

# RUSSIAN MASSES CRACK TROOPS FOR DECISIVE ATTACK

## PAPERS REPORT SURRENDER OF BIG RED FORCES

By HAROLD PETERS

COPENHAGEN, Denmark, Dec. 29.—Russia is missing 160,000 crack troops from Siberia and the Caucasus on the Karelian isthmus for a decisive attack. Scandinavian press reports said today.

Concentration of large numbers of airplanes in the Leningrad area was taken to indicate they would cooperate in a massive attack on the Mannerheim line soon, the dispatches said.

A Helsinki dispatch to the newspaper Politiken here said the Finns had killed 5,000 Russians during the last two days in Russia's new efforts to break through the Finnish defense lines on the isthmus.

A Stockholm report was that a squadron of Russian bombing planes appeared south of Petsamo, on the far northern front, explaining they were out of gasoline and their engines were malfunctioning.

It was later found the planes were out of fuel and the engines were malfunctioning.

It was reported also that two battalions of Russians, numbering probably 2,000 men, had been sent north of Hoengjervik, on the far northern Petsamo front where they had been holding a defensive position.

A dispatch from Svanvik, Norway, quoted border observers as saying, however, it was believed the report was unfounded since Russian troops in the sector named continued to operate unimpeded.

There was another report that two Russian regiments, numbering close to 10,000 men, were in danger of being cut off from their base of supplies by the Russian troops on the Finnish front.

Some versions of this report were that the Russians already had been isolated. This seemed to be incorrect on the basis of early dispatches today. However, as reports indicated the Finnish air patrols were operating far behind the Russian lines, and reports persisted some of them had reached the region of Kandalaksha, Russia's white sea base on the Murmansk railroad, where the line is being sought to cut the railroad, was made even more precarious.

The Russian position on the mid-Finnish front, where the Finnish air patrols were cutting the railroad, was made even more precarious.

A dispatch to the newspaper Social Demokraten from Helsinki said the largest number of Russian planes yet engaged had bombed small towns, villages and even farm houses yesterday but did slight damage.

**It's Worry-- Car Licenses Still Absent**

Butt, button - who's got the license?

That was the slight variation in an old game played today by the motorists who have their cars.

Will the 1940 auto license plates be delivered by the end of the year?

The big shipment of 1940 plates should have arrived by Dec. 29 and thereafter. It didn't come. Now, with the holiday season on, the plates are still not here.

## CONFLICT DELAYS BEER LICENSING

(From Page One)

There have been no license and accepted no funds. In event the 1939 law is found to be unconstitutional, the law is found to be unconstitutional, the law is found to be unconstitutional.

Old Law

Under the former Idaho law, a city or village license was sufficient if the retailer operated within corporate limits. If he operated his place outside such city or village limits, a county license was sufficient. That law went to the supreme court, which held that county permits were not needed for places inside corporate limits.

Dispute now, however, concerns the law passed by the 1939 legislature. Passed March 10 and March 13, these are in "apparent conflict," Mr. Swezey said as he prepared his opinion today. Although he did not indicate the nature of the ruling he will submit to the commissioners at their request, the fact of the two legislative provisions section seven, chapter 246, 1939 session law, stipulates that all retailers must secure both city and county license fees, on conditions and terms as may be required by the board.

Some Impatience

If that is the case here, the commissioners probably will go ahead Tuesday with issuance of county licenses, holding that these would be required of all retailers. Many dealers in the county were impatient today, wondering about expiration of 1939 permits, Sunday night.

The Boise court suit, brought by retailers who do not want to pay a license fee, is expected to prove the final test.

Beer Men Refuse To Pay at Boise

BOISE, Dec. 30 (Special)—Constitutionality of 1939 amendments to the state beer regulations was a step nearer a court test today as the deadline for obtaining county beer licenses was approached.

The dealers asserted at a recent conference they would refuse to pay the tax.

Jerome Finds Club Operator Guilty

Jerome, Dec. 30 (Special)—F. C. Clyde Jenkins, operator of the Tilticum club, was found guilty of a misdemeanor charge of violation of the state law against a six-man jury in probate court.

Jenkins, one of six arrested club operators recently arrested on liquor charges in Jerome county, was the only one to stand trial, all others pleading guilty and paying fines of \$10 and costs.

Judge, Heber N. Polkman, announced sentence will be pronounced at 10 a. m. Tuesday, Jan. 2.

Prank R. Rettig, prosecuting attorney, conducted the case for the state, and Henry M. Hall, former prosecutor, represented Jenkins.

Among the highest in the state's history.

In contrast, he claimed, the 1938 ad valorem tax and assessment administration was the lowest.

As support for his assertion he compared the two-mill levy of last year with the higher rate of 1938.

Bryan visited Twin Falls as part of his southern Idaho tour to secure support for the Jackson day convention in Boise. The party is expected to be the springboard from which the Democrats will launch their 1940 drive to capture state office.

R. O. Wilson, Kimberly, chairman of the county Democratic central committee, W. B. Lawrence, county clerk, and J. H. Roberts, chairman of the county central committee, and Thomas M. Robertson, Jr., head of the Young Democratic club, were named as local delegates to boost the Jackson day dinner plans. They will seek to encourage as large a Twin Falls county delegation as possible, and might also arrange some type of local observance.

Push By Officers Ends Disturbance

Local police today had ended a "disturbance" in a most gentlemanly manner.

At 12:34 a. m. today a report was received from the police that a disturbance had broken out at the hotel on Shoshone street west.

and Almqvist annexed the state football championship.

When the football season rolled around, the south central athletes were again in the center of things.

Twins Ball Bruns won the Southern Idaho conference—a "circuit" made up of the biggest cities in the state: Pocatello, Idaho Falls, Boise, Nampa, Caldwell and Twin Falls.

In the Class A Big Seven, Bruns won through an undefeated season to win that crown. Glenn Perry was again the Class B champion for south Idaho, and Castleford annexed the Class C championship with a good claim on the state title.

Business

In Twin Falls business conditions, while not "booming," nevertheless showed a gain over 1938. Postal records showed, for instance, a gain of seven per cent in Christmas mail and a survey of local business houses after the Christmas rush showed gains for that period over the 1938 level, ranging up to 10 per cent.

Building operations in the city swelled, the year being recorded as the fourth best since records have been kept, starting in 1917. The gain this year was substantial over 1938.

Judge Ponders Case of 5 Boys and Goose, Hiding Grin As He Reflects!

The matter of a goose and five 12-year-old boys provided a slightly embarrassing situation today for one court in Twin Falls.

The five youngsters shot a goose with an air rifle yesterday in Rock creek canyon. They thought it was a wild goose. But it seems the bird belonged to C. H. Branson, who breeds geese and domesticated geese south of Twin Falls.

Judge Pondered—But Grins

So Probate Judge C. A. Bailey scratched his head today and managed to hide his chuckle behind his hand. The action of the boys was destructive to property, all right, despite their belief that the fowl was a Canadian wild goose. So Mr. Branson will have to be reimbursed.

But the judge harked back to the days of 30 years or so ago, and pondered what he might have done if he saw an apparition.

Also arrange some type of local observance.

## AIR RECRUITS TO GET FLYING TRIP

Inaugurating a service both new and original in army recruiting methods, the army recruiting headquarters in Salt Lake City will ship newly enlisted air corps enrollees to their destinations by army transport planes beginning immediately after the first of the new year, Sgt. Frank Morris, officer in charge of the local recruiting station, said this afternoon.

The announcement here was made after Morris had received word to this effect from Col. B. E. Grey, army recruiting chief at Salt Lake City.

In the past, and ever since the U. S. army recruiting service was first established and charged with the express responsibility of supplying the army's personnel needs, all ship drivers, excepted from enlisting stations to the various military garisons for which they were enlisted, has been made by conventional rail or water carrier.

"In utilizing a army transport planes for this purpose, the army is saving money and keeping space of the 'stream-lined' army it serves and represents," Col. Grey wrote Sgt. Morris.

Two existing and shipping depot are located within the Salt Lake City recruiting district. One is at Ogden, Utah, and the other is at Salt Lake City, and air shipments will be made from the municipal airport adjacent to each of these depots.

30,000 Dead In One City; 12,000 Hurt

(From Page One)

The province of Sivas this morning it is en route to Ankara.

A hospital with accommodations for 2,000 injured has been established at Kayseri in southeast Anatolia. Arrangements were made to house 1,500 survivors at Elvick.

Reports reaching here said that despite severe snow storms the people of Samsun, fearing new earth shocks, are fleeing open air.

New Shock

Violent earthquake shocks were felt yesterday in the Smyrna region of the west coast, and damage was done to the town of Dikili, which was almost destroyed by a quake two years ago. Floods increased suffering of homeless people in that region.

The first authenticated casualty reports from scattered towns and areas of the eastern coast were as follows: Antioch, 30 dead, 100 homes destroyed; Amasia, 700 dead, 700 injured; Ordu, 50 dead, 10 injured; Tokat, 5,000 dead, 4,000 injured.

The lowest death estimate yet made at Erzurum City was 8,000; an unconfirmed estimate put the death list at Ankara at 20,000. After the official report of Amasia's death list was received from the Turkish government, it was reported that the body was not severe, were calculated, along with lack of medical aid and food, and the bitter cold, to add to misery and death.

CAR ROLLS OVER ONCEY HIGHWAY

Because a portion of the Hazelton-Cranston highway was covered with ice, Merle Stansberry, north slder who lives a mile north of the Hazelton-Cranston highway, rolled his motor car over on the road near the airplane beacon, state police officers reported today.

Stansberry told officers that he lost control of the machine when it struck the ice-coated stretch of highway. No one was hurt as the car overturned. The mile occurred Friday.

In two other accidents attributed to Friday's slippery roads, in the area north of Hazelton, a brand-new panel delivery truck and a 1935 sedan were damaged but drivers escaped unhurt. A 1940 Dodge panel truck, being driven from the factory to the state of Washington, skidded and overturned. Damage was estimated at \$175. The driver

# INTERCOLLEGIATE SKI MEET GETS UNDERWAY

## Downhill Race to Be Staged on Baldy Sunday

SUN VALLEY, Dec. 30 (Special)—A college skier from throughout the nation were gathered here today for the annual U. S. Intercollegiate Ski meet that got under way with the eight-mile cross-country event that attracted the best distance skier in college.

The cross-country was the only event on the day's calendar, but tomorrow the downhill events will be held on Baldy mountain and on Monday (New Year's day) the slalom and jumps will be staged.

The championship of the meet is based on all-around ski ability and to the winner goes the Bradley cup, won last year by young Steve Bradley of Dartmouth and to be competed for this year by his younger brother, Joe, of the University of Wisconsin. The plate is named in honor of Prof. H. C. Bradley of Wisconsin and his family of crack U. S. ski experts.

Competition for the trophy this year will be furnished by some famous names from throughout the land in the world of skiing. Others in the mix, favoring to win some of the events and at least gain a good chance at the plaque are Carl Neu of the University of Washington, runner-up in 1958; Dave Quimby of the University of Utah, who won the jump event last year; Jim Dufford of Dartmouth; Ole Lammson of Washington; Charles Hubbard, captain of the University of Idaho, southern branch team; and Elton Blasier of Washington State college.

Another stiff competitor will be the winner of the slalom, which was won by Jim Dufford of Dartmouth. Besides the above named schools, colleges to be represented include University of Colorado, Nevada, Oregon, California, Yale, Colorado State and Placer Junior college of California.

Among the girls contestants for the trophy are Miss Milt Kerr of Pasadena, Calif., and Janet Seelie and Emily Messer of WAC.

**Feminine Ski Ace Will Compete in Jumping Events**  
SUN VALLEY, Dec. 30 (Special)—Miss Kerr, diminutive Pasadena, Calif., girl, today entered the intercollegiate jumping meet scheduled to take place here on New Year's day.

Her jump is one of approximately 120 feet. The girl told Dick Durance, club secretary, she never before had entered a meet for competition but had jumped 90 feet at Big Pine, Calif.

Durance said there are only two or three women jumping stars in the world capable of taking the 120-foot leap.

**Two Ski Teachers Arrive to Aid At Sun Valley**  
SUN VALLEY, Dec. 30 (Special)—Hans and Wanda Schneider, formerly two of Hannes Schneider's prize ski teachers, have arrived here from Australia to join the staff of the Sun Valley Ski school.

Wanda and Hans had spent the summer teaching skiing in Australia and arrived in the United States recently on the S. S. Monterey of the Matson line. They will work under Friedl Pfeiffer, famous skier who heads the Sun Valley Ski school, and assist him in teaching the Schneider technique.

## Race Season Opens Today At Santa Anita

ARCADIA, Calif., Dec. 30 (AP)—Santa Anita park's streamlined gates swing today on its sixth rich winter meeting with 17 fancy horse-named races for the opening \$100,000-added California Breeders' champion stake.

A crowd of 45,000 is expected to jam the big green and silver grandstand to witness the first card of the season which will extend until March 9. Hollywood's movie colony, many of whose members, including Crooner Bing Crosby, George Raft, producer Louis B. Mayer, Cary Grant and Mervyn LeRoy, race their own thoroughbreds, will move into the palatial clubhouse almost en masse.

Since last October horsemen and trainers have been pointing for the Santa Anita meeting, but the barns are filled with 1,600 heads of the nation's most expensive horseflesh, while the overflow is stabled at Santa Anita's summer rally, Hollywood park in Inglewood.

For the first time in its short history, the big Arcadia plant will operate on a Sunday week schedule, with its total racing season slashed to 44 days, including nine charity cards.

## Southern California Given Edge Over Vols

NEW YORK, Dec. 30 (AP)—Southern California is favored over Tennessee in the Rose bowl game and probably will become a heavier favorite before the game Jan. 1, Jack Doyle, Broadway betting commissioner, said today.

Uncertainty about whether George Cato, Tennessee star, will play has caused Tennessee backers to shy away from the game, according to Doyle. He said Southern California probably will be 3-5 the day of the game.

**Gooding Trips Oakley Quint**  
GOODING, Dec. 30 (Special)—In one of the tightest of games, Gooding won in many a year, the Gooding Senators last night defeated the invading Oakley Hornets in a regulation Class A basketball game. The final score was 14-11.

The visitors jumped into an early lead at one-half time, the count was 7-5 for Coach Doc Cranney's outfit. However, the final two quarters saw the Senators come back within the edge, with the Hornets getting a single field goal in the third frame and one more in the fourth.

High scoring honors for the winners went to Carro with eight while Bowles led Oakley with four. In the preliminary A team of high school alumni dubbed the Gooding town team by a count of 22-5.

**Bantam Champion Signs to Defend Title in Cleveland**  
CLEVELAND, Dec. 30 (AP)—George Pace, Cleveland Negro, recognized as world bantamweight boxing champion by the national boxing association, was signed today to defend his title Feb. 16 in public hall here.

Pace will meet Tony Olivera of San Francisco, recognized as champion in New York and California, in a 15-round bout.

**Western Quintets Play Tonight at Madison Garden**  
NEW YORK, Dec. 30 (AP)—College basketball's week of championships ends tonight at Madison Square Garden when Santa Clara plays its college of New York and Colorado meets St. John's.

Invading western teams have smashed eastern prestige in three out of four states, and the all-star program and both western teams are favored to win.

**KING HILL, Dec. 30 (Special)**—Finals in the annual King Hill Outlaw cage tournament will be staged here tonight, with the two best teams competing for the championship in the final game at 8 p. m.

Yesterday's play saw seven games and 10 different teams in action. Wendell's town team won the first game of the day from the Bliss club yesterday by a score of 44-24.

Wendell club trailed at the half time by a score of 23-23, but it came back strong in the final half, high scoring honors of the meet went to Doering as he collected 27 points for the winning club. Hamilton topped Bliss with 12.

Castelford was edged out by Bliss Faculty in a close game with the final score 45-44. St. John's was high point man with 21 counters for the winners, while McQueen was top Castelford player with 14.

Gooding Cavalry took a sound drubbing from the Fairfield Collegians with the final score being 51-22 after a half-time count of 23-13. High point honors went to Webb of the losers with 16 counters, while Baucher topped the winners with 14.

Nelson showed the way as King Hill edged Fairfield Faculty by a 23-20 count. Nelson collected 10 points.

Glenns Perry got back in the running with a 41-35 victory over Hagerman as Glenns Morgan had one of the "hottest" games in the system of the tournament. He counted from all angles to collect 26 points for the winners. Brown was high for Hagerman with 15.

The Wendell Faculty club turned back Wendell in a close battle by a score of 31-27. The two clubs were tied at 15-all at the half.

**No Successor Yet For Thornhill**  
LOS ANGELES, Dec. 30 (AP)—Stanford university officials said today no slaps had been taken to name a successor to Tiny Thornhill, football coach.

## Shoshone Cagers Edge Coyotes In Torrid Battle

SHOSHONE, Dec. 30 (Special)—College of Idaho basketball players today headed back to Caldwell after absorbing their first defeat of the year by Snake Valley Outlaw league club—but only in a bruising battle that saw the Shoshone Redskins get their toughest assignment of the season.

The final score was 32-30 in a rough and tumble game that saw four players ejected from the floor and a fist-fight on the sidelines.

The battle argument was between Coach Glen Farber of the Coyotes and Norval Rutherford, manager of the Redskins. It started late in the final period when the excitement was tense. Neither man was injured—and not a blow was landed, although Rutherford swung several.

On the floor, the Redskins got away to a big lead when Carlos Berriochos ran wild in the first few minutes of play to give his club a 6-0 lead before the Coyotes broke through to score on a free throw. Berriochos collected all nine of those first Redskins points—the total he got for the entire game.

However, the Coyotes started to close in after the count was pushed to 11-11, and at the intermission Shoshone held a scant 10-14 lead.

The second half saw a repulsion of the first with the Redskins pulling away at the start, only to see Coach Farber's outfit come back strong in the closing minutes of play and nearly overtake the count.

Two foul shots were refused by the Coyotes in 20 closing minutes when the Redskins held a two-point advantage, but the maneuver of taking the ball out of bounds didn't do it.

High scoring honors for the game went to Bob Haddock, smooth Redskin forward, who came down with 23 points on five field goals and three free throws. Doug Anderson topped the college scoring with 10 counters on four field goals, two of which were long ones, and four free throws for a total of 20.

Williams and DeCoux of the losers and O'Brothers and Bellis of the winners were ejected from the game. The final score was 32-30.

**Kimberly Cagers Win Two Games**  
KIMBERLY, Dec. 30 (Special)—Kimberly high school basketball players today scored one of their best basketball wins in the history of the night as both teams won over the invading Paul club.

In the main event the Bulldogs started with the opening gun and ran up a count of 11-3 before the Paul club could get back in the game. The final score was 11-7, with Kimberly scoring high point honors for the winners with 13 counters.

Bradley, center, and Williams, forward, were the stars for the winners. Bradley scored a double battle by a score of 15-14.
