Pulling Contest Top Attraction at Jerome Tonight

JEROME, Aug. 19 (Special).—With a horse-pulling contest booked for 8 p. m. today as a major lure for an expected throng of ranchers, the Jerome county fair was crowded this afternoon with an influx of youngsters under "kids' day" free offer.

Fair officials announced that Jerome town Grange won first prize in the community exhibits contest. The Jerome group received \$75 in cash. Second place, \$65, went to Canyonville Grange, third, \$55, Falls City Grange, fourth, \$45, Grandview Grange; fifth, \$35, Pleasant Plains Grange; sixth, \$25, First Segregation.

3,000 Friday
Fully 3,000 persons thronged the fair last night for the evening program, with substantially as many roaming the grounds much of the day, which was "kids' day." With addition of the hundreds of school children today, it was anticipated that a crowd of at least 4,000 would congregate in the grounds to top all records for the three days.

The horse-pulling contest tonight will see teams hooked to a stone "load" filled with sacks of cement. Pulling distance is 20 feet, and Fair Manager P. G. Thompson said that judging will be equally the hardest. No artificial force will be permitted. Two divisions will compete—teams under 3,000 pounds and those over that weight.

Grand Fireworks
Grand fireworks display at 10:30 p. m. today will be the grand finale for what officials termed "a highly successful event." The fair was the first county sponsored exhibition since 1921.

The fireworks will be in front of the grandstand. Previously, St. Ignace church, which has been drawn "high prize" will offer two complete shows starting at 8 p. m. and running continuously.

Dr. K. B. Berry district health unit chief, suggested again today to give blood tests for syphilis. This action was taken because of the fact that the blood tests for syphilis are now being made at the health center in the booth of the Jerome health council.

Livestock Parade
One of yesterday's feature events was the livestock parade in the afternoon. This consisted of 80 prize-winning animals, 12 saddle horses and racing teams, about 15 head of 4-H club livestock. Led by the young (Continued on Page 2, Column 1)

WOMAN HELD FOR ENTERING STORES

Mrs. Edna Poe Sprague, 31, a resident of Pendleton, Ore., who is chief of Police Howard Gillette said admitted entering six local stores in business firms last night before she was arrested as she tried to get into the seventh, was in the county jail here today.

Gillette said the woman admitted she used keys to enter the front doors of six stores. She had in her possession 40 keys of various types including several master keys.

In each case, the woman said, she entered the store before the owner only for money, not disturbing anything else. She added that nothing was found in the register of one of the stores she entered.

Notified by Saleman
As she attempted to fit a key to the door of the seventh store, a traveling salesman, H. H. McVigley, saw her at the door, noticed her. He watched her for several minutes and then called police who placed her under arrest.

Gillette said this afternoon that he received a wire from Pendleton police that she was a former inmate of the hospital for the insane. Her husband is en route to Twin Falls at the present time.

EDUCATOR WILL TESTIFY BEFORE DIES COMMITTEE

By JOHN R. BEAL
WASHINGTON, Aug. 19 (UP).—The Dies committee will call a well-known educator next week to expose attempts to spread Nazi teachings in American universities and colleges. It was disclosed today.

The committee is in week-end recess. Chairman Martin Dies, D. Tex., will not reveal the name of the next witness in the committee's investigation of Nazi-Fascist activities in the United States. He was described as "a well-known educator whose professional standing and knowledge of the facts is beyond dispute."

First Hand Experience
He will testify, it was said, from "first-hand experience" with efforts to introduce the Nazi ideology in universities.

The committee yesterday received a description of the operation of the German-American Bund, a youth movement from Helen Voors, 19, of Brooklyn.

Mrs. Voors, a former leader in the youth group who was sent to Germany to study Nazi culture said she quit because of the "disgusting immorality" she had witnessed.

At a band camp on Long Island, she said, "the boys and girls did things they shouldn't." She said she complained to Theodore E. Dinkelschuler, a leader of the youth movement, about the advances Frederick Vandenberg, South Brooklyn band official made to her.

Propaganda Training
Miss Voors, a German born child, said she was chosen to go to Germany in 1937 as a member of a party of 15 boys and 15 girls for "propaganda training." On the sixth day out, she said, "Dinkelschuler was found in bed with one of the leaders, a girl only 17 years old."

Her husband, she said, met Frederick M. Hitler, she said. Hitler told her, she testified, that he was father of all Germans. He said they lived at the north end of the south pole.

The party then was given a lesson in training a cannon. She said she described the training as "anti-racial and anti-Masonic."

Among the things she was taught, she said, was that Hitler was President Roosevelt—had a streak of Jewish blood in him, and that to bear illegitimate children was an act provided the father was German.

LEBRUN INSPECTS FRENCH DEFENSE
PARIS, Aug. 19 (UP).—President Lebrun has broken his long silence to make a surprise inspection of the great Maginot line of fortifications opposite the German frontier.

Lebrun left his summer home at Mery le Haut yesterday. It was disclosed, and with the civil governor of Metz and army officials inspected the important Thionville region of the fort.

Nazis Hail Hamilton Fish As Great American Hero

By MILTON BRONNER
(NLA Service)
LONDON, Aug. 19 (UP).—When Rep. Hamilton Fish of New York visited Germany and was received by high Nazi officials the other day, he may or may not have been surprised to discover that he is far from being a stranger to the German public.

In fact, Congressman Fish has become in Nazi minds a great American hero. He is hailed as a hero.

If a national Republican figure like Alfred Landon, his party's last Presidential candidate, or like Henry Stimson, once American secretary of state, makes a speech approving the foreign peace policies of President Roosevelt, it gets little or no mention at all in the Nazi-controlled press.

But every time Hamilton Fish has uttered a syllable in recent months, the echoes have been heard in the remotest corners of Germany. All his verbal attacks on Roosevelt have been carefully cabled and just as carefully headlined in the German press.

But there is even more. An American friend of this correspondent, a former stage producer, has come back from Germany, said that his attention was attracted to anti-Roosevelt billboards.

In Freiburg and Frankfurt-on-the-Main he had seen posted up flaming yellow bills with printed matter in deep black.

On closer investigation he found that the subject matter was an extract from one of Fish's speeches attacking Roosevelt.

Thus the Nazis, in feeding the flames of hostility toward the American President, find fuel in the remarks of Fish.

An official German plane was even put at Fish's disposal recently when, after conversations with Foreign Minister Von Ribbentrop, the Congressman went on to Norway.

INJURED CONVICT LOSES GUN FIGHT
PORTLAND, Ore., Aug. 19 (UP).—A wounded fugitive convict making a bold but unsuccessful effort for freedom today shot and killed a woman attendant and wounded a doctor and a policeman in a running gun battle through four floors of Good Samaritan hospital.

Her husband, she said, met Frederick M. Hitler, she said. Hitler told her, she testified, that he was father of all Germans. He said they lived at the north end of the south pole.

German Leaders Sign Agreement With Slovaks

By United Press
German troop movements near the Polish frontier centered today on Slovakia, with which the clash has concluded a new military agreement. Slovakia lies along half of the southern Polish border.

The agreement defines the limits of a narrow zone leading into Poland, now occupied by German troops under a treaty signed after the dismemberment of Czechoslovakia last March.

Parish heard reports of heavy German troop movements into Slovakia proper. High sources in Berlin, however, insisted that no German troops are in Slovakia except in the treaty zone, although a military mission is in Bratislava negotiating military and political agreements.

Bratislava reported that the military mission is the Slovak command of the Slovak army, with the Slovak general staff retaining only nominal command.

Parish reports of 50,000 German troops having been sent to Slovakia, and also said that 100,000 Slovak conscripts would be available to Germany in event of war.

With control of the Slovakian army, Germany would almost certainly gain control of the Polish frontier, which is Soviet Russia. Although the military agreement was announced by a German foreign office spokesman, the official D.N.B. German news agency denied there was any new "military alliance."

Agreement Concluded
D. N. B. said negotiations with the Slovakian government regarding a "protective area" in which Germany can erect fortifications at any time under the agreement of last March 23, have been concluded.

The German press continued its campaign for Poland by charging "aggressive" and "persecution of the German minority there."

Polish government is not surprised by Germany's move in Slovakia and has taken precautions to guard against an attack from Poland in event of war, and are prepared for it.

Britain Alert
Britain was alert, Viscount Halifax, foreign secretary, returned from vacation to which the international situation was a factor.

Rome was occupied for the moment with questions of Europe, especially with swinging Hungary firmly into line with the Rome-Berlin axis. Count Stephen Cakay, Hungarian foreign minister, left Bratislava today after conferring with Premier Benito Mussolini and Count Galeazzo Ciano, Italian minister.

Ciano flew today to the latest strategic addition to Italy's empire, Albania, where he will inspect roads and public works.

SHIP SINKS; NO TRACE OF CREW
KETCHIKAN, Alaska, Aug. 19 (UP).—A caulkery tender sank in Chatham strait, north of Ketchikan, today without leaving a trace and coast guardmen feared immediately to find between eight and 10 men who had been aboard.

Capt. George Lee of Seattle radioed from the steamer, but was believed afraid in a small boat.

The coast guard cutter Cuyahue steamed out of Ketchikan but could find no trace of the men or wreckage.

Police Find Indian Drawers Lost After Being Worn by Miss Idaho
SAN FRANCISCO, Aug. 19 (UP).—Shaggy-sleuths who had followed the scent all over Treasure Island, found Sammy Yellowhair's missing drawers today.

Sunny was particularly proud of his scabkin jaggars—narrow-gauged, short legged and zipperless. He was no proud of them, in fact, that he presented them to Henry A. Snow, of the Snow museum in Oakland. Susie-Shot-in-the-Eye, Sammy's wife, concurred in the gift, for wasn't the handwork hers?

Last Monday officials at the San Francisco exposition borrowed from the Snow museum Sammy's drawers, a parka, mittens and mukluks (boots) to outfit "Miss Idaho," Louise Flechter of Jerome, Idaho.

Miss Idaho almost melted in the hot weather and the outfit was discarded. When everything came home except the leather jaggars, Snow, a former state legislator, asked an immediate search.

An unidentified Arapaho Lupin with a sharp found them. They had been tucked away in a box by an employee of the Snow museum. "No war" was mended.

FIVE NEW FIRES ARE REPORTED IN SOUTHERN IDAHO

BOISE, Aug. 19 (UP).—Hot weather made tinder boxes of Idaho forests and grazing lands today, five new blazes broke out in central and southern counties and forestry officials prepared to close all national forest lands to hunters, fishermen and recreationists.

Officials of the Boise national forest reported a timber fire 73 miles north of Boise on the middle fork of the Boise river near the Bole-King mine on the road to Atlanta. A second blaze broke out in timber and brush on the forest reserve northeast of Horseshoe bend in the vicinity of Juntura, Oregon. Great numbers were blamed for starting both fires.

The Idaho national forest was closed to recreationists because of a smoke haze from a fire on Big Creek. The smoke made visibility extremely poor for lookouts.

Forestry and Boise national forest officials said they would close their lands to recreationists if the smoke haze continued to drift over their lands.

The federal grading division reported three small blazes in brush and grass under control.

U.S. RELINQUISHES HUGE TAX CLAIM

WASHINGTON, Aug. 19 (UP).—The treasury today relinquished claims to \$55,683,000 in additional income and excess profits taxes, penalties and interest against members of the Associated Gas and Electric system. It was the largest settlement ever made by the government in a tax case.

Reason for withdrawal of the government's claims was that there had been over-advancements of the tax on the system. After several years of litigation and conferences, the system and the treasury agreed on a compromise under which the utility companies were to pay the government \$87,000,000 in additional taxes. The abatement of the various taxes was \$31,317,000.

IDAHO TURKEY GROWERS HIT BY THANKSGIVING CHANGE

WENDELL 'KING' SAVES SHIPMENTS FOR EAST HURT

Idaho turkey growers will be damaged by President Roosevelt's action in putting Thanksgiving one week earlier, whether or not Gov. C. A. Bottolfsen rejects the order and declares Nov. 30 is still Thanksgiving in Idaho, E. O. Commons, Wendell, "king" turkey king, told the Evening Times this afternoon.

"I think putting Thanksgiving a week earlier will hurt our crop all right," Mr. Commons said, "because we have a hard time finishing our birds for November anyway. But the date up a week and you make it that much harder."

Gov. Bottolfsen has criticized the President's action—which was intended to aid retail business by lengthening the Christmas shopping season—and to eastern markets, but the governor might reject the Nov. 23 date and retain Thanksgiving on Nov. 30, which is the customary last Thursday in November.

But that won't aid the turkey men, Mr. Commons said.

Idaho could make it Nov. 30 in Idaho, which would help us only on the small proportion of our birds which is consumed in the state itself. But the bulk of the birds go largely to New York and Philadelphia from our plants. Most turkey growers send them to eastern markets; some to far western markets. So Idaho action would not solve the problem.

Mr. Commons said that Gem state turkey growers are hoping that governors of New York and Pennsylvania will stick by Nov. 30, the original date.

"But that doesn't look very hopeful," they've already said they'll stick along with the President. As late from the matter of maturing the turkeys a week early, the Wendell producer cited the major damage to growers.

Glenn Christmas Market

"The thing that will hurt most is the loss of the Christmas market," he said. "The market for turkeys will probably lose a large number of birds for the market for that holiday. These birds then would go on the market for Christmas, increasing the supply available then. This would hurt prices. If we get rid of the birds on the Thanksgiving market, we have no market to dispose of for the Christmas trade."

In short, he said, "changing the date is positively no benefit."

Man Jailed for No Licenses; Had Them Under Seat

Because he was operating a motor car without license plates, told Justice L. E. Ward that he had not purchased any—and then admitted that he bought them last May and was carrying them under the seat of his auto—Lloyd Overman, 26, Kimberly farmer, got a jail sentence and a fine today.

Justice Ward sentenced Overman to a fine of \$25, or costs of \$8 and to 30 days in jail. He also does not pay fine and costs, his \$25 per day. Arrested by Constable B. L. Overman, Overman was charged with operating his machine without license plates. He informed the justice he did not have plates, according to Sheriff C. C. Parker. But questioning by the sheriff elicited the admission that Overman had purchased his license last May. The plates were found under a seat in the car, Parker said.

Overman didn't explain what the plates were doing there.

"The police," said Chief G. Gillette, "had the pants but no man and both we and the sheriff's office knew of the man without the pants, so we had picked up the man and found that he fit the pants."

Heck denied he had anything to do with the strange case but police said the investigation proves he is the man wanted.

The 16-year-old girl identified him both from his voice and also on features. Police said that Heck's wife and the girl's mother are friends although the girl and Heck do not know each other.

The rape charges will be filed Monday by Prosecutor Everett M. Sweezy. Records show that Heck was arrested and found guilty of a similar offense a year ago and at that time was pardoned to them Sheriff E. F. Prater without being committed to jail.

All three will enter gas model plane flying in the event at the capital city's airport.

OFFICIAL PROBES HOLLISTER BONDS

Investigation into Hollister school bonds was detailed because valuations of the school district were in question. The investigation was conducted here Friday by Griffith L. Jenkins, state auditor, and a representative of the attorney-general and an agent of a Denver bond house.

The inquiry was a continuation of earlier check-up instituted by agents from the finance commissioner's office.

Transfer of the water rights to other lands—and in some cases actual transportation of buildings—has been required to value the bonds at which the levy does not bring in enough funds to pay the amounts due on the bonds. The transfers are claimed in some quarters to have been illegal.

'Frozen Sleep' Treatment Set To Cure Cancer

PHILADELPHIA, Aug. 19 (Special)—An Iowa farmer is on route here today to undergo a "frozen sleep" treatment for cancer, developed by a "Temple university" professor.

In what was described as a "hopeful experiment" in the long fight against the deadly disease.

Max Hagan, 42, of Shoshone, Idaho, suffering from a cancer of the prostate, will be packed in cracked ice for five days, including "suspended animation."

The "frozen sleep" method, announced two months ago by Dr. Temple Fay and Lawrence W. Smith, of the University of Pennsylvania, is a skin cancer cure, officials said. Hagan's case will reveal, they said, whether the treatment will be effective on "deeper-seated organs."

Incoming Mail Schedule Satisfactory, Chief Says

Despite the fact that some dissatisfaction has been voiced by wholesalers at schedule of incoming mail in Twin Falls, the postal department says the present schedule is satisfactory serving interests of merchants and patrons served by the existing air route, the Twin Falls Chamber of Commerce has been informed by H. L. McKinnell, Pocatello, chief clerk of the railway mail service.

McKinnell replied to a message sent by the mail committee of the chamber following claims by wholesalers that mail does not come in on a schedule permitting the dispatch of orders the next morning. The C. of C. committee is Arthur J. Peavey and Ralph Carpenter.

FSA OFFICE HELP REFUSED BY CITY

The city council last night turned "thumbs down" on a suggested proposal by the Chamber of Commerce and officials of the Farm Security administration for the city to aid in paying rent for the local FSA office.

John Clark, representing the chamber, and R. W. Purcell, Pocatello district FSA supervisor, made the request at the session of the council last night. It was pointed out by the two men that unless quarters are provided it will be necessary to move the office to Ellettsville.

Councilmen, led by Mayor Joe Koehler, pointed out that there were absolutely no funds available for such rent and that there was no space in the city hall which could be donated for use. The FSA official pointed out that budgets have been cut to the point where it is necessary to secure free office space.

He added that the county commissioners said that they would donate \$20 a month toward rent. Estimated amount necessary was \$35.

Boy Roamer Gets Jail on Theft Charge

He's been in 20 states, Mexico and Alaska—but his address for the next 10 days will be Twin Falls county jail.

He is James Stevenson, 19, Reading, Penn., and he received the 10-day sentence from Probate Judge C. A. Bailey today after pleading guilty Friday to petty larceny.

Stevenson, who told sheriff's deputies about his travels, said he bought \$250 worth of groceries and brought them back to the Jennings home because he was hungry and "all the food I got was coffee."

He said he had landed in jail down in Mexico after several Mexicans decided to "beat up" on him. He fought back and the battle turned into a fist fight. Stevenson asserted that if it hadn't been for the American crowd, "I'd be in jail down there yet."

THINGS ATTEND BEAMER SERVICE

Impressive last rites were held this afternoon for Dave L. Beamer, prominent, fire rancher and Mason, at the First Methodist church. Masons from throughout southern Idaho joined in the final tribute.

Conducting the church services for Mr. Beamer, who died Wednesday, was Rev. I. S. Mota, pastor of the First Methodist church, assisted by Rev. G. L. Clark, pastor of the Presbyterian church of Twin Falls.

Mr. Beamer's lodge conducted ritualistic rites at Twin Falls cemetery. Interment was in charge of the Drake and Reynolds mortuary. Quinities of floral tributes bore messages of esteem for Mr. Beamer, and expressions of condolence to his relatives.

Don Muser sang "Lead Kindly Light" and "Face to Face," favorite selections of Mr. Beamer, accompanied by John E. Baker and M. A. Active pallbearers were William Bence, R. K. Dillingham, E. S. LaHue, E. H. Snyder, J. B. Brennan, all of Piler, and Guy H. Shearer, Twin Falls.

Honorary pallbearers were B. A. McCoy, L. H. Brown, E. H. Hag and George E. Eberhart, Piler, and M. A. Strunk and T. J. Lloyd, Twin Falls.

GOSPEL QUARTET OFFERS PROGRAM

The Gospel Messengers, male quartet of Mount Vernon, Wash., will present a program of music Monday at 8 p. m. at the Baptist church. They will also sing at the Sunday evening union services at the city park.

Members of the quartet are affiliated with the First Baptist church of Mount Vernon. According to a spokesman for the musical organization, "They have heard the call of God to spend the summer going forth in the name of Christ to witness for Him."

The tour is entirely a venture of faith; the quartet has no financial backing from any organization or individual, and is dependent upon free will offerings for its support.

Personnel of the quartet is Ray Ogden, first tenor; John Sullivan, second tenor; Ray Hofstad, baritone, and Glen Moore, bass.

Church Arranges "Old Home" Day

KIMBERLY, Aug. 19 (Special)—Kimberly Methodist church will observe "Old Home Church, Sunday" tomorrow, Aug. 20, by which former members and friends living in nearby towns, as well as local residents, are invited to attend.

Dr. W. H. Herring, Twin Falls, will give the morning address, according to Rev. T. W. Bowman, and a convocation will follow the morning service.

Services will begin at 11 a. m. with special music to be included in the old-time hymns, including "The Glory Song," and a "Muet by Mr. and Mrs. J. E. Haller, who have been members of the church since it was founded in 1908.

Special church numbers, including a solo by Miss Patricia Blum, will be given. The church is located on Verdi, accompanied by Mrs. Stella Loft Wood.

VIOLENCE FLARES AS N. Y. MILK STRIKE TIGHTENS

UNION LEADERS PREDICT EARLY END OF BATTLE

UTICA, N. Y., Aug. 19 (AP)—The Dairy Farmers' union reported today that its strike against milk shipments to the metropolitan New York area, which 100,000 residents consume 4,000,000 quarts a day, was so effective that "it will be over in three or four days."

Violence continued in the upstate New York milked, and it was reported that vigilantes were organizing to help get milk to market. The shortage had become so serious in New York City that Mayor F. H. LaGuardia called a conference of all interested parties for Monday.

Metropolitan distributors estimated supply of milk reaching them yesterday was 43 per cent below normal, and they had turned over for fluid purposes, 130,000 quarts that had been held in storage for condensed milk, preference and hospitals and city and state institutions were getting preference in the city deliveries.

PRINTERS' UNION GETS SUSPENSION

ATLANTIC CITY, N. J., Aug. 19 (AP)—The International Typographical union, charter member of the American Federation of Labor and one of its strongest unions, was under suspension today for failure to contribute to help the A. F. of L. battle the C.I.O.

President, William Green, announced the suspension at the meeting of the federal executive committee and said that unless the \$22,000 assessment, now two years over-due, is paid by October, delegates to the printers' union would not be seated at the A. F. of L.'s Cincinnati convention.

The order came on the eve of the typographical union's annual convention opening at Fort Worth, Tex., where the question of capitulation to the C. I. O. demands will have to be decided.

Maverick Stands By Permit For Communist Texas Rally

SAN ANTONIO, Tex., Aug. 19 (AP)—Mayor Maury Maverick, former chief of the Texas Communist Party, refused today, in the name of civil liberties, to rescind his order permitting a Communist rally in the municipal auditorium Aug. 25.

Organized opposition came from the American Legion, Veterans of Foreign Wars, Lutheran and Catholic clubs, the clergy, the Ku Klux Klan and several county commissioner courts.

The Ellis club petitioned for and was granted a permit by Maverick to hold an American mass meeting in direct opposition to the Communist rally, but he denied it the use of the auditorium plaza on the ground it would cause trouble and protective measures were necessary to public welfare.

Maverick assigned the American meeting to the Alamo plaza, a historic shrine. In addition, Maverick posted \$100 to help defray the expenses of Chairman Martin Dies of the House un-American activities committee should he accept an invitation to address the rally.

The permit to the Communist was granted by Mrs. Emma Teruya. Brooks, state secretary of the party, a conspicuous figure in Texas strikes, not by Maverick but by the acting mayor while Maverick was out of the city. Maverick said the permit manifested the true spirit of civil liberties.

"The United States constitution is still in effect in San Antonio," he said, "and will continue until further notice or order to the contrary by the supreme court of the United States. The decisions of the supreme court of the United States make the issuance of the permit mandatory."

Mr. Bunnell died at 8:30 p. m. Thursday at the local hospital after an illness of two and a half months. Mr. Bunnell was employed by the telephone company for the past 27 years, serving as foreman at Boise for a number of years.

Music at the funeral services was furnished by Mrs. Lawrence Dunn and Mrs. Frank Redfield, who sang "The Old Rugged Cross" and "Somebody We'll Understand" with piano accompaniment by Mrs. Jay Gaskill. Burial was conducted with Masonic rites by the Burley lodge with T. D. Yeaman officiating.

Interment was at the Burley cemetery. Flower bearers were Mrs. C. M. Robertson, Mrs. E. G. Robertson, Mrs. Novella Yon, and Mrs. Bert Cook. Pall bearers were Frank J. Anderson, Glen Beatty, L. H. Steinbeck, A. B. Marshall and O. F. Christy.

Series of Courtesies Honors Summer Guests

Mrs. Max Campbell and daughter, Miss Beverly Campbell, Pipestone, Minn., house guests of Mr. and Mrs. R. S. Toffelmire, have been the inspiration for a number of charming courtesies the past several days. Mrs. Campbell is the sister of Mrs. Toffelmire.

Mrs. W. C. Pierce has issued invitations to 12 guests for an informal luncheon in honor of the vacationists, the event to take place Monday at her home, 212 Lincoln street. Mrs. Charles B. Beymer and Mrs. A. S. Gilbert entertained this afternoon in compliment to them.

First of this week's courtesies was a contract bridge party for eight guests, arranged by Mrs. Miles J. Browning, 1141 Eleventh avenue east, Tuesday evening.

Supper was served in the dining room following the games, yellow and pink ribbons forming the central trim for the table. Mrs. Campbell and Miss Campbell received guest favors.

Mrs. F. H. Hanes presided at a two-table bridge luncheon Wednesday afternoon at her home, 238 Eighth avenue north, in their honor. The guests were Mrs. Campbell and Miss Campbell.

Varied hues of apricot were featured in the decorative details for a contract to Mrs. Toffelmire.

Later five members of the college set out to meet Mrs. Campbell. They were Miss Marjorie Johnston, Miss Marjorie Kingsbury, Miss Wanda Kline, Miss Ida Lee Lamb and Miss Florence White.

Mrs. Carl J. Cannon was hostess to 12 guests at a bridge luncheon for Mrs. Campbell and Miss Campbell Thursday afternoon. Mrs. Toffelmire won honors at bridge and the honor guests were presented with gifts.

A pastel theme prevailed in appointments and decorative details.

News Reelman Takes Shots of Canyon Ranch

Scribes Warned To Follow Rules Of Contestants

Poets and writers submitting manuscripts for the second annual writers' contest sponsored by the Idaho branch of the League of Western Writers, are warned to observe closely the rules of the contest, lest their manuscripts be disqualified on this account.

"The writer's name should appear only inside the sealed envelope which accompanies the poems or manuscripts," Mrs. John W. Graham, Twin Falls, explained today, calling attention to the fact that a number of contestants had contained the names of the writers on the outside of the envelope, and even on the manuscripts themselves.

Submitted by Title

The rules compiled by the Boise and Twin Falls chapters of the League, include this stipulation: "Entries must be submitted by title only, with sealed envelope attached containing writer's name and address, with title of manuscript. The title should also be repeated on the outside of the attached envelope."

Those who have not complied with the rules, are asked to resubmit their entries. Women to whom entries should be sent are: Poetry, Mrs. John W. Graham, 201 Tenth avenue north, Twin Falls; prose, Mrs. Elmer Allen, 1239 Third street, Boise.

The contest covers three fields of writing, verse, article and short story. Only unpublished and original material by Idaho writers, will be considered, and manuscripts must be typewritten. Out-of-state judges will be selected.

Closes Aug. 31

Contest closes Aug. 31, and entries postmarked after Aug. 31 will not be considered.

Entrants are limited to one article, one story, three poems, each. Entries may be made in any of all sections by each contestant. The article must not exceed 1500 words in length; the story, 3500. Manuscripts should be typed and double-spaced.

Manuscripts will be returned to the writer only if accompanied by self-addressed envelope which is sufficient return postage.

Cash prizes will be awarded by the Twin Falls chapter, the Idaho Daily Statesman, the Idaho Capital News and the Idaho chapter of the League of Western Writers.

Guests from Hansen were Mr. and Mrs. Bernard Stricker, Blythe Haynes, Miss Gladys Stricker and Roland Stricker. Mr. and Mrs. O. R. Chamberlain of Buhl were also guests.

Guests from Twin Falls included Miss Hazel Leighton, Mrs. J. Williams, Philadelphia, and Mrs. Thelma Murphy and Miss Faye Healey.

Son of Pioneer Local Minister Weds in Oregon

Received with interest by friends here in word of the marriage of Robert Parker, Portland, Ore., son of the late Rev. and Mrs. H. W. Parker, and Miss Virginia Lee Will, Yakima, Wash.

The marriage took place Aug. 12 at Portland, Rev. H. G. Humphrey, former pastor of the Twin Falls Methodist church, performing the ceremony, at the Methodist parsonage on Fremont street.

The late Rev. Parker was the pastor of the Methodist church. The bridegroom was born in Twin Falls.

31st Marriage Date Observed

Although she was absent from meeting, Mrs. B. T. Price was well honored by the Smiling Through club yesterday afternoon at the home of Mrs. Mary C. Richards.

The party had been planned for several weeks to observe the 31st wedding anniversary of Mr. and Mrs. Price, but illness made it impossible for Mrs. Price to be present yesterday.

The songs, "Sunshine and Rain" and the club song, were sung over the telephone to Mrs. Price. Mrs. Laura Price, Mrs. Edith Whitehead, Mrs. Delph, and the Smiling Through club members, furnished ice cream, coffee and lemonade. Refreshments will be served at 1 p. m.

Marine Idea Favored By Luncheon Hostess

Originally marked the luncheon at which Mrs. Louis Satterlee, Jr., entertained at a desert luncheon and bridge party yesterday afternoon at her home. She emphasized a nautical theme in decorations and appointments.

Small white ships, studded with candy life-savers and topped with peppermint candy sticks as funnels, marked each cover, and a larger steamship, with over-sized peppermint sticks as funnels, centered the luncheon table.

Mrs. Satterlee, who served added interest to the appointments, and blue fish were marked for tables.

Garden flowers in profusion decorated the rooms. Mrs. Lyle Jones was a guest of the club.

Honors went to Mrs. Don Taylor, Mrs. Satterlee and Mrs. Willard Taylor.

The next meeting will be at the home of Mrs. Taylor, Kimberly.

ALL-STATE SWIMMING MEET GETS UNDERWAY

SLUGGING BOISE CLUB TURNS BACK TWIN FALLS COWBOYS

Junior Stars Open Events At City Pool

With the Caldwell team set on capturing the title for the second consecutive time, Idaho's second annual all-state amateur swimming meet got underway at the Harmon park pool here today at 2 p. m. as junior preliminary events started.

Tonight at 7:30 p. m. the championship finals in the junior division will be staged in both speed races and also diving. Senior events get underway at 10 a. m. Sunday with championship finals slated for 3 p. m.

Twelve communities are represented among the competing teams and include No. 1 northern entries, Moscow and Lewiston. Other cities represented by paddlers are Blackfoot, Pocatello, Burley, Glenn Ferry, Caldwell, Gooding, Nampa, Boise, American Falls and Twin Falls.

118 Entries Registered - A total of 118 swimmers had registered for the competition, which is sponsored by the Twin Falls Junior Chamber of Commerce in cooperation with city officials. Last night twelve members took part in a "swimming bee" and spectators were erected on the north side of the pool, enabling spectators to view all events unobstructed. The score's table and public address system is on the south side of the tank.

Admission for each session is 25 cents for adults and 15 cents for children. Season tickets, however, will be on sale at the gate enabling adults to attend all four sessions for adults and children for 50 cents. All money above expenses of the meet, including purchase of trophies and numerous other awards, will go toward the further development of Harmon park.

Junior Events - A refreshment stand is also in operation at the pool and sellers pass through the crowd at intervals. The public address system is property of the Powell Radio shop.

Junior events include both boys and girls under 18 years of age while seniors are 18 years and older. Juniors can compete in senior events but seniors are not allowed under the junior division.

Rules of the meet will follow those set by the Intercollegiate Swimming association.

This afternoon at 1 p. m. physicians started examinations of all entries.

Indians Down Reds for 4th Straight Win

Andy Harrington's Boise Pilots crushed out a 15-to-5 win over the league-leading Tulsa Cowboys last night, and clinched out of first place in the Pioneer league standings.

A 13-to-2 defeat for Ogden at the hands of the Lewiston Indians sent the Reds into last position.

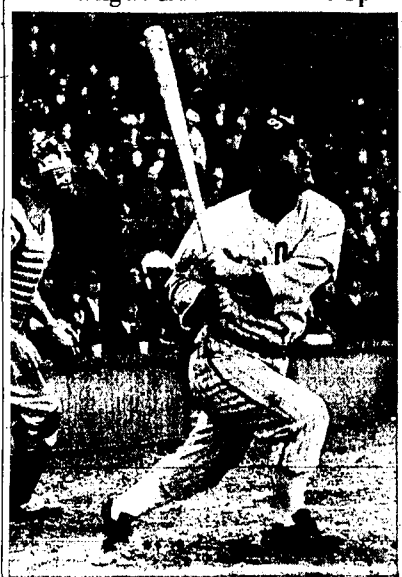

The Pilots, playing before 2,500 fans at home, scored 11 runs in a second inning battering Steve Jose, Eugene and Lorenzen smashed homers, with men on base to contribute five of the runs. Rosenbaum went the route for the Pilots, allowing 10 hits. The Pilots pounded out 10 hits off Pitcher Slaughter and Kendall.

At Lewiston, Smith scattered Ogden, who hit when the Pilots found Blumfield for 10. Outfielder Pete Hughes knocked two homers for the Reds. Williamson, Correll and Beard did the heavy hitting for Lewiston.

Reds, Cardinals Open 3-Game Series Today

By GEORGE KIRKSEY - NEW YORK, Aug. 19 (U.P.)—The National league spotlight shifted to Cincinnati today where the pace-setting Reds meet the charging Cardinals in a three-game series. One game was scheduled for today and there will be a double-header tomorrow.

Now is the time for the Reds, who have been letting their lead slip away gradually, to cool off the Cards and make them forget about the pennant.

The Cards clicked off 17 out of 10 with a five-game streak intact. Ray Blades, criticized for his handling of the Cardinal pitching staff in the early month, is proving every day that he knows what it's all about when it comes to handling hurling assignments. Yesterday he came up with young Ben Houstan, who blanked the Pirates on seven hits, 3-0.

Pirates Lose Again - By licking the Reds yesterday, the Cards cut the Reds lead to 5 1/2 games. It was the 10th straight loss for Pittsburgh. The Cards, led by Country Slaughter with three hits, called Ben Houstan and Sewell, for 10 hits.

Brooklyn's penchant for playing catch hitting games held away again. The Pilots, playing before 2,500 fans at home, scored 11 runs in a second inning battering Steve Jose, Eugene and Lorenzen smashed homers, with men on base to contribute five of the runs. Rosenbaum went the route for the Pilots, allowing 10 hits. The Pilots pounded out 10 hits off Pitcher Slaughter and Kendall.

Pilots Score 15-5 Victory In Hit Fest

BOISE, Aug. 19 (U.P.)—The league-leading Twin Falls Cowboys tonight will attempt to regain some of the prestige lost here last night when they received a sound 15-5 drubbing at the hands of the Boise Pilots.

The two teams square off in the second game of the three-hit series tonight, with Bill Schulmerich scheduled to take the mound for the visitors. But the club will be without the services of Junior McNamee, regular clean-up hitter of the team, who is at home recovering in Twin Falls from a slight concussion of the brain when he was hit by a pitched ball on Thursday night.

Fields or Federmyer will probably take the mound for Manager Andy Harrington's fast-climbing team which came out of the cellar last night with that victory.

The injury-riddled Cowboys looked like anything but champions last night as the Pilots pounded the offering of John Stefan and Frank Kendall for 16 hits and the infield looked like a sieve. Verne Reynolds, playing with a badly bruised hand at the shortstop position, made two errors. Ernie Bishop committed another and Kendall made one while the Pilots' offense kept rolling.

McNamee being out of the lineup, Steve Bogdanoff and Frank Field were playing with bad colds. The Pilots tucked the game away in the second inning with 15 men went to the plate against Stefan and Kendall. Stefan started the fireworks by handing out three passes in a row. Then Perries and Rosenbaum singled to send in three runs. Up came Joe Egan to count a home run to bring the run count to six and send John Stefan to the showers. Before Kendall could retire the side, five more runs came across the plate, one a home run by Lorenzen.

Cuts Lead - The backfield of the Cowboy margin over the Pocatello Cardinals to four games, as the Gate city club was idle.

There was lots of hitting throughout the contest and every man in the Boise lineup got at least one hit. Mike Wynn, the Pilot's home run slugger, George Farrell got three out of five to top the Twin Falls hitters, while Reynolds, Bogdanoff and Myers each got two.

They Handle Details of All-State Swim Meet

This group of men is responsible for handling the all-state swim meet that got under way here today with entries from all over the state participating in the big Harmon park pool. The junior events started this afternoon and conclude this evening, while on Sunday the senior events will be held at morning and afternoon sessions. Standing, left to right: O. A. Koller, Loyal Perry, Jim Simpson, Bill Powers, and Al Westergren; seated, Lionel A. Dean, Robert H. Warner and Ronald Graves. Powers is pool director and manager of the meet. Not in this picture, but playing a vital role in the big swim event, are Tom Peavey, in charge of ticket sales at the pool; John B. Robertson, arranging the dressing tent facilities; Kenneth Anderson, handling the concession.

New \$30,000 Stadium Nearly Completed at Lincoln Field

Cement Stands Will Seat Over 3,000

Unobserved by most residents of this area, an athletic stadium, which will rank among the finest high school football plants in the intermountain west, was more than two-thirds completed here today.

It is the \$30,000 new Lincoln field stadium, replacing the former rickety wooden stands on the Twin Falls high school football field.

The stadium will be ready for use by the first Bruin grid game of the season on Friday, Sept. 22. Supt. Homer M. Davis told the Evening Times today.

Superintendent Davis said that "lavatories probably will be installed for convenience of the public."

New Turf

The turf on which Bruin and visiting eleven will do battle is completely new. The old grass was torn out and new seeding planted this spring. Today the new grass shows a heavy growth, and should offer the finest playing surface in the intermountain west.

Incidentally, the wire fence around the entire field will be removed several feet, set, and all posts painted aluminum.

The \$30,000 stadium is a WPA project in which the school district provided its sponsorship funds through trucks for hauling, purchase of a cement mixer at bargain rates, purchase of a part of the concrete needed, securing gravel and some other items. Mark Henfler has been foreman and, according to Mr. Davis, has done an outstanding job.

The superintendent himself has spent hours each day on the project, consulting with Henfler, conferring with WPA Engineer John Griffiths and handling details of the school board's sponsorship share in the work.

'Lindy' Takes First in Jerome Race

JEROME, Aug. 18 (Special).— "Lindy," owned and ridden by W. D. Epley, won the feature event of the Jerome county fair races here yesterday afternoon and the top \$40 prize in the half-mile horse race.

In the other big events of the day, "Idaho Lad," owned by Harmon Thompson and ridden by Deming, won first and \$40 in the three-eighths mile event, and Paul Callen took top money of \$40 in the wagon race.

Complete results of yesterday's race card follow:

Half-mile horse race—First "Lindy," owned and ridden by W. D. Epley, \$40; second, "Spanish Night," also owned by Epley, \$25; third, "Dawn," owned by Roy Bennett and ridden by Knight, \$10.

Relay race—First, Jay Deming, \$40; second, Joel Byrnes, \$20; third, Hersh and Harmon, \$10.

Cobb Prepares For Record Run Monday

WENDOVER, Nev., Aug. 18 (UP).—Mechanics a half dozen of the Ration Red team here today, getting it in shape for a crack at the world's land speed record.

Thirty John Cobb, who cracks the whip over the team, said today he would make the run Tuesday at dawn on the Wendover salt flats, 10 miles east of here.

Cobb has had the team out on the salt only once this year. That was yesterday when in a single run he averaged 252.84 miles per hour through the flying mile. This performance, with the car not wide open, led the English fur broker to predict he can hit at least 300 m.p.h. well over the 357.24 record now held by Capt. O. E. T. Epton.

Observers who have been attending the jumps speed on the salt flats for years predicted, on the basis of yesterday's run, Cobb's new record would be in excess of 370 m.p.h.

Mize, DiMaggio Boost Leads In Bat Race

NEW YORK, Aug. 18 (UP).—Both major league batting leaders, Joe DiMaggio of the Yankees and Johnny Mize of the Cardinals, improved their positions over last week, according to the averages released today and including games of Thursday.

DiMaggio added six points to his average to lead it soaring to .304, 34 points ahead of the runner-up, Jimmy Pats of the Red Sox. Mize, who held only a one-point lead in the National league last week, widened his margin to 10 points by boosting his mark to .351 while Morrie Aronovich, Phillies, slipped to .341.

Lefty Grove, Red Sox, took over the National league lead with 13 victories and two defeats and cired Thompson, Red Sox, led the National league pitching with 11 wins and two losses.

Pats leads both leagues in home runs with 30.

Hazelton Girls Tip Amazons By 9-8 Score

HELENA, Aug. 18 (Special).—The Hazelton basketball girls' team, recognized as one of the strongest in the state, staged a last-minute upsurge in play across five runs and defeat the state champion Pocatello Amazons here in an exhibition game yesterday as part of the season ends here.

The final score was 9-8 for the home county team, after the Hazelton ladies had entered the seventh inning with the predicted 4-4 against them. Then they bunched hits, walks and errors to come from behind and took the game away as the crowd went wild.

Lineups for the two clubs:

Hazelton: Wardell, cf; Minnema, 1b; Cunningham, c; Hochstetler, 2b; Windle, rf; Preslow, ss; Neils, ss; H. Slater, 3b; Coad, p.

Pocatello: Kipper, c; Oger, 2b; Pappas, 3b; Thompson, ss; Morrison, 1b; H. Mack, rf; Davis, cf; L. Mack, p; Pandey, 1b.

JAPANESE PIONEERS BREAKING OFF BRITISH NEGOTIATIONS

ENGLISH REFUSE DISCUSSION FOR CHINA CURRENCY

TOKYO, Aug. 19 (AP)—War Minister Shigenori Togo conferred with fellow army leaders today on Great Britain's refusal to discuss the Chinese currency situation without the participation of the United States and other nations.

Newspapers demanded that the government break off all negotiations with Britain—a course which army leaders had already announced would mean a drastic intensification of their anti-British campaign in China.

One newspaper, the extreme Nationalist Kokumin, asserted there was a pro-British faction in the foreign office and urged the army to take independently whatever steps it thought necessary.

Baron Kichiro Kawaguchi, the premier, conferred with Foreign Minister Hachiro Arita on the British dispute.

But even more important was the conference of Lieut. Gen. Araiaki with fellow army men.

It was understood that in view of the seriousness of the situation, Araiaki and other army men also discussed their drive, so far resisted by the cabinet, to force Japan into an immediate military alliance with Germany and Italy.

Foreign Minister Arita and Japanese office experts also discussed the British situation among themselves.

The independent newspaper Nichi Nichi urged the government to break off negotiations.

pumped with power from Rock creek, somewhat similar to development two. Cost \$652,800.

Blue lakes project for both domestic water and power development. Capital cost, \$251,000 and annual cost \$26,000.

He Favors Blue Lakes

The last named project was recommended for a new source of supply, Stevens pointing out that the city is simply able to finance it.

He further recommended that the five-million gallon reservoir now under construction be converted and a recording meter be installed in the existing 24-inch transmission main below the new reservoir to provide definite information as to actual water and rates of use.

Asked by Councilman Lionel A. Dean as to how much it would cost to complete the survey to a point where it could either be dropped or water could be immediately pumped and the city would know how much the work would cost, Stevens answered that he would not have "time for more thought" but that he would estimate the cost of his services to do this work before he left the city sometime today.

More Data Needed

Citizens present at the session last night held that the data needed that contained in Stevens' preliminary report. Such data would include: (1) Would the Blue lakes water need to be chlorinated? (2) How would the hardness of the water, compare with that already used? (3) Would the new water be next 40 years and the present supply as to justify the expenditure? (4) Would it be more economical to spend the money on the present system including an enlarged filter plant?

Regarding the supply of water at Blue lakes, Mr. Stevens said: "The conclusion seems obvious that there is sufficient water at Blue lakes for the city's requirements for the next 40 years and the sufficient to pump that supply into the city's water system."

What Not Used

Under this proposal, when completed, the existing filter plant would not be used. The direction of flow in the 24-inch pipe would be to or from the reservoir, depending upon the relation between pumping rate and city demand. The existing 24-inch pipe beyond the new reservoir would be shut off.

Regarding the present supply of Twin Falls, Stevens said:

"The water now used in Twin Falls is safe, which is about as far as one dares go in evaluating it. It is Snake river water diverted at the Milner dam and taken into the city's system at about canal mile 35. In summer the canal carries a surplus of water and the water is warm and full of algae. It is heavily chlorinated at the filter plant to render it safe for domestic use."

City Clerk W. H. Eldridge announced that two copies of the report were on file at his office and could be studied by any resident.

Mayor Joe Koehler last night said Stevens' report was "thorough" and on his motion it was accepted by the council.

SIDEWALK SPRINKLERS

Public Forum:

"I definitely not a chronic gripper, but there is just one thing that bothers me—water sprinklers that water both the lawns and the sidewalks. There are many people in town who quality as 'sidewalk sprinklers,' but to my belief the most disturbing one is the gentleman who takes care of the new Lincoln school lawn.

"I realize, as we all do, that a brand new lawn needs a lot of water, but there certainly are ways of keeping the water on just the lawn. The sprinklers at Lincoln school have been placed directly on the sidewalk so as to spray both the lawn and the building and the parking at the same time. Whether the caretaker knows it or not, a sprinkler can be turned on to less than full power, and the sprinkler moved from time to time. Instead, the gentleman mentioned prefers to let the sprinkler and passers-by do all the work.

"Many of the people who live in this section of town and who do some walking now and then would really prefer to keep on the sidewalk and give the lawn a chance to grow, but when the choice lies between a good sprinkling of their clothes and a promenade across a lawn, they naturally follow the latter. The gentleman who takes care of the promenade is preferred.

"Hoping that something may be done about this sidewalk sprinkling which should be against some city law and probably is I remain,

CALLS TWIN FALLS THE CORDIAL CITY

Centennial:

"We have had occasion to pass through Twin Falls on several cross-country drives since 1928, and each time our good impressions of the place are reinforced. Many towns have a few obliging boosters who extend a helping hand to travelers, but there should be against some city law and probably is I remain,

WATER SCHEME THAT MAY HURT FARMERS

Editor:

The carbon copy enclosed of a letter to the Idaho Irrigation commission may be of interest. To lose the use of 125,000 acre-feet of water might mean quite a lot to your section. Believe it or not; take it or leave it.

WALTER B. SHEPPARD.

Jackson, Wyo.

(COPY)

Commissioner of Irrigation, Boise, Idaho.

Dear Sir:

In 1919, some Idaho promoters joined with some in Wyoming to put over a scheme to dam two lakes in Wyoming. (Two Ocean and Emma) and divert the water into Idaho. The applications outlawed many years ago. The Utah-Idaho Sugar company is attempting to resurrect these claims, with a priority date of 1919.

The water in question aggregates about 125,000 acre-feet. The priority sought antedates that of the American falls reservoir, that has been filled only four times in the last 21 years. The sugar company has not a shred or shadow of right, title, or interest in this water. Its application to the Wyoming state engineer was duly refused. Appeal to the Wyoming board of control met the same fate. Appeal has now been taken to the Teton county (Wyoming) district court.

If this scheme were to come to fruition it would constitute a gross wrong upon many bona fide appropriators on the Snake here in Idaho. Incidentally, your own records will establish the fact that the sugar company already has available direct-flow and storage water that should suffice for all its legitimate needs. I leave you to characterize this undertaking. I have the impression that you have a duty in these premises, albeit possibly direct action or intervention may involve the attorney general.

WALTER B. SHEPPARD.

I have not a sliver of personal interest in this matter.

In HOLLYWOOD Today

Mrs. Bob Burns was in a hospital with her back in a plaster cast today. She slipped and fractured her spine while helping her husband and comedian husband sail their yacht.

Shirley Ross, film actress, was en route by train to represent Hollywood at the Fresh Air fund program in Toronto, Canada, next Tuesday and Wednesday.

Five hundred persons tendered Gus Edwards a testimonial banquet last night in celebration of the veteran showman's 60th birthday.

Many of the film notables who attended had been given their start by Edwards. Eddie Cantor, master of ceremonies, said Edwards gave him his first job.

A blond actress sued Clarence Stroud of the radio and film Stroud twins for \$50,000 today, charging he seduced her under promise of marriage and then deserted her upon learning she was to become a mother. Miss Meredith B. Davis, 24, who said she and Stroud lived together as man and wife "three months before we were married," declared the actor the father of her baby expected to be born next December.

LOUISIANA PROBE "JUST STARTING"

DALLAS, Tex., Aug. 19 (AP)—O. John Rogge, assistant United States attorney general, asserted today that the government has "just scratched the surface" of its investigation of Louisiana political scandals.

"Bigger men are yet to be indicted," he said.

"I saw Richard Leche, former governor, pull a thousand dollars in bills out of his pockets like they were tobacco leaves."

Rogge made these assertions at the extradition hearing for Freeman W. Byrd, Dallas oil millionaire who has been indicted with Leche and Seymour Weiss, New Orleans hotel man, on charges of conspiring to violate the Connally oil act and defraud the government.

Federal Judge T. Whit Davidson refused today to sign an order for removal of Byrd to Louisiana.

KIWANIS HEAR REPORT ON VISIT

PILER, Aug. 19 (Special)—A report on the visit of George Lowe, Kiwanis district governor, to Piler, when he met with the executive committee of the club, was given by local Kiwanis club, was given by Earl Ramsey Tuesday in the Methodist church.

President George Lowe said that Kiwanis clubs have increased both attendance percentages and membership during the past year.

President E. O. Walter thanked Miss Barbara Bean for providing account for dining at club meetings. Miss Bean will leave in two weeks for college. Club's house and reception committee was instructed by President Walter to secure the services of another pianist.

President Walter thanked club members for their cooperation and hospitality to sheep men during the recent ram sale. He revealed this year's sale is the first one in the 18 year history of the event which has paid all expenses. N. V. Sharp disclosed that the agricultural committee of which he is chairman received a letter of appreciation from the Idaho Wool Growers association.

Public Wedding Proves Unusual Jerome Event

JEROME, Aug. 19 (Special)—Termed one of the most impressive wedding ceremonies ever staged on the roadside, because of its unusual setting and the spirit in which a throng of 2,000 persons watched, the public nuptial at Jerome county fair Thursday evening united Miss Maria Beddall and Edward Haymes, both of Jerome.

Reception in honor of the newlyweds was held at 10 p. m. Friday at the home of Mr. and Mrs. A. D. McMahon, with Mrs. Dick Freeman as assisting hostess.

The bride at the public ceremony is the daughter of Mr. and Mrs. Floyd Beddall, and the groom is the son of Mr. and Mrs. L. B. Blaymires.

Well Known

The young couple is well known in Jerome, having graduated from the Jerome high school.

Rev. W. P. Wills, pastor of the Presbyterian church, performed the ceremony. A background of greenery and flowers gave an impressive air to the setting, which was arranged under chairmanship of Mrs. Frank Titus.

Mr. Mainie Shoun, superintendent of schools, introduced the bride couple before the ceremony—the first public wedding at Jerome to participants in the "mystery wedding" which had aroused wide speculation on the north side.

Attendants

Matron of honor was Mrs. Ralph Adair, Nampa, the former Miss Lucille Roby, Jerome. Maid of honor was Miss Pillar Dehron, Boise. Bridesmaids were Miss Frances Henry, Mrs. Clarence Hollibaugh, Miss Janice Freeman and Miss Molly McVey. Little Mrs. McMahon won the hearts of the 2,000 watchers on the ring-bearer, Miss Barbara McClintock and Miss Barbara Clark were flower girls. Clarence Hollibaugh was best man.

The bride wore a Chanel model wedding gown from New York City, owned by Mrs. Felix Ely, the former

Aged Dog Dies Under Wheels Of Family Car

Things just aren't the same out on route 20.

Reason is that "Peggy" a northern spitz dog is dead, victim of an automobile accident.

"Peggy," according to a local veterinarian, was believed to be one of the oldest, if not the oldest, dogs in the United States. Had she lived she would have "celebrated" her 20th birthday next Feb. 16.

The dog was killed last week when Bill Wilks, 26, was backing the family car from the garage.

It was night and Bill did not notice that "Peggy" was behind the car until it was too late. Bill was a son of Mr. and Mrs. Frank L. Wilks.

Bill was a year old when "Peggy" first joined the Wilks family.

BIDS ENTERED ON NORTH HIGHWAY

BOISE, Aug. 19 (AP)—The low bid of \$81,724 for construction of a four mile, 12 mile in length on the North and South Idaho highway from Moscow south in Latah county was submitted to the state department of public works late yesterday by The Triangle Construction company of Boise.

Other low bidders were D. A. Bulfinch company, Verity, Wash., \$81,500; Dan J. Cavanaugh, Twin Falls, \$87,000.

New Blazes Hit Southwest Idaho

BOISE, Aug. 19 (AP)—Three new blazes and grass fires of undetermined extent broke out in southwestern Idaho and eastern Oregon today as weary fire fighters controlled two earlier blazes that burned over 30,000 acres of timber and grazing land.

The new fires were located: Four miles west of Fruitland, three miles southwest of Homedale and 15 miles west of Weiser.

Blazes placed under control were a 20,000-acre brush fire in Owyhee county and a 2,000-acre timber fire on Big creek, 112 miles northeast of McCall.

DENTIST

JAHNHEIM, Aug. 19 (Special)—And all the time we thought children were dragged to the dentist's.

Not an O'Neil Urdahl, diminutive resident of Jahneim.

The Nevada state dentist will visit the camp review and examine 43 children's teeth and make the necessary fillings and extractions.

Not interested was Carol in learning about dentistry, that she did not want for her mother to keep her appointment. "I'm taking her 15-month-old sister, Patsy, in the hand, went over to the truck in the morning, had her teeth examined and filled, and Patsy's pronounced okay."

Dr. Quentin McCall, assisted by his wife, is in charge of the unit.
