# NAZI PLANES FLY OVER PARIS

## Magic Valley Beet Men to Get \$1,422,700 Conservation Cash By AAA Will Also Boost Farm Income

Checks totalling almost one and one-half million dollars were being prepared today to swell the pockets of Magic Valley farmers.

The big dividend of ready cash will be put into the mails tomorrow for sugar beet growers of both north and south sides, and will total \$1,422,700.

In addition, a steady influx of agricultural conservation payments to AAA participants in Magic Valley will add many additional thousands of dollars.

### AAA TURNS OVER \$49,000 IN AREA

The sugar beet money will cover beet delivered at the Amalgamated Beet Company factories during October, Harry E. Coe, Idaho manager, said this afternoon. Payment for November beets and any subsequent payments will come later.

Here is Division

Here is how the \$1,422,700 will be divided among the factory districts:

Twin Falls factory area (including considerable portion of the north side)—\$787,000 for 157,000 tons of beets delivered to October, Burley and Rupert factory areas—\$635,700 for 125,000 tons of beets delivered in October and November.

Arrive Wednesday

"Checks will be mailed so that they will be received by the growers Wednesday, Nov. 14," the company manager declared.

The initial payment is on the basis of \$4.10 per ton.

Supplementing the sugar money for several thousand growers will be the conservation payments now coming in for all counties, and the parcel money on wheat now being completed.

### Reporter and His Wife End Trip by Boat

NEW ORLEANS, Nov. 13 (U.P.)—Robert Lynd, a Tacoma, Wash., reporter, and his young wife, today had completed a 3,000-mile trip down the Missouri and Mississippi rivers and said they were ready to return home by any means of transportation—except canoeing.

The trip was made to satisfy their desire for canoeing and to advertise the golden jubilee of Washington state. They left on May 14, riding a train from Tacoma to Port Benton, Mont., where they put their canoe in the hands of the Missouri.

After the first few days, Lynd said, they passed the time by just sitting and thinking and paddling. His wife read a book.

The Mississippi, at its lowest stage in years, brags so much that it bought a light outboard motor at St. Louis, Mo., to speed the trip.

### 11 DROWN WHEN 'STEAMSHIP SINKS'

SINGAPORE, Nov. 13 (U.P.)—The British liner *Sirhan*, 7,745 tons, sank off Singapore waterfront with 11 minutes after her explosion. Eleven passengers were drowned.

Nicola, American magician of Memphis, Ill., one of the survivors, lost equipment he valued at \$100,000.

Other American survivors included Charles Hugg of Toledo, O., and his wife; Edwin Gailard of Mt. Kisco, N. Y., and his wife; Mrs. Camp of Augusta, Ill.; Charles Evans of Peoria, Ill.; A. Decker of Chicago and his wife. All survivors lost all their possessions.

Chinese who were being banished from Singapore were aboard the ship. They were released from their cells after the explosion by an officer who blew open the cell locks. Most of them were saved and rounded up by Singapore police.

A preliminary inquiry into the cause of the explosion will open tomorrow.

### LEUVEN EDITOR DIES

LEUVEN, Belgium, Nov. 13 (U.P.)—Funeral services were held today for Harrison Robertson, 63, editor of the *Leuven Courrier-Journal*, who 40 years as an active newspaper man ended with his death Saturday.

### REASON FOR COVERTURE

WASHINGTON, Nov. 13 (U.P.)—President Charles H. Hoak of the American Rolling Mills company today attributed an improvement in the company's last year's earnings to administration reforms in congress and a "very helpful tax attitude in the treasury department."

### FINNISH SOVIET TALKS END WITH NO AGREEMENTS

HELSINKI, Nov. 13 (U.P.)—Finnish-Soviet negotiations have "definitely ended" without agreement and the Finnish delegation to the Kremlin will return to Helsinki tonight, Foreign Minister J. E. Rytko announced today.

The announced recall of the Finnish delegation ended negotiations for the time at least on Russian territorial demands on Finland after a new outbreak of anti-Finnish attacks by the Soviet press.

Initial Victory

Finnish believed Russia would not dare invade this country and that therefore they had won the initial victory because negotiations were being "indefinitely interrupted" and Finland was still intact.

The price of a statement would be that Finland would have to maintain its costs, predominantly as a safeguard, but Foreign Minister J. E. Rytko said it was ready to do so.

He said Finland had gone the "long way" in making concessions to Russia and could not keep sending missions back and forth to negotiate. The negotiations already have made three trips to Moscow.

Four Demands

At Moscow, the "Red Fleet," organ of the Russian navy, made four demands which it said were necessary to defend Russia and Finland from "enemies." They were: 1. A Russian naval base on Hangö peninsula, southeast of Helsinki, on the Gulf of Finland to all but Russian ships; 2. A system of coast defenses from Hangö to the Gulf of Finland; 3. A system of coast defenses from the Gulf of Finland to the Gulf of Bothnia; 4. A system of coast defenses from the Gulf of Bothnia to the Gulf of Riga.

Revelation of the northern Finnish fleet, the Russian navy, said, would be a "serious blow" to the Russian navy. It would be a "serious blow" to the Russian navy.

## Severe Earthquake Rocks Pacific Northwest Areas

PORTLAND, Ore., Nov. 13 (U.P.)—The most violent earthquake in the memory of inhabitants alarmed thousands of persons in Oregon, Washington and British Columbia, shortly before midnight last night.

The tremors, which cracked pavements, broke walls and plaster, were felt as far north as Vancouver, B. C., and south to Oregon City, Ore., 12 miles south of Portland. Property damage was not serious and no personal injuries were reported, but the quake was sufficiently severe to lodge the needle on the University of Washington's seismograph.

The quake was reported by Prof. Howard Coombs of the University of Washington to have been third and fourth degree intensity, sufficiently strong to cause damage. The first shock came at 11:47 p. m. and was followed by several smaller quakes.

Buildings Sway

At Seattle, residents rushed into the streets in night attire as buildings swayed and plates broke.

Older buildings were cracked. Partitions in the Pacific Telephone & Telegraph building were broken. There were a few reports of broken plate glass windows.

Telephone switchboards were swamped with calls from frantic householders and made communications with nearby towns almost impossible for nearly an hour.

Theaters in Seattle, Aberdeen and Chehalis, operating midnight performances, were emptied with a rush, but there was no panic and no injuries.

### Oddities

### SHIPMENTS SOAR

Showing that Magic Valley's products are streaming from farm and city at a highly increased level, rail shipments from south central Idaho last week or October soared 81 cars above the total for the same month in 1938.

Shipments for October were 4,739 cars, Mr. Costello said. The 1938 figure was 2,609 cars.

Barley Leads

Barley ranked from Twin Falls the first in total out-bound shipments, according to Mr. Costello. Shipments for October were 4,739 cars, Mr. Costello said. The 1938 figure was 2,609 cars.

Upward slip in October ranked, as compared with that of the previous month, resulted as normally from the flow of sugar beets from farms to the processing plants.

Those shipments reached 3,077 cars. Potato shipments climbed to a high level with 1,299 cars.

Those two commodities dominated the shipping picture in October, since the next highest aggregate was 283 cars for beets. Onion shipments showed 143 cars and apples 105.

Shipments by stations, as shown by Mr. Costello's survey of 15 major communities in Magic Valley:

Barley 202; Rupert 638; Twin Falls 571; Jerome 300; Oodling 233; Weiser 185; Mars 185; Hamlet 167; Eldon 139; Kimberly 83; Paul 81; Bliss 25.

### Solon Runs for GOP Nomination

WASHINGTON, Nov. 13 (U.P.)—Sen. H. V. Rader, R., N. H., will resume his campaign for the 1940 presidential nomination at Los Angeles today.

"Bridges" office announced he would fly from New York to California Wednesday to resume a speaking tour interrupted by the special session of congress.

JURIST SUCCESSION

HOWLAND GREEN, Ky., Nov. 13 (U.P.)—Funeral services were held today for R. C. P. Thomas, 67, U. S. district judge in the Panama Canal zone from 1923 to 1931.

Since first degree murder accusations take precedence over lesser crimes, the trial of Williams and Hale will be the first on the November calendar.

Bert Larson, son of E. V. Larson, counsel for Williams, was officially entered in court today as associate counsel with his father. Prosecutor Henry H. Sylvester, R., N. H., has no objection to entry of the attorney who was recently admitted to the Idaho bar.

But the motion of the elder Larson asking that the name of George H. Hamilton, Los Angeles, also be entered as associate counsel for Williams drew opposition from the prosecutor.

As a result, Judge Porter took issue with the trial of Williams and Hale, contending that Idaho attorneys in California are similarly limited in cases there.

Williams and Hale have been in custody since May 1938. The younger defendant, based as "a granger man" in the information presented to the court today, was summoned by Officer Barclay but has completely recovered.

Mental Defense

The defense has indicated that it will not show Williams is unbalanced mentally.

Trial of the two men was postponed from the last term of court on request of defense counsel, who said the mother of Williams, J. M. Lampert, Boise, counsel for Hale, has declined to appear.

The hearing on the mental defense of the shooting since he was driver of the car and stopped immediately on command.

### OFFICIALS PROBE OPERATOR'S PAST

CHICAGO, Nov. 13 (U.P.)—Police uncovered additional details today on the past life of the 26-year-old millionaire race track operator, as they sought to determine whether the motive for his assassination last Wednesday was due to jealousy by the old Capone gang or troubles in his private life.

The review was that he had maintained a luxurious and heavily barricaded retreat in the basement of a modest north side apartment house which could be easily reached by a fire escape and was protected with iron grates and double locks.

Police planned to question his daughter, Patricia, and Ursula (Sue) Granata, Miss Granata revealed last week that she and O'Hare had been friends since early years and had planned to marry.

## Netherlands Ready To Halt Pressure From All Borders

By CLIFFORD L. DAY

THE HAGUE, Nov. 13 (U.P.)—The Netherlands is fully prepared for all eventualities and has mobilized its army as a guarantee to all belligerents that the Netherlands will be maintained, Premier Dirk J. de Geer said in a speech broadcast to the nation and its colonies today.

"Our mobilization offers mutual protection to all," de Geer said. His statement is regarded as an assurance that the Netherlands will be maintained by submitting to the British blockade.

He said there was "not the least ground for the wild rumors" that were circulating the past few days about an acute, threatened danger to our country.

The United States Minister, George A. Gordon conferred with Queen Wilhelmina last night but suggestions that the conference indicated an intention to halt pressure from all borders.

# CHURCHILL TERMS HITLER AS "CORNERED MANIA"

## ADMIRALTY LORD REMOVES HOPES TO STOP BATTLE

By FREDERICK KUH  
LONDON, Nov. 13 (Special)—The British speech of Winston Churchill, first lord of the admiralty, calling Adolf Hitler a "cornered maniac," was believed today to have removed any reasonable hope for the Dutch-Belgian peace mediation effort.

The speech was considered the most violent uttered by a high British official since the war started. The first German reaction to it was heard in a German radio broadcast.

The broadcaster, speaking in English from Cologne, said "British leaders (to Churchill) must have been disappointed. He could report no glorious deeds of the British army which already is packing knickerbockers in preparation for Christmas leaves. He made a poor speech not improved by a poor delivery."

The British call the Cologne broadcaster "lord has how" on account of his extreme British accent.

See No Peace Hope

Prior to Churchill's speech last night, King George had replied to the Belgian-Dutch peace message that Great Britain "welcomed any opportunity for peace on a reasonable basis," but any hopes the king's message might have inspired were lost when Churchill said: "Peaceful parliamentary countries which stand at freedom for the individual and abundance for the mass start with heavy hand against a dictator whose sole theme has been war, preparation for war and the grinding up of everything and everybody into their military machine."

"We are now at war and we are going to make war and we are going to make war until the other side has had enough of it."

"You may take it absolutely for certain that either all that Britain and France stand for in the modern world will go down or Hitler and the Nazi regime and the recalcitrant German machine will be broken and destroyed. That's the way the matter lies and everybody had better make up their minds to that solid, somber fact."

At 10 P.M.

Of the Nazis, he said sarcastically: "All they ask for is the right to live and be let alone to conquer all and kill the weak. Their humanity forbids them to apply severity to the strong. . . . When we remember the bestial atrocities they have committed in Poland we do not feel we wish to ask for any favors to be shown us."

Churchill said that if Britain and France lost the war "the United States will be left single-handed to guard the rights of man."

"Referring to Hitler as 'that evil man over there,' he said the Nazis were 'harassed in their guilty souls by the thought of retribution and they cannot find one friendly eye in the whole circumstance of the globe.'"

**Council Installs Jerome Guardian**

JEROME, Nov. 13 (Special)—Installation ceremonies were conducted on Thursday at the meeting of the Jerome chapter of Job's Daughters for the guardian council, with Mrs. Robert Speth installed as guardian to succeed Mrs. Ben Defendorf. Mrs. Defendorf was presented with a piece of apode from the bell.

Other officers installed were Hal Wallington, associate guardian; Mrs. Anna Harbison, secretary; O. H. Peterson, treasurer; Mrs. E. T. Cook, director of music; Max Henry, promoter of sociability; Mrs. Hal Wallington, custodian of paraphernalia; Mrs. Roy Smith, promoter of finance; Mrs. A. ## Pomona Grangers Elect Erle E. Jones as Master

PILGER, Nov. 13 (Special)—Election of Erle E. Jones, Kimberly, as master for 1940 and announcement that Kimberly Grange won the traveling flag contest highlighted a busy meeting of the Twin Falls county Pomona Grange in session here last night.

Kimberly won \$750 for capturing the best competition. Second place and \$5 went to Fairview and third with \$250, to Knoll.

Other officials named for the 1940 Pomona staff are these: Carl Leonard, secretary; Filer, O. E. Grive, treasurer; Knoll, Mrs. Alfred Kramer, lecturer; J. P. Bellville, steward; Mountain View, Stanley Walters, overseer; Filer, M. E. Cunningham, assistant steward; Northview, Mrs. Helen Brandon, lady assistant; Fairview, Mrs. George Johnson, chaplain; Filer, C. O. Thomas, gate keeper; Filer, Mrs. Carrie Jones, Pomona, Kimberly, Mrs. E. L. Meitz, Flora, Twin Falls, Aid "Iron Lung" Move.

Decision to assist the lamit club of Buhl in its drive for an "iron lung" at the Twin Falls county hospital saw appointment of a committee to look into the matter and arrange a Pomona contribution. Raymond Thomas, Filer, outgoing master, named those on the committee: J. R. Crawford and Fred Bunn, Buhl, and Roy Haverland, Kimberly.

Marking Armistice day, the Pomona group in 12 subordinate Granges represented, heard Rev. H. A. Howard, Buhl, chaplain for the Idaho American Legion, call for a strong and united effort to keep the U. S. out of war. Taps was blown by Carl Catherall, private first class in Co. ## NAMES in the NEWS

(By United Press)

Col. Frank Knox, publisher of the Chicago Daily News, asserted that when the next armistice comes the United States should keep out of any conference to determine the political reorganization of Europe.

Prime Minister Neville Chamberlain, confined to his home in London with an attack of gout, is making progress but is unable to leave his bed.

Mrs. Theodore Roosevelt, 82, widow of the former president, died Nov. 12, at her home in New York City. She was 82 years old.

Walker Buckner, 68, who rose from office boy to executive vice-president of the New York Life Insurance company, died in New York.

AFI President William Green, in his first book, "Labor and Democracy," termed the administration that trade unionists intend to continue collective bargaining relations under a war as well as a peace economy.

Former Gov. Samuel B. Pettigill of Indiana attacked, as a threat to free speech the recently adopted code of the National Association of Broadcasters, but said "there is reason to believe the code was adopted either under hidden pressure or the threat of fear of it."

Gov. Culbert Olson of California, contending that defeat of the ham-eggs measure did nothing to solve the economic distress of old people, proposed a uniform, federal old age pension of \$50 to \$60 monthly to needy citizens over 60.

At the same time, Sen. Sheridan Downey opposed a recall against Gov. Olson and called upon the state to remain in leadership of the old age pension movement.

## PLANE WRECKAGE FOUND

LARAMIE, Wyo., Nov. 13 (AP)—Albany county officials brought the body of Thomas Ballard, 33, United Air Lines co-pilot from Omaha, Neb., to Laramie today from the wreckage of his new sport plane which had lain for four days on a wind-swept mesa 25 miles north-east of here.

**CHAPTER XXVIII**  
FROM every direction, people streamed toward the great Tech stadium. It was like a pilgrimage, with the huge concrete horsemen as their mecca. Tommy Peters, leaning upon his megaphone, stared up at the stands. "They'll hit 75,000, some today," he remarked to an attendant. Suddenly his eyes arose on a speck six or seven rows above him. There sat Rocco Petrone! Tommy dropped his megaphone. "Take over till I get back!" he yelled, and dashed for the Tech dressing room.

There was still 20 minutes before the kickoff. It was a bare chance, but Rocco Petrone might be able to lead them to Joan and Don. Tommy rose excitedly as he raced to tell Bill Sloum.

He raced across the running track. Just as he approached the goal on the other side of the field he almost stumbled from shock. Dan Webber and Joan Johnson, escorted by three policemen, were being rushed into the stadium. Tommy shrieked and dashed toward them.

"No time for talk now," Dan howled happily. "Gotta get dressed."

He hurried toward the tunnel leading to the dressing rooms, suddenly stopped and ran back to Joan. He grasped her shoulders, his eyes sparkling.

"This'll have to do until later," he hissed her hastily and dashed off again.

Tommy howled and threw his arms around Joan. He shrieked in her ear but she hardly noticed. Her eyes swam with happiness as she watched Dan disappear into the tunnel.

"Hey, snap out of it . . . wake up," Tommy poked at her. "Where's . . . C'mon, tell me something or I'll pass you."

She looked at him as much as she could in a rush of words. It didn't occur to her that she ought to be resting now. This was no time for conversation. She'd call her father just as soon as she could get to a phone.

Tommy stopped short. "Tell me, Rocco . . ."

"Rocco!" she echoed. "Yes, but how did you . . .?"

"Wait here," he ordered. "Don't cross the field!"

NEVER had there been such a scene in the Tech dressing room. Tears actually flooded Bill Sloum's eyes as he smothered Dan in his arms. Joe Donchick danced around in his stocking feet and howled in native fashion. They all acted like a bunch of old friends, hurling helmets into the air in their delirium.

It took Dan just one minute to convince Sloum he was strong enough to play. Sloum slipped him on the back and shoved him toward his locker.

Keith kicked over and embraced him. "Gee, it's swell to have you back, Danny boy."

"Thanks, pal. We're gonna take these guys, aren't we? Any new stuff?"

"Very little," Keith informed him. "We'll steer you on a new scheme to kick out, and you know all the old stuff."

Dan felt like telling him that wasn't all he knew, but let Keith find out for himself, he figured.

THE public address system had broken the news, about Dan and Joan, and when the Tech crowd actually reached the field, a bedlam of sound arose.

"Get yourself warmed up good," Johnny White advised. "You're probably a little soft and this is gonna be murder."

If he wasn't far from right, Barney Hughes won the loss and didn't stop and get back to Joan. He whistled, the Tech line moved forward, and Tony Mangano sent the ball end over and down to the Tech line.

There was a roar as Hal Forrest took it, moved in behind his interference and started up field under a hail of steam. There was a flash of maroon as Joe Donchick, charging like a kid with a new toy, smashed in from the side and brought him down on the Tech line.

Joe got up chattering furiously. "Okay, Danny boy . . . welcome home . . . that one was for you . . . we'll get 'em, let's get 'em, Danny boy!"

The rest of them took up the cue as they lined up. Dan almost

**BRUCE CATTON**  
(Evening Times Washington Correspondent)

WASHINGTON, Nov. 18.—Back of the bureau of mines' announcement that there are tremendous proven deposits of iron ore in the far western states, forces are in motion which may bring an important shift in the steel industry.

Right now negotiations are under way between eastern steel interests and Bonville dam authorities for a contract for electric power to operate a steel mill in the Bonville area.

If the contract goes through—and an announcement one way or the other is expected in the very near future—it is expected that construction of the mill would be begun at once and that it would be ready to start using Bonville current within a year.

The department of the interior, which has Bonville under its wing, believes such a step would be a development of the great "industrial empire" which department enthusiasts have been preaching for the Columbia valley ever since the Bonville and Grand Coulee projects got under way.

It also suggests that it would start the development of a great steel industry which President Roosevelt recently said he was anxious to see established.

WESTERN ORE LIES UNMINED

The far west has an abundance of iron ore—one of the nation's largest deposits, according to the bureau of mines. In Madera county, California—but to date the ore has not been extensively explored.

The bureau has been pushing research work to make such exploitation a reality. It has set up a special laboratory on the electrical reduction of ore has been set up at Boulder dam.

In the south there is Boulder dam. In central California there is the huge development of which Shasta dam is a part. In the north there are the Grand Coulee and Bonville.

If it is possible to turn that ore into steel, at a cost per ton not greater than the cost of middle-western steel with shipping charges added, it is a revolution in the steel industry as it is known.

DEPERATELY DAN flung his outstretched hand toward McCarrall's. Dan hit the turf hard. A sharp, piercing pain shot through his leg. He lay there, unable to move, as he felt the pain.

**America Still Has Promises**

Thirty years ago, Herbert Croly wrote a book which he called "The Promise of American Life." Croly couldn't foresee such events as the First World War and its hanger, the 1929 depression and the Second World War. But even in that era, dimmed now by three great catastrophes, the author found the need not only for the preservation of democracy, but for conscious political effort directed toward such salvation.

Croly was more or less a pioneer in articulating the spirit that is dominant in America today. He believed in the free exercise of liberal thought, and to this end he founded a magazine in 1914. Since then, The New Republic has been generally recognized as one of the foremost organs of liberal thinking. It is read by people with a wide variety of political philosophies not because they happen to agree with everything its writers say but because here, at least, are presented problems that must be dealt with.

On its twenty-fifth anniversary, The New Republic takes time out to cast a mirror back to the First World War and to project on the future the image that it finds, using today only as a focal point. Liberal leaders in nearly every field of American life have contributed their views on the America of tomorrow.

War always blocks a clear view of the future. There is a tendency not to look too far ahead, not only because everything is confused but because there is some doubt whether there will ever be a future. But the writers in The New Republic have boldly accepted the premise of America's tomorrow and have reiterated the need for remembering that war in Europe should not distract citizens in the United States from problems at home.

If there is any one thing in which all of the writers have faith, it is the theory that modern society needs intense planning. Vast enterprises are accepted as part of the American system. There is no attempt to tear them down. But there is a general subscription to the theory that only through sound planning and direction can society get its money's worth. That goes for industry, labor, education, agriculture and every other integral part of American life.

The New Deal has planned, and you like it or you don't. But even if you don't, that will scarcely upset your faith in the necessity for an integrated American life. Every phase of modern life in this country has become inter-dependent with every other aspect of life. Education can't be divorced from political thought any more than agriculture's problems can be considered independently of labor's. Whether the planning may be done by the Democrats or the Republicans or by any other dominant political party, the almost imperative need for a pre-directed social structure still exists.

**Norway Takes a Hand**

Norway's action in the City of Flint case will very likely be accepted by historians as one of the outstanding examples of national heroism in the Second World War.

The Scandinavian nation, traditionally neutral, was under no political compulsion to turn the ship back to its American crew. It had nothing to gain by interning the Nazi prize crew and freeing the ship. The violation of international law, cited as grounds for Norway's action, would probably have passed without even any official protest from the American government. Russia had already set a precedent by releasing the ship when the United States claimed the same technicality as grounds for its return to the Americans.

International law, which normally has very little if any standing among nations during war, has been given a faint glimmer of prestige. If every other country were as careful to preserve the fundamentals of this international code, there might never have been a war in the first place.

A civic-minded individual recently donated to his local zoo a monkey which, during his first 10 minutes on Monkey Island, slapped down seven other monkeys, beat up two raccoons and grabbed three fish. That would explain the philanthropy.

A moving company accidentally carried a piano from Minneapolis to Dallas, Tex., by mistake, instead of moving it to another house three blocks away. Oh, well, it might have been a shipment of tractors.

Thieves skinned three mink and made off with the skins valued at \$18, although the live mink would have been worth \$180. They are probably satisfied with small gains.

# 7 TEAMS REMAIN IN RACE FOR GRID CROWN

## South Dominates Play With Four Outfits Unbeaten

**NEW YORK, Nov. 13 (UP)—**Have the band play Dixie, because the south, with four of the nation's seven undefeated major teams, dominates college football today as the 1939 season goes into the home stretch.

Tennessee, Tulane, Texas A. and M., and North Carolina offer records unmarred by defeat and there can be no doubt that they are four of the strongest teams in the country. The other members of the "lucky seven" are Cornell, pride of the east; Oklahoma, a real threat in the Midwest; and Southern California, which almost has the Rose bowl sewed up in a bag.

Their ranking, based on information from impartial persons in all sections, should be about as follows: 1. Tennessee; 2. Texas Aggies; 3. Southern California; 4. Oklahoma; 5. Tulane; 6. North Carolina; 7. Cornell.

**Two Teams Fall**

Two teams—Notre Dame and Dartmouth—fell out of the race of the unbeaten last week-end. The law of averages caught up with a Notre Dame team which had been winning games by razor-thin margins, and the Irish fell before Iowa, 7 to 6. Dartmouth caught an inspired Princeton team and was defeated, 9 to 7.

Two good little fellows, whose schedules hardly justify including them with the major undefeated teams, went marching along. Georgetown defeated Maryland, 20 to 0, to keep its season record clean of defeat and Duquesne, also unbeaten, won from North Carolina State, 7 to 0.

There is a stern test ahead for every one of the major unbeaten teams except Southern California, which has an off day this Saturday. Cornell must play Dartmouth team that will be snarling from the defeat by Princeton; Oklahoma takes on Missouri; Tennessee meets Vanderbilt; Tulane plays Columbia; North Carolina encounters Duke and the Texas Aggies play Rice.

**Odds Favor Texas Club**

It is a month too soon to be talking about the odds on the season, but the cards seemed to be stacked in favor of Texas A. and M. The Aggies need to get by only Rice and Texas.

Some of the highlights:

Upset of the day—Purdue's 3 to 0 victory over a highly favored Northwestern team.

Player of the day—Paul Christman of Missouri, who put two touchdowns in the game and threw the ball in the Yankee stadium against New York university. He was involved in every one of the 10 touchdowns in the game, most single handed won the game, 20 to 7.

**101-Yard Run Features Gooding Win**

**GOODING, Nov. 13 (Special)—**The Gooding Seniors looked forward to their game with the Burley Bobcats on the Cassia field next Friday—the concluding game on the Big Seven schedule.

Coach Ap Berg's crew really looked impressive in turning back a highly touted Oakley team on Armistice day by a score of 19-0.

Highlight of the day was the 101-yard run for a touchdown by Myron McGrea, Gooding quarterback. The race was believed to be the longest in the state of Idaho this year and was the longest local play ever made on the field.

**Goes 101 Yards**

The play came in the third quarter. Oakley punted to Gooding on the 20. Then the Gooding center threw the ball over the entire Seniors backfield. McGrea picked it up on the goal line, took one step backward, then went the entire length of the field for the touchdown. The try for a point was good.

The Seniors scored first in the initial quarter when an Oakley man was tackled. McGrea kicked it, a safety—good for two points. In the second quarter Eugene Miller pulled out of the line and kicked a field goal for the home team to make the score read 5-0. Another field goal was tried a little later, but this time missed.

**First Touchdown**

The first touchdown came in the second frame when McGrea took the ball from his own 20 and behind excellent blocking went through the entire Oakley club for a touchdown. The try for a point was good. Then that 101-yard event finished the scoring for the day.

Oakley came back strong in the final frame, but couldn't make a score against the rushing Seniors. Gooding made 11 first downs and 303 yards from scrimmage. Oakley got six first downs and 161 yards from scrimmage with 103 of this yardage in the final frame.

**In the winning minutes of the last quarter** Silcock, Burley back, tossed a pass to Church, halfback, for a 35-yard gain and a counter to close the scoring for the day.

Rupert made 12 first downs to two for Burley. The Bobcats attempted 16 passes and completed three, while Rupert tossed five and completed two.

### Rupert Takes Mini-Cassia Gridiron Title

**BURLEY, Nov. 13 (Special)—**The annual high school football feud between Rupert and Burley high schools was a thing of the past for 1939 today, with the invading forces acknowledged champion of this area for the year.

The Minidoka county club captured its second consecutive Oakley early in the season and then handing out a 26-0 trouncing to the Burley Bobcats here Armistice day.

Coach W. W. Wray played a surprising his club for a battle with the Jerome Tigers that will decide the Big Seven championship on Nov. 17.

The Pirates were led to victory by their Burley game by big Cecil Winn, the plugging fullback who is regarded as one of the toughest battled men in the conference. He plunged from the nine-yard line for the first counter in the second quarter and then added the extra point on a line buck.

The second counter for the winners came in the third frame when two for Burley, the Bobcats goal line and Brockie, Rupert lineman, fell on the ball for a touchdown.

Winn made two more gains in the final frame when he bulldozed 23 yards off tackle for a counter and then plunged for the extra point.

The last Pirate counter came a short while later when Behov intercepted a Burley aerial toss and raced the ball back 45 yards for the touchdown.

### Fairfield Outfit Ends Season With Win Over Hailey

**FAIRFIELD, Nov. 13 (Special)—**Fairfield high school's gridiron today had lacked away their loss for the season after handing the Hailey Wolverines a 20-12 beating on Armistice day.

The victory ended the regular season for the local club and Coach C. D. Merrill's athletes will now turn their attention to basketball.

The home club held a 15-0 advantage at the half time and added another counter in the third frame when a 20-0 lead. Raymond Jones, Wolverines and Oat scored the touchdowns for the winners, but the outstanding man on the field was Coach Merrill's fullback, who scored the touchdowns in the game.

## UCLA Places Perfect Record on Line Against Broncos

### Vandals Lose To WSC in Annual Classic

**PULLMAN, Wash., Nov. 13 (UP)—**The 12,000 members of a "dad's day" crowd that saw University of Idaho and Washington State college meet here Saturday for the 41st renewal of their football feud today were still talking about a 98-yard Idaho ruckback at a kickoff.

The spectacular dash, however, was not enough to win the game for Idaho as the Vandals went down to defeat, 41 to 13.

It was in the first quarter Brown scored for the Cougars on an end-around from the 10 and his try for point. Then the kickoff, Vandal Halfback Maurice Young took the ball on his own two and scampered clear down the field, ending the entire Cougar squad's fifth converted to tie the game at 7-7.

Washington State ended its scoring in the second period, Sewell, after a 35-yard drive, passed to Ross on the Idaho 18 and Ross scored standing up. Then after a succession of Seattle-to-Ross passes Buntz drove over from the one-foot line.

Idaho came back in the third. Wilson snaggled Stoddard's pass in his own 45 and galloped 53 yards for the score.

### Redskins and Bears Take Pro Grid Tilts

**NEW YORK, Nov. 13 (UP)—**Professional football's spotlight focused today on the Washington Redskins and Chicago Bears, who came through Sunday's game with new offensive laurels.

With a devastating attack which shocked a throng of 28,500, the Redskins overwhelmed the Brooklyn Dodgers at Ebbets field, 42-0, and maintained their lead with the champion New York Giants in the eastern division leadership in the National football league.

The Chicago Bears clung to their championship hopes by knocking off the Detroit Lions by 45-24 at Briggs stadium, 23 to 13, and tied the league record for the most points scored by one team in an 11-game schedule. With 222 points in nine games, the Bears are a virtual clinic on the gridiron.

The Green Bay Packers last year in their final two games against the Philadelphia Eagles and Chicago Cardinals.

The Bears' triumph enabled the Green Bay Packers, who defeated the Eagles, 23-16, before 25,000 at Philadelphia, to move into tie with the Lions for the western division lead; each with six victories and two defeats.

The New York Giants knocked the Chicago Cardinals, 17-7, before 28,217 at the Polo Grounds and remained undefeated with the Redskins in the eastern end of the circuit.

### Bruins Face Nampa in Battle for State Grid Championship

The Southern Idaho conference football scramble was in a heap today and the result was that the Twin Falls Bruins have their best chance in many a year to capture the mythical state championship.

The general shake-up in the standings came about on Saturday with the defeat of the Pocatello Indians by the heretofore winless Idaho Falls Tigers. The score was 18-7 in that tilt and sent Coach Jimmy O'Brien's outfit tumbling down to third place with a loss and a tie against his club.

Alone at the top of the standings were the Nampa Bulldogs with a lone tie against their record after successfully turning back Caldwell on Saturday by a 13-0 count.

In second place were the Bruins of Twin Falls with a lone loss—handed to them by the Pocatello club. And as a result, Nampa and Twin Falls meet on the Bruins field Friday it will be for the state championship.

Twin Falls didn't participate in conference competition on Armistice day, but took on their traditional rival in a game before 1,200 fans at Lincoln field. The result was a 14-0 victory as the Bruins stuck close to straight line play and Chuck Thomas' rugged defense bench recovering from an ankle injury sustained in the Caldwell game a week ago. However, he is expected to be in shape for the Nampa conflict, which is set for Friday afternoon.

**Wildcat Fight**

The Bruins' stout early in the first and second halves of the game and Coach Hank Powers used reserves after the second counter was pushed across. However, the wildcats showed a lot of fight in holding back the much bigger Bruins and are expected to give

**Prices Retained on Rose Bowl Seats**

**LOS ANGELES, Nov. 13 (UP)—**Chairman Willis G. Hunter of the Pacific Coast conference managers association, announced today the association had agreed to recommend retaining last year's Rose bowl ticket prices for the New Year's day classic on January 1. He said the association would make its recommendations to the conference and that the host team would be able to abide by the conference decision.

If last year's prices are retained, the Rose bowl ticket prices will be \$2.50 and other seats \$4.40 and \$3.30.

A clock presented the town of Hillsboro, N. C., in 1766 by George III, is still keeping time in the courthouse.

### BYU Held to Draw by Utah Aggies

**SALT LAKE CITY, Nov. 13 (UP)—**An amazing scoreless tie at Logan between Brigham Young and Utah State was the talk of Big Seven conference gridiron enthusiasts today as they looked at standings showing two teams tied for first and two others knotted for second. In the only other conference battle of the week-end, Denver university smashed its way into the first place tie by downing Colorado State, 13 to 6 at Denver.

Outside circuit play, University of Utah came back from a two-week slump to beat University of Hawaii, 34 to 19, in the most spectacular game of the season here, while Wyoming was soundly trounced by St. Louis, 39 to 10. Colorado university was idle.

The games left this conference picture:

Team	W.	L.	T.	Pct.
Colorado U.	2	1	0	.75
Denver U.	3	1	1	.75
B. Y. U.	2	1	1	.66
Utah U.	2	1	1	.66
Colorado State	2	2	0	.50
Utah State	1	2	1	.33
Wyoming	0	4	0	.00

In the Logan tilt, the Aggies had the Cougars deep in their own territory in the second, third and fourth quarters but when they were within two yards of the goal line they lacked the necessary scoring punch. Honor for the Aggies' play—virtually a moral victory—went to both Maughan, back after being injured in the early season Colorado game, and Frank Olsen.

Coach Halbeck George Wing, also returned from injuries joined with D. Gardner to spark the B. Y. U. defense.

At Denver, the Broncos scored in the second and third periods, both times on long passes from Herb McCarthy to Hognap to Sugarman. Colorado State's tally came in the second period on a long pass from Peterson to Stinnett, who leaped over the goal from the Denver 40.

The Redskins' non-conference victory over the trailing Rainbows from Hawaii—playing their first home game since 1937—was expected but not by a 34 to 19 score.

Passes and long runs featured the game-wide open in every way. Izzy Spector, Utah, kicked 16 extra points by running 56 yards through the Rainbows for a second quarter score. During the afternoon, Spector also made four conversions and barely missed a fifth.

### Santa Clara Gridders Gun for Upset Win Over Unbeaten Bruins

**SAN FRANCISCO, Nov. 13 (UP)—**With four Pacific Coast conference teams drawing bytes this week-end, the Santa Clara-UCLA game at Los Angeles shapes up as the outstanding contest of the coast—an unbeaten but tied Bruin team squaring off against a team that didn't catch its breath till midseason.

Washington, Oregon, Montana and Southern California are idle.

The only two conference games being played in Washington State and Stanford at Palo Alto and California and Oregon State at Corvallis. Idaho meets Denver in Denver while St. Louis travels east to face Fordham in New York.

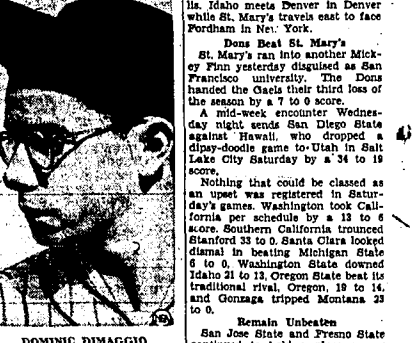

**Dons Beat St. Mary's**

St. Mary's ran into another Mick. Flinn yesterday duplicated as San Francisco university. The Dons handed the Gaels their third loss of the season by a 7 to 0 score.

A laid-back encounter Wednesday night sends San Diego State against Hawaii, who dropped a dip-doodle game to Utah in Salt Lake City Saturday by a 34 to 19 score.

Nothing that could be classed as an upset was registered in Saturday's games. Washington took California per schedule by a 13 to 6 score. Southern California trounced Stanford 35 to 0. Santa Clara looked dismal in beating Michigan State 6 to 0. Washington State beat its traditional rival, Oregon State, 21 to 14, and Gonzaga tripped Montana 23 to 0.

### Dom DiMaggio Is Sold to Boston Sox

**BOSTON, Nov. 13 (UP)—**Dominic DiMaggio, voted the most valuable player in the Pacific Coast league last year and brother of the New York Yankee outfielder Joe DiMaggio, joined the Boston Red Sox today.

Dominic batted .361 last season and was one of two players bought by the Red Sox from the San Francisco Giants, in a straight cash deal. The other player, Southpaw Pitcher Larry Poffel, will remain with the Giants next season, while Dominic will report next spring.

**Second Player on Same Grid Team Dies in One Week**

**NIAGARA FALLS, N. Y., Nov. 13 (UP)—**John M. Korcak, 31, died yesterday—the second St. Bonaventure football player to die within a week.

Korcak, player on the freshman eleven, died from a ruptured kidney suffered in a game with Niagara college freshmen Saturday.

Clayton Ford, varsity guard, was killed in an automobile accident last Monday while returning to Olean from a game at Buffalo.

# No Plans Made For Extra Class B Game

GLENN FERRY, Nov. 13 (Special)—The Glenn Perry football team, champions of the Snake river, today were willing to tackle any other undefeated Class B team in the state, but they wouldn't offer to sponsor the game.

So stated Coach Kenneth Barrett, mentor of the championship team that has gone through its last two seasons without a Class B defeat.

The club has won eight games in a row this year without a loss, and the last time a Glenn Perry team was defeated was at Buhl on Sept. 30, 1938.

"We're willing to play Albion (Mini-Casita division winner)," said Coach Barrett. "However, we don't wish to sponsor the game. We've played a hard eight-game schedule, and of these five titles were on the home field. Therefore we don't think it advisable to play another game here."

"However, if we can get a guarantee of expense money, we'll consider a game," the boys are all set for another fray. But we've heard nothing from Albion, so it is probable they do not wish to play."

The River Boys clinched their conference crown here on Armistice day by pounding out a 26-0 victory over the tough Herman Priest. However, the game was not the walk-away it appears from the score. The game was a hard fought battle and was not scored until the final stanza of play.

## Hagerman Takes Lead

Hagerman took the lead in the game in the opening two minutes of play when they recovered a fumble on their own 45 and then Laragan passed to Conyers for a touchdown.

In the second frame Glenn Perry came back to gain a one-point lead when Newell took a punt in the middle of the field and raced to the end zone. The 27-0 Kenneth Golden carried the ball over on two plays and Newell hit the line for the extra point.

And that's the way the score stood until the final quarter.

Then the superior might of the Perry club started to show and the Barrett team really went to town. Newell passed to Stout in the end zone for one score and Golden hit the line for the extra point. A Hagerman fumble, a few minutes later resulted in another counter. And Newell ran 25 yards for the concluding touchdown in the late minutes of the game.

# Tigers Ready For Final Big 7 Game

JEROME, Nov. 13 (Special)—The Jerome Tigers today had set the stage for a grueling classic next Friday, Nov. 17, that may determine the Big Seven championship.

The battle will be against the Rupert Pirates, the only club in the conference with a chance to overtake the Tigers. The Pirates have a record of only one loss in conference competition, while the John Youngs is undefeated. The game will be played on the local field.

The local team stayed in the perfect circle here Armistice day by turning back a lightning bolt of Buhl Indians, 14-0. The Indians, incidentally, are the only club in the circuit that has turned back Rupert this year.

Jerome counted in the opening quarter when Charles Piasling tossed a pass to Jack Meuser, right end who trotted over for the touchdown. Piasling then kicked the extra point to make the score 7-0.

The other counter came when Buhl attempted a pass. The toss was intercepted by Stella, Jerome quarter, who crossed into yard in the third frame. Piasling again booted the added point and that completed the scoring for the day.

A hard-charging Jerome line kept the Buhl forward wall from breaking through to make hole and an attack on the Indians failed to get inside the 30-yard line. Conners, right guard; Meuser, right end, and Peters, center, were outstanding for the winning club.

## APPOINTED SIGNED

DENVER, Nov. 13 (AP)—Lassy White, manager of Fred Apolloni, San Francisco middleweight boxer, has agreed to a bout in Denver Dec. 8 between Apolloni and Eddie Pierce of Johannesburg, South Africa. Promoter, Jack Kanner, announced today.

# Christmas of Missouri Seen as Certain All-America Timber

BY HENRY McLEMORE  
NEW YORK, Nov. 13 (AP)—Monday's mid-week tree-baiting for Missouri is a 20 to 7 victory over N. Y. U. Paul Christmas pitched the best game the Yankee stadium has seen since Monte Pearson let down the Reds with two hits in the world series. After this the performance of the All-America pickers need to know about Christmas is his sweater.

Iowa is one state that's ready for the tree-baiting this month. The Hawkeyes of that state licked Notre Dame 10-0 and the citizens will need two helpings of everything to show their gratitude to Nile Kinnick and Co. Speaking of Kinnick, someone should take out a patent on him because he may be the long-sought perpetual motion machine. He has played in five straight games without relief.

The best mouse-trap of the year was sprung by Fordham in slaying those Los Angeles Rams on a 74 yard run against hapless Indiana. Judging by the speed

# Shoshone Ends Successful Grid Season

SHOSHONE, Nov. 13 (Special)—Coach Lambert E. Dolan's Shoshone Indians today had completed another successful campaign in the Class B ranks and today were turning their attention to the coming basketball season.

The Indians completed the regular football schedule on mail Armistice day with a fine 13-6 victory over a good Wendell outfit. The win gave the local crew a record of five wins and two losses for the season.

The defeats being by two unbeaten outfits in south Idaho: Jerome from the Class A ranks; and Glenn Perry, Class B champion.

The Shoshone club scored first Saturday in the second quarter when McCab, Indian fullback, plunged over the line for six points. The try for extra point was a pass, but it was incomplete.

Wendell came back in the third frame to knot the count at 3-all with Powell, 130-pound speed demon of the Trojans leading the attack. After a drive down the field, Powell passed to Prince, who raced across the goal line for the counter. The Shoshone attempted a point on a line plunge was blocked by the Shoshone line.

The winning score came in the fourth frame when Wendell received a Shoshone punt on the 20-yard line, but fumbled. The oval bounced over the goal line and Albritt, Shoshone end, recovered for the touchdown. Baumann hit the line for the extra point.

Baumann's long aerial losses and some speedy ball packing by Powell the losers were the outstanding features of the day.

## Southern Branch Turns Back College of Idaho

POCATELLO, Nov. 13 (AP)—University of Idaho southern branch's 1939 homecoming day celebration was concluded today as the new campus buildings had been dedicated. And the southern football eleven had won a 12-6 victory over College of Idaho from Caldwell.

The southern team scored in the first and third periods. Bennett made College of Idaho's lone tally.

## FOR FELICITATES CATHOLIC SCHOOL

WASHINGTON, Nov. 13 (UP)—  
President Roosevelt today con-  
gratulated Catholic university for a  
century of leadership in Catholic  
education and joined with Pope Pius  
XII in hope that its role would con-  
tinue throughout the years.

Mr. Roosevelt's letter to the Re-  
v. Monsignor Joseph M. Corrigan,  
rector of Catholic university, was  
read at the formal convocation  
celebrating the university's golden  
jubilee. Monsignor Corrigan, in a  
scholarly address, said the role of  
Catholic university was to provide  
spiritual and mental order in a world  
where the forces of materialism are  
beginning to retreat.

The president, who is the recipi-  
ent of an honorary degree from  
Catholic university regrettably in his  
letter to Monsignor Corrigan he  
could not attend the convocation  
in person.

"Godspeed C. U. in the attain-  
ment of its noblest aims," Mr. Roo-  
sevelt wrote.

"Increased Latin-American tour-  
ist traffic would stimulate employ-  
ment in the country and provide  
new business for steamship lines af-  
fected by the European war," Ed-  
ward J. Nobel, under secretary of  
commerce.

"American newspapers are dedi-  
cated to a never-ending fight for  
the maintenance of democratic in-  
stitutions," Bernard J. Barker, pre-  
sident of American society of  
newspaper editors.

"Independence of the Philippine  
Islands in 1945 will not mean an end  
to American cooperation," High  
Commissioner Francis Sayre.

"The ultimate success of democ-  
racy will depend upon America's  
ability to develop a sound economic  
floor below which no citizen can  
fall," Paul V. McNutt, federal sec-  
urity administrator.

"Challenges Hungary to disarm  
and live in friendly and neighborly  
basis with Rumania," Premier  
Constantine Argentinou of Rumania.

"This must be a war without  
malice and when peace is restored  
there must be a fair settlement so  
no grievances cannot arise,"  
Arthur Greenwood, British labor  
leader.

# FRANCE AND BRITAIN WITHDRAW TROOPS FROM CHINA

## BOTH COUNTRIES DENY SACRIFICE OF ANY RIGHTS

**BY H. O. THOMPSON**  
TOKYO, Nov. 13 (Special)—France and Great Britain notified the foreign office today that a large number of their troops would be removed from China.

Both emphasized to the Japanese that the impending withdrawal involved no sacrifice of British or French rights, and interests under their treaties with China.

The British decision was conveyed to Foreign Minister Admiral Kichiburo Nomura by British Ambassador Sir Robert L. Craigie, who said British troops would be withdrawn from Tientsin, Peking and Shanghai because they were needed in Europe.

London dispatches said about 800 British soldiers would be removed from North China, leaving a skeleton force of about 200.

U. S. Notified

The French decision was conveyed to Asuyuki Tani, one of Nomura's chief aides, by French Ambassador Arsene Henry.

The British foreign office has notified the United States and all signatories of the nine-power treaty, guaranteeing the independence and territorial integrity of China, of its decision. The Washington government would be kept informed of all moves. It was said in London dispatches.

Japanese believed it was the first move toward the relinquishment of British interests in north China and some quarters believed eventually British troops would be moved out of Shanghai.

**Keep Some Troops**

The news was announced simultaneously by the war office in London, and had been communicated in advance to the United States and other nations who have troops in north China in accordance with the Boxer treaty of 1900 permitting them to keep communication lines open and guard foreign property.

The British viewpoint was that the withdrawal signified a marked improvement in the far eastern situation in recent weeks, due in a large part to the Russian-German non-aggression alliance which virtually neutralized Japan's anti-comintern pact with Germany.

In Washington, state department officials indicated that there would be no strengthening of United States forces in north China because of the British withdrawal.

The British announcement said only enough troops would be maintained in north China to "protect property and keep order."

**Letting Farms GET BIG RETURNS**

BOISE, Nov. 13 (UPI)—Southwestern Idaho lettuce growers have shipped a bumper crop of 1,000 carloads of lettuce to eastern markets for an estimated \$800,000 profit this season because the California lettuce was blighted by heat, the state department of agriculture announced today.

Most of the lettuce was produced around Ontario, Ferry, Wilder, Nampa, Ontario, Vale, Marsing, Pruitland and Caldwell.

## Legion's Efforts For Peace Told

**RUPERT, Nov. 13 (Special)—**Otto Adamson, past commander of the George E. Marshall post American Legion, was guest speaker before the Rupert Rotary club assembled in a noon luncheon session in the new quarters in the Caledonian hotel Wednesday.

Under a general topic, "Americanism," Mr. Adamson gave a stirring patriotic address in which he stressed the Legion's efforts along the line of world peace, reconciliation, and other helpful activities in which the Legion takes part.

Other luncheon guests of the club were E. A. Crooks, Bobe, Merwin E. Heinboldt, Twin Falls, and Jim Walle, Albion State Normal school student.

The Rotary club held its first meeting Wednesday in its new headquarters at a luncheon in the room, fitted for dining service, in the Caledonian hotel.

## Boise Taxpayers To Vote on Bonds

**BOISE, Nov. 13 (UPI)—**Taxpayers of Boise will vote tomorrow on a \$200,000 bond issue for construction of buildings for the Boise Junior college.

The college, housed at present in the former St. Margaret's academy, has shown a 400 per cent increase in enrollment in the last seven years. The enrollment is now approximately 450 students.

## FOUR ESCAPE AT 'DEATH' CROSSING

**BUHL, Nov. 13 (Special)—**An accident today had been flunked up against the perilous Cedar railroad crossing, two and one-half miles east of this community on the Old Oregon Trail.

The mishap occurred Saturday shortly after 8:30 p. m. and although four persons were riding in the truck which was involved in the crash with passenger train No. 322, all escaped injury.

Occupants were Del Mallory, L. E. Harris and Mrs. Esale Stark and Harold Tewkes, 14, all of Bury. The three adults were riding in the cab of the truck, owned by Harris and Mallory, while the youth was standing in the truck body.

The truck was smashed against the wig-wag warning signal and Lieut. A. E. Perkins, state policeman who investigated, said he "couldn't understand" how the four occupants escaped unhurt.

Only a short while ago one man died as a result of injuries received at the same crossing. He was in a small coupe which, Perkins recalled, "was not damaged nearly so much as the truck." The crossing victim was Richard Condel, Twp. Ida.

## Buhl High School To Give Operetta

**BUHL, Nov. 13 (Special)—**The "Life of Stephen Foster" will be given as the annual high school operetta in December by the dramatic and music departments of the high school. It was announced this week.

The four-act musical romance is one of the most serious plays to be presented by the school, according to William Shively, who will direct the play. Elburn Pierce will have charge of music.

Cast follows: Stephen Foster, Paul Kilar; Susan Pentland, Inez Rogers; Jane McDowell, Phyllis Plunkett; Andrew Robinson, Geo. Plunkett; William Foster, Charles Kollmeyer; Eliza Foster, Miriam Cunningham; William Foster, Jr., Jim Shaddock; Ann Eliza Buchanan, Louise Wright; Rev. Edward Buchanan, Hans Nicheil; E. P. Christy, Cell Dennis; Dr. Andrew McDowell, Smith, and Olivia Pize, Edna Johnson.

Time of the play dates back to 1850 and will take place in the home of William Foster, Sr. Pre-Civil war costumes will be used.

## President Named For Buhl Circle

**BUHL, Nov. 13 (Special)—**Mrs. Otto Pritchard was named president of Christian Workers Circle at the meeting Thursday at the home of Mrs. Wm. Lunney, Mrs. Pritchard succeeds Mrs. R. E. Neyman. Mrs. Neyman was named vice-president; Mrs. Clyde Gault, secretary, and Mrs. Vern Kigh, treasurer.

During the social hour Mrs. L. O. Lacy, member of the Janit Circle, which is sponsoring purchase of an iron lung to be placed in the county hospital, spoke. She enumerated many different types of cases which can be handled by the mechanical robot for providing artificial respiration.

Mrs. Lacy asked any organization or person wishing to make a donation to get in touch with her or Mrs. Fred Quire, Mrs. Pauline Weaver or Mrs. W. F. Tanner.

## Last Tribute Paid Mary J. Jenkins

**RUPERT, Nov. 13 (Special)—**Funeral services for Mary Jean Jenkins, daughter of Mr. and Mrs. W. A. Jenkins, who died Sunday at Soda Springs following major surgery, were held Wednesday at the Christian church.

The ceremony was in charge of the pastor, Eugene Stump, Music, in charge of Mrs. Floyd Britt, who played a piano prelude and postlude, consisted of three vocal numbers, "Beautiful Isle of Somewhere," sung as a trio by Mrs. Fred Schuepbach, Mrs. Clyde Benton and Mrs. Gordon Goff; "Brahms Lullaby," sung by Mrs. Benton and Mrs. Goff; and "Whispering Hope," sung by Mrs. Goff and Mrs. Schuepbach, with Mrs. Britt at the piano.

Funeralbearers were Richard Fowler, Neil Spidel, George Champion, DeWayne Johnson, Hilton Greenbaugh and James Verberg. Flower bearers were Lorraine Barnes, Elsie Ward, Wanda Ketterling and Beth Nelson, all classmates of Mary Jean. Her entire class, seventh grade at Pershing school, with the teacher, Gordon Goff, attended the funeral in a body.

Interment under direction of the Goodwin mortuary, and with a brief commitment service conducted by Rev. Stump, was in Riverside cemetery at Heyburn, near which place the Jenkins family formerly lived.
