLS, Ida., June 23 (AP)—Curtilage of the federal government's competition with business was spotlighted last night in a resolution of the Idaho Bankers' association shortly before adjournment of its annual convention.

A second resolution recommended that the federal housing administration be subjected to the same building and loan regulations as private banking.

July, August and September are the danger months for Europe, Winston Churchill, British conservative, believes. . . He doesn't consider war certain, but if "one were to consider only the German preparations and the tone of the German press there could be no conclusions but that the worst could happen quite soon."

James G. Stahlman, past president of the American Newspaper Publishers' association, described an "irretrievable" statement by President Roosevelt that freedom of press has not been threatened in AMERICA.

Edward E. Brodie, 63, former U. S. minister to Spain and Finland and Oregon newspaper editor, died last night of a heart ailment.

Gen. Douglas MacArthur, former chief of the U. S. army, said the Philippine commonwealth could "more than match" the strength of any possible enemy when the 19-year defense program for the islands is completed.

Amendment of the Wagner national health bill now before congress was sought at the 43rd annual convention of the American Osteopathic association convention in Dallas, Tex., Dr. Lily G. Harris of Oakland, Calif., said the measure denies patients the right to free choice of a physician.

Gov. Culbert Olson of California said he will pardon Warren K. Billings, co-defendant of Tom Mooney in the 1916 San Francisco preparedness day bombing, "if I have the power to do it."

Dr. Eduard Benes, exiled president of Czechoslovakia, said today—the 20th anniversary of the Versailles peace treaty—that the treaty was not perfect but that its imperfections were no excuse for Germany's program of "invasion and destruction" of other nations.

Almon E. Roth, president of the San Francisco employers' council opened a bitter attack on Harry Bridges, west coast director of the CIO, for stirring up waterfront strife. . . Roth said he and his associates have sought to make a Christian out of Bridges, but he's had medicine.

HOUSE RECEIVES BILL ON ALIENS

WASHINGTON, June 23 (AP)—The house today received a bill designed to curb subversive activities in the United States and make possible the deportation of aliens who advocate the forcible overthrow of the government. The measure includes an extraordinary clause to make its provisions retroactive.

Members of the house judiciary committee, which reported favorably on the measure, said that it would permit the deportation of Joseph Stroecker, alien who formerly was a Communist, and Harry Bridges, west coast labor leader, if it could be proved that Bridges was ever a member of the Communist party.
