

GERMAN SHIPS BOTTLED UP, ALLES CLAIM DEATH TAKES PIERCE BUTLER FROM SUPREME COURT BENCH

Veteran Jurist, 73, Dies After Serving U.S. Over 17 Years

WASHINGTON, Nov. 16 (AP)—Supreme Court Justice Pierce Butler—one of the two remaining conservative members of the nation's highest court—died early today after a long illness. He was 73.

His death creates the fifth vacancy to occur on the nine-man bench during Franklin D. Roosevelt's second term as President. Appointment of Butler's successor will make a majority of the court Mr. Roosevelt's appointees. The others are Justices Hugo L. Black, Stanley F. Reed, Felix Frankfurter and William O. Douglas.

Butler died at Garfield hospital at 414 A. M., EST. He had been a patient there since Sept. 22 for treatment of a bladder ailment.

His condition turned suddenly worse early this morning. Neither his doctor nor any member of his family was present.

His illness began in the spring of 1938, but he continued his work on the bench through June, 1939. Butler is survived by his widow, four sons and two daughters.

The justice's funeral will be in St. Paul, where he still maintained his early home.

Born in Log Cabin, Justice Butler was one of the few leaders still active in American life in the past generation able to boast of having been born in a log cabin.

Butler was a member of the Supreme Court from 1925 to 1930. He was a member of the Supreme Court from 1925 to 1930.

MURPHY APPEARS HEAD CANDIDATE FOR COURT POST

WASHINGTON, Nov. 16 (AP)—Nomination of Attorney-General Frank Murphy to be an associate justice of the supreme court and promotion of Solicitor General Robert H. Jackson to cabinet rank appeared likely today to follow the death of Justice Pierce Butler.

Butler was a Democrat, a Catholic and a mid-westerner. Murphy fits that prescription precisely and not only would his nomination to the court complete the entrenchment of New Deal philosophy there at least a generation, but it would give the President an opportunity to honor Jackson further. It is believed he would be at ease to do that as to shift his New Deal attorney general to the judiciary.

Associate Justice Harold M. Stephens also fits the speculative pattern of Butler's successor. Stephens is a Catholic and from Utah. He missed nomination to the supreme court in a photograph finish this year with Associate Justice Felix Frankfurter.

Sen. Sherman Minton, D., Ind., reportedly has been under consideration for a lower judicial appointment. He is not a Catholic but he is a notable New Dealer. Among others who are not Catholics nor necessarily wedded to the New Deal but who have figured among the possibilities on each occasion of a supreme court vacancy are U. S. Circuit Judge Joseph C. Hutcheson, U. S. District Judge William H. Mumford, San Francisco, Rep. H. W. Summers, Denver, and Sen. J. W. McNamara, U. S. Senator from Wisconsin.

Justice Felix Frankfurter, U. S. Supreme Court, and Associate Justice Sam O. Branton, of the U. S. circuit of appeals, New Mexico.

WITNESSES Kuhn in Fund Control

NEW YORK, Nov. 16 (AP)—Fritz Kuhn, leader of the German-American Bund, had a right to take the funds of the organization and "throw it down a sewer" if he wanted to, a defense witness testified at Kuhn's grand larceny trial today.

The witness was James Wheeler-Hill, national secretary of the bund from which the state charges Kuhn stole at least \$674,773 with which to pay the medical bills and moving expenses of two women friends.

Under the "leadership principle," the witness said, Kuhn had supreme authority in the bund and could do as he pleased with its money.

General sessions Judge James O. Wallace interposed a question while Peter L. P. Sabatino, Kuhn's counsel, was examining Wheeler-Hill.

"Even though it down a sewer?" the judge asked.

"Yes, sir," the witness responded. "This leadership principle," Sabatino then asked, "has been in effect since the bund was organized?"

Imprisoned Educator Attempts to End Life

BATON ROUGE, La., Nov. 16 (AP)—Dr. James Monroe Smith, former president of Louisiana State university, tried to commit suicide today in the East Baton Rouge parish jail, Sheriff Newman H. Debration announced.

The sheriff said Smith, under eight to 24 years' sentence from the Baton Rouge district court and 20 months from the federal government, was found by an attendant sitting in a bathtub with the water running, an artery in his foot severed by a safety razor blade.

Debration said Smith was weak and probably would need a blood transfusion, but his condition was not serious.

Smith was imprisoned here after pleading guilty to the following: Forging the name of the late Gov. O. K. Allen to a \$110,000 bond issue and a check to a three to nine years.

Forging the minutes of the LSU supervisors to allow issuance of \$475,000 worth of bonds to buy Blumaine hotel in New Orleans for which he was also sentenced to serve three to nine years.

WATER USERS AT CONVENTION HEAR FLOOD PROBLEMS

DENVER, Nov. 16 (AP)—Representatives of 17 western states turned their attention today to the sugar beet problem and its relation to conservation and flood control at the closing session of the national reclamation association convention.

Charles M. Kearney, of Morrill, Neb., president of the National Beet Growers' association, outlined the domestic sugar situation and its relation to the European war effect on foreign sugar markets. Rep. James F. O'Connor, D., Mont., discussed sugar beet acreage accomplishments on reclamation projects, and urged continuance and expansion of such programs.

Legislation Needed A discussion of legislation needed to allow further expansion of sugar beet activities was led by Rep. Fred Cummings, D., Colo.

William E. Warren, information director of the bureau of reclamation, outlined the desirability and methods of proper drainage and clearing land to allow proper cultivation of beets and other crops.

Deputy State Engineer, H. H. Barron, of California, outlined the question of the national resources board, and Rep. Francis Case, D., D., outlined such a program in congress.

The convention will adjourn tonight after a meeting of the board of directors and reports of various committees. Speakers at tonight's banquet will include Gov. Ralph L. Taylor, of Colorado; Rep. Edward T. Taylor, of Colorado; and U. S. Senator C. D. Hatch, of Utah.

ONLY 84 GERMAN SUBS ARE LISTED

Nazis Have Lost 6 Craft in Week, England Asserts

Great Britain today reported that the allied position in the European war had been strengthened, that Germany had lost six merchant ships in the last week and that German shipping was almost bottled up.

Sir John Simon, speaking from Prime Minister Neville Chamberlain in the house of commons, reviewed developments of the week and blamed Adolf Hitler for failure of "the bold intervention in the cause of peace" made by Belgium and Holland.

The massing of Nazi armed forces near the low countries "presented a pattern all too familiar" to persons who could read the signs of German plans for invasion, he insisted, but added that tension has now been relieved in that respect.

British shipping continues to move with increasing freedom, Simon said. Allied held battleships, destroyers and submarines have been destroyed.

The allied maneuvers to strangle the Nazi military machine economically instead of attempting to destroy it by direct attack continued to hold the initiative. So far there were only German threats to seize the initiative by sea-scale attacks, but no comparable military operations.

The Nazi attitude and Nazi forecasts that sea and air operations against Britain will be intensified henceforth came in explanation of serious reaction to the German peace proposals on the grounds that the allies already had "outplayed" the offer.

Red army units were busy marching into the Baltic states in Lithuania, adjoining Germany, and in Latvia, after having garlanded their bases in Riga and Tallinn. The Finns watched with comparative calm and it was noted that reports of German troops in the Baltic states showed no inclination to buckle under the Soviet flow.

From the allied viewpoint, the war on the sea was not considered one of control, the long-heralded Nazi aerial menace had not yet developed seriously and the German navy showed no inclination to buckle under the Soviet flow.

OFFICIALS HOLD 15 BOOKMAKERS

SALT LAKE CITY, Nov. 16 (AP)—Acting over the heads of city police, Salt Lake county deputy sheriffs today raided and arrested 15 alleged bookmakers in raids on eight establishments, including one of the National News Service.

The National News Service, operated by M. L. Annenberg interests, ceased national operations only a few hours after the raids when Annenberg abandoned the business because of government opposition.

The 15 men arrested were released from the county jail under \$1,000 bond each after they were charged with bookmaking, a misdemeanor.

The raids and arrests were made by a special squad of deputy sheriffs under Chief Criminal Investigator George Beckstead and under the direction of Utah Attorney General Joseph Oles and County Attorney Harold E. Wallace.

City officials had invited the officials not to participate in the arrests because "they knew the gambling laws were being violated and they were being violated."

Wallace charged that this city "is more lawless than any other city in the world" and that the city is "a lawless city."

GERMANY PLANS WAR UNTIL 'ENGLAND IS DESTROYED'

NAZIS LASH OUT AT "AUTHORIZED" BRITISH CONTROL

By JOSEPH W. GRAGG, JR.
BERLIN, Nov. 16 (Special).—Germany will carry on the war "until British supremacy has been destroyed," authorized German sources declared today.

The declaration coincided with broad hints in the controlled Nazi press that despite approaching winter, Germany would intensify hostilities because Britain and France had made "new declarations of war" in rejecting Belgian-Netherlands mediation offers.

"We did not want this war," the authorized German sources said. "It was forced upon us by Britain and France. We will be ready to talk peace conditions when the war has ended victoriously for us."

Won't Hibernates

The declaration was made in response to a question, in connection with the German reply to the peace appeal of Queen Wilhelmina and King George VI, as to what were the German peace conditions.

Newspapers, meanwhile, said that Germany had "no intention of hibernating throughout the winter."

Germany did not even make a written reply to the peace message from Queen Wilhelmina and Belgium's King Leopold, but Foreign Minister Joachim Von Ribbentrop, informed the Belgian ambassador and the Dutch minister here yesterday that "in the name of the fuhrer," Germany considered the peace move "disputed" because of the break way Great Britain and France "rejected" it.

Only Reply

It was made plain this was Germany's official and only reply.

Today the newspapers discussing Von Ribbentrop's communique, particularly attacked the allies, particularly Britain.

Diplomatic observers here saw in the German press reaction the probability that German air and submarine action already had been increased. The sharp rise in the number of British ships sunk the past few days, including an unnamed British destroyer, bore this out.

P.E.O. Organizer At Jerome Unit

JEROME, Nov. 16 (Special).—Mrs. Mildred Wilson, Mulholland, state organizer of the P.E.O. Sisterhood, paid her official visit to Jerome chapter E and was feted upon several occasions during her stay here.

At the home of the vice-president, Mrs. William O. Phoenix, a luncheon was served honoring Mrs. Wilson and the officers of the Jerome chapter.

Those present included, president, Mrs. G. R. Peterson; vice president, Mrs. William O. Phoenix; secretary, Mrs. Emmitt Connor; corresponding secretary, Mrs. K. O. Mallard; Mrs. Fred Willis, chaplain; and Mrs. Leonard Young, guard. Mrs. H. E. Harry acted as treasurer, serving in the place of Mrs. Frank Daley who was absent because of the illness of her husband.

Following the luncheon Mrs. Wilson spent the afternoon at the home of the president, Mrs. Peterson in informal discussion with the officers.

The chapter entertained for Mrs. Wilson at a dinner served in the dining room of the Methodist church basement, twenty-two members being present.

Exemplification of the local chapter's work was given followed by a message from the honored guest, who gave a unique description of her recent tour into Mexico.

Transients Take Departure Order Instead of Jail

JEROME, Nov. 16 (Special).—Charged with committing misdemeanors, four persons pleaded guilty before Police Judge Clark T. Stanton this week and were each fined.

Ray Thomas, 38, appeared before Judge Stanton on Sunday, Nov. 12, and pleaded guilty to a charge of being drunk. He was fined \$10 and in lieu of payment of all of the amount, the defendant paid \$2.50 and was given the privilege of either leaving the city immediately or serving the balance of the fine by spending three days in the county jail here. Thomas chose to leave.

Also on Nov. 12, Thomas McDermott, 52, resident of northern Idaho, admitted guilt to charges of drunkenness and was fined \$10. In lieu of the amount, the defendant was privileged to either leave town or spend the customary 7½ days in the county jail here. He preferred to leave the city.

William Gibbons, 45, transient, appeared before Judge Stanton and admitted drunkenness charges for which he had been arrested. Gibbons in lieu of the \$10 fine was privileged to leave the city immediately or spend the customary 7½ days in the county jail. He chose to leave.

Everett E. Cocks, Rupert, appeared in Judge Stanton's court last week after being arrested by a member of the Idaho state police of this district on charges that he was operating a truck without flares, without reflectors and was operating the vehicle on the highway at night without official permission. Judge Stanton fined him \$5 and court costs of \$3.

N. Y. Intriguing World In Itself, Rotary Told

It's an intriguing world—New York City of 1939 through the eyes of an observant woman.

And that's what the Twin Falls Rotary club glimpsed at its luncheon session Wednesday as Mrs. Rose North, dean of girls at Twin Falls high school, offered a verbal travelogue that hit high spots from Father Divine's Harlem "heaven" to the World's fair and the Fulton fish market.

Father Divine's ability to sway a throng of 10,000 Negroes brought amazement to Mrs. North, who said that the Negro "God" exerts no magnetism in his speeches and is himself illiterate. His "heaven," or peace mission, seemed a heterogeneous uproar of emotional excitement.

Negro Problem

Mrs. North's discussion of Harlem pointed out that the huge area occupied by the Negroes is a major problem in Gotham because 85 percent of the municipal relief load consists of Negroes.

"They seek industrial equality," she said, "but many handicaps confront them. For instance, they are the last to be hired for any job and are the first to be fired. And rents are often increased when the tenant is a Negro."

With the many problems facing the colored section, Father Divine is serving a "real purpose," in Mrs. North's opinion, by helping his followers to behave themselves under their slogan of "peace, it's wonderful."

The more mechanics of feeding a city the size of New York, "a world in itself," are no less than amazing, the dean of women told the Rotarians. She said that half a million persons work at night in the food industry alone, with scores of acres devoted to food marketing materials. The famed Fulton fish market, she said, is literally "acres of fish."

Heterogeneity of New York's population is startling, according to Mrs. North. Dozens of languages may be heard; there are more Jews than in Jerusalem and more Irish than in Dublin.

Goes Back to Moscow

Russian buildings at the New York World's fair impressed the Twin Falls traveler more than almost anything else, she explained that the propaganda aim of the Soviet exhibit has caused widespread criticism and discussion. For a time the giant figure of a man—typifying Soviet progress—was placed above the U. S. flag. Protests later caused a change.

The Soviet structure, said Mrs. North, will be the only permanent edifice. It will be taken down, the marble shipped to Russia, and the building rebuilt in the Red square at Moscow.

Billy Rose's aquasade offered grandeur, beauty and impressive color effects. General Motors exhibited, "a remarkable illusion," depicted the roads, cities and other developments forecast for 1960.

Rotarian guests at Wednesday's meeting were Mrs. G. L. Clark, Twin Falls; J. H. Phelps, Salt Lake City; Fern Moore, Boise; Arthur J. Peavey, Jr., Twin Falls.

Visiting Rotarians were C. A. Garrett, Pocatello; W. E. Miller, Boise; Harry Barry, now of Twin Falls but a member of the Buhl club.

Rev. G. L. Clark was program chairman and introduced Mrs. North.

Trouble
CAREY, Nov. 16 (Special)—Trouble was double for Elmo Howard, Carey's village blacksmith, last week.

A heavy iron bar rolled from a work table in his shop, breaking three toes and one of the largest bones of one of his legs.

At approximately the same time, his house caught fire, but neighbors put the blaze out before it did much damage.

Idaho Vegetable, Fruit Shipments Register Advance

BOISE, Ida., Nov. 16 (UP)—Idaho fresh fruit and vegetable shipments during October, 1939, totaled 6,852 cars, an increase of more than 850 cars over the same month of 1938, the Pacific Fruit Express reported today to the Idaho public utilities commission.

The report said car shipments included: potatoes, 4,218 cars; apples, 192 cars; 750; lettuce, 750.

Jerome 4-H Club Extends Program

JEROME, Nov. 16 (Special)—According to an announcement today by Eugene W. Whitman, Jerome county extension agent, Beale Jackson, Bernice Bragg and Margaret Gage, all members of the Sew and Sew 4-H club of Jerome, will take week project I along with their regular clothing projects.

Materials for the project will be forwarded from the offices of J. W. Barber, district extension agent, Pocatello.

Miss Margaret Hill, district home demonstration agent, met with all members of the club at the home of Mrs. Amelia Bragg, leader last week to discuss clothing records inventories and accounts. Mrs. Hannah Gage, associate leader also attended the meeting. Other members of the club include Lois Jean Tooley, Coral Tooley, Betty Eakin, Marlene Jones, Evelyn Pina and Marlene Pacey.

JEROME TROOPS END MANEUVERS

JEROME, Nov. 16 (Special)—Twenty-five men of the 116th Ordnance company, of the national guard stationed at Jerome, recently completed the first period of their field training activities as required by the United States army and returned to their home Sunday evening. The bivouac was held at the fairgrounds on Saturday and Sunday of last week where mess kitchen and sanitary facilities were established and will be used during the remaining part of the seven day period requirement.

Major George C. Hailey, Twin Falls, inspected the unit on Saturday and Sunday.

The next period of field work will be on Sunday, Nov. 19, followed by continuing through Dec. 2. There is a possibility that the local unit will spend the last four days inspecting ordnance material of the cavalry troops at Gooding and the engineer units at Buhl, Twin Falls and Burley. Capt. Ward C. Howard said.

Capt. Howard stated that men interested in enlisting in the unit should contact him at once. He stated further that while there are no openings at present, increases are expected which will make room for five or six additional men.

It is reported by traffic engineers that in 25 per cent of all fatal traffic accidents, the driver had been drinking.

Girl, 19, Puts Bump on Head In Attempt to Boost Height

KANSAS CITY, Mo., Nov. 16 (UP)—It's up to Kathleen Hildebrand to grow another quarter of an inch, or be about as disappointed as a girl can be.

Kathleen, 19-year-old junior college student, has her head set on becoming a member of the junior college fencing class. She'll realize her ambition if she can just add that quarter of an inch.

Civil aeronautics authority regulations specify student fencers must be at least five feet two inches tall. Kathleen took the physical examination three weeks ago and passed except for her height which was five feet one inch.

M'NUTT BIDS FOR PRO AND ANTI-ROOSEVELT SUPPORT

HOOSIER WORKS ON BOTH SIDES FOR NOMINATION

By LYLE C. WILSON
WASHINGTON, Nov. 16 (AP)—Federal Security Administrator Paul F. McNutt struck a compromise today as he and his manager bid for the support of both pro and anti-Roosevelt wings of the Democratic party.

Frank McHale, Indiana's Democratic national committeeman and head of the McNutt-for-President organization, is dickering with anti-Roosevelt men. McNutt, from the vantage point of high position in the administration, is beckoning New Dealers to his banner.

They appeared in those roles yesterday here and in Chicago. McNutt in the latter city met with anti-New Deal Gov. Leon C. Phillips of Oklahoma for an avowed purpose of discussing McNutt's presidential aspirations. Here a few hours earlier, McNutt appeared before a luncheon meeting of the national lawyers guild with an address based on the fundamentally New Deal doctrine that professional, medical and legal services should be readily available to the masses. The guild is friendly to the New Deal.

McNutt's campaign is proceeding methodically, quietly and efficiently. When he appeared before the lawyers group of lawyers yesterday he was just returned from a jaunt into Florida where he spoke before the southern college conference on democracy and found occasion for two broadcast meetings in Lakeland and Jacksonville. The Jacksonville gathering consisted of 400 Democratic leaders including most of the party's Florida big shots.

Belief that McNutt is being given a run for the nomination by President Roosevelt is general in Washington although that, of course, does not yet commit the President to support his security administrator. He already has announced his candidacy with a provision that he wants the nomination of Mr. Roosevelt out of the race. Vice-President John N. Garner, the other more-or-less avowed Democratic candidate, says the nomination is a question of what Mr. Roosevelt does.

Makes 26 Speeches
McNutt is lengthy ahead of all other contestants for the nomination in 40 far as his personal efforts are concerned. Since July 7 he has made 26 speeches in 12 states and the District of Columbia. He has hit every part of the country except the far west and southwest and early appearances in those areas are almost inevitable.

Belief that Mr. Roosevelt is "giving McNutt a run" is not at all unfounded. McNutt has been so successful that White House favor continues to shine on him. There is not much more evidence now that McNutt is being "run" by the White House than there was on previous occasions that others were being considered by Mr. Roosevelt as possible political heirs.

SCIENCE PUPILS TO HEAR WENDT

Science students at Twin Falls high school will be guests of the Twin Falls club tonight as Dr. Gerald Wendt, director of scientific exhibits for the New York World's fair, presents the second lecture in the 1939-40 series.

Invitation to the science students, who will occupy balcony seats at the high school auditorium, was extended through President J. A. Cedarquist to John Platt, chemistry instructor at Twin Falls, who will introduce the speaker. (The lecture is scheduled for 8 p. m.)

Dr. Wendt was to arrive in Twin Falls late this afternoon and was to proceed at once to the auditorium to arrange numerous exhibits with which he will demonstrate his talk.

Rancher Sues on Claim for Labor

Asserting that he labored 18 hours daily in operating a 112-acre ranch at Castleford, J. R. Barth has filed probate court civil suit for \$500 wage claim against John Balch, Jr., ranch owner.

Barth informed the court that \$125 is due him from the \$750 he says a verbal agreement assured him for his year's work. Besides the \$125, the claimant asks \$100 for labor his four sons did, \$50.00 as his portion of a lamb crop, \$150 for 780 hours of overtime, \$35 for repairs and other expenses.

The overtime labor, according to the complaint, was figured on the basis of 10 hours for a normal work day. J. R. Barth is counsel for Barth.

Art That Breathes Causes Battle in Censor's Office

HOLLYWOOD, Nov. 16 (AP)—Art in the form of an oil painting of a luscious-looking lady with a rubber stomach—she breathes, grunts, she's real—brought the Warner Brothers into bitter conflict today with the guardians of the movies' morals.

Even with a brassiere and panties superimposed upon her by the well known artist, Alexander Rosefeld, she would not pass the censors at the Hays office. They said her rubber middle also had to be draped.

This innuendo may be disastrous to Warners. Their picture of the lady who breathes, with the aid of a belted corset beneath the frame, is necessary to the plot of a movie they are now making about the good old days at Virginia City, Nev.

150-Pound Lady
Over the bar in the Rialto hotel, when Virginia City was a boom town and the miners bought their drinks with gold dust, hung a portrait of a 150-pound lady, resting upon a bear skin rug. She was naked and the miners admired her mightily, particularly when the assistant bartender tugged a string concealed behind the canvas and made her breathe. She was known as the "Living Lady" and the Rialto house valued her at \$100,000.

When time came to reproduce the living lady for the movie, the Warners retained Rosefeld for the job.

Too Many Clothes
The brothers told him he'd have to clothe her, all right, but to leave her stomach bare, except for some grease paint, which wouldn't crack when the bellows were expanded. The censors looked at the result, but continued to frown.

"And I do not believe it is possible for me to put any more clothes on her and still achieve the proper effect," Rosefeld said. "I might make the brassiere darker and add draperies wider, but I do not want to."

MARKETING UNIT GATHERS DEC. 11

Hog and sheep producers of Twin Falls county will gather Dec. 11 at the Piler fairgrounds for the annual meeting of the livestock marketing association, directors decided last night at a meeting in offices of County Agent Bert Bollingbrook.

The meeting will start at 10 a. m. and will close late in the afternoon, according to Chairman George C. Leth, who presided at the session last night.

The directors authorized that the books of the association be turned over to a certified public accountant not connected with the livestock pool for auditing. At the annual meeting a report of his findings will be read.

By-laws for the association will be revised and drafted by Leth and Thomas Parks, Piler. These will be read and voted on at the conference.

Last night the directors discussed recent pools sold under the new marketing plan and agreed to sustain the practice of selling on the open market.

A state party of all marketing pools will be held at Idaho Falls, Dec. 2 Leth stated. At least six directors indicated that they would attend including Leth and Bollingbrook, secretary of the association.

2 EX-RESIDENTS KILLED BY AUTO

Two former Twin Falls residents were killed when struck by an automobile as they were walking along a road near Waldport, Ore., on Nov. 14. They were Mr. and Mrs. A. Z. Bille, for many years members of this community.

Driver of the car, W. L. Cowan, 37, attempted suicide after the accident by leaping from a nearby bridge. Although he fell fifty feet he was uninjured, landing in a mud flat.

Bille was killed instantly and his wife died the next morning.

Bille was the owner of the Waldport dairy.

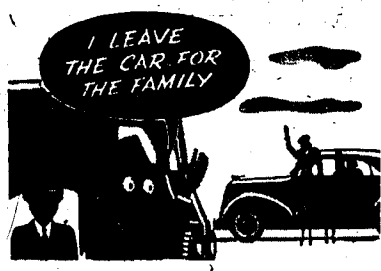

The couple left two children, Arthur, 16, and Earl, 14, and a brother, Mead J. Bille, Waldport.

P-T.A. in Jerome Serves Hot Food

JEROME, Nov. 16 (Special)—The hot lunch program began in the Jerome schools Wednesday under the direction of Mrs. Lola Bridgman, in charge of women's projects. The program is being sponsored by the P.T.A. and the labor is furnished through the department of public assistance.

Lunches are free to deserving pupils but it is not expected that all children taking hot lunches shall use the free privilege. A charge of 18 cents a week payable in advance will be made.

The parent-teacher committees will find it necessary to receive donations of vegetables and other food stuffs in order to keep the program in operation. They will need potatoes, carrots, beans and cabbage. Donations of butter and milk will be gladly accepted. Establishments will be accepted from both students who take hot lunches free and those who pay.

Paying pupils will be allowed credit on their lunch tickets for donated food stuffs. Cooks will make the evaluations for this purpose.

It was announced that parents should understand that these lunches

are merely supplemental to a complete lunch and that the children taking them will not receive sufficient nourishment from the noon meal if they depend entirely on them.

One-eighth of all research workers employed by industries in the United States in 1938 were in petroleum laboratories.

Regular values to \$1.49, but these fine cloths were closed out before the European trouble started. The way imported linens have jumped in price recently it is hard to say what these pieces would sell for now.

SIZES

51x51 Inches—51x77 Inches
57x57 Inches—57x77 Inches

DESCRIPTION

You have your choice of all over plaid designs or plain centers with novelty striped borders. They all have machine made hems.

A NOTE ON LINEN PRICES

There has been a drastic increase in the price of all imported linens since the European war. These linens were all purchased during the summer, on cash deals with the importers, and packed away in our own warehouse for this Thanksgiving special. Comparative prices, where given, are what they would have sold for last summer. Actually, under present abnormal conditions they would be much more.

REGULAR \$2.00 SHIRTS

SPECIFICATIONS

- Every shirt is sanforized so it can't shrink and carries the label.
- These fine shirts are sold, of course, with a first quality guarantee.
- The workmanship and tailoring is excellent.
- All sizes are shown from 14 to 17½.
- There is a most interesting assortment of dark patterns from which to make a selection.

HISTORY

These shirts were made especially for a large exclusive men's store in New York City. The store's own buyers selected the patterns direct from the importer and then the shirt manufacturer purchased the cloths. They were confined exclusively to this one store. At the end of the season the factory took all the material left over above the contract, made them up into the same shirts and closed them out to three accounts, including ourselves, all of whom had to be located at a distance from New York. Here they are and they are well worth while.

Regent Plans Dinner For D. A. R. President

Mrs. Henry M. Robert, jr., president general of the national society, Daughters of the American Revolution, who will address Idaho chapters of the D. A. R. and guests at a luncheon tomorrow afternoon at the Park hotel, will be honor guest at a dinner this evening at the home of Mrs. T. F. Warner, 206 Eighth avenue east.

Mrs. Warner is state regent of the Daughters of the American Revolution. Guests will be state officers who are here to attend tomorrow's luncheon, and past regents of the Twin Falls chapter.

Mrs. Robert, whose home is in Annapolis, Md., was not this afternoon at Shoshone by Mrs. L. L. Breckenridge, at whose home she will be a guest during her stay in Twin Falls.

Saturday Mrs. Robert will be shown the scenic beauties of Sun Valley, famed Idaho resort, before boarding the train at Shoshone for Salt Lake City, her next stop.

She will be accompanied to Sun Valley by Mrs. Warner and Mrs. Wilbur S. Hill.

HOLIDAY EVENTS PLANNED BY J. U. CLUB

J. U. Club of the Royal Neighbors will entertain the husbands of members at a Thanksgiving dinner Friday evening at the Odd Fellows hall and final plans for the event were made yesterday afternoon at the home of Mrs. W. J. Hollenbeck.

Announcement was made that all Royal Neighbors were invited to attend.

Mrs. Dorothy Pultzer is general chairman of arrangements for the dinner and Mrs. Lena Kunkle is in charge of the program.

Plans for a Christmas party were made, the group to meet at the home of Mrs. Kunkle for the event. Roll call responses will be "The First Christmas I Can Remember."

Mrs. Mary Stearns was elected secretary, Mrs. N. E. White, resigned. Mrs. Delphine and Mrs. Margaret Miller, assistant hostesses, assisted Mrs. Hollenbeck in serving refreshments.

FIREBIRD GROUP MEETING AT KIMBERLY

First meeting of the Sunday Evening Firebird group of Kimberly McMen and Gleaner Girls was held this week at the home of Mr. and Mrs. Albert McMen.

Miss Margaret Hill, district home demonstration agent, Mrs. E. V. Newcomer was assistant hostess.

Decorations were rose and yellow chrysanthemums and a Thanksgiving motif was featured in the refreshments.

Group singing, duets and trios were featured, and an all-group letter was written to a missionary, Mrs. Lewis Norris and Mrs. John Bate were guests. Mrs. Duran was reading and group singing was enjoyed.

Miss Helen Flack to Be Y.W.C.A. Speaker

Miss Helen Flack, national Y.W.C.A. secretary in charge of the western section of the country, who was once secretary of the Y.W.C.A., will be the noted speaker appearing before the Twin Falls and Magic Valley districts conference to be held here Saturday and Sunday, and will meet with many groups interested in Y.W.C.A. work during her brief stay in Twin Falls.

Miss Flack directed the Magic Valley girls in 1923 and in Boise with her parents, at

Friday afternoon a tea is being planned at which she will meet the adult council of the Girl Reserve at the home of Mrs. Paul Taber for conference. Plans for the tea are still tentative, depending on whether she will find it possible to attend.

Secretaries Convene

At 5 o'clock Friday afternoon she will attend a round table discussion with secretaries of Y.W.C.A. in Idaho at the Park hotel. Attending will be Miss Musa Demouth, Pocatello, secretary of the Pocatello Y.W.C.A.; Mrs. Helen Lowell, Parma, secretary of the Magic Valley and southwest districts, now called the Town and Country district since the consolidation last summer.

Miss Betty Vincent, Girl Reserve secretary for Boise, and Miss Carrie Reynolds, business girls' secretary for Boise, and Miss Elaine Kinyon, Twin Falls Y.W.C.A. secretary, will attend.

These councilors will meet with Miss Flack Friday evening, and will stay to attend the conference the next day. Miss Flack leaves for Boise Saturday evening, following the banquet which will climax the day's program for Girl Reserves.

Saturday morning Miss Flack will speak at a meeting of the Magic Valley district board in the Y. C. A. rooms.

Election Stated

Saturday afternoon during the business session of the conference she will speak to the Girl Reserves who attend from Buhl, Piler, Kimberly, Eden, Hazelton, Burley and Twin Falls. At the same meeting Rev. Leroy Walker, Buhl, will discuss the Girl Reserve election of officers will be held during the afternoon.

Present officers are Miss Lausanne Gudmundsen, Piler, president; Miss Betty Johnson, Piler, vice-president; Miss Juanita Poe, Kimberly, secretary, and Miss Betty Rommelvedt, Twin Falls, treasurer.

Registration will start at 9:30 o'clock at the Elks hall. Members of the adult council will handle registration. After a short program during which Kimberly unit is in charge of the flag salute, members of Twin Falls will present a Wizard of Oz skit directed by Miss Adva Mac Bracken. A chorus, directed by Miss Olive Walls, will sing and Miss Gudmundsen will welcome the group.

Committee Meetings

Throughout the remainder of the morning. Saturday evening installation of officers, banquet and a dance will be held. Sunday morning services will be held at the Presbyterian church, with Rev. G. L. Clark speaking on "Over the Rainbow" following the Wizard of Oz skit.

SEWING PROJECT FOR ROOM MOTHERS

Setting for a school welfare project occupied the Room Mothers of the Lincoln P-T. A. meeting last week at the home of Mrs. James A. Woodhead.

Mrs. Woodhead, Mrs. Mable Praddon and Mrs. J. Oshorn, sixth grade room mothers, were hostesses. Refreshments were served.

'World Tour' for Business Girls' Y.W.C.A. Group

Members of Beta Gamma, business girls' group of the Y.W.C.A., will be entertained by the members of the Magic Valley club, another Y.W.C.A. business girls' group, this evening at a progressive "World Tour."

The hostesses and their guests will assemble at 8 o'clock tonight at the Y.W.C.A. rooms and from there will go to various homes, each decked out to represent a foreign country. Last "port of call" will be America, at the home of Mrs. Emma Clouchet, club sponsor.

Plans for the event were made some evening this week at the home of Miss Nola Carder. Arrangements were continued for a "doll fashion fair" Dec. 18 at the Y.W.C.A. rooms, to which the public is invited.

The Magic Valley club is dressing dolls for charity gifts this year, and these will be displayed at the fashion show preceding their presentation as gifts.

A letter from Mrs. B. L. Price, former co-sponsor, was read. She is spending the winter in California.

Miss Carder was assisted by her mother, Mrs. Lucy Carder, in serving refreshments.

MOUNTAIN VIEW PLANS HOT LUNCHEONS

A hot lunch project will be carried out by the Mountain View O.B.A. according to plans made at a meeting of the organization this week. Mothers will serve the luncheon, and a schedule of turns was outlined, as well as menus planned.

Crosby Biggarstaff, Emmet Bauer and Leonard Campbell were appointed to meet with the school board to negotiate final plans for the hot lunch program.

This week's program included a reading, Miss Selma Sperry; song, Miss Colleen Reideman; skit, primary boys; reading, Wayne Bauer, and a play, "Tom Thumb's Thanksgiving," with the entire school taking part.

A gift exchange was planned for Dec. 11 with Mrs. Emmet Bauer and Mr. and Mrs. Charles Lunte as program committee. The mothers are asked to meet Dec. 7 to make costumes for the Christmas program.

Kimberly Legion and auxiliary will have a joint meeting at 8 p.m. today at the office of Dr. Harry Alben.

THANKSGIVING SPECIAL

From now until Nov. 25, 1933, the California Growers' Association is offering a special Thanksgiving price on all California wine.

Special for \$4.00 EUGENE BEAUTY SALON Under Puget Sound Bank Phone 69

which will be carried out through the conference. Unvers and the special number will be in charge of Hazelton girls.

(From New York)

Brand new and extremely practical is this ring glove with the fourth finger fully abraded to accommodate a large ring. If you're bored with having to remember to turn your ring before putting on gloves or, worse yet, irritated with imperfections that have appeared because of the times you forget to turn your ring around, this is the glove for you. It comes in all colors, has U-turned finger tips, especially constructed for long finger nails, and a flippantly knotted wrist tab.

Cornucopia Featured As Motif for Luncheon

Mrs. Edward Rogel was hostess at a cleverly arranged "housewife's luncheon" yesterday, an exchange of recipes being featured. Instead of cards, the afternoon was devoted to needlework and handicraft.

A horn of plenty formed the novel central trim for the luncheon table, and the harvest symbol was repeated in smaller replicas at each cover.

About the room were arrangements of chrysanthemums, "November's flower."

Invited guests were Mrs. John Brockenridge, Mrs. Hugh Phillips, Mrs. William Morgan, Mrs. Gertrude Wallace, Mrs. Lee Johnson, Mrs. Gordon Day, Mrs. Thomas C. Parry, Mrs. Richard Smith, Mrs. Charles Crabtree and Mrs. Virgil Lesalle.

CRUCIUS CLUB TOLD OF GIFTS

Christmas gift suggestions were made by Miss Margaret Hill, district home demonstration agent, at a recent meeting of the Crucius club at the home of Mrs. Wayne Williams.

A short business session was conducted. Mrs. Betty Calvert read a letter from Miss Marion Hewitt, state home demonstration agent.

Next meeting will be held at the home of Miss Laura Barber Nov. 24. The hostess served refreshments.

WASHINGTON PUPILS TO HAVE HOLIDAY PARTY

Room Mothers of the Washington P-T.A. will provide the annual Christmas party and treats for the Washington school pupils, according to plan discussed this week at the home of Mrs. Loyd Perry.

Mrs. J. E. Tomlin and Mrs. Padon were in charge of the party. Arrangements for the party were discussed. A teacher's party was planned for early in December. Refreshments were served.

OLD FOLKS

Here is something that is sure to bring a smile to the face of every old person. It is a little book called "Old Folks" which contains a collection of old songs, old stories, old sayings, and old recipes. It is a book that every old person should have. It is a book that will bring back memories of the good old days. It is a book that will make you feel like a child again. It is a book that will make you feel like you are part of a big family. It is a book that will make you feel like you are loved. It is a book that will make you feel like you are needed. It is a book that will make you feel like you are happy. It is a book that will make you feel like you are old.

BUHL RED CROSS DRIVE UNDERWAY

BUHL, Nov. 16 (Special).—The annual Red Cross drive started in the west end Monday, Nov. 13, under the general direction of Postmaster L. P. Runyon, drive chairman.

Mr. Runyon appointed the following to assist the regional section: Mrs. Pat Joyce, Miss Marjorie Fuller, Mrs. William Cantlon, Mrs. J. W. Wampler, Mrs. Joe Edgett, Miss Annette Moore, and Mrs. H. A. Neal. In the business section solicitors will be Mrs. Claude Kaelin, Mrs. Jack Davis, C. W. Aldrich, Miss Annette Moore, and Mrs. Sadie MacManus.

Mrs. Chris Hesselholt will be in charge of the work at Castleford and will name her helpers for the rural district. The Deep Creek section will be worked by Mrs. Nellie Gill, the Clover section by Rev. W. F. Dannenfeldt; the Lucerne section by Mrs. Otto Bing; Cedar Draw by Mrs. Vern McCollum; the north-west and Clear lakes sections by Mrs. Lynn Garner; the southwest by Mrs. E. T. Warner, and the southeast by Mrs. Gladowski.

Review Year's Work

The west end Red Cross officials headed by Mrs. J. J. Pinke have prepared a resume of the work the Red Cross is doing in this district, and wish to announce that the organization made it possible for 36 children in the Buhl schools to receive eye care and glasses last year.

With the 1938 roll call funds the Buhl chapter purchased the inhalator and infant respirator, with these it has been instrumental in saving the lives of some 20 persons.

The chapter was instrumental in obtaining medical care for two World War veterans, obtained food and shelter for worthy families, and maintained two highway aid stations. It has obtained first aid instructions for at least 50 persons in Castleford and Buhl communities, and named five persons who hold certificates to teach first aid.

Any persons desiring a teacher of first aid, may communicate with Mrs. Pinke.

Help War-Stricken

The chapter has been called upon by the national Red Cross to establish sewing rooms and knitting classes to supply articles for homeless and needy in the warring nations.

Mrs. Sadie MacManus has taken over this chairmanship and immediately after roll call will commence work on war clothing.

The Buhl chapter makes up each year a quota of articles which are mailed as Christmas gifts to war veterans in hospitals and army and navy men on active duty overseas.

The quota for this year will be 10 bedside bags, 10 khaki ditty bags.

Bring Swimming Expert

New recruits of Red Cross expects to bring to Buhl a swimming and life-saving instructor for the City park swimming pool.

A Junior Red Cross chapter has been organized in the Buhl, Castleford, and Clover schools as well as in the surrounding rural schools.

Most of the rural teachers took advantage of the first aid courses taught last winter by the Buhl school.

The personnel of the Buhl Red Cross chapter is Mrs. A. J. Pinke, chairman; Mrs. L. J. Johnson, vice chairman; J. H. Barker, treasurer; Mrs. R. E. Niswanger, secretary; Jack Frost, publicity chairman; Ray Banbury disaster chairman; J. H. Canline, swimming and life-saving; L. P. Runyon, roll call; Mrs. Albert Lewis, Junior Red Cross, and Mrs. Sadie MacManus, war relief.

Citizen Aspirant List Shows 2 Hitler-Conquered Nations

Two countries already dismantled by Adolf Hitler, one that is now worrying about invasion and two which are apprehensive about Hitler's Russian ally are included in the nations represented by the 16 Twin Falls county residents who will appear for citizenship papers here Saturday, their final tabulation of petitions showed this afternoon.

Sixteen residents will seek their final papers at 9:30 a. m. Saturday, with a naturalization inspector from Salt Lake City doing the querying as Judge J. W. Porter presides.

These Represented

Poland and Czechoslovakia are the Nazi-dismembered nations whose representatives will seek American citizenship. Holland, now facing the threat of Nazi invasion, is also represented as are Sweden and Norway, the Scandinavian bloc now worried over Russia.

In the case of the applicants born in Poland and Czechoslovakia, name of the ruler to whom allegiance will be renounced is a ticklish question. The United States hasn't yet recognized either conquest.

The list for the citizenship hearing had totaled 17 until last Sunday, when John Cronin, Irish-Canadian farmer of Filer, died. Mr. Cronin was to have come up for naturalization this week-end. He was born at Forest, Ont., Canada, May 11, 1878. He entered the U. S. at Sweetgrass, Mont., June 2, 1888.

List of the citizenship eligibles, with places of birth and time of entry into the U. S. shows:

Jerome Ministers

To Hold Services

JEROME, Nov. 16 (Special).—The Jerome Ministerial association met at the Presbyterian church study on Monday afternoon to plan for the annual union Thanksgiving service.

It was decided to hold the service at the Jerome Baptist church on Wednesday evening, Nov. 29, with the evangelist, Rev. J. B. Long, delivering the sermon. Men and Missions Day is to be observed in the local churches next Sunday, Nov. 18.

Each church will have its own program instead of holding a union service.

POTATO

STOPS PLANNED AT FIVE CITIES IN THIS SECTOR

Carrying scientific information for all potato farmers, the unique 10 car "potato train" will be displayed first in Magic Valley at Jerome, then will move to Rupert, Burley, Buhl and Twin Falls, according to word received here today from the university extension service at Moscow.

Announcement of the display dates was the first specific setting of time for arrival of the potato special which will tour Idaho.

Schedule
The schedule for Magic Valley: Friday, Jan. 26—Jerome, 8:30 a. m. to noon; Rupert, 1:30 p. m. to 5 p. m.; Burley, 7 p. m. to 10 p. m. Saturday, Jan. 27—Buhl, 8:30 a. m. to noon; Twin Falls, 1:30 p. m. to 5 p. m. and from 7 to 10 p. m. that evening.

The potato special will move into Jerome from a southwestern Idaho tour which will include Boise, Weiser, Payette, Camanche, Nampa, Caldwell and Nampa from Jan. 22 through Jan. 25. After leaving Twin Falls, the train will go to Aberdeen, Blaine, St. Anthony, Ashton and Idaho Falls.

The train is sponsored by the Pacific in cooperation with the university's agricultural experiment station, its extension division, the state department of agriculture and the Idaho advertising commission.

These Are Leaders
Details for the train have been worked out between R. C. Reed, agricultural supervisor, and Joe W. Jarvis, agricultural agent at Boise, representing the railroad, and Dean E. J. Jennings of the University of Idaho and members of the college experiment station and extension staffs directly engaged in potato work.

The informational material will be presented by speakers and charts, exhibits and motion pictures, according to Dean Jennings. "E. R. Bennett, Boise, extension horticulturist, will speak on the importance of quality, per-acre yield, and seed production; J. M. Reeder, associate plant pathologist at the Idaho station, will speak on diseases which the Idaho grower must contend with; John Toews, superintendent of the Aberdeen branch agricultural experiment station, will discuss a variety of practical commercial potato production programs from the grower's point of view, citing the wide range of experimental work in potatoes at the Aberdeen station.

In addition, three baggage cars will carry exhibits, charts and picture displays on soils, production methods, diseases, insect control, grading, marketing, advertising and utilization of potatoes. All of the cooperating agencies are collaborating to fill these cars with timely and helpful information.

At each stop the county agricultural agent will be in charge of the program. Ample opportunity will be provided at each stop for growers with individual problems on any aspect of potato production to ask questions of the specialists on the train or to have conferences with them. Questions which cannot be answered at the moment will be handled later by correspondence.

PROVO KIWANIS LEADER SPEAKS

Allan Johnson, president of the Kewanah club of Provo, Utah, presented a report which he entitled "World Pictures," at the local Kewanah luncheon this noon at the Park hotel.

Homer M. Davis, superintendent of schools, was in charge of the program. He presented a boys' quartet from the Twin Falls high school. Homer D. Hayes, Kenneth Rudolph, Mike Peterson and Ted L. Toews, who were accompanied by Miss Marjorie Albertson.

Art Eren, member of the Pike Kewanah club, was a visiting Kewanah, and A. O. Sheldon, Salt Lake City, was a guest of Ed Tinker.

H. S. TEAMS CLASH FOR THREE GRID CROWNS

SPORTS

Jerome to Tackle Rupert; Bruins Seek State Crown

Football fans of south central Idaho will converge on four points of interest on Friday as gridiron teams attempt to settle championships in three leagues.

Top contest will be the Twin Falls-Nampa battle at Lincoln field for the South Idaho conference title, but just as much interest is attached to the Jerome-Rupert battle on the northside of the Snake for the Big Seven championship and the Glenns Ferry-Albion fray at Albion for the Class B crown.

The fourth tilt is the traditional Filer-Buhl fray, with the two clubs meeting at Filer. A victory would make the season a success for either team—a loss just the reverse.

The Jerome-Rupert clash brings together two of the most powerful clubs in the state of Idaho. Coach John Nutter's Tigers boast the only undefeated, untied record in the state for Class A schools and they are attempting to keep that record intact against a much bigger Rupert outfit.

Norby Club in Shape

Coach Norby reports his club in fine shape, both physically and mentally, for the title fray. The only regular game from the club will be the one against the Bruins, who were injured in the Burley game two weeks ago. He broke a wrist in that battle and will play no more this season. The rest of the outfit is reported as "rain to go" and all set to clinch the crown.

Jerome needs a win or a tie to attach the pennant. The Rupert team was knocked out of the undefeated ranks by Buhl on Nov. 3 and therefore must get a victory to gain a tie with the aerial-minded Tigers. The game is scheduled for 2 p. m. Friday on the Jerome field and is expected to attract the biggest crowd of the season.

Play for State Title

At Twin Falls the mythical state championship will be at stake when the Bruins and Bulldogs meet at 2:30. Neither club has a perfect record in competition in the South Idaho conference has been so fierce this year that these two clubs boast the best records of the six clubs in the league. However, Nampa and the edge going into the game because all the Bulldogs need to assure a conference win is a tie. On the other hand, Coach Hank Powers' outfit must get a victory to bring the first pennant for gridiron teams here in many years. Another record-breaking turn-out is expected for this battle.

The battle at Albion will bring together two undefeated Class B teams on Saturday at 2 p. m. Albion, unbeaten winner of the Mini-Casals district cup, has a 12-0 record. Winning from every opponent played this year and boasts a team that carries a lot of defense along with a great offense. The Bruins, led by Vin Waterman and the opposition has not made a score on the club this year.

Barrett Team Favored

However, Coach Kenneth Barrett's team will enter the fray as a big favorite. The Bruins' record is 12-0 and they have successfully gone through a tough schedule without a mishap. Nutter's team, on the other hand, has lost three of its last four games. The Barrett team will hold about a 10-pound weight advantage per man.

The fourth tilt will be played on the Filer field and is set to commence at 1 p. m. Buhl will enter this engagement as a slight underdog in the betting after checking up on the Big Seven wins against three losses to date, while the Widens have lost four and tied one.

Aussies Renew Quest for U. S. Boxing Crowns

NEW YORK, Nov. 16 (AP)—The unveiling of Fred Henneberry, Australian middleweight, at Madison Square Garden tomorrow night marks the resumption of a title quest that was halted by heartbreak and lonely death 22 years ago.

For his American debut Henneberry is matched with George Abrams of Washington, D. C., in the eight-round semi-final to the light heavyweight title tilt between Champion Billy Conn and Les Tesch of New Jersey.

Henneberry, 150-pound champion of Australia, has invaded these shores to battle for Australia the world middleweight and possibly light heavyweight crowns. The great Les Tesch had the same objective when he arrived in the United States from "down under" just before Christmas in 1918. Darcy, the principle in the fight, was the most pathetic chapter and died in despair at Memphis, Tenn., the following May.

One of the greatest of the middleweights, arrived in this country during the World War. Henneberry came during the present war. The current international situation may or may not affect Henneberry's campaign, but the World War II has not deterred him from having a fight on American soil. He died, branded as a "slacker."

Henneberry came to New York by way of England, where he claims he tried to volunteer but was rejected because the English recruiting officers said they were accepting only Australian volunteers as volunteers.

The result of a "recent drivers' survey shows that 'road hogging' is the most serious motorist pet peeve. Other annoyances include 'tailgating,' 'cutting in,' and 'tailgating.'

Dog House

The students of Twin Falls high school are hoping this is not an omen.

As part of their activities preceding the Nampa-Twin Falls high school gridiron battle for the state championship, they built a dog house to symbolize their hope of subduing the Nampa Bulldogs when they come here Friday afternoon.

However, their plans apparently didn't coincide with the Nampans because when they went to place the dog in the house for exhibition purposes, they found it didn't fit.

As a result, the dog (an electrical canine) now sits just outside the house—not in.

Kimberly Maps Trap Shoots For Two Days

KIMBERLY, Nov. 16 (Special)—Kimberly American Legion—ready to please both Republicans and Democrats—announced today that its annual turkey shoot has been expanded to a two-day event, with a shoot preceding each of the two Thanksgiving days.

The shoots will be held at 9 a. m. on Nov. 18 and on Nov. 26, according to Deane B. Shipley, chairman of the publicity committee. Lee Fancher is chairman in charge.

200 Turkeys Available

Competition for no less than 200 big turkeys, ranging from 10 to 15 pounds, will be centered around trapshooting. Mr. Shipley said. He added that birds and dice will also be available "for those who want to get a turkey by their wits."

Both shoots will be held on the Harvey Wood ranch, on U. S. 30 a mile north and half a mile west of Kimberly. The turkeys were grown especially for the occasion by Legitimate A. P. Murray. They will be given out alive.

Trapshooters

Several women trapshoot devotees are expected to be among the contestants.

Proceeds of the two shoots will go into the Legion memorial building fund for erection of a future structure as home of Kimberly's Legion post.

Lunch will be available on the grounds under auspices of the Legion auxiliary.

Nine Unbeaten Clubs Remain In Grid Race

NEW YORK, Nov. 16 (AP)—The tilt of unbeaten football teams is down to nine and from now until the end of the season the teams will be stacked against one.

Seven of 'em roll into action this Saturday—two have day off.

Four have perfect records—two even scored on, Duquesne, Texas A&M and Cornell. Those with ties on their charts are Tennessee and Tulane and the teams that have games for the annual bowl are Ole Miss, Southern California, U. S. C. and Oklahoma.

Southern California and Duquesne are idle this week but the rest have games.

Morris Names Fourteen Men To Fish Posts

BOHE, Nov. 16 (AP)—Fourteen Idaho fish hatchery superintendents were named today by Fish and Game Director Owen W. Morris who also appointed Verne W. Bailey head of the largest and best fishing game farms.

Hatchery superintendents named were: H. L. Andrews, Idaho Falls; E. O. Bailey, Eagle; M. K. Thornhill, Camaret; L. W. Brown, Hainpoint; Alan A. Clark, Coeur d'Alene; J. F. Clark, Pocatello; John C. Oleson, Mackay; O. H. Dahlquist, Twin Falls; Charles Sherwood, American Falls; V. L. Howard, McCall; Frank E. Claver, Henry Lake; George O. Clark, Cascade; L. W. Gaver, Grangeville; and E. G. Tyler, Lowell.

North Idaho Sportsmen May Get Good Fishing Renewal

Ramming Through in a Power Dive

Fordham's fullback Dominic Principe (in mid air) goes into a power dive as he makes a three-yard gain against Indiana at New York's Polo Grounds. Rams goose-egged the Hoosiers 13 to 6.

Cornell, Tennessee Picked To Keep Perfect Records

Duke Named to Upset North Carolina Club

NEW YORK, Nov. 16 (AP)—Drapping a four-leaf clover over a lucky horseshoe in an attempt to pick the week-end football winners.

EAST

Tulane over Columbia—The green wave, surges north and causes a flood.

Cornell over Dartmouth—Cornell has been strangely quiet since the Ohio State game; watch out for an earthquake.

Holy Cross over Carnegie Tech—Power wins over speed.

Michigan over Pennsylvania—Tues. maybe four touchdowns.

Nebraska over Pittsburgh—13 to 7.

Colegate over Syracuse—Syracuse hasn't had much luck since the Georgetown game.

Villanova over Temple—It's just something that appeared in a crystal ball.

Army over Penn State—On a break last year the season for the weeks against Penn and won't be high for this one.

Prieston over Yale—That giant line will do it.

SOUTH

Duke over North Carolina—In a wild attempt to pick one of the season's fables.

Alabama over Georgia Tech—In a close, hard one that could be a tie.

Hayward over Conference—Easy.

Georgia over South Carolina—Should be too long.

Kentucky over West Virginia—In a practice session.

Louisiana State over Auburn—Bouncing back from last week's loss.

Texas A. and M. over Rice—Bowl bound and unbeatable.

Tennessee over Vanderbilt—Howl bound and unbeatable.

Texas over Texas Christian—On a couple of long runs by Crain.

MINNESOTA

Minnesota over Iowa—Minnesota catches Iowa in a let-down after the Notre Dame battle.

Kansas State over Iowa State—By no more than two touchdowns.

Kansas over George Washington—Just stringing along with the home team.

Indiana over Michigan State—Close and muddy.

Oklahoma over Missouri—Something to see.

Notre Dame over Northwestern—Tough may be the one in which the Irish get their fish up.

Ohio State over Illinois—In full doubt of that matchup named Zupke who wants to win this one mightily badly.

Purdue over Wisconsin 7 to 0.

OREGON STATE over California—Not much competition.

Stanford over Washington State—A couple of wack ones right it out.

Colorado over Brigham Young—But no close for comfort.

Utah State over Wyoming—By two touchdowns.

NEW YORK, Nov. 16 (AP)—The Chicago team of the University of Chicago won a game today—a game of "moanin' low."

The coach whose football team has piled up a total of 12 points against its opponents' 27, was awarded a prize given annually by the Athletic Round Table of Spokane to the football mentor who writes the sobriest letter on football prospects.

Coach Shaughnessy's letter:

"I'm sitting in the locker room trying to work out a play that can get our fullback up to the line of scrimmage without a broken leg when in walks a guy named Knuckling."

"Listen brother," he says, "I won't know who you are but I'm a football coach. Listen."

"The work of my pupil would only half fill my cup of gall and vinegar."

"What a wealth of material the alumni sent me this year. They gave the school \$10,000.000 for new books but what did they give me? A sidekick that should have been palmed off on a circus."

"The ends were seven-footers and tipped the scales at 120 who says nothing went over their heads?"

"The guards clung like Benedict Arnold, and on defense, a whole power was good for 800 yards through them. You can throw in the City of Flint for good measure. I have seen fewer holes in cheese."

"The center hasn't had his first shave. From the bench I could see the first down on his upper lip. (That was the only first down our team made this season, too)."

"The two fullbacks were ex-

posed from a school for unnecessary roughness. They were two days late in returning 'The Graphs of Wrath' and a librarian squealed."

No Scoring Equipment

"The school won't buy us scoring equipment but the athletic board is coming across nicely. They have promised to put in traffic lights in our end zone to cut down the collisions in our backfield. A toll bridge would help more."

"The man stopped. I took his hand and said: 'My friend, let me tell you something. I've coached the Chicago team this year. I'm making no complaints, no alibis. But I coached Chicago this year. 'I'll let you hear more later. 'Mournfully yours."

"CLARK SHAUGHNESSY."

"P. S.—One of the Chicago newspapermen suggests that if I win the equipment, you throw in an adding machine. The editors kept putting down the score, but they'll be darned if they'll add them up."

Promoter Offers To End Feud on Hostak's Title

SEATTLE, Nov. 16 (AP)—Boxing promoter Nate Druxman of Seattle today challenged Mike Jacobs of New York to settle the middleweight championship feud.

Druxman promised if Jacobs would release Cefirino Garcia, New York and California champion, to fight Seattle's Al Hostak here Hostak would agree to a return match with Garcia in New York. Hostak is recognized by the national boxing association as champion in 46 states.

3 Teams Still In Running For Grid Title

By WARD COLWELL

DENVER, Nov. 16 (AP)—They were preparing for the stretch run in the Big Seven football conference today and three teams still had a title chance.

University of Colorado's Buffaloes have been working strenuously this week, mapping an attack they hope will carry them to victory over Brigham Young in their all-important game at Provo, Utah, Saturday.

The Buffaloes and Denver U. are tied for the conference lead now. Colorado gained the top rung with a surprise 21-14 victory over the defending champion Utah Utes two weeks ago, and as they were idle last Saturday, Denver crept alongside with a 13-6 win over Colorado State.

Colorado Slight Favorite

The two weeks' absence from combat makes Colorado a slight favorite over Brigham Young. The Cougars were tied for second place until last Saturday when they were edged to a scoreless tie by sixth place Utah State.

In view of Utah's bright outlook for conquering Colorado State at the Big Seven finale, this week, Colorado can afford no misadventure against Brigham Young if they intend to keep their titular hopes alive. With such a situation prevailing, there has been no foolishness in the Buffaloes' practice sessions recently. By Coach Bernard Oates has concentrated on a new series of aerial maneuvers that he believes will level Brigham Young.

Denver Idle

Because of the shift in Thanksgiving day, Denver university will be idle this week-end, postponing its scheduled Nov. 18 game against Idaho to Nov. 23. There was no let-down at Denver because of this additional time, however, and Coach Clark Hubbard is looking past the Idaho game to the Nov. 30 tilt against Colorado. These two clubs are traditional rivals and the game would likely decide the Big Seven championship.

Utah plays its last game of the season Nov. 22 against Utah State. Wyoming university, in last place, plays Utah State at Laramie this week, but the game will have no effect on the conference standings since Utah has one victory and one tie to retain its margin over Wyoming.

A Fish Story

PETERSBURG, Alaska (AP)—The largest salmon ever caught in southern Alaska weighed 120 pounds. The fish, taken in the 1939 season, was 48 inches long and 46 inches around. It was caught in a net. The previous record salmon, caught in 1910, weighed 116 pounds.

COLUMBIA, Calif. (AP)—Wade Tarter, ex-baseball player, who lost one arm in a hunting accident, was able to land a 45-pound salmon after a two hours' battle. He has a special device which enables him to hold the line with one hand.

Power Company Builds Ladder; Steelhead May Come to Stream

LEWISTON, Ida., Nov. 16 (AP)—Sportsmen renewed their hopes today that the Clearwater river once again would team with fighting steelhead and other game fish as it did a quarter of a century ago.

The Clearwater abounded in fish and excellent fighting for sportsmen until a dam built below Lewiston by the Washington water power company. A fish ladder but was not sufficient to take care of the fish run, and hundreds of dead fish were found in the backwater below the dam, chopped to a pulp by the big turbines of the powerhouse.

Barren of Trout, Salmon

Squads fish, suckers and other sluggish specimens began making inroads on the game fish. Now the river from Lewiston to Kootenai is virtually barren of salmon or trout. Sportsmen set up a cry for relief of the game fish. The power company agreed to construct two additional ladders at a cost of approximately \$50,000. One of these ladders has been completed. The other is under construction.

If the ladders function as expected, the annual run of steelhead to spawning grounds will be larger and more small fish will come downstream each year from the Clearwater and its tributaries. The old ladder was remodeled and improved.

Swimmers' Enemies

Sportsmen also hope to see the stream stocked with Loch Leven and German brown trout, both natural enemies of suckers and other sluggish scavenger fish. The U. S. bureau of fisheries and the state game department together with sportsmen of all north Idaho united in backing the restocking program.

The sportsmen hope to get a steelhead hatchery established somewhere on the upper reaches of the river. The steelhead, a fish similar to the salmon, is hatched in the shallow tributary streams of a river, goes downstream in the Clearwater, Snake and Columbia rivers and out to salt water. They return to the stream of their birth to spawn.

The journey of a fish during its lifetime takes it over thousands of miles and far into the mainland. The two new ladders should, sportsmen believe, add the fish in their journey.

KAYAK IT WINS

BALTIMORE, Md., Nov. 16 (AP)—Charles E. Howard's South American handicap champion kayak team scored a two-length victory in the 20th running of the \$10,000-added Bowls handicaps at Pimlico race course yesterday.

LEG RE-SET

EMMETT, Ida., Nov. 16 (AP)—When George Proctor, Emmett, took this leg while on a hunting trip, he had company set it and then went on hunting. The leg was made of wood.

Diamond-back terrapin raced in a unique event at Beaufort, N. C. The diamond-back is reputed the fastest of all turtle-like creatures.
