### Soundness of GOP Policies Stressed By Mrs. Ray Agee

Tracing the history of the Republican party from the time of its repeal of the Missouri compromise to the present, Mrs. Ray D. Agee said, "The Republican party has never had to abandon a policy because it was unsound, uneconomic or un-American." In an address before the Twin Falls County Women's Republican club yesterday afternoon.

She commented that the party has been from the very beginning, "the great, constructive political force in America," and concluded her discussion with the statement: "The Republican party ever been afraid to look backward, or afraid to look forward."

Mrs. L. E. Brown, vice-president, concluded the meeting in the absence of Miss M. Letitia McCoy, who is in northern Idaho on a tour of the Republican club yesterday afternoon.

### Home Ec Pupils At Convention

Eleven girls from home economics classes of Twin Falls high school, accompanied by the instructor, Miss Shantia Sutcliffe, Saturday attended the Home Economics Department of the University of Idaho, southern branch, Pocatello.

Heading the delegation was Miss Marjorie Richardson, president of the home ec club. Decision to send representatives was made at a club meeting last week. Each year the club sends representatives to this conference.

Other delegates were Miss Virginia Jean Knight, Miss Bette Thompson, Miss Mary Sue Secord, Miss Zelma Leile, Miss Nora Jones, Miss Betty Lou Powell, Miss Patricia Mill, Miss Betty Tyler, Miss Maxine Beith, and Miss Nyrene Annis.

During the morning girls and adults attended a joint session, music, a welcome address, reports on the year, and a discussion on human relations filled the session.

Luncheon was served to the convention at noon. During the afternoon separate sessions were held by the girls and adults. A business meeting and a tour of the campus were scheduled for girls.

Adult leaders heard talks on "What's New in Home Economics" by Miss Margaret Ritchie, head of the home economics department of the University of Idaho, Moscow; "Planning Community Programs," Miss Angelina Warnick, director of home economics for the state of Idaho.

An Oriental fortune-telling tea was held to close the afternoon for both girls and adults, with tea served in tiny cups and chairs treated on low stools. Hostesses, led by Miss Norma Barnes, head of the southern branch home ec department, were dressed in kimono.

At either side of the entrance to the new student union building, where the tea was held, were huge Chinese lanterns. Invitations were in the shape of a pagoda, with an oriental motif as a design, and all appointments were in keeping with the theme.

**COLOR FORECAST**

Even before most women have chosen their spring wardrobes, forecast stylists begin predicting fashions for fall. Congo brown is predicted as important for fall accessories, since it harmonizes nicely with most tones of brown, also with beige, gold, greens and gray, all of which will be popular fall color.

### Brethren Groups Meet for Dinner

In a setting of fruit blossoms, interpermed with streamers of yellow and green crepe paper, members of the Brethren class of the Church of the Brethren entertained for their families and members of the Bible class of the church and their families at a dinner Sunday, following the morning church service.

Ninety-two guests were seated at long tables, favors being miniature boxes fashioned from orange slices. The group sang "Blessed Be the Thee That Binds" to open the program. Under the direction of Mrs. Faith Perry, Miss June Helstead, Miss Harriet Ferry, Donald Harrington and Vernon Nicholson presented a playlet, "The Train to Maure."

Accompanying "The Train to Maure" was "Silver Threads Among the Gold" were played by Miss Verla Helstead and Miss June Helstead.

Miss Lois Nicholson read "The Royal Degree." Miss Marjorie Holloway played "Over the Waves," a piano solo. R. A. Schwab, teacher of the Bible class, expressed thanks for the courtesy extended by the Brethren.

### Homemakers of Salmon Assemble

METSTEDHAM, April 23 (Special)

The Salmon Tract Homemakers' club met with Mrs. Nellie Pastoor Wednesday with Mrs. Betty Pastoor and Mrs. Donna Kelso assisting hostesses.

Nineteen members and four guests enjoyed the afternoon. Several of the members members names were placed on the honor roll. Mrs. Harriet McDaniel was taken in as a new member.

The program committee gave its report on plans for the year ahead: Mrs. Berry giving topics and hostesses and Mrs. Pastoor gave the roll call plans, requesting each member to choose a subject and bring a new item of interest on that subject to meeting.

Mrs. Bates, retiring president, opened the meeting by group singing of "Idaho," with reports of the members of old furniture will be discussed and demonstrated at this meeting.

Mrs. Pastoor and assistant hostesses served a delicious try lunch to the group at the close of the afternoon.

# BOISE PICKED TO WIN PIONEER LOOP TITLE

## Rookie Outfielder Star Paces Cincinnati Reds Into First Place

### Twin Falls Club Chosen for 2nd, Salt Lake Third

Pioneer league ball teams from throughout the Idaho circuit today headed for, or were already at, home bases as they prepared for the sophomore year of the inter-mountain professional Class C circuit.

Early practices indicate that spectators from over the area this season can expect to witness some of the better baseball for a loop of this type in the nation this year because the teams at their training bases have been playing clubs from higher classification circuits to a standstill.

However, while last year was a start from scratch, the 1940 season finds many old stars returning to their bases and it would appear that the team that played the best ball during the last month of the 1939 campaign would be the club to beat for the 1940 pennant—Boise.

The following are the various factors, which should result in something like this:

- 1—Boise.
- 2—Twin Falls.
- 3—Salt Lake City.
- 4—Pocatello.
- 5—Ogden.

—Idaho Falls

Last year for Cowboys came in first in a hectic race with Pocatello second and Boise third. Salt Lake dropped to fourth, Ogden was fifth and Lewiston sixth.

In picking Boise for first place, there are a number of important factors to be considered.

First, and foremost, is the fact that the Pilots will put on the field one of the better managers of the circuit in the person of Andy Harrington.

Points to Big Attendance

Secondly, Owner Hadyn Walker is pointing toward a big attendance this year in the capital city and expects to make money off the ticket rather than player development and player selling. He has a lineup a group of experienced ball players—men who are good minor league players but who will never be major league prospects. They have the experience so that they won't make the mistakes the younger heads will.

Besides boasting the finest second sacker in the loop in the person of Manager Harrington himself, the club will have the finest fielding first baseman in the league—Walt Love. He is also considerable of a slugger, although he was not as well this season as he was in 1939. The shortstop assignment goes to another veteran—Eddie Sheehan who is a fine performer. In the outfield is Joe Zgnatich, another slugger.

For the nucleus of a pitching staff, Harrington has Larry Reno, Herb Anderson, Darrell Bode and Con Baumann.

All the above mentioned players are holdovers from the 1939 team. They were all good men last year and will be improved this season, besides playing against inexperienced performers.

Boise leads the edge.

However, the Twin Falls Cowboys, defending champions, are going to be no pushover. Manager Frank Tobin, reputed to be a fine handler of hurlers, is bringing a squad to Twin Falls that can be counted on to be "right up in there" that sounds like old stuff, but Business Manager Hugh Doe is not a man to sit around and watch a second division club do battle—while the fans stay away in droves. So, if the first combination that arrives here doesn't click, there will be others moved in.

However, present indications show that the Cowboys will present a club that has played the Class B Western International league teams to a standstill in the Cowboys—with Manager Tobin for the pitcher. They can also win in the Class C Pioneer Loop.

Prospects are good for a first-rate infield with Marchi on third, Thornton on short and Vukac on second. The shortstop post, a thorn in the side of the loop team all last year, appears to be particularly strong. First base is still a problem, as Gordy Carlson, last year's initial sacker, has had a lame arm all year and Canavan is not just exactly what the bosses are looking for. However, Andrews, a giant first baseman now playing for Pocatello, may be sent down to take over that post and would fill in acceptably.

Two spots in the outfield are all set. They belong to Dick Wake in center and Malcolm Stearns in right. Stearns is a slugger and Wake is a fielding and hitting stand-out. He is also the type of Judson Kicks, the centerfielder who started for Pocatello last year.

The other outfield job is a wide-open affair, as are the pitching jobs. Bob Stragg, bullpen catcher for Seattle last season, will be behind the plate for the Cowboys—with Manager Tobin for the pitcher. He is also a pitcher who started for Pocatello last year.

The Salt Lake City improvement, in our opinion, will come from the big bat of Tony Robello, the slugger first baseman who managed Pocatello last year, but will handle the reins for Eddie Mulligan at the Utah capital this year.

Salt Lake Needs Good Team

Owner Mulligan must put a good club on the field this year to hold the potential customers that the circuit's largest city can send to the ball park. For that reason we expect the Salt Lake City team to do a lot for the loop—if they have the material to lead the aid.

It will be noted that the three teams listed in the second division are clubs owned by big league chains. That doesn't sound plausible—but it's where we really expect them to end up for one reason: The fact that the parent teams are using these clubs exclusively for proving grounds without paying much attention to the attendance angle.

Pocatello was written a second division team last year any time Robello was not in the lineup. Ogden was in last or fifth place all season.

And Idaho Falls will be starting from scratch—with the nucleus of the Lewiston Indians from last year's league to work on. Upright by the New York Yankees, this club may be the surprise of the circuit—but from early season results it doesn't appear able to go any place with the present lineup.

However, belonging to a strong chain, the team may find that it will pay to bring in better material, which could easily switch the standings.

### Coast League Opens Fourth Week of Play

The Pacific Coast league starts its fourth week of competition today with first place Oakland Aacoms entertaining second place San Diego.

Oakland has only three men batting better than .500 but the team average is .392, indicative of a well rounded offense. Its two best pitchers are newcomers—Milo Candini and Jim Mulligan, both undefeated.

Mike Christoff, formerly with Houston, is the third leading batter at bat. Marvin Cullen (now batting .300) is hitting .300 and Bill Lyman .301.

Figures released today show Seattle the best hitting club in the league a fraction of a point ahead of San Francisco.

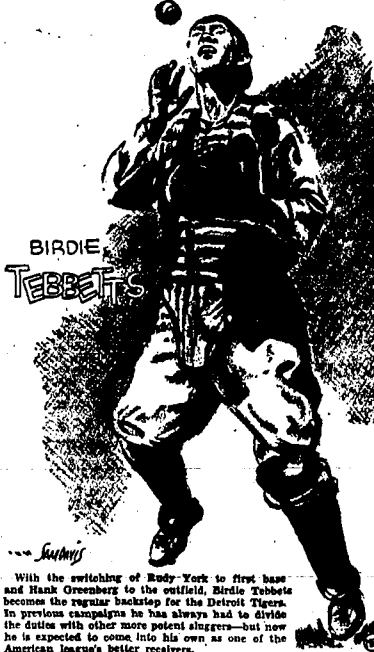

Ted Jennings of the Seals tops the league in hitting with .401, following Jennings are Steve Keener, San Diego, .400; Christoff, Louis Novikoff, Los Angeles, .418; Schuster, and Johnny Cull, San Francisco, .400.

Wayne Osborne of Hollywood, with a fifth place club, has won five games without defeat to top the pitchers.

Novikoff has taken the heavy hitting crown worn last year by his teammate, Marvin Cullen (now batting .301) by doubling seven home runs and driving in 27 runs for the Angels.

Other games this week: San Francisco at Seattle; Los Angeles at Portland and Sacramento at Hollywood.

### Steady Employment

With the switching of Rudy York to first base and Hank Greenberg to the outfield, Birdie Tebbetts becomes the regular backstop for the Detroit Tigers. In previous campaigns he has always had to divide the duties with other more potent sluggers—but now he is expected to come into his own as one of the American league's better receivers.

### Powers Names Track Team For Next Meet

Despite the fact that cold and rainy weather has hampered his squad in training, Coach Hank Powers today had nominated a squad of track and field athletes to compete in the annual invitational meet at Burley this week-end.

The Bruins have been out for practice for less than two weeks and on the clear days they have had during that time the inter-class meet has been started. Yesterday was the first sunny day spent entirely in practice. The final event of the inter-class meet—the 220—was to have been run, but it was postponed until after the Burley try.

Entered in the Burley meet are usually schools from Burley, Rupert and Twin Falls, plus one or two smaller schools.

Powers today stated he would take the following men to Burley:

Sprints and relays—Davidson, Robertson, Thomas, Rowen and Patton.

High hurdles—Lake and Prutis.

Low hurdles—Lake and Downing.

Quarter mile—Fulbert and Gibb.

Half mile—Bilgerstaft, Wallace and possibly Gibb.

Mile—Eystones, Malone and Gust.

Broad jump—Davidson, Thomas, Robertson and Downing.

High jump—Lake, Rowen and Wallace.

Pole vault—Davidson and Thomas.

Discus—Wells, Gibb, Patton and Anderson.

Javelin—Robertson.

Shot put—Anderson and Patton.

### Mike McCormick Slugs Hard for McKechnie; Indians Beat Browns

NEW YORK, April 23 (U.P.)—All those baseball soothsayers, clairvoyants and wisehelms who predicted last Oct. 8 after the Yankees had slapped the Reds down for the fourth straight time in the world series that Bill McKechnie's club would never be the same were barking up the wrong tree.

The Reds have not only recovered from that October nightmare but they have a better ball club than in 1936. Ernie Lombardi has forgotten all about his nap, the plate, Billy Myers and Lonnie Frey have recovered from their world series jitters. Harry Craft is 35 pounds heavier and going like a fire engine. Gene Thompson has arrived as the third ace behind Paul Derringer and Bucky Walters.

But the big change in the Reds is in left field, where rookie Mike McCormick from Indianapolis has taken over like a veteran. In the Reds' three straight victories, Mike has batted out five hits (two doubles) in 12 times up, scored three runs and has driven in two. He has performed brilliantly in the outfield and his speed on the bases already has the other National league outfielders watching him out of the corner of their eyes.

Makes Two Hits

Mike, no relation to the Reds' Frank McCormick at first, scored two runs, made two hits and drove in two runs as Cincinnati jumped up its third 9-5 victory, although he went only six innings. Mac Brown and Max Butcher finished for him.

Cleveland Gains

Cleveland moved back into a tie with the idle Red Sox for the top of the league by beating the Browns, 5-2.

Earl Averill's pinch slug in the ninth secured Pinky Higgins and Frank Meigs with the two runs by which the Detroit Tigers came from behind to defeat the Chicago White Sox, 6-5.

One-third of the population of Hawaii is Japanese.

"But I Don't Want to Look Like a Cowboy."

We'll bet a hundred men have said that.

The Spring hats have wider brims but maybe you can't wear them too wide.

### Cowboys and Indians Worry Over 1st Base

First base worries today continued for the Twin Falls Cowboys and the Spokane Indians—and nobody seemed able to do anything about it.

Starting at the base of things, the Indians had promised big Steve Andrews to the Cowboys for the opening game at Spokane. But when Tom Canavan failed to come up to expectations, Carlson has a sore arm and has been having a tough time with the bat. The cause of the sore arm, it is believed, is because Corby's arm muscles haven't responded to treatment, he hasn't been able to swing.

However, after Andrews had been notified he would be sent to Spokane, he was held up in Twin Falls by the Spokane Indians. The first baseman from Vancouver who was promised to the Indians, failed to report—going to Wenatchee instead.

Now, Spokane—like Twin Falls, has two first basemen, neither of whom fits the bill. The Indians' Steve Andrews is believed not quite experienced enough for the Class B club but would be capable enough to get a star here by mid-season.

Meanwhile, both teams awaited assistance from Seattle—and failing that, they might make an outside purchase.

Utah announced last night that the Cowboys would leave Spokane today to play the first game at the Twin Falls base and would arrive here late the same evening. The youngsters will find their new home on Thursday, rest Friday before leaving for Boise that afternoon for the opening game of the season on Friday night.

### Here's Good Advice From Mac: Stick to Bimelech

By HENRY McLMORE

NEW YORK, April 23 (U.P.)—No matter what advice I offer you directly from Louisville next week, you string along with Col. Ed Bradley's Bimelech to win the Kentucky derby.

I'm telling you this before I get there because I know from past experience that Louisville during derby week does a lot of things to talk out of it by gentlemen with goatees on their chins, glasses and their hands, and convincing talk of inside information.

I became completely sold on Bimelech when, at Jamaica yesterday, I walked into the paddock to get out of the rain and had a talk with Bunny Jim Fitzsimmons, who trains for William Woodwards. He said the talk about the Whistley stables, "Mister Pitt" who is now starting his 50th year on the turf, gave his opinion of the coming Kentucky derby.

"It'll be Bimelech, and easy," he said. "If the fellow is in shape, he'll win. He'll be in shape, I see that. Right now it looks as if the rest of us will be going to Kentucky just for the ride. No, that's all right. The talk about Bimelech not being in shape because of the weather. Weather doesn't matter. It's the way of getting a horse ready for a race. You can ready a horse, regardless of the rain and cold and snow. That's why you don't know. You know how he is going to run. Our only hope in the derby is that Bimelech, even though he be fit as hands can make him, just won't be the horse on May 6 that he was last fall. If he happens to be well, he'll just be chasing Bradley's alkis all the way around."

That's a pretty compliment for Bimelech, because "Mister Pitt" knows a thing or two about the derby. He has sent three winners to the post at Churchill Downs—Callant Fox, Omaha and Johnstown.

He isn't sure what horse he will ship to Louisville this year. He is working with Art Lewis, Ridge and Merry Knight for the Whistley stable, and Pevelon, Dusky Fox, Foxstons and Phurston for Belair. Right now Phurston and Merry Knight, a pair of 40-1-1 shows in the winter books, are the only ones considered as possible starters.

While I was talking to "Mister Pitt" he was joined by Hirsch Jacobs, for several years the leading money winner among the trainers and a chap who knows all there is to know about a race horse. And guess who he likes for the derby? Bimelech. Jacobs doesn't believe there is any horse in the country who has the class of the Bradley beauty.

So, there you have the opinions of two of the greatest trainers in the country, I have the same information, but I have an unshaking feeling that by next Wednesday night I'll be sitting in the Kentucky hotel ending up a story with a pie to all of you to forget what I said about Bimelech and take a flyer on a great, new find of mine. Don't you do it.

### Pro Golfer to Play for \$75,000 Total

NEW YORK, April 23 (U.P.)—Professional golfers will tee off for an aggregate of \$75,000 for one month this summer. Tournament Manager Fred Corcoran of the Professional Golfers association announced today.

Ten events, beginning with the Goodall round robin match play tournament at the Fresh Meadow Club, N. Y., have been scheduled and others are to be added when details are completed.

The \$5,000 Milwaukee open, listed for Aug. 1-4, is an addition to the schedule which the Chicago open, last played in 1933, will be revived this year on July 19-21 at a course still to be selected.

The 23rd annual P.G.A. championship, inaugurated in 1916, offers the richest purse, \$18,000.

### Ticket Sales Start for Benefit Game

Promotion plans were under way today for the city recreation association benefit baseball game here on May 6, following a meeting of the organizing committee.

The benefit game will be staged under the floodlights on that date with the Twin Falls Cowboys of the Pioneer league furnishing the opposition for the Southern Idaho All-Stars.

At the meeting last night, presided over by President Al Westerman, two more ticket assistants were added to the staff of Chairman Lud Drexler. They are the men A. B. Henson and C. Vern Yates.

Tickets are being distributed to various organizations who are members of the recreation association and a competitive drive among these groups is contemplated.

Helping with the selling will be the junior members of the recreation group. Signs will also be made by the recreation headquarters and selling spots will be established around town.

It has been announced that all tickets created in aid of the ticket fund for the game will be given to the city recreation director.

The baseball team to oppose the Cubs will be chosen from among the stars of the South Central Idaho league and will be announced about May 1.

### 2nd Perfect Game Fired at ABC Meet

DETROIT, April 23 (U.P.)—Angelo Domenico, 27-year-old Canton, O., shipping clerk, fired a perfect 300 in the 10th round of the American Bowling congress Monday.

It was the second 300 game of the current championships and the eighth in the ABC's 60-year history.

### GUID PLAYERS TRADED

CHICAGO, April 23 (U.P.)—The Chicago Bears of the National Professional football league have traded guard Dick Baxall and Rusty Thompson, an end, to the Philadelphia Eagles in exchange for draft rights to John Schlichter, star center from Santa Clara, if Schlichter does not turn professional, the Bears will be permitted their choice of Philadelphia draftees in 1941.

### Odds Drop on Bimelech

NEW YORK, April 23 (U.P.)—The odds on Bimelech to win the Kentucky derby dropped today to 6-5 as the men who make the future books passed around semi-final quotations which assumed that only 10 of the 127 slighths have more than a gambling chance of coming out on top.

In some quarters at least 30 three-year-olds are looked upon as possible starters, but such a forecast is based more on optimism than facts. The facts are that if you like any horse not included in the books that of 10 you can have him at a price ranging from 40-1 on up.

Each of the favorite owners Andy Stragg and J. Edgar Smith, both in the Chesapeake handicap on Saturday in April was the same whirling dervish of odds. But while Andy Stragg's bet price has been kept steady to share second position on the list with the west's raw-boned challenger, Bimelech,

### Jackie Burke Wins Over Billy Pryor

SALT LAKE CITY, April 23 (U.P.)—Jackie Burke, Ogden, won a 10-round decision last night over Billy Pryor, Sun Valley, Ind. Burke won all the way.

Pete Klovenko knocked out Jackie Nichols in the first round. Eddie House knocked Jimmy Fitzhugh in the fifth; Kid Corrier sent Spiceland Riggs into dreamland in the opening round, and Rocky Griggs scored a technical kayo over Tommy Young in the second.

### Cold Weather Costs Majors \$500,000

NEW YORK, April 23 (U.P.)—Twelve consecutive days of rain and cold weather have cost the major leagues at least \$500,000, it was estimated today.

There have been 85 postponements in the two 1840 season and the first week of the 1940 season according to all available records, says a technical kayo over Tommy Young in the second.

### Boys Will Tackle Gemmell Club

SALT LAKE CITY, April 23 (U.P.)—Tony Robello will send his Salt Lake Boys of the Pioneer league into action against the Gemmell club this afternoon at Community park. The same teams will battle tomorrow afternoon, after which Robello will ease off the Bee's practice sessions in preparation for the league opener against Ogden here Friday.

Two southpaws, Mel Bistau and Mel Marlowe, are expected to work for the Bee today. At St. Louis, new second sacker obtained from the San Francisco Seals, will appear in the lineup.

# Allies Must Defeat "Whole German People," Says British Leader

## COOPER WILLING TO TAKE HITLER 'SUPPORT' CLAIM

**LONDON, April 23 (U.P.)**—The allies must "defeat in battle" the whole German people as well as the Nazis of Adolf Hitler, Alfred Duff Cooper, former first lord of the admiralty, declared today at the annual banquet of the Royal Society of St. George.

Duff Cooper assailed "the crimes of a whole people" (the Germans) and said the allies should not be allowed to plunge the whole world into war.

Duff Cooper, who substituted for War Chief Winston Churchill, decried the attacks upon Austria, Czechoslovakia, Poland, Denmark and Norway were the "crimes of a whole people."

"Victory Certain"

"Hitler says the entire German people is behind him," declared Duff-Cooper. "I for one am prepared to take any risk that will bring victory is certain. No nation with command of the sea has ever been defeated.

"For the second time in my life, they (those who saw the first world war) have seen one country drive the whole world into war.

"Never again shall the whole of Europe tremble before the frowns and menaces of a single man. Never again shall one people be allowed to build up great armaments, a people who have given many proofs that they are not to be treated with their use."

"German Guilty"

"Not even the wildest and most fantastic mendacity could lay a particle of blame for this war on the shoulders of England or France. The whole guilt is on the shoulders of Germany. They have hardly succeeded in protecting their guiltiness of the last war when they render themselves guilty of another."

Duff Cooper said one could not drive a wedge between the German people and the German government.

"We must accept no soft words or specious promises as we did when they came whining and grovelling to Versailles. We must defeat the German people in battle."

## BENOIT WINS TOP DEBATE RANKING

Announcement of ratings of individual speakers in the state high school debate tournament held in Moscow April 11 to 13 was made today by Gerald Benoit, president of the state debate and oratorical association.

Among the higher speakers was Harry Benoit, Twin Falls, who tied with Louis Warr, Preston, for first place as best affirmative speaker.

Ranked in first place was Don Kinney, Blackfoot. A negative speaker. Ted for second was Blaine Evans, Ft. Anthony, and Bob Hayden, Lewiston, both negative.

Third place for negative speakers went to Milton George, Pocatello, and Les Montgomery, Caldwell. In addition to the highest ranking of affirmative speakers, second place was given to Kay Richardson, Blackfoot, and Bill Lewis, St. Anthony.

In number of decisions won, Rose and Caldwell teams tied and were declared state co-champions.

**ATHENS, Ga., April 23 (U.P.)**—Two army fliers were killed today when a training plane crashed and burst into flames at the municipal airport. The dead, Maj. George A. Waga, civil aeronautics authority inspector from Gauley Field, Atlanta, and Ed. O'Rourke, army mechanic, Gauley field.

## ROTARY OBSERVES 20TH BIRTHDAY

**BUHL, April 23 (Special)**—In observance of the 20th anniversary of the founding of the Bull Rotary club, that order held a special anniversary meeting and selected charter members and early members of the club present from Boise and Twin Falls. The Bull Rotary club mother, Mrs. Lucy Parry, also invalid for the past four years, and Mrs. Nellie Outen, the club's first pianist, were the only women present. Mrs. Parry was the only woman pianist, wearing Thursday noon in the Mercier cafe banquet room.

The luncheon was served at long tables decorated with elegant and spring blossoms, and with baskets of flowers placed about the room.

Welcome by Mayor

Mayor O. C. Voelker called the meeting to order and welcomed the guests. L. J. Johnson, program chairman for the month, introduced the special guests to the new members of the Bull club.

The local club was organized April 29, 1920, and held its meetings in the basement of the Griffith building and in the city hall for the first several years. There were 22 charter members. Four are deceased, 14 have moved west and one has dropped out. Of the original group only six reside here: They are Jess O. Eastman, L. J. Johnson, C. V. Boring, H. W. Hirsman, J. H. Barker and Bob Hays.

In a resume of the club work Jess Eastman told of the earliest activities and accomplishments of the club. He described their patriotic and told of their many numerous incidents fitted for being late and taking casual interest, etc.

Special Music

Mrs. Galtton, now of Twin Falls, is touring in this instance with the club. She favored the group at the meeting with several vocal selections, she had a special request of Mother Mary her favorite song, "Memories."

At the anniversary luncheon "Mother Parry" was given a special "chair of honor." With the club was organized "Mother Parry" was elected to serve their weekly luncheon the program for the month and served the group present without a break for five consecutive years as the first meeting place and in the "upstairs" of the city hall.

"The Rotary club mothers" is always welcomed on the birthday, April 22. During the hours of "open house" at the home of her daughter, Mrs. Lawrence Van Rippe 14 is the custom. It is the club's custom which her happy birthday she celebrated her 70th anniversary recently.

## JUBILEE GRANTED SPACE ON MAIN

Following the suggestion made by the merchants' bureau of the Chamber of Commerce, Twin Falls city councilmen today had voted to close the downtown area on Main avenue from Second street west and north to Third street south and east on July 3, 4 and 5.

The request, on behalf of the two groups, was made at the council session last night by John B. Robertson, general chairman of the jubilee which will be staged here on those dates.

Flag Pole at Park

Councilmen also approved erection of a 50-foot flag pole in center field at Jaycee ballpark, the pole to be outside the field and against the fence. The pole will first be used April 30, opening day of the season, in a flag raising ceremony which will precede the game. After the initial contest, the league championship pennant will fly under the U. S. flag.

Councilmen also granted permission to C. Vern Yates to install an electric scoreboard at the park. Installation is to start at once and it will be in operation opening night. Yates was granted authority to remove the board at the end of each season.

Small Tax

A resolution was adopted which will place a small tax upon admission tickets this year to provide revenue for maintenance work and payment of indebtedness for construction.

## Glee Club Sings For Rotary Club

**I'M A PLUMBER AND I KNOW MY PIPES**

"I've packed okum into a good many thousand joints of pipe in my lifetime, and if there's anything I know how to fix, it's a leak."

"The circulation of money is a lot like a pipeline... if the money goes around and around it works for the benefit of everyone. If the line springs a leak it's only a matter of time until all the money has drained away."

"It seems to me that the surest way to keep money here at home where it can keep circulating and working for the benefit of everyone who lives here is to spend it with independently owned and operated business firms. The man or woman who runs a business usually has a home here, and they recognize the fact that money spent here improves the town and makes business better; it creates opportunity for new business firms too; and that makes jobs, and higher wages."

"I'm plumb sold on trading INDEPENDENT because what benefits them benefits me and mine, and that's no pipe dream!"

**J. A. CAMPBELL, Well Known Idaho Plumber Since 1911**

**The Independent System**

**The Drainage System**

Money goes 'round and 'round stays at home and benefits everyone create jobs opportunity, more business, higher wages result, PROSPERITY!

There is a simple fact about money; we all know it, but we forget about it. That is that money must circulate if business is to be good. There is just as much money in this country today as there ever has been, but we all know that there are 10,000,000 unemployed, business is NOT what it should be, we ALL question the security of the future, we admit that opportunities for our young men and women are becoming fewer. In spite of government spending we have been unable to get the wheel off center during ten years of depression.

The money still exists but it is not circulating. SIX BILLION dollars have been drained out of our community and lies idle, waiting for the whim of those who control it. Independently owned and operated business does not contribute to this community drain. TRADE INDEPENDENT FOR YOUR SAKE!
