Testimony of Dead Pair Highlights Murder Trial

By O. A. KELLER

Testimony of two men — both dead — featured at today's session of the Duncan murder trial.

The testimony was that of Art C. Parker, deputy sheriff of this county at the time of the first murder trial in December of 1938 and later sheriff, and Craig T. Bracken, former patrolman on the city police force.

Dunn objected only "mildly" when the reading of Bracken's testimony into the records of the present trial started Saturday afternoon and continued this morning. But when Robert W. Beckwith, assistant attorney general for Idaho and member of the prosecutor's staff of Edward Sabcock, asked authority to read Parker's testimony, Dunn objected strenuously and until he could present his reasons to the court, the jury was excused.

Dunn told the court that the objection had not been raised to a vigorous point on Bracken's testimony being read into the records because he was the only witness to the things he testified about. As to Parker's testimony, however, Dunn said that three other persons, Patrolman Robert Winterholler, Lee McCracken and also Chief of Police Gillette, "know all there is to know about what Parker said and did."

Parker Overruled. Judge James W. Porter overruled the objection, the jury was brought back into the courtroom and the proceedings started again with Beckwith reading Parker's testimony into the records.

It was Parker who, while in the basement to which access was had from Johnston's diamond shop, discovered the bodies of the two men. He was "making his fingers back and forth" on the gravel in a broken place in the basement sidewalk when he fell a towel. He called to McCracken and Gillette and took them the bodies out. It contained the bodies and the ear keys. Also in the gravel was found a Johnston diamond shop envelope containing the two rings.

Bracken was the officer who placed Johnston under arrest in the basement of the shop. On May 2, 1938, a few minutes after 9 a. m. Johnston had discovered him hiding there. At that time, according to the testimony read today, Bracken said: "Well, Dunce, they put me down here to watch you." Bracken had said that he held a gun on Johnston because "I considered him a man who could be dangerous."

Witnesses taking the stand for the prosecution this morning included Winterholler, who was recalled from Saturday; and Kenneth Barclay, city patrolman.

Winterholler, returning only briefly, identified a picture of a portion of the interior of the Johnston shop as one he had taken.

Each of the state's key witnesses, testified as to his finding two account books and also a cash register in the Johnston shop. The state contends that one book shows a payment of over \$700 to the Decker Jewelry company of Salt Lake City, the other to the Decker Jewelry company, which does not. Both books, they contend, are identical with the one in the possession of the jewelry company. The register also, the state contends, is identical with the one in the possession of the jewelry company.

Major Items of State Evidence

Placed above are two of the state's principal items of evidence in the Duncan murder trial now being heard in district court before Judge James W. Porter. At the top is the Gold 25 automobile which the state contends was used by Johnston to murder George L. Olson, a Salt Lake City jewelry salesman, in May of 1938. Attached to the gun by a wire is the full clip which was in the weapon when found by the late Art C. Parker in the basement in which Johnston had access under his jewelry store. In the lower picture is a portion of the \$18,000 in rings (retail value) which the state contends were also found in the basement. Diamond rings are shown in the above portion of the photo and cameo rings below. (Times Photo and Engraving)

Is Ogden Weakening or Is It Just April Fool?

Maybe Ogden's raid on southern Idaho's own slogan, Magic Valley, has gotten a death blow, and maybe it hasn't.

This is April Fool's day, so probably it hasn't.

E. J. Pfeiffer, secretary of the Ogden Chamber of Commerce, telegraphed a reply today to the "Ogden" and "Saturday" by the conductor of Pat. Shota, humor columnist in the Idaho Evening Times. He said Ogden's Magic Valley has been given a death blow. But he added "April Fool."

On the serious side of the proposition over the slogan, however, Pfeiffer hadn't yet received the Twin Falls Chamber of Commerce letter of opposition. This letter was in all sections. More confidence of the same type are expected to emanate this week from other Twin Falls organizations.

The Pat. Shota message was in a humorous vein, warning Ogden that "Wag" depends it the chief of the Magic Valley slogan isn't abandoned. The wire also informed Ogden that Magic Valley isn't ready yet to expand and take in Utah's second-rate slogan.

Here's the telegraphic reply received from Mr. Pfeiffer:

"Prepare your arms for combat.

FDR POSTPONES TRIP TO GEORGIA

WASHINGTON, April 1 (UP)—President Roosevelt today postponed the plans for a holiday at Warm Springs, Ga., to permit complete recovery from influenza.

The White House said Mr. Roosevelt will not expect to go to Warm Springs about April 15, instead of immediately as he previously planned.

Dr. Ross T. McIntire, White House physician, informed Mr. Roosevelt that it might be wiser for him to change his mind and not by going to Georgia at this time.

SOON DEMANDS INVESTIGATION OF GERMAN REPORT

WASHINGTON, April 1 (UP)—Rep. Hamilton Fish, R. N. Y., today introduced a resolution calling for a five-man house investigation of the German white house, which quoted American diplomats as informing the Polish government that the United States would assist in war against Germany.

The resolution provided for a report to the house within 30 days.

It directed "particular reference to statements alleged to have been made by Ambassadors (William C.) Bullitt and Joseph P. Kennedy during the peace, safety, interest and neutrality of the United States, and in violation of official duty, the honor of our country, the spirit of the constitution, the practice in our diplomatic service, and the regulations established by the state department."

Should be Investigated. Bullitt's and Kennedy's views were quoted in reports alleged to have been made to Polish diplomats before the war began.

"I cannot conceive the German foreign office should fabricate or force documents, as it is certainly in the interest of the German government to maintain successful relations with us," he said.

No Recall Feared. "Congress has no power to recall or dismiss any official in our foreign service. It may investigate the conduct of any such public officials or any improper or inflammatory speeches or statements made by them that might involve us in foreign entanglements or wars. Congress may censure such diplomats or lay down rules for their guidance, but cannot force them to resign."

"If, upon investigation, the facts warrant impeachment of an American ambassador or minister, or even of the President, for making secret commitments that might involve our neutrality and involve us in war, then it is the duty of the house of representatives to initiate impeachment proceedings."

U. S. DIPLOMATS CALLED CRIMINAL

BERLIN, April 1 (UP)—Diplomatic and Political Correspondence, organ of the foreign affairs office today viciously attacked American diplomats in Europe, as alleged in documents published in an official white book Friday.

The book was "dangerous and even criminal."

Joining the press campaign against the alleged activities, the publication said in an editorial outlet for foreign office views, said: "The manner of dealing of these American amateur diplomats is all the more reprehensible in that it is diametrically opposed to the standpoint at home that is, in the United States, is that (American) neutrality law must have been followed."

"The willingness of these representatives, which cannot be expressed solely in terms of indignation, and which has caused irreparable damage to Berlin in the past, remains a factor with which foreign nations and to the American people must reckon."

Newspapers generally continued to dignify indignantly the allegations in the white book which the foreign office published as representing diplomatic papers found in the German occupation.

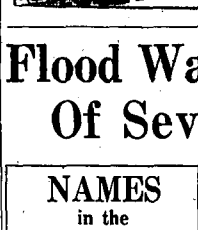

Vauckner Brodtkorb, official newspaper organ of the Nazi party, said in an attack on William C. Bullitt, American ambassador to France.

TRADE

BOISE, April 1 (UP)—Members of the Valley View Grange have offered their support to sponsors of the state sales tax initiative under terms of a "preliminary trade agreement."

In a resolution the Grangers said they would support the initiative by the Education association to drive for petition signers if the association reciprocates by supporting the initiative to provide pensions for incapacitated, aged, indigent Grangers.

THE CENSUS

TOP VICTIMS TO BE COUNTRIES IN NORTHERN AREAS

By JOE ALEX MORRIS
United Press Foreign News Editor

The allied powers prepared today for a real test of Adolf Hitler's claims that Germany is "blockade proof."

Their objective, it developed in the wake of last week's supreme war council at London, will be a "total blockade" for the time being rather than the long-feared "total war." The chief victims appeared likely to be the neutral states of Europe.

Winston Churchill, first lord of the admiralty, declared that the allies have no desire to spread the war and that they would like to see the war end as soon as possible. He also said that the allies would take a passive attitude toward Russia if the Soviets want to play ball.

On the surface, at least, that attitude would mean success for Hitler's efforts to secure the military phase of warfare to the western front and the North sea.

The allies apparently believe that the German-Russian-Italian bloc can afford to wait until the blockade drives the Nazis to some desperate act that will open the way for a final assault and the final victory.

Hitler became that desperate act, give the allies the opportunity to strike back. The allies would be in a position to strike back.

Accepting the possibility of a total blockade, it appeared likely this policy would result this spring in only enough fighting of a spectacular character to "test" the public and parliamentary demands for action on the battlefield.

The allied strategy, it was indicated, will be to bring increasing pressure against the small neutrals adjacent to Germany in order to persuade them or brow-beat them into cutting down their trade with the reich. One method will be to offer higher prices for Balkan supplies than the neutrals can meet.

At Moscow—which has done little to encourage Mass claims of an impending German-Russian-Italian bloc to protect the reich's Balkan flank—the Russian parliament met to approve a budget before the end of the month. The budget provided for 10,000,000 roubles—a figure that defies accurate translation into dollars but might arbitrarily be put at \$11,400,000.

Three Men Seek Utah Senate Job

SALT LAKE CITY, April 1 (UP)—Three men today had definitely thrown their well-honed hats into the ring for the job of senator from Utah in this fall's election.

While the men are seeking the Democratic nomination—the incumbent, Sen. William H. King, and Abe Murdock, new representative from Utah's first congressional district.

CRASH KILLS FEMINE PILOT, FOUR CHILDREN

SEATTLE, April 1 (UP)—The civilian aeronautics authority today began an inquiry into a plane crash that killed Miss Cora Sterling and four children also was flying as a private pilot.

The plane was flying over the city of Seattle and crashed near the city's traffic violations bureau. The pilot, Miss Sterling, was believed to have been the cause of the crash. She was believed to have been flying a plane in the city.

Two of the men are seeking the Democratic nomination—the incumbent, Sen. William H. King, and Abe Murdock, new representative from Utah's first congressional district.

The other candidate is William H. King, an independent. John U. W. Smith is the candidate for Utah's first congressional district.

Testimony of Dead Pair Highlights Murder Trial

Major Items of State Evidence

By O. A. KELKER

Testimony of two men — both dead — featured at today's session of the Duncan McD. Johnston re-trial over concerted objections made by W. L. Dunn, chief defense attorney.

The testimony was that of Art C. Parker, attorney-at-law of this county at the time of the first murder trial in December of 1938 and later sheriff, and Craig T. Bracken, former patrolman on the city police force.

Dunn objected only "mildly" when the reading of Bracken's account into the records of the present trial started Saturday afternoon and continued this morning. But when Robert W. Beckwith, assistant attorney general for Idaho and member of the prosecutor's staff of Edward Bracken, asked authority to read Parker's testimony, Dunn objected strenuously and as a result, until he could present his reasons to the court the jury was excused.

Dunn told the court that the objection had not been raised to a "vicious point on Bracken's testimony being read into the records because he was the only witness to the things he testified about." As to Parker's testimony, however, Dunn said that three other persons, Patrolman Robert Winterholler, Lee McCracken and also Chief of Police Clifton, "know all there is to know about what Parker said and did."

Former Overlook Judge James W. Forrer overruled the objection. Bracken was brought back into court and proceedings started again with Beckwith reading Parker's testimony into the records.

It was Parker who, while in the basement to which access was had through the back door of the house, discovered what the state contends is the murder gun, the keys to George L. Olson's car and also a wedding ring. Olson's car was charged with Olson's murder "on or about" Jan. 31, 1938.

Witnessing the testimony of the late Sheriff Parker, given at the first murder trial and read again into the records of the present trial, he was "raising his fingers back and forth" over gravel in a broken piece in the basement sidewalk when he felt a towel. He called to McCracken and Clifton and then took the towel out. It contained the gun and the car keys. Also in the gravel was found a Johnston underwear envelope containing the two rings.

Placed Johnston Under Arrest Bracken was the officer who placed Johnston under arrest in the basement of the shop on June 2, 1938 a few minutes after 9 a. m. Johnston had discovered his hiding place. At that time the testimony read today, Bracken said: "Well, Dunn, just let me down here to watch the trial. I had said that he held a gun on Johnston because I considered him a man who could be dangerous."

Major Items of State Evidence

Pictured above are two of the state's principal items of evidence in the Duncan McD. Johnston re-trial now being heard in district court before Judge James W. Forrer. At the top is the Colt .25 automatic which the state contends was used by Johnston to murder George L. Olson, a Wall Lake City jewelry salesman, in May of 1938. Attached to the gun by a white clip which was in the weapon when it was recovered in the basement. Diamond clips are shown in the above position as found by the late Art C. Parker in the basement to which Johnston had access under his jewelry store. In the lower picture is a portion of the \$18,000 in rings (retail value) which the state contends were also found in the basement. Diamond clips are shown in the above position of the photo and came rings below. (Times Photo and Engraving.)

Is Ogden Weakening or Is It Just April Fool?

Maybe Ogden's raid on southern Idaho's own slogan, Magic Valley, has gotten a death blow — and maybe it hasn't.

This is April fool's day, so probably it hasn't. E. J. Fjeldsted, secretary of the Ogden Chamber of Commerce, telegraphed a reply today to the "Magic Valley" anti Saturday by the conductor of Pot. Blot, humor column in the Idaho Evening Times. He said Ogden's Magic Valley has been given a death blow. But he added: "April Fool."

On the serious side of the proposition over the slogan raid, however, Fjeldsted hadn't yet received the Twin Falls Chamber of Commerce letter of opposition. That letter was in all seriousness. More resolutions of the same type are expected to emanate this week from other Twin Falls organizations. The Pot Blot message was in a humorous vein, warning Ogden that "war" impends if the threat of the Magic Valley slogan isn't abandoned. The wife also informed Ogden that Magic Valley had already been taken up and taken in Utah's second-largest city. Here's the telegraphic reply received from Mr. Fjeldsted: "Prepare your arms for combat."

SOLOON DEMANDS INVESTIGATION OF GERMAN REPORT

WASHINGTON, April 1 (U.P.) — Rep. Hamilton Fish, R., N. Y., today introduced a resolution calling for a five-man house investigation of the German white book, which quoted American diplomats as informing the Polish government that the United States would assist in war against Germany.

The resolution provided for a report to the house within 30 days. It directed "particular reference to statements alleged to have been made by Ambassador (William C.) Bullitt and (Joseph P.) Kennedy endangering the peace, safety, interest and neutrality of the United States, and in violation of official duty, the laws of our country, the spirit of the constitution, the practice in our diplomatic corps and the regulations established by the state department."

Should be Investigated Bullitt's and Kennedy's views were quoted in reports alleged to have been made by Polish diplomats before the war began.

Fish said the charges in the German white book should be investigated "in all fairness to President Roosevelt and our ambassadors in Europe."

"I cannot conceive the German foreign office should fabricate or force documents, and certainly in the interest of the German government to maintain peaceful relations with us," he said.

"Congress has no power to recall or dismiss any official in our foreign service. It may investigate the conduct of any such public officials or any intemperate or inflammatory speeches or statements made by them that might injure our interests in foreign engagements or wars. Congress may censure such diplomats, or lay down rules for their guidance, but cannot force them to resign."

"If, upon investigation, the facts warrant impeachment of any American ambassador or minister, or even of the President for making secret commitments that might jeopardize our neutrality and involve us in war, it is the duty of the house of representatives to initiate impeachment proceedings."

U. S. DIPLOMATS CALLED CRIMINAL

BERLIN, April 1 (U.P.) — Diplomatic and Political Correspondent, organ of the foreign office, today accused the actions of American diplomats in Europe, as alleged in documents published in an official white book, today, had been "dangerous and even criminal."

The publication of the press campaign against alleged activities of the journal, which is an unofficial outlet for foreign office views, said: "The manner of dealing of these American diplomat is all the more incomprehensible in that it is diametrically opposed to the spirit of the American people, and the neutral law must have led them."

"The willingness of these representatives, which cannot be excused solely on the grounds of diversion, and which has caused unending damage to Berlin in the past, is a disgraceful act," the article said. "The American people must not be deceived by the propaganda of the American press."

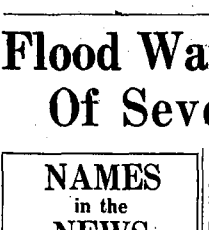

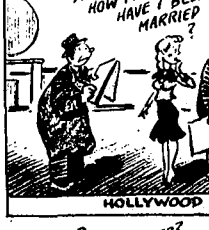

Newspapers generally continued to attack the alleged activities in the white book which the foreign office published as representing diplomatic papers found in the Polish archives in Warsaw after the German occupation.

Voelcker's brochure, official newspaper organ of the Nazi party, centered its attack on William C. Bullitt, American ambassador in France.

LICENSE NOT RENEWED BOISE, April 1 (U.P.) — State Insurance Commissioner T. M. Walcott said today that the license of the late Earl W. Warner, Twin Falls, who died last week, had not been renewed. The license fee, he said, is \$10.00.

DEATH IN 'THRU' INCIDENT BALT LAKE CITY, April 1 (U.P.) — Dudley Bowers, 20, University of Idaho student, was injured fatally today by a truck. He was struck by a truck as he crossed a street. He was taken to the hospital but died before he could be moved.

TOP VICTIMS TO BE COUNTRIES IN NORTHERN AREAS

By JOE ALEX MORRIS

The allied powers prepared today for a real test of Adolf Hitler's claims that Germany is "blockade proof."

Their objective, it developed in the wake of last week's supreme war council at London, will be a "total blockade" for the time being rather than the "soft" blockade of "total war." The chief victims appeared likely to be the neutral states of Europe.

Reluctance of the British and French to attempt at present to force a new front against the attack on Germany emerged clearly over the week-end if the words of allied spokesmen can be taken as they are. It is believed that the plan is to force the Germans eventually to open up a new war front.

Winston Churchill, first lord of the admiralty, declared that the allies have no desire to spread the war and that they would like to operate on good terms with Italy and Japan. They would, he added, like to see a new world order emerge from the wreckage of the old.

On the surface, at least, that attitude would mean success for Hitler's efforts to confine the military phase of warfare to the western front and the North sea.

Two of the men who believe that they are prepared for economic warfare and can afford to wait until the military phase of warfare is over are Joseph Stalin and Benito Mussolini. They are both believed to be planning a flanking attack on Germany. A German effort to use military force to break through the economic blockade of the Scandinavians or a Balkan nation, it is believed, would be a disaster.

Except for Norway, Italy, France, and the Balkans, the only countries that appear likely to be in the line of fire in this spring are only Germany, Italy, France, and the Balkans. The other countries are believed to be in a position to meet the public and parliamentary demands for action on the battlefield.

The allied strategy, it was indicated, will be to bring increasing pressure against the small neutrals and to force them to choose between a higher price for Italian supplies. Another will be to cut more deeply into Norwegian territorial waters in order to intercept iron ore shipments from Sweden. Another will be to tighten the blockade in order to cut down on supplies of war materials which are going to the neutral neighbors of Germany and later re-shipped into the Reich.

At Moscow — which has done little to date to break the blockade — it is believed that the allies are planning to force the neutrals to choose between a higher price for Italian supplies. Another will be to cut more deeply into Norwegian territorial waters in order to intercept iron ore shipments from Sweden. Another will be to tighten the blockade in order to cut down on supplies of war materials which are going to the neutral neighbors of Germany and later re-shipped into the Reich.

Flood Waters Cover Parts Of Seven States in U. S.

By United Press

Flood waters brought by a spring thaw and heavy weekend rains, covered sections of six eastern states and California today.

Rivers and streams went over their banks and flooded valley industrial districts and farmlands, causing millions of dollars in property damage and at least 14 deaths.

Hardest hit so far was the industrial district along the Susquehanna river south of Wilkes-Barre, Penn., where flood waters broke through dikes and drove more than 10,000 persons from their homes.

From New England to the middle west, along the Ohio river, the floods had left many homeless, ruined spring crops and crippled industry.

The situation by states: Acute Conditions Connecticut. Acute flood conditions along the Housatonic river valley. Lowlands around New Milford and along the Connecticut river prepared for evacuation in event an ice jam broke loose.

New York: Upstate flood waters receded after three days of the worst overflow in five years. At least three deaths attributable to the high water and a 10-year-old boy washed and drowned in a highway transportation disrupted by washed-out roads and bridges.

New Jersey: Delaware river rising at Trenton where weather bureau predicted a crest of 14 feet by tonight. In 1938 the river rose to 16.6 feet. Many rural roads closed.

West Virginia: A flood, not so serious as the disastrous washout of last week, was expected tonight. River rose to 20 feet at Wheeling, two feet above flood level. Officials at West Virginia advised to transfer movable plants to higher points. Lowlands at Coopers Landing, Honora threatened.

Annual Flood Ohio: Annual spring floods expected ahead entire southern part of state. The Jefferson county flood disaster committee at Steubenville prepared for action at neighboring towns on the upper Ohio. Arrangements made to move families at Enon and Briston. At East Liverpool flood danger believed averted when the water stopped at the 25-foot stage, two feet above flood level.

California: Clearing weather broke the flood in northern California, but 20,000 acres were under water. The Sacramento river at great rise, 180 miles from San Francisco bay. Two persons dead. More than 1,000 families evacuated.

WISCONSIN VOTERS CHOOSE BETWEEN FDR, GARNER

FIVE SLATES OF DELEGATES SEEK POSTS TUESDAY

MADISON, Wis., April 1 (AP)—Wisconsin voters choose tomorrow between President Roosevelt and Vice-President John N. Garner in the first presidential primary in the nation to test the latest reaction, a test that will be binding upon delegates to the national nominating convention.

Five slates of delegates will be before the electorate, three Democratic and two Republican. But the balance of power was expected to fall into the hands of the followers of former Gov. Philip F. LaFollette's Progressive party who had no slate of their own in the election.

Wisconsin will send 24 delegates to which convention, two from each of the 10 congressional districts and four selected from the entire state.

Two Camps

The Democrats were divided into two camps, those favoring the third term and those who supported Garner. The pro-Roosevelt camp was divided again, however, one slate designated as a "Roosevelt-Fairley" delegation and the other a Roosevelt delegation endorsed by anti-slated "liberals" of the party. Each of the Roosevelt slates accused the other of splitting the vote and supporting some candidate other than Roosevelt.

Garner's supporters directed their campaign against the third term principle rather than against Mr. Roosevelt, personally and named "third terms" who, they said, sought to "ride into office again on the President's coat tails."

Dewey in Vandenberg

In the Republican primary, Thomas E. Dewey, New York racketeer, district attorney, was opposed by U. S. Sen. Arthur H. Vandenberg, Michigan. The name of Dewey was entered on the ballots, but delegations were announced pledged to Vandenberg.

The Progressive unit was an undetermined factor in the election. Some estimates placed the total Progressive vote at 200,000 to 300,000 and the power they represented was solicited heavily by all Democratic and Republican factions. State law permits them to vote in either primary.

Adding to the complications of the Wisconsin election was the effort of Garner Democrats to sway Republican votes from their registration column to support the anti-third term movement.

Men Bridge Players Win at University

UNIVERSITY OF IDAHO, April 1 (Special)—Men are better bridge players than women on the Idaho campus, results of the annual Cardinal Key bridge tournament showed. First four places in the final scores were won by the men's groups.

Idaho card sharps, represented by John Reynolds, Rupert, and Al Johnson, Spokane, took top honors in the tournament and the 45 prize. Second place went to the Alpha Tau Omega team of Ralph Hunt and Bob Stewart, both of Buhl.

Lions Entertain On Ladies Night

RUPERT, April 1 (Special)—Thursday was observed by Lions club as ladies' night. Dinner, at which covers were laid for 35, was served in the banquet room of Fred's club cafe, with the president, Thorsten Stevenson, presiding and acting as toastmaster.

Jess Snyder was in charge of an offering which was contributed for the purpose of sending a local member to Cuba this summer to the International Lions' convention to be held there.

At the conclusion of dinner the club adjourned and went in a body to the Methodist church to hear Dr. Nicholas R. Doman in the third of a series of four lectures on international relations presented here by the local Rotary club.

Dr. Nicholas Doman Lectures in Rupert

RUPERT, April 1 (Special)—Dr. Nicholas R. Doman, Budapest, Hungary, author and renowned lecturer on international affairs, spoke Thursday in the Methodist church to a packed house. At the conclusion of his lecture, half the audience remained for an hour to ask Dr. Doman questions concerning European affairs.

Speaker was introduced by H. A. Baker, Rotary chairman of international relations. His address was preceded by two organ solos, "The Lost Chord" and "Clare de Lune" by Mrs. W. D. Boydston, organist.

Co-Eds Pick May Fete Attendants

UNIVERSITY OF IDAHO, April 1 (Special)—University women early last week elected two southern Idaho girls to offices of the associated women students.

Margorie Shloske, Castelford, was chosen maid of honor for the annual May date fete May 1 and Vera Nell James, Gooding, was elected page for the affair.

Other women officers elected are Rachel Braxton, Boise, May queen; Mabel Ayres, Casper, Wyo., A. W. S. secretary; Evelyn Quinn, Peck, treasurer; Jane Pier, Sandpoint, point supervision; and Helen Skjarsaa, Bend, Ore., yell queen.

Because none of the three candidates for the president's position received a majority of the votes cast, a run-off will be held this week between Anne Little, Emmet, and Ann Maguire, Anacosta, Mont. for the office.

Educators Speak To Rupert Rotary

RUPERT, April 1 (Special)—H. M. Carter, superintendent of Rupert city schools, and Ray D. Armstrong, principal of Rupert high school, spoke before the Rotary club and six guests assembled in a luncheon session at the Caledonian hotel Wednesday.

Guests were Homer Graham, Montrose, Colo.; Robert H. Eder and Sam Dehmer, Coeur d'Alene; Bruce Johnston, Burley, and Louis Pettolot and James A. McGuire, Rupert.

In a continuation of the subject "Modern Trends in Education," on which President Raymond H. Snyder of Albion State Normal school spoke last week, the educators spoke further along the same lines. They pointed out how the local schools were using a combination of the new and the old methods of teaching. Group singing, with Mrs. Edna Sinclair at the piano, completed the program.

Moonshine!

SHOSHONE, April 1 (Special) Shades of old John Barleycorn! It appeared Thursday afternoon as if the old gentlemen had come back to Shoshone to take a last bow.

Somebody forgot where they had put their jug some 18 or 20 years ago and Joe Ivis and A. E. Vredenburgh found it while digging for a pipeline.

An old brown jug with a gallon of moonshine whiskey in it rewarded their efforts but said to relate no one feels up to the task of imbibing.

Apparently hidden during prohibition days the five water was found on the old Andy Newman place, now owned by Mr. Vredenburgh, but so far even the old-timers are content to smell the cork.

This Week's

"RANGE of the WEEK"

IS KELVINATOR

Come in for Full Details of the Big I. Q. COOKERY TEST

Whether or not you are entering the big contest... you owe it to yourself to see this beautiful new Kelvinator range. It is the range sensation of this week or any week. We'll gladly explain its exclusive features.

C. C. ANDERSON CO.

C. C. ANDERSON CO.

DO THESE 3 THINGS:

Look at the Size!
Look at the Name!
Look at the Price!

Here are the Amazing Results of Kelvinator's New Program of Large-Volume Production and Low-Cost Selling... Values in 1940 Refrigerators you can't match anywhere.

Now you can buy a big 6 1/2 cubic foot, family-size 1940 Kelvinator built by America's oldest maker of electric refrigerators... at the amazingly low price shown on the right.

This is not a "price reduction" on out-of-date, last year's refrigerators. Nor is this just a "price leader". It's a daring new move on Kelvinator's part. Sweeping changes in Kelvinator's distribution program concentrates on big 6 and 8 cubic foot models... greatly increased sales... have resulted in savings that have been passed on to you.

And today Kelvinator saves you from \$30 to \$60, compared with last year's prices, on big 6 and 8 cubic foot 1940 models.

And these are the finest Kelvinators ever built... which means no make, anywhere, is finer. Each one is powered by the economical Polarsphere sealed unit... all cabinet exteriors are finished in gleaming long-life Permalux. Porcelain interiors are automatically lighted and fitted with the modern conveniences you want. They're new in every detail.

Literally, they're the most astonishing electric refrigerators ever built! See them today!

SEE KELVINATOR'S OTHER "BIG 6" VALUES FOR 1940!

WARNING!

When you buy a refrigerator this year, be sure you get the Kelvinator. It's the only one that's built by America's oldest maker of electric refrigerators... at the amazingly low price shown on the right.

Also, don't be misled by a so-called "special price" for a refrigerator... it's just a trick to get you to buy a cheap, inferior model at a greatly reduced price!

WALTER PRAGER WINS F. I. S. CHAMPIONSHIP

FIELD COMBINATION PUTS INDIANS IN PENNANT RACE

Durrance Captures Slalom Event; Falls in Downhill

By WILLIAM McMENAMIN
ALTA, Utah, April 1 (UP)—Walter Prager, coach of the Dartmouth ski team, today held the annual F. I. S. combined downhill and slalom championship which were run here Saturday and Sunday.

Prager placed second in the downhill race Saturday and fourth in the slalom runs yesterday to gather a total of 314 points. Bill Redlin of the Washington Ski club, Seattle, won the downhill race and placed tenth in the slalom to take second honors with 316 points.

Rain Hampers Track, Field Workout Here

Check Durrance, Sun Valley, won the slalom but a bad spill in the downhill left him out of the money. The weather came with a combined total of 335 points.

In First Ten
Others in the first ten men's combined standings were: Christopher Schatzschneider, New York Amateur Ski club, third; Martin Popp, Switzerland, fourth; Dick Mitchell, Sun Valley, fifth; Big Hall, Seattle, sixth; Bill Redlin, Washington, seventh; Blain, Yosemite, Calif., eighth; Leon Goodman, Payette Lakes, Idaho, ninth; and Bert Jensen, Seattle, tenth.

Nancy Reynolds, Sun Valley, national women's downhill and slalom champion because of F. I. S. women's slalom with 346 points in the slalom, Woolsey, New York Amateur Ski club, was second with 355 points; Virginia Curran, Seattle, Wash., club, was third and Mirja Jennings, Sun Valley, was fourth.

Wins Slalom
Durrance streaked down the Collins Gulch course in 2:18.4 to win the slalom. He made his first run in 1:10 and his second in 1:08.4.

His teammates from Sun Valley trailed close on his heels in the next two places. Harold Hillman took second in 1:08.8—2:11.4 for an aggregate time of 2:20.4. Dick Mitchell was third in 1:09.8—1:13.4 for a total of 2:23.2.

Nancy Reynolds made two successive runs of one minute and 27 seconds in the slalom to win first honors among the women. Her total time was 2:04. Elizabeth Woolsey was second in 1:36.2—1:26.4 for a total of 3:02.6.

Other men included in the first ten slalom runners included: Prager, 2:25.2; Schatzschneider, 2:27.2; Henry Silmoneau, Mount Mansfield club, 2:28.4; Popp, 2:29.4; Blain, 2:31; Al Engen, Sun Valley, 2:32.2; and Bill Redlin, Washington, 2:33.2.

Redlin won the downhill Saturday in two minutes, 10.2 seconds, and Prager was second in 2:19.8.

HERMOSILLO, Sonora, Mex., April 1 (UP)—Connie Mack's Philadelphia Athletics defeated the Pittsburgh Pirates in the first baseball game between the two major league clubs in Mexico yesterday. Connie Mack and two of his men were the state of Sonora, was one of 3,000 spectators.

Biggest Cheer of Garden Goes up When Paavo Nurmi Comes on Track

By HENRY McLEMORE
NEW YORK, April 1 (UP)—Big new world records were established in Madison Square Garden last night, five of them in track and field events and two in women's sports. The crowd was so enthusiastic that the champion's name has been rusty these many years.

Let others tell you of Greg Rice's amazing 11:52.3 in the three-mile run; Al Blosil's monstrous heaves of 12-pound shot; and Alvin Karpis's scorching time in the 50 and 70-yard hurdles. I would like to recapture that moment for you when Paavo Nurmi, the greatest champion Finn, was softly introduced over the loudspeaker and came sliding into the stadium on a ramp into the glare of the big arena.

Same Long Sprints
He came in with the same long, full easy lunge of the Nurmi of near two decades ago and wearing a faded blue running suit. For a second or two there wasn't a sound, except that of his spikes hitting into the pine boards of the track. And for a second or two you couldn't have sworn you were watching the same Nurmi who ran in 12 world records, and who was the mightiest running man of all time.

Record Breaker

GREG RICE

Rice Sets New World Mark in 3-Mile Event

NEW YORK, April 1 (UP)—They'll be singing "Cheer, Cheer for Old Notre Dame" under the spires at South Bend today, for one of their boys made history in the greatest indoor track meet ever held.

Five world records fell last night in the star-studded competition at Madison Square Garden, but the name that was on everybody's lips as the audience swarmed into the arena was that of Gregory Rice, Notre Dame's distance man who ran the great Taisto Maki of Finland into the ground in a three-mile race that brought 14,000 persons out of their seats, yelling.

Rice had to break a world record to do it. Two and a half laps from home Rice took command with an incredible burst of speed and won going away in 13 minutes, 52.2 seconds. Thus he slipped 2.6 seconds off the world record of 15:58.8 which he set recently at the national A. A. U. games.

CHARLESTON, S. C.—Cincinnati Reds ahead of the Red Sox, 3-2 yesterday. Ernie Lombardi's big-bagger driving home the winning run in the sixth.

LANETT, Ala.—The Brooklyn Dodgers played a 12-inning attack, including homers by Roy Cullenbine and Dixie Walker, to top the New York Giants yesterday, 6-5.

DAYTONA BEACH, Fla.—Joe Krakauskas' two-hit pitching yesterday gave the Washington Senators a 2 to 1 triumph over the Minneapolis Millers of the American association.

SAN ANTONIO, Tex.—The New York Yankees belted Houston of the Texas league, 15-3 yesterday before the second of the Southern States city's baseball history, 14,594.

MIAMI, Fla., April 1 (UP)—The St. Louis Cardinals four-game Cuban tour ended Monday when left-handed Agapito Hoyer of the Cuban All-Stars held them to four hits while his teammates dusted Morlon Cooper for enough runs to beat the major leaguers 4-1.

ATLANTA, Ga.—Cleveland yesterday was a 2-0 victory over the Atlanta Crackers of the Southern association for the Indians' eleventh victory in 13 spring games.

MIAMI BEACH, Fla.—Walter Beck of the Phillies pulled the Rochester Red Wings to three singles and took a 3-1 decision.

LAKELAND, Fla.—Frank Greenberg's seventh-inning of the exhibition season in the sixth with no base and Johnny Gioia's three-hit pitching gave Detroit a 5-3 victory over the Boston Braves Sunday.

MEMPHIS, Ark.—The Chicago Cubs won their match from the Chicago White Sox yesterday, 7 to 6.

Willie Hoppe Guns For 14th Victory

CHICAGO, April 1 (UP)—Willie Hoppe, New York, seeks his 15th consecutive victory tonight in the Paavo Nurmi's three-mile run. Hoppe in earlier years and that he would run a 15:54 three-mile race against the Ruler, Damsy boy.

Maki did just about that, too, but it wasn't good enough. Turning the final two laps at 4:40 speed, Rice ran away from the field.

San Diego Is Only Unbeaten Team in Pacific Coast Loop

By United Press
The Pacific Coast league baseball clubs move into the first full series of the season tomorrow with San Diego's Padres in first place by a half game over six other clubs. San Diego took its Saturday encounter from Los Angeles 5 to 1 before rain washed out the abbreviated series yesterday. As a result, the Padres are the only unbeaten team in the circuit.

Hollywood moves on to San Diego tomorrow while Los Angeles returns to its home grounds to entertain Portland. San Francisco opens the night series at Oakland while Seattle goes to Sacramento.

San Francisco and Portland rained out Saturday, and a doubleheader between San Francisco and the Ducks took the opener 9 to 8, betting Sam Gibson from the mound. The Seals came back to take the nightcap 6 to 3.

Oakland and Sacramento also split a pair, the Acorns winning the first 9 to 6 and the Solons the second game, 4 to 3.

Hollywood managed to gain a 4 to 1 lead on Seattle before rain forced a halt in the only other game of the day.

McCall Takes Junior Legion Ski Tourney

SUN VALLEY, April 1 (UP)—With its three top members placing one-two-three, the McCall team won group honors in the first annual Junior ski tournament, sponsored by the Idaho State American Legion, held Saturday on Proctor Mountain.

Individual first place went to Jack Numbers with a point score of 278.2. Bill Brown, Jr., was second with 252.2, and Buster Johnson, third with 208.

In the mile and a quarter downhill race, Numbers was first in one minute, 45 second; second was Willie Johnson was third in 2:11.3.

Ratlike captured top honors in the slalom with a combined time for the two runs of 82.2. Donald Day, Kelchum, was second in 82.4, and Numbers third in 92.4.

In the jumping event, Brown scored 108.7 points to take first place; Reolin Close, McCall, 100 for second, and Number 982 for third.

Hogan turned in his third consecutive victory yesterday as he came from behind to win the \$5,000 Land-Of-The-Sky tournament.

Hogan turned in a 12-hole total of 273 which put him 11 under par and three strokes ahead of Ralph Guldahl, whom he passed in the home stretch.

Boudreau, Mack Make Strong Defense for Cleveland Ball Club

By GEORGE KIRKSEY
FORT MYERS, Fla., April 1 (UP)—Oscar Vitt is singing a song of joy this spring. He believes the Cleveland Indians at long last have found a second base combination to plug that cavernous gap in the middle of the diamond.

When Vitt became manager of the Indians in 1938 he told owner Alva Bardley the club would never win a pennant until they repaired the club's leaky-roof infield. Vitt has found his keystone combination in Lou Boudreau and Ray Mack, a pair of collegians brought up via Buffalo, and he confidently expects to have the best Cleveland club in the three years he's been at the helm.

Behind Feller, Harden and Allen the Indians have Al Milnar, Johnny Humphries, Harry Eisenstat, Joe Dobson, Bill Zuber, Al Smith, and two rookies, Don Puford and Mike Nymek. Smith, who won 18 and lost 2 for Buffalo last season, looks like he'll aid the club considerably as a relief man.

Sparks Club
Boudreau, ex-Illinois U. star, played 53 games at short for the Indians last season and when he hit his stride he sparked the club to a driving finish which won 19 out of their last 22 games and landed out third place.

With the second base problem apparently solved, Vitt has only two other major worries on his hands—Pitcher Johnny Allen and outfielder Roy Weatherly. Allen, a stubborn holdout, has worked like a Trojan in camp and may be headed back to a big year after shunning away to a 9 and 7 season last year.

Needs Allen
"If Allen comes through for me," says Vitt, "you can tell the cockeyed wife the Indians will make it plenty interesting for the Yankees." Vitt's present plan for this outfield—Jeff Heath in left, Weatherly in center and Ben Chapman at

Right. Weatherly is the question mark of the trio. He has a hit to hold his job. If he fails, then Chapman will move over to center and Beau Bell, obtained from the Tigers, will play right. Soup Campbell, up from New Orleans with a .322 batting average, will be the fifth outfielder.

Dietrich Athletes Shine; Win Boxing, Baseball Tilts

DIETRICH, April 1 (Special) — High school athletes of Dietrich this spring are gaining some of the greatest recognition that has ever come to youngsters participating in sports from this section.

During the state boxing tournament, Humphries of Dietrich won the state championship in the 103-pound class. And during the current week-end the Dietrich boxing team took five out of seven fights from Shoshone and the baseball team thumped Bull 11-3.

Godoy Hopes For Return Louis Bout

NEW YORK, April 1 (AP)—Arturo Godoy, Chilean heavyweight contender, arrived today from the Pacific coast to join his manager, Al Weil, in preparing for a return fight with Joe Louis in June.

Godoy, who held Louis to a 15-round split decision on Feb. 8, has been giving exhibitions in the far west. Weil claims he has a verbal agreement with Jacobs for a go-by to fight Louis in June. He says he obtained this agreement in return for permitting Lou Ambers to defend his lightweight crown against Lew Jenkins at Madison Square Garden on May 10. Jacobs insists he never gave Weil such an agreement.

Catholic School Wins 2nd Straight Basketball Crown

CHICAGO, April 1 (AP)—Central Catholic, Port Wayne, Ind., today held its second successive national Catholic high school basketball championship after a five-day tournament.

Central came from behind to nose out St. Michael, Santa Fe, N. M., 35-33 in the finals last night at Loyola university gymnasium.

Idaho Falls Signs Mound Prospect

IDAHO FALLS, Ida., April 1 (AP) — A rookie pitcher, Raymond Parmenter of Pasadena, Calif., was added today to the roster of the Idaho Falls Fusetts of the Pioneer baseball league.

Parmenter was formerly associated with Pacific coast semi-pro teams.

STEELE HEID TACOMA, Wash.

TACOMA, Wash., April 1 (AP) — Freddie Steele, former world's mid-flightweight boxing champion, surrendered to police today on a third-degree assault charge arising out of a cafe altercation in which Theina Hooks, 31, was injured.

Steele posted \$500 bond and hearing on the charge will be held within the next two weeks.

BUSINESS CARDS ARE LOWEST PRICED ADS

For small business enterprises or advertisers who wish regular ads every day the business card rate in the Times and News is the most economical.

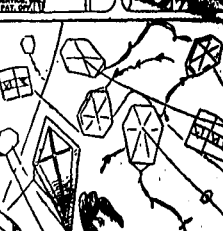

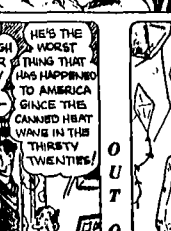

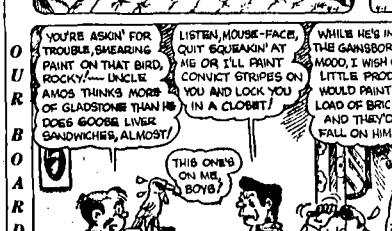

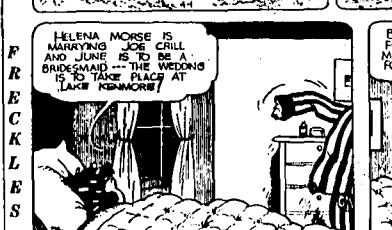

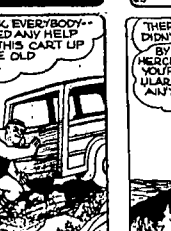

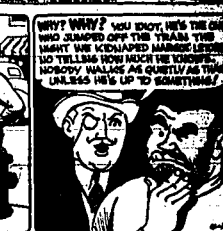

Business cards are the same size ad run every day for one month in either of both papers. Copy changes are allowed each week. They may be of any size from one inch up. Rate reduction amounts to as much as one third of regular rates.

Ask about this rate for your business.

L. D. S. PREPARES TO ENTERTAIN 15,000 AT SALT LAKE

GRANT WILL NOT BE PRESENT AT ANNUAL MEETING

By MURRAY MOLER
SALT LAKE CITY, April 1 (UPI)—This is a conference week in Salt Lake City.

Authorized members of the Latter Day Saints church already have started streaming into the headquarters Mormon city today for their unique semi-annual meeting—a meeting expected to attract 15,000 persons to Temple Square.

Final event will be Sunday evening, a conference of members of the Deseret Sunday school, 110th conference.

The spring, 1940 conference—the 110th annual conference in church records—will be marked by the absence of President Heber J. Grant for the second time since his over leadership of the Mormon faith in 1918.

The 83-year-old president is now in Los Angeles, convalescing from an illness that kept him in a hospital for more than a month. His only other previous absence at a church conference was in 1922, when he was receiving medical treatment in Chicago.

Active leadership of the conference will be in the hands of Grant's two counselors—J. Reuben Clark, Jr., and David O. McKay.

All authorities present.

Sessions of the Relief society will be directed for the first time by Mrs. Amy Brown Lyman, who was named society president last fall by the church general authorities, succeeding Mrs. Louise Y. Robison.

It was expected all of the general authorities, with the exception of Grant, would be in Salt Lake City for the conference. Only authorities now absent are Charles A. Callis, of the church general authorities, succeeding Mrs. Louise Y. Robison, both now returning from a trip to Hawaii, and Levi Edgar Young, member of the first council of seventy and president of the New England mission, due back soon from Boston.

Clean-up Moves 205 Truckloads

Turned by officials the most comprehensive clean-up campaign in Twin Falls history, the 1940 pick-up of trash and debris totaled 205 truckloads, Charles P. Larsen, city street superintendent, announced today.

The clean-up covered 343 miles of alleys. Fully 6,629 containers were emptied during several times that number of trash pickups were picked up.

Both Larsen and J. G. Prescott, holder of the city garbage contract, were high in praise of public and press cooperation.

Wood River Camp Has Annual Party

WOOD RIVER, April 1 (Special)—Wood River camp of the Royal Neighbors had the annual birthday party at the J.O.F.F. hall Wednesday, celebrating the 36th anniversary of the local camp and the 44th of the head camp.

A dinner, featuring a large cake with 25 purple candles, was served from a table beautifully decorated with purple tapers in crystal candle holders and purple and white sardines, peas, carrying out the lodge colors.

Committee in charge of the dinner was Mrs. B. S. Blakely, Mrs. Dean Rogers, Mrs. Mary Boyd and Mrs. Myron Knight.

After the dinner a regular lodge session was held with Mrs. Leo Hutchinson presiding and initiation ceremonies were conducted with Miss Lucie Uria being received into membership.

Gooding Rebekahs At District Meet

GOODING, April 1 (Special)—Rebekah lodge of Gooding took part in the district meeting in Shoshone Tuesday. Annual report for the Gooding lodge was given by Mrs. Milton Roberts; Mrs. W. O. Webb answered roll call for Gooding; and Mrs. E. B. Hughes, Mrs. Ray Albert and Mrs. Roberts participated in a professor quiz program.

A paper on Schyler Colfax, founder of the lodge, written by Miss Cady, was read by Mrs. John Clouser. At the election Mrs. Milton Roberts was named second vice chairman for the district organization. There were 19 Gooding members present for the session.

At the evening program Gooding furnished musical numbers which included a quartet, LaMoine, Willis, Elvif Hill, Dick Correll and Jerry Blom, and Margaret and Junior Willis sang two selections.

The word "pomade" is derived from the French word "pomme," or "apple," because such hair dressings originally were made from apples.

Crash Chalks up Accident No. 63

Sixty-three automobile mishaps were reported in Twin Falls during the first quarter of this year, records at the police station show today.

The sixty-third mishap, recorded Sunday at 2:35 p. m., involved two vehicles operated by Olin M. Gilford, Twin Falls, and Thomas L. Mosher, resident of the state of Washington. It occurred at the intersection of Second street east and Main avenue.

Both cars involved were only slightly damaged. No personal injuries resulted.

DRIVER PAYS \$10 FOR BUS-PASSING

Another Twin Falls county motorist had found today that state police aren't fooling in their enforcement drive against autoists who pass stationary school buses.

Bert Packham, Twin Falls, paid \$7 fine and costs of \$3 Saturday in the court of Justice R. H. Stewart. Buhl. He pleaded guilty to passing a school bus while it was unloading children a mile and a half north and two miles west of Filer on U. S. 30. State police made the arrest.

A Castleford motorist received the same penalty last week from Justice Stewart.

In both cases the bus drivers signed the complaint. State officers praised both drivers and said that only through cooperation of the busmen can the enforcement drive succeed.

Justice Stewart meted out two \$3 fines Saturday for speeding. Defendants were Russell Pinner, Buhl, and Homer Brooks, Caldwell.

In the Himalayan range there are 20,000-foot peaks as yet unnamed.

RUPERT, April 1 (Special)—A new club has been organized among the boys of the sixth, seventh and eighth grades of Pershing school, Glenn Nutting, principal of the school, is supervisor of the club.

Officers are Neil Spidel, president; Dick Fowler, vice-president; Alfred Ide, secretary-treasurer. Aim of the club will be the development of worth-while hobbies. Meetings will be held Wednesday evenings.

At the first meeting last week, Willard Shillington was guest speaker and gave a talk and demonstration of archery.

Castleford Girl Wins Essay Prize

CASTLEFORD, April 1 (Special)—Miss Helen Peterson, valedictorian of this year's graduating class of Castleford high school, won first prize of \$8 in the essay contest, "Why Banks Are Essential to the Community," sponsored by the Farmers' National bank and Idaho First National bank, both of Buhl.

Second prize of \$5 was won by Pauline Bulkeley, also a senior, and Leonard Wheeler, a junior, received the third prize of \$2.

Dolores Barinaga, LaVerne Houk, Warren Ellison and Annal Lou Ruedels were awarded a prize of \$1 each for their essays.

Receiver Seeks Refund of Tax

A dissolved Twin Falls corporation had taken court action today toward seeking refund of \$10,281.26 paid the federal government in processing taxes on hogs during the period that Levy was in effect.

Judge J. W. Porter approved a petition filed in district court by the receiver, under the agricultural adjustment administration. The proceeding levy was later ruled out by the U. S. supreme court and is no longer collected.

Mr. Schmidt was general manager and a member of the board of directors for Sunset, which was dissolved Nov. 15, 1937 after formation Nov. 19, 1931. Other directors were Jack McDougall, killed in a mine accident Oct. 18, 1933 and Fred R. Wagner, now of Elko, Nev. Wagner has declined to serve any further in affairs of the company.

The average speed of lightning is 28,500 miles a second, recent studies have shown.

Autoist Reports Hit-Run Accident

Police today had received a report of a hit-run driver who drove away from the scene of a mishap at 5:40 p. m. Sunday.

H. L. Osterloh, route two, reported that shortly before that time he had stopped his car as he was driving off the truck lane onto highway 30 at Five Points west and that a car carrying Idaho license 6R-2980 struck him.

The left front fender and headlight of his machine were damaged but the operator of the other car continued without stopping.

Helping Hand Club Chooses 1940 Staff

RUPERT, April 1 (Special)—Election of officers was the main feature of Helping Hand club meeting.

Mr. Schmidt was general manager and a member of the board of directors for Sunset, which was dissolved Nov. 15, 1937 after formation Nov. 19, 1931. Boat Expedition Has River Jaunt

Taking advantage of a lull in the present rainy season, a party of more than 14 persons yesterday afternoon made the scenic trip up the Snake river from Blue lakes to Shoshone falls, portaging over Pilsa falls.

Those making the trip were ferried in three motorboats from Blue lakes to Pilsa falls. At that point one boat was carried over the falls and the party, several at a time, was taken from there to the power house below Shoshone falls. The return trip was made in the same manner. The distance covered was feebly more than eight miles.

Included among those taking the jaunt were Lud Drexler and two small sons, Mr. and Mrs. Burton Perrine, Dr. and Mrs. George E. Scholer, Mr. and Mrs. Howard Larsen, Howard Larsen, Jr., Dr. J. E. Langenswiler, Edward Markel, Jim Moore and Harry Moore.

Rupert Herd Has High Milk Mark

BRATTLEBORO, Vt., April 1 (Special)—Fifteen cows owned by Charles H. Hager, Rupert, produced enough milk in 305 days to supply a town of about 385 people for one year, according to the Holstein-Priestian association of America.

The average production per cow was 12,780 pounds milk and 443 pounds butterfat with five cows on three milkings daily, the others on two. The highest producer in the herd was Ormaw's Pointe Girl with a record of 17,492 pounds milk and 594 pounds butterfat in 283 days.

Production records obtained by Mr. Hager by having his cows on herd test will be useful in planning breeding programs for further improvement of the herd.

At Home of Mrs. Henry Bressel

Thursday with Mrs. Bressel's mother, Mrs. Bert Smith, at hostess. Officers chosen to head the club are Mrs. Bert Smith, president, and Mrs. Edith Clavenger, secretary-treasurer. Competitive games, in which Mrs. Edith Clavenger won high score prize, provided entertainment.
