

NAZI MACHINE CRUSHES POLAND

French Troops Filter into Advance Works of Germany's West Wall

Nazi Soldiers Taken Prisoners; Artillery Breaks Up Defenses

PARIS, Sept. 15 (U.P.)—French troops have filtered into the advance works before Germany's main west wall line of defense, it was disclosed today.

The penetration was made on the right (east) bank of the Saar river. The operation started yesterday, when the French took between 30 and 40 German prisoners. Now, for the first time, the French advance positions were among the advanced works of the west wall and only a short distance in front of the main defenses.

It was emphasized the French were in the main line but had definitely filtered into the outer line of the German works.

Further, the French were believed to be attacking in force in the Sierck sector, on their left wing at the Luxembourg border, at a point which some military experts think may prove to be the weak point of the west wall.

Today the French high command in communiqué No. 23 of the war said:

"Operations in these last days enabled us to assure penetration of the German line in the region northeast of Sierck since the German offensive movement manifested in the last 10 communications."

"We moreover reported beyond that point."

"During the night, we made local improvements in our first line despite strong enemy reaction, principally from its artillery."

"The high command must be known also that there was German artillery fire east of Saarbrücken. It was in this sector that the French had filtered into the outer works of the west wall line."

"Heavy Results"

"For days the French had dug down the German line in the region northeast of Sierck since the German offensive movement manifested in the last 10 communications."

"We moreover reported beyond that point."

"During the night, we made local improvements in our first line despite strong enemy reaction, principally from its artillery."

"The high command must be known also that there was German artillery fire east of Saarbrücken. It was in this sector that the French had filtered into the outer works of the west wall line."

On Both FRONTS

"We moreover reported beyond that point."

"During the night, we made local improvements in our first line despite strong enemy reaction, principally from its artillery."

Cowboys Need Single Win to Annex Crown

By HAL WOOD

A battlin', rustlin' band of never-say-die Twin Falls cowboys tonight takes the field at Jaycoo park with the avowed purpose of putting to an end for the 1939 season any chances the aspiring Potocello Cardinals would have of annexing the championship of the Pioneer baseball league.

With either John Stefan or Bob Kinnaman on the mound, the Cowboys will hope to make a sudden death affair of a conflict that has raged over three months of play and 121 games. The victors will probably add Frank Nelson to the firing line, according to late information from Manager Robello of the chain gang.

Three-Game Lead

The Twin Falls crew enters the series with a three-game lead amassed in a drive down the final stretch that has taken them 10 of their last 14 games—and put on the finishing touches last night by going on their biggest hitting spree in a month to score a 14-7 victory over Salt Lake City on the Utah's home grounds. Meanwhile the Cardinals were defeated by a 1-0 count when Hal Erickson, the hurler recently sold to the Cincinnati Reds by the Lewiston Indians for \$2,000, let them down with five hits.

However, when the two clubs square away tonight they will display the best strength they have been able to muster during the past month. Back in the lineup after two weeks absence with a sore arm, Charley Wray batted the ball hard at Salt Lake City and will improve the local ball club. The rest of the regular lineup will also be intact, with Manager Charley Wray not yet wholly satisfied with the lineup.

At last, the Cardinals have held the all-important shortstop berth. Holcher is reported to be out with an injured leg.

Potocello Strengthened

The Potocello club has been strengthened the last 10 days by the return of Dan, a player who played the hot bat in the outfield and behind the bat. He was out for six weeks with appendicitis.

Good weather that arrived on the scene with the return of the Cowboys from Salt Lake may mean a record-breaking turn-out at the park tonight. The crowd will be big when the sun goes down. Business Manager Hugh Price has arranged a shift to care for the big crowd. Many of the attendees will be dressed for wintry weather—a football crowd.

A game is scheduled to start at 8 p. m.

Records to date show that the Twin Falls club has won only one series from the Potocellos this season—three in a row against the visitors on Aug. 11-12-13. The rest of the line the Cardinals have won 2-1 decisions, except the first (Continued on Page 3, Column 1)

Prisoners Held in Poison Plot

JOINT, Ill., Sept. 15 (U.P.)—Forty-eight convicts were held in solitary confinement at Stateville penitentiary today while officials investigated an unconvicted escape plot in which 11 guards and a trusty were fed a powerful drug in their coffee. Five guards were made seriously ill but recovered.

Hunt Wins Over McNeill in U. S. Tennis Tourney

PORTSMOUTH, N. Y., Sept. 15 (U.P.)—Joe Hunt, the big middleweight from Ann Arbor, reached the semi-final round of the national tennis championship today with a 6-4, 10-12, 8-10, 4-6, 6-2 victory over Don McNeill of Oklahoma City.

The match, postponed because of darkness yesterday, was resumed today with Hunt leading two sets to love and with game at 8-11 in the third set.

Hunt will meet Bobby Riggs in a semi-final match tomorrow.

Germans Control Half of Nation; Fight at Warsaw

By JOE ALEX MORRIS

The allied powers reported land and sea successes today in their war to offset the battering advance of the German war machine through Poland.

On the high seas, the British admiralty announced, many attacks have been made on Nazi submarines and "a number" have been destroyed. Both British and French warships sought out German vessels acting as supply stations for the U-boats.

On the Rhinefront from French troops reported more local advances east of the Saar river and near the Luxembourg frontier. The French, holding their ground against greatly intensified Nazi artillery fire, penetrated German territory east of the Saar until they were in contact with Nazi forces before the Siegfried line and also carried out a strong attack in the Sierck sector, which some believed to be a weak point in the main German fortifications.

Nazi drive through Poland, meanwhile, progressed rapidly, with the Germans blasting at the fortifications before Breslau and driving hard through the south in an effort to cut off the Russian frontier communications.

Warsaw still held out, reporting that Germans again had been hurled back in fighting in the suburbs, and Polish artillery was reported to have shot off a strong Nazi attack on Lwow, in the southeast.

25,000 Civilians Killed

In Poland, the Polish transcontinental agency reported a broadcast charging that German aircraft had killed 25,000 civilians and destroyed many towns and villages.

The speed of the German drive eastward through Poland put the Nazis in a dominant position in more than half of the country and made the Soviet position precarious. The Soviet frontiers that an early showdown appeared likely in the Russian government's role in the European war.

Dispatches from Poland by way of Rome asserted Lwow had been captured by the Germans. Bucharest heard that Polish soldiers had retreated across the frontier into Rumania and been interned.

Fighting Started

In the north, fighting was reported spreading toward the Lithuanian frontier but most of the fighting continued to indicate that the Nazis were encircled and that the Lithuanians had broken up the German army units.

Plans for the new bridge are still in the drafting room, an attitude that the bridge will be started as soon as plans are complete. New approaches are also being provided.

Positive action toward the new bridge was corroborated in Twin Falls today with filing of two right-of-way deeds on Amsterdam property at the spot on which U. S. 88 crosses Deep creek. The deeds were granted to the state by Beryl B. Kunkel and Clarissa Kunkel and by A. F. Kunkel and Evelyn Kunkel. Property owned by the brothers lies adjacent to the highway.

The right-of-way deeds cover strips 40 feet wide.

Strengthening of the creek above waters washed out the bridge and caused slower travel on the important north-south highway all summer is forecast in the deeds. Both documents carry a provision specifically granting the state permission to straighten the channel of Deep creek 200 feet from the right-of-way line.

SAINT QUENTIN PRISON, Calif., Sept. 15 (U.P.)—Charles McLaughlin, 36-year-old slayer of J. Edgar Hoover, Downey schoolgirl, died in the Saint Quentin prison lethal gas chamber today.

He was tried for the slaying of the schoolgirl, which he was charged with in 1934.

The dispatch also reported a battle northeast of Breslau, where nine Polish tanks were destroyed.

PARIS, Sept. 15 (U.P.)—The Polish transcontinental agency reported today that the London (Herald) radio had announced that 30,000 civilians had been killed in German attacks on Poland.

The civilian "casualties" were higher than military casualties, the Polish station said.

NORTHERN GERMAN TROOPS ADVANCE ON EAST POLAND

REPORTS DENIED ON HUGE LOSSES BY NAZI ARMIES

By FREDERICK C. OCHSNER
BERLIN, Sept. 15 (AP)—The army high command announced today that German troops from the north have entered into the heavily fortified zone at Brest-Litovsk, gateway to east Poland, and had won up parts of its fortifications. The great citadel there, however, was "still held by the enemy."

The communiqué said Germans had approached Praga, a suburb of Warsaw, from the north, east and southeast; that they had beaten back another attempt yesterday by "a very strong and desperate fighting Polish force surrounded in the vicinity of Kutno (60 miles west of Warsaw) to break through to the southeast."

Main Route to East
The fortified zone of Brest-Litovsk commands the main route to the east, the Pripiet marshes and the Russian border. It is the capital of the province of Polesie, bordering Russia. It is at the junction of the Mouchowic and Bug rivers, on the Ruch canal linking the Vistula and Dnieper rivers. It has been a junction for railways from Warsaw, Kiev, Moscow and East Prussia. The population of 30,000 is more than half Jewish; it has been decreased by more than a half by wars between 1914 and 1920.

The German high command denied dispatches attributed to the French news agency Havas and to the Polish telegraph agency reporting "heavy German losses, including 13,000 taken prisoners, 280 planes shot down and 170 armored cars captured." The high command commented:

Nazis Hunt Polish Snipers

(NEA Cablephoto)
Nazi soldier chases snipers from Polish home in search for snipers. With three comrades, he is part of "mopping up" squad taking possession of captured town (name deleted by censors).

NAVY RECRUITING CHANGES LISTED

Various changes which will enable the United States navy to build up to a greater strength under the present emergency were announced here today in a communication received from M. D. Davis, recruiting officer in charge of the station at Pocatello and also this district.

Davis announced the following changes become effective at once: Age limits for first enlistment, are 18 and under 31 years; ex-service men of the army, marine corps and coast guard with creditable discharge may be accepted for enlistment even though they have been out of service over three months, provided they are under 30 years of age.

"Broken" service men, discharged under honorable conditions, who are in all respects qualified and have been out of service less than eight years will be accepted in the same manner as that held at the time of discharge. The term of enlistment for ex-service men is four years.

Men out of the navy service more than eight years who are less than 35 years old will be accepted as seamen, first-class, and firemen, second-class, if physically qualified. Transportation and subsistence will be furnished from local sub-station to main station after man has passed preliminary physical examination.

Complete information regarding new enlistment terms can be had by writing to Mr. Davis, at the Federal post office building at Pocatello.

BUHL

Mrs. J. W. Wurster entertained Friday for Miss Lauree Patra, who left Sunday for Boise to enter St. Alphonsus hospital for student training. Prizes in cards went to Mrs. E. H. Hight, Ruth Hart and Lois Kendall.

Mr. and Mrs. William Merrick, Los Angeles, Calif., are visiting Mr. Merrick's parents, Mr. and Mrs. C. M. Merrick, after completing a tour of Europe. They left March 4 from Los Angeles and have traveled in all the major countries of Europe. They arrived in New York City Aug. 11 and after visiting the fair and friends in Boston, Mass., are on their way home.

Ernest Engles left Friday for Nampa where he will enroll in the Northwest Nazarene college as a freshman.

Bill Boyd, son of Mr. and Mrs. J. J. Boyd, left Monday for Cleveland, O., to enter Western Reserve medical college. Bill graduated from the University of Idaho last June.

His parents last week, en route to Port Angeles, Wash., where he has accepted a position with the Ray-Olar paper company. James graduated from the University of Idaho at Moscow in June and was employed during the summer months with the Shattuck Chemical company at Denver, Colo.

Mrs. Lee Hoobing and Mrs. James Ponce returned this week from Portland, Ore., and White Swan, Wash. Miss Lesene Hoobing will teach in the home economics department at White Swan this winter.

Members of Buhl 11th engineers of Idaho unit of the national guard held their first practice since summer encampment at the Buhl American Legion building Monday.

Dr. Leroy Walter, university pastor of Moscow Presbyterian church, and two students from the university, Mary Elizabeth Thomas, Kendrick, and Marion Partner, Aberdeen, presented a program of music and school encouragement at a special meeting of young people and members of the congregation Saturday.

Consumer Chemistry, Current Events Among Newest Classes

Current happenings, art for the home and for girls' personal use, business English and consumer chemistry are the subjects of four new classes in Twin Falls high school are taking up as the school year gets under way.

These new classes are being offered as part of a more modern curriculum, to make education received in high school more applicable to use after leaving school.

Most up-to-the-minute of all will be the current events class, taught by Gerald Wallace. In an entirely impartial way, students in the class will study any current happenings or trend which they wish to take up.

To keep up with domestic and foreign news, members of the class will take the American Observer, follow the news and listen to radio news broadcasts. To study the news, they will do research work.

Writing for Manchester, England, to a friend, Mr. Wallace expects to obtain for his students English newspapers and an explanation of the English point of view.

Among the books which will be used by the class are "Inside Europe" and "Inside Asia" by John Gunther; "Democracy Today and Tomorrow" by Edward Berns, former president of Cerebrolab.

Study Propaganda
Propaganda analyzed by the Institute for propaganda analysis, which shows how propaganda is spread, and "headline books" published by the Foreign Policy Association on such subjects as "Supreme Court and the Constitution," "Puzzle of Palestine," "Billions for Defense," "This Question of Hitler," "War in China" and "Shadow Over Europe," will be taken up. The booklets supplement their information with charts and graphs which show clearly what they mean.

Current magazines will be kept in the classroom, with other material the class secures. Study started this week with the biography of Hitler, and this will be followed by study of the other leaders who are making current history.

Last of all the class will study what American democracy is and how it works.

Business English
Business English, taught by Miss Gladys White, is the largest English class in school, with 38 seniors enrolled.

In it, the emphasis will be placed on letter writing, with grammar a secondary consideration. The textbook being used has just been published, and is just "hot off the press," according to the instructor. A new semester course, it will again be offered next semester to those who wish to take it.

Consumer course, which John D. Flint will instruct, will give a chemistry course for those students who do not expect to go on with scientific work.

Since approximately only 30 per cent of those who take chemistry courses in high school go on to take more, this course will be offered to those who will not go back to school after graduation, or who will major in business or other non-scientific courses.

Study Products
Students in the course will study what a consumer is, and then study which they buy, and then will study the article itself. As many field trips as can be made will be taken. Study will be planned to apply to this community, to make it more practical.

Following the new emphasis in education that farming is by experience, this course will provide a

WPA TO RESUME WORK AT FALLS

Visit of Mayor Joe Koehrer to Boise spurred WPA officials to action, according to word received from Koehrer, who said the Shoshone falls park project discontinued in July would be reopened, and speeded work on the new municipal 5,000,000 gallon water storage reservoir which is now asserted to be from six to eight weeks behind schedule.

As a first step in speeding work on the reservoir, WPA heads said the WPA would immediately purchase \$20,000 worth of pipe, housings and valves for the project south of Twin Falls. It is believed that pouring of concrete can be started as soon as the pipe is received and continued until weather conditions make further pouring this fall inadvisable.

Another step in the attempt to speed the work is an engineer, furnished by WPA, to supervise work at the reservoir.

Additional labor for the project will probably not be sought, as requested by the mayor, because officials said they did not wish to interfere with the supply of labor available for use in the harvest of beans which will be started within another two or three weeks.

The Twin Falls city council meeting Monday will be attended by O. K. Hine, state WPA administrator and other WPA officials from Boise, said Koehrer.

Carver Retains Superior
SUPERIOR, Wis., Sept. 15 (AP)—Just his left arm a number of years ago, Harry Mills, Superior, Wis., his wood carving days were "just as good as a new man." He has his tools again about a year ago, and in his own words, "found my first carving then was better than any I had done before." His work is displayed at the Superior public library.

The brightest stars have individual names in addition to conventional names. The principal star of constellation is called Alpha, the next Beta, and so on, in the order of the Greek alphabet.

Farmers Speculate on Possible War Benefits

By WILLIAM MCENAMIN
BOISE, Ida., Sept. 15 (AP)—The European war reverberated in Idaho this week with farmers speculating on what benefits they would receive from the price upturn it caused.

Retail prices of staple commodities boomed and farmers withheld wheat from markets in anticipation of higher prices. Housewives reported to secure stores of sugar, flour and lard against anticipated rocketing household prices.

Farm leaders feared middlemen would take most of the benefit from the price upturn and they would be left with increased costs and little advance in revenue. They pointed out, it took considerable time for increases in sugar, wheat, for example, to reflect in higher income to sugar beet raisers.

Retain Wheat Stocks
Remembering high wartime prices, Idaho farmers' withhold from the market large stores of wheat, despite a substantial price rise. But from Washington came the warning of Secretary of Agriculture Henry A. Wallace that average prices of wheat, corn, hogs and beef would be a year after the world war started than they were in 1914.

Henry Dworshak, R., Ida., predicted Idaho farmers would benefit in increased prices of wheat, corn, hogs and livestock from the European war situation, providing the United States continued to remain neutral.

Federal authorities asserted prices of basic commodities would be affected by the fact that present supplies, in contrast to the 1914 situation, are large.

Farmers Warned
They warned farmers to proceed with the production plans as if outbreak of war in Europe had not occurred. Fear of abandonment of the agricultural adjustment benefit program by farmers in anticipation of war profits prompted the warning.

But American agriculture is in a better condition to meet the shock of war than it was 25 years ago, Wallace asserted.

The principal problem of agricultural adjustment administration officials is directing farmers in the

Bridal Couple Visits At W. O. Smith Home

Mr. and Mrs. William Rihard Smith, Los Angeles, arrived last evening for a brief visit with Mr. Smith's parents, Mr. and Mrs. W. O. Smith. They are on a wedding trip to Sun Valley and will return to the coast by way of Salt Lake City and Boulder dam. Their wedding trip itinerary also includes San Francisco and Lake Tahoe.

Mrs. Smith was Miss Dorothy Roberta Homewood, daughter of Mr. and Mrs. John Homewood, 326 East C street, Ontario, Calif., prior to her marriage Sunday, Sept. 10, at the Little Cathedral of the Foothills, Upland, Calif.

Mr. and Mrs. W. O. Smith were among the 200 guests present for the double ring ceremony, which was solemnized before a background of candelabra, palms and potted ferns.

U. of C. Graduates
Mr. Smith, formerly of Twin Falls, is now located in Los Angeles with the state personnel department. He was graduated from the University of California at Berkeley, where he was a member of the Masonic club.

Mrs. Smith was graduated from Chaffey Union high school and Chaffey Union college, Ontario, and the University of California. She was a member of the McDowell club, the Masonic club, the Commerce club, and the Masonic club at Berkeley. She has been employed in an investment broker's office at Los Angeles since her graduation. The bride was groomed in white broadcloth satin in train, with long finger-ring sleeves, shirred bodice and long style skirt. Her three-tiered finger tip wedding veil was caught with a coronet of white satin trimmed with brail.

Heirloom Jewelry
Taken of sentiment was an engraved gold drop on a chain, an heirloom piece of jewelry, originally owned by the paternal grandmother of the bride.

She held a bridal bouquet of white roses and gardenias, with which she carried a white satin-covered. Testament which had belonged to her maternal grandmother.

Attending her as matrons of honor were Mrs. Orval Wayne Van Horn and Mrs. Stanton G. White, her sisters, who were groomed alike in Sailing blue tulle with Eton jackets, and carried apricot gladioli.

Maid of honor were Miss Eleanor Dixon, Berkeley, and Mrs. Nell Young, West Los Angeles. In rose Trianon taffeta, and Miss Elizabeth Bond and Miss Dorothy Peterson, Ontario. In Marquis rose taffeta, the frocks in design identical to those of the matrons of honor. The quartet of bridesmaids carried white gladioli.

In their hair they wore flowers matching their bouquets, tied with ribbons to match the ribbons of their bouquets.

They Seated Guests
Best man was Fred Alexander, Los Angeles. Ushers were Jack Everett, Homeowner, brother of the bride; George Parker, Los Angeles; Neil R. Young, West Los Angeles; Orval Wayne Van Horn, Ontario; Stanton G. White, Laguna Beach.

Rev. Herschel R. Griffin was the officiating minister. Mrs. Duncan C. Engle was the organist. Francis Wilson, Upland, soloist, sang "For You Alone," "Because," and "O Perfect Love." The organ recital preceding the ceremony included "Love's Old Sweet Song," "Always," "Liebestraum," Schubert's "Benediction," "The Roseary," The Mendelssohn wedding march and Wagner's wedding march from "Lohengrin," also figured in the nuptial music.

Mrs. John Homewood, mother of the bride, wore a floor length gown of black metal lace with a silk lace bodice over gold satin, fashioned with an Eton jacket and black accessories. A corsage of tallies roses completed her ensemble.

Mrs. Smith, mother of the bridegroom, was groomed in a floor length model of fuchsia silk with black accessories, and a corsage of roses in harmonious shades of pink.

Reception Here
Following the wedding, a reception was held at the home of the bride's parents for 75 relatives and friends. Assisting the hostess were Mrs. Maye LeMay, Claremont; Mrs. William H. Sanders, Mrs. Edgar Wilcox, C. Pacific; Mrs. D. D. Upland; Mrs. William Cooper, Huntington; Mrs. James A. Curry, Berkeley; Mrs. Genevieve Lewis, Mrs. Ruth Lewis, Ontario; Mrs. Ray Johnston, Los Angeles.

For her going-away outfit, the bride wore a three-piece suit of black, with dyed for fur collar and matching accessories, and a corsage of gardenias.

RUNNING CIRCLE
CLUB RECALLS SCHOOL
Running Circle club members recalled interesting "school day incidents" when they met Wednesday afternoon at the home of Mrs. W. T. Steel. Sister members and guests, Mrs. Albert Medford, Grace, were present.

Mrs. E. P. Laubenstein presided at the business session and division No. 2 entertained at Chinese checkers and cards.

Honors went to Mrs. Lillian Wilson and Mrs. Anna Peters at cards and to Mrs. Nora Peterson for Chinese checkers. (Mrs. Lillian Wilson won the traveling prize.) Refreshments were served. Astors formed the room trim.

PTITHIAN SISTERS
MAVE SONG REHEARSAL
Pythian Sisters met last evening at American Legion Memorial hall for a business session. Mrs. Deane Morrison was in charge of the association.

Mrs. Anna Winans was appointed secretary for the remainder of the year. The program was devoted to a test of new songs.

Weds at Lutheran Church

Lovey in a classic white satin gown, fashioned in train, was Miss Darlene Ruth Werner, when she became the bride last evening of Rev. Paul G. Hansen, Organist, at a twilight ceremony. Following a trip to San Francisco and Tucson, Ariz., where they will be guests of the bridegroom's parents, the couple will be at home in Ogden after Oct. 1. Rev. Hansen is pastor of St. Paul's Lutheran church there.

Farewell Courtesies Honor Vacation Duo

Complimentary to Mrs. Gordon Oldham, Kansas City, Mo., Mrs. T. Dan Connor entertained at an informal bridge luncheon this afternoon at her home in Filer. This morning Mrs. Oldham shared honors with Mrs. E. L. Wilson, Lewiston, at a smartly appointed 10 o'clock breakfast at the home of Mrs. Robert Reese, 306 Lincoln Terrace. Mrs. Wilson is the mother of Mrs. Reese.

Dr. and Mrs. Oldham will tomorrow conclude a visit at the home of Mrs. Oldham's parents, Mr. and Mrs. C. F. Wurster, 106 Buchanan, Mer.

Visitor Feted

Mrs. Connor's luncheon guests included Mrs. Wurster, Mrs. Oldham, Mrs. A. J. Peavy, Mrs. T. G. Peavy, Twin Falls; Mrs. John W. Wurster, Buhl; Mrs. William Powell, Berger; and Mrs. J. W. Greed and Mrs. E. M. Rayburn, Filer.

A floral motif was featured in the table trim. Mrs. Oldham was presented with a gift. Contract bridge was the diversionment of the afternoon.

Mrs. Reese presented Mrs. Wilson and Mrs. Oldham with guest favors at the breakfast this morning. The breakfast was in the nature of a farewell courtesy, and the travel motif was featured in the table center.

Autumn flowers in pastel formed the decorations for the rooms and tables.

Other out-of-town guests at the breakfast, in addition to the honorees, were Mrs. Ambrose Adams, Boise; Miss Ruth Melchers, Los Angeles; and Mrs. John W. Wurster, Buhl.

Other guests were Mrs. C. F. Wurster, Mrs. Virgil Lebeck and Mrs. Harry Edson.

Mrs. Adams is returning today to Boise, following a brief visit with Mrs. Oldham at the Winston home. They were members of Delta Tau Gamma at the University of Idaho a few years ago.

Miss McRoberts is here for a vacation visit, the guest of her parents, Mr. and Mrs. P. W. McRoberts.

Receptions Arranged For Kimberly Faculty

The 22 members of the Kimberly school faculty, their wives and husbands, and L. A. Thomas, superintendent, and Mrs. Thomas, have been guests at two charmingly arranged receptions in the past two days at Kimberly.

The Ladies' Pioneer club of Kimberly welcomed the group at a reception yesterday afternoon at the home of Mrs. R. H. Denton. The Christian Endeavor society of the Christian church arranged a reception Thursday evening at the church parlors for the educators.

Mrs. S. H. Proctor was chairman of yesterday's event. Other members of the hostess committee were Mrs. Deaton, Mrs. Floyd Pollard, Mrs. H. Henry and Mrs. Dean Shipley.

Mrs. Thomas presided at the refreshment table, which was attractive with an arrangement of asters, Fall flowers decorated the rooms.

Mrs. Jack Cramer played numbers and Mrs. O. P. Duval, Twin Falls, sang two songs. She was accompanied by her daughter, Mrs. Robert Denton, Jr., Kimberly.

Mrs. G. I. Klous and Miss Doris Bower were in charge of the games and entertainment at the evening reception. Refreshments were served.

Anderson-Lane Nuptials Read

Miss Vivian Gladys Lane, daughter of Mr. and Mrs. Andrew P. Lane, Jerome, became the bride of Clifton Edward Anderson, son of Mr. and Mrs. Archie T. Anderson, Tuesday morning, Sept. 12.

The ceremony was performed at 9:45 o'clock at St. Edwards' rectory by Rev. James H. Grady.

The couple was attended by Miss Bernetta Anderson, sister of the bridegroom, and Fred Zimmerman.

Mrs. Anderson is a graduate of the Kimberly high school. Mr. Anderson is a graduate of the Twin Falls high school, class of 1939, and the State Barber college, Boise.

Following a short wedding trip the couple will be at home in Kimberly, where Mr. Anderson is engaged in business.

A wedding dinner was served to the bridal party and immediate relatives at the home of Mrs. Wilson, following the ceremony.

Calendar

Panhellene association will not meet this afternoon, Sept. 16, as planned, but will meet Saturday, Sept. 23, at 1 p. m. at the Park hotel for luncheon.

Smiling Through club will not meet this afternoon. The meeting has been postponed until Oct. 20, officials announced last evening.

Salmon Trout Home Makers' club will meet at the home of Mrs. A. E. Caldwell Sept. 20 at 8 p. m. with Mrs. Bennett as hostess. Honorary guests will be revealed at this meeting. The committee for Achievement day will report and the work discussed. Achievement day will be held Oct. 28 at the Twin Falls county fairgrounds, Filer.

Dinner-Dance Honors Brave Old Guests

Dick Heppner entertained informally at dinner one evening this week at his home, 227 Fifth avenue east, in honor of Miss Joan Burt Vancouver, B. C., and a group of his friends who are leaving soon for universities and colleges.

Miss Burt will return to Canada tomorrow, concluding a visit at the home of Mr. and Mrs. P. T. Peavy, Buhl. Dancing was enjoyed following dinner, which was served at a table centered with pink petunias and flanked by lighted pink topers. Mrs. C. M. Heppner conducted her son in entertaining the group, which was comprised of the following:

Panhellenic Will Resume Meetings

Resumption of activities of the Panhellenic association is scheduled for Saturday, Sept. 23, when a 1 o'clock luncheon will be served at the Park hotel, instead of Saturday, Sept. 16, as previously planned.

Last year's officers, Mrs. C. R. Nelson, president; Miss Beulah Way, vice-president, and Mrs. Robert Werner, secretary-treasurer, will be hostesses of the afternoon.

Anyone who has been initiated into any of the national societies which are affiliated with the national Panhellenic is eligible to belong to the group.

Those desiring to attend, are requested to notify one of the hostesses before Saturday.

A business session will be followed by a concert.

GOOD WILL CLUB
PLANS FOR LUNCHEON
Good will club will be in charge of the luncheon Wednesday, Sept. 27, for delegates to the state convention of the Idaho Federation of Women's clubs. The convention will be held from Sept. 28-29.

Committees to complete arrangements for the luncheon, were announced at a meeting Wednesday at the home of Mrs. Earl Johnson, as Mrs. Chloë Carr. No hostess refreshments were served.

W. O. W. ENTERTAIN AT WATERMELON FEAST
Woodmen of the World and their friends enjoyed a watermelon feast and social gathering Wednesday evening.

Watermelon was served around a lighted bonfire on a vacant lot owned by Miss Dorothy Dale, a member of W. O. W.

Later in the evening, the party went to the home of Spencer Robinson, council commander, for dancing. Arrangements were made for a business meeting to be held Thursday evening, Sept. 28.

HEAVY FIGHTING REPORTED IN SUBURBS OF WARSAW

CHILDREN'S HOME BOMBED, WITH 60 CLAIMED KILLED

By M. S. HANDLER

PARIS, Sept. 15 (U.P.)—Transcontinental radio (a Polish agency) reported heavy fighting today on the outskirts of Warsaw. German tanks and motorized troops were reported to have reached the suburbs but Polish sources here said they had been driven back.

Reports here and in other European capitals indicated the Germans were driving deep into southeastern Poland, below Lemberg (Lwow) which was being bombed from the air, and were approaching the Polish-Rumanian border.

Near Frontier
(An unconfirmed report at Bucharest said that part of the Polish government was now at Zaleszczyki, near the Rumanian frontier, and the majority of the foreign diplomatic corps accredited to Poland, including the United States legation, was at that town.)

Fighting appeared to have become more generalized and to have been extended far into the northeast, near the Lithuanian border, as well as to the southeast.

A broadcast from Vilna, near the Lithuanian border, as heard in London, quoted the Lemberg defense committee as saying: "Motorized forces of the enemy attacked our city (Lemberg) but were repulsed. Nine tanks and 11 motorcycles were left on the battlefield. Many of the enemy were killed. Twenty German airplanes participated in the attack but were beaten off by our air fighters and anti-aircraft guns."

Sanatorium Bombed
London heard the Vilna broadcast say German planes had bombed a children's sanatorium near Warsaw and killed 60 patients, and had bombed a Red Cross train near Kutno. A broadcast from Baranowicz, in the far northeast, 30 miles from Russia, also heard in London described the first air raid on that city of 22,000.

German operations in the east were designed to encircle Warsaw and the big Poznania salient west of it. Polish dispatches admitted severe fighting southeast of Warsaw but failed to confirm Germany's announcement of yesterday that the encirclement already had been completed by a meeting of the German north and south armies near Gliedze.

Shirts-Shorter
BERLIN (U.P.)—To save on raw material and cut down cotton imports, German shirts will be made 2 inches shorter. Already much shorter than American and English shirts they will be little longer than women's blouses.

Fried ice cream became a reality at the Chicago World's Fair in the Gay Nineties. It was dipped into this batter, doused into hot fat that cooked the batter before the cream melted.

Mess Call for Hungry Troopers

Welcome interlude in the hectic business of war. Polish troopers get their rations during temporary halt on way to the front. Picture, one of first taken behind Polish lines, was passed by censor, rushed to U. S. by clipper plane.

Four Youngsters Still In Amateur Golf Meet

GLENVIEW, Ill., Sept. 15 (U.P.)—Four youngsters who eliminated all the headline heroes with their blistering pace in the first four rounds, set out over the North Shore country club course today in two 36-hole tournaments for berth in the finals of the U. S. Amateur Golf Championship. None has even won a major title.

Their names and how they play today:
Don Schumacher of Dallas, Tex., 16 Ray Billows of Poughkeepsie, N. Y.; Marvin (Bud) Ward, Spokane, Wash., vs Art Doering of Chicago. Ward yesterday defeated Joe Thompson of Burlington, Ontario, 2 up and Ed Kingsley of Salt Lake City, 3 and 1. Doering beat Trailer Bill Holt of Clay, N. Y., 3 and 4, and George Dawson of Chicago.

Schumacher defeated Ed Meister, Jr., of Warrensville, Ohio, 3 and 2, but was carried to the 18th hole before he could defeat Harry Givan, former Walker Cup player from Seattle, 1 up.

The finest match play round of the tournament was a 31 by Billows as he crushed the 1922 champion, C. Ross Somerville, of London, Ont., 6 and 5. Billows also defeated John Burke, 2 and 1.

AMSTERDAM

Miss Dee Strickling, daughter of Mr. and Mrs. Stanley Strickling submitted to a tonsil operation last week and is recovering nicely.
Miss Julia Kunkel was a weekend visitor of Mrs. John McGavoy, Rupert.

The little French town of Alen, with a population of 2,000, hasn't had a fire in more than 600 years.

CLASSES VIE IN TICKET SELLING

Season tickets went on sale today at Twin Falls high school, with a salesman in every advisory and with classes competing to sell the most. It was announced by Dale Wakers, who is in charge of sales.

To the class which sells the most tickets go 100 points toward the coveted citizenship cup, awarded each year to the class which gains the most points in various activities.

Ticket salesmen for the sophomores are Bill Noble, Ralph Downing, Joan Benoit, Tom Carney, Doris Durbin, Bob Jones, Lawrence Mesch, Billy Schlegel, Dick Ballad and Virginia Weller.

Junior salesmen are Adda Mae Bracken, Ruby Carlson, June Daniels, Freda Hartley, Billy Kaufmann, Fred Mac, Mickey Humphrey and Patricia Smith.

Selling to seniors are Mary Frances Bates, Gordon Gardner, Shirley Harfust, Bob Melga, Arlene Porter and Becky Victor.

HAGERMAN

Luncheon last week in the club rooms marked the opening meeting of the club. Each member brought one guest as a prospective member. Hostesses included the executive board, Mrs. Marion Frewett, Mrs. John W. Jones, Mrs. Andy Willis and Mrs. E. L. Chaplin, and officers, president, Mrs. Orlando Jacobson, vice-president, Mrs. John Bappte, secretary, Mrs. George Martin, and treasurer, Mrs. Harvey Hoff.

Mrs. Arlin Allen gave a farewell party Friday in honor of her daughter, Frances, who left for Boise Sunday to take nurse training.

Health unit met Monday at the home of Mrs. James Allen. Mrs. Pearl Kirkpatrick, Gooding county nurse, was present. Plans were discussed for serving hot lunches to school children during the winter.

A bridge luncheon was given by Mrs. Katherine McElrath in honor of Mrs. Wade Nelson, Grand County, Wash., arrived to visit her parents, Mr. and Mrs. Edward Thompson.

Mrs. and Mrs. Pele Arterburn and parents of a boy born last week at the home of her mother, Mrs. Emma Arterburn.

Mrs. Robert Green left Sunday for Brenner, Mont., where she will be employed at the Brenner ranch.

Mosquitoes

TOLEDO, O. (U.P.)—The fashionable suburban village of Ottawa Hills attacked its mosquito problem in a scientific manner this year and scored more than 80 per cent. The program has cost the villagers about 19 cents per capita.

BENEFIT CONCERT NETS FUND \$250

Concert of the municipal band at the high school building last night netted approximately \$250 to be used toward the purchase of new uniforms for the high school band.

Edward Rogel, high school principal, said today.

Immediately following the band concert plans were discussed for other events to raise additional money for the "uniform fund."

Next event in the drive to secure sufficient money to purchase the new uniforms will be the high school play, "Prologue to Glory," an American play, to be presented on Oct. 19 and 20.

Sale of student body activity tickets will also be started in a few days with "tag funds" going toward the purchase of uniforms if a sufficient number of tickets are sold.

Another event from which funds may be added for the purchase of uniforms is the Don Gossack all-male choir of 25 voices which will be presented by the high school on Oct. 28, said the high school principal.

At present the uniform fund totals about \$500, including the \$250 netted from the concert and an additional \$250 which has been promised by the school board which voted to contribute.

The church Thursday afternoon with Mrs. Claude Lee as program leader. Hostesses, Mrs. Samples, Mrs. C. A. Beasly, Mrs. G. Basaire, Mrs. R. Carlson and Mrs. Simpson.

BUHL TRINITY EPISCOPAL
Rev. Inna L. Jenkins, vicar.
8 p. m. 15th Sunday after Trinity. Evening prayer with sermon.

tribute a sum equal to the profit from the band concert.

Approximately 800 persons attended the concert. Total money actually already turned in to the principal is \$238, but it is believed that at least another \$15 has not yet been returned.

Homer M. Davis, superintendent of Twin Falls schools, explained the plan to purchase new band uniforms during intermission at the concert last night. He said the school board would match, dollar-for-dollar, what students raised for the purchase of the new uniforms.

During the concert last night, the audience sang "God Bless America" with Director Orrin Fuller leading.

OVERHEAD AT TREASURE ISLAND.

"I never knew Coffee is picked by hand"

You are cordially invited to visit Hills Bros. Exposition Theatre at the 1939 Idaho-Gate International Exposition—Treasure Island—presenting in "Color"—"Behind the Cup."

"I never knew COFFEE IS PICKED BY HAND." Many people say this after they visit Hills Bros. Exposition Theatre. Yes, the highest grade coffees are carefully picked by hand. And similar standards of exacting care govern the roasting and packing of Hills Bros. Coffee to insure its matchless uniform goodness. No wonder people say, "Now that's what I call good coffee!"

Hills Bros Coffee

For more detailed instructions on making coffee with the free cup of Hills Bros. Coffee, see "The Art of Coffee-Making" Address Hills Bros. Coffee, Inc., San Francisco.

"I'M SOLD ON The Correct Grind"

"I have learned in using Hills Bros. Coffee that The Correct Grind produces the finest tasting coffee in any type maker. If the rules of coffee-making are carefully followed, My grocer says regarding coffee sacrifices aroma, flavor, freshness."

IMPORTANT: Carefully observe timing for each method. Measure 2 level tablespoons of coffee to each cup of water. Very water slightly for most strength desired. Keep coffee-maker clean.

DEEP METHOD: 6 to 8 minutes preferred. 11 to 15 to 20 minutes if made, water will drip too fast during weak brew.

CLASSIC VACUUM METHOD: Put 2 level tablespoons of coffee in a 10-cup vacuum pot. Boil. Coffee and water should be in contact 5 to 7 minutes.

PERCOLATOR: Start with cold or hot water. "Percol" for 10 minutes after steady pointed starts.

COFFEE: Boil coffee and water on the stove. Boil for 10 to 15 minutes in a 10-cup pot.

STRENGTH: Deep boiling water on stove. Boil for 10 to 15 minutes in a 10-cup pot.

SPORTS

COWBOYS GUN FOR CROWN HERE TONIGHT

YANKS DROP 3RD IN ROW AS TIGERS SCORE 6-1 WIN

Twin Falls Club Increases Lead to 3 Games; Needs Lone Victory to Cop Title

With only one game needed to tack the first Pioneer league championship away from the Twin Falls Cowboys open a three-game series here tonight against the Pocatello Cardinals in the final "crucial" set-to of the season.

The contest is slated to start at 8 p. m., with probably John Stefan or Bob Kinnaman on the mound for Twin Falls and Owens hurling for the visitors.

By virtue of a 14-7 win over Salt Lake City last night as Pocatello was losing to Lewiston 1-0, the Cowboys came home early this morning boasting a three-game lead—and only three more contests scheduled for the 1939 season. The worst they could do was to drop three in a row and end in a tie—necessitating a play-off for the crown.

However, Manager Charley Wry and his boys have no such intention and are looking for the clincher tonight. If the hurlers pitch in turn, then it would probably be Mike Rudnick tomorrow night and Manager Wry on Sunday. In charge of the game tonight will be three umpires selected by President Jack Andrews, as the "best" in the loop. They will be Tom McQuillan, Dutch Ulrich and Ed Barrett. This way President Halliwell hopes to avoid any trouble that may come during the all-important series.

Reports here today were that a caravan of at least 150 persons would be present from Pocatello, including the league president, Ernie Stiles, official statisticians, and many others.

Get 10 Hits
Last night the Cowboys really "popped it out" at Salt Lake City as they pounded two Bee hurlers, Paul Pasovitch and Jack Andrews, for 18 hits. The club hit all the way up and down the lineup with the exception of Clean-up Batter Frank Falconi, who failed to connect safely in six times up.

But Corky Carlson, returned to the lineup for this series after two weeks of idleness with a sore arm, connected for four hits and singles in five trips up, Ernie Bishop got three out of four and Pitcher Bill Schubel got three out of six. The lineup, with the season nearly gone, were still looking for a shortstop who could field. George Helmscher held down that spot on Wednesday night and made three errors. Manager Wry gave him a rest last night and tried Al Larson instead, with little better success, because Al made two mistakes.

Schubel Wins 18th
Schubel, who was winning his 18th victory of the season against nine losers, was nipped for three runs in the first inning, but he pitched a tight ball from then on until the ninth when three more runs crossed the plate after the game was tucked away.

Despite the cold weather, a crowd of 2,000 to 3,000 was expected to flock to Jaycee park for tonight's festivity.

Box score for last night's tilt:
Box score: Twin Falls, 14; Salt Lake, 7.
Twins: 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th, 14th, 15th, 16th, 17th, 18th, 19th, 20th, 21st, 22nd, 23rd, 24th, 25th, 26th, 27th, 28th, 29th, 30th, 31st, 32nd, 33rd, Phelan Faces Big Rebuilding Task At Husky School

SEATTLE, Sept. 15 (UP)—Jimmy Phelan, the smart little Irishman who was one of Notre Dame's greatest quarterbacks, began one of the toughest football coaching tasks in the Pacific Coast conference today when he sent his University of Washington squad through preliminary scrimmage.

Phelan must whip a comparatively green squad into shape to meet University of Pittsburgh, one of the nation's best teams, in the opening game here Sept. 30.

After that he takes on six conference foes without a rest, skips a week and tackles two more.

Phelan was beginning his tenth year and the last under his present contract at Washington. The Wolves were after him during the last several seasons but he repaid some of his fence over the post-season period and he expected another sailing this year to lead to a new contract.

Lettermen Glaze

He started work without 17 lettermen from last year, including a senior backfield and two outstanding guards.

He has 18 returning lettermen, 22 other players from last year's varsity, 18 freshmen numerical winners and other men up from the frosh—15 players in all to mold into three teams.

Of the 17 men who were graduated last year, nine were three-year lettermen. They were Guards Art Means, Steve Silvinsky and Elmo Broda; Ends Carl Frank, Peter and Henry Wise; Quarterback Chuck Newton; Halfbacks Jimmy Johnston and Merle Miller and Fullback A. Craver. The other eight seniors were Center Matt Elliott, Guard Dick Klinge, Tackles Burdette Kindred, Coburn Crabtree and Walt Zemek, Ends Tom Sheldrake and Jim Lenau and Quarterback Bob Purdie.

With a rebuilding task ahead, Phelan feels he will be lucky if the Huskies finish where they did last year or even a little higher. Washington fans think the purple and gold will be at least third. Phelan picks the University of Southern California to win the championship and California to be the runner-up.

Lettermen Backfield
From 1938 lettermen, Phelan has worsened out a backfield of Charles Bechtel at quarterback, Bill Olson and Dean McDermis at left half, Joe Dubsky and Lloyd Phelps alternating at right half, and Don Jones at fullback.

Because of a shortage of reserve half-carriers, Phelan has shifted John Misen, lettermen and to right half. At quarter Jim can call upon Elmer Berg and Ted Dorman, both of whom went through last year on reserve. Behind them are three new players. Halfbacks up from the frosh are Roy Carlson and Ernie Steele. With Jones the returning lettermen at fullback, Phelan expects to shift six-foot, two-inch Jack Blackpool, frosh half, to full. From the varsity the coach has two other fullbacks, Harold Thompson and William Zeigler. The only other fullback left from last year's varsity is Bob Snow.

Lots of Guard Material
To succeed Silvinsky, who starred at right guard the last two years, there are lettermen three teams deep—Harry Bird, Frank Garretson and Ralph Emerson.

At ends, the Huskies will feel secure with one of the most formidable pairs of wingmen on the coast. Jack McDowell, who won all-conference recognition last year as a sophomore, and Bill Marx.

Starting at tackle as they did last season will be Walt Young and Byng Nixon. Freshmen Glen Conley and Wayne Sterling will be trying to outstep them.

Rusty Munn, shifted from fullback to center in mid-season last year, will probably stay at the same post.

HAT EXCUSES REPEDED
SAN FRANCISCO (UP)—Miss Julie Weston, appearing before Judge Hugh L. Smith on a charge of reckless driving, pleaded that it was the fault of her latest style look but which obscured her view and caused a collision. The judge took one look at the hat and ruled: "You, who, it certainly must have been the hat."

Griffith Still Claims That Yanks Have Cracked

By HENRY McLEMORE

NEW YORK, Sept. 15 (UP)—Clark Griffith, the old Washington monument, today told the Yankees so much that he hasn't yet conceded the pennant to the 1939 Yanks, but he admitted to the 1937, 1938, and 1939 Yanks' superiority (to himself) last night, from the bombproof security of his place in the Yankee clubhouse, that the New York dynasty has definitely cracked.

"Folks, their farm team in the Eastern Shore league, failed to get into the play-offs," Griffith asserted triumphantly. "And not only that, but the Yankees' farm team was moved out in the Piedmont league, and Birmingham got nowhere in the Eastern league."

Only Reasons
Griffith added again to himself that the only reason all the other Yankee farm teams and the Yankees themselves either have no pennants, gotten into play-offs, or are about to win pennants is because they have better hitting, pitching, and fielding.

The Yankees farm team which won titles in 1937, 1938, and 1939 season was Kansas City of the American Association; Winchester, pride of the Western International league; Amarillo, of the Canadian-American league; Butler, of the Pennsylvania State association; the Norfolk club, of the Nebraska Western league; and Moline of the Arkansas-Missouri league.

Walker Gains Title Round In Net Play

Arthur N. Walker, smooth-stroking former Tulsa and University of Oklahoma tennis player, today won the championship round of the Twin Falls city tennis tournament today as the first finalist to qualify for the 1939 title.

The south Idaho and Boise tournament champion will battle the winner of the Bob Packard-Herbert Mullis semi-final duel. That match is scheduled Saturday afternoon with Walker to meet the winner at 11 a. m. Sunday on the Twin Falls Tennis club court.

Wins 8-6, 6-4 Battle
Walker reached the championship final by noting out Jimmy Mullis in a closely-fought semi-final duel, Thursday evening, 8-6, 6-4. Playing a conservative game but uncracking some brilliant volleying, Walker staved off what looked like a possible upset. He started fast, sweeping four games to compile a 4-0 lead in the opening set. Mullis broke through to take a pair of games before Walker, needed No. 2 in the tournament, sent across a pair of volley placements to bring the count to 5-2.

His unneeded opponent rallied then, won four straight and climbed to set point at 6-5. Playing deliberately, however, Walker pulled out of the hole and took the set at 8-6. The lead see-sawed in the second set after Mullis took a 1-0 margin, and at 4-4 Walker again maneuvered a pair of angled volleys to take the edge and clinch his berth in the finals by annexing the second set at 6-4.

Final Looms Thriller
Walker will be a slight "underdog" against Packard in the finals, probably the 1938 city champion, who safely past Mullis in the Saturday semi-final. But Art's astuteness and deceptive volleying in the department is expected to make the finals a thriller.

Mullis, however, will have the final chance for a major upset Saturday and could change the complexion of Sunday's titular duel if he edges Packard.

Doubles Final
Other championship duels Sunday will see Walker and Packard (the favorites) play for the doubles crown against either Dr. Harry Alban and Buell Warner or Lee Hints and Wayne Minnick. Alban-Warner and Minnick-Munnick play the semi-finals at Harmon park Sunday morning.

The doubles final is slated at the tennis club court at 1:30 p. m. Sunday.

Women's singles final, slated at 9:30 a. m. Sunday at the club court, will see Ann Strellus meet the winner of the Dorothy Dean Judson and Josephine Fox semi-final, which is booked today.

Women's doubles final is scheduled Saturday afternoon when Kathryn Terry and Mrs. Henry Molony battle Miss Fox and her sister, Marguerite Wiley.

Junior tournament will be completed this week-end.

Sign Warns Drivers
OTIS, Mass. (UP)—This little town sign, which is a warning of great view, signs at the town line proclaim: "You are entering Otis country. Don't drive through like hell."

VANDALS GET CRACK AT GOOD RECORD

All in the day's mail:
The annual review of the University of Idaho, just about everything you could imagine regarding the team, prospects and personalities of the players and coaches.

Coch Ted Bank's outfit this year will rival that of Notre Dame the past few seasons for hard names to pronounce, and Perry Quip, the gent who publicizes the Idaho athletic lists, is on the alert to come forward with the following points, listed in the "tongue straightening department":

Outfit pronounced—A cuff.
Bender pronounced—Ber. Kerr.
Caccia pronounced—Cash yah.
Glasby pronounced—Glass bee.
Geyer pronounced—Guy er.
Hallen pronounced—Hill en.
Kanelavics pronounced—Kam ell e vich.
Ness pronounced—Jes ness.

Skleraa pronounced—Her sa.
Uberaga pronounced—You ber ager.
Zenkerlich—pronounced Zen ker rich.

The Vandals, incidentally, are looking to another good team this season—and we believe their record should be just about the best they have been able to display in many years.

Instead of such clubs as University of Washington, UCLA, Stanford or Southern Cal, the Vandals this season have a schedule that is more in their own class. The only Pacific Coast conference clubs on the schedule are Oregon State and Washington State. The rest of the eight-game lay-out consists of non-conference games with Montana State, Gonzaga, University of Utah, University of Montana, Utah State and DePaul university filling out.

That is a much more sensible schedule for a school the size of Idaho and the chances are good it will go a long way toward bringing Coach Ted Bank and his club nationwide recognition if they can win a majority of the title.

On the other hand, the Vandals grinders in the past have put out some powerful clubs—but always ran up against some such powerhouse as usually cope the Pacific Coast conference crowd—if not the national champs.

Whoever wins the 1939 Vandal schedule—a routing big hand—and we hope you're related to do the same thing next season.

A letter from the Nampa Chamber of Commerce to our local Chamber asking questions regarding the rental set-up of the local baseball park and lighting system—with a view to getting a Pioneer league team in that city if the loop expands to eight clubs.

Apparently the Nampa citizens are really serious regarding getting a franchise for their city and we'd say they are starting out on the right line when they inquire regarding a night baseball light set-up.

That is the big expense in erecting a ball park these days and usually costs anywhere from \$4,000 to \$6,000. And if you haven't got a lighting system for night play, well, you just can't play organized baseball.

But we are of the opinion that the Nampans are just wasting a lot of energy for the main and simple reason that it is very very doubtful that the loop will be expanded to eight teams.

Yes, it's probable that the Lewiston franchise will be moved to Idaho Falls (although Lewiston moguls are going ahead with the assumption that they will open up in the northern city again), but that would just about end the activities of the league as far as adding new cities is concerned. We'll probably hear about that at the league meeting set for Portcanto on Sept. 21.

The other cities in the league have all come out of great view and are situated geographically correct and make strong arguments for being in the loop. Moguls want to take no chances of putting in a weak link in the circuit—and for that reason we expect to see them refuse to grant additional franchises—at least during the 1940 campaign.

Besides Nampa, Butte, Moscow, and Provo and Logan, Utah, are reported looking for franchises, along with Hurley. Due to its size, however, Hurley is given little chance of getting in the league—and the same can be said for Provo and Logan, both with limited drawing territory.

Nampa and Butte would appear logical choice if—and when—the league decides to expand.

CROPS AIDED BY AUGUST WEATHER

BOISE, Sept. 15 (Special).—August weather was generally favorable for small grain harvesting operations and for growth of late maturing crops. As a result, indications on Sept. 1 pointed to higher yields of spring wheat, oats, barley, sugar beets, potatoes, commercial apples, peaches and prunes than were forecast last month and to no change in the prospects for other field crops. On the other hand, fall grain seed was delayed by continued lack of rainfall in the non-irrigated areas of the state.

The dry August favored small grain harvesting and the spring wheat crop is now forecast at 8,542,000 bushels, which is 107,000 bushels greater than the August forecast. About average yields per acre of spring wheat, oats and barley are now indicated.

Good Second Cutting
The second cutting of alfalfa was generally good, but prospects for third cuttings were poor in many sections and the yield per acre, while unchanged from last month, is still expected to be below average. Hay crops in north Idaho have been damaged by the continued dry weather.

The north Idaho bean crop was also damaged seriously by drought, but better than average yields are in prospect in south central sections and the total crop is still forecast to be 1,387,000 bushels. The beet crop is improving and while yields will average lower than last year it now appears that for the second time in Idaho history the crop will aggregate more than a million tons.

Lower Spud Yield
Potato yields are now indicated to be much lower than last year, but the crop showed improvement during the month and is now forecast at 22,800,000 bushels. A crop of this size would be larger than the 1938 crop, due to the increased 1939 acreage. Harvesting is not sufficiently advanced in the late sections to give a good idea of size and quality of tubers this year.

Fruit crops made good growth during the month. Prunes, in particular developed well and the Sept. 1 estimate of 10,100 tons indicates the crop will turn out to be larger than average. Shipments to date have been much heavier than to the same date last year. The commercial apple crop is now forecast at 2,400,000 bushels, compared with 2,300,000 bushels last month, but prices are low and there is the possibility that the commercial crop may be reduced by a combination of worm damage and low prices.

Cub News Staff Inaugurates Job

Members of the staff this year of Cub news of Twin Falls Junior high school met yesterday after school with Miss Winnifred Fryer, adviser, in an organization meeting, preparing for publication of the first issue. Present members were chosen last spring, and put out the last issue of the newspaper before school closed to gain experience. Editor is Bill Merritt.

Methods of financing and choosing the staff were the principal business at yesterday's meeting. Complete staff will be announced later.

First issue will be published early in October.

INDIANS FEAR CRACK OF DOOM
ORAIBI, Ariz. (UP)—Hopis Indians living in this vicinity have been given a sign that the end of the world is near. A 6-year-old white mule gave birth recently to a colt. For such a hybrid to have offspring is rare, and for the Indian traditions it spells the end of the earth. The Indians took one look at what they termed the "unnatural phenomenon" and stuffed off to their prayers.

Folks.
You get three generations of old-fashioned distilling skill in every bottle!

THE WILKEN FAMILY Blended Whiskey THE WILKEN DISTILLERY

Daddy of 'Em All

J. Frank Johnson of 885-pound bluefish tuna, world record for deep-sea anglers. Catch was 10 feet 2 inches long and had 41th measure of 8 feet 10 in. Johnson 2 hours and 27 minutes to boat giant off Liverpool, Nova Scotia. Previous high of 864 pounds was set last year off Shelburne, N. S., by Alfred Kenney.

BEAN CROP SEEN LOWER IN IDAHO

BOISE, Sept. 15 (Special).—The Sept. 1 forecast of Idaho bean production, 1,387,000 bags, is the same as the August forecast and would result in a crop about six per cent smaller than average.

The north Idaho crop was seriously damaged by dry hot weather, and some growers in south Idaho report beans are maturing early with a smaller than usual number of beans per pod, but on the whole, indications point to a yield per acre considerably above average, according to Richard C. Ross, USDA agricultural statistician.

The United States crop improved nearly seven per cent during August and is now forecast at 15,973,000 bags. A crop of this size would be nearly 15 per cent smaller than last year, but about three per cent larger than the 1938-1937 average. Yield prospects improved in most states during August, with New York, Michigan and Colorado responsible for a good share of the increased United States crop.

CLAUDE C. PRATT
Claude Pratt thinks he is about the luckiest man in the state of Idaho. I have often remarked that I believed the time would come when there would be a scarcity of The Arkansas Motor Oil like we are selling. Already it is coming to the point where they won't be able to take on any more new accounts but care of those that are already started. The heaviest of The Arkansas Motor Oil has already advanced in price and the time may come when people that buy this Arkansas Motor Oil will have to pay a premium to get it. We're not trying to throw a scare into you as we have no intention of advancing the price until we have to pay more for the oil ourselves.

We have received a letter from The Idon Oil Refining Company and this morning a grease man right direct from their office also told me that the situation is growing somewhat acute. I'm glad I got in on the ground floor and I know a lot of you farmers are also glad as we would think Idaho a pretty dreary old state if we didn't have this wonderful oil to kind of smooth things up as it removes the carbon from the motor parts and saves wear and adds power. It is a radically different motor oil with greater lubricating qualities. It penetrates further and faster and we sell it on a positive money back guarantee. We've just unloaded the 45th carload and we only charge \$20 for a 5-quart drain.

Pennsylvania Tires are going fast. The sale is still on. We put in all kinds of window glass and car glass. We're busier than a cat climbing a tree with a shepherd dog after it.

CLAUDE C. PRATT SALES CO.

HAILEY'S ROTARY NAMES WORKERS

HAILEY, Sept. 15 (Special).—President J. W. Puid has appointed the following committees for Hailey Rotary club during the coming year:

Club service—Lawrence Heagle, chairman, Vic Anderson, Ralph Goodwin.

Classification—M. G. Sacried, chairman, Eddie Foster, Myron Schaefer.

Membership—Ted Cramer, chairman, Mike Cunningham, Conroy Gillespie.

Fellowship—Frank Moore, chairman, Stan Stringham, Vic Anderson.

Attendance—Eddie Foster, chairman, C. M. Robertson, "Doc" Thayer.

Program—E. E. Rockwell, chairman, Ted Cramer, Arthur Potter.

Rotary Information—Board of Directors.

Vocational Service—Ralph Goodwin, chairman, Joe Hedrick, Charles Shepherd.

Community Service—Stanley Stringham, chairman, Leon Friedman, Charles Blum.

International Service—Francis Jones, chairman, I. E. Rockwell, Arthur Potter.

Youth Service—Leon Friedman, chairman, "Doc" Thayer, Mike Cunningham.

Motiv Committee—Charles Shepherd, chairman, Claude Robertson, Myron Schaefer.

Special committee to arrange for Ladies' night, when Rotary Annals will be guests of the club: Conroy Gillespie, chairman, Charles Blum, Frank Moore, Ralph Goodwin.

Purse

TURBOTVILLE, Penn. (UP)—Last spring, while plowing a field for wheat, Joseph Leidacker lost his wallet containing \$29. After the wheat ripened and was cut, Leidacker started plowing the field again. In one of the furrows, by its wallet, still intact and containing the money.

In England, new-born baby boys have an average life expectation of 59 years, while girls have an average of 53 years.

Russia Lays Plan to Gain Part of Poland

MOSCOW, Sept. 15 (UP)—The newspaper Pravda, official organ of the Communist party, today laid the groundwork for possible Soviet approval of establishment of two separate states in what now is Polish territory.

The Pravda editorial was regarded here as "providing the possible groundwork for approval of establishment of separate Ukrainian and White Russian republics" which later, or even possibly immediately, depending upon the will of their populations, could be incorporated into the U. S. S. R. as autonomous republics.

Pravda's editorial, coupled with yesterday's publication under a Berlin dateline of Ukrainian uprisings, the burning of landowner properties in Ukraine and demands for creation of an independent republic, was regarded as making clear Soviet sympathy with Polish minorities.

Soviet Russia consistently has expressed and followed a policy of not desiring anyone else's territory.

But if war events should dictate the establishment in Poland of independent republics, the Soviet policy of assistance to peoples struggling for their liberation would not stand in opposition. It was understood.

Partial mobilization shows that the Soviet Union is prepared for any eventuality. Today's editorial recalled a Pravda editorial of Sept. 8 which indicated determination to keep out of war "unless an enemy should lose his mind and dare to violate our borders. If he should attempt to drag us into war we would get such a lesson as would forever stop his thoughts about the U. S. S. R." Observers read again the Sept. 8 editorial in the light of the Ukrainian and White Russian populations which, it declared, is the underlying reason for Poland's military defeat.

POISON SPINACH RUMORS DENIED

POCAHELLO, Sept. 15 (UP)—Experience with poisoned spinach at Boise and Twin Falls has caused the Works Progress administration to cancel plans to establish a canning kitchen here, county commissioner Pete Jensen said today.

Several persons were poisoned and two died as a result of eating the poisoned canned spinach recently, he said.

NONE HERE
"There has been no case of poisoned spinach or any other WPA-canned goods in this district," County Supervisor H. N. Paddock of the department of public assistance said today in Twin Falls.

He said work at the WPA canning kitchen was going ahead, and that everything was "all right."

Mrs. Jennie Herral, in charge of the canner, said "We haven't lost a can of anything."
