Necessity Seen for 3rd Panel to Get Jury for Johnston Murder Trial

J. W. Taylor, Idaho attorney-general who is listed as a member of the prosecution staff in the current Johnston trial, entered the courtroom as this afternoon's session opened.

One hundred and fifteen men have been called into district court during selection of the Duncan McNeil Johnston murder re-trial jury—and at noon today only seven of that "supply" was left, indicating that another panel will be drawn before the 12 men and one alternate to hear the case are finally selected.

At mid-day recess records showed that the state has exercised its peremptory challenges while the defense has used three. It both sides use all the peremptories to which they are entitled. There are 13 more for selection of the regular jury and at least two more—and perhaps four—for the alternate.

The trial is in its third day today, Johnston, former mayor of Twin Falls and a jeweler, is charged with slaying George L. Olson at the City Jewelers' store, about May 21, 1938. At the first trial last December he was found guilty of the charge and sentenced to serve the rest of his life in Idaho's prison. The supreme court, however, ruled for a new trial in the case of James W. Porter, who is presiding at the present trial, also sat at the first one.

Fixed Opinions

As has been the case since selection of the jury started, numerous prospective jurors today disqualified themselves, by admitting they had formed a "fixed opinion" as to the guilt or innocence of the defendant. Eight were excused for this reason this morning.

Depletion of the supply of prospective jurors this morning indicated, court observers said, that actual testimony would probably not get underway until Friday morning, and that selection of the jury would not get under until sometime Thursday. This course will hold, the same observers said, as the testimony of witnesses would probably start sometime Thursday.

In Jury Box

In the jury box at recess today were the following: O. H. Coleman, Twin Falls; Herman Schuriger, Twin Falls; C. R. Overbaugh, Bull; J. R. Crawford, Bull; Carl J. Sells, Bull; J. W. Hamilton, Twin Falls; Harry Brandy, Twin Falls; Ralph S. Hatch, Bull; Richard Jagg, Bull; Fred Munyon, Bull; W. O. Orr, Bull; and Roy Haley, Castleford.

Disputed so far by peremptory challenges issued by the prosecution are C. W. Wake, Twin Falls; Harry Brandy, Twin Falls; A. DeCramer, Murtaugh; and B. J. R. Taylor, Twin Falls. The defense has dismissed A. C. Redford, Bull, and J. W. Hamilton, Bull.

Disqualifying themselves this morning either under questioning of the prosecution or the defense are: C. W. Wake, Twin Falls; Harry Brandy, Twin Falls; A. DeCramer, Murtaugh; and B. J. R. Taylor, Twin Falls.

Each day, including Saturday, court takes up at 9:30 a. m., and recesses at noon. It convenes again at 1:30 p. m. and recesses at 4:30 p. m. Trial is not in session on Sundays.

FRENCH WARSHIP REPORTED SUNK

ROME, March 27 (AP).—The "Gloria," a French torpedo boat, was reported to have been sunk in the Mediterranean. The ship was carrying a large amount of explosives and was carrying a crew of 100 men.

No FDR Support

WASHINGTON, March 27 (AP).—Secretary of War Harry H. Woodring asserted today that the government's new policy of permitting export of advanced type warplanes is designed primarily to strengthen foreign arrangements for national defense.

Woodring assured the house military affairs committee which has undertaken a review of the administration's policy of selling military aircraft, that no real military secrets will be released to any foreign purchaser.

The United States national defense will benefit, Woodring asserted, because huge allied orders will vastly increase production capacity here. With this added capacity available it is better for this country to delay acquiring reserve planes now, he said, because better planes could be built rapidly when needed.

Sold to Allies

Several hundred reserve planes now being built for the army are expected to be sold for immediate delivery to the allies.

The war department now has possibly a half dozen types of planes superior to any in the world, Woodring said.

When it is to the advantage of the national defense, the war department will negotiate for deferred deliveries on contract planes.

"If manufacturers like advantages of foreign orders prior to release for sale abroad, manufacturers should agree to accept change orders on existing war department contracts."

The government must be fully protected and any authorized delays must be interfered with. The war department is working on a plan to equip for war, immediately necessary for our defense needs.

BOOIS PRODUCTION CAPACITY

The "release policy" for foreign sale of military aircraft is being liberalized to accomplish the foregoing, to further stimulate production capacity and to insure improved delivery of aircraft to the allies. Each such case must be decided on its merits.

ANTI-THIRD TERM DEVELOPMENT IN 5 STATES GROWS

By LYLE C. WILSON

WASHINGTON, March 27 (AP).—Anti-third term forces today were hopefully discussing development of a south-central states bloc of Democratic influence at a convention delegates appointed to President Roosevelt's re-nomination.

Missouri developments may be fitting here that program. Governor Clark D. Mo. called today for Missouri Democrats to send un-instructed delegates to the national convention. The senator did not commit himself on Mr. Roosevelt's re-nomination. But his move seemed potentially effective against a third term at least to the extent of an effort to keep Missouri out of the convention draft-Roosevelt parade.

Favors Roosevelt

Gov. Lloyd C. Stark, of Missouri, is understood to be in the anti-third term forces, most favorable to Mr. Roosevelt here. Third term advocates here and elsewhere certainly cannot be counted on and the party are. But on the basis of hopes for favorable Missouri developments, Stark is expected to be in the anti-third term forces.

Another Democratic faction has filed a protest with the state election board against the school board member, mapped the election facts and emphasized that the total school tax will remain the same.

More than a trace of political bitterness was noted in the anti-third term document from Milwaukee. And it is notable for its bid to LaFollette to win the election of Wisconsin governor.

The disturbance was nation-wide, with the anti-third term forces broadcasting disrupted as completely as on Monday with Pacific coast stations unable to contact either the coast or the east coast.

Land lines were less seriously affected. Columbia Broadcasting System's anti-third term force broadcast company received an early forenoon warning that the coast was "shut out" of the air.

The disturbance appeared to be attributable to a triangular cluster of stations in the Pacific northwest, which were visible through smoked glasses yesterday morning.

Reds Announce Recall of Ambassador to France as Allied 'Insult'

LONDON, March 27 (AP).—British-Russian relations are being subjected to severe strain, it was disclosed today as Russia announced that it would recall Jacob Souritz, its ambassador to France, at France's demand.

Further, it was said authoritatively here that a telegram to Josef Stalin, which France held was insulting and which was the basis for the recall demand, was a resolution that had been adopted by the Russian colony in Paris and was not a personal one.

1941, NEEDS FOR RELIEF SEEN AT BILLION DOLLARS

WASHINGTON, March 27 (AP).—The administration will present to congress next week estimates on relief for the 1941 fiscal year, expected to run between \$1,000,000,000 and \$1,500,000,000.

The recommendations will be presented to the house appropriations committee next week by Col. Francis C. Harrington, WPA administrator. He is expected to be instructed to send a special relief message to congress, but after a White House conference today, he revised his plans and instructed Harrington to present the recommendations orally.

Mr. Roosevelt canvassed the situation with Harrington, Federal Works Administrator John M. Carmody and Budget Director Harold Smith.

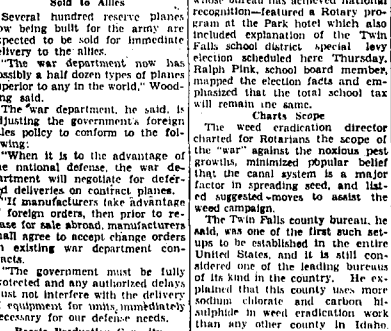

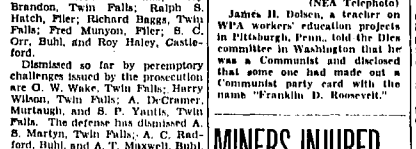

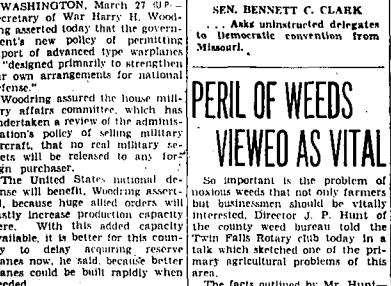

There was no direct indication whether new statistics indicate necessity for advancing relief appropriations over the rough estimates of \$1,000,000,000 for WPA which Mr. Roosevelt sent congress in his budget message last January.

With relief rolls standing at 2,200,000, however, there appeared the possibility the administration might find it necessary to ask congress for more than that.

VANDENBERG TERMS TREATIES "ECONOMIC DICTATORSHIP"

MICHIGAN SOLON ASKS SENATE TO REJECT PROGRAM

WASHINGTON, March 27 (AP)—Sen. Carl Albert, of Michigan, today charged that the reciprocal trade agreements program is "economic dictatorship come to America."

The Republican presidential candidate charged that the trade pact program is "economic dictatorship come to America."

He asked the senate to refuse to grant the three-year extension of the reciprocal program.

He agreed with Sen. Joseph C. O'Mahoney, D. Wyo., an earlier speaker, that the program delegates "too much power to the tariff power and even the internal taxing power" of congress to the President.

Fears for Future

Vandenberg's trade program is slowly but surely if not deliberately driving the United States to a basis of uncompensated low tariffs which will ultimately wreck us just as surely as too low tariffs heretofore have always been poison to America's wage and living and price standards.

The program, he continued, constitutes a "weak and wholly inadequate instrumentality even for serving the purpose to which it is presumed to be dedicated—namely the defense and promotion of our foreign trade."

Shows "No Gain"

The department's commerce, Vandenberg said, estimates that 2,880,000 persons were engaged in producing, distributing and servicing goods for export in 1932, the last full year before the pact went into operation. In 1937, he added, 2,400,000 persons were employed in the U. S. industry producing that "no gain" was registered.

Under the program, he said, America "saunters complacently down a one-way street and we are about to lose our shirt."

Keep Tariffs Elastic

The "alternative," Vandenberg continued, "is to keep reciprocity which tangibly retrogrades; to provide instrumentally even for leveling authority which can cope with all the external trade penalties which the export increasingly coming from foreign lands, through the medium of a ministerial agency which responds to specific congressional action, and a constant adjustment to American costs of competitive production."

DEPUTY AUDITOR DIES AT WALLACE

WALLACE, Ida., March 27 (AP)—Abner Fox, 68, Shoshone county deputy auditor, died today after a brief illness. He came to the Coeur d'Alene mining region in 1860 and had been deputy auditor since 1919.

Physicians said his death was hastened by the strain of his duties this week of Harry A. Rogers, county auditor, recorder and clerk, under whom Fox had served for nearly 20 years.

Leaves for School

Irene Davidson, who has been spending winter vacation in Twin Falls, leaves today to resume her schooling.

Speeder Fined

Police records today show that Leslie Birch, route two, yesterday afternoon paid a fine of \$5 after pleading guilty to a charge of speeding within the city limits. The case was heard by Municipal Judge J. O. Pumphrey.

Briefly Mentioned

Cut flowers put out a minor blaze at 3:30 a. m. Tuesday at the rear of the Peterson Bros., Inc., warehouse on Fairview street west across from the Park hotel. Dr. W. B. Bell, newspaper editor, discovered the flames.

At the Hospital

Dr. J. A. Nelson, Elia Reinke, Mrs. T. Seal, Twin Falls; John Carman, King Hill; and Shirley Mettler, Coeur d'Alene, have been admitted to the Twin Falls county general hospital. Patients dismissed include Mrs. Rex Johnson, Shoshone; William Bell, Twin Falls; Margaret Piske, Kimberly; and Mrs. L. L. Owin, Castelford.

The Public Forum

SUGGESTS NEW AMERICAN CREDIT PLAN

Editor: President Roosevelt in his message told congress that the problem of employment was still unsolved, and called for more active appropriation. So it goes on a billion, two billion from year to year. If it were not for the huge deficits and the increasing debt burden, all except the poor would be more or less passive in their attitude on this distressing condition.

We can see that millions of the poor and jobless will always be with us. The number will vary from time to time. When a few pass out of the picture, others will take their place. Yet we hear much about how business and industry will and must absorb the idle workers, when and if properly is more general. This is pure nonsense, when we know that the laboring machine is the main cause of unemployment.

Demagogue Leader Abner W. Baxter said he hopes to obtain a vote before the end of the week on the proposal of Sen. Key Pittman, of Idaho, to submit the matter to ratification by the senate. The administration races its closest test on this question.

Abner Fox Dies

Word was received today by relatives here of the death of Abner H. Fox, Wallace, Ida., a former resident of Twin Falls many years ago. He died last morning.

Among the survivors are two sons in Twin Falls, Mrs. H. C. Grant and Mrs. M. W. Davis. Mr. Fox has visited them here many times.

Local Teachers Veto Sales Tax

Teachers in the Twin Falls public school system are actively opposed to circulating a sales tax initiative petitions prepared by the Idaho Education association, a meeting of all faculty members showed last evening.

Discussion at the session and at previous meetings, indicated that Twin Falls educators are not inclined to circulating petitions should be done by teachers despite the fact that the extra proceeds of the sales tax would fund the sales tax campaign. Educators here are strongly in favor of the state equalization principle, but they do not believe the public should be informed about this phase of school finance.

Those teachers this week took the matter into their own hands and voted to veto the sales tax as the Twin Falls group.

The Idaho Education association, over the objection of many administrators such as Miss Homer M. Davis, Twin Falls, seeks the sales tax exclusively for schools.

HEART ATTACK IS FATAL TO DOCTOR

GLENN FERRY, March 27 (Special)—Funeral arrangements were being completed today for Dr. Huston Edwin Snyder, prominent local physician and sportsman, who died Tuesday afternoon at his home in Twin Falls.

Death was attributed to a heart attack. He had been in failing health for the past year.

Dr. Snyder practiced medicine and surgery in Carey and Gooding for a number of years before coming to Glenn Ferry from Gooding five years ago.

He was born in Boone county, Mo., March 20, 1882. In 1891 he came to Idaho. He married Mrs. Emma Green at Siletia Dec. 21, 1910.

Surviving are his wife, a son, John E. Snyder, a freshman at the University of Idaho; a daughter, Mrs. William Powers; his mother, Mrs. Mattie Snyder, and two sisters, Mrs. Paul Greenleaf and Mrs. Kathryn Brison, all of Los Angeles.

His mother and sisters will be in charge of the funeral services, the date to be announced later. Burial will be in Elmwood cemetery at Gooding inside the grave of his father.

The body rests at the Zachar-Bey funeral home in Glenn Ferry. The relatives received no flowers to be sent to the services.

MOTHER'S TRIAL POSTPONED HERE

Trial of Mrs. Crystal Stacey, Buhl, Idaho, known as "Bobbie" Stacey, was continued until later date, Probate Judge C. A. Bailey said today.

Mrs. Stacey pleaded not guilty Monday to charges of being intoxicated on Broadway in Buhl. She is in county jail under \$200 bond.

The child had been two days and a patient at the hospital for the past 24 hours. The body rests at the Reynolds funeral home.

The parents, a sister, Billie, and the grandparents, Mr. and Mrs. W. E. Kinrade, Contact, and Mrs. George Jolliffe, Pocatello, survive.

Kimberly Pupils Give OES Event

Enthusiastically received was the musical program presented for Twin Falls a chapter of the Order of the Sistrar by Kimberly high school students last evening at the Masonic temple.

Allan O'Connor, faculty member, was featured in violin and viola selections, and Bert Christenson, music department head, directed.

Program numbers included violin selection, "Schon Rio Marin," by Fritz Kreisler and "Ave Maria" violin number, played by Mr. O'Connor; woodwind chor., "Spring Song" and "Southern Melody," oboe solo, "Musette," Nelia Thomas; state music festival contest number, "Joseph in Egypt," woodwind sextet; souperette solo, "Carnival of Venice," Paul Bowman; quartet selection; trombone solo, Rex Wood; "The Flight of the Moon" and "Wind in the Leaves," girls sextet.

JUDGE CONSIDERS AUTOIST VERDICT

Decision in the trial of R. B. Cox, Twin Falls man accused of driving while under influence of intoxicants will be returned at 5 p. m. Thursday, Justice H. M. Holler announced today after completion of hearings. He took the matter under advisement.

The trial resumed this morning after a continuance from yesterday when Mr. Cox changed his plea to one of guilty with extenuating circumstances. The circumstances have been the subject of testimony for the defense.

At today's session before Justice Holler Mr. Cox presented a petition signed by a number of Twin Falls businessmen, testifying as to his character and asserting belief that there is no likelihood of repetition of the asserted offense.

Prosecutor Everett M. Sweeney presented the state in the matter; Roy E. Smith is defense counsel.

Jerome Scene For Meet of 'Sourdoughs'

Reminiscences of the gold rush days in the Yukon will hold sway at Jerome April 4 when the Sourdough association of Alaska pioneers will hold its ninth anniversary banquet. Secretary John L. Gould, Jerome, announced this afternoon.

The traditional Sourdough dinner meeting will be at the I. O. O. F. hall in Jerome. Music will be furnished by the only original sourdough orchestra in Idaho. Mr. Gould said.

The music is to be by the McVeen brothers, noted Klonowich musicians of the early Sourdough dance hall days.

Although a brief business session will see election of officers, the main feature of the evening will be recounting of thrills and dangers experienced by the southern Idahoans who invaded the northland.

Ex-Alaskans and their families from Jerome, Twin Falls and other Magic Valley areas will attend.

Reduction Looms in Idaho Onion Acreage

BOISE, March 27 (AP)—Reduction of Idaho onion acreage by more than 300 acres is contemplated this year, federal agricultural statisticians reported today.

Onion growers planted 2,700 acres last year, compared with an expected 1940 acreage of 2,400. Figures indicated onion growers in southern states would increase acreage about seven per cent, while western states would cut production about four per cent.

RUSH LOOMS IN LICENSE BUYING

Looks like a mighty rush is due at auto license headquarters this weekend.

Sale of passenger car plates up to noon today reached 4,752 at the Twin Falls office of County Assessor George A. Childs. Since about 7,700 were sold at the office here in 1939, some 3,000 passenger car titles are carrying the 1940 plates.

Mr. Childs urged motorists to secure plates before the final day of sale, Saturday this week. Old licenses are good through midnight Sunday, March 31, but the assessor's office isn't open on Sundays.

A fairly steady flow of motorists was keeping the assessor and his staff most noticeably busy today.

Prosecutor Everett M. Sweeney warned that law enforcement agencies will begin arrests Monday morning, April 1, in cases of drivers operating with the 1939 plates.

Big Group Looms For C. of C. Trip

With more than 25 Chamber of Commerce motorists and members already signifying intention to make the trip Friday to Rogerson CCC camp, indications were this afternoon that a motordrome of 10 to 15 cars might journey to the camp. That would mean a group of about 30 to 35 business men and business women.

The caravan will leave the C. of C. headquarters at 11:15 a. m. Friday, according to President Fred Anderson. Secretary Vivian Carlson said that cars will be available for those not having transportation facilities.

Chamber members expecting to attend the noon session at the CCC camp are asked to contact Mrs. Carlson by Thursday noon.

KETCHUM'S SNOW FADES OUT FAST

Snow level at Ketchum had slumped to a bare three inches today after a spring thaw extended its way in the lower levels of the Sawtooth resort country.

The three-inch depth was shown on the report received here today from F. S. Moore, Sawtooth national forest supervisor who said that the snow had departed entirely from Ketchum. Skiers can still find substantial depths on Old Baldy, however, despite heavy declines from a week ago.

The Old Baldy levels Monday ranged from eight to 28 and 42 inches, compared with 21, 36 and 52 March 18, Mr. Moore said.

The thaw in Ketchum and Halley is seasonal, since the former had just three inches a year ago at this time and Halley had none.

Fairfield, which had six inches a week ago, was down to only a trace this week. Soldier ranger station showed nine inches left from 20 a week prior.

Snow is fading in the south Boise river watershed, with depth at Big Smoky ranger station now only five inches and at Beaulieu six inches.

Plenty at Williams Thaw in the Salmon river watershed, along Sawtooth valley, is less pronounced. Williams ranch had 24 inches Sunday, according to reports in 1939 but two less than one week ago.

Plenty of snowfall at Halley apparently isn't going to catch that of a year back. Mr. Moore's report shows. It is now 54.20 inches compared with 72.40. Average is 60.78.

Thinking Kappas Rate as Scholars

UNIVERSITY OF IDAHO, March 27 (Special)—Kappa Kappa Gamma sorority topped the 31 residence groups in scholarship at the university the first semester, according to figures compiled by the registrar.

The Kappas, defending champions last year, averaged 28 points in their grades. A 49 average is a straight A's, a 3.0 B's and a 2.0 C's grade. The Lindley hall annex topped the men's group houses with an average of 27.7.

Leading women groups were Kappa Alpha Theta, 27.6; Phi Kappa Phi, 27.5; and Alpha Phi, 27.4.

A business meeting followed with election of officers as follows: President, Mrs. Foreman; first vice-president, Mrs. M. Glasinger; second vice-president, Mrs. Bailey Lorain; third vice-president, Mrs. E. J. Glasinger; secretary, Mrs. B. Glasinger; and treasurer, Mrs. John Theurer.

Gooding Grange Has 4-H Program

GOODING, March 27 (Special)—Gooding Grange, in session at the Odd Fellows hall Friday evening, heard a program of 4-H club work. Mrs. C. A. Weaver, Mrs. M. Prather, Gooding demonstration team, gave a demonstration on "Feed Mixtures and Rations for Calves." A demonstration on the "herb raising of string beans" was given by Virginia Brewick, a state championship winner, last year and Lorna Hartwell, both of Wendell.

The 4-H club committee Mrs. John Miller, Mrs. Sam Reddington and Mrs. Irving Johnston reported that three budding groups in "Nutrition" are being organized under Grange sponsorship.

Mrs. O. G. Meyer, lecturer conducted a quiz program on rules of order. The members present went on record as favoring a request to the bee men that they try to keep bees at home rather than over farns.

The work committee announced that the next meeting will be in the form of a box supper.

Jerome Girl Gets Prize for Oratory

COODING, March 27 (Special)—The American national contest to select the representative of Idaho district for the state contest was held in the Gooding Legion hall Friday evening. Winner among the judges was Miss Geraldine (Diodowski) senior in Jerome high school, and Miss Joyce Williams, Minidoka high school, the other entrant.

Both of the girls gave well prepared readings using the subject of "Liberty Under Our Constitution" and each gave an extemporaneous talk on a subject pertaining to the Constitution.

Herb Love, district Americanism chairman, presided. The audience was "God Bless America" with Mrs. C. A. Weaver in the piano following which Mr. Love introduced Mrs. Fred Craig, Gooding, department chairman of Americanism in the Legion and Mr. Elmo Fink, Gooding, fourth district commander, each of whom spoke briefly.

Judges for the event were Howard Hall, Mrs. Bert Fowler and Mr. Bert A. Acrony. Mrs. Gladys (Diodowski) junior from Jerome were Orla Johnson, Miss Anna Gunnarson, Ingerette Wiking, Mr. Sellon and Donald Johnson. From Minidoka were Miss Williams and Mr. Dewey Williams, father of the contestant.

Miss (Diodowski) will represent fourth district at the state contest to be held in Pocatello in April.

Sealing Pact to Fight 'Dictating'

Dr. H. E. Rhodemas, Spokane, shakes hands with Lieut.-Gov. Donald Whitehead, prominent Idaho druggist, at the medical-dental-pharmaceutical meeting here last night. The three Idaho professional groups voted to act as a unit in opposing any measures which might lead toward governmental regimentation through so-called "socialized" action.

Medical, Dental and Druggist Groups Battle Regimentation

Physicians, dentists and pharmacists of south central Idaho today had taken steps to form a committee that will form a working unit against measures which might bring governmental control of the professions.

The action was taken last night at a representative of the three groups—numbering 85 individuals—met at the Park hotel in dinner and business session to hear viewpoints of the three professions discussed.

Principal speaker was Dr. H. E. Rhodemas, Spokane, northwest representative of the national physicians association, who spoke in support of medical service. Also heard were Donald Whitehead, lieutenant-governor of Idaho and a pharmacist, and Dr. P. A. Kalkusky, Buhl, president of the south central dental society. Opening the session was Dr. H. E. Lamb, president of the Southeastern medical society. Toastmaster was J. J. Lynch, secretary of the state pharmaceutical group.

During his discussion, Dr. Rhodemas said that "efforts of the medical profession today are concentrated upon preserving the relationship of the patient and the doctor." He added:

"By this relationship only can the high standards of the medical profession be maintained. When 'political medicine' is established as exemplified by certain European countries which have tried it, standards are lowered, the morbidity increased and the public suffers the consequences.

"Political medicine administered by government agencies would be the same as other types of governmental control whereby added cost is so great that the patient receives a small percentage of benefit from money expended."

Fight Regimentation
He also said that efforts of doctors in the United States today are being directed to "avoid the dangers inherent in regimentation."

Dr. Kalkusky, who presented the viewpoint of the National Dental association, said that organization is in accord with the medical group. Whitehead declared that pharmacists "oppose any plan which does not provide for free choice by people from money expended."

4-11 Club Work
The 4-11 club committee Mrs. John Miller, Mrs. Sam Reddington and Mrs. Irving Johnston reported that three budding groups in "Nutrition" are being organized under Grange sponsorship.

Mrs. O. G. Meyer, lecturer conducted a quiz program on rules of order. The members present went on record as favoring a request to the bee men that they try to keep bees at home rather than over farns.

The work committee announced that the next meeting will be in the form of a box supper.

4 PLEAD GUILTY TO DRINK CLAIM

SHOSHONE, March 27 (Special)—Sheriff George Brown arrested four young men three miles south of Shoshone Sunday night. Upon arraignment Monday morning before Probate Judge Howard Adkins they pleaded guilty to the charge of being intoxicated in a public place.

The men arrested were William Northy, 20, of Red Lodge, Mont.; Frank Brown, 28, Red Lodge, Mont.; Louis Prather, 20, Bellevue, and Lester Rowe, 26, Gooding.

The liquor permit of Frank Brown was revoked and the drivers' license of William Northy was taken by the judge. On recommendation of leniency by the prosecuting attorney before Probate Judge Howard Adkins they were fined \$10 each and costs of \$3. Upon payment of his fine, Lester Rowe was released.

Jerome Rotarians To Elect Council

JEROME, March 27 (Special)—Nominations for new officers will be on the program for next week's meeting of the Jerome Rotary club which was announced at the group's last meeting where a 100 per cent attendance was enjoyed.

A large delegation from Jerome motored Wednesday to Twin Falls meeting, with Twin Falls as host city this year.

Hal Wallington, who returned recently from a trip to Denver and Los Angeles, and A. W. Tinsell, president of the Chamber of Commerce who returned from a sojourn to Old Mexico and other points of interest, told details of their recent trips at the meeting.

Brandenberg Rites Directed at Gooding

GOODING, March 27 (Special)—Funeral services were held at the Thompson funeral chapel Thursday for Mrs. Ira Brandenberg, who died Tuesday. Rev. Theodore B. Matton of the Methodist church officiated and piano music for the service was furnished by Mrs. C. A. Reynolds.

A large number of friends attended the service including classmates of the children who were in school. Immediately after the service the husband and children left by train for Stuart where the final rites and burial will be held.

MRS. BORAH AND SISTER LEAVE ON HAWAII TRIP

SAN FRANCISCO, March 27 (Special)—Mrs. William E. Borah, widow of the late U. S. senator from Idaho, and her sister, Mrs. Max Luedemann of Portland, were here today to board a boat for Hawaii for a vacation trip. They sail Thursday on the S. S. Lurline.

Both women told interviewers they were "just gyping."

"We'll be back I don't know when when we're tired of Honolulu," she said to the interviewer.

The senator's widow said she was not certain whether she would make Washington her permanent home on her return.

Living where your friends are so likely to be sent to Washington and morning you get used to change," she said "so it wouldn't mean so much to leave Washington."

Couple Married

JEROME, March 27 (Special)—Lloyd Larsen and Miss Ruth Meyer, both Jerome residents, were united in marriage here March 21 by Probate Judge Heber N. Polkman. Witnesses to the ceremony were Mrs. Charlotte Robertson and Mrs. Myrtle Larsen, mother of the bride.

LIBERALS SCORE VOTE SWEEP IN CANADA ELECTIONS

INCUMBENTS OF MACKENZIE KING PARTY RETAINED

OTTAWA, Ont., March 27 (AP)—Prime Minister W. L. Mackenzie King's Liberal government swept the Dominion in Tuesday's general election, winning a new mandate from the people on its war policy, returns showed today.

The entire Liberal cabinet was re-elected to parliament; the leader of the conservative opposition, Dr. Robert J. (Fighting Bob) Manion, who favors intensifying the war on Germany, was defeated by Rev. Dan McVior, Presbyterian minister, in his campaign for a seat in parliament, and it was estimated the Liberal majority in house of commons would exceed the 121-seat majority of the last parliament, largest in Canadian history.

"Service Country" which ordered the election Jan. 25 after his government had been denounced by Conservative Premier Mitchell Hepburn of Ontario province and the Ontario legislature for "bungling the war effort," said in a radio address last night that his party's victory was "the highest possible service to the country at this time."

A service to Britain and France to those small nations whose freedom has been destroyed, threatened or imperiled.

Returns early today gave the Liberals 170 of the 245 seats in the house of commons; the Conservatives 35 and others, 23, divided as follows: Cooperative Commonwealth Federation, seven; New Democracy, seven; Liberal Progressive, three; Independent Liberal, three; United Reform, one; Independent, one; Deferred, one. Seventeen seats still were undetermined. In the old house, the Liberals had 169; Conservatives, 29; the minor parties the others. On that basis, both major parties had gained at the expense of the minor ones.

Toronto Conservative

Toronto as usual went almost entirely Conservative, but the result in Ontario province outside the city was still in doubt.

Liberal Quebec, on the other hand, backed the government wholeheartedly.

Communists won no seats.

The lone woman member of parliament, Agnes MacPhail, representing the United Farmers of Ontario-Labor party, was defeated.

The Socialist organization, Canadian Commonwealth Federation, won a seat in the Nova Scotia coal field area, the first time it had won an election in the maritime provinces. Manion's defeat in the Fort William, Ont., district, was a serious blow to the Conservatives. However, there was a slight chance that the snider-vote, to be announced April 2, might change the result. Soldiers abroad and at home have indicated in straw votes that they favor the Conservatives.

In Toronto, Hepburn refused to comment on the election, but observers here believed that the voting had weakened him politically.

Sweden is supposed to be the purest Nordic nation.

HINKLEY LAUDS AIRLINE TRAVEL

BALT LAKE CITY, March 27 (AP)—Robert H. Hinkley, chairman of the civil aeronautics authority, last night called American commercial airlines one of the world's safest forms of travel.

In a speech over a nationwide network from Salt Lake City, Hinkley quoted a telegram from President Roosevelt which said "The news that American commercial airlines have achieved 12 months without a fatal accident is indeed gratifying."

The chief executive asked Hinkley to "please extend my hearty congratulations to the civil aeronautics authority and America's airlines. The President praised cooperation between commercial aviation and the C.A.A."

Hinkley predicted 4,000,000 passengers a year for American airlines by 1942. The safety record established today came with carrying of 2,030,000 passengers during the last year, Hinkley said.

The C.A.A. chairman said gross revenue of American commercial airlines during the year was \$46,000,000.

SUIT SEEKS \$330 PAID TO GOSSETT

BOISE, March 27 (AP)—Suit was on file in Ada county district court today seeking to recover \$330 from C. C. Gossett of Nampa, former lieutenant-governor, for "overtime wages" paid following the 1937 legislature.

The suit was filed by Atty.-Gen. J. W. Taylor, acting on behalf of State Auditor Calvin E. Wright. The complaint also named Harry C. Parsons, Twin Falls, former state auditor, and his bondsmen, as defendants. Parsons drew the warrant to pay Gossett.

Taylor alleged the payment was made illegally since there was no constitutional provision for such action.

Henderson Heads Elks at Burley

BURLEY, March 27 (Special)—Jack Henderson, Cassia county treasurer, was elected exalted ruler of the Burley Elks lodge at their election meeting last week, taking the place of F. L. Hobson, retiring exalted ruler.

Other officers elected and to be installed April 3 are LaMar Craner, leading knight; Leslie Glenn, loyal knight; Murray Jensen, lecturing knight; R. K. Pence, secretary; Jack Smitol, treasurer; Aquilla Farr, Tyler. F. L. Hobson is delegate to the grand lodge this year with Harry Hester as alternate.

Lecturer Sees Hungary as Possible Warground; Urges Neutral Union

The little nation of Hungary "may be the battleground of the second World war," Dr. Nicholas B. Doman, speaker on the International Understanding series sponsored by the Rotary club, told an audience at the high school auditorium last night.

Dr. Doman is the third speaker to be heard locally. The series ends Tuesday night when another lecturer will be presented. Last night's speaker was introduced by Edward B. Rogel, principal of the high school. Opening the program was Bert A. Sweet, Rotary president.

Neutrality Dangerous

In making the declaration that Hungary may be turned into a battleground, the speaker said that "neutrality is dangerous in central Europe, as it means being between two fires and, whichever way a country may go, it will incur the wrath of either the allies or the Germans and Russians. For this reason Hungary may be the battleground of the second World war."

Rumania, Dr. Doman said, is in practically the same position as Hungary.

"The small countries hesitate in accepting a British guarantee, as it would be bait for the Nazis to invade them," he continued.

At the present time, he said, these small nations are selling Germany raw materials in order that they will not be invaded. Central Europe is the life of Germany.

Suggests Union

As a possible solution to the problem facing these small nations, he suggested a United States of central Europe.

"There are 65,000,000 people standing between the forces of the great powers and they can only protect themselves by incorporating their strength. If they stand alone they will be dismembered."

The event is held in honor of the founding of the organization in 1915. Since that time there have been more than two million Camp Fire Girls in the United States, England and other countries. Girls in the society celebrate the founding sometime in March.

STUDIO ARRANGES International Art Photo Displays
A nation of international photographers of the finest and the most varied the largest ever to be shown in Twin Falls, will be on display at the Jacoby studio, 130 Main avenue north, beginning Friday and continuing for one week.

Announcement of the showing was made last evening by Mrs. Jacoby at a meeting of the Magic Valley Camera club in the club rooms under the Wiley Drug company.

The camera club was given a complimentary invitation to attend and the public is invited. Fifty pictures from every major country in the world will be included, illustrating the various techniques employed by photographers. The showing is free.

A. E. McDonald, Gastleford, presented a program on the technique of color photography, illustrating slides with color 100 after in Kodachrome and Dufay color. The slides were of scenes in Yellowstone national park, Bryce canyon, Grand dan, Chicago and Washington, D. C., and the World's Fair in New York City.

Particularly significant were the 20 slides of the fountain in front of the French building at the World's fair, taken at night.

PATRIOTIC COLOR
While spring fashions definitely do not stress the military, patriotic colors are exceedingly popular in color collections. If not in color for a basic color, white and red will be smart accents. If one is of the vivid, dark-haired type, and red is the basic color, accent with blue and white.

Pioneer Celebrates 80th Birthday

Friends of Mrs. Hattie Crawford, resident of the Twin Falls tract since April, 1905, called throughout the day at her attractive country home to extend felicitations, this being her 80th birthday. Alert of mind, humorous, Mrs. Crawford is regarded as "a good neighbor." Asked about her hobbies, Mrs. Crawford said this morning, "Some people call them hobbies, but I call them 'hard work.' My pleasantest 'hard work' is maintaining my large flower garden." Her "hobby" fingers are usually busy with needlework, such as crocheting, when she isn't attending to her household and farm duties. The Crawford family came to Twin Falls from Maros, Ill., settling on the Twin Falls tract north of Piler, which was named for the "town back home."

Theater Group Names Play for June Production

Production of "Petitcot Fever" sometime in June will be the first play to be presented by the Twin Falls Community Theater association, it was determined at a meeting last evening at the country home of Mr. and Mrs. Tom Alford.

Troups will be conducted next week and Mrs. Alford will direct the production. Melvin Schubert reviewed "Petitcot Fever" and Don Work reviewed "Meet the Wife."

At noon a picnic luncheon was served. Mrs. Earl Skidmore assisted the hostess.

After eating, the girls made Easter eggs and held a parade. Prizes for the prettiest bouquet went to Estia Hays Pearson. Others winning prizes were Thirza Hull, Fay Oehlert and Barbara Johnson.

At the organization meeting Thursday at the home of Mrs. N. O. Johnson, guardian, girls elected as officers were Jean Skidmore, president; Thirza Hull, vice-president; Maurine Johnson, secretary; Ella Mae Peters, treasurer; Barbara Johnson, scribe; and Zelma Roberts, monitor.

OTYOKWA
Virginia Johnson succeeds Maurine Briggs as president of Owyhwa group of Camp Fire Girls after an election meeting Thursday at the home of Ruthann Hayes, with Doris Young as secretary.

Other officers are Shirley Greenhalgh, vice-president; Norma Jean Dinger, secretary; Maudie Robertson, treasurer; and Ruthann Hayes, scribe. Outgoing officers are Virginia McBride, Doris Gene Crawford, Virginia Johnson, Marge Robertson.

Four girls reported the camp birthday honors had been won for this year.

MEADOW LARK
Girls of the Meadow Lark group of Blue Birds held an Easter party Saturday afternoon at the home of Mrs. Pilsler. Numerous games and contests were played and an Easter egg hunt was held on the lawn.

Miss Harold Deagle read the girls a letter received from the Blue Bird group at Blue Birds in Idaho. Text of the letter was as follows: "The girls and their guardian and assistant guardian."

Next meeting will be Friday at 8 p. m. at parish hall.

OYACANZI
Planning for the future occupied members of Owyhwa group of Camp Fire Girls at the home of the guardian, Mrs. Edna Egan, Monday. A party was postponed until next week-end because of the weather. Refreshments were served making breakfast by holding up. Three guests were present.

AMATOLA
Nathalie Robertson won the prize, a chocolate toaster, at the Easter egg hunt held by Amatola group of Camp Fire at the home of the guardian, Mrs. Edna Egan, Saturday for young children. Each member brought a guest, called the Mrs. Egan. Each guest followed a string to the end to receive prize. Egg sales have started and with the child's name on them, were presented as favors with Easter candy.

LOCAL DELEGATION VISITS POCATELLO BPW

Miss M. Izetta Curtis, state president of the B.P.W. club, visited the local delegation of B.P.W. clubs; Miss B. Marie Aukerman, Mrs. Frankie Alworth, Miss Ray Smith and Miss Merle Newton attended a special meeting of the Pocatello B.P.W. club last evening at the Hotel Bannock, Pocatello.

Miss Alice Manning, Salt Lake City, chairman of the national legislative committee, was guest speaker. She discussed legislation of particular interest to B.P.W. members, and stressed the right of women to work, regardless of their marital status.

Shrine Presides At Dinner-Dance

COODING, March 27 (Special)—Wood River Shrine club members entertained their ladies at a dinner-dance at the Legion hall in Gooding Thursday evening.

About 100 couples enjoyed a turkey dinner and dancing throughout the evening to the Glen Hates orchestra. There were corsages and paper hats for the women and the hall was beautifully decorated for the occasion with crepe paper streamers, forming a false ceiling. Large balloons tied into clusters, Shrine banners and American flags.

President Lee Hill, Shoshone, welcomed the guests, introduced Harry Barry, Buhl, president of the Southern Idaho Shrine club, and Mrs. Barry, and introduced the committee who were in charge of the party. It was Robertson, Alex Watson, Fred Craig, E. B. Robinson, all of Gooding, and Ed Gooding, Shoshone.

St. Edward's P.-T.A. Plans Annual Dinner

Social highlight of the year for officials of St. Edward's Parent-Teacher association will be the pot-luck dinner April 30 at 6:30 o'clock at the parish hall. The dinner will be for all outgoing and incoming officers, committee chairmen and room mothers, it was announced at a meeting of the executive board last evening at the home of Mrs. Harry O'Halloran, Sixth avenue east.

Father H. E. Heitman, principal of St. Edward's school; Father James Brady, assistant pastor of St. Edward's Catholic church, and Miss Ann Heitman will be special guests at the dinner.

Lud Drexler, representing St. Edward's P.-T.A. on a special committee, distributed tickets for the ball benefit for the recreation center at last night's session.

Plans were made for the next meeting Tuesday, April 2, at 8 p. m. at the parish hall, when officers will be installed by Mrs. H. R. Burkhardt.

Arrangements also were made for St. Edward's participation in the reception and installation of P.-T.A. council members next Monday evening at the home of Mr. and Mrs. C. P. Bowles, Poplar avenue.

BAPTIST CLASS HAS REGULAR MEETING
The senior high school class of the Baptist Sunday school attended the regular monthly meeting last evening at the home of Mrs. George Warberg, Fourth avenue north.

Miss Vivian Brewer led the devotional. Three girls presented a short play, "The White Basket," included in the cast were Dora Jean Durbin, Louise Smith and Eva Collins.

Bob Barnett presided at the business meeting in the absence of the president. Plans were made to present a play at the evening services the last Sunday in April.

A social hour was followed by the serving of refreshments. Mrs. Roy E. Barnett assisting Mrs. Warberg in serving.

Nurses Feature Medical Symbols As Dance Trims

Decorations symbols of the nursing profession formed a background for the annual benefit dance at which the 2nd District Nurses association entertained last evening at the Elks hall, proceeds to go to the McCloskey Memorial health camp.

Two large clinical thermometers were suspended above the dance floor, and in one corner of the ballroom a garden scene was arranged, central figures being a registered nurse in a white uniform and a public health nurse in a dark service uniform.

Spring blossoms made the refreshment table attractive. Flowers of the season formed a bank before the orchestra platform.

Mrs. James Reynolds was general chairman of arrangements. Mrs. Harry Fovey and Mrs. Elizabeth Smith received the guests at the door. More than 100 couples attended the event.

Twin Falls district health unit nurses arranged the decorations, and the nursing staff of the Twin Falls county general hospital had charge of the punch table.

Will Wright's orchestra played the dance music.

First ward Relief society of the L. D. S. church will meet in the Relief society rooms Thursday at 2 p. m. Mrs. Ruth Johnston will be in charge of the social service lesson.

NEW LIFE — more than a change from fagged Winter oil when you change to OIL-PLATING

Winter takes the tuck out of your oil and puts in the grit. It's cheating yourself not to have that scotchiness most drained out. Change to clean oil at least—preferably to patented Conoco Germ Processed oil because that will promptly OIL-PLATE your engine. And the change to OIL-PLATING costs a plain oil-change at the same price by fastening lubricant up in the cylinders to stay PLATED up there—even while pistons move clear down—and while the car stands still for hours. That is, through all the millions of moments when the usual fluid oil-film goes draining down to the crankcase, your Germ Processed oil maintains constant OIL-PLATING—an extra inner lining of lubricant that's drain-proof.

You know the good of it when you realize that OIL-PLATED surfaces can't drain dry of lubricant during all the starts and runs you'll make this season with patented Germ Processed oil in your engine. Like chrome-plating keeping bumpers "wrapped away" safely from rust, OIL-PLATING keeps the far more valuable engine parts "wrapped away" safely from extreme wear. That is how to keep the life—and the oil—in your engine. Have Your Mileage Merchant OIL-PLATE it today with its recommended Conoco Germ Processed oil for Spring. Continental Oil Company

LOUIS AND PAYCHEK KEEP WORKOUTS SECRET

Champ's Handlers Refuse to Allow Leonard in Camp

NEW YORK, March 27 (U.P.)—Joe Louis and Challenger Johnny Paychek complete their training today for Friday night's little fight in an atmosphere of mutual distrust.

At Hamilton Lodge, N. Y., the Paychek camp is hilariously suspicious Louis isn't ready for the fight because Bomber Joe's trainer, Jack Blackburn, ousted Benny Leonard from the Greenwood lake establishment yesterday. Blackburn wouldn't let Leonard watch Louis box. Leonard is Challenger Paychek's special boxing instructor.

Meet Friday

At Greenwood Lake, N. Y., Blackburn said, "Sure I gave Benny Leonard the heave-ho. Why should he watch Louis train, when he won't even let the reporters in on Paychek's secret workouts? Why don't they let me come often and see what they're doing behind those closed doors?"

Welcome for Anyone

And the somewhat miffed Leonard said, "We'll be in to welcome Louis, Blackburn, or anyone from his camp at today's final sparring drill at today's final sparring workout. We have nothing to hide."

While Leonard was being given the "bum's rush" at Jolting Joe's camp, Challenger Paychek watched Louis of four bouts fights. And when the lights were turned on in Dr. Bier's old Revolutionary war house, Paychek said:

Fatigue of Knockdown

"I hope those pictures weren't kidding me. I hope they weren't Disney creations. I'm positive I'll put Louis on the floor at least once, and possibly knock him out. Anyway, I should win by decision with ease. Paychek went through his last secret workout yesterday, sparring with two mysterious heavyweights whose identities have not yet been revealed."

Meanwhile Louis was slated to complete his training today. Yesterday he went through four sessions with three mates.

Class A Teams to Start Bowling in ABC Tournament

DETROIT, March 27 (U.P.)—Class A teams monopolize the runways at the state tournaments tomorrow night for the first time in the current American Bowling Congress championships.

The regular quintets, replacing the "senior" teams which have been rolling the first few weeks of the tourney, include high class talent from Atlantic City, Seattle, Houston, Tex., and Regina, Sask.

STRIKES to SPARE With Fred Stone

A new season record for a single game in Commercial league was rolled last night when Johnny Wagner got eight strikes in a row for a 252 total his last game. That mark beat O. W. Cox's score of 246 which has held up for high single since before the first of the year in Commercial.

John had a 391 for high three games. Ray Frels was Del's best bowler with a 363. Ray also had their best and only 200 single, getting 201 his last game. Not another Del bowler reached the 200 mark.

Del's and Zip-Way broke even—two and two.

Dates Set for \$1,000 Utah Golf Tourney

HALT LAKE CITY, March 27 (U.P.)—A schedule of 13 dates for the 1940 season including the \$1,000 Utah Open golf championship at the Halt Lake Country club June 14-16, was adopted last night by directors of the Utah Golf Association tournament committee.

The open dates were selected to follow by one week the National Open golf championship and precede by seven days the Utah Open at Hole Committee members and this would enable top club champions of the Pacific coast to take in the Utah and Idaho events as they return from the Cleveland tourney.

The 1940 Utah schedule opens May 14-16 with the Utah Open. On May 27, the U. A. Open Club will be held on the Port Bonanza course. The International amateur golf tournament was slated for May 29 to June 2 at the Ogden Country club.

Expert Skiers Prepare for FIS Tourney

By WILLIAM MCENAMIN
SALT LAKE CITY, March 27 (U.P.)—Hanns Schroll, one of the world's leading downhill skiers, worked out today on slopes of the Wasatch range in preparation for the international FIS downhill and slalom championships to be held at Alta, March 29 and 31.

Schroll, who comes from Kitzbuehel, Austria, won the downhill and slalom of the 1936 nationals, silver slis in Paradise, Wash., in 1937 and 1939. He is the ski instructor at Yosemite, Calif.

Schroll was the first of the outstanding skiers to arrive for the classic that will top America's 1940 ski season.

Tom Matt Enters

Tom Matt, North Conway, N. H., holder of more records than any other ski racer in America, was expected to arrive today. He set two new records this year, one in the Hochengbrige, Franconia and the other in the wilderness race at Lake Placid. He won the national downhill title at Mt. Hood last year.

Dick Durrance, Sun Valley, former Dartmouth ace who won the Hartman trophy for the third time last week-end, has entered. He was ranked as the greatest of American-born skiers.

Other entries included Joe Wood, Woodstock ski run, Vt.; Harold Codrington, Sun Valley; Bob and John Yocum, Sun Valley, Calif.; California Cal a downhill champion; Steve Eichen, Salt Lake City; Alf Engen, Sun Valley, national here; Dick and Jimmie Champion for 1940, Martin Popp, Switzerland; Dave Quinny and James Howell, Salt Lake City; and Mac Messer, Logan.

Leading women's entries include Nancy Reynolds, Montclair, N. J.; Yocum's sister, Nancy Yocum; Elizabeth Woolsey, Stowe, Vt.; and Miss Jennings and Marilyn Shaw, Stowe, Vt.

Putting an End to Winter

Francis McLen, Baron, socialite from St. James, Long Island, was practicing the slalom course on Baldy mountain, Sun Valley, Ida., when something went wrong with his technique. Here's the result.

CCC Asks Use Of Shoshone Ball Diamond

SHOSHONE, March 27 (Special)—The Shoshone Chamber of Commerce met Monday night on the Mainstreet cafe. H. K. Pultzer gave an informal report on the Easter egg hunt sponsored by the chamber.

Lieut. T. C. Brett, commander of the Wood River CCC camp, was present and stated that his boys would like to have the use of the baseball diamond for the coming year, and if the material and carpenter were furnished, his camp could provide the labor to repair the old grandstand or build a new one.

The boys would be willing to volunteer to do the work in the evening or at other free time. A civic organization committee was appointed to investigate the proposition.

Lieut. Pultzer representing the chamber, arranged to be made so the CCC baseball team would not interfere with the town team players. He also brought up the question of a rural route for north Shoshone and stated that a petition was being circulated among the prospective voters and would be sent to Washington upon the securing of the required number of signers.

WPA Grant Held Up for Municipal Golf Course Here

Failure to get cooperation from Idaho WPA leaders today had resulted in a definite set-back of plans for the municipal golf course, it was announced here today by Councilman Paul R. Taber, who is handling the former Country club for the city.

Taber stated in an interview today that application for the WPA grant to aid in building greens and doing other work in landscaping had been made last January, but today the application was still being held in either the Buhl offices or at Boise—heads at each place claiming it was at the other awaiting some minor changes.

However, Taber was of the opinion that the difficulty would be ironed out and that the grant would finally be sent to Washington for approval so that the course renovation could be completed before the 1941 season rolls around.

Work Goes Forward

Meanwhile, work went forward in preparing the present layout for the current year's play and the official opening was scheduled for Sunday, March 31—with everything free. There will be no green fees charged that day and the public is invited to participate in the opening. Taber announced. The regular fees of 50 cents for Sundays and 35 cents for week-days will commence on Monday, April 1, and will then continue through the season.

Annual membership fees will be for sale at \$15 for any single player. Handling concessions for the year will be Kenneth Rayburn, who assisted Fred Stone in that department last year. He will have charge of the club house, will collect the green fees for the city and probably will act as caddy master.

Plan All Grass Greens

When, and if, the WPA grant goes through it is expected that all grass greens will be laid for the full nine-hole course and piping will be put underground for watering of the greens. However, before such a start would be made it is probable that a professional would be brought in here to make a more satisfactory lay-out and improve obstacles on the course.

Despite rumors to the contrary, there is no present plan to install a golf professional for the current season, Taber said, although several applications have been received.

Warm air, steam heating systems, flgs, sheet metal, Detweller's, adv.

Practice for School Golf Squad Starts

A Twin Falls high school golfing team was in the process of formation today with Ed Rogel, high school principal, acting as coach.

The squad, which already has eight members trying out for berths on the regular club, is holding workouts in the high school gymnasium and will have a regular morning session each Saturday at the municipal links, Rogel announced.

Left from the squad that won the state school championship at Boise last year are Pat Wallace, Mel Hubbert and Don Tolson, all excellent junior club swingers.

"We're looking forward to another good team this year and would like to schedule contests with schools from the surrounding schools," Rogel stated.

If present play goes forward, it is probable that after-school sessions will be added on the golf links when the weather is agreeable, supplementing the current skill sessions being staged indoors.

Carl says his arm operation of a year ago was a complete success... but allows that the years are adding up on him... He'll be 37 in August... Figures on pitching every five or six days this summer.

Surprise to Critics: In the outfield for a week... he's playing out there as though he likes it... gets a surprisingly fine jump on a fly ball... Meanwhile Rudy York is getting out under criticism at first base... It may be that Del Baker thought of something real smart... Joe Williams rates a bow for his work in connection with the Tampa All-Star game... In one day at Hialeah he raised \$2,000 for the fund... a figure that boosted the Tampa take above \$20,000.

Grand: Mike Kelley is enjoying his springing vacation this year... enjoyed the most successful season last year... broke the Minneapolis box office records... and sold more than \$100,000 worth of ball players... Mike is very high on George Fofah, the shortstop he sold to Washington and can't understand why the critics are complaining about his arm.

Best Bookie Shortstop: Mike says they had better shortstop in the American Association last year than they had in the National League. He was Fofah, "The West" Reese, sold by Louisville to Brooklyn, and the Yankees' Tony Rintzo at Kansas City... and says the kid the Cubs took from Columbus, named Bob Sturgeon, will be the best of them all... Caviar on toms, no less.

What do the Cardinals think they are doing?... Here's a team thought to be good enough to win the National league pennant... Why aren't they playing the men who can win it for them... getting them ready?... They aren't they're playing all the Class C and D ballers they have in their organization... none of whom will be with the club after the first of May.

Albion Boxers Score Wins in AAU Tourney

BALT LAKE CITY, March 27 (AP)—Following a solid evening of furious action during 42 amateur bouts, Albion remained on hand today for second round boxing in the Inter-mountain A.A.U. boxing tournament at Salt Lake's McCullough arena.

There were 25 bouts altogether last night and they presented boxing in all its variations. Features of the evening was the battle between Harold Jardine, Salt Lake City, and Dick Losser, Murray, in the 135-pound class that Jardine finally won on a decision.

Results of other bouts in the senior division included Jack Bodin, Albion Normal, technical knockout over Marlon Brady, Ephraim, first round, 118 pounds; Fred Taylor, Albion Normal, technical knockout over James Gibson, 135; George Gillette, Idaho Southern, technical knockout, Russell Smith, Utah State, 141 pounds; Mack Striker, M.D., technical knockout over Lambert Cedar City, 147; Carl Richardson, Albion, technical knockout, Lomar Smith, Salt Lake, 147; and Dick Dickerson, Pocatello, technical knockout over John Pizich, 154.

In the junior division, results included Rulon Myers, Provo, high technical knockout over Willford Taylor, Salt Lake City, third round, 128-pound class; Merle Heworth, Albion, three-round technical over Pat Brannagan, Cooben, 126.

Dietrich, Wendell Fight Teams Meet

WENDELL, March 27 (Special)—Dietrich and Wendell teams will invade Wendell tonight for the last home bouts of the season, it was announced today by William A. Doering, local fight coach.

The visitors will be bringing to the local ring some of the best talent in the state, including Al Simmonds, Humphries, 100-pound state champion.

Next week the Wendell team gives Dietrich a return match on April 2 at Dietrich.

In the last series of bouts here the Wendell team scored a 6-2 decision over Shoshone.

SHOSHONE

Mrs. Anna Broman came Saturday from Greeley, Colo., to visit with her daughter, Mrs. Fred Gwin, Heralch McKenzie and Ira Boesiger, both of North Shoshone, on a marriage license at the county courthouse Saturday. They were married the same day by Father J. Lambert.

Mrs. I. C. Wilken and daughters and Mrs. Lena Carey left Friday for Lewiston to visit over the holidays. Mrs. Wilken's mother, who has been visiting here the past few weeks returned with them.

OAKLEY

Mrs. Charles Burns, Ogden, visited at the home of her parents, Mr. and Mrs. J. J. Simmonds Saturday and Sunday.

Mrs. Edna Simmonds, daughter of Mr. and Mrs. J. J. Simmonds, was married last week to Elyer W. Runderick. She is a railroad employee at the union depot in Ogden. Miss Simmonds had been working in Ogden for several months. She was found in a car at the home of her brother-in-law and sister, Mr. and Mrs. Charles Burns.

Ray Mearns has been ill for several days, but is reported better. Kevin Lee is evidently ill.

Mrs. James Merrick is still quite sick. Mrs. Harry Merrick is employed at the home to care for her.

Business School Sponsors Ball Club

Twin Falls Business university will sponsor an independent baseball team this year. It was announced today, following a meeting held Monday.

The club will have its first practice at the outdoor field on the afternoon at 2:30, according to James Holshway and James Davis, business managers.

They announced that the team would like to schedule games with other clubs from throughout this district and the TFFU club will play a full schedule.

Mac Can Find No Signs of Louis Nearing End of Career in Ring

BY HENRY McLEMORE
DAYTONA BEACH, March 27 (AP)—Joe Louis' fighting? This question has been put on me by many people in many states, particularly since the champion's 15-round engagement with the bantamweight, Arturo Godoy.

It is a natural question, because the time has come for him to slip, according to the million people by a study of the heavyweight champions of the past, the average champion held the title less than four years. Joe will have retained three years this coming June unless Johnny Paycheck defeats him in Madras, Bowers Garden next Friday night.

My answer to this question has always been in the negative. He has made nine defenses of his title to date, and I have seen all but one or two of them. Unless I receive even less reliable news, I think I do, I have never detected any serious signs of deterioration. He has had his moments, of course, when his hitting wasn't as sharp as usual and his mobility left something to be desired. But

such times come to all athletic champions.

Perhaps the three fights that started people wondering how much longer Louis would last were his fights with Tommy Farr, Tony Galento and Arturo Godoy. For some reason or another these bouts left the citizenry with the feeling that he just might suffer a killer blow. On us, they had the opposite effect. I thought Joe was a tremendously effective boxer against Farr, and I saw the Weichman but three rounds. Against Galento he rose from the floor after being felled by one of the hardest hitters the game has produced, and went on to finish his man in the fourth round.

It was in California, when I fought today, but I saw the picture and nothing the camera records can ever cause to believe he was beaten or even in danger of being beaten. I thought he adjusted himself to the situation of being felled by a combination of blows and ate amazingly well. Boxing follows in general as

Mack Looks to Pennant Days In 1941 or '42

By ED CONKLIN
HOLLYWOOD, Calif., March 27 (AP)—It may take a year and it may take more, but Connie Mack says his Philadelphia Athletics are heading back up the ladder for a crack at the American league pennant.

Mack isn't the man who tosses off superlatives without backing them up, so when he declares his 1940 squad is headed for better days he commands attention and respect.

"I really don't expect to advance much in the league this year considering our past seasons," he said. "But I will say that this young team is coming fast and we should hit top speed either next year or in 1942."

77-year-old Mack is molding a combination of the old and the extremely new into a tight knit club for the future.

"Naturally it's a long pull, climbing up the stairs after being down, but we mean business and with all these fine new players with the club well, the future looks rosy," he said.

The most costly repair job to the team is young Benny McCoy, whose services cost the A's \$48,000 in the open market after he had been declared a free agent. He is a regular at second.

The stock Mack puts in his newcomers and his intentions of having a seasoned club when the time comes to turn on the heat is evidenced by the regular call that Bill Lillard, up from Baltimore, gets at shortstop and the right fielder third base between Al Rubeen from Atlanta and Al Brancato, of Williamsport, Penn. However, third is still a doubtful position with Dan Lodigiani and Joe Gantenwin both having strong bids in for the job.

Belgar First: Dick Sobers will be back at first after having been retarded by an injury last year and veteran Frankie Hayes, an excellent power, handles the catching, with Earl Brucker ready to do relief.

The most serious problem is the flight hurler in sight, George Carter, who won nine and lost nine last season, tops the veterans with a record of 11 in minors—Elin Hogsett, John Babich and Ed Hauser.

The outfield talent comprises the A's best offensive asset in the hands of Johnson and Sam Chapman the regular trio with the reserves topped by Al Simmonds and Wilson Miles.

Cage Coaches Will Discuss Rule Changes

KANSAS CITY, Mo., March 27 (AP)—The nation's basketball coaches gathered today to find a place for the "little man who isn't there"—the runt who must sit on the sidelines and watch the tall boys take the glory.

There isn't much of a chance under present rules, they say, for a short fellow to play on a college basketball team. The same places too much emphasis on height.

The most widely discussed rule change advocated by many coaches, is the raising of basket levels from 10 to 12 feet and increasing the diameter of hoops from 18 to 20 inches.

The coaches will attend a three-day meeting of their national association, which precedes the annual meeting of the National Collegiate Athletic association rules committee. The rules committee will meet Friday through Sunday to make all changes in collegiate regulations of the game for the coming year.

Also meeting in conjunction with the coaches is the national collegiate officials' group which will hold their day session on Friday and Saturday.

Dr. Forrest O. Allen, a member of the rules committee and coach at the University of Kansas, is one of the staunchest advocates of 12-foot baskets.

Falconi Signs to Play Outfield For Spokane Club

SPokane, Wash., March 27 (AP)—The outfield roster of the Spokane Indians will be strengthened by the signing of former Twin Falls, Idaho, player, Falconi had been a holdout until club officials granted him a substantial salary increase.

DEBATE TOURNEY TEAMS SELECTED

Four teams which will represent Twin Falls high school in the northern Idaho district debate tournament in Albion Thursday have been named today by Gerald Wallace, coach.

Affirmative teams will be Harry Benoit and Dan Mendenhall, George Thompson and Harvey Hill. Negative speakers are Bob Blanford, Brice Evans, John Mills and Bill Bergen. Opposition is composed of Neal W. Nash and the Albion State Normal school. Following the tournament, a new round table discussion is planned.

Winner of the district tourney will go to the state meet in Moscow, April 12 and 13.

At Washington, U. S. District Judge C. C. Smith ruled that labor organizations do not enjoy any "blanket exemption" from prosecution under the anti-trust laws.

Europe Schools Compared With American Plan

Schools in central Europe formed the basis for a talk to Twin Falls high school students yesterday afternoon by Dr. Nicholas H. Dougan, Budapest, Hungary, third of the speakers sponsored by the Henry Institute of International Understanding.

He compared schools in Europe with schools in this country, and told students of the gymnasium, corresponding to junior high school, senior high school and the first two years of college in this country. Examinations are given at the completion of each grade, and students must pass the test before going on.

He stated that an advantage in these schools is that students must work harder, but added that the institutions are run like dictatorships.

Traditional Flavor Will Enrich H.S. Comic Opera

By MARGARET ELSWORTH

Poking fun at the English courts in the lines, at Italian opera in the music and at the ballet and grand opera dancing in the dances, "Trial by Jury," comic opera by Gilbert and Sullivan, will be presented in true traditional style when Twin Falls high school students sing it Friday evening in the high school auditorium.

It will be given during the second hour of a program which also includes a spring revue of costumed singing and dancing numbers by the girls' glee club and a musical expert Director.

Director of the opera, Miss Margaret Albertson, studied at Northwestern university under Ida Bach, who had been since childhood a member of the European Oldly comic troupe which for many years has presented Gilbert and Sullivan productions in authentic traditional style. It has been touring in America since the last war, and she appeared in the "Mikado," doing all chorus work.

During her course under Miss Bach, Miss Albertson made a thorough study of "Trial by Jury," and the Twin Falls students will follow the traditional manner of presentation.

Written in typical Gilbert and Sullivan style, the only one of their works to be entirely in singing, "Trial by Jury" presents a slough of promise just before an unexpected change and a surprising turn.

Two-Plane Offering

During the first half of the program, one of the attractive numbers will be a two-plane presentation by Miss Albertson and Miss Lucille Norell of "Thapsalus in the Air," by George Terbach, which was ridiculed when it first was written for Paul Williams' orchestra in 1926, but which now is regarded as one of America's best contributions to modern music. They will also play Duke Ellington's "Sophisticated Lady."

Included in the same one of these numbers, in modern American color, will be Mildred Jennings' "The Ballad of the Fool," and a tapping chorus.

Old Spain

In a glimpse of present Spain, Mollie Bottner, Mollie and Della Baker, soprano, will play and sing, as a group of Spanish dancers, dances of "Big Juan."

Little Fire club will sing "Johny's" and "Merry Mary" with a dance interpretation for the last scene closing with singing of the first club theme song, "Memories."

Two casts for the principal parts will sing in the opera. One cast will present a mature but young school students and another will give the performance by the public Friday evening.

Spring Revue

Members of the girl club, who will present the spring revue, are Mollie Bottner, Mollie and Della Baker, soprano, will play and sing, as a group of Spanish dancers, dances of "Big Juan."

WPA BUILDS UP ROADS IN IDAHO

BOISE, March 27 (UP)—Dean W. Miller, state WPA administrator, reported today 2,800 miles—one-tenth of all highways roads and streets in the state—have been built, reconstructed or improved by works projects laborers in the last four and one-half years.

In addition to roads and streets, the largest other classification of projects were construction of airports, airways and other transportation facilities. There were four new airports and building built for new runways totaling 29,749 feet.

The figures were taken from the list of a series of projects being made by WPA accomplishments, Miller said.

Motorist Fined

JEROME, March 27 (Special)—W. J. Gill was arrested this week by a number of the Idaho state police of his district on charges that he operated an automobile on the highway after dark without proper clearance.

Gill appeared and pleaded guilty before Justice of the Peace E. G. Houston, who assessed him a fine of \$5 and court costs of \$3.

CLEAN-UP

Workers participating in the annual spring clean-up campaign had entered zone two in the drive today, having completed operations in zone one last night.

Records show that 74 truckloads of trash and debris were hauled out of zone one to the city dumps during the two days the trucks worked that area.

Today the trucks were operating in that portion of the city lying east of Blue Lakes boulevard between Kimberly road and Heburn avenue.

Thursday they invade the second part of zone two, all that territory lying north of Addison avenue between the city limits on the east and on the west.

Boat Stops Trolley

PHILADELPHIA (UP)—A local street car motorist blunked his eyes in astonishment and then hastily applied the brakes. On the tracks, which are just about three miles from either the Delaware or the Schuylkill river, was a motorboat. Traffic piled up, but within a short while the boat's owner returned and moved it into a show-room.

Warm air, steam heating systems, plumbing, sheet metal, Detweiler's—adv.

SOLOM PREDICTS NO THIRD TERM

LOS ANGELES, March 27 (UP)—Sen. Arthur W. Cramer, Montana Democrat, said today he was certain that President Roosevelt would not seek a third term.

"I have never believed he would run for a third term and I am more convinced of it now than ever before," he said on his arrival in Los Angeles with his wife and 14-year-old daughter, Marian.

Commenting on his own possible candidacy, Wheeler said he "was definite."

"But I have no campaign money or political organization," he added. "Asked if he would consider the vice-presidential nomination, he said he would rather be just the senator from Montana than vice-president."

The senator and his family are in Los Angeles for the marriage of his son, John L. Wheeler, to Hester Albrecht, Beverly Hills, today.
