Veteran Solon Says *As War Clouds Rained Death in Poland* **Armies for Two**

Nations Meet on 250-Mile Front

By JOE ALEX MORRIS
United Press Foreign News Editor

Poland's armies joined battle with the Nazis today on a bow-shaped front stretching 250 miles across the fertile plains of their homeland.

Determined to keep Adolf Hitler's forces fighting on two fronts, the bulk of the Polish troops stood their ground in defense of Warsaw, fought furiously in the Radom sector 50 miles to the southwest and attempted to stem a German thrust through the south against Lwow.

The Nazi high command reported that fighting had become severe after 11 days in which the Poles fell back rapidly toward the central plains on which they stopped the imperial armies of Germany in the World war and where they smashed the Bolsheviks in 1920.

CANADA ENTERS

OTTAWA, Ont., Sept. 11 (C.P.)—Canada was at war with Germany.

CANADA ENTERS

It was expected that the government's war appropriation would be for \$100,000,000, compared normal. The World War Canada \$3,000,000,000.

The German counter-attacks centered on a 12-mile front between Moring and the Moselle river on the Saar border. The need to hold the border frontier, at the base of a wooded tangle formed by the Saar and Moselle rivers, was obvious.

The French had no holding positions in the neighborhood of Buschdorf, inside Germany, on that part of the border.

Further east, French Maginot line artillery opened up a big scale shelling of railroads and highways in the direction of the strategic junction of Zweibrücken, 18 miles east of Saarbrücken.

Criticism of the reticent attitude toward the French operation, the high command in its war communique No. 15 said merely:

"General Calme"

"Morning of Sept. 11: There is general calm. Our troops made a local advance."

Two days later it was stated that the French, now operating in divisional

The critical tone of the London newspaper coincided with reports from Berlin that Premier Benito Mussolini had received a message from Hitler and France through the Italian ambassador.

German war communiques admitted that fighting was on a major scale in Poland but said that the Polish army had been surrounded, having trapped "hundreds of thousands" of Poles west of the Vistula.

Rumors after 11 days of war in Poland were that the German lightning war to crush Poland and quick peace with Britain and America would have been achieved. It was not yet realized and the Mud steam roller appeared to have lost some of its momentum in the east.

It was not until the 16th day that official acts and through the press turned down any suggestion of peace and prepared by financial means to continue the war for economic stabilization.

strength, had widened their operations on the German front and had made further deep gains toward the main line of the Nazi war effort. Heavy French aerial bombardments at German concentration points in the Saar valley behind the German westwall were reported to have slowed German action and to have tended to disorganize troops and supply movements toward the front.

OFFICIALLY EUROPE WAR

DECISION REPORTED NEAR IN POLISH-GERMAN CONFLICT.

WARSAW-RADOM AREA IS CENTER OF HUGE BATTLE

BERLIN, Sept. 11 (UP)—The German high command reported today that the first great battle of the Polish war was reaching a "decisive" point in the Warsaw and Radom sectors of a 250-mile semi-circular front.

The battle extended over the whole of the hour-shaped front stretching through the heart of Poland from the East Prussian front to a point far northeast of Warsaw, to the Carpathian mountains, in the southeast, it was reported.

The defenders of Warsaw, fighting between the Vistula and Bug rivers, and the Polish forces near Radom, 50 miles to the southwest, were roughly the centers and points of most intensive fighting.

The second communiqué issued by the high command today said that the battle area in the Warsaw-Radom sector was reaching a decisive point. A number of soldiers too great to count and huge war stores have been captured by the Nazis, it said, while south of the Vistula river at Kutno the trapped enemy "continues to try to escape."

The capture of Posen is expected at any moment and the north Vistula column is approaching the fortified town of Modlin, with out meeting enemy resistance, it added.

The East Prussian third reserve camp participated in crossing the Narw at Vienna, the communiqué said, and Lomza was occupied.

the end, whether it is three or ten years.

Perhaps the most significant immediate development outside of German declarations that the Polish army was trapped and near a final defeat came from Soviet Russia.

At Moscow, the newspaper Pravda reflected official opinion in an article saying that Poland was defeated. Therefore, the article said, the Russian call for reservists and the strengthening of western frontier defenses was designed to protect Russia against retreating Polish forces.

Italy, too, took the position in agreement with Berlin that the Polish conquest was an assured triumph.

Adolf Hitler made a long airplane flight over the Polish front, going close to Warsaw and watching several fighting south of the Polish capital.

British Clamps Down

On the high seas, Great Britain clamped down harder against Germany, reporting over the week-end that German shipping had practically been swept from the sea lanes except across the Baltic to Scandinavia.

The British cabinet, making plans for at least three years of war, tightened its control over almost every phase of life, seeking to ensure supplies for farmers, urging an increase in wheat production, and setting maximum retail prices for certain foods.

PRESIDENT MAKES PLANS TO CALL SPECIAL SESSION

CONGRESS TO BE ORDERED OCT. 2, REPORT CLAIMS

By T. F. REYNOLDS

WASHINGTON, Sept. 11 (AP)—President Roosevelt returned to the White House today to continue his personal command of the administration's peace policy and to make plans for a special session of congress to revise the nation's neutrality law.

Authoritative sources said the special session call will go out before the end of the week. The date congress would convene was not specified but Oct. 2 was mentioned as a probable day.

Office Streamlined
While at Hyde Park Mr. Roosevelt announced he had streamlined his own office so that "the nation might not again be caught unaware" and to aid in normal operations of the government. This change had been authorized by congress under the President's reorganization plan No. 1.

"Coincident" with this reorganization announcement a White House source said that the brain trust, described as "those creatures of the imagination," was "out the window." Mr. Roosevelt pointed out that his six assistant presidents, who officially began their work today, had no authority over any department.

Will Summon Congress
Mr. Roosevelt has declared he would summon congress before the end of the year to rewrite the neutrality law. He wants the mandatory embargo on shipments of arms, munitions and implements of war to be replaced by a "cash and carry" policy, one in which any belligerent may buy anything in the American market if he pays cash and carries it away in his own ships.

The war came to the American continent yesterday with Canada's formal declaration. Within a few hours, the President issued a pre-drawn proclamation of war, the state department extending the arms embargo to Canada, which Mr. Roosevelt had said the United States would defend in case of an attack by a foreign power. The President last week invoked the embargo to cover other belligerents.

FAREWELL GIVEN BY BUHL PASTOR

BUHL, Sept. 11 (Special)—A unique farewell service was heard at the Baptist church yesterday with Rev. and Mrs. Berg inviting all persons who were received into the church during their ministry to be their guests at evening services.

As the 124 new members stood at the front of the church the pastor and his wife sang their song of dedication, "Was You Whil' I Lived Me, Here." Names of all were read.

Rev. Earl B. Berg, pastor of the local church for four and a half years, will preach his farewell sermon Sept. 17. Mrs. Berg left today for McMinnville, Ore., where she will be joined by Rev. Berg next Monday. They have resigned their pastorate here to attend Linfield college this winter. Rev. Berg will complete his 12 hours of work for his B. A. degree and will automatically receive his bachelor of divinity degree upon completion of the written thesis at the end of the term.

Mrs. Berg is accompanied by Buhl young people, who will attend Linfield college, Edna, Irma and Norma Lehman and Kenneth Williams, Greenleaf.

Mrs. Berg in addition to duties in connection with the Buhl church is president of the Idaho Baptist Central association of women, and vice-president of the Buhl Women's choral society.

U. S. Works to Build Strong Defense Unit

WASHINGTON, Sept. 11 (AP)—The three branches of the United States defense—the army, navy and marine corps—began building today toward an immediate goal of 622,000 men under arms, an increase of 104,500 over present strength.

Regular army forces will be increased from the present 210,000 to 277,000 "as quickly as possible." Secretary of War Harry Woodring announced, in addition, national guard personnel will be increased to 255,000 from the present 190,000 figure at the discretion of state governors.

The navy's present personnel of 110,000 men will be expanded to a

THE GOLDEN RULE

OWEN HARDING, who knows the woods, streams, and portages of his native Maine country like a book, also proves a good guide on cigarette quality, as he shares his favorite brand with Mr. and Mrs. Clifford Stanford, from down in New York City. "Camels are a longer-burning cigarette," Owen says, "and that means more smokin' for my money. It means, too, that Camels taste cooler...milder. Puff for puff, Camels put more pleasure in smoking and a big extra measure of it."

Observe the way your cigarette burns. Recent impartial laboratory findings confirm the experience of Camel smokers. Camels are known to burn longer, delivering steadily to smokers more pleasure per puff and more puffs per pack. And all the while you get the mild, ripe goodness of finest, more expensive tobaccos, drawn from the largest tobacco choice tobaccos ever gathered in one place. Camels are the cigarettes every smoker can afford.

BALMER ANNEXES BOYS' NET CROWN

Oliver Balmer held the 1939 Twin Falls boys' tennis championship today after trouncing Sonny South, 6-0, 6-2, in the final match.

South had entered the titular duel by defeating Gene Colan 6-3, 9-7. Balmer ripped Eaton Sept. 6-2, 6-4.

Junior Final
Junior title play for boys moved into the championship round with Glen Gibb slated to meet George Davison for the 1939 crown in that division. Gibb downed Gene Hull 6-1, 6-0; Davison edged Bob Sehlberg 6-4, 4-6, 6-2 and defeated Alan Duval 6-2, 6-0.

Girls' Singles
In girls' singles, Laura Lee Henderson will meet Julia Ann Ryan for the championship. Miss Henderson downed Margie Robertson, 6-0, 6-0, and Miss Ryan defeated Verie Meincke, 6-0, 6-0.

Boys' doubles title was already decided today, with Oliver Balmer and Gene Colan counting Sonny South and Eaton Sept. 2-3, 6-1 in the final. Sept. 6 and South won over Block-Kottraba, 6-4, 3-6, 6-0. Balmer and Colan drew a bye into the finals.

Junior boys' doubles has not yet started, according to officials of the Twin Falls Tennis club.

WARSAW HOLDING OUT ON GERMANS

By GEORGE KALDOR
BUDAPEST, Sept. 11 (AP)—Warsaw's radio station, asserting today that the capital was holding out against a terrific attack by German artillery and airplanes.

The city withstood a raid by 30 German bombing planes Sunday, it was asserted, and 15 German planes were reported shot down, including five which crashed in the city.

Numerous buildings were in flames, the Warsaw station said, as the result of hits by five German bombs.

Tanks Destroyed
Two German tanks were destroyed when Polish infantry made a strong stand at one point, 30 miles from Warsaw, it was said.

It was admitted, Polish troops continued to retire, but the Poles said the Germans at present were unable to make important gains.

All civilians left in the capital area aided in digging trenches and otherwise strengthening defenses, particularly along a line in the suburbs several miles west of the city, reports said.

The radio indicated strong trenching and tank traps were being constructed for a last stand.

German troops, the Poles asserted, were encouraging a deadly fire by machine guns and rifles from all possible points including rooftops and windows, and it was asserted that at some points the Germans were compelled to retire.

Nazis Driven Back
The burgomaster of Warsaw, in a special broadcast, urged the people of the capital area to defend themselves "to the last drop of blood."

Asserting that Warsaw fought heroically and had driven the Germans back from the capital, the burgomaster said the Germans were now a little more than six miles from the city at the nearest point.

"In the suburbs of Warsaw and Zolotha burning houses can be seen in evidence of tremendous fighting," he said.

By United Press
At least 19 ships, of \$4,000 gross tonnage, have been sunk by torpedoes, mines or shells since the war on the seas began nine days ago, a survey disclosed today.

Announcements of the British ministry of information and reports from rescue ships disclosed that 12 of the vessels sunk were British, four were German, two were Dutch and one Greek.

At least 146 persons were killed or missing. Most of these still missing were aboard the British liner Athalia, the only passenger liner sunk so far.

Cowboys End Stay at Annual County Rodeo

FILER PAIR GROUND, Sept. 11 (Special)—Cowboys who competed in the Twin Falls County Fair rodeo were en route to similar shows in different parts of the country today after battling bucking broncos, twirling bulls, and pursuing fleeing calves with lariats for four days in efforts to participate in rodeo finals money.

Last sessions of the rodeo were held here Saturday night. Some of the faster cowboys who had been in the money the previous three nights had an off night, but those who had been in the top ranks had good enough records to participate in finals money.

McCormery First
Howard McCormery was one of the boys who finished out of the day money at the last rodeo session but took a cut of finals money. McCormery took first in the bull dogging finals.

Fritz Truan had his steer flat on its side in just 8.6 seconds in the bull dogging event Saturday night. He was the first day money with his record time, but his accumulated time for the rodeo was not good enough for better than third place in the final.

Feature event of the last session of the rodeo was the selection of Miss Evelyn Dunham as the best-dressed local cowgirl, and Frank Clark as the best all-around cowboy. Each received a \$25 award. Miss Dunham from the Twin Falls American Legion post and Clark from Stock Contractor Harry Rowell.

Best Performance
Royalty was also deposited at the rodeo as Miss Lola Hayden of Twin Falls ended her four-day reign at the performance.

Homer Holcomb and Jasbo Fulkerson gave their best performance at the rodeo during the last session. With their battling of a wild Brahman bull they kept the audience sitting on the edge of seats with suspense.

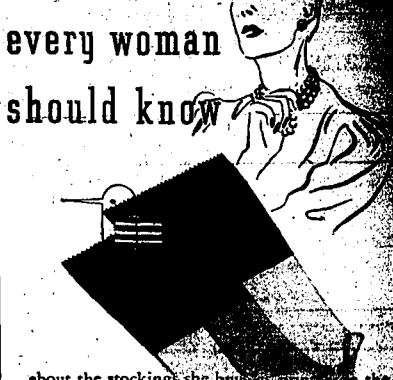

Then in the final event, the wild chariot race put on by the two clowns, the crowd swept to its collective feet, as Homer's chariot spilled his rider into the dust in front of a loose onrushing bull in the arena.

No one was injured at the last performance of the rodeo, although two cowboys were hurt and a girl in trying to stick on the storm deck of unbolting broncos. Once a stretcher was rushed out into the arena, but it was thrown away refused to get on it, so Homer and Jasbo jumped aboard until thrown for a loss by stretcher bearers.

Money Winners
Saturday night winners and winners of finals money for the four-day rodeo were as follows:
Mad scramble: Bob Trees, Gooding; Fred Hancock, Twin Falls.
Calf roping: Day money—Harry Hart, Pocatello; Hugh Clingman, Phoenix, Ariz.; Joe Welch, Carlsbad, N. M.; Carl Shepard; Cleve Kelly, Breese Cox, Pine Top, Ariz. Time: 77 seconds for four calves.

Barbecue bronc riding: Ed Osborn, Hayward, Calif.; Smokey Snyder, Buena Park, Calif.; Paul Car-

Kansas City Guests Feted at Courtesies

Dr. and Mrs. Gordon Oldham, Kansas City, Mo., house guests of Mr. and Mrs. C. F. Wurster, 106 Buchanan, were complimented at a smartly appointed dinner last evening at the Park hotel. Their hosts were Mr. and Mrs. J. P. Kinney. Mrs. Oldham was formerly Miss Marjorie Wurster, Twin Falls.

Saturday afternoon Mrs. Oldham shared honors with her sister-in-law, Mrs. John W. Wurster, Buhl, at a tea distinguished by a perfection of detail, arranged by Mrs. Wurster at her attractive new home.

Dr. and Mrs. Oldham will return to the midwest next Saturday.

Contract Arranged

Members of the dinner party last evening went on to the Kinney home, 327 Eighth avenue north, later for contract bridge. There was a gift for the honorees.

The dinner table was centered with a shining arrangement of pink and orchid cosmos in a crystal bowl, and illuminated by blending tapers in silver holders.

Mr. and Mrs. Kinney and members of the Wurster family, have been intimate friends for a number of years.

From Several Towns

During the reception hours, from 2:30 to 8 o'clock, 175 friends called to welcome Mrs. Oldham's return to Twin Falls, and to meet Mrs. Wurster. Several were present from Astoria, and to meet Mrs. Wurster. Several were present from Astoria, and to meet Mrs. Wurster.

Assisting in receiving the guests were Mrs. May Cox, Hollister, and Miss Violet Adams.

Especially smart were the autumnal bouquets arranged throughout the room, combining floral groupings with single tapers of matching shades.

Asters and petunias in tones of red, in a low bowl, between orchid tapers in silver holders, centered the tea table, which was clothed in white.

Mrs. Kinney and Mrs. Henry Champlin presided at the services the first hour; Mr. Andrew Rogers, Mrs. A. Peavey and Mrs. T. Dan Conner, Filer, the second hour; and Mrs. Harry Eaton and Mrs. John Duffin, Filer, the final hour. Assisting in the dining room were Mrs. Cox, Mrs. Frederic M. Sanger, Mrs. Robert Reese, Miss Adams, Mrs. E. E. Howarth, Miss Alice Peavey and Miss Helen Bond.

GAY REUNION HELD AT M. W. HUNT HOME

A group of childhood friends gave momentum to a stag party at the M. W. Hunt country home one evening last week, when Mitchell Hunt, of the city, presided at the group of 7 o'clock dinner.

The large table was colorful with its red and green and multi-colored pottery. The centerpiece of varicolored roses adorned the table.

The evening was spent reviewing highlights of school days, interspersed with "close harmony" group singing.

Guests were Ed Benoit, Dick Reynolds, Roland Hutchinson, Bob Bluff, Milner Dunn, Asher B. Wilson, Jr., and Armand Anderson.

SCOUT TROOP HELPS CELEBRATE BIRTHDAY

Wallace Brownfield was host to 15 members of Boy Scout Troop 4 and their Scoutmaster, Fred Locke, at his home Thursday evening.

Darwin Dunn and Delbert Neilson were special guests. The occasion was in celebration of Wallace's birthday anniversary.

The evening was played. Feature of the evening was the hilarious impersonation of Windy Holiday, a Hollywood actor, by Bill Robinson. Karl Richmond pronounced the Scoutmaster's benediction.

Members present were Howard Heiser, Wallace Brownfield, Carl Smith, Lloyd Schumacker, Bob Barnett, L. Henderson, Vernon Smith, Lyle Gordon, Eugene Windle, Leroy Johnson, Carl Richmond, Bob Goddard, Clinton Brownfield and Bill Robinson.

STEINBRUCK-GIVENS MARRIAGE SOLEMNIZED

Mrs. Rachel Givens, Kimberly, and Fred V. Steinbruck, Milford, Kan., were united in marriage Saturday evening at 8 o'clock at the Kimberly Church of the Nazarene parsonage. Rev. Olive Williams, pastor, and Rev. Mackey J. Brown, brother of the bride, officiating.

Mrs. Bert Silvers and Mrs. Williams were official witnesses. Only a few intimate friends were present.

Mr. and Mrs. Steinbruck will make their home in Kimberly, where Mr. Steinbruck plans to locate.

Mrs. Steinbruck is a prominent worker in the Kimberly Nazarene church and is now serving her second year as president of the Woman's Foreign Missionary society. She lived in Twin Falls a number of years before moving to Kimberly.

Mr. and Mrs. Steinbruck received her school diploma and Mr. Steinbruck is attending in Kansas.

Treasure Hunt Highlights Meet At Harrington

Achieving something novel in the way of treasure hunt, the committee on arrangements for the September outing of the Magic Valley Camera club conducted a "camera hunt" yesterday afternoon as a picnic highlight.

Members were given directions of pictures, being told which way to point the camera, the shutter setting, the distance setting and the picture title.

When the locale was discovered, and the picture taken, new clues for other pictures were found.

Most adept at the camera hunt were Mrs. Victor Goertzen and Paul Magee, who were given orders for two rolls of film of any size.

The group assembled early Sunday morning at the city park and motored to Harrington Forks park, up Rock Creek canyon.

A picnic lunch, most of which was furnished by the club, was served at 1:30 o'clock.

Following the camera hunt, several of the group motored to Camp Penstemon, originally slated as the outing site.

Next meeting of the club will be held Monday evening, Sept. 25, in the club room.

Berean Class Reelects Staff

Three officers were reelected by members of the Berean class of the Church of the Brethren following a pot-luck dinner, served cafeteria style, yesterday afternoon at the country home of Mr. and Mrs. Louis Magoffin, after church services.

Most adept at the camera hunt were Mrs. Victor Goertzen and Paul Magee, who were given orders for two rolls of film of any size.

The group assembled early Sunday morning at the city park and motored to Harrington Forks park, up Rock Creek canyon.

A picnic lunch, most of which was furnished by the club, was served at 1:30 o'clock.

Following the camera hunt, several of the group motored to Camp Penstemon, originally slated as the outing site.

Next meeting of the club will be held Monday evening, Sept. 25, in the club room.

Back of Your Telephone

The telephone business is not a quantity production business, but a retail business in which someone has to attend to your particular wishes, and deliver a call made to your order.

On your local call you may use telephone plant worth many thousands of dollars; on your long distance call you may use plant worth many millions.

The investment in your telephone and in other telephones in homes and offices is less than five per cent of the total cost of the entire telephone system at your command.

Back of your telephone is a huge network of telephone equipment, most of which you never see. When you lift your receiver, wires, cables, switchboards—thousands of items, large and small—are ready to serve you. All of this equipment is made with such care that your telephone will function perfectly with the millions of other telephones in this and other countries.

Making this vast amount of equipment operate efficiently are trained telephone men and women in the Bell Telephone Laboratories, the Western Electric Company and in the Associated Companies of the Bell System. Their effort is devoted to providing the people of the United States with the best possible service at the lowest cost consistent with financial safety.

CLAUDE C. FRATT

We have ordered our first carload of 100 new Lamps one week before the season to be shipped September 18. We expect it to arrive the 21st or 22nd. Place your orders now, to haul this cool yourself right out of the boxcar door. Give us your telephone number too. It costs us \$3.75 plus the mine, \$4.50 freight, 10¢ for weighing it, 5¢ tax on shrinkage, .10¢ then we add a dollar a ton on profit, and that makes a total of \$8.80 and if you want it delivered add 70¢ a ton. Place your order quick because the price of coal may raise at the mine anytime.

You claim this is better Utah coal than we had last year, and we had no complaints on last year's coal. We have ordered a new V-8 oil model truck that will be delivered about the first of next month to us. Then we expected to be in the coal business ankle deep head first.

We've already bought the number two in a tar bucket. I didn't say anything about tar and feathers because I don't like to ride in a barrel. I'm afraid by feet under my heels.

If you've got an old house that you'd like to cover the walls up come down and look at the bricklaying. It'll save you money. We've got it has nine times the insulating value of face brick and 12 times the insulating value as asbestos shingles and 20 times the insulating value as concrete slabs. You can get it in different colors and anyone can apply it and terms might be arranged.

Here's a chance company now that we're making good things happen. We'll cry em' out and see. We're not able ourselves, to give credit and we wouldn't give credit either. We're all set here. This frieze is certainly beautiful. You'd have to have a good sized house if it cost you over \$1000 to put it on. Some children called order perhaps two weeks or six days ahead to make connections for delivery. We have samples here.

GERMANY CLAIMS ADVANCES ON ALL POLISH FRONTS

GREAT BATTLE ALONG VISTULA NEARING PEAK

By FREDERICK C. OCHSNER
BREMEN, Sept. 11 (AP)—The German high command, announcing important advances on all Polish fronts, asserted today that some Polish divisions, trapped, were beginning to lay down their arms.

It was announced that German troops after a bitter battle had reached the south bank of the Narew river in the Nowogrod-Winska sector 85 miles northeast of Warsaw and that after crossing the San river the Germans had taken Radymno and Jaroslavl in southeastern Poland.

The big battle area along the Vistula was reaching its decisive point, it was asserted.

The communiqué disclosed the Germans had now begun a naval landing party action against the Polish Baltic port of Gdynia, isolated since the early days of the war.

Action Proceeds
"Action against Gdynia is proceeding," it was said. "Neustadt and Putzig in the Pomerania area or corridor near the coast were occupied by navy units. Navy units are bombarding Polish batteries as well as Gdynia."

The communiqué revealed also the Germans had evacuated the Saarbrücken airfield on the French front. This disclosure, made at the end of the communiqué, was interpreted as a sign of German withdrawal from the evacuated airfield at Saarbrücken.

Part of City Bombed
It was alleged Polish artillery in the eastern Warsaw district was bombarding western parts of the city. German airplanes, the communiqué said, again bombed highways and railroads eastward of Warsaw, as well as the cities of Lwow and Lublin in the southeast. The west station at Lwow was destroyed, it was asserted.

German advances were that two Polish armies west and south of Warsaw had been trapped, and some Polish divisions surrounded.

"The fate of these units of the Polish army, with which heavy fighting is still in progress, will be decided in the next few days," a formal high command communiqué said.

City on Fire
Army authorities confirmed Polish reports that parts of Warsaw had been burnt, but without stating what attributed the fires to German airplane bombs, the Germans blamed them on Polish artillery fire.

It was announced that Adolf Hitler, acting as supreme commander of the German forces in Poland, had visited the front by plane yesterday and had seen down close to Warsaw, at a point where desperate fighting now is in progress.

Hitler, leaving his headquarters, joined the German army corps operating northward from Silesia, it was announced, and surveyed the territory this corps had gained in its advance northeastward of the line Ostrochowa-Kielce-Minsk south of Warsaw.

RURAL TEACHERS ELECT OFFICERS

JEROME, Sept. 11 (Special)—At a meeting of rural teachers' association of Jerome county at Eden cafe Wednesday, election of officers was held, at which time members re-elected Charles Hawley, teacher of seventh and eighth grades at Russell Lake, as president.

Other officers reelected include Ernest Albertson, vice-president; Marjorie Torgstad, third and fourth grade teacher, Hazelton, as secretary and treasurer.

Members decided to hold meetings four times each year. Committees appointed by President Hawley were program, Willard Lattimer, Eldred Nelson, Carl Stevens, Howard Cope, Ernest Albertson; calendar, Irene Studvyn, Mary Bradley, Florence Heckl, Virginia Budd and Hazel Kienke. Calendar committee will have charge of music festivals, spelling matches, track meets and similar activities.

Discussion on the year's work was given by Mrs. Nellie Roberts, Jerome county superintendent of schools. Mrs. Roberts talked on newly adopted texts of spelling, penmanship and social studies. Mrs. Roberts listed enrollment of schools in this county as follows: Sugarloaf, 28; Russell Lane, 53; Eden, 115; Hazelton, 140; Greenwood, 64; Appleton, 142; Dixon, 35; Hildale, 29 and Falls City 37.

Delegates to attend the Idaho Education association at Boise Nov. 3 and 4 were named as Leo Wright, Eden, and Eldred Nelson, Appleton. Alternates are Dorothy Rayl and Irene Studvyn.

Meat Inspection Planned for Buhl

Buhl, Sept. 11 (Special)—J. T. Murphy, city attorney, at the city council meet last week was authorized to prepare an ordinance for submission at the next council meeting covering the inspection of meats sold in Buhl.

According to the plan slaughter houses and meat markets will be inspected. By having carcasses inspected, farmers will be allowed to do their own butchering, and to sell their meat.

City made plans at the meeting to install two bicycle racks on the Farmers National bank corner. It is possible that additional racks will be installed at a later date. Bids were called for improvements at the cemetery. Fire and police reports were approved and ordinance 245 was introduced declaring the results of the special water bond election July 25 and paving the way for the new \$50,000 bond issue.

A report on the water damage to the city library recently was given and discussed by Mrs. C. M. Merriam. It was proposed to purchase new books out of this year's budget.
