

## SUN VALLEY SETS SHOOT MATCHES

SUN VALLEY, Aug. 30 (Special).—The Sun Valley sports department has announced a program for late summer and early fall which includes weekly shooting matches every Sunday open to all amateur marksmen of Idaho. The events will include competitions in pistol, rifle, trap and skeet.

The first match will be eliminated this coming Sunday, Sept. 3, because of the Pacific International eastern zone handicap shoot scheduled for Pocatello Saturday, Sunday and Monday. However, there will be a pistol match open to revolvers of all calibers Sunday afternoon at 2 p. m.

## CHEST WILL PICK CAMPAIGN CHIEF

Drive chairman will be named and a campaign will be mounted for the October drive of the Twin Falls Community Chest at a meeting set for today at 7:30 p. m. "Shirley" the city hall, it was announced by Ralph Pike, president.

Members of the board of directors will attend the session which will be short, permitting those who wish to attend the baseball game between Twin Falls and Ogden to do so.

The drive chairman each year is named by the president of the organization, subject to approval of the board of directors.

Other business for tonight will probably include appointment of the budget committee and setting of drive dates, probably for the second week in October.

**The Public Forum**  
PARKING METER OFFER FROM CALIFORNIA MAN  
Editor, Evening Times:  
Enclosed you will find copy of the airmail letter I dispatched today to the mayor of Twin Falls.

A. J. ANDERSON.  
Los Angeles, Calif.  
Aug. 29. (COPY)  
Mayor Joe Koehler  
City Hall  
Twin Falls, Idaho.  
Dear Sir:  
I understand that your city is planning on installing parking meters, but the task is both favorable and unfavorable.

May I submit a plan for a trial of parking meters to your city where the city council, motorists and merchants can see what the installation of parking meters will actually do without one cost to the city and the city will receive the greater portion of all revenue from the meters during the trial period.

All material, help, etc., will be purchased and employed in Twin Falls for this trial and the city finance director will handle all revenue from the meters at all times. I will install 100 or more meters, operate, maintain, service and all the city will have to do is to police the parking area to enforce parking regulations during trial period.

If interested in a plan that will benefit the city financially during the trial period and at the same time satisfy the motorists and merchants, I am sure I can handle the situation for you without the city spending one penny for this service. Then, after the trial period and it is decided that the city merchants and motorists want parking meters, I will bid along with all companies for the business.

Trusting you will give this some real thought and give me an early reply.  
Yours very truly,  
A. J. ANDERSON.

## Every Auto Its Own Showcase by 1945— Plastic Bodies in Sight for Future Cars

BY R. C. SACKETT  
(NEA Correspondent)  
DETROIT—Plastic safety glass in the automobile of 1940 points the way to all plastic body construction by 1945 as the newest development of automotive engineering.

If the development continues—and Detroit gives evidence that it will—your '45 model may be a transparent, rear-driven number with all moving parts, including the door, visible from the outside. Plastic bodies may be either opaque or transparent.

Without telling anybody about it, Henry Ford probably will start putting plastic trunk doors and plastic hoods on his cars before long. The experimental work has been finished.

There is a German-made car in New York with the entire body of plastic material. The new low-priced German car that Hitler has been talking about will have a plastic body, much cheaper than steel.

**Transparent Car**  
At the World's fair in New York, Fisher Body has a car on display with a complete transparent plastic body. Fenders, hood, radiator, doors, and all sheet metal in the body are transparent. The car is as strong as a steel-bodied car and can be driven.

Briggs Body in Detroit has a car with a plastic transparent roof in place of the solid steel roof. Plastics can be bent and shaped as well as steel. When they find out how to harden the surface they will make windshields and windows of plastics. Again it will be lighter and cheaper. Also, it can be curved and bent in a way that cannot be done with glass.

That would make possible a V-type windshield without a center post.

Plate glass companies already are coming part way to meet the competition of plastics with their new plastic safety glass that will be used this year. This glass will bend and not break if hit hard.

**Better Gas in Prospect**  
Another new development will be in motor fuels. At least one national-wide chain of filling stations already is set up to handle a 90 octane gasoline within the next 18 months.

Oil company engineers are working with car engineers toward engines designed for 110 octane rating gasoline. The new fuel, developed in its cooperation with the oil engineers. It is expected here, by 1945.

The thing is practically on schedule. Three years from now filling stations may handle nothing but 100 and 110 octane gasoline. The present car engines will use the new fuel satisfactorily, but the new engines will have much higher economy and efficiency. Those 1943 engines will get 35 miles per gallon of gas.

That engine will be much smaller, lighter, with higher compression.

The first step toward transparent automobiles: Plastic top turned out by Detroit motor manufacturer.

They will have to go back to the cadmium breathers of four or five years ago. Oil company engineers now are running exhaustive tests with the new 110 octane fuel, and with engines equipped with the new bearings that are necessary to withstand the extra force and pounding exerted by the new gas.

**Lighter Engines**  
These lighter and smaller engines of possibly three years hence are what it will take to make the rear-engine car practicable. So, give the car manufacturers an additional two years after the introduction of the smaller engine and the new fuel to perfect the first rear-engine light-scale production car. That should be about 1945.

To get closer home and the 1940 cars. Many cars will have the new plastic safety glass.

Biggest innovation will be the new sealed headlamps, which the industry has gone for 100 per cent. G. E. developed it in cooperation with the car engineers. They have been working on it over three years.

With the G. E. lamp the reflector and lens are sealed tight and form the lamp bulb in which a vacuum is created and in which the filament is placed. There is no other bulb. Other lamp manufacturers will use a regular bulb, but their reflectors and lenses will be sealed tight. All units of all different makes will be the same size and interchangeable. Dealers and service stations will carry only one size.

**Shock Treatment**  
CANTERBURY, Australia (U.P.)—The federal director of mental hygiene has announced that 46 per cent of the patients in government mental homes who have been treated with the new insulin-cardiac shock treatment have recovered full mental health. The treatment was carried out on 202 patients of whom 92 were restored mentally.

**Bellevue School**  
BELLEVUE, Aug. 30 (Special).—G. E. Sullivan announces the following teachers for school district 4: Bellevue of the 1939-40 school year, which starts Tuesday, Sept. 5: Glenn E. Davidson, superintendent; Malvern Wheeler, Lonta Akers, Harry Warr, grade principal; Ruth Campbell, Ethel Browning and Agnes Bransley.

**Boys Sheep Flock**  
SHOSHONE, Aug. 30 (Special).—Major part of a sheep flock of 3,000 of J. W. Robinson, Bellevue, was bought by Joe Arkovich, Gooding, at a price of \$22.00 or \$11 a head, including 60 fat bucks, forest reserve grazing, dogs, camps and accessories.

**Board Accepts School Bus Bid**  
SHOSHONE, Aug. 30 (Special).—Under a new arrangement pupils attending school under the consolidation plan in Shoshone, will be transported to local schools under contract between independent school district No. 12 of Lincoln and Jerome counties and the Kelly Motor company, Shoshone, over a period of three years.

A short time ago a contract was given the Kelly motor concern for transportation, but it was found that bids for the transportation had not been advertised, and both parties cancelled the agreement.

Following the opening of bids Aug. 25 at a meeting of the school board, the contract was regularly awarded the Kelly company, whose bid was 15 cents per mile. Three other bids were offered, one by G. Driscoll at 13 cents, one by Clayton Pugh at 15 cents, and one by J. P. Christensen at 16 cents.

It was conceded if at the end of one year the arrangement was not satisfactory, the contract could be abrogated by mutual agreement. Other stipulations were considered by the board as favoring its award on the bid.

District is to provide the bodies for the buses, one of which was purchased from E. G. Driscoll at an agreed price of \$1350. The motor company is to provide the chassis, furnish drivers and upkeep. About four are regularly used in the transportation.

**HAZELTON**  
Rudy Toehner and family have moved into the house recently vacated by the Earl Anderson family, who have moved to Butler.

Mr. and Mrs. A. E. Finkelburg and son, Oscar, left Friday for Thompson Falls, Mont., where they will visit Mr. Finkelburg's mother and their son, Robert. They will be accompanied home by their son, Douglas, who has been vacationing in Montana.

Work has begun on a new lighting system for the village.

Mr. and Mrs. Art Balch and son, Junior, gave a farewell party Saturday honoring Dora Worthington, Portland, Ore.

Mrs. James Vale and daughter, Mrs. Mary Taylor, returned Friday from Ely, Nev.

Mrs. Wayne Sorenson, Salt Lake City, is visiting her parents, Mr. and Mrs. Christopher.

Mr. and Mrs. Leon Beard, Parsons, Kan., are guests of the Oliver Clough family.

## BOARD ACCEPTS SCHOOL BUS BID

## MEN didn't please WOMEN

WITH THE BREADS THEY CREATED  
—so housewives helped us develop this tender new loaf

**ABOVE.** To men, bread-making is a business. Usual store loaves are baked to men's chemical formulas—judged by men's technical methods. Such commercial breads seem much alike to women. Not bad—just very uninteresting.

**RIGHT.** To women, bread is food. And all foods, women think, must have taste—winning flavor—first of all! So housewives set to work with home economists to develop a "better-eating" bread. Now you can taste how they succeeded.

**Already thousands of families here will eat no other kind!**

By Julia Lee Wright  
Head of one of the world's largest Home Economics Bureaus

In hundreds of homes here—I know for a fact—this new bread has been quickly accepted as the favorite family loaf.

These are the reasons why. It's made from a woman's recipe. It's different from man-made commercial loaves.

To win women's approval, in months of testing, this new bread had to taste better—and make more delicious toast.

It had to be baked with ingredients of the quality you insist on in your own kitchen pantry. (And that's just how it is baked!)

And now "woman's recipe" bread is on the market, we insist it reach you at its peak of freshness. A special Date Band on each loaf assures that. Will you try my new bread today?

# POLAN CALLS MEN UP TO 40 YEARS OF AGE TO COLOR

## HORSES, WAGONS, CARS, BICYCLES WILL BE TAKEN

By EDWARD W. BEATTIE, JR.  
WARSAW, Poland, Aug. 30 (Special)—Poland decided today to call to the colors all trained reserves and specialists in most sections up to the age of 40, and in certain other sections those somewhat younger.

Warriors were displayed in the streets and the radio simultaneously announced the step. The measure will be somewhat short of complete mobilization.

Previous to the new order, the army was estimated at nearly 1,800,000 men, with the five classes called to the colors individually last night. It was estimated that the age of the new call will be 35 instead of 40 in many districts so that an army cannot gauge the army's strength accurately.

Ready for Government  
Simultaneously the government ordered all horses and wagons not engaged in harvesting, as well as all automobiles, motorcycles and bicycles placed at the disposition of the government within seven days. A government commission will decide what will be requisitioned and will reimburse owners for the loss.

France and Britain were reported to have sent a joint military mission to Warsaw.

Mal. Gen. Adrian Carton de Wiart of Britain, who has lived in Poland many years, and Gen. Francis de Piatek, former head of the Polish military school, head the mission and several officers and members of it have arrived at the Polish capital, the reports said.

## Germany Mobilized

A spokesman at the foreign office said the government had learned that German mobilization now was complete and that German troops in Slovakia were ready to march against Poland.

The government was ready to declare general mobilization at the moment the situation became critical. It was announced officially that three bands of saboteurs had been captured, two in Silesia and one in Lodz, with a total of five suitcase full of time bombs. The bands were affiliated, with a central office in Berlin, Germany, and all members were Germans, it was said.

Some had become Polish citizens, the communique said.

## DRIVER FINED ON DRINKING COUNT

SHOSHONE, Aug. 30 (Special)—Early Sunday morning a collision of cars occurred on highway 25, within the village limits. At 2:40 p. m. according to testimony offered by Marshal Ben E. Weeks, arresting officer.

Both cars were badly smashed and turned across the thoroughfare. No one was injured, but it developed that Woodrow W. Davis, Jerome, was held on a charge of driving while under the influence of intoxicating liquor.

In the other car were J. W. Smith and son, Twin Falls, and Mr. and Mrs. Seymour Hill, Jerome, on their way to Salmon. Davis was returning from Kelowna country and was southbound when the crash occurred.

Arrested before Judge Howard Adams of the probable court Monday morning, Davis elected to proceed without an attorney. He questioned the statement made by the marshal as to the position of his car after the accident, but the officer produced the record in evidence and offered other items sustaining the argument.

Davis entered a plea of guilty to charge of drunken driving, stating it is his first and last offense. The court explained the law and its requirements and assessed him \$100 fine and 30 days in jail, with a commitment of 10 days in jail. His driver's license was suspended for 30 days. Davis was committed to the custody of Sheriff George B. Brown.

## HEYBURN

Mr. and Mrs. Anne Gill, Tuli, Calif., visited Mr. and Mrs. J. A. Hinnly last week. Dean Gifford left last week for Nevada where he will teach this year.

Mr. and Mrs. Dick Heivens arrived last week from Devil Bluff, Utah. Mr. Heivens will teach in the high school this year.

Mr. and Mrs. J. M. Whitman and family visited several days last week in Salt Lake City.

Mrs. Floyd Burchett, Nampa, visited relatives here last week.

Mr. and Mrs. Agnes Jensen, Payette, and Mrs. Christina Peterson, Salt Lake City, were week-end guests at the home of Ida Croft.

Mrs. George Morrison and family were motored to Puente with her aunt, Mrs. Lillian Dunn, Acapulco, to attend a relationship dinner at Aberdeen in honor of Mrs. Emma Pratt, Salt Lake City, on her 82nd birthday.

Mr. and Mrs. M. O. Clements and June Platt, Idaho, spent the week-end at the home of Mr. and Mrs. Orville Rasmussen.

Skunk  
IMPERIAL, Calif., Aug. 30—Allen R. Truman drove as fast as he could without breaking traffic regulations to get out of a skunk trail into which he had driven. When he finally reached home, however, he still found himself in the midst of the trail. Investigation revealed the skunk trail in the rear bumper of his car.

## Feature at County Fair

When the two persons pictured above "get going" at the Twin Falls county fair on Sept. 5, 6, 7, 8 and 9 the following of "barred golf" will learn how it's done by experts. The two are Guy Zimmerman (left) and Tom Alworth. Zimmerman was Iowa state horse shoe pitching champion from 1934 to 1938, both years inclusive, while his wife was the women's open champion in 1933. Both come to the fair from Salt City, Ia., and will appear daily in free programs.

## Toll Costs Reduced During County Fair

Reduced tolls over the Twin Falls-Jerome intercounty bridge, for residents of the north side wishing to attend the Twin Falls county fair at Filer, will be in effect the last four days of the celebration. It was announced here this afternoon by fair officials.

The announcement was made after receipt of word from Bruce C. Shortt, Seattle, president of the bridge company, to the effect this practice would be followed.

Mr. Shortt wrote Tom Parks, secretary-manager of the fair, that the following rate schedule for north side residents wishing to attend the Filer fair would prevail:

50 Cents Straight  
Between noon and midnight on Wednesday, Thursday, Friday, Sept. 6, 7 and 8, and between 8 a. m. and midnight on Saturday, Sept. 9, tickets will be sold at southbound traffic for 50 cents and will be good for one round trip of a private passenger vehicle without regard to the number of passengers.

The request that the rate be reduced during the course of the fair was made by Mr. Parks on behalf of members of the fair board.

Although the fair opens Sept. 5, there will be no gate admission that day. Bridge fees, likewise, will not be reduced on the first day.

In writing Mr. Parks that the bridge company had granted the requested toll reductions, Mr. Shortt said:

"I hope this year's fair and rodeo will be an outstanding success, and that the reduced toll rates will have the effect of materially increasing your attendance." At the fair, one of the features

## WARNING HITS AT IMMATURE SPUDS

BOISE, Aug. 30 (Special)—Don't ship immature potatoes and jeopardize your market.

That was the urgent advice today of F. N. Pettigrove, agricultural commissioner, to Russett potato growers and dealers.

"I hope producers and dealers," he said, "won't jeopardize their markets by making the same mistakes that were made in southwestern Idaho when immature potatoes shipped early broke eastern markets and pushed Idaho prices down."

Idaho early Triumph potatoes, Pettigrove pointed out, were shipped into eastern markets before they were mature. While the price was strong when shipments began, it broke sharply when the first cars were unloaded in bad condition, and it was only through the dealers' self-imposed shipping holiday and being regulations and the prompt work of the Idaho advertising committee that the Idaho market was stabilized by the time the bulk of the crop was shipped.

Dealers, generally, say that it is impossible to estimate how much the shipments of immature potatoes cost early Triumph growers, and they are agreed that withholding the crop until it was ready for market would have prevented the sudden market break and following depressed price period.

The Russett shipments which are starting already can face the same sort of market conditions as growers and dealers experienced in the early Triumph season, Pettigrove stated.

"Since Russett potatoes are the bulk of our crop, and since shipments will be going out until next spring, it is doubly important that the effort of the whole industry, dealers and growers will withhold shipments until the crop is mature and fully ready to leave," he said.

## 2 DIRECT PLANS FOR DEMO MEET

Chairmen of two committees to host state convention attendance by the Young Democratic club of Twin Falls county had been named today following a rally session of the Bourbon group last night at probate court.

Tom Alworth, Filer, was chosen as chairman in charge of ticket and representation. Mrs. Virginia Lawrence Mooney, Coeur d'Alene, now visiting in Twin Falls, was selected as transportation committee chairman.

The state convention of the Young Democrats of Idaho will be held at the county fair grounds at Filer and will be in the nature of a rally rather than a formal convocation. The result county groups will have no voting delegations but will send as many of their general membership as possible.

Thomas M. Robertson, jr., president of the Twin Falls county association, presided last night. He indicated that at least 100 Democrats from this area will attend and probably more.

The Bourbons did not take action on the resolution sent to Mr. Robertson by the Ada county Young Democratic club, opposing "straw" ballot at Sun Valley regarding 1940 possibilities for governor.

## BELLEVUE PLANS HOLIDAY OUTING

BELLEVUE, Aug. 30 (Special)—Bellevue's annual Labor Day picnic will be better than ever, according to Chairman David Davis, who stated that the committee met last week to make final plans for the traditional event.

Following committee was appointed, and is expected to have a report ready on the resolution sent to Mr. Robertson by the Ada county Young Democratic club, opposing "straw" ballot at Sun Valley regarding 1940 possibilities for governor.

General chairman, David Davis; literary, Mrs. Geraldine Davis; sports, Dr. Harold Dresser, Sidney Drager; barbeque, R. E. Buchanan and Robert Buchanan; dance, Lester Larson, Earl Fagan, Jack Davis.

Coffee, Extra Carr and Carl Hurst; tickets, H. J. Martin and Del Sims; park, N. G. Werry, A. Griffin and William Hudson; advertising, Conroy Gillespie and N. G. Werry.

Dance, Leuchford, Mabel Saunders, Agnes Beardsley, Ruth Campbell, Rene Larsen and Beatrice Schaub; speaker, I. E. Rockwell; solicitor, George Campbell and Paul Jones.

## WENDELL

Mr. and Mrs. Sherman Schwinn, Ogden, Utah, returned to their home Thursday after visiting his parents, Mr. and Mrs. Charles Schwinn and family.

Mr. W. L. Baker and sons left Thursday for Bentonville, Ark., to make their home. Mr. Baker will join them in a few weeks.

Mrs. Chester Minton, Mrs. C. P. McCrae, Mrs. Fred Eaton, Mrs. Fred Hastings, Mrs. Olson, and Mrs. H. J. Barton were hostesses Thursday at the luncheon at the Methodist church. Following the luncheon, regular business meeting of the Ladies Aid society was held.

Mr. and Mrs. Charles Hiney and niece, Berkeley, Calif., Mr. and Mrs. Ben Elder, Twin Falls, and Mr. and Mrs. Gove Hoskins and family were guests Thursday of Mr. and Mrs. Clint Minton, Mr. and Mrs. Hiney, cousins of Mrs. Hoskins, were en route to Yellowstone national park.

A daughter was born to Mr. and Mrs. C. M. Carpenter Aug. 22, at St. Valentine's hospital.

Mr. and Mrs. Darrell Anderson returned Thursday from Salem, Ore., where they visited Mr. Anderson's sister, Mrs. Ben Guernsey and family.

World production of grapefruit has increased greatly since 1925. It is expected that the crop for the 1938-39 season will total 35,000,000 boxes.

Butley fire department, called by Evelyn Hebert, was handicapped by lack of water, which had to be carried to barrels on a truck from a well three-quarters of a mile away.

In an effort to prevent further destruction, Watermaster Bradley turned all available water down the well and in the water did not reach the high place until eight hours after the fire started.

BELFAST, ME., Aug. 30—What's in a name? Dr. Hazel V. Bird said feeds about 300 doves. Last year her grain bill totaled about \$75. She also lends sick and injured doves and other birds brought to her by neighbors.

## WALCOTT SHOWS WATER INCREASE

Lake Walcott, alone of three principal reservoirs supplying water to this section of the country, showed a gain in amount of water impounded during the last week, report released this afternoon by Lynn Grandall, watermaster, shows.

The report, as received by the Twin Falls Canal company, shows Lake Walcott is now impounding 91,000 acre feet of water against 94,400 a week ago.

Jack-go lake and American falls reservoir continued to show declines. At Jackson lake the amount of stored water went from 467,860 a week ago to 414,500 today while at the American falls reservoir a total of 463,320 acre feet is now impounded against 449,120 last week.

Ample carryover is anticipated for next year.

## Milo C. Sawyer Weds Popular Montana Girl at Church Rite

Complete details of the marriage of Milo Cameron Sawyer, Twin Falls, and Miss Winifred Batten Pease, Glasgow, Mont., have been learned with interest by friends here. The marriage took place Tuesday evening, Aug. 22, at Glasgow. The bride is the daughter of Mr. and Mrs. E. B. Pease, Glasgow, and the bridegroom is the son of Mrs. E. J. Malone, Twin Falls, and Dr. H. W. Sawyer, Fallon, Nev.

The ceremony was performed at the Glasgow Baptist church at 8 o'clock, Rev. George F. Barton, Great Falls, for many years a friend of both the bride and the bridegroom, officiating, assisted by Rev. A. Delbert Bruce, pastor of the Glasgow church.

**White Bridal Attire**  
The bride, who was given in marriage by her father, wore her mother's wedding dress of silk crepe and Chantilly lace and carried a white Bible covered with garlands, having a marker of white sweet peas and gypsophylla.

Her long veil was of white net, lace-trimmed, and fell from a coronet of pearls. Train bearer was Barbara Bruce, daughter of Rev. and Mrs. Bruce, who was frocked in orchid organza.

Miss Jeanette Pease, maid of honor, wore a rose taffeta formal with blue velvet trimming and carried a nosegay of pink roses and blue delphinium.

Miss Ad Miriam Pease and Miss Priscilla Pease, Glasgow, wore formal of aqua net and Miss Elizabeth Pease, Fallon, Nev., wore a pink and blue net formal. Sharon Lee Linn, dressed in pink crepe trimmed in lace, carried the two rings for the double ring ceremony on a pink satin pillow trimmed with lace.

Nadine and Ardine Snyder, scattering blue organza dresses, scattered flower petals from white baskets in the path of the bride.

H. W. Sawyer, Jr., St. Louis, was best man and ushers were John Murry and Philip Smith, Glasgow, and Mr. Hartley.

An elaborate program of nuptial music was presented preceding the ceremony. Lighted tapers, gleaming in tall candlesticks against a background of dark green foliage, flanked by baskets of gladioli, were the feature of the altar.

A reception in the church parlors followed. Mrs. C. H. Roberts presided at the table where fruit and refreshments were served. Mrs. George F. Barton, Great Falls, Mont., and Mrs. Sawyer left for a short bride trip but have now returned to Glasgow to complete a visit before going to Rochester, N. Y., where Mrs. Sawyer will attend Colgate-Rochester theological seminary.

**Lifeline Graduates**  
Mrs. Sawyer was graduated from Glasgow high school and Mr. Sawyer from Twin Falls high school. Both were graduated from Lifeline college, McMinnville, Ore., where Mrs. Sawyer was a member of Phi Delta Mu, social sorority.

Mr. Sawyer has attended the University of Idaho, where he was a member of Alpha Alpha Epsilon, national social fraternity. At Lifeline college, he was a member of Phi Delta Mu, national fraternal fraternity, and Phi Kappa Delta, national fraternal fraternity.

Mrs. Sawyer taught in the high school at Shaville, Mont., the past year.

**BRIDE-ELECT AND FIANCÉ GIVEN SHOWER**  
Miss Betty Hadden, daughter of Mr. and Mrs. Henry Rayburn, Twin Falls, and her fiancé, Mr. Gerald Henderson, son of Mr. Paul Worcester, Marsing, were honored at a pre-nuptial shower Monday at the Worcester home in Marsing. Mrs. Henderson stopped at Marsing en route home from Nampa where she attended the annual intermountain camp meeting of the Church of the Nazarene. She arrived here late Monday evening.

Seventy friends were present at the shower, which was arranged out-of-doors. Following the presentation of the gifts, games were played, and an impromptu play, giving advice to the bride-elect and her fiancé, concluded the festivities.

The couple will be married Sunday, Sept. 3, at 12:30 o'clock at the local church of the Nazarene and will leave soon afterward for Ogden, Utah, where Rev. Worcester has accepted the pastorship of the church of the Nazarene.

**KIMBERLY GIRANGA, MAKES PLANS FOR FAIR**  
Kimberly Giranga, member of the Monday evening at the home of Mr. and Mrs. Fred Jones, has completed plans for the Twin Falls county fair at Piler.

Mrs. Roy Haywardland was in charge of the program which included songs by the group, readings by Mrs. Carl Jones, and guessing game.

Roll call responses were the relation of interesting vacation experiences.

Mr. and Mrs. Frank Herr, Mr. and Mrs. Haywardland, Mrs. Guy Jones and A. M. Scott served refreshments.

The next meeting will be held at the home of Mrs. Carrie Jones.

## Miss McAtee Is Party Honoree

Miss Margaret McAtee, who will return next week to Ogden, Utah, where she is a member of one of the grade school faculties, was honor guest at a luncheon of short appointments this afternoon at the home of Mrs. A. C. Victor. The event was arranged by her mother, Mrs. P. F. McAtee.

Bridge was played later at the McAtee home, 303 Seventh avenue east. A floral theme of decoration was featured both at the luncheon and at the McAtee home, pastel blooms predominating in the arrangement.

Mrs. Frank Hunt, Boise, who is visiting relatives here; Mrs. Anna Goshorn, who will also return next week to a teaching position in Ogden; Mrs. Wilma Keel, who is here from Salt Lake City for a vacation visit; and Miss Edith Blatter, Hazelton, were among the guests.

Twenty-four friends of Miss McAtee were bidden to the charming court.

**MON-CON CLUB**  
**"GOOD JINKS" FOR TEAM**  
Taking credit today for breaking the losing streak of the Cowboys, were members of the Mon-Con club and their husbands, who attended last night's games with Ogden at Jaycee field.

The group assembled at the home of Mr. and Mrs. Harold Hoover prior to going to the double-header in a body. Later refreshments were served at a local cafe.

Mrs. Hoover will be hostess to the club at the next meeting Sept. 11.

**DEADLINE NEARS**  
**IN WRITERS' CONTEST**  
Manuscripts have been coming in from all over the state of Idaho for competition in the second annual Idaho writers' contest, sponsored by the League of Western Writers, but no entries will be eligible if postmarked after midnight, Aug. 31, when the contest closes.

The Verse Weavers of Portland will judge the poetry entries; the Blue Quill club of Ogden, Utah, the poetry entries; and the University of Oregon school of journalism has been invited to judge the articles.

Poetry entries are being received by Mrs. John W. Graham, 201 Tenth avenue north, and Mrs. Elinor Allen, 1220 Hays street, Boise.

**KIMBERLY FAIR**  
**"MARKS AT MAKE"**  
Miss Evelyn D. Hiltcher, Kimberly, became the bride of Roy D. Albright, also of Kimberly, at a 9 o'clock ceremony last evening at the Presbyterian annex here, Rev. O. L. Clark officiating.

Miss Alice Slaght and Adrian Slaght, attended the couple, who will live in Kimberly.

## Bride Visits

With her husband, Nick Wagner, Mrs. Wagner is visiting this week at the home of Mr. and Mrs. Joe Wagner, parents of Mr. Wagner, 1008 Sixth avenue east. Mrs. Wagner was Miss Flora Mahalan, Berkeley, Calif., before her marriage last Saturday at San Francisco. Their wedding trip itinerary also includes San Valley, famed Idaho resort.

## Shower Honors Autumn Bride

Complimenting Miss Marie Haasch, whose marriage to Glen M. Whittles, Spokane, Wash., will take place in Twin Falls early next month, Miss Barbara Thompson and Miss Janet Felt entertained at a charmingly arranged miscellaneous shower this afternoon at the home of Miss Thompson, 210 Seventh avenue east.

Mrs. F. E. Haasch, mother of the bride-elect, was among the guests. Miss Haasch received a number of lovely gifts for her new home.

Contract bridge diverted the guests during the afternoon. Single roses in bud vases centered the refreshment tables, and room trims were early autumn bouquets.

Both Miss Haasch and her fiancé are graduates of the University of Idaho. Miss Haasch was affiliated with Alpha Chi Omega sorority, was prominent in Spur, Cardinal Key, Mortar Board honoraries, and student activities.

Following her graduation, she received her master's degree from the University of Iowa where she studied on a scholarship.

Mr. Whittles, a member of Sigma Nu fraternity, directed the U. of I. pep band; was a member of Blue Key and Silver Lancer, and also directed his own private dance band.

## Television Type

As camera sees it, this makeup makes Jean O'Donnell look more like a circus clown than the attractive girl she is. Not so, however, as television receiver sees it. Color contrast, pronounced lines are necessary to make Jean transmit prettily. Max Factor, Hollywood makeup expert, says Jean has "perfect television face."

## Catholics Form Junior League

Organization of the Catholic Junior League, established to sponsor greater sociability among the younger members of St. Edward's parish, took place Monday evening at the rectory.

Father H. E. Heitman is sponsor of the league. The membership will be limited to 12 younger parishioners between the ages of 18 and 30.

Ronald "Skip" Towan is president of the new group, and Joe Andriani is secretary.

The league will sponsor four major activities during the year, and probably one social meeting a month. League meetings will be held the second and fourth Mondays.

**MILLER-ADAMS MARRIAGE ANNOUNCED**  
Mrs. Mary Miller, Burley, announces the marriage of her son, Rudolph C. Miller, to Miss Darlene Adams, Portland, Ore., at Farmington, Utah.

Mr. and Mrs. Miller will live in Twin Falls where the bridegroom is employed. Mr. Miller received an honorable discharge from the United States Army Monday of this week.

## Ruth Bevis to Wed in Oregon

BURLEY, Aug. 30 (Special)—Announcement has been made of the engagement of Miss Ruth Bevis, daughter of Mrs. May Bevis, Portland, Ore., to Myrl Stearns, son of Mr. and Mrs. H. M. Stearns, Moscow.

For the past year Miss Bevis has been employed as reporter for the Burley Herald. She will leave Sept. 2 for Portland. The marriage will take place Sept. 30.

Miss Bevis is a graduate of the University of Idaho, Moscow, with the class of 1938. She was a member of Theta Sigma, journalism honorary for women.

Following graduation from the University of Idaho, Moscow, in 1937, Mr. Stearns took two years' graduate study at Stanford University, California, in radio engineering. He is a member of Sigma Xi, national scientific honorary, and Sigma Tau, engineering honorary.

They will make their home at Los Angeles, where Mr. Stearns is employed in the television laboratory of the Griffith Radio company.

# NAZI LEADERS FAVOR MONARCHS' MEDIATION OFFER

## GERMANY AWAITS BRITISH DECISION ON LAST ANSWER

By FREDERICK C. OCHSNER  
BERLIN, Aug. 30 (Special)—Information was made available to the foreign press today that "well informed" sources state that the offer of mediation in the Polish dispute, by King Leopold and Queen Wilhelmina was received very favorably in German political circles.

"Information is customarily made available to the foreign press in such circumstances by inspired Nazi sources under official guidance." The informant said.

"Efforts by the sovereigns to preserve peace and the consciousness of responsibility for Europe which these efforts reveal are appreciated."

"Same Direction"

"An exchange of views which is not taking place between Germany and Britain, however, is emphasized in the same direction as the above mentioned efforts and that Germany had taken an initiative whose conclusion now depends on the decision in London, which must be awaited."

It had been disclosed yesterday that Queen Wilhelmina of Holland and King Leopold of Belgium had communicated to Great Britain, Germany, France, Poland and Italy an offer of their good offices to aid in a settlement of the Polish dispute.

Willing to Cooperate

Britain, France and Poland had indicated their appreciation of the offer and their willingness to cooperate.

Voelkischer Beobachter, official Nazi party organ, had said today, in a special editorial, that the offer was reasonable and generous, and also that the Führer was not one of the usual party agreements about "non-aggression" but that Germany and Russia had common interests in the Polish situation.

## BIG FRENCH SHIP KEPT IN AMERICA

NEW YORK, Aug. 30 (Special)—The French liner today ordered the Normandie, largest ship afloat, to stay here until further notice.

She was moored near the Bremen, Germany's largest and finest merchant ship, which federal authorities were holding in port for an other search for arms and contraband.

Orders to hold the Normandie came from Paris to the French line offices here. There was no explanation. She had been scheduled to sail for Europe today but had been searched by customs officers, in accordance with a new policy announced yesterday by President Roosevelt for inspecting ships of all foreign nations that might become belligerents, and it had been expected she would not sail before this evening. Of 33,000 tons, she would be a magnificent prize for a sea raider.

German operators protested angrily against the Bremen's detention and coast guard boats moved alongside to see she did not slip away without clearance papers.

Capt. William Drechsel, superintendent of North German Lloyd, said the ship was being held because of the prolonged search and inspections were "outrageous, unfriendly and" and he had asked the German embassy in Washington to protest to the state department.

OLD MAIL TRAIL LACKS MARKINGS

SAIT LAKE CITY, Utah (Special)—Aid of the department of interior in preserving for posterity a record of the exploits of pony express riders who carried through the mail in 1860 and 1870 despite Indians and physical hardships has been requested by the Utah Pioneer Trails and Landmarks association.

Only 125 miles of the pony express trail in Utah, from Camp Floyd near Panguitch to the Nevada line remains unmarked, John D. Giles, executive secretary of the association, said, "and we have been unable to locate the exact route of the trail."

Proposed Plan

The plan proposed by the Utah historical organization is for the reorganization of three of the stone fortifications remaining on the unmarked trail, of desert trail, and for placing monuments with bronze plaques and inscriptions to protect the trail and the other unmarked stations along the route.

Best Preserved

Simpson Springs station, Giles said, is the best preserved of existing stations in Utah, although part of the present structure has been added since the station was built.

INSPECTION TOUR

BOISE, Aug. 30 (Special)—Rep. Henry Dourshakoff, D-Id., will make an inspection tour of Idaho forest roads and the civilian conservation corps program tomorrow.

## One-Man Credit System Was Early Idaho Banking Marvel

By GLENN BALCH  
BOISE, Aug. 30 (Special)—Not long after the influx of the gold miners, banking became a problem in Idaho. A heavy poke of gold dust in one pocket was not only a nuisance but often offered an actual hazard to life, particularly after the highwaymen began to operate. So the problem of a safe deposit was one the miners gave early attention.

First deposits were made in merchant's safe, crude box affairs that wouldn't long delay a good connoisseur. And such was the confidence in the honesty of the merchant that the dust was deposited in sacks, with no other item of bookkeeping than the owner's name scribbled across the inside.

When Idaho City burned one merchant had a hundred pounds of gold in such unprotected sacks in his safe.

Needed Credit

But that a depository was not enough. What was needed was some system of credit. Transportation of money or its substitute which in most instances was gold, from place to place, was in those days a costly hazardous business. On the other hand, credit could be transferred from place to place with comparative ease and safety—provided a credit system existed.

# COWBOYS, REDS END SERIES HERE TONIGHT

## Wranglers Near First as Teams Split Twin Bill

Manager Charley Wry and his Twin Falls Cowboys make their final appearance of the current home stand at Jaycee park tonight as they take on the Ogden Reds in the last and deciding tilt of the three game series. The game is set for 8 p. m.

Last night the Wranglers and Reds split even in a double bill played before 1,700 persons, with Cowboys taking the first game 7-6, and dropping the second by an 8-3 count.

After tonight's game the Cowboys leave for Lewiston where they will take on the Indians in five games, including a double-header on Labor day.

John Stefan, the southpaw, will be on the mound for the Twin Falls club tonight. Manager Bill McCarty will probably start Dave Lucas.

Last night Manager Wry took the mound himself in the first game of the double bill and hurled his club to a win—breaking losing streak which reached four games for the team and two for himself.

However, he was clubbed for 10 hits—the same number for the Twin Falls team—and got out of several tight pinches by sensational plays. Fielding, rather than hitting, helped the Wranglers to a win.

Reynolds made one of the most sensational plays of the season when he raced back to the plate to catch a fly ball, and then made the long throw to Steve Bogdanoff at first on a ball hit by "High Sockets" Costello.

Ogden Recovered. The nightcap was a different story. Ogden poured out 12 hits in seven frames for eight runs off two Twin Falls twirlers, while Lawson held the Cowboys to three runs on six hits.

Pocattello lost a 7 to 3 decision to the Pilots. Both teams got seven hits, but four of Boie's runs came on circuit clouts. Manager Tom Boie's first home run of the season failed to daunt Herb Anderson, Boie's moundman who held the Cards scoreless after the third.

Pleasovich Wins. At Lewiston, the Salt Lake Bees opened the series with a 9 to 3 victory over the Indians. Paul Fiechich over the Redmen 11 hits, but a four-run rally in the seventh gave the Bees the game. Three Lewiston hurlers limited the Bees to 10 base hits.

The series will continue Wednesday in Boise. Twin Falls and Lewiston.

BOISE 7, POCATELLO 3. Pocattello's first home run of the season was a 2 to 1 victory over the Wranglers. The game was a 2 to 1 victory over the Wranglers. The game was a 2 to 1 victory over the Wranglers.

Ogden tied the score in the sixth when Roy Rosenlund walked and then Pete Hughes hit a line drive over the center fielder's batter's eye.

After a home run, Twin Falls came right back with two runs in the last of the same inning on two hits. Bill DeCarlo led off with a single and then Bishop singled again.

Reynolds was safe on an error and Ernie scored behind DeCarlo.

Wry weakened for a run in the seventh and then with Twin Falls holding a three-run lead going into the ninth, the Ogden runs got under way. Rosenlund singled, Hughes doubled with one down. Wry had a chance to double, but he fouled the ball.

At the last of the ninth, McPhail took over the mound duties for Costello. Parrell lined out to short and then Pleasovich walked. Bogdanoff got a single off Pleasovich and then Joe Nokes got his third walk of the game to fill the sacks.

DeCarlo then worked a walk to send in the winning run with only one man down.

Ernie Blinn played a great game, getting three runs, three hits, three stolen bases and two walks in his five trips to the plate. He also fielded flawlessly.

Second Tilt. The second tilt of the evening, a seven-inning affair, saw the Twin Falls club revert to the style of play they have employed in losing recent games—lots of errors.

George Parrell hit two home runs to account for all but one of the Cowboys runs. The Twin Falls team made only six hits off Lefty Lawson during the 10 to 12 for Ogden.

Bob Kinnaman, the former WAC star, started his first home game and looked good, but he was unlucky. In the fifth inning when the Reds scored five runs he was charged with giving up four hits but three of these were infield scratches and the only really solid blow was a triple by Al Plek. Plek, incidentally, got four safeties in four trips to the plate.

Parrell was the only Twin Falls player to get more than one hit. The other run came in the first inning when Pleasovich doubled and Bogdanoff doubled after Pleasovich's home run, but Nokes struck out to end the frame.

Wry's only Twin Falls player to get more than one hit. The other run came in the first inning when Pleasovich doubled and Bogdanoff doubled after Pleasovich's home run, but Nokes struck out to end the frame.

Wry's only Twin Falls player to get more than one hit. The other run came in the first inning when Pleasovich doubled and Bogdanoff doubled after Pleasovich's home run, but Nokes struck out to end the frame.

SPORT SPOOLS by Hal Wood

### SUGGESTION ON GETTING TENNIS COURTS

Maybe we've mentioned this before, but with the announcement that Twin Falls Tennis club is going to stage a Junior tournament, it's brought to our mind that the club is sadly lacking in tennis facilities.

While baseball is the so-called "Great American game," cricket, the English idea of sport and hockey is the national game in Canada.

Tennis is the only game that is played in every nation in the world where the sport is a universal attraction and where everyone can participate.

You'll find adequate tennis facilities in the interior of "darkness" or, to tennis courts where they are, and of India—but not in Twin Falls, Idaho.

For a town with a population near the 15,000 mark, the city of Twin Falls offers a total of two—count the good they would do in other words, that's just about 7,500 people for each of the two courts. Which, to put it very gently, is not enough.

The next time the city council sits down to figure out its budget for this and that and it comes to the road paving department—a department that is given large funds year after year—perhaps they will consider the possibility of building a tennis court.

The expense of building a tennis court isn't at all prohibitive, as witness those recently constructed at Kimberly and Gooding.

On the other hand, maybe the city council is waiting for the Chamber of Commerce to take action. They can look back at a group building the best swimming pool in the state and then deciding it to the city. And they can say just about anything they want to.

After all, that is an easier way out.

## Idle Reds Boost Lead As Cardinals Lose; Tigers Defeat Yanks

CHICAGO, Aug. 30 (U.P.)—The old order is changing in the National league. For five straight years, the August leaders have collapsed under pressure and now the contenders are doing it.

Pennant fever of the St. Louis Cardinals, cooled by repeated blasts along the Atlantic coast, dwindled back to normal today after the Cards had tossed away their third chance in four games at Boston and slipped five and one-half games behind the Cincinnati Reds.

The Reds have it all figured out. If they win half their games, they're in. The way St. Louis has settled the mood, give them confidence in their own statistics, for the Reds have picked up a full game while splitting their last ten.

Bees Score Win. In the final contest of the Boston series yesterday, the Cards had an opportunity to snare up another half game on the rain-outed Reds and blew it in the fifth inning when Christy Lon Lary vintly fired the ball into the dirt attempting to cut off Buddy Hassett at the plate.

Hassett scored, broke a 1 to 1 tie, and the Bees captured their third game in four with the Cards, 2 to 1. All other National league games were rained out.

In the American league, hero Joe DiMaggio, first major league candidate for a 400 batting average since Rogers Hornsby made 11 years ago, belted a three run homer in the ninth to tie the score against the Detroit Tigers but all the good it did was to fatten his average.

Higgins Hit Hero. Pinky Higgins strode to the plate with one out in the last of the ninth and pounded a double off relief pitcher Johnny Murphy, scoring Charley Gehring from second, to break up the New York Yankees' winning streak at 10 games, 7 to 6.

The defeat put a full game dent in the bombers' lead over the Boston Red Sox, who pulled within an even dozen games when Ted Williams hit a home run with the bases loaded in the fifth inning at Cleveland enough to clinch a victory over the Indians, 7 to 4.

Probable entries are as follows: District 1—Wallace and Kellogg. District 2—Moscow Ward Paint and Hardware.

District 3—Nampa Pirates and Caldwell Burns.

District 4—Mountain Home Ramblers, Boise Camp McConnell and the defending champion Baird's team.

District 5—Twin Falls Utah Chicks and Twin Falls Troy National Laundry.

District 6—Pocatello Elks club and District 7—Idaho Flys Supply Serv-U and Salmon City All-Stars.

Between 85 per cent and 90 per cent of all the tin plate produced in the United States is used in the manufacture of tin containers.

## Rainiers Drub Portland by Score of 14-1

(By United Press)

Seattle maintained its eight-game lead over Los Angeles in the Pacific Coast league today by a 14 to 1 pasting it handed Portland's Beavers last night while Los Angeles was turning back Hollywood 2 to 0.

The Rainiers lost little time in routing Ad Lukka from the mound, a four-run blast opening the game. Hal Turpin was the winning pitcher.

Ray Prim won his 17th game of the year in whitewashing Hollywood. He turned the Stars back with three hits while Bill Fleming was picked for eight.

Tony Freitas subdued San Diego with six hits as Sacramento won its 10th straight.

Manager Johnny Vergez led his Oakland tribe to a 5 to 3 win over San Francisco. Larry Powell walked Vergez with the bases full in the fifth inning and Vergez added a home run for good measure in the seventh.

Behind them, all the way up to 156, for George Voight of New York, were all the great contemporary names in American amateur golf.

For a change, there wasn't a single major upset, although a few lesser stars—failed to make the grade.

The actual championship field was limited to 170, 10 places being filled by men who draw exemption.

SAVAGE QUALIFIES. SALT LAKE CITY, Aug. 30 (U.P.)—Ven Savage and Verne Bowdell, both of Salt Lake, topped the local field in a 36-hole test to gain points in the national amateur golf championship.

Savage and Bowdell won places in the Illinois meet by turning in scores of 154 and 155, respectively.

The actual championship field was limited to 170, 10 places being filled by men who draw exemption.

## 160 Post Qualifying Scores for National Amateur Golf Meet

NEW YORK, Aug. 30 (U.P.)—A couple of golfers from opposite ends of the country—Charlie Yates of Atlanta and Bruce McCormick of Los Angeles—today headed 160 qualifiers for this year's national amateur championship.

The 160 were survivors of 28 sectional rounds of 36 holes played yesterday—the best golfers in a field of 821 who battled from coast to coast for positions in the tournament proper which will be held Sept. 11-16 at the North Shore Country club, Glenview, Ill.

Yates teared the Atlantic Athletic club course in 138, four under par. McCormick took the same number of strokes on the Lake Side course out in Hollywood.

Two Strokes Behind. Their pace was two strokes better than the next best—140's shot by Maurice McCarthy of Cincinnati. Al Doering of Medinah, Ill., and Bobby Clark, Edgewater, Colo.

Behind them, all the way up to 156, for George Voight of New York, were all the great contemporary names in American amateur golf.

For a change, there wasn't a single major upset, although a few lesser stars—failed to make the grade.

The actual championship field was limited to 170, 10 places being filled by men who draw exemption.

## McKechnie Termed Greatest of All Major League Managers

By HARRY GRAYSON  
(NBA Service Sports Editor)

NEW YORK, Aug. 29.—William Boyd McKechnie long has had the reputation of being able to do more with less than any other manager in baseball.

Bill McKechnie's jobs with the light-hitting Boston Braves and Reds were remarkable. They called him "Two-Fun Bill" then said he shot blanks to win.

When McKechnie switched to Cincinnati in 1928, Warren Ohlson didn't give him a contract calling for \$25,000 and a \$5,000 bonus for equaling the attendance record of the last-place Reds of the year before for nothing.

Dean Bill had managed the Rochester club for Giles, as the new general manager of the Redlanders had first-hand knowledge of the Scots' uncanny baseball sense and understanding of values.

It goes without saying that McKechnie collected the bonus last season and will this.

In their first 56 games at home the Reds played to 741,844 paid admissions. They drew 708,000 all last year. Cincinnati is the only city in the game which outdraws its population.

McKechnie, dean of National league managers, is one of the best-paid pilots in baseball in the smallest major league city.

McKechnie was born in Wilkes-Barre, Penn., where he still resides. He is 37 years old. He stands five feet 10 and weighs 175. He married Betty Blen of Wilkes-Barre in 1911. They have four children: William, Jr., now business manager of the Chattanooga club; Betty; James, the Reds' battery; and Carol.

Saw Possibilities

Wilkes-Barre, Pa., as an infielder, threw and batted right-handed. He was a remarkable fielder and his arm was necessary itself, but his lifetime big league batting average was only .220. His highest big league average was .305 in 149 games with the Indianapolis Indians in 1914. That was the only time in his life that he hit .300 in the majors, and the Federal league only passed as a minor circuit.

McKechnie batted only .124 in the 44 games the Yankees played during Frank Leyba's tenure in 1913.

Asked why he stuck to the All-American, out at second base, Hook Chance explained that it was because McKechnie knew more baseball than all the rest of his team put together.

While McKechnie sat on the Pittsburgh bench as a substitute player, Chance therefore predicted he would make most of the future managers in baseball.

At the risk of incurring Johnson's displeasure, he marked the telegram "confidential" and for his paper release "I will print it."

"Hoping Commissioner Heftich of Michigan has bought and paid for \$200,000 worth of tickets for the Louis-Pastor fight here, I tell him he probably would buy that much more. Can you imagine Bill Brown doing that? Maybe I'd take that many in complimentary tickets. Brown could take a lesson from Little in courtesy. The fighter, not Bill Brown's pet, will referee this contest. Why doesn't Brown send referees Downum, Pulliam and Cunningham out to pasture on his health farm? They have all worked faithfully for good, old Honest Bill, and it wouldn't be a bad idea if Bill took to the pasture himself."

Signed: "James Jay Johnston."

There is a lot of thoughtfulness in that message. When he says Bill Brown never would buy \$200,000 worth of tickets for the Louis-Pastor fight, Johnston is paying tribute to Brown's character. A man would be hard put to find a more bitter criticism of another

new and smart clothes  
for winter. Get in your  
buying early while all the  
latest in style and pattern  
is still in stock.

"Wise guy! Tryin' to give Jocko a counterfeit penny, eh?"

## Mac Explains "Warm" Friendship Between Commissioner, Manager

By HENRY McLEMORE  
NEW YORK, Aug. 30.—One of the warmest friendships in all of sport is that which exists between Bill Brown, the big fighter, and James Jay Johnston, manager and instigator of propaganda for heavyweight fighter Bob Pastor.

There is a bond between them as solid as the ones between Tom Sawyer and Huckleberry Finn, or the Democratic mule and the Republican elephant. Brown and Johnston are inseparable little buddies, such as ducks in the back, sitting amidst with rare and precious politeness, and true bonds of such delicate precision that their lives must be opened under water.

I can when they are separated, as they are now, with Brown here in New York and Johnston in Detroit arranging for Pastor's fight with Joe Louis. Their thoughts are so much of taking in the Louis-Pastor fight, Johnston is paying tribute to Brown's character. A man would be hard put to find a more bitter criticism of another

## FSA Rent Request "Near Ultimatum," Solon Told

Bluntly terming the farm security administration's request for free office rent as "near in the form of an ultimatum," the Twin Falls Chamber of Commerce today asked Congress, Henry C. Dworshak whether the FSA will move its headquarters to the city hall at Buhl.

Called "Chiselers" Emphatically blasting at the free rent request as "chiselers," the chamber communication asserted that Twin Falls businessmen cannot conceive that congress would approve such procedure.

The letter pointed out the fact that necessity of bringing documents to the county seat from Buhl, in event the office is moved, would more than offset the rent total.

Cong. Dworshak was advised in part: "The farm security administration's office has advised the Chamber of Commerce that unless they can be supplied with free office quarters in Twin Falls they will move their office to Buhl as the Buhl merchants have offered them free space in order to have them come down here."

Small Item "The merchants are wondering if this is the policy that has the approval of congress as we can not imagine the federal bureau insisting that their offices chisel local merchants for a small item as would represent in the neighborhood of \$40 or \$50 a month."

"Twin Falls is in the center of the clientele served by this FSA office."

"The manner in which the request for free quarters has been placed before us is nearly in the form of an ultimatum and we would like to know from you if it is in line with the policy prescribed by congress."

The letter to the congressman also pointed out that if persons of the office is discharged in event of removal to Buhl, the change in office would not be "conducive to efficiency."

## Stake Board of MIA Entertains For Travelers

Mr. and Mrs. M. J. Rogers, members of the Latter Day Saints M. I. A. stake board, who are leaving soon for Portland, Ore. to establish residence, were honored by the board members and their partners last evening at a delightful cocktail party at the home of Mr. and Mrs. John W. Garrett, 1355 Ninth.

Twenty-six guests attended. Games were played out-of-doors the fore part of the evening. A colorful pastime, called "The served indoors later at six small tables. Bright-lit napkins were at each cover.

Baskets of artistically arranged gladioli formed the room. Progressive games completed the evening's festivities.

Mr. A. Phillips, in behalf of the group, presented Mr. and Mrs. Rogers with a gift.

Mr. and Mrs. W. H. McGee and Mrs. Ford M. Barrow were the hosts on general arrangements.

Garrett, Mrs. O. T. Luke and staff, Mrs. L. J. Weaver, and staff, Mrs. E. Oakes were members of the gift committee.

## Shoshone Tent Meet Continues

SHOSHONE, Aug. 30 (Special)—Shoshone tent meet sponsored by the Church of the Nazarene, is continuing this week and next week under the direction of Rev. Glenn Griffith, Hampa, district superintendent.

Rev. Lewis C. Hall, Butte, Mont., evangelist, who opened the services here, has gone to Harper's Ferry to conduct a revival. The Feldman Sisters, song evangelists of Meade, Kan., are conducting tent meetings here, including Saturday.

In France at the beginning of the present century "tent roads" were erected to draw off electricity from the clouds, and prevent hail from forming.

## LEGION POST TO ELECT OFFICERS

Complete elective staff of the Twin Falls post in the American Legion will be up for replacement or reelection at the meeting here Thursday evening, Commander R. V. Jones announced this afternoon. The parley is set for 8 p. m. at Legion hall tomorrow.

The elective staff which is up for ballot is headed by Commander Jones and Adjutant W. W. Frantz.

Another highlight of the Legion meeting Thursday will be submission of complete reports concerning the Idaho department convention in Twin Falls two weeks ago.

## NAMES in the NEWS

(By United Press)

President John P. Coyne of the AFL's building and construction trades department said that a recent management-labor agreement to eliminate jurisdictional strikes in the building trades already has released more than \$100,000,000 in new construction.

Postmaster General James A. Farley and his daughter were dinner guests of Prime Minister Eamon de Valera at Dublin.

Leroy Lincoln, president of the Metropolitan Life Insurance company, disputed, before a federal monopoly committee, the contention of insurance advisers that they save policy holders large sums of money.

At Allentown, Penn., President Gerald P. Nugent of the Philadelphia National league baseball team, was in "fair" condition following a hernia operation.

Rev. Walter Dworecki, Polish Baptist clergyman, and Peter Shewach, 21, are in jail here, awaiting pending grand jury action after pleading not guilty to murder charges in the slaying of Dworecki's 15-year-old daughter.

President Roosevelt disclosed he had communicated with Gov. Henry Horner of Illinois concerning problems arising from Illinois oil production which is not controlled by the pro-rata system effective in many oil states.

The American Civil Liberties union has urged the department of justice to investigate breaking up of a Communist meeting in San Antonio, Tex., of which Larry Maverick, New Dealer, is mayor.

Gov. Culbert L. Olson was informed by California's advisory parole board that it could not recommend clemency for Henry A. Rice, central figure in a newspaper bombing investigation in Spokane, Wash., 12 years ago.

Backed by United States credit, Haiti is launching a building boom which will include new roads, bridges and irrigation works.

## New Head

New head of Salvation Army is Gen. George L. Carpenter, former Australian editor and Canadian territorial commander since July, 1937. His election to the post held ten years by Evangeline Booth is regarded a triumph for progressive forces who seek a more liberal army.

## In HOLLYWOOD Today

Maurice Costello, 62, veteran actor and father of Dolores and Helene Costello, surprised the film colony with the announcement that he and Ruth Reeves, 30, have been married secretly for several months.

Cowboy film actor Ken Maynard was pictured as a juggling, quarrelsome husband by his wife, Mrs. May Leaver Maynard, in winning an uncontested divorce decree.

Joy Hodges, film actress and singer, said she will be married in Omaha, Neb., Saturday to Gilbert Dooley, 32-year-old newspaperman.

Joan Manners, British film actress and divorced wife of John Langan, film dialogue director, has been arrested by U. S. immigration authorities on a charge of being in this country illegally. She was released on \$500 bond pending an early hearing.

Screen actresses Rosemary Lola and Phyllis Lane, and Gale Page picked the establishment of Orr-Kelly, film colony designer, charging him with making false-ribbed corsets fashionable again.

The will of the late Edith Snyder, 22, daughter of Coe Moe "The Cling" Snyder who is in jail awaiting appeal of his conviction for shooting Myrtle S. Alderman, pianist-husband of singer Ruth Eling, leaves everything to "my step-mother, Ruth Eling."

## NEW HEADS SET JAPAN'S COURSE

TOKYO, Aug. 30 (UP)—Premier Gen. Nobuyuki Abe announced after his first meeting with the new cabinet today that Japan would collaborate with third powers which "understand" Japan's position in the far east.

The new government, which was viewed as lacking any brilliant figures but as able to pursue a program more favorable toward the United States and Britain, will continue the former regime's objectives in the China war, the premier announced.

But those third powers which "cooperate ungrudgingly" by attempting to understand the Japanese position will receive similar collaboration on the part of Japan, General Abe said.

Observers rated it as "average."

Reports circulated that a special mission, probably headed by former Premier Prince Fumimaro Konoye, might go to Washington to discuss Japanese-American relations and a new Japanese-American treaty replacing the agreement cancelled by President Roosevelt.

## FDR Sets Up 1940 Turkey Day 1 Week

WASHINGTON, Aug. 30 (UP)—President Roosevelt, following up his advancement of Thanksgiving by one week this year, decided today also to advance it in 1940 by one week and proclaim the holiday for Thursday, Nov. 21.

The proclamation of that date for the 1940 holiday would fix it on the next to last Thursday of the month, rather than the final Thursday on which Thanksgiving has been observed.

Mr. Roosevelt's announced intention of advancing the Thanksgiving date by one week this year precipitated considerable protest. Several governors said that they would not follow suit.

In originally announcing that he will proclaim Thanksgiving a week earlier, Mr. Roosevelt said he had been receiving requests for such action over the past few years from business interests and from individuals who would like the holidays to be more evenly spaced during the last six months of the year.
