Big Twin-Motor Ship Falls, Burns After Take-Off

SPORTSWRITER HERO As 500 Fight Fans Escape From Blaze

BOISE, Aug. 11 (UP)—Authorities today estimated at nearly \$1,000,000 the damage from a spectacular fire that swept through a boxing arena, two warehouses and lumber yard here last night, endangering the lives of 500 sports fans.

Credit for saving the lives of the crowd in the arena went to Jimmy Allen, a sportswriter. Allen, from nearby Nampa, Ida., took charge of the public address system when smoke came into the building and preserved order.

Largest loss was to western Idaho-Oregon CCC district equipment stored in the same building as the arena, completely destroyed, was valued at more than \$750,000. It included 14 trucks and two passenger cars.

Attracks 16,000 The entire storage yard of the Stone Lumber company next to the warehouse was swept by flames, which flared hundreds of feet in the air and attracted an estimated 10,000 spectators.

Managers Bert Stone said between 1,500,000 and 2,000,000 board feet of lumber and large stocks of coal, wire and building materials worth \$35,000 were destroyed.

Lumber piles were still smoldering today. Billy Frank, arena "jockey," said he lost about \$10,000 worth of athletic equipment. The building housing the arena and CCC warehouse was known as the Bryant Assembly plant and was used for assembling automobiles shortly after its construction about 15 years ago.

The remainder of the fire loss was to heavy road equipment stored in a building of the Sawtooth company. Utah Oil Refining company gasoline storage tanks on an adjoining lot were endangered for two hours but not exploded.

Glared In Dressing Room Witnesses said the fire started in an arena dressing room while the third round of the semi-final bout was under way. The arena after the crowd became nervous told the fighters to keep going. They did but the flames broke out in the dressing room. Then Allen calmly said there was a paper fire in a dressing room and that there will now be a short intermission while the fire is cleared.

Allen was among the last persons from the building. He carried part of the competing equipment, crawling on the floor because of smoke. Soon after he got out, the entire structure was in flames.

The exact cause of the fire was not known. Only the Stone and Sawtooth companies were fully insured.

WENATCHEE MILL CAUGHT IN BLAZE Wenatchee, Wash., Aug. 11 (UP)—Another of a series of lumber mill fires broke out in the Jiles-Coleman Lumber company plant here today, causing damage in excess of \$100,000.

Fire officials expressed the opinion it was of incendiary origin. The fire was just a few minutes from the scene of another blaze which Wednesday caused \$200,000 damage. Within recent weeks more than \$2,000,000 of mill property had been lost by fires on the Pacific coast and in the Pacific northwest.

REVISION SET ON WHEAT SUBSIDY WASHINGTON, Aug. 11 (UP)—Secretary of Agriculture Henry A. Wallace today had revised and extended the wheat export subsidy program to July 31, 1940, in an effort to hold foreign markets gained in the last year.

The new program authorized will be paid directly to exporters on a competitive basis. Under the old program the government purchased wheat and sold it to exporters at a price which would enable them to sell it abroad at a profit.

The present method of paying flour subsidy rates from day to day for the duration of what will move the wheat into export more completely through normal channels of trade. Wallace said the revision was the right to terminate the program on five days' notice.

GERMAN, ITALIAN FOREIGN ENVOYS HOLDING SESSION

BERLIN, Aug. 11 (UP)—The German and Italian foreign ministers met in Salzburg today for an important three-day conference at which the policies of the two axis powers will be thoroughly aired.

Foreign Minister Joachim von Ribbentrop of Germany and Count Galeazzo Ciano of Italy, were expected to discuss and outline the future course of the two powers not only in Europe but in the Orient.

Subjects will include the Danzig-Polish dispute, southeastern Europe—including Czechoslovakia, Hungary, Rumania, Bulgaria and others—and the possibility of Japanese accession to a full military alliance with the axis powers.

Arrives at Salzburg Ciano arrived at Salzburg shortly after noon today, where Ribbentrop awaited him. Bernardo Attolico, Italian ambassador to Germany, also went to Salzburg, lending additional weight to the conference.

There were unofficial reports Ribbentrop and Ciano might arrange for a conference between Adolf Hitler and Benito Mussolini.

Next speaker, commenting on last night's speech by Albert Forster, Danzig Nazi leader, on relations with Poland, pointed out the new tendency to join Great Britain and France with their denunciations of Polish policy.

Blame British, French Poland's "magicalism," they said, was due to British and French encouragement.

"When Forster expressed the faith of Danzigers that the hour of freedom would soon ring and that the members of the German Reich would fulfill his wish to bring them back to the Reich, thereby re-establishing the right of self-determination which was withdrawn from German Danzig in 1919, he spoke to the German people from his soul," said the Boersens-Zentrum. "German Danzigers have faith in the Reich which is firm to the Poles and to those who prod them."

Freight Volume Climbs 34 Cars Bolstered by shipments of sheep and merchandise as top commodities, outgoing freight from Magic Valley during July soared 34 carloads higher than the figure for the same month last year.

Total for July was 587 cars for the 14 key points in Magic Valley compared to 553 for the same month in July of 1938, according to Ross Czapline, Union Pacific freight agent.

Top item in the outgoing shipments for the month was wool, with 99 cars. Merchandise came next with 82 carloads. With agricultural season at an end and new crops still to come, one car of sheep was shipped.

Two Twin Falls paced the shipping volume with 162 carloads. Burley ranked second at 68 cars, fruit was third with 48 and Jerome fourth with 56. Other rankings were: Piler, 51; Rupert, 49; Kimberly, 47; Piler, 46; Tinsman, 45; 29; Oshawa, 18; Hamden, 11; Murrough and Hurdston, seven each; Eden, two.

INSURANCE HEAD HELD SEATTLE, Aug. 11 (UP)—Federal officers today held in the King County Jail Raymond F. Marquis, 33, president of the Union Reserve Life Insurance Company of Arizona, indicted on a charge of using the mails to defraud in connection with the sale of securities of an insurance holding corporation.

Police reports involved him in at least one other rape case, possibly another murder, in awildlife, impersonation and seductions. He had deserted a wife, abandoned a wife and two children in San Francisco, posed as a federal officer and a federal scout for the movie.

Other phases of his career he had held legitimate jobs as an auctioneer, radio program director and author of short plays. He had moved about the country continually, usually in company of pretty women whom he seduced.

He was indicted today for the rape of a woman in Miami who he seduced. The girl he killed and killed her.

THE GIRL KILLED TROMBON, Utah, Aug. 11 (UP)—Franklin Childs, 19, Salt Lake City died instantly last night when the motorcycle on which he was riding hit a house.

Childs, who was riding his motorcycle on Edger Avenue, hit a house owned by Mrs. J. W. Allen, who was injured seriously in the crash.

MILLIONAIRE INDICTED For Evasion of Tax

CHICAGO, Aug. 11 (UP)—A federal grand jury today indicted M. L. Annenberg, multi-millionaire Philadelphia publisher, for alleged evasion of more than \$5,500,000 in income taxes and penalties.

"This is the biggest income tax evasion indictment ever returned by a grand jury," U. S. District Attorney William J. Campbell said.

The indictment charged Annenberg failed to pay \$3,258,809.97 in income taxes on his newspaper and radio information enterprises in the years 1933-38 inclusive. Penalties and interest amounted to \$2,280,274.92.

Paid Small Tax In these years, the government charged, Annenberg paid total income taxes of \$24,570.20. In 1932 he was indicted as having paid \$4,413 tax and having evaded payment of \$313.197.

The grand jury also indicted Annenberg's sons, Walter, Arnold W. Kruse and Joseph E. Haffner, all officials of the Gellie Co., top holding and operating company for the Philadelphia interests, as allegedly aiding and abetting the evasion.

The indictment climaxed two years of investigation by internal revenue agents and the work of the grand jury. It was the first time since 1927 that 50 auditors were employed to break down the complicated bookkeeping of Annenberg's many companies.

Owms Big Enterprises Annenberg is owner of the Philadelphia Inquirer, radio and movie "fact" magazines, and the nation-wide news service, which supplies radio news information.

Campbell announced the indictment as "only one of a series" which would result from inquiry into Annenberg's enterprises.

The indictment was returned before Federal Judge James H. Wilkerson, who set bond for Annenberg at \$100,000 and for the others at \$25,000 each.

PRESIDENT SIGNS SOCIAL SECURITY ACT ON REVISION

HYDE PARK, N. Y., Aug. 11 (UP)—President Roosevelt today signed the social security revision act, freezing payroll taxes at one percent for the next three years to effect a \$305,000,000 tax savings for business and employees.

"Mr. Roosevelt termed the measure 'another tremendous step forward in providing greater security for the people of this country.'"

"He said it is imperative that insurance be incorporated in the social security program 'be extended to workers in all occupations.'"

At a press conference during which he revealed he had signed the bill, the President criticized the Connally amendment, which Congress rejected, as a step toward the beginning of a social security program.

The rejected amendment would have cut the basis of federal contributions to states for social security financing from a dollar-for-dollar matching basis to a two-dollar-for-one basis.

Concedes Old Plans Making extensive revisions in the New Deal social security plan, the bill cancels previous plans to increase payroll taxes to one and one-half percent on employers and employees. It also extends social security coverage to more than 1,000,000 workers not previously covered and advanced two years the beginning of old age annuity payments financed by taxes levied equally on workers and employers. These payments had been scheduled to begin in January, 1942, but now will begin next January.

These amendments to the act represent another tremendous step forward in providing greater security for the people of this country," Mr. Roosevelt said.

Old Age Pensions "This is especially true in the case of the federal old age insurance system which has now been converted into a system of old age and survivors insurance providing for the family security instead of only individual old age security to the workers in insured occupations. In addition, the new law will provide millions of widows and orphans will now be afforded some degree of protection in the event of his death whether before or after his retirement."

"The state of the benefits to be paid during the years to come will be far more adequate than under the present. However, a reasonable relationship is retained between wage and benefit, and the new law will be a most distinguishing characteristic of social insurance as contrasted with any system of flat pensions."

AGREEMENT ENDS DENVER'S STRIKE DENVER, Aug. 11 (UP)—Fifty-one employees of the Denver Armour & Company packing plant returned to work today after a "last-minute" agreement had ended what officials said would have precipitated a nation-wide strike.

Armour representatives and officials of the United Packinghouse Workers of America, a CIO affiliate, signed the agreement yesterday, less than one hour before the walkout was to have been called.

The dispute centered around a complaint of the workers as to production speed in the beef-killing department. The agreement specified they return to their jobs with full seniority and other rights, but that two men be added to the crew in that section of the plant.

The CIO officials said the dispute originated "when three vacancies which occurred in that crew were not filled, although the same production speed was ordered."

Richer, More Vigorous Life in Reach of Nation in 1940, New York Executive Says

America, on the threshold of 1940, has within its grasp "a much richer and more vigorous" life than anything in the 20s or 30s.

"The 1920s we had a spectacular prosperity but without the adequate underpinning of economic statesmanship and a social philosophy which would make it endure. The leadership of this country rested too much in the arrogant of Wall Street who exploited and did not contribute."

Prosperity Within Grasp "In the 1930s, after the open default of Wall Street, the leadership passed to politicians, bringing an entire period of exploitation and what was worse, an epidemic of economic weakness."

"But as we enter the 1940s and we are only four months from the threshold—we have within our grasp a much richer and more vigorous life than anything in the 20s or 30s. No longer is the American public looking to New York or Washington, but is building from within itself a broad leadership of those who by experience have been creators and producers, rather than exploiters."

"The realization is spreading that a nation can prosper only by the social principles by which the individual prospers."

YOUNG BOURBONS BACK NEW DEAL

PITTSBURGH, Aug. 11 (UP)—Bluntly warned by President Roosevelt that the Democratic party must nominate a liberal for President in 1940 or do without his help in the campaign, the national convention of the Young Democrats of America today apparently was not giving to the endorsement of New Deal policies.

Delegates at the opening session of the meeting last night cheered as a message from the President was read to them by Pitt Tyson Manner, of Alabama, Young Democrat president.

With studied emphasis, Manner shouted over a blaring public address system the words of President Roosevelt.

"If we nominate conservative candidates or lip-service candidates on the platform, I personally will not give my support to any of my long service to aid belief in liberal democracy will finish; impossible to have any active part in such an unfortunate suicide of the old Democratic party."

Faith in Wisdom "I do not anticipate any such event will take place, for I believe the convention will see the political wisdom as well as the national wisdom of the voters of the United States an opportunity to maintain the practice and policy of moving forward with a liberal human program."

The message touched off a series of laudatory speeches in his behalf. Sen. Charles McNary, of Ohio, keynoting the convention, declared: "Respectful of a third term for Mr. Roosevelt himself, the Young Democrats of America today demand the nomination of Roosevelt's ideas—that is the keynote of this convention."

Sen. Pepper's address contained a sharp attack on the "Kingsmen" of America, who declared they chose Gov. John W. Bricker of Ohio for President and District Attorney Thomas Dewey of New York, for Vice President.

Assistant Secretary of War Louis Johnson commended the President's arrangement program. Ole Hestoy, of Ohio, vice-president of the Young Democrats, declared if Roosevelt should seek a third term, "there would be no more money."

SEPARATE UNION SEEN FOR ACTORS

ATLANTIC CITY, N. J., Aug. 11 (UP)—An American Federation of Labor executive committee today recommended granting of an independent charter to the American Federation of Actors, which would give the actors a variety of rights in the amusement industry.

Approval of the reported recommendation of the full A.F.L. executive council probably would split the industry—composed of legitimate actors, vaudeville, variety, or night club and vaudeville artists, and stagehands—wide open.

The committee, composed of Malheur Wolf, Thomas A. Rickett, and John Coeffel, conferred separately with the opposing factions and then met today to vote on the recommendation before reporting to the full council.

The final decision of the executive council will require all the union members' courage because, if the verdict goes against the actors, a couple million dollars' worth of creative spirit, temperament, all congregated in this vicinity, will explode in union; every studio light in Hollywood may go out; every variety show down on every legitimate show in the country.

If the decision is against the stagehands, the same thing may happen anyway.

YOUTHFUL PAIR Takes Off on Ocean Flight

ST. PETERS, N. S. Wales, (UP)—Alex Leach, 32, and Dick Decker, 23, both of New York City, climbed into their Ryan monoplane today, and headed for Sydney, Ireland, and took off.

The fliers arrived here more than a week ago but said nothing about planning a trans-Atlantic hop. They took on 250 gallons of gasoline before setting out.

Leach and Decker, since their arrival here, have spent some time in the Sydney, N. S. Wales, airport where they studied weather charts and other meteorological data but gave no hint that they planned to try a crossing.

Early today they took off from Sydney airport, 130 miles north of here for St. Peters.

They had ordered a tankload of fuel for a three-mile haul and bought two tons of fuel were placed aboard and a few minutes later they were on their way.

They were watched the take-off, Leach said the plane carried sufficient fuel to keep it going for 35 hours.

FUNDS OF STATE SHOW INCREASE

BOISE, Aug. 11 (UP)—A report released today by Treasurer Myrtle Hinkley showed the balance in all funds of the state at a government surplus of \$220,303 during July. The June 30 balance was \$4,890,593; on July 31 it was \$5,110,896.

The general fund dropped from \$1,171,149 to \$3,221 overdraw. The overdraw balance was made up through registered warrants. The largest increase was in endowment and trust funds, which increased \$400,437 to \$1,875,000 respectively. The state debt fund, which had \$1,407,048, compared with \$1,134,727 on June 30 and \$1,279,838 on July 31, 1937.

Bean Yield Will Show Big Gains

WASHINGTON, Aug. 11 (UP)—Bibb's dry beans for the 1939 crop are expected to show a big gain over the 1938 crop, according to the Bureau of Agriculture.

The crop is expected to be 100,000 bushels more than the 1938 crop, which was 1,000,000 bushels. The 1939 crop is expected to be 1,100,000 bushels.

OBSERVERS SEE FDR DRIVE TO HALT GARNER CANDIDACY

OPPOSERS RAP PRESIDENT FOR PLANNED 'BOLT'

By RONALD G. VAN TINE
WASHINGTON, Aug. 11 (AP)—President Roosevelt's announcement to Young Democrats that he would not support a conservative Democratic presidential candidate in 1936 was interpreted today as the first move of a drive to block the candidacy of Vice-President John N. Garner and other conservatives.

A third term note was sent in the demonstration that followed the reading of Mr. Roosevelt's announcement to the Young Democrats meeting at Pittsburgh, and in the keynote address of Sen. Claude Pepper, D. Fla., who said:

"Respectfully of a third term for Mr. Roosevelt himself, the Young Democrats of America demand a third term for Roosevelt's ideas. A third term for Roosevelt's ideas—that is the cry of this convention."

Bitter Criticism

Mr. Roosevelt's letter brought bitter criticism from conservatives who fought his policies in the last session of congress, and enthusiasm from New Dealers.

Garner in Dallas, Tex., had nothing to say. His friends here reiterated their recent announcement that they would continue to support Roosevelt regardless of whether President Roosevelt decided to run for a third term.

Senators still in Washington were very much asked to comment. Senator said privately that Mr. Roosevelt had brought into the open a New Deal effort to control delegates to the 1940 Democratic national convention, and to prevent Garner, Sen. Bennett C. Clark, D. Mo., or any other conservative from being elected. Clark's only comment was "very interesting."

Recall 1934 Action

Some senators recalled Mr. Roosevelt's action in 1934 against Judge Albert B. Parker, Democrat.

"He would have precedent for declining to take part in the election of a Democrat who will be nominated at the next convention," said Sen. William H. King, D. Utah.

Garner, five months ago, said that women in this country who still believe in the principles of Jefferson, Jackson, Cleveland and Wilson and who will not follow the fantastic, socialistic schemes fabricated by those who claim to belong to the party but who never were members of it, and some of whom were found in other political parties."

Sen. Josiah W. Bailey, D. N. C., who had asked the senate to ratify ratification on almost every issue, said at his North Carolina home:

"Well, it wouldn't be the first time he bolted."

Sen. Elmer Thomas, D. Okla., commented:

"I said some time ago, in advocating Mr. Roosevelt for a third term, that there is only room in this country for two parties—conservative and liberal."

Sen. Albert D. Thomas, D. Utah, said he agreed "New Deal has brought about new conditions in our country which must be preserved by those who want to see government in the hands of friends of liberalism, rather than in the hands of those who never had faith in it."

RANCHER PASSES AT HOT SPRINGS

BUHL, Aug. 11 (Special)—John Franklin Methven, 79, Buhl farmer, succumbed yesterday at Magic hot springs where he had gone the day before in company with A. D. Boylan, a neighbor.

Mr. Methven was born Sept. 9, 1859, at New City, N. C. He married Clara L. Lehman at Stockville, Neb., Nov. 2, 1888. She preceded him in death.

He had been a resident of Buhl since 1900, coming here from Sumas, Wash. He was a member of the Modern Woodmen and the Evangelical church.

The body rests at the Evans and Johnson funeral home pending arrangements.

Surviving are the following children: Mrs. Ann Pearson, Seattle; Mrs. Gertrude Pearson, Buhl; Mrs. E. Methven, Seattle; Fred Methven, Buhl; Mrs. Mary Kammerich, Buhl; Mrs. Nellie Bond, Memphis; Mrs. Edith Wuebbenbush, Buhl; and James Methven, Buhl. One brother, C. A. Methven, Tulsa, Okla., also survives.

JAPAN REPORTS SOVIET, NAZIS IN ECONOMIC PARLEY

ARMY HEADS TO DEMAND EARLY ENDING OF AXIS

TOKYO, Aug. 11 (U.P.)—Foreign Minister Hirota today told the cabinet that he understood economic negotiations were in progress between Germany and Russia but that he had not heard of any negotiations of a political or military nature.

Hirota made his statement in reply to questions by Gen. Kuniaki Koto, overseas minister.

No details of the questioning and answers were available, but it was assumed they referred to recent reports Germany and Russia were engaged in trade talks. These talks, according to previous dispatches from Europe, were of a routine nature not calculated to prejudice Russia's negotiations with Great Britain and France on the European anti-aggression block.

The cabinet meeting was an important one. The European, British, Japanese and Manchukuo outer Mongolia situations were discussed. Border strengthening.

Lieut. Gen. Seishiro Itagaki, war minister, told the cabinet Russia was strengthening its forces on the outer Mongolia border, where there has been serious fighting between Japanese-Manchukuo and Russian-outer Mongolian armies.

After the cabinet meeting Itagaki and Baron Kichiro Hiranuma, premier, discussed the army's demand that Japan at once enter a military alliance.

It was believed Foreign Minister Arita would present to Itagaki, in behalf of the cabinet, counter-proposals to the army alliance demands at the next regular cabinet meeting Tuesday.

Army Falls
Sources close to the government asserted that the army had failed in its intensified efforts to force the government to enter into an alliance with Germany and Italy.

The army was considering its next move and a situation of some moment was expected to develop. It was understood that a meeting of the inner cabinet last Tuesday, when Minister Itagaki visited his colleagues to consent to the alliance as desirable on both political and economic as well as military grounds.

Minister Disagrees
Informants said Foreign Minister Arita disagreed with him from the political viewpoint. That Admiral Mitsumasa Yonai, navy minister, opposed him from the military viewpoint and that Admiral Kato, finance minister, opposed him from the economic viewpoint and that finally Premier Hiranuma vigorously urged the foreign, navy and finance ministers in their opposition. Thus, individually and collectively, the key cabinet ministers turned down the army demand.

Comment in army circles reflected a belief that the present cabinet could not be swayed from its opposition.

Talent Show Will Be Given By 10 Idaho Beauty Winners

SUN VALLEY, Aug. 11 (Special)—Ten of Idaho's most beautiful girls matching charm, poise, personality, talent and beauty of figure to the title of "Miss Sun Valley of Idaho" will present a sparkling talent show running the gamut of art dancing through songs and musical numbers to dramatic and humorous recitations. The beauty and talent show, supplemented by Sun Valley rodeo of Saturday and Sunday afternoons, will be directed by Dell Crosby, western regional director of the Showmen's Variety Jubilee, official sponsor of the national "Miss America" competition in Atlantic City in September.

The winner of the three division contest based on display of poise, personality, charm, talent and beauty of figure will be crowned "Miss Sun Valley of Idaho" by Gov. C. A. Bottolfsen and awarded a trip to the San Francisco and New York fairs prior to entrance in the Atlantic City finals for the "Miss America" title and attendant fame and fortune.

These Are Queens
Contestants are Miss Pocahontas, Norma Morris, dancer; Miss Twin Falls, Jeanne Robinson, singer and dancer; Miss Idaho Falls, Ruth Blackburn, dramatic; Miss Camfrail, Thelma Morley, reader; Miss Pocatello, Helen Hooker, tap and toe dancer; Miss Boise, Della Sanford, dramatic; Miss Jerome, Louise Fletcher, dramatic and all-around; Miss Burley, Miss Buhl, Miss Schuyler, dramatic; Miss Buhl, Melba Parker, tap dancer; Miss Blaine county was to be announced.

The winners arrived this morning for rehearsals of the three-part program to be presented in the rodeo stadium. During the program each girl will make three appearances; the first act will consist of an evening gown parade which will enable the three judges to score each contestant on poise and personality. Secondly, each young lady will give a talent exhibition, most of which will be singing, dancing and dramatic interpretations. The finale is the battling suit parade for competition in beauty division.

Miss Sun Valley of Idaho will represent this state for the next three weeks in personal appearances from coast to coast and has an equal opportunity with queens from the remaining states in the nation of being named Miss America 1939 at the Atlantic City finals Sept. 5-11.

Other Acts
In addition to the appearances of the 10 Idaho queens, the evening program will offer five feature acts of entertainment, the stage show closing with a colorful, medicine dance by the Port Hall Indians. Following the stage program the entire audience will participate in a giant rodeo dance on a portable dance floor which will be laid out in the rodeo arena following the Saturday afternoon cowboy show and which will be removed for the Sunday rodeo finale. Music for the dance will be furnished by Earl Smith's orchestra and the Union Pacific brass band from Ogden, Utah.

DETECTIVES HUNT SLAYER OF GIRL
CAMDEN, N. J., Aug. 11 (U.P.)—A squad of detectives searched seashore resorts today for the slayer of Wanda Dworecki, 16, adventurous daughter of a minister. Accompanying them was the father, Rev. Walter Dworecki, 48, pastor of the Fourth Polish Baptist church, who had produced police on his daughter's life totaling \$12,500.

Monday night Miss Dworecki left home to "buy some ice cream and stockings." She never returned. Sometime that night she was murdered, her body tossed into a clump of weeds near a "lovers lane." It was found Tuesday, adorned with a rose corsage.

Detective Chief Lawrence T. Doran led the squad into Cape May, N. J., in search of a "hot suspect" whom he said had been seen with the girl. He took Dworecki with him, having discovered a short time before that the girl's father was the beneficiary in three life insurance policies on the girl.

The most recent of the policies, Doran said, was obtained March 9. That was three weeks before the girl was beaten, choked unconscious and thrown from an automobile by three men last April. She survived that attack.

Police revealed that Dworecki was at liberty under bail on arson charges brought at Chester, Penn., and was on probation on a charge of passing a \$5 counterfeit bill in Chester, Pa.

The investigation extended to Chester, to Atlantic City, and to Williamstown, N. C., where the girl was found after the purported kidnapping last April.

TRIO WILL VALUE DISPUTED ESTATE

Three appraisers from Buhl were selected today to set value of a disputed west end estate which has aligned brothers of the late Mrs. Louise W. Hazard against the woman named as beneficiary in a will contested by the relatives.

Appraisers, chosen today by Judge C. A. Bailey in probate court, are J. H. Barker, Harry Barry and R. C. Pail.

Mrs. Hazard was wife of the late owner of Clear lakes ranch and was once hostess to Herbert Hoover. Special administrative authority has been granted in the estate to Ray W. Banbury to prevent depreciation pending settlement of the contest.

10th Annual "Meeting in Pines" Will Attract Hundreds to Shoshone Basin

Vespers Launch 2-Day Services

Complete program for the annual "Meeting in the Pines," Aug. 12-13, expected to attract large numbers from Twin Falls, Hollister, Rogers, Knoll, Buhl and other southern Idaho centers, was announced today by Rev. R. E. Davis, pastor of the Presbyterian churches of Rogers and Hollister. Vesper services Saturday evening, a sunrise service Sunday morning, and the church service Sunday afternoon are among the featured events of the week-end. Setting for the 10th annual "Meeting in the Pines" is Bear Gulch in Shoshone basin, located one mile north and 16 miles east of Rogers. Arrows at frequent intervals point the way to the location, a spot of refreshing natural beauty.

Vesper services at 7:30 o'clock Saturday evening will include an appropriate hymn, "Day is Dying in the West" by the congregation and selections by a mixed quartet. Rev. Virgil Gaines will deliver the address, and "Blessed be the Tie" will be the closing song.

Around a mammoth bonfire, an impromptu program, led by Miss Martha Weddel, will begin at 8:15 o'clock and conclude as the embers in the camp fire die out. Rev. Gaines will deliver a second address at the sunrise service Sunday morning, which will be ushered in with the hymn, "Softly Through Another Week." A solo, "This is My Father's World," will follow, and a hymn, "Jesus Calls Us Over the Water." The program will be a hymn, "Crown Him with Many Crowns."

Beryl Kunkel, acting superintendent, will preside at the Sunday school at 10:30 o'clock, which will be heralded with the singing of "The Camp in the Wild Wood," a special dedicatory number.

Sunday School classes preceding the class period, "Dwelling in Beulah Land" will be sung, and the closing numbers will be "Must Tell Jesus" and "The King's Business."

Musicians from Twin Falls, Hollister, Rogers and Buhl will participate in a music fest, which will bring the program to an inspiring finale.

A pot-luck dinner will be served cafeteria style at 12:30 o'clock. Those attending are requested to bring basket dinners. The committee on arrangements will furnish lemonade.

Opening the program, the audience will sing "The Victory March," "Depend on You," and "My Jesus, I Love You." A song by the Hollister choir will follow.

Rev. Miller speaks. Rev. James Miller, of the faculty of the College of Idaho, and former pastor of the Twin Falls Presbyterian church, will deliver the principal address.

Two hymns, "I Am Thine, O Lord," and "God Be With You Till We Meet Again," will be sung. Following intermission the song fest will take place.

Dinner Honors Young Musician

Mrs. D. A. Salmon was hostess last evening at an informal dinner party complimenting Phillip McElwain, talented musician and young composer of Tacoma, Wash., who is here renewing friendships.

Present were John Sabala, Charles honoree during his student days in Twin Falls. He left here in 1934 for Tacoma in company with his parents. He is vacationing at the home of Mr. and Mrs. Owen Buckman.

Ladies were John Sabala, Charles Larson, John Waters, Ed Benoit and Ed Woods.

Mr. and Mrs. Charles P. Larsen were also dinner hosts Wednesday evening.

GIRLS COMPLETE SEWING PROJECTS
Completion of projects occupied the Curry Needle-4-1 Sewing club yesterday afternoon. Hostesses were Dorothy and Betty Gehring.

Arrangements were made for the achievement day program Aug. 17 at the home of Miss Tucker.

Ladies were played and Mrs. Gehring served refreshments.

Mrs. Van B. Wright, wife of the pastor of the Church of the Brethren, was presented with an attractive memento by members of the Junior Guild of the church yesterday afternoon when the group met for a picnic at city park. Rev. and Mrs. Wright and family will leave the afternoon of Aug. 27 for Fort Wayne, Ind., where Rev. Wright has accepted a pastorate.

A miniature magazine rack, lettered "Souvenir of Twin Falls," filled with handkerchiefs and greeting cards, was presented to Mrs. Wright. She made a gracious response.

The picnic luncheon was served at 1 o'clock to 20 members and three guests, Mrs. Cecil Loving, Mrs. Ira Smith and Mrs. Day Ryan.

Mrs. Lawrence Murphy presided at the business session. Snippets were taken of the group preceding a social hour.

Announcement was made of the social Thursday, Aug. 17, at the home of Mr. and Mrs. Robert Hensleyman, as the climax to a guild contest. The husbands of members will be special guests.

PTYTHIAN SISTERS PLAN CHILDREN'S PARTY
Pythian Sisters, meeting last evening at the American Legion Memorial hall, made plans for the annual children's picnic Aug. 18 at Harmon park. Members having no children are asked to bring someone else's child.

A picnic dinner will be served, and treats will be distributed to the children.

The annual "Hobo" party, one of the most hilarious events of the year, will be held Aug. 24, the place to be determined later.

Report of the project committee and discussion of activities to be taken up after September, concluded the meeting.

RELATIVES ARRIVE FOR WEDDING SATURDAY
Miss Florence Lewis, Ogden, Utah, is the guest of her mother, Mrs. May Lewis.

Miss Lewis is here to attend the marriage of her brother, Grant Lewis, Nyssa, Ore., and Miss Virginia Hayes, Saturday morning at the home of the bride's mother, Mrs. P. E. Hayes.

Mr. and Mrs. Don T. Williams, brother-in-law and sister of the bridegroom-elect, are expected to be here from Logan, Utah, for the wedding.

Mrs. Williams is dean of women at the Utah Agricultural college.

Statues Come to Life

Margaret McArthur and Mel Jensen, as statues in a French garden who were privileged to come to life every hundred years, appeared in a second dramatization at the M. L. A. summer frolic beneath starlit sky. They are shown here with Lyman Tyler, at the extreme right, who played the role of gardener in the sketch. Mrs. Milford Merrill, in charge of the music; Mrs. Lloyd Oaks, drama, and C. Vern Yates, dance, directed the two numbers. (Evening Times Photo)

Bridge Supper Fetes Mrs. Lyle Kauffman

Mrs. Lyle R. Kauffman, who has been the inspiration for a number of delightful courtesies recently, was once more the honor guest last evening. Miss Barbara Thompson presided at a charmingly appointed bridge supper in compliment to her.

The event took place at the home of Mrs. A. C. Victor. At the place of the honoree was an attractive corsage bouquet. Twenty shades of mastications in blue pottery bowls centered the two tables at which guests were seated. Divertisement of the evening was contract bridge, and Miss Marie Hensch received prize for high score.

Miss Hensch is vacationing at the home of her parents, Mr. and Mrs. P. E. Hensch. Mrs. Kauffman was formerly Miss Helen Wilson.

DINNER HONOR FORMER RESIDENTS
Dr. and Mrs. George Caldwell, who left Twin Falls 14 years ago for Kalamazoo, Mich., after residing here for a number of years, and who returned recently to renew local friendships, will be honor guests at an informal dinner this evening at the home of Dr. and Mrs. R. A. Sutcliffe.

Other guests will be Mr. and Mrs. A. C. Victor and members of the Sutcliffe family. The evening will be spent in pleasant reminiscence. Hosts at dinner for Dr. and Mrs. Caldwell Wednesday evening were Mr. and Mrs. Ed Turner.

Wallace Caldwell, son of Dr. and Mrs. Caldwell, will join his parents the fore part of next week, coming from New York City.

During their stay in Twin Falls, the Michigan visitors are house guests of Mr. and Mrs. F. W. Neale.

COWBOYS TANGLE WITH CARDS HERE TONIGHT

Twin Falls Team Takes Final Tilt Of Bee Series, 6-5

Continuing their championship clip, the Cowboys of Twin Falls returned to their home rodeo grounds today, still a half-game out of first place—all set to close the gap against the leading Pocatello Cardinals in a three-game series that starts tonight at Jaycee park. The game is scheduled to get under way at 8:30 p. m. and one of the biggest Friday night crowds of the season is expected to be on hand to see the festivities.

Last night Manager Charlie Wry's hands edged the Salt Lake Bees to take that series 2-1. The score for the contest was 6-5 with the Twin Falls club staving off a determined ninth-inning rally that saw the Bees chase two runs across the plate after two were down.

It's the Cowboy skipper's turn to pitch tonight and if he can turn the Cardinals back as he has been in the habit of doing, the Twin Falls club will jump back into first place. In any event, winning two games out of the three-contest series would put the Cowboys back in the lead—a place that the two teams have divided continuously since Wry took over the management. Incidentally, under Kentucky Charlie, the Cowboys have won nine games and lost four and the only series they have dropped was a four-game series the ball club was badly crippled.

15th Victory
Last night's battle with Bill Schulz not only upped the Cowboys' record to the most wins of any hurler in the league, but he has six losses and still stands behind Wry and Jack Menzies of Boise in averages. Schulz was touched for 11 hits, but he got some good support both in the field and at bat, besides being invincible in the pinches. Salt Lake pushed across two runs in the second, but the Twin Falls club came through with a pair in the fifth and added two more in the sixth and two in the eighth. With Verne Reynolds, 19-year-old shortstop leading the attack with a pair of doubles, and Frank Falconi with a double and single.

Large Crowd
Twin Falls should have won the game 6-3, but in the ninth inning aces were downed and a pair of hits sent two runs across the plate and the tying man on second when Falconi made a home run. The Cowboys took the game to the Cardinals.

Box score:
Twin Falls: ab r h Runs
Falconi, 4 1 1 1
Reynolds, 4 1 1 1
Schulz, 4 1 1 1
Wry, 4 1 1 1
Total, 17 4 11 4
Pocatello: ab r h Runs
Schulz, 4 1 1 1
Falconi, 4 1 1 1
Reynolds, 4 1 1 1
Wry, 4 1 1 1
Total, 17 4 11 4

Darkness Halts Buhl-Twin Falls J. C. Soft Ball Tilt
With some long hits and more homeplay providing the features, Twin Falls and Buhl Junior Chamber of Commerce battled a twilight game last night at Jaycee park in the second intercity game between the two groups.

Each club used a new pitcher every two innings. After the game the Jaycees members adjourned to Harmon park picnic grounds for sandwiches and beer, secured by Committee Ross Gibson and Bob Dickson from contributions by Twin Falls citizens.

RACERS VIE FOR \$1,000 IN TIN LIZZIE DERBY
Nearly \$1,000 in cash and prizes will be offered to winners in the state championship tin lizzie race at the Twin Falls county fair grounds Sept. 9, it was announced here today by Capt. Jerry Edwards, promoter of the event.

With the entries restricted to men who have won in tin lizzie races in Idaho before this season, Capt. Edwards stated that 21 cars will be on the starting line for the 100-mile event. There will be no preliminaries and the cars will draw for starting positions.

Rules and regulations, said Edwards, "have been changed considerably for this race and drivers interested should write at once for the form." Four cash prizes, plus consolation prizes for other places will be given.

Capt. Edwards was also present at a thrill show at the county fair and today was en route to Denver to complete lining up of apparatus for the event. From Denver he will go to Detroit, returning with specially built cars to help in the presentation of the super-spectacle.

SPORTS

REMEMBER THE DAYS WHEN SPORTS FANS BOOED DEMPSEY AND CHEERED CARPENTIER AND TUNNEY? THINGS CHANGE AND MAULER IS NOW HERO.

The state American Legion convention here recalls to mind that long controversy that raged over the merits of Jack Dempsey, Gene Tunney and Georges Carpentier. Not that the Legion ever officially entered into the controversy, but many members of various Legion posts were very active in naming or upholding the virtues of one or the other fighters.

As the champion entered the ring he was greeted by the loudest boos ever received by any champion in his home country. On the other hand Carpentier was a "hero"—he had fought in the front-line trenches during the war and was "labeled" Dempsey, with the wily Jack Kearns as his manager, got the job of 15 navy yards and kept away from danger—not that Jack was afraid, but he was young and was so completely under the thumb of Kearns that he couldn't do anything else.

In the third fight, incidentally, brought in the third largest gate in history—\$1,780,238—and everyone on the inside knew that Carpentier didn't have a chance against a rugged pugilist like the Manassas Mauler.

Now to get to Gene Tunney. In the first battle held at Philadelphia, which drew the second highest gate of \$1,895,735, Tunney, the ex-champion, was the victor by a wide margin.

It was just another bump. But Tunney won the title by out-stabbing the fading champion, and from there on in the fans were all with Dempsey. It appears that it is just in the blood of the average American to root for the underdog, and when Dempsey and Tunney squared off in Chicago just one day less than a year later, the gate was \$2,658,600—an all-time record that may never be equaled again.

But it must have been a cheering thing for Dempsey, that fight—despite the fact that he lost it to an onetime famous Dave "Long" Kelly. The leather-lungs were nearly all for him. They liked a slugger, rather than a pit-pit boxer, and to him with who won the war.

Today Dempsey is probably the most popular ex-champion the fight game has ever known. He is a successful restaurant proprietor, and the thing to do when in New York is to call at his grill. Last year at the national American Legion convention, his place was mobbed with admirers—not to mention people who wanted to eat.

On the other hand, after retiring from the public eye for several years, Tunney is still just another ex-champ, despite the fact that he is attempting to gain favor by moving away from his Shakespearean long enough to enter a discussion on the merits and demerits of such and such a fighter.

Of all the people in the world, American sports fans forget the quickest. If you don't believe it, look at this: Billy Meyer, the Cincinnati Red second baseman, hadn't made an error in 21 games. The other day he committed his first offense in nearly a month at the home park and the fans nearly hunted him off the diamond.

It's a queer world, isn't it?

Record Throng to See Sun Valley's Rodeo

SUN VALLEY, Aug. 11 (Special)—With the cowboys entry list approaching the hundred mark and practically every bed in the Wood river country either occupied or spoken for, Sun Valley is thoroughly prepared for its third annual rodeo Saturday and Sunday, sandwiched in between which is the state final competition among Idaho's 10 most beautiful girls for the title "Miss Sun Valley of Idaho" which carries with it an all-expense trip to both World's fairs and a cowboy suit.

A new list of riders has been announced by Miss American at Atlantic City, N. J., next month. Cowboy competition for the \$5,000 prize money offered at this brilliant rodeo will start at 8 p. m. Saturday in the stadium. The program each day consists of 20 acts, so timed that not a moment's inactivity occurs as arena events end and track event starts. The grand entry parade, almost a mile long, and made up of stage coaches, teamsters, cowboys, and other interesting features of Idaho history will be led by the 60-piece Sun Valley band, supported by a crack marching band from Gooding.

Prior Events
Cowboy prize events will consist of barrel racing, saddle bronc riding, calf roping, steer roping, and team roping. Practically all of the talent available in the way of cowboys, horse riders, and ropers will be on hand for the rodeo. The rodeo will be held in the stadium. The program each day consists of 20 acts, so timed that not a moment's inactivity occurs as arena events end and track event starts. The grand entry parade, almost a mile long, and made up of stage coaches, teamsters, cowboys, and other interesting features of Idaho history will be led by the 60-piece Sun Valley band, supported by a crack marching band from Gooding.

Beauty Contest
Rodeo must catch their moon, saddle them back of the starting line, ride 100 yards in the end of the arena, unsaddle and remove the bucking reins and return to the starting line on cowboy's back. The beauty contest, featuring a parade of untamed range horses were purchased near Bruneau in Owyhee county, Saturday night.

Senators Chalk Up 7-5 Victory as Red Sox Turn Back Athletics

NEW YORK, Aug. 11 (AP)—Who ever thought the Washington Senators might turn out to be the key team in the American league pennant race? If things keep on going as they are and Washington shows no respect for the Yanks and folds up before the Red Sox, then there's going to be a finish in the American league that'll curl your hair. It becomes more apparent every day that the Yanks are not the fire-spitting champs of other years. Washington has been highly successful in revealing the flaws in the Yanks' attack the last few days.

15,500 Watch Rainiers Lose, 11-3

Pitcher Julio Bonetti was hot last night and the Angels pulled off Oakland to 0. Two hits are all the Angels got from Bonetti's fast low ball, the first a single by Hugh Luby in the seventh, the other a double by Marvin Gidycz in the eighth. Bonetti didn't walk a batter, struck out three and batted in the only run of the game in the second inning when he sent Bob Collins home with a single.

Pinch-hitter Roberto Estalella's single with the bases loaded in the fifth drove in Washington's two winning tallies. Monte Pearson, who started for the Yanks, was routed in the fifth.

Tommy Bridges survived a three-run outburst in the ninth for his 15th victory as Detroit won from the White Sox 4-3. Relief pitcher Clint Brown walked Hank Greenberg with the bases loaded, forcing in the Tigers' winning tally.

Cincinnati's National league lead was shaved to seven and one-half games when the Cubs beat the Reds, 6-4, while the Cards were led. Paul Beringer failed to bid for his 15th victory. Hank Leiber's double drove in the winning tally.

The Giants climbed back into first division by winning from the Bees, 6-3, for their ninth win in 11 games. The victory enabled the Giants to go ahead of the side Pirates.

Luke Hamlin pitched a three-hit game to give the Dodgers a 3-0 decision over the Phillies in the first game of a twin bill. Then the Phillies came back with a seven-run rally in the sixth to win the national, 8-3.

Play Opens in Semi-Pro Ball Meet

WICHITA, Kan., Aug. 11 (AP)—Young men dreaming of a regular berth in big league organized baseball and veterans taking their final cuts at the ball, mingled here today for the opening of the national semi-pro baseball tournament.

The 32 teams that won state and district championships in their final bids for the slot here at the national title, a cut at the cash and a trip to Puerto Rico for the title of the American, will take two weeks to decide the issue. Any team that loses two games is eliminated.

Ray Dumont, who, featured the semi-pro idea and nurtured it to the final stage, expected to pack in the crowds at Lawrence stadium. In addition to baseball, however, he will present an adroitly assorted group of novelties.

There is an amazing number of James from an Nippon Albig prize, a woman sent for the Chicago White Sox, a beauty queen from the New York World's fair and Dumont himself, the man who put umpires in red-striped suits and gave the baseball world its first automatic home plate diater.

The home town Wichita Civic will play the Los Angeles Stalls in the opening game at 8:30 p. m. In the other first night encounter, the Bellingham, Ore. Red Sox, a gladiolus team in the tournament a year ago, meet the Colorado state champions.

Jenkins Makes 173 M.P.H. in Early Tests

BONNEVILLE SALT FLATS, Utah, Aug. 11 (AP)—Ab Jenkins, attempting to break automobile speed records held by Capt. G. E. T. Byron of England, averaged about 173 miles per hour in his Mormon Meteor II for the first 500 miles of his run today.

He started at 5:35 a. m. M.S.T. Jenkins' time so far today was only about two miles per hour under existing records in the shorter distances. Before the run Jenkins indicated he planned to aim for records in the longer distances.

Stopped by minor difficulties in two tries yesterday Jenkins' projected 24-hour run today was his fourth. A mistaken "slow down" signal and spouting oil from the tank onto the windshield ended two trials within three hours' time yesterday.

Suicide Spreads New Rumors in Louisiana Scandal

NYA LEADER AT L. S. U. SCHOOL TAKES OWN LIFE

BATON ROUGE, La., Aug. 11 (UP)—New excitement spread through the scandal-ridden state university today as more investigators moved in to determine the affairs of George C. Heideberg, national youth administrator at the school, who was found shot last night, apparently a suicide.

Heideberg's wife had been secretary to Dr. James Monroe Smith, who was president of the university until two months ago when he was indicted on 41 counts of embezzlement. She is now secretary to Dr. Paul M. Herbert, Dr. Smith's successor.

Former Railroad Worker
Heideberg was found shot in the head at his home and died three hours later. He was middle aged, a former railroad employee. He disappeared from Baton Rouge, La., after a federal aid to needy university students. He had not appeared before either the federal or state grand jury investigating numerous politicians.

Mrs. Heideberg had been questioned before the state grand jury here and was believed to have provided information on which several of the indictments against Dr. Smith were based.

No Explanation
Police offered no explanation for Heideberg's death. The circumstances of it were supposed by Paul Overby, a taxi driver. He said he had known Heideberg since 1924, when they worked together on a railroad. Yesterday evening, he said, Heideberg engaged his cab and visited several saloons on the edge of town. He said Heideberg told him: "I've got to get mighty drunk to do what I'm going to do this evening."

Later, Overby said, they drove to Heideberg's home. Mrs. Heideberg was away. Overby said Heideberg asked him to go to the kitchen and make some coffee. He did so, he said, and heard a shot. He found Heideberg on the bedroom floor.

PUBLIC TO SHARE IN LEGION EVENT

Citizens of the entire Magic Valley today were invited by members of the Twin Falls American Legion post to come to Twin Falls and participate in and watch portions of the state convention program which will be of general interest to them.

The invitation, on behalf of local members, was issued by J. J. Winterholer, general chairman. The convention opens Sunday and continues through Wednesday. More than 1,000 Legionnaires, auxiliary members, band and drum and bugle corps members, will crowd the city.

Five Events
At least five events, Winterholer said, will be of interest to non-Legion or auxiliary members.

First event to which the public is invited will be the memorial service which will be held at 8 p. m. Sunday at the Methodist church. A complete program has been arranged for the services, which will honor members of the Legion and the auxiliary who have died since the last state meeting.

Second will come the 40 and 8 fun parade which will be staged in the downtown section of Twin Falls that same day at 9:30 p. m. Forming at the side of the Rogers hotel, the parade will move through the downtown area and will then disband at the Legion hall where the annual wreck and sing party will be staged.

Chadwick Speaks
Next Tuesday at 10:30 a. m., Winterholer points out, National Commander Stephen A. Chadwick will speak at a public meeting which will be held in the Legion hall.

Chadwick will be introduced by Clay C. A. Bostolien. Other speakers on the program will be Ward Hower, Emmett, national routes 40 and 8. Tuesday at 3 p. m., thousands will crowd the downtown area to witness the annual American Legion parade, which will in all probability prove to be the greatest ever staged in the history of Twin Falls. Scores of beautiful floats will take part as will some 16 bands and drum and

bugle corps. The parade will be several miles in length.
Music Competition
Tuesday at 7:30 p. m. at Jaycee park the drum and bugle corps and the band contests will be staged. The program is expected to last three hours and contestants will come from over the entire state.

"The general public is cordially invited to attend the five highlights of the convention program which have been listed," Winterholer said. "We have worked hard to make the program one which will be long remembered."

NEGRO, 110, SURVIVES OPERATION IN GOTHAM

CHICAGO, Aug. 11 (UP)—"Old Man Moses" is not dead. He's 110 years old, still smiling, still walking, after an operation that made medical history as the first of its kind for a centenarian. He lives in Greenwich, Conn.

That was disclosed today by Dr. J. Bayard Clark, New York City, the attending physician. In the Journal of the American Medical Association, he said the patient was born in slavery in Virginia in 1827 and until May, 1938, had never been seriously ill.

14, 1938, by Dr. W. J. Washburn. "On waking the morning after the operation," Clark said, "the patient demanded a 'square meal.' On the third morning I found him propped up in bed puffing away at an ancient pipe."

July 5, only three weeks after the operation, the patient was up and about the ward. Five days later he was dismissed. Since then he has reported to Clark several times for examinations, the last time five weeks ago.

Clark said the patient ate sparingly of a diet of vegetables and milk, smoked a pipe once a day, and that his work had been mainly outdoors, in later years that a road construction, with much experience in blasting.

"As to his manner of living," Clark said, "he seems to have been moderate in all things except in the matter of paternity. He had 22 children, four of whom are still living."

MAGEL AUTO CO. has been serving Magic Valley customers for over thirty years. In that time we have seen the automotive business advance from the "toddling" stages to the stature of "big business." During the formative years and through the later years, we have always endeavored to maintain an established leadership through progressiveness. Our garage has always been a step ahead — equipped to bring the best of service — representing an investment not ordinarily found in a field this size.

Now we present the buying public of Magic Valley another progressive step — our new Used Car Lot—a modern, streamlined used car market geared to present-day buying and selling requirements. Better display of merchandise, more convenience for everyone, ample lighting for "late-in-the-day" customers. These are just a few of the advantages which this new plant will offer. We know you'll be pleased with its beauty and appearance — and we are sure you'll appreciate the values which will be offered here each day! It's Twin Falls' outstanding "outdoor market" — be sure to see it!
