Cromwell Expected to Resign Envoy Post After Reprimand by Hull

Secretary of State Rebuke Called First Of Kind in History

By HOBART C. MONTEZ. WASHINGTON, March 22 (U.P.)—Congressional and diplomatic quarters predicted today that James H. R. Cromwell, American minister to Canada, would resign to "save face" as a result of the severe, public reprimand given him by Secretary of State Cordell Hull.

It was believed the husband of the wealthy Doris Duke, who has served as minister at Ottawa only since January, might be prepared to hand in his resignation to President Roosevelt at once. His New York office said he would come to Washington within the next few days and would not come until then on the controversy he has caused by two recent pro-Ally speeches.

Congressmen who called for Cromwell's recall after he denounced Germany and attacked the Allies before Canadian audiences now demanded that he be impeached if he does not resign.

Veteran diplomatic observers could recall no previous instance when the state department publicly rebuked an ambassador in the manner before Canadian audiences now demanded that he be impeached if he does not resign.

Rebuke Surprises Hull's rebuke came unexpectedly last night after the state department offices had closed. The department's press relations officer telegraphed the rebuke to the ambassador's office, although the usual procedure on important releases is to have them in all correspondence.

WHEELER-SLAPS ENTANGLEMENTS

WORCESTER, Mass., March 22 (U.P.)—People of the United States should seek to "keep out of Asiatic and European entanglements" and show more general interest in the United States government and in national affairs, Sen. Burton K. Wheeler, D. Mont., told the Worcester Economics club last night.

"There is one vote that will never be cast for our entrance into that war, and that is mine," he said. "I will never consent to have an American boy sent across the water to fight on foreign soil."

He said the nation must "break selfishness, jealousy and greed that will send it the way of other civilizations."

He urged that the nation guard against "bureaucracy that tends to destroy competition," which is "the very backbone and foundation of a republic and which you do away with competition job, start to destroy democracy."

He said the national debt must be kept below "the point where it will destroy the national financial structure."

Wheeler said the nation particularly should avoid the establishment of "artificial walls in this country that will turn it into 48 little Balkan states."

ENGLISH SUB IN GERMAN WATERS

LONDON, March 22 (U.P.)—A British submarine, penetrating the heavily mined waters at the entrance to Germany's end of the Baltic, has sunk the German steamship Hedderheim, 4,947 tons, it was announced today.

First German merchantman to meet its end by a British submarine during the war, the Hedderheim was sunk eight miles east of Skagen, at the northern tip of Denmark and just inside the Kattegat which, between Denmark and Sweden, is the entrance to the Baltic.

The British submarine commander warned the Hedderheim's crew the ship would be sunk. The 36 men took to lifeboats and were then taken ashore by Danish coast guardsmen—all but the first engineer, who was made prisoner by the submarine.

"It was a hell of a place to go," a navy man said of the submarine's venture into the German end of the Baltic. It had crossed the North sea, entered the narrow Skager rak between the Danish and Norwegian coasts, and rounded the corner to the northeast tip of Denmark.

Not only because of mines and the presence of German minesweepers, but also because of many shoals, the waters are dangerous.

The first news of the submarine's exploit, in taking the war over to the German side of the North sea after the royal air force raid on Sylt, came in an astorically communique. Details were filed in from Copenhagen.

In the United States, during the last 12 years, new museums have been built at the rate of one every 15 days.

TORPEDOES SINK TWO DANE SHIPS

LONDON, March 22 (U.P.)—Renewal of German submarine warfare in British waters sent two Danish ships to the bottom today, making a total of seven neutral ships lost in the past two days.

Latest additions to the list of lost neutral vessels were the Danish ships Christiansborg, 3,270 tons, and Charok, 1,028 tons.

There was no news immediately of the crews of the Christiansborg and the Charok after naval circles said that during the last two days German submarines had torpedoed at least six neutral ships without warning.

Other vessels lost during the last 48 hours were the Danish ships Bothal, 2,109 tons, the Viking, 1,158 tons, the Minsk, 1,229 tons and the Algiers, 1,654 tons. Also the Norwegian ship Svinin, 1,267 tons, was torpedoed.

All except the Charok was known to have been torpedoed and it was believed it too was the victim of a U-boat attack since it disappeared in the same vicinity the Minsk was torpedoed.

Naval circles said it was feared the total death toll from the most perilous sinkings would prove to be the heaviest of the war.

COASTAL WOMAN IS FOUND GUILTY

LOS ANGELES, March 22 (U.P.)—Mrs. Caroline Henkle, 50, was "so stupid" today she was found guilty to talk because a jury had found her guilty of the "ant-paste" murder of her husband, Belle Palmer, 77, and had set free Charles Palmer, 78.

Under the verdict—first degree with recommendation of life—Judge Thomas L. Ambrose automatically will sentence her to life imprisonment. She was ordered to jail for sentence next Tuesday.

The Palmers' former housekeeper only lowered her eyes yesterday when the verdict was read, but she was speechless. Palmer, tried on the same charges, and acquitted, was jubilant.

JAPAN REJECTS DEMAND FOR TIE-UP WITH ROME-BERLIN

NIPPONS REFUSE INVOLVEMENT IN EUROPEAN FIGHT

By H. G. THOMPSON
TOKYO, March 22 (AP)—Foreign Minister Hachiro Arata rejected today a demand that Japan strengthen ties with the Rome-Berlin axis in order to prevent possible British pressure in the far east in the event that the allies won the European war.

"Japan's policy of non-involvement in the war is unshakable and there is no necessity for changing it at present," Arata said. Arata made his statement at a parliamentary budget committee meeting. He was responding to an interpolation by Shiochi Miyake.

"Japan must abandon its non-involvement policy and must join the axis in order to help establish a new order in Europe and a new order in the world," Miyake said.

After the world war, he said, Britain put pressure on Japan, and the same thing, he added, would happen again, this time with United States assistance.

Gen. Shunroku Hata, war minister, said the army was following government policy regarding the nine-power treaty which is supposed to guarantee China's sovereignty and integrity.

Government policy is that the treaty ought to be revised, at least, but that the moment is not arrived for Japan to denounce it.

Above 9-Power Treaty "Personally," Hata added, "I believe the holy campaign in China is above the nine-power treaty, which should not be allowed to restrain military operations."

The policy of complete destruction of the Chinese government was unalterable, he said, and the prospective establishment of a "new government" (the Japanese-sponsored so-called "national government" under Wang Ching-Wei) was a long step toward that end.

FRENCH CABINET PLEDGES BATTLE

PARIS, March 22 (AP)—Premier Paul Reynaud and his cabinet colleagues have pledged themselves to an energetic policy of a total war until Germany has been crushed and complete victory won, it was reported today.

To this pledge, it was said, was added another—that Reynaud, the "little saint" of France's one-day-old second war cabinet, would accept no "white" peace, one which meant a compromise with Nazism.

The pledges were reported to be implicit in an "act of faith" declaration drawn up at a cabinet meeting today.

Well informed sources forecast the declaration would halt at the outset any nationalist opposition to the new cabinet, and that hesitant ones among the radical Socialists, on whose party the coalition cabinet is based, would be won by Reynaud's side.

The declaration was drawn up at a cabinet meeting and approved at a formal council of ministers at the Elysee palace under President Albert Lebrun.

Minister of Interior Henry Roy said the declaration was an "act of faith" rather than the usual detailed ministerial declaration on which new ministries face parliament.

Gwan! Ya Can't Scare Us!

Who cares (from this safe distance) if Gargantua is not amused, as is clear from the above photo, recently taken at winter quarters of Ringling Brothers, Barnum and Bailey circus in Sarasota, Fla. That the million-dollar gorilla will soon terrify thousands of circus fans, when the big top takes to the road. That heavy-tread tire is his favorite toy.

Monkeys Slated To Entertain at Pupil Assembly

A monkey circus will be presented for Twin Falls high school students at a pupil assembly on Monday, when Bob Taber brings his monkey troupe to Twin Falls for exhibition.

Mr. Taber, considered an authority on wild animal life, has been an animal trainer and zoo superintendent. He has just completed a full season at the San Francisco zoo and has taken his monkeys over many states and to Hawaii.

On the next day, Dr. Nicholas R. Donah, Biology, Hunsley, chief of four speakers on international subjects, sponsored by the Rotary club, will speak.

Monday students may also confer with Herbert T. Caudon, assistant in admissions from Whitman college, Walla Walla, Wash., who will be at the high school.

EAST SEABOARD SWEEP BY SNOW

NEW YORK, March 22 (AP)—A snow storm swept the eastern seaboard today.

In New York City, visibility was limited to a few hundred feet by a heavy fall that clung to roofs but melted on striking the streets.

The Boston vicinity was overcast and there were occasional snow flurries. The lowest recorded in New England was four degrees at Greenville, Md. snow.

Three inches of snow fell at Indianapolis.

LEGION MYSTERY PROVES BIG HIT

Offering several unique attractions—chief of which are the "lady" characters portrayed by men—the American Legion's "Mystery at Midnight" will be presented for the last time at 8:15 p. m. today in the I. O. O. F. recreation hall.

First production of the comedy-mystery offer drew gales of laughter Thursday evening from a well-filled house.

Lots of Novelty With a plot designed to offer both hilarity and mystery, the cast members under direction of Miss Helen Blake Williams, New York City, produced the nucleus with novelty aplenty. The "ladies" scored a big hit, especially at such moments as W. W. Prantz, Fred Bacon, Clyde Williams and Harry Taylor mixed masculinity with femininity.

Warren W. Lowery, who as a deputy sheriff in real life is engaged in apprehending lawbreakers to put them before judges, stepped into the role of a judge himself for "Mystery at Midnight." Dubbed "Clark Gable Lowery" as soon as he accepted his role of Judge Rollins, Lowery proved a favorite with the crowd.

Capable Performers Handling other roles capably were Warren Parker, Zek Larson, Mark Henninger, Pat Daly, Allen Duval and Herb Smith.

The plot contains "mix up" angles that add to the fun and suspense. At tonight's production, winners in the child popularity contest will be announced. Vectors in the mis-spelled word contest were revealed last night by Blaine Van Ausden.

Free tickets for finding the most misspelled words on the Legion posters went to Ruthann Hayes, L. Keenan, Rita Ankeny, Ann Allen, Dorothy Bush, Bob Ostlund, Mrs. E. J. Shaw, Virgil Welter, Florence Eise Campbell and Margaret Voorhees.

In the United States, about 93,000 workmen are employed in building aircraft—60,000 in airplane manufacturing, 13,000 in aircraft engine manufacturing, and 20,000 in propellers, instruments and accessories production.

BELLEVUE CO-OP UNITS EYE LEGAL MATTERS

Mr. and Mrs. Conroy Gillespie were Boise visitors this week. Mrs. Pete Johnson returned Tuesday after a six weeks' visit with relatives in Portland and Butte.

Mr. and Mrs. David Davies and son, and Mrs. Jess Walker, who has been visiting here, were called to pay tribute by the solemn illness of Mr. Davis.

Mr. and Mrs. Wesley Powers and daughter, Ouida, Baker, Ore., accompanied by Mrs. Mary P. Brown, Mrs. Jack Edwards and Dick Brown, spent the week-end in Boise.

Mrs. Paul Jones received a broken ankle while skiing at Sun Valley.

Bert Rooker, Ablon, spent the week-end with his parents, Mr. and Mrs. J. S. Rooker.

Mr. and Mrs. Wesley Powers and daughter, Ouida, Baker, Ore., accompanied by Mrs. Powers' mother, Mrs. Estelle Griffin.

Dr. H. L. McMartin, division of public health, Boise, gave a lecture in Bellevue at the Presbyterian church Thursday on cancer control.

George Edward McConigal sang, "Sun Valley You Are Calling," accompanied by Harry Warr at the Holy American Legion auxiliary's entertainment for the Ketchum auxiliary. Words for the song were written by George McConigal, and the music composed by Harry Warr.

This was the first time this song to be sung in public, but it had been sung for the amusement of Sun Valley.

Bellevue club under the direction of Harry Warr presented, "Love Songs of the Nation" at the grade school auditorium in Ketchum Friday. It was sponsored by the Ketchum Girl Scouts, and half of the proceeds will go to the Bellevue club.

Bellevue grade basketball teams played Ketchum grade basketball teams at Bellevue Tuesday. Both Ketchum teams won.

CO-OP UNITS EYE LEGAL MATTERS

Legal problems affecting cooperative organizations were fixed clearly today in the minds of leaders and employees of Twin Falls county co-op groups.

The legal matters were emphasized at an all-day session here Thursday under auspices of the Idaho Cooperative Council. Major speaker was F. L. Graybill, attorney for the Bank of Cooperatives, Spokane.

Open Forum Open forum discussion dominated the morning gathering and Mr. Graybill's talk highlighted the afternoon meet. All sessions were at 10:00 a. m. U. O. F. hall. C. O. Youngstrom, U. O. F. extension marketing committee and secretary of the state council, was present.

Duties of a co-op director were outlined in detail by Mr. Graybill, who urged that board members carry out the full duties of their offices in order to avoid criticism or worse. Failure to attend all meetings and to keep personal check on operations may make directors liable for any losses, the attorney said.

Wage-Hour Law Graybill pointed out that although cooperatives are exempt from certain federal tax provisions, they must comply with the wage-hour law in common with other agricultural businesses.

He urged marketing contracts as a protection for the cooperative in event some of its members seek to sell elsewhere. Such contracts are enforceable, he said, and are valuable in mapping a program for disposal of products handled by the co-op.

Other matters discussed include membership quotas, capital structure, forms of cooperative organization as regards stock or membership, and incorporation.

Roy D. Smith, general manager of the Jerome Cooperative Creamery and member of the state council committee which arranged for the series of three meetings, presided here yesterday. Idaho Falls co-ops were in session today and Caldwell groups met Wednesday.

CANDIDATE SPEAKS HAZELTON, March 22 (Special)—Idaho's "liberty candidate" for U. S. senator will speak here at 8 p. m. Saturday in I. O. O. F. hall. He is Glen H. Taylor, who will discuss "Plenty for Everybody." His Glendora ranch gang, radio performers, will provide entertainment.

Warm air steam heating systems. Pkg. sheet sent, Detweillers—adv.

event some of its members seek to sell elsewhere. Such contracts are enforceable, he said, and are valuable in mapping a program for disposal of products handled by the co-op.

Finns Are Domestic, Thrifty, Speaker Finds

Love of home and its development; clean-living and high standards of health; thrift and integrity and a passion for education are the characteristics which have made Finland in recent years the marvel of the universe. Mrs. H. C. Dickerson told members of the International Relations group of the American Association of University Women last evening. The meeting was held at the home of Mrs. C. E. Jones.

Finland has been a laboratory for economists, sociologists and university athletic directors from all parts of the globe. Mrs. Dickerson said, because of her ability to make World War debt payments, she visited with winners of Olympic championships, and the flourishing condition of her country.

There is less than one per cent illiteracy in Finland, the speaker called the attention of the audience. Industrial development is on a high plane, and although there are few cities, they are developed on modern lines.

The railway station in Helsinki is a marvel of architecture, and the Helsinki ship yard which has 12 miles of books in every language of the world, is a monument to Finnish culture. The Finns attach great success as a nation to their health programs, about every thing else, she said.

And in detail of what Russia expects to gain from the seizure of the northern part of Finland, where the waters are open the entire year, she said where many industries have been developed.

Mrs. Dix Named Head of Lincoln Parent-Teachers

Mrs. W. J. Dix was named president of the Lincoln Parent-Teacher association last evening, succeeding Mrs. Lloyd Gilmore, and was also selected as delegate to the state P-T. A convention at Lewiston April 11. The election took place at Lincoln school auditorium in connection with a program and "open house" given by the school. Mrs. Dix was introduced by the nominating committee.

Mrs. Dix was elected by Mrs. Ralph Smith, vice-president, Mrs. Gladys Donohue, secretary, and Mrs. O. Johnson, treasurer. More than 200 persons were present at the meeting.

Supt. Homer M. Davis discussed state equalization and Mrs. J. L. Berry, Mrs. Noble Peterson, Mrs. L. McCann and Mrs. Olive Anderson were appointed to assist in the election of next Thursday.

Miss Freda Lee, principal of Lincoln school, presented a report on the Martha Froelich room sang "Easter Song," and Miss Lee presented a report on the Hawaiian group and a report on the "Blue Hawaii" and "Song of Old Hawaii."

Mrs. J. O. Rasmussen read the state and national presidents' messages. Attendance prizes were given to the winners of Miss Blanche Kline, Miss Eleanor Grohowsky, Miss Sarah McCloskey and Miss Edith Dierker, Mrs. McCracken, Mrs. Anderson, Mrs. Lillie Obershaw and Mrs. Fred Hoffman served refreshments.

The meeting will be held at 2 o'clock at the American Legion hall in the auxiliary rooms.

Ten will be served under the direction of Mrs. O. J. Childs, following the program.

All women interested in good government are invited to attend, according to Miss M. Irena McCoy, president.

Father of Bride Reads Marriage Rites at Church

HAGERMAN, March 22 (Special)—The Reorganized L. D. S. church in Hagerman was the scene of a wedding when Miss Doris Marjorie Condit, daughter of Mr. and Mrs. Silas Condit, Hagerman, and Morris Stokes, Hill City, were united in marriage at 2 o'clock Sunday afternoon, March 17. Elder Silas D. Condit, father of the bride, officiated at the single ring ceremony.

The bride was given in marriage by her grandfather, H. B. Gilmore. She was preceded to the altar by Miss Tress Mae Condit, her sister, maid of honor; Miss Beulah Stokes, sister of the bridegroom; Miss Alice Pausett, bridesmaid; Velma Stokes, niece of the bridegroom; flower girl; Homer Condit, brother of the bride; and Max Stokes, brother of the bridegroom.

The bride and her party were met at the altar by the minister, bridegroom and best man, Morten Stokes, his brother.

Nuptial Music

Preceding the ceremony J. C. Peery, Gooding, sang "Unlil," accompanied by Mrs. Peery who also played the processional and recessional. After the arrival of the bridal party, prayer was offered by Elder Cecil Gilmore, and Mr. Peery sang "At Dawning."

For her wedding the bride chose a lace and chiffon dress and a floor length veil set with pearls. Her only ornament was a gold brooch worn by her great-grandmother, about 100 years ago. She carried a bouquet of carnations and lilies.

Her attendants were gowned in

Faculty at Eden Attends Banquet

EDEN, March 22 (Special)—High school faculty and their wives were entertained Tuesday in the Girl Reserve room at a banquet, with the Easter theme.

Tables were centered with miniature trees decorated with Easter eggs, while place cards and egg shell boxes decorated in colors with spring flowers. The program was a small yellow chick.

Supt. Harold Pater was toastmaster, with the following program presented: Piano solo, Miss Marian Brauer; "Tress, Adela Heuting; "Roots of Trees," C. Ruth, of the general board; song, "Yule Hite;" "Branches," Mrs. J. Hanks of the faculty sang; poem, "Albino Snow," "Budding," Miss Faye Watkins; "The Fruit," Mrs. George Lattimer of the board's wives; poem, "Miss Esther Wardell." Group singing closed the meeting.

Kimberly Nazarenes To Present Cantata

KIMBERLY, March 22 (Special)—The "Pillar of Life," an Easter cantata, will be presented by the Kimberly Church of the Nazarenes Sunday at 8 p. m.

A O'Connor, professor of music in the Kimberly schools, is the director. A large electrically lighted cross will be used and 20 voices will take part in the program.

Miss Hester Williams is pianist. Rev. Olive Williams, pastor, invites the public to attend the cantata.

EASTER LILIES

The white lilies in my garden
Are so lovely, warm, pure,
Just to see them, my heart quickens,
For they open memory's door.

As a little child I knew them
In a church quite small and old.
Easter lilies basked the altar
And "calla's" with their wands of gold.

Through open windows humming bees
And singing of the early birds,
While with triumph "Christ is Risen,"
Rang out the pastor's earnest words.

Easter lilies in my garden,
And down the years the chorus rings,
"Christ is Risen, Christ is Risen,"
True joy to all the living brings.

... and taffeta of pastel shades. Their bouquets were of sweet peas, the flower girl wore pink taffeta and carried a basket filled with carnation petals.

Immediately following the ceremony, the couple was honored at a reception arranged in the church dining hall with more than 100 relatives and friends in attendance.

A five-tiered wedding cake topped with a miniature bride and bridegroom, centered the bride's table, and all tables held bouquets of ferns and daffodils. The church was decorated with ferns and daffodils, and the archway in front of the altar was covered with ferns with three white ribbons in the center.

The bride attended Hagerman high school and Graceland college at Lamoni, Iowa. The bridegroom attended school at Fairfield and the University of Idaho, southern branch.

On Wedding Trip

After the reception the couple left for Salt Lake City on a wedding trip. They will make their home on his ranch near Hill City.

Out-of-town guests included Mr. and Mrs. Wilbur Stokes and family, Mr. and Mrs. Orin Stokes and family, Glenn Perry, Mrs. James Lantz, Miss Beulah Stokes, Sidney, Neb., Mr. and Mrs. P. L. DeLennbaugh, Miss Marjorie Stoner, Boise, Mrs. Evelyn Hopkins, Lew. Nev., Miss Eunice Porter, Fairfield, and Thomas Utican, Duck Valley.

FARLEY PLANS TOUR OF IMPORTANT SOUTHERN STATES

ANTI-THIRD TERM BACKERS SEE AID IN STOPPING FDR

By Lyle C. Wilson

WASHINGTON, March 22 (AP)—Postmaster General James A. Farley, whose name will be presented to the Democratic national convention regardless of third term developments, is preparing for a strenuous political campaign in the border and southern states.

His journey will extend to Texas where the campaign-for-President campaign is scheduled for a number of pre-convention activities on March 30. Farley's refusal in Boston this week to be a stalking horse for third term delegates in Massachusetts has aroused enthusiasm among the anti-Roosevelt forces. But the postmaster general explains he is not in coalition with anyone against Mr. Roosevelt.

Farley's journey will be devoted to postal business for the most part but politics cannot be kept out of the picture. Farley is available here. But he is expected to visit a dozen or more states including Kentucky, Mississippi, Alabama, Georgia, Alabama, Texas and Kansas.

Neither in his role as presidential candidate nor as chairman of the Democratic national committee could Farley avoid political conferences on a journey of that kind. But the story of the political strategist is most likely to tell as he meets the local leadership in as far as he knows there is no third term candidate to be expected this year. Therefore, he may suggest the time has come to build up the strength for some other candidate.

Bull Prospects Better

Under those circumstances, the convention prospect of Secretary of State Cordell Hull are more likely than any other to benefit from Farley's movements between now and the Democratic convention which meets July 15 in Chicago. That is assuming, of course, Farley will go to the national convention, himself, and most political realists here are of the opinion he will not be chosen for that honor.

In almost every state where Farley will appear on this journey there are interesting political situations which are ripe for the nomination of a compromise presidential ticket.

SEMI-FINALS TONIGHT IN STATE'S BOXING TOURNAMENT

Burley Loses in Opening Round Of State Meet

MOSCOW, Ida., March 22 (UP)—Moscow, Coeur d'Alene, Pocatello and Emmett today meet in the semi-finals of the Idaho state high school basketball tournament by virtue of first-round victories.

Emmett will be paired with Pocatello and Moscow with Coeur d'Alene while Lewiston meets St. Maries and Burley takes on Idaho Falls in the consolation round in the afternoon.

A substitute center, Eugene Reed, looped a field goal through the hoop in an overtime period to give Moscow a 19-18 win over Burley, pre-tourney victories. The score was 19-18 at end of regular play.

With the exception of the first quarter Coeur d'Alene commanded its contest with Idaho Falls. The final score was 33-22. At one time the north Idaho youths held a 15-point lead.

Emmett Trounces Lewiston
Emmett, Trounces Lewiston, 21-12, in the opening afternoon game. Lewiston played loosely and scored only three points in the first half while Emmett was finishing up 14.

Pocatello whipped St. Maries, 32-22. The half-time score was 21-10. Best game of the first day of the tournament was that between the host Moscow aggregation and the highly-touted Burley Bobcats, generally regarded as at least the best team in the southern section.

The teams were evenly matched all the way through with the count tied at 6-all at the quarter and Burley held a narrow 10-8 advantage at the half-time.

Bears Come Back
In the third quarter the Bears came back strong to run up a 16-12 advantage, but the Bobcats, led by Tom Church, rallied to knot the count at 19-all with three minutes to go. And from there on it was a rough and tough ball game with neither side being able to score.

During the three minutes each side had two free throw chances, but all were missed and in the opening 15 seconds of the sudden-death overtime, substitute Moscow player, tossed in the field goal that sent the Bobcats into consolation play.

As a result of the loss, Burley will now meet Idaho Falls in the no-win bracket this afternoon and Lewiston tangles with St. Maries in the same classification. Winners of these two games meet Saturday for the consolation championship.

Sidelights on Class A Meet

By BOB LEHRIG
MOSCOW, Ida., March 22 (Special)—Moscow high school Bears are Idaho's most consistent state champs, having won the title bunting seven times.

The Moscow hoopers, who eliminated Burley last night, collected the title by their first four years the state tournament was originated. From 1917 to 1923 the Bears dropped out until 1929 when they again climbed on the bandwagon. Last victories for the Moscow club were in 1933 and 1934 although they have been in the running for the championship many years since then.

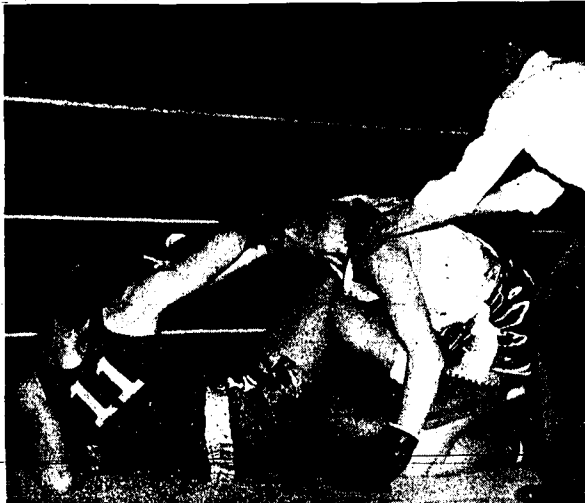

Southern central Idaho has been represented by only two state champions—Rupert, in 1925 and Burley, 10 years later. The Rupert "wonder team" of 1925 brought home the championship trophy to the Plain Institution and then went to the national championship in Chicago where they reached the semi-finals before being out.

The Burley state champions in 1935 were coached by two different members, J. A. "Mac" Brown and Ken Barrett. Brown turned over the reins to Barrett in the middle of the season to coach the Moscow Bears.

Little Weston high school, present state Class B champion, was the last Class B school to cop the state honors, during the tournament in 1932. Driggs, another Class B school, is the only other small high school to win a state championship. Driggs won the title in 1931. The title holders since 1917 are:

- 1917—Moscow.
- 1918—Moscow.
- 1919—Moscow.

Double Knock-Down in H. S. Fight Meet

There were lots of knock-downs, but no knock-outs at the state fight tournament at Albion last night. The championships will be held on Saturday and one of these two men advanced one round in the 156-pound class last night. At left on floor is Wayne Kirby of Kimberly. The other lad is Bill Hinshaw of Mountain Home and that's Referee Bud Travis attempting to pull the boys apart. The decision went to Kirby. (Times Photo and Engraving)

Denver Nuggets Rally To Beat UISB Club In Second Half, 43-26

DENVER, March 22 (UP)—The title-holding Denver Nuggets and the challenging Phillips Oilers shared the spotlight today in semi-final games of the national A. A. U. basketball tournament.

The four semi-final teams—two from the Missouri Valley A. A. U. league and two from the Pacific coast—were survivors of a field of 50 that started play last Sunday.

The Nuggets met Golden State of Oakland, Calif. after having to a 43-38 victory in a quarter-final match in the quarter-finals.

The Oilers, who defeated Hollywood (Twenty-first Century) 40-32, met up tonight against the Seattle Seahawks, who won their quarter-final contest 25-16 last night (today) at Seattle.

The Oilers, who have looked good throughout the tournament and appeared still better in their quarter final fight, were believed capable of giving Phillips a tussle despite their inexperience. The team is made up of former players of Washington players. Ed Leovich, forward, led the basket for 17 points and played all out of last night's game.

The Idaho southern branch vs Denver Nuggets contest was very much a surprise affair. Coach Tracy Saville's team found good throughout the tournament and appeared still better in their quarter final fight, were believed capable of giving Phillips a tussle despite their inexperience.

100 Skiers Set For National Championships

MORE THAN 100 of the nation's top-100 skiers were set for the skier's day to the national championships, which will be in conjunction with the fourth annual International cup competition today and tomorrow.

Practice favorites were Elmer Pfeiffer, current national champion from Sun Valley, East Star, North Coeur, N. H. national downhill champion; Dick Durrance, former Sun Valley, East Star, North Coeur, N. H. national downhill champion; and Bob Hart, 18-year-old P. I. skier from Palo Alto.

The downhill event will be run today over the steep Warm Springs run, a course which drops 300 feet in a little over two miles. A "downhill" or sharp drop one-third of the way down is expected to be the stumbling block for many contestants, snow conditions will vary between a hard and soft snow, depending on the temperature.

COLUMBIAN SIGN IN FIELD
RUSKANE, Wash., March 22 (UP)—The national ski championship, which will be held at the Pioneer Bowl today to honor the late Johnnie Vines, 10, of Oakland, Calif., opened a day of "ski" action today. Vines was a star either shortstop or second base and had a good throwing arm.

Seventeen Fighters Advance After 1st Round of Battling

(For morning results see page 2)

ALBION, March 22 (Special)—Semi-final bouts in the Idaho state high school boxing tournament here will be staged tonight at the Albion Normal gymnasium and when the dust has cleared away there will be two men left in each of the 11 weight divisions to battle for crowns at the championships Saturday night.

Last night, with a good-sized crowd from surrounding towns looking on, boxers in nine divisions took the ring. With some boxes exceptionally good—others a little on the wrestling side.

Par and away the best battle of the evening was that between Timon of Jerome and George Kono of Sugar-Salem. The battle was finally won by the 116-pound Japanese from Sugar after three rounds of furious slugging; Timon, one of the stand-out boxers on a fine Jerome club, put up a great battle, only to find the shorter Japanese buzz-saw out-score him.

Another one of the finer battles of the evening was that between Dwight Everett of Shoshone and Bud Mason of McCall. This decision went to the smiling Shoshone battler.

In all there were 17 bouts on last night's program, all going to decisions. One other fighter entered the ring—Willbur Butler, Kimberly, who was awarded his victory on a default by John Christ of Rupert.

This morning 16 more bouts were fought and tonight's card will probably find in the neighborhood of at least 20 men battling for places on the championship card. Fights start at 8 p. m. both night sessions.

All bouts last night were refereed by Bud Travis of Twin Falls, while judges were Leon Greene and Don Gray of Burley.

Complete results of the first day's events follow:

100-pounds—Staley, Kimberly, defeated Billy Moran, Malad; McFadden, Idaho Falls, defeated Pugmire, Montpelier; Kinshafter, Jerome, lost decision to Echeverria, Mountain Home.

116-pounds—T. Sparks, Montpelier, defeated Kono, Shoshone; Peterson, Malad, defeated Newman, Albion.

124-pounds—Evarts, Shoshone, defeated...

15 Girl Athletes Get Pledge Ribbons
Pledge ribbons have been issued out to 15 finalists of Girls' Athletic association of Twin Falls high school, and informal initiation for them will be held next week.

During that time pledges will do some spring housecleaning in the girls' dressing rooms, arranging and marking equipment and cleaning, and they will also write essays from a given list of subjects, which will be read before the club.

Serious initiation will be held April 1. Veris Lou Bowman is in charge of the group arranging a complimentary ceremony for that meeting.

The Webster rolled up 100 points in yesterday's competition, followed by University of Washington, defending champion, with 95.2 points, California, 93.86; Washington State, 87.76; and Idaho with 65.33.

Jack Schneider, University of Washington, led the individual competitors with jumps of 107 and 114 feet for 147.2 points.

Hogan Takes First Place After 3 Years
GREENSBORO, N. C., March 22 (UP)—Ben Hogan, whose 11-under par total of 277 for 72 holes won him the north and south open championship yesterday, was back at his favorite pastime today—practicing.

Hogan waited at Pinehurst only long enough to collect his first prize check of \$1,000 and then came here to practice for the 45,000 Greensboro open which starts tomorrow.

Hogan's first championship represented a three-year struggle to get to the top.

Hogan had come in second in three tournaments this season.

Byron Nelson presented Hogan with the specially made driver that enabled him to beat him by nine strokes, and crowd him into third place behind Johnny Sneed at 290. Nelson won the north-south at 287.

Hogan and Nelson met in the final of the half time with Idaho leading an 18-11 advantage and the Nuggets players, veterans of many a tournament, shaking their heads in consternation.

But when the second half got under way it was a different story and this time the Nuggets, amid eight minutes without scoring as the Oilers led by all-American center Bob Greening, started pounding the ball through the basket to gain a comfortable lead.

DEADLINE FIXED ON MERIT EXAM

With a majority of the positions falling within the \$100 to \$120 per month salary bracket, merit examinations for the selection of public assistance will be taken next month, both by incumbent personnel and by others seeking jobs with that agency.

Deadline for final applications is April 5. It was announced here today by Eugene Pugh, district supervisor.

A few higher paying jobs are on the list for examinations. Pugh said that these jobs are limited and the bulk of the salaries is in the lower range.

Incumbent personnel passing the merit examinations were to be retained. Others who pass the tests will be placed on the employment rolls for the selection of public assistance and will receive jobs as they become available.

Dangers to U. S. Cited at P-T. A.

JEROME, March 22 (Special)—Highlight of the joint Lincoln and Washington elementary schools Parents Teachers association Monday evening was an address delivered by Mrs. John E. Hayes, Twin Falls, national vice-president, on "Trail Breakers for Democracy."

Defining democracy as the American way of living, Mrs. Hayes proposed that if P-T.A. members are going to be trail breakers for democracy, they must be aware of the problems which threaten democracy and face them squarely.

The dangers to democracy, Mrs. Hayes said, are defined as attitudes of indifference, carelessness and ignorance; the program of unemployment; the problem of providing hope and security for youth; and the problem of war.

In facing these problems, Mrs. Hayes proposed that P-T.A. bring about a feeling of social being and unity among all people in the community. P-T.A. people should be aware to the problems of financing public education and lend their active support in guaranteeing an adequate minimum program of education in Idaho.

Following the address, impressive joint installation services were conducted for new officers of both schools. They are: Lincoln, Mrs. John T. Stiele, president; Mrs. Del Smith, first vice-president; Mrs. Conner, second vice-president; Mrs. Malcolm Stuart, secretary; Mrs. Jack Russell, treasurer.

Washington school: Mrs. I. W. Sanberg, president; Mrs. E. G. Matland, first vice-president; Arthur Chaburn, second vice-president; Mrs. Leonard Young, secretary and Mrs. Sharon H. Abertson, treasurer.

Refreshments were served at the close of the meeting in the home economics room.

Musical presentations were by pupils under Miss Joie Hinds, Washington school, and Miss Beatrice Wilson, Lincoln school.

Mrs. Gehrig to Direct P-T. A. SHOSHONE, March 22 (Special)—The Shoshone Parents Teachers association held a regular meeting at the Lincoln auditorium Monday evening.

Electron of officers was the main business of the evening with Mrs. Delbert Gehrig elected as president; Mrs. Dorothy Becker, first vice-president; Mrs. Frank Kelley, second vice-president and Edward Dunn as secretary-treasurer.

Miss Jean Fokke, Jerome P-T.A. state act chairman was present and gave an interesting talk.

The high school girls give a very nice variety of songs and dances during the two socials accompanied by Miss Olga Hines. There were about 60 members present.

Pupils Respond To Schick Tests JEROME, March 22 (Special)—In the recent Schick test project to determine immunization of children in Shoshone school children in this community, there were 240 pupils when the test according to an announcement released last week, in Jerome county (exclusive of children in Miss Hagard's class).

Of this number, there were 240 pupils who showed positive reactions, she said. Of the 240 there were only 20 children who had received immunization against diphtheria and scarlet fever.

Miss Hines stated that the results in her district show that there are a great many children who have not received immunization against diphtheria and scarlet fever. Vaccination will be advised by local physicians in the west end of the county schools during the last week in March, (final date) and exact time to be announced later through the newspapers.

A small fee of 30 cents to cover the immunization of 30 cents for smallpox will be the only charge for this service, according to Mrs. Russell. Pupils are urged to bring the immunization card and their fee to be changed off any children whose parents can not afford to pay.

Dale announced the week. Right Rev. Edward M. Cross, Episcopal bishop of Spokane, is to be the invocation speaker.

Dr. Upham, a member of Phi Beta Kappa and Tau Kappa Epsilon, an old fraternity, is now president of Marquette University in Oxford, O. He was once an English professor at Penn State college in Pennsylvania.

An outstanding feature of the commencement exercises will be the dedication of the alumni monument and bench at the head of the old administration building, steps toward construction of the monument will include a semi-circular center porch leading to the base of the steps, part of which have now been removed by city workers. At the head of the steps will be set a rectangular flagstone terrace.

Jerome Arranges Sunrise Service

JEROME, March 22 (Special)—Communion Easter sunrise service was sponsored by Jerome Methodist church, with the Rev. Albert E. Martin, minister of the Jerome Methodist church, will read the scripture and Rev. Carl J. Kaurin, minister of the Baptist church, will pronounce the benediction. Special music will be provided by the young people of various participating churches.

The general public is invited to attend. Any persons who wish transportation are asked to call Rev. W. F. Will or be at the Presbyterian church at 8:15 a. m.

This annual service has grown in popularity since the canyon site was chosen three years ago.
