GOP Will Make Drive to Secure Return of Negro Vote

LINCOLN DINNERS WILL BE STAGED FEBRUARY 10-15

WASHINGTON, Jan. 15 (AP)—The Republican national committee today announced plans for next month's national observance of Lincoln day in a campaign certain to be significant for its bid to regain the Negro vote and close to 300 electoral votes.

The dinners will take place from Feb. 10 to Feb. 15, and on the following day the committee will meet here to fix the place and date of the 1940 nominating convention.

Some 100 persons are expected to gather for the central Lincoln day observance in New York City, Feb. 12, Chicago, Jan. 28.

John D. M. Hamilton, Mrs. Robert A. Taft, wife of the senator from Ohio, and Aaron H. Payne will share the speaking platform.

Payne is a Chicago Negro, a lawyer and a considerable factor in Cook county politics. His selection for a spotlight position in the Lincoln day celebration was no accident but part of the GOP's mighty effort to regain the Negro vote which, in 1936, had transferred itself almost wholly to the New Deal-Democratic party and President Roosevelt.

Mercury Dips To Nine Above

Although it didn't seem so cold as one or two days last week when a chill wind whipped this area, official thermometers in Twin Falls dropped this morning to within two degrees of the season's low.

Mercury at the U. S. bureau of entomology showed nine degrees above zero early today. Low this far for the current winter is seven above.

Cold and wind weather was indicated in the forecast for tonight and Tuesday, which showed "fajita" with little change in temperature.

Warmest part of Sunday was only three degrees above freezing. Low yesterday was 18.

Forecast temperature readings dropped below the coldest point here by sinking to six degrees above zero. Maximum at Fossilville yesterday was only 28. Boise, however, was comparatively "warm" with a low of 23 and a high of 37.

Forecasting areas throughout Idaho reported that the colder temperatures were keeping winter sports conditions in excellent shape.

One Man Hurt in 3 Local Crashes

Three mishaps were attributed to slippery conditions of local streets Saturday afternoon and evening, police records show today.

LANDIS CRACKS DOWN ON DETROIT TIGERS

92 Members from Farm System Declared Free

CHICAGO, Jan. 15 (U.P.)—Chain store baseball was dealt another major blow today by its bitterest and most powerful foe—Kenesaw Mountain Landis, the czar of baseball.

This time Landis cracked the whip over the Detroit American league club and its farm system.

In a sweeping decision which a spokesman for Landis said was aimed at eliminating "mistake of working agreements in chain store baseball as a camouflage for covering up players," Landis:

- 1—Declared 92 farm free agents, including infielder Benny McCoy, outfielder Roy Cullenbine, pitcher Paul (Dizzy) Trout and two other players on the Detroit roster.

Clubs Fined

- 2—Directed Detroit to fine other clubs which acted for Detroit to pay a total of \$47,250 to 14 other players in lieu of free agency—a penalty tantamount to a fine.
- 3—Fined the Chicago Cubs \$10,000 and the St. Louis Browns \$300 for "contending" with the players who made free agents. McCoy and Cullenbine in the case of the Cubs, and McCoy in the case of the Browns.

- 4—Ordered the Cleveland Indians to pay \$2,000 to Player Walter T. Carson, who Landis said, was "covered up" by the Toledo American association club for Cleveland.
- 5—Warned that henceforth all club officials and employees found to be involved in "the evils of common control of player dealings of two clubs in the same league, and perversion of working agreements" would be placed on the ineligible list with maximum fines imposed on clubs involved.

Warned Similar Action

Warned similar action would be taken against league presidents and officials who knowingly cooperate in rules violations or negligently fail to investigate or report such violations to the commissioner.

Of the 92 declared free agents, 87 were on the rosters of 15 minor league clubs which Landis charged, engaged in "wholesale covering up" for Detroit.

Hardest Hit Under the Ruling

Was the Toledo-American association club which was declared to be a player, Beaumont of the Texas league which lost 10, Fort Worth of the Texas league and Henderson of the East Texas league which lost nine each and Hot Springs of the Cotton State league which lost 22.

The decision automatically cancelled the trade which Detroit was to have sent McCoy and Pitcher George Coffman to the Philadelphia Athletics for outfielder Wally Moses.

Landis Specifically Charged

General Manager Jack Zeller of the Detroit club abused the working agreement privilege by making "secret dealings" and that, contrary to baseball laws, Detroit controlled more than one club in a minor league.

Other clubs affected by the free agency ruling were Seattle (Pacific Coast league), Evansville and Springfield, Ill. (Three-I league); Alexandria and Lake Charles (Evangelical league); Shreveport (Texas league); Tulsa (Texas league); Jacksonville, Tex. (East Texas league); Fulton (Kitty); Tiffin (Ohio state).

Landis said bidding for the 92 free agents cannot begin for 15 days.

Detroit and "use clubs operating with Detroit in these rules violations" will not be permitted to contract with any of these players for three years.

State School Cage Club Downs Carey

GOODING, Jan. 15 (Special)—Gooding State school cagers Friday night handled the Invading Cayre quintet in a 24-26 set-back in a hard-fought battle.

The local team ran up a 22-8 lead in the first half but Carey came back strong in the third and fourth periods to make a game out of it.

High scoring honors for the evening went to Charles Hill, Idaho school star, who collected 14 points. B. Briggs led the visitors with 11.

Demaret Closes Fast to Take Oakland Golf Tourney

OAKLAND, Calif., Jan. 15 (U.P.)—Clayton Heafner, Lincoln-M. C., professional who was touted as a likely leader last fall, was still playing second fiddle around the winter golfing symphony today.

Just as he blew a two-stroke lead to finish second in the Los Angeles Open last week, Heafner collapsed in the final round to let Jimmy Demaret come home with the main money in the Oakland Open Sunday.

Kimberly and Jerome Meet In Fight Card

KIMBERLY, Jan. 15 (Special)—Supt. L. A. Thomas today announced that Jerome high school will meet the Kimberly Bulldogs in the first match of the season here on Wednesday, Jan. 24.

Previously Focaltello had been scheduled for the opening date, but a letter received here yesterday from Coach Jimmy O'Brien of the Indians stated that owing to an inter-school sports had been banned at the Focaltello institution and would be confined strictly to intramural exhibitions.

As a result, the Jerome engagement was arranged—with the Tigers seeking to duplicate a feat they performed last year—hand the Bulldogs a losing, Jerome was the only club in the state able to turn that trick in 1939. Kimberly later went on to capture the state Golden Gloves high school team championship.

The bouts will get under way at 7:30 p. m. and will feature nine battles between the two schools.

Tentative lineups for the affair follow:

- 92 pounds—Bob Mitten, Jerome, vs. Leonard Peterson, Kimberly.
- 105—Humphreys, Jerome, vs. Otis Hughes, Kimberly.
- 115—W. King, Jerome, vs. Frankie Stanger, Kimberly.
- 121—Barney, Jerome, vs. Wilbur Butler, Kimberly; Holloway, Jerome, vs. Eugene Morgan, Kimberly.
- 132—Clark, Jerome, vs. Raymond Butler, Kimberly; Hall, Jerome, vs. Richard Quisenberry, Kimberly.
- 140—W. King, Jerome, vs. Bob Scott, Kimberly.
- 145—Blainop, Jerome, vs. Wheeler, Kimberly.
- 155—Shepherd, Jerome, vs. Kirby, Kimberly.

City Ping-Pong Tourney Opens On Jan. 29

The second annual city ping-pong tournament, sponsored jointly by the city recreation department and the Times and News will get underway on Jan. 29. It was announced here today by Miss Verita Richards, city recreational director.

Present rules state that all entries must be in by Jan. 25 and an entry blank will be carried in both newspapers.

Tenative grouping plans call for a boys', junior and senior divisions in the male section and girls' and women's in the feminine department. This all depends on the number of entries, however, it was stated by Miss Richards.

Play is staged in the city recreational department headquarters, located at 303 Third avenue north. Trophies will be given the various divisional champions.

Entry blank will be found elsewhere on the sport pages.

Speeds Wrestlers

PHILADELPHIA (U.P.)—Wrestlers may start and crowd in Philadelphia to their hearts' content, but they must do it fast, for curfew rings at 11:30 p. m. The state athletic commission set the new deadline for ending bouts and ruled that final matches must start no later than 10 p. m.

Pro Champions Humble All-Stars as Isbell Tosses 67-Yard Pass

LOS ANGELES, Jan. 15 (U.P.)—The national champion Green Bay Packers, who utterly disregarded one of football's oldest passing axioms, were hailed as the greatest football machine in the country today after humbling the National league all stars, 16 to 7.

Although the Packers didn't need the touchdown and never were seriously threatened, the giants from Green Bay, Wis., demonstrated successfully one of the most brilliant and daring plays seen in years on either professional or intercollegiate gridiron.

Goal Isbell, former Purdue star, while the clock was ticking off the final seconds of the first half, stepped into the shadows of the Packers' own goal post and threw the pass that even story writers have never described.

It straggled 67 yards as if fired from a gun and settled into the arms of a racing former Alabama end—Don Hutson. Hutson folded the arms about the ball and sped unimpeded across the all star's goal line. Ernie Smith booted the conversion.

The Packers, whose total score consisted of three field goals and a touchdown, took the lead early in the game when Clark Eakin kicked a field goal from the all star's 44 yard line.

Ernie Smith kicked the other two field goals.

In the third period, the stars put on a brief exhibition of fancy running and scored their only tally. Davey O'Brien led his team through an almost impenetrable line of giants to the six yard line. There he scored a sizzling pass to Joe Carter in the end zone. Ward Ouff converted.

A capacity crowd of 18,000 saw the game.

Hutson Lauded as Greatest Pass Receiver in Gridiron History

By HENRY MALKIN
 LOS ANGELES, Jan. 14 (AP)—A trial of 58 men engaged in the football game here yesterday in which the Green Bay Packers defeated an All-Star team chosen from the other nine clubs in the National Professional league by a score of 14 to 7.

But only one man—just one—was the difference between victory and defeat for the Packers.

His name is Hutson—Don Hutson, the old Alabama boy who ran for years in the Rose bowl a few years ago.

Hutson is the greatest pass receiver who ever lived. He is the only man who ever played who could have made the Venus de Milo a reputation as a pass thrower. All a back has to do is to get the ball in the air and Hutson will catch it. It was his catch of a 67-yard forward that sealed the doom of the All-Stars. From back of the line Cecil Laddel wound up and let the football fly. With two All-Star defenders by his side Hutson raced down the middle of

the field. On the All-Star 35-yard mark he looked upward, stretched out his hands, pulled in the ball, and went for a touchdown.

That was the score that broke the hopes of the All-Stars, and after the game was over all of them, from Coach Steve Owen to the waterboy, paid Hutson tribute.

"There is no defending Hutson," Owen said. "We put two men on him, just as every other team in the league does, and two men aren't enough. He's a genius."

Davey O'Brien, one of the greatest passers of all time and a man who appreciates men who can catch the ball, had this to say of Hutson:

"You'd have to be a passer to appreciate Hutson. On that long one yesterday he judged it so beautifully. When he went past mid-field he stole a peek at and saw he was ahead of the ball. So he didn't even look down to slow up, the defenders wouldn't notice it. Then, all of a sudden he went into high gear, swept away from them, and took the ball in full, wide

McCall Skiers Sweep State Matches in Sun Valley Try-Outs

SUN VALLEY, Jan. 15 (AP)—Kearns Zeno, McCall, brother of Al Zeno, national ski jumping champion, made a clean sweep of downhill, slalom and jumping events of the Sun Valley state try-outs at the week-end.

The Fayette lakes club team, headed by Engen, won the team championship.

Engen leaped 39½ and 39 meters Sunday for first place in the jump. He scored 143 points to 123 points for Jack Shiefer, his teammate. Warren Brown, McCall, was third with 117.4 and Don Goodman, McCall, fourth, 82.1.

The top four of the Fayette lakes team will represent Idaho in the Jeffers cup tournament at Sun Valley, Jan. 20. The team is Engen, Shiefer, Brown, Goodman and Hibbard.

Game Leaders Ponder Many Rule Changes

BOISE, Jan. 15 (AP)—The Idaho fish game commission considered today on proposals of sportsmen's clubs for improvements in game and fish management but took no immediate action after a Sunday conference.

Proposals made included a proposal to start trout fishing by changing the muskrat trapping season, to conform with the Oregon season, lift the prohibition against salmon eggs as bait in the Clearwater river and other north Idaho waters; pay a bounty on magpies; put a 10-inch limit on bass; prohibit shooting deer; protect sturgeon; reduce the bag limit on pheasants from four to three; prohibit shooting of doves; change the pheasant hunting season to Nov. 1 to eliminate bird shipping permits; plank up in Owyhee county; create a gehehen protection project in Owyhee county; transplant antelope to southeastern Idaho; install a fish ladder at Black canyon dam; section all irrigation ditches for protection of game fish.

Redskins Edge Zulu Kings in Great Battle

SHOHONE, Jan. 15 (Special)—Shoshone Redskins continued their undefeated record on the home floor this season against all teams by turning back the touring Zulu Kings, Negro cage club, in a great game last Sunday afternoon.

The final score was 55-53 for the home club in an over-time contest that marked a high for the season in scoring. The Redskins playing time the count ended at 51-41. In the over-time, the Kings scored first, but Shoshone came back to win the game.

Score by quarters showed Shoshone leading 14-12 at the end of the first frame, and trailing 25-30 at the half-time intermission. The Redskins moved into a 42-43 advantage at the end of the third quarter, but slacked in the final frame to let the Negroes tie the count.

Bill Thompson scored for 22 points to lead both clubs.

Lineups and scoring:
 Shoshone—Gardner (1) and Hendrick (9), forwards; Thomason (22), center; Belita (15) and Berrochoa (6), guards; substitutes—Beech, Gisham and Onidun (2).
 Zulu Kings—Venon (4) and Jones (20), forwards; Marcello (6), center; Miles (4) and Summerson (17), guards; substitute—Frame (2).

Jones, Weller Top Averages in Pin Loops

Rolly Jones and Ray Weller today continued to set their hot paces in the Commercial and City bowling leagues.

Jones, who led average, had a seven-pin lead over Walt Riggert, while Weller's 177 led Paul Callis and Ed Adams by three pins in the City League.

In the City League, high team for the week-end series is the Orange Transportation, while Firestone continues to hang on to the single game total with a 973. High man for three

CLOSE

Max Spoker, who rolled a perfect 300 game last winter, came near turning the trick again yesterday at Stone's bowling alley.

Spoker hit out the strikes with strikes, but on his eleventh roll the No. 10 pin failed to go down. Max missed the spare and then added a strike to get a total of 289—highest score posted here this season.

The mark was made in a Sunday afternoon exhibition game—not a regular league contest.

Walters in this loop is Walt Dix with a 973. Ed Adams and Addy Adkins has top single in loop.

Studebaker has the high three-game series in the Commercial league with 2789, while he holds the single game for a five-man club—993. Rolly Jones has the best three-game series of 945 and also the top single of 245.

RUSSIAN AIRPLANES SWEEP OVER SOUTHERN FINLAND

SOVIET USES 500 CRAFT IN DAILY BOMBING RAIDS

By WEBB MILLER

HELSINKI, Finland, Jan. 15 (UP)—Russian airplanes swept over southern Finland today in what Finns charged was a vast campaign to demoralize the populace.

Two air raid alarms sounded in Helsinki during the morning, and explosions were heard from the north after three Soviet planes had been sighted. 150 planes came over the capital, however, and it was not bombed. Business was tied up for hours. The weather had suddenly turned bitterly cold after several warmer days.

Large numbers of planes were reported over the south coast shortly after daylight.

They came from bases in Estonia, but an hour's flight across the gulf of Finland.

The temperature was 16.8 degrees below zero, regarded as favorable for bombing.

Incendiary Bombs

Finns reported a new feature in the Russian raids, a daily occurrence since the extent of the damage had been estimated. According to their estimates, the Russians are using from 400 to 500 planes a day. It is said, however, casualties and damage had been remarkably light. Finns quoted Russian aviation pilots as saying they were flying over towns which had a railroad station.

Finland suffered its worst raid of the year yesterday. Two Russian planes were shot down. Nanko and nearby Tammi were west of Helsinki were bombed five times and communications were cut. These towns appeared to be against fires. At one time, reports said, there were 20 Russian planes over Hanko and Tammi. More than 100 bombs were dropped in the neighborhood of Lojpin, a village near Tammi. It was asserted.

Helinski escaped lightly.

House Bombed

It was reported 30 Russian bombs were dropped in the center of a country house, 12 miles from Helsinki, which until a week ago was occupied by 25 Finnish soldiers. The United States consulate was asserted several 500-pound bombs dropped within 100 yards of the house. The bombs sent splinters through the house. An incendiary bomb crashed through the living room of the deserted house to the ceiling.

An official communique covering operations of Saturday said persons were killed in air raids, and numerous persons were wounded in Helsinki, Lahti, Rysyanka and Hammeentunturi.

Finns believed the Russians had decided to use their air supremacy before the Finns had acquired sufficient heavy anti-aircraft guns to make their raids too dangerous.

Employability Talked by Group

Finding a job and holding it was the timely topic discussed by members of the Pireless Club group at the M. I. A. Latter Day Saints church, last evening at the home of Miss Verma Richards.

The third of a series of talks on etiquette was given by Fred Babbel.

Group singing was led by Fred Babbel. Invocation was pronounced by M. Simons. The Scripture was read by Karl Peterson.

A review of her extended vacation trip last summer, which included both the New York and San Francisco fairs, was given by Mrs. Evelyn Giest.

Miss Luke played a saxophone solo; Miss Elsie Arvola sang an article, "The Last Day," from the Improvement Era.

Mrs. Helen Crane and Lillian Tyler sang a duet.

Refreshments were served by the host committee: Lillian Peterson, Karl Peterson, Hilma Kinnunen, Bill Luke and Thelma Knutson.

Weed War Gaining, Says Chief of County's Drive

Fighting an incessant battle to protect crop lands, Twin Falls county is getting ahead of noxious weeds. J. P. Hunt, bureau director, said here this afternoon in commenting on figures released in his annual report for 1939.

"We're definitely conquering the weeds," he said in offering a note of cheer to ranchers faced by the pest growths. "The fight that goes on continually—but we are making decided progress."

Week Drives Water

Although winter weather is customarily regarded as putting a halt to the weed campaign, it is actually going ahead in some places despite low temperatures. There are still about 90 to 100 men working on weed crews. Mr. Hunt said.

All labor is WPA, with the county providing only the director, the bureau clerk and one warehouseman each at the Bull and Twin Falls storage plants.

Although not outlined in the figures contained in the annual report, the weed bureau expenditures have been "just about the same for the last three or four years," according to the director. Last year the budget was \$90,162.61.

Return to County

That last county outing, however, since practically all is returned to the county and no tax levy is made for weed work. What's more, farmers pay only the cost plus a bare amount needed for operations.

New feature outlined in the 1939 report is the result of the first half of a two-year cultivating program. During the past year a total of 1,770 acres were under power cultivation with new equipment purchased by the county for that purpose. Other phases of the 1939 work shown 248 acres treated with carbon bisulphide, 215 acres treated with sodium chlorate and 288 acres cleaned for seed control. Figures for 1938 which had no power cultivation program showed 320 acres treated with sodium chlorate and 467 acres cleaned for seed control.

Four-Year Totals

Recapitulation of the total area treated with carbon bisulphide from 1936 through 1939 shows 1,154; total treated with sodium chlorate for the same four-year period was 769 acres.

Concerning supplies for the fight on weeds, Mr. Hunt's report shows these figures:

On hand at beginning of 1939 season—2,440 gallons of carbon bisulphide and 47,700 pounds of sodium chlorate. Purchased during 1939: county, 1,906 drums of carbon bisulphide or 56,992 gallons; state bought for Twin Falls county 512 drums or 29,328 gallons; WPA also bought for this county 70 drums or 3,940 gallons.

During the year the county shipped in three cars of sodium chlorate, or 150,000 pounds, and WPA shipped in 15,000 pounds.

Filer Scouts Get Award Approvals

Seven Boy Scout members of troop 30 at Filer, today received official approval on applications made for one rank advancement and 15 merit badge awards. It was announced by Gordon Day, executive of the Snake river area council, with headquarters in Twin Falls.

The awards, as approved, follow: Carl Winkie, advancement to second class; merit badges to Paul Eubree for machinery; Emerson Hammerquist in animal industry; poultry keeping and dairying; Archie Malone in farm layout and first aid to animals; Wayne Staats in dairying and safety; Jack Walgreen in safety, civics and managing; James Winkle in beef production, pork production and dairying.

Scoutmaster of the Filer troop is L. C. Gillilan.

Roy H. King, jr., Honored at Party

Mrs. Roy H. King entertained at a jolly birthday party Saturday afternoon in the play room at her home, 336 Buchanan street, in honor of the 12th birthday of her son, R. H. King, jr.

Twenty-five boys and girls enjoyed an hilarious afternoon of games, played both indoors and outside, prior to the serving of refreshments.

Lighted candles in gum drop holders were the favors, and feature of the menu was the decorated birthday cake. Prizes were awarded for group games.

Mrs. D. A. Francis and Miss Kathleen King assisted Mrs. King in entertaining the youngsters and serving refreshments.

Milk production per cow in California averaged 6,600 pounds in 1938.

FARM COLISEUM PLAN SUGGESTED

Suggestion that the Twin Falls Chamber of Commerce designate a well-located project a "community agricultural coliseum" will be the major proposed idea to be submitted to directors Friday by the newly-appointed agricultural committee.

The proposal—which necessarily would entail a long and concerted campaign—has never been formally discussed by the chamber directors. But such a coliseum plan is advocated by the 1940 standing committee consisting of Quinn Wilson, chairman; O. T. Koster and L. P. Pink.

At the moment the committee is engaged in boosting operations of Idaho Potato and Onion week, which extends through next Saturday.

Plan Envisions This

The farm coliseum plan, as tentatively suggested by Chairman Wilson and his colleagues, envisions a giant auditorium with full facilities for farm chemistry and farm research. It achieved eventually, it would carry out the urging of L. P. Livingston, head of the E. L. du Pont de Nemours company's extension division, who told Twin Falls last Oct. 4 that agricultural communities must finance their own research in seeking industrial use of farm crops and by-products.

Seek New Outlets

Research which would be done in the laboratories of such a coliseum, committee members said, would include that way seek new marketing outlets for Magic Valley crops. It would also help to correct wasteful soil practices.

An agricultural center such as is proposed could be self-sustaining after the initial outlay committee members said. It would not conflict with present channels of trade.

The coliseum, furthermore, would provide a meeting place for farm and other gatherings.

PAUL, Jan. 15 (Special)—Miss Blanche Boatright, former Paul girl, and Roy Heiner, Burley, have announced their marriage which took place in Salt Lake City Jan. 2. Rev. Raymond C. Walker of the First Methodist church performing the ceremony.

Following the ceremony the newlyweds spent several days in Salt Lake City and Ogden, returning to Idaho Friday. They are making their home in Burley where he is employed in the M. H. King store in Rupert the past few months.

BACON SERVICES PAY LAST HONOR

Friends from widely separated areas throughout the Gem state joined relatives in paying final tribute to R. A. Bacon, 47, owner of the Bacon Produce company, Sunday afternoon at the Christian church.

Mr. Bacon died last Saturday at the Twin Falls county general hospital from the effects of injuries sustained in an automobile accident. He was widely known in produce brokerage circles of the state.

Church Crowded

The auditorium was crowded to capacity, and floral expressions of esteem banded the casket and the fore part of the church.

Rev. Mark C. Cronenberg paid an impressive tribute to his memory.

A quartet, Fred Rudolph, C. E. Allen, Charles Glover and James C. Reynolds, accompanied by Miss Lorene Frazier, sang "Remember Me" and "Jesus, Keep Me Near the Cross."

Palbearers were Paul Detweiler, Charles Marshall, W. B. Brooks, C. O. Colner, Henry Ankeny and C. O. Hanes.

Moisture Shows Improvement on Idaho's Ranges

BOISE, Jan. 15 (UP)—Idaho ranges improved during the first half of January with better moisture but water still was short in many areas where sheep were being held on ranges late in 1939, the federal agricultural marketing service reported today.

Ranges in eastern Idaho were covered with snow while in the south and southeast the ground was bare. Condition of both cattle and sheep improved. Feed supplies were ample.

SHOSHONE

Mr. and Mrs. F. W. Dice returned last week from a visit with friends and relatives in Omaha and St. Louis.

Miss Esther Jensen has accepted a position as assistant laboratory technician at the Twin Falls county hospital, and will assume her duties Monday morning. Miss Jensen has been employed some time by Dr. F. H. Howard of this city.

Lee Hill and F. W. Dice returned to Boise Saturday evening to attend the sessions of the state game commission. Mr. Hill is representing the 11 counties of the fourth district of south Idaho.

Learn To Play The GUITAR The Ray Carder Way—

\$1 Special Offer WEEKLY

Now you can really learn to play the guitar, play the tunes you like so well, learn to play accompaniment to Violin, Mandolin, Accordion or orchestra, as well as the songs you like to sing; and the guitar costs you nothing. You will be surprised at what you can do in so short a time.

HERE IS THE PLAN

You will be given 20 45-minute lessons at your home or at our store. You will be furnished with guitar and music.

You will be required to pay \$6.00 down, and \$1.00 per lesson as you receive them. After you have received 15 lessons the guitar becomes your property, and you will receive 5 more special lessons for the \$6.00 down payment you made at the beginning of the course. So the guitar costs you not one cent.

IF AT ANY TIME you wish to purchase a better instrument the \$5.00 down payment will apply on the purchase price, and we will keep the practice guitar.

RAY CARDER is one of the outstanding guitar players of the west. Hear him over the radio, or have him play for you.

THE CENTURY
but he smokes a slow-burning cigarette for

EXTRA MILDNESS
EXTRA COOLNESS
EXTRA FLAVOR

MY JOB IS SPEED— BUT MY SMOKE IS SLOW-BURNING CAMELS

HERE'S EXTRA MILDNESS, EXTRA COOLNESS, AND EXTRA FLAVOR. Camels are slower-burning. They have thoroughbred quality through and through. Finer, more expensive tobaccos are used, in the first place. And these choice tobaccos are combined into a matchless blend. Next time you smoke a Camel, notice how slowly it burns. That is your clue to true cigarette enjoyment—the "extras" of mildness, coolness, flavor—and—extra smoking in every cigarette. Camels burned 25% slower than any other cigarette in recent tests (details at right). You'll always rejoice over the day you switched to Camels!

THE CENTURY READY TO "HIGHBALL" as they say in railroading! Engineer Walter L. Bronson (above) swings up into the cab of Number 5449, one of the big Hudson type locomotives which flash at 80 miles an hour across the landscape between New York and Chicago in a day-in, day-out epic of modern railroad speed.

FAST BURNING— creates hot flat taste in smoke... ruins delicate flavor, aroma...

SLOW BURNING— protects natural qualities that mean mildness, brilliant taste, fragrance... a cooler smoke...

5 EXTRA SMOKES PER PACK!

In recent laboratory tests, CAMELS burned 25% slower than the average of the 15 other of the largest-selling brands tested—slower than any of them. That means, on the average, a smoking plus equal to
