

Idaho General Fund Shows \$550,000 Decline in First Half of 1939

RELIEF EXPENSES MAIN CAUSE FOR LOSS IN RESERVE

By MURRAY M. MOLE

BOISE, Aug. 8 (UP)—The surplus in the Idaho state general fund, from which most state departments operate, decreased more than a half-million dollars during the first six months of this year, State Auditor Calvin E. Wright revealed today.

On Jan. 1, the surplus was \$1,340,024. On June 30 it amounted to \$229,391.

Former Auditor Orville Brooks attributed the drop in surplus to increased expenditures for relief, combined with a large drop in income tax receipts.

In a summary of the state's financial condition at the end of the six-month period, the auditor's office showed general fund liabilities and assets balanced at \$281,974. Assets included a treasury cash balance of \$117,148, a revolving fund of \$13,097, \$151,728 due from counties on the 1938 tax, and \$1,200,000 in 1939 taxes that will be levied after the board of equalization meets Monday and collected later this year. A \$500,000 loan included in the 1939 tax but due schools was deducted.

Liabilities Listed

Liabilities included \$122,822 in outstanding warrants plus the \$930,391 surplus.

In all state funds, including the general and other, the auditor's office showed a balance sheet showing an increase of \$1,069,931 from \$3,082,644 on Jan. 1 to \$2,012,713 on June 30.

The cash available June 30 was \$179,283, including \$14,563-613 in receipts and \$3,876,285 in disbursements on Jan. 1. Disbursements in the six months totaled \$12,232,188, including \$11,484,892 in operating warrants, \$1,078,202 to trust accounts including \$892,233 in unemployment compensation, \$44,406 for vocational education participation, \$62,789 for revolving funds, \$339,000 for bonds and \$32,913 on bonds.

Total Receipts

Total receipts for the six months were \$1,868,613, compared with \$12,700,801 in the first six months of 1937, which marked the first quarter of the two-year financial period of the state.

The 1938 receipts included \$4,876,819 from the 18 special taxes, \$3,808,823 from "non-revenue" sources such as excise taxes, and \$4,022,173 from the 1937 figure included \$3,494,713 special taxes, \$448,751 non-revenue and \$48,609 in interest.

The bonded debt of Idaho on June 30, 1939, was \$1,446,500, a reduction of \$329,000 from the \$1,885,000 outstanding Jan. 1, 1939.

Of the warrants outstanding June 30, \$1,000 were registered warrants issued in 1938, and the remainder were registered in 1939.

The bonded debt of Idaho on June 30, 1939, was \$1,446,500, a reduction of \$329,000 from the \$1,885,000 outstanding Jan. 1, 1939.

COUNTY YOUTHS JOIN CCC GROUP

Nineteen young men from Twin Falls county were enrolled for employment in the CCC during July, Mr. T. G. Neely, county agent, said today.

It was announced this afternoon by H. N. Paddock, local supervisor of the division of public assistance.

In July, Mr. Paddock said, 370 youths were selected and enrolled from the state. The past enrollment was one of the largest and best held in Idaho. This is not due alone to the fact that the CCC provides interesting and constructive outdoor employment but because the CCC is becoming increasingly more popular for the national youth educational advantages it offers as well.

Paddock states that boys from low income families seeking employment should consider these benefits offered by the CCC. The last enrollment this year will be held in October when another group of boys between the ages of 16 and 23 will be given a chance to enroll.

He advised all boys who are interested to make application to his office immediately. It is important that boys wishing to enroll in October should not delay in contacting their county supervisor, since the number of boys each county is permitted to furnish is based upon the number of applications on hand.

Following are the boys enrolled during July from this county:

Devin G. Allen, Kenneth J. Blum, Oscar A. Rose, Chester Schuchert, Donald E. Scott, Arthur P. Smith, Harry J. Taylor, Alfred John Steier, Carl Artur Steier, Arthur Steier, Paul Steier, Roland J. Beard, Lowell Oldowick, Edwin P. King, Howard Melhorn, James Melhorn, John C. Palmer, all of Bull, Clifton D. Hess, Lester Lillibridge and Benoit Hill, all of Piler, Paul O. Brinkman, Hansen.

Guilt Denied in Battery Charge

Not guilty plea was entered in probate court today by J. C. Blain in charges of battery filed against him by his wife, who claims he seized her wrist Aug. 5 and pulled her onto a stove.

Judge C. A. Bailey, after receiving the not guilty answer, set aside the case for trial for 10 a. m. Thursday. Mr. Blain was released on his own recognizance. His attorneys are Rayburn, Rayburn and Smith.

STORE BURGLARY 'NOT A BREAK-IN'

Burglary of the Safeway store located in the 200 block on Main avenue east, in which \$500 in cash was taken, was "not a break-in," chief of Police Howard Gillette said this afternoon. The loss was discovered Monday morning.

"There was definitely no evidence of a break-in," Gillette said. "The back door was not only locked but was barred with a heavy angle iron. This back door could not have been opened from the outside. All doors were securely locked and barred."

In recounting happenings prior to the time the store closed early Sunday morning, Gillette said the police investigation showed the following:

Still Working at 2

"At 3 a. m. Sunday the employees, as many as 20 of them, were still working in the store cleaning up and doing other jobs such as restocking shelves."

"The store was closed shortly after all doors were securely locked and barred. The money had been hidden in such a manner that no outsider could have observed or had any knowledge of where it was."

Two Solutions

"One of two possible solutions is that someone was locked up in the building while the other is that someone entered the building with a key to the front door," Gillette said.

This afternoon police had taken pictures of fingerprints found in the vicinity of where the money was hidden.

Regarding any arrest which might be made, Gillette said: "We are following two good leads."

Eastern Legislator Protests By Appearing in Bathing Suit

BOSTON, Aug. 8 (UP)—State Rep. John W. Wenzler, a 194-pound lawyer and keeper, was barred by guards from the state house today when he appeared in a bathing suit in protest against the dilatory tactics of the Republican administration.

Wenzler had appeared at the state house and attempted to change his clothes in the house of representatives cloak room, but guards had barred him.

He went to the press gallery and entered a telephone booth, and when he emerged, smoking a cigar, he was wearing a zipper-equipped combination of blue trousers, gray jersey and white belt, set off by a new pair of white sneakers.

Rushed by Guards

After posting new cameramen, the 50-year-old legislator slipped lightly, grasping with his left hand a corridor leading to a narrow back staircase. He had reached the bottom of the steps on the third floor, and was about to enter the house chamber, when three guards rushed him.

Wenzler, a Democrat, staged his act to call attention to what he called a "do-nothing" session of the legislature, Republican controlled.

"The Republican party has no right to keep us here in this state house and make us sweeter these hours," Wenzler grumbled.

Chicken Nuisance Charges Dropped

A complaint against W. R. Taylor, Twin Falls, charged with "keeping Cocks (chickens) which by noise and offensive odor, a nuisance," has been withdrawn today in municipal court.

The complaint was filed by R. C. Leedom and hearing was to have been held before Municipal Judge J. O. Humphrey. This morning was postponed because the arrangement had been made to sell the chickens owned by Taylor.

FDR RETURNS TO HYDE PARK HOME

HYDE PARK, N. Y., Aug. 8 (UP)—President Roosevelt returned to Hyde Park today for five or six days of exclusive work to complete executive action on the legislation of the 76th congress.

He also will determine whether New Deal force will launch a counter attack to offset congressional rebuffs on his neutrality, lending and housing programs.

Mr. Roosevelt will act on nearly 200 bills during the next five or six days.

Clearing the way for his sea-going vacation, the President announced yesterday that he already had signed 123 bills. These include the final deficiency bill and the social security revision bill.

LONDON PREDICTS GOP VOTE SWING

SALT LAKE CITY, Aug. 8 (UP)—Former Gov. Alf M. Landon of Kansas told Utah Republicans that the trend of the nation is undoubtedly in "our direction" at ally and reception here Monday.

He warned party members, however, not to become overconfident; an administration using the federal treasury and trading relief for votes.

Criticizing the policies of President Roosevelt, Landon said that either his policies are wrong, or "he doesn't know how to make them work."

Landon criticized the growing breach between the President and some members of the Democratic party as an unwholesome condition for the country. He explained that citizens, the Republicans, are not like the "disruption" which has grown apparent in the controlling party.

"Defeatist mood" under which some Republican party organizations were suffering in 1938 congressional elections, have been driven away and "we are ready to go in there slugging" during the coming presidential campaign, the 1939 presidential candidate explained.

FOOD-STAMP PLAN TO BE EXPANDED

WASHINGTON, Aug. 8 (UP)—Secretary of Agriculture Henry A. Wallace said today the food stamp plan for distributing farm surpluses among low income groups, begun three months ago as an experiment, will be expanded on a national basis in a few months.

Agriculture department officials said that for the immediate future extension of the plan would affect only workers on the relief rolls. If an experiment is successful at Shawnee, Okla., where stamps are given privately employed workers getting less than \$19.50 a week, it will be extended to this class of workers in other areas.

Wallace said expansion will be gradual and that the number of cities in which the plan will be put into operation will depend on the program's continued successful operation. The food stamp system now is operating in six cities.

HOPKINS REPORTS U. S. BUSINESS BOOM DURING JULY

COMMERCE HEAD SEES PROSPECTS FOR BIG ADVANCE

WASHINGTON, Aug. 8 (Special).—Secretary of Commerce Harry J. Hopkins today reported further business improvement in July, a month in which economic activity normally is on the downgrade.

All major lines of business activity in the continuation of the recovery movement initiated in May and were well ahead of last year.

"Prospects for third quarter business have improved with recent developments in the domestic field," Hopkins said. "Business policies generally reflected less hesitancy than prevailed during a considerable part of the second quarter. Indicative of the more confident attitude toward fall business is the enlarged volume of retailer commitments in wholesale markets."

Flow Sustained

The sustained flow of goods into consumers' hands during the second quarter, the secretary continued, has required replenishment of stocks and this factor, together with seasonal purchasing for the autumn, has been reflected in manufacturers' orders. Industrial purchasing has been with unusually large commitments made in some lines, he said. Forward purchases of copper achieved record volumes last month.

Hopkins said the general pattern of July business was one of redistribution to the normal mid-summer slackening. The construction industry reached a seasonal peak in July with activity higher than in the summer of 1937, the best New Deal year.

Retail Trade Up

Retail trade in July, he went on, was much better than a year ago with sizeable gains registered in consumers' durable goods such as automobiles, refrigerators, furniture and electrical appliances.

Another important factor in the recovery movement, Hopkins said, was the indication that the average consumer's income could buy more than last year.

Exams Listed For U. S. Jobs

Various open competitive examinations for civil service positions were announced here this afternoon by the U. S. civil service board of examiners.

Full particulars regarding the examinations can be had at the Twin Falls postoffice or at any other first or second class office in the state or by writing the secretary of the board at the federal office building at Seattle, Wash.

These Open

Among positions for which examinations will be held are the following:

Roadway superintendent, for filling existing and future vacancies in the U. S. bureau of reclamation, Island Park, Idaho. Applications for the examination must be on file at the Seattle office not later than Aug. 22.

Marketing specialist in livestock market supervision: Employment is in the agricultural marketing service and the positions open pay from \$2,800 a year to \$2,000. The optional subjects are grain, hay and feed market reporting, hay standardization and inspection, bean and soybean standardization and inspection.

Biometrics Jobs

Chief division, \$2,200 a year; head division, \$2,000 a year; staff division, \$1,800 a year. Employment is in the Veterans' administration, public health service and other government departments.

Lithographic transferer, \$9.00 a day; intern of engraving and printing, treasury department. Completion of a four-year apprenticeship or equivalent experience is required. Applicants must have reached their 20th birthday but not have passed their 30th.

The sun-spot cycle of 113 years is evident in weather records left in trees which grew thousands of years ago.

Magic Assistant

When Magician Ralph Pierce puts on his "madcap magic" tonight at Jaycee ball park, his assistant will be Lois Lake (Mrs. Pierce). One of their featured stunts will be the "vanishing head" illusion. The performance will open at 8 p. m.

Woman's Head "Vanishes" As Magic Oddity

Now she has a head—and now she doesn't.

Anyway, that's how it will look tonight to spectators at Jaycee ball park who view the "madcap magic" performance of Ralph Pierce, noted 23-year-old performer of magic.

Wife Featured

Mrs. Pierce, wife and assistant to the magician on his coast-to-coast tour, will be featured in the "vanishing head" illusion. This noted magic act will be one of the highlights in their presentation at the baseball park. Mrs. Pierce places her head in a box measuring 11 by 13 inches, with her body in full view.

Pierce then places 10 solid steel swords, six daggers and an iron spear through the box. The box is opened—showing that Mrs. Pierce's head has vanished.

Junior Chamber sponsors of the magic show revealed today that during this feat Mrs. Pierce's insurance policy is suspended by the company which issues it.

At County Fair

Pierce offered a 30-minute performance Monday afternoon for county fair visitors and youngsters, plus a group of Evening Times carrier boys. At noon today he presented 20 minutes of magic at the Jaycee membership meeting in the Park hotel.

1939 VALUATION RISES IN JEROME

JEROME, Aug. 8 (Special).—Jerome county shows an increase in valuation of the real property, personal and city assessment rolls for the year of \$41,733.50.

Total valuation of these rolls is \$4,885,642 and the valuation for the year 1938 for the same rolls was \$4,843,908.50. Total increase of \$41,733.50 was offset by decreases of \$26,184, which were made up as follows:

Trigged lands: \$2,035; grazing land, \$80; elevators: \$1,800; sheep: \$2,000; merchandise, machinery and repair shops: \$11,783; agricultural, theater, printing plants, furniture and fixtures, private libraries and abstract: \$1,400.

The increase in valuation is made up of the following amounts: Pump land, waste land and equities in state land: \$4,998; business lots: \$1,925; residence lots and acreage: \$440; improvements: \$2,170; business lots: \$3,924; residence lots: \$10,823; acreage and state lands: \$1,083.

Personal property: \$4,897; horses and mules: \$7,715; other livestock: \$2,264.50; threshers, combines and tractors: \$19,715; service station equipment: \$2,470; household furniture: \$450; automobiles: \$520; signs and signboards: \$150. Total for this is \$27,897.50.

More Yearlings

An analysis of the abstract of assessment shows that there are 508 more yearlings this year than last, under the classification of cattle, making an increase of \$1,056 in that item. There are 180 more cattle, stock, range and common, than last year. In 1938 there were 20 registered bulls; this year there are nine. This year shows a gain in colts of 80 more than last. A decrease of 240 common sheep and 541 stands of bees is also noted.

Exemptions for 1939 were allowed in the amount of \$28,146 and for 1938 \$25,906, a slight decrease. Increase by different rolls is \$41,733.50.

Forest Service Probes into Life of U. S. Mountain Goat

WASHINGTON, Aug. 8 (Special).—The forest service, which sent some of its best "Peeping Toms" to spy on the family life of mountain sheep, today revealed some scandal.

It wasn't idle curiosity that prompted the service to detail rangers to the extraordinary assignments. The number of mountain sheep has been decreasing at an alarming rate. The service was mystified because the tendency toward trace suicide centered in states where hunters were prohibited from shooting the sheep. Where hunting was permitted, the flocks increased. It didn't make sense.

Special Study

"Forest rangers who made a special study of certain flocks found a thing happening," the service reported. "They noticed that the big horn like to fight at any and all seasons, but that they fought more during the mating season."

SHOSHONE BOARD GIVES CONTRACT

SHOSHONE, Aug. 8 (Special).—Shoshone district school board, facing the problem of taking care of surplus students attending local schools since the consolidation program went into effect, has worked out a new transportation plan, and instead of maintaining buses will contract for hauling children from country precincts.

District board, Mrs. Ross Borden, Mrs. R. B. Haddock, Ben E. Weeks, Lambert Eppelberg, J. E. Potter and Dewey Williams, met Thursday, went over the project, and awarded a contract to the Kelly Motor company, at 15 cents a mile for each of four buses. Contract was granted on bids, the school board to furnish the chassis of each bus and the motor company the body and drivers. Obligation extends for three years, and operates with the term ahead.

Bids were also received from Clayton Peuch, E. G. Driscoll, Clyde

District Governor Will Speak At Kiwanis Father-Son Dinner

George Lowe, Ogden, district governor of Utah-Idaho Kiwanis clubs, will be a distinguished guest at the father-son banquet of Twin Falls Kiwanis club Thursday at 7 o'clock at the Park hotel.

Approximately 100 Kiwanians and their sons, or "adopted" sons for the evening, will attend the event, which gives promise of being one of the most enjoyable affairs of its kind in the annals of the local service organization.

Professor Harvey G. Johnson, of the Washington college, Walla Walla, Wash., will be the "headline" on the program of entertainment, presenting an illustrated lecture on astronomy.

The guests will also be entertained with musical selections and other items of interest. Wilbur S. Hill, president of the host club, will preside.

Chairman of the committee on arrangements is Stanley Cockrell.

Two Preside at Gay Luncheons

Mrs. A. J. Wilson, Kimberly, and Mrs. Wellington C. Pierce, Twin Falls, entertained at a smartly appointed luncheon series recently, the final one taking place yesterday afternoon at the home of the former in Kimberly.

Quaint old-fashioned bouquets in crystal containers formed the centerpiece for the luncheon tables. The same decor was observed at the first luncheon Saturday afternoon.

Yesterday's prize-winners were Mrs. Louis Denton, Mrs. Frank Warner and Mrs. Richard Smith. Mrs. Denton and Mrs. Smith have recently moved to Twin Falls from Kimberly, joining the ranks of the younger married set here.

Mrs. A. L. Horton, C. A. Bailey and Mrs. H. P. Parry won honors at Saturday's event.

Mrs. Robert Nixon, Akron, O., who has been visiting in Twin Falls, and Mrs. E. A. Wilson, and is now in The Dalles, Ore., for a brief stay, and Mrs. William H. Sibber, Atlanta, Ga., were out-of-town guests. They received guest favors.

Mrs. Sibber and her two sons are spending the summer at the home of her parents, Mr. and Mrs. Ashter B. Wilson.

Twenty guests were present at each luncheon.

Couple Weds at Home of Bride

Miss Vera Irene Lohr, daughter of Mr. and Mrs. M. D. Lohr, and Cecil Russell Dodge, son of Mr. and Mrs. C. E. Dodge, all of Twin Falls, were united in marriage Sunday afternoon at 5:30 o'clock at the home of the bride's parents.

Rev. Roy E. Barnett, pastor of the Baptist church, read the single ring ceremony.

The couple was unattended but Mrs. Alice Adkins, great-grandmother of the bride, and Mrs. Belle Little, grandmother, were given the honor of signing the marriage register as witnesses.

The bride was crowned in a rose chiffon afternoon frock. Background for the wedding was fashioned of white and pink gladioli and greenery.

Only the immediate families were present. Refreshments, featuring a wedding cake topped by a miniature bride and bridegroom, were served.

Mr. and Mrs. Dodge will leave tomorrow for their honeymoon, where they will make their home.

Calendar

Men's Women's club will meet Thursday afternoon at the school house with Mrs. Alice Blaise and Mrs. Clara Shum as hostesses.

Mills Avenue club will meet at the home of Miss Gertrude Sampson, Wednesday, August 9, with Mrs. Doris Thacker will be hostess.

Women's Council of the Christian church will meet Thursday in the lower auditorium of the church. Mrs. W. S. Parish will preside at the business session in the absence of the president, Mrs. L. E. Whitsett. Mrs. John D. Willis will be in charge of the program.

First Noble Granda club of the Granda lodge will meet for a picnic supper at 8:30 p. m. Thursday at the home of Mrs. Jessie Vance, 400 Blue Lake boulevard north. Back number is asked to bring a guest in observance of the summer "Guest Night" party. Those attending are asked to bring a picnic supper and table service for themselves and their guests.

Former Classmates Attend Gala Reunion

Armed with 1918 Coyotes and supplied with vivid memories of the class of "red and white" of that year, 11 members of the Twin Falls high school graduating class of '16, their husbands and wives, met for a gala reunion at the home of Mr. and Mrs. Lionel Dean last evening.

The occasion was to honor Mr. and Mrs. James C. Harvey, who are here from Boulder City, Nev., for a vacation visit.

Mr. Harvey is association electrical engineer at Boulder dam. With their two daughters, they will leave Twin Falls the latter part of the week to continue their vacation motor trip.

Although Mr. and Mrs. Dean were not members of the class, they were as interested in the humorous reminiscences as the ex-classmates.

"Can you feature us wearing garters that long now? And look at those hair ribbons? What's that beneath the huge tie you're wearing, a midday blouse? Follows certainly were funny hair-cuts in those days."

This, and more, was the trend of the conversation as the guests flipped through the pages of the old album.

Later the photography took a more modern tone when Mr. Harvey displayed several rolls of motion pictures, some in technicolor, he has taken in recent years.

There were shots of the Shoshone ice caves, Craters of the Moon, scenery of views of Canada and Montana, Death Valley and Boulder dam.

Refreshments were served late in the evening by Mrs. Dean, assisted by Mrs. George Dean, mother of Mr. Dean. The Harveys are house parents of the Lincolnton during their stay in Twin Falls.

Among Those Present Present to honor Mr. Harvey and his wife, who were formerly Miss Juanita Dean, were:

Dr. and Mrs. C. Russell Weaver, Dr. and Mrs. George C. Halley, Mr. and Mrs. Dillard Hagan, Mr. and Mrs. Muri Blainbury, Mr. and Mrs. Ben Elder, Mr. and Mrs. Carl Maxwell, Mr. and Mrs. Myrtle Miller, Mrs. Fern Bore, Mrs. Grace Bore, Mrs. Larsen and Mrs. Doris Porterfield Drysdale, Chicago.

And that association will hold the annual Old Settlers' picnic at the Twin Falls county fairgrounds at Piler, Sunday, Aug. 20, according to plans made by the executive committee last evening at the office of P. O. Graves, Twin Falls.

J. L. Barnes, Hamlet, president, and Mrs. O. J. Childs, Piler, is secretary of the organization.

A picnic dinner of served at 1 o'clock, and a program of speeches and music has been arranged.

KIMBERLY

Floyd Wilson has taken over the management of the Kimberly banking exchange and the handling of records of the Merchants' Protective association. Mr. Wilson replaces Deane Shipley, Headquarters for the exchange are in the building.

ACTORS FLY TO ENTER PROTEST

HOLLYWOOD, Aug. 8 (U.S.)—With much of the trappings and ballyhoo of a personal appearance tour, a group of organized actors today flew to Twin Falls to enter a protest before William Green, a member of the highest-paid members in the American Federation of Labor.

They are members of the Hollywood Screen Actors guild, who earn \$1,000 or more a week but are famed for their readiness to jump into any battle involving the lower-paid members of their profession.

Protest Kidnaping They will protest what they described as an effort to kidnap a section of organized actors. The effort is being made by the International Alliance of Theatrical Stage employees, which has been a union for stagehands and electrical workers, but which has granted a charter to the American Federation of Actors.

The American Federation of Actors was suspended by its parent body, the American Association of Actors and Artists, and its membership assigned to the American Guild of Variety Artists, but President Sophie Tucker, and others of the suspended federation, seek to bring it into the state employers' alliance.

Place Protest Morgan is president of the Screen Actors guild, and is leading a delegation of its famous members to Atlantic City to place their protest personally before Green. They will stop at New York City and join forces with Broadway delegates, then appear before Green during the A. F. of L. executive council meeting in Atlantic City on Thursday.

All groups concerned in the controversy are members of the American Federation of Labor.

Fire Prevention PITTSFIELD, Mass. (U.S.)—An address on fire prevention was presented with the aid of an unexpected illustration. Andrews Wyman was talking on fire prevention when a rubbish can across the stage exploded upon requiring the services of a fireman with a hand extinguisher.

Speed tests have shown that the Boeing Clipper 214, being fully loaded, will cruise at 10,000 feet at just 170 miles an hour, while using only 60 per cent of the available 6,000 horsepower.

Negro Youth Cuts Off Own Crushed Foot

LORAIN, O., Aug. 8 (U.S.)—William Cappe, a 14-year-old boy, cut off his own foot today after a freight train crushed it.

The youth performed the operation yesterday after his foot was crushed when he fell under a freight train at Vermilion, 12 miles west of here.

Dr. William E. Wheatley, who attended Cappe, said he was in "good condition" today.

"He is one plucky boy, and he did what few people would have risked doing," Dr. Wheatley said. "He did a fair job of amputation, although, of course, he risked serious danger of infection from his knife."

"He'll pull through all right."

After the operation in a wood clump along the right-of-way, Cappe twisted a tourniquet tightly from his handkerchief, quickly amputated a pair of crushed fingers, amputated and hobbled nearby a mile before he fell beside members of a train crew.

The astonished crew called an ambulance, which brought him here.

Twin Falls Players Shine In First "Dream" Game Played at Salt Lake City

Wry, Falconi in Spotlight As Favorites Lose Tilt

SALT LAKE CITY, Aug. 8 (UP)—The west beat the east, 4 to 3, in the first annual all-star Pioneer league baseball game last night.

Over six thousand fans turned out to see their favorites in action.

Manager Andy Harrington of the westerners paraded five pitchers to the firing line, with Con Rasmussen of the Boise aggregation getting credit for the victory. Eddie Mulligan, who headed the easterners, sent three pitchers to the mound. The loser was Bob Costello, lanky Ogden twirler.

The westerners scored a run in the second and two in the third, all three of the runs coming off Jack Andrews, tall Salt Lake south-paw. The easterners tied it up with a three run rally in the fourth.

The winning run came in the seventh when Gordy Williamson doubled, and Bob Morcy, batting for Rasmussen, lifted easy fly to left field which Bob Price dropped.

Williamson was the leading star for the westerners, with Tom Robello, first-baseman-manager of the second place Pocatello Cubs, getting two of the easterners' eight hits.

As in most all-star contests, there was lots of good baseball—and lots of bad. The eastern club committed a total of four errors, while the west had one. There was only one earned run in the whole game and that score came in the third inning when Frank Falconi singled and then stole second. Williamson came through with his first hit of the game and Falconi raced home.

Manager Charlie Wry of Twin Falls was on the mound for the winners, the first two innings and only seven men faced the league-leading twirler in the two frames. He got the hard hitting easterners down in one—three order in the first and after he disposed of Robello and Kixie in the second frame. Larrieu singled, Bill Rosenlund flied out to end the frame.

Cowboys Star
Pielding game of the day were turned in by Falconi and Ernie Bishop, the two Twin Falls stars. Falconi had five putouts in left field and made several sensational catches. Bishop pitched the second out base in the second inning to make a beautiful catch of Kixie's apparent Texas leaguer.

Bill Schuchel, who followed Wry on the mound for the western team, was the victim of a three-run assault when Ernie Bishop and Schuchel struck out mighty Pete Hughes and then Price singled and went to third when Robello doubled.

Kixie flied out to short center for the second out of the inning. Then a sharp grounder down to second got away from Ernie Bishop and two runners crossed the plate. A single brought in the third run—all that Manager Mulligan's club could score.

Prospect Promising
Only two players chosen by the fans, went to get into the game. Ray Schalk, Salt Lake pitcher, was confined to his hotel by illness, and Clarence Biese, Pocatello pitcher, had pitched a full game Sunday night.

Speculators included Jack Halliwell, president of the league, who sold prospects for an eight percent league next year were promising.

The clubs today will swing into regular league games, with Twin Falls opening an series at Salt Lake. Lewiston going to Pocatello and Boise Pilots playing at Ogden.

More than 23,000 allied miles, constituting a danger to passengers, shipped, were removed from the area following the accident.

Ray Schalk Points to Scarcity of Big League Prospects in Minors

By HARRY GRAYSON
(NEA Service)

CHICAGO, Aug. 8.—Ray Schalk, veteran professional ball player, is paying more attention to the development of talent.

Schalk is fully appreciative of the American Legion tournaments and those sponsored throughout the country by newspapers, but urges those thoughtfully interested in the dodge to do something to help players past their 17-year age limit.

Legions and tournaments should be organized for adults.

There is a shortage of good young players in the minors as well as the majors and this is especially true of catchers.

"Why," says Schalk, who caught the big league record number of putouts for the Chicago Cubs from 1912 to '28, "catching isn't as fun as it is now. It is about the toughest catcher in the National League and Bill Dickey in the American League past their 17-year age limit."

"When I was active, the American league had three catchers, Cy Perkins, Bill Carrigan, Muddy Ruel, Wally Schang and Johnny Beamer."

Bringing Back Biplane
Nor is the practice today much better off in other departments.

"There isn't one player in the American association this season who even approximates the Ted Williams or Whitlow Wyatt standard," asserts Schalk, who was discharged as manager of the Indianapolis club July 14.

"I know," says Schalk, "the Yankee farm, in leading and I haven't anyone good enough for the American league."

All-Star Coach

ELMER LAYDEN

Layden Faces Jinx With All-Star Job

CHICAGO, Aug. 8 (UP)—Elmer Layden of Notre Dame laid himself open today to the meanest jinx in football by accepting the offer of six million fans to coach an all-star team against New York's world champion Giants the night of Aug. 30.

One thing about this jinx—no body escapes. Misfortune caught up with all five of Layden's predecessors the season after they served as all-star coach, and Layden, conditional league champion that backed the all-stars, for charity lost his world title in the spot crash league before the year was out.

Elected with Layden were four assistants from the Big Ten, the east, south and west. Harry Stuhldreier, of the University of Chicago, and Snively of Cornell, Maj. Bob Neyland of Tennessee and Edward P. (Bill) Madigan of St. Mary's will coach the all-stars.

Notre Dame backers in every section of the country voted in favor of Layden and he moved into the lead after the first ballot was counted. His lead was a 127,898 points included 1,247,016 first-place votes.

More than 23,000 allied miles, constituting a danger to passengers, shipped, were removed from the area following the accident.

Muggle is still not a big league hitter. He plays one in the groove, but the snorter huffers foul Yankee Joe's old boot.

Schalk would bring back the apb-b to give the pitcher without a curve more of a chance.

"The club and I just had a couple of different ideas, but Len Miller and I are still the best of friends," says Schalk, explaining the break-up of the club executive-manager team that worked harmoniously and successfully through eight years in Buffalo and Indianapolis.

The Indians had cupped seven in a row and were in third place when the famous pennant receiver was let out.

How Pitching Feels
Schalk, who directed White Sox operations from behind the dugout in 1910 before he was traded to the 100 battles of more for 12 seasons, is a spectator instead of a competitor for the first time in 26 years.

TIM and will present at 44 for all his baseball warfare, the Cracker will enjoy the novelty of a summer with his family, but wants to get back in the thick of baseball as quickly as possible and doesn't expect that he'll have a long layoff.

He doesn't have to worry, however. He is well fixed and owns a prosperous bowling alley.

"Managing a baseball team drives you crazy," he beams.

"It keeps you awake nights," he says, "it's more fun than anything I know."

"That's so screwy that when you get into it you don't ever want to get out."

Ray Schalk knows just how Lou Gehrig feels.

SIDE GLANCES

By Galbraith

"I'm not particular what kind of pop—anything that you gentlemen haven't figured on drinking yourselves will do."

MAYBE YOU'VE HEARD

Pot Shota is back from vacation — "Slightly grouchy," but nevertheless ready to give the Times readers a locally written column of and on everything and everybody in the Twin Falls country. You'll find him at the same old stand—page four in this paper. Don't miss the opening onslaught!

HOLD EVERYTHING

"I don't care what you say, there's no calories in that hash! We've got the cleanest kitchen in town!"

Peter Astra and his trainer-driver, Hugh M. (Doc) Parrish.

GOSHEN, N. Y., Aug. 8 (NPA)—Peter Astra, a bay son of Peter Volo, is picked to win the \$40,000 Hambletonian stake at Good Time park in this little cross-country town, Aug. 8. Peter Astra, a 2 to 1 favorite, is an all-Ohio horse. He is owned by Dr. L. M. Gullinger, a country practitioner of Andover, which is outside of Ashland and the home of all of 900 souls. He is trained and driven by Dr. Hugh M. (Doc) Parrish, a veterinarian of Urbana, which is situated some 20 miles out of Springfield.

Dr. Gullinger, shy, short and bespectacled, has had two offers of \$25,000 for Peter Astra, but the country physician who dislikes sending bills to patients says he isn't interested in rather important money of that sort when it comes to parting with his colt.

What Dr. Gullinger is after is the honor of winning the Hambletonian, the Kentucky derby of the harness world.

And, of course, the \$20,000 share of the purse that goes to the owner of the standardbred which comes down in front.

Peter Astra has bagged four consecutive starts this year and earned \$10,650 to top all 2-year-olds in 1938.

Thus far he has raced in 202, equalling the fastest time made by McLean when he won the Hambletonian a year ago.

As formidable as the little Peter Astra appears, however, he has at least four real rivals in Ned Abbey, Baggipier, Gauntlet and The Abbot.

Horsemens suspect that Ned Abbey may turn out to be the toughest to beat, although he did not amount to anything as a juvenile and little is known of his 3-year-old capabilities.

It is because the veteran Walter (Long-Shot) Cox has Ned Abbey that sharpshooters are watching this fellow. McLean also got nowhere as a 2-year-old and Cox kept him so much under cover that nobody believed he had a chance in the 1938 Hambletonian until a week before the horses went to the post.

Baggipier, the property of E. Holm-Hartman, president of the Grand Circuit, and trained and handled by Harry Pownall, is the most consistent of the crowd, with the exception of Peter Astra. This colt, sired by Guy Abbey, which got Greyhound, is second choice.

GLENN'S FERRY

Rev. and Mrs. Brooks Moore

joyed a visit over Saturday afternoon from her parents, Mr. and Mrs. Thompson, and daughter, Mrs. Miss Jeanie Anderson left Sunday afternoon for a visit of several weeks with relatives in Long Beach, Calif. Mrs. U. D. McHenry returned Sunday afternoon from Pocatello, where she had spent some time with her friend, Mrs. W. J. Hubbard, and husband.

Supr. of Schools J. J. Bushnell and wife returned last week from Pocatello, where they had spent the past week with relatives.

Mrs. Carl Rutledge and daughters, Geneva and Helen, Boise, spent from Thursday evening until Friday afternoon here visiting her father, O. Burns, and uncle, Hugh Burns, and in the P. M. returned to their home en route to Wilson, Wyo., to visit a daughter and sister. The Rutledge family are former Glenns Ferry residents.

STATEMENT ASKS FOR PEACE AIMS

LONDON, Aug. 8 (Special)—Prominent men of all leading political parties are backing a campaign to persuade the anti-aggression powers to make a statement of their peace aims. It was learned today.

It was suggested that if Great Britain and France succeeded in concluding a security pact with Russia, the three big powers should promptly, in cooperation with their minor allies and guaranteed powers, make a specific statement of their policy of the principal European problems.

Leaders urged that even if such a statement brought no positive reply from the anti-aggression powers, at least the people of Germany and Italy would learn of it and elements which suppose war would be strengthened.

Even if war broke out, it was urged, a publicly proclaimed statement of aims would serve to form the basis for eventual peace.

Sir Arthur Salter, Gloucestershire professor of political science and institutions at Oxford and one of Europe's foremost economists; Ernest Bevin, labor leader, and Harold Nicolson, labor member of parliament, a former diplomat and delegate to the Versailles peace conference, are among the supporters of the peace program idea.

THREE HELD FOR OFFICER ASSAULT

SHOESHONE, Aug. 8 (Special)—According to information received from Sheriff Buck Davis of Power county by Sheriff George M. Brown, Kenneth Morris, Everett Campbell and John Anderson, claiming to be from Shoshone, were held in the county jail at American Falls. They had been arrested by Sheriff Brown on charges of assault on a police officer.

It appears that the officer, who had tried to stop a row in a dance hall, was assaulted by the three men, who were then taken to the jail. The men are being held for further investigation.

Later Morris was identified as a member of the "Hell" gang, which could not fix either Campbell or Anderson as residents of Shoshone. In the meantime the men are being held in the American Falls, so Brown was notified Monday.

WPA SENDS MEN INTO WEED WAR

Bolester by return of WPA workers, Magic Valley's war on noxious weeds was really under way today in full blast Wednesday.

F. G. Hansen, acting engineer for WPA in this area, announced that the WPA weed law project will see resumption tomorrow. The county is now in
